

EXPERT ADVICE AND OPINIONS IN COMPLEX DISPUTES

Today, corporations are facing unprecedented scrutiny from both internal and external parties. In addition, business disputes and regulatory probes have become increasingly burdensome and complicated, often impacting business operations locally and internationally. Corporations and their legal advisers often need an independent, dedicated and specialized multidisciplinary team of financial, economic and accounting professionals at their side to confront these challenges.

THE A&M ADVANTAGE

Alvarez & Marsal (A&M) offers global, cross-disciplinary teams with real operational and industry expertise tailored to specific case needs. We work quickly to deliver accurate and comprehensive financial analysis to meet critical deadlines. Our professionals are free from audit-based conflicts of interest, and are able to provide objective advice and analysis for each unique situation.

OUR SERVICES

Our team conducts rigorous financial and economic analysis to help resolve a range of disputes – from internal matters to litigation – from the boardroom to the courtroom. We are adept at providing in-depth analyses of complex financial transactions; preparing comprehensive reports; and providing compelling expert testimony before courts and tribunals.

A&M works closely with law firms, financial institutions, insurance companies and stakeholders to assist in the financial evaluation of the liability and damage phases of a dispute. This includes discovery support, analysis and expert testimony on complex local and international finance, accounting, economic and operational matters.

We provide experienced testifying and consulting experts for issues related to:

- Accounting and Financial Reporting
- Antitrust
- Bankruptcy Fraud and Litigation
- Breach of Contract Claims
- Business Interruption
- Construction Disputes
- Economic Damages and Lost Profits
- Economic Modeling and Forecasting
- Financial Investigations
- Intellectual Property and Licensing
- International or Domestic Arbitration
- Professional Malpractice
- Purchase Price / Earn-Out Disputes
- Valuation and Solvency

We analyze and present complex concepts in simple and understandable terms to courts, arbitrators, mediators, juries and regulatory bodies. We also call upon our forensic technology specialists to collect, preserve and analyze electronic information.

Our team, with extensive experience in negotiations and alternative dispute resolution, provides pragmatic and independent advice on bargaining positions and the commercial, financial and practical impact of settlement offers.
