- Specialises in transaction services engagements. He has extensive experience with vendor, acquisition, and lender due diligence assignments
- Worked on more than 150 successful transactions, both in France and throughout UK, Europe, North America, and Asia

Jonathan Gibbons is a Managing Director with A&M's Transaction Advisory Group in Paris.

Mr. Gibbons has over 22 years of experience, including more than 17 years of experience in transaction services. He has extensive experience with vendor, acquisition, and lender due diligence assignments and has worked on more than 150 successful transactions, both in France and throughout U.K., Europe, North America, and Asia.

Mr. Gibbons specialises in working for private equity groups investing in large, mid, and small cap transactions, as well as serving large corporate clients with an international focus.

Prior to Alvarez & Marsal, Mr. Gibbons was a transaction services partner in Paris with a big four firm, where he co-lead private equity activities, and worked with many leading investment funds over a range of segments and sizes. He also led the practice and development of SPA advisory services.

He started his career completing four years in audit departments of London and Paris, and was then appointed CFO of a Paris based European technology provider for two years.

Mr. Gibbons earned a master's degree in natural sciences from the University of Cambridge, England.

He is a U.K. chartered accountant and a member of the Institute of Chartered Accountants in England and Wales.
