

U.K. TAX Indirect Tax Services

Whenever organisations sell or move goods or services either domestically or internationally, the A&M Indirect Team offers specialised planning and support on all areas of indirect tax to help clients manage complex tax regulations and requirements. Our international network of experts manages all aspects of indirect tax to help you avoid or mitigate costly mistakes, interest and penalties.

Alvarez & Marsal's Indirect Tax team assists clients in managing and mitigating Value-Added Tax (VAT), customs duties, environmental taxes, and excise duties, among other indirect taxes. **We support and guide clients through indirect tax changes with a hands-on approach globally and advise on any changes to their supply chain or business which may have an impact on indirect taxes.**

Senior Led Advice

Our top professionals work on client projects side-by-side with others on the team, so the client benefits from the years of expertise from our senior consultants.

Operational Experience

Many of our senior leaders have operational experience implementing tax arrangements, managing complex transactions and business carve-outs, to effectively navigate indirect tax challenges.

Risk Mitigation

We help clients reduce their risk profile by supporting them with VAT and duties determination and process implementation and improvement.
