### A&M Public Sector Services

A&M has had a dedicated Public Sector Services practice since 2003. Over the last 20 years, we've delivered results for over 400 government agencies in over 45 states, the District of Columbia and the U.S. Territories.

#### Recent A&M Engagements with State & Local Governments

#### State & Local Government

Collaborate with state and local government leaders to improve financial and operational management, reassess and reinvigorate distressed projects, and drive innovation.

#### Health & Human Services

Partner with State Medicaid, long term care and related agencies to assess and stabilize services and operations, engage stakeholders, transform programmatic operations and finances, and provide fiscal and operational accountability.

#### Education

Provide critical guidance to education leaders to improve the ROI of educational spending by implementing financial and operational improvements, realigning resources with strategic priorities and evaluating new funding models and opportunities.

#### Federal

Partner with Federal government departments and agencies to maximize performance and efficiency through financial, strategy & operations, and digital and analytics transformation.

# A&M Public Sector Services EXPERIENCED STATE GOVERNMENT PARTNERS

### State and Local Government Service Offerings

Our mission is to help state and local governments solve problems and sustainably improve the lives of the people they serve. We do so by driving transformational change that improves transparency, accountability, fiscal responsibility and operational effectiveness.

#### Financial Transformation

Provide the financial insights and leadership needed to make informed strategic decisions that result in long-term financial sustainability

#### Infrastructure & Capital Projects

Help public agencies more effectively plan and deliver major capital projects through capital planning, procurement, project management, governance and risk management

#### Medicaid/Health & Human Services

Help Medicaid and related agencies assess, stabilize and transform programs that provide physical health, behavioral health, pharmacy benefits, and long-term services and supports

#### Government Transformation

Drive real results in government agencies through advisory and interim leadership, organizational change and technology solutions

#### Digital & Technology Services

Transform governments through rapid discovery, exacting action and practical solutions that effectively leverage today's technology and digital tools

#### Government Workforce of the Future

Help agencies navigate a complex workforce environment through strategy, program design and planning efforts

### WE'VE BEEN THERE!
