

OUR SERVICE OFFERINGS

TAX PLANNING AND STRATEGY

Take a proactive approach to analyze client's financial situations from a tax perspective and provide recommendations to maximize cash tax savings and tax efficiencies, while remaining compliant with tax laws and regulations and aligning with client's overall business objectives and operations.

OPERATING MODEL DESIGN AND OPTIMIZATION

Help businesses define, refine, implement the structures, processes, and capabilities needed to deliver their strategic objectives efficiently and effectively. This could include strategy alignment, organizational design, process optimization, technology enablement, performance management, change management, cost optimization, and risk management.

INTERNATIONAL TAX COMPLIANCE AND REPORTING

Ensure accurate and timely filing of tax returns locally and globally and maintaining proper documentation to support the tax filing positions taken.

INTERNATIONAL M&A

Assist clients businesses in buying, selling, restructuring, or merging with companies across borders and globally. Our services are designed to facilitate the complex process of cross-border M&A transactions, ensuring deals are executed efficiently and in compliance with local and international regulations. This includes:

- Conducting comprehensive due diligence to evaluate the target company's financial statements and tax obligations and identify potential tax risks that could impact the transaction;
- Advising on the tax implications of the transaction and structuring the deal to optimize tax efficiency and minimize liabilities;
- Addressing cross-border tax issues.
