

Delivering Action and Results across European Private Equity

A year in review

Delivering value for clients

This year we have partnered with a growing number of Private Equity (PE) clients, helping them find new sources of growth, expand margins through operational efficiency, and navigate market volatility.

The PEPI team has worked on:

200+

Performance
Improvement
projects

150+

Due Diligence
projects

Including:

6/10

largest PE deals
in Europe and

70%

of the largest
carve-out deals in
Europe in 2025

A&M: Your trusted partner

With our operational and action-oriented approach, A&M has been working with clients to unlock value and kickstart performance for the last 40 years.

A&M's PEPI team provides services to

80%

of the top European PE firms.

Our people and our approach have led the business to a

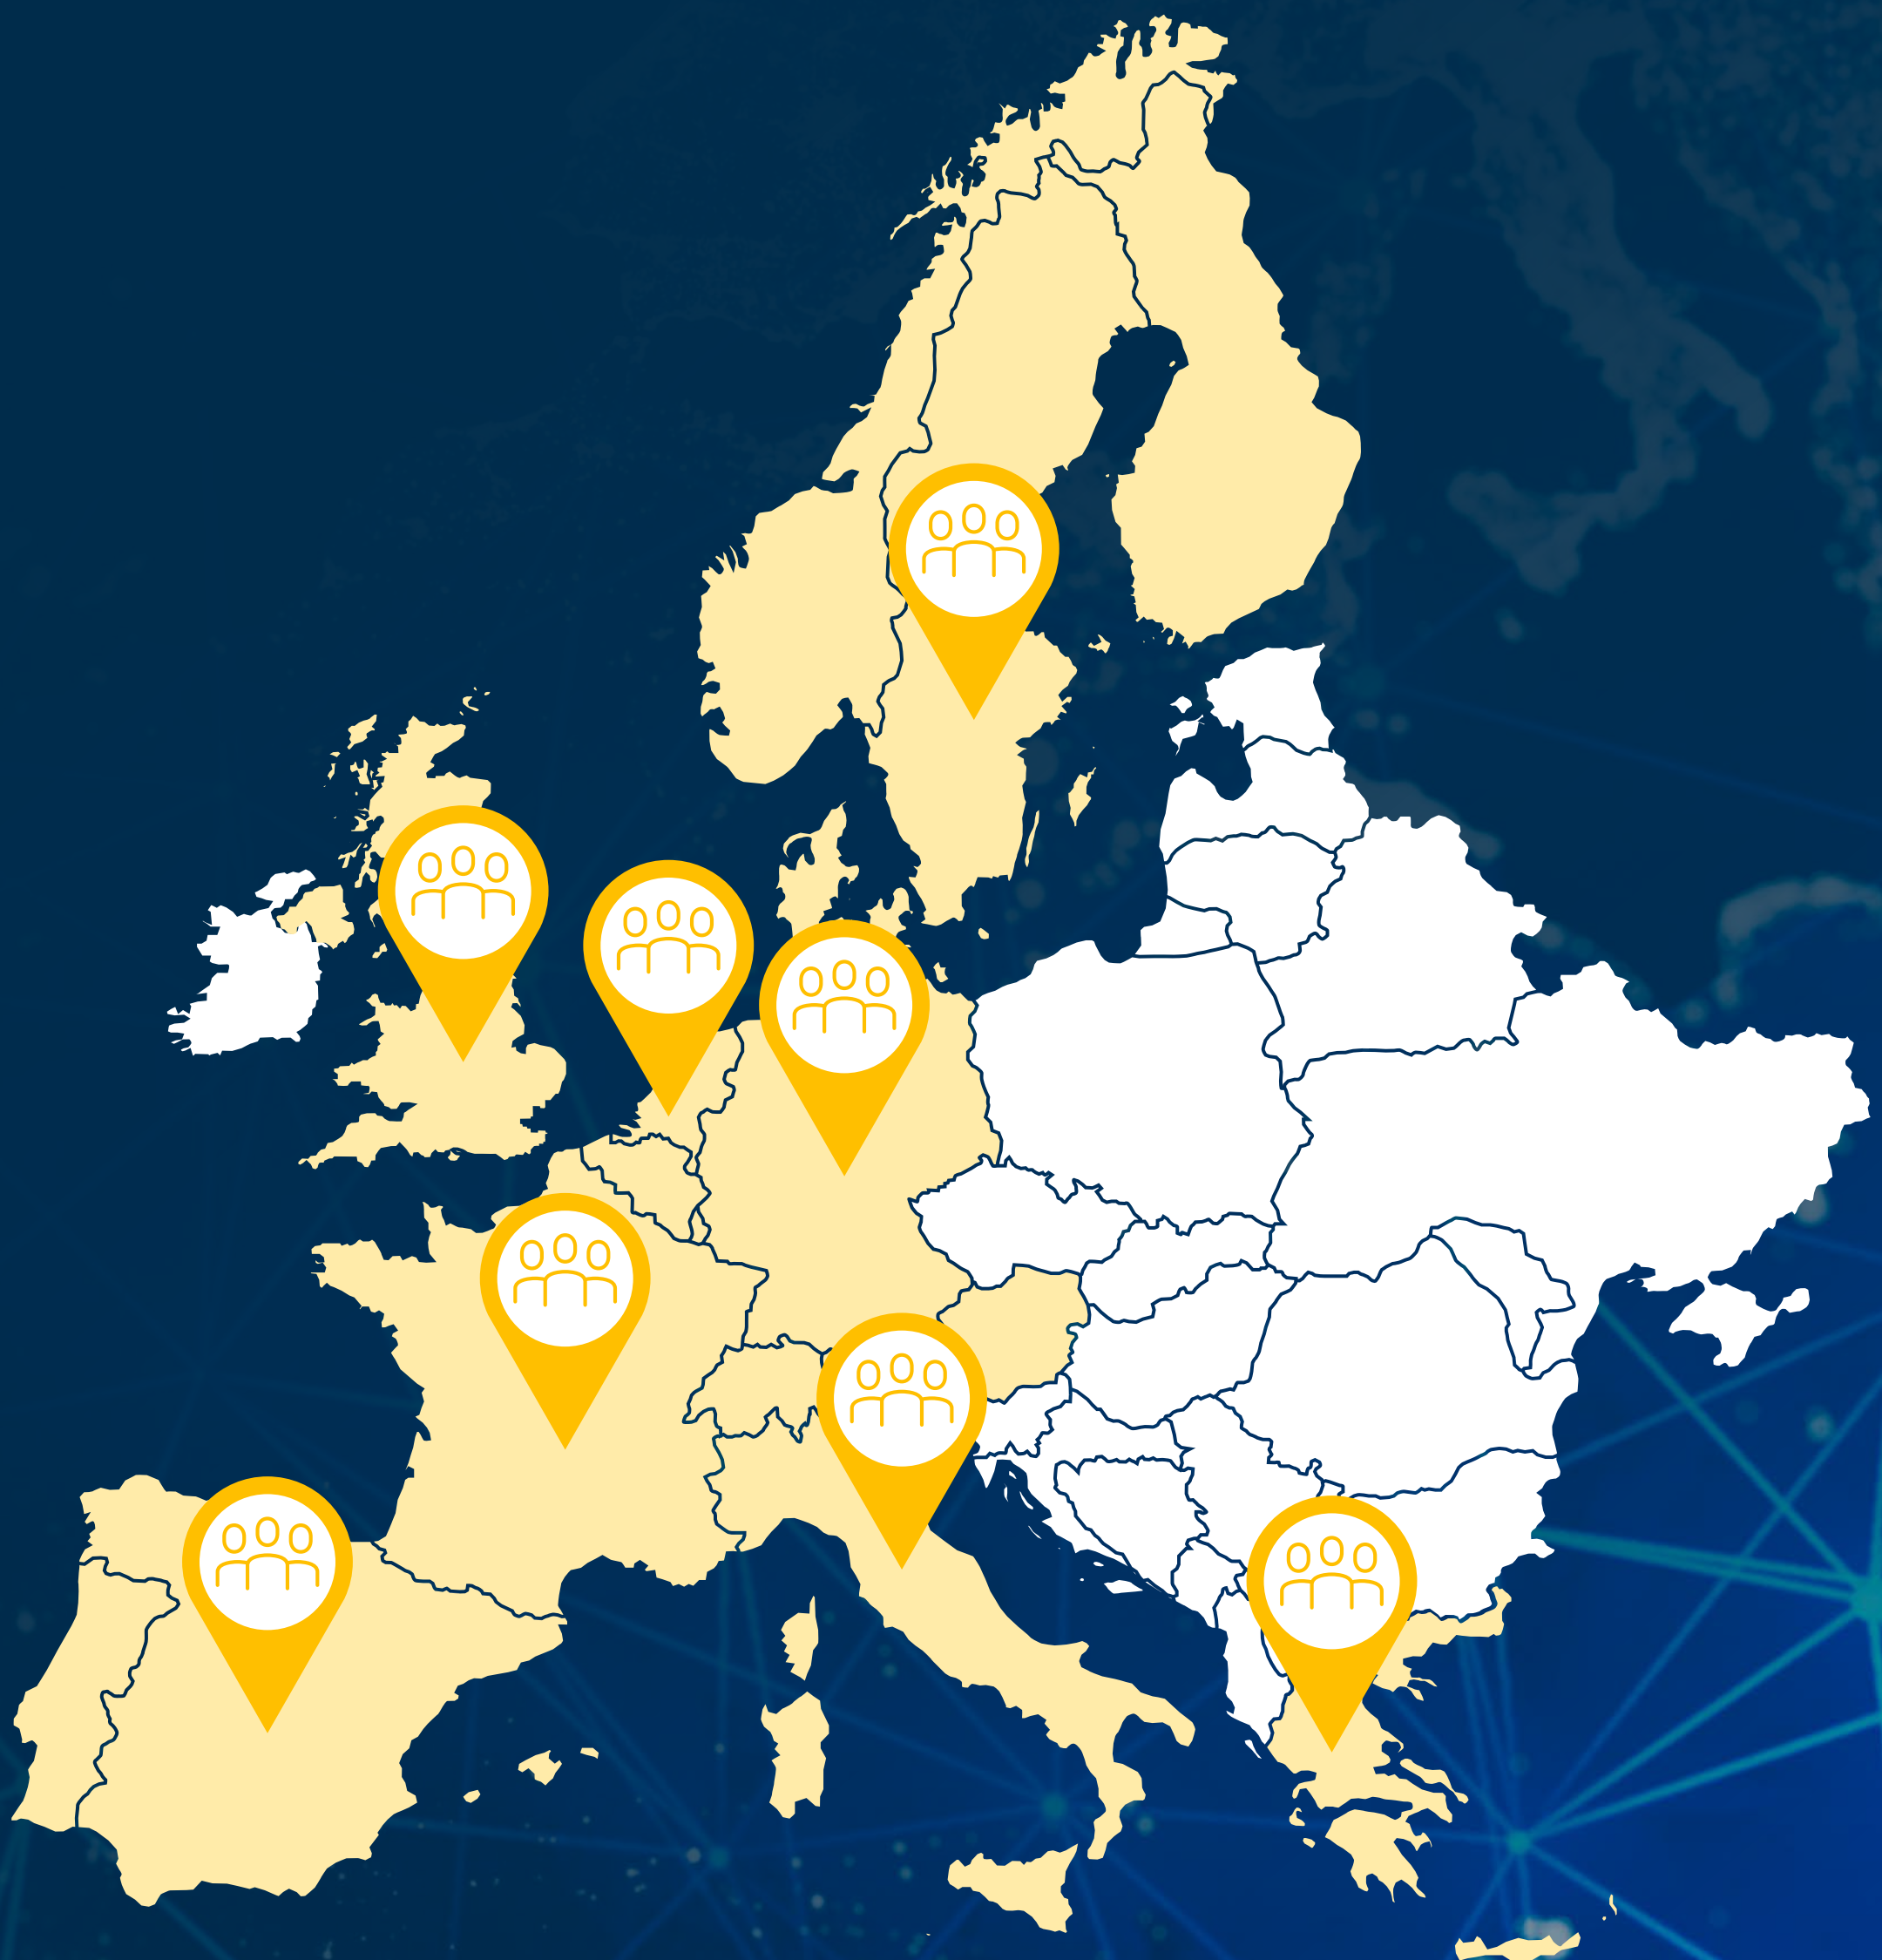

20%

year-on-year growth in the FY25 fiscal year.

Continued expansion across Europe

A&M has **300 people** dedicated to Private Equity Performance Improvement across **8 countries / regions** partnering with clients to **achieve excellence**.
