

OUR SERVICE OFFERINGS

INTERNATIONAL M&A

A&M's International Tax team in Thailand assists client businesses with buying, selling, restructuring, or merging with companies across borders globally. Our services are designed to facilitate the complex process of cross-border M&A transactions, ensuring deals are executed efficiently and in compliance with local and international regulations. This includes:

- Tax due diligence, such as assistance in deal negotiation, review of tax assumptions, and transaction document review
- Tax implications and cross-border tax issues
- Post-deal integration, ranging from intellectual property (IP) planning, supply chain management, and restructuring

TAX PLANNING AND STRATEGY

We take a proactive approach to analyzing our clients' financial situations from a tax perspective. Our team provides recommendations to maximize cash tax savings and tax efficiencies while remaining compliant with tax laws and regulations and aligning with the client's overall business objectives and operations.

OPERATING MODEL DESIGN AND OPTIMIZATION

We help businesses define, refine, and implement the structures, processes, and capabilities that align commercial objectives with efficient tax outcomes. We integrate tax strategy into business design to improve operational effectiveness, optimize cash flows, strengthen governance, and deliver sustainable value beyond compliance. This could include strategy alignment, organizational design, process and value chain optimization, transfer pricing framework, technology enablement, performance management, change management, cost optimization, and tax risk management.
