ALVAREZ & MARSAL THAILAND – GLOBAL TRADE

OUR SERVICE OFFERINGS

OPERATIONAL REVIEW AND PERFORMANCE IMPROVEMENT

The team assesses and optimizes the overall supply chain and service operations of the client's business from a customs standpoint. This includes conducting customs health checks and providing due diligence services to identify risks and improve overall performance and compliance.

TRADE AND TARIFF ADVISORY

A&M provides comprehensive advice and support on customs, excise tax, and international trade matters, including customs valuation, tariff classification, origin, excise tax implications, and anti-dumping and countervailing duties.

CUSTOMS CONTROVERSY SUPPORT

The team assists with audits and investigations by customs and other authorities, which can involve document preparation, response support, and regulatory communications, to ensure compliance.

DUTY SAVING VIA CUSTOMS INCENTIVE SCHEMES

We conduct feasibility studies to identify the most effective duty-saving incentives applicable for client businesses, including free trade agreements and origin, Customs and Industrial Estate Authority of Thailand (IEAT) free zones, and bonded warehouses.

AI-DRIVEN TRADE COMPLIANCE SOLUTIONS

A&M leverages advanced tools and AI-driven solutions to enhance accuracy, efficiency, and decision-making in customs and trade planning.

LICENSING COMPLIANCE SUPPORT

We support and guide businesses through the end-to-end application process for import/export permits and operating licenses, ensuring compliance with relevant regulatory requirements. We also provide advisory and compliance assistance related to export controls and international sanctions, helping businesses navigate complex customs and operational risks.
