Notice to Reader

Alvarez & Marsal Canada Inc. (“**A&M**”) was appointed as Court-appointed receiver and manager (the “**Receiver**”) , pursuant to an order of the Court of the Queen’s Bench of Alberta effective May 21, 2013 of all of the current and future assets of Dowland Contracting Ltd., Dowland Industrial Works Ltd. and 6070 N.W.T. Limited (hereinafter collectively referred to as “**Dowland**” or the “**Company**”).

The Receiver has been authorized to solicit proposals for the purchase of all or some of the assets (the “**Assets**”) of the Company located at various locations across Northern, Central and Western Canada.

This document has been prepared solely for the convenience of prospective purchasers to assist them in deciding whether they wish to submit a proposal to purchase some or all of the Assets.

A&M expressly advises, and the potential purchaser acknowledges, that the potential purchaser will not and could not reasonably rely on this information in arriving at a decision to purchase part of all of the Assets listed herein. A&M has not independently verified any of the information contained herein and makes no express or implied representation or warranty with respect to the accuracy or completeness of such information. Nothing contained in this document is, or should be relied upon as, a representation as to the future potential for the Assets. Each prospective purchaser must rely upon its own inspection and investigation in order to satisfy itself as to title, encumbrances description, fitness for purpose, quantity, condition, existence, quality, value of any other matter or thing whatsoever relating to the Assets to be purchased.

The information contained herein has been prepared for the sole purpose of presentation to prospective purchasers of the Assets and is to be held in confidence and is not to be reproduced or used for any other purpose or disclosed to third parties without the express written consent of A&M.

# 2

Introduction

- Dowland provided full construction services for commercial, industrial, institutional, and design-build projects.
- The Company's services included design, construction, management, logistics, foundation installations and soil investigation, and general contracting. It also provided support services for oil and gas exploration and infrastructure, such as ice-profiling, pressure testing, conductor hole drilling, pipefitting and welding, tank cleaning, inspection and repair, and explosives supply services.
- The Company is headquartered in Edmonton and has branch offices in Kamloops, Inuvik, Iqaluit, Whitehorse, Yellowknife and Anchorage, Alaska (the "Branch Offices"). Through these offices, Dowland provided construction services in Northern, Central, Western Canada and Alaska.
- Dowland has a significant amount of construction, equipment, tools and materials located at Edmonton and the Branch Offices, as well as on other project sites across Western and Northern Canada including Cambridge Bay, Terrace, and various site locations in Alberta and Saskatchewan. All of these locations are shown on the following page.
- In addition, Dowland has fee simple ownership interest in various commercial land and buildings and residential properties in both Inuvik and Iqaluit.
- The Receiver is seeking offers to purchase various parcels of assets, the details of which are set out in this Asset Information Package.

- Cambridge Bay, NU
- Terrace, BC
- Drumheller, AB
- Lloydminster, AB
- Wainwright, AB
- Regina, SK
- Rocanville, SK
- Patuank, SK

● Locations with real estate

# Introduction

## Key Locations

### Edmonton Alberta

The Edmonton site consists of a rented office, warehouse, and storage yard and was the site of the Company's head office. Assets for sale include equipment, a large inventory of newly acquired IT systems, office furniture and numerous pieces of office and computer equipment. The warehouse contains project inventory such as fiberglass and drywall and there are numerous pieces of equipment such as heaters, forklifts and scissor lifts. The yard contains a variety of trucks/suvs, trailers, zoom booms, scaffolding, and approximately 20 shipping containers containing small tools and equipment.

### Kamloops BC

The assets located at Kamloops include office equipment and furniture, several vehicles, excavators and equipment. There are also eight shipping containers containing various tools, equipment, and furniture.

### Inuvik NWT

The Inuvik assets include offices, warehouses, workshops, and storage yards. There is also a significant amount of construction equipment such as drill rigs, concrete plant, trucks, loaders, man lifts, camp living quarters and site offices, fuel station, etc. In addition, there are approx. 50 shipping containers and highway trailers which contain various building materials and miscellaneous small tools. There is also a 4-plex residential unit in Inuvik.

### Iqaluit NU

The assets located at Iqaluit include one combined office, living quarters, warehouse, and yard. The yard and warehouse contain a fleet of work trucks and equipment such as a loader, tele-handler, cement mixer, bobcat, man lift and a 42' highway trailer. Approximately 34 shipping containers contain building materials and miscellaneous small tools and equipment. The warehouse contains construction power tools and supplies. There is also a company residence in Iqaluit.

<b>Alberta</b>	<p>In addition to the Edmonton location, Dowland has three further locations in Alberta - Drumheller, Lloydminster and Wainwright. The equipment at these various locations is general construction equipment such as loaders, skid steers, pick-up trucks, zoom boom, forklifts, man lifts and portable site offices, fencing, heaters, lighting, vehicles, office furnishings, shipping containers and miscellaneous building materials.</p>
<b>Saskatchewan</b>	<p>Dowland has assets located at three locations in Saskatchewan – Regina, Rocanville and Patuanak. The equipment includes bobcats, zoom boom, heaters, lighting, site offices, office equipment, camp trailers, vehicles, containers and miscellaneous tools and materials.</p>
<b>Whitehorse, Yukon</b>	<p>The assets located at Whitehorse have been consolidated from various job sites and include bobcats, man lifts, pick-up trucks, loaders, frost fighters, zoom booms, office and storage trailers and 4 shipping containers containing small tools and equipment.</p>
<b>Terrace, BC</b>	<p>The Terrace assets include vans, trucks, 2 CAT loaders, construction materials and tools.</p>
<b>Cambridge Bay, NU</b>	<p>The Cambridge Bay assets are located at a job site and include camp construction equipment heaters, lights, welders, site trailers, vehicles, containers and miscellaneous tools and equipment.</p>

- For the purposes of the sale of the assets, the items listed above for each location have been put together in individual packages. E.g. the assets at Regina in Saskatchewan form one parcel, the assets at Whitehorse are another package, Drumheller is another package and so on.
- Further details on the packages are set out in sections 4 (Real Estate Asset Packages) and section 5 (Other Asset Packages) with complete listings of all Other Asset Packages set out in the Appendix C.

# 3

## Sale Procedures

### **Basis of Sale**

A&M, in its capacity as Receiver, will consider proposals to purchase, on an “as is, where is” basis, the Receiver’s right, title and interest in any or all of the Assets set out in the Parcel descriptions summarized in sections 4 and 5, and detailed in Appendix C. The sale of the assets will be subject to the Terms and Conditions of Sale attached as Appendix A.

### **Sale Process**

Advertisements will be placed in leading regional and national publications during the week ending June 28, 2013. At the same time, a number of potentially interested parties identified by the Receiver, or who have directly expressed interest, will be contacted and provided with a summary of the Assets available for purchase. Interested parties wishing to receive detailed information on the package of the Assets available for sale will be provided with access to a secure data site containing some further information on the Assets for sale, including this Asset Information Package.

### **Parcels of Assets**

The Receiver has divided the Assets into multiple parcels depending on the type and physical location of the Assets. The Receiver is seeking offers for each parcel of Assets described in this Asset information package. Preference will be given to bids for whole parcels and bidders are welcome to bid for multiple or all parcels.

### **Inspection of Assets**

The Assets are available for inspection during the following preliminary dates:

- Edmonton and other Alberta locations – Tuesday July 2 to Friday July 12, 2013
- Cambridge Bay, Inuvik, Iqaluit, Kamloops, Whitehorse and other locations in British Columbia and Saskatchewan – Monday July 8 to Friday July 12, 2013

To make an appointment to inspect the Assets please contact one of the A&M personnel listed in section 6 on or before the dates set out above.

### **Deadline and Format for Offers**

All proposals will be given consideration, however, offers must be submitted in accordance with:

- (i) the Terms and Conditions of Sale attached as Appendix A; and
- (ii) in the form of offer attached in Appendix B to this Information Package

and be received on or before **5:00 p.m. MST Monday July 22, 2013.**

Please note that all offers for Assets must be accompanied by a 10% deposit as set out in the Terms and Conditions of Sale.

### **Access**

Under no circumstances shall prospective purchasers and/or interested parties view the Assets and/or enter onto the lands, premises or operating sites without the express written consent of A&M.

### **Notice to Prospective Purchasers**

Prospective purchasers are cautioned that A&M reserves the right to sell any of the Assets or group of Assets at any time as determined in A&M's sole judgment, including prior to July 22, 2013, and is under no obligation to notify prospective purchasers if such occurs. In addition, the highest offer may not necessarily be accepted, nor will any of the offers submitted necessarily be accepted. Any offer which is accepted is subject to A&M and any prospective purchaser entering into a formal agreement of purchase and sale on terms and in form acceptable to A&M and may be subject to the approval of and/or an Order of the Court of the Queen's Bench of Alberta.

### **Contacts at A&M**

All contact by prospective purchasers is to be made directly with the designated representatives of A&M noted in section 6.

# 4

Terms and  
Conditions of  
Sale

1. Alvarez and Marsal Canada Inc. (“**A&M**” or “**Receiver**”), in its capacity as Receiver of Dowland Contracting Ltd., Dowland Industrial Works Ltd. And 6070 N.W.T. Limited (In Receivership) (collectively referred to as “**Dowland**”) will consider written proposals to purchase Dowland’s right, title and interest, if any, in Dowland’s assets and the lands as set out in the Asset Information Package dated June 24, 2013. Such proposal must be in a sealed envelope marked “**PROPOSAL RE: DOWLAND**”.
2. Acceptance of any proposal received by A&M shall be expressly conditional on obtaining the approval of the Court of the Queen’s Bench of Alberta (and the superior court of any other Province or Territory), required to convey title to the assets in accordance with these terms and conditions in a form and content satisfactory to A&M. Notwithstanding anything in the doc to the contrary, no proposal shall be binding on A&M unless and until such court approval has been obtained.
3. If any proposal is accepted by the Receiver and the Court of the Queen’s Bench of Alberta (and the superior court of any other Province or Territory), required to convey title to the assets in accordance with these terms and conditions, then notification of such acceptance shall be transmitted to the Purchaser by notice in writing send to the Purchaser at the address set forth in the Purchaser’s proposal, such notice to be given by electronic transmission or any such other form.
4. Completion of the purchase and sale of the assets will take place 10 Business Days after the expiration of any appeal period for the Court Order approving the sale (the “Closing Date”). The term in “Business Day” shall mean a day which is not a Saturday, Sunday or statutory holiday.
5. The completion of the purchase and sale shall take place on the Closing Date at such place and time as A&M may advise the Purchaser in writing.

6. At the Closing Date, provided that the purchase price together with all applicable taxes have been paid, A&M shall execute and deliver to the Purchaser all such transfers, deeds, and other documents as may be reasonably necessary to convey Dowland's interests in the assets to the Purchaser in exchange for payment of the purchase price. Any such transfers, deeds, and other documents shall be in a form and content satisfactory to A&M (acting reasonably) and shall not contain any covenant or representation other than as specifically provided in these terms and conditions.
7. **All proposals must be received by the A&M designated representative at the aforementioned address by 5:00pm MST, Monday, July 22, 2013.**
8. By submitting a tender, Purchaser acknowledges that it has inspected the parcel of assets and that the parcel of assets is sold on an "as is, where is" basis at the time of closing and that no representation, warranty or condition is expressed or implied as to title, description, fitness for purpose, merchantability, quantity, condition, cost, or quality thereof or compliance of the Lands, Buildings or any parcel of assets with environmental laws and requirements, or in respect of any other matter or thing whatsoever. Without limitation, all parcels are specifically offered as they exist on closing and with no adjustments to be allowed to the Purchaser for changes in conditions, qualities or quantities of such parcels from the date hereof to the Closing Date. Each purchaser acknowledges that A&M is not required to inspect or count, or provide any inspection or counting of the parcel of assets or any part thereof and each Purchaser shall be deemed to have relied entirely on its own inspection and investigation including an independent investigation by the Purchaser of current and past uses of the Lands, Buildings or any parcel of assets to satisfy the Purchaser as to the effects of any environmental laws, regulations or requirements upon the Lands, Buildings or any parcel of assets or the transfer to the Purchaser of the Lands, Buildings or any parcel of assets. It shall be the Purchaser's sole responsibility to obtain, at its own expense, any consent to such transfer and any further documents or assurances which are necessary or desirable in the circumstances, with the exception of obtaining any court orders.
9. A&M shall not be required to produce any tax certificate, clearance certificate, abstract of title or documents or copies thereof or any evidence as to title, other than those in its actual possession.

10. A&M shall remain in possession of the parcel of assets and the Lands and Buildings until the Purchase Price thereof has been paid in full.
11. All proposals must include a fully completed “Proposal Form” (enclosed). Supplemental information must be in written form, signed by a duly authorized officer(s) of the entity making the proposal. Proposals received that are not in the attached form or which amend the attached form may, at the sole discretion of A&M, be rejected.
12. All proposals must be accompanied by a bank draft or certified cheque payable to “Alvarez and Marsal Canada Inc. – In Trust” in an amount equal to not less than 10% of the gross purchase price offered for the assets. If the proposal is accepted, this draft or cheque shall be deemed a non-refundable cash deposit and shall be forfeited to A&M on account of liquidated damages if the contemplated sale is not completed by the successful party (“Purchaser”) by reason of the Purchaser’s default. Acceptance of any proposal is subject to A&M and the Purchaser entering into an Agreement of Purchase and Sale on terms and in form acceptable to A&M.
13. In consideration of A&M making available to purchasers these Terms and Conditions of Sale, any other information, and the opportunity of inspection, and/or in consideration of receiving and considering any proposal to be submitted hereunder, each purchaser agrees that its proposal is irrevocable and cannot be retracted, withdrawn, varied or countermanded prior to acceptance or rejection thereof.
14. In the event that some of the proposals are substantially in the same terms and/or amounts as determined by A&M, A&M may, in its sole discretion, call upon those purchasers to re-submit to A&M for its final consideration. Each purchaser is in agreement that the re-submission contemplated under this section is a fair and reasonable manner of proceeding in the case of proposals in substantially the same terms and/or amounts.
15. Proposals must be made for all or any parcel of assets. Proposals submitted for more than one parcel must specifically allocate a separate price for each parcel and will be considered as a separate proposal for each parcel unless otherwise indicated as an En Bloc proposal.

16. Proposals or offers to liquidate the fixed assets must contain a net minimum guaranteed return to A&M and will be subject to the liquidator and the Receiver entering into an auction services agreement on terms satisfactory to the Receiver.
17. Where a party withdraws its proposal after July 22, 2013, and before the date on which the party receives notification of the decision made regarding the proposals, the deposit shall be forfeited on account of liquidated damages by the party to A&M.
18. Cheques or drafts accompanying proposals that are not accepted by A&M shall be returned to the party by prepaid registered mail, addressed to the party at the address set forth in its proposal on or before August 17, 2013, without interest thereon.
19. The balance of the purchase price, subject to normal adjustments, shall be paid on or before closing which shall be no later than August 31, 2013 (the "Closing Date"). The closing shall take place at the offices of Miller Thomson LLP, Edmonton, Alberta.
20. The purchaser shall pay to A&M on closing, in addition to the balance of the purchase price, all applicable federal, provincial and states taxes, unless the applicable exemption certificates are presented to A&M on or before the Closing Date.
21. The Purchaser shall be solely responsible for costs, on to or in the premises, if any, of dismantling and removing the purchased property and returning the premises to broom swept condition after removal. These costs shall include the removal or cleanup of any hazardous substances released, on to or in the premises, as a result of the decommissioning or removal of the purchased property. All purchased property from shall be removed within 30 days after the closing date, unless an En Bloc offer is accepted and the Purchaser takes possession of the Lands and Buildings at Inuvik and Iqaluit.
22. The Purchaser shall assume, at its cost, complete responsibility for compliance with all municipal, provincial and federal laws insofar as the same apply to the purchased property and the use thereof by the Purchaser.

23. The highest or any proposal shall not necessarily be accepted. Each purchaser agrees that A&M shall be entitled to accept whichever proposal, if any, A&M, in its sole unrestricted discretion, considers to be the most advantageous. Each purchaser further agrees that A&M shall have the unfettered right to discuss and clarify any proposal with the submitting purchaser.
24. A&M reserves the right to amend or terminate the proposal process at any time.
25. The obligation of A&M to complete any Agreement of Purchase and Sale shall be relieved if, on or before the Closing Date:
- any parcel which is the subject of an Agreement of Purchase and Sale is removed from the control of A&M by any means or process;
  - or any such parcel is redeemed.
26. In either case, the sole obligation of A&M to the Purchaser shall be to return the deposit without interest or deduction.
27. The submission of a proposal to A&M shall constitute an acknowledgment and an acceptance by the prospective purchaser of the “Terms and Conditions of Sale”.
28. The validity and interpretation of these Terms and Conditions of Sale, and each provision and part thereof and of the Agreement of Purchase and Sale defined herein, shall be governed by the laws of the Province of Alberta and the Courts of the Province of Alberta shall have exclusive jurisdiction with respect to any dispute arising out of these Terms and Conditions of Sale or any Agreement of Purchase and Sale entered into pursuant hereto.
29. All stipulations as to time are strictly of the essence.
30. The Purchaser shall assume, at the Purchaser’s cost, complete responsibility for compliance with all laws, municipal, provincial or federal insofar as the same apply to the parcel of assets, the Lands and Buildings and the use thereof by the Purchaser.

31. The Purchaser(s) agree(s) to accept title to any real property subject to work orders, municipal requirements, including building or zoning by-laws and regulations, easements for hydro, gas, telephone or any other utility affecting the real property, like services to the real property, and restrictions and/or covenants which run with the land.
32. A&M reserves the right to withdraw any parcel or any part thereof on or before the Closing Date if there is any actual, threatened or anticipated litigation with respect to any parcel or any part thereof, or if any parcel has been redeemed or if the security under which A&M was appointed is deemed invalid, or the parcel or any part thereof has been sold directly to another third party outside of this tender process. If A&M exercises the right, the Agreement of Purchase and Sale affecting such parcel(s) shall be automatically terminated and deemed null and void and the deposit money shall be refunded to the Purchaser without interest, costs, compensation or deduction and neither party shall be liable to the other for any costs or damages whatsoever.
33. A&M is acting in its capacity as Receiver of Dowland, and not in its personal capacity.
