

Unofficial Transcription of the Endorsement of Justice Morawetz

Court File No. 08-CL-7841

**In the matter of a Plan of Compromise or Arrangement
of InterTAN Canada Ltd. and Tourmalet Corporation**

April 26, 2010

J. Dacks – InterTAN

J. Latham – The Monitor

H. Arthurs – The Monitor

The motion was not opposed. I am satisfied that the Applicant continues to work in good faith and with due diligence such that the request to extend the Stay Period is appropriate. In order to better accommodate Court scheduling, the Stay Period is extended to September 15, 2010 as opposed to the requested extension to August 31, 2010.

The Report of the Monitor is approved.

The interim distribution is also approved.

Counsel has advised that issues relating to a potential equity distribution are such that it would be advisable to approve a Cross Border Protocol at this time. I accept this submission and approve the Protocol substantially in the form submitted.

I also accept the recommendation of the Monitor with respect to the appointment of Ms Bradshaw as Post-Closing Officer with the requested protection.

Finally, I am satisfied that the fee requests of the Monitor and its counsel are appropriate in the circumstances. I also note that counsel to Circuit City is on the Service List and that ongoing accounts have also been brought to the attention of the Post-Closing Officer.

The fees and disbursements are approved in the requested amount.

Order to go in the form submitted, as amended.
