Lawyers for the Monitor

The French for liability issue continues to be
outstanding. This may change so later
this year as counsel to the Applicant
is of the view that a tentative period
expires before the end of 2014.
Consequently the parties are not yet in a
position to judge the matter. The
parties are, in my view, working with
due diligence and in good faith such
that the terms of the
stay period period to April 30, 2015

is justified and it is granted.

There have been no objections to the 24th
Report of the Trustee which is approved
together with the activities described.
The fees and disbursements of the Trustee
and its counsel appear to be reasonable
in the circumstances and they are
approved.

17th granted and order signed.

W. H. Brown, RST
