- (e) any situation exists which would constitute a default hereunder or under any of the Security Documents.

If the whole Loan Amount has not been disbursed on or before the Close Out Date, the Lender may, at its sole option, close out the Loan Amount at the amount then disbursed, if any.

The following shall be additional events of default entitling the Lender to exercise its remedies under the Security Documents, including its rights at its option to require the Borrower to immediately pay the entire amount of principal and accrued interest then outstanding:

11-17-00 13:22 FROM-

T-816 PW18/033 F-296

- (a) if a material adverse change occurs in the financial position of the Borrower and/or the Additional Covenantors, the property given as security or the representations and warranties made by the Borrower and/or the Additional Covenantors;
- (b) if any of the representations and warranties made by the Borrower and/or the Additional Covenantors in any document or certificate delivered pursuant hereto is incorrect in a material respect; and/or
- (c) if construction on the project ceases for any reason whatsoever (strikes, material shortages, weather conditions or other events beyond the control of the Borrower excepted) for a period of 10 consecutive days. In such event, the Lender may, at its option, assume complete control of the construction of the project on such terms and in such manner as it deems advisable.

26. Expropriation

In the event that any portion of the Property is expropriated with the result that, in the Lender's opinion, the Lender's security is materially and adversely affected, the Lender may, at its option, require that the Loan, including accrued interest and all of the Lender's costs and expenses, be forthwith repaid in full.

27. Liens

On the Disbursement Date and each subsequent date upon which a Loan advance is made to the Borrower hereunder, there shall have been full and complete compliance with all requirements of the applicable construction, mechanics' or builders' lien legislation and the Borrower shall submit to the Lender, in form and substance satisfactory to the Lender, evidence of such compliance (including a sub-search opinion of the Borrower's counsel). The Lender may retain from any disbursement such amounts as it considers advisable to protect its interest from subordination under such legislation. The Borrower shall provide additional security, information and documentation as may be required by the Lender to preserve and ensure in all respects the absolute priority of the Mortgage contemplated herein over any rights of any existing or potential lien claimants.

28. Expenses

Whether or not the Loan is disbursed and notwithstanding retention of the Loan Processing Fee and Good Faith Deposit by the Lender, all of the Lender's costs and expenses, including, without limitation, all legal fees and disbursements (including title insurance premiums, if applicable) and the cost of all reports, appraisals, site visits, inspections and investigations incurred by the Lender in relation to the Loan and/or this Commitment shall be paid by the Borrower. The Borrower shall also be responsible for any commission or finder's fee payable in connection with this Commitment. All such amounts are payable forthwith, on demand by the Lender and may be deducted from any advance hereunder or be added to the principal balance of the Mortgage and shall bear interest at the Interest Rate.

29. Credit Investigations

The Borrower, each Additional Covenantor (if applicable) and their related entities hereby authorize the Lender to make inquiries concerning the character, general reputation, personal characteristics, financial and credit data of the Borrower and each Additional Covenantor, including, without limitation, their respective directors, officers, shareholders, and principals, and to verify any information provided to the Lender hereunder, all for the purpose of underwriting and servicing the Loan.

30. Authorization relating to the Property

The Borrower authorizes all governmental and other authorities having jurisdiction with respect to the Property, to disclose to the Lender or its solicitors all information in their possession with respect to the Property and to undertake any inspections requested by the Lender or its solicitor and agrees to forthwith provide to the Lender any further authorization as may be required for the aforesaid.

31. Consent to Disclosure

In the event the Lender sells the Loan or securitizes it into the secondary market, the Borrower and each Additional Covenantor (if applicable) consent to the release by the Lender of all information and materials in the Lender's possession concerning the Borrower, each Additional Covenantor and/or the Property to such party or parties (including the public in any offering memorandum) as may be necessary or desirable to facilitate such sale or securitization. In addition, the Borrower and each Additional Covenantor agrees that the Lender may share any information concerning the Borrower or any Additional Covenantor, as the case may be, with: (a) any proposed assignee of this Commitment or the Loan, (b) the Lender's duly authorized agents or representatives who are engaged in the processing or servicing of the Loan and (c) organizations with which the Lender has strategic alliances who may use such information to provide the Borrower or any Additional Covenantor with information on certain financial products which may be of interest to them. If the Borrower or any Additional Covenantor decides it does not wish its personal information shared with any party referred to in subsection (c) of this Section, it may so advise the Lender in writing at any time and the information will not be so shared.

32. Additional Covenantors

The Additional Covenantors, if any, hereby acknowledge and agree that each of them is jointly and severally liable for all covenants and obligations of the Borrower under this Commitment and under the Loan.

33. Publicity

On completion of funding, the Lender may, at its option, issue a press release announcing the Loan. During the construction of any improvements, the Lender may require a sign to be erected and maintained by the Borrower evidencing the Lender's financing of same and may place notices thereof in the media.

34. Non-Merger of Commitment

Neither the execution, delivery nor the performance of any Security Documents nor the advance of the Loan shall in any way merge or extinguish this Commitment or the terms and conditions contained herein. This Commitment and all its provisions shall continue in full force and effect until the Loan has been repaid in full; provided that, in case of any inconsistency or conflict between any provision or provisions of this Commitment and any provision or provisions of the Security Documents, the Lender may elect which instrument or provision is to prevail.

35. No Agency

The Lender is not acting as the Borrower's agent or otherwise in any fiduciary capacity in relation to the Borrower in connection with this Loan.

36. Assignment

Neither the Borrower nor any of the Additional Covenantors is permitted to assign any or all of their respective rights and/or obligations pursuant to this Commitment, the Security Documents or any of the Loan proceeds. This Commitment, the Loan and/or the Security Documents may be assigned, in whole or in part, by the Lender at any time before or after the Disbursement Date.

37. Entire Agreement

This Commitment and the Schedules attached hereto, when accepted by the Borrower, will constitute the entire agreement and understanding between the parties hereto with respect to the Loan and supercode all other agreements, understandings or commitments, whether oral or written. The terms and conditions of this Commitment shall not be merged by and shall survive the execution of the Security Documents. In the event of a conflict between the terms of this Commitment and the terms of the Security Documents, then the terms of this Commitment shall prevail to the extent of such conflict.

38. Approvals and Consents

Any approvals or consents required to be made or given by the Lender hereunder must be expressly given in writing pursuant hereto and shall not be implied or construed by the delivery or receipt of documents.

39. Amendments and Waivers

Except as otherwise expressly provided herein, this Commitment cannot be waived, altered, amended, discharged or terminated other than by an agreement in writing signed by the party against whom enforcement of any such waiver, alteration, amendment, discharge or termination is sought.

Any party hereto may change its address for service from time to time by notice in the manner herein provided. In the event of a postal disruption or an anticipated postal disruption, prepaid first class mail will not be an acceptable means of communication.

41. Further Assurances
