("Dowland") is the owner of certain personal property; AND UPON hearing counsel for the Receiver and counsel for various creditors and other interested persons; AND UPON it appearing that the sale of the personal property described in Schedule "A" hereto (the "Personal Property") is in the best interests of the creditors of Dowland;

IT IS HEREBY ORDERED THAT:

SERVICE

1. Service of the notice of this application and supporting materials on the service list (the "Service List") is hereby declared to be good and sufficient, and no other person is required to have been served with notice of this application, and time for service is abridged to that actually given.

MARKETING ACTIVITIES OF THE RECEIVER

2. The marketing activities of the Receiver in relation to the sale of the Personal Property as set out in the Third Report and the Fourth Report, are hereby approved.

APPROVAL OF TRANSACTION

3. The Receiver's acceptance of the offer to purchase (the "Offer") the Personal Property received from Canonbie Contracting Limited or its nominee (the "Purchaser"), which Offer is summarized in the Fourth Report, is hereby approved and ratified.
4. The Receiver is hereby authorized to conclude the transaction contemplated by the Offer (the "Transaction") on the terms as set out in the Offer and to take all such steps and execute all such documents as may reasonably be necessary to complete the Transaction contemplated therein.

VESTING OF PERSONAL PROPERTY

5. Upon the closing of the Transaction, all of Dowland's right, title and interest, in and to the Personal Property subject to that Transaction, shall, without further instrument of transfer or assignment, vest in the Purchaser thereof as contemplated by the Offer, absolutely and forever, free and clear of and from any and all claims by, through, or under Dowland, and any and all estate, right, title, interest, and liens, including but not limited to, claims, hypothecs, mortgages, charges, liens (whether contractual, statutory or otherwise), security interests, assignments, actions, levies, taxes, judgments, writs of execution, trusts or deemed trusts (whether contractual, statutory or otherwise), options, agreements, disputes, debts, easements, covenants, caveats, encumbrances or other rights, limitations or restrictions of any nature whatsoever including, without limitation, any rights or interests of any creditors of Dowland whether or not they have attached or been perfected, registered or filed, whether secured or unsecured or otherwise, whether liquidated, unliquidated or contingent (all of the foregoing being collectively referred to hereinafter as "the Claims"), and whether such Claims came into existence prior to, subsequent to, or as a result of any previous order of this Court, by or of all persons or entities of any kind whatsoever, including, without limitation, all individuals, firms, corporations, partnerships, joint ventures, trusts, unincorporated organizations, governmental and administrative bodies, agencies, authorities or tribunals and all other natural persons or corporations, whether acting in their capacity as principals or as agents, trustees, executives, administrators or other legal representatives (collectively, the "Claimants"), including for greater certainty and without limiting the generality of the foregoing: (i) the Claims held by or in favour of the individuals and entities served (either directly or through their solicitors) with notice of this Application; and (ii) the beneficiary of any Claims created or provided for pursuant to any previous Order of this Court in these proceedings.

6. The Receiver, as Vendor under the Offer, is hereby relieved from compliance with the provisions of the *Personal Property Security Act* of any province, territory or jurisdiction where the Personal Property may be located, and from any and all other provisions of law relating to notice, statutory or otherwise, which a creditor or other party is required to issue in order to dispose of the collateral of a debtor.
7. From and after the closing of the Transaction (including the payment of the purchase price by the Purchaser to the Receiver), any and all Claims of any Claimants in any or all of the Personal Property shall vest in the place and in the stead thereof in and to the net sale proceeds of the sale of the Personal Property, in the same priorities as existed immediately prior to the granting of this Order, after payment in full of all reasonable costs, charges and expenses, including without limitation, all professional fees and disbursements incurred by the Receiver on a solicitor and his own client full indemnity basis, in connection with the Receivership Order or the Transaction, and subject to the priority of the Court ordered charges provided in the Receivership Order.
8. The Purchaser shall, by virtue of the completion of the Transaction, have no liability of any kind whatsoever to any Claimants in respect of any Claims they may have against Dowland or the Personal Property.
9. The Transaction shall not be void or voidable at the instance of Claimants and shall not constitute nor shall be deemed to be a transfer under value, fraudulent preference, assignment, fraudulent conveyance or other challengeable transaction under the Bankruptcy and Insolvency Act, R.S.C. 1985, c. B-3, as amended (the "BIA") or any other applicable federal or provincial legislation, and the Transaction, or any actions taken in connection therewith, shall not constitute conduct meriting an oppression remedy.
10. Nothing in this Order shall prejudice any person's *in personam* claim against Dowland.
11. The Receiver is hereby authorized and directed to:
 - (a) Perform the covenants in the Offer substantially in accordance with its terms and conditions, subject to such amendments as the Receiver and the Purchaser may approve which do not materially and adversely alter the Transaction, including without limitation, reasonable extensions of the closing date; and
 - (b) Execute all deeds and documents, and to take all such steps as may be necessary or advisable in the sole discretion of the Receiver to consummate the Transaction.
12. The Closing Solicitors, namely Miller Thomson LLP of Edmonton, Alberta, (the "Closing Solicitors"), shall deliver to the Purchaser's Solicitors, as advised by the Purchaser (the "Purchaser's Solicitors"), the Closing Documents as required by the Offer (the "Closing Documents"), on reasonable trust conditions to facilitate the Closing.
13. The Purchaser shall cause the Purchaser's Solicitors to deliver the full balance of the Purchase Price, plus interest, if any, (the total of all such amounts herein called the "Closing Funds") to the Closing Solicitors on or before the Closing Date (as set out in the Offer and any extensions thereof agreed to by the Vendor and the Purchaser), by way of the Purchaser's Solicitors' certified cheque or by bank draft delivered to the Closing Solicitors or the Closing Funds being electronically deposited in the trust account of the Closing Solicitors, to be held by the Receiver in trust pending further Order of the Court.

14. In the event the Purchaser fails to pay the Closing Funds to the Closing Solicitors by on or before the Closing Date as ordered in paragraph 13 hereof, other than as a result of the default of the Receiver, or in the event the Purchaser fails to comply with any one or more of its other covenants and obligations to be observed or performed under the Offer, it is hereby ordered and declared that:
- (a) The Deposit paid by the Purchaser shall be forfeited by the Purchaser as set forth in the Offer, and shall be paid and applied as directed by the Court;
 - (b) All Closing Documents delivered to the Purchaser's Solicitors, shall be null and void, and of no force and effect whatsoever, and such Closing Documents shall be promptly returned by the Purchaser's Solicitors to the Closing Solicitors; and
 - (c) The Purchaser shall have no further interest in the Personal Property, and the Receiver shall be at liberty to market the Personal Property and to consider other offers for the purchase of the Personal Property subject to Court approval, either with or without notice to the Purchaser.
15. From and after the closing of the Transaction (including the payment of the purchase price by the Purchaser to the Receiver), the Receiver is authorized to discharge from the Personal Property Registry any claim registered against any of the Personal Property being purchased by the Purchaser, to the extent the security interest is registered against the interest of Dowland. Each of Royal Bank of Canada, Intact Insurance Company and Continental Casualty Company shall, at the request of the Receiver, provide to the Purchaser a letter confirming that it no longer holds a security interest in the Personal Property being purchased by that Purchaser, to the extent the security interest is registered against the interest of Dowland.
16. The Receiver is at liberty to reapply for further advice, assistance and direction as may be necessary to give full force and effect to the terms of this Order.
17. Service of this Order may be affected upon those persons (directly or through legal counsel) on the Service List by facsimile or electronic mail, and such service shall constitute good and sufficient service. Service on any person other than as specified in the Service List is hereby dispensed with.
