## INTRODUCTION

1. On December 2, 2011, Mr. John (Jack) Kenneth Purdy (“Purdy”) sought protection from his creditors through the filing of a Notice of Intention (the “NOI”) to Make a Proposal (the “Proposal”), under section 50.4(1) of the *Bankruptcy and Insolvency Act* (“BIA”), R.S.C. 1985, c.B-3, as amended. The NOI filing was accepted by the Office of the Superintendent of Bankruptcy Canada (“OSB”) and protection was obtained from Purdy’s creditors on the morning of December 2, 2011 (the “Filing Date”). Alvarez & Marsal Canada Inc. (the “Trustee”) was named as Trustee under the NOI.
2. On June 1, 2012, Purdy lodged a Proposal with the Trustee and the Trustee filed the Proposal with the Office of the Superintendent of Bankruptcy.
3. On June 22, 2012, the first meeting of creditors (the “FMOC”) was held to amongst other things consider the affairs of the debtor and vote on the proposal. A vote on the Proposal was not conducted at the FMOC and it has since been adjourned by the creditors several times for further investigation into the affairs of Purdy pursuant to s. 52(a) of the BIA. On April 17, 2014 the first meeting of creditors was reconvened (the “April 17<sup>th</sup> Reconvened Meeting”) and a vote on the Second Amended Proposal (defined below) was conducted by the creditors present and/or by proxy at this meeting.
4. The purpose of this tenth report of the Trustee (the “Trustee’s Tenth Report”) is to provide this Honourable Court and Purdy’s Creditors with an update in respect of the:
  - a) results of the April 17<sup>th</sup> Reconvened Meeting;
  - b) affairs of Purdy and in particular the status of the CCAA proceedings;
  - c) actual cash collections and disbursements of Purdy for the period of May 11, 2013 to May 22, 2014 (the “Reporting Period”); and

- d) Trustee's recommendations.
- 5. Capitalized terms not defined in the Trustee's Tenth Report are as defined in the Trustee's First Report to the Trustee's Ninth Report inclusive, the Proposal, the Amended and Restated Proposal dated October 9, 2012 and the Second Amended Proposal.
- 6. All references to dollars are in Canadian currency unless otherwise noted.

#### **TERMS OF REFERENCE**

- 7. In preparing this Tenth Report, the Trustee has relied upon unaudited financial information, Purdy's records and discussions with various advisors of Purdy. The Trustee has not performed an audit, review or other verification of such information. An examination of the financial forecast as outlined in the Canadian Institute of Chartered Accountants ("CICA") Handbook has not been performed. Future oriented financial information relied upon in this report is based on Purdy's assumptions regarding future events and actual results achieved may vary from this information and the variations may be material.

#### **LIMITATION IN SCOPE OF REVIEW**

- 8. The Tenth Report has been prepared by the Trustee pursuant to the rules and regulations set out in the BIA. The BIA provides that the Trustee shall incur no liability for any act or omission pursuant to its appointment or fulfillment of its duties, save and except for gross negligence or wilful misconduct on its part.
- 9. This Tenth Report is not and should not be construed or interpreted as an endorsement, comment or recommendation to any creditor, prospective investor, or any person to advance credit and/or goods and services or to continue to provide credit and/or goods and services or to lend monies to Purdy during these proceedings and/or at any other time.

10. The Trustee has not audited or reviewed the assets of Purdy, and with respect to such assets, has relied to a significant degree upon information provided by Purdy.
11. The Trustee is specifically not directed or empowered to take possession of the assets of Purdy or to manage any of the business and affairs of Purdy.

## **BACKGROUND**

12. Purdy is a businessman who has been involved in the Alberta and British Columbia commercial real estate markets for many years. Purdy conducts his real estate development and related activities through a number of entities owned directly and indirectly, legally and beneficially, by Purdy.
13. The majority of Purdy's entities are currently operating under a stay of proceedings under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c.C-36, as amended (the "CCAA") (collectively, these entities are referred to as the "Purdy Companies"), pursuant to an order of the Court of Queen's Bench of Alberta (the "Initial Order"), dated December 1, 2011. Pursuant to the Initial Order, Alvarez & Marsal Canada Inc. was appointed monitor of the Purdy Companies (the "Monitor").
14. Further background on Purdy and the Purdy Companies is contained in the materials filed in support of the application for the Initial Order and extensions of the Initial Order, including various affidavits of Purdy, the Trustee's previous nine reports in these proceedings and the Monitor's twenty-two reports filed in the CCAA proceedings. These documents, together with other information regarding the NOI and proposal of Purdy have been posted by the Trustee on its website at: [www.amcanadadocs.com/purdy](http://www.amcanadadocs.com/purdy).

## THE APRIL 17<sup>TH</sup> RECONVENED MEETING

### *Overview*

15. The April 17<sup>th</sup> Reconvened Meeting occurred at Noon, at the office of Denton Canada LLP (“Dentons”), Suite 2900, 10180-101 Street, Edmonton, Alberta to advise the creditors on the further investigation of the affairs of Purdy and his Proposal (as amended) as directed at the FMOC; to give direction to the Trustee as the creditors may see fit with reference to the administration of the estate; and to vote on the Proposal or seek any further adjournment of the meeting. Minutes of the April 17<sup>th</sup> Reconvened Meeting are attached as Appendix A to this report. All other previous reconvened creditors meeting minutes can be found on the Trustee’s website.
16. Mr. Tim Reid, Senior Vice President of Alvarez & Marsal Canada Inc., acted as Chair of the April 17<sup>th</sup> Reconvened Meeting. Mr. Reid appointed Mr. Orest Konowalchuk of Alvarez & Marsal Canada Inc., to act as Secretary. Purdy and his counsel were available to answer any creditor questions. At the meeting, a quorum was present and accordingly, the Chair declared the meeting to be properly constituted.
17. At the April 17<sup>th</sup> Reconvened Meeting, discussions took place between Purdy, the Trustee and the creditors present at the meeting with respect to the second amended and restated proposal of Purdy dated March 10, 2014 (the “Second Amended Proposal”). The Second Amended Proposal included certain changes made by Purdy and presented to the creditors at the March 12<sup>th</sup> Reconvened Meeting. A copy of the Second Amended Proposal is attached as Appendix B to this report.
18. Purdy’s original Proposal presented to his creditors and filed with this Honourable Court on May 30, 2012 (the “Original Proposal”) was reported and evaluated by the Trustee in the Trustee’s Fifth Report. Since that time, a number of discussions

were held at the reconvened meetings resulting in various revisions to the Original Proposal, which resulted in the Second Amended Proposal.

19. The Second Amended Proposal is consistent with the Original Proposal and is to allow for a restructuring of the affairs of Purdy for the benefit of his creditors. The Trustee is of the view that the Second Amended Proposal will derive a greater benefit from the restructuring being conducted by Purdy and the Purdy Companies, then they would from a forced liquidation of Purdy's assets.
20. The most significant amendments to the Original Proposal are as follows:
  - a) on or before the Effective Date, Purdy shall incorporate a new corporation ("Holdco") and transfer all of his non exempt assets as listed in Schedule I and Schedule II of the Second Amended Proposal for the sole and exclusive purpose of funding distributions under the Second Amended Proposal and under the CCAA plan of arrangement and/or compromise (the "CCAA Plan"). The shares of Holdco will be held by the Trustee until the CCAA Plan has been approved by this Honourable Court. The rights and priority of all claims of creditors in the CCAA and Proposal proceedings shall be maintained as though the Schedule I and Schedule II assets had not been transferred by Purdy to Holdco until:
    - i. the CCAA Plan is sanctioned by the Court;
    - ii. the "Half Moon Financing" as referenced in the CCAA Plan has closed and the funds from such financing are released to the Monitor; and
    - iii. the occurrence of each of the Certificate Date (the date that the Trustee files the certificate of satisfaction of the conditions precedent to the Second Amended Proposal with the Court) and

the Effective Date (the date that is 30 days following the court sanctioning of the CCAA Plan);

- b) upon transferring all of his non exempt assets to Holdco, Purdy will have fulfilled his duties and obligations under the Second Amended Proposal and will receive from the Trustee a certificate of full performance;
- c) if the CCAA Plan is not approved by this Honourable Court, Purdy's assets will be liquidated by the Trustee for the general benefit of Purdy's Proposal creditors;
- d) if the CCAA Plan receives Court approval and is implemented then the unsecured creditors of Purdy, together with the unsecured creditors of the Purdy Companies, excluding Axxess Capital Partners ("Axxess") and Canada Revenue Agency ("CRA") shall be paid a cash distribution on a pro-rata basis based from a funded unsecured creditor cash pool of \$300,000 to be established under the CCAA Plan;
- e) if the CCAA Plan receives Court Approval but is not implemented then the Monitor in the CCAA proceedings will liquidate all of the Schedule 1 and Schedule 2 properties and the proceeds therefrom distributed in accordance with the priorities set out in law.

***Trustee's analysis of the Second Amended Proposal***

21. The Trustee evaluated the fairness and reasonableness of Purdy's Original Proposal as outlined in Trustee's Fifth Report dated May 30, 2011. At that time, there was uncertainty regarding the value of the various assets owned by Purdy (in particular, the value of the shares with respect to his ownership in the Purdy Companies). As a result, the Trustee estimated potential recoveries to Purdy's

unsecured creditors in the range of 51% - 100%, if the Original Proposal was rejected or accepted respectively by Purdy's unsecured creditors.

22. However, with the passage of time and the Purdy Companies and the Monitor now having made efforts to market the Purdy Companies property (the "Property"), the Trustee, through the analysis and evaluation conducted by the Monitor in the CCAA proceedings, determined that the value of the Property (Purdy's most significant assets) did not have the value originally anticipated by Purdy as outlined in the Trustee's Fifth Report. In addition, certain property has been sold and proceeds utilized to fund operations and restructuring costs over the past two years and property such as Purdy's individually owned property (8335 Meshers Road) and certain Purdy Companies properties (Westridge property and Stony Plain Rd Property) have been or are now being foreclosed and there will be little to no equity that will remain from the foreclosure proceedings. As a result of the foregoing, the Trustee is now of the view that the potential recovery for Purdy's unsecured creditors in a forced liquidation in a bankruptcy is minimal and potentially nil.
23. In the CCAA proceedings, the CCAA Plan is considered a "consolidated plan" that incorporates the assets owned by Purdy and the Purdy Companies and combines Purdy's and the Purdy Companies creditors. Since the CCAA proceedings and the NOI proceedings are inextricably linked together and share the same/similar creditors, a "consolidated plan" prepared by the Purdy Companies, with the support of Purdy, was designed to provide the greatest recovery to all unsecured creditors and stakeholders.
24. The Monitor in the CCAA proceedings analyzed the fairness and reasonableness of the CCAA Plan as reported in the twenty-second report of the Monitor (the "22<sup>nd</sup> Monitor's Report"). It was estimated that the potential range of recovery for the Purdy Companies unsecured creditors in a liquidation scenario was 0% to 16%. A copy of the 22<sup>nd</sup> Monitor's Report is attached as Appendix C to this report. However, consolidated distributions under the CCAA Plan and Second

Amended Proposal provides for a cash dividend distribution that represents an approximate 28.5% recovery to both the Purdy Companies and Purdy's unsecured creditors (excluding CRA and Axxess unsecured claims). CRA and Axxess will receive promissory notes from the restructured Holdco for their claims.

### ***Conclusion***

25. The Trustee agrees with Purdy that there is no viable option available to restructure the affairs of Purdy other than what was proposed by Purdy in the Second Amended Proposal.
26. Axxess and CRA have agreed to not partake in the recovery paid to the unsecured creditors of Purdy from the funds set aside in the Unsecured Creditors Pool. Accordingly, the unsecured creditors of Purdy should receive a greater recovery under the Second Amended Plan than they would if the properties of Purdy were to be liquidated.
27. The Trustee is of the respectful view that the Second Amended Proposal is fair and reasonable and provides the best available return to the various stakeholders of Purdy and that his unsecured creditors, in total, will receive greater recovery than under the alternative (formal liquidation proceedings) after considering the costs associated with such proceedings.

### ***Results of Vote***

28. The creditors present at April 17<sup>th</sup> Reconvened Meeting requested the Trustee to allow for a vote to be conducted on the Second Amended Proposal.
29. A resolution to approve the Second Amended Proposal was passed by the creditors, voting either in person or by way of proxy. A breakdown of the votes is as follows:

<b>Voting Results Second Amended Proposal</b>				
	<b>By dollar voting</b>		<b>By headcount</b>	
	<b>\$</b>	<b>%</b>	<b>#</b>	<b>%</b>
<b>FOR</b>				
In person	8,440,273.39	99.95%	132	99.25%
Proxy - Trustee	4,349.75	0.05%	1	0.75%
Total For	8,444,623.14	100%	133	100.00%
<b>AGAINST</b>				
In person	-	0%	-	0.0%
Proxy - Trustee	-	0%	-	0.0%
Total against	-	0%	-	0.0%
<b>Total Voting</b>	<b>8,444,623.14</b>	<b>100%</b>	<b>133</b>	<b>100%</b>

30. On the basis of the foregoing, a majority in number and 66 2/3<sup>rd</sup> % in value of the creditors present in person or by proxy voted in favour of the Second Amended Proposal.
31. No disputed claims were voted at the April 17<sup>th</sup> Reconvene Meeting.

#### **INVESTIGATION OF AFFAIRS OF PURDY**

32. Purdy continues to be cooperative with the Trustee during his Proposal proceedings. The Trustee is not aware of any change in the circumstances of Purdy's activities and/or personal affairs, other than the updates discussed below.
33. On April 17, 2014, the Trustee obtained verbal confirmation from Purdy that all of his assets that were previously reported on his statement of affairs on December 1, 2011 with the Trustee and office of the superintendent of bankruptcy were still owned and in Purdy's possession (other than the certain assets that were previously sold and reported to this Court as outlined in the Trustee's prior reports).

### *CCAA Proceedings*

34. On April 17, 2014, an order was granted by the Court of Queen's Bench of Alberta in the CCAA proceedings extending the stay of proceedings to June 5, 2014 and to allow certain Applicants (the "Plan Applicants") to hold a creditors' meeting to vote on the CCAA plan of arrangement and or compromise (the "Meeting Procedure and Stay Extension Order").
35. In connection with this application, the Monitor has provided twenty-two reports to the Court regarding, amongst other things, an update on the Purdy Companies' operational and restructuring activities to date. A copy of the Monitor's 22<sup>nd</sup> Report was filed on April 15, 2014 is also available on the Monitor's website along with being attached as Appendix C to this report.
36. The Trustee is aware that the CCAA creditors meeting (the "Creditors Meeting") took place on May 15, 2014 to allow the affected creditors in the CCAA to vote on the CCAA Plan. As previously mentioned, the CCAA Plan is considered a "consolidated plan" that consolidates the assets of the Plan Applicants and Purdy together and addresses both the Plan Applicant affected creditors and the Purdy affected creditors.
37. The Trustee is advised that the CCAA affected creditors present and/or by proxy at the Creditor's Meeting voted to accept the CCAA Plan. A further update from the Monitor with respect to the Creditors Meeting and the vote on the CCAA Plan will be provided to the Court and the Trustee prior to the Court application to sanction the CCAA Plan. An application to obtain an order sanctioning the CCAA Plan by this Honourable Court is scheduled on June 5, 2014. The Trustee is also seeking an order of the Court to approve the Second Amended Proposal immediately before the CCAA Plan application.

**ACTUAL RECEIPTS & DISBURSEMENTS OF PURDY – MAY 11, 2013 TO MAY 22, 2014**

38. The Trustee was advised by Purdy that the only receipts collected by Purdy during May 11, 2013 to May 22, 2014 (the “Reporting Period”) were from management fees received from the Purdy Companies. The Trustee understands that these receipts were used for personal living expenses of Purdy. The Trustee requested, but has not received from Purdy yet, a copy of his bank statements during the Reporting Period. Purdy has advised that he is making arrangement with his bank to get us these bank statements forthwith.

***Professional Fee Retainer***

39. Below is a chart outlining the invoices issued by the Trustee to date, estimated fees to complete the NOI proceedings and the total actual and estimated fees during the NOI proceedings:

Professional Fees					
	Fees incurred	Disbursements incurred	Total Invoices (December 1, 2011 to March 31, 2014)	Estimated Fees to complete the NOI proceedings (April 1, 2014 to June 5, 2014)	Total actual and estimated fees incurred
Trustee's Fees	129,382.50	2,847.45	132,229.95	20,000.00	152,229.95

40. The Trustee professional fees and disbursements for the period of December 1, 2011 to March 31, 2014 have totalled \$132,230. Approximately \$125,825 of the Trustee's invoices has been paid to date, while one invoice totalling approximately \$6,500 remains unpaid. It is also estimated that an additional \$20,000 in professional fees and costs has and/or will be incurred for the period of April 1 to June 5, 2014 that relate to the Trustee's preparation of the Trustee's Tenth Report, communication with stakeholders' and creditors over the Reporting Period, attendance at various reconvened meeting of creditors and preparation of creditor meeting minutes, assisting Purdy in updating his Proposal on a couple of

occasions and attendance at court with respect to Purdy seeking court approval of the Second Amended Proposal.

41. It is anticipated these professional fees will be funded from the new financing to be obtained under the CCAA Plan.

#### **RECOMMENDATION**

42. The Trustee respectfully recommends that this Honourable Court approve Purdy's motion for the sanctioning of the Second Amended Proposal for the reasons set out in this report and the Fifth Report.

All of which is respectfully submitted this 23<sup>th</sup> day of May, 2014.

- A. John (Jack) Kenneth Purdy ("Purdy") is an individual residing in the County of Stratcona, in the Province of Alberta.
- B. On December 2, 2011 Purdy filed a Notice of Intention to File a Proposal ("NOI Proceedings"). The NOI Proceedings were extended until June 2, 2012 and no further extensions are available under the Act.

- D. The Purdy Companies are operating in proceedings under the CCAA ("CCAA Proceedings"). Alvarez and Marsal Canada Inc., is the Court appointed Monitor in the CCAA Proceedings. The CCAA Proceedings commenced on December 2, 2011. - E. The CCAA Proceedings and the NOI Proceedings are inextricably linked together and any proposal to Purdy's Creditors should consider and include the outcome of the CCAA Proceedings.
- F. John (Jack) Kenneth Purdy ("Purdy"), the above-named debtor, submitted a proposal to its creditors dated May 31, 2012 and that proposal was amended on October 9, 2012.
- G. The Creditors' Meeting to vote on the Proposal has been adjourned several times and will reconvene on February 19, 2014.

#### **TERMS OF REFERENCE**

7. In preparing this Twenty-Second Report, the Monitor has relied upon unaudited financial information, company records and discussions with management of the Purdy Group. The Monitor has not performed an audit, review or other verification of such information. An examination of the financial forecast as outlined in the Canadian Institute of Chartered Accountants ("CICA") Handbook has not been performed. Future oriented financial information relied upon in this report is based on management's assumptions regarding future events and actual results achieved will vary from this information and the variations may be material.

#### **BACKGROUND**

8. The Purdy Group is a group of privately-held companies engaged in the business of property acquisition, development and sale in the provinces of Alberta and British Columbia, as well as the management of operating businesses on the lands. The primary assets are geographically located mainly on the West Coast of Vancouver Island, British Columbia and in or around Edmonton, Alberta..
9. The Purdy Group entities are owned 100% by its sole owner, director and officer, Mr. John (Jack) Kenneth Purdy ("Purdy"), either directly or through holding

companies, legally and beneficially. Purdy is operating under the proposal provisions of the BIA and has presented a proposal to his creditors (the "Proposal"). Alvarez and Marsal Canada Inc. is also the Proposal Trustee. The Proposal provides that if the Plan is implemented:

- a) all Proven Unsecured Claims in the Proposal will share pro-rata in the distribution of the Unsecured Creditor Pool in the Plan; and
  - b) Axxess and CRA will receive Promissory Notes for their Claims in the Proposal;
10. Voting on the Proposal has not occurred. The meeting of creditors to consider the Proposal was initially held on June 22, 2012 and this meeting was adjourned to October 9, 2012. The creditors voted to adjourn this meeting and several additional reconvened meetings thereafter to April 17, 2014 at the office of Dentons at 12:00 PM MST.
  11. Since inception of the CCAA proceedings in December 2011, the Applicants have been determining and litigating claims, restructuring operations and disposing of none core properties in an effort to provide a feasible plan to its Creditors.
  12. Axxess and CRA are the Applicants' and Purdy's major secured and unsecured creditors. Their combined Claims account for approximately 90% of the dollar amount of the Claims against the Applicants and Purdy.
  13. Since July 2013, the Applicants have been working closely with Axxess and CRA to incorporate various comments, ideas and conditions into the Plan that they believe would be acceptable by the significant stakeholders and the Applicants. The Monitor is advised that both CRA and Axxess are now in agreement with the Plan being circulated to be voted on by Creditors.
  14. Further background to the Purdy Group and its operations and description of the Purdy Group properties are contained in the materials filed relating to the Initial Order including the various affidavits of Purdy and in the previous twenty-one

reports of the Monitor. These documents, together with other information regarding this CCAA proceeding, have been posted by the Monitor on its website at: [www.amcanadadocs.com/purdy](http://www.amcanadadocs.com/purdy).

## **PLAN OF ARRANGEMENT**

### *Overview*

15. The Applicants include a number of corporate entities. Some of the entities had no realizable assets or their assets were sold or foreclosed throughout the CCAA proceedings and did not contribute to nor where they core to the ongoing success of the Half Moon and Hawkeye operations, the main business of the Plan Applicants.. Consequently, an arrangement and compromise is only being made by certain of the Applicants. The Applicants included in the plan include:
- a) Armac Investments Ltd. (AB);
  - b) Lake Eden Projects Inc.;
  - c) Half Moon Lake Resort Ltd.;
  - d) Fishpath Resorts Corporation;
  - e) Armac Investments Ltd. (BC);
  - f) Ostrom Estates Ltd.;
  - g) Hawkeye Marine Group Ltd.; and

A copy of the Plan is attached to this Twenty-Second Report as Appendix B.

*Arrangement and Compromise under the Plan*

18. The structure of the Plan is as follows:
- a) the Plan is presented to the Creditors by the Plan Applicants on a joint and consolidated basis for the purpose of voting on the Plan and receiving distributions under the Plan. Inter-corporate obligations between each of the Applicants and between the Applicants and Purdy will not be considered nor will they be proven for voting or distribution purposes;

  - c) the Plan Applicants expect to have available to them cash of at least \$1.5 million from the closing of the Half Moon Financing. These funds will be utilized to pay outstanding professional fees and property taxes, fund the Unsecured Creditor Cash Pool of \$300,000 to satisfy the Claims of Unsecured Creditors (excluding Axxess and CRA) and provide initial working capital.

Proceeds from the liquidation will be paid to CCAA and Proposal creditors in accordance with their priority prior to any Plan being filed; and
- h) as soon as reasonably practicable after the Plan Implementation, all Proven Claims of Affected Creditors (including Disputed Claims if they become Proven Claims), will be paid their proportionate share in accordance with the Plan.

#### *Claims of Creditors*

19. The Plan provides for the compromise of all Affected Claims of the Creditors in accordance with the provisions of the Plan. Proven Claims of Affected Creditors will be paid in accordance with the Plan. Proven Claims are Claims of an Affected Creditor proven in accordance with the Claims Procedure Order which is not the subject of an unresolved Dispute Notice or which was the subject of a Dispute notice which has been resolved in accordance with the terms of the Claims Procedure Order and this Plan.

20. Disputed Claims are Claims of an Affected Creditor that is subject to a Dispute Notice, which, if allowed in accordance with the Claims Procedure Order, would be an Affected Claim, but which at Plan Implementation Date may not have been finally determined to be a Proven Claim.

*Unaffected Claims*

21. Unaffected Claims include:
- a) Claims of any persons arising on account of any new obligation incurred for goods, services, or materials supplied to, the Company after the date of the Initial Order;

  - c) Equipment Lessors and Secured Creditors other than the Axxess Claims and the CRA Claims; and
  - d) Any party benefiting from the Administration Charge.

  - b) the Unsecured Creditor class that consists of the Unsecured Creditors including CRA and Axxess for that portion of the CRA Claims and Axxess Claims that is an Unsecured Claim.

*Conditions Precedent to Implementation of the Plan*

23. The implementation of the Plan is subject to, among other things, the following conditions precedent:

## MONITOR'S ANALYSIS OF THE PLAN

### *Overview*

34. Considerable effort has been made by the Applicants in preparing the Plan in such a manner to address, to the extent possible, the various stakeholder groups' concerns. The Applicants, with the assistance of the Monitor and input from the Applicants main stakeholders (Axxess and CRA), have prepared the Plan in a manner they believe achieves a result, which is a fair and reasonable compromise among the various stakeholders.
35. The Applicants' management has indicated that there are no other viable options available to restructure other than that proposed in the Plan and the only other alternative would be a formal liquidation. In management's estimate, a liquidation scenario would not provide the best recovery to the Affected Creditors, as discuss further below.
36. A condition of the Plan is that the Affected Creditors must approve the Plan by the Required Majority of each class of Affected Creditors. For greater certainty, no class of Creditors shall be bound by the terms of the Plan unless each class of Affected Creditors has agreed to the Plan by the Required Majority. If each class of Affected Creditors does not approve the Plan, the likely scenario would be liquidation proceedings.
37. The Applicants support the Plan and related reorganization as they believe that the Plan provides the Affected Creditors with a greater opportunity to realize on their respective investments and to continue with a new stronger entity (Holdco), in particular, CRA and Axxess, and the Unsecured Creditors will achieve greater recoveries by accepting the Plan versus in a liquidation scenario.
38. The Plan contemplates that the Creditors of the Applicants and Purdy's personal Proposal will be handled on a consolidated basis. The Applicants, with the support of the Monitor, believe that there will be no material prejudice

experienced by any of the Creditors of the Applicants or Purdy's personal proposal from the consolidated Plan.

39. The Applicants believe that the Plan and the related distribution process would provide for not only a better return than in a liquidation scenario, but would also provide the Affected Creditors with the following advantages:

- a) In a liquidation scenario, the distributions to creditors would (in the case of bankruptcy) be subject to a statutory levy pursuant to the BIA which is deducted from the distributions and payable to the Superintendent of Bankruptcy. No levy is payable in respect of distributions under the CCAA proceedings;
- b) a liquidation scenario would result in increased professional fees and costs as a result of the potential requirement for another claims process and associated administrative costs;
- c) the Applicants' general and administrative costs expected to be incurred to complete the Plan and CCAA proceedings would likely be increased in a liquidation proceeding;
- d) a bankruptcy or receivership would cause further delay in the timing of distributions to the Affected Creditors; and
- e) a bankruptcy or liquidation scenario would fail to realize any value from certain corporate attributes.

#### ***Creditor Analysis***

40. The Monitor has prepared a liquidation analysis of the recoveries to the various creditor groups under the Plan as detailed in Appendix D to this report. The notes to the liquidation analysis are also included in Appendix D and should be read in conjunction with the liquidation analysis as it describes the assumptions and

analysis used by the Monitor. The liquidation analysis is also summarized in the table below:

<b>Purdy Group of Companies Plan of Arrangement and Purdy Proposal Consolidated Liquidation Analysis vs. Proposed Plan Distributions</b>			
	<b>Liquidation Analysis</b>		<b>Plan Distribution</b>
	<b>Low</b>	<b>High</b>	
<b>Total Proceeds Available</b>	<b>7,644,375</b>	<b>10,192,500</b>	<b>1,500,000</b>
Less: Payments for CCAA priority costs and estimated liquidation costs/operating costs:	(3,482,219)	(3,759,625)	(1,200,000)
Less: Payments to deemed trust and secured creditor claims:	(4,856,760)	(5,437,301)	-
<b>Funds Available for Distribute to Unsecured Creditors</b>	<b>-</b>	<b>995,574</b>	<b>300,000</b>
<b>Total corporate and Purdy Proposal Unsecured Claims</b>	<b>(6,808,407)</b>	<b>(6,227,866)</b>	<b>(1,053,663)</b>
<b>Unsecured Cash Recovery</b>	<b>0%</b>	<b>16%</b>	<b>28.5%</b>
<b>Unsecured Creditor Cash Recovery</b>			
CRA Corporate claims	-	26,718 2.7%	-
CRA Claim against Purdy	-	204,824 20.6%	-
Axcess guarantee claim in Purdy proceedings	-	595,596 59.8%	-
Other Purdy Proposal creditors	-	1,680 0.2%	3,000
Other CCAA creditors	-	166,757 16.7%	297,000
	<b>-</b>	<b>995,574 100%</b>	<b>300,000</b>

41. The Monitor believes that the Plan addresses the various stakeholders' positions relating to the distribution and recovery to each creditor class by taking into account the following:

- a) the Unaffected Creditors will be paid out in full;
- b) Axcess and CRA will obtain a Promissory Note in Holdco for their Secured Claims and Unsecured Claims against the Applicants and Purdy personally and will not share in the cash distributions available to the remaining Unsecured Creditors for their Unsecured Claims;
- c) the Unsecured Creditors will receive a cash payment of 28.5% of their Unsecured Claims versus a potential recovery range under a liquidation scenario of between 0 – 16%; and

- d) Purdy, the sole equity holder, will not have control of Holdco or its property or receive any payments under the Plan. If and when the Promissory Notes (together with interest thereon) issued to Axxess and CRA are paid in full, the shares and control of Holdco will be returned to Purdy.
42. The Applicants did not have a formal tax review completed on the Plan to determine if there would be any significant tax implications as a result of the Plan being sanctioned by the Court, subject to Court approval.

### ***Conclusion***

43. The Monitor agrees with the Applicants that there are no other viable options available to restructure the financial affairs of the Applicants other than that proposed in the Plan and that the only other option is formal liquidation.
44. Axxess and CRA will receive full consideration for their Claims in the form of Promissory Notes in Holdco. Axxess and CRA have agreed not to participate in distributions from the Unsecured Creditors Pool being made available to the Unsecured Creditor class. Accordingly, the Unsecured Creditors will receive a greater recovery under the Plan than they would if the property of the Applicants were to be liquidated.
45. Pursuant to s.23(1)(i) of the CCAA, the Monitor is of the opinion that the Plan is fair and reasonable and provides the best available return to the various stakeholders of the Applicants and the Affected Creditors, in total, will receive a greater recovery than under the alternative (formal liquidation proceedings) after considering the costs associated with such proceedings.

### **UPDATED CASH FLOW FORECAST THROUGH JUNE 6, 2014**

46. The Applicants have not provided the Monitor with its updated results on its cash flow actual to forecast for the period of March 22, 2014 to April 11, 2014. The Applicants have advised the Monitor that its actual results are not materially

different than that of the forecast provided in the Twenty-First Report. For purposes of this Forecast Period, the Applicants, with the assistance of the Monitor, have updated the forecast provided in the Twenty-First Report and included an additional 5-weeks to the forecast to June 6, 2014.

47. The Updated Forecast for the Forecast Period based on the most current information available, which the Updated Forecast is attached as Appendix E to the Twenty-Second Report.
48. The Updated Forecast is based on management's assumptions regarding future events. Actual results will vary from the information presented even if management's assumptions to the Updated Forecast occur, and the variations may be material. Accordingly, the Monitor expresses no assurance as to whether the results shown in the Updated Forecast will be achieved. The Monitor also expresses no opinion or other form of assurance with respect to the accuracy of any financial information presented in this Twenty-Second Report, or relied upon by it in preparing this Twenty-Second Report.
49. The table below summarizes the Updated Forecast, as prepared by the Applicants with the assistance of the Monitor and is further discussed in the paragraphs below:

<b>Purdy Group Projected Cash Flow Summary</b>		<b>March 22/14 to June 6/14</b>
Receipts	\$	40,000
Funds from Monitor's trust account		145,000
Total receipts	\$	185,000
Disbursements		55,700
Release of funds to LBVR		-
Restructuring professional fees		135,000
Total disbursements	\$	190,700
Net change in Applicant cash	\$	(5,700)
Applicant cash balance, opening		8,394
Applicant cash balance, ending		2,694
<b>FUNDS HELD IN TRUST BY MONITOR</b>		
Trust opening Cash	\$	148,309
Collection of funds - other		9,200
Release of funds to Applicants		(145,000)
		(135,800)
Trust ending cash	\$	12,509
<b>TOTAL AVAILABLE CASH</b>		
Applicant cash balance, ending	\$	2,694
Trust ending cash balance		12,509
Less: cash not available per Court Order		-
Less: cash held for LBVR		(12,500)
Cash held for general restructuring		9
Available Cash	\$	2,703

50. As summarized above, the Purdy Group is projecting:

- a) total cash receipts from Half Moon Lake Resort at approximately \$40,000. All Hawkeye Group Property receipts are retained by LBVR

for use in operating and upgrading the Hawkeye Group Properties as previously discussed;

- b) funds received from the Monitor's trust account to be used to fund payment of restructuring Professional Fees of \$135,000 relating to the outstanding CCAA Professional Fees incurred and outstanding since September 30, 2013 and a partial payment towards Half Moon property taxes of \$10,000; and
  - c) cash disbursements of approximately \$55,700 to be used to fund Half Moon operating expenses of approximately \$32,500, repayment of funds to the Monitor's trust account of \$9,200 and management fees of \$14,000; and
51. The above results in a net decrease in cash of the Applicants' cash balance of approximately \$5,700 during the Forecast Period. The net decrease in cash from the Applicants' bank account will decrease the Applicants' ending cash position to approximately \$2,694. The combination of the ending available cash balance in the Monitor's trust account of approximately \$9, results in an overall estimated ending available cash balance of approximately \$2,703.
52. Significant assumptions made by the Applicants' management with respect to the Updated Forecast are:
- a) LBVR will not require funding to cover operating costs (which includes its management fees) during the next month as LBVR has forecast that it will be self-sustaining during the Forecast Period. LBVR provides a monthly accounting to the Applicants and the Monitor and accordingly, no operating receipts or disbursements for the Hawkeye Group Properties are included separately in the Updated Forecast;

- b) Monthly lease fee collections and rental RV receipts (seasonal rentals) from Half Moon Lake is approximately \$40,000;
- c) operating costs and partial payment of outstanding property taxes relating to Half Moon of approximately \$32,500;
- d) repayment of funds to the Monitor's trust account of approximately \$9,200. The Applicants required certain costs to be paid for its Half Moon operations and due to timing of collections of its Half Moon receipts, the Applicants requested the Monitor to provide funds from its trust account, with the understanding that the Applicants would be required to pay it back to the Monitor's trust account forthwith. The repayment of these funds was scheduled to be collected by the Monitor from the Applicants in Week 123.
- e) management fees of approximately \$14,000; and
- f) restructuring costs for the Monitor, its counsel and the Applicants' counsel of approximately \$135,000.

53. Based on the Purdy Group's significant assumptions, the Updated Forecast indicates that the Purdy Group will continue to have sufficient available cash to meet its current operating obligations through the Forecast Period.

#### **THE PURDY GROUP'S REQUEST FOR AN EXTENSION OF THE STAY PERIOD**

- 54. The stay period expires at midnight on April 17, 2014 (the "Stay Period"). The Purdy Group, with the support of its two main creditors Axxess and CRA, is seeking an extension of the Stay Period until and including June 5, 2014 (the "Proposed Stay Extension").
- 55. In the Monitor's view, an extension to the Proposed Stay Period is necessary for the Applicants to circulate the Plan and hold the Creditors' Meeting.

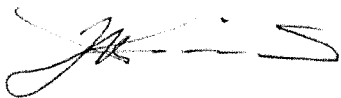

56. The Monitor is of the view that the Applicants are acting in good faith and with due diligence. The Monitor is also of the respectful view that no creditor should be materially prejudiced by an extension of Stay Period.

#### **RECOMMENDATION**

57. The Monitor respectfully recommends that this Honourable Court:
- a) approve the Proposed Meeting Procedure Order, which effectively provides that the Applicants be allowed to circulate the Plan and related Meeting Materials to their Creditors for the purposes of allowing the Creditors to vote on the Plan; and
  - b) approve the Proposed Stay Extension.

All of which is respectfully submitted this 15<sup>th</sup> day of April, 2014.

**NOTICE TO CREDITORS**

**NOTICE IS HEREBY GIVEN** that ARMAC INVESTMENTS LTD. (AB), LAKE EDEN PROJECTS INC. (AB), HALF MOON LAKE RESORT LTD. (AB), FISHPATHS RESORTS CORPORATION (BC), ARMAC INVESTMENT LTD. (BC), OSTROM ESTATES LTD. (BC), HAWKEYE MARINE GROUP LTD. (BC), AND CHERRY BLOSSOM PARK DEVELOPMENT CORP. (BC) (collectively, the "Plan Applicants") has filed with the Alberta Court of Queen's Bench (the "Court") a Plan of Arrangement dated April 15, 2014 (as amended from time to time, the "Plan") pursuant to the *Companies' Creditors Arrangement Act* (Canada), as amended (the "CCAA").

The Plan contemplates the compromise of rights and claims of certain creditors of the Plan Applicants (as defined in the Plan, "**Affected Creditors**"). Affected Claims (as that term is defined in the Plan) of Affected Creditors constitute two (2) classes as established in the Plan, the "**Affected Creditors Classes**".

**NOTICE IS ALSO HEREBY GIVEN** that a meeting of the Creditors (as that term is defined in the Plan) (the "Creditors' Meeting") will be held at Dentons Canada LLP, Suite 2900, 10180-101 Street, Edmonton, Alberta, T5J 3V5 at 10:00 a.m. (MST) on May 15, 2014 for the purpose of considering and, if thought advisable by the Creditors, voting in favour of, with or without variation, a resolution to approve the Plan and to transact such other business as may properly come before such Creditors' Meeting or any adjournment thereof. The Creditors' Meeting is being held

pursuant to the Order of the Court made on April 17, 2014 by the Honourable Mr. Justice D.R.G. Thomas (the “**Creditors’ Meeting Order**”).

The quorum for the Creditors’ Meeting has been set by the Creditors’ Meeting Order as the presence, in person or by proxy, at the Creditors’ Meeting of one (1) Creditor.

To become effective, in respect of the Affected Creditors’ Class, the Plan must be approved by a majority in number of Affected Creditors who represent at least two-thirds in value of the Voting Claims (as defined in the Plan) of the Creditors who actually vote on the resolution approving the Plan (in person or by proxy) at the Creditors’ Meeting. The Plan must also be sanctioned by a final order of the Court under the CCAA.

**NOTICE IS ALSO HEREBY GIVEN** that such order will be sought on June 5, 2014 at 2:00 p.m. (MST). At that time, the Plan Applicants will also seek the other relief specified in the Plan. Subject to the satisfaction of the conditions to implement of the Plan, all Affected Claims of Affected Creditors will then receive the treatment set out in the Plan unless otherwise ordered by the Court.

The value of each Affected Claim for voting purposes has or will be determined pursuant to the Creditors’ Meeting Order, the Claims Procedure, the Plan, the CCAA, and any further order of the Court.

Any Creditor who is entitled to vote at the Creditors’ Meeting but is unable to attend the Creditors’ Meeting is requested to date, sign and return the enclosed form of proxy in the return envelope provided. In order to be used at the Creditors’ Meeting, a proxy must be deposited with the Monitor, at the address below, at any time prior to 5:00 p.m. on May 14, 2014 before the Creditors’ Meeting, or with the Chair of the Creditors’ Meeting prior to the commencement of the Creditors’ Meeting or any adjournment thereof.

**Purdy Group of Companies Plan of Arrangement and Purdy Proposal  
Consolidated Liquidation Analysis vs. Proposed Plan Distributions  
Notes**

Appendix D

1. Total proceeds available are from all remaining properties owned by the Plan Applicants and Purdy personally. Early in the CCAA process, the Monitor obtained various independent market evaluations from several commercial real estate agents and compare these values to the 2012 and 2013 property tax assessment values. The liquidation values are the Monitor's best estimate as to the possible proceeds that may be realized if the properties were to be sold on a forced liquidation basis.
2. CCAA priority charges include estimated property tax arrears, Interim Financing (DIP) Loan and interest payments on the DIP Loan and the Administration Charge.
3. Future liquidation costs relate to estimated professional fees and costs associated with liquidating the remaining properties owned by the Plan Applicants and Purdy personally.
4. CRA has deemed trust claims in Half Moon which will be paid in priority to all other Half Moon claims.
5. Axxess has a registered general security agreement ("GSA") over Armac (AB). Armac (AB) has a receivable from Fish Path Resorts and Half Moon. In the liquidation scenario it is assumed Axxess recovers its proportionate share of the Half Moon and Fish Path receivables. Additionally, Axxess has security over 27 Half Moon lots and it is estimated realizations on those lots are between \$250,000 and \$500,000.
6. CRA has a proven Secured Claim against Armac (BC) and Ostroms. CRA also has judgments registered at the personal property and registry ("PPR") and against land owned by Purdy and has a secured claim for the amount of \$1.2 million personally.
7. Remaining secured creditors are mainly an outstanding mortgage to Bank of Montreal for approximately \$63,000 and other claims filed by Her Majesty the Queen in the Right of the Province of British Columbia, Worker's Compensation Board and Her Majesty the Queen in the Right of Canada by the Minister of National Revenue.
8. CRA CCAA Unsecured Claims against the Plan Applicants.
9. CRA personal Claims against Purdy personally.
10. Axxess' claim under a guarantee given by Purdy.
11. Unsecured claims filed and accepted in Purdy's proposal proceedings in addition to claims filed in the CCAA proceedings.
12. Unsecured Creditors Claims of the CCAA proceedings.
13. On a liquidation basis it is estimated that Unsecured Creditors, including Axxess and CRA unsecured claims, would receive a payout in the range of 0% to 16% of their Proven Claim. Whereas under the Plan, Unsecured Creditors (excluding Axxess and CRA Claims) would receive 28.5% of their Proven Claims and Axxess and CRA will receive Promissory Notes in the full amount of their Unsecured Claims that are payable over time and subject to realization from the sale of remaining assets.
