1.0 Introduction and Summary of Proceedings to Date

- 1.1 On May 22, 2009, the Ontario Superior Court of Justice (the "Court") issued an order appointing Alvarez & Marsal Canada ULC ("A&M") and McIntosh & Morawetz Inc. (now Alvarez & Marsal Canada Inc.) as trustee and interim receiver, respectively (collectively the "Interim Receiver"), pursuant to Section 68 of the *Construction Lien Act* (Ontario) ("CLA") and Section 47(1) of the *Bankruptcy and Insolvency Act* (Canada) ("BIA") of all the property, assets and undertakings (the "Assets") of The Rosseau Resort Developments Inc. ("RRDI" or the "Company"). On June 2, 2009, the Court issued an Amended and Restated Appointment Order (the "Appointment Order") continuing the appointment of the Interim Receiver and appointing A&M as receiver and manager (the "Receiver and Manager") pursuant to Section 101 of the *Courts of Justice Act* (Ontario) ("CJA") and pursuant to the CLA of the Assets of RRDI (the Interim Receiver and the Receiver and Manager collectively defined as the "Receiver"). McIntosh & Morawetz Inc. has, by Articles of Amendment dated September 17, 2009, changed its name to Alvarez & Marsal Canada Inc.
- 1.2 As detailed in the Receiver's prior reports to this Honourable Court, RRDI, along with a related company, Rock Ridge Contractors Inc. ("Rock Ridge") undertook the development and construction of a resort property in Muskoka known as The Rosseau (the "Project"). As a result of RRDI's insolvency, the property on which the Project is situated, all of which is owned by RRDI, has become subject to numerous construction lien claims. Pursuant to an order made by Justice Campbell dated July 24, 2009, the Court ordered a process for the determination of the amount, validity and priority of the construction lien claims. A copy of this order is attached as **Exhibit "A"**. By further

order of Justice Pepall dated October 14, 2009, the Court referred certain issues concerning the construction lien claims to the Master at Toronto. A copy of this Order is attached as **Exhibit "B"**. The issue which has been referred to the Master is a determination of whether each of the lien claimants are contractors for the purpose of their claims, as defined in the CLA and if not, whether Rock Ridge is a contractor in respect of its claims (the "Reference").

- 1.3 The purpose of this tenth report (the "Tenth Report") is to request that this Honourable Court broaden the scope of the Reference to further direct the Master to determine the validity and effectiveness of certain Certificates of Substantial Performance ("CSPs") under the CLA which were executed, delivered or published with respect to the Project.

2.0 The Need for the Relief Sought

- 2.1 As discussed above, the issue in the Reference as presently constituted is the determination of whether the relationship of each of the lien claimants to the owner, RRDI, was that of a contractor or subcontractor. Certain lien claimants have asserted the latter, claiming that Rock Ridge was a contractor to RRDI and that their contracts were with Rock Ridge, thus making them subcontractors for the purpose of the CLA to RRDI.
- 2.2 As the Project progressed, various CSPs were issued, executed, delivered and/or published with respect to the Project. It has become apparent that an additional issue which arises from the determination of the lien claimants' relationship with RRDI, is the question of whether the rights of certain lien claimants may have expired in whole or in part due to the issuance, execution, delivery and/or publication of the CSPs in question. The determination of whether the lien claimants are contractors or subcontractors is relevant to determine whether, as a result of the publication of the CSPs, certain lien claims have expired.
- 2.3 The CLA contemplates the publication of a CSP with respect to a contract, not a subcontract. Accordingly, it appears that the facts surrounding the creation and publication of the CSPs will be relevant to establish the nature of the relationship between RRDI and the lien claimants. Since these facts are already the subject matter of the Reference, and since the further issue of the validity of the CSPs and their effect on the lien claims arises from these facts as well, dealing with all the legal issues concerning the CSPs at the same time and on the same body of evidence is efficient and cost effective. In addition, the determination of the validity and effectiveness of the CSPs will

advance the issues concerning lien priority to the point where the parties may assist in the resolution of other issues in respect of the lien claims generally.

- 2.4 For this reason, the Receiver recommends expanding the scope of the reference.
- 2.5 The Receiver advised Master Short at the last case conference of its intention to seek the expansion of the Reference and Master Short advised that he did not take issue with the Reference being so expanded. As the facts and information relevant to the expanded Reference are the same as those already being considered, the Receiver does not believe that the expansion of the Reference will have a direct impact on document discovery.
- 2.6 The Receiver has advised all of the parties of its intention to seek an expansion of the Reference as set out above and is not aware of any opposition to same.

3.0 Conclusions and Recommendations

- 3.1 Based on the foregoing, the Receiver respectfully recommends that this Honourable Court grant the relief described in Section 1.3, above. The Receiver requests that this Honourable Court issue the order sought in the draft form filed.
