**Remedy Claimed or Sought:**

1. An Order:
  - (a) declaring that the time for service of this application is abridged, this application is properly returnable on February 20, 2013, and that service of this application is sufficient and that service on any other persons of notice of this application and the Order granted pursuant to this application, is dispensed with;
  - (b) approving an extension, pursuant to s. 50.4(9) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “BIA”), of the time for Impact 2000 Inc. (“Impact”) to file a proposal, to on or before April 15, 2013 (the “Stay Extension”);
  - (c) declaring that Impact shall, subject to such requirements as are imposed by the BIA, have the right to dispose of redundant assets or non-material assets not exceeding \$20,000 in any one transaction or \$100,000 in the aggregate (or in excess of these amounts by Order of this Court) provided that (i) no assets will be sold below their appraised amounts as set out in the Equipment Appraisal of Maynard’s Appraisals Ltd. dated November 2012; and (ii) that all proceeds from such sales will be paid into the trust account of Impact’s Proposal Trustee; and
  - (d) providing such further and other relief as Impact may seek and this Honourable Court deems just.

**Grounds for Making this Application:**

Stay Extension

2. On November 29, 2012, this Honourable Court granted an Order extending to January 10, 2013 the time for Impact to file a proposal;
3. On January 8, 2013 this Honourable Court granted an Order extending to February 22, 2013 the time for Impact to file a proposal;
4. Impact needs the requested Stay Extension in order to continue in business while it develops a proposal to its creditors;

5. Impact has acted and will continue to act in good faith and with due diligence with the assistance of its legal counsel and the Proposal Trustee to develop a viable proposal;
6. No creditors will be materially prejudiced if the Stay Extension is granted; and
7. Impact is likely going to be able to make a viable proposal to its creditors.

Redundant and Non-material Assets

8. Pursuant to the Order of the Honourable Justice A.D. Macleod granted on November 29, 2012, Impact is authorized to dispose of non-material or redundant assets not exceeding \$10,000 in any one transaction or \$50,000 in the aggregate without further order of this Court. Increasing these amounts to the requested amounts is cost effective, and will avoid the need for Court time and limit professional fees with regard to the sale of assets of nominal value. It is reasonable and appropriate in the circumstances to grant this relief.
