IN THE MATTER OF THE

R.S.C. 1985, c. C-36, AS AMENDED

AND IN THE MATTER OF A PLAN OF COMPROMISE OR
ARRANGEMENT OF TARGET CANADA CO., TARGET CANADA
HEALTH CO., TARGET CANADA MOBILE GP CO., TARGET CANADA
PHARMACY (BC) CORP., TARGET CANADA PHARMACY (ONTARIO)
CORP., TARGET CANADA PHARMACY CORP., TARGET CANADA
PHARMACY (SK) CORP., and
TARGET CANADA PROPERTY LLC

(the "Applicants")

I, Jeff Klausner of the City of Los Angeles, in the State of California, in the United States of America, MAKE OATH AND SAY:

1. I am the Chief Accounting Officer of Capital Brands, LLC ("**Capital Brands**"). As such, I have knowledge of the matters to which I herein depose, except to the extent such matters are based upon information and belief, in which case I have stated the source of my information and believe such matters to be true.
2. Capital Brands was a supplier of consumer products to Target Canada Co. ("**Target**"). In the period between October 7th, 2014 and January 15, 2015

when Target filed for CCAA protection, Capital Brands supplied merchandise with a total value of \$375,068 USD in respect of which no payment was made. Inclusive of GST and interest up to the date of the filing, the total amount owing is \$414,431.46. Attached hereto as **Exhibit “A”** to this my affidavit is our internal A/R listing which itemizes the product and the amount owing by type.

3. On January 15, 2015, Target filed for CCAA protection. As I understand was the case with many other suppliers, Capital Brands had no warning of the filing. Indeed, as can be seen from the A/R Listing at **Exhibit “A”**, we invoiced \$10,000 worth of inventory to Target on January 13, 2015, two days before the filing.
4. The amounts set out on **Exhibit “A”** remain outstanding.
5. I am advised that shortly after the initial filing, Alvarez and Marsal Canada Inc. in its capacity as the court appointed Monitor (the “**Monitor**”) published a list of known creditors of Target on its website. This list was later revised shortly thereafter. A copy of the list is attached hereto as **Exhibit “B”**.
6. Capital Brands is listed as a creditor on that creditor listing in the amount of \$422,437 USD, essentially the same amount as is reflected in our records.
7. I now know that on June 11th, 2015, an order was granted in the CCAA proceedings of Target under which a claims procedure was set up for the filing of unsecured claims (the “**Claims Procedure Order**”). I personally had no knowledge of that Order at that time.
8. The Monitor’s website contains a notice which they advise was sent out to

creditors around that time. I have no knowledge of whether or not Capital Brands received such a notice, or if such a notice or the claims package was ever sent to Capital Brands.

9. We did not have counsel in the Target matter until we retained Blaney McMurtry LLP in September 2016 with respect to this issue, as further described below.
10. It was, until recently, my understanding that a proof of claim was filed by Capital Brands by August 31, 2015. I have not been able to locate that proof of claim, however.
11. For some time, and as recently as August 1, 2016 we have received regular offers from various claims agencies to purchase our claim in the Target proceeding, which they advised was in the amount of \$422,437 USD. A sampling of these notices are attached hereto as **Exhibit "C"**. I believed we were receiving these offers because we had a filed and approved claim in the Target proceeding.
12. When these claims offers were brought to my attention, I quickly reviewed the creditor list available at the Monitor's website and confirmed our claim was listed in an appropriate amount.
13. I have had some experience with commercial bankruptcy in the United States. In a US bankruptcy, when a claim is listed on the trustee's (or debtor's) creditor list the claim is deemed filed in that amount if not listed as disputed, contingent or unliquidated. I assumed (incorrectly I now know) that with respect to the Capital Brands' claim, being listed on the Monitor's website was similar confirmation that the claim had been filed and accepted.

This belief was further confirmed since I received dozens of communications to buy the Capital Brands' claim, as provided above and further below.

14. I have now reviewed this further with my counsel, and I now see that there is a disclaimer on the Monitor's website about the nature of that list. I was not aware of that disclaimer previously.
15. We rejected the various offers to sell our claim. Nonetheless, the offers to purchase that claim continued to be received.
16. Through the almost constant stream of information I received from various claims traders seeking to purchase our claim, I was made aware that a Plan in Target was filed in the Spring of 2016 and ultimately approved and that a distribution was pending.
17. In July, 2016 I became informed for the first time that a distribution was made to creditors of Target based on a claims trader contacting me seeking to purchase the "second distribution" proposed to Target's creditors. I was told and informed for the first time that an approximate \$.55 distribution was made, and I knew, as CAO of Capital Brands, that no distribution was received by Capital Brands.
18. When no distribution was received by the end of July, I contacted the Monitor on July 27th, 2016 inquiring as to why our distribution had not been received. I suggested that the funds had perhaps gone to our previous address. A copy of my email to the Monitor is attached hereto as **Exhibit "D"**.
19. I was shocked when the Monitor responded on July 28th, 2016 advising that

the Monitor had not received a proof of claim form Capital Brands. Until that moment, I had been under the belief that our claim was filed and we were merely waiting to receive the dividend. I am still unsure that it was not filed previously.

20. I am unable to confirm the status of our original claim because there has been significant personnel turn over in key areas at Capital Brands since the Target filing began.
21. At the time that the claims notice would have been sent and responded to by Capital Brands, our accounting department was in the midst of an almost total personnel turn over.
22. In particular, the Director of Finance & Operations left in February 2015, the Controller left in May 2015, and the assistant Controller left at the end of June 2015.
23. I myself began my engagement at Capital Brands in April 2015, but I was engaged in connection with a full audit then underway with PricewaterhouseCoopers to which all my time was dedicated. I did not completely take over the position I currently hold until late August 2015.
24. A new assistant controller began his engagement at Capital Brands in September 2015.
25. In my view, it is entirely possible that the response to the Target claims notice was inadvertently lost or missed during this tumultuous time. In any event, I cannot locate either the original claims notice, or the original proof of claim form from that time period.

26. The Target matter was only brought to my attention in September, 2015 when I began to receive claim notices from various entities trying to purchase our claim.
27. In August 2016, upon discovering the Monitor's position that no claim had been filed, I contacted our lawyers in Los Angeles, Margulies Faith LLP, to assert our rights to our claims. Our lawyers attempted to contact the Monitor to allow us to file a late claim. They were told we would not be allowed to file a late claim.
28. We retained Blaney McMurtry LLP to assist us in this matter on September 14, 2016.
29. I am advised the Blaney McMurtry firm contacted the Monitor on September 20th, 2016 to raise this issue. They have been in correspondence with the Monitor since that time.
30. It is my understanding that on September 20th, 2016, the Monitor filed a report with the Court that it is contemplating a further distribution of proceeds in the near future. Our counsel has written to the Monitor and asked that they hold back sufficient funds to pay our claims in full. A copy of our counsel's email to that effect is attached hereto as **Exhibit "E"**.
31. We also note that the Monitor reports that in excess of \$16,000,000 in late filed claims have been admitted by the Monitor to date in these proceeding in accordance with their discretion under Claims Procedure Order.
32. I am further informed that the Monitor has approximately \$200 million still to distribute to Target creditors, and therefore do not believe that inclusion of Capital Brands' claim (not likely disputed in amount and small by

comparison) in the past and future distributions will be prejudicial to other interested parties.

33. We filed a claim with the Monitor on September 23rd, 2016, in the amount of approximately \$414,000 USD. The claim is supported by invoices which total that amount. The Proof of Claim is attached hereto as **Exhibit "F"**.
34. We do not anticipate that there will be any dispute that the entire amount set out in our Proof of Claim is properly due and owing. This is a significant amount to our company, the loss of which we have had to endure for almost 2 years at time point. We were relying on the receipt of these funds upon the Target plan being approved.
35. I make this affidavit in support of the Monitor exercising its discretion under the Claims Procedure Order to admit the claim of Capital Brands LLC in full, nunc pro tunc, as if it had been filed prior to August 31, 2015, and for no other or improper purpose.

Re: Target Canada Co.

Dear Credit Manager:

Contrarian Capital Management, L.L.C. ("Contrarian"), a multi-billion dollar money management firm founded in 1995, would like to purchase your general unsecured claim in the amount of \$422,437.00 according to the List of Creditors filed by Target Canada Co. (the "Debtor") in the Ontario Superior Court of Justice. We encourage you to consider our offer of 58 cents per dollar for your general unsecured claim, which must be recognized and allowed by the Debtor.

This offer is based upon market conditions, the actual size and type of claim and your claim being recognized by the Debtor as a liquidated, undisputed, and non-contingent general unsecured claim. Claims will be purchased on a first offered, first bought basis, and Contrarian reserves the right to reject any claims presented. Contrarian's purchase of your claim is subject to the execution and delivery of transfer documentation and due diligence. The amount Contrarian is offering for your claim may be more or less than you may receive if and when a confirmed Plan of Compromise or Arrangement for the Debtor is approved. We recommend that you familiarize yourself with the public information with respect to these cases. While Contrarian believes this is the highest offer currently in the market for your claim, please contact us if this is not your best offer.

Contrarian is actively purchasing claims in many bankruptcy cases and will gladly provide pricing on any exposure you may have. To further discuss the sale of your claim, please contact Rhoda Freeman (Freeman@Contrariancapital.com) or John Bright (Jbright@Contrariancapital.com) at (800) 266-3810 or (203) 862-8232. For additional information about Contrarian, please visit our website www.contrariantradeclaims.com.

If you would like to accept Contrarian's offer, please acknowledge your agreement and acceptance by signing and returning a copy of this letter by email or fax (203) 485-5910.

Sincerely,

Contrarian Capital Management, L.L.C.

ASSIGNMENT OF CLAIM

CAPITAL BRANDS LLC, having a mailing address at 11755 WILSHIRE BLVD 1200 , LOS ANGELES, CA 90025 ("Assignor"), in consideration of the sum of **C\$295,705.91 (the "Purchase Price")**, does hereby transfer to Argo Partners, which includes Argo Partners II LLC and Argo Partners Fund III LLC, having an address at 12 West 37th Street, 9th Fl. New York, NY 10018 ("Assignee") all of Assignor's right, title and interest in and to claim or claims of Assignor, as more specifically set forth (the "Claim") against Target Canada Co (US\$), ("Debtor") Debtor in proceedings under The Companies' Creditors Arrangement Act (CCAA) (the "Proceedings") in the Ontario Superior Court of Justice (the "Court"), Case No. CV-15-10832-00CL in the currently outstanding amount of not less than **C\$422,437.00** and all rights and benefits of Assignor relating to the Claim, including without limitation the Proof of Claim identified below and Assignor's rights to receive all interest, penalties and fees, if any, which may be paid with respect to the Claim and all other claims, causes of action against the Debtor, its affiliates, any guarantor or other third party and all cash, securities, instruments and other property which may be paid or issued by Debtor in satisfaction of the Claim, together with voting and other rights and benefits arising from, under or relating to any of the foregoing. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create a security interest.

A Proof of Claim in the amount of \$, has been duly and timely filed in the Proceedings (and which has not been revoked or superseded, a true and correct copy of which is annexed to this Assignment of Claim). If the Proof of Claim amount differs from the Claim amount set forth above, Assignee shall nevertheless be deemed the owner of the entire Proof of Claim subject to the terms of this Agreement and shall be entitled to identify itself as owner of such Proof of Claim on the records of the Court.

Assignor further represents and warrants that: the amount of the Claim is not less than **C\$422,437.00**; the Claim in that amount is valid and enforceable; no objection to the Claim exists; the Claim is listed by the Debtor on its schedule of liabilities and any amendments thereto ("Schedule") as such; no consent, approval, filing or corporate, partnership or other action is required as a condition to, or otherwise in connection with, the execution, delivery and performance of this Agreement by Assignor, this Agreement has been duly authorized, executed and delivered by Assignor and Assignor has the requisite power and authority to execute, deliver and perform this Agreement; this Agreement constitutes the valid, legal and binding agreement of Assignor, enforceable against Assignor in accordance with its terms; no payment or other distribution has been received by Assignor, or by any third party on behalf of Assignor, in full or partial satisfaction of, or in connection with the Claim; Assignor has not engaged in any acts, conduct or omissions that might result in Assignee receiving in respect of the Claim proportionately less payments or distributions or less favorable treatment per dollar of claim than other unsecured creditors; the Claim is not subject to any factoring agreement; Assignor has not previously assigned, sold or pledged the Claim to any third party, in whole or in part; Assignor owns and has title to the Claim free of any and all liens, security interests or encumbrances of any kind or nature whatsoever; and it is not subject to any offset, defenses or subordination that have been or may be asserted by or on behalf of Debtor or any other party to reduce the amount of the Claim or to impair its value. Assignor agrees to indemnify Assignee from all losses, damages and liabilities, including attorneys fees and expenses, which result from Assignor's breach of any representation, warranty or covenant set forth herein, or from any action, proceedings, objection or investigation relating to any attempt or threatened attempt to avoid, disallow, reduce, subordinate or otherwise impair the Claim or otherwise delay payments or distributions in respect of the Claim. Neither party hereto assumes or shall be responsible for any obligations or liabilities of the other party related to or in connection with this Assignment of Claim.

Assignor is aware that the above Purchase Price may differ from the amount ultimately distributed in the Proceedings with respect to the Claim and that such amount may not be absolutely determined until entry of a final order allowing the Claim. Assignor acknowledges that, except as set forth in this Assignment, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of Debtor (financial or otherwise) or any other matter relating to the Proceedings, the Debtor or the Claim. Assignor represents that it has adequate information concerning the business and financial condition of Debtor and the status of the Proceedings to make an informed decision regarding the sale of the Claim and that it has independently and without reliance on Assignee, and based on such information as Assignor has deemed appropriate (including information available from the files of the Court in the Proceedings), made its own analysis and decision to enter into this Assignment of Claim.

Assignor agrees to make to Assignee immediate proportional restitution and repayment of the above Purchase Price, to the extent that the Claim is disallowed, subordinated, objected to or otherwise impaired for any reason whatsoever in whole or in part or if the Claim is not listed on the Schedule, or listed on the Schedule as unliquidated, contingent or disputed, or listed on the Schedule in a lesser amount than the Claim Amount. Assignor further agrees to reimburse Assignee for all costs, and expenses, including reasonable legal fees and costs, incurred by Assignee as a result of such disallowance.

In the event the Claim is ultimately allowed in an amount in excess of the amount purchased herein, Assignor is hereby deemed to sell to Assignee,

and Assignee hereby agrees to purchase, the balance of said Claim at the same percentage of claim paid herein not to exceed twice the Claim amount specified above. Assignee shall remit such payment to Assignor upon Assignee's satisfaction in its sole discretion that the Claim has been allowed in the higher amount and that neither the Claim nor distributions thereon is subject to any potential objection or reduction by the Debtor.

Assignor hereby irrevocably appoints Assignee as its true and lawful attorney and authorizes Assignee to act in Assignor's stead, to demand, sue for, compromise and recover all such amounts as now are, or may hereafter become, due and payable for or on account of the Claim herein assigned. Assignor grants unto Assignee full authority to do all things necessary to enforce the claim and its rights thereunder pursuant to this Assignment of Claim. Assignor agrees that the powers granted by this paragraph are discretionary in nature and that Assignee may exercise or decline to exercise such powers at Assignee's sole option. Assignee shall have no obligation to take any action to prove or defend the Claim's validity or amount in the Proceedings. Assignor agrees to take such further action, at its own expense, as may be necessary or desirable to effect the assignment of the Claim and any payments or distributions on account of the Claim to Assignee including, without limitation, the execution of appropriate transfer powers, corporate resolutions and consents.

Assignor agrees to forward to Assignee all notices received from Debtor, the Court or any third party with respect to the Claim assigned herein and to vote the Claim, and to take such other action with respect to the Claim in the Proceedings, as Assignee may from time to time request. Assignor further agrees that any distribution received by Assignor on account of the Claim, whether in the form of cash, securities, instrument or any other property, shall constitute property of Assignee to which Assignee has an absolute right, and that Assignor will hold such property in trust and will, at its own expense, promptly (but not later than 5 business days after receipt thereof) deliver to Assignee any such property in the same form received, together with any endorsements or documents necessary to transfer such property to Assignee.

The terms of this Assignment of Claim shall be binding upon, and shall inure to the benefit of and be enforceable by Assignor, Assignee and their respective successors and assigns.

Assignor hereby acknowledges that Assignee may at any time reassign the Claim, together with all right, title and interest of Assignee in and to this Assignment of Claim. All representations, warranties, indemnities and agreements made herein shall survive the execution and delivery of this Assignment of Claim and any such re-assignment. This Assignment of Claim may be executed in counterparts and all such counterparts taken together shall be deemed to constitute a single agreement.

This Assignment of Claim shall be governed by and construed in accordance with the laws of the State of New York. Any action arising under or relating to this Assignment of Claim may be brought in any State or Federal court located in the State of New York, and Assignor consents to and confers personal jurisdiction over Assignor by such court or courts and agrees that service of process may be upon Assignor by mailing a copy of said process to Assignor at the address set forth in this Assignment of Claim, and in any action hereunder Assignor waives the right to demand a trial by jury.

CONSENT AND WAIVER

Assignor hereby acknowledges and consents to all of the terms set forth in this Assignment of Claim and hereby waives its right to raise any objections thereto.

New York, NY 10018 ("Assignee") all of Assignor's right, title and interest in and to claim or claims of Assignor, as more specifically set forth (the "Claim") against Target Canada Co (US\$), ("Debtor") Debtor in proceedings under The Companies' Creditors Arrangement Act (CCAA) (the "Proceedings") in the Ontario Superior Court of Justice (the "Court"), Case No. CV-15-10832-00CL in the currently outstanding amount of not less than **USD422,437.00** and all rights and benefits of Assignor relating to the Claim, including without limitation Assignor's rights to receive all interest, penalties and fees, if any, which may be paid with respect to the Claim and causes of action against the Debtor, its affiliates, any guarantor or other third party and all cash, securities, instruments and other property which may be paid or issued by Debtor in satisfaction of the Claim. The Claim is based on amounts owed to Assignor by Debtor as set forth below and this assignment shall be deemed an absolute and unconditional assignment of the Claim for the purpose of collection and shall not be deemed to create a security interest.

Assignor represents and warrants that the amount of the Claim is not less than **USD422,437.00**; the Claim in that amount is valid, that cash distributions of approximately 55.3400 percent of the allowed claim have been received by the Assignor and that Assignor has not previously assigned, sold or pledged the Claim to any third party, in whole or in part; that Assignor owns and has title to the Claim free of any and all liens, security interest or encumbrances of any kind or nature whatsoever; that there are no offsets or defenses that have been or may be asserted by or on behalf of Debtor or any other party to reduce the amount of the Claim, and that there are no liabilities to the Debtor or to any other third party relating to this Claim. Assignment is only for future distributions, if any. Assignor agrees to indemnify Assignee from all losses, damages and liabilities, which result from Assignor's breach of any representation, warranty or covenant set forth herein. Neither party hereto assumes or shall be responsible for any obligations or liabilities of the other party related to or in connection with this Assignment of Claim.

Assignor is aware that the above Purchase Price may differ from the amount ultimately to be distributed in the Proceedings with respect to the Claim. Assignor acknowledges that, except as set forth in this Assignment, neither Assignee nor any agent or representative of Assignee has made any representation whatsoever to Assignor regarding the status of the Proceedings, the condition of Debtor (financial or otherwise) or any other matter relating to the Proceedings, the Debtor or the Claim. Assignor represents that it has adequate information concerning the business and financial condition of Debtor and the status of the Proceedings to make an informed decision regarding the sale of the Claim and that it has independently and without reliance on Assignee, and based on such information as Assignor has deemed appropriate (including information available from the files of the Court in the Proceedings), made its own analysis and decision to enter into this Assignment of Claim. This Assignment of Claim shall be governed by and construed in accordance with the laws of the State of New York. Any action arising under or relating to this Assignment of Claim may be brought in any State or Federal court located in the State of New York, and Assignor consents to and confers personal jurisdiction over Assignor by such court or courts and agrees that service of process may be upon Assignor by mailing a copy of said process to Assignor at the address set forth in this Assignment of Claim, and in any action hereunder Assignor waives the right to demand a trial by jury.

Jeff,

As discussed, we have no record of a claim filed by Capital Brands LLC.

On June 11, 2015, the Court issued an order (as amended from time to time, the "Claims Procedure Order") requiring that all Persons asserting a Claim (as defined in the Claims Procedure Order) against the Target Canada Entities, whether unliquidated, contingent or otherwise, must file a Proof of Claim with the Monitor by no later than August 31, 2015 (the "Claims Bar Date"). We have record that a Claims Package was mailed to your Company in late June 2015.

The Monitor did not receive a Proof of Claim from your company. The Claims Bar Date has long passed. Accordingly, any claim by you or your Company against the Target Canada Entities is barred.

Moreover, pursuant to the Sanction and Vesting Order, among other things: (a) all claims (the "Affected Claims"), other than Unaffected Claims (as such term is defined in the Second Amended Joint Plan and Compromise and Arrangement dated May 19, 2016 (the "Plan")) were fully, finally, irrevocably and forever compromised, discharged and released with prejudice on the date the Plan was implemented (the "Plan Implementation Date"); and (b) the ability of any person to proceed against the Target Canada Entities in respect of any Affected Claim was deemed forever discharged, extinguished, released and restrained, and all proceedings with respect to such Affected Claims were permanently stayed against the Target Canada Entities on the Plan Implementation Date. The Plan Implementation Date was June 28, 2016, as evidenced by the Monitor's Certificate of the same date.

Subject: Target Canada - Claim of Capital Brands, LLC

Dear Mr. Karpel,

As you are aware, we have just recently been retained by Capital Brands LLC, with respect to their status as a creditor of Target. As you are also aware from your conversation with Alexandra Teodorescu yesterday, Capital Brands believed that they had a proven and accepted claim in the Target process until they discovered that they had been left out of the most recent distribution. We have been retained to investigate where the confusion has arisen on this issue. We are still in the process of accumulating that information. I am confident we will be able to resolve this in a fair fashion.

We have now reviewed the Target motion, returnable September 26th, 2016 seeking an extension of the CCAA process. In that motion it is reported that Target intends to make a further distribution at some point in the presumably near future. While we expect it will ultimately be our client's position that it should be entitled to be treated nunc pro tunc as having filed its claim before the Claims Bar Date (and therefore entitled to its dividend from the previous distribution as well as from all future distributions) we wanted there to be no suggestion that this proposed second distribution was made without notice to the Monitor of our client's claim. Please ensure that the Monitor withholds from this distribution the amount to which our client would be entitled, both for the distribution it has missed, and in respect of the distribution which is about to follow, until our matter is resolved. Given the relatively small amounts at issue, I trust you will agree this is not a particularly onerous ask of the Monitor, nor of any material impact on the creditor pool at large.

We are advised that our client's claim is in the amount of approximately the amount on the January 15, 2015 claims list on the Monitor's website. We have provided our client today with the Target claims form for their execution and we will deliver it to you as soon as we have them (likely tomorrow) on a without prejudice basis to the possibility that such a claims form may have been previously filed.

We look forward to discussing this with you and your counsel further. If it is known, please provide us with the intended date of the next distribution. Ideally, we would like to have resolved this issue or to schedule a motion to be heard in respect of same before the date of that next distribution.

Regards,

David Ullmann
