Respondents

AFFIDAVIT

I, Raymond Pai, of c/o 2900 – 733 Seymour Street, Vancouver, BC, V6B 0S6, AFFIRM THAT:

1. I am a Senior Director, Special Loans, of the petitioner, National Bank of Canada (“**National Bank**”). In this capacity I oversee the management of high-risk accounts, including the loans and credit facilities that are the subject matter of this proceeding. As such, I have personal knowledge of the facts and matters hereinafter deposed to, save and except where the same are stated to be based upon information and belief, and where so stated I verily believe the same to be true.

2. I primarily make this affidavit in reply to the affidavit of Gagandeep Nahal made March 4, 2026. I have limited the reply to information that is not repetitive of the content of my first affidavit. Accordingly, the absence of a response to a given assertion should not be taken as agreement. Unless otherwise defined herein, capitalized terms in this affidavit are as defined in the petition and my first affidavit.

3. In reply to paragraph 10:

- a) Mr. Nahal asserts that the fleet of vehicles and equipment has a combined market value of \$4,638,000. However, he does not advise how that conclusion was reached. Consequently, we are unable to assess whatever analysis may have been employed, if any, in arriving at the valuation;
- b) We asked our equipment financing team whether we could reasonably assess the values of the vehicles and trailers. We used Marketbook.ca, an online equipment valuation resource, as well as the data provided by the respondents to arrive at a combined fair market value of \$3,322,550 (using sale listings) and forced liquidation value of \$1,401,750 (using auction results). I note that the foregoing valuations include the assets noted by the respondents as owned by “PMT”, which is not an entity known to me. Attached as **Exhibit “A”** is a document showing the inputs and valuations for each of the assets using Marketbook.ca. Attached as **Exhibit “B”** is the respondents’ list of moveable assets with columns added and populated with the Bank’s fair market values and forced liquidation values.
- c) Leaving aside market value, more than half of the fleet is subject to charges registered in the Personal Property Registry (“PPR”):
 - i) The respondents delivered a list of moveable assets to our lawyer pursuant to paragraph 3(c)(i) of the order made February 25, 2026. A copy of that list is attached as **Exhibit “C”**. The respondents subsequently advised, through counsel, that the only vehicles or equipment subject to a lease or outstanding financing are those with amounts noted in column G of the document – a total of 16 of the 105 listed assets. Attached as **Exhibit “D”** is a copy of the relevant email chain between counsel from February 27 to March 2, 2026; and
 - ii) Pursuant to paragraph 3(d) of the order, the respondents also delivered a list confirming the location of the moveable assets (to this point, on a daily basis). Unlike the list of moveable assets discussed above, this list includes Vehicle Identification Numbers (“VINs”). Bank’s counsel ran PPR searches and confirmed that a total of 53 of the assets are encumbered by one or more charges registered in favour of third parties.

Attached as **Exhibit “E”** is a copy of the location list received February 26, 2026. Attached as **Exhibit “F”** are printouts of the PPR searches. Attached as **Exhibit “G”** is a chart setting out the VINs of the 53 assets, the names of the chargeholders, the base registration numbers, and the nature of the charges (I note that there may be additional charges as PPR searches were not run for each individual VIN).

4. In reply to paragraphs 13 to 15, the respondents have previously promised to deliver a commitment to refinance the indebtedness of 138 B.C. Ltd. and Liquor 56. A commitment has yet to materialize – and the asserted timing of receipt is now pushed back to the end of the month. In light of the respondents’ historical conduct, including their consistent pattern of failing to meet a variety of promised deadlines, it is difficult to have confidence that a commitment will indeed be forthcoming.

5. In reply to paragraph 19:

- a) The respondents have been with the Special Loans group since 2024. At Canadian Western Bank (“CWB”) (i.e., prior to the merger with National Bank), once loans became impaired, they were moved to a separate system and became unavailable for client-viewing via online banking; and
- b) Notwithstanding the foregoing, the respondents ought to have maintained access to online banking, including for their deposit accounts. From and after November 23, 2025, all of the respondents’ information migrated from CWB’s system to National Bank’s system. Meaning, if it is the case that the respondents have not had access to online banking since November 23, 2025, then that is because they did not set up the service with National Bank (I note that a number of communications were sent to all Bank customers before and after migration to give notice of the transfer and provide instructions for how to set up online banking).

6. In reply to paragraphs 21 to 23:

This is Exhibit "A" referred to in the affidavit of R. Pai sworn before me at Vancouver this 9th day of March 2026.

Hi Lily,

The only vehicles that are subject to a lease or outstanding financing are those with amounts stated in column G (for both Manney and NCG), and otherwise that all other vehicles are owned outright.

Thanks,

Faye

Are you referring to the column "loan/lease pending"? How am I to read that?
