AFFIDAVIT OF GRAYSON JAMES AMBROSE
Sworn November 21, 2024

I, Grayson James Ambrose, of the City of Calgary, in the Province of Alberta, SWEAR
AND SAY THAT:

1. I am a Director of Angus Manor Park A2A Developments (“A2A Angus Developments”).

-2-

2. In or around 2012, I started with A2A Capital Management Inc. A group of companies under the umbrella of A2A Capital Management Inc consists of, *inter alia*: ANGUS A2A GP INC., ANGUS MANOR PARK A2A GP INC., and ANGUS MANOR PARK A2A DEVELOPMENTS INC. along with respective limited partnerships. The business of the A2A Capital Management Inc. is to search for properties with potential for investments. A2A Capital Management Inc. formed special purpose vehicles (SPV) to then purchases vacant lands, market the lands and solicit funds from local and overseas investors. We make improvements to the lands and sell the lands to developers at a profit. Developers would usually purchase, develop, and sell the products built onto the lands.
3. Between around 2012 to 2017, A2A Capital Management Inc worked with legal counsels to create Exempt Market offerings to be distributed through Exempt Market Dealers and their Dealer representatives. Syndications stopped around 2017, at which time I was moved over to the asset management side, focusing on the Canadian Land holdings. This involved mostly general maintenance and administration while still pursuing some planning activities and presenting offers for the purchase of properties so they could be presented to co-owners for their for assessment. In or around 2019 I took on a consulting role to help maintain the properties in good standing for potential sale and/or development.
4. The properties at 8512 6th Line, Essa, Ontario, L0M 1B1 and 8569 5th Line, Essa, Ontario, L0M 1B1 (the “Essa Lands”) were one of such offerings. One of the main attributes is it being directly adjacent to the Urban Boundary. It was indicated by planning consultants and having upcoming Official Plan Reviews and Municipal Comprehensive Reviews for the area, the management believed that there was potential to include the lands in the boundary in due course as the town has very limited places to expand to accommodate its land needs. This has the potential to significantly increase the value of the lands and allow for rezoning. There was, therefore, significant potential for investment into the Essa Lands.
5. The way A2A solicits investment is through two different schemes. The first is via selling UFI (Undivided Fractional Interests) in the properties. Investors would purchase a

-3-

fractional interest of the lands and be registered owners of a fractional interest as tenants in common. This type of investment was provided to offshore investors. The second is through investment into a Limited Partnership which legally owns the land on behalf of beneficiary investors and this type was provided to Canadian investors. The parcel register for the Essa Lands is now shown to me and is attached as **Exhibit A**.

6. As part of the work, the A2A Capital Management Inc. earns commissions. All of the commissions charged by the A2A Capital Management Inc. have been fully disclosed to investors. For example, in the *Confidential Offering Memorandum* dated January 6, 2015 (the "Memorandum"), the following have been disclosed to investors:

FUNDS RAISED UNDER THIS OFFERING ARE PART OF A LARGER OFFERING

The funds that are raised by offering the Units of the Limited Partnership are part of a larger offer of UFI's for the Property. The entire raised is \$20,000,000 which, if fully subscribed, will be broken down as follows:

- (a) 2,300 UFI sold in total for \$20,000,000;*
- (b) Up to 600 UFI to be sold to the Limited Partnership under this Offering at \$5,000 per UFI assuming a Maximum Offering of \$3,000,000. This will represent 26.09% ownership in the Property;*
- (c) 1,700 Offshore UFI will be sold to Offshore Investors at \$10,000 per UFI for a total raise of \$17,000,000;*
- (d) Purchase price of the Property \$4,199,964.23; See Item 2.2 "Our Business – The Property"*
- (e) \$1,150,000 will be allocated to the Concept Planning Fund. If there are any cost savings with regards to the Concept Planning Fund, then these savings shall be paid back to the investors as a return of capital;*

-4-

(f) \$9,068,000 will be allocated for North American and Asian Operating Costs and Offshore Commissions;

(g) \$1,651,574 will be allocated for Marketing Fee's incurred for Strategic Planning, Training and Materials;

(h) \$989,600 Asset Management Fee;

(i) The remainder of the funds raised will be distributed as profits to one or more A2A Group of companies or related entity; and

U) If there are any cost savings in items (f), (g) or (h), then these savings shall be paid to one or more A2A Group of companies or related entity as profit.

The *Confidential Offering Memorandum* dated March 23, 2016 contains similar disclosures.

7. A2A Capital Management Inc. decided to sell its issuance through exempt market dealers and its dealing representatives who, to the best of my understanding, are required to, *inter alia*, complete a Know Your Client (“KYC”) form prior to selling the shares. I note that one of the Applicants, Michael Edwards, is a dealer representative with Pinnacle Wealth Brokers Ltd. which is one of the exempt market dealers. I also note that one of the investors Michael Edwards introduced is a retired 84 year old person and it appears Mr. Edwards may have failed to advise this person about the risks as set out in the Memorandum.
8. Angus A2A Limited Partnership owns 212/2300 Undivided Fractional Interest (“UFI”) of the Property.
9. Angus Manor Park A2A Limited Partnership owns 65/2300 UFIs of the Property.
10. Angus Manor Park A2A Developments Inc., holds 893/2300 shares of the Property.

-5-

11. The remaining of the Essa Lands is held by individual UFI owners who are overseas owners. The individuals offshore investors own 1130/2300 shares of the Essa Lands and they are registered on title as tenants in common owners of those shares.
12. While initial subdivision planning for the Essa Lands transpired, as time moved on there was a strategic shift to adjust focus, and conserve funds, as reports would become outdated, and track and lobby the respective review processes. Due to the extremely slow nature of these processes, it was further stalled for various reasons including, administration changes, the Covid-19 pandemic, and delays in the process as the Ministry of Municipal Affairs and Housing was still consulting on proposed policy changes, among others. Given the extended period, concept planning funds were exhausted, and the property taxes and other planning fees were covered by the A2A management to keep the lands in good standing.
13. Given the delays and circumstances, management has decided that the best course of action in the interests of all the co-owners and its investors would be to sell the Essa Lands. Pursuant to the affidavit of George Chambers, the Essa Lands were under an agreement of purchase and sale solicited through multiple listing with the Real Estate Board for \$14 Million and subject to Buyer's due diligence for a period until around middle of March, 2025; as a result of the pending sale, the UFIs owners who are entitled to vote on the sale, approved almost unanimously consenting to the sale. A copy of the proxies in support is now shown to me and is attached as **Exhibit B**.
14. Under the Deed of Covenant for Angus Manor Park A2A Developments Inc. It is a requirement to present any offer to the co-owners.
15. If the Monitor were to be appointed, it has the ability to significantly affect the third-party buyer who will likely pull out from the deal because, if the order asked for is allowed, there will be a charge on the Property to the level of \$2 million on title. The Buyer is completely at arms-length with the A2A and will not agree to a charge on title.

16. I also confirm that contrary to allegations that I have been avoiding the Monitor, I have been attentively working on this matter since Friday, November 15, 2024 until Wednesday, November 20, 2024. The Monitor first e-mailed me on Tuesday, November 19, 2024 and I responded to the Monitor within approximately one business day. To the best of my knowledge and belief, I have not been contacted prior to that time. The e-mails between the Monitor and I are now shown to me and is attached as **Exhibit C**.

17. I make this affidavit to the best of my knowledge and belief, in support of A2A's motion, and for no other or improper purpose.

Good morning Mr. Abrose:

We have not formally met, but my name is Orest Konowalchuk, with Alvarez & Marsal Canada Inc., who was appointed as the court-Monitor in the A2A Group CCAA proceedings.

Late last week (shortly after the Initial Order was granted), our counsel provided your former counsel, an information request list (see attached), requesting on an urgent basis certain information to assist the Monitor in the performance of its duties. I wanted to make sure you received this information and would be open to having a call to discuss this information request.

Again, there is urgency in obtaining as much information as possible, and in accordance with the CCAA Initial Order.

Kind regards,
Orest
