*Co-Counsel for Debtors and
Debtors in Possession*

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

In re:

CYXTERA TECHNOLOGIES, INC., *et al.*,

Debtors.¹

Chapter 11

Case No. 23-14853 (JKS)

(Jointly Administered)

**DECLARATION OF RONEN BOJMEL IN
SUPPORT OF CONFIRMATION OF THE FOURTH AMENDED JOINT
PLAN OF REORGANIZATION OF CYXTERA TECHNOLOGIES, INC. AND ITS
DEBTOR AFFILIATES PURSUANT TO CHAPTER 11 OF THE BANKRUPTCY CODE**

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <https://www.kcellc.net/cyxtera>. The location of Debtor Cyxtera Technologies, Inc.'s principal place of business and the Debtors' service address in these chapter 11 cases is: 2333 Ponce de Leon Boulevard, Ste. 900, Coral Gables, Florida 33134.

Pursuant to 28 U.S.C. § 1746, I, Ronen Bojmel, hereby declare as follows under penalty of perjury:

1. I am a Senior Managing Director of Guggenheim Securities, LLC (“Guggenheim Securities”), an investment banking firm with principal offices located at 330 Madison Avenue, New York, New York, 10017. Cyxtera Technologies, Inc. and the other above-captioned debtors and debtors in possession (collectively, the “Debtors”) have retained Guggenheim Securities as their investment banker in the above-captioned Chapter 11 Cases.²

2. I submit this declaration (this “Declaration”) in support of confirmation of the *Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 694] (the “Plan”), as amended, supplemented, or otherwise modified from time to time.³ In further support of confirmation of the Plan, the Debtors have filed the *Declaration of Eric Koza In Support of Confirmation of the Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the “Koza Declaration”), and the *Declaration of Roger Meltzer In Support of Confirmation of the Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the “Meltzer Declaration”), each filed contemporaneously herewith.

3. Although Guggenheim Securities is compensated for its work as the Debtors’ investment banker in these Chapter 11 Cases, I am not being compensated separately for this

² On July 17, 2023, the Court entered an order approving the retention of Guggenheim Securities as the Debtors’ investment banker in these Chapter 11 Cases [Docket No. 287].

³ Capitalized terms used but not defined herein have the meanings ascribed to them in the Plan, the *Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 552] (the “Disclosure Statement”), the Koza Declaration, the Meltzer Declaration, or the Purchase Agreement (each as defined herein), as applicable.

Declaration or testimony. Except as otherwise indicated herein, all of the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, the information provided to me by Guggenheim Securities professionals involved in advising the Debtors in these Chapter 11 Cases, or information provided to me by the Debtors. If called upon to testify, I could and would testify to the facts set forth herein on that basis. I am over the age of 18 years and am authorized to submit this Declaration.

Qualifications

4. I have more than 25 years of experience, including restructuring-related investment banking experience, handling complex financial and other restructuring matters for a variety of companies (distressed or otherwise, both in and out of court), in a wide spectrum of industries. My areas of expertise include, among other things, (a) advising on financial restructuring execution and strategies, (b) analyzing business plans and related financial projections, (c) developing views on valuations based on practices widely used in the investment banking industry, (d) sizing, structuring, raising, and executing all aspects of financing transactions, including debtor-in-possession and exit financings, and (e) M&A and sale marketing processes.

5. I co-head Guggenheim Securities' investment banking restructuring practice and have been employed at Guggenheim Securities since October 2012. Before joining Guggenheim Securities, I was a Managing Director at Miller Buckfire & Co. for six years, and prior to joining Miller Buckfire & Co., I was a Vice President in the financial restructuring group at Dresdner Kleinwort Wasserstein and its predecessor, Wasserstein Perella.

The Retention of Guggenheim Securities

6. Guggenheim Securities has been engaged as investment banker to the Debtors, and members of my team and I have been working closely with the Debtors, since December 2022. Since being engaged by the Debtors, Guggenheim Securities has rendered investment banking advisory services to the Debtors in connection with the Debtors' evaluation of financing and strategic alternatives in light of their financial position. Additionally, Guggenheim Securities has worked with the Debtors' management and other professionals retained by the Debtors, and has become familiar with the Debtors' capital structure, financial condition, liquidity needs, and business operations.

The Debtors' Marketing Process and Proposed Asset Sale

7. On March 27, 2023, the Debtors, with the assistance of Guggenheim Securities, launched a marketing process to engage third parties concerning a significant investment in or purchase of some or substantially all of the assets and/or equity interests in the Debtors (the "Prepetition Marketing Process"). In the months that followed, and prior to the Petition Date, approximately seventy-five (75) potential financial and strategic partners were contacted to solicit interest in acquiring some or substantially all of the assets and/or interests in the Debtors outside of chapter 11 or structuring a sale or other investment in the Debtors through a chapter 11 plan. As discussed in the Koza Declaration, in parallel with the Prepetition Marketing Process, the Debtors engaged with the Ad Hoc Group to chart a potential value-maximizing path forward. As further described in the Koza Declaration, on May 4, 2023, the Debtors, the Ad Hoc Group, and the Consenting Sponsors entered into a Restructuring Support Agreement that contemplated a dual-track process whereby the Debtors could continue their Prepetition Marketing Process, following the Petition Date, to facilitate discussions with interested parties regarding a potential sale transaction (the "Marketing Process" and together

with the Prepetition Marketing Process, the “Marketing Processes”), while simultaneously pursuing confirmation of a Recapitalization Transaction.

8. As noted in the Disclosure Statement, to facilitate the Marketing Process, the Debtors filed a motion to establish procedures to govern a marketing and auction process designed with the intent to maximize the value for the Debtors’ existing assets and/or equity, by, among other things, allowing the Debtors a reasonable amount of time to solicit, evaluate, and potentially identify a more value-maximizing transaction than the Recapitalization Transaction under the Plan. The Court approved that motion on June 29, 2023, through the *Order (I) Approving the Bidding Procedures and Auction, (II) Approving Stalking Horse Bid Protections, (III) Scheduling Bid Deadlines and an Auction, (IV) Approving the Form and Manner of Notice Thereof, and (V) Granting Related Relief* [Docket No. 180] (the “Bidding Procedures Order”). Throughout the Marketing Processes and pursuant to the terms of the Bidding Procedures, the Debtors, with the assistance of Guggenheim Securities, contacted and engaged in discussions with numerous potential counterparties, including certain of the Debtors’ existing strategic partners, as well as other potential third-party investors. In total, the Debtors, with the assistance of the Guggenheim Securities, engaged with approximately eighty-eight (88) potential financial and strategic partners and executed approximately forty-five (45) non-disclosure agreements. The parties that executed such non-disclosure agreements were provided access to a virtual data room containing significant diligence materials, as well as, with respect to certain of these parties, through numerous calls and in-person meetings, access to the Debtors’ management and their advisors. Ultimately, the Debtors received non-binding written whole-company proposals from seven (7) parties.

9. Following the receipt of the non-binding written proposals, the Debtors continued to engage with multiple interested parties, including with Phoenix Data Center Holdings LLC (the “Purchaser”), an affiliate of Brookfield Infrastructure Partners L.P. (together as “Brookfield”). As described in the Disclosure Statement, as the Marketing Process progressed, the Debtors, in consultation with the Ad Hoc Group and the official committee of unsecured creditors (the “Committee”), determined that the interest in the Debtors’ assets and/or equity interests warranted an extension of the sale schedule. To that end, the Debtors extended certain deadlines, so as to provide the Debtors with additional time to complete their Marketing Process, to receive and evaluate bids, and, if necessary, to hold an Auction to determine the highest and best bid for some or substantially all of the Debtors’ assets and/or equity interests in Reorganized Cyxtera.

10. As the final bid deadline approached, the Debtors received multiple bids from various third parties; however, the Debtors determined that none of these bids constituted a Qualified Bid. On August 29, 2023, the Debtors filed the *Notice of Cancellation of Auction* [Docket No. 472] notifying parties-in-interest that the Debtors, in accordance with the Bidding Procedures Order and in consultation with the Ad Hoc Group and the Committee, had cancelled the Auction scheduled to occur on August 30, 2023. However, as stated in the Disclosure Statement, the Debtors, with the assistance of their advisors, continued to engage in arm’s-length negotiations with certain bidders (including Brookfield) and their respective advisors to try to enhance their respective proposals.

11. As noted in the Disclosure Statement, notwithstanding the foregoing negotiations, the Debtors maintained their toggle feature under the Plan, which provided that the Debtors would pursue the Recapitalization Transaction unless a more value-maximizing Sale Transaction

materialized with a third party prior to the Sale Transaction Notice Deadline. Specifically, if a higher or otherwise better Sale Transaction materialized prior to the Sale Transaction Notice Deadline, the Plan provided that the Debtors could “toggle” to a Sale Transaction.

The Brookfield Transaction

12. Shortly after solicitation on the Plan commenced, Brookfield and the Debtors came to an agreement in principle on the framework of an Asset Sale transaction. The Debtors then spent the next few weeks negotiating and finalizing an asset purchase agreement memorializing the terms of the asset sale transaction with Brookfield prior to the Sale Transaction Notice Deadline.

13. On November 1, 2023, the Debtors filed a *Notice of Sale Transaction* (the “Sale Notice”) [Docket No. 648] in which the Debtors announced that they had reached an agreement on the terms of the Asset Sale (the “Purchase Agreement”) with the Purchaser, and that, with the consent of the Required Consenting Lenders, they had “toggled” to an Asset Sale under the Plan (the “Brookfield Transaction”). As further described in the Sale Notice, pursuant to the Purchase Agreement, the Purchaser will, among other things, purchase substantially all of the Debtors’ assets in exchange for \$775 million in cash, subject to certain adjustments (the “Asset Sale”). Also, as noted in the Sale Notice, as a result of the Brookfield Transaction, the Debtors estimate that recoveries for Holders of First Lien Claims will be approximately 67.6 percent on account of their First Lien Claims.

14. Further, as noted on Exhibit C to the *Notice of Filing Plan Supplement for the Third Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 650], the Debtors intend to assume and assign certain contracts and leases to the Purchaser in accordance with the

Purchase Agreement. Based on my participation in negotiations regarding the Brookfield Transaction, I believe that the assumption and assignment of these contracts and leases were required by the Purchaser and are an integral component of the Asset Sale and the Purchase Agreement.

15. Additionally, as noted in the *Debtors' Memorandum of Law in Support of the Debtors' Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates pursuant to Chapter 11 of the Bankruptcy Code* (the "Confirmation Brief"), filed contemporaneously herewith, I understand that the Brookfield Transaction is premised on several separate transactions that will allow Brookfield to purchase certain of the Debtors' formerly leased properties. As noted in the Confirmation Brief, I understand that, as a result of these separate transactions, the Debtors' business will emerge from chapter 11 with reduced long-term lease liabilities without the Debtors having to reject those leases.

16. I believe, based on my involvement in connection with the Marketing Processes and my experience as a restructuring investment banker, that the Debtors' Marketing Process provided the Debtors with a reasonable amount of time to solicit and potentially identify and select a higher or otherwise better transaction than the Recapitalization Transaction and, similarly, afforded interested parties a reasonable opportunity to conduct due diligence prior to submitting their proposals or bids. The foregoing view is informed by the duration and scope of the Marketing Processes described above, the due diligence conducted by potential interested parties, the feedback obtained from the parties solicited, as well as from the parties who submitted proposals or competing bids and with whom the Debtors engaged in ensuing negotiations, and the circumstances described herein and in the Disclosure Statement.

17. I understand that the Debtors' Special Committee has determined that the Brookfield Transaction is more value-maximizing than the Recapitalization Transaction. Moreover, I am not presently aware of any other bidder having submitted a bid deemed by the Debtors to be higher or otherwise better, or more viable, than the Brookfield Transaction. In light of this, the duration and scope of the Marketing Processes described above, the due diligence conducted by potential interested parties, the feedback obtained from the parties solicited, as well as from the parties who submitted proposals or bids and with whom the Debtors engaged in ensuing negotiations, and the circumstances described herein and in the Disclosure Statement, it is my view that the Brookfield Transaction is the highest or otherwise best sale transaction presently available to the Debtors under the circumstances of these Chapter 11 Cases.

18. Finally, I assisted the Debtors, along with the Debtors' other advisors, with the negotiation of the key economic terms of the Brookfield Transaction. Based on my observation of and participation in those discussions, the negotiations, in my view, were conducted in good faith and on an arm's length basis. During these discussions, I did not observe conduct that would indicate collusive or otherwise improper activity by Brookfield.

The Plan Supplement complies with the terms of the Plan, and the Debtors provided good and proper notice of the filings in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Disclosure Statement Order, and the facts and circumstances of the Chapter 11 Cases. No other or further notice is or will be required with respect to the Plan Supplement. All documents included in the Plan Supplement (including, but not limited to, Exhibit C thereof) are integral to, part of, and incorporated by reference into the Plan. Subject to the terms of the Plan and the consent rights set forth therein and in the other Definitive Documents, including the Purchase Agreement, the Debtors reserve the right to alter, amend, update, or modify the Plan Supplement before the Effective Date, subject to compliance with the Bankruptcy Code and the Bankruptcy Rules; *provided* that no such alteration, amendment, update, or modification shall be inconsistent with the terms of this Confirmation Order or the Plan.

H. Modifications to the Plan.

7. Pursuant to section 1127 of the Bankruptcy Code, any modifications to the Plan since the commencement of Solicitation described or set forth herein constitute technical changes or changes with respect to particular Claims or Interests made pursuant to the agreement

of the Holders of such Claims or Interests and do not materially and adversely affect the treatment of any Claims or Interests. Pursuant to Bankruptcy Rule 3019, these modifications do not require additional disclosure under section 1125 of the Bankruptcy Code or the re-solicitation of votes under section 1126 of the Bankruptcy Code, nor do they require that the Holders of Claims be afforded an opportunity to change previously cast acceptances or rejections of the Plan.

8. This Confirmation Order contains modifications to the Plan that were made to address objections and informal comments received from parties in interest. Modifications to the Plan since entry of the Disclosure Statement Order, if any, are consistent with the provisions of the Bankruptcy Code. The disclosure of any Plan modifications prior to or on the record at the Confirmation Hearing constitutes due and sufficient notice of any and all Plan modifications. The Plan as modified shall constitute the Plan submitted for Confirmation.

I. Objections Overruled.

9. Any resolution or disposition of objections to Confirmation explained or otherwise ruled upon by the Court on the record at the Confirmation Hearing is and/or are hereby incorporated by reference. All unresolved objections, statements, and reservations of rights are hereby overruled on the merits.

J. Disclosure Statement Order.

10. On September 26, 2023, the Court entered the Disclosure Statement Order [Docket No. 563], which, among other things, fixed October 26, 2023, at 4:00 p.m. (prevailing Eastern Time) as the Objection Deadline and the Voting Deadline and fixed November 6, 2023,

at 10:00 a.m. (prevailing Eastern Time) as the date and time for the Confirmation Hearing. The Debtors' use of the Disclosure Statement to solicit votes to accept or reject the Plan was authorized by the Disclosure Statement Order. On October 19, 2023, the Debtors amended the confirmation schedule in the Disclosure Statement, by filing the Notice of Amended Timeline, including by extending the Objection Deadline and the Voting Deadline to November 2, 2023, at 4:00 p.m. (prevailing Eastern Time) and fixing November 16, at 2:00 p.m. (prevailing Eastern Time) as the date and time for the Confirmation Hearing. On October 26, 2023, the Debtors again amended the confirmation schedule in the Disclosure Statement, by filing the Second Notice of Amended Timeline, including by extending the Objection Deadline and the Voting Deadline to November 6, 2023. On October 30, 2023, the Debtors once again amended the confirmation schedule in the Disclosure Statement, by filing the Third Notice of Amended Timeline, including by extending the Objection Deadline and the Voting Deadline to November 7, 2023.³

K. Notice.

11. As evidenced by the Solicitation Certificate, the Publication Affidavits, the Sale Transaction Notice Certificate, and the Voting Report, the Debtors provided due, adequate, and sufficient notice of the Petition Date, the Plan, the Disclosure Statement, the Disclosure Statement Order, the Solicitation Packages, the Sale Transaction Notice, the Confirmation Hearing Notice, the Plan Supplement, and all the other materials that the Debtors distributed in

connection with the Confirmation of the Plan are in compliance with the Bankruptcy Rules, including Bankruptcy Rules 2002(b), 3017, 3019, and 3020(b), the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”), and the procedures set forth in the Disclosure Statement Order. The Debtors provided due, adequate, and sufficient notice of the Voting Deadline and Objection Deadline, the Confirmation Hearing (as may be continued from time to time), and any applicable bar dates and hearings described in the Disclosure Statement Order in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and the Disclosure Statement Order. No other or further notice is or shall be required.

L. Solicitation.

12. The Debtors solicited votes for acceptance and rejection of the Plan in good faith, and the Solicitation Packages provided the opportunity for voting creditors to opt out of the releases. Such solicitation complied with sections 1125 and 1126 and all other applicable sections of the Bankruptcy Code, rules 3017, 3018, and 3019 of the Bankruptcy Rules, the Disclosure Statement Order, the Local Rules, and all other applicable rules, laws, and regulations.

13. The period during which the Debtors solicited acceptances of or rejections to the Plan was a reasonable and sufficient period of time for each holder in the Voting Classes to make an informed decision to accept or reject the Plan.

M. Service of Opt-Out Form.

14. The process described in the Voting Report that the Debtors and the Claims and Noticing Agent followed to identify the relevant parties on which to serve the applicable Ballot

or Notice of Non-Voting Status and Opt Out Form (each as defined in the Solicitation and Voting Procedures) and to distribute the Notice of Non-Voting Status and Opt Out Forms (i) is consistent with the industry standard and (ii) was reasonably calculated to ensure that each Holder of Claims and Interests in each Class was informed of its ability to opt out of the Third-Party Release and the consequences for failing timely to do so. For the avoidance of doubt, any party that elected in the Notice of Non-Voting Status and Opt Out Form to opt out of the Third-Party Release and timely submitted such election to the Claims and Noticing Agent in accordance with the applicable Solicitation Packages prior to any deadline to submit a Ballot, whether under any original or extended deadline, shall be neither a Released Party nor a Releasing Party under the Plan.

N. Voting Report.

15. Before the Confirmation Hearing, the Debtors filed the Voting Report. The Voting Report was admitted into evidence during the Confirmation Hearing. The procedures used to tabulate ballots were fair and conducted in accordance with the Disclosure Statement Order, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and all other applicable rules, laws, and regulations.

16. As set forth in the Plan, Holders of Claims in Class 3 and Class 4 (collectively, the “Voting Classes”) were eligible to vote on the Plan in accordance with the Solicitation and Voting Procedures. Holders of Claims in Class 1 and Class 2 (collectively, the “Deemed Accepting Classes”) are Unimpaired and conclusively presumed to accept the Plan and, therefore, did not vote to accept or reject the Plan. Holders of Claims in Class 6 and Holders of

Interests in Class 7 are either Unimpaired and conclusively presumed to have accepted the Plan or Impaired and conclusively deemed to reject the Plan and, therefore, are not entitled to vote to accept or reject the Plan. Holders of Claims in Class 5 and Holders of Interests in Class 8 (collectively, the “Deemed Rejecting Classes”) are Impaired and entitled to no recovery under the Plan and are, therefore, deemed to have rejected the Plan.

17. As evidenced by the Voting Report, Class 3 and Class 4 each voted to accept the Plan in accordance with section 1126 of the Bankruptcy Code.

O. Bankruptcy Rule 3016.

18. The Plan and all modifications thereto were dated and identified the entities submitting such modification, thus satisfying Bankruptcy Rule 3016(a). The Debtors appropriately filed the Disclosure Statement and the Plan with the Court, thereby satisfying Bankruptcy Rule 3016(b). The injunction, release, and exculpation provisions in the Disclosure Statement and the Plan describe, in bold font and with specific and conspicuous language, all acts to be enjoined, released, and exculpated and identify the entities that will be subject to the injunction, releases, and exculpations, thereby satisfying Bankruptcy Rule 3016(c).

P. Burden of Proof.

19. The Debtors, as proponents of the Plan, have met their burden of proving the elements of sections 1129(a) and 1129(b) of the Bankruptcy Code by a preponderance of the evidence, the applicable evidentiary standard for Confirmation. Further, the Debtors have proven the elements of sections 1129(a) and 1129(b) by clear and convincing evidence. Each witness who testified on behalf of the Debtors in connection with Confirmation, including those

who testified via written declaration, was credible, reliable, and qualified to testify as to the topics addressed in his or her testimony.

Q. Compliance with the Requirements of Section 1129 of the Bankruptcy Code.

20. The Plan complies with all applicable provisions of section 1129 of the Bankruptcy Code as follows:

a. Section 1129(a)(1)—Compliance of the Plan with Applicable Provisions of the Bankruptcy Code.

21. The Plan complies with all applicable provisions of the Bankruptcy Code, including sections 1122 and 1123, as required by section 1129(a)(1) of the Bankruptcy Code.

i. Sections 1122 and 1123(a)(1)—Proper Classification.

22. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. In accordance with sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, Article III of the Plan provides for the separate classification of Claims and Interests into eight different Classes based on differences in the legal nature or priority of such Claims and Interests (other than Administrative Claims, DIP Claims, Professional Fee Claims, Priority Tax Claims, Restructuring Expenses, and Receivables Program Claims, which are addressed in Article II of the Plan and are not required to be designated as separate Classes by section 1123(a)(1) of the Bankruptcy Code). Valid business, factual, and legal reasons exist for the separate classification of such Claims and Interests, and such classifications were not implemented for any improper purpose and do not unfairly discriminate between or among Holders of Claims and Interests.

23. In accordance with section 1122(a) of the Bankruptcy Code, each Class of Claims or Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class. Accordingly, the Plan satisfies the requirements of sections 1122(a) and 1123(a)(1) of the Bankruptcy Code.

ii. Section 1123(a)(2)—Specification of Unimpaired Classes.

24. Article III of the Plan specifies that Claims and Interests, as applicable, in Classes 1 and 2 are Unimpaired under the Plan, within the meaning of section 1124 of the Bankruptcy Code. Holders of Claims in Class 6 and Holders of Interests in Class 7 are either Unimpaired and conclusively presumed to have accepted the Plan or are Impaired and deemed to reject the Plan and, in either event, are not entitled to vote to accept or reject the Plan. Additionally, Article II of the Plan specifies that, although not classified under the Plan, Administrative Claims, DIP Claims, Professional Fee Claims, Priority Tax Claims, Restructuring Expenses, and Receivables Program Claims will be paid in full or otherwise unimpaired in accordance with the terms of the Plan. Accordingly, the Plan satisfies the requirements of section 1123(a)(2) of the Bankruptcy Code.

iii. Section 1123(a)(3)—Specification of Treatment of Impaired Classes.

25. Article III of the Plan specifies that Claims and Interests, as applicable, in Classes 3, 4, 5, and 8 are Impaired under the Plan, within the meaning of section 1124 of the Bankruptcy Code, and describes the treatment of such Classes under the Plan. Accordingly, the Plan satisfies the requirements of section 1123(a)(3) of the Bankruptcy Code.

iv. Section 1123(a)(4)—No Discrimination.

26. Article III of the Plan provides for the same treatment to each Claim or Interest in each respective Class, unless the Holder of a particular Claim or Interest has agreed to a less favorable treatment with respect to such Claim or Interest. Accordingly, the Plan satisfies the requirements of section 1123(a)(4) of the Bankruptcy Code.

v. Section 1123(a)(5)—Adequate Means for the Plan’s Implementation.

27. The Plan and the various documents included in the Plan Supplement provide adequate and proper means for the Plan’s execution and implementation, including: (i) the good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan; (ii) authorization for the Debtors and the Purchaser or a Designee to take all actions necessary to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan, including any restructuring transaction steps set forth in the Plan Supplement; (iii) the funding and sources of consideration for the Plan distributions; (iv) preservation of the Debtors’ corporate existence following the Effective Date (except as otherwise provided in the Plan); (v) the vesting of the Estates’ assets in the respective Post-Effective Date Debtors; (vi) the cancellation of existing agreements and Interests; (vii) the effectuation and implementation of other documents and agreements contemplated by, or necessary to effectuate, the Asset Sale and other transactions contemplated by the Plan; (viii) the assumption of certain employment obligations; (ix) the preservation of certain Claims and Causes of Action not released pursuant to the Plan; (x) the closing of certain of the Chapter 11 Cases; (xi) consummation of the Sale Transaction and entry into and performance under the Purchase Agreement and related

documents; (xii) appointment of the Plan Administrator; (xiii) winding down of the Debtors' estates following consummation of the Asset Sale; (xiv) creation of the GUC Trust and entry into and performance under the GUC Trust Agreement; and (xv) preservation of the D&O Liability Insurance Policies. Accordingly, the Plan satisfies the requirements of section 1123(a)(5) of the Bankruptcy Code.

vi. Section 1123(a)(6)—Non-Voting Equity Securities.

28. The Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code because it does not provide for the issuance of new equity interests. Art. IV.C.4. To the extent the beneficial interests in the GUC Trust are deemed to be "securities" as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and applicable state securities laws, the beneficial interests shall not be non-voting equity securities. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

vii. Section 1123(a)(7)—Directors, Officers, and Trustees.

29. The Plan satisfies the requirements of section 1123(a)(7) of the Bankruptcy Code. Article IV.I of the Plan discharges all of the Debtors' directors from their duties effective as of the Effective Date without any further action. In addition, Article IV.D.4 of the Plan provides that, on the Effective Date, the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The manner for selection of the Plan Administrator is set forth in the Plan and Plan Supplement. The selection of Eugene Davis as the Plan Administrator complies with the Plan and is consistent with the interests of

Holders of Claims and Interests and public policy. Accordingly, the Plan satisfies the requirements of section 1123(a)(7) of the Bankruptcy Code.

b. Section 1123(b)—Discretionary Contents of the Plan.

30. The Plan's discretionary provisions comply with section 1123(b) of the Bankruptcy Code and are not inconsistent with the applicable provisions of the Bankruptcy Code. Thus, the Plan satisfies section 1123(b).

i. Impairment/Unimpairment of Any Class of Claims or Interests.

31. Pursuant to the Plan, Article III of the Plan impairs or leaves unimpaired, as the case may be, each Class of Claims and Interests, as contemplated by section 1123(b)(1) of the Bankruptcy Code.

ii. Assumption and Rejection of Executory Contracts and Unexpired Leases.

32. Article V of the Plan provides that pursuant to sections 365 and 1123 of the Bankruptcy Code, each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall be (i) assumed or assumed and assigned to the Purchaser or a Designee⁴ in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (ii) assumed and assigned to the Purchaser or a Designee in accordance with the Purchase Agreement if it is not

⁴ “Designee” means any Person (as defined in the Purchase Agreement) that is properly designated by Purchaser in accordance with Section 1.7 of the Purchase Agreement, which, for the avoidance of doubt, will include certain affiliates of Digital Realty Trust, Inc. Digital Singapore Jurong East Pte. Ltd. is a Designee with respect to the Singapore Transaction (as defined in the Purchase Agreement). InterXion Deutschland GmbH and Digital Greenfield B.V. are Designees with respect to the Germany Transaction (as defined in the Purchase Agreement). In the event the parties exercise their option to pursue the UK Transaction, Purchaser may further designate an affiliate of Digital Realty Trust, Inc. as a Designee for the UK Transaction.

listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (iii) rejected if it is (a) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (b) not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to affiliates or Designees.

33. Article V.D of the Plan provides that, unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection (an “Executory Contract Objection”) filed by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or assumption and assignment, including pursuant to the Plan, or related Cure amount must be Filed, served, and actually received by counsel to the Debtors and the U.S. Trustee by the applicable Assumption or Rejection Objection Deadline, or any other deadline that may be set by the Court.

Caption of Order: Findings of Fact, Conclusions of Law, and Order Confirming the Fourth Amended Joint Chapter 11 Plan of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code

34. The Debtors' determinations regarding the assumption and rejection of Executory Contracts and Unexpired Leases are based on and within the sound business judgment of the Debtors, are necessary to the implementation of the Plan, and are in the best interests of the Debtors, their Estates, Holders of Claims, and other parties in interest in these Chapter 11 Cases.

iii. Compromise and Settlement.

35. In accordance with section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the distributions and other benefits provided under the Plan and with the support of the various creditors, stakeholders, and other parties in interest, including the Committee, the provisions of the Plan constitute a good-faith compromise of all Claims, Interests, Causes of Action, as applicable, and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan. Those settlements and compromises are fair, equitable, and reasonable and approved as being in the best interests of the Debtors and their Estates.

iv. Debtor Release.

36. In accordance with section 1123(b)(3)(A) of the Bankruptcy Code, the releases of claims and Causes of Action by the Debtors described in Article VIII.C of the Plan (the "Debtor Release") represent a valid exercise of the Debtors' business judgment under Bankruptcy Rule 9019. The Debtors' pursuit of any such claims against the Released Parties is not in the best interests of the Estates' various constituencies because the costs involved would likely outweigh any potential benefit from pursuing such claims. The Debtor Release is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests.

37. Creditors in Class 3 and Class 4 have voted in favor of the Plan, including the Debtor Release. The Plan, including the Debtor Release, was negotiated at arm's-length and in good faith by sophisticated parties represented by able counsel and financial advisors. Therefore, the Debtor Release is the result of an arm's-length negotiation process.

38. The Debtor Release appropriately offers protection to parties that participated in the Debtors' restructuring process. Specifically, the Released Parties under the Plan—including (i) each Debtor; (ii) each Post-Effective Date Debtor; (iii) each Consenting Stakeholder; (iv) each Releasing Party; (v) each Agent; (vi) each DIP Lender; (vii) the Purchaser; (viii) the Committee and each member of the Committee; (ix) each current and former Affiliate of each Entity in clause (i) through the following clause (x); (x) each Related Party of each Entity in clause (i) through this clause (x)—made significant concessions and contributions to the Debtors' Chapter 11 Cases, including, as applicable, (i) negotiating and actively supporting the Plan and the Chapter 11 Cases, (ii) providing necessary liquidity for the Debtors during the Chapter 11 Cases, (iii) settling and compromising substantial rights and claims against the Debtors under the Plan, and (iv) proposing, negotiating in good faith, and ultimately consummating the value-maximizing Sale Transaction contemplated by the Plan and the Purchase Agreement for the benefit of the Debtors, their Estates, and all parties in interest.

39. The scope of the Debtor Release is appropriately tailored under the facts and circumstances of the Chapter 11 Cases. The Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the

(Page | 24)

Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors the Post-Effective Date Debtors, or the Debtors' Estates asserting any Claim or Cause of Action released pursuant to the Debtor Release. In addition, the Special Committee conducted an independent investigation into certain historical transactions and determined that the Debtors did not have any colorable claims or causes of action that it would be in the best interests of the Debtors or their Estates to pursue. In light of, among other things, the value provided by the Released Parties to the Debtors' Estates and the critical nature of the Debtor Release to the Plan, the Debtor Release is approved.

v. Release by Holders of Claims and Interests.

40. The release by the Releasing Parties (the "Third-Party Release"), set forth in Article VIII.D of the Plan, is an essential provision of the Plan. The Third-Party Release was critical in incentivizing the Released Parties to support the Plan and preventing potentially significant and time-consuming litigation regarding the parties' respective rights and interests. The Third-Party Release is: (i) consensual, (ii) in exchange for the good and valuable consideration provided by the Released Parties, (iii) a good-faith settlement and compromise of the claims and Causes of Action released by the Third-Party Release, (iv) in the best interests of the Debtors, their Estates, and their stakeholders and is important to the overall objectives of the Plan to finally resolve certain Claims among or against certain parties in interest in the Chapter 11 Cases, (v) fair, equitable, and reasonable, (vi) given and made after due notice and opportunity for hearing, (vii) a bar to any of the Releasing Parties asserting any claim or Cause of

Action released by the Third-Party Release against any of the Released Parties, and (viii) consistent with sections 105, 524, 1123, 1129, and 1141 and other applicable provisions of the Bankruptcy Code.

41. The Third-Party Release is consensual because: (i) the Releasing Parties were provided adequate notice of the chapter 11 proceedings, the Plan, and the deadline to object to confirmation of the Plan; (ii) except for Holders of Claims that vote to accept the Plan, all Holders of Claims or Interests were given the opportunity to opt out of the Third-Party Release; and (iii) the release provisions of the Plan were conspicuous, emphasized with boldface type in the Plan, the Disclosure Statement, and the Ballots. Among other things, the Plan provides appropriate and specific disclosure with respect to the claims and Causes of Action that are subject to the Third-Party Release, and no other disclosure is necessary. The Debtors, as evidenced by the Solicitation Certificate, sent the Confirmation Hearing Notice to Holders of Claims, sent notice of the Third-Party Release to the Holders of Claims and Interests, and published such notice in the New York Times and Financial Times on October 2, 2023, and October 3, 2023, respectively. No other notice is necessary.

42. There is an identity of interests between the Debtors and the entities that will benefit from the Third-Party Release. Each of the Released Parties, as stakeholders and critical participants in the Debtors' Chapter 11 Cases and the Plan process, share a common goal with the Debtors in seeing the Plan, including the Sale Transaction, succeed. The scope of the Third-Party Release is also appropriately tailored to the facts and circumstances of the Chapter

11 Cases. For the reasons set forth above, each of the Released Parties has also made significant concessions and contributions to the Debtors' Chapter 11 Cases.

43. In light of the foregoing, the Third-Party Release is approved in its entirety.

vi. Exculpation.

44. The exculpation provisions set forth in Article VIII.E of the Plan are essential to the Plan. The record in the Chapter 11 Cases fully supports the exculpation and the exculpation provisions set forth in Article VIII.E of the Plan, which are appropriately tailored to protect the Exculpated Parties from unnecessary litigation and contain appropriate carve outs for actual fraud, willful misconduct, or gross negligence.

vii. Injunction.

45. The injunction provisions set forth in Article VIII.F of the Plan are essential to the Plan and are necessary to implement the Plan and to preserve and enforce the Sale Transaction, the transfer of the Acquired Assets to the Purchaser or a Designee free and clear of all claims and interests, the discharge, the Debtor Release, the Third-Party Release, and the exculpation provisions in Article VIII of the Plan. Such injunction provisions are appropriately tailored to achieve those purposes.

viii. Gatekeeper Provision.

46. Article VIII.F of the Plan, as modified by paragraph 44 of section II hereof, contains a provision that states no Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that is subject to, or is reasonably likely to be

subject to, Article VIII.C, Article VIII.D, or Article VIII.E of the Plan, without the Bankruptcy Court first determining that such Claim or Cause of Action was not subject to Article VIII.C, Article VIII.D, or Article VIII.E of the Plan and specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party (the “Gatekeeper Provision”). The Bankruptcy Court shall have sole and exclusive jurisdiction to determine whether a claim or Cause of Action constitutes a direct or derivative claim, is colorable and, only to the extent legally permissible and as provided for in the Plan, shall have jurisdiction to adjudicate the underlying Claim or Cause of Action. The Bankruptcy Court finds that the gatekeeper Provision is a material and necessary term of the Plan. The Bankruptcy Court admitted the testimony of Roger Meltzer, independent director and member of the special committee of the board of directors of Debtor Cyxtera Technologies, Inc., regarding his investigation into potential claims and causes of actions against the Debtors’ Related Parties. Mr. Meltzer credibly provided that, were it not for the inclusion of the Gatekeeper Provision in the Plan, the Debtors or other Released Parties, including the Purchaser, may be bogged down in vexatious, meritless litigation, thereby jeopardizing the consensual Debtor Release and Third-Party Release. Based on the foregoing, the Bankruptcy Court finds that the Gatekeeper Provision is necessary, appropriate, and critical to the effective and efficient administration, implementation, and consummation of the Plan.

ix. Preservation of Causes of Action.

47. Article IV.E of the Plan appropriately provides for the preservation by the Debtors of certain Causes of Action in accordance with section 1123(b)(3)(B) of the Bankruptcy Code.

48. The Plan provides that all Causes of Action, other than the Causes of Action (i) acquired by the Purchaser or a Designee in accordance with the Purchase Agreement or (ii) released or exculpated (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, shall automatically vest in the Post-Effective Date Debtors. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. Additionally, the Plan and Plan Supplement provide meaningful disclosure with respect to the potential Causes of Action that the Post-Effective Date Debtors and/or Plan Administrator may retain, and all parties in interest received adequate notice with respect to such Causes of Action. The provisions regarding Causes of Action in the Plan are appropriate and in the best interests of the Debtors, their respective Estates, and Holders of Claims and Interests.

x. Sale Transaction.

49. The Plan appropriately provides for the consummation of the Sale Transaction pursuant to the Purchase Agreement and in accordance with section 1123(b)(4) of the Bankruptcy Code. The Plan further provides for the distribution of the proceeds of the Sale Transaction to Holders of Claims and Interests in accordance with the Plan.

xi. Lien Releases.

50. Except as otherwise provided herein, the Plan, the Purchase Agreement, or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim or any related claim that may be asserted against a non-Debtor Affiliate, in satisfaction in full of the portion of the Secured Claim that is allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 of the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates or any non-Debtor Affiliate shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Post-Effective Date Debtors and their successors and assigns, as set forth in Article VIII.B of the Plan (the “Lien Releases”). For the avoidance of doubt, any liens, claims, and encumbrances arising under the First Lien Credit Documents or the DIP Documents that may be asserted against a non-Debtor Affiliate shall be fully released and discharged on the Effective Date. The provisions of the Lien Releases are appropriate, fair, equitable, and reasonable and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests.

xii. Additional Plan Provisions.

51. The other discretionary provisions in the Plan, including the Plan Supplement, are appropriate and consistent with applicable provisions of the Bankruptcy Code, including, without

limitation, provisions for the allowance of certain Claims and Interests, treatment of D&O Liability Insurance Policies, and the retention of court jurisdiction.

c. Section 1123(d)—Cure of Defaults.

52. Article V.D of the Plan provides for the satisfaction of all Cures under each Executory Contract and Unexpired Lease to be assumed in accordance with sections 365(b)(1) and 1123(b)(2) of the Bankruptcy Code. Any monetary or non-monetary defaults under each assumed Executory Contract or Unexpired Lease shall be satisfied, pursuant to sections 365(b)(1) and 1123(b)(2) of the Bankruptcy Code, by payment of the Cures in Cash, subject to the limitations described in Article V.D of the Plan, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. Any dispute regarding a Cure, the ability of the Post-Effective Date Debtors, the Purchaser, a Designee, or any assignee, as applicable, to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, assumed and assigned, or assigned, as applicable, or any other matter pertaining to assumption, assumption and assignment, or assignment, as applicable, will be determined in accordance with the terms set forth in Article V.D of the Plan and applicable bankruptcy and non-bankruptcy law. As such, the Plan provides that the Debtors will cure or provide adequate assurance that the Debtors will promptly cure defaults with respect to assumed Executory Contracts and Unexpired Leases in accordance with sections 365(b)(1) and 1123(b)(2) of the Bankruptcy Code. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

53. For the avoidance of doubt, the Purchaser or a Designee shall not have any obligation with respect to any Cure, and the Debtors or the Post-Effective Date Debtors, as applicable, shall pay any Cure as may be determined by Final Order or as otherwise agreed to by the relevant counterparty. To the extent any Cure dispute arises after the Effective Date with respect to an Executory Contract or Unexpired Lease assumed and assigned to the Purchaser or a Designee, the resolution of such Cure dispute shall be the sole responsibility of the Debtors or the Post-Effective Date Debtors, and neither the Purchaser nor the Designee, as applicable, shall have any liability in connection therewith.

d. Section 1129(a)(2)—Compliance of the Debtors and Others with the Applicable Provisions of the Bankruptcy Code.

54. The Debtors, as proponents of the Plan, have complied with the applicable provisions of the Bankruptcy Code, and, thus, satisfied the requirements of section 1129(a)(2) of the Bankruptcy Code. Specifically, each Debtor:

- (i) is eligible to be a debtor under section 109, and a proper proponent of the Plan under section 1121(a), of the Bankruptcy Code;
- (ii) has complied with the applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of the Court; and
- (iii) complied with the applicable provisions of the Bankruptcy Code, including sections 1125 and 1126 thereof, the Bankruptcy Rules, the Local Rules, any applicable non-bankruptcy law, rule, and regulation, the Disclosure Statement Order, and all other applicable law, in transmitting the Solicitation Packages, and related documents and notices, and in soliciting and tabulating the votes on the Plan.

55. The Debtors and their agents have participated in good faith and in compliance with the applicable provisions of the Bankruptcy Code with respect to the offering, issuance, and

distribution of recoveries under the Plan and, therefore are not and, on account of such distributions, will not be liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or distributions made pursuant to the Plan so long as such distributions are made consistent with and pursuant to the Plan.

e. Section 1129(a)(3)—Proposal of Plan in Good Faith.

56. The Debtors have proposed the Plan in good faith and not by any means forbidden by law. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of the Chapter 11 Cases, the Plan itself, and the process leading to its formulation. The Debtors' good faith is evident from the facts and the record of the Chapter 11 Cases, the Disclosure Statement, the hearing to approve the Disclosure Statement, the Purchase Agreement, and the record of the Confirmation Hearing and other proceedings held in the Chapter 11 Cases.

57. The Plan is the product of good faith, arm's-length negotiations by and among the Debtors, the Debtors' directors, officers, and managers, the Purchaser, the Designees, and the other constituencies involved in the Chapter 11 Cases. The Plan itself and the process leading to its formulation provide independent evidence of the Debtors' and such other parties' good faith, serve the public interest, and assure fair treatment of holders of Claims and Interests. Consistent with the overriding purpose of chapter 11, the Debtors filed the Chapter 11 Cases with the belief that the Debtors were in need of restructuring, and the Plan was negotiated and proposed with the

intent to maximize stakeholder value and for no ulterior purpose. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

f. Section 1129(a)(4)—Court Approval of Certain Payments as Reasonable.

58. Any payment made or to be made by the Debtors or by a person issuing securities or acquiring property under the Plan for services or costs and expenses in connection with the Chapter 11 Cases or the Plan and incident to the Chapter 11 Cases, as applicable, has been approved by or is subject to the approval of the Court as reasonable. Accordingly, the Plan satisfies the requirements of section 1129(a)(4).

g. Section 1129(a)(5)—Disclosure of Directors, Officers, and Managers and Consistency with the Interests of Creditors and Public Policy.

59. Because the Plan provides for the liquidation of the Estates' remaining assets and resignation of the Debtors' officers, directors, and managers, section 1129(a)(5) of the Bankruptcy Code does not apply. To the extent section 1129(a)(5) of the Bankruptcy Code applies to the Post-Effective Date Debtors, the Debtors have satisfied the requirements of this provision by, among other things, disclosing the identity of the Plan Administrator. Accordingly, the Debtors have satisfied the requirements of section 1129(a)(5) of the Bankruptcy Code.

h. Section 1129(a)(6)—Rate Changes.

60. The Plan does not contain any rate changes subject to the jurisdiction of any governmental regulatory commission and, accordingly, will not require governmental regulatory approval. Therefore, section 1129(a)(6) of the Bankruptcy Code does not apply to the Plan.

i. Section 1129(a)(7)—Best Interests of Holders of Claims and Interests.

61. The evidence in support of the Plan that was proffered or adduced at the Confirmation Hearing, and the facts and circumstances of the Chapter 11 Cases, establishes that each Holder of Allowed Claims or Interests in each Class will recover as much or more value under the Plan on account of such Claim or Interest, as of the Effective Date, than the amount such holder would receive if the Debtors were liquidated on the Effective Date under chapter 7 of the Bankruptcy Code. As a result, the Debtors have demonstrated that the Plan is in the best interests of their creditors and equity holders, and the requirements of section 1129(a)(7) of the Bankruptcy Code are satisfied.

j. Section 1129(a)(8)—Acceptance by Certain Classes.

62. The Plan does not satisfy the requirements of section 1129(a)(8) of the Bankruptcy Code. The Deemed Accepting Classes are Unimpaired under the Plan and are deemed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. The Voting Classes have voted to accept the Plan. Holders of Intercompany Claims and Interests in Classes 6 and 7 are either Unimpaired and conclusively presumed to have accepted the Plan (to the extent reinstated) or are Impaired and conclusively deemed to reject the Plan (to the extent cancelled) and in either event, are not entitled to vote to accept or reject the Plan. The Deemed Rejecting Classes receive no recovery on account of their Claims or Interests pursuant to the Plan and are deemed to have rejected the Plan. Notwithstanding the foregoing, the Plan is confirmable because it satisfies section 1129(b) of the Bankruptcy Code.

k. Section 1129(a)(9)—Treatment of Claims Entitled to Priority Pursuant to Section 507(a) of the Bankruptcy Code.

63. The treatment of Administrative Claims, DIP Claims, Professional Fee Claims, Priority Tax Claims, Restructuring Expenses, and Receivables Program Claims under Article II of the Plan satisfies the requirements of and complies in all respects with section 1129(a)(9) of the Bankruptcy Code.

l. Section 1129(a)(10)—Acceptance by at Least One Impaired Class.

64. As set forth in the Voting Report, Holders of Claims in Class 3 and Class 4 voted to accept the Plan without regard to the votes of any insiders (as defined in section 101(31) the Bankruptcy Code). As such, there is at least one class of Claims that is Impaired under the Plan and has accepted the Plan, without including any insiders' acceptance of the Plan (as defined in the Bankruptcy Code). Accordingly, the requirements of section 1129(a)(10) of the Bankruptcy Code are satisfied.

m. Section 1129(a)(11)—Feasibility of the Plan.

65. The Plan satisfies section 1129(a)(11) of the Bankruptcy Code. The Plan embodies a rational plan for the orderly wind down of the Debtors' estates and the delivery of distributions to holders of Allowed Claims following the consummation of the Sale Transaction. The financial projections attached to the Disclosure Statement and the other evidence supporting the Plan proffered or adduced by the Debtors at or before the Confirmation Hearing filed in connection with the Confirmation Hearing: (i) are reasonable, persuasive, credible, and accurate as of the dates such evidence was prepared, presented, or proffered; (ii) utilize reasonable and

appropriate methodologies and assumptions; (iii) have not been controverted by other persuasive evidence; (iv) establish that the Plan is feasible and Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization except as provided in the Plan; and (v) establish that the Debtors and the Post-Effective Date Debtors and their Estates will have sufficient funds available to meet their obligations under the Plan. Accordingly, the Plan satisfies the requirements of section 1129(a)(11) of the Bankruptcy Code.

n. Section 1129(a)(12)—Payment of Statutory Fees.

66. Article II.C of the Plan provides that the Debtors shall pay all fees due and payable pursuant to section 1930 of Title 28 of the United States Code before the Effective Date, and on or after the Effective Date, each Post-Effective Date Debtor shall remain obligated to pay quarterly fees to the U.S. Trustee until the earliest of the applicable Debtor's Chapter 11 Case being closed, dismissed, or converted to a case under chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the requirements of section 1129(a)(12) of the Bankruptcy Code.

o. Section 1129(a)(13)—Retiree Benefits.

67. The Plan satisfies the requirements of section 1129(a)(13) of the Bankruptcy Code. Article IV.C.7 of the Plan provides that from and after the Effective Date, all retiree benefits, as defined in section 1114 of the Bankruptcy Code, if any, shall continue to be paid in accordance with applicable law.

p. Section 1129(a)(14), (15), and (16)—Domestic Support Obligations, Individuals, and Nonprofit Corporations.

68. Sections 1129(a)(14), 1129(a)(15), and 1129(a)(16) of the Bankruptcy Code do not apply to these Chapter 11 Cases. The Debtors owe no domestic support obligations, are not individuals, and are not nonprofit corporations.

q. Section 1129(b)—Confirmation of Plan Over Nonacceptance of Impaired Classes.

69. Notwithstanding the fact that the Deemed Rejecting Classes have not accepted the Plan, the Plan may be confirmed pursuant to section 1129(b)(1) of the Bankruptcy Code. ***First***, all of the requirements of section 1129(a) of the Bankruptcy Code other than section 1129(a)(8) have been met. ***Second***, the Plan is fair and equitable with respect to the Deemed Rejecting Classes. The Plan has been proposed in good faith, is reasonable, and meets the requirements that (i) no Holder of any impaired Claim or Interest that is junior to such impaired Class will receive or retain any property under the Plan on account of such junior Claim or Interest and (ii) no Holder of a Claim or Interest in a Class senior to such impaired Class is receiving more than 100 percent on account of its Claim or Interest. Accordingly, the Plan is fair and equitable to all Holders of Claims and Interests in the Deemed Rejecting Classes. ***Third***, the Plan does not discriminate unfairly with respect to the Deemed Rejecting Classes because similarly situated creditors in such Classes that have not accepted the Plan will receive substantially similar treatment on account of their Claim or Interest irrespective of Class. ***Finally***, Holders of Claims in Class 3 and Class 4 voted to accept the Plan in sufficient number and in sufficient amount to

constitute accepting classes under the Bankruptcy Code. As a result, the Plan satisfies the requirements of section 1129(b) of the Bankruptcy Code and can be confirmed.

r. Section 1129(c)—Only One Plan.

70. The Plan is the only plan filed in the Chapter 11 Cases and, accordingly, section 1129(c) of the Bankruptcy Code is satisfied.

s. Section 1129(d)—Principal Purpose of the Plan is Not Avoidance of Taxes or Section 5 of the Securities Act.

71. The Plan satisfies the requirements of section 1129(d) of the Bankruptcy Code. As evidenced by its terms, the principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act.

t. Section 1129(e)—Not Small Business Cases.

72. The Chapter 11 Cases are not small business cases, and accordingly, section 1129(e) of the Bankruptcy Code does not apply to the Chapter 11 Cases.

u. Satisfaction of Confirmation Requirements.

73. Based upon the foregoing and all other pleadings and evidence proffered or adduced at or prior to the Confirmation Hearing, the Plan and the Debtors, as applicable, satisfy all the requirements for plan confirmation set forth in section 1129 of the Bankruptcy Code.

v. Good Faith.

74. The Debtors have proposed the Plan in good faith, with the legitimate and honest purpose of maximizing the value of the Debtors' Estates for the benefit of their stakeholders. The Plan is the product of extensive collaboration among the Debtors and key stakeholders and accomplishes this goal. Accordingly, the Debtors or the Post-Effective Date Debtors, as

appropriate, have been, are, and will continue acting in good faith if they proceed to (i) consummate the Plan, the Asset Sale, and the agreements, settlements, transactions, and transfers contemplated thereby, including the transactions and transfers contemplated by the Purchase Agreement, and (ii) take the actions authorized and directed or contemplated by this Confirmation Order. Therefore, the Plan has been proposed in good faith to achieve a result consistent with the objectives and purposes of the Bankruptcy Code.

w. The Asset Sale.

75. *Notice and Opportunity to Object.* As evidenced by the affidavits and certificates of service and publication notices previously filed with the Court, due, proper, timely, adequate, and sufficient notice of the Bidding Procedures Motion, the Bidding Procedures Order, the Bidding Procedures, the Asset Sale, the Purchase Agreement, the Sale Transaction, the Plan, the Plan Supplement, the Bid Protections (as defined in the Bid Protections Order), and the Confirmation Hearing have been provided in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Disclosure Statement Order, and the Bidding Procedures Order to all interested Persons and entities, and such parties had an opportunity to appear, object, and be heard with respect thereto. All parties required to be given notice of the Asset Sale (including the deadline for filing objections to (i) approval of the Asset Sale and (ii) assumption and assignment of Executory Contracts and Unexpired Leases (collectively, the “Assumed Contracts”) in accordance with the Plan and the Purchase Agreement, including any Cures), have been given due, proper, timely, and adequate notice. No other or further notice is required.

76. *Sufficiency of Marketing.* The Debtors and their professionals conducted a fair, open, and adequate prepetition and postpetition marketing and sale process as set forth in the Bojmel Declaration. The marketing and sale process was non-collusive, duly noticed, and provided a full, fair, and reasonable opportunity for any Entity to make an offer, and the process conducted by the Debtors obtained the highest or best value for the Debtors' Estates. There was no other transaction available or presented that would have yielded as favorable an economic result for the Debtors' Estates as that provided by the Asset Sale. Based upon the record of these proceedings, all creditors and other parties in interest and all prospective buyers have been afforded a reasonable and fair opportunity to make a higher or otherwise better offer. The marketing and sale process undertaken by the Debtors and their professionals has been adequate and appropriate and reasonably calculated to maximize the value for the benefit of all stakeholders in all respects.

77. *Extensive Efforts by Debtors.* The Debtors have presented credible evidence that they and their professionals explored various strategic alternatives for the Debtors' businesses over an extended period of time and communicated with numerous parties regarding, among other potential transactions, a possible sale of all or substantially all of the Debtors' assets. The Asset Sale is the result of the Debtors' extensive efforts in seeking to maximize recoveries to the Debtors' Estates for the benefit of their creditors.

78. *Compliance with Bidding Procedures.* The Bidding Procedures were substantively and procedurally fair to all parties, including all potential bidders. The Bidding Procedures afforded adequate notice and a full, fair, and reasonable opportunity for any Person to

make a higher or otherwise better offer to purchase the Acquired Assets. The marketing and sale process undertaken by the Debtors was in compliance with the Bidding Procedures and the Bidding Procedures Order, and the Debtors, the Purchaser, the Designees, and their respective counsel and other advisors have complied with the Bidding Procedures and Bidding Procedures Order in all respects.

79. *Sound Business Purpose; Sale Highest or Best Offer.* Consummation of the Asset Sale constitutes a valid and sound exercise of the Debtors' business judgment, and such acts are in the best interests of the Debtors, the Estates, and the Holders of Claims and Interests and are reasonable and appropriate under the circumstance. This Bankruptcy Court finds that the Debtors have articulated good and sufficient business reasons for the Bankruptcy Court to authorize: (i) the consummation of the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan, (ii) the assumption or assumption and assignment of the assumed Executory Contracts and Unexpired Leases in connection with the Asset Sale and pursuant to the Purchase Agreement; and (iii) the assumption of the Assumed Liabilities (as defined in the Purchase Agreement) in connection with the Asset Sale and pursuant to the Purchase Agreement and sections 1123(a)(5), 1123(b), and 1141(c) of the Bankruptcy Code.

80. Additionally: (i) the Purchaser (and any applicable Designee) submitted the highest and best bid for the Acquired Assets and was designated as the Successful Bidder in accordance with the Bidding Procedures and the Bidding Procedures Order; (ii) the total consideration provided by the Purchaser pursuant to the Purchase Agreement is the highest or best offer available to the Debtors; (iii) the Asset Sale presents the best opportunity to realize the

maximum value for the Debtors' Estates; (iv) the Purchase Agreement and the consummation of the Asset Sale will provide a greater recovery for the Debtors' creditors than would be provided by any other presently available alternative, including liquidation under chapter 7 or 11 of the Bankruptcy Code; (v) no other Person has offered to purchase the Acquired Assets for greater economic or non-economic value to the Debtors or their Estates; and (vi) the Debtors' consummation of the Asset Sale is reasonable and appropriate under the circumstances.

81. *Arm's-Length Sale and Purchaser's and Designee's Good Faith.* The Purchase Agreement and the Asset Sale were negotiated, proposed, and undertaken by the Debtors and the Purchaser (and any applicable Designee) at arm's length, without collusion or fraud, and in good faith within the meaning of section 363(m) of the Bankruptcy Code. The Sale Transaction with the Purchaser is premised on the success of several separate deals, including the Singapore Transaction and the Germany Transaction (each as defined in the Purchase Agreement) to be implemented with the Designees and that will allow the Purchaser to acquire substantially all of the assets of the Debtors. The Purchaser and any Designee: (i) recognize that the Debtors were free to deal with any other party interested in making an offer, (ii) complied with the Bidding Procedures Order in all respects, and (iii) willingly subjected their bid to the competitive marketing and sale process. All payments to be made by the Purchaser or a Designee and other agreements or arrangements entered into by the Purchaser or a Designee in connection with the Asset Sale have been disclosed. Neither the Debtors nor the Purchaser or a Designee, nor any affiliate of the Purchaser or a Designee, has engaged in collusion or fraud, and the Purchaser or a Designee has not acted in a collusive manner with any Person or entity. As a result of the

foregoing, each of the Purchaser and any applicable Designee is a “good faith purchaser” and, as such, is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code, including in the event this Confirmation Order or any portion thereof is reversed or modified on appeal, and the Purchaser and any applicable Designee have proceeded in good faith in all respects in connection with the Asset Sale specifically and the Chapter 11 Cases generally.

82. *Sale in Best Interests.* The actions represented to have been taken, or to be taken by the Debtors, the Purchaser, and the Designees are appropriate under the circumstances of these Chapter 11 Cases and are in the best interests of the Debtors, their Estates, creditors, and other parties in interest. Approval of the Asset Sale at this time is in the best interests of the Debtors, their Estates, creditors, and other parties in interest.

83. *Title to the Assets.* The assets sought to be transferred and/or assigned, as applicable, by the Debtors to the Purchaser or a Designee pursuant to the Purchase Agreement are property of the Debtors’ Estates, and good title thereto is presently vested in the Debtors’ Estates within the meaning of section 541(a) of the Bankruptcy Code. Except as provided in the Purchase Agreement, the Debtors are the sole and rightful owners of such assets with all rights, title, and interests to the assets.

84. *Free and Clear; Discharge.* On the Effective Date, except as otherwise expressly set forth in the Purchase Agreement, to the fullest extent permitted by sections 1141(b) and (c) of the Bankruptcy Code, other than the Excluded Assets and Excluded Liabilities (each as defined in the Purchase Agreement), all property of the Debtors shall vest in the Purchaser or the applicable Designee, in accordance with the Purchase Agreement, free and clear of all liens,

claims (including those that constitute a “claim” as defined in section 101(5) of the Bankruptcy Code), rights, liabilities, mortgages, deeds of trust, pledges, charges, security interests, of whatever kind or nature, rights of first refusal, rights of offset or recoupment, royalties, conditional sales or title retention agreements, hypothecations, preferences, debts, easements, suits, licenses, options, rights-of-recovery, judgments, orders and decrees of any court or foreign domestic governmental entity, taxes (including foreign, state and local taxes), covenants, restrictions, indentures, instruments, leases, options, off-sets, recoupments, claims for reimbursement or subrogation, contribution, indemnity or exoneration, encumbrances and other interests of any kind or nature whatsoever against the Debtors or any of the Debtors’ assets, including, without limitation, any debts arising under or out of, in connection with, or in any way relating to, any acts or omissions, obligations, demands, guaranties, rights, contractual commitments, restrictions, product liability claims, environmental liabilities, employment or labor law claims or liabilities, employee pension or benefit plan claims, multiemployer benefit plan claims, retiree healthcare or life insurance claims or claims for taxes of or against any of the Debtors, any indemnification Claims or Liabilities relating to any act or omission of the Debtors or any other Person prior to the Effective Date or any Excluded Liabilities, any derivative, vicarious, transferee or successor liability claims, alter ego claims, *de facto* merger claims, rights or causes of action (whether in law or in equity, under any law, statute, rule or regulation of the United States, any state, territory, or possession thereof or the District of Columbia), whether arising prior to or subsequent to the commencement of these Chapter 11 Cases, whether known or unknown, contingent or matured, liquidated or unliquidated, choate or inchoate, filed or

unfiled, scheduled or unscheduled, perfected or unperfected, liquidated or unliquidated, noticed or unnoticed, recorded or unrecorded, contingent or non-contingent, material or non-material, statutory or non-statutory, legal or equitable, and whether imposed by agreement, understanding, law, equity, or otherwise arising under or out of, in connection with, or in any way related to any of the Debtors, any of the Debtors' interests in the Acquired Assets or the operation of any of the Debtors' businesses before the Effective Date (collectively, excluding any Assumed Liabilities, the "Encumbrances").

85. *Not an Insider.* As of the date hereof, neither the Purchaser nor the Designees are "insiders" or "affiliates" of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders exists between the Debtors and the Purchaser or a Designee.

86. *Assumption of Contracts.* It is an exercise of the Debtors' reasonable and sound business judgment to assume, assume and assign, and assign the Assumed Contracts in connection with the consummation of the Asset Sale, and the assumption, assumption and assignment, and assignment of the Assumed Contracts is in the best interests of the Debtors, their Estates, creditors, and other parties in interest. The assumption, assumption and assignment, or assignment of the Assumed Contracts (i) allows the Debtors to sell their business to the Purchaser or a Designee as a going concern, (ii) limits the losses suffered by the non-debtor counterparties to the Assumed Contracts (each, a "Counterparty" and collectively, the "Counterparties"), and (iii) maximizes the recoveries to other creditors of the Debtors by

limiting the amount of claims against the Debtors' Estates by avoiding the rejection of the Assumed Contracts.

87. Anti-assignment provisions in any Assumed Contract—including any provisions requiring rating agency confirmation, “no downgrade” letters, any other third party consent, or of the type described in sections 365(b)(2), (e)(1), and (f) of the Bankruptcy Code—shall not restrict, limit, or prohibit the assumption, assignment, or sale of the Assumed Contracts and are unenforceable anti-assignment provisions in connection with the Asset Sale within the meaning of section 365(f) of the Bankruptcy Code. Provisions in any Assumed Contract requiring the Debtors or applicable counterparty (including the Purchaser or the applicable Designee) to meet a minimum net worth requirement or supply a guarantor meeting any such minimum net worth requirement, or providing for any such similar requirement, shall be deemed to be an anti-assignment provision and shall be unenforceable.

88. *Cure and Adequate Assurance.* The Debtors have cured or demonstrated their ability to cure any default with respect to any act or omission that occurred prior to the Effective Date under any of the Assumed Contracts within the meaning of section 365(b)(1)(A) of the Bankruptcy Code. Unless otherwise agreed to by the parties and subject to paragraph 57 of section II hereof, the proposed Cures plus any amounts accruing between the Assumption or Rejection Objection Deadline and the Effective Date are the amounts necessary to “cure” all “defaults” within the meaning of section 365(b) of the Bankruptcy Code under the Assumed Contracts as of the filing of the Plan Supplement. Assumed Contracts after the Effective Date shall constitute adequate assurance of their future performance of and under each of their respective Assumed Contracts within the meaning of sections 365(b)(1) and 365(f)(2), as applicable. All Counterparties that did not timely file an objection to the assumption or assumption and assignment of their respective Assumed Contract(s) shall be deemed to have consented to the assumption or assumption and assignment, as applicable, thereof. Upon payment of the Cures and subject to paragraph 57 of section II hereof, the Debtors, the Purchaser, and any applicable Designee, as applicable, shall be deemed to have met all requirements of section 365(b) of the Bankruptcy Code with respect to each of the Assumed Contracts.

89. *Authority.* The Debtors: (i) have full power and authority to execute and assume the Purchase Agreement and all other documents contemplated thereby, (ii) possess all of the power and authority necessary to consummate the transactions contemplated by the Purchase Agreement subject to the terms of the Plan and this Confirmation Order, and (iii) have taken all corporate action necessary to authorize and approve the Purchase Agreement, the sale of the assets contemplated therein, and all other actions required to be performed by the Debtors in order to consummate the Asset Sale. No consents or approvals, other than those already obtained or expressly provided for in the Purchase Agreement or this Confirmation Order, are required for the Debtors to consummate the Asset Sale.

90. *No Fraudulent Transfer.* The total consideration provided by the Purchaser and/or a Designee pursuant to the Purchase Agreement constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the

Uniform Fraudulent Conveyance Act, the Uniform Voidable Transfer Act, and any other applicable law, and may not be avoided under section 363(n) of the Bankruptcy Code or under any other law of the United States, any state, territory, possession thereof, the District of Columbia, or any other applicable law. The Purchase Agreement was not entered into, and the Asset Sale is not being consummated, for the purpose of hindering, delaying, or defrauding creditors of the Debtors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. Neither the Debtors, the Purchaser, nor any Designee entered into the Purchase Agreement with any fraudulent or other improper purpose. Neither the Debtors, the Purchaser, nor a Designee engaged in any conduct that would cause or permit the Purchase Agreement or the consummation of the Asset Sale to be avoided, or costs or damages to be imposed, under Bankruptcy Code section 363(n) or under any other law of the United States, any state, territory, possession thereof, the District of Columbia or any other applicable law. The Purchase Agreement is a valid and binding contract among the Debtors, the Purchaser, and/or any applicable Designee and shall be enforceable pursuant to its terms.

x. Disclosure: Agreements and Other Documents.

91. The Debtors have disclosed all material facts regarding the Plan and with respect to consummation of the Restructuring Transactions, including: (i) the Purchase Agreement; (ii) Plan Administrator Agreement and the identities of the Plan Administrator; (iii) the method and manner of distributions under the Plan; (iv) the adoption, execution, and implementation of the other matters provided for under the Plan, including those involving corporate action to be

y. Conditions to Effective Date.

92. The Plan shall not become effective unless and until the conditions set forth in Article IX.A of the Plan have been satisfied or waived pursuant to Article IX.B of the Plan.

z. Implementation.

93. All documents and agreements necessary to implement the transactions contemplated by the Plan, including the Purchase Agreement and those contained or summarized in the Plan Supplement, and all other relevant and necessary documents have been negotiated in good faith and at arm's-length, are in the best interests of the Debtors, and shall, upon completion of documentation and execution, be valid, binding, and enforceable documents and agreements not in conflict with any federal, state, or local law. The documents and agreements are essential elements of the Plan, and entry into and consummation of the transactions contemplated by each such document or agreement are in the best interests of the Debtors, the Estates, and the Holders of Claims and Interests. The Debtors have exercised reasonable business judgment in determining which documents and agreements to enter into and have provided sufficient and adequate notice of such documents and agreements. The Debtors are authorized to take any action reasonably necessary or appropriate to consummate such agreements and the transactions contemplated thereby.

aa. Vesting of Assets.

94. Except as otherwise provided in this the Plan, the Confirmation Order, the Purchase Agreement, or any other agreement, instrument, or other document incorporated therein or entered into in connection with or pursuant to the Plan or the Plan Supplement, on the Effective Date, all property of the Estates (other than the GUC Trust Assets) shall vest in the Post-Effective Date Debtors. Such assets shall be held free and clear of all liens, claims, charges, or other encumbrances unless expressly provided otherwise by the Plan or this Confirmation Order. Any distributions to be made under the Plan from such assets shall be made by the Plan Administrator or its designee. The Post-Effective Date Debtors, the Plan Administrator, and the GUC Trustee shall be deemed to be fully bound by the terms of the Plan and the Confirmation Order.

bb. Treatment of Executory Contracts and Unexpired Leases.

95. Pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code, the Plan provides for the assumption, assumption and assignment, assignment, or rejection of certain Executory Contracts and Unexpired Leases, effective as of the Effective Date except as otherwise provided therein or in a prior or pending notice, motion, and/or order. The Debtors' determinations regarding the assumption, assumption and assignment, assignment, or rejection of Executory Contracts and Unexpired Leases are based on and within the sound business judgment of the Debtors, are necessary to the implementation of the Plan, and are in the best interests of the Debtors, their Estates, Holders of Claims and Interests, and other parties in interest in the Chapter 11 Cases.

cc. Objections.

96. All objections, responses, reservations, statements, and comments in opposition to the Plan, including the Asset Sale and objections to the assumption and assumption and assignment of any executory contracts or unexpired leases, other than those resolved, adjourned, or withdrawn with prejudice prior to, or on the record at, the Confirmation Hearing, are overruled on the merits in all respects. All withdrawn objections, if any, are deemed withdrawn with prejudice. All objections to Confirmation not filed and served prior to the deadline for filing objections to the Plan set forth in the Confirmation Hearing Notice, if any, are deemed waived and shall not be considered by the Court.

97. All parties have had a full and fair opportunity to litigate all issues raised or might have been raised in the objections to Confirmation of the Plan, and the objections have been fully and fairly litigated or resolved, including by agreed-upon reservations of rights as set forth in this Confirmation Order.

R. Provisions Regarding Seacoast National Bank.

98. In accordance with and pursuant to the Purchase Agreement and the Plan, the Debtors will assume, and will assign to the Purchaser, that certain Master Equipment Lease Agreement #32133, dated December 17, 2020, including Equipment Schedule No. 4 (together, the “Seacoast MELA”), originally entered into between Debtors Cyxtera DC Holdings Inc. and Cyxtera Communications LLC (with respect to Equipment Schedule No. 4), as lessees, and Liberty Commercial Finance LLC (“LCF”), as lessor, for which Seacoast National Bank (“Seacoast”) has succeeded to the interests of LCF. Effective as of the Closing, upon assignment of the Seacoast MELA to the Purchaser, (i) in accordance with and pursuant to the terms of the Purchase Agreement, the Purchaser shall assume all of the Debtors' obligations arising under the Seacoast MELA from and after the date of the Closing, and (ii) the Purchaser will remit all payment obligations directly to Seacoast (and Seacoast shall provide the Purchaser with payment instructions contemporaneous with the Closing). For the avoidance of doubt, the Purchaser is not assuming any guaranty or related obligations of Cyxtera Technologies, Inc. in favor of Seacoast. 38. To the extent that undrawn letters of credit issued under the First Lien Credit Agreement are drawn after the Distribution Record Date, such Undrawn LC Facility Claims, if any, shall be satisfied from the Undrawn LC Facility Claims Reserve. The Plan Administrator shall hold in the Undrawn LC Facility Claims Reserve all dividends, payments, and other distributions made on account of, as well as any obligations arising from, the property held in the Undrawn LC Facility Claims Reserve, to the extent that such property continues to be so held at the time such distributions are made or such obligations arise. For the avoidance of doubt, the foregoing shall not affect distributions to holders of First Lien Claims on account of drawn letters of credit as of the Distribution Record Date.

order of the Court. To the extent applicable, any or all such documents shall be accepted upon presentment by each of the respective state filing or recording offices and filed or recorded in accordance with applicable state law and shall become effective in accordance with their terms and the provisions of state law. Pursuant to the business corporation laws of any state, as applicable, no action of the Debtors' boards of directors or the Post-Effective Date Debtors will be required to authorize the Debtors or the Post-Effective Date Debtors, as applicable, to enter into, execute and deliver, adopt or amend, as the case may be, any such contract, instrument, release, or other agreement or document related to the Plan, and following the Effective Date, each of the Plan documents will be a legal, valid, and binding obligation of the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, enforceable against the Debtors, the Post-Effective Date Debtors, and the Plan Administrator, in accordance with the respective terms thereof.

U. Cancellation of Existing Agreements and Interests.

41. On the Effective Date, except to the extent otherwise provided in the Plan, including in Article V.A. of the Plan, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including the First Lien Credit Documents and all other credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto, including any Liens and/or claims in connection therewith, shall be deemed satisfied in full, cancelled, discharged, released, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification and participation by the other lenders in letters of credit under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents; *provided* that any such rights to indemnification shall remain binding and enforceable only as against the Post-Effective Date Debtors and shall not be subject to discharge, impairment, or release under the Plan or the Confirmation Order or be asserted against the Purchaser, a Designee, or any of their respective affiliates, or their respective property or assets, including any Acquired Entity (as defined in the Purchase Agreement).

V. Wind Down and Dissolution.

- (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby;
- (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan.

Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims. W. Approval of Consents and Authorization to Take Acts Necessary to Implement Plan.

43. This Confirmation Order shall constitute all authority, approvals, and consents required, if any, by the laws, rules, and regulations of all states and any other governmental authority with respect to the implementation or consummation of the Plan and any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts and transactions referred to in or contemplated by the Plan, the Plan Supplement, the Disclosure Statement, and any documents, instruments, securities, or agreements, and any amendments or modifications thereto.

X. The Releases, Injunction, Exculpation, and Related Provisions Under the Plan.

44. Unless otherwise provided in the Plan or in this Confirmation Order, no Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that is subject to, or is reasonably likely to be subject to, Article VIII.C, Article VIII.D, or Article VIII.E of the Plan, without the Bankruptcy Court first determining that such Claim or Cause of Action was not subject to Article VIII.C, Article VIII.D, or Article VIII.E of the Plan and specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party. VIII.F of the Plan.

Y. Treatment of Executory Contracts and Unexpired Leases.

45. The provisions governing the treatment of Executory Contracts and Unexpired Leases set forth in Article V of the Plan (including the procedures regarding the resolution of any and all disputes concerning the assumption or rejection, as applicable, of such Executory Contracts and Unexpired Leases) as well as any notices related to the procedures shall be and hereby are approved in their entirety, except as modified herein.

46. On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall be (i) assumed, assumed and assigned, or assigned to the Purchaser or a Designee in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (ii) assumed, assumed and assigned, or assigned to the Purchaser or a Designee in accordance with the Purchase Agreement if it is not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (iii) rejected if it is (a) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (b) not listed on either the Schedule of

Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases thereunder may include the assignment of certain of such contracts to affiliates.

47. Entry of this Confirmation Order by the Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, the Purchase Agreement, and this Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Each Executory Contract and Unexpired Lease assumed and assigned to the Purchaser or a Designee in accordance with the Purchase Agreement shall vest in and be fully enforceable by the Purchaser or the applicable Designee in accordance with its terms, except as may be modified by the Plan or any order of the Court authorizing and providing for its assumption and assignment. Pursuant to sections 1123(b)(2) and 365 of the Bankruptcy Code and subject to and conditioned upon the closing of the Sale Transaction, the Debtors are hereby authorized to assume and assign the Assumed Contracts, as applicable, to the Purchaser or its

Designees free and clear of all Liens and Claims to the extent set forth in this Confirmation Order, and the requirements of section 365(b)(1) of the Bankruptcy Code shall be deemed satisfied as of such assumption or assumption and assignment and payment in full in Cash or other satisfaction of applicable Cures.

48. The Debtors are hereby authorized to execute and deliver to the Purchaser and any Designee in accordance with the Purchase Agreement, or counterparty to Assumed Contracts, such documents or other instruments as may be necessary to assign and transfer the Assumed Contracts to the Purchaser or its Designees as provided in the Purchase Agreement. With respect to each of the Assumed Contracts that is being assumed and assigned in accordance with the Purchase Agreement and subject to paragraph 57 of section II hereof, the Debtors have cured or will cure any monetary default required to be cured with respect to such Assumed Contracts under sections 1123(b)(2) and 365(b)(1) of the Bankruptcy Code, and the Purchaser and Designees, as applicable, have provided adequate assurance of future performance under the applicable Assumed Contracts in satisfaction of sections 1123(b)(2), 365(b), and 365(f) of the Bankruptcy Code to the extent that any such assurance is required and not waived or otherwise resolved with the Purchaser and any applicable Designee by the applicable counterparty to such Assumed Contracts. Upon the Closing Date or the applicable date of assumption and assignment with respect to an Assumed Contract, the Purchaser and any applicable Designee shall be fully and irrevocably vested with all rights, title, and interest of the Debtors under such Assumed Contract pursuant to sections 1123(b)(2) and 365 of the Bankruptcy Code. The assumption by the Debtors and assignment to the Purchaser or its Designees of any Assumed Contract shall not

be a default under such Assumed Contract. To the extent any Assumed Contract that is being assumed and assigned in accordance with the Purchase Agreement provides that any Person's or Entity's consent is required as a condition to the assignment of such Assumed Contract, such consent requirement shall be deemed satisfied by virtue of the findings and conclusions in this Confirmation Order and shall be of no further force or effect.

49. The failure of the Debtors, the Purchaser, or a Designee to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions or of the Debtors', a Designee's, or the Purchasers' rights to enforce every term and condition of the Assumed Contracts, as applicable.

50. Except as otherwise provided in the Plan or agreed to by the Debtors, the Purchaser or the applicable Designee, and the applicable Counterparty, each assumed (or assumed and assigned) Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto (including those entered into through the Closing Date), and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

51. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision or any minimum net worth or similar financial provision), then such provision (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, and with the consent of the Purchaser and, solely to the extent expressly provided for in the Designation Agreement, the applicable Designee, reserve the right to alter, amend, modify, or supplement the Schedule of Assumed Executory Contracts and Unexpired Leases and the Schedule of Rejected Executory Contracts and Unexpired Leases at any time through and including ten (10) days before the Effective Date; *provided* that, following the Effective Date the Plan Administrator, the Purchaser, and, solely to the extent expressly provided for in the Designation Agreement, the applicable Designee, may supplement the Schedule of Assumed Executory Contracts and Unexpired Leases at any time in accordance with the Purchase Agreement, including the notice and consent rights set forth in the Purchase Agreement.

52. The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any Executory Contract Objection filed by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or assumption and assignment, including pursuant to the Plan, or related Cure amount must be Filed, served, and actually received by counsel to the Debtors and the U.S. Trustee by the applicable Assumption or Rejection Objection Deadline or any other deadline that may be set by the Court. Any Executory Contract Objection (x) timely Filed prior to the Confirmation Hearing will be heard by the Court at the Confirmation Hearing unless otherwise agreed to by the Debtors and the objecting party, with the consent of the Purchaser or, solely to the extent expressly provided for in the Designation Agreement, the applicable Designee, or (y) timely Filed after the Confirmation Hearing shall be heard as soon as reasonably practicable on a date requested by the Debtors or the Post-Effective Date Debtors, as the case may be, with the consent of the Purchaser or, solely to the extent expressly provided for in the Designation Agreement, the applicable Designee. Any Executory Contract Objection that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Purchaser, a Designee, or any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party

in interest or any further notice to or action, order, or approval of the Court. Any Cure shall be deemed fully satisfied, released, and discharged upon indefeasible payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure amount in full in Cash, unless otherwise agreed to by the applicable counterparty, the Debtors or the Post-Effective Date Debtors, and the Purchaser; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure amount despite the failure of the relevant counterparty to File an Executory Contract Objection. The Debtors or the Post-Effective Date Debtors, as applicable, may also settle any Cure without any further notice to or action, order, or approval of the Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption and/or assignment.

53. If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption (or assumption and assignment), then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order (which may be this Confirmation Order) resolving such dispute, approving such assumption (and, if applicable, assumption and assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, the Purchaser, a Designee, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

the applicable Executory Contract or Unexpired Lease prior to the resolution of the Cure objection; *provided* that the Debtors or the Post-Effective Date Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure payment by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Court or otherwise agreed to by such non-Debtor party and the applicable Post-Effective Date Debtor); *provided* further that any Cash reserved in accordance with the forgoing shall not constitute an Acquired Asset and shall be maintained by the Debtors or the Post-Effective Date Debtors, as applicable.

55. The Debtors served all counterparties to the Assumed Contracts with notice of the proposed assumption or assumption and assignment, and the deadline to object to the Cures and adequate assurance of future performance with respect to the Purchaser or a Designee has passed unless otherwise provided herein or in the Plan. Accordingly, subject to paragraph 57 of section II hereof, unless an objection to the proposed Cures or adequate assurance information with respect to the Purchaser or any Designee was filed and served, or informally lodged, before the applicable Assumption or Rejection Objection Deadline, each counterparty to an Assumed Contract, as applicable, is forever barred, estopped, and permanently enjoined from asserting against the Debtors, the Purchaser, any Designee, their affiliates, successors or assigns or the property of any of the foregoing, any default existing as of the date of the Confirmation Hearing if such default was not raised or asserted prior to or at the Confirmation Hearing.

57. (i) To the extent a Counterparty to an Assumed Contract failed to timely object to a Cure, such Cure has been and shall be deemed to be finally determined as of the Debtors' filing of the Plan Supplement, except as otherwise may be amended in accordance with the Plan, this Confirmation Order, and the Purchase Agreement, and any such Counterparty shall be barred, and forever prohibited from challenging, objecting (formally or informally) to, or denying the validity and finality of the Cures due and owing as of the date of filing of the Plan Supplement; (ii) any monetary or nonmonetary obligations that come due on an Assumed Contract between the filing of the Plan Supplement and the later of the effective date of assumption or assumption and assignment of an Assumed Contract shall be paid in full in Cash or otherwise satisfied by the Debtors as and when they come due; (iii) to the extent expressly set forth in the Purchase Agreement or otherwise expressly agreed to between a counterparty to an Assumed Contract and the Purchaser, the Purchaser shall be responsible for and shall pay or satisfy any monetary obligations that accrue under any Executory Contract or Unexpired Lease assumed and assigned

Assumption (or assumption and assignment or assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan, the Purchase Agreement, or otherwise and indefeasible payment of any applicable Cure in full in Cash pursuant to Article V.D of the Plan (unless otherwise agreed to by the applicable counterparty, the Debtors, or the Post-Effective Date Debtors, and the Purchaser) shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed (or assumed and assigned or assigned) in the Chapter 11 Cases, including pursuant to this Confirmation Order, and for which any Cure has been fully paid pursuant to Article V.D of the Plan, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Court.

71. The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as may be assigned or transferred to the Purchaser or a Designee in accordance with the Purchase Agreement or as otherwise expressly provided in the Plan, including Article VIII of the Plan.” Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

MEANS FOR IMPLEMENTATION OF THE PLAN**

A. General Settlement of Claims and Interests.

To the greatest extent permissible under the Bankruptcy Code, and in consideration of the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. To the greatest extent permissible under the Bankruptcy Code, the Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies, and entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests. Subject to Article VI hereof, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Restructuring Transactions.

Before, on, and after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, shall consummate the Restructuring Transactions and may take all actions (which, for the avoidance of doubt, shall in each case be in form, substance, and structure reasonably acceptable to the Required Consenting Term Lenders and, solely with respect to items (i), (ii), (viii), and (ix), subject to the consent rights set forth in the Purchase Agreement in the event of a Sale Transaction) as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan that are consistent with and pursuant to the terms and conditions of the Plan, including, as applicable: (i) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, formation, organization, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (iii) the execution, delivery, and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (iv) the execution and delivery of the New Takeback Facility Documents and entry into the New Takeback Facility; (v) the issuance and distribution of the New Common Stock as set forth in the Plan; (vi) the implementation of the Management Incentive Plan; (vii) the execution and delivery of the New Organizational Documents and any certificates or articles of incorporation, bylaws, or such other applicable formation documents (if any) of each Post-Effective Date Debtor (including all actions to be taken, undertakings to be made, obligations to be incurred, and fees and expenses to be paid by the Debtors and/or the Post-Effective Date Debtors, as applicable); (viii) the execution of a Purchase Agreement and consummation of a Sale Transaction in accordance therewith; (ix) such other transactions that, in the reasonable business judgment of the Debtors or the Post-Effective Date Debtors, as applicable, the Required Consenting Term Lenders (in the event of a Recapitalization Transaction), and the Purchaser (in the event of a Sale Transaction), are required to effectuate the Restructuring Transactions; and (x) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Confirmation Order shall and shall be deemed to, pursuant to sections 105, 363, 1123, and 1141 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including the Asset Sale in the event of an Asset Sale.

The Debtors shall pursue the Recapitalization Transaction unless the Debtors determine, with the consent of the Required Consenting Term Lenders, to pursue an Equity Investment Transaction or an Asset Sale.

C. The Equity Investment Transaction or Recapitalization Transaction.

If the Equity Investment Transaction or Recapitalization Transaction occurs, the following provisions shall govern.

1. The Post-Effective Date Debtors.

On the Effective Date, the New Board shall be established, and each Post-Effective Date Debtor shall adopt its New Organizational Documents. The Post-Effective Date Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary to consummate the Plan.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund or make distributions under the Plan, as applicable, with: (i) the issuance of New Takeback Facility Loans under the New Takeback Facility, (ii) the proceeds from the Equity Investment Transaction; (iii) the New Common Stock, (iv) the GUC Trust Net Assets, and (v) the Debtors' Cash on hand. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Common Stock, will be exempt from Securities Act registration, as described more fully in Article IV.C.6 below.

(a) The New Takeback Facility.

In the event of a Recapitalization Transaction, on the Effective Date, the Post-Effective Date Debtors shall enter into the New Takeback Facility Credit Agreement. Confirmation of the Plan shall be deemed approval of the New Takeback Facility and the New Takeback Facility Documents, as applicable, and all transactions contemplated thereby; all actions to be taken, undertakings to be made, and obligations to be incurred by the Post-Effective Date Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein; and authorization for the Post-Effective Date Debtors to enter into and execute the New Takeback Facility Documents and such other documents as may be required to effectuate the treatment afforded by the New Takeback Facility. Execution of the New Takeback Facility Credit Agreement by the New Takeback Facility Agent shall be deemed to bind all Holders of DIP Claims as if each such Holder had executed the New Takeback Facility Credit Agreement with appropriate authorization.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the New Takeback Facility Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the New Takeback Facility Documents, (c) shall be deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the New Takeback Facility Documents, and (d) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Post-Effective Date Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

(b) New Common Stock.

Reorganized Cyxtera shall be authorized to issue a certain number of shares of New Common Stock pursuant to its New Organizational Documents and any options or other equity awards, if any, reserved for the Management Incentive Plan. The issuance of the New Common Stock shall be authorized without the need for any further corporate action. On the Effective Date, the New Common Stock shall be issued and distributed pursuant to, and in accordance with, the Plan, and, in the event of an Equity Investment Transaction, the Purchase Agreement.

All of the shares of New Common Stock issued pursuant to the Plan and, if applicable, the Purchase Agreement shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI hereof shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, including the New Organizational Documents, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Common Stock shall be deemed to constitute its agreement to the New Organizational Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms, without the need for execution by any party thereto other than the applicable Post-Effective Date Debtor(s). The New Common Stock will not be registered under the Securities Act or on any national securities exchange as of the Effective Date.

3. Corporate Existence.

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which such Debtor is incorporated or formed and pursuant to the certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). On or after the Effective Date, the respective certificate of incorporation and bylaws (or other formation documents) of one or more of the Post-Effective Date Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. On or after the Effective Date, one or more of the Post-Effective Date Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

4. Plan Implementation.

In the event of an Equity Investment Transaction, on the Effective Date, the Purchaser shall purchase substantially all of the New Common Stock free and clear of all Liens, Claims, Interests, charges, or other encumbrances in exchange for the Purchase Price set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Purchaser, and the Post-Effective Date Debtors, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

The Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Equity Investment Transaction pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

5. New Organizational Documents.

On or immediately prior to the Effective Date, the New Organizational Documents shall be adopted or amended as may be necessary to effectuate the transactions contemplated by the Plan. To the extent required under the Plan or applicable non-bankruptcy law, each of the Post-Effective Date Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The New Organizational Documents will prohibit the issuance of non-voting Equity Securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. For the avoidance of doubt, the New Organizational Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Post-Effective Date Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents, and the Post-Effective Date Debtors may file such amended certificates or articles of incorporation, bylaws, or other applicable formation and constituent documents as permitted by the laws of the applicable states, provinces, or countries of incorporation and the New Organizational Documents. For the avoidance of doubt, any claimant's acceptance of the New Common Stock shall be deemed to constitute its agreement to be bound by the New Organizational Documents without the need for execution by any party other than the Post-Effective Date Debtors.

6. Certain Securities Law Matters.

Pursuant to section 1145 of the Bankruptcy Code, or, to the extent that section 1145 of the Bankruptcy Code is either not permitted or not applicable, section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, the offering, issuance, and distribution of the New Common Stock as contemplated herein shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. federal, state, or local laws requiring registration prior to the offering, issuance, distribution, or sale of securities.

The shares of New Common Stock to be issued under the Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, compliance with any applicable state or foreign securities laws, if any, and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Common Stock in the New Organizational Documents.

The shares of New Common Stock that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered "restricted securities," will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act.

7. Management Incentive Plan.

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to 10% of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

8. Employment Obligations.

Unless otherwise provided herein, and subject to Article V of the Plan, if applicable, all employee wages, compensation, retiree benefits (as defined in 11 U.S.C. § 1114(a) of the Bankruptcy Code), and benefit programs in

place as of the Effective Date with the Debtors shall be assumed by the Post-Effective Date Debtors and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to section 1129(a)(13) of the Bankruptcy Code, as of the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Post-Effective Date Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Post-Effective Date Debtors, such employee, and the Required Consenting Term Lenders and, in the event of an Equity Investment Transaction, the Purchaser.

D. The Asset Sale.

If the Asset Sale occurs, the following provisions shall govern.

1. The Asset Sale.

On the Effective Date, the Debtors shall consummate the Sale Transaction contemplated by the Purchase Agreement. Following the discharge of the Debtors pursuant to Section 1141 of the Bankruptcy Code and as set forth in this Plan and the Confirmation Order, the Acquired Assets shall, to the extent set forth in the Purchase Agreement, be transferred to and vest in the Purchaser free and clear of all Liens, Claims, Interests, charges, or other encumbrances (except for those Liens, Claims, Interests, charges, or other encumbrances expressly assumed by the Purchaser pursuant to the terms of the Purchase Agreement) in exchange for the Purchase Price as set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Post-Effective Date Debtors, and the Purchaser, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 105, 363, 365, 1123(a)(5)(B), 1123(a)(5)(D), 1123(b)(4), 1141(b), and 1141(c) of the Bankruptcy Code. From and after the Effective Date, except as expressly set forth in the Purchase Agreement, neither the Purchaser nor any of its affiliates shall be liable for any Claims, Administrative Claims, or other liabilities of the Debtors or the Post-Effective Date Debtors, which shall be payable solely in accordance with this Plan and from the proceeds of the Asset Sale and the other assets of the Debtors or Post-Effective Date Debtors, as applicable, that do not constitute Assumed Liabilities (as defined in the Purchase Agreement) or that were not otherwise transferred or assigned to the Purchaser or any of its affiliates pursuant to the Purchase Agreement.

Subject to the consent rights set forth in the RSA, the Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan, as well as to execute, deliver, file, record, and issue any note, documents, or agreements in connection therewith, without further notice to or order of the Bankruptcy Court; act or action under applicable law, regulation, order, rule; or the vote, consent, authorization, or approval of any Entity. Upon entry of the Confirmation Order by the Bankruptcy Court, all matters provided for under the Sale Transaction and the Plan, and any documents in connection therewith, shall be deemed authorized and approved without any requirement of further act or action by the Debtors. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors or the Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors' Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

3. Post-Effective Date Debtors.

On and after the Effective Date, the Post-Effective Date Debtors shall continue in existence for purposes of (i) winding down the Debtors' business and affairs as expeditiously as reasonably possible as authorized by the Bankruptcy Court; (ii) resolving Disputed Claims; (iii) making distributions on account of Allowed Claims as provided hereunder; (iv) establishing and funding the Distribution Reserve Accounts; (v) enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in an efficacious manner and only to the extent the benefits of such enforcement or prosecution are reasonably believed to outweigh the costs associated therewith; (vi) filing appropriate tax returns; (vii) complying with any continuing obligations under the Purchase Agreement; and (viii) administering the Plan in an efficacious manner. The Post-Effective Date Debtors shall be deemed to be substituted as the party-in-lieu of the Debtors in all matters, including (x) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (y) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Notwithstanding anything to the contrary in the Plan, on the Effective Date, any Cause of Action not settled, released, discharged, enjoined, or exculpated under the Plan or transferred pursuant to the Purchase Agreement on or prior to the Effective Date shall vest in the Post-Effective Date Debtors and shall be subject to administration by the Plan Administrator, and the net proceeds thereof shall be Distributable Consideration.

4. Plan Administrator.

On the Effective Date, the authority, power, and incumbency of the persons acting as managers, directors, and officers of the Post-Effective Date Debtors shall be deemed to have resigned, solely in their capacities as such, and the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The Plan Administrator shall act for the Post-Effective Date Debtors in the same fiduciary capacity as applicable to a board of managers, directors, and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, and related documents are deemed amended by the Plan to permit and authorize the same) and shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan in accordance with the Wind Down and as otherwise provided in the Confirmation Order.

From and after the Effective Date, the Plan Administrator shall be the sole representative of, and shall act for, the Post-Effective Date Debtors. The foregoing shall not limit the authority of the Post-Effective Date Debtors or the Plan Administrator, as applicable, to continue the employment of any former manager or officer. The Debtors, after the Confirmation Date, and the Post-Effective Date Debtors or Plan Administrator, after the Effective Date, shall be permitted to make payments to employees pursuant to employment programs then in effect, and, in the reasonable business judgment of the Plan Administrator and upon three (3) Business Days' notice to counsel to the AHG, to implement additional employee programs and make payments thereunder solely as necessary to effectuate the Wind Down, without any further notice to or action, order, or approval of the Bankruptcy Court.

The powers of the Plan Administrator shall include any and all powers and authority to implement the Plan and to administer and distribute the Distribution Reserve Accounts and wind down the business and affairs of the Debtors and Post-Effective Date Debtors, including: (i) making distributions under the Plan; *provided* that, prior to making final distributions as contemplated herein and until all letters of credit issued under the First Lien Credit Agreement are replaced and cancelled, are drawn, or expire pursuant to their terms, the Plan Administrator or the Disbursing Agent, at the election of the Debtors or the Post-Effective Date Debtors, as applicable, shall reserve an amount of Distributable Consideration or New Common Stock, as applicable, on account of the Undrawn LC Facility Claims equal to the incremental distributions to which such Holders of First Lien Claims would be entitled if all undrawn letters of credit issued under the First Lien Credit Agreement were drawn and funded as contemplated therein (the "Undrawn LC Facility Claims Reserve"); (ii) liquidating, receiving, holding, investing, supervising, and protecting the assets of the Post-Effective Date Debtors in accordance with the Wind-Down Reserve; (iii) taking all steps to execute all instruments and documents necessary to effectuate the distributions to be made under the Plan; (iv) making distributions from the Distribution Reserve Accounts as contemplated under the Plan; (v) establishing

and maintaining bank accounts in the name of the Post-Effective Date Debtors; (vi) subject to the terms set forth herein, employing, retaining, terminating, or replacing professionals to represent it with respect to its responsibilities or otherwise effectuating the Plan to the extent necessary; (vii) paying all reasonable fees, expenses, debts, charges, and liabilities of the Post-Effective Date Debtors; (viii) except as otherwise provided for herein, enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in accordance with Article IV.E; (ix) administering and paying taxes of the Post-Effective Date Debtors, including filing tax returns; (x) representing the interests of the Post-Effective Date Debtors or the Estates before any taxing authority in all matters, including any action, suit, proceeding, or audit; (xi) in the event of a Sale Transaction, discharging the Sellers' and the Post-Effective Date Debtors' Post-Effective Date obligations under the Purchaser Agreement; and (xii) exercising such other powers as may be vested in it pursuant to order of the Bankruptcy Court or pursuant to the Plan, the Confirmation Order, or any applicable orders of the Bankruptcy Court or as the Plan Administrator reasonably deems to be necessary and proper to carry out the provisions of the Plan in accordance with the Wind-Down Reserve.

To the extent that undrawn letters of credit issued under the First Lien Credit Agreement are drawn after the Distribution Record Date, such Undrawn LC Facility Claims, if any, shall be satisfied from the Undrawn LC Facility Claims Reserve. The Plan Administrator shall hold in the Undrawn LC Facility Claims Reserve all dividends, payments, and other distributions made on account of, as well as any obligations arising from, the property held in the Undrawn LC Facility Claims Reserve, to the extent that such property continues to be so held at the time such distributions are made or such obligations arise. For the avoidance of doubt, the foregoing shall not affect distributions to holders of First Lien Claims on account of drawn letters of credit as of the Distribution Record Date.

(a) Retention of Professionals.

The Plan Administrator shall have the right to retain the services of attorneys, accountants, and other professionals that, at the discretion of the Plan Administrator, are necessary to assist the Plan Administrator in the performance of his or her duties for the Post-Effective Date Debtors. The reasonable fees and expenses of such professionals, if applicable, shall be paid from the Wind-Down Reserve upon the monthly submission of statements to the Plan Administrator. The payment of the reasonable fees and expenses of the Post-Effective Date Debtors' retained professionals shall be made in the ordinary course of business from the Wind-Down Reserve and shall not be subject to the approval of the Bankruptcy Court.

(b) Compensation of the Plan Administrator.

The Plan Administrator's compensation, on a post-Effective Date basis, shall be as described in the Plan Supplement, reasonably acceptable to the Required Consenting Term Lenders, and paid out of the Wind-Down Reserve. Except as otherwise ordered by the Bankruptcy Court, the fees and expenses incurred by the Plan Administrator on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including attorney fees and expenses) made by the Plan Administrator in connection with such Plan Administrator's duties shall be paid without any further notice to, or action, order, or approval of, the Bankruptcy Court in Cash from the Wind-Down Reserve if such amounts relate to any actions taken hereunder.

(c) Plan Administrator Expenses.

All costs, expenses, and obligations incurred by the Plan Administrator or the Post-Effective Date Debtors in administering the Plan or in effecting distributions thereunder (including the reimbursement of reasonable expenses), including any costs, expenses, or obligations in any manner connected, incidental, or related thereto, shall be paid from the Wind-Down Reserve.

The Debtors and the Plan Administrator, as applicable, shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. However, in the event that the Plan Administrator is so ordered after the Effective Date, all costs and expenses of procuring any such bond or surety shall be paid for with Cash from the Wind-Down Reserve.

(d) Exculpation, Indemnification, Insurance, and Liability Limitation.

The Plan Administrator and all professionals retained by the Plan Administrator, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Post-Effective Date Debtors. The Plan Administrator may obtain, at the expense of the Post-Effective Date Debtors and with funds from the Wind-Down Reserve, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Post-Effective Date Debtors. The Plan Administrator may rely upon written information previously generated by the Debtors.

(e) Tax Returns.

After the Effective Date, the Plan Administrator shall complete and file all final or otherwise required federal, state, and local tax returns for each of the Debtors and, pursuant to section 505 of the Bankruptcy Code and subject to applicable law, may request an expedited determination of any unpaid tax liability of such Debtor or its Estate.

(f) Dissolution of the Post-Effective Date Debtors.

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made, completion of all of its duties under the Plan and the Purchase Agreement, and entry of a final decree closing the last of the Chapter 11 Cases, the Post-Effective Date Debtors shall be deemed to be dissolved without any further action by the Post-Effective Date Debtors, including the filing of any documents with the secretary of state for the state in which each Post-Effective Date Debtor is formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Post-Effective Date Debtors in and withdraw the Post-Effective Date Debtors from applicable state(s).

To the extent the Debtors have any Cash or other property remaining after the Chapter 11 Cases have been closed, such Cash or other property shall constitute Residual Cash and shall be immediately allocated and distributable to the Holders of Allowed First Lien Claims.

5. Wind Down.

As soon as practicable after the Effective Date, the Plan Administrator shall: (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby; (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

The filing of the final monthly report (for the month in which the Effective Date occurs) and all subsequent quarterly reports shall be the responsibility of the Plan Administrator.

E. Preservation of Causes of Action.

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article VIII hereof and, in the event of a Sale Transaction, the Purchase Agreement and any related documents and schedules, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action (i) acquired by the Purchaser in accordance with the Purchase Agreement, as applicable, or (ii) released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as may be assigned or transferred to the Purchaser in accordance with the Purchase Agreement or as otherwise expressly provided in the Plan, including Article VIII of the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims, and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to this Article IV.E include any Claim or Cause of Action against a Released Party or Exculpated Party.

F. Cancellation of Existing Agreements and Interests.

On the Effective Date, except with respect to the New Takeback Facility or to the extent otherwise provided in the Plan, including in Article V.A hereof, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including the First Lien Credit Documents and all other credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto, including any Liens and/or claims in connection therewith, shall be deemed satisfied in full, cancelled, discharged, released, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification and participation by the other lenders in letters of credit

under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents; *provided* that any such rights to indemnification shall remain binding and enforceable only as against the Post-Effective Date Debtors and shall not (i) be subject to discharge, impairment, or release under the Plan or the Confirmation Order or (ii) be asserted against the Purchaser, any of its Affiliates, or their respective property or assets, including any Acquired Entity (as defined in the Purchase Agreement).

G. Section 1146 Exemption.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Post-Effective Date Debtor, as applicable, or to or from any other Person) of property under the Plan or pursuant to: (i) the issuance, Reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Post-Effective Date Debtors, as applicable; (ii) the Restructuring Transactions; (iii) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iv) the making, assignment, or recording of any lease or sublease; (v) the grant of collateral as security for the New Takeback Facility; (vi) the Sale Transaction and any agreement, acquisition, or transaction entered into by the Purchaser or any of its affiliates in connection with the Sale Transaction or in furtherance thereof, including any acquisitions of real or personal property by the Purchaser or its affiliates from one or more of the Debtors' creditors or landlords in connection with consummation of the Sale Transaction or from other parties in connection with the closing of the Sale Transaction and/or integral to the financing thereof; or (vii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax, fee, or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax, fee, or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146 of the Bankruptcy Code, shall forego the collection of any such tax, fee, or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment.

H. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including, as and if applicable: (i) selection of the directors, officers, or managers for the Post-Effective Date Debtors; (ii) the issuance and distribution of the New Common Stock; (iii) implementation of the Restructuring Transactions; (iv) entry into the New Takeback Facility Documents; (v) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (vi) adoption of the New Organizational Documents; (vii) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (viii) adoption by the New Board of the Management Incentive Plan; (ix) consummation of the Sale Transaction pursuant to the Purchase Agreement and related documents; (x) formation of the Post-Effective Date Debtors and selection of the Plan Administrator; and (xi) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Post-Effective Date Debtors and any corporate action required by the Debtors or the Post-Effective Date Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Post-Effective Date Debtors. On or prior to the Effective Date, as applicable, the appropriate officers of the Debtors or the Post-Effective Date Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Post-Effective Date Debtors, including, in the event of a Recapitalization

Transaction or an Equity Investment Transaction, the New Common Stock, the New Organizational Documents, the New Takeback Facility, the New Takeback Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Directors and Officers of the Post-Effective Date Debtors.

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire. In the event of a Recapitalization Transaction or an Equity Investment Transaction, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the special committee of Cyxtera's board of directors, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA and, if applicable, the Purchase Agreement.

J. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Post-Effective Date Debtors and their respective officers and boards of directors and managers are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Post-Effective Date Debtors without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

K. Vesting of Assets in the Post-Effective Date Debtors.

Except as otherwise provided in the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, or entered into in connection with or pursuant to, the Plan, the Plan Supplement, or the New Takeback Facility Documents, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan (other than the GUC Trust Assets) shall vest in each respective Post-Effective Date Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, each Post-Effective Date Debtor may operate its business and use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

L. Private Company.

The Post-Effective Date Debtors shall not have any class of Equity Securities listed on a national securities exchange and shall make commercially reasonable efforts to take the steps necessary to be a private company without Securities Act or Exchange Act reporting obligations upon emergence or as soon as practicable thereafter in accordance with and to the extent permitted by the Securities Act and the Exchange Act.

M. GUC Trust.

1. General Terms.

On the Effective Date, the Debtors and the GUC Trustee shall enter into the GUC Trust Agreement and the GUC Trust Assets shall vest or deem to be vested in the GUC Trust automatically without further action by any Person, free and clear of all Claims and Liens, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The GUC Trust shall be administered by the GUC Trustee and governed by the GUC Trust Agreement and shall have the sole power and authority to distribute the GUC Trust Net Assets to Holders of Allowed General Unsecured Claims in accordance with the treatment set forth in the Plan for Class 4. The GUC Trust Agreement may include reasonable and customary provisions that allow for indemnification by the GUC Trust and the GUC Trustee.

The powers, rights, and responsibilities of the GUC Trustee shall be specified in the GUC Trust Agreement and shall include the responsibility and requisite power to reconcile General Unsecured Claims, including asserting any objections thereto. From and after the Effective Date, the GUC Trustee, on behalf of the GUC Trust, shall, in the ordinary course of business and without the need for any approval by the Bankruptcy Court, pay the GUC Trust Fees and Expenses from the GUC Trust Assets. The Debtors, the Post-Effective Date Debtors, and their Affiliates (and anyone acting on their behalf) shall not be responsible for any costs, fees, or expenses of the GUC Trust. The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at the later of (i) such time as all distributions required to be made by the GUC Trustee under the Plan have been made, and (ii) the fifth anniversary of the Effective Date (unless extended by order of the Bankruptcy Court).

2. Tax Treatment.

In furtherance of this section of the Plan, (i) it is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulation section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Internal Revenue Code to the Holders of General Unsecured Claims, consistent with the terms of the Plan, and accordingly, all assets held by the GUC Trust are intended to be deemed for United States federal income tax purposes to have been distributed by the Debtors or the Post-Effective Date Debtors, as applicable, to the Holders of Allowed General Unsecured Claims, and then contributed by the Holders of Allowed General Unsecured Claims to the GUC Trust in exchange for their interest in the GUC Trust; (ii) the primary purpose of the GUC Trust shall be the liquidation and distribution of the GUC Trust Net Assets in accordance with Treasury Regulation section 301.7701-4(d), including the resolution of General Unsecured Claims in accordance with this Plan, with no objective to continue or engage in the conduct of a trade or business; (iii) all parties (including, without limitation, the Debtors, the Post-Effective Date Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with such treatment described in provisos (i) and (ii) of this paragraph; (iv) all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as determined by the GUC Trustee (or its designee); (v) the GUC Trustee shall be responsible for filing all applicable tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a); and (vi) the GUC Trustee shall annually send to each Holder of an interest in the GUC Trust a separate statement regarding the receipts and expenditures of the trust as relevant for United States federal income tax purposes.

Subject to definitive guidance from the United States Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the United States Internal Revenue Service upon audit if not contested by the GUC Trustee), the GUC Trustee may timely elect to (i) treat any portion of the GUC Trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for United States state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims

receiving interests in the GUC Trust, and the GUC Trustee) shall report for United States federal, state, and local income tax purposes consistently with the foregoing. Any taxes (including with respect to earned interest, if any) imposed on the GUC Trust as a result of this treatment shall be paid out of the assets of the GUC Trust (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). The GUC Trustee may request an expedited determination of taxes of the GUC Trust, including any reserve for Disputed Claims, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

The GUC Trust shall continue to have all of the rights and powers granted to the GUC Trust as set forth in this Plan and applicable non-bankruptcy law, and the GUC Trustee shall also have the rights, powers, and obligations set forth in the GUC Trust Agreement.

3. Transfer of GUC Trust Interests.

Any and all interests in the GUC Trust shall be transferrable either (i) with the consent of the Post-Effective Date Debtors or, (ii) by will, intestate succession, or otherwise by operation of law. In addition, any and all interests in the GUC Trust will not constitute “securities” and will not be registered pursuant to the Securities Act or any applicable state or local securities law. However, if it should be determined that any such interests constitute “securities,” the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied, and the offer, issuance, and distribution under the Plan of interests in the GUC Trust will be exempt from registration under the Securities Act and all applicable state and local securities laws and regulations.

N. *Director and Officer Liability Insurance.*

After the Effective Date, none of the Post-Effective Date Debtors shall terminate or otherwise reduce the coverage under any of the D&O Liability Insurance Policies (including any “tail policy”) in effect on or after the Petition Date, with respect to conduct or events occurring prior to the Effective Date, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date. For the avoidance of doubt, in the event of an Asset Sale, the D&O Liability Insurance Policies will not be assumed and assigned to the Purchaser, and any obligations in connection therewith shall not be enforceable against the Purchaser.

**ARTICLE V.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. *Assumption of Executory Contracts and Unexpired Leases.*

On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall (i) in the event of an Equity Investment Transaction or a Recapitalization Transaction, be deemed assumed or assumed and assigned, as applicable; or (ii) in the event of an Asset Sale, be (a) assumed or assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement if it is not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (c) rejected if it is (x) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (y) not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered

into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, the Purchase Agreement (in the event of a Sale Transaction), and the Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. In the event of a Sale Transaction, each Executory Contract and Unexpired Lease assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement shall vest in and be fully enforceable by the Purchaser or the applicable designee in accordance with its terms, except as modified by the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption and assignment.

Except as otherwise provided herein or agreed to by the Debtors, the Purchaser (in the event of a Sale Transaction), and the applicable counterparty, each assumed (or assumed and assigned) Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, and with the consent of the Purchaser (in the event of an Asset Sale), reserve the right to alter, amend, modify, or supplement the Schedule of Assumed Executory Contracts and Unexpired Leases and the Schedule of Rejected Executory Contracts and Unexpired Leases at any time through and including ten (10) days before the Effective Date; *provided* that, following the Effective Date and solely in the event of an Asset Sale, the Plan Administrator or Purchaser may supplement the Schedule of Assumed Executory Contracts and Unexpired Leases at any time in accordance with the Purchase Agreement, including the notice and consent rights set forth therein; *provided further* that in the event of a Recapitalization Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the RSA, and in the event of a Sale Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the Purchase Agreement.

B. Indemnification Obligations.

Consistent with applicable law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, D&O Liability Insurance Policies, or otherwise) for current and former members of any Governing Body, directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall (i) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order; (ii) remain intact, in full force and effect, and irrevocable; (iii) not be limited, reduced, or terminated after the Effective Date; and (iv) survive the effectiveness of the Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date irrespective of whether such indemnification obligation is owed for an act or event occurring before, on, or after the Petition Date. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Post-Effective Date Debtors and/or the Plan Administrator, as applicable. For the avoidance of doubt, if the Asset Sale is consummated, no such obligations shall be enforceable against the Purchaser or any of its affiliates.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the rejection, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan, the Schedule of Rejected Executory Contracts and Unexpired Leases, or the Purchase Agreement in the event of a Sale Transaction, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Confirmation Order and served on the Post-Effective Date Debtors no later than thirty (30) days after the effective date of such rejection. The notice of the Plan Supplement shall be deemed appropriate notice of rejection when served on applicable parties.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within thirty (30) days after the effective date of such rejection will be automatically disallowed and forever barred from assertion and shall not be enforceable against the Debtors, the Post-Effective Date Debtors, the Estates, the GUC Trust, the Purchaser, the Plan Administrator, or their property without the need for any objection by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the Purchaser, or the GUC Trust, as applicable, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged and shall be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary.

All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim as set forth in Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

D. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection (an "Executory Contract Objection") filed by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or assumption and assignment, including pursuant to the Plan, or related Cure amount must be Filed, served, and actually received by counsel to the Debtors and the U.S. Trustee by the applicable Assumption or Rejection Objection Deadline or any other deadline that may be set by the Bankruptcy Court. Any Executory Contract Objection (x) timely Filed prior to the Confirmation Hearing will be heard by the Bankruptcy Court at the Confirmation Hearing unless otherwise agreed to by the Debtors and the objecting party, with the consent of the Purchaser (in the case of an Asset Sale), or (y) timely Filed after the Confirmation Hearing shall be heard as soon as reasonably practicable on a date requested by the Debtors or the Post-Effective Date Debtors, as the case may be, with the consent of the Purchaser (in the event of an Asset Sale). Any Executory Contract Objection that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Purchaser or any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure amount; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure amount despite the failure of the relevant counterparty to File an Executory Contract Objection. The Debtors or the Post-Effective Date Debtors, as applicable, may also settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption and/or assignment.

If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption (or assumption and assignment), then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order (which may be the Confirmation Order) resolving such dispute, approving such assumption (and, if applicable, assumption and assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, the Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

To the extent an Executory Contract Objection relates solely to a Cure, the Debtors or the Post-Effective Date Debtors, as applicable, may assume and/or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Cure objection; *provided* that the Debtors or the Post-Effective Date Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure payment by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Post-Effective Date Debtor); *provided* further that any Cash reserved in accordance with the forgoing shall not constitute an Acquired Asset and shall be maintained by the Debtors or the Post-Effective Date Debtors, as applicable.

Assumption (or assumption and assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan, the Purchase Agreement, or otherwise and full payment of any applicable Cure pursuant to this Article V.D shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed (or assumed and assigned) in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

For the avoidance of doubt, if the Asset Sale is consummated pursuant to the Purchase Agreement, the Purchaser shall not have any obligation with respect to any Cure. To the extent any Cure dispute arises after the Effective Date with respect to an Executory Contract or Unexpired Lease assumed and assigned to the Purchaser, the resolution of such Cure dispute shall be the sole responsibility of the Debtors or the Post-Effective Date Debtors, and the Purchaser shall have no liability in connection therewith.

E. Insurance Policies.

Each of the Debtors’ insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. If the Debtors consummate the Equity Investment Transaction or the Recapitalization Transaction, unless otherwise provided in the Plan, on the Effective Date, (i) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies and (ii) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the Post-Effective Date Debtors.

If the Debtors consummate the Asset Sale, unless otherwise provided in the Plan or Purchase Agreement, on the Effective Date, (i) each of the Debtors’ insurance policies (excluding all D&O Liability Insurance Policies) shall be assumed and assigned to the Purchaser in accordance with the Purchase Agreement and (ii) each of the Debtors’ D&O Liability Insurance Policies shall be assumed by the Debtors and shall revest in the Post-Effective Date Debtors.

Nothing in the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or supervening), (i) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (ii) alters or modifies the duty, if any, that the insurers or third party administrators pay claims

covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Post-Effective Date Debtors) or draw on any collateral or security therefor.

F. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Post-Effective Date Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

G. Reservation of Rights.

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors or the Post-Effective Date Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan.

H. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

I. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtors or the Post-Effective Date Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed.

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim or Interest is not an Allowed Claim or Allowed Interest on the Effective Date, on the date that such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

B. Disbursing Agent.

All distributions under the Plan shall be made by the Disbursing Agent or the GUC Trustee, as applicable, on the Effective Date or at such other time as provided for in the Plan. The Disbursing Agent and the GUC Trustee shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent or the GUC Trustee is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Post-Effective Date Debtors or the GUC Trust, respectively.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby (other than distributions on account of General Unsecured Claims); (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Post-Effective Date Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions in General.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims or Allowed Interests shall be made to Holders of record as of the Distribution Record Date by the Disbursing Agent or the GUC Trustee, as appropriate: (a) to the signatory set forth on any Proof of Claim or Proof of Interest filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Proof of Interest is filed or if the Debtors or the GUC Trust have not been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Post-Effective Date Debtors, or the Disbursing Agent or the GUC Trustee, as appropriate, after the date of any related Proof of Claim or Proof of Interest; or (c) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Subject to this Article VI, distributions under the Plan on account of Allowed Claims or Allowed Interests shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim or Allowed Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trustee, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for fraud, gross negligence, or willful misconduct. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

3. Minimum Distributions.

No fractional shares of New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Common Stock that is not a whole number, the actual distribution of shares of New Common Stock shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Common Stock to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

4. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent or the GUC Trustee has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (in the case of distributions from the GUC Trust Net Assets), as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheatment, abandoned property, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder related to such property or interest in property shall be discharged and forever barred. The Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trust shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings. For the avoidance of doubt, treatment of undeliverable distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

E. Manner of Payment.

At the option of the Disbursing Agent or the GUC Trustee, as applicable, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in the GUC Trust Agreement or other applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors, the Post-Effective Date Debtors, and the GUC Trust reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances in a tax-efficient manner acceptable to the Required Consenting Term Lenders.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan, the DIP Orders, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in the Plan, each Post-Effective Date Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (i) agreed in amount among the relevant Post-Effective Date Debtor(s) and Holder of Allowed Claim or (ii) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Post-Effective Date Debtor or its successor of any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Post-Effective Date Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties.

The Debtors, the Post-Effective Date Debtors, and the GUC Trust, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets), as applicable, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder timely to repay or return such distribution shall result in the Holder owing the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets) annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is fully repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained herein (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Disputed Claims Process.

The Debtors and the Post-Effective Date Debtors, and the GUC Trust (solely with respect to General Unsecured Claims), shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under the Plan. **Except as otherwise provided herein, all Proofs of Claim Filed after the earlier of: (a) the Effective Date or (b) the applicable claims bar date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, without the need for any objection by the Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance of Claims.

After the Effective Date and subject to the terms of the Plan and the Purchase Agreement (in the event of an Asset Sale), the Plan Administrator, each of the Post-Effective Date Debtors, the GUC Trust, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy law. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Allowed Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest.

Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim is or has been timely Filed, or that is not or has not been Allowed by the Plan or a Final Order is not considered Allowed and shall be expunged without further action by the Debtors and without further notice to any party or action, approval, or order of the Bankruptcy Court.

C. Estimation of Claims.

Before or after the Effective Date, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register but that either is subject to appeal or has not been the subject of a Final Order shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) days after the date on which such Disputed Claim or Interest is estimated.

D. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Plan, after the Effective Date, the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (solely with respect to the General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, shall have the sole authority: (i) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (ii) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (iii) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Post-Effective Date Debtor or the GUC Trust, as applicable, shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to the Plan.

E. Time to File Objections to Claims.

Any objections to Claims shall be Filed by the Post-Effective Date Debtors or the GUC Trust, and, in the event of an Asset Sale, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

F. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (with respect to General Unsecured Claims), as applicable, without the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Disputed and Contingent Claims Reserve.

On or after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, may establish one or more reserves for Claims that are contingent or have not yet been Allowed, in an amount or amounts as reasonably determined by the applicable Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, consistent with the Proof of Claim Filed by the applicable Holder of such Disputed Claim. Following the final resolution of all Disputed Claims, any residual amounts in the Disputed Claims Reserve shall constitute Residual Cash and be immediately distributable to Holders of Allowed First Lien Claims.

H. Disallowance of Claims or Interests.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Post-Effective Date Debtors, as applicable, allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims or Interests may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Post-Effective Date Debtors. All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan after notice to the Holder of such Claim, but without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Post-Effective Date Debtors or the GUC Trust (with respect to the General Unsecured Claims), in their sole discretion, any and all Proofs of Claim Filed after the applicable bar date shall be deemed Disallowed as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

I. Amendments to Proofs of Claim or Interest.

On or after the Effective Date, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the GUC Trust (with respect to General Unsecured Claims), or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, and any such new or amended Proof of Claim or Proof of Interest Filed that is not so authorized before it is Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court absent prior Bankruptcy Court approval or agreement by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction) as applicable; *provided* that the foregoing shall not apply to Administrative Claims or claims filed by Governmental Units to the extent the applicable bar date has not yet occurred.

J. Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest.

K. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in

accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent (or the GUC Trustee, with respect to General Unsecured Claims) shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

Any Holder of such Secured Claim or claim against a non-Debtor Affiliate (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Post-Effective Date Debtors, to release any collateral or other property of any Debtor or non-Debtor Affiliate (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder) and to take such actions as may be reasonably requested by the Post-Effective Date Debtors or the Plan Administrator, as applicable, to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. *Releases by the Debtors.*

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors, their Estates, and, if applicable, the Post-Effective Date Debtors and the Plan Administrator, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any Avoidance Actions and any derivative claims asserted or assertable on behalf of the Debtors, their Estates, the Post-Effective Date Debtors, or the Plan Administrator), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, their Estates, the Post-Effective Date Debtors, if applicable, the Plan Administrator, if applicable, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Plan; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Debtors' Estates, or, if applicable, the Post-Effective Date Debtors or the Plan Administrator, asserting any Claim or Cause of Action released pursuant to the Debtor Release.

D. *Releases by Holders of Claims and Interests.*

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing

Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the confirmation of the Plan; (iii) given in exchange for good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

E. Exculpation.

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the New Takeback Facility Documents, the Receivables Program Documents, and all other Definitive Documents, the solicitation of votes for, or Confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Post-Effective Date Debtors, if applicable, in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such

Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability; *provided*, however, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

F. Injunction.

Except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date through and until the date upon which all remaining property of the Debtors' Estates vested in the Post-Effective Date Debtors has been liquidated and distributed in accordance with the terms of the Plan, from taking any of the following actions against, as applicable, the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iii) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Except as otherwise set forth in the Confirmation Order, each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F.

G. Protections Against Discriminatory Treatment.

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Post-Effective Date Debtors, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against the Post-Effective Date Debtors, or another Entity with whom the Post-Effective Date Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention.

On and after the Effective Date, the Post-Effective Date Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Post-Effective Date Debtors, and in accordance with the Purchase Agreement (if applicable).

I. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (i) such Claim has been adjudicated as non-contingent or (ii) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

All Claims against and Interests in the Debtors shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or Interest has voted on the Plan.

B. Additional Documents.

On or before the Effective Date, and consistent in all respects with the terms of the RSA, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary to effectuate and further evidence the terms and conditions of the Plan and the RSA. After the Effective Date, the Debtors are authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have Filed such renewed requests.

H. Term of Injunctions or Stays.

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Entire Agreement.

Except as otherwise indicated, including with respect to the Purchase Agreement (if applicable), and without limiting the effectiveness of the RSA, the Plan (including, for the avoidance of doubt, the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

J. Exhibits.

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. After the exhibits and documents are Filed, copies of such exhibits and documents shall be available upon written request to the Debtors' counsel at the address above or by downloading such exhibits and documents from the Debtors' restructuring website at <https://www.kccllc.net/cvxtera> or the Bankruptcy Court's website at www.tx.uscourts.gov/bankruptcy. To the extent any exhibit or document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of the Plan shall control.

K. Nonseverability of Plan Provisions.

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and

provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (i) valid and enforceable pursuant to its terms; (ii) integral to the Plan, and any deletion or modification thereof shall be subject to the consent rights set forth in the RSA, the Purchase Agreement (if applicable), and herein; and (iii) nonseverable and mutually dependent.

L. Votes Solicited in Good Faith.

Upon entry of the Confirmation Order, the Debtors will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, the Debtors and each of their respective Affiliates, agents, representatives, members, principals, shareholders, officers, directors, managers, employees, advisors, and attorneys shall be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer, issuance, sale, and purchase of Securities offered and sold under the Plan and any previous plan, and, therefore, neither any of such parties nor individuals nor the Post-Effective Date Debtors will have any liability for the violation of any applicable law, rule, or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, or purchase of the Securities offered and sold under the Plan or any previous plan.

M. Good Faith; No Collusion.

In the event of an Asset Sale, upon entry of the Confirmation Order, the Debtors and the Purchaser, and each of their management, board of directors or equivalent governing body, officers, directors, employees, agents, members, managers, equity holders, and representatives will be found and deemed to have negotiated, proposed, and entered into the Purchase Agreement in good faith, without collusion or fraud, and from arms'-length bargaining positions.

N. Closing of Chapter 11 Cases.

The Post-Effective Date Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

O. Waiver or Estoppel.

Each Holder of a Claim or Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Interest should be Allowed in a certain amount, in a certain priority, secured, or not subordinated by virtue of an agreement made with the Debtors or their counsel, or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement, the RSA, or papers Filed with the Bankruptcy Court prior to the Confirmation Date.

P. Creditor Default.

An act or omission by a Holder of a Claim or Interest or the Purchaser in contravention of the provisions of the Plan shall be deemed an event of default under the Plan. Upon an event of default, the Post-Effective Date Debtors may seek to hold the defaulting party in contempt of the Confirmation Order and shall be entitled to reasonable attorneys' fees and costs of the Post-Effective Date Debtors in remedying such default. Upon the finding of such a default by a Holder of a Claim or Interest, the Bankruptcy Court may: (a) designate a party to appear, sign, and/or accept the documents required under the Plan on behalf of the defaulting party, in accordance with Bankruptcy Rule 7070; (b) enforce the Plan by order of specific performance; (c) award a judgment against such defaulting Holder of a Claim or Interest in favor of the Post-Effective Date Debtors in an amount, including interest, if applicable, to compensate the Post-Effective Date Debtors for the damages caused by such default; and (d) make such other order as may be equitable that does not materially alter the terms of the Plan.

Q. Removal or Abandonment of Third Parties' Property.

Except as set forth in the Purchase Agreement (if applicable), nothing in the Plan shall impose upon the Post-Effective Date Debtors any obligation to store or protect any third party's property, all of which property will be deemed abandoned and surrendered to the Post-Effective Date Debtors if such property has not been removed (by its owner in a commercially reasonable manner, and with insurance to cover any damage from such removal) from any real property owned or leased by the Post-Effective Date Debtors within forty-five (45) days after Confirmation of the Plan. Following the abandonment and surrender of any such property, the Post-Effective Date Debtors may sell, transfer, assign, scrap, abandon, or otherwise dispose of such property and retain any proceeds resulting therefrom.

Re: Contracts to be Assumed (the “**Contracts**”) by Cologix Canada, Inc. (“**Cologix**”) pursuant to that certain Asset Purchase Agreement dated as of October 30, 2023 (the “**APA**”) by and between Cologix, as purchaser, and Cyxtera Communications Canada, ULC (“**Cyxtera**”), as seller.

To Whom It May Concern:

I am writing to confirm Cologix’s ability to provide future performance under the Contracts following closing under the APA. Cologix is a leading provider of digital edge and hyperscale data centers in North America, with over 40 facilities located in 11 strategic markets. Since our founding, Cologix has completed 15 acquisitions, resulting in the development of a leading data center platform supporting over 1,600 leading network, MSPs, cloud, media, content, financial, and enterprise customers. Cologix reliably supports these customers’ business-critical infrastructure and facilitates connection from their environments to those of their customers, vendors, and partners. Accordingly, we have substantial experience onboarding and supporting customers through acquisitions, and have the resources to ensure all customers have the support and infrastructure they need.

In addition to operational expertise, Cologix is well-capitalized. In 2021, Cologix successfully completed a ~\$3 Billion US Dollar equity recapitalization from new and existing investors with a depth of experience in the data center and real estate industries. Our recapitalization is providing long-term support for our development and expansion plans across new and existing markets, including this transaction. In addition to our equity recapitalization, over the past 18 months Cologix has raised ~\$2 Billion US Dollar in financing through our ABS supporting Canadian and US facilities.

The acquisition of assets pursuant to the APA aligns with Cologix’s existing platform, as the facilities to be acquired are both located in buildings where Cologix currently operates. Accordingly, our operations team is familiar with each facility’s infrastructure, connectivity, and personnel, allowing us to quickly resolve problems and support customer requests. Our expertise and experience operating data centers across North America, and specifically in Vancouver and Montreal, will ensure stability and future performance under each of the Contracts.

If you have any questions, or would like any additional information, please do not hesitate to contact me at jared.knight@cologix.com.

Sincerely,

10. Nothing contained in the Motion or this Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order), is intended as or shall be construed or deemed to be: (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this Interim Order or the Motion or any order granting the relief requested by the Motion; (e) a request or authorization to assume or adopt any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission by the Debtors as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors, or any other party in interest's claims, causes of action or other rights under the Bankruptcy Code or any other applicable law; (h) an approval, assumption, or adoption of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors'

The summary of the Plan provided herein is qualified in its entirety by reference to the Plan. In the case of any inconsistency between this Disclosure Statement and the Plan, the Plan will govern.

The Plan and Disclosure Statement have neither been filed with, nor approved or disapproved by the SEC or any similar federal, state, local, or foreign federal regulatory authority and neither the SEC nor any such similar regulatory authority has passed upon the accuracy or adequacy of the information contained in this Disclosure Statement or the Plan. The securities to be issued on or after the Effective Date will not have been the subject of a registration statement filed with the SEC under the Securities Act of 1933, as amended (the “Securities Act”), or any securities regulatory authority of any state under any state securities law (“Blue-Sky Laws”). Any representation to the contrary is a criminal offense. The securities may not be offered or sold within the United States or to, or for the account or benefit of, United States persons (as defined in Regulation S under the Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable laws of other jurisdictions.

The Debtors will rely on section 1145(a) of the Bankruptcy Code to exempt from registration under the Securities Act and Blue-Sky Laws the offer, issuance, and distribution, if applicable, of New Common Stock under the Plan (other than any New Common Stock underlying the Management Incentive Plan), and to the extent such exemption is not available, then such New Common Stock will be offered, issued, and distributed under the Plan pursuant to other applicable exemptions from registration under the Securities Act and any other applicable securities laws. Neither the Solicitation nor this Disclosure Statement constitutes an offer to sell or the solicitation of an offer to buy securities in any state or jurisdiction in which such offer or solicitation is not authorized.

Any New Common Stock underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom.

You are cautioned that all forward-looking statements are necessarily speculative, and there are certain risks and uncertainties that could cause actual events or results to differ materially from those referred to in such forward-looking statements. The projections and forward-looking information contained herein and attached hereto are only estimates, and the timing and amount of actual distributions to Holders of Allowed Claims and Allowed Interests, among other things, may be affected by many factors that cannot be predicted. Any analyses, estimates, or recovery projections may or may not turn out to be accurate.

I. INTRODUCTION

Cyxtera Technologies, Inc. and its affiliated debtors and debtors in possession (collectively, the “Debtors,” and together with their non-Debtor affiliates, “Cyxtera” or the “Company”), submit this Disclosure Statement, pursuant to section 1125 of the Bankruptcy Code, to Holders of Claims against the Debtors in connection with the solicitation of votes for acceptance of the Plan. A copy of the Plan is attached hereto as Exhibit A and incorporated herein by reference.

THE DEBTORS, CERTAIN CONSENTING STAKEHOLDERS THAT HAVE EXECUTED THE RSA, AND THE COMMITTEE BELIEVE THAT THE COMPROMISES CONTEMPLATED UNDER THE PLAN ARE FAIR AND EQUITABLE, MAXIMIZE THE VALUE OF THE DEBTORS’ ESTATES, AND PROVIDE THE BEST RECOVERY TO STAKEHOLDERS. AT THIS TIME, THE DEBTORS AND THE COMMITTEE BELIEVE THE PLAN REPRESENTS THE BEST AVAILABLE OPTION FOR COMPLETING THE CHAPTER 11 CASES. THE DEBTORS AND THE COMMITTEE STRONGLY RECOMMEND THAT YOU VOTE TO ACCEPT THE PLAN.

II. PRELIMINARY STATEMENT

Cyxtera filed these Chapter 11 Cases to implement a comprehensive financial and operational restructuring. Founded in 2017 through a carve-out acquisition from Lumen Technologies, Inc. (f/k/a CenturyLink, Inc.), Cyxtera is a global leader in data center colocation and interconnection services. Cyxtera provides an innovative suite of connected and intelligently-automated infrastructure and interconnection solutions to more than 2,300 leading enterprises, service providers, and government agencies around the world. From its founding in 2017, Cyxtera’s core business performance has remained strong, generating revenue growth from \$695 million in 2017 to \$746 million in 2022.

Despite its strong core business performance, the Company has recently faced significant headwinds owing primarily to inflation and macroeconomic volatility, which have driven up interest rates and energy prices. As inflation swelled in 2021 and 2022, the Federal Reserve reacted by raising interest rates at the fastest pace in decades. This contributed to the ballooning of Cyxtera’s annualized interest expense on funded debt from \$35.9 million in Q1 2022 to \$75.7 million in Q1 2023.

These challenges, along with the impending maturity of the Company’s revolving and term loans, placed increasing pressure on Cyxtera’s capital-intensive business, straining the Company’s liquidity profile and its ability to invest in the business. Accordingly, starting in late 2021, the Company began to explore all strategic alternatives, including an investment in or sale of some or all of its business, and, thereafter, a further equity investment from its existing sponsor.

As part of these efforts, the Company—with the assistance of Kirkland & Ellis, LLP (“Kirkland”) as legal counsel, Guggenheim Securities, LLC (“Guggenheim Securities”) as investment banker, and, later, AlixPartners, LLP (“AlixPartners,” and together with Kirkland and Guggenheim Securities, the “Advisors”) as financial advisor—engaged with an ad hoc group of First Lien Lenders (the “Ad Hoc Group”), represented by Gibson, Dunn & Crutcher LLP as legal counsel and Houlihan Lokey, Inc. as financial advisor, to chart a value-maximizing path forward. In parallel, on March 27, 2023, the Company, with the assistance of Guggenheim Securities, launched a marketing process (the “Marketing Process”) to engage potential interested parties concerning a significant investment in or purchase of some or all of the Company’s assets and/or equity (the “Sale Transaction”).

These discussions with the Ad Hoc Group proved successful, culminating in the entry into a restructuring support agreement (the “RSA”) on May 4, 2023, which enjoys the broad support of Holders whose claims represent approximately 86 percent of the claims arising on account of obligations under the

First Lien Credit Agreement, as well as the Consenting Sponsors. Concurrently with the entry into the RSA, members of the Ad Hoc Group provided Cyxtera with a new money, \$50 million term loan Bridge Facility, of which \$36 million was drawn prior to the Petition Date, to bridge the Company's financing needs, continue the prepetition Marketing Process, provide time to prepare for a potential chapter 11 filing, and otherwise avoid a value destructive, free fall bankruptcy filing.

One month after the RSA became effective, on June 4, 2023, Cyxtera initiated a prearranged court-supervised process under chapter 11 of the United States Bankruptcy Code in the U.S. Bankruptcy Court for the District of New Jersey ("the Bankruptcy Court"). The bankruptcy filing represented a continuation of the agreement embodied in the RSA, and the Debtors entered these Chapter 11 Cases on sound footing with a commitment of approximately \$200.5 million in debtor-in-possession financing from certain members of the Ad Hoc Group. At the "First Day" Hearing on June 6, 2023, the Bankruptcy Court granted interim approval to access approximately \$90.5 million of the \$200.5 million, \$40 million of which constituted new money, approximately \$36.5 million of which consisted of a "roll up" of prepetition obligations on account of the Bridge Facility (as defined herein), and \$14 million of which consisted of escrowed proceeds funded pursuant to the Bridge Facility (as defined herein). On July 19, 2023, the Bankruptcy Court granted final approval of the DIP Facility. The details of the DIP Facility are discussed in greater detail herein.

To facilitate the Marketing Process postpetition, the Debtors filed a motion to establish procedures to govern an efficient, public, and flexible auction process to realize the full value of existing assets and/or equity, which the Bankruptcy Court approved on June 29, 2023 [Docket No. 180] (the "Bidding Procedures Order") and the bidding procedures approved thereby, the "Bidding Procedures"). In accordance with the process outlined in the Bidding Procedures, the Debtors received at least one acceptable non-binding written proposal prior to the July 10, 2023, Acceptable Bidder (as defined in the Bidding Procedures) deadline. Accordingly, the Debtors extended the sale timeline whereby all binding bids must be actually received by no later than July 31, 2023, at 5:00 p.m. (prevailing Eastern Time). As the Marketing Process progressed, the Debtors, in consultation with the Ad Hoc Group and the official committee of unsecured creditors (the "Committee"), determined the significant and increasing interest in the Sale Package (as defined below) warranted an extension of the sale schedule. To that end, the Debtors filed the *Notices of Amended Sale Schedule* [Docket Nos. 353 and 450] extending certain deadlines and providing the Debtors with additional time to complete their comprehensive Marketing Process, to receive and evaluate bids, and, if necessary, to hold an Auction to determine the highest and best bid for some or substantially all of the New Common Stock of Reorganized Cyxtera and/or some or substantially all of the Debtors' assets (the "Sale Package").

The Debtors have received multiple bids for the Sale Package, but none of these bids were Qualified Bids (as defined in the Bidding Procedures). The Debtors do not believe at this time that any of the bids received to date are more value-maximizing than the Recapitalization Transaction proposed under the Plan. Accordingly, on August 29, 2023, the Debtors filed a *Notice of Cancellation of Auction* [Docket No. 472] notifying parties-in-interest that the Debtors, in accordance with the Bidding Procedures Order and in consultation with the Ad Hoc Group and the Committee, had cancelled the Auction scheduled to occur on August 30, 2023. However, negotiations with certain bidders remain ongoing as of the filing of this Disclosure Statement, and, as discussed further below, the Plan provides flexibility for the Debtors to "toggle" to a Sale Transaction should one develop that is more value-maximizing than the Recapitalization Transaction.

The Plan provides that the Debtors will pursue the Recapitalization Transaction unless a more value-maximizing Sale Transaction materializes with a third party prior to the Sale Transaction Notice Deadline (as defined herein). The Debtors' goal from the outset of these Chapter 11 Cases has been to maximize value for all stakeholders on the most expeditious timeline possible. Accordingly, while the Plan

contemplates the Recapitalization Transaction as the baseline transaction by which holders of claims should evaluate the Plan, the Debtors continue to engage with multiple bidders, and therefore, the Debtors may “toggle” to a Sale Transaction if a higher or otherwise better Sale Transaction materializes prior to the Sale Transaction Notice Deadline. If the Debtors “toggle” to a Sale Transaction pursuant to the Plan, the Debtors will file and serve a notice of such Sale Transaction by the Sale Transaction Notice Deadline that includes the identity of the successful bidder, as well as estimated recoveries with respect thereto for Holders of Class Three First Lien Claims (the “Estimated Recoveries”). If the Debtors do not “toggle” to a Sale Transaction, then by the Sale Transaction Notice Deadline, the Debtors will file and serve a notice of Estimated Recoveries for Holders of Class Three First Lien Claims under the Recapitalization Transaction.

Under the Recapitalization Transaction: (i) Holders of First Lien Claims shall receive their *pro rata* share of 100 percent of the New Common Stock, subject to dilution by the Management Incentive Plan, (ii) Holders of General Unsecured Claims shall receive their *pro rata* share of the GUC Trust Net Assets, and (iii) all DIP Claims shall be converted on the Effective Date on a dollar-for-dollar basis into New Takeback Facility Loans (unless such DIP Claims are paid in full in cash). The Recapitalization Transaction would deleverage Cyxtera’s prepetition indebtedness by more than \$950 million and provide Cyxtera with enhanced flexibility to invest in its business.

If the Plan “toggles” to a Sale Transaction, then under a Sale Transaction: (i) Holders of First Lien Claims shall receive their *pro rata* share of the Distributable Consideration, (ii) Holders of General Unsecured Claims shall receive their *pro rata* share of the GUC Trust Net Assets, and (iii) Holders of DIP Claims shall receive payment in full in Cash or, with the consent of the Required Consenting Term Lenders, such other treatment rendering such Allowed DIP Claims Unimpaired.

Since the appointment of the Committee on June 21, 2023 [Docket No. 133], the Debtors have devoted significant time and resources to providing diligence and engaging with the Committee and its advisors to bring them up to speed on the developments in the Debtors’ Chapter 11 Cases. The Debtors have been particularly diligent regarding certain key issues regarding the DIP Facility and the Plan—in the days and weeks immediately following the Committee’s appointment, the Debtors and the Committee engaged in constant dialogue regarding certain key issues including the establishment of an escrow account for certain “stub” rent amounts, the scope of DIP liens, implications, and potential impact of a Sale Transaction.

Discussions with the Committee have been, and continue to be, constructive. On September 22, 2023, the Debtors, the Committee, and the Required Consenting Term Lenders reached an agreement regarding the Committee’s potential challenges under the Final DIP Order and the Committee’s potential objection to the Disclosure Statement. The resolution with the Committee is reflected in the Plan and provides substantial value to Holders of General Unsecured Claims in the form of GUC Trust Assets of \$8.65 million in Cash. Accordingly, the Committee is supportive of the Plan and recommends that Holders of Class 4 General Unsecured Claims vote in favor of the Plan.

III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE PLAN

A. What is chapter 11?

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 promotes equality of treatment for creditors and similarly situated equity interest holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the date the chapter 11 case is commenced. The Bankruptcy Code

provides that a debtor may continue to operate its business and remain in possession of its property as a “debtor in possession.”

Consummating a plan is the principal objective of a chapter 11 case. A bankruptcy court’s confirmation of a plan binds the debtor, any person acquiring property under the plan, any creditor or equity interest holder of the debtor (whether or not such creditor or equity interest holder voted to accept the plan), and any other entity as may be ordered by the bankruptcy court. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor’s liabilities in accordance with the terms of the confirmed plan.

B. Why are the Debtors sending me this Disclosure Statement?

The Debtors are seeking to obtain Bankruptcy Court approval of the Plan. Before soliciting acceptances of the Plan, section 1125 of the Bankruptcy Code requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all holders of claims whose votes on the Plan are being solicited. This Disclosure Statement is being submitted in accordance with these requirements.

C. Am I entitled to vote on the Plan?

Your ability to vote on, and your distribution under, the Plan, if any, depends on what type of Claim or Interest you hold and whether you held that Claim or Interest as of the Voting Record Date (*i.e.*, as of September 14, 2023). Each category of Holders of Claims or Interests, as set forth in Article III of the Plan pursuant to sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, is referred to as a “Class.” Each Class’s respective voting status is set forth below:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Secured Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 3	First Lien Claims	Impaired	Entitled to Vote
Class 4	General Unsecured Claims	Impaired	Entitled to Vote
Class 5	Section 510 Claims	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 6	Intercompany Claims	Unimpaired / Impaired	Not Entitled to Vote (Deemed to Accept) / Not Entitled to Vote (Deemed to Reject)
Class 7	Intercompany Interests	Unimpaired / Impaired	Not Entitled to Vote (Deemed to Accept) / Not Entitled to Vote (Deemed to Reject)
Class 8	Existing Equity Interests	Impaired	Not Entitled to Vote (Deemed to Reject)

D. What is the “toggle” feature of the Plan?

The Plan will implement the Recapitalization Transaction unless the Debtors, with the consent of the Required Consenting Term Lenders, pivot or “toggle” to a Sale Transaction that results from the Marketing Process and the Debtors’ ongoing negotiations with certain bidders. If the Debtors “toggle” to a Sale Transaction, Claims and Interests will receive the proposed treatment under the Plan for a Sale Transaction. As a result, Holders of Claims will receive recoveries under the Plan on a much quicker timeline than if the Plan did not include a “toggle” feature, which reduces expenses and permits the Debtors to emerge in either scenario on the expedited timeline currently contemplated.

A vote to accept the Plan is a vote to approve both the Recapitalization Transaction and a Sale Transaction. If the Debtors “toggle” to a Sale Transaction pursuant to the Plan, the Debtors will file and serve a notice of such Sale Transaction that includes the identity of the successful bidder, as well as Estimated Recoveries with respect thereto for Holders of Class Three First Lien Claims by the Sale Transaction Notice Deadline. If the Debtors do not “toggle” to a Sale Transaction, the Debtors will file and serve, by no later than the Sale Transaction Notice Deadline, a notice of Estimated Recoveries for Holders of Class Three First Lien Claims under the Recapitalization Transaction.

E. What is the Recapitalization Transaction under the Plan?

The proposed Plan contemplates that the Debtors will pursue a balance sheet recapitalization unless the Debtors, with the consent of the Required Consenting Term Lenders, determine that a Sale Transaction presents a higher and/or more value-maximizing opportunity. If the Recapitalization Transaction is consummated, more than \$950 million of the Debtors’ prepetition funded debt obligations would be eliminated—Holders of First Lien Claims would receive, in full and final satisfaction of their First Lien Claims, their *pro rata* share of 100 percent of the Reorganized Cyxtera’s New Common Stock, subject to dilution by a Management Incentive Plan, and Holders of General Unsecured Claims would receive their *pro rata* share of the GUC Trust Net Assets.

F. What is a Sale Transaction under the Plan?

As the Debtors pursue the Recapitalization Transaction, they will continue to engage with all parties regarding a sale of the Sale Package. Should a Sale Transaction materialize that proves more value maximizing, the Debtors will “toggle” and pursue such a sale.

In the event of a Sale Transaction, a Purchaser would purchase all or substantially all of the New Common Stock in exchange for the Purchase Price (such transaction, an “Equity Investment Transaction”) or all or substantially all of the Debtors’ assets (such transaction, an “Asset Sale”). If a Sale Transaction is consummated, Holders of First Lien Claims would receive, in full and final satisfaction of their First Lien Claims, their *pro rata* share of the Distributable Consideration, Holders of General Unsecured Claims would receive their *pro rata* share of the GUC Trust Net Assets, and Holders of the DIP Claims would receive payment in full in Cash or, with the consent of Required Consenting Term Lenders, such other treatment rendering Allowed DIP Claims Unimpaired in accordance with section 1124 of the Bankruptcy Code. Further, depending on the type of transaction, whether an Asset Sale or Equity Investment Transaction, either the Post-Effective Date Debtors or the Purchaser, as applicable, would operate the Debtors’ businesses after the Effective Date.

G. When will I be informed if the Debtors “toggle” to a Sale Transaction?

While the Debtors are pursuing the Recapitalization Transaction, the Debtors continue to engage with multiple bidders regarding a potential Sale Transaction. If the Debtors “toggle” to a Sale Transaction in accordance with the Plan and with the consent of the Required Consenting Term Lenders, the Debtors will file and serve a notice of such Sale Transaction that includes the identity of the successful bidder, as well as Estimated Recoveries thereunder, by no later than the Sale Transaction Notice Deadline.

The Sale Transaction Notice Deadline, which is seven days prior to the Voting Deadline, is the date by which the Debtors must determine, in their reasonable business judgment, and with the consent of the Required Consenting Term Lenders, whether they will “toggle” to a Sale Transaction. If the Debtors determine, prior to the Sale Transaction Notice Deadline, that a bid is more value-enhancing than the Recapitalization Transaction, and if the Debtors obtain the consent of the Required Consenting Term Lenders, the Debtors will “toggle” and file and serve a notice of Sale Transaction, informing Holders of

Claims and Interests of the successful bidder, whether the Sale Transaction is an Equity Investment Transaction or an Asset Sale, and of the Estimated Recoveries for Holders of Class Three First Lien Claims.

If the Debtors do not believe any proposed Sale Transaction would be more value-enhancing than the Recapitalization Transaction the Debtors will file and serve notice to Holders of Claims and Interests informing them that the Debtors will seek to confirm the Recapitalization Transaction and of the Estimated Recoveries for Holders of Class Three First Lien Claims under the Recapitalization Transaction.

H. What will I receive from the Debtors if the Plan is consummated?

The following chart provides a summary of the anticipated recovery to Holders of Claims or Interests under the Plan. Any estimates of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court. Your ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain Confirmation and meet the conditions necessary to consummate the Plan.

THE PROJECTED RECOVERIES SET FORTH IN THE TABLE BELOW ARE ESTIMATES ONLY AND THEREFORE ARE SUBJECT TO CHANGE. FOR A COMPLETE DESCRIPTION OF THE DEBTORS' CLASSIFICATION AND TREATMENT OF CLAIMS AND INTERESTS, REFERENCE SHOULD BE MADE TO THE ENTIRE PLAN.⁴

SUMMARY OF EXPECTED RECOVERIES				
Class	Claim/Interest	Treatment of Claim/ Interest	Projected Allowed Amount of Claims	Estimated % Recovery

Class 7	Intercompany Interests	On the Effective Date, Intercompany Interests shall be, at the election of the applicable Debtor or Post-Effective Date Debtor, with the consent of the Required Consenting Term Lenders (not to be unreasonably withheld), and, in the event of a Sale Transaction, in consultation with the Purchaser, either: (i) Reinstated; or (ii) canceled or released without any distribution on account of such Interests.	N/A	0% or 100%

⁵ As described herein, the Debtors continue to engage with multiple bidders with respect to a potential Sale Transaction. Because the Debtors do not want to prejudice the sale process by disclosing the estimated recoveries for First Lien Claims, such recovery is not estimated herein. The Plan is broadly supported by the Committee, Holders whose claims represent approximately 86 percent of the claims arising on account of obligations under the First Lien Credit Agreement, and the Consenting Sponsors. For more detail about the projected recovery on account of the First Lien Claims, please see Art. III.B.3 of the Plan and Article XI.F of this Disclosure Statement entitled, "Valuation."

I. What will I receive from the Debtors if I hold an Allowed Administrative Claim, DIP Claim, or a Priority Tax Claim?

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, DIP Claims, Professional Fee Claims, Priority Tax Claims, and Receivables Program Claims have not been classified and, thus, are excluded from the Classes of Claims and Interests set forth in Article III of the Plan.

1. Administrative Claims

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Debtors or the Post-Effective Date Debtors, as applicable, each Holder of an Allowed Administrative Claim (other than Holders of DIP Claims, Professional Fee Claims, Receivables Program Claims, and Claims for fees and expenses pursuant to section 1930 of chapter 123 of title 28 of the United States Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim in accordance with the following: (1) if an Administrative Claim is Allowed on or prior to the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (2) if such Administrative Claim is not Allowed as of the Effective Date, no later than thirty (30) days after the date on which an order allowing such Administrative Claim becomes a Final Order, or as soon as reasonably practicable thereafter; (3) if such Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date, in accordance with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim without any further action by the Holders of such Allowed Administrative Claim; (4) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Post-Effective Date Debtors, as applicable; or (5) at such time and upon such terms as set forth in an order of the Bankruptcy Court.

Except as otherwise provided in Article II.A of the Plan, requests for payment of Administrative Claims must be Filed with the Bankruptcy Court and served on the Debtors by the applicable Administrative Claims Bar Date. **Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by such date shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Debtors, their Estates, or their property, and such Administrative Claims shall be deemed discharged as of the Effective Date without the need for any objection from the Debtors or the Post-Effective Date Debtors, as applicable, or any notice to or action, order, or approval of the Bankruptcy Court or any other Entity.** Objections to such requests, if any, must be Filed with the Bankruptcy Court and served on the Debtors and the requesting party by the Claims Objection Deadline. Notwithstanding the foregoing, no request for payment of an Administrative Claim need be Filed with the Bankruptcy Court with respect to an Administrative Claim previously Allowed.

2. DIP Claims

On the Effective Date, except to the extent that a Holder of an Allowed DIP Claim agrees to alternative treatment, and in full and final satisfaction, settlement, release, and discharge of, and in exchange for, each Allowed DIP Claim: (i) in the event of a Recapitalization Transaction, either (a) the DIP Loan giving rise to such Allowed DIP Claim shall be refinanced by means of a cashless settlement whereby such DIP Loan shall be converted on a dollar-for-dollar basis into New Takeback Facility Loans in accordance with the DIP Documents and the New Takeback Facility Documents, and all collateral that secures the Obligations (as defined in the DIP Credit Agreement) under the DIP Credit Agreement shall be reaffirmed, ratified, and shall automatically secure all [Obligations] (as defined in the New Takeback Facility Documents) under the New Takeback Facility Documents, subject to the priorities of liens and payment set forth in the New Takeback Facility Documents, or (b) such DIP Claim shall be paid in full in Cash; or (ii) in the event of a Sale Transaction, Holders of the DIP Claims shall receive payment in full in Cash or, with the consent of Required Consenting Term Lenders, such other treatment rendering Allowed DIP Claims Unimpaired in accordance with section 1124 of the Bankruptcy Code.

3. Professional Fee Claims

a. Final Fee Applications and Payment of Professional Fee Claims

All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be Filed no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Court. The Post-Effective Date Debtors shall pay Professional Fee Claims in Cash in the amount the Bankruptcy Court allows, including from funds held in the Professional Fee Escrow Account. The Post-Effective Date Debtors shall establish the Professional Fee Escrow Account in trust for the Professionals and fund such account with Cash equal to the Professional Fee Amount on the Effective Date.

b. Professional Fee Escrow Account

On the Effective Date, the Post-Effective Date Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals. Such funds shall not be considered property of the Estates of the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable. The amount of Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals by the Post-Effective Date Debtors from the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed. When all such Allowed amounts owing to Professionals have been paid in full, any remaining amount in the Professional Fee Escrow Account shall promptly be paid to the Post-Effective Date Debtors, without any further action or order of the Bankruptcy Court; *provided, however*, in the event of a Sale Transaction, any remaining amount in the professional Fee Escrow Account shall constitute Residual Cash and be distributable to Holders of Allowed First Lien Claims.

c. Professional Fee Amount

Professionals shall reasonably estimate their unpaid Professional Fee Claims and other unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date and shall deliver such estimates to the Debtors no later than three (3) Business Days before the Effective Date; *provided, however*, that such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final request for payment of Filed Professional Fee Claims. If a

Professional does not provide an estimate, the Debtors or the Post-Effective Date Debtors, as applicable, may estimate the unpaid and unbilled fees and expenses of such Professional.

d. Post-Confirmation Fees and Expenses

Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Debtors shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Debtors. Upon the Confirmation Date, any requirement that Professionals comply with sections 327–331, 363, and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

4. Priority Tax Claims

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall receive Cash equal to the full amount of its Claim or such other treatment in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code.

5. Payment of Restructuring Expenses

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date, shall be paid in full in Cash on the Effective Date or as reasonably practicable thereafter (to the extent not previously paid during the course of the Chapter 11 Cases) in accordance with, and subject to, the terms set forth herein and in the RSA, without any requirement to File a fee application with the Bankruptcy Court, without the need for itemized time detail, and without any requirement for Bankruptcy Court review or approval. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date, and such estimates shall be delivered to the Debtors at least three (3) Business Days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission or limitation with respect to such Restructuring Expenses. On the Effective Date, invoices for all Restructuring Expenses incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Post-Effective Date Debtors (as applicable) shall continue to pay, when due and payable in the ordinary course, Restructuring Expenses arising directly out of the implementation of the Plan and Consummation thereof without any requirement for review or approval by the Bankruptcy Court or for any party to File a fee application with the Bankruptcy Court.

6. Receivables Program Claims

All Receivables Program Claims shall be Allowed Claims. On the Effective Date, unless otherwise agreed by the Holder of a Receivables Program Claim and the applicable Debtor or Post-Effective Date Debtor, Allowed Receivables Program Claims will be satisfied in full in accordance with the terms of the Receivables Program Documents. On the Effective Date, or as soon as reasonably practicable thereafter, all fees and expenses incurred by the advisors to the parties to the Receivables Program shall be paid in full in Cash to the extent required under the Final Receivables Program Order.

J. Are any regulatory approvals required to consummate the Plan?

At this time, the Debtors are evaluating which, if any, regulatory approvals are required to consummate the Plan. To the extent any such regulatory approvals or other authorizations, consents, rulings, or documents are necessary to implement and effectuate the Plan, however, it is a condition precedent to the Effective Date that they be obtained. In the case of a Sale Transaction, a filing under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (and expiration or early termination of the waiting period thereunder) may be required as a condition precedent to any asset sale that exceeds the applicable size of the transaction threshold.

K. What happens to my recovery if the Plan is not confirmed or does not go effective?

In the event that the Plan is not confirmed or does not go effective, there is no assurance that the Debtors will be able to reorganize their businesses. It is possible that any alternative may provide Holders of Claims with less than they would have received pursuant to the Plan.

L. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation?”

“Confirmation” of the Plan refers to approval of the Plan by the Bankruptcy Court. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan by the Bankruptcy Court, there are conditions that need to be satisfied or waived so that the Plan can go effective. Initial distributions to Holders of Allowed Claims will only be made on the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. “Consummation” of the Plan refers to the occurrence of the Effective Date. See Article VIII.B of this Disclosure Statement, entitled “Conditions Precedent to Confirmation and Consummation of the Plan,” for a discussion of conditions precedent to Confirmation and Consummation of the Plan.

M. What are the sources of Cash and other consideration required to fund the Plan?

If the Recapitalization Transaction or the Equity Investment Transaction is consummated, the Debtors shall fund distributions under the Plan, as applicable, with: (i) the issuance of New Takeback Facility Loans under the New Takeback Facility, (ii) the proceeds from the Equity Investment Transaction, (iii) the New Common Stock, (iv) the GUC Trust Net Assets, and (v) the Debtors’ Cash on hand.

If the Asset Sale is consummated, the Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors’ Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors.

N. Are there risks to owning the New Common Stock upon the Debtors’ emergence from chapter 11?

Yes. See Article IX of this Disclosure Statement, entitled “Risk Factors,” for a discussion of such risks.

O. Is there potential litigation related to the Plan?

Parties in interest may object to the approval of this Disclosure Statement and may object to Confirmation of the Plan, which objections potentially could give rise to litigation.

In the event that it becomes necessary to confirm the Plan over the rejection of certain Classes, the Debtors may seek confirmation of the Plan notwithstanding the dissent of such rejecting Classes. The Bankruptcy Court may confirm the Plan pursuant to the “cramdown” provisions of the Bankruptcy Code, which allow the Bankruptcy Court to confirm a plan that has been rejected by an impaired Class if it determines that the Plan satisfies section 1129(b) of the Bankruptcy Code. See Article XI.E of this Disclosure Statement, entitled “Confirmation Without Acceptance by All Impaired Classes.”

P. What is the Management Incentive Plan and how will it affect the distribution I receive under the Plan?

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to ten percent of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors, and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

Q. Does the Plan preserve Causes of Action?

The Plan provides for the retention of all Causes of Action other than those that are expressly waived, relinquished, exculpated, released, compromised, or settled.

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Plan, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including Article VIII of the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims,

and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to Article IV.E of the Plan include any Claim or Cause of Action against a Released Party or Exculpated Party.

R. Will there be releases, exculpation, and injunction granted to parties in interest as part of the Plan?

Yes, the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, third-party releases, exculpation, and injunction provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors and their key constituencies in obtaining support for the Plan.

The Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

You may choose to opt out of the Third-Party Release. If you opt out of the Third-Party Release, you will not receive a release.

IMPORTANTLY, THE FOLLOWING PARTIES ARE INCLUDED IN THE DEFINITION OF "RELEASING PARTIES" AND WILL BE DEEMED TO HAVE EXPRESSLY, UNCONDITIONALLY, INDIVIDUALLY, AND COLLECTIVELY RELEASED AND DISCHARGED ALL CLAIMS AND CAUSES OF ACTION AGAINST THE DEBTORS AND THE RELEASED PARTIES: (I) ALL HOLDERS OF CLAIMS THAT VOTE TO ACCEPT THE PLAN AND (II) ALL OTHER HOLDERS OF CLAIMS OR INTERESTS WHO DO NOT (1) VALIDLY OPT OUT OF THE RELEASES CONTAINED IN THE PLAN OR (2) FILE AN OBJECTION TO THE RELEASES CONTAINED IN THE PLAN BY THE PLAN OBJECTION DEADLINE. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PLAN.

Based on the foregoing, the Debtors believe that the releases, exculpation, and injunction provisions in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Third Circuit. Moreover, the Debtors will present evidence at the Confirmation Hearing to demonstrate the basis for and propriety of the release and exculpation provisions. The release, exculpation, and injunction provisions that are contained in the Plan are copied in pertinent part below.⁶

⁶ Release provisions subject to ongoing review, including as part of the Special Committee's Independent Investigation.

1. Release of Liens

Except as otherwise provided in the New Takeback Facility Documents, the Plan, the Confirmation Order, the Purchase Agreement (if applicable), or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, in satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 of the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Post-Effective Date Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Post-Effective Date Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder) and to take such actions as may be reasonably requested by the Post-Effective Date Debtors or the Plan Administrator, as applicable, to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

2. Releases by the Debtors

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors, their Estates, and, if applicable, the Post-Effective Date Debtors and the Plan Administrator, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any derivative claims asserted or assertable on behalf of the Debtors, their Estates, the Post-Effective Date Debtors, or the Plan Administrator), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, their Estates, the Post-Effective Date Debtors, if applicable, the Plan Administrator, if applicable, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational

Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Plan; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Debtors' Estates, or, if applicable, the Post-Effective Date Debtors or the Plan Administrator, asserting any Claim or Cause of Action released pursuant to the Debtor Release.

3. Releases by Holders of Claims and Interests

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the confirmation of the Plan; (iii) given in exchange for good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

4. Exculpation

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the New Takeback Facility Documents, the Receivables Program Documents, and all other Definitive Documents, the solicitation of votes for, or Confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Post-Effective Date Debtors, if applicable, in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

5. Injunction

Except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iii) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the

property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E of the Plan, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Except as otherwise set forth in the Confirmation Order, each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in Article VIII.F of the Plan.

For more detail, see Article VIII of the Plan, entitled “Settlement, Release, Injunction, and Related Provisions,” which is incorporated herein by reference.

S. When is the deadline to vote on the Plan?

The Voting Deadline is October 26, 2023, at 4:00 p.m. (prevailing Eastern Time).

T. How do I vote on the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballot distributed to Holders of Claims that are entitled to vote on the Plan (the “Ballot”). For your vote to be counted, the Ballot containing your vote must be properly completed, executed, and delivered as directed so that it is **actually received** by the Debtors’ claims, noticing, and solicitation agent, Kurtzman Carson Consultants LLC (the “Claims and Noticing Agent”) **on or before the Voting Deadline, i.e., October 26, 2023, at 4:00 p.m., prevailing Eastern Time.** See Article X of this Disclosure Statement, entitled “Solicitation and Voting Procedures,” for additional information.

U. Why is the Bankruptcy Court holding a Confirmation Hearing?

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a hearing on confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. The Confirmation Hearing will be scheduled by the Bankruptcy Court, and all parties in interest will be served notice of the time, date, and location of the Confirmation Hearing once scheduled. The Confirmation Hearing may be adjourned from time to time without further notice.

V. What is the purpose of the Confirmation Hearing?

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

W. What is the effect of the Plan on the Debtors' ongoing businesses?

The Debtors are reorganizing under chapter 11 of the Bankruptcy Code or pursuing a going-concern sale. As a result, the occurrence of the Effective Date means that the Debtors will *not* be liquidated or forced to go out of business. Following Confirmation, the Plan will be consummated on the Effective Date, which is a date that is the first Business Day after the Confirmation Date on which (1) no stay of the Confirmation Order is in effect and (2) all conditions to Consummation have been satisfied or waived (*see* Article IX of the Plan). On or after the Effective Date, and unless otherwise provided in the Plan, the Post-Effective Date Debtors may operate their businesses and, except as otherwise provided by the Plan, may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Additionally, upon the Effective Date, all actions contemplated by the Plan will be deemed authorized and approved.

X. Will any party have significant influence over the corporate governance and operations of the Post-Effective Date Debtors?

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire, and, if applicable, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the special committee of Cyxtera's Board, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA, and, if applicable, the Purchase Agreement.

Z. Do the Debtors recommend voting in favor of the Plan?

Yes. The Debtors believe that the Plan provides for a greater distribution to the Debtors' creditors than would otherwise result from any other available alternative. The Debtors believe that the Plan is in the best interest of all Holders of Claims or Interests, and that any other alternatives (to the extent they exist) fail to realize or recognize the value inherent under the Plan. A Recapitalization Transaction will significantly delever the Debtors' balance sheet, and a Sale Transaction, if any, will only allow for a higher or otherwise better recovery. Either a Recapitalization Transaction or a Sale Transaction will allow for a quick confirmation by no later than November 6, 2023.

AA. Who Supports the Plan?

The Plan is supported by the Debtors, the Committee, and the Holders of 86 percent of the claims arising on account of obligations under the First Lien Credit Agreement (the "Consenting Lenders"), and the Holders of Existing Equity Interests that are signatories to the RSA or any subsequent Holder of Existing Equity Interests that becomes party thereto in accordance with the terms of the RSA, each solely in their capacity as such (the "Consenting Sponsors", and together with the Consenting Lenders, the "Consenting Stakeholders").

IV. THE DEBTORS' CORPORATE HISTORY, STRUCTURE, AND BUSINESS OVERVIEW

A. Cyxtera's Business Operations and Services

1. The Company's Products and Services

Cyxtera's global data center platform provides speed, scale, and agility for its customers' business demands by offering a complete suite of space, power, interconnection, bare metal, and remote management solutions. Cyxtera's software-defined platform and highly interconnected ecosystem provides enterprises with the foundation they need to compete in today's digital world. Over 90 percent of Cyxtera's revenue is derived from recurring, fixed term customer contracts. Cyxtera's primary service and product offerings are described below.

Colocation. (83 percent of revenue in 2022). Cyxtera offers retail colocation services in approximately sixty high-quality, highly-connected data centers on three continents. The Company's colocation services provide customers space and power in reliable, redundant, and secure data centers to host their critical applications and workloads in an integrated ecosystem. Colocation space and power services are offered under fixed-duration contracts (typically three years) and generate monthly recurring revenue. Colocation services are highly customizable and can range from a standard colocation rack or cabinet to a custom-designed cage, rack layout, and rack elevation, in addition to structured cabling solutions.

In certain of its locations, Cyxtera also offers smart cabinets ("SmartCabs"), which are on-demand, dedicated colocation cabinets, complete with built-in power and integrated, configurable, core network fabric. SmartCabs allow customers to instantly deploy and dynamically configure their end-to-end colocation infrastructure in a cloud-like model with direct access to a robust ecosystem of technology and service providers, enabling customers to achieve rapid connectivity without requiring them to bring in additional network hardware.

Interconnection. (11 percent of revenue in 2022). Cyxtera enables enterprises to reap the benefits of fast networks, high-performance connections, and efficient, multi-network cloud-connect solutions by offering direct interconnection capabilities to global-reaching networks and major cloud providers. By providing direct connectivity to every major cloud provider through virtual and physical connections, Cyxtera eliminates the volatility of the public internet, enabling enterprises to reduce network costs, increase bandwidth, and improve network performance and reliability.

Cyxtera's densely connected global data center footprint can be provisioned through Cyxtera's "Digital Exchange," which is Cyxtera's connected data center fabric that allows enterprises to deploy their information technology infrastructure on-demand. These offerings provide customers (i) the ability to establish fast, convenient, affordable, and highly reliable connections to their preferred network of service providers, (ii) low latency public cloud entry points that connect customers to other carriers, content providers, cloud providers, financial exchanges, and other enterprise customers, and (iii) a wide range of technology and network service providers and business partners. Interconnection services are offered on month-to-month contract terms and generate monthly recurring revenue.

Enterprise Bare Metal. (1 percent of revenue in 2022). For customers that do not own their own servers and other information technology equipment, Cyxtera Enterprise Bare Metal provides customers with on-demand access to Cyxtera-owned servers and information technology infrastructure that allows customers to consume Cyxtera's data center services in a cloud-like fashion. Cyxtera's fully automated platform also enables customers to seamlessly connect to partner services, including single-tenant, private bare metal servers from NVIDIA, Nutanix, Fujitsu, HPE and Dell. Enterprise Bare Metal services are offered under fixed duration contracts and generate monthly recurring revenue.

Deployment and Other Support Services. (5 percent of revenue in 2022). Cyxtera offers a variety of value-added services to help customers streamline data center deployment. These services include custom data center installation and set-up, access to secure cages and cabinets, integrated structured cabling solutions, and the ability to deliver a turnkey environment. Deployment services are one-time in nature and generally billed at the time of completion or delivery. Cyxtera provides these services through a team of industry-recognized professionals that are available 24-7 to assist customers with routine management of their environments, such as server reboots, telecommunications support, equipment racking and stacking, operating system loading, and backups of critical data. These support services can be consumed on an ad hoc basis or in pre-paid blocks, in each case generating non-recurring revenue. Customers can also elect to purchase recurring monthly blocks of support hours, which generate monthly recurring revenue.

Cyxtera provides its colocation and related solutions to its customers through the operation of its approximately sixty data centers, the majority of which are leased. Cyxtera's data center platform has a global footprint with data centers located in twenty-three large metropolitan areas in North America, Europe, and Asia. These data centers are in proximity to major business and financial hubs, core clusters of connectivity, and a wide range of data center customers, including a diverse collection of global enterprises and leading hyperscale cloud providers, positioning Cyxtera for continued growth.

3. The Company's Customers

Cyxtera has more than 2,300 customers across all major industry verticals, including: (i) retail; (ii) transport and logistics; (iii) manufacturing and natural resources; (iv) healthcare; (v) business services; (vi) media and content; (vii) banking and securities, (viii) network service providers; and (ix) cloud and information technology services. Cyxtera's customer base comprises approximately 90 percent private and public industry leading enterprises that generate at least one billion dollars in revenue and/or have more than one thousand employees, and 10 percent small businesses. Cyxtera has a diverse customer mix with 10 percent of its revenue generated by its largest customer, Lumen, 32 percent of its revenue generated by its top twenty customers (excluding Lumen), and the remaining 58 percent of its revenue generated by all other customers.⁷ Cyxtera's customers are long-tenured with many of its top twenty customers having contracted with Cyxtera for at least sixteen years, dating back to Cyxtera's prior ownership. Additionally, approximately 30 percent of Cyxtera's customers are deployed in more than one data center.

The Company generates its customer base through promotions and specials for existing and new customers, as well as through a channel-led sales model that leverages third-party partners located around the world to engage in referrals, resales, or strategic alliances with respect to the Cyxtera's products and services. On average, direct sales to end-users make up approximately 75 percent of the Company's total bookings. The Company generates these direct sales using Cyxtera-employed salespersons and sales agents who offer certain promotions and special incentives. Indirect sales and promotions via channel partners make up approximately 25 percent of total bookings.

B. Corporate History

Cyxtera was founded in 2017 by affiliates of private equity firms BC Partners and Medina Capital for the purpose of acquiring Lumen's data center and colocation business.⁸ The Lumen data center portfolio consisted of high-quality, strategically located, and well-maintained data center assets that were under-optimized as a relatively small business unit within a large telecommunications carrier focused on its core networking business. Cyxtera's founders therefore saw an opportunity to transform Lumen's assets into a next-generation carrier-neutral global data center platform under a proven data center management team.

On May 1, 2017, with the completion of the acquisition, and in combination with Medina Capital's security and data analytics colocation business, Cyxtera was born. The Cyxtera management team took the underutilized assets and improved the business by developing Cyxtera's existing infrastructure through strategic investments in the platform, including by adding sellable capacity based on customer demand, broadening the scope of Cyxtera's interconnection offerings to further drive the carrier-neutral advantages

⁸ Lumen retained an equity stake in the Company following the transaction and currently holds approximately 6.4 percent of Cyxtera Technologies' equity.

of the platform, adding new service provider developments, and developing innovative bare-metal offerings.

On November 14, 2019, Starboard Value Acquisition Corp. (“SVAC”) was incorporated in Delaware as a special purpose acquisition vehicle (or SPAC) for the purpose of effectuating a merger, capital stock exchange, asset acquisition, or other business combination with one or more businesses. On September 14, 2020, SVAC completed its initial public offering (“IPO”) on the Nasdaq stock exchange (NASDAQ: SVAC), issuing approximately thirty-six million units of class A common stock at \$10.00 per unit. Simultaneously with the closing of the IPO, SVAC completed a private placement of an aggregate of 6,133,333 warrants to SVAC Sponsor LLC, at a purchase price of \$1.50 per warrant.

On February 21, 2021, SVAC entered into subscription agreements with Fidelity Management & Research Company LLC and clients of Starboard Value LP (collectively, the “PIPE Investors”), pursuant to which, among other things, SVAC agreed to issue and sell in a private placement, an aggregate of twenty-five million shares of Class A common stock to the PIPE Investors, for a purchase price of \$10.00 per share (the “PIPE Investment”). On July 29, 2021, SVAC consummated its business combination (the “de-SPAC”) with Cyxtera Technologies, Inc. (now known as Cyxtera Technologies, LLC) (“Legacy Cyxtera”). As a result of the de-SPAC, Legacy Cyxtera became a wholly-owned subsidiary of SVAC and SVAC changed its name to Cyxtera Technologies, Inc (NASDAQ: CYXT). Upon completion of the de-SPAC, the Company received proceeds of approximately \$654 million, including \$250 million on account of the PIPE Investment. The proceeds of the de-SPAC, including the PIPE Investment, were used for general corporate purposes, retirement of certain outstanding funded indebtedness, and payment of expenses incurred in connection with the de-SPAC.

Since the de-SPAC, Cyxtera has continued to grow its business. Throughout 2021 and 2022, Cyxtera announced various strategic industry partnerships to help expand its services. Today, Cyxtera’s platform consists of over 40,000 physical and virtual cross-connects, more than 300 network service providers, more than 1,400 networks, and offers low latency connectivity to major public cloud zones from virtually all of its data centers.

a. Term Loan Facilities

The Debtors are party to a first lien term loan credit facility under that certain first lien credit agreement dated as of May 1, 2017 (as amended by that first amendment dated as of April 30, 2018, as further amended by that certain second amendment, dated as of December 21, 2018, as further amended by that certain third amendment, dated as of May 13, 2019, as further amended by that certain fourth amendment, dated as of May 7, 2021, as further amended by that certain fifth amendment, dated as of July 6, 2021, as further amended by Amendment No. 6 (as defined herein), dated as of March 14, 2023, as further amended by Amendment No. 7 (as defined herein), dated as of May 2, 2023, as further amended by Amendment No. 8 (as defined herein), dated as of May 4, 2023, and as may be further amended, restated, amended and restated, supplemented, waived or otherwise modified from time to time) (the “First Lien Credit Agreement”), by and between Cyxtera DC Holdings, Inc. (the “Borrower”), Cyxtera DC Parent Holdings, Inc. (“Holdings”), Cyxtera Communications, LLC (“Cyxtera Communications”), and Cyxtera Data Centers, Inc. (together with Cyxtera Communications and Holdings, the “Guarantors”), the first lien lenders from time to time party thereto (the “First Lien Lenders”), and Citibank, N.A., as administrative agent and collateral agent. Pursuant to the First Lien Credit Agreement, the Debtors obtained credit facilities of up to \$1.275 billion consisting of: (i) a \$150 million first lien multi-currency revolving credit facility (the “Revolving Credit Facility”); and (ii) an \$815 million first lien term loan facility (the “2017 First Lien Term Facility”). On May 13, 2019, the Debtors borrowed an additional \$100 million in incremental first lien term loans under the First Lien Credit Agreement (the “2019 First Lien Term Facility” and together with the 2017 First Lien Term Facility, the “Term Loan Facilities”).

The Term Loan Facilities mature on May 1, 2024, and are secured by liens on the collateral on a senior priority basis by substantially all of the Debtors’ equity interests and material real property. As of the Petition Date, an aggregate amount of approximately \$871.1 million in unpaid principal and accrued but unpaid interest is outstanding under the Term Loan Facilities.

b. Revolving Credit Facility

The First Lien Credit Agreement also provides the Debtors with a first lien, multi-currency Revolving Credit Facility. As of the Petition Date, the Revolving Credit Facility borrowing base was \$102.1 million with \$4.9 million letters of credit outstanding. Pursuant to Amendment No. 6, the Debtors requested, among other things, that the Revolving Credit Facility be extended and, in connection with such extension, the Debtors agreed to reduce the aggregate extended revolving commitments by 15 percent. The Revolving Credit Facility matures on April 2, 2024, and is secured by liens on the collateral on a senior priority basis by substantially all of the Debtors’ equity interests and material real property. As of the Petition Date, an aggregate of approximately \$98.3 million in unpaid principal and accrued but unpaid interest is outstanding under the Revolving Credit Facility.

c. Bridge Facility

On May 4, 2023, and in connection with entry into the Restructuring Support Agreement, the Borrower, Holdings, and the other loan parties and lenders party thereto, and Wilmington Savings Fund Society, FSB, as administrative agent and collateral agent for such lenders entered into a first lien priority credit agreement that provided up to \$50 million in new first lien term loans pursuant to the Bridge Facility. The guarantors under the Bridge Facility include the Guarantors under the First Lien Credit Agreement, in addition to Cyxtera Canada TRS, ULC, Cyxtera Canada, LLC, Cyxtera Communications Canada, ULC, Cyxtera Digital Services, LLC, Cyxtera Technology UK Limited, and Cyxtera UK TRS Limited.

The Bridge Facility is senior in right of payment to outstanding borrowings under the Term Loan Facilities and is secured on a *pari passu* basis with respect to all collateral securing the Term Loan Facilities.

The Bridge Facility matures on the earliest of (i) May 1, 2024, (ii) the date on which the obligations under such facility become due and payable pursuant to the terms of the Bridge Facility, (iii) the effective date of the Debtors' chapter 11 plan, and (iv) the date of consummation of a sale of all or substantially all of any loan party's assets under Section 363 of the Bankruptcy Code. As of the Petition Date, an aggregate amount of approximately \$50.5 million in obligations, including unpaid principal, accrued but unpaid interest, and escrowed but undrawn proceeds, was outstanding under the Bridge Facility, all of which was "rolled up" on a dollar-for-dollar basis into postpetition superpriority obligations under the DIP Facility pursuant to the Interim and Final DIP Orders.

d. The Receivables Program

In 2020, the Company formed a wholly owned bankruptcy remote special purpose entity, Cyxtera Receivables Holdings, LLC ("Cyxtera Receivables Holdings"), to continuously receive, either through the purchase or the contribution of, trade receivables generated by Cyxtera Communications, LLC and Cyxtera Federal Group Inc. on account of their business operations (together, the "Originators," and the trade receivables the Originators generate, the "Receivables") pursuant to that certain purchase and sale agreement, dated as of August 31, 2022 (as the same may be amended, amended and restated, or otherwise modified from time to time) (the "Purchase and Sale Agreement"). Accordingly, pursuant to the Purchase and Sale Agreement, the Originators may either sell or contribute Receivables to Cyxtera Receivables Holdings on a daily basis at a fair market discount. Where a Receivable is sold to Cyxtera Receivables Holdings, Cyxtera Receivables Holdings makes certain payments to the Originators, payable at any time upon demand by the Originators, subject to the availability of funds by Cyxtera Receivables Holdings. Such transactions are either a true sale or an absolute contribution and conveyance of the Receivable by the Originators to Cyxtera Receivables Holdings, providing Cyxtera Receivables Holdings with the full benefits of ownership of the Receivables.

Further, Cyxtera Receivables Holdings, as seller, Cyxtera Communications, as Servicer, PNC Bank, National Association ("PNC Bank"), as Administrative Agent, and PNC Capital Markets LLC, as Structuring Agent, are each party to that certain receivables purchase agreement, dated as of August 31, 2022 (as the same may be amended, amended and restated, or otherwise modified from time to time) (the "Receivables Purchase Agreement," and, together with the Purchase and Sale Agreement, the "Receivables Program"). Pursuant to the Receivables Purchase Agreement, upon request by Cyxtera Receivables Holdings, PNC Bank makes capital investment payments to Cyxtera Receivables Holdings, subject to certain restrictions.

In consideration for PNC Bank's agreement to make such capital investment payments, Cyxtera Receivables Holdings, on the date of each investment payments, sells, assigns, or transfers to PNC Bank, all of Cyxtera Receivables Holdings' newly acquired rights, title, and interest in, to, and under the Receivables designated as sold, including all proceeds and collections with respect thereto. Cyxtera Receivables Holdings then designates certain of the Receivables to be sold by Cyxtera Receivables Holdings to PNC Bank and Cyxtera Receivables Holdings grants a security interest in any remaining, unsold Receivables to PNC Bank as collateral. Additionally, Cyxtera Receivables Holdings makes certain servicing fee payments to PNC Bank of 1.00 percent per annum based on the daily average aggregate outstanding principal balance of the then outstanding Receivables transferred to Cyxtera Receivables Holdings, as well as certain other yield and fee payments.

The Receivables Program is a critical component of the Debtors' liquidity position and serves as a material source of day-to-day operating liquidity for the Debtors. The Originators are responsible for generating approximately 95 percent of the Debtors' annual receivables. As such, if the Receivables Program were forced to cease, the Debtors would lose access to much of their revenue collections until PNC Bank's outstanding capital funded to Cyxtera Receivables Holdings were to be repaid (such "capital"

is analogous to the outstanding principal of a loan made by PNC Bank to Cyxtera Receivables Holdings), a figure totaling \$37.5 million dollars.

e. Equity

Cyxtera Technologies' certificate of incorporation authorizes the board of directors to issue 500 million shares of Class A common stock ("Common Shares") and 10 million shares of preferred stock ("Preferred Shares"). Approximately 180 million Common Shares are outstanding as of the Petition Date. The Common Shares trade on the Nasdaq under the ticker symbol "CYXT." To date, Cyxtera has not issued any Preferred Shares.

V. EVENTS LEADING TO THE CHAPTER 11 FILINGS

A. The Precipitous Rise in Interest Expense Undermines Liquidity

In recent years, Cyxtera has continued its strong operating performance, stable revenue growth, and low customer churn. In 2021 and 2022, Cyxtera met or exceeded its revenue guidance as of the de-SPAC transaction. Unfortunately, the de-SPAC transaction coincided with a rapid increase in inflation. In January 2021, the year-over-year change in the Consumer Price Index ("CPI") in the United States stood at approximately 1.4 percent.⁹ By the time the de-SPAC closed, CPI in the United States had grown to approximately 5.4 percent, far ahead of the Federal Reserve's 2 percent inflation target.¹⁰ This number ultimately peaked at over 9 percent in June 2022, and inflation remains elevated today.¹¹

The Federal Reserve responded to this inflationary environment by aggressively raising interest rates. As a result, beginning in mid-2022, the interest expense on Cyxtera's funded debt more than doubled and began to significantly undermine liquidity, despite core business performance remaining strong. The annualized interest expense on the Debtors' funded debt facilities, all of which are variable interest rate facilities, rose from \$35.9 million as of March 31, 2022 to \$75.7 million as of March 31, 2023, calculated based on the balances and rates prevailing at the end of each quarter. This rise in inflation and interest rates coincided with impending maturities under the Company's funded debt—the Revolving Credit Facility was scheduled to mature on November 1, 2023, and the Term Loan Facilities on May 1, 2024. Therefore, a regular-way refinancing, something that likely would be justified by the core business performance, was not feasible.

During this period, the Company attempted to offset its escalating interest costs with operational improvements aimed at increasing occupancy at existing data centers, deploying capital efficient growth strategies, and optimizing its organizational structure. Despite these measures, the continued strain on the

balance sheet due to rising interest rates and Cyxtera's substantial debt service obligations continued to diminish Cyxtera's liquidity.

B. Pursuit of All Reasonable Alternatives

The Company was proactive in seeking to address its balance sheet issues. Throughout 2022, the Company worked with advisors to explore interest in an acquisition of the Company or an investment in connection with a financing or refinancing transaction. However, in large part due to the Company's mounting capital structure challenges and market volatility, the process did not result in any actionable proposals.

In November 2022, the Company retained Kirkland as counsel, and in December 2022, the Company retained Guggenheim Securities to assist in exploring various alternatives for its capital structure, including amending and/or refinancing its Term Loan Facilities and raising equity capital. With respect to the capital raise, the Company, with the assistance of Guggenheim Securities, explored such transaction with, among others, the Company's three largest equity holders. And, in connection with its refinancing efforts, the Company, with the assistance of Guggenheim Securities, also considered a comprehensive amend and extend transaction with respect to its Term Loan Facilities and commenced discussions with the Ad Hoc Group with respect to such transactions.

The Company also focused its efforts on extending the near-term Revolving Credit Facility maturity on November 1, 2023. Failure to address this upcoming maturity could have given rise to a going concern qualification in the Company's audited financial statements due March 16, 2023. Receiving a going concern qualification would have caused significant harm by disrupting the Company's day-to-day business operations and potentially resulting in an event of default under the Company's Term Loan Facilities. On March 14, 2023, the Company successfully negotiated an extension of the maturity date under the Revolving Credit Facility to April 2, 2024, pursuant to that certain sixth amendment to the First Lien Credit Agreement ("Amendment No. 6"). Although the extension bought Cyxtera essential breathing room, more comprehensive restructuring measures needed to be taken in light of continued liquidity deterioration and a major looming maturity wall in spring 2024.

On March 25, 2023, the Company hired AlixPartners as restructuring advisor to assist with its restructuring efforts. The Company, with the assistance of its advisors continued to engage with the Ad Hoc Group and certain other key prepetition stakeholders on the terms of a more comprehensive solution. As part of these discussions, the Company explored the possibility of implementing a consensual restructuring or sale transaction on an out-of-court basis, pivoting to an in-court chapter 11 process, or pursuing both alternatives simultaneously. With respect to the possibility of an in-court process, the Company evaluated tools that could be utilized to enhance its operational performance, including the rejection of undesirable leases and contracts.

In parallel, on March 27, 2023, the Company, with the assistance of Guggenheim Securities, launched a marketing process to engage potential interested parties concerning a sale or investment transaction with the Company. While the marketing process was underway, the Company and the Ad Hoc Group continued to negotiate a broader restructuring deal to be memorialized in a restructuring support agreement.

Prior to the Petition Date, the board of directors of Cyxtera Technologies, Inc. (the "Board") unanimously adopted resolutions (a) appointing Fred Arnold, Roger Meltzer, and Scott Vogel as disinterested directors of the Board, and (b) appointing Messrs. Arnold, Meltzer, and Vogel as the sole members of a Special Committee of the Board (the "Special Committee"). The Special Committee was delegated sole authority on all matters related to consideration and negotiation of a restructuring, reorganization, or other transaction ("Transaction"). In addition, the Board delegated sole authority to the

Special Committee to conduct an independent investigation with respect to: (a) matters related to a Transaction in which a conflict of interest exists or is reasonably likely to exist between Cyxtera, on the one hand, and any Related Party,¹² on the other hand (the “Conflict Matters”); (b) whether any matter constitutes a Conflict Matter; and (c) potential claims or causes of action of the Debtors, if any, against the Related Parties (collectively, the “Independent Investigation”). In connection with this delegation, the Special Committee has been conducting an independent investigation with respect to the Independent Investigation, which will remain ongoing until Confirmation to ensure that the Independent Investigation is comprehensive.

In late April 2023, the Company opted to utilize the five business-day grace period (the “Grace Period”) permitted under the First Lien Credit Agreement with respect to the interest payment due on April 25, 2023. The Company utilized the Grace Period to continue to engage in discussions with the Ad Hoc Group around the terms of a restructuring support agreement and bridge financing solution. The Company ultimately negotiated and entered into a seventh amendment to the First Lien Credit Agreement (“Amendment No. 7”), under which the lenders refrained from exercising their rights and remedies under the First Lien Credit Agreement as a result of the missed interest payment until May 4, 2023, at 5:00 p.m. (prevailing Eastern time).

Following entry into Amendment No. 7, the Company, with the assistance of its Advisors worked around the clock with the Ad Hoc Group to finalize a restructuring support agreement and obtain financing necessary to fund operations prior to the filing of these chapter 11 cases. On May 4, 2023, after extensive, arm’s-length negotiations, the Debtors and the Ad Hoc Group entered into the RSA, attached hereto as **Exhibit B**, by and between the Debtors, the Consenting Lenders that, at the time, held approximately 64 percent of the First Lien Claims, and the Consenting Sponsors.¹³ The RSA contemplated a two-phase toggle approach whereby the Company would continue its out-of-court Marketing Process in pursuit of a Sale Transaction or toggle to an in-court restructuring, pursuant to which the Company would continue to pursue the Marketing Process or, if such process does not maximize value for stakeholders, pursue a standalone recapitalization of its balance sheet (the “Recapitalization Transaction,” and together with the Sale Transaction, the “Restructuring Transactions”).

In connection with the Marketing Process, which remains ongoing, eighty-eight parties have been contacted. As of the date of the filing of this Disclosure Statement, the Company has executed forty-five non-disclosure agreements with potential investors and has received letters of intent from seven potential investors.

Concurrently with entry into the RSA, the Company entered into the Bridge Facility, which provided an incremental \$50 million in liquidity.¹⁴ The Bridge Facility offered the Company necessary breathing room for the parties to progress the Marketing Process while preparing for a possible in-court Recapitalization Transaction. Without the critical funding provided by the Bridge Facility, the Company

¹² As used herein, “Related Party” means the Company or any of its equityholders, affiliates, subsidiaries, directors, managers, officers, or other stakeholders.

¹³ Since the initial execution of the RSA on May 4, 2023, Holders of an additional 22 percent of First Lien Claims have signed the RSA, bringing the total support from Holders of First Lien Claims to 86 percent.

¹⁴ To facilitate the Company’s entry into the Bridge Facility, the Company also entered into an eighth amendment to the First Lien Credit Agreement (“Amendment No. 8”) with the First Lien Lenders wherein, among other changes, the First Lien Lenders agreed to amend the First Lien Credit Agreement to permit the Company to enter into the Bridge Facility. Relatedly, each of Cyxtera Canada TRS, ULC, Cyxtera Canada, LLC, Cyxtera Communications Canada, ULC, Cyxtera Digital Services, LLC, Cyxtera Technology UK Limited, and Cyxtera UK TRS Limited were joined as guarantors under the First Lien Credit Agreement such that the guarantors thereunder aligned with the guarantors under the Bridge Facility.

would have been unable to fulfill its interest payment obligations due on the 2017 First Lien Term Facility, while funding its operations.

On May 5, 2023, as contemplated by the RSA, Eric Koza of AlixPartners was engaged as Chief Restructuring Officer, and Raymond Li was engaged as Deputy Chief Restructuring Officer. Details regarding Mr. Koza's and Mr. Li's retention are described in the *Debtors' Application for Entry of an Order Authorizing the (I) Retention of AP Services, LLC, (II) Designation of Eric Koza as Chief Restructuring Officer and Raymond Li as Deputy Chief Restructuring Officer Effective as of the Petition Date, and (III) Granting Related Relief* [Docket No. 173], which was approved by the Court on July 19, 2023 [Docket No. 300].

VI. MATERIAL DEVELOPMENTS AND ANTICIPATED EVENTS OF THE CHAPTER 11 CASES

A. First Day Relief and Other Case Matters

On the Petition Date, the Debtors filed several motions (the "First Day Motions") designed to facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors' operations. A brief description of each of the First Day Motions and the evidence in support thereof is set forth in the First Day Declaration. At a hearing on June 6, 2023, (the "First Day Hearing") the Bankruptcy Court granted all of the relief initially requested in the First Day Motions, and on June 29, 2023, and July 19, 2023, as applicable, the Bankruptcy Court granted certain of the First Day Motions on a final basis, including:¹⁵

On June 19, 2023, the Court entered an Order approving the Bar Date Motion [Docket No. 298].
- **Critical Vendors Motion:** Debtors' Motion Seeking Entry of Interim and Final Orders (I) Authorizing Debtors to Pay Prepetition Claims of Certain Critical Vendors, Foreign Vendors, 503(b)(9) Claimants, and Lien Claimants, (II) Granting Administrative Expense Priority to All Undisputed Obligations on Account of Outstanding Orders, and (III) Granting Related Relief [Docket No. 16]. On June 6, 2023, the Court entered an Order approving the Critical Vendors Motion on an interim basis [Docket No. 65], and on June 29, 2023, the Court entered an Order approving the Critical Vendors Motion on a final basis [Docket No. 182].

On June 6, 2023, the Court entered an Order approving the DIP Motion on an interim basis

¹⁵ The First Day Motions, and all orders for relief entered in the Chapter 11 Cases, can be viewed free of charge at <https://www.kccllc.net/cyxtera>.

[Docket No. 70], and on July 19, 2023, the Court entered an Order approving the DIP Motion [Docket No. 297].

- **Foreign Representative Motion:** Debtors' Motion for Entry of an Order (I) Authorizing Cyxtera Technologies, Inc. to Act as Foreign Representative, and (II) Granting Related Relief [Docket No. 14]. On June 6, 2023, the Court entered an Order approving the Receivables Facility Motion on an interim basis [Docket No. 68], and on July 19, 2023, the Court entered an Order approving the Receivables Facility Motion [Docket No. 295].

B. Appointment of Unsecured Creditors' Committee

On June 21, 2023, the U.S. Trustee filed the *Notice of Appointment of Official Committee of Unsecured Creditors* [Docket No. 133] appointing the Committee. The five-member Committee has retained Pachulski Stang Ziehl & Jones LLP as its legal counsel and Alvarez and Marsal North America LLC as its financial advisor. The Committee includes the following entities:

- CBRE Investment Management;
- Iron Mountain Data Centers, LLC;
- Pivot Technology Services Corp.;
- Securitas Security Services USA, Inc.; and
- Menlo Equities.

Immediately after the Committee's appointment, the Debtors began sharing diligence with the Committee, which has been substantial. The Debtors have also proactively engaged the Committee regarding the key components of these Chapter 11 Cases, including the Sale Process, the Final DIP Order, and the substance of the Plan, which has been productive. As a result of such discussions, information transfer and dialogue between the Debtors and the Committee remains robust and ongoing.

On September 22, 2023, the Debtors, the Committee, and the Required Consenting Term Lenders reached an agreement regarding the Committee's potential challenges under the Final DIP Order and the Committee's potential objection to the Disclosure Statement. The resolution with Committee is reflected in the Plan and provides substantial value to Holders of General Unsecured Claims in the form of GUC Trust Assets of \$8.65 million in Cash. Accordingly, the Committee is supportive of the Plan, and recommends that Holders of Class 4 General Unsecured Claims vote in favor of the Plan.

C. Lease Rejections and Optimization

In preparation for the filing of these Chapter 11 Cases, and continuing on a postpetition basis, the Debtors, with the assistance of their advisors, undertook a comprehensive review of their lease portfolio, including an analysis of each of their data center locations and the associated revenues and expenses

attendant thereto. As a result of that analysis, the Debtors have determined in their business judgment that the costs incurred under certain leases constitute an unnecessary burden on the Debtors' Estates and that rejection of such leases would maximize the value of the Debtors' reorganized business. As of the date hereof, the Debtors have taken the following steps with respect to their lease rejection and optimization strategy.

- On June 8, 2023, the Debtors filed (i) the Debtors' Motion for Entry of an Order (I) Authorizing and Approving Procedures to Reject or Assume Executory Contracts and Unexpired Leases, and (II) Granting Related Relief [Docket No. 79] (the "Rejection Procedures Motion," and the procedures contemplated thereby, the "Rejection Procedures"), through which the Debtors sought approval of certain procedures for rejecting or assuming executory contracts and unexpired leases; and (ii) the Debtors' Omnibus Motion Seeking Entry of an Order (I) Authorizing (A) the Rejection of Certain Unexpired Leases and (B) Abandonment of Certain Personal Property, If Any, Each Effective as of the Rejection Date and (II) Granting Related Relief [Docket No. 78] (the "First Omnibus Rejection Motion"), whereby the Debtors sought to reject two data center leases in Moses Lake, Washington as of June 4, 2023, and one data center lease in Halfweg, Netherlands as of September 6, 2023.
- On June 29, 2023, the Court entered Orders approving the Rejection Procedures Motion [Docket No. 186] and the First Omnibus Rejection Motion [Docket No. 184].
- On June 30, 2023, the Debtors filed a *Notice of Rejection of an Unexpired Lease* [Docket No. 190], pursuant to which the Debtors provided notice in accordance with the Rejection Procedures that they will reject one data center lease in Elk Grove Village, IL as of September 4, 2023, and abandon certain property therein (the "Elk Grove Rejection"). The Elk Grove Rejection became effective as of September 5, 2023 [Docket No. 487].
- On July 20, 2023, the Court entered the *Supplemental Order (I) Authorizing (A) the Rejection of Certain Unexpired Leases and (B) the Abandonment of Certain Personal Property, if any, Each Effective as of the Rejection Date and (II) Granting Related Relief* [Docket No. 302], which authorized the rejection of the Halfweg, Netherlands lease, as well as the abandonment of any property therein.
- On July 31, 2023, the Debtors filed a *Notice of Rejection of Certain Unexpired Leases* [Docket No. 348], pursuant to which the Debtors provided notice in accordance with the Rejection Procedures that they will reject two data center leases in Santa Clara, CA as of July 31, 2023. On August 11, 2023, the Court entered the *Second Order Approving the Rejection of Certain Unexpired Leases and the Abandonment of Certain Personal Property, if any* [Docket No. 415] rejecting the two Santa Clara, CA data center leases.

Further, on July 3, 2023, the Debtors filed an application [Docket No. 199] with the Bankruptcy Court requesting authorization to retain and employ Hilco Real Estate, LLC ("Hilco") to, among other things, represent the Debtors' interests in lease negotiations and strategic planning in connection with the lease optimization strategy, and on July 18, 2023, the Bankruptcy Court entered an order [Docket No. 291] approving the retention of Hilco as real estate consultant and advisor to the Debtors effective as of the Petition Date. As of the date hereof, Hilco continues to advise the Debtors on its lease optimization and rejection strategy.

D. Sale Process and Bidding Procedures

As described above, in March 2023, the Debtors, with the assistance of Guggenheim Securities, launched a comprehensive Marketing Process to engage interested third parties in a potential Sale Transaction. The Marketing Process ran in parallel with the Company's engagement with the Ad Hoc Group regarding the terms of a comprehensive restructuring transaction.

In connection with the Marketing Process, the Debtors, with the assistance of Guggenheim Securities, performed an initial outreach on a prepetition basis to approximately seventy-five financial and strategic parties to solicit interest in acquiring some or all of the assets and/or interests in the company. In total, the Debtors, with the assistance of Guggenheim Securities, have engaged with approximately eighty-eight potential financial and strategic parties (the "Potential Purchasers"). The Debtors also executed forty-five non-disclosure agreements with these Potential Purchasers, and seven Potential Purchasers submitted non-binding letters of intent.

On June 29, 2023, the Court entered the Bidding Procedures Order, authorizing the Debtors to, among other things, continue the Marketing Process postpetition, and, if necessary, to conduct an auction (the "Auction"). The Bidding Procedures also allow the Debtors flexibility with respect to the structure of a potential Sale Transaction. On July 10, 2023, pursuant to the Bidding Procedures Order, the Debtors received at least one non-binding written proposal (a "Proposal"). Upon review, and in consultation with the Committee and the Ad Hoc Group, the Debtors determined that they had received multiple acceptable Proposals from Acceptable Bidders. Accordingly, the Debtors extended the Marketing Process timeline in accordance with the Bidding Procedures, such that binding bids were to be submitted by no later than July 31, 2023. On July 31, 2023, and August 22, 2023, the Debtors filed the *Notices of Amended Sale Schedule* [Docket Nos. 353 and 450] modifying the sale schedule to provide the Debtors with additional time to complete their comprehensive sale process, to receive and evaluate bids, and, if necessary, to hold an Auction to determine the highest and otherwise best bid for the Sale Package and maximize value for the Debtors' stakeholders and their Estates. Consequently, final bids were due on August 18, 2023.

As described above, the Debtors have received multiple bids for the Sale Package, but none of these bids were Qualified Bids (as defined in the Bidding Procedures). The Debtors do not believe at this time that any of the bids received to date are more value-maximizing than the Recapitalization Transaction proposed under the Plan. Accordingly, on August 29, 2023, the Debtors filed a *Notice of Cancellation of Auction* [Docket No. 472] notifying parties-in-interest that the Debtors, in accordance with the Bidding Procedures Order and in consultation with the Ad Hoc Group and the Committee, had cancelled the Auction scheduled to occur on August 30, 2023. However, negotiations with certain bidders remain ongoing as of the filing of this Disclosure Statement, and the Plan provides flexibility for the Debtors to "toggle" to a Sale Transaction should one develop that is more value-maximizing than the Recapitalization Transaction.

E. Approval of the DIP Facility.

On July 19, 2023, the Bankruptcy Court entered an order [Docket No. 297] approving, on a final basis, the relief requested in the *Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Claims, (IV) Granting Adequate Protection, (V) Modifying the Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* (the "Final DIP Order"). The Final DIP Order approved, among other things, a superpriority senior secured term loan credit facility in the aggregate principal amount of \$200,468,511.87, consisting of: (i) a new money superpriority senior secured term loan credit facility in the principal amount of \$150 million, (ii) a "roll-up" superpriority term loan facility in the principal amount of \$36,468,511.87 (which includes accrued and unpaid interest as of the Petition Date on account of the Prepetition Priority Loans), and (iii) a

superpriority term loan facility in the principal amount of \$14 million that consisted of escrowed proceeds funded on account of the Bridge Facility.

The relief granted in the Final DIP Order incorporates the terms of a settlement with the Committee, which engaged in constructive dialogue with the Debtors with respect thereto. As a result of arm's-length, good faith negotiations in the days and weeks that immediately followed the Committee's appointment, the Debtors, the Ad Hoc Group, and the Committee reached a negotiated settlement on various issues relating to, among other things, an increase in the Committee's investigation budget, to \$250,000, additional reporting obligations in favor of the Committee, the agreement to negotiate a wind-down budget in good-faith in the event of a Sale Transaction, and establishing the priority in which the Debtors, the DIP Lenders, and the Prepetition First Lien Secured Parties liquidate, or seek recovery from, as applicable, the DIP collateral.

F. Bar Date Motion

On June 28, 2023, the Debtors filed the *Debtors' Motion for Entry of an Order (I) Setting Bar Dates for Submitting Proofs of Claim, Including Requests for Payment Under Section 503(b)(9), (II) Establishing an Amended Schedules Bar Date and a Rejection Damages Bar Date, (III) Approving the Form, Manner, and Procedures for Filing Proofs of Claim, (IV) Approving Notice Thereof, and (V) Granting Related Relief* [Docket No. 172] (the "Bar Date Motion"). On July 10, 2023, the Debtors filed their Schedules [Docket Nos. 213-243], and on July 19, 2023, the Court entered the *Order (I) Setting Bar Dates for Submitting Proofs of Claim, Including Requests for Payment Under Section 503(b)(9), (II) Establishing an Amended Schedules Bar Date and a Rejection Damages Bar Date, (III) Approving the Form, Manner, and Procedures for Filing Proofs of Claim, (IV) Approving Notice Thereof, and (V) Granting Related Relief* [Docket No. 298] (the "Bar Date Order"). Pursuant to the Bar Date Order, the last date for certain persons and entities to file Proofs of Claim in these Chapter 11 Cases was August 15, 2023, at 4:00 p.m. (prevailing Eastern Time) (the "General Claims Bar Date") and the last date for governmental units to file Proofs of Claim in the Debtors' Chapter 11 Cases is December 1, 2023, at 4:00 p.m. (prevailing Eastern Time). On July 24, 2023, the Debtors published the *Notice of Bar Dates for Submitting Proofs of Claim and Claims Under Section 503(b)(9) of the Bankruptcy Code Against the Debtors* [Docket No. 333] in *The New York Times (National Edition)*. On July 24, 2023, the Debtors, through Kurtzman Carson Consultants LLC, caused the *Notice of Deadline Requiring Submission of Proofs of Claim on or Before August 15, 2023, and Related Procedures for Submitting Proofs of Claim in the Above-Captioned Chapter 11 Cases* [Docket No. 357] to be served on relevant parties in interest.

G. The Special Committee's Independent Investigation

As described in Article V.B herein, the Board established the Special Committee and delegated sole authority to the Special Committee (i) on all matters related to a Transaction and Conflict Matters, and (ii) to conduct the Independent Investigation related thereto. Specifically, the Special Committee has the authority to, on behalf of the entire Board, take any action with respect to the Conflict Matters, including, but not limited to: (a) any release or settlement of potential claims or causes of action of the Company or its subsidiaries, if any, against the Related Parties; (b) any decision regarding all or part of a Transaction to the extent it constitutes a Conflict Matter; and (c) any other transaction implicating the Debtors involving Conflict Matters. The disinterested directors serving on the Special Committee retained Katten Muchin Rosenman LLP ("Katten") to provide independent legal counsel in connection with the Independent Investigation.

In furtherance of the Independent Investigation, the Special Committee has, to date, issued document and information requests to, among others, the Debtors and certain of the Debtors' significant equity holders. To date, Katten has received and reviewed approximately 4,300 documents, comprising

approximately 49,000 pages, relevant to the Independent Investigation. Katten has also interviewed certain members of Company management and board of directors, as well as representatives of certain of the Debtors' significant equity holders. The Special Committee is continuing to investigate matters in accordance with the authority it has been given by the Board and in accordance with the disinterested directors' fiduciary obligations. Accordingly, the Independent Investigation remains ongoing as of the date hereof and will remain ongoing until Confirmation to ensure that it is comprehensive.

H. The Canadian CCAA Recognition Proceedings

Debtors Cyxtera Communications Canada, ULS and Cyxtera Canada TRS, ULC are Alberta unlimited liability corporations, and Cyxtera Canada LLC, which is the shareholder of Cyxtera Communications Canada, ULC is a Delaware limited liability corporation (collectively, the "Canadian Debtors"). On June 6, 2023, Cyxtera Technologies, Inc. and the Canadian Debtors commenced an ancillary recognition proceeding (the "Canadian Proceeding") in the Court of King's Bench of Alberta (the "Canadian Court") pursuant to the *Companies' Creditors Arrangement Act* (Canada) R.S.C. 1985, c. C-36 (as amended, the "CCAA"). The purpose of the initial recognition hearing for the Canadian Proceeding was to seek an initial recognition order and supplemental order.

- declaring Cyxtera Technologies, Inc. as the "foreign representative" of the Canadian Debtors in the Canadian Proceeding;
- declaring the Canadian Debtors' Chapter 11 Cases as "foreign main proceedings" under the applicable provisions of the CCAA to, among other things, protect the Debtors' assets and operations in Canada;

- granting a superpriority interim financing charge over the property of the Canadian Debtors in favor of the DIP Lenders; and
- obtaining other orders necessary for the protection of the Canadian Debtors' property or the interests of the Canadian Debtors' creditors.

On June 7, 2023, the Canadian Court granted the order declaring Debtor Cyxtera Technologies, Inc. as the "foreign representative"¹⁶ on behalf of the Canadian Debtors' estates (the "Foreign Representative") in the Canadian Proceeding and granted the other declarations and orders referenced above. Thereafter, on July 12 and July 31, 2023, the Canadian Court recognized certain other orders entered by the Bankruptcy Court, including final Bankruptcy Court Orders, the Bidding Procedures Order, the Bar Date Order, and

¹⁶ A "foreign representative" is defined in section 45(1) of the CCAA to mean "a person or body, including one appointed on an interim basis, who is authorized, in a foreign proceeding respect of a debtor company, to (a) monitor the debtor company's business and financial affairs for the purpose of reorganization; or (b) act as a representative in respect of the foreign proceeding."

the Final DIP Order. The Canadian Debtors, through the Foreign Representative, will continue to seek formal recognition of relevant Bankruptcy Court orders for the remainder of these Chapter 11 Cases.

VII. SUMMARY OF THE PLAN

The Plan contemplates the following key terms described below. In addition, the Plan contains additional detail, including descriptions of the provisions governing distributions under the Plan, the procedures for resolving contingent, unliquidated, and disputed claims, and provisions related to modification, revocation, or withdrawal of the Plan, among others.

A. General Settlement of Claims and Interests

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions

of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors and their Estates. Subject to Article VI of the Plan, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Restructuring Transactions

Before, on, and after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, shall consummate the Restructuring Transactions and may take all actions (which, for the avoidance of doubt, shall be in form, substance, and structure reasonably acceptable to the Required Consenting Term Lenders) as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan that are consistent with and pursuant to the terms and conditions of the Plan, including, as applicable: (i) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, formation, organization, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (iii) the execution, delivery, and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (iv) the execution and delivery of the New Takeback Facility Documents and entry into the New Takeback Facility; (v) the issuance and distribution of the New Common Stock as set forth in the Plan; (vi) the implementation of the Management Incentive Plan; (vii) the execution and delivery of the New Organizational Documents and any certificates or articles of incorporation, bylaws, or such other applicable formation documents (if any) of each Post-Effective Date Debtor (including all actions to be taken, undertakings to be made, obligations to be incurred, and fees and expenses to be paid by the Debtors and/or the Post-Effective Date Debtors, as applicable); (viii) such other transactions that, in the reasonable business judgment of the Debtors or the Post-Effective Date Debtors, as applicable, the Required Consenting Term Lenders (in the event of a Recapitalization Transaction), and the Purchaser (in the event of a Sale Transaction), are required to effectuate the Restructuring Transactions; and (ix) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Confirmation Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan.

The Debtors shall pursue the Recapitalization Transaction unless the Debtors determine, with the consent of the Required Consenting Term Lenders, to pursue an Equity Investment Transaction or an Asset Sale.

In the event of an Equity Investment Transaction, on the Effective Date, the Purchaser shall purchase substantially all of the New Common Stock free and clear of all Liens, Claims, Interests, charges, or other encumbrances in exchange for the Purchase Price set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Purchaser, and the Post-Effective Date Debtors, as

applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

The Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Equity Investment Transaction pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

C. The Equity Investment Transaction or Recapitalization Transaction

If the Equity Investment Transaction or Recapitalization Transaction occurs, the following provisions shall govern.

1. The Post-Effective Date Debtors

On the Effective Date, the New Board shall be established, and each Post-Effective Date Debtor shall adopt its New Organizational Documents. The Post-Effective Date Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary to consummate the Plan.

2. Sources of Consideration for Plan Distributions

The Debtors shall fund or make distributions under the Plan, as applicable, with: (i) the issuance of New Takeback Facility Loans under the New Takeback Facility, (ii) the proceeds from the Equity Investment Transaction, (iii) the New Common Stock, (iv) the GUC Trust Net Assets, and (v) the Debtors' Cash on hand. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Common Stock, will be exempt from Securities Act registration, as described more fully in Article IV.C.5 of the Plan.

(a) The New Takeback Facility

In the event of a Recapitalization Transaction, on the Effective Date, the Post-Effective Date Debtors shall enter into the New Takeback Facility Credit Agreement. Confirmation of the Plan shall be deemed approval of the New Takeback Facility and the New Takeback Facility Documents, as applicable, and all transactions contemplated thereby; all actions to be taken, undertakings to be made, and obligations to be incurred by the Post-Effective Date Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein; and authorization for the Post-Effective Date Debtors to enter into and execute the New Takeback Facility Documents and such other documents as may be required to effectuate the treatment afforded by the New Takeback Facility. Execution of the New Takeback Facility Credit Agreement by the New Takeback Facility Agent shall be deemed to bind all Holders of DIP Claims as if each such Holder had executed the New Takeback Facility Credit Agreement with appropriate authorization.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the New Takeback Facility Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the New Takeback Facility Documents, (c) shall be deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the New Takeback Facility Documents, and (d) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Post-Effective Date Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

(b) New Common Stock

Reorganized Cyxtera shall be authorized to issue a certain number of shares of New Common Stock pursuant to its New Organizational Documents and any options or other equity awards, if any, reserved for the Management Incentive Plan. The issuance of the New Common Stock shall be authorized without the need for any further corporate action. On the Effective Date, the New Common Stock shall be issued and distributed pursuant to, and in accordance with, the Plan, and, in the event of an Equity Investment Transaction, the Purchase Agreement.

All of the shares of New Common Stock issued pursuant to the Plan and, if applicable, the Purchase Agreement shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, including the New Organizational Documents, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Common Stock shall be deemed to constitute its agreement to the New Organizational Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms, without the need for execution by any party thereto other than the applicable Post-Effective Date Debtor(s). The New Common Stock will not be registered under the Securities Act or on any national securities exchange as of the Effective Date.

3. Corporate Existence

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which such Debtor is incorporated or formed and pursuant to the certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). On or after the Effective Date, the respective certificate of incorporation and bylaws (or other formation documents) of one or more of the Post-Effective Date Debtors may be amended or modified on the terms therein without

supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. On or after the Effective Date, one or more of the Post-Effective Date Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

4. New Organizational Documents

On or immediately prior to the Effective Date, the New Organizational Documents shall be adopted or amended as may be necessary to effectuate the transactions contemplated by the Plan. To the extent required under the Plan or applicable non-bankruptcy law, each of the Post-Effective Date Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The New Organizational Documents will prohibit the issuance of non-voting Equity Securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. For the avoidance of doubt, the New Organizational Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Post-Effective Date Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents, and the Post-Effective Date Debtors may file such amended certificates or articles of incorporation, bylaws, or other applicable formation and constituent documents as permitted by the laws of the applicable states, provinces, or countries of incorporation and the New Organizational Documents. For the avoidance of doubt, any claimant's acceptance of the New Common Stock shall be deemed to constitute its agreement to be bound by the New Organizational Documents without the need for execution by any party other than the Post-Effective Date Debtors.

5. Certain Securities Law Matters

Pursuant to section 1145 of the Bankruptcy Code, or, to the extent that section 1145 of the Bankruptcy Code is either not permitted or not applicable, section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, the offering, issuance, and distribution of the New Common Stock, as contemplated herein shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. federal, state, or local laws requiring registration prior to the offering, issuance, distribution, or sale of securities.

The shares of New Common Stock to be issued under the Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, compliance with any applicable state or foreign securities laws, if any, and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Common Stock in the New Organizational Documents.

The shares of New Common Stock that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered "restricted securities," will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act.

6. Management Incentive Plan

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to ten percent of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors, and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

7. Employment Obligations

Unless otherwise provided herein, and subject to Article V of the Plan, if applicable, all employee wages, compensation, retiree benefits (as defined in 11 U.S.C. § 1114(a) of the Bankruptcy Code), and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Post-Effective Date Debtors and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to section 1129(a)(13) of the Bankruptcy Code, as of the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Post-Effective Date Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Post-Effective Date Debtors, such employee, and the Required Consenting Term Lenders, and, in the event of an Equity Investment Transaction, the Purchaser.

D. The Asset Sale

If the Asset Sale occurs, the following provisions shall govern.

1. The Asset Sale

On the Effective Date, the Purchaser shall purchase substantially all of the Debtors' assets free and clear of all Liens, Claims, Interests, charges, or other encumbrances (except for those Liens, Claims, Interests, charges, or other encumbrances assumed by the Purchaser pursuant to the terms of the Purchase Agreement) in exchange for the Purchase Price as set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Post-Effective Date Debtors, and the Purchaser, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

Subject to the consent rights set forth in the RSA, the Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors or the Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. Sources of Consideration for Plan Distributions

The Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors' Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

3. Post-Effective Date Debtors

On and after the Effective Date, the Post-Effective Date Debtors shall continue in existence for purposes of (i) winding down the Debtors' business and affairs as expeditiously as reasonably possible as authorized by the Bankruptcy Court, (ii) resolving Disputed Claims, (iii) making distributions on account of Allowed Claims as provided hereunder, (iv) establishing and funding the Distribution Reserve Accounts, (v) enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in an efficacious manner and only to the extent the benefits of such enforcement or prosecution are reasonably believed to outweigh the costs associated therewith, (vi) filing appropriate tax returns, (vii) complying with any continuing obligations under the Purchase Agreement, and (viii) administering the Plan in an efficacious manner. The Post-Effective Date Debtors shall be deemed to be substituted as the party-in-lieu of the Debtors in all matters, including (x) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (y) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Notwithstanding anything to the contrary in the Plan, on the Effective Date, any Cause of Action not settled, released, discharged, enjoined, or exculpated under the Plan on or prior to the Effective Date shall vest in the Post-Effective Date Debtors and shall be subject to administration by the Plan Administrator, and the net proceeds thereof shall be Distributable Consideration.

4. Plan Administrator

On the Effective Date, the authority, power, and incumbency of the persons acting as managers, directors, and officers of the Post-Effective Date Debtors shall be deemed to have resigned, solely in their capacities as such, and the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The Plan Administrator shall act for the Post-Effective Date Debtors in the same fiduciary capacity as applicable to a board of managers, directors, and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, and related documents are deemed amended by the Plan to permit and authorize the same) and shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan in accordance with the Wind Down and as otherwise provided in the Confirmation Order.

From and after the Effective Date, the Plan Administrator shall be the sole representative of, and shall act for, the Post-Effective Date Debtors. The foregoing shall not limit the authority of the Post-Effective Date Debtors or the Plan Administrator, as applicable, to continue the employment of any former manager or officer. The Debtors, after the Confirmation Date, and the Post-Effective Date Debtors or Plan Administrator, after the Effective Date, shall be permitted to make payments to employees pursuant to employment programs then in effect, and, in the reasonable business judgment of the Plan Administrator and upon three (3) Business Days' notice to counsel to the AHG, to implement additional employee

programs and make payments thereunder solely as necessary to effectuate the Wind-Down, without any further notice to or action, order, or approval of the Bankruptcy Court.

The powers of the Plan Administrator shall include any and all powers and authority to implement the Plan and to administer and distribute the Distribution Reserve Accounts and wind down the business and affairs of the Debtors and Post-Effective Date Debtors, including: (i) making distributions under the Plan; (ii) liquidating, receiving, holding, investing, supervising, and protecting the assets of the Post-Effective Date Debtors in accordance with the Wind-Down Reserve; (iii) taking all steps to execute all instruments and documents necessary to effectuate the distributions to be made under the Plan; (iv) making distributions from the Distribution Reserve Accounts as contemplated under the Plan; (v) establishing and maintaining bank accounts in the name of the Post-Effective Date Debtors; (vi) subject to the terms set forth herein, employing, retaining, terminating, or replacing professionals to represent it with respect to its responsibilities or otherwise effectuating the Plan to the extent necessary; (vii) paying all reasonable fees, expenses, debts, charges, and liabilities of the Post-Effective Date Debtors; (viii) except as otherwise provided for herein, enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in accordance with Article IV.E of the Plan; (ix) administering and paying taxes of the Post-Effective Date Debtors, including filing tax returns; (x) representing the interests of the Post-Effective Date Debtors or the Estates before any taxing authority in all matters, including any action, suit, proceeding, or audit; and (xi) exercising such other powers as may be vested in it pursuant to order of the Bankruptcy Court or pursuant to the Plan, the Confirmation Order, or any applicable orders of the Bankruptcy Court or as the Plan Administrator reasonably deems to be necessary and proper to carry out the provisions of the Plan in accordance with the Wind-Down Reserve.

(a) Retention of Professionals

The Plan Administrator shall have the right to retain the services of attorneys, accountants, and other professionals that, at the discretion of the Plan Administrator, are necessary to assist the Plan Administrator in the performance of his or her duties for the Post-Effective Date Debtors. The reasonable fees and expenses of such professionals, if applicable, shall be paid from the Wind-Down Reserve upon the monthly submission of statements to the Plan Administrator. The payment of the reasonable fees and expenses of the Post-Effective Date Debtors' retained professionals shall be made in the ordinary course of business from the Wind-Down Reserve and shall not be subject to the approval of the Bankruptcy Court.

(b) Compensation of the Plan Administrator

The Plan Administrator's compensation, on a post-Effective Date basis, shall be as described in the Plan Supplement, reasonably acceptable to the Required Consenting Term Lenders, and paid out of the Wind-Down Reserve. Except as otherwise ordered by the Bankruptcy Court, the fees and expenses incurred by the Plan Administrator on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including attorney fees and expenses) made by the Plan Administrator in connection with such Plan Administrator's duties shall be paid without any further notice to, or action, order, or approval of, the Bankruptcy Court in Cash from the Wind-Down Reserve if such amounts relate to any actions taken hereunder.

(c) Plan Administrator Expenses

All costs, expenses, and obligations incurred by the Plan Administrator or the Post-Effective Date Debtors in administering the Plan or in effecting distributions thereunder (including the reimbursement of reasonable expenses), including any costs, expenses, or obligations in any manner connected, incidental, or related thereto, shall be paid from the Wind-Down Reserve.

The Debtors and the Plan Administrator, as applicable, shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. However, in the event that the Plan Administrator is so ordered after the Effective Date, all costs and expenses of procuring any such bond or surety shall be paid for with Cash from the Wind-Down Reserve.

(d) Exculpation, Indemnification, Insurance, and Liability Limitation

The Plan Administrator and all professionals retained by the Plan Administrator, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Post-Effective Date Debtors. The Plan Administrator may obtain, at the expense of the Post-Effective Date Debtors and with funds from the Wind-Down Reserve, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Post-Effective Date Debtors. The Plan Administrator may rely upon written information previously generated by the Debtors.

(e) Tax Returns

After the Effective Date, the Plan Administrator shall complete and file all final or otherwise required federal, state, and local tax returns for each of the Debtors and, pursuant to section 505 of the Bankruptcy Code and subject to applicable law, may request an expedited determination of any unpaid tax liability of such Debtor or its Estate.

(f) Dissolution of the Post-Effective Date Debtors

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made, completion of all its duties under the Plan, and entry of a final decree closing the last of the Chapter 11 Cases, the Post-Effective Date Debtors shall be deemed to be dissolved without any further action by the Post-Effective Date Debtors, including the filing of any documents with the secretary of state for the state in which each Post-Effective Date Debtor is formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Post-Effective Date Debtors in and withdraw the Post-Effective Date Debtors from applicable state(s).

To the extent the Debtors have any Cash or other property remaining after the Chapter 11 Cases have been closed, such Cash or other property shall constitute Residual Cash and shall be immediately allocated and distributable to the Holders of Allowed First Lien Claims.

5. Wind Down

As soon as practicable after the Effective Date, the Plan Administrator shall: (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby; (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to

effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

The filing of the final monthly report (for the month in which the Effective Date occurs) and all subsequent quarterly reports shall be the responsibility of the Plan Administrator.

E. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Plan, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including Article VIII of the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims, and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no

instance will any Cause of Action preserved pursuant to Article IV.E of the Plan include any Claim or Cause of Action against a Released Party or Exculpated Party.

F. Vesting of Assets in the Post-Effective Date Debtors

Except as otherwise provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document incorporated herein, or entered into in connection with or pursuant to, the Plan, the Plan Supplement, or the New Takeback Facility Documents, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan (other than the GUC Trust Assets) shall vest in each respective Post-Effective Date Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document incorporated herein, each Post-Effective Date Debtor may operate its business and use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

G. Cancellation of Existing Agreements and Interests

On the Effective Date, except with respect to the New Takeback Facility or to the extent otherwise provided in the Plan, including in Article V.A of the Plan, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto shall be deemed satisfied in full, cancelled, discharged, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents and shall not be subject to discharge, impairment, or release under the Plan or the Confirmation Order.

H. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including, as and if applicable: (i) selection of the directors, officers, or managers for the Post-Effective Date Debtors; (ii) the issuance and distribution of the New Common Stock; (iii) implementation of the Restructuring Transactions; (iv) entry into the New Takeback Facility Documents; (v) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (vi) adoption of the New Organizational Documents; (vii) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (viii) adoption by the New Board of the Management Incentive Plan; (ix) consummation of the Sale Transaction pursuant to the Purchase Agreement; (x) formation of the Post-Effective Date Debtors and selection of the Plan Administrator; and (xi) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Post-Effective Date Debtors and any corporate action required by the Debtors or the Post-Effective Date Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Post-Effective Date Debtors. On or prior to the Effective Date, as applicable, the appropriate officers of the Debtors or the Post-Effective Date Debtors, as applicable, shall be authorized

and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Post-Effective Date Debtors, including, in the event of a Recapitalization Transaction or an Equity Investment Transaction, the New Common Stock, the New Organizational Documents, the New Takeback Facility, the New Takeback Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by Article IV.H of the Plan shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Directors and Officers of the Post-Effective Date Debtors

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire, and, if applicable, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the Special Committee, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA, and, if applicable, the Purchase Agreement.

J. Effectuating Documents; Further Transactions

On and after the Effective Date, the Post-Effective Date Debtors and their respective officers and boards of directors and managers are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Post-Effective Date Debtors without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

K. Section 1146 Exemption

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Post-Effective Date Debtor, as applicable, or to any other Person) of property under the Plan or pursuant to: (i) the issuance, Reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Post-Effective Date Debtors, as applicable; (ii) the Restructuring Transactions; (iii) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iv) the making, assignment, or recording of any lease or sublease; (v) the grant of collateral as security for the New Takeback Facility; (vi) the Sale Transaction; or (vii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the

Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146 of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

L. Private Company

The Post-Effective Date Debtors shall not have any class of Equity Securities listed on a national securities exchange and shall make commercially reasonable efforts to take the steps necessary to be a private company without Securities Act or Exchange Act reporting obligations upon emergence or as soon as practicable thereafter in accordance with and to the extent permitted by the Securities Act and the Exchange Act.

M. GUC Trust

1. General Terms.

On the Effective Date, the Debtors and the GUC Trustee shall enter into the GUC Trust Agreement and the GUC Trust Assets shall vest or deem to be vested in the GUC Trust automatically without further action by any Person, free and clear of all Claims and Liens, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The GUC Trust shall be administered by the GUC Trustee and governed by the GUC Trust Agreement and shall have the sole power and authority to distribute the GUC Trust Net Assets to Holders of Allowed General Unsecured Claims in accordance with the treatment set forth in the Plan for Class 4. The GUC Trust Agreement may include reasonable and customary provisions that allow for indemnification by the GUC Trust and the GUC Trustee.

The powers, rights, and responsibilities of the GUC Trustee shall be specified in the GUC Trust Agreement and shall include the responsibility and requisite power to reconcile General Unsecured Claims, including asserting any objections thereto. From and after the Effective Date, the GUC Trustee, on behalf of the GUC Trust, shall, in the ordinary course of business and without the need for any approval by the Bankruptcy Court, pay the GUC Trust Fees and Expenses from the GUC Trust Assets. The Debtors, the Post-Effective Date Debtors, and their Affiliates (and anyone acting on their behalf) shall not be responsible for any costs, fees, or expenses of the GUC Trust. The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at the later of (i) such time as all distributions required to be made by the GUC Trustee under the Plan have been made, and (ii) the fifth anniversary of the Effective Date (unless extended by order of the Bankruptcy Court).

2. Tax Treatment.

In furtherance of this section of the Plan, (i) it is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulation section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Internal Revenue Code to the Holders of General Unsecured Claims, consistent with the terms of the Plan, and accordingly, all assets held by the

GUC Trust are intended to be deemed for United States federal income tax purposes to have been distributed by the Debtors or the Post-Effective Date Debtors, as applicable, to the Holders of Allowed General Unsecured Claims, and then contributed by the Holders of Allowed General Unsecured Claims to the GUC Trust in exchange for their interest in the GUC Trust; (ii) the primary purpose of the GUC Trust shall be the liquidation and distribution of the GUC Trust Net Assets in accordance with Treasury Regulation section 301.7701-4(d), including the resolution of General Unsecured Claims in accordance with the Plan, with no objective to continue or engage in the conduct of a trade or business; (iii) all parties (including, without limitation, the Debtors, the Post-Effective Date Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with such treatment described in provisos (i) and (ii) of this paragraph; (iv) all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as determined by the GUC Trustee (or its designee); (v) the GUC Trustee shall be responsible for filing all applicable tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a); and (vi) the GUC Trustee shall annually send to each Holder of an interest in the GUC Trust a separate statement regarding the receipts and expenditures of the trust as relevant for United States federal income tax purposes.

Subject to definitive guidance from the United States Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the United States Internal Revenue Service upon audit if not contested by the GUC Trustee), the GUC Trustee may timely elect to (i) treat any portion of the GUC Trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for United States state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report for United States federal, state, and local income tax purposes consistently with the foregoing. Any taxes (including with respect to earned interest, if any) imposed on the GUC Trust as a result of this treatment shall be paid out of the assets of the GUC Trust (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). The GUC Trustee may request an expedited determination of taxes of the GUC Trust, including any reserve for Disputed Claims, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

The GUC Trust shall continue to have all of the rights and powers granted to the GUC Trust as set forth in the Plan and applicable non-bankruptcy law, and the GUC Trustee shall also have the rights, powers, and obligations set forth in the GUC Trust Agreement.

3. Transfer of GUC Trust Interests.

Any and all interests in the GUC Trust shall be transferrable either (i) with the consent of the Post-Effective Date Debtors or, (ii) by will, intestate succession, or otherwise by operation of law. In addition, any and all interests in the GUC Trust will not constitute “securities” and will not be registered pursuant to the Securities Act or any applicable state or local securities law. However, if it should be determined that any such interests constitute “securities,” the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied, and the offer, issuance, and distribution under the Plan of interests in the GUC Trust will be exempt from registration under the Securities Act and all applicable state and local securities laws and regulations.

N. Closing the Chapter 11 Cases

Upon the occurrence of the Effective Date, the Post-Effective Date Debtors shall be permitted to close all of the Chapter 11 Cases except for one of the Chapter 11 Cases as determined by the Post-Effective Date Debtors, and all contested matters relating to each of the Debtors, including objections to Claims, shall be administered and heard in such Chapter 11 Case.

O. Director and Officer Liability Insurance

After the Effective Date, none of the Post-Effective Date Debtors shall terminate or otherwise reduce the coverage under any of the D&O Liability Insurance Policies (including any “tail policy”) in effect on or after the Petition Date, with respect to conduct or events occurring prior to the Effective Date, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

VIII. OTHER KEY ASPECTS OF THE PLAN

A. Treatment of Executory Contracts and Unexpired Leases

1. Assumption of Executory Contracts and Unexpired Leases

Each Executory Contract and Unexpired Lease shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under section 365 of the Bankruptcy Code, unless such Executory Contract and Unexpired Lease: (i) was assumed or rejected previously by the Debtors; (ii) previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion to reject Filed on or before the Effective Date; or (iv) is identified on the Rejected Executory Contract and Unexpired Lease List. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Confirmation Order will constitute an order of the Bankruptcy Court approving the foregoing assumptions and assignments.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contract and Unexpired Lease List at any time through and including ninety (90) days after the Effective Date, *provided* that in the event of a

Recapitalization Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the RSA.

2. Indemnification Obligations

Consistent with applicable law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, D&O Liability Insurance Policies, or otherwise) for current and former members of any Governing Body, directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall (i) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order, (ii) remain intact, in full force and effect, and irrevocable, (iii) not be limited, reduced, or terminated after the Effective Date, and (iv) survive the effectiveness of the Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date irrespective of whether such indemnification obligation is owed for an act or event occurring before, on, or after the Petition Date. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Post-Effective Date Debtors and/or the Plan Administrator, as applicable.

3. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the rejections, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan or the Rejected Executory Contract and Unexpired Lease List, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Confirmation Order and served on the Post-Effective Date Debtors no later than thirty (30) days after the effective date of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within such time will be automatically disallowed and forever barred from assertion and shall not be enforceable against the Debtors, the Post-Effective Date Debtors, the Estates, the GUC Trust, or their property without the need for any objection by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged and shall be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary.

All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim as set forth in Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

4. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment

of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption, including pursuant to the Plan, or related cure amount must be filed, served, and actually received by counsel to the Debtors and the U.S. Trustee no later than thirty (30) days after the Effective Date or any other deadline that may be set by the Bankruptcy Court. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Post-Effective Date Debtors may also settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' or the Post-Effective Date Debtors', as applicable, first scheduled omnibus hearing, or such other setting as requested by the Debtors or the Post-Effective Date Debtors, as applicable, with respect to which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide "adequate assurance of future performance" within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable Cure pursuant to Article V.D of the Plan shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to Article V.D of the Plan, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

5. Insurance Policies

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, (i) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies and (ii) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revert in the Post-Effective Date Debtors.

Nothing in the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or

supervening), (i) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (ii) alters or modifies the duty, if any, that the insurers or third party administrators pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Post-Effective Date Debtors) or draw on any collateral or security therefor.

6. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Post-Effective Date Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

7. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors or the Post-Effective Date Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan.

8. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

9. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtors or the Post-Effective Date Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

B. Conditions Precedent to Confirmation and Consummation of the Plan

1. Conditions Precedent to the Effective Date

It shall be a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.B of the Plan:

1. the Restructuring Transactions shall have been implemented in accordance with the Restructuring Transactions Memorandum in all material respects;
2. in the event of an Asset Sale, the Distribution Reserve Accounts shall have been established and funded with the Priority Claims Reserve Amount and the Wind-Down Amount;

3. the Bankruptcy Court shall have entered the Confirmation Order and the Confirmation Order shall have become a Final Order;

4. each document or agreement constituting the applicable Definitive Documents, the form and substance of which shall be subject to the consent rights set forth in the RSA (and, in the event of a Sale Transaction, the form and substance of which shall be reasonably acceptable to the Purchaser), shall have been executed and/or effectuated and remain in full force and effect, and any conditions precedent related thereto or contained therein shall have been satisfied or waived by the applicable party or parties prior to or contemporaneously with the occurrence of the Effective Date;

5. the New Takeback Facility Documents, if applicable, the form and substance of which shall be subject to the consent rights set forth in the RSA, shall have been executed and delivered by each party thereto, and any conditions precedent related thereto shall have been satisfied or waived by the parties thereto (with the consent of the Required Consenting Term Lenders), other than such conditions that relate to the effectiveness of the Plan and related transactions, including payment of fees and expenses;

6. the DIP Claims shall have been indefeasibly paid in full in Cash or, solely to the extent set forth herein, satisfied by the New Takeback Facility;

7. the New Common Stock shall have been issued;

8. all Restructuring Expenses, to the extent invoiced, shall have been paid in full;

9. the Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Plan and the Restructuring Transactions;

10. if and as applicable, the Purchase Agreement shall have been executed and all conditions precedent to the effectiveness thereof shall have occurred or will occur substantially simultaneously with the effectiveness of the Plan;

11. if and as applicable, the Purchaser shall deliver the Purchase Price to the Debtors in exchange for the Post-Effective Date Debtors' distribution of the substantially all of the New Common Stock or transfer of substantially all of the Debtors' assets or as otherwise agreed to by the Debtors and the Purchaser;

12. the Plan Supplement and all of the schedules, documents, and exhibits contained therein shall have been Filed;

13. the RSA shall remain in full force and effect;

14. the GUC Trust Agreement shall have been executed and the GUC Trust Assets shall have vested or be deemed to have vested in the GUC Trust;

15. none of the Chapter 11 Cases shall have been converted to a case under chapter 7 of the Bankruptcy Code;

16. no Bankruptcy Court order appointing a trustee or examiner with expanded powers shall have been entered and remain in effect under any chapter of the Bankruptcy Code with respect to the Debtors; and

17. all professional fees and expenses of retained professionals required to be approved by the Bankruptcy Court shall have been paid in full or amounts sufficient to pay such fees and expenses after the Effective Date shall have been placed in the Professional Fee Escrow Account pending approval by the Bankruptcy Court.

2. Waiver of Conditions

The conditions to the Effective Date set forth in Article IX of the Plan, except for the conditions set forth in Article IX.A.8 and 17 of the Plan (each of which may not be waived without the consent of the affected parties), may be waived in whole or in part at any time by the Debtors only with the prior written consent (email shall suffice) of the Required Consenting Term Lenders and, in the event of a Sale Transaction, the Purchaser, without notice, leave, or order of the Bankruptcy Court or any formal action other than proceedings to confirm or consummate the Plan.

3. Effect of Failure of Conditions

If Consummation does not occur, the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims by the Debtors or other Claims or Interests; (ii) prejudice in any manner the rights of the Debtors, any Holders of Claims or Interests, or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders of Claims or Interests, or any other Entity in any respect; *provided* that all provisions of the RSA that survive termination thereof shall remain in effect in accordance with the terms thereof.

IX. RISK FACTORS

BEFORE TAKING ANY ACTION WITH RESPECT TO THE PLAN, HOLDERS OF CLAIMS AGAINST THE DEBTORS WHO ARE ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN SHOULD READ AND CONSIDER CAREFULLY THE RISK FACTORS SET FORTH BELOW, AS WELL AS THE OTHER INFORMATION SET FORTH IN THIS DISCLOSURE STATEMENT, THE PLAN, AND THE DOCUMENTS DELIVERED TOGETHER HEREWITH, REFERRED TO, OR INCORPORATED BY REFERENCE INTO THIS DISCLOSURE STATEMENT, INCLUDING OTHER DOCUMENTS FILED WITH THE BANKRUPTCY COURT IN THE CHAPTER 11 CASES. THE RISK FACTORS SHOULD NOT BE REGARDED AS CONSTITUTING THE ONLY RISKS PRESENT IN CONNECTION WITH THE DEBTORS' BUSINESSES OR THE RESTRUCTURING AND CONSUMMATION OF THE PLAN. EACH OF THE RISK FACTORS DISCUSSED IN THIS DISCLOSURE STATEMENT MAY APPLY EQUALLY TO THE DEBTORS AND THE POST-EFFECTIVE DATE DEBTORS, AS APPLICABLE AND AS CONTEXT REQUIRES.

A. Bankruptcy Law Considerations

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to Holders of Allowed Claims under the Plan but will not necessarily affect the validity of the vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Impaired Classes.

1. The Debtors Will Consider All Available Restructuring Alternatives if the Restructuring Transactions are Not Implemented, and Such Alternatives May Result in Lower Recoveries for Holders of Claims Against and Interests in the Debtors

If the Restructuring Transactions are not implemented, the Debtors will consider all available restructuring alternatives, including filing an alternative chapter 11 plan, converting to a chapter 7 plan, commencing section 363 sales of the Debtors' assets, and any other transaction that would maximize the value of the Debtors' estates. The terms of any alternative restructuring proposal may be less favorable to Holders of Claims against and Interests in the Debtors than the terms of the Plan as described in this Disclosure Statement.

Any material delay in the confirmation of the Plan, the Chapter 11 Cases, or the threat of rejection of the Plan by the Bankruptcy Court, would add substantial expense and uncertainty to the process.

The uncertainty surrounding a prolonged restructuring would have other adverse effects on the Debtors. For example, it would adversely affect:

- the Debtors' ability to raise additional capital;
- the Debtors' liquidity;
- how the Debtors' business is viewed by regulators, investors, lenders, and credit ratings agencies;
- the Debtors' enterprise value; and
- the Debtors' business relationship with customers and vendors.

2. Parties in Interest May Object to the Plan's Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

3. The RSA May Be Terminated

As more fully set forth in the RSA, the RSA may be terminated upon the occurrence of certain events, including, among others, the Debtors' failure to meet specified milestones relating to the filing, confirmation, and consummation of the Plan, and breaches by the Debtors and/or the Required Consenting Stakeholders of their respective obligations under the documents. In the event that the RSA is terminated, the Debtors may seek a non-consensual restructuring alternative, including a potential liquidation of their assets.

4. The Conditions Precedent to the Effective Date of the Plan May Not Occur

As more fully set forth in Article IX of the Plan, the Confirmation and Effective Date of the Plan are subject to a number of conditions precedent. If such conditions precedent are not waived or not met, the Confirmation and Effective Date of the Plan will not take place. In the event that the Effective Date

does not occur, the Debtors may seek Confirmation of a new plan. If the Debtors do not secure sufficient working capital to continue their operations or if the new plan is not confirmed, however, the Debtors may be forced to liquidate their assets.

5. The Debtors May Fail to Satisfy Vote Requirements

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the event that sufficient votes are not received, the Debtors may need to seek to confirm an alternative chapter 11 plan or transaction, subject to the terms of the RSA. There can be no assurance that the terms of any such alternative chapter 11 plan or other transaction would be similar or as favorable to the Holders of Interests and Allowed Claims as those proposed in the Plan and the Debtors do not believe that any such transaction exists or is likely to exist that would be more beneficial to the Estates than the Plan.

6. The Debtors May Not Be Able to Secure Confirmation of the Plan

Section 1129 of the Bankruptcy Code sets forth the requirements for confirmation of a chapter 11 plan, and requires, among other things, a finding by the Bankruptcy Court that: (a) such plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting classes; (b) confirmation of such plan is not likely to be followed by a liquidation or a need for further financial reorganization unless such liquidation or reorganization is contemplated by the plan; and (c) the value of distributions to non-accepting holders of claims or equity interests within a particular class under such plan will not be less than the value of distributions such holders would receive if the debtors were liquidated under chapter 7 of the Bankruptcy Code.

There can be no assurance that the requisite acceptances to confirm the Plan will be received. Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting Holder of an Allowed Claim might challenge either the adequacy of this Disclosure Statement or whether the balloting procedures and voting results satisfy the requirements of the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that this Disclosure Statement, the balloting procedures, and voting results are appropriate, the Bankruptcy Court could still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation are not met. If a chapter 11 plan of reorganization is not confirmed by the Bankruptcy Court, it is unclear whether the Debtors will be able to reorganize their business and what, if anything, Holders of Interests and Allowed Claims against them would ultimately receive.

The Debtors, subject to the terms and conditions of the Plan and the RSA, reserve the right to modify the terms and conditions of the Plan as necessary for Confirmation. Any such modifications could result in less favorable treatment of any non-accepting class of Claims or Interests, as well as any class junior to such non-accepting class, than the treatment currently provided in the Plan. Such a less favorable treatment could include a distribution of property with a lesser value than currently provided in the Plan or no distribution whatsoever under the Plan.

7. The Debtors May Not Be Able to Secure Nonconsensual Confirmation Over Certain Impaired Non-Accepting Classes

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents’ request if at least one impaired class (as defined under section 1124 of the Bankruptcy Code) has accepted the plan (with such acceptance being determined without including the vote of any “insider” in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting impaired class(es). The Debtors believe that the

Plan satisfies these requirements, and the Debtors may request such nonconsensual Confirmation in accordance with subsection 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual Confirmation or Consummation of the Plan may result in, among other things, increased expenses relating to professional compensation.

8. Even if the Restructuring Transactions are Successful, the Debtors Will Face Continued Risk Upon Confirmation

Even if the Plan is consummated, the Debtors will continue to face a number of risks, including certain risks that are beyond their control, such as further deterioration or other changes in economic conditions, changes in the industry, potential revaluing of their assets due to chapter 11 proceedings, changes in demand for the Debtors' services, and increasing expenses. See Article IX.C of this Disclosure Statement, entitled "Risks Related to the Debtors' and the Post-Effective Date Debtors' Businesses." Some of these concerns and effects typically become more acute when a case under the Bankruptcy Code continues for a protracted period without indication of how or when the case may be completed. As a result of these risks and others, there is no guarantee that a chapter 11 plan of reorganization reflecting the Plan will achieve the Debtors' stated goals.

In addition, at the outset of the Chapter 11 Cases, the Bankruptcy Code provides the Debtors with the exclusive right to propose the Plan and prohibits creditors and others from proposing a plan. The Debtors will have retained the exclusive right to propose the Plan upon filing their Petitions. If the Bankruptcy Court terminates that right, however, or the exclusivity period expires, there could be a material adverse effect on the Debtors' ability to achieve confirmation of the Plan in order to achieve the Debtors' stated goals.

Furthermore, even if the Debtors' debts are reduced and/or discharged through the Plan, the Debtors may need to raise additional funds through public or private debt or equity financing or other various means to fund the Debtors' businesses after the completion of the proceedings related to the Chapter 11 Cases. Adequate funds may not be available when needed or may not be available on favorable terms.

9. The Chapter 11 Cases May Be Converted to Cases under Chapter 7 of the Bankruptcy Code

If the Bankruptcy Court finds that it would be in the best interest of creditors and/or the debtor in a chapter 11 case, the Bankruptcy Court may convert a chapter 11 bankruptcy case to a case under chapter 7 of the Bankruptcy Code. In such event, a chapter 7 trustee would be appointed or elected to liquidate the debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. The Debtors believe that liquidation under chapter 7 would result in significantly smaller distributions being made to creditors than those provided for in a chapter 11 plan because of (a) the likelihood that the assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time, rather than reorganizing or selling the business as a going concern at a later time in a controlled manner, (b) additional administrative expenses involved in the appointment of a chapter 7 trustee, and (c) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation, including Claims resulting from the rejection of Unexpired Leases and other Executory Contracts in connection with cessation of operations.

10. The Debtors May Object to the Amount or Classification of a Claim

Except as otherwise provided in the Plan, the Debtors reserve the right to object to the amount or classification of any Claim under the Plan, subject to the terms of the RSA. The estimates set forth in this

Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is subject to an objection. Any Holder of a Claim that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

11. Risk of Non-Occurrence of the Effective Date

Although the Debtors believe that the Effective Date may occur quickly after the Confirmation Date, there can be no assurance as to such timing or as to whether the Effective Date will, in fact, occur.

12. Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

13. Releases, Injunctions, and Exculpations Provisions May Not Be Approved

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases that may otherwise be asserted against the Debtors, Post-Effective Date Debtors, or Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to the Independent Investigation and objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

The releases provided to the Released Parties and the exculpation provided to the Exculpated Parties are necessary to the success of the Debtors' reorganization because the Released Parties and Exculpated Parties have made significant contributions to the Debtors' reorganizational efforts and have agreed to make further contributions, but only if they receive the full benefit of the Plan's release and exculpation provisions. The Plan's release and exculpation provisions are an inextricable component of the RSA and Plan and the significant deleveraging and financial benefits that they embody.

B. Risks Related to Recoveries Under the Plan

1. Certain Significant Holders of Shares of New Common Stock May Have Substantial Influence Over the Post-Effective Date Debtors Following the Effective Date

Assuming that the Effective Date occurs, holders of Claims who receive distributions representing a substantial percentage of the outstanding shares of the New Common Stock may be in a position to influence matters requiring approval by the holders of shares of New Common Stock, including, among other things, the election of directors and the approval of a change of control of the Post-Effective Date Debtors. The holders may have interests that differ from those of the other holders of shares of New

Common Stock and may vote in a manner adverse to the interests of other holders of shares of New Common Stock. This concentration of ownership may facilitate or may delay, prevent, or deter a change of control of the Post-Effective Date Debtors and consequently impact the value of the shares of New Common Stock. In addition, a holder of a significant number of shares of New Common Stock may sell all or a large portion of its shares of New Common Stock within a short period of time, which sale may adversely affect the trading price of the shares of New Common Stock. A holder of a significant number of shares of New Common Stock may, on its own account, pursue acquisition opportunities that may be complementary to the Post-Effective Date Debtors' businesses, and as a result, such acquisition opportunities may be unavailable to the Post-Effective Date Debtors. Such actions by holders of a significant number of shares of New Common Stock may have a material adverse impact on the Post-Effective Date Debtors' businesses, financial condition, and operating results.

2. Estimated Valuations of the Exit Facilities, and the New Common Stock, and Estimated Recoveries to Holders of Allowed Claims and Interests Are Not Intended to Represent Potential Market Values

The Debtors' estimated recoveries to Holders of Allowed Claims and Allowed Interests are not intended to represent the market value of the Debtors' Securities. The estimated recoveries are based on numerous assumptions (the realization of many of which will be beyond the control of the Debtors), including: (a) the successful reorganization of the Debtors; (b) an assumed date for the occurrence of the Effective Date; (c) the Debtors' ability to maintain adequate liquidity to fund operations; (d) the assumption that capital and equity markets remain consistent with current conditions; and (e) the Debtors' ability to maintain critical existing customer relationships, including customer relationships with key customers.

3. The Post-Effective Date Debtors May Not Be Able to Generate or Receive Sufficient Cash to Service Their Debt and May Be Forced to Take Other Actions to Satisfy their Obligations, Which May Not Be Successful

The Post-Effective Date Debtors' ability to make scheduled payments on their debt obligations depends on their financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business, and other factors beyond the Post-Effective Date Debtors' control. The Post-Effective Date Debtors may not be able to maintain a level of cash flow sufficient to permit them to pay the principal, premium, if any, and interest on their debt, including the Exit Facilities.

If cash flows and capital resources are insufficient to fund the Post-Effective Date Debtors' debt obligations, they could face substantial liquidity problems and might be forced to reduce or delay investments and capital expenditures, or to dispose of assets or operations, seek additional capital or restructure or refinance debt, including the Exit Facilities. These alternative measures may not be successful, may not be completed on economically attractive terms, or may not be adequate to satisfy their debt obligations when due.

Further, if the Post-Effective Date Debtors suffer or appear to suffer from a lack of available liquidity, the evaluation of their creditworthiness by counterparties and rating agencies and the willingness of third parties to do business with them could be adversely affected.

4. The New Common Stock is Subject to Dilution

The ownership percentage represented by the New Common Stock distributed on the Effective Date under the Plan will be subject to dilution from the New Common Stock issued in connection with the conversion of any other options, warrants, convertible securities, exercisable securities, or other securities that may be issued post-emergence, including pursuant to the Management Incentive Plan.

5. The Terms of the Exit Facilities Documents Are Subject to Change Based on Negotiation and the Approval of the Bankruptcy Court

The terms of the Exit Facilities Documents have not been finalized and are subject to negotiations between the Debtors and the Consenting Stakeholders. Holders of Claims that are not the Consenting Stakeholders will not participate in these negotiations, and the results of such negotiations may affect the rights of the holders of the New Common Stock following the Effective Date. As a result, the final terms of the Exit Facilities Documents may be less favorable to Holders of Claims and Interests than as described herein and in the Plan.

6. A Decline in the Post-Effective Date Debtors' Credit Ratings Could Negatively Affect the Debtors' Ability to Refinance Their Debt

The Debtors' or the Post-Effective Date Debtors' credit ratings could be lowered, suspended, or withdrawn entirely, at any time, by the rating agencies, if, in each rating agency's judgment, circumstances warrant, including as a result of exposure to the credit risk and the business and financial condition of the Debtors or the Post-Effective Date Debtors, as applicable. Downgrades in the Post-Effective Date Debtors' long-term debt ratings may make it more difficult to refinance their debt and increase the cost of any debt that they may incur in the future.

7. Certain Tax Implications of the Plan May Increase the Tax Liability of the Post-Effective Date Debtors

Holders of Allowed Claims should carefully review Article XIII of this Disclosure Statement, entitled "Certain United States Federal Income Tax Consequences of the Plan," to determine how the tax implications of the Plan and the Chapter 11 Cases may adversely affect the Post-Effective Date Debtors and Holders of certain Claims.

8. The Closing Conditions of a Sale Transaction May Not be Satisfied

It is possible that the Debtors may not satisfy the closing conditions of a Sale Transaction if the Debtors determine to pursue a Sale Transaction. A failure to satisfy any of the closing conditions of the Sale Transaction related thereto could prevent the Sale Transaction and the Plan from being consummated, which could lead to the Chapter 11 Cases being converted to cases under chapter 7.

C. Risks Related to the Debtors' and the Post-Effective Date Debtors' Businesses

1. The Post-Effective Date Debtors May Not Be Able to Generate Sufficient Cash to Service All of Their Indebtedness

The Post-Effective Date Debtors' ability to make scheduled payments on, or refinance their debt obligations, depends on the Post-Effective Date Debtors' financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Post-Effective Date Debtors' control. The Post-Effective Date Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Post-Effective Date Debtors to pay the principal, premium, if any, and interest on their indebtedness, including, without limitation, potential borrowings under the Exit Facilities and upon emergence.

2. The Debtors Will Be Subject to the Risks and Uncertainties Associated with the Chapter 11 Cases

For the duration of the Chapter 11 Cases, the Debtors' ability to operate, develop, and execute a business plan, and continue as a going concern, will be subject to the risks and uncertainties associated with bankruptcy. These risks include the following: (a) ability to develop, confirm, and consummate the Restructuring Transactions specified in the Plan; (b) ability to obtain Bankruptcy Court approval with respect to motions Filed in the Chapter 11 Cases from time to time; (c) ability to maintain relationships with suppliers, vendors, service providers, customers, employees, and other third parties; (d) ability to maintain contracts that are critical to the Debtors' operations; (e) ability of third parties to seek and obtain Bankruptcy Court approval to terminate contracts and other agreements with the Debtors; (f) ability of third parties to seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm a chapter 11 plan, to appoint a chapter 11 trustee, or to convert the Chapter 11 Cases to chapter 7 proceedings; and (g) the actions and decisions of the Debtors' creditors and other third parties who have interests in the Chapter 11 Cases that may be inconsistent with the Debtors' plans.

These risks and uncertainties could affect the Debtors' businesses and operations in various ways. For example, negative events associated with the Chapter 11 Cases could adversely affect the Debtors' relationships with suppliers, service providers, customers, employees, and other third parties, which in turn could adversely affect the Debtors' operations and financial condition. Also, the Debtors will need the prior approval of the Bankruptcy Court for transactions outside the ordinary course of business, which may limit the Debtors' ability to respond timely to certain events or take advantage of certain opportunities. Because of the risks and uncertainties associated with the Chapter 11 Cases, the Debtors cannot accurately predict or quantify the ultimate impact of events that occur during the Chapter 11 Cases that may be inconsistent with the Debtors' plans.

3. Operating in Bankruptcy for a Long Period of Time May Harm the Debtors' Businesses

The Debtors' future results will be dependent upon the successful confirmation and implementation of a plan of reorganization. A long period of operations under Bankruptcy Court protection could have a material adverse effect on the Debtors' businesses, financial condition, results of operations, and liquidity. So long as the proceedings related to the Chapter 11 Cases continue, senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations. A prolonged period of operating under Bankruptcy Court protection also may make it more difficult to retain management and other key personnel necessary to the success and growth of the Debtors' businesses. In addition, the longer the proceedings related to the Chapter 11 Cases continue, the more likely it is that customers and suppliers will lose confidence in the Debtors' ability to reorganize their businesses successfully and will seek to establish alternative commercial relationships.

So long as the proceedings related to the Chapter 11 Cases continue, the Debtors will be required to incur substantial costs for professional fees and other expenses associated with the administration of the Chapter 11 Cases. Furthermore, the Debtors cannot predict the ultimate amount of all settlement terms for the liabilities that will be subject to a plan of reorganization. Even after a plan of reorganization is approved and implemented, the Post-Effective Date Debtors' operating results may be adversely affected by the possible reluctance of prospective lenders and other counterparties to do business with a company that recently emerged from bankruptcy protection.

4. Financial Results May Be Volatile and May Not Reflect Historical Trends

The Financial Projections attached hereto as **Exhibit E** are based on assumptions that are an integral part of the projections, including Confirmation and Consummation of the Plan in accordance with its terms, the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize.

In addition, unanticipated events and circumstances occurring after the date hereof may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the value of the New Common Stock and the ability of the Debtors to make payments with respect to their indebtedness. Because the actual results achieved may vary from projected results, perhaps significantly, the Financial Projections should not be relied upon as a guarantee or other assurance of the actual results that will occur.

Further, during the Chapter 11 Cases, the Debtors expect that their financial results will continue to be volatile as restructuring activities and expenses, contract terminations and rejections, and claims assessments significantly impact the Debtors' consolidated financial statements. As a result, the Debtors' historical financial performance likely will not be indicative of their financial performance after the Petition Date. In addition, if the Debtors emerge from the Chapter 11 Cases, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors also may be required to adopt fresh start accounting, in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting also may be different from historical trends.

Finally, the business plan was developed by the Debtors with the assistance of their advisors. There can be no assurances that the Debtors' business plan will not change, perhaps materially, as a result of decisions that the board of directors may make after fully evaluating the strategic direction of the Debtors and their business plan. Any deviations from the Debtors' existing business plan would necessarily cause a deviation.

5. The Debtors' Business is Subject to Various Laws and Regulations That Can Adversely Affect the Cost, Manner, or Feasibility of Doing Business

The Debtors' operations are subject to various federal, state and local laws and regulations, including occupational health and safety laws and evolving environmental standards. The Debtors may be required to make large expenditures to comply with such regulations. Failure to comply with these laws and regulations may result in the suspension or termination of operations and subject the Debtors to administrative, civil and criminal penalties, which could have a material adverse effect on the business, financial condition, results of operations and cash flows of the Post-Effective Date Debtors.

6. The Post-Effective Date Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases

In the future, the Post-Effective Date Debtors may become parties to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Post-Effective Date Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Plan. It is not possible to predict the potential litigation that the Post-Effective Date Debtors may become

party to, nor the final resolution of such litigation. The impact of any such litigation on the Post-Effective Date Debtors' businesses and financial stability, however, could be material.

7. The Loss of Key Personnel Could Adversely Affect the Debtors' Operations

The Debtors' operations are dependent on a relatively small group of key management personnel. The Debtors' recent liquidity issues and the Chapter 11 Cases have created distractions and uncertainty for key management personnel and employees. As a result, the Debtors may experience increased levels of employee attrition. Because competition for experienced personnel can be significant, the Debtors may be unable to find acceptable replacements with comparable skills and experience, and the loss of such key management personnel could adversely affect the Debtors' ability to operate their businesses. In addition, a loss of key personnel or material erosion of employee morale could have a material adverse effect on the Debtors' ability to meet expectations, thereby adversely affecting the Debtors' businesses and the results of operations.

8. The Debtors' Business Depends on Their Ability to Keep Pace with Rapid Technological Changes That Impact Their Industry, and Ability to Grow and Retain the Debtors' Customer Base

The Debtors operate in a complex and rapidly shifting industry characterized by swift, and sometimes disruptive, technological developments, evolving industry standards, frequent new product introductions and enhancements, and changes in customer requirements. The Debtors' future success depends in part on their ability to continue to provide data center solutions that keep pace with evolving industry standards and changing customer demands. Although the positioning of their businesses is currently strong, changes in technology, standards, and in the Debtors' customers' businesses continue to occur rapidly and at unpredictable intervals, and the Debtors may not be able to respond adequately. The impact of these changes may be magnified by the intense competition in the Debtors' industry. If the Debtors are unable to successfully update and integrate their offerings to adapt to these changes, or if the Debtors do not successfully develop new capabilities needed by their customers to keep pace with these changes, the Debtors' business and financial results may suffer.

The Debtors' ability to keep up with technology and business changes is subject to a number of risks, and the Debtors may find it difficult or costly to, among other things: (i) update or expand their data centers fast enough to meet customers' needs; (ii) update the Debtors' products and services to keep pace with business, regulatory, and other developments in the industries where the Debtors' customers operate; and (iii) update the Debtors' offerings to keep pace with advancements in hardware, software, and data center technology.

The Debtors could also incur substantial costs if they need to modify their services or infrastructure in order to adapt to these changes. For example, the Debtors' data center infrastructure could require improvements due to (i) the development of new systems to deliver power to or eliminate heat from the servers they house, (ii) the development of new server technologies that require levels of critical load and heat removal that the Debtors' facilities are not designed to provide; or (iii) a fundamental change in the way in which the Debtors deliver services. The Debtors may not be able to timely adapt to changing technologies, if at all. The Debtors' ability to sustain and grow their business would suffer if they fail to respond to these changes in a timely and cost-effective manner.

9. Acquisitions of Companies, Products, or Technologies, or Internal Restructuring and Cost Savings Initiatives May Disrupt the Debtors' Ongoing Business

The Debtors have acquired and may continue to acquire companies, products, data center assets, and technologies that complement their strategic direction. Acquisitions involve significant risks and uncertainties, including:

- inability to successfully integrate the acquired technology and operations into the Debtors' business and maintain uniform standards, controls, policies, and procedures;
- inability to realize synergies expected to result from an acquisition;
- challenges retaining the key employees, customers, resellers and other business partners of the acquired operation; and
- the internal control environment of an acquired entity may not be consistent with the Debtors' standards and may require significant time and resources to improve.

Acquisitions and divestitures are inherently risky. The Debtors' transactions may not be successful and may, in some cases, harm operating results or their financial condition. In addition, if the Debtors use debt to fund acquisitions or for other purposes, their interest expense and leverage may significantly increase. If the Debtors issue equity securities as consideration in an acquisition, current shareholders' percentage ownership and earnings per share may be diluted.

In addition, from time to time, the Debtors may undertake internal restructurings and other initiatives intended to reduce expenses. These initiatives may not lead to the benefits the Debtors expect, may be disruptive to the Debtors' personnel and operations, and may require substantial management time and attention. Moreover, the Debtors could encounter delays in executing their plans, which could entail further disruption and associated costs. If these disruptions result in a decline in productivity of the Debtors' personnel, negative impacts on operations, or if they experience unanticipated expenses associated with these initiatives, the Debtors' business and operating results may be harmed.

10. Cyberattacks or the Improper Disclosure or Control of Personal Information Could Result in Liability and Harm the Debtors' Reputation, Which Could Adversely Affect Its Business

The Debtors are dependent on networks and systems to process, transmit and store electronic information and to communicate among the Debtors' locations around the world, and they may be required to store sensitive or confidential client data in connection with the services they provide. As a result, the Debtors are subject to contractual terms and numerous U.S. and foreign laws and regulations designed to protect this information. Furthermore, data privacy is subject to frequently changing rules and regulations, which sometimes conflict among the various jurisdictions and countries in which the Debtors provide services. Although the Debtors have implemented appropriate policies and procedures to reduce the possibility of physical, logical and personnel security breaches, no such measures can completely eliminate the risk of cybersecurity attacks, especially in light of advances in criminal capabilities (including cyberattacks or cyber intrusions over the internet, malware, computer viruses and the like), discovery of new vulnerabilities or attempts to exploit existing vulnerabilities in interconnected third party systems that are beyond the Debtors' control systems.

Unauthorized disclosure, either actual perceived, of sensitive or confidential client or customer data, whether through systems failure, system intrusion, employee negligence, fraud, or otherwise could

damage the Debtors' reputation and cause the Debtors to lose clients. Similarly, unauthorized access to or through the Debtors' information systems or those the Debtors develop for clients, whether by the Debtors' employees or third parties, could result in negative publicity, legal liability and damage to the Debtors' reputation, business, financial condition, results of operations and cash flows.

While the Debtors have not experienced a significant compromise to date, significant data loss or material financial losses related to cyber security attacks that has had an adverse effect on the Debtors' operations, there is no assurance that there may not be a material adverse effect in the future. Although the Debtors maintain cyber liability insurance, such insurance may not adequately or timely compensate the Debtors for all losses they may incur as any of the Debtors' client contracts do not contain limitations of liability for such losses.

11. The Debtors May Not Be Able to Accurately Report Their Financial Results

The Debtors have established internal controls over financial reporting. However, internal controls over financial reporting may not prevent or detect misstatements or omissions in the Debtors' financial statements because of their inherent limitations, including the possibility of human error, and the circumvention or overriding of controls or fraud. Therefore, even effective internal controls can provide only reasonable assurance with respect to the preparation and fair presentation of financial statements. If the Debtors fail to maintain the adequacy of their internal controls, the Debtors may be unable to provide financial information in a timely and reliable manner within the time periods required under the terms of the agreements governing the Debtors' indebtedness. Any such difficulties or failure could materially adversely affect the Debtors' business, results of operations, and financial condition. Further, the Debtors may discover other internal control deficiencies in the future and/or fail to adequately correct previously identified control deficiencies, which could materially adversely affect the Debtors' businesses, results of operations, and financial condition.

12. The Debtors May Fail to Retain or Attract Customers, Which Would Adversely Affect the Debtors' Business and Financial Results

The Debtors' future revenue is dependent in large part upon the retention and growth of their existing customer base, in terms of customers continuing to purchase products and services, including renewals of current contracts. This is particularly important, given that over 90 percent of Cyxtera's revenue is derived from recurring, fixed term customer contracts. Existing customers may decide not to renew or to reduce their contracts with the Debtors or not to purchase additional products or services from the Debtors in the future, which could have a material adverse effect on the Debtors' business and results of operations. In such cases, there can be no assurance that the Debtors will be able to retain their current customers.

A variety of factors could affect the Debtors' ability to successfully retain and attract customers, including the level of demand for their products and services, the level of customer spending for data center and colocation technology, the quality of the Debtors' customer service, the Debtors' ability to update their products and develop new products and services needed by customers, and the Debtors' ability to integrate and manage any acquired businesses. Further, the industry in which the Debtors operate is highly competitive and the Debtors may not be able to compete effectively. The Debtors' revenue, which has been largely recurring in nature, comes from the sale of the Debtors' products and services under fixed-term contracts. The Debtors do not have a unilateral right to extend these contracts at the end of their term. If customers cancel or decide not to renew their contracts, the Debtors' business and financial results could be adversely and materially affected.

13. The Debtors' Business is Highly Dependent on Third Parties and the Failure of their Physical or Customer Infrastructure Within their Data Centers Could Lead to Significant Cost and Disruption that Could Reduce their Revenue and Harm their Business Reputation and/or Financial Results

The Debtors' business depends on providing customers with highly reliable data center solutions. The Debtors must safehouse their customers' infrastructure and equipment located in their data centers by ensuring that they remain operational at all times. Problems at one or more data centers, whether or not they are within the Debtors' control, could result in service interruptions or significant infrastructure or equipment damage. These could result from numerous externalities, including, but not limited to:

- human error;
- maintenance lapses and/or failures;
- equipment failure;
- availability of parts and materials necessary to appropriately maintain their infrastructure;
- cybersecurity incidents, including physical and electronic breaches;
- fires, earthquakes, hurricanes, floods, tornados or other nature disasters;
- extreme temperatures;
- water damage;
- fiber cuts;
- power loss, water loss and/or the loss of other local utilities;
- terrorist acts;
- sabotage and vandalism; and
- civil disorder.

The Debtors have service-level obligations to their customers. As a result, service interruptions or significant equipment damage in their data centers could result in difficulty maintaining service-level commitments to these customers and may invite potential claims related to such failures. Because the Debtors' data centers are critical to many of their customers' businesses, service interruptions or significant equipment damage in could also result in lost profits or other indirect or consequential damages to their customers. There can be no assurance that a court would enforce any contractual limitations on the Debtors' liability in the event that one of their customers brings a lawsuit as a result of a problem at one of their data centers. Furthermore, the Debtors may decide to reach settlements with affected customers irrespective of any such contractual limitations. Any such settlement may result in a reduction of revenue. In addition, any loss of service, equipment damage or inability to meet their service-level commitment obligations could reduce the confidence of their customers and could consequently impair their ability to obtain and retain customers, which would adversely affect both their ability to generate revenues and their operating results.

Furthermore, the Debtors are dependent upon internet service providers, telecommunications carriers and other website operators in North America, Europe, and Asia, some of which have experienced

significant system failures and electrical outages in the past. The Debtors' customers may in the future experience difficulties due to system failures unrelated to their systems and offerings. If, for any reason, these providers fail to provide the required services, the Debtors' business, financial condition, and results of operations could be materially and adversely impacted.

14. The Debtors May Overestimate or Underestimate Their Data Center Capacity Requirements, and their Operating Margins and Profitability Could Be Adversely Affected

The Debtors incur various costs of construction, leasing, and maintenance for their data centers, which constitute a significant portion of the Debtors' capital and operating expenses. In order to manage growth and ensure adequate capacity for new and existing customers while minimizing unnecessary excess capacity costs, the Debtors continuously evaluate their short- and long-term data center capacity requirements. If the Debtors overestimate the demand for their services and secure excess data center capacity, their operating margins could be materially reduced, which would materially impair the Debtors' profitability. Conversely, if the Debtors underestimate their data center capacity requirements, the Debtors may not be able to service the expanding needs of their existing customers and may be required to limit new customer acquisition, which may materially impair the Debtors' revenue growth. Substantial lead time is necessary to ensure that available space is adequate for the Debtors' needs and maximizes the Debtors' investment return. If the Debtors inaccurately forecast their space needs, the Debtors may be forced to enter into a data center lease that may not properly fit their needs and may potentially be required to pay more to secure the space if the current customer demand were to require immediate space expansion.

15. The Debtors May Not Be Able to Renew the Leases on Their Existing Facilities on Beneficial Terms, if at all, Which Could Adversely Affect the Debtors' Operating Results

The Debtors lease the space that houses their data centers in all but two of their locations. Their data center leases are typically long-term, non-cancellable leases. As of December 31, 2022, their data center leases have remaining lease terms of one year to thirty-two years. As of December 31, 2022, five of the Debtors' leased facilities had a lease term expiring in fewer than five years, and an additional three leased facilities had lease terms expiring in fewer than ten years.

The Debtors' landlords could attempt to evict them for reasons beyond their control. If the Debtors were forced to vacate any leased data center space, they would incur significant expense due to the high cost of relocating data center equipment and installing the necessary infrastructure elsewhere. They may also lose customers that chose their services based on the location of the relevant data center. In addition, the Debtors cannot provide any assurance that they will be able to renew their data center leases on or prior to their expiration dates on favorable terms, if at all. Certain of the Debtors' landlords may view them as a competitor, which may impact their willingness to extend their leases beyond their contracted expiration dates. If the Debtors are unable to renew their lease agreements, they could lose a significant number of customers who are unwilling to relocate their equipment to another one of their data center properties, which could have a material adverse effect on them. Yet, even if they are able to renew their lease agreements, the terms and costs of renewal may be less favorable than the existing lease arrangements. Failure to sufficiently increase revenue from customers at these facilities to offset these potentially higher costs could have a material adverse effect on the Debtors' financial performance. Further, they may be unable to maintain good working relationships with their landlords, which could potentially result in the loss of current customers. Such potentially strained relationships would have a significant impact on customer satisfaction, which would greatly reduce the Debtors' chances retaining their business.

16. Power Rate Increases, Power Outages, and Limited Availability of Electrical Resources May Adversely Affect the Debtors' Operating Results

The Debtors' data centers are occasionally affected by disruptions related to their electricity sources, such as planned or unplanned power outages and limitations on transmission or distribution. Unplanned power outages, including, but not limited to, those as a result of large storms, earthquakes, fires, tsunamis, cyberattacks could harm their customers and business. Some of the Debtors' data centers are located in leased buildings where, depending upon the lease requirements and number of tenants therein, they may not control some or all of the infrastructure, including generators and fuel tanks. As a result, in the event of a power outage, the Debtors may be dependent upon the landlord, as well as the utility company, to restore the power.

In each of their markets, the Debtors rely on third parties to provide a sufficient amount of power to support the needs of their current and future customers. At the same time, power and cooling requirements are increasing per unit of equipment. As a result, some customers are consuming an increasing amount of power for the same amount of infrastructure. The Debtors generally do not control the amount of power that their customers draw from their installed circuits, which can result in growth in the aggregate power consumption of their facilities beyond their original planning and expectations. This means that limitations on the capacity of electrical delivery systems and equipment could limit customer utilization of the data centers. These limitations could have a negative impact on the effective available capacity of a given data center and limit the Debtors' ability to grow their business, which could have a negative impact on their financial performance, operating results, and cash flows.

Recently, the cost of electricity has generally risen due to macroeconomic natural gas supply and demand constraints. These constraints initially began as a result of inadequate natural gas reserves in Europe to meet European demand in light of sanctions on Russia as a result of the ongoing military conflict between Russia and Ukraine. The Debtors' costs of electricity may also increase as a result of the physical effects of climate change, increased regulations driving alternative electricity generation, or as a result of their election to use renewable energy sources. To the extent the Debtors incur increased utility costs, such increased costs could materially impact their overall financial performance.

As current and future customers increase their power footprint in the Debtors' data centers over time, the corresponding reduction in available power could limit the Debtors' ability to increase occupancy rates or network density within existing data centers. Furthermore, at certain data centers, the aggregate maximum contractual obligation to provide power and cooling may exceed the physical capacity at such data centers if customers were to quickly increase their demand for power and cooling. If the Debtors are unable to increase the available power and/or cooling or move the customer to another data center with sufficient power and cooling, they could lose the customer and invite liability under their agreement with such customer. In addition, power and cooling systems are difficult and expensive to upgrade. Accordingly, the Debtors may not be able to efficiently upgrade or change these systems to meet new demands without incurring significant costs that they may not be able to pass on to their customers. Any such material loss of customers, liability, or additional costs could adversely affect the Debtors' business and overall financial condition.

17. The Wind-Down Budget, If Any, May Change Materially

In the event of an Asset Sale, the Debtors, the Committee, and the Required DIP Lenders will negotiate in good faith to establish a wind down budget to fund costs associated with pursuing confirmation of a chapter 11 plan, the wind down of any remaining assets of the Debtors' Estates, and otherwise administering the Debtors' Estates (the "Wind-Down Budget"). The Wind-Down Budget will be the Debtors' best estimates of actual expenses and revenues for the time period after the Debtors affirmatively elect to pursue an Asset Sale to the remainder of the Chapter 11 Cases. Creditors should be aware that such

numbers may change, potentially materially, and any changes to the actual expenses and revenues will ultimately impact the amount of Asset Sale proceeds available to be paid to creditors under the Plan.

D. Risks Related to the Offer and Issuance of Securities Under the Plan

1. The Debtors Do Not Intend to Register the Offer or Sale of New Common Stock and Certain Holders of New Common Stock May Be Restricted in Their Ability to Transfer or Sell Their Securities

The New Common Stock will not be registered under the Securities Act or any Blue-Sky Laws. As summarized in Article XII of this Disclosure Statement, entitled “Certain Securities Laws Matters,” certain of the New Common Stock may not be re-offered or resold except pursuant to an exemption from the registration requirements of the Securities Act and applicable Blue-Sky Laws. The Debtors do not intend currently to register the New Common Stock under the Securities Act. As a result, certain of the New Common Stock may be transferred or resold only in transactions exempt from the securities registration requirements of federal and applicable state laws.

The Debtors believe that all shares of New Common Stock (other than any New Common Stock underlying the Management Incentive Plan) issued after the Petition Date in exchange for the Claims described above will satisfy the requirements of section 1145(a) of the Bankruptcy Code. Accordingly, the Debtors believe that such New Common Stock (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) will be freely tradeable and transferable without registration under the Securities Act in the United States by the recipients thereof that are not, and have not been within 90 days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 1145(b) of the Bankruptcy Code, and compliance with applicable securities laws and any rules and regulations of the SEC or Blue-Sky Laws, if any, applicable at the time of any future transfer of such securities or instruments.

Any New Common Stock underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and pursuant to applicable Blue-Sky Laws. Holders of such restricted securities may not be entitled to have their restricted securities registered and are not permitted to resell them except in accordance with an available exemption from registration under the Securities Act. Generally, Rule 144 of the Securities Act would permit the resale of securities received by a Person after a specified holding period if current information regarding the issuer is publicly available and, under certain circumstances, volume limitations, manner of sale requirements and certain other conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer that does not file reports with the SEC pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the SEC under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 may not be available for resales of such New Equity Interests by affiliates of the issuer. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and

Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

The Debtors make no representation regarding the right of any Holder of New Common Stock to freely resell such securities. See Article XII of this Disclosure Statement, entitled “Certain Securities Law Matters.”

2. A Liquid Trading Market for the Shares of New Common Stock May Not Develop

Although the Debtors may apply to relist the New Common Stock on a national securities exchange (subject to the terms of the Restructuring Support Agreement or other agreements that govern the Debtors after the Effective Date), the Debtors make no assurance that they will be able to obtain this listing or, even if the Debtors do, that liquid trading markets for shares of New Common Stock will develop. The liquidity of any market for New Common Stock will depend upon, among other things, the number of holders of shares of New Common Stock, the Debtors’ financial performance, and the market for similar securities, none of which can be determined or predicted. Accordingly, there can be no assurance that an active trading market for the New Common Stock will develop, nor can any assurance be given as to the liquidity or prices at which such securities might be traded. In the event an active trading market does not develop, the ability to transfer or sell New Common Stock may be substantially limited.

In addition, the Post-Effective Date Debtors do not expect to be subject to the reporting requirements of the Securities Act, and Holders of the New Common Stock will not be entitled to any information except as expressly required by the Governance Documents. As a result, the information which the Debtors are required to provide in order to issue the New Common Stock may be less than the Debtors would be required to provide if the New Common Stock were registered. Among other things, the Debtors may not be required to provide: (a) separate financial information for any subsidiary; (b) selected historical consolidated financial data of Cyxtera; (c) selected quarterly financial data of Cyxtera; (d) certain information about the Debtors’ disclosure controls and procedures and their internal controls over financial reporting; and (e) certain information regarding the Debtors’ executive compensation policies and practices and historical compensation information for their executive officers. This lack of information could impair your ability to evaluate your ownership and impair the marketability of the New Common Stock.

3. Certain Securities will be Subject to Resale Restrictions

The New Common Stock underlying the Management Incentive Plan to be issued under the Plan has not been registered under the Securities Act, any state securities laws, or the laws of any other jurisdiction. Such securities will be issued and sold, if at all, pursuant to an exemption from registration under the applicable securities laws. Accordingly, such securities will be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act and subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration, or an applicable exemption from registration, under the Securities Act, and other applicable law. In addition, holders of New Common Stock issued pursuant to Section 1145(a) of the Bankruptcy Code who are deemed to be “underwriters” under Section 1145(b) of the Bankruptcy Code will also be subject to resale restrictions. See Article XII of this Disclosure Statement for a further discussion of the transfer restrictions applicable to the securities.

4. The Trading Price for the New Common Stock May Be Depressed Following the Effective Date

Following the Effective Date of the Plan, certain shares of the New Common Stock may be sold to satisfy withholding tax requirements, to the extent necessary to fund such requirements. In addition, Holders of Claims that receive the New Common Stock may seek to sell such securities in an effort to obtain liquidity. These sales and the volume of New Common Stock available for trading could cause the

trading price for the New Common Stock to be depressed, particularly in the absence of an established trading market for the New Common Stock.

X. SOLICITATION AND VOTING PROCEDURES

Ballots or master ballots returned by facsimile will not be counted.

C. Ballots Not Counted

No ballot will be counted toward Confirmation if, among other things: (i) any Ballot that is illegible or contains insufficient information to permit the identification of the Holder of such Claim; (ii) any Ballot cast by any Entity that does not hold a Claim in a Voting Class; (iii) any Ballot cast for a Claim scheduled as unliquidated, contingent, or disputed for which no Proof of Claim was timely filed by the Voting Record Date (unless the applicable bar date has not yet passed, in which case such Claim shall be entitled to vote in the amount of \$1.00); (iv) any unsigned Ballot; (v) any Ballot not marked to accept or reject the Plan or marked both to accept and reject the Plan; (vi) any Ballot sent to any of the Debtors, the Debtors’ agents or representatives, or the Debtors’ advisors (other than the Claims and Noticing Agent); and (vii) any Ballot submitted by any Entity not entitled to vote pursuant to the procedures described in the Disclosure Statement Order and the Solicitation Procedures attached thereto.

D. Votes Required for Acceptance by a Class

Under the Bankruptcy Code, acceptance of a plan of reorganization by a class of claims or interests is determined by calculating the amount and, if a class of claims, the number, of claims and interests voting to accept, as a percentage of the allowed claims or interests, as applicable, that have voted. Acceptance by a class of claims requires an affirmative vote of more than one-half in number of total allowed claims that have voted and an affirmative vote of at least two-thirds in dollar amount of the total allowed claims that

have voted. Acceptance by a class of interests requires an affirmative vote of at least two-thirds in amount of the total allowed interests that have voted.

E. Certain Factors to Be Considered Prior to Voting

There are a variety of factors that all Holders of Claims entitled to vote on the Plan should consider prior to voting to accept or reject the Plan. These factors may impact recoveries under the Plan and include, among other things:

- unless otherwise specifically indicated, the financial information contained in this Disclosure Statement has not been audited and is based on an analysis of data available at the time of the preparation of the Plan and the Disclosure Statement;
- although the Debtors believe that the Plan complies with all applicable provisions of the Bankruptcy Code, the Debtors can neither assure such compliance nor that the Bankruptcy Court will confirm the Plan;
- the Debtors may request Confirmation without the acceptance of the Plan by all Impaired Classes in accordance with section 1129(b) of the Bankruptcy Code; and
- any delays of either Confirmation or Consummation could result in, among other things, increased Administrative Claims and Professional Fee Claims.

While these factors could affect distributions available to Holders of Allowed Claims and Allowed Interests under the Plan, the occurrence or impact of such factors may not necessarily affect the validity of the vote of the Voting Classes or necessarily require a re-solicitation of the votes of Holders of Claims in the Voting Classes pursuant to section 1127 of the Bankruptcy Code.

For a further discussion of risk factors, please refer to “Risk Factors” described in Article IX of this Disclosure Statement.

F. Solicitation Procedures

1. Claims and Noticing Agent

The Debtors have retained Kurtzman Carson Consultants LLC to act as, among other things, the Claims and Noticing Agent in connection with the solicitation of votes to accept or reject the Plan.

2. Solicitation Package

The following materials constitute the solicitation package distributed to Holders of Claims in the Voting Classes (collectively, the “Solicitation Package”): (a) the Solicitation Procedures; (c) the applicable forms of Ballots, together with detailed voting instructions and instructions on how to submit the Ballots; (d) the Cover Letter, which describes the contents of the Solicitation Package and urges Holders of Claims in the Voting Classes to vote to accept the Plan; (e) the Confirmation Hearing Notice; (f) this Disclosure Statement (and the exhibits hereto, including the Plan); (g) the Disclosure Statement Order (without exhibits, except for the Solicitation Procedures); (h) a pre-addressed, postage pre-paid reply envelope; and (i) any additional documents that the Court has ordered to be made available to Holders of Claims in the Voting Classes.

3. Distribution of the Solicitation Package and Plan Supplement

The Debtors are causing the Claims and Noticing Agent to distribute the Solicitation Package to Holders of Claims in the Voting Classes on September 28, 2023, which is 28 days before the Voting Deadline (*i.e.*, 4:00 p.m. (prevailing Eastern Time) on October 26, 2023).

The Solicitation Package (except the Ballot) may also be obtained from the Claims and Noticing Agent by: (a) calling the Debtors' restructuring hotline at 877-726-6510 (domestic) or 424-236-7250 (international), (b) emailing <https://www.kccllc.net/cyxtera/inquiry>, and/or (c) writing to the Claims and Noticing Agent at Cyxtera Ballot Processing Center, c/o Kurtzman Carson Consultants LLC, 222 N. Pacific Coast Highway, Suite 300, El Segundo, CA 90245. You may also obtain copies of any pleadings Filed with the Bankruptcy Court for free by visiting the Debtors' restructuring website, <https://www.kccllc.net/cyxtera> (free of charge), or for a fee via PACER at <https://www.pacer.gov/>.

The Debtors shall file the Plan Supplement, to the extent reasonably practicable, with the Bankruptcy Court no later than three (3) days before the Voting Deadline. If the Plan Supplement is updated or otherwise modified, such modified or updated documents will be made available on the Debtors' restructuring website.

XI. CONFIRMATION OF THE PLAN

A. The Confirmation Hearing

Under section 1128(a) of the Bankruptcy Code, the Bankruptcy Court, after notice, may hold a hearing to confirm a plan of reorganization. The Confirmation Hearing may, however, be continued or adjourned from time to time without further notice to parties in interest other than an adjournment announced in open court or a notice of adjournment Filed with the Bankruptcy Court and served in accordance with the Bankruptcy Rules. Subject to section 1127 of the Bankruptcy Code and the RSA, the Plan may be modified, if necessary, prior to, during, or as a result of the Confirmation Hearing, without further notice to parties in interest.

Additionally, section 1128(b) of the Bankruptcy Code provides that a party in interest may object to Confirmation. An objection to Confirmation of the Plan must be Filed with the Bankruptcy Court and served on the Debtors and certain other parties in interest in accordance with the applicable order of the Bankruptcy Court so that it is actually received on or before the deadline to file such objections as set forth therein.

B. Requirements for Confirmation of the Plan

Among the requirements for Confirmation of the Plan pursuant to section 1129 of the Bankruptcy Code are: (1) the Plan is accepted by all Impaired Classes of Claims or Interests, or if rejected by an Impaired Class, the Plan "does not discriminate unfairly" and is "fair and equitable" as to the rejecting Impaired Class; (2) the Plan is feasible; and (3) the Plan is in the "best interests" of Holders of Claims or Interests.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan satisfies all of the requirements of section 1129 of the Bankruptcy Code. The Debtors believe that: (1) the Plan satisfies, or will satisfy, all of the necessary statutory requirements of chapter 11 for plan confirmation; (2) the Debtors have complied, or will have complied, with all of the necessary requirements of chapter 11 for plan confirmation; and (3) the Plan has been proposed in good faith.

C. Feasibility

Section 1129(a)(11) of the Bankruptcy Code requires that confirmation of a plan of reorganization is not likely to be followed by the liquidation, or the need for further financial reorganization of the debtor, or any successor to the debtor (unless such liquidation or reorganization is proposed in such plan of reorganization).

To determine whether the Plan meets this feasibility requirement, the Debtors, with the assistance of their advisors, have analyzed their ability to meet their respective obligations under the Plan. As part of this analysis, the Debtors have prepared their projected consolidated balance sheet, income statement, and statement of cash flows (the “Financial Projections”). Creditors and other interested parties should review Article IX of this Disclosure Statement, entitled “Risk Factors,” for a discussion of certain factors that may affect the future financial performance of the Post-Effective Date Debtors.

On September 8, 2023, the Debtors filed the *Notice of Filing Liquidation Analysis and Financial Projections as Exhibits to the Disclosure Statement* [Docket No. 492]. The Financial Projections are attached hereto as **Exhibit E** and incorporated herein by reference. Based upon the Financial Projections, the Debtors believe that they will be a viable operation following the Chapter 11 Cases and that the Plan will meet the feasibility requirements of the Bankruptcy Code.

D. Acceptance by Impaired Classes

The Bankruptcy Code requires, as a condition to confirmation, except as described in the following section, that each class of claims or equity interests impaired under a plan, accept the plan. A class that is not “impaired” under a plan is deemed to have accepted the plan and, therefore, solicitation of acceptances with respect to such a class is not required.¹⁷

Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by a class of impaired claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in a number of allowed claims in that class, counting only those claims that have *actually* voted to accept or to reject the plan. Thus, a class of Claims will have voted to accept the Plan only if two-thirds in amount and a majority in number of the Allowed Claims in such class that vote on the Plan actually cast their ballots in favor of acceptance.

Section 1126(d) of the Bankruptcy Code defines acceptance of a plan by a class of impaired equity interests as acceptance by holders of at least two-thirds in amount of allowed interests in that class, counting only those interests that have *actually* voted to accept or to reject the plan. Thus, a Class of Interests will have voted to accept the Plan only if two-thirds in amount of the Allowed Interests in such class that vote on the Plan actually cast their ballots in favor of acceptance.

Pursuant to Article III.E of the Plan, if a Class contains Claims or Interests is eligible to vote and no Holders of Claims or Interests eligible to vote in such Class vote to accept or reject the Plan, the Holders of such Claims or Interests in such Class shall be deemed to have accepted the Plan.

¹⁷ A class of claims is “impaired” within the meaning of section 1124 of the Bankruptcy Code unless the plan (a) leaves unaltered the legal, equitable and contractual rights to which the claim or equity interest entitles the holder of such claim or equity interest or (b) cures any default, reinstates the original terms of such obligation, compensates the holder for certain damages or losses, as applicable, and does not otherwise alter the legal, equitable, or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

E. Confirmation Without Acceptance by All Impaired Classes

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan even if all impaired classes have not accepted it; *provided* that the plan has been accepted by at least one impaired class. Pursuant to section 1129(b) of the Bankruptcy Code, notwithstanding an impaired class's rejection or deemed rejection of the plan, the plan will be confirmed, at the plan proponent's request, in a procedure commonly known as a "cramdown" so long as the plan does not "discriminate unfairly" and is "fair and equitable" with respect to each class of claims or equity interests that is impaired under, and has not accepted, the plan.

If any Impaired Class rejects the Plan, the Debtors reserve the right to seek to confirm the Plan utilizing the "cramdown" provision of section 1129(b) of the Bankruptcy Code. To the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the Debtors may request Confirmation of the Plan, as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to alter, amend, modify, revoke, or withdraw the Plan or any Plan Supplement document, including the right to amend or modify the Plan or any Plan Supplement document to satisfy the requirements of section 1129(b) of the Bankruptcy Code.

1. No Unfair Discrimination

The "unfair discrimination" test applies to classes of claims or interests that are of equal priority and are receiving different treatment under a plan. The test does not require that the treatment be the same or equivalent, but that treatment be "fair." In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims or interests of equal rank (*e.g.*, classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly. A plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

2. Fair and Equitable Test

The "fair and equitable" test applies to classes of different priority and status (*e.g.*, secured versus unsecured) and includes the general requirement that no class of claims receive more than 100 percent of the amount of the allowed claims in the class. As to the dissenting class, the test sets different standards depending upon the type of claims or equity interests in the class.

The Debtors submit that if the Debtors "cramdown" the Plan pursuant to section 1129(b) of the Bankruptcy Code, the Plan is structured so that it does not "discriminate unfairly" and satisfies the "fair and equitable" requirement. With respect to the unfair discrimination requirement, all Classes under the Plan are provided treatment that is substantially equivalent to the treatment that is provided to other Classes that have equal rank. With respect to the fair and equitable requirement, no Class under the Plan will receive more than 100 percent of the amount of Allowed Claims or Interests in that Class. The Debtors believe that the Plan and the treatment of all Classes of Claims or Interests under the Plan satisfy the foregoing requirements for nonconsensual Confirmation of the Plan.

F. Valuation

As described above, the Debtors continue to engage with multiple bidders with respect to a potential Sale Transaction. Because the Debtors do not want to prejudice the competitive sale process by disclosing expected recoveries for First Lien Claims or General Unsecured Claims, this Disclosure Statement does not include a valuation analysis. *See* 11 U.S.C. § 1125(b) ("The court may approve a disclosure statement without a valuation of the debtor or an appraisal of the debtor's assets."); *In re SiO2 Medical Products, Inc.*, No. 23-10366 (JTD) (Bankr. D. Del. June 9, 2023) (ECF No. 378) (order approving disclosure

statement without a valuation analysis); *In re LBI Media, Inc.*, No. 18-12655 (CSS) (Bankr. D. Del. Jan. 22, 2019) (ECF No. 360) (same); *In re Z Gallerie, LLC.*, No. 19-10488 (LSS) (Bankr. D. Del. May 2, 2019) (ECF No. 259) (same); *In re PES Holdings, LLC.*, No. 19-11626 (KG) (Bankr. D. Del. Dec. 11, 2019) (ECF No. 259) (same). If the Debtors determine not to pursue a Sale Transaction, then the Plan will implement the Recapitalization Transaction, and the Debtors intend to file a valuation analysis with respect to the Recapitalization Transaction in advance of the Confirmation Hearing, to the extent necessary to obtain confirmation of the Plan.

G. Liquidation Analysis

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each impaired class, that each Holder of a Claim or Interest in such impaired class either (a) has accepted the plan or (b) will receive or retain under the plan property of a value that is not less than the amount that the non-accepting Holder would receive or retain if the debtors liquidated under chapter 7.

On September 8, 2023, the Debtors filed the *Notice of Filing Liquidation Analysis and Financial Projections as Exhibits to the Disclosure Statement* [Docket No. 492]. Attached hereto as **Exhibit D** and incorporated herein by reference is a liquidation analysis (the “Liquidation Analysis”) prepared by the Debtors’ financial and restructuring advisors, AlixPartners and Kirkland. As reflected in the Liquidation Analysis, the Debtors believe that liquidation of the Debtors’ businesses under chapter 7 of the Bankruptcy Code would result in substantial diminution in the value to be realized by Holders of Claims or Interests as compared to distributions contemplated under the Plan. Consequently, the Debtors and their management believe that Confirmation of the Plan will provide a substantially greater return to Holders of Claims or Interests than would a liquidation under chapter 7 of the Bankruptcy Code.

XII. CERTAIN SECURITIES LAW MATTERS

A. New Common Stock

As discussed herein, the Plan provides for the offer, issuance, sale, and distribution of New Common Stock to certain Holders of prepetition Claims against the Debtors. The Debtors believe that the class of New Common Stock will be “securities,” as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code and any applicable state securities laws.

The Debtors further believe that the issuance of the New Common Stock (other than any New Common Stock underlying the Management Incentive Plan) after the Petition Date pursuant to the restructuring transactions under the Plan is, and subsequent transfers of such New Common Stock by the holders thereof that are not “underwriters” (which definition includes “Controlling Persons”) will be, exempt from federal and state securities registration requirements under the Bankruptcy Code, Securities Act and any applicable state securities laws as described in more detail below, except in certain limited circumstances.

In addition, any New Common Stock underlying the Management Incentive Plan will be offered, issued and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, and will also be considered “restricted securities.” Section 4(a)(2) of the Securities Act and Regulation D promulgated thereunder provide that the offering, issuance, and distribution of securities by an issuer in transactions not involving any public offering are exempt from registration under the Securities Act. Regulation S under the Securities Act provides an exemption from registration under the Securities Act for the offering, issuance, and distribution of securities in certain transactions to persons outside of the United States.

The following discussion of the issuance and transferability of the New Common Stock relates solely to matters arising under federal securities laws and state securities laws. The rights of holders of New Common Stock, including the right to transfer such interests, will also be subject to any restrictions in the Governance Documents to the extent applicable. Recipients of the New Common Stock are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable state securities laws.

B. Exemption from Registration Requirements; Issuance of New Common Stock under the Plan

All shares of New Common Stock (other than any New Common Stock underlying the Management Incentive Plan) will be issued after the Petition Date without registration under the Securities Act, state securities laws or any similar federal, state, or local law in reliance on Section 1145(a) of the Bankruptcy Code.

Section 1145 of the Bankruptcy Code provides, among other things, that Section 5 of the Securities Act and any other applicable U.S. state or local law requirements for the registration of issuance of a security do not apply to the offering, issuance, distribution or sale of stock, options, warrants or other securities by a debtor if (1) the offer or sale occurs under a plan of reorganization of the debtor, (2) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense against, the debtor or an affiliate thereof participating in the plan of reorganization, and (3) the securities are (i) issued in exchange for a claim against, interest in, or claim for an administrative expense against a debtor or an affiliate thereof participating in the plan of reorganization, or (ii) issued principally in such exchange and partly for cash or property. The Debtors believe that all shares of New Common Stock (other than any New Common Stock underlying the Management Incentive Plan) issued after the Petition Date in exchange for the Claims described above satisfy the requirements of section 1145(a) of the Bankruptcy Code.

Any New Common Stock underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration.

Accordingly, no registration statement will be filed under the Securities Act or any state securities laws with respect to the initial offer, issuance, and distribution of New Common Stock. Recipients of the New Common Stock are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable state securities laws. As discussed below, the exemptions provided for in section 1145(a) do not apply to an entity that is deemed an “underwriter” as such term is defined in section 1145(b) of the Bankruptcy Code.

C. Resales of New Common Stock; Definition of “Underwriter” Under Section 1145(b) of the Bankruptcy Code

1. Resales of New Common Stock Issued Pursuant to Section 1145

New Common Stock (other than any New Common Stock underlying the Management Incentive Plan) to the extent offered, issued, and distributed pursuant to section 1145 of the Bankruptcy Code, (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) will be transferable without registration under the Securities Act in the United States by the recipients thereof that are not, and have not been within 90 days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 1145(b) of the Bankruptcy Code, and compliance with applicable securities laws and any rules and regulations of the SEC or Blue-Sky Laws, if any, applicable at the time of any future transfer of such securities or instruments.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (1) purchases a claim against, interest in, or claim for an administrative expense in the case concerning, the debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (2) offers to sell securities offered or sold under a plan for the holders of such securities; (3) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (a) with a view to distribution of such securities and (b) under an agreement made in connection with the plan, with the consummation of the plan, or with the offer or sale of securities under the plan; or (4) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a Person who receives a fee in exchange for purchasing an issuer’s securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an “issuer” for purposes of whether a Person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code, by reference to section 2(a)(11) of the Securities Act, includes as “statutory underwriters” all “affiliates,” which are all Persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to “issuer,” as used in the definition of “underwriter” contained in section 2(a)(11) of the Securities Act, is intended to cover “Controlling Persons” of the issuer of the securities. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be a “Controlling Person” of the debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. In addition, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns 10% or more of a class of securities of a reorganized debtor may be presumed to be a “Controlling Person” and, therefore, an underwriter.

Resales of the New Common Stock issued in exchange for First Lien Claims pursuant to the Plan by entities deemed to be “underwriters” (which definition includes “Controlling Persons”) are not exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Under certain circumstances, holders of such New Common Stock who are deemed to be “underwriters” may be entitled to resell their New Common Stock pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act. Generally, Rule 144 of the Securities Act would permit the public sale of control securities received by such Person if the requirements for sales of such control securities under Rule 144 have been met, including that current information regarding the issuer is publicly available and volume limitations, manner of sale requirements and certain other conditions are met. Whether any particular Person would be deemed to be an “underwriter” (including whether the Person is a “Controlling Person”) with respect to the New Common Stock would depend upon various facts and circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any Person would be deemed an “underwriter” with respect to such New Common Stock and, in turn, whether any Person may freely trade such New Common Stock. However, the Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, Rule 144 may not be available for resales of such New Common Stock by Persons deemed to be underwriters or otherwise.

IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF SECURITIES MAY BE AN UNDERWRITER OR AN AFFILIATE OF THE POST-EFFECTIVE DATE DEBTORS, THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING THE RIGHT OF ANY PERSON TO TRADE IN SECURITIES TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, THE DEBTORS RECOMMEND THAT POTENTIAL RECIPIENTS OF NEW COMMON STOCK

CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES.

2. Resales of New Common Stock Issued Pursuant to Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or Other Available Exemptions from Registration

To the extent the exemption set forth Section 1145(a) of the Bankruptcy Code is unavailable, New Common Stock will be offered, issued, and distributed in reliance of Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration. Any New Common Stock underlying the Management Incentive Plan will be offered, issued, and distributed in reliance upon Section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and pursuant to applicable Blue-Sky Laws.

Generally, Rule 144 of the Securities Act provides a limited safe harbor for the public resale of restricted securities if certain conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. Rule 144 defines an affiliate as “a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such issuer.” A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer that does not file reports with the SEC pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the SEC under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 may not be available for resales of such New Common Stock by affiliates of the Debtors. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

In addition, in connection with resales of any New Common Stock offered, issued and distributed pursuant to Regulation S under the Securities Act: (i) the offer or sale, if made prior to the expiration of the one-year distribution compliance period (six months for a reporting issuer), may not be made to a U.S. person or for the account or benefit of a U.S. person (other than a distributor); and (ii) the offer or sale, if made prior to the expiration of the applicable one-year or six-month distribution compliance period, is made pursuant to the following conditions: (a) the purchaser (other than a distributor) certifies that it is not a U.S. person and is not acquiring the securities for the account or benefit of any U.S. person or is a U.S. person who purchased securities in a transaction that did not require registration under the Securities Act; and (b) the purchaser agrees to resell such securities only in accordance with the provisions of Regulation S, pursuant to registration under the Securities Act, or pursuant to an available exemption from registration; and agrees not to engage in hedging transactions with regard to such securities unless in compliance with the Securities Act.

Notwithstanding anything to the contrary in this Disclosure Statement, no Entity shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan or this Disclosure Statement, including, for the avoidance of doubt, whether the New Common Stock are exempt from the registration requirements of Section 5 of the Securities Act.

In addition to the foregoing restrictions, the New Common Stock will also be subject to any applicable transfer restrictions contained in the Governance Documents.

PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISOR WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER THE FEDERAL OR STATE SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS. THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING, AND DO NOT PROVIDE, ANY OPINIONS OR ADVICE WITH RESPECT TO THE SECURITIES OR THE BANKRUPTCY MATTERS DESCRIBED IN THIS DISCLOSURE STATEMENT. IN LIGHT OF THE UNCERTAINTY CONCERNING THE AVAILABILITY OF EXEMPTIONS FROM THE RELEVANT PROVISIONS OF FEDERAL AND STATE SECURITIES LAWS, WE ENCOURAGE EACH RECIPIENT OF SECURITIES AND PARTY IN INTEREST TO CONSIDER CAREFULLY AND CONSULT WITH ITS OWN LEGAL ADVISORS WITH RESPECT TO ALL SUCH MATTERS. BECAUSE OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A SECURITY IS EXEMPT FROM THE REGISTRATION REQUIREMENTS UNDER THE FEDERAL OR STATE SECURITIES LAWS OR WHETHER A PARTICULAR RECIPIENT OF NEW COMMON STOCK MAY BE AN UNDERWRITER, WE MAKE NO REPRESENTATION CONCERNING THE ABILITY OF A PERSON TO DISPOSE OF THE SECURITIES ISSUED UNDER THE PLAN.

XIII. CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

A. Introduction

The following discussion is a summary of certain U.S. federal income tax consequences of the consummation of the Plan to the Debtors, the Post-Effective Date Debtors, and to certain Holders (which, solely for purposes of this discussion, means the beneficial owners for U.S. federal income tax purposes) of Allowed First Lien and General Unsecured Claims. This summary is based on the U.S. Internal Revenue Code of 1986, as amended (the “IRC”), the U.S. Treasury Regulations promulgated thereunder (the “Treasury Regulations”), judicial decisions and authorities, published administrative rules, positions and pronouncements of the U.S. Internal Revenue Service (the “IRS”), and other applicable authorities, all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those summarized herein. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained, and the Debtors do not intend to seek a ruling or determination from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts and no assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors or to Holders of Allowed First Lien and General Unsecured Claims in light of their individual circumstances. This discussion does not address tax issues with respect to such Holders of Claims subject to special treatment under the U.S. federal income tax laws (including, for example, banks, brokers dealers, mutual funds, governmental authorities or agencies, pass-through entities, beneficial owners of pass-through entities, subchapter S corporations, dealers and traders in securities, insurance companies, financial institutions, tax-exempt organizations, controlled foreign corporations, passive

foreign investment companies, small business investment companies, foreign taxpayers, Persons who are related to the Debtors within the meaning of the IRC, Persons liable for alternative minimum tax, Holders of Claims whose functional currency is not the U.S. dollar, Holders of Claims who prepare “applicable financial statements” (as defined in section 451 of the IRC), Persons using a mark-to-market method of accounting, Holders of Claims who are themselves in bankruptcy, regulated investment companies, and those holding, or who will hold, any property described herein as part of a hedge, straddle, conversion, or other integrated transaction). Moreover, this summary does not address any aspect of U.S. non-income (including state or gift), state, local, or non-U.S. taxation, considerations under any applicable tax treaty or any tax arising under section 1411 of the IRC (the “Medicare” tax on certain investment income). Furthermore, this summary assumes that a Holder of an Allowed Claim holds only Claims in a single class and holds such Claims and New Common Stock, as applicable, as “capital assets” (within the meaning of section 1221 of the IRC). This summary also assumes that the various debt and other arrangements to which the Debtors and the Post-Effective Date Debtors are or will be a party will be respected for U.S. federal income tax purposes in accordance with their form, and that the Claims constitute interests in the Debtors “solely as a creditor” for purposes of section 897 of the IRC. This discussion also assumes that none of the Allowed Claims is treated as a “short-term” debt instrument or a “contingent payment debt instrument” for U.S. federal income tax purposes and that each of the Allowed Claims are denominated in U.S. dollars. This summary does not discuss differences in tax consequences to Holders of Claims that act or receive consideration in a capacity other than as a Holder of a Claim, and the tax consequences for such Holders may differ materially from that described below. This summary does not address the U.S. federal income tax consequences to Holders of Claims (a) whose Claims are Unimpaired or otherwise entitled to payment in full in Cash under the Plan, (b) that are deemed to reject the Plan, or (c) that are otherwise not entitled to vote to accept or reject the Plan.

For purposes of this discussion, a “U.S. Holder” is a Holder of an Allowed First Lien Claim and/or a General Unsecured Claim that for U.S. federal income tax purposes is: (1) an individual citizen or resident of the United States; (2) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (4) a trust (a) if a court within the United States is able to exercise primary jurisdiction over the trust’s administration and one or more “United States persons” (within the meaning of section 7701(a)(30) of the IRC) has authority to control all substantial decisions of the trust or (b) that has a valid election in effect under applicable Treasury Regulations to be treated as a “United States person” (within the meaning of section 7701(a)(30) of the IRC). For purposes of this discussion, a “Non-U.S. Holder” is any Holder of an Allowed First Lien Claim or a General Unsecured Claim that is not a U.S. Holder other than any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder of an Allowed First Lien Claim or a General Unsecured Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or other beneficial owner) and the activities of the partner (or other beneficial owner) and the partnership (or other pass-through entity). Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Allowed First Lien Claim and/or a General Unsecured Claims are urged to consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE U.S. FEDERAL INCOME

TAX CONSEQUENCES TO THEM OF THE PLAN, AS WELL AS THE CONSEQUENCES TO THEM OF THE PLAN ARISING UNDER ANY OTHER U.S. FEDERAL TAX LAWS OR THE LAWS OF ANY STATE, LOCAL, OR NON-U.S. TAXING JURISDICTION OR UNDER ANY APPLICABLE TREATY.

B. Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors and the Post-Effective Date Debtors

1. Characterization of the Restructuring Transactions

The Debtors expect that the Restructuring Transactions will be structured in one of two ways: (a) a recapitalization of the existing Debtors (referred to as a Recapitalization Transaction), or (b) a sale transaction for some or substantially all of the New Common Stock of Reorganized Cyxtera (referred to as an Equity Investment Transaction) and/or substantially all of the Debtors' assets (referred to as an Asset Sale and together with an Equity Investment Transaction, a Sale Transaction). The Debtors have not yet determined whether the Restructuring Transactions will be consummated as a Recapitalization Transaction, an Equity Investment Transaction or an Asset Sale. Such decision will depend on, among other things, finalizing certain modeling and analytical determinations. This discussion assumes that the Restructuring Transactions will not be structured in a manner intended to constitute a tax-free reorganization pursuant to sections 368(a)(1)(G) and 354 of the IRC.

The Debtors generally do not expect to recognize any gain or loss as a result of consummating a Recapitalization Transaction or an Equity Investment Transaction. In an Asset Sale, the Debtors will generally realize gain or loss in an amount equal to the difference between the value of the consideration received by the Debtors (including, for this purpose, assumption of liabilities) and the Debtors' tax basis in such assets sold. Any such gain generally will be reduced by the amount of tax attributes available for use by the Debtors, and any remaining gain will be recognized by the Debtors and result in a cash tax obligation. In either a Recapitalization Transaction or a Sale Transaction, the Debtors will be subject to the rules discussed below with respect to cancellation of indebtedness income ("COD Income") and, other than in an Asset Sale, the limitations on net operating losses ("NOLs"), deferred deductions under section 163(j) of the IRC ("163(j) Deductions") and other tax attributes.

If the Restructuring Transactions are structured as a Recapitalization Transaction, the Debtors expect to (i) structure the transaction such that any New Common Stock that is to be received by the Holders of Allowed First Lien Claims will first be issued and contributed by Reorganized Cyxtera to the Prepetition Borrower and, thereafter, such New Common Stock will be transferred by the Prepetition Borrower to such Holders in exchange for their Allowed First Lien Claims pursuant to the Plan, and (ii) treat such transactions as occurring in the same order described in the immediately preceding clause (i) (*i.e.*, issuance followed by contribution followed by exchange) for U.S. federal income tax purposes. The Debtors believe, and intend to take the position that, this treatment applies for U.S. federal income tax purposes, and the remainder of the discussion assumes such treatment. The tax consequences to the Debtors, the Post-Effective Date Debtors, and Holders of Allowed First Lien Claims described herein could be materially different in the event this characterization is not respected for U.S. federal income tax purposes.

2. Cancellation of Debt and Reduction of Tax Attributes

In general, absent an exception, a taxpayer will realize and recognize COD Income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied over (b) the sum of (i) the issue price of the New Takeback Facility Loans and (ii) the fair market value of the New Common Stock and/or Cash and any other consideration, in each case, given in satisfaction of such indebtedness at the time of the exchange.

Under section 108 of the IRC, however, a taxpayer will not be required to include any amount of COD Income in gross income if the taxpayer is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a taxpayer-debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. Such reduction in tax attributes occurs only after the tax for the year of the debt discharge has been determined. In general, tax attributes will be reduced in the following order: (a) NOLs and NOL carryforwards; (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the Post-Effective Date Debtors remain subject immediately after the discharge); (f) passive activity loss and credit carryovers; and (g) foreign tax credits carryovers. 163(j) Deductions are not subject to reduction under these rules. Any excess COD Income over the amount of available tax attributes will generally not give rise to U.S. federal income tax and will generally have no other U.S. federal income tax impact. Alternatively, a debtor with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC.

As noted above, in connection with the Restructuring Transactions, the Debtors expect to realize COD Income. The exact amount of any COD Income that will be realized by the Debtors will not be determinable until the consummation of the Plan because the amount of COD Income will depend, in part, on the issue price of the New Takeback Facility Loans and the fair market value of the New Common Stock and any other consideration, none of which can be determined until after the Plan is consummated.

3. Limitation on NOLs, 163(j) Deductions, and Other Tax Attributes

After giving effect to the reduction in tax attributes pursuant to excluded COD Income described above, the Post-Effective Date Debtors' ability to use any remaining tax attributes post-emergence will be subject to certain limitations under sections 382 and 383 of the IRC.¹⁸

Under sections 382 and 383 of the IRC, if the Debtors undergo an "ownership change," the amount of any remaining NOL carryforwards, tax credit carryforwards, 163(j) Deductions, and possibly certain other attributes (potentially including losses and deductions that have accrued economically but are unrecognized as of the date of the ownership change and cost recovery deductions) of the Debtors allocable to periods prior to the Effective Date (collectively, "Pre-Change Losses") that may be utilized to offset future taxable income generally are subject to an annual limitation. For this purpose, if a corporation (or consolidated group) has a net unrealized built-in loss at the time of an ownership change (taking into account most assets and items of "built-in" income and deductions), then generally built-in losses (including amortization or depreciation deductions attributable to such built-in losses) recognized during the following

¹⁸ The IRS issued proposed regulations in September 2019 that would revoke IRS Notice 2003-65 and make substantial changes to the way limitations under section 382 of the IRC are calculated. The changes would decrease the limitation set forth in section 382 of the IRC in most cases and potentially cause entities that would have had a net unrealized built-in gain under Notice 2003-65 to instead have a net unrealized built-in loss, which would result in additional limitations on the ability to deduct Pre-Change Losses (as defined below). Additionally, the IRS issued further proposed regulations in January 2020 that would provide certain transition relief for the application of any finalized regulation. Under such transition relief, any finalized regulations would apply only to ownership changes occurring 31 days after the regulations are finalized and certain specified and identifiable transactions would be subject to a "grandfathering" rule that allows for application of the prior IRS Notice 2003-65 rules. Additionally, the "grandfathering" rule would also apply as long as a company files its chapter 11 case within 31 days of the issuance of final regulations, even where the applicable ownership change occurs more than 31 days after finalization of the regulations. The Debtors anticipate that the Effective Date will occur before any such finalized regulations would be applicable (or that such a "grandfathering" rule would apply to the Restructuring Transactions) and, accordingly, the remainder of this discussion assumes that Notice 2003-65 will apply to the Post-Effective Date Debtors. In the event the proposed regulations are finalized more than 31 days prior to the Effective Date, and the "grandfather" rule does not apply to prevent the finalized regulations from being applied to the Debtors and/or Post-Effective Date Debtors, the Debtors will make a supplemental filing to explain the potential effect of such finalized regulations.

five years (up to the amount of the original net unrealized built-in loss) will be treated as Pre-Change Losses and similarly will be subject to the annual limitation. In general, a corporation's (or consolidated group's) net unrealized built-in loss will be deemed to be zero unless it is greater than the lesser of (a) \$10,000,000 or (b) 15 percent of the fair market value of its assets (with certain adjustments) before the ownership change.

The rules of section 382 of the IRC are complicated, but as a general matter, the Debtors anticipate that the issuance of New Common Stock pursuant to the Plan will result in an "ownership change" of the Debtors for these purposes, and that the Post-Effective Date Debtors' use of the Pre-Change Losses will be subject to limitation unless an exception to the general rules of section 382 of the IRC applies.

a. General Section 382 Annual Limitation

In general, the amount of the annual limitation to which a corporation that undergoes an "ownership change" would be subject is equal to the product of (i) the fair market value of the stock of the corporation immediately before the "ownership change" (with certain adjustments), and (ii) the "long-term tax-exempt rate" (which is the highest of the adjusted federal long-term rates in effect for any month in the three-calendar-month period ending with the calendar month in which the ownership change occurs, currently 3.01 percent for July 2023). The annual limitation may be increased to the extent that the Post-Effective Date Debtors recognize certain built-in gains in their assets during the five-year period following the ownership change or are treated as recognizing built-in gains pursuant to the safe harbors provided in IRS Notice 2003-65. Section 383 of the IRC applies a similar limitation to capital loss carryforwards and tax credits. Any unused limitation may be carried forward, thereby increasing the annual limitation in the subsequent taxable year. If the corporation or consolidated group does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation's Pre-Change Losses (absent any increases due to recognized built-in gains). As discussed below, however, special rules may apply in the case of a corporation that experiences an ownership change as the result of a bankruptcy proceeding.

b. Special Bankruptcy Exceptions

Special rules may apply in the case of a corporation that experiences an "ownership change" as a result of a bankruptcy proceeding. An exception to the foregoing annual limitation rules generally applies when so-called "qualified creditors" of a debtor corporation in chapter 11 receive, in respect of their Claims, at least 50 percent of the vote and value of the stock of the debtor corporation (or a controlling corporation if also in chapter 11) as reorganized pursuant to a confirmed chapter 11 plan (the "382(l)(5) Exception"). If the requirements of the 382(l)(5) Exception are satisfied, a debtor's Pre-Change Losses would not be limited on an annual basis, but, instead, NOL carryforwards would be reduced by the amount of any interest deductions claimed by the debtor during the three taxable years preceding the effective date of the plan of reorganization and during the part of the taxable year prior to and including the effective date of the plan of reorganization in respect of all debt converted into stock pursuant to the reorganization. If the 382(l)(5) Exception applies and the Post-Effective Date Debtors undergo another "ownership change" within two years after the Effective Date, then the Post-Effective Date Debtors' Pre-Change Losses thereafter would be effectively eliminated in their entirety.

Where the 382(l)(5) Exception is not applicable to a corporation in bankruptcy (either because the debtor corporation does not qualify for it or the debtor corporation otherwise elects not to utilize the 382(l)(5) Exception), another exception will generally apply (the "382(l)(6) Exception"). Under the 382(l)(6) Exception, the annual limitation will be calculated by reference to the lesser of (i) the value of the debtor corporation's new stock (with certain adjustments) immediately after the ownership change

or (ii) the value of such debtor corporation's assets (determined without regard to liabilities) immediately before the ownership change. This differs from the ordinary rule that requires the fair market value of a debtor corporation that undergoes an "ownership change" to be determined before the events giving rise to the change. The 382(l)(6) Exception also differs from the 382(l)(5) Exception in that, under it, a debtor corporation is not required to reduce its NOL carryforwards by the amount of interest deductions claimed within the prior three-year period, and a debtor corporation may undergo a change of ownership within two years without automatically triggering the elimination of its Pre-Change Losses. The resulting limitation would be determined under the regular rules for ownership changes.

The Debtors have not determined whether the 382(l)(5) Exception will be available or, if it is available, whether the Post-Effective Date Debtors will elect out of its application.

C. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders

The following discussion assumes that the Debtors will undertake the Restructuring Transactions currently contemplated by the Plan. U.S. Holders of Allowed Claims are urged to consult their tax advisors regarding the tax consequences of the Restructuring Transactions.

1. Consequences of the Restructuring Transactions to U.S. Holders of Allowed First Lien Claims

Pursuant to the Plan, in exchange for full and final satisfaction, compromise, settlement, release, and discharge of their Claims, each U.S. Holder of an Allowed First Lien Claim will receive its *pro rata* share of, (a) in the event of the Recapitalization Transaction, 100 percent of the New Common Stock issued pursuant to the Plan on the Effective Date, subject to dilution on account of the Management Incentive Plan, and (b) in the event of the Sale Transaction, the Distributable Consideration.

The U.S. federal income tax consequences to a U.S. Holder of Allowed First Lien Claims in a Recapitalization Transaction will depend, in part, on whether for U.S. federal income tax purposes the (a) Allowed First Lien Claim surrendered by such U.S. Holder constitutes a "security" of a Debtor, and (b) the New Common Stock received by such U.S. Holder constitutes a stock or a "security" issued by the same entity against which the Claim is asserted (or, an entity that is a "party to a reorganization" with such entity). Neither the IRC nor the Treasury Regulations promulgated thereunder define the term "security." Whether a debt instrument constitutes a "security" is determined based on all relevant facts and circumstances, but most authorities have held that the length of the term of a debt instrument at initial issuance is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. These authorities have indicated that a term of less than five years is evidence that the instrument is not a security, whereas a term of ten years or more is evidence that the instrument is a security. There are numerous other factors that could be taken into account in determining whether a debt instrument is a security, including the security for payment, the creditworthiness of the obligor, the subordination or lack thereof with respect to other creditors, the right to vote or otherwise participate in the management of the obligor, the convertibility of the instrument into an equity interest of the obligor, whether payments of interest are fixed, variable, or contingent, and whether such payments are made on a current basis or accrued.

In general, as discussed in more detail below, for U.S. federal income tax purposes, a Recapitalization Transaction is expected to be at least partially taxable (and may be a fully taxable) to holders of Allowed First Lien Claims because the New Common Stock is expected to be issued by an entity other than the issuer of the Allowed First Lien Claims for U.S. federal income tax purposes and, therefore, the holders of such Claims are not exchanging a "security" for stock of the same issuer.

Due to the inherently factual nature of the determination of whether a debt instrument constitutes a “security”, U.S. Holders of Allowed First Lien Claims are urged to consult their tax advisors regarding the status of the Allowed First Lien Claims as “securities” for U.S. federal income tax purposes.

a. Treatment of U.S. Holders of Allowed First Lien Claims if the Restructuring Transactions are structured as a Recapitalization Transaction

In a Recapitalization Transaction, the entity issuing the New Common Stock under the Plan will not be the same entity as the Debtor against which the Allowed First Lien Claims are asserted (or an entity that is a “party to a reorganization” with such Debtor for U.S. federal income tax purposes). Accordingly, the exchange of such Claims should generally be treated as a taxable exchange pursuant to section 1001 of the IRC. A U.S. Holder of an Allowed First Lien Claim generally should recognize gain or loss equal to (a) the fair market value of the New Common Stock received less (b) the U.S. Holder’s adjusted tax basis in its Allowed First Lien Claim. The adjusted tax basis of a U.S. Holder’s Allowed First Lien Claims generally will equal a U.S. Holder’s purchase price for such Allowed First Lien Claims, reduced in the event that the U.S. Holder claimed a bad debt deduction with respect to such Allowed First Lien Claims, increased by any original issue discount previously accrued and any market discount previously included in income, and reduced by any amortizable bond premium previously amortized and any payments previously received that do not constitute “qualified stated interest.” The character of such gain or loss as capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the U.S. Holder, the nature of the Allowed First Lien Claim in such U.S. Holder’s hands, whether such Claim constitutes a capital asset in the hands of the U.S. Holder, whether such Claim was purchased at a discount, and whether and to what extent the U.S. Holder has previously claimed a bad debt deduction with respect to such Claim. If recognized gain or loss is capital gain or loss, it would generally constitute long-term capital gain or loss if the U.S. Holder has held such Claim for longer than one year. Non-corporate taxpayers are generally subject to a reduced federal income tax rate on net long-term capital gains. The deductibility of capital losses is subject to certain limitations. A U.S. Holder should obtain a tax basis in the New Common Stock equal to the fair market value of the New Common Stock as of the date such New Common Stock is distributed to such U.S. Holder. The holding period for any such New Common Stock should begin on the day following the receipt of such New Common Stock.

The treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest or market discount, which differs from the treatment described above, is discussed below.

b. Treatment of U.S. Holders of Allowed First Lien Claims if the Restructuring Transactions are structured as a Sale Transaction

If the Restructuring Transactions are structured as a Sale Transaction, then the exchange of such Claims should generally be treated as a taxable exchange pursuant to section 1001 of the IRC. In such case, a U.S. Holder of an Allowed First Lien Claim generally should recognize gain or loss equal to (a) the amount of Cash received, if any, *less* (b) the U.S. Holder’s adjusted tax basis in its Allowed First Lien Claim. The adjusted tax basis of a U.S. Holder’s Allowed First Lien Claims generally will equal a U.S. Holder’s purchase price for such Allowed First Lien Claims, reduced in the event that the U.S. Holder claimed a bad debt deduction with respect to such Allowed First Lien Claims, increased by any original issue discount previously accrued and any market discount previously included in income, and reduced by any amortizable bond premium previously amortized and any payments previously received that do not constitute “qualified stated interest.” The character of such gain or loss as capital gain or loss or as ordinary income or loss will be determined by a number of factors, including the tax status of the U.S. Holder, the nature of the Allowed First Lien Claim in such U.S. Holder’s hands, whether such Claim constitutes a

capital asset in the hands of the U.S. Holder, whether such Claim was purchased at a discount, and whether and to what extent the U.S. Holder has previously claimed a bad debt deduction with respect to such Claim. If recognized gain or loss is capital gain or loss, it would generally constitute long-term capital gain or loss if the U.S. Holder has held such Claim for longer than one year. Non-corporate taxpayers are generally subject to a reduced federal income tax rate on net long-term capital gains. The deductibility of capital losses is subject to certain limitations.

The treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest or market discount, which differs from the treatment described above, is discussed below.

2. Consequences of the Restructuring Transactions to U.S. Holders of Allowed General Unsecured Claims

Except to the extent that a U.S. Holder of an Allowed General Unsecured Claim agrees to less favorable treatment or such General Unsecured Claim has been paid prior to the Effective Date, each U.S. Holder of an Allowed General Unsecured Claim shall receive, in full and final satisfaction of such Claim, its *pro rata* share of the GUC Trust Net Assets. Accordingly, subject to the discussion of accrued interest and market discount below, each Holder of a General Unsecured Claim would generally recognize gain or loss in the exchange in an amount equal to the difference between (i) the sum of the amount of the cash transferred to the GUC Trust and treated as received in respect of its Claim and (ii) such Holder's adjusted tax basis in its General Unsecured Claim. Generally, this gain or loss will be subject to the rules described above in "Consequences of the Restructuring Transactions to U.S. Holders of Allowed First Lien Claims."

a. Liquidating Trust Treatment

Although not free from doubt, other than with respect to any Assets that are subject to potential Disputed Claims of ownership or uncertain distributions, the GUC Trust is intended to be classified as a "liquidating trust" under section 301.7701-4(d) of the Treasury Regulations and qualify as a "grantor trust" within the meaning of sections 671 through 679 of the IRC to the U.S. Holders of Allowed General Unsecured Claims. The Debtors intend to take the position that this treatment applies to the extent reasonably practicable. In such case, any beneficiaries of the GUC Trust would be treated as grantors and deemed owners thereof and, for all U.S. federal income tax purposes, any beneficiaries would be treated as if they had received a distribution of an undivided interest in the GUC Trust Net Assets and then contributed such undivided interest in the GUC Trust Net Assets to the GUC Trust. If this treatment applies, the person or persons responsible for administering the GUC Trust shall, in an expeditious but orderly manner, make timely distributions to beneficiaries of the GUC Trust pursuant to the Plan and not unduly prolong its duration. The GUC Trust would not be deemed a successor in interest of the Debtors for any purpose other than as specifically set forth herein or in the governing documents for the GUC Trust.

Other than with respect to any assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, the treatment of the deemed transfer of assets to applicable U.S. Holders of Allowed General Unsecured Claims prior to the contribution of such assets to the GUC Trust should generally be consistent with the treatment described above with respect to the receipt of the applicable assets directly.

As soon as reasonably practicable after the transfer of the Debtors' assets to the GUC Trust, the GUC Trust shall make a good faith valuation of such assets. All parties to the GUC Trust (including, without limitation, the Debtors, the Post-Effective Date Debtors, U.S. Holders of Allowed General Unsecured Claims, and the beneficiaries of the GUC Trust) must consistently use such valuation for all U.S. federal income tax purposes. The valuation will be made available, from time to time, as relevant for tax reporting purposes.

Other than with respect to any assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, no entity-level tax should be imposed on the GUC Trust with respect to earnings generated by the assets held by it. Each beneficiary must report on its U.S. federal income tax return its allocable share of income, gain, loss, deduction and credit, if any, recognized or incurred by the GUC Trust, even if no distributions are made. Allocations of taxable income with respect to the GUC Trust shall be determined by reference to the manner in which an amount of cash equal to such taxable income would be distributed (without regard to any restriction on distributions described herein) if, immediately before such deemed distribution, the GUC Trust had distributed all of its other assets (valued for this purpose at their tax book value) to the beneficiaries, taking into account all prior and concurrent distributions from the GUC Trust. Similarly, taxable losses of the GUC Trust will be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining assets. The tax book value of the assets for this purpose shall equal their respective fair market values on the Effective Date or, if later, the date such assets were acquired, adjusted in either case in accordance with the tax accounting principles prescribed by the applicable provisions of the IRC, Treasury Regulations and other applicable administrative and judicial authorities and pronouncements.

The character of items of income, gain, loss, deduction and credit to any U.S. Holder of a beneficial interest in the GUC Trust, and the ability of such U.S. Holder to benefit from any deductions or losses, may depend on the particular circumstances or status of the U.S. Holder. Taxable income or loss allocated to a beneficiary should be treated as income or loss with respect to the interest of such beneficiary in the GUC Trust and not as income or loss with respect to such beneficiary's applicable Allowed General Unsecured Claim. In the event any tax is imposed on the GUC Trust, the person or persons responsible for administering the GUC Trust shall be responsible for payment, solely out of the assets of the GUC Trust, of any such taxes imposed on the GUC Trust.

Other than with respect to any assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, after the Effective Date, a U.S. Holder's share of any collections received on the assets of the GUC Trust should not be included, for U.S. federal income tax purposes, in the U.S. Holder's amount realized in respect of its Allowed General Unsecured Claim but should be separately treated as amounts realized in respect of such U.S. Holder's ownership interest in the underlying assets of the GUC Trust.

The person or persons responsible for administering the GUC Trust shall be liable to prepare and provide to, or file with, the appropriate taxing authorities and other required parties such notices, tax returns and other filings, including all U.S. federal, state and local tax returns as may be required under the Bankruptcy Code, the Plan or by other applicable law, including, if required under applicable law, notices required to report interest or dividend income. The person or persons responsible for administering the GUC Trust will file tax returns pursuant to section 1.671-4(a) of the Treasury Regulations on the basis that the GUC Trust is a "liquidating trust" within the meaning of section 301.7701-4(d) of the Treasury Regulations and related Treasury Regulations. As soon as reasonably practicable after the close of each taxable year, the person or persons responsible for administering the GUC Trust will send each affected beneficiary a statement setting forth such beneficiary's respective share of income, gain, deduction, loss and credit for the year, and will instruct the Holder to report all such items on its tax return for such year and to pay any tax due with respect thereto.

b. Disputed Ownership Fund Treatment

With respect to any of the assets of the GUC Trust that are subject to potential disputed claims of ownership or uncertain distributions, *or* to the extent "liquidating trust" treatment is otherwise unavailable, the Debtors anticipate that such assets will be subject to disputed ownership fund treatment under section 1.468B-9 of the Treasury Regulations, that any appropriate elections with respect thereto shall be made, and that such treatment will also be applied to the extent possible for state and local tax purposes. Under

such treatment, a separate federal income tax return shall be filed with the IRS for any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). To the extent property is not distributed to U.S. Holders of applicable Claims on the Effective Date but, instead, is transferred to any such account, although not free from doubt, U.S. Holders should not recognize any gain or loss with respect to such property on the date that the property is so transferred. Instead, gain or loss should be recognized when and to the extent property is actually distributed to such U.S. Holders.

3. Accrued Interest

To the extent that the fair market value of the consideration received by a U.S. Holder on an exchange of its Allowed Claim under the Plan is attributable to accrued but unpaid interest on such Allowed Claim, the receipt of such amount generally should be taxable to the U.S. Holder as ordinary interest income (to the extent such amount was not previously included in the gross income of such U.S. Holder). Conversely, a U.S. Holder of an Allowed Claim may be able to deduct a loss to the extent that any accrued interest on such debt instruments was previously included in the U.S. Holder's gross income but was not paid in full by the Debtors. Such loss may be ordinary, but the tax law is unclear on this point.

If the fair market value of the consideration received by a U.S. Holder of an Allowed Claim under the Plan is not sufficient to fully satisfy all principal and interest on its Allowed Claim, the extent to which such consideration will be attributable to accrued interest is unclear. Under the Plan, the aggregate consideration distributed to U.S. Holders will be allocated first to the principal amount of the Allowed Claim, with any excess allocated to accrued but unpaid interest, if any, on such U.S. Holder's Allowed Claims. Certain legislative history indicates that an allocation of consideration between principal and interest provided in a chapter 11 plan of reorganization is binding for U.S. federal income tax purposes, and certain case law generally indicates that a final payment on a distressed debt instrument that is insufficient to repay outstanding principal and interest will be allocated first to principal, rather than interest. Certain Treasury Regulations, however, allocates payments first to any accrued but unpaid interest. The IRS could take the position that the consideration received by the U.S. Holder should be allocated in some way other than as provided in the Plan.

U.S. Holders of Allowed Claims are urged to consult their own tax advisors regarding the proper allocation of the consideration received by them under the Plan.

4. Market Discount

Under the "market discount" provisions of the IRC, some or all of any gain realized by a U.S. Holder of an Allowed Claim who exchanges such Allowed Claim for an amount on the Effective Date may be treated as ordinary income (instead of capital gain), to the extent of the amount of "market discount" on such exchanged Allowed Claim. In general, a debt instrument is considered to have been acquired with "market discount" if it is acquired other than on original issue and if the U.S. Holder's adjusted tax basis in the debt instrument is less than (a) the sum of all remaining payments to be made on the debt instrument, excluding "qualified stated interest" or (b) in the case of a debt instrument issued with original issue discount, its adjusted issue price, by at least a *de minimis* amount (equal to 1/4 of 1 percent of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the remaining number of complete years to maturity).

Any gain recognized by a U.S. Holder on the disposition of an Allowed Claim (determined as described above) which was acquired with market discount should be treated as ordinary income to the extent of the amount of market discount that accrued thereon while such Allowed Claim was treated as held by such U.S. Holder (unless such U.S. Holder elected to include such amount of market discount in income

as it accrued). To the extent that a U.S. Holder exchanges any Allowed Claim that was acquired with market discount in a tax-free transaction for other property, any market discount that accrued on such Allowed Claim (*i.e.*, up to the time of the exchange), but was not recognized by such U.S. Holder, is carried over to the property received therefor and any gain recognized on the subsequent sale, exchange, redemption, or other disposition of such property is treated as ordinary income to the extent of such accrued, but not recognized, market discount.

U.S. Holders of Allowed Claims are urged to consult their own tax advisors concerning the application of the market discount rules to their Allowed Claim.

5. Consequences to U.S. Holders of the Ownership and Disposition of New Common Stock

a. Dividends on New Common Stock

Any distributions made on account of the New Common Stock will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of Reorganized Cyxtera as determined under U.S. federal income tax principles. “Qualified dividend income” received by an individual U.S. Holder is subject to preferential tax rates. To the extent that a U.S. Holder receives distributions that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the U.S. Holder’s basis in its shares of the New Common Stock. Any such distributions in excess of the U.S. Holder’s basis in its shares of the New Common Stock (determined on a share-by-share basis) generally will be treated as capital gain.

Subject to applicable limitations, distributions treated as dividends paid to U.S. Holders that are corporations generally will be eligible for the dividends-received deduction so long as Reorganized Cyxtera has sufficient earnings and profits and certain holding period requirements are satisfied. The length of time that a U.S. Holder has held its stock is reduced for any period during which such U.S. Holder’s risk of loss with respect to the stock is diminished by reason of the existence of certain options, contracts to sell, short sales, or similar transactions. In addition, to the extent that a corporation incurs indebtedness that is directly attributable to an investment in the stock on which the dividend is paid, all or a portion of the dividends-received deduction may be disallowed.

b. Sale, Redemption, or Repurchase of New Common Stock

Unless a non-recognition provision applies, U.S. Holders generally will recognize capital gain or loss upon the sale, redemption, or other taxable disposition of the New Common Stock. Such capital gain generally will be long-term capital gain if at the time of the sale, exchange, retirement, or other taxable disposition, the U.S. Holder has held the New Common Stock for more than one year. Long-term capital gains of an individual taxpayer generally are taxed at preferential rates. The deductibility of capital losses is subject to certain limitations as described below. Under the recapture rules of section 108(e)(7) of the IRC, a U.S. Holder may be required to treat gain recognized on the taxable disposition of the New Common Stock, as applicable as ordinary income if such U.S. Holder took a bad debt deduction with respect to its Allowed First Lien Claims or recognized an ordinary loss on the exchange of its Allowed First Lien Claims for New Common Stock.

D. Certain U.S. Federal Income Tax Consequences of the Plan to Non-U.S. Holders

The following discussion assumes that the Debtors will undertake the Restructuring Transactions currently contemplated by the Plan and includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders of Allowed First Lien Claims and General Unsecured Claims. This discussion does not include any non-U.S. tax considerations. The rules governing the U.S. federal income tax

consequences to Non-U.S. Holders are complex. Each Non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, local, non-U.S., and non-income tax consequences of the consummation of the Plan to such Non-U.S. Holder and the ownership and disposition of the New Common Stock.

1. Gain Recognition by Non-U.S. Holders of Allowed first Lien Claims

Any gain realized by a Non-U.S. Holder of an Allowed First Lien Claim on the exchange of its Allowed First Lien Claims (other than any gain attributable to accrued but untaxed interest (or original issue discount, if any), which will be taxable in the same manner as described below in “Accrued Interest”) generally will not be subject to U.S. federal income taxation unless (a) the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Restructuring Transactions occur and certain other conditions are met or (b) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and, if an applicable income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder’s capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized on the exchange if such gain is effectively connected with the Non-U.S. Holder’s conduct of a trade or business in the United States in the same manner as a U.S. Holder. In order to claim an exemption from withholding tax, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI (or suitable substitute or successor form or such other form as the IRS may prescribe). In addition, if such a Non-U.S. Holder is a corporation, it may be subject to a branch profits tax equal to 30 percent (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

2. Accrued Interest

Subject to the discussion of FATCA below, payments to a Non-U.S. Holder that are attributable to accrued but untaxed interest (or original issue discount, if any) with respect to Allowed First Lien Claims generally will not be subject to U.S. federal income or withholding tax, *provided* that the Non-U.S. Holder provides to the withholding agent, prior to receipt of such payment, appropriate documentation (generally, IRS Form W-8BEN or W-8BEN-E) establishing that the Non-U.S. Holder is not a U.S. person, unless:

(a) the Non-U.S. Holder actually or constructively owns ten percent or more of the total combined voting power of all classes of Debtor’s stock entitled to vote;

(b) the Non-U.S. Holder is a “controlled foreign corporation” that is a “related person” with respect to Debtor (each, within the meaning of the IRC);

(c) the non-U.S. Holder is a bank receiving interest described in section 881(c)(3)(A) of the IRC; or

(d) such interest is effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the United States (in which case, provided the Non-U.S. Holder provides a properly executed IRS Form W-8ECI (or successor form) to the withholding agent, the Non-U.S. Holder (x) generally will not be subject to withholding tax, but (y) will be subject to U.S. federal income tax on a net basis generally in the same manner as a U.S. Holder (unless an applicable income tax treaty provides

otherwise), and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the accrued interest at a rate of thirty percent (or at a reduced rate or exemption from tax under an applicable income tax treaty)).

A Non-U.S. Holder that does not qualify for the exemption from withholding tax with respect to accrued but untaxed interest (or original issue discount, if any) that is not effectively connected income generally will be subject to withholding of U.S. federal income tax at a thirty percent rate (or at a reduced rate or exemption from tax under an applicable income tax treaty) on any payments that are attributable to accrued but untaxed interest (or original issue discount, if any). For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business. As described above in more detail under the heading "Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders - Accrued Interest," the aggregate consideration to be distributed to holders of Allowed Claims in each Class will be allocated first to the principal amount of such Allowed Claims, with any excess allocated to accrued but unpaid interest on such Allowed Claims, if any.

3. Gain Recognition by Non-U.S. Holders of Allowed General Unsecured Claims

Except to the extent that a Non-U.S. Holder of an Allowed General Unsecured Claim agrees to less favorable treatment or such General Unsecured Claim has been paid prior to the Effective Date, each General Unsecured Claim shall receive, in full and final satisfaction of such Claim, its *pro rata* share of the GUC Trust Net Assets and will generally be subject to the rules described above in "Gain Recognition by Non-U.S. Holders of Allowed First Lien Claims."

3. Consequences to Non-U.S. Holders of the Ownership and Disposition of New Common Stock

a. Dividends

Any distributions made with respect to New Common Stock (other than certain distributions of stock of Reorganized Cyxtera) will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of Reorganized Cyxtera, as determined under U.S. federal income tax principles (and thereafter first as a return of capital which reduces basis and then, generally, capital gain). Except as described below, dividends paid with respect to New Common Stock held by a Non-U.S. Holder that are not ECI (or, if an applicable income tax treaty applies, are not attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) will be subject to U.S. federal withholding tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty). A Non-U.S. Holder generally will be required to satisfy certain IRS certification requirements in order to claim a reduction of or exemption from withholding under an applicable income tax treaty by filing IRS Form W-8BEN or W-8BEN-E, as applicable (or suitable substitute or successor form or such other form as the IRS may prescribe), upon which the Non-U.S. Holder certifies, under penalties of perjury, its status as a non-U.S. person and its entitlement to the lower applicable income tax treaty rate or exemption from tax with respect to such payments. Dividends paid with respect to New Common Stock held by a Non-U.S. Holder that are ECI (and, if an applicable income tax treaty applies, are attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are

attributable to the dividends at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If Reorganized Debtor is considered a “U.S. real property holding corporation” (a “USRPHC”), distributions to a Non-U.S. Holder will generally be subject to withholding by Reorganized Debtor at a rate of 15 percent to the extent they are not treated as dividends. In the event the New Common Stock are regularly traded on an established market, withholding would not be required if the Non-U.S. Holder does not directly or indirectly own (and has not directly or indirectly owned) more than 5 percent of the aggregate fair market value of the class of equity interests that includes New Common Stock during a specified testing period. Exceptions to such withholding may also be available to the extent a Non-U.S. Holder furnishes a certificate qualifying such Non-U.S. Holder for a reduction or exemption of withholding pursuant to applicable Treasury Regulations. The Debtors believe they are, and will be, USRPHCs, in light of the nature of their assets and business operations, but no formal study has been or will be conducted in this regard.

b. Sale, Redemption, or Repurchase of New Common Stock

A Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain realized on the sale or other taxable disposition (including a cash redemption) of New Common Stock of Reorganized Cxtera unless:

- (i) such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition or who is subject to special rules applicable to former citizens and residents of the United States;
- (ii) such gain is ECI (and, if an applicable income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States); or
- (iii) the issuer of such New Common Stock is or has been during a specified testing period a “USRPHC.”

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder’s capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition of New Common Stock. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to earnings and profits effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If the third exception applies, a non-U.S. Holder of New Common Stock generally will be subject to U.S. federal income tax on any gain recognized on the disposition of all or a portion of its New Common Stock under the Foreign Investment in Real Property Tax Act and the Treasury Regulations thereunder (“FIRPTA”). Taxable gain from a non-U.S. Holder’s disposition of an interest in a USRPHC (generally equal to the difference between the amount realized and the non-U.S. Holder’s adjusted tax basis in such interest) would constitute ECI. A non-U.S. Holder would also be subject to withholding tax equal to fifteen percent of the amount realized on the disposition and generally required to file a U.S. federal income tax return. The amount of any such withholding may be allowed as a credit against the non-U.S. Holder’s U.S. federal income tax liability and may entitle the non-U.S. Holder to a refund if the non-U.S. Holder properly and timely files a tax return with the IRS.

In general, a corporation would be a USRPHC with respect to a non-U.S. Holder if the fair market value of the corporation’s U.S. real property interests (as defined in the IRC and applicable Treasury

Regulations) equals or exceeds fifty percent of the aggregate fair market value of its worldwide real property interests and its other assets used or held for use in a trade or business (applying certain look-through rules to evaluate the assets of subsidiaries) at any time within the shorter of (a) the five-year period ending on the effective time of the applicable disposition or (b) the non-U.S. Holder's holding period for its interests in the corporation. As discussed above, the Debtors believe they are, and will be, USRPHCs, in light of the nature of their assets and business operations, but no formal study has been or will be conducted in this regard.

In general, FIRPTA will not apply upon a non-U.S. Holder's disposition of its New Common Stock if (x) the New Common Stock is treated as "regularly traded" on an established market and continue to be regularly traded on an established market and (y) the non-U.S. Holder did not directly or indirectly own more than five percent of the value of the New Common Stock during a specified testing period.

4. FATCA

Under legislation commonly referred to as the Foreign Account Tax Compliance Act ("FATCA"), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of "withholdable payments." For this purpose, "withholdable payments" are generally U.S.-source payments of fixed or determinable, annual or periodical income, and, subject to the paragraph immediately below, also include gross proceeds from the sale of any property of a type which can produce U.S.-source interest or dividends. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding.

Withholding with respect to the gross proceeds of a disposition of any stock, debt instrument, or other property that can produce U.S.-source dividends or interest has been eliminated under proposed Treasury Regulations, which can be relied on until final regulations become effective.

Each Non-U.S. Holder are urged to consult its own tax advisor regarding the possible impact of FATCA withholding rules on such Non-U.S. Holder.

E. Information Reporting and Back-Up Withholding

The Debtors and applicable withholding agents will withhold all amounts required by law to be withheld from payments of interest and dividends, whether in connection with distributions under the Plan or in connection with payments made on account of consideration received pursuant to the Plan, and will comply with all applicable information reporting requirements. The IRS may make the information returns reporting such interest and dividends and withholding available to the tax authorities in the country in which a Non-U.S. Holder is resident. In general, information reporting requirements may apply to distributions or payments made to a Holder of a Claim under the Plan. Additionally, under the backup withholding rules, a Holder may be subject to backup withholding (currently at a rate of 24 percent) with respect to distributions or payments made pursuant to the Plan unless that Holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact; or (b) timely provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding (generally in the form of a properly executed IRS Form W-9 for a U.S. Holder, and, for a Non-U.S. Holder, in the form of a properly executed applicable IRS Form W-8 (or otherwise establishes such Non-U.S. Holder's eligibility for an exemption)). Backup withholding is not an additional tax but is, instead, an advance payment that may be refunded to the extent it results in an overpayment of tax; *provided* that the required information is timely provided to the IRS.

In addition, from an information reporting perspective, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. Holders subject to the Plan are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the Holders' tax returns.

XIV. CERTAIN CANADIAN FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

A. Introduction

The following is a summary of the principal Canadian federal income tax consequences of the Plan to a Holder of General Unsecured Claims who, at all relevant times for purposes of the Income Tax Act (Canada) (the "Canadian Tax Act"), deals at arm's length with and is not affiliated with Cyxtera or any other entity related to Cyxtera, and holds its General Unsecured Claims as capital property. The General Unsecured Claims will generally be considered to be capital property to a Holder thereof unless either the Holder of General Unsecured Claims holds (or will hold) such securities in the course of carrying on a business, or the Holder of General Unsecured Claims has acquired (or will acquire) such securities in a transaction or transactions considered to be an adventure in the nature of trade.

This summary does not apply to (a) a Holder of General Unsecured Claim an interest in which is a "tax shelter investment" as defined in the Canadian Tax Act, (b) a Holder of General Unsecured Claim that is a "financial institution" for purposes of the "mark-to-market" rules as defined in the Canadian Tax Act, (c) a Holder of General Unsecured Claim that is a "specified financial institution" as defined in the Canadian Tax Act, (d) a Holder of General Unsecured Claims that has made the "functional currency" reporting election, or (e) a Canadian Holder (as defined below) in relation to which Cyxtera is a "foreign affiliate" as defined in the Canadian Tax Act. Such Holders of General Unsecured Claims should consult with their own tax advisors.

This summary is based on the current provisions of the Canadian Tax Act, the regulations thereunder (the "Canadian Regulations") and the understanding of the current published administrative policies and assessing practices of the Canada Revenue Agency (the "CRA") publicly available prior to the date of the filing of this Disclosure Statement. The summary also takes into account all specific proposals to amend the Canadian Tax Act and Canadian Regulations publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date of the filing of this Disclosure Statement (the "Canadian Tax Proposals") and assumes that all such Canadian Tax Proposals will be enacted in the form proposed. No assurance can be given that the Canadian Tax Proposals will be enacted in the form proposed or at all. This summary does not take into account or anticipate any changes in law or administrative policies or assess practices of the CRA, whether by way of judicial, governmental or legislative action or decisions, nor does it address any provincial, territorial or foreign tax legislation or considerations.

This summary is of a general nature only, is not exhaustive of all Canadian federal income tax consequences, and is not intended to be, nor should it be construed as, legal or tax advice to any particular Holder of General Unsecured Claims. Holders of General Unsecured Claims are urged to consult their own tax advisors as to the tax consequences to them of the Plan in their particular circumstances.

For purpose of the Canadian Tax Act, all amounts, including cost, proceeds of disposition, interest or dividends received and accrued must be determined in Canadian currency at applicable exchange rates as determined in accordance with the Canadian Tax Act. The amount of interest and any capital gain or capital loss of a Holder of General Unsecured Claims may be affected by fluctuations in Canadian dollar exchange rates.

B. Residents of Canada

This portion of the summary applies to a Holder of General Unsecured Claim who, for the purposes of the Canadian Tax Act and any applicable income tax treaty or convention, and at all relevant times, is or is deemed to be resident of Canada (a “Canadian Holder”). Certain Canadian Holders whose General Unsecured Claims issued by Canadian Debtors that might not otherwise qualify as capital property may, in certain circumstances, treat the General Unsecured Claims issued by Canadian Debtors as capital property by making an irrevocable election pursuant to subsection 39(4) of the Canadian Tax Act, to the extent such General Unsecured Claims are “Canadian securities” as defined in the Canadian Tax Act. Therefore, this election will not apply to the General Unsecured Claims that are not Canadian securities. Canadian Holders are advised to consult their own tax advisors regarding such an election.

1. Exchange of the General Unsecured Claim

A Canadian Holder will be considered to have disposed of its General Unsecured Claims upon the exchange of such General Unsecured Claims for cash. Under the Plan, any cash received will be allocated first to the principal amount of the General Unsecured Claims, and the balance, if any, to the accrued interest with respect to the General Unsecured Claims.

A Canadian Holder that is a corporation, partnership, unit trust, or any trust of which a corporation or partnership is a beneficiary will generally be required to include in income the amount of interest accrued or deemed to accrue on the General Unsecured Claims up to the Effective Date or that became receivable or was received on or before the Effective Date, to the extent that such amounts have not otherwise been included in the Canadian Holder’s income for the taxation year or a preceding taxation year. Any other Canadian Holder, including an individual, will be required to include in income for a taxation year any interest on the General Unsecured Claims received or receivable by such Canadian Holder in the taxation year (depending upon the method regularly followed by the Canadian Holder in computing income) except to the extent that such amount was otherwise included in its income for the taxation year or a preceding taxation year. In addition, if such Canadian Holder has not otherwise included interest in the General Unsecured Claims in computing the Canadian Holder’s income at periodic intervals of not more than one year, such Canadian Holder will be required to include in computing income for a taxation year any interest that accrues to the Canadian Holder on the General Unsecured Claims up to the end of any “anniversary day” (as defined in the Canadian Tax Act) in that taxation year to the extent such interest was not otherwise included in computing the Canadian Holder’s income for that taxation year or a preceding taxation year. Generally, a Canadian Holder should be entitled to deduct in computing income for the year of disposition, amounts that were included in computing the Canadian Holder’s income for the year of disposition or a preceding taxation year as interest in respect of the General Unsecured Claims, to the extent that such amounts were not received or receivable by the Canadian Holder and were not deducted by the Canadian Holder in computing income for the year of disposition or a preceding taxation year.

In general, a Canadian Holder will realize a capital gain (or capital loss) on the exchange of the General Unsecured Claims equal to the amount by which any cash received, net of any amount included in the Canadian Holder’s income as interest, exceeds (or is exceeded by) the adjusted cost base to the Canadian Holder of such General Unsecured Claims, *plus* any reasonable costs of disposition. The tax treatment of any capital gain (or capital loss) realized is described below under the heading “Taxation of Capital Gains and Capital Losses.”

2. Taxation of Capital Gains and Capital Losses

Generally, one-half of any capital gain (a “Taxable Capital Gain”) realized by a Canadian Holder for a taxation year must be included in the Canadian Holder’s income in the year. A Canadian Holder is required to deduct one-half of any capital loss (an “allowable capital loss”) realized in the taxation year

from Taxable Capital Gains realized in that year, and allowable capital losses in excess of Taxable Capital Gains may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent year, from net Taxable Capital Gains realized in such years to the extent and under the circumstances described in the Canadian Tax Act.

3. Additional Refundable Tax

A Canadian Holder that is throughout the year a “Canadian-controlled private corporation” (as defined in the Canadian Tax Act) may be liable to pay an additional refundable tax of 6 and 2/3 percent on certain investment income, including amounts in respect of interest, certain dividends and Taxable Capital Gains.

C. Non-Residents of Canada

This portion of the summary applies to a Holder of General Unsecured Claims that, for the purposes of the Canadian Tax Act and any applicable income tax treaty or convention and at all relevant times, is not and will not be deemed to be resident of Canada and does not use or hold the General Unsecured Claims in carrying on a business in Canada (a “Non-Canadian Holder”). In addition, this summary does not apply to an insurer who carries on an insurance business in Canada and elsewhere or an authorized foreign bank that carries on a Canadian banking business.

1. Exchange of the General Unsecured Claims

Upon the exchange by a Non-Canadian Holder of the General Unsecured Claims for cash, no taxes will be payable under the Canadian Tax Act by such a Non-Canadian Holder.

D. Consequences to the Canadian Debtors

The exchange of General Unsecured Claims will result in the settlement or extinguishment of the General Unsecured Claims. The “forgiven amount”, as defined in the Canadian Tax Act, arising from the settlement or extinguishment will reduce, in prescribed order, certain tax attributes of the relevant Canadian Debtors, including non-capital losses, net capital losses, cumulative eligible capital, undepreciated capital cost of depreciable property and the adjusted cost base of certain capital property (the “Canadian Tax Shield”). Generally, one half of the amount by which the forgiven amount exceeds the Canadian Tax Shield (such amount, the “Excess”) will be required to be included in the relevant Canadian Debtor’s income for the taxation year in which the Effective Date takes place, unless the Excess was otherwise assigned by such relevant Canadian Debtor to other Canadian Debtors that are “eligible transferees” as defined in the Canadian Tax Act for reduction of such other Canadian Debtors’ Canadian Tax Shield.

XV. RECOMMENDATION OF THE DEBTORS

In the opinion of the Debtors and the Committee, the Plan is preferable to all other available alternatives and provides for a larger distribution to the Debtors’ creditors than would otherwise result in any other scenario. Accordingly, both recommend that Holders of Claims entitled to vote on the Plan vote to accept the Plan and support Confirmation of the Plan.

The Post-Effective Date Debtors shall pay Professional Fee Claims in Cash in the amount the Bankruptcy Court allows, including from funds held in the Professional Fee Escrow Account. The Post-Effective Date Debtors shall establish the Professional Fee Escrow Account in trust for the Professionals and fund such account with Cash equal to the Professional Fee Amount on the Effective Date.

2. Professional Fee Escrow Account.

On the Effective Date, the Post-Effective Date Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals. Such funds shall not be considered property of the Estates of the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable. The amount of Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals by the Post-Effective Date Debtors from the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed. When all such Allowed amounts owing to Professionals have been paid in full, any remaining amount in the Professional Fee Escrow Account shall promptly be paid to the Post-Effective Date Debtors, without any further action or order of the Bankruptcy Court; *provided, however*, in the event of a Sale Transaction, any remaining amount in the professional Fee Escrow Account shall constitute Residual Cash and be distributable to Holders of Allowed First Lien Claims.

3. Professional Fee Amount.

Professionals shall reasonably estimate their unpaid Professional Fee Claims and other unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date and shall deliver such estimates to the Debtors no later than three (3) Business Days before the Effective Date; *provided, however*, that such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final request for payment of Filed Professional Fee Claims. If a Professional does not provide an estimate, the Debtors or the Post-Effective Date Debtors, as applicable, may estimate the unpaid and unbilled fees and expenses of such Professional.

4. Post-Confirmation Fees and Expenses.

Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Debtors shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Debtors. Upon the Confirmation Date, any requirement that Professionals comply with sections 327–331, 363, and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

D. Priority Tax Claims.

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall receive Cash equal to the full amount of its Claim or such other treatment in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code.

E. Payment of Restructuring Expenses.

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date, shall be paid in full in Cash on the Effective Date or as reasonably practicable thereafter (to the extent not previously paid during the course of the Chapter 11 Cases) in accordance with, and subject to, the terms set forth herein and in the RSA, without any requirement to File a fee application with the Bankruptcy Court, without the need for itemized time detail, and without any requirement for Bankruptcy Court review or approval. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date, and such estimates shall be delivered to the Debtors at least three (3) Business Days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission or limitation with respect to such Restructuring Expenses. On the Effective Date, invoices for all Restructuring Expenses incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Post-Effective Date Debtors (as applicable) shall continue to pay, when due and payable in the ordinary course, Restructuring Expenses arising directly out of the

implementation of the Plan and Consummation thereof without any requirement for review or approval by the Bankruptcy Court or for any party to File a fee application with the Bankruptcy Court.

F. Receivables Program Claims.

All Receivables Program Claims shall be Allowed Claims. On the Effective Date, unless otherwise agreed by the Holder of a Receivables Program Claim and the applicable Debtor or Post-Effective Date Debtor, Allowed Receivables Program Claims will be satisfied in full in accordance with the terms of the Receivables Program Documents. On the Effective Date, or as soon as reasonably practicable thereafter, all fees and expenses incurred by the advisors to the parties to the Receivables Program shall be paid in full in Cash to the extent required under the Final Receivables Program Order.

G. Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.

The Debtors shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. The Debtors reserve the right to modify the Plan in accordance with Article X of the Plan to the extent that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and the Bankruptcy Rules.

H. Controversy Concerning Impairment.

If a controversy arises as to whether any Claims or Interests, or any Class of Claims or Interests, are Impaired, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date.

Pursuant to section 510 of the Bankruptcy Code, and subject to the RSA, the Post-Effective Date Debtors reserve the right to re-classify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

**ARTICLE IV.
MEANS FOR IMPLEMENTATION OF THE PLAN**

A. General Settlement of Claims and Interests.

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors and their Estates. Subject to Article VI hereof, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Restructuring Transactions.

Before, on, and after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, shall consummate the Restructuring Transactions and may take all actions (which, for the avoidance of doubt, shall be in form, substance, and structure reasonably acceptable to the Required Consenting Term Lenders) as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan that are consistent with and pursuant to the terms and conditions of the Plan, including, as applicable: (i) the execution and delivery of any appropriate agreements or other documents of merger,

consolidation, restructuring, conversion, disposition, transfer, formation, organization, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (iii) the execution, delivery, and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (iv) the execution and delivery of the New Takeback Facility Documents and entry into the New Takeback Facility; (v) the issuance and distribution of the New Common Stock as set forth in the Plan; (vi) the implementation of the Management Incentive Plan; (vii) the execution and delivery of the New Organizational Documents and any certificates or articles of incorporation, bylaws, or such other applicable formation documents (if any) of each Post-Effective Date Debtor (including all actions to be taken, undertakings to be made, obligations to be incurred, and fees and expenses to be paid by the Debtors and/or the Post-Effective Date Debtors, as applicable); (viii) such other transactions that, in the reasonable business judgment of the Debtors or the Post-Effective Date Debtors, as applicable, the Required Consenting Term Lenders (in the event of a Recapitalization Transaction), and the Purchaser (in the event of a Sale Transaction), are required to effectuate the Restructuring Transactions; and (ix) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Confirmation Order shall and shall be deemed to, pursuant to both section 1123 and section 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan.

The Debtors shall pursue the Recapitalization Transaction unless the Debtors determine, with the consent of the Required Consenting Term Lenders, to pursue an Equity Investment Transaction or an Asset Sale.

In the event of an Equity Investment Transaction, on the Effective Date, the Purchaser shall purchase substantially all of the New Common Stock free and clear of all Liens, Claims, Interests, charges, or other encumbrances in exchange for the Purchase Price set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Purchaser, and the Post-Effective Date Debtors, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

The Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Equity Investment Transaction pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

C. The Equity Investment Transaction or Recapitalization Transaction.

If the Equity Investment Transaction or Recapitalization Transaction occurs, the following provisions shall govern.

1. The Post-Effective Date Debtors.

On the Effective Date, the New Board shall be established, and each Post-Effective Date Debtor shall adopt its New Organizational Documents. The Post-Effective Date Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary to consummate the Plan.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund or make distributions under the Plan, as applicable, with: (i) the issuance of New Takeback Facility Loans under the New Takeback Facility, (ii) the proceeds from the Equity Investment Transaction; (iii) the New Common Stock, (iv) the GUC Trust Net Assets, and (v) the Debtors' Cash on hand. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Common Stock, will be exempt from Securities Act registration, as described more fully in Article IV.C.5 below.

(a) The New Takeback Facility.

In the event of a Recapitalization Transaction, on the Effective Date, the Post-Effective Date Debtors shall enter into the New Takeback Facility Credit Agreement. Confirmation of the Plan shall be deemed approval of the New Takeback Facility and the New Takeback Facility Documents, as applicable, and all transactions contemplated thereby; all actions to be taken, undertakings to be made, and obligations to be incurred by the Post-Effective Date Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein; and authorization for the Post-Effective Date Debtors to enter into and execute the New Takeback Facility Documents and such other documents as may be required to effectuate the treatment afforded by the New Takeback Facility. Execution of the New Takeback Facility Credit Agreement by the New Takeback Facility Agent shall be deemed to bind all Holders of DIP Claims as if each such Holder had executed the New Takeback Facility Credit Agreement with appropriate authorization.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the New Takeback Facility Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the New Takeback Facility Documents, (c) shall be deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the New Takeback Facility Documents, and (d) shall not be subject to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Post-Effective Date Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

(b) New Common Stock.

Reorganized Cyxtera shall be authorized to issue a certain number of shares of New Common Stock pursuant to its New Organizational Documents and any options or other equity awards, if any, reserved for the Management Incentive Plan. The issuance of the New Common Stock shall be authorized without the need for any further corporate action. On the Effective Date, the New Common Stock shall be issued and distributed pursuant to, and in accordance with, the Plan, and, in the event of an Equity Investment Transaction, the Purchase Agreement.

All of the shares of New Common Stock issued pursuant to the Plan and, if applicable, the Purchase Agreement shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI hereof shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, including the New Organizational Documents, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Common Stock shall be deemed to constitute its agreement to the New Organizational Documents, as the same may be amended or modified from time

to time following the Effective Date in accordance with their terms, without the need for execution by any party thereto other than the applicable Post-Effective Date Debtor(s). The New Common Stock will not be registered under the Securities Act or on any national securities exchange as of the Effective Date.

3. Corporate Existence.

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which such Debtor is incorporated or formed and pursuant to the certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). On or after the Effective Date, the respective certificate of incorporation and bylaws (or other formation documents) of one or more of the Post-Effective Date Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. On or after the Effective Date, one or more of the Post-Effective Date Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

4. New Organizational Documents.

On or immediately prior to the Effective Date, the New Organizational Documents shall be adopted or amended as may be necessary to effectuate the transactions contemplated by the Plan. To the extent required under the Plan or applicable non-bankruptcy law, each of the Post-Effective Date Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The New Organizational Documents will prohibit the issuance of non-voting Equity Securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. For the avoidance of doubt, the New Organizational Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Post-Effective Date Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents, and the Post-Effective Date Debtors may file such amended certificates or articles of incorporation, bylaws, or other applicable formation and constituent documents as permitted by the laws of the applicable states, provinces, or countries of incorporation and the New Organizational Documents. For the avoidance of doubt, any claimant's acceptance of the New Common Stock shall be deemed to constitute its agreement to be bound by the New Organizational Documents without the need for execution by any party other than the Post-Effective Date Debtors.

5. Certain Securities Law Matters.

Pursuant to section 1145 of the Bankruptcy Code, or, to the extent that section 1145 of the Bankruptcy Code is either not permitted or not applicable, section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, the offering, issuance, and distribution of the New Common Stock as contemplated herein shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. federal, state, or local laws requiring registration prior to the offering, issuance, distribution, or sale of securities.

The shares of New Common Stock to be issued under the Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, compliance with any applicable state or foreign securities laws, if any, and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Common Stock in the New Organizational Documents.

The shares of New Common Stock that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered “restricted securities,” will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act.

6. Management Incentive Plan.

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to 10% of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

7. Employment Obligations.

Unless otherwise provided herein, and subject to Article V of the Plan, if applicable, all employee wages, compensation, retiree benefits (as defined in 11 U.S.C. § 1114(a) of the Bankruptcy Code), and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Post-Effective Date Debtors and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to section 1129(a)(13) of the Bankruptcy Code, as of the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Post-Effective Date Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Post-Effective Date Debtors, such employee, and the Required Consenting Term Lenders and, in the event of an Equity Investment Transaction, the Purchaser.

D. The Asset Sale.

If the Asset Sale occurs, the following provisions shall govern.

1. The Asset Sale.

On the Effective Date, the Purchaser shall purchase substantially all of the Debtors’ assets free and clear of all Liens, Claims, Interests, charges, or other encumbrances (except for those Liens, Claims, Interests, charges, or other encumbrances assumed by the Purchaser pursuant to the terms of the Purchase Agreement) in exchange for the Purchase Price as set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Post-Effective Date Debtors, and the Purchaser, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

Subject to the consent rights set forth in the RSA, the Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors or the Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors' Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

3. Post-Effective Date Debtors.

On and after the Effective Date, the Post-Effective Date Debtors shall continue in existence for purposes of (i) winding down the Debtors' business and affairs as expeditiously as reasonably possible as authorized by the Bankruptcy Court; (ii) resolving Disputed Claims; (iii) making distributions on account of Allowed Claims as provided hereunder; (iv) establishing and funding the Distribution Reserve Accounts; (v) enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in an efficacious manner and only to the extent the benefits of such enforcement or prosecution are reasonably believed to outweigh the costs associated therewith; (vi) filing appropriate tax returns; (vii) complying with any continuing obligations under the Purchase Agreement; and (viii) administering the Plan in an efficacious manner. The Post-Effective Date Debtors shall be deemed to be substituted as the party-in-lieu of the Debtors in all matters, including (x) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (y) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Notwithstanding anything to the contrary in the Plan, on the Effective Date, any Cause of Action not settled, released, discharged, enjoined, or exculpated under the Plan on or prior to the Effective Date shall vest in the Post-Effective Date Debtors and shall be subject to administration by the Plan Administrator, and the net proceeds thereof shall be Distributable Consideration.

4. Plan Administrator.

On the Effective Date, the authority, power, and incumbency of the persons acting as managers, directors, and officers of the Post-Effective Date Debtors shall be deemed to have resigned, solely in their capacities as such, and the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The Plan Administrator shall act for the Post-Effective Date Debtors in the same fiduciary capacity as applicable to a board of managers, directors, and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, and related documents are deemed amended by the Plan to permit and authorize the same) and shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan in accordance with the Wind Down and as otherwise provided in the Confirmation Order.

From and after the Effective Date, the Plan Administrator shall be the sole representative of, and shall act for, the Post-Effective Date Debtors. The foregoing shall not limit the authority of the Post-Effective Date Debtors or the Plan Administrator, as applicable, to continue the employment of any former manager or officer. The Debtors, after the Confirmation Date, and the Post-Effective Date Debtors or Plan Administrator, after the Effective Date, shall be permitted to make payments to employees pursuant to employment programs then in effect, and, in the reasonable business judgment of the Plan Administrator and upon three (3) Business Days' notice to counsel to the AHG, to implement additional employee programs and make payments thereunder solely as necessary to effectuate the Wind Down, without any further notice to or action, order, or approval of the Bankruptcy Court.

The powers of the Plan Administrator shall include any and all powers and authority to implement the Plan and to administer and distribute the Distribution Reserve Accounts and wind down the business and affairs of the Debtors and Post-Effective Date Debtors, including: (i) making distributions under the Plan; (ii) liquidating, receiving, holding, investing, supervising, and protecting the assets of the Post-Effective Date Debtors in accordance

with the Wind-Down Reserve; (iii) taking all steps to execute all instruments and documents necessary to effectuate the distributions to be made under the Plan; (iv) making distributions from the Distribution Reserve Accounts as contemplated under the Plan; (v) establishing and maintaining bank accounts in the name of the Post-Effective Date Debtors; (vi) subject to the terms set forth herein, employing, retaining, terminating, or replacing professionals to represent it with respect to its responsibilities or otherwise effectuating the Plan to the extent necessary; (vii) paying all reasonable fees, expenses, debts, charges, and liabilities of the Post-Effective Date Debtors; (viii) except as otherwise provided for herein, enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in accordance with Article IV.E; (ix) administering and paying taxes of the Post-Effective Date Debtors, including filing tax returns; (x) representing the interests of the Post-Effective Date Debtors or the Estates before any taxing authority in all matters, including any action, suit, proceeding, or audit; and (xi) exercising such other powers as may be vested in it pursuant to order of the Bankruptcy Court or pursuant to the Plan, the Confirmation Order, or any applicable orders of the Bankruptcy Court or as the Plan Administrator reasonably deems to be necessary and proper to carry out the provisions of the Plan in accordance with the Wind-Down Reserve.

(a) Retention of Professionals.

The Plan Administrator shall have the right to retain the services of attorneys, accountants, and other professionals that, at the discretion of the Plan Administrator, are necessary to assist the Plan Administrator in the performance of his or her duties for the Post-Effective Date Debtors. The reasonable fees and expenses of such professionals, if applicable, shall be paid from the Wind-Down Reserve upon the monthly submission of statements to the Plan Administrator. The payment of the reasonable fees and expenses of the Post-Effective Date Debtors' retained professionals shall be made in the ordinary course of business from the Wind-Down Reserve and shall not be subject to the approval of the Bankruptcy Court.

(b) Compensation of the Plan Administrator.

The Plan Administrator's compensation, on a post-Effective Date basis, shall be as described in the Plan Supplement, reasonably acceptable to the Required Consenting Term Lenders, and paid out of the Wind-Down Reserve. Except as otherwise ordered by the Bankruptcy Court, the fees and expenses incurred by the Plan Administrator on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including attorney fees and expenses) made by the Plan Administrator in connection with such Plan Administrator's duties shall be paid without any further notice to, or action, order, or approval of, the Bankruptcy Court in Cash from the Wind-Down Reserve if such amounts relate to any actions taken hereunder.

(c) Plan Administrator Expenses.

All costs, expenses, and obligations incurred by the Plan Administrator or the Post-Effective Date Debtors in administering the Plan or in effecting distributions thereunder (including the reimbursement of reasonable expenses), including any costs, expenses, or obligations in any manner connected, incidental, or related thereto, shall be paid from the Wind-Down Reserve.

The Debtors and the Plan Administrator, as applicable, shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. However, in the event that the Plan Administrator is so ordered after the Effective Date, all costs and expenses of procuring any such bond or surety shall be paid for with Cash from the Wind-Down Reserve.

(d) Exculpation, Indemnification, Insurance, and Liability Limitation.

The Plan Administrator and all professionals retained by the Plan Administrator, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Post-Effective Date Debtors. The Plan Administrator may obtain, at the expense of the Post-Effective Date Debtors and with funds from the Wind-Down Reserve, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Post-Effective Date Debtors. The Plan Administrator may rely upon written information previously generated by the Debtors.

(e) Tax Returns.

After the Effective Date, the Plan Administrator shall complete and file all final or otherwise required federal, state, and local tax returns for each of the Debtors and, pursuant to section 505 of the Bankruptcy Code and subject to applicable law, may request an expedited determination of any unpaid tax liability of such Debtor or its Estate.

(f) Dissolution of the Post-Effective Date Debtors.

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made, completion of all its duties under the Plan, and entry of a final decree closing the last of the Chapter 11 Cases, the Post-Effective Date Debtors shall be deemed to be dissolved without any further action by the Post-Effective Date Debtors, including the filing of any documents with the secretary of state for the state in which each Post-Effective Date Debtor is formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Post-Effective Date Debtors in and withdraw the Post-Effective Date Debtors from applicable state(s).

To the extent the Debtors have any Cash or other property remaining after the Chapter 11 Cases have been closed, such Cash or other property shall constitute Residual Cash and shall be immediately allocated and distributable to the Holders of Allowed First Lien Claims.

5. Wind Down.

As soon as practicable after the Effective Date, the Plan Administrator shall: (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby; (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

The filing of the final monthly report (for the month in which the Effective Date occurs) and all subsequent quarterly reports shall be the responsibility of the Plan Administrator.

E. *Preservation of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII hereof, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including Article VIII of the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims, and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to this Article IV.E include any Claim or Cause of Action against a Released Party or Exculpated Party.

F. Cancellation of Existing Agreements and Interests.

On the Effective Date, except with respect to the New Takeback Facility or to the extent otherwise provided in the Plan, including in Article V.A hereof, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto shall be deemed satisfied in full, cancelled, discharged, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents and shall not be subject to discharge, impairment, or release under the Plan or the Confirmation Order.

G. Section 1146 Exemption.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Post-Effective Date Debtor, as applicable, or to any other Person) of property under the Plan or pursuant to: (i) the issuance, Reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Post-Effective Date Debtors, as applicable; (ii) the Restructuring Transactions; (iii) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iv) the making, assignment, or recording of any lease or sublease; (v) the grant of collateral as security for the New Takeback Facility; (vi) the Sale Transaction; or (vii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any

way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146 of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

H. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including, as and if applicable: (i) selection of the directors, officers, or managers for the Post-Effective Date Debtors; (ii) the issuance and distribution of the New Common Stock; (iii) implementation of the Restructuring Transactions; (iv) entry into the New Takeback Facility Documents; (v) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (vi) adoption of the New Organizational Documents; (vii) the rejection, assumption, or assignment and assignment, as applicable, of Executory Contracts and Unexpired Leases; (viii) adoption by the New Board of the Management Incentive Plan; (ix) consummation of the Sale Transaction pursuant to the Purchase Agreement; (x) formation of the Post-Effective Date Debtors and selection of the Plan Administrator; and (xi) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Post-Effective Date Debtors and any corporate action required by the Debtors or the Post-Effective Date Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Post-Effective Date Debtors. On or prior to the Effective Date, as applicable, the appropriate officers of the Debtors or the Post-Effective Date Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Post-Effective Date Debtors, including, in the event of a Recapitalization Transaction or an Equity Investment Transaction, the New Common Stock, the New Organizational Documents, the New Takeback Facility, the New Takeback Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Directors and Officers of the Post-Effective Date Debtors.

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire, and, if applicable, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the special committee of Cyxtera's board of directors, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA and, if applicable, the Purchase Agreement.

J. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Post-Effective Date Debtors and their respective officers and boards of directors and managers are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Post-Effective Date Debtors without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

K. Vesting of Assets in the Post-Effective Date Debtors.

Except as otherwise provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document incorporated herein, or entered into in connection with or pursuant to, the Plan, the Plan Supplement, or the New Takeback Facility Documents, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan (other than the GUC Trust Assets) shall vest in each respective Post-Effective Date Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document incorporated herein, each Post-Effective Date Debtor may operate its business and use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

L. Private Company.

The Post-Effective Date Debtors shall not have any class of Equity Securities listed on a national securities exchange and shall make commercially reasonable efforts to take the steps necessary to be a private company without Securities Act or Exchange Act reporting obligations upon emergence or as soon as practicable thereafter in accordance with and to the extent permitted by the Securities Act and the Exchange Act.

M. GUC Trust.

1. General Terms.

On the Effective Date, the Debtors and the GUC Trustee shall enter into the GUC Trust Agreement and the GUC Trust Assets shall vest or deem to be vested in the GUC Trust automatically without further action by any Person, free and clear of all Claims and Liens, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The GUC Trust shall be administered by the GUC Trustee and governed by the GUC Trust Agreement and shall have the sole power and authority to distribute the GUC Trust Net Assets to Holders of Allowed General Unsecured Claims in accordance with the treatment set forth in the Plan for Class 4. The GUC Trust Agreement may include reasonable and customary provisions that allow for indemnification by the GUC Trust and the GUC Trustee.

The powers, rights, and responsibilities of the GUC Trustee shall be specified in the GUC Trust Agreement and shall include the responsibility and requisite power to reconcile General Unsecured Claims, including asserting any objections thereto. From and after the Effective Date, the GUC Trustee, on behalf of the GUC Trust, shall, in the ordinary course of business and without the need for any approval by the Bankruptcy Court, pay the GUC Trust Fees and Expenses from the GUC Trust Assets. The Debtors, the Post-Effective Date Debtors, and their Affiliates (and anyone acting on their behalf) shall not be responsible for any costs, fees, or expenses of the GUC Trust. The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at the later of (i) such time as all distributions required to be made by the GUC Trustee under the Plan have been made, and (ii) the fifth anniversary of the Effective Date (unless extended by order of the Bankruptcy Court).

2. Tax Treatment.

In furtherance of this section of the Plan, (i) it is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulation section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Internal Revenue Code to the Holders of General Unsecured Claims, consistent with the terms of the Plan, and accordingly, all assets held by the GUC Trust are intended to be deemed for United States federal income tax purposes to have been distributed by the Debtors or the Post-Effective Date Debtors, as applicable, to the Holders of Allowed General Unsecured Claims, and then contributed by the Holders of Allowed General Unsecured Claims to the GUC Trust in exchange for their interest in the GUC Trust; (ii) the primary purpose of the GUC Trust shall be the liquidation and distribution of the GUC Trust Net Assets in accordance with Treasury Regulation section 301.7701-4(d), including the resolution of General Unsecured Claims in accordance with this Plan, with no objective to continue or engage in the conduct of a trade or business; (iii) all parties (including, without limitation, the Debtors, the Post-Effective Date Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with such treatment described in provisos (i) and (ii) of this paragraph; (iv) all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as determined by the GUC Trustee (or its designee); (v) the GUC Trustee shall be responsible for filing all applicable tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a); and (vi) the GUC Trustee shall annually send to each Holder of an interest in the GUC Trust a separate statement regarding the receipts and expenditures of the trust as relevant for United States federal income tax purposes.

Subject to definitive guidance from the United States Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the United States Internal Revenue Service upon audit if not contested by the GUC Trustee), the GUC Trustee may timely elect to (i) treat any portion of the GUC Trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for United States state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report for United States federal, state, and local income tax purposes consistently with the foregoing. Any taxes (including with respect to earned interest, if any) imposed on the GUC Trust as a result of this treatment shall be paid out of the assets of the GUC Trust (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). The GUC Trustee may request an expedited determination of taxes of the GUC Trust, including any reserve for Disputed Claims, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

The GUC Trust shall continue to have all of the rights and powers granted to the GUC Trust as set forth in this Plan and applicable non-bankruptcy law, and the GUC Trustee shall also have the rights, powers, and obligations set forth in the GUC Trust Agreement.

3. Transfer of GUC Trust Interests.

Any and all interests in the GUC Trust shall be transferrable either (i) with the consent of the Post-Effective Date Debtors or, (ii) by will, intestate succession, or otherwise by operation of law. In addition, any and all interests in the GUC Trust will not constitute “securities” and will not be registered pursuant to the Securities Act or any applicable state or local securities law. However, if it should be determined that any such interests constitute “securities,” the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied, and the offer, issuance, and distribution under the Plan of interests in the GUC Trust will be exempt from registration under the Securities Act and all applicable state and local securities laws and regulations.

N. Closing the Chapter 11 Cases.

Upon the occurrence of the Effective Date, the Post-Effective Date Debtors shall be permitted to close all of the Chapter 11 Cases except for one of the Chapter 11 Cases as determined by the Post-Effective Date Debtors,

and all contested matters relating to each of the Debtors, including objections to Claims, shall be administered and heard in such Chapter 11 Case.

O. Director and Officer Liability Insurance.

After the Effective Date, none of the Post-Effective Date Debtors shall terminate or otherwise reduce the coverage under any of the D&O Liability Insurance Policies (including any “tail policy”) in effect on or after the Petition Date, with respect to conduct or events occurring prior to the Effective Date, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

**ARTICLE V.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. Assumption of Executory Contracts and Unexpired Leases.

Each Executory Contract and Unexpired Lease shall be deemed assumed, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date under section 365 of the Bankruptcy Code, unless such Executory Contract and Unexpired Lease: (i) was assumed or rejected previously by the Debtors; (ii) previously expired or terminated pursuant to its own terms; (iii) is the subject of a motion to reject Filed on or before the Effective Date; or (iv) is identified on the Rejected Executory Contract and Unexpired Lease List. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates. The Confirmation Order will constitute an order of the Bankruptcy Court approving the foregoing assumptions and assignments.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contract and Unexpired Lease List at any time through and including ninety (90) days after the Effective Date; *provided* that in the event of a Recapitalization Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the RSA.

B. Indemnification Obligations.

Consistent with applicable law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, D&O Liability Insurance Policies, or otherwise) for current and former members of any Governing Body, directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall (i) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the

Confirmation Order; (ii) remain intact, in full force and effect, and irrevocable; (iii) not be limited, reduced, or terminated after the Effective Date; and (iv) survive the effectiveness of the Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date irrespective of whether such indemnification obligation is owed for an act or event occurring before, on, or after the Petition Date. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Post-Effective Date Debtors and/or the Plan Administrator, as applicable.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the rejections, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan or the Rejected Executory Contract and Unexpired Lease List, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Confirmation Order and served on the Post-Effective Date Debtors no later than thirty (30) days after the effective date of such rejection.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within such time will be automatically disallowed and forever barred from assertion and shall not be enforceable against the Debtors, the Post-Effective Date Debtors, the Estates, the GUC Trust, or their property without the need for any objection by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged and shall be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary.

All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim as set forth in Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

D. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption, including pursuant to the Plan, or related cure amount must be filed, served, and actually received by counsel to the Debtors and the U.S. Trustee no later than thirty (30) days after the Effective Date or any other deadline that may be set by the Bankruptcy Court. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure despite the failure of the relevant counterparty to File such request for payment of such Cure. The Post-Effective Date Debtors may also settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' or the Post-Effective Date Debtors', as applicable, first scheduled omnibus hearing, or such other setting as requested by the Debtors or the Post-Effective Date Debtors, as applicable, with respect to which such objection is timely Filed. Any counterparty

to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise and full payment of any applicable Cure pursuant to this Article V.D shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

E. Insurance Policies.

Each of the Debtors’ insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, (i) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies and (ii) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revert in the Post-Effective Date Debtors.

Nothing in the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or supervening), (i) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (ii) alters or modifies the duty, if any, that the insurers or third party administrators pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Post-Effective Date Debtors) or draw on any collateral or security therefor.

F. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Post-Effective Date Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

G. Reservation of Rights.

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors or the Post-Effective Date Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan.

H. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

I. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtors or the Post-Effective Date Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed.

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim or Interest is not an Allowed Claim or Allowed Interest on the Effective Date, on the date that such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

B. Disbursing Agent.

All distributions under the Plan shall be made by the Disbursing Agent or the GUC Trustee, as applicable, on the Effective Date or at such other time as provided for in the Plan. The Disbursing Agent and the GUC Trustee shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent or the GUC Trustee is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Post-Effective Date Debtors or the GUC Trust, respectively.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby (other than distributions on account of General Unsecured Claims); (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Post-Effective Date Debtors.

D. *Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions in General.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims or Allowed Interests shall be made to Holders of record as of the Distribution Record Date by the Disbursing Agent or the GUC Trustee, as appropriate: (a) to the signatory set forth on any Proof of Claim or Proof of Interest filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Proof of Interest is filed or if the Debtors or the GUC Trust have not been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Post-Effective Date Debtors, or the Disbursing Agent or the GUC Trustee, as appropriate, after the date of any related Proof of Claim or Proof of Interest; or (c) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Subject to this Article VI, distributions under the Plan on account of Allowed Claims or Allowed Interests shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim or Allowed Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trustee, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for fraud, gross negligence, or willful misconduct. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

3. Minimum Distributions.

No fractional shares of New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Common Stock that is not a whole number, the actual distribution of shares of New Common Stock shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Common Stock to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

4. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent or the GUC Trustee has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (in the case of distributions from the GUC Trust Net Assets), as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheatment, abandoned property, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder related to

such property or interest in property shall be discharged and forever barred. The Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trust shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings. For the avoidance of doubt, treatment of undeliverable distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

E. Manner of Payment.

At the option of the Disbursing Agent or the GUC Trustee, as applicable, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in the GUC Trust Agreement or other applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors, the Post-Effective Date Debtors, and the GUC Trust reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances in a tax-efficient manner acceptable to the Required Consenting Term Lenders.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan, the DIP Orders, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in the Plan, each Post-Effective Date Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (i) agreed in amount among the

relevant Post-Effective Date Debtor(s) and Holder of Allowed Claim or (ii) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Post-Effective Date Debtor or its successor of any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Post-Effective Date Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties.

The Debtors, the Post-Effective Date Debtors, and the GUC Trust, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets), as applicable, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder timely to repay or return such distribution shall result in the Holder owing the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets) annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is fully repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained herein (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Disputed Claims Process.

The Debtors and the Post-Effective Date Debtors, and the GUC Trust (solely with respect to General Unsecured Claims), shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under the Plan. **Except as otherwise provided herein, all Proofs of Claim Filed after the earlier of: (a) the Effective Date or (b) the applicable claims bar date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, without the need for any objection by the Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance of Claims.

After the Effective Date and subject to the terms of the Plan, the Plan Administrator, each of the Post-Effective Date Debtors, or the GUC Trust, as applicable, shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy law. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Allowed Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest.

Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim is or has been timely Filed, or that is not or has not been Allowed by the Plan or a Final Order is not considered Allowed and shall be expunged without further action by the Debtors and without further notice to any party or action, approval, or order of the Bankruptcy Court.

C. Estimation of Claims.

Before or after the Effective Date, the Debtors, the Post-Effective Date Debtors, or the GUC Trust (with respect to General Unsecured Claims), as applicable, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register but that either is subject to appeal or has not been the subject of a Final Order shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen days after the date on which such Disputed Claim or Interest is estimated.

D. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Plan, after the Effective Date, the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (solely with respect to the General Unsecured Claims), as applicable, (and, in the event of an Equity Investment Transaction, the Purchaser) shall have the sole authority: (i) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (ii) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (iii) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Post-Effective Date Debtor or the GUC Trust, as applicable, shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to the Plan.

E. Time to File Objections to Claims.

Any objections to Claims shall be Filed by the Post-Effective Date Debtors or the GUC Trust on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

F. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (with respect to General Unsecured Claims), as applicable, without the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Disputed and Contingent Claims Reserve.

On or after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, may establish one or more reserves for Claims that are contingent or have not yet been Allowed, in an amount or amounts as reasonably determined by the applicable Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, consistent with the Proof of Claim Filed by the applicable Holder of such Disputed Claim. Following the final resolution of all Disputed Claims, any residual amounts in the Disputed Claims Reserve shall constitute Residual Cash and be immediately distributable to Holders of Allowed First Lien Claims.

H. Disallowance of Claims or Interests.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Post-Effective Date Debtors, as applicable, allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims or Interests may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Post-Effective Date Debtors. All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan after notice to the Holder of such Claim, but without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Post-Effective Date Debtors or the GUC Trust (with respect to the General Unsecured Claims), in their sole discretion, any and all Proofs of Claim Filed after the applicable bar date shall be deemed Disallowed as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on

account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

I. Amendments to Proofs of Claim or Interest.

On or after the Effective Date, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and any such new or amended Proof of Claim or Proof of Interest Filed that is not so authorized before it is Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court absent prior Bankruptcy Court approval or agreement by the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable; *provided* that the foregoing shall not apply to Administrative Claims or claims filed by Governmental Units to the extent the applicable bar date has not yet occurred.

J. Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest.

K. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent (or the GUC Trustee, with respect to General Unsecured Claims) shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

**ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS³**

A. Discharge of Claims and Termination of Interests.

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Post-Effective Date Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims or Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (i) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (ii) a Claim or Interest based upon such debt, right,

or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (iii) the Holder of such a Claim or Interest has accepted the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than any Reinstated Claims) and Interests (other than any Intercompany Interests that are Reinstated) subject to the occurrence of the Effective Date.

B. Release of Liens.

Except as otherwise provided in the New Takeback Facility Documents, the Plan, the Confirmation Order, the Purchase Agreement (if applicable), or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim, in satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Post-Effective Date Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Post-Effective Date Debtors, to release any collateral or other property of any Debtor (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder) and to take such actions as may be reasonably requested by the Post-Effective Date Debtors or the Plan Administrator, as applicable, to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. Releases by the Debtors.

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors, their Estates, and, if applicable, the Post-Effective Date Debtors and the Plan Administrator, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any derivative claims asserted or assertable on behalf of the Debtors, their Estates, the Post-Effective Date Debtors, or the Plan Administrator), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, their Estates, the Post-Effective Date Debtors, if applicable, the Plan Administrator, if applicable, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the

Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Plan; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Debtors' Estates, or, if applicable, the Post-Effective Date Debtors or the Plan Administrator, asserting any Claim or Cause of Action released pursuant to the Debtor Release.

D. Releases by Holders of Claims and Interests.

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the confirmation of the Plan; (iii) given in exchange for good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

E. Exculpation.

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Plan and related agreements, instruments, and other documents, the New Takeback Facility Documents, the Receivables Program Documents, and all other Definitive Documents, the solicitation of votes for, or Confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Post-Effective Date Debtors, if applicable, in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

F. Injunction.

Except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iii) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such

Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Except as otherwise set forth in the Confirmation Order, each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F.

G. Protections Against Discriminatory Treatment.

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Post-Effective Date Debtors, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against the Post-Effective Date Debtors, or another Entity with whom the Post-Effective Date Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention.

On and after the Effective Date, the Post-Effective Date Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Post-Effective Date Debtors.

I. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (i) such Claim has been adjudicated as non-contingent or (ii) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

Leases with the Debtors. All Claims against and Interests in the Debtors shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or Interest has voted on the Plan.

B. Additional Documents.

On or before the Effective Date, and consistent in all respects with the terms of the RSA, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary to effectuate and further evidence the terms and conditions of the Plan and the RSA. The Debtors or the Post-Effective Date Debtors, as applicable, and all Holders of Claims or Interests receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

E. Reservation of Rights.

Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court enters the Confirmation Order. None of the Filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests prior to the Effective Date.

Interests, no Consenting Stakeholder shall Transfer any Equity Interests, other than as part of a Sale Transaction in accordance with the terms of this Agreement, that would, in the reasonable determination of the Company Parties, result in an “ownership change” within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended.

9.02. Upon compliance with the requirements of Section 9.01, the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests. Any Transfer in violation of Section 9.01 shall be void *ab initio*.

9.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Company Claims/Interests; provided, however, that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the Consenting Stakeholders) and (b) such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to the Company Parties within five (5) Business Days of the closing of such acquisition.

9.04. This Section 9 shall not impose any obligation on any Company Party to issue any “cleansing letter” or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreements.

9.05. Notwithstanding Section 9.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall not be required to execute and deliver a Transfer Agreement in respect of such Company Claims/Interests if (i) such Qualified Marketmaker subsequently Transfers such Company Claims/Interests (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an Entity that is not an Affiliate, affiliated fund, or affiliated Entity with a common investment advisor; (ii) the transferee otherwise is a Permitted Transferee under Section 9.01; and (iii) the Transfer otherwise is a permitted Transfer under Section 9.01. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee.

9.06. The Company Parties understand that the Consenting Lenders are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Company Parties acknowledge and agree that the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Lender that

principally manage and/or supervise the Consenting Lender's investment in the Company Parties and shall not apply to any other trading desk or business group of the Consenting Lender so long as they are not acting at the direction or for the benefit of such Consenting Lender or in connection with such Consenting Lender's investment in the Company Parties.

9.07. Further, notwithstanding anything in this Agreement to the contrary, the Parties agree that, in connection with the delivery of signature pages to this Agreement by a Consenting Stakeholder that is a Qualified Marketmaker before the occurrence of conditions giving rise to the effective date for the obligations and the support hereunder, such Consenting Stakeholder shall be a Consenting Stakeholder hereunder solely with respect to the Company Claims/Interests listed on such signature pages and shall not be required to comply with this Agreement for any other Company Claims/Interests it may hold from time to time in its role as a Qualified Marketmaker.

9.08. Notwithstanding anything to the contrary in this Section 9, the restrictions on Transfer set forth in this Section 9 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 10. *Representations and Warranties of Consenting Stakeholders.* Each Consenting Stakeholder severally, and not jointly, represents and warrants that, as of the date such Consenting Stakeholder executes and delivers this Agreement and as of the Plan Effective Date:

(a) it is the beneficial or record owner of the face amount of the Company Claims/Interests or is the nominee, investment manager, or advisor for beneficial holders of the Company Claims/Interests reflected in, and, having made reasonable inquiry, is not the beneficial or record owner of any Company Claims/Interests other than those reflected in, such Consenting Stakeholder's signature page to this Agreement or a Transfer Agreement, as applicable (as may be updated pursuant to Section 9);

(b) it has the full power and authority to act on behalf of, vote and consent to matters concerning, such Company Claims/Interests;

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, Transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) it has the full power to vote, approve changes to, and Transfer all of its Company Claims/Interests referable to it as contemplated by this Agreement subject to applicable Law; and

with a view to distribution or resale in violation of the Securities Act, (iii) it understands that the securities contemplated by this Agreement have not been registered under the Securities Act as of the date hereof and may not be resold without registration under the Securities Act except pursuant to a specific exemption from the registration provisions of the Securities Act, and (iv) it will not be acquiring the securities contemplated by this Agreement as a result of any advertisement, article, notice, or other communication regarding such securities published in any newspaper, magazine, or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

(a) it is validly existing and in good standing under the Laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, the Purchase Agreement, the Plan, and the Bankruptcy Code, no consent or approval is required by any other person or Entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation applicable to it or with any of its articles of association, memorandum of association or other constitutional documents;

Upon the occurrence of a Termination Date prior to the Confirmation Order being entered by a Bankruptcy Court, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise; provided, however, any Consenting Stakeholder withdrawing or changing its vote pursuant to this Section 12.06 shall promptly provide written notice of such withdrawal or change to each other Party to this Agreement and, if such withdrawal or change occurs on or after the Petition Date, file notice of such withdrawal or change with the Bankruptcy Court. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholder, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Stakeholder. No purported termination of this Agreement shall be effective under this Section 12.06 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement, except a termination pursuant

to Section 12.02(b) or Section 12.02(d). Nothing in this Section 12.06 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 12.02(b).

12.07. The Company Parties acknowledge that after the Petition Date, the giving of notice of termination by any Party pursuant to this Agreement shall not be considered a violation of the automatic stay of section 362 of the Bankruptcy Code; provided that nothing herein shall prejudice any Party's right to argue that the giving of notice of termination was not proper under the terms of this Agreement.

Section 13. *Fees and Expenses.* The Company Parties shall pay or reimburse all reasonable and documented fees and expenses of the AHG Professionals related to the Restructuring Transactions or the Chapter 11 Cases, whether incurred prior to, on or after the Agreement Effective Date, Petition Date, or Restructuring Effective Date, within five (5) Business Days of receipt of an invoice therefor. (c) Any proposed modification, amendment, waiver, or supplement that does not comply with this Section 14 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power, or remedy under this Agreement shall operate as a waiver of any such right, power, or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies

under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 15. *Mutual Releases.*

15.01. Releases.

(a) Releases by the Company Releasing Parties. Except as expressly set forth in this Agreement, effective on (and only upon) the Plan Effective Date or the Sale Closing Date (if the Sale Transaction occurs out of court), as applicable, and only with respect to each Party that has not terminated its obligations under this Agreement except to the extent set forth in Section 12.06 hereof, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party shall hereby be deemed released and discharged by each and all of the Company Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Causes of Action, whether known or unknown, including any derivative claims, asserted or assertable on behalf of any of the Company Releasing Parties that such of the foregoing Entities would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim against, or interest in, a Company Releasing Party, based on or relating to, or in any manner arising from, in whole or in part, the Company Releasing Parties (including the management, ownership, or operation of the Company Parties), the purchase, sale, or rescission of any security of the Company Parties, the subject matter of, or the transactions or events giving rise to, any Company Claim/Interest that is treated in the Plan, the business or contractual arrangements between any Company Party and any Released Party, the Company Parties' in or out of court restructuring efforts, intercompany transactions, the DIP financing, the exit financing, the Sale Transaction, the Chapter 11 Cases, this Agreement, the Definitive Documents, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Agreement, the Definitive Documents, or the Plan, the filing of the Chapter 11 Cases, the pursuit of confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act, or omission, transaction, agreement, event, or other occurrence taking place on or before the Plan Effective Date or the Sale Closing Date, as applicable.

(b) Releases by the Consenting Stakeholder Releasing Parties. Except as expressly set forth in this Agreement, effective on (and only upon) the Plan Effective Date or the Sale Closing Date (if the Sale Transaction occurs out of court), as applicable, and only with respect to each Party that has not terminated its obligations under this Agreement except to the extent set forth in Section 12.06 hereof, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby deemed released and discharged by each and all of the Consenting Stakeholder Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Causes of Action, whether known or unknown, including any derivative claims, asserted or assertable on behalf of any of the

Company Parties that the Consenting Stakeholder Releasing Parties would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim against, or interest in, a Company Parties, based on or relating to, or in any manner arising from, in whole or in part, the Company Parties (including the management, ownership, or operation thereof), the purchase, sale, or rescission of any security of the Company Parties or the reorganized Company Parties, the subject matter of, or the transactions or events giving rise to, any Company Claim/Interest that is treated in the Plan, the business or contractual arrangements between any Company Party and any Released Party, the Company Parties' in- or out-of-court restructuring efforts, intercompany transactions, the DIP financing, the exit financing, the Sale Transaction, the Chapter 11 Cases, this Agreement, the Definitive Documents, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Agreement, the Definitive Documents, or the Plan, the filing of the Chapter 11 Cases, the pursuit of confirmation, the pursuit of consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act, or omission, transaction, agreement, event, or other occurrence taking place on or before the Plan Effective Date or the Sale Closing Date, as applicable.

15.02. No Additional Representations and Warranties. Each of the Parties agrees and acknowledges that, except as expressly provided in this Agreement and the Definitive Documents, no other Party, in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, nonexistence, validity, or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this Agreement is intended to impair or otherwise derogate from any of the representations, warranties, or covenants expressly set forth in this Agreement or any of the Definitive Documents.

15.03. Releases of Unknown Claims. Each of the Releasing Parties in each of the Releases contained in this Agreement expressly acknowledges that although ordinarily a general release may not extend to Released Claims which the Releasing Party does not know or suspect to exist in its favor, which if known by it may have materially affected its settlement with the party released, they have carefully considered and taken into account in determining to enter into the above Releases the possible existence of such unknown losses or claims. Without limiting the generality of the foregoing, each Releasing Party expressly waives and relinquishes any and all rights such Party may have or conferred upon it under any federal, state, or local statute, rule, regulation, or principle of common law or equity which provides that a release does not extend to claims which the claimant does not know or suspect to exist in its favor at the time of providing the Release or which may in any way limit the effect or scope of the Releases with respect to Released Claims which such Party did not know or suspect to exist in such Party's favor at the time of providing the Release, which in each case if known by it may have materially affected its settlement with any Released Party. Each of the Releasing Parties expressly acknowledges that the Releases and covenants not to sue contained in this Agreement are effective regardless of whether those released matters or Released Claims are presently known or unknown, suspected or unsuspected, or foreseen or unforeseen.

15.04. Turnover of Subsequently Recovered Assets. In the event that any Releasing Party (including any successor or assignee thereof and including through any third party, trustee, debtor in possession, creditor, estate, creditors' committee, or similar Entity) is successful in pursuing or receives, directly or indirectly, any funds, property, or other value on account of any claim, Cause of Action, or litigation against any Released Party that was released pursuant to the Release (or would have been released pursuant to the Release if the party bringing such claim were a Releasing Party), such Releasing Party (i) shall not commingle any such recovery with any of its other assets and (ii) agrees that it shall promptly turnover and assign any such recoveries to, and hold them in trust for, such Released Party.

15.05. Certain Limitations on Releases. For the avoidance of doubt, nothing in this Agreement and the Releases contained in this Section 15 shall or shall be deemed to result in the waiving or limiting by (a) the Company Parties, or any officer, director, member of any governing body, or employee or other Related Party thereof, of (i) any indemnification against any Company Party, any of their insurance carriers, or any other Entity, (ii) any rights under or as beneficiaries of any insurance policies or any contract or agreement with any Company Party or any of its Affiliates, (iii) wages, salaries, compensation, or benefits, (iv) intercompany claims, or (v) any interest held by a Company Party or other Related Party thereof; (b) the Consenting Stakeholders or the Prepetition Agent of any claims or "Obligations" under and as defined in each of the DIP Documents, Exit Facility Documents, or any other financing document (except as may be expressly amended or modified by the Plan, or any other financing document under and as defined therein); and (c) any Party or other Entity of any post-Agreement Effective Date obligations under this Agreement or post-Plan Effective Date obligations under the Plan, the Confirmation Order, the Restructuring Transaction, or any other Definitive Document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Restructuring Transactions.

15.06. Covenant Not to Sue. Each of the Releasing Parties hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other Entity in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims.

Section 16. *Miscellaneous*

16.01. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer with respect to any securities or solicitation of votes for the acceptance of a plan of reorganization for purposes of sections 1125 and 1126 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities Laws, provisions of the Bankruptcy Code, and/or other applicable Law.

16.02. Exhibits Incorporated by Reference; Conflicts. Each of the exhibits, annexes, signatures pages, and schedules attached hereto is expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall include such exhibits, annexes, and schedules. In the event of any inconsistency between this Agreement (without reference to the exhibits, annexes, and schedules hereto) and the exhibits, annexes, and schedules hereto, this Agreement (without reference to the exhibits, annexes, and schedules thereto) shall govern.

16.03. Further Assurances. Subject to the terms of this Agreement, each Party hereby covenants and agrees to cooperate with each other in good faith with respect to the pursuit, approval, implementation, and consummation of the Restructuring Transactions, the Sale Transaction, the Recapitalization Transaction, and the Plan. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court, from time to time, to effectuate the Restructuring Transactions, as applicable.

16.04. Complete Agreement. Except as otherwise explicitly provided herein, this Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, among the Parties with respect thereto, other than any Confidentiality Agreement.

16.05. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement, to the extent possible, in the Bankruptcy Court, and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court; (b) waives any objection to laying venue in any such action or proceeding in the Bankruptcy Court; and (c) waives any objection that the Bankruptcy Court is an inconvenient forum or does not have jurisdiction over any Party hereto.

Liquidation Analysis

LIQUIDATION ANALYSIS¹

Introduction

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each impaired class, that each holder of a claim or interest in such impaired class either (a) has accepted the plan or (b) will receive or retain under the plan property of a value, as of the effective date, that is not less than the amount that such non-accepting holder would receive or retain if the debtors liquidated under chapter 7 on the effective date.

To demonstrate that the Plan satisfies the “best interests” test, the Debtors, with the assistance of their restructuring advisor, AlixPartners, LLP, have prepared this hypothetical liquidation analysis (this “Liquidation Analysis”), which is based upon certain assumptions discussed in the Disclosure Statement and accompanying notes to the Liquidation Analysis.

The Liquidation Analysis sets forth an estimated range of recovery values for each Class upon disposition of assets pursuant to a hypothetical chapter 7 liquidation. As illustrated by this Liquidation Analysis, Holders of Claims or Interests in certain Impaired Classes would receive a lower recovery in a hypothetical chapter 7 liquidation than they would under the Plan. Further, no Holder of a Claim or Interest would receive or retain property under the Plan of a value that is less than such holder would receive in a chapter 7 liquidation. Accordingly, and as set forth in greater detail below, the Debtors believe that the Plan satisfies the “best interests” test set forth in section 1129(a)(7) of the Bankruptcy Code.

Statement of Limitations

The preparation of a liquidation analysis is an uncertain process involving the use of estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive risks, uncertainties, and contingencies, most of which are difficult to predict and many of which are beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation.

THE INFORMATION SET FORTH IN THIS LIQUIDATION ANALYSIS IS PRELIMINARY AND IS SUBJECT TO MODIFICATION AND SUPPLEMENTATION BY THE DEBTORS AT ANY TIME UP TO THE CONFIRMATION HEARING.

THE LIQUIDATION ANALYSIS WAS PREPARED FOR THE SOLE PURPOSE OF GENERATING A REASONABLE GOOD FAITH ESTIMATE OF THE PROCEEDS THAT WOULD BE GENERATED IF THE DEBTORS’ ASSETS WERE LIQUIDATED IN ACCORDANCE WITH CHAPTER 7 OF THE BANKRUPTCY CODE. THE LIQUIDATION ANALYSIS IS NOT INTENDED AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THE UNDERLYING FINANCIAL

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the *Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Disclosure Statement”), to which this exhibit is attached, or the *Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Plan”), as applicable.

INFORMATION IN THE LIQUIDATION ANALYSIS AND VALUES STATED HEREIN HAVE NOT BEEN SUBJECT TO ANY REVIEW, COMPILATION, OR AUDIT BY ANY INDEPENDENT ACCOUNTING FIRM. IN ADDITION, VARIOUS LIQUIDATION DECISIONS UPON WHICH CERTAIN ASSUMPTIONS ARE BASED ARE SUBJECT TO CHANGE. AS A RESULT, THE ACTUAL AMOUNT OF CLAIMS THAT ULTIMATELY WOULD BE ALLOWED AGAINST THE DEBTORS' ESTATES COULD VARY SIGNIFICANTLY FROM THE ESTIMATES STATED HEREIN, DEPENDING ON THE NATURE AND AMOUNT OF CLAIMS ASSERTED DURING THE PENDENCY OF THE HYPOTHETICAL CHAPTER 7 CASE. SIMILARLY, THE VALUE OF THE DEBTORS' ASSETS IN A HYPOTHETICAL LIQUIDATION SCENARIO IS UNCERTAIN AND COULD VARY SIGNIFICANTLY FROM THE VALUES SET FORTH IN THE LIQUIDATION ANALYSIS.

The Liquidation Analysis does not include estimates for: (i) the tax consequences, either foreign or domestic, that may be triggered upon the liquidation and sale of assets, (ii) recoveries resulting from any potential preference, fraudulent transfer, or other litigation or avoidance actions, certain claims that may be entitled to priority under the Bankruptcy Code, including administrative priority claims under sections 503(b) and 507(b) of the Bankruptcy Code, or environmental or other governmental claims arising from the shut-down or sale of the Debtors' assets. More specific assumptions are detailed in the notes below.

ACCORDINGLY, NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A LIQUIDATION OF THE DEBTORS WOULD OR WOULD NOT, IN WHOLE OR IN PART, APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED HEREIN. THE ACTUAL LIQUIDATION VALUE OF THE DEBTORS IS SPECULATIVE, AND RESULTS COULD VARY MATERIALLY FROM ESTIMATES PROVIDED HEREIN.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of the Debtors' financial statements to account for other known liabilities, as necessary. In addition, the Liquidation Analysis includes estimates for Claims not currently asserted against the Debtors, including chapter 7 administrative claims such as wind down costs and trustee fees (together, the "Wind-Down Expenses"), which could be asserted and allowed in a chapter 7 liquidation. The Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims used for purposes of preparing this Liquidation Analysis. Therefore, the Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims or Interests under the Plan.

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THE LIQUIDATION ANALYSIS.

Basis of Presentation

The Liquidation Analysis has been prepared assuming that the Debtors convert their Chapter 11 Cases to chapter 7 cases under the Bankruptcy Code on or about November 3, 2023 (the "Liquidation Date"). Except as otherwise noted herein, the Liquidation Analysis is based upon the unaudited financial statements of the Debtors as of June 30, 2023, and those values, in total and subject to certain adjustments, are assumed to be representative of the Debtors' assets and liabilities as of the Liquidation Date. The Debtors' management team believes that the June 30, 2023, book value of assets and certain liabilities are the best available estimates for such book values as of the Liquidation Date. It is assumed that on the

Liquidation Date, the Bankruptcy Court would appoint a chapter 7 trustee (the “Trustee”) to oversee the liquidation of the Debtors’ Estates, during which time all of the assets of the Debtors would be sold, abandoned, surrendered, or otherwise liquidated, in piecemeal or in whole, and the cash proceeds, net of liquidation-related costs, would then be distributed to creditors in accordance with applicable law: (i) **first**, for payment of liquidation, wind-down expenses, severance costs, Trustee fees, and other chapter 7 administrative claims attributable to the wind-down expenses; (ii) **second**, to pay the secured portions of all Allowed Secured Claims from the respective collateral; and (iii) **third**, to pay amounts on the Allowed Administrative Claims and Other Priority Claims. Any remaining net cash would be distributed to creditors holding General Unsecured Claims, including deficiency claims that arise to the extent of the unsecured portion of the Allowed Secured Claims.

The cessation of business in a chapter 7 liquidation is likely to cause additional Claims to be asserted against the Debtors’ Estates that otherwise would not exist absent such a liquidation. Examples of these kinds of Claims include employee-related Claims, such as severance and WARN Act or similar Claims, tax liabilities, Claims related to unexpired leases and executory contracts, among others. These additional Claims could be significant and, in certain circumstances, may be entitled to priority under the Bankruptcy Code. No adjustment has been made for these potential Claims or any related litigation cost in this Liquidation Analysis.

This Liquidation Analysis assumes operations of the Debtors and non-Debtors (collectively, the “Liquidating Entities”) will cease on the Liquidation Date, and the related individual assets will be sold during a six-to-nine-month liquidation process (the “Liquidation Timeline”) under the direction of the Trustee, utilizing the Debtors’ employees, resources, and third-party advisors, to allow for the orderly wind down of the Debtors’ Estates. There can be no assurance that the liquidation would be completed in this limited time frame, nor is there any assurance that the recoveries assigned to the assets would in fact be realized. Under section 704 of the Bankruptcy Code, a Trustee must, among other duties, collect and convert the property of the estate as expeditiously (generally in a distressed process) as is compatible with the best interests of parties in interest.

The Liquidation Analysis is also based on the assumptions that: (i) the Debtors have continued access to cash during the Liquidation Timeline to fund Wind-Down Expenses and (ii) operations, accounting, treasury, IT, and other management services needed to wind down the estates continue. The Liquidation Analysis was prepared on an entity-by-entity basis for all Liquidating Entities and is displayed below on a consolidated basis for convenience. Asset recoveries accrue first to satisfy creditor claims, including Intercompany Claims, at the legal entity level. To the extent any remaining value exists at the individual entity, it flows to each individual entity’s parent organization or appropriate shareholder.

LIQUIDATION ANALYSIS

The Liquidation Analysis was prepared on an entity-by-entity basis for all Liquidating Entities. The following table provides a summary of the Liquidation Analysis on a consolidated basis. Notes to the Liquidation Analysis

Gross Liquidation Proceeds: Each Liquidating Entity will seek to recover the value of its assets consistent with the process described above. The total amount collected at each Liquidating Entity is based on the following assumptions:

A. **Cash:** The gross liquidation proceeds of Cash and Cash equivalents for all entities holding Cash are estimated to be 100 percent of the projected balance as of the Liquidation Date per the Debtors' projections. Cash is allocated among entities based on Cyxtera's books and records as of July 1, 2023, adjusted for forecasted cash flows up to the Liquidation Date.

The Debtors' cash balances include \$49.6 million of DIP Facility proceeds held in escrow as of the Liquidation Date; for the purposes of this Liquidation Analysis, the proceeds are assumed to be held at Cyxtera Communications LLC and applied to repay the DIP Facility Claims.

Additionally, the forecasted cash flows include an assumption that the Debtors' outstanding letters of credit of \$4.9 million are cash collateralized prior to the Liquidation Date. The cash-collateralized letters of credit are assumed to be drawn in connection with the liquidation. The cash balances also reflect \$8 million held by utilities as deposits or in adequate assurance accounts for post-petition utility services, which are assumed to be drawn to satisfy post-petition utility claims.

B. **Unpledged Accounts Receivable:** For purposes of this Liquidation Analysis, the liquidation proceeds of unpledged trade receivables were estimated to range from 10 percent to 50 percent of net book value, which is based on, among other things, the anticipated challenges associated with collecting receivables for unperformed services. Other receivables were assumed to generate no proceeds.

In the event that collections on receivables already sold to non-Debtor Cyxtera Receivables Holdings, LLC are insufficient to repay the amounts owed under the Receivables Program, or if past sales under the Receivables Program are subsequently avoided or recharacterized as an extension of credit or a pledge rather than an absolute sale, the receivables generated by Cyxtera Federal Group, Inc. and Cyxtera Communications, LLC (the "Originators") are subject to a first-priority lien for the benefit of the purchasers party to that certain

Receivables Purchase Agreement (the “Purchasers”).² The Liquidation Analysis excludes these pledged and sold receivables and any value related thereto.

C. Property, Plant and Equipment (“PP&E”): PP&E consists of data centers, machinery and equipment, computer and telecommunications hardware, leasehold improvements, furniture and fixtures, and other equipment of the Liquidating Entities.

The Debtors’ owned data center facilities consist of: (1) the data center located at 9180 Commerce Center Circle and 9110 Commerce Center Circle, Highlands Ranch, Colorado (“DEN1”); and (2) the data center located at 22995 Wilder Court, Sterling, Virginia (“IAD3”).

DEN1 was appraised in March 2023, and its value as an operating data center was estimated to be approximately \$76 million, reflecting the land, building, improvements, and machinery and equipment at the site. No discount has been applied for the purposes of this Liquidation Analysis as the valuation was conditional on a six-month marketing process that is within the Liquidation Timeline. The IAD3 data center has not been recently appraised. The value of its land, building, improvements, and machinery and equipment for the purposes of this Liquidation Analysis are assumed to be 100 percent to 200 percent of net book value. Actual market values for the two real properties may differ materially from the estimates herein.

This Liquidation Analysis assumes a recovery of 5 percent to 10 percent on the net book value for office equipment, furniture, and fixtures and 20 percent to 40 percent for computer hardware and equipment.

This Liquidation Analysis assumes no recoverable value from the Liquidating Entities’ leased real property, leasehold improvements, machinery and equipment at leased locations, or assets under construction in a chapter 7 liquidation.

Leased assets and assets securing financings (excluding assets that secure the DIP Facility and Prepetition Priority First Lien Facility (as defined in the Final DIP Order)) are assumed to have been immediately returned to the lessors or secured parties upon the Liquidation Date; no additional Claims related to the returned leased equipment are assumed in this Liquidation Analysis.

Given competitive market dynamics, this Liquidation Analysis assumes that competitors maintain their own internal use software, and therefore any Liquidating Entity-owned, internal-use software will have no recoverable value.

D. Intangible Assets: Cyxtera’s intangible assets consist primarily of customer relationships and favorable leasehold interests. This Liquidation analysis assumes no value is recoverable from the Debtors’ intangible assets.

E. Other Assets: Other Assets includes professional fee retainers and prepaid insurance premiums. This Liquidation Analysis assumes a recovery of 100 percent on those prepaid assets and no recovery on the Liquidating Entities’ other prepaid assets.

This Liquidation Analysis ascribes no value to Cyxtera’s goodwill, deferred tax assets, and other categories not discussed above.

Liquidation Costs: Each Debtor and non-Debtor entity is expected to pay liquidation, wind down expenses, statutory severance costs, trustee fees, and other chapter 7 administrative claims prior to satisfaction of any

² “Receivables Purchase Agreement” shall have the meaning set forth in the *Final Order (I) Authorizing Certain Debtors to Continue Selling, Contributing, and Servicing Receivables and Related Rights Pursuant to the Receivables Program, (II) Modifying the Automatic Stay, and (III) Granting Related Relief* [Docket No. 295].

debts to external or internal creditors. The total amount of estimated liquidation costs at each entity is the lesser of the Gross Liquidation Proceeds and the estimated costs as set forth in Notes F, G, H, I and J below.

F. Trustee Fees: Pursuant to section 326 of the Bankruptcy Code, the Bankruptcy Court may allow reasonable compensation for the Trustee's services, not to exceed 25 percent on the first \$5,000 or less, 10 percent on any amount in excess of \$5,000 but not in excess of \$50,000, 5 percent on any amount in excess of \$50,000 but not in excess of \$1 million, and reasonable compensation not to exceed 3 percent of such moneys in excess of \$1 million, upon all moneys disbursed or turned over in the case by the Trustee to parties in interest. For purposes of this Liquidation Analysis, these fees are simplified to 3 percent of liquidation proceeds realized, excluding Cash, at each Debtor entity.

Non-Debtor entities are expected to pay equivalent trustee fees or similar costs in their respective jurisdictions.

G. Professional Fees: Pursuant to section 726 of the Bankruptcy Code, the allowed administrative expenses incurred by the Trustee, including expenses affiliated with selling the Debtors' assets and winding down operations, will be entitled to payment in full prior to any distribution to Administrative Claims and Other Priority Claims. This Liquidation Analysis estimates professional fees to be approximately 4 percent to 6 percent of the total liquidation proceeds realized at each Debtor and non-Debtor entity, excluding Cash (or \$200,000 per entity, whichever is greater), which is based on expected fees and expenses of legal, financial, and other professionals as well as the complexity of the Debtors' liquidation and wind down.

Professional fees are assumed to include the costs required to employ a portion of the Debtors' employee base as independent contractors to support the liquidation. These individuals will primarily be responsible for overseeing and maintaining certain of the Debtors' operations, providing historical knowledge and insight to the Trustee regarding the Debtors' businesses, and concluding the administrative liquidation of the businesses after the sale of substantially all of the Debtors' assets.

H. Chapter 11 Professional Fee Carve Out: Pursuant to the Final DIP Order, a professional fee reserve not to exceed \$7 million will be funded by all cash on hand (including cash held in the Escrow Account (as defined in the Final DIP Order)) and any available cash thereafter held by any Debtor in the event of a conversion to a chapter 7 liquidation, among other things.

I. Severance / Notice: This Liquidation Analysis assumes that terminated employees receive severance, notice, and/or retention payments of, on average, two weeks' estimated fully loaded costs. The severance periods and corresponding costs could, however, differ materially from the assumptions set forth in this Liquidation Analysis, which would reduce recoveries available to Holders of Claims and Interests. For purposes of this Liquidation Analysis, severance costs are assumed to be incurred at each Debtor and non-Debtor employer entity.

J. Wind-Down Operating Expense: This Liquidation Analysis assumes the cessation of the Debtors' ordinary course operations as of the Liquidation Date. The Debtors anticipate material costs to wind down the business in an orderly manner, including continuation of certain leases and service arrangements following the Liquidation Date in order to secure books and records and allow for access to physical assets during the liquidation period.

The Debtors expect orderly liquidation of their facilities and subsidiaries to last six-to-nine months. During that period, the Liquidating Entities are assumed to incur general and administrative costs at a reduced rate. Those costs are assumed to be incurred at Cyxtera Communications, LLC.

Intercompany Proceeds from Waterfall: After payment of the Liquidation Costs, the Debtors and non-Debtors proceed to distribute any remaining proceeds to external and internal creditors in accordance with their relative payment priorities, which results in certain intercompany balances in favor of the Debtors:

K. Intercompany Receivables: The Debtors' collection from intercompany balances depends on, among other things, the available proceeds from Debtor and non-Debtor liquidations and the characterization or recharacterization of such balances under applicable law. In addition, many of the non-Debtor affiliates are domiciled in foreign countries, which may make it challenging to distribute proceeds to domestic Debtor entities or other foreign non-Debtor Affiliates.

For the purpose of this Liquidation Analysis, intercompany liabilities are treated *pari passu* with Debtor and non-Debtor unsecured Claims. Intercompany assets at the Debtors are subject to liens in favor of the DIP Claims and the First Lien Claims.

L. Net Residual Value: Intercompany equity interests are valued based on net liquidation proceeds on an entity-by-entity basis. The Debtors' collection from equity interests depends on, among other things, the available proceeds from Debtor and non-Debtor liquidations and the characterization or recharacterization of such balances under applicable law. In addition, many of the non-Debtor affiliates are domiciled in foreign countries, which may make it challenging to distribute proceeds to domestic Debtor entities or other foreign non-Debtor affiliates. Residual value of Cyxtera's first-tier foreign subsidiaries is pledged under the DIP Facility and Prepetition Priority First Lien Facility.

Proceeds to External Creditors: After the payment of the Liquidation Costs, the Debtors and non-Debtors proceed to distribute any remaining proceeds to external and internal creditors in accordance with their relative payment priorities.³

M. DIP Claims: Claims for principal and accrued interest under the DIP Facility are assumed to be approximately \$203 million as of the Liquidation Date.

The DIP Claims benefit from first priority liens and asset pledges at Cyxtera DC Holdings, Inc. and each of the entities that guarantee the DIP Facility, covering substantially all the assets of each entity (other than those assets that secure the A/R Program).

Estimated recoveries on the DIP Claims are 100 percent in a chapter 7 liquidation.

N. First Lien Claims: First Lien Claims are assumed to be \$969.4 million, comprising principal and accrued interest to the Petition Date of: \$97.0 million for the 2019 First Lien Term Facility, \$98.3 million for the Revolving Credit Facility, and \$774.1 million for the 2017 First Lien Term Facility, based on the Schedules filed on July 10, 2023.

The First Lien Claims benefit from first priority liens (junior to the DIP Facility Claims) and asset pledges at Cyxtera DC Holdings, Inc. and each of the entities that guarantee the First Lien Claims, covering substantially all the assets of each entity (other than Receivables Facility collateral). The First Lien Claims further benefit from junior adequate protection liens at the DIP Facility Guarantors, including 100 percent of the equity of those entities' first-tier controlled foreign corporations and controlled foreign corporation holding companies.

Estimated recoveries on First Lien Claims are 2 percent to 8 percent in a chapter 7 liquidation.

O. Administrative Claims: Administrative Claims arising in a hypothetical chapter 7 liquidation may

³ Other Secured Claims comprises the Debtors' capital leases. No estimates of the value of the collateral for the capital leases have been made, and therefore a recovery estimate for that class, consisting of the value of the collateral and any damages or other claims arising from their rejection under chapter 7, has not been calculated. Under the Plan, Other Secured Claims are unimpaired.

include, among other things: (1) Claims arising pursuant to section 503(b)(9) of the Bankruptcy Code; (2) postpetition trade payables; (3) accrued postpetition employee obligations; (4) accrued taxes; (5) accrued utility payments; and (6) postpetition intercompany payables.

The amount of Administrative Claims as of the Liquidation Date is undetermined as of the date hereof. As a result, any Administrative Claims allowed in the Chapter 11 Cases would reduce recoveries available to Holders of Claims and Interests in a chapter 7 liquidation.

The Liquidation Analysis concludes that, in a chapter 7 liquidation, Administrative Claims will receive no recovery beyond the \$8 million held as deposits by utility providers and in the adequate assurance account for utilities at Cyxtera Communications, LLC.

P. Priority Claims: This Liquidation Analysis assumes that accrued liabilities for taxes payable by the Debtors and their affiliates are treated as Priority Claims. The amount of Priority Claims is undetermined as of the date hereof, based on the Schedules filed on July 10, 2023. Allowance of Priority Claims would therefore reduce recoveries available to Holders of Claims and Interests in a chapter 7 liquidation.

Priority Claims against the Debtors are expected to receive no recovery in a liquidation.

Q. General Unsecured Claims: General Unsecured Claims arising in a hypothetical chapter 7 may include, among other things: (a) prepetition trade Claims; (b) prepetition rejection damages Claims; (c) Claims for damages arising from the termination or rejection of the Debtors' various supply agreements or contracts; (d) Claims related to other post-employment benefits; and (e) numerous other types of prepetition liabilities, at each entity. General Unsecured Claims do not include any Administrative Claims, Professional Fee Claims, Secured Tax Claims, Other Secured Claims, Priority Tax Claims, Other Priority Claims, or other Claims separately shown herein.

This Liquidation Analysis assumes that there will be \$51 million of General Unsecured Claims at the Debtors as of the Liquidation Date, excluding Intercompany Receivables. The amount of General Unsecured Claims is an estimate based on the Schedules filed on July 10, 2023. As a result, the amount of General Unsecured Claims allowed could differ materially from the assumptions set forth by this Liquidation Analysis as a result of postpetition activity, including (without limitation): (1) the authorized payment of prepetition liabilities, including critical vendor programs and other relief, (2) the incurrence of General Unsecured Claims related to lease rejections and other actions by the Company, and (3) the outcome of the claims reconciliation process.

General Unsecured Claims against the Debtors are expected to receive no recovery in a liquidation.

Exhibit E
Financial Projections

FINANCIAL PROJECTIONS¹

Introduction

The Debtors believe that the Plan meets the feasibility requirement set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation is not likely to be followed by liquidation or the need for further financial reorganization of the Company or any successor thereto under the Plan. In connection with the planning and development of the Plan, and for the purposes of determining whether the Plan would satisfy this feasibility standard, the Debtors analyzed the Company's ability to satisfy its post-Effective Date financial obligations while maintaining sufficient liquidity and capital resources.

In connection with the Disclosure Statement, the Company prepared the following financial projections for the period from December 2023 through December 2027 (the "Financial Projections"). The Financial Projections were prepared by the Company and are based on several assumptions made by the Company with respect to the potential future performance of the Company's operations assuming the Plan is Consummated.

The Company does not, as a matter of course, publish its business plans or strategies, projections, or anticipated financial position. Accordingly, the Company does not anticipate that it will, and disclaims any obligation to, furnish updated business plans or the Financial Projections to Holders of Claims or Interests or other parties in interest going forward or to include such information in documents required to be filed with the SEC or otherwise make such information public unless required to do so by the SEC or other regulatory bodies pursuant to the provisions of the Plan.

The Company prepared the Financial Projections based on information available to it. No representations or warranties, expressed or implied, are provided in relation to fairness, accuracy, correctness, completeness, or reliability of the information, opinions, or conclusions expressed herein.

Accounting Policies and Disclaimer

THESE FINANCIAL PROJECTIONS WERE NOT PREPARED WITH A VIEW TOWARD COMPLIANCE WITH PUBLISHED GUIDELINES OF THE SEC OR GUIDELINES ESTABLISHED BY THE AMERICAN INSTITUTE OF CERTIFIED PUBLIC ACCOUNTANTS FOR PREPARATION AND PRESENTATION OF PROSPECTIVE FINANCIAL INFORMATION.

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the *Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the "Disclosure Statement"), to which this exhibit is attached, or the *Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the "Plan"), as applicable.

ALTHOUGH THE COMPANY HAS PREPARED THE FINANCIAL PROJECTIONS IN GOOD FAITH AND BELIEVES THE UNDERLYING ASSUMPTIONS TO BE REASONABLE, IT IS IMPORTANT TO NOTE THAT THE COMPANY CANNOT PROVIDE ANY ASSURANCE THAT SUCH ASSUMPTIONS WILL BE REALIZED. AS DESCRIBED IN DETAIL IN THE DISCLOSURE STATEMENT, A VARIETY OF RISK FACTORS COULD AFFECT THE COMPANY'S FINANCIAL RESULTS AND MUST BE CONSIDERED. ACCORDINGLY, THE FINANCIAL PROJECTIONS SHOULD BE REVIEWED IN CONJUNCTION WITH A REVIEW OF THE DISCLOSURE STATEMENT, THE RISK FACTORS SET FORTH THEREIN, AND THE ASSUMPTIONS DESCRIBED HEREIN, INCLUDING ALL RELEVANT QUALIFICATIONS AND FOOTNOTES.

THE FINANCIAL PROJECTIONS HAVE NOT BEEN AUDITED OR REVIEWED BY A REGISTERED INDEPENDENT ACCOUNTING FIRM.

Principal Assumptions for the Financial Projections

The Financial Projections have been prepared using accounting policies that are consistent with those applied in the Debtors' historical financial statements.

The Financial Projections are based upon, and assume the successful implementation of, the Plan. The Financial Projections reflect numerous assumptions, including various assumptions regarding the anticipated future performance of the Company, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Company or its advisors. In addition, the assumptions do not take into account the uncertainty and disruption of business that may accompany a restructuring pursuant to the Bankruptcy Code. Therefore, although the Financial Projections are necessarily presented with numerical specificity, the actual results achieved during the projection period will likely vary from the projected results. These variations may be material. Accordingly, no definitive representation can be or is being made with respect to the accuracy of the Financial Projections or the ability of the Company to achieve the projected results of operations. In deciding whether to vote to accept or reject the Plan, Holders of Claims entitled to vote to accept or reject the Plan must make their own determinations as to the reasonableness of such assumptions and the reliability of the Financial Projections.

Safe Harbor Under the Private Securities Litigation Reform Act of 1995

The Financial Projections contain certain statements, all of which are based on various estimates and assumptions, that are "forward-looking" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are subject to inherent uncertainties and to a wide variety of significant business, economic, and competitive risks, including those summarized herein. When used in the Financial Projections, the words "anticipate," "believe," "estimate," "will," "may," "intend," "expect," "target," "model," "can," "could," "should," "would" or similar expressions should be generally identified as forward-looking statements. Although the Company believes that its plans, intentions, and expectations reflected in the forward-looking statements are reasonable, the Company cannot be sure that such plans, intentions, and expectations will be achieved. These statements are only predictions and are not guarantees of future performance or results. Forward-looking statements are subject to

significant risks, uncertainties, and assumptions that could cause actual results to differ materially and adversely from those expressed or implied by a forward-looking statement. All forward-looking statements attributable to the Company or Persons or Entities acting on its behalf are expressly qualified in their entirety by the cautionary statements set forth herein. Forward-looking statements speak only as of the date on which they are made. Except as required by law, the Company expressly disclaims any obligation to update any forward-looking statement, whether because of new information, future events, or otherwise.

The Financial Projections are subject to inherent risks and uncertainties, most of which are difficult to predict and many of which are beyond the Company's control. Although the Company believes these assumptions are reasonable under the circumstances, such assumptions are subject to significant uncertainties, including, but not limited to, the following:

- a. Future developments in colocation markets and associated impact on demand for the Company's services;
- b. Macroeconomic environment, including inflation and power prices;
- c. Potential impact, if any, of these Chapter 11 Cases on customers' purchasing behavior;
- d. Future changes to lease terms of the Company's leased data centers;
- e. Company's ability to retain key staff; and
- f. Continuation of existing relationships with channel partners.

Additional details regarding these uncertainties are described in the Disclosure Statement. Should one or more of the risks or uncertainties referenced in the Disclosure Statement occur, or should underlying assumptions prove incorrect, actual results and plans could differ materially and adversely from those expressed in the Financial Projections. Further, new factors could cause actual results to differ materially and adversely from those described in the Financial Projections, and it is not possible to predict all such factors or to the extent to which any such factor or combination of factors may cause actual results to differ from those contained in the Financial Projections. The Financial Projections herein are not, and must not be viewed as, a representation of fact, prediction, or guarantee of the Company's future performance.

Upon emergence from chapter 11, the Company anticipates that it will implement "fresh start" reporting pursuant to Accounting Standards Codification ("ASC") Topic 852, "Reorganizations." The main principles of fresh start reporting require that the reorganization value of the emerging entity be assigned to the entity's assets and liabilities in accordance with the guidance in ASC Topic 805, "Business Combinations." Any portion of the reorganization value not attributable to specific tangible or identifiable intangible assets or liabilities of the emerging entity is required to be reported as goodwill. The Financial Projections do not reflect all of the adjustments necessary to implement "fresh start" accounting.

The Financial Projections were prepared using multiple sources of detailed information on the Company's operations. Key personnel from the Company's operating areas and across various functions provided input in the development of the Financial Projections. In preparing the Financial Projections, the Company considered the current competitive and market environment as well as historical operating and financial performance. The Financial Projections should be read in conjunction with the significant assumptions, qualifications, and notes set forth herein. The

Financial Projections may not be comparable to the historical financials found in the Company's public disclosures.

The Financial Projections do not include preliminary estimates of recurring lease savings up to \$15 million and one-time savings and proceeds up to \$15 million.

The Financial Projections assume the Company ceases to be a publicly traded company and, therefore, include preliminary estimates for related public to private annual cost savings of approximately \$8 million.

The Financial Projections assume an Effective Date of November 10, 2023.

Business Overview

Cyxtera's global data center platform provides speed, scale, and agility for its customers' business demands by offering a complete suite of space, power, interconnection, bare metal, and remote management solutions.

Cyxtera provides its colocation and related solutions to its customers through the operation of its data centers, the majority of which are leased. Cyxtera's data center platform has a global footprint with data centers strategically located in large metropolitan areas in North America, Europe, and Asia, comprising over thirty distinct markets. These data centers are in close proximity to major business and financial hubs, core clusters of connectivity, and a wide range of data center customers, including a diverse collection of global enterprises and leading hyperscale cloud providers. The scale and geographic reach of Cyxtera's data center platform enables it to meet its customers where they want to be and support their growth with deployments in multiple data centers across multiple markets. Furthermore, the scale and distribution of Cyxtera's data center footprint positions it for continued growth and creates sustainable barriers to market entry for new entrants and smaller regional players.

Cyxtera has more than 2,300 customers across all major industry verticals, including: (i) retail; (ii) transport and logistics; (iii) manufacturing and natural resources; (iv) healthcare; (v) business services; (vi) media and content; (vii) banking and securities (viii) network service providers; and (ix) cloud and information technology services. Cyxtera's customer base comprises approximately 90 percent private and public industry leading enterprises that generate at least one billion dollars in revenue and/or have more than one thousand employees, and 10 percent small businesses. Cyxtera has a diverse customer mix with 10 percent of its revenue generated by its largest customer, Lumen, 32 percent of its revenue generated by its top twenty customers (excluding Lumen), and the remaining 58 percent of its revenue generated by all other customers.² Cyxtera's customers are long-tenured with many of its top twenty customers having contracted with Cyxtera for at least sixteen years, dating back to Cyxtera's prior ownership. Additionally, approximately 30 percent of Cyxtera's customers are deployed in more than one data center.

Cyxtera has a stable and predictable business model, with more than 90 percent of Cyxtera's revenue being recurring revenue, fixed term customer contracts (typically three years), long-tenured customer relationships and network effects that drive customer stickiness.

² Based on 2022 revenue.

International cash income tax is calculated based on estimated effective tax rates in applicable jurisdictions ranging from 8.3 percent to 31.9 percent.

This Liquidation Analysis (the “Canadian Liquidation Analysis”) for Debtor Cyxtera Communications Canada, ULC, was prepared in conjunction with the Disclosure Statement to demonstrate that the Plan satisfies the “best interests” test required under section 1129(a)(7) of the Bankruptcy Code.

The Canadian Liquidation Analysis was prepared on the same basis as the liquidation analyses of the other Debtor entities, as filed in the Chapter 11 Cases and attached hereto as Schedule 1, and is subject to the same limitations, methodological approaches and assumptions, insofar as they apply to Cyxtera Communications Canada, ULC, which are described below for reference.

SCHEDULE 1

LIQUIDATION ANALYSIS¹

Introduction

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each impaired class, that each holder of a claim or interest in such impaired class either (a) has accepted the plan or (b) will receive or retain under the plan property of a value, as of the effective date, that is not less than the amount that such non-accepting holder would receive or retain if the debtors liquidated under chapter 7 on the effective date.

To demonstrate that the Plan satisfies the “best interests” test, the Debtors, with the assistance of their restructuring advisor, AlixPartners, LLP, have prepared this hypothetical liquidation analysis (this “Liquidation Analysis”), which is based upon certain assumptions discussed in the Disclosure Statement and accompanying notes to the Liquidation Analysis.

The Liquidation Analysis sets forth an estimated range of recovery values for each Class upon disposition of assets pursuant to a hypothetical chapter 7 liquidation. As illustrated by this Liquidation Analysis, Holders of Claims or Interests in certain Impaired Classes would receive a lower recovery in a hypothetical chapter 7 liquidation than they would under the Plan. Further, no Holder of a Claim or Interest would receive or retain property under the Plan of a value that is less than such holder would receive in a chapter 7 liquidation. Accordingly, and as set forth in greater detail below, the Debtors believe that the Plan satisfies the “best interests” test set forth in section 1129(a)(7) of the Bankruptcy Code.

Statement of Limitations

The preparation of a liquidation analysis is an uncertain process involving the use of estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive risks, uncertainties, and contingencies, most of which are difficult to predict and many of which are beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation.

THE INFORMATION SET FORTH IN THIS LIQUIDATION ANALYSIS IS PRELIMINARY AND IS SUBJECT TO MODIFICATION AND SUPPLEMENTATION BY THE DEBTORS AT ANY TIME UP TO THE CONFIRMATION HEARING.

THE LIQUIDATION ANALYSIS WAS PREPARED FOR THE SOLE PURPOSE OF GENERATING A REASONABLE GOOD FAITH ESTIMATE OF THE PROCEEDS THAT WOULD BE GENERATED IF THE DEBTORS’ ASSETS WERE LIQUIDATED IN ACCORDANCE WITH CHAPTER 7 OF THE BANKRUPTCY CODE. THE LIQUIDATION ANALYSIS IS NOT INTENDED

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the *Disclosure Statement Relating to the Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Disclosure Statement”), to which this exhibit is attached, or the *Second Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc., and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Plan”), as applicable.

AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THE UNDERLYING FINANCIAL INFORMATION IN THE LIQUIDATION ANALYSIS AND VALUES STATED HEREIN HAVE NOT BEEN SUBJECT TO ANY REVIEW, COMPILATION, OR AUDIT BY ANY INDEPENDENT ACCOUNTING FIRM. IN ADDITION, VARIOUS LIQUIDATION DECISIONS UPON WHICH CERTAIN ASSUMPTIONS ARE BASED ARE SUBJECT TO CHANGE. AS A RESULT, THE ACTUAL AMOUNT OF CLAIMS THAT ULTIMATELY WOULD BE ALLOWED AGAINST THE DEBTORS' ESTATES COULD VARY SIGNIFICANTLY FROM THE ESTIMATES STATED HEREIN, DEPENDING ON THE NATURE AND AMOUNT OF CLAIMS ASSERTED DURING THE PENDENCY OF THE HYPOTHETICAL CHAPTER 7 CASE. SIMILARLY, THE VALUE OF THE DEBTORS' ASSETS IN A HYPOTHETICAL LIQUIDATION SCENARIO IS UNCERTAIN AND COULD VARY SIGNIFICANTLY FROM THE VALUES SET FORTH IN THE LIQUIDATION ANALYSIS.

The Liquidation Analysis does not include estimates for: (i) the tax consequences, either foreign or domestic, that may be triggered upon the liquidation and sale of assets, (ii) recoveries resulting from any potential preference, fraudulent transfer, or other litigation or avoidance actions, certain claims that may be entitled to priority under the Bankruptcy Code, including administrative priority claims under sections 503(b) and 507(b) of the Bankruptcy Code, or environmental or other governmental claims arising from the shut-down or sale of the Debtors' assets. More specific assumptions are detailed in the notes below.

ACCORDINGLY, NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A LIQUIDATION OF THE DEBTORS WOULD OR WOULD NOT, IN WHOLE OR IN PART, APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED HEREIN. THE ACTUAL LIQUIDATION VALUE OF THE DEBTORS IS SPECULATIVE, AND RESULTS COULD VARY MATERIALLY FROM ESTIMATES PROVIDED HEREIN.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of the Debtors' financial statements to account for other known liabilities, as necessary. In addition, the Liquidation Analysis includes estimates for Claims not currently asserted against the Debtors, including chapter 7 administrative claims such as wind down costs and trustee fees (together, the "Wind-Down Expenses"), which could be asserted and allowed in a chapter 7 liquidation. The Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims used for purposes of preparing this Liquidation Analysis. Therefore, the Debtors' estimate of Allowed Claims set forth in the Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distribution to be made on account of Allowed Claims or Interests under the Plan.

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THE LIQUIDATION ANALYSIS.

Basis of Presentation

The Liquidation Analysis has been prepared assuming that the Debtors convert their Chapter 11 Cases to chapter 7 cases under the Bankruptcy Code on or about November 3, 2023 (the "Liquidation Date"). Except as otherwise noted herein, the Liquidation Analysis is based upon the unaudited financial statements of the Debtors as of June 30, 2023, and those values, in total and subject to certain adjustments, are assumed to be representative of the Debtors' assets and liabilities as of the Liquidation Date. The Debtors' management team believes that the June 30, 2023, book value of assets and certain liabilities are

the best available estimates for such book values as of the Liquidation Date. It is assumed that on the Liquidation Date, the Bankruptcy Court would appoint a chapter 7 trustee (the “Trustee”) to oversee the liquidation of the Debtors’ Estates, during which time all of the assets of the Debtors would be sold, abandoned, surrendered, or otherwise liquidated, in piecemeal or in whole, and the cash proceeds, net of liquidation-related costs, would then be distributed to creditors in accordance with applicable law: (i) **first**, for payment of liquidation, wind-down expenses, severance costs, Trustee fees, and other chapter 7 administrative claims attributable to the wind-down expenses; (ii) **second**, to pay the secured portions of all Allowed Secured Claims from the respective collateral; and (iii) **third**, to pay amounts on the Allowed Administrative Claims and Other Priority Claims. Any remaining net cash would be distributed to creditors holding General Unsecured Claims, including deficiency claims that arise to the extent of the unsecured portion of the Allowed Secured Claims.

The cessation of business in a chapter 7 liquidation is likely to cause additional Claims to be asserted against the Debtors’ Estates that otherwise would not exist absent such a liquidation. Examples of these kinds of Claims include employee-related Claims, such as severance and WARN Act or similar Claims, tax liabilities, Claims related to unexpired leases and executory contracts, among others. These additional Claims could be significant and, in certain circumstances, may be entitled to priority under the Bankruptcy Code. No adjustment has been made for these potential Claims or any related litigation cost in this Liquidation Analysis.

This Liquidation Analysis assumes operations of the Debtors and non-Debtors (collectively, the “Liquidating Entities”) will cease on the Liquidation Date, and the related individual assets will be sold during a six-to-nine-month liquidation process (the “Liquidation Timeline”) under the direction of the Trustee, utilizing the Debtors’ employees, resources, and third-party advisors, to allow for the orderly wind down of the Debtors’ Estates. There can be no assurance that the liquidation would be completed in this limited time frame, nor is there any assurance that the recoveries assigned to the assets would in fact be realized. Under section 704 of the Bankruptcy Code, a Trustee must, among other duties, collect and convert the property of the estate as expeditiously (generally in a distressed process) as is compatible with the best interests of parties in interest.

The Liquidation Analysis is also based on the assumptions that: (i) the Debtors have continued access to cash during the Liquidation Timeline to fund Wind-Down Expenses and (ii) operations, accounting, treasury, IT, and other management services needed to wind down the estates continue. The Liquidation Analysis was prepared on an entity-by-entity basis for all Liquidating Entities and is displayed below on a consolidated basis for convenience. Asset recoveries accrue first to satisfy creditor claims, including Intercompany Claims, at the legal entity level. To the extent any remaining value exists at the individual entity, it flows to each individual entity’s parent organization or appropriate shareholder.

LIQUIDATION ANALYSIS

The Liquidation Analysis was prepared on an entity-by-entity basis for all Liquidating Entities. The following table provides a summary of the Liquidation Analysis on a consolidated basis. Notes to the Liquidation Analysis

Gross Liquidation Proceeds: Each Liquidating Entity will seek to recover the value of its assets consistent with the process described above. The total amount collected at each Liquidating Entity is based on the following assumptions:

A. **Cash:** The gross liquidation proceeds of Cash and Cash equivalents for all entities holding Cash are estimated to be 100 percent of the projected balance as of the Liquidation Date per the Debtors' projections. Cash is allocated among entities based on Cyxtera's books and records as of July 1, 2023, adjusted for forecasted cash flows up to the Liquidation Date.

The Debtors' cash balances include \$49.6 million of DIP Facility proceeds held in escrow as of the Liquidation Date; for the purposes of this Liquidation Analysis, the proceeds are assumed to be held at Cyxtera Communications LLC and applied to repay the DIP Facility Claims.

Additionally, the forecasted cash flows include an assumption that the Debtors' outstanding letters of credit of \$4.9 million are cash collateralized prior to the Liquidation Date. The cash-collateralized letters of credit are assumed to be drawn in connection with the liquidation. The cash balances also reflect \$8 million held by utilities as deposits or in adequate assurance accounts for post-petition utility services, which are assumed to be drawn to satisfy post-petition utility claims.

B. **Unpledged Accounts Receivable:** For purposes of this Liquidation Analysis, the liquidation proceeds of unpledged trade receivables were estimated to range from 10 percent to 50 percent of net book value, which is based on, among other things, the anticipated challenges associated with collecting receivables for unperformed services. Other receivables were assumed to generate no proceeds.

In the event that collections on receivables already sold to non-Debtor Cyxtera Receivables Holdings, LLC are insufficient to repay the amounts owed under the Receivables Program, or if past sales under the Receivables Program are subsequently avoided or recharacterized as an extension of credit or a pledge rather than an absolute sale, the receivables generated by Cyxtera Federal Group, Inc. and Cyxtera Communications, LLC (the "Originators") are subject to a first-priority lien for the benefit of the purchasers party to that certain

Receivables Purchase Agreement (the “Purchasers”).² The Liquidation Analysis excludes these pledged and sold receivables and any value related thereto.

C. Property, Plant and Equipment (“PP&E”): PP&E consists of data centers, machinery and equipment, computer and telecommunications hardware, leasehold improvements, furniture and fixtures, and other equipment of the Liquidating Entities.

The Debtors’ owned data center facilities consist of: (1) the data center located at 9180 Commerce Center Circle and 9110 Commerce Center Circle, Highlands Ranch, Colorado (“DEN1”); and (2) the data center located at 22995 Wilder Court, Sterling, Virginia (“IAD3”).

DEN1 was appraised in March 2023, and its value as an operating data center was estimated to be approximately \$76 million, reflecting the land, building, improvements, and machinery and equipment at the site. No discount has been applied for the purposes of this Liquidation Analysis as the valuation was conditional on a six-month marketing process that is within the Liquidation Timeline. The IAD3 data center has not been recently appraised. The value of its land, building, improvements, and machinery and equipment for the purposes of this Liquidation Analysis are assumed to be 100 percent to 200 percent of net book value. Actual market values for the two real properties may differ materially from the estimates herein.

This Liquidation Analysis assumes a recovery of 5 percent to 10 percent on the net book value for office equipment, furniture, and fixtures and 20 percent to 40 percent for computer hardware and equipment.

This Liquidation Analysis assumes no recoverable value from the Liquidating Entities’ leased real property, leasehold improvements, machinery and equipment at leased locations, or assets under construction in a chapter 7 liquidation.

Leased assets and assets securing financings (excluding assets that secure the DIP Facility and Prepetition Priority First Lien Facility (as defined in the Final DIP Order)) are assumed to have been immediately returned to the lessors or secured parties upon the Liquidation Date; no additional Claims related to the returned leased equipment are assumed in this Liquidation Analysis.

Given competitive market dynamics, this Liquidation Analysis assumes that competitors maintain their own internal use software, and therefore any Liquidating Entity-owned, internal-use software will have no recoverable value.

D. Intangible Assets: Cyxtera’s intangible assets consist primarily of customer relationships and favorable leasehold interests. This Liquidation analysis assumes no value is recoverable from the Debtors’ intangible assets.

E. Other Assets: Other Assets includes professional fee retainers and prepaid insurance premiums. This Liquidation Analysis assumes a recovery of 100 percent on those prepaid assets and no recovery on the Liquidating Entities’ other prepaid assets.

This Liquidation Analysis ascribes no value to Cyxtera’s goodwill, deferred tax assets, and other categories not discussed above.

Liquidation Costs: Each Debtor and non-Debtor entity is expected to pay liquidation, wind down expenses, statutory severance costs, trustee fees, and other chapter 7 administrative claims prior to satisfaction of any

² “Receivables Purchase Agreement” shall have the meaning set forth in the *Final Order (I) Authorizing Certain Debtors to Continue Selling, Contributing, and Servicing Receivables and Related Rights Pursuant to the Receivables Program, (II) Modifying the Automatic Stay, and (III) Granting Related Relief* [Docket No. 295].

debts to external or internal creditors. The total amount of estimated liquidation costs at each entity is the lesser of the Gross Liquidation Proceeds and the estimated costs as set forth in Notes F, G, H, I and J below.

F. Trustee Fees: Pursuant to section 326 of the Bankruptcy Code, the Bankruptcy Court may allow reasonable compensation for the Trustee's services, not to exceed 25 percent on the first \$5,000 or less, 10 percent on any amount in excess of \$5,000 but not in excess of \$50,000, 5 percent on any amount in excess of \$50,000 but not in excess of \$1 million, and reasonable compensation not to exceed 3 percent of such moneys in excess of \$1 million, upon all moneys disbursed or turned over in the case by the Trustee to parties in interest. For purposes of this Liquidation Analysis, these fees are simplified to 3 percent of liquidation proceeds realized, excluding Cash, at each Debtor entity.

Non-Debtor entities are expected to pay equivalent trustee fees or similar costs in their respective jurisdictions.

G. Professional Fees: Pursuant to section 726 of the Bankruptcy Code, the allowed administrative expenses incurred by the Trustee, including expenses affiliated with selling the Debtors' assets and winding down operations, will be entitled to payment in full prior to any distribution to Administrative Claims and Other Priority Claims. This Liquidation Analysis estimates professional fees to be approximately 4 percent to 6 percent of the total liquidation proceeds realized at each Debtor and non-Debtor entity, excluding Cash (or \$200,000 per entity, whichever is greater), which is based on expected fees and expenses of legal, financial, and other professionals as well as the complexity of the Debtors' liquidation and wind down.

Professional fees are assumed to include the costs required to employ a portion of the Debtors' employee base as independent contractors to support the liquidation. These individuals will primarily be responsible for overseeing and maintaining certain of the Debtors' operations, providing historical knowledge and insight to the Trustee regarding the Debtors' businesses, and concluding the administrative liquidation of the businesses after the sale of substantially all of the Debtors' assets.

H. Chapter 11 Professional Fee Carve Out: Pursuant to the Final DIP Order, a professional fee reserve not to exceed \$7 million will be funded by all cash on hand (including cash held in the Escrow Account (as defined in the Final DIP Order)) and any available cash thereafter held by any Debtor in the event of a conversion to a chapter 7 liquidation, among other things.

I. Severance / Notice: This Liquidation Analysis assumes that terminated employees receive severance, notice, and/or retention payments of, on average, two weeks' estimated fully loaded costs. The severance periods and corresponding costs could, however, differ materially from the assumptions set forth in this Liquidation Analysis, which would reduce recoveries available to Holders of Claims and Interests. For purposes of this Liquidation Analysis, severance costs are assumed to be incurred at each Debtor and non-Debtor employer entity.

J. Wind-Down Operating Expense: This Liquidation Analysis assumes the cessation of the Debtors' ordinary course operations as of the Liquidation Date. The Debtors anticipate material costs to wind down the business in an orderly manner, including continuation of certain leases and service arrangements following the Liquidation Date in order to secure books and records and allow for access to physical assets during the liquidation period.

The Debtors expect orderly liquidation of their facilities and subsidiaries to last six-to-nine months. During that period, the Liquidating Entities are assumed to incur general and administrative costs at a reduced rate. Those costs are assumed to be incurred at Cyxtera Communications, LLC.

Intercompany Proceeds from Waterfall: After payment of the Liquidation Costs, the Debtors and non-Debtors proceed to distribute any remaining proceeds to external and internal creditors in accordance with their relative payment priorities, which results in certain intercompany balances in favor of the Debtors:

K. Intercompany Receivables: The Debtors' collection from intercompany balances depends on, among other things, the available proceeds from Debtor and non-Debtor liquidations and the characterization or recharacterization of such balances under applicable law. In addition, many of the non-Debtor affiliates are domiciled in foreign countries, which may make it challenging to distribute proceeds to domestic Debtor entities or other foreign non-Debtor Affiliates.

For the purpose of this Liquidation Analysis, intercompany liabilities are treated *pari passu* with Debtor and non-Debtor unsecured Claims. Intercompany assets at the Debtors are subject to liens in favor of the DIP Claims and the First Lien Claims.

L. Net Residual Value: Intercompany equity interests are valued based on net liquidation proceeds on an entity-by-entity basis. The Debtors' collection from equity interests depends on, among other things, the available proceeds from Debtor and non-Debtor liquidations and the characterization or recharacterization of such balances under applicable law. In addition, many of the non-Debtor affiliates are domiciled in foreign countries, which may make it challenging to distribute proceeds to domestic Debtor entities or other foreign non-Debtor affiliates. Residual value of Cyxtera's first-tier foreign subsidiaries is pledged under the DIP Facility and Prepetition Priority First Lien Facility.

Proceeds to External Creditors: After the payment of the Liquidation Costs, the Debtors and non-Debtors proceed to distribute any remaining proceeds to external and internal creditors in accordance with their relative payment priorities.³

M. DIP Claims: Claims for principal and accrued interest under the DIP Facility are assumed to be approximately \$203 million as of the Liquidation Date.

The DIP Claims benefit from first priority liens and asset pledges at Cyxtera DC Holdings, Inc. and each of the entities that guarantee the DIP Facility, covering substantially all the assets of each entity (other than those assets that secure the A/R Program).

Estimated recoveries on the DIP Claims are 100 percent in a chapter 7 liquidation.

N. First Lien Claims: First Lien Claims are assumed to be \$969.4 million, comprising principal and accrued interest to the Petition Date of: \$97.0 million for the 2019 First Lien Term Facility, \$98.3 million for the Revolving Credit Facility, and \$774.1 million for the 2017 First Lien Term Facility, based on the Schedules filed on July 10, 2023.

The First Lien Claims benefit from first priority liens (junior to the DIP Facility Claims) and asset pledges at Cyxtera DC Holdings, Inc. and each of the entities that guarantee the First Lien Claims, covering substantially all the assets of each entity (other than Receivables Facility collateral). The First Lien Claims further benefit from junior adequate protection liens at the DIP Facility Guarantors, including 100 percent of the equity of those entities' first-tier controlled foreign corporations and controlled foreign corporation holding companies.

Estimated recoveries on First Lien Claims are 2 percent to 8 percent in a chapter 7 liquidation.

O. Administrative Claims: Administrative Claims arising in a hypothetical chapter 7 liquidation may

³ Other Secured Claims comprises the Debtors' capital leases. No estimates of the value of the collateral for the capital leases have been made, and therefore a recovery estimate for that class, consisting of the value of the collateral and any damages or other claims arising from their rejection under chapter 7, has not been calculated. Under the Plan, Other Secured Claims are unimpaired.

include, among other things: (1) Claims arising pursuant to section 503(b)(9) of the Bankruptcy Code; (2) postpetition trade payables; (3) accrued postpetition employee obligations; (4) accrued taxes; (5) accrued utility payments; and (6) postpetition intercompany payables.

The amount of Administrative Claims as of the Liquidation Date is undetermined as of the date hereof. As a result, any Administrative Claims allowed in the Chapter 11 Cases would reduce recoveries available to Holders of Claims and Interests in a chapter 7 liquidation.

The Liquidation Analysis concludes that, in a chapter 7 liquidation, Administrative Claims will receive no recovery beyond the \$8 million held as deposits by utility providers and in the adequate assurance account for utilities at Cyxtera Communications, LLC.

P. Priority Claims: This Liquidation Analysis assumes that accrued liabilities for taxes payable by the Debtors and their affiliates are treated as Priority Claims. The amount of Priority Claims is undetermined as of the date hereof, based on the Schedules filed on July 10, 2023. Allowance of Priority Claims would therefore reduce recoveries available to Holders of Claims and Interests in a chapter 7 liquidation.

Priority Claims against the Debtors are expected to receive no recovery in a liquidation.

Q. General Unsecured Claims: General Unsecured Claims arising in a hypothetical chapter 7 may include, among other things: (a) prepetition trade Claims; (b) prepetition rejection damages Claims; (c) Claims for damages arising from the termination or rejection of the Debtors' various supply agreements or contracts; (d) Claims related to other post-employment benefits; and (e) numerous other types of prepetition liabilities, at each entity. General Unsecured Claims do not include any Administrative Claims, Professional Fee Claims, Secured Tax Claims, Other Secured Claims, Priority Tax Claims, Other Priority Claims, or other Claims separately shown herein.

This Liquidation Analysis assumes that there will be \$51 million of General Unsecured Claims at the Debtors as of the Liquidation Date, excluding Intercompany Receivables. The amount of General Unsecured Claims is an estimate based on the Schedules filed on July 10, 2023. As a result, the amount of General Unsecured Claims allowed could differ materially from the assumptions set forth by this Liquidation Analysis as a result of postpetition activity, including (without limitation): (1) the authorized payment of prepetition liabilities, including critical vendor programs and other relief, (2) the incurrence of General Unsecured Claims related to lease rejections and other actions by the Company, and (3) the outcome of the claims reconciliation process.

General Unsecured Claims against the Debtors are expected to receive no recovery in a liquidation.

(III) APPROVING THE ASSUMPTION AND ASSIGNMENT OF EXECUTORY
CONTRACTS AND UNEXPIRED LEASES, AND (IV) GRANTING RELATED RELIEF**

TO THE HONORABLE JOHN K. SHERWOOD

UNITED STATES BANKRUPTCY JUDGE:

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state as follows in support of this motion (the “Motion”). In support of this Motion, the Debtors submit the *Declaration of Raymond Li in Support of the Debtors’ Motion for Entry of an Order (I) Authorizing Cyxtera Canada to Enter into and Perform its Obligations Under the Cologix Asset Purchase Agreement, (II) Approving the Sale of Certain Canadian Assets Free and Clear of All Claims, Liens, Rights, Interests, and Encumbrances, (III) Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases, and (IV) Granting Related Relief* (the “Li Declaration”) filed contemporaneously herewith:²

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Canada Sale Order”): (a) authorizing and approving the Debtors’ entry into and performance under that certain asset purchase agreement, substantially in the form attached to the Canada Sale Order as Exhibit 1 (together with all schedules, exhibits, and ancillary documents related thereto, as amended, modified, or supplemented from time to time, the “APA”), whereby Debtor Cyxtera Communications Canada, ULC (“Cyxtera Canada” or the “Seller”) has agreed to sell, and Cologix Canada, Inc. (“Cologix” or the “Purchaser,” and together with Cyxtera, the “Parties”) has agreed to purchase, the Acquired Assets (including all actions taken or required to be taken in connection with the implementation and consummation

² Capitalized terms used but not defined in this Motion have the meaning ascribed to them in the First Day Declaration or the APA (each as defined herein).

of the APA, the “Canada Sale”); (b) authorizing and approving the sale of the Acquired Assets to the Purchaser free and clear of any and all liens, claims, interests, pledges, charges, defects, caveats, security interests, hypothecations, mortgages, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or similar encumbrances, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, “Encumbrances”), except for Permitted Encumbrances and Assumed Liabilities; (c) authorizing the assumption and assignment of the Assigned Contracts; and (d) granting related relief.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11*, entered July 23, 1984, and amended on September 18, 2012 (Simandle, C.J.). The Debtors confirm their consent to the Court entering a final order in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a), 363, and 365 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2002, 6004, and 6006 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 6004-1 and 9013-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”).

Background

5. On June 4, 2023 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of the Debtors, their businesses, and the facts and circumstances supporting the Debtors’ chapter 11 cases and this Motion are set forth in greater detail in the *Declaration of Eric Koza, Chief Restructuring Officer of Cyxtera Technologies, Inc., in Support of the Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”) [Docket No. 20], which is incorporated herein by reference.

6. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On June 6, 2023, the Court entered an order [Docket No. 71] authorizing the joint administration and procedural consolidation of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases. On June 21, 2023, the United States Trustee for the District of New Jersey (the “U.S. Trustee”) appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the “Committee”) [Docket No. 133].

7. On July 19, 2023, the Court entered the *Final Order (I) Authorizing the Debtors to Obtain Postpetition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Claims, (IV) Granting Adequate Protection, (V) Modifying the Automatic Stay, and (VI) Granting Related Relief* [Docket No. 297] (the “Final DIP Order”). Under the Final DIP Order, the Debtors were authorized on a final basis to enter into and perform under that certain Senior Secured

Superpriority Debtor-In-Possession Credit Agreement dated as of June 7, 2023 (as amended, modified, or supplemented from time to time, the “DIP Credit Agreement”).³

The Proposed Canada Sale

8. Since mid-2020, the Company has been engaged in on-and-off negotiations with Cologix regarding the terms of a sale transaction of certain of the Company’s assets in Canada. Li Declaration ¶ 8. Among other things, while marginally profitable, the Acquired Assets were not meeting the Debtors’ profitability targets and were unlikely to do so. *Id.* Further, the Acquired Assets are located in certain regional markets that are not strategically valuable to the Debtors. *Id.*

9. In August 2022, the Company reengaged Cologix regarding a possible sale and purchase of certain of the Acquired Assets, including Cyxtera Canada’s obligations under that certain unexpired lease dated August 24, 1999, concerning the data center facility located at 555 West Hastings Street, Suite 1480 and Suite 2406, Vancouver, British Columbia V6B 4N4, Canada (as amended, modified, or supplemented from time to time, the “Vancouver Data Center Lease”). *Id.* ¶ 9. As negotiations progressed into the spring of 2023, Cologix also expressed interest in acquiring Cyxtera Canada’s obligations under that certain unexpired lease dated May 17, 2004, concerning the data center located at 3000 Boulevard René-Lévesque, Montreal, Quebec H3E 1T9, Canada (as amended, modified, or supplemented from time to time, the “Montreal Data Center Lease”, and together with the Vancouver Data Center Lease, the “Canadian Leases”). *Id.* Over the next several months, the Company and Cologix continued

³ Pursuant to section 6.05 of the DIP Credit Agreement, the Debtors are not permitted to sell property in an aggregate principal amount in excess of \$5 million without the consent of the Required Lenders (as defined in the DIP Credit Agreement). The Required Lenders have consented to the Canada Sale on the condition that the DIP Liens (as defined in the Final DIP Order) attach to the proceeds of the Canada Sale with the same validity, force, and effect that such DIP Liens had prior to the Canada Sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto.

these discussions and negotiated the terms of the Canada Sale at arm's length and in good faith. *Id.*

10. On March 27, 2023, as negotiations with Cologix continued, the Company, with the assistance of Guggenheim Securities, LLC ("Guggenheim Securities") as investment banker, launched a comprehensive marketing process to engage third parties in a potential sale transaction of some or substantially all of the assets and/or equity interests in the Company, including the Acquired Assets. *Id.* ¶ 10. In the months that followed, and prior to the Petition Date, seventy-five (75) potential financial and strategic partners were contacted to solicit interest in acquiring some or substantially all of the assets and/or interests in the Company outside of chapter 11 or structuring a sale or other investment in the Company through a chapter 11 plan (the "Prepetition Marketing Process"). *Id.* The Debtors continued the marketing process postpetition (collectively, with the Prepetition Marketing Process, the "Marketing Process") in accordance with the *Order (I) Approving the Bidding Procedures and Auction, (II) Approving Stalking Horse Bid Protections, (III) Scheduling Bid Deadlines and an Auction, (IV) Approving the Form and Manner of Notice Thereof, and (V) Granting Related Relief* [Docket No. 180]. *Id.*

11. On November 1, 2023, following months of arm's-length, good faith negotiations with multiple parties, the Marketing Process concluded, and the Debtors determined that the sale transaction proposed by Phoenix Data Center Holdings LLC, an affiliate of Brookfield Infrastructure Partners L.P. (the "Brookfield Purchaser"), was the highest or otherwise best offer available for substantially all of the Debtors' assets (the "Brookfield Transaction"). *Id.* ¶ 11. The Debtors seek to consummate the Brookfield Transaction through the Debtors' plan of reorganization [Docket No. 649]. *Id.* For the avoidance of doubt, the Canada Sale is a transaction separate from the Brookfield Transaction, and Cologix is a separate buyer for the

Acquired Assets under the APA. *Id.* It is anticipated that the Canada Sale will be consummated prior to the Brookfield Transaction. *Id.*

12. Accordingly, having marketed the Acquired Assets, the Debtors now seek entry of an order authorizing Cyxtera Canada to enter into and perform under the APA. *Id.* ¶ 12. Pursuant to the APA, Cologix will purchase the Acquired Assets free and clear of any Encumbrances in exchange for (i) the assumption of the Assumed Liabilities and (ii) a cash payment of \$10,000,000 (collectively, the “Purchase Price”). *Id.*

⁶ As a condition of the Canada Sale, Cyxtera Canada will be applying to the Canadian Court for entry of an order in the Canadian Proceeding (each as defined in the *Debtors’ Motion for Entry of Order (I) Authorizing Cyxtera Technologies, Inc. to Act as Foreign Representative, and (II) Granting Related Relief* [Docket No. 14]). This order will have the effect of recognizing and giving effect in Canada to the Canada Sale Order in its entirety, including for the avoidance of doubt: (i) the vesting of the Acquired Assets in the Purchaser free and clear of all Encumbrances, except Permitted Encumbrances and Assumed Liabilities, and (ii) the assumption and assignment of the Assigned Contracts to the Purchaser, notwithstanding any clauses restricting assignment therein, under Canadian law.

or otherwise best offer for the Acquired Assets, the Canada Sale minimizes disruption to the Debtors' businesses, and Cologix has the financial capacity to close the Canada Sale quickly, minimizing any administrative burden to the Debtors. *Id.* ¶ 24. For the reasons stated herein and in the Li Declaration, entering into the APA and consummating the Canada Sale on the terms set forth in the APA is fair, reasonable, and represents a sound exercise of the Debtors' business judgment. *Id.* Accordingly, the Debtors respectfully request that the Court approve the Canada Sale on the terms set forth herein and in the APA.

Basis for Relief Requested

I. The Canada Sale and Entry into the APA Should Be Approved.

15. Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to enter into a transaction outside the ordinary course of its business so long as there is a "sound business purpose" that justifies such action. *See* 11 U.S.C. § 363(b)(1); *see also Myers v. Martin (In re Martin)*, 91 F.3d 389, 395 (3d Cir. 1996) ("[U]nder normal circumstances the court would defer to the trustee's judgment so long as there is a legitimate business justification.") (citation omitted); *Stanziale v. Nachtomi (In re Tower Air, Inc.)*, 416 F.3d 229, 238 (3d Cir. 2005) (stating that "[o]vercoming the presumptions of the business judgment rule on the merits is a near-Herculean task"); *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1071 (2d Cir. 1983) (holding that judicial approval under section 363 of the Bankruptcy Code requires a showing that there is a good business reason).

16. The business judgment rule shields a debtor's decisions from judicial second-guessing. Once a debtor articulates a valid business justification, the business judgment rule "is a presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith, and in the honest belief that the action taken was in the best

interests of the company.” *In re S.N.A. Nut Co.*, 186 B.R. 98, 102 (Bankr. N.D. Ill 1995) (citations omitted); *In re Filene’s Basement, LLC*, 11-13511 (KJC), 2014 WL 1713416, at *12 (Bankr. D. Del. Apr. 29, 2014) (“If a valid business justification exists, then a strong presumption follows that the agreement at issue was negotiated in good faith and is in the best interests of the estate.”) (citations omitted); *see also In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) (“[A] presumption of reasonableness attaches to a debtor’s management decisions.”). Thus, if a debtor’s actions satisfy the business judgment rule, then the transaction in question should be approved under section 363(b)(1) of the Bankruptcy Code.

17. Generally, courts in the Third Circuit have applied four factors in determining whether a sale of a debtor’s assets should be approved: (a) whether a sound business reason exists for the sale; (b) whether the proposed sale price is fair; (c) whether the debtor has provided adequate and reasonable notice; and (d) whether the buyer acted in good faith. *See In re Summit Glob. Logistics, Inc.*, No. 08-11566, 2008 WL 819934, at *9 (Bankr. D.N.J. Mar. 26, 2008) (citing *In re Exaeris, Inc.*, 380 B.R. 741, 744 (Bankr. D. Del. 2008)); *see also In re Abbotts Dairies of Pennsylvania, Inc.*, 788 F.2d 143, 149–50 (3d Cir. 1986) (noting that the element of “good faith” is of particular importance in the Third Circuit); *In re Delaware & Hudson Ry.*, 124 B.R. 169, 176 (D. Del. 1991) (“Once a court is satisfied that there is a sound business reason or an emergency justifying the pre-confirmation sale the court must also determine that the trustee has provided the interested parties with adequate and reasonable notice, that the sale price is fair and reasonable and that the purchaser is proceeding in good faith.”).

18. The Debtors submit that the proposed Canada Sale is a sound exercise of the Debtors’ business judgment. Li Declaration ¶ 14. Among other things, the Acquired Assets,

while marginally profitable, do not meet the Debtors' profitability targets and are unlikely to do so and the value generated by the Canada Sale outweighs any benefits of maintaining the Acquired Assets. *Id.* Further, the Acquired Assets are located in certain regional markets that are not strategically important to the Debtors at this time. *Id.* Consummating the Canada Sale on the terms set forth herein will allow the Debtors to maximize the value of the Debtors' estates. *Id.*

19. The Purchaser has adequate cash on hand to consummate the Canada Sale on an expeditious timeline, without the need to finalize and secure funding, and after a robust Marketing Process, the Debtors are unaware of any potential alternative purchasers interested in the Acquired Assets, either as a standalone purchase or as part of a larger sale package. *Id.* ¶ 15.

20. Further, the Debtors are able to consummate the Canada Sale with minimal disruption to customer operations. *Id.* ¶ 16. The APA contemplates the smooth transition of customers and services from Cyxtera Canada to the Purchaser, which possesses expertise in the colocation services industry and its own business operations. *Id.* The Canada Sale is therefore the best way to transition and maintain the availability of colocation services to customers. *Id.*

21. The Debtors believe that the Purchase Price is the highest and best value that the Debtors can reasonably expect to receive for the Acquired Assets and will provide a greater recovery for the Debtors' estates than would any other available alternative. *Id.* ¶ 17. In reaching this conclusion, the Debtors weighed multiple factors, including, the amount and timing of consideration, the timeframe required to consummate the Canada Sale, and the assets purchased. *Id.*

22. The Debtors have also provided adequate and reasonable notice to all interested persons—the Debtors, with the assistance of Guggenheim Securities, solicited interest from

eighty-eight (88) additional parties through the Marketing Process as of this date, none of whom expressed interest in the Acquired Assets. *Id.* ¶ 18. This robust level of marketing, combined with the sustained interest from the Purchaser and the strength of the terms of the Canada Sale, reflects the comprehensiveness of the marketing of the Acquired Assets. *Id.* It also demonstrates that notice was provided to all interested parties.

II. The Canada Sale was Negotiated in Good Faith and Without Collusion, and the Purchaser is a “Good-Faith Purchaser.”

23. The Debtors request that the Court find that the Purchaser is entitled to the benefits and protections provided by section 363(m) of the Bankruptcy Code in connection with the Canada Sale. Section 363(m) of the Bankruptcy Code provides in pertinent part:

[t]he reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease or property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m).

24. Section 363(m) of the Bankruptcy Code thus protects the purchaser of assets sold pursuant to section 363 of the Bankruptcy Code from the risk that it will lose its interest in the purchased assets if the order allowing the sale is reversed on appeal, as long as such purchaser leased or purchased the assets in “good faith.” *See id.* While the Bankruptcy Code does not define “good faith,” courts have held that a purchaser shows its good faith through the integrity of its conduct during the course of the sale proceedings, finding that where there is a lack of such integrity, a good-faith finding may not be made. *See, e.g., In re Abbotts Dairies*, 788 F.2d at 147 (“Typically, the misconduct that would destroy a [buyer’s] good faith status at a judicial sale involves fraud, collusion between the [proposed buyer] and other bidders or the trustee, or an

attempt to take grossly unfair advantage of other bidders.”); *In re Andy Frain Servs., Inc.*, 798 F.2d 1113, 1125 (7th Cir. 1986) (same); *In re Sasson Jeans, Inc.*, 90 B.R. 608, 610 (S.D.N.Y. 1988) (same), *abrogated on other grounds*, *Pioneer Inv. Servs. Co. v. Brunswick Assocs. Ltd. P’ship*, 507 U.S. 380 (1993).

25. The Debtors submit that the Purchaser is a “good faith purchaser” within the meaning of section 363(m) of the Bankruptcy Code and that the APA is a good-faith agreement on arms’-length terms entitled to the protections of section 363(m) of the Bankruptcy Code. The consideration to be received by the Debtors pursuant to the APA is substantial, fair, and reasonable under the circumstances.

26. The APA is the culmination of a fair and transparent marketing and negotiation process in which all Parties were represented by competent counsel and all negotiations were conducted on an arm’s-length, good-faith basis. Li Declaration ¶ 19. There is no indication of any “fraud, collusion between the purchaser and other bidders or the trustee, or an attempt to take grossly unfair advantage of other bidders” or similar conduct that would cause or permit the Canada Sale or the APA to be avoided under section 363(n) of the Bankruptcy Code.

27. The Canada Sale was evaluated and approved by the Debtors in consultation with their advisors and the Committee and with the consent of the Required Lenders, along with potential alternatives to the Canada Sale. *Id.* ¶ 20.

28. Furthermore, the Purchaser and the Debtors are wholly unrelated, sharing no officers, directors, shareholders, incorporators, employees, or economic interests—other than as embodied in these transactions—in common, *id.* ¶ 21, and the Purchaser is not an “insider” as that term is defined in the Bankruptcy Code. 11 U.S.C. § 101(31).

29. Accordingly, the Debtors believe that the Purchaser and the APA should be entitled to the full protections of section 363(m) of the Bankruptcy Code and that the Canada Sale is a sound exercise of the Debtors' business judgement and in the best interest of the estates and all interested parties. Thus, the Debtors submit that the Canada Sale should be approved pursuant to sections 105(a) and 363 of the Bankruptcy Code.

III. The Canada Sale Should be Approved "Free and Clear" Under Section 363(f) of the Bankruptcy Code.

30. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in the property if: (a) applicable nonbankruptcy law permits such a free and clear sale; (b) the holder of the interest consents; (c) the interest is a lien and the sale price of the property exceeds the value of all liens on the property; (d) the interest is the subject of a bona fide dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. *See* 11 U.S.C. § 363(f).

31. Section 363(f) of the Bankruptcy Code is drafted in the disjunctive. Thus, satisfaction of any of the requirements enumerated therein will suffice to warrant the Canada Sale free and clear of all Encumbrances, except with respect to any Assumed Liabilities or Permitted Encumbrances. *See In re Kellstrom Indus., Inc.*, 282 B.R. 787, 793 (Bankr. D. Del. 2002) ("[I]f any of the five conditions are met, the debtor has the authority to conduct the sale free and clear of all liens."); *see also Citicorp Homeowners Servs., Inc. v. Elliot (In re Elliot)*, 94 B.R. 343, 354 (E.D. Pa. 1988) (holding that a sale "free and clear" may be approved provided the requirements of at least one subsection are met).

32. The Debtors submit that, to the extent any Encumbrance will not be an Assumed Liability or a Permitted Encumbrance, any such Encumbrance satisfies or will satisfy at least one of the five conditions of section 363(f) of the Bankruptcy Code, including, among

others, section 363(f)(2) of the Bankruptcy Code as the Debtors have obtained the consent of the Required Lenders, conditioned upon the DIP Liens attaching to the proceeds of the Canada Sale. Further, any such Encumbrance will be adequately protected by either being paid in full at the time of Closing or by having it attach to the proceeds of the Canada Sale, subject to any claims and defenses the Debtors may possess with respect thereto. Accordingly, the Debtors request authority to convey the Acquired Assets to the Purchaser free and clear of all Encumbrances, other than a Permitted Encumbrance or Assumed Liabilities, with any such Encumbrances to attach to the proceeds of the Canada Sale.

IV. The Canada Sale is Appropriate Pursuant to Bankruptcy Rule 6004(f).

33. Bankruptcy Rule 6004(f) authorizes a debtor to sell estate property outside of the ordinary course of business by private sale or public auction. Private sales by a debtor outside of the ordinary course of business are appropriate where the debtor demonstrates that the sale is permissible pursuant to section 363 of the Bankruptcy Code. *See In re MTE Holdings LLC*, No. 19-12269 (CTG), 2021 WL 3743201, at *6 (Bankr. D. Del. Aug. 17, 2021) (“While the Bankruptcy Code requires court approval of a sale of estate property outside the ordinary course of a debtor’s business . . . it does not by its terms require an auction.”); *see also In re The Great Atl. & Pac. Tea Co., Inc.*, 544 B.R. 43, 49–50 (Bankr. S.D.N.Y. 2016) (“[T]here is no rule that . . . asset sales are . . . conditioned on such a requirement [a formal auction], which does not appear in the Bankruptcy Code or Bankruptcy Rules.”). Additionally, courts have held that a debtor has broad discretion to determine the manner in which its assets are sold. *See In re Bakalis*, 220 B.R. 525, 531 (Bankr. E.D.N.Y. 1998) (noting that a trustee has ample authority to conduct a sale of estate property through private sale).

34. Here, there are sound business reasons for the Canada Sale, and the proposed Canada Sale is the best available option to maximize the value of the Acquired Assets for the benefit of the Debtors' estates. Li Declaration ¶ 22. While profitable, the Acquired Assets do not meet the Debtors' profitability targets and are unlikely to do so. *Id.* ¶ 14. The Acquired Assets are also located in certain regional markets that are not strategically valuable to the Debtors. *Id.* Investing in the Acquired Assets would require the Debtors to reallocate funds that would otherwise be used to improve the Debtors' liquidity position. *Id.* Instead, the proceeds from the Canada Sale exceed the value to the Debtors of maintaining the Acquired Assets and will improve the Debtors' liquidity and the prospects of a successful restructuring. *Id.* Further, holding an auction for the Acquired Assets at this juncture would likely fail to yield more value for the Debtors' estates given the lack of interest in the Acquired Assets from other parties participating in the Debtors' lengthy and exhaustive Marketing Process, and would needlessly delay consummation of the Canada Sale. *Id.* ¶ 22. For these reasons, selling the Acquired Assets to the Purchaser without an auction is appropriate under Bankruptcy Rule 6004(f).

V. The Assumption and Assignment of the Assigned Contracts Should Be Approved.

A. The Assumption and Assignment of the Assigned Contracts Reflects the Debtors Reasonable Business Judgment.

35. To facilitate and effectuate the Canada Sale, the Debtors are seeking authority for Cyxtera Canada to assume the Assigned Contracts and assign them to the Purchaser in accordance with the terms of the APA. Pursuant to the Canada Sale Order, all such assumptions and assignments will be done in accordance with the contract assumption and assignment procedures previously approved by the Court [Docket No. 186]. The Debtors will satisfy all cure

amounts or otherwise cure any defaults with respect to any assumed contract or unexpired lease in accordance with the terms of the APA.

36. Section 365 of the Bankruptcy Code authorizes a debtor to assume and/or assign their executory contracts and unexpired leases, subject to the approval of the court, provided that the defaults under such contracts and leases are cured and adequate assurance of future performance is provided. A debtor's decision to assume or reject an executory contract or unexpired lease must only satisfy the "business judgment rule" and will not be subject to review unless such decision is clearly an unreasonable exercise of such judgment. *See, e.g., Grp. of Inst'l Invrs. v. Chicago, Milwaukee, St. Paul & Pacific Ry. Co.*, 318 U.S. 523 (1943) (applying Bankruptcy Act section 77(b), predecessor to Bankruptcy Code section 365, and rejecting the test of whether an executory contract was burdensome in favor of whether rejection is within a debtor's business judgment); *Sharon Steel Corp. v. Nat'l Fuel Gas Distrib. Corp.*, 872 F.2d 36, 40 (3d Cir. 1989) (describing deference to a debtor's business judgment as "breathing space afforded [to] the debtor to consider whether to reject or assume executory contracts under the [Bankruptcy] Code."); *In re S.A. Holding Co., LLC*, 357 B.R. 51, 56 (Bankr. D.N.J. 2006) (applying the business judgment test in determining whether to approve a contract rejection); *In re Cent. Jersey Airport Servs., LLC*, 282 B.R. 176, 183 (Bankr. D.N.J. 2002) ("Although the [Bankruptcy Code] does not provide the standard to be applied in determining the propriety of the [debtor's] decision [to assume or reject a contract], most Circuits, including the Third Circuit have adopted the business judgment test.").

37. Here, the Court should approve the decision to assume and assign the Assigned Contracts in connection with the Canada Sale as a sound exercise of the Debtors' business judgment. The Assigned Contracts are necessary to operate the Acquired Assets and, as

such, the assumption and assignment of the Assigned Contracts is essential to inducing the best offer for the Acquired Assets. Li Declaration ¶ 23. The Purchaser would not want to acquire the Acquired Assets unless the Assigned Contracts needed to manage the day-to-day operations, among other things, were included in the proposed Canada Sale. *Id.* The assignment of the Assigned Contracts is necessary and appropriate under the circumstances in connection with the Canada Sale, is integral to the Debtors' overall restructuring efforts, and the Purchaser has demonstrated that it can reasonably carry on the obligations under the Assigned Contracts. Further, the assignment of the Assigned Contracts is an express condition precedent to the consummation of the Canada Sale. *See* APA Art. I § 1.5. Lastly, the assumption and assignment of the Assigned Contract will be consummated in accordance with the assumption and assignment procedures previously approved by the Court, thereby giving the counterparties thereto appropriate notice and opportunity to object to any assumption and assignment, including with respect to proposed cure amounts. Thus, the counterparties to the Assigned Contracts will be treated fairly and equitably because (i) any existing defaults under the Assigned Contracts will be promptly cured by the Debtors and (ii) counterparties will be given appropriate notice and opportunity to object to any assumption and assignment, including with respect to proposed cure amounts, pursuant to the assumption and assignment procedures previously approved by the Court.

38. Accordingly, the Debtors submit that the assumption of the Assigned Contracts and their assignment to the Purchaser should be approved as an exercise of the Debtors business judgment.

B. Defaults Under the Assigned Contracts will be Cured in Connection with the Canada Sale.

39. Upon finding that a debtor has exercised its business judgment in determining that assuming an executory contract or unexpired lease is in the best interest of its estate, courts must then evaluate whether the assumption meets the requirements of section 365(b) of the Bankruptcy Code. Specifically, before assumption will be permitted, a debtor must (a) cure existing defaults or provide adequate assurance that cure will promptly occur, (b) compensate any party to the agreement that has suffered actual pecuniary loss as a result of default or provide adequate assurance of prompt compensation to the injured party, and (c) provide adequate assurance of future performance under the agreement. *Carlisle Homes, Inc. v. Azzari (In re Carlisle Homes, Inc.)*, 103 B.R. 524, 538 (Bankr. D.N.J. 1988). This section “attempts to strike a balance between two sometimes competing interests, the right of the contracting non-debtor to get the performance it bargained for and the right of the debtor’s creditors to get the benefit of the debtor’s bargain.” *Id.* (quoting *In re Bon Ton Restaurant & Pastry Shop, Inc.*, 53 B.R. 789, 803 (Bankr. N.D. Ill. 1985)).

40. The Debtors submit that the statutory requirements of section 365(b)(1)(A) of the Bankruptcy Code will be promptly satisfied because the APA requires that the Debtors cure all defaults associated with, or that are required to properly assume, the Assigned Contracts. *See* APA Art. V § 5.2. If the Debtors are unable to consensually resolve disputes over the cure amounts or other defaults prior to the hearing to approve the Canada Sale (the “Canada Sale Hearing”), the Debtors will continue to work with the parties to resolve any outstanding issues, and if the applicable parties are unable to consensually resolve cure disputes, such disputes will be resolved at a later date.

C. Non-Debtor Parties Will Be Adequately Assured of Future Performance.

41. Similarly, the Debtors submit that the third requirement of section 365(b) of the Bankruptcy Code—adequate assurance of future performance—is also satisfied given the facts and circumstances present here. “The phrase ‘adequate assurance of future performance,’ adopted from section 2-609(1) of the Uniform Commercial Code, is to be given a practical, pragmatic construction based upon the facts and circumstances of each case. Although no single solution will satisfy every case, the required assurance will fall considerably short of an absolute guarantee of performance.” *Carlisle Homes*, 103 B.R. at 538 (internal citations omitted). Among other things, adequate assurance may be given by demonstrating the assignee’s financial health and experience in managing the type of enterprise or property assigned. *See In re Filene’s Basement*, 2014 WL 1713416, at *12 (holding that a contract could be assigned because the assignee had the financial ability to perform the contract obligations going forward and would not fail to perform the contract’s obligations at risk of losing a significant investment); *In re Bygaph, Inc.*, 56 B.R. 596, 605–06 (Bankr. S.D.N.Y. 1986) (holding that adequate assurance of future performance is present where a prospective assignee has the financial resources and has expressed a willingness to devote sufficient funding to a business to give it a strong likelihood of succeeding).

42. Here, the Purchaser is a well-capitalized, sophisticated colocation services provider. Li Declaration ¶ 15. The Debtors evaluated the financial wherewithal of the Purchaser before finalizing the APA (*e.g.*, financial credibility, willingness, and ability of the Purchaser to perform under the Assigned Contracts). *Id.* The Purchaser has demonstrated such financial wherewithal, willingness, and ability to perform under the Assigned Contracts. *Id.* Further, the Court and other interested parties will have ample opportunity to evaluate and, if necessary,

challenge the ability of the Purchaser to provide adequate assurance of future performance and object to the assumption of the Assigned Contracts or proposed cure amounts. Accordingly, the Debtors will provide adequate assurance to the affected Assigned Contracts in advance of the Canada Sale Hearing if requested by the applicable counterparty or counsel thereto.

VI. Relief Under Bankruptcy Rules 6004(h) and 6006(d) is Appropriate.

43. Bankruptcy Rule 6004(h) provides that an “order authorizing the use, sale, or lease of property . . . is stayed until the expiration of fourteen days after the entry of the order, unless the court orders otherwise.” Additionally, Bankruptcy Rule 6006(d) provides that an “order authorizing the trustee to assign an executory contract or unexpired lease . . . is stayed until the expiration of fourteen days after the entry of the order, unless the court orders otherwise.” The Debtors request that the Canada Sale Order be effective immediately upon its entry by providing that the fourteen-day stays under Bankruptcy Rules 6004(h) and 6006(d) are waived.

44. The purpose of Bankruptcy Rules 6004(h) and 6006(d) is to provide sufficient time for an objecting party to appeal before an order can be implemented. *In re Filene’s Basement*, 2014 WL 1713416, at *14; see Advisory Committee Notes to Fed. R. Bankr. P. 6004(h) and 6006(d). Although Bankruptcy Rules 6004(h) and 6006(d) and the Advisory Committee Notes are silent as to when a court should “order otherwise” and eliminate or reduce the fourteen-day stay period, the leading treatise on bankruptcy suggests that the fourteen-day stay should be eliminated to allow a sale or other transaction to close immediately “where there has been no objection to procedure.” 10 *Collier on Bankruptcy* ¶ 6004.11, ¶ 6004.04 (16th rev. ed. 2014). Furthermore, if an objection is filed and overruled, and the objecting party informs the court of its intent to appeal, the stay may be reduced to the amount of time actually

necessary to file such appeal. *Id.*; see *In re Filene's Basement*, 2014 WL 1713416, at *14 (reducing the stay to seven days from the date of entry of the sale order).

45. To maximize the value received for the Acquired Assets and reduce the accrual of administrative expenses relating to such assets, the Debtors seek to close the Canada Sale as soon as possible after the Canada Sale Hearing. Accordingly, the Debtors hereby request that the Court waive the fourteen-day stay period under Bankruptcy Rules 6004(h) and 6006(d).

Waiver of Memorandum of Law

46. The Debtors respectfully request that the Court waive the requirement to file a separate memorandum of law pursuant to Local Rule 9013-1(a)(3) because the legal basis upon which the Debtors rely is set forth herein and the Motion does not raise any novel issues of law.

Reservation of Rights

47. Notwithstanding anything to the contrary herein, nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as (a) an implication or admission as to the amount of, basis for, or validity of any particular claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission, or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this Motion or any order granting the relief requested by this Motion; (e) a request or authorization to reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission by the Debtors as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors'

estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, claims, causes of action, or other rights under the Bankruptcy Code or any other applicable law; (h) a rejection of any agreement, contract, lease, program, or policy under section 365 of the Bankruptcy Code; (i) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in this Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens; (j) a waiver of the obligation of any party in interest to file a proof of claim; or (k) otherwise affecting the Debtors' rights under section 365 of the Bankruptcy Code to reject any executory contract or unexpired lease.

No Prior Request

48. No prior request for the relief sought in this Motion has been made to this or any other court.

Notice

49. The Debtors will provide notice of this Motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of New Jersey; (b) Gibson, Dunn & Crutcher LLP, as counsel to the Ad Hoc First Lien Group of the Debtors' prepetition term loan facilities; (c) the Committee; (d) the agents under each of the Debtors' prepetition secured credit facilities and counsel thereto; (e) the office of the attorney general for each of the states in which the Debtors operate; (f) the United States Attorney's Office for the District of New Jersey; (g) the Securities and Exchange Commission; (h) the Internal Revenue Service; (i) counsel to the Purchaser; (j) all parties to the Assigned Contracts to be assumed and assigned as part of the Canada Sale; (k) all parties who have expressed a written interest in the Acquired Assets; (l) all known holders of Encumbrances secured by the Acquired Assets; (m) all

applicable taxing authorities; (n) each governmental agency that is an interested party with respect to the Canada Sale; (o) the Federal Government of Canada; (p) the provincial governments of British Columbia and Quebec; and (q) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request that the Court enter an order, in substantially the form submitted herewith, granting the relief requested herein and such other relief as is just and proper under the circumstances.

I. Jurisdiction, Final Order, and Statutory Predicates.

A. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Standing Order of Reference to the Bankruptcy Court Under Title 11*, entered July 23, 1984, and amended on September 18, 2012 (Simandle, C.J.).

B. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

C. The statutory predicates for the relief requested in the Motion are sections 105(a), 363, and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, 9007, 9008, and 9014 and Local Rule 9013-1.

D. This Canada Sale Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Canada Sale Order, waives any stay, and expressly directs entry of judgment as set forth herein.

II. Notice of the APA, the Canada Sale, and the Canada Sale Hearing.

E. As evidenced by the affidavits of service previously filed with the Court and based on the representations of counsel at the Canada Sale Hearing, due, proper, timely, adequate, and sufficient notice of the Motion, the Canada Sale Hearing, the APA, this Canada

for the purposes of Bankruptcy Rule 7052, made applicable pursuant to Bankruptcy Rule 9014. To the extent any findings of facts are conclusions of law, they are adopted as such. To the extent any conclusions of law are findings of fact, they are adopted as such.

Sale Order, and the Canada Sale has been provided in accordance with sections 102(1) and 363 of the Bankruptcy Code, Bankruptcy Rules 2002, 9007, 9008, and 9014, and the Local Rules. The Debtors have complied with all obligations to provide notice of the Motion, the Canada Sale Hearing, the APA, this Canada Sale Order, and the Canada Sale. The aforementioned notices are good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Canada Sale Hearing, the APA, this Canada Sale Order, or the Canada Sale is, or shall be, required. The requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

F. A reasonable opportunity to object and be heard with respect to the Canada Sale, the Motion, and the relief requested therein and provided in this Canada Sale Order has been afforded to all interested persons and entities.

III. Good Faith of the Purchaser.

G. The APA was negotiated, proposed, and entered into by the Seller and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions and is substantively and procedurally fair to all parties. Neither the Debtors nor the Purchaser has engaged in any conduct that would cause or permit the APA or the Canada Sale to be avoided, or for any costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

H. As demonstrated by (i) any testimony and other evidence proffered or adduced at the Canada Sale Hearing and (ii) the representations of counsel made on the record at the Canada Sale Hearing, substantial marketing efforts and a competitive sale process were conducted and,

among other things, (a) the Purchaser in no way induced or caused any chapter 11 filing by the Debtors and (b) all payments to be made by the Purchaser in connection with the Canada Sale have been disclosed. The Purchaser is consummating the Canada Sale in good faith and is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and is not an “insider” of any Debtor (as defined under section 101(31) of the Bankruptcy Code). The Purchaser has proceeded in good faith in all respects in connection with the Canada Sale. The Purchaser is therefore entitled to all of the protections afforded under section 363(m) of the Bankruptcy Code.

IV. Highest or Otherwise Best Offer.

I. The marketing process with respect to the Acquired Assets afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase the Acquired Assets. The APA, including the form and total consideration to be realized by the Seller under the APA, (i) constitutes the highest and best offer for the Acquired Assets; (ii) is fair and reasonable; and (iii) is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest.

J. The Debtors’ determination that the APA, including the consideration provided by the Purchaser under the APA, constitutes the highest and best offer for the Acquired Assets and constitutes a valid and sound exercise of the Debtors’ business judgment.

K. Approval of the Motion, the APA, and the consummation of the Canada Sale is in the best interests of the Debtors’ estates, their creditors, and other parties in interest.

V. No Merger.

L. Neither the Purchaser nor any of its affiliates are a mere continuation of Cyxtera Canada or any other Debtor or their estates and there is no continuity of enterprise or common identity between the Purchaser or any of its affiliates, on the one hand, and Cyxtera Canada or any other the Debtors, on the other hand. Neither the Purchaser nor any of its affiliates are holding themselves out to the public as a continuation of Cyxtera Canada or any other Debtors. Neither the Purchaser nor any of its affiliates are successors to Cyxtera Canada or any other the Debtors or their estates by reason of any theory of law or equity, and the Canada Sale does not amount to a consolidation, merger, or *de facto* merger of the Purchaser or any of its affiliates with or into Cyxtera Canada or any other Debtor.

VI. No *Sub Rosa* Plan.

M. The Canada Sale and the transactions arising thereunder do not constitute a *sub rosa* chapter 11 plan. The Canada Sale neither impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a chapter 11 plan for any of the Debtors.

VII. Validity of Transfer.

N. The APA was not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, the District of Columbia, or any foreign country. None of the Debtors or the Purchaser is entering into the transactions contemplated by the APA fraudulently for the purpose of statutory or common law fraudulent conveyance or fraudulent transfer claims.

O. The Seller is the sole and lawful owners of the Acquired Assets. The Acquired Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code. Pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets to the Purchaser will be, as of the Closing Date, a legal, valid, and effective transfer of the Acquired Assets, which transfer vests or will vest the Purchaser with all right, title, and interest of the Seller to the Acquired Assets free and clear of (a) all liens (including any liens as that term is defined in section 101(37) of the Bankruptcy Code) and encumbrances relating to, accruing, or arising at any time prior to the Closing Date (collectively, the "Liens"), and (b) all debts arising under, relating to, or in connection with any act of the Debtors or claims (as that term is defined in section 101(5) of the Bankruptcy Code), liabilities, obligations, demands, guaranties, options in favor of third parties, rights, contractual commitments, restrictions, interests, mortgages, hypothecations, charges, indentures, loan agreements, instruments, collective bargaining agreements, leases, licenses, deeds of trust, trusts or deemed trusts, caveats, security interests, reservations of ownership, conditional sale or other title retention agreements, pledges, judgments, claims for reimbursement, contribution, indemnity, exoneration, infringement, products liability, alter-ego, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these cases, and whether imposed by agreement, understanding, law, equity, or otherwise (including, without limitation, rights with respect to Claims (as defined herein) and Liens (i) that purport to give to any party a right of setoff or

P. Subject to the entry of this Canada Sale Order, the Seller: (a) has full requisite corporate or other organizational power and authority to execute, deliver, and perform its obligations under the APA and all other documents contemplated thereby, and (b) has taken all requisite corporate or other organizational action and formalities necessary to authorize and approve the execution, delivery, and performance of its obligations under the APA and to consummate the Canada Sale, including as required by its organizational documents, and, upon execution thereof, the APA and the related documents were or will be duly and validly executed and delivered by the Seller and enforceable against the Seller in accordance with their terms and, assuming due authorization, execution, and delivery thereof by the other parties thereto, constituted or will constitute a valid and binding obligation of the Seller. regulatory, or other consents or approvals, other than those expressly provided for in the APA and the DIP Credit Agreement, were required for the execution, delivery, and performance by the Seller of the APA or the consummation of the Canada Sale contemplated thereby. No consents or approvals of the Seller, other than those expressly provided for in the APA, this Canada Sale Order, or the DIP Credit Agreement are required for the Seller to consummate the Canada Sale.

VIII. Section 363(f) is Satisfied.

Q. The conditions of section 363(f) of the Bankruptcy Code have been satisfied in full. Therefore, the Seller may sell the Acquired Assets free and clear of any Claims, Encumbrances, and Interests, other than Permitted Encumbrances and Assumed Liabilities.

R. The Purchaser would not have entered into the APA and would not consummate the transactions contemplated thereby, if (i) the sale and/or transfer of the Acquired Assets to the Purchaser was not free and clear of all Claims, Encumbrances, and Interests (other than Permitted Encumbrances and Assumed Liabilities), or (ii) the Purchaser would, or in the future could, be liable for any such Claims, Encumbrances, and Interests (other than Permitted Encumbrances or Assumed Liabilities).

S. The Seller may transfer or sell the Acquired Assets free and clear of all Claims, Encumbrances, and Interests, other than Permitted Encumbrances and Assumed Liabilities, because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. to the extent that such Claims, Encumbrances, and Interests are Permitted Encumbrances or Assumed Liabilities) are adequately protected by either (x) having their Claims, Encumbrances, and Interests, if any, in each instance against the Debtors, their estates, or the Acquired Assets, attach to the net cash proceeds of the Purchase Price ultimately attributable to the Acquired Assets in which such creditor alleges Claims, Encumbrances, and Interests, in the same order of priority, with the same validity, force, and effect that such Claims, Encumbrances, and Interests had prior to the Canada Sale, subject to any claims and defenses the Debtors and their estates may possess with respect thereto, or (y) fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code.

T. Those holders of Claims, Encumbrances, and Interests who did not object or who withdrew their objections to the Motion, are deemed to have consented pursuant to Bankruptcy Code section 363(f)(2); *provided* that the Required Lenders have only consented pursuant to paragraph U of this Canada Sale Order.

U. The Required Lenders have consented to the Canada Sale solely on the condition that the DIP Liens attach to the proceeds of the Canada Sale with the same priority as existed prior to the Canada Sale and retain the same validity, force, and effect that existed prior to the Canada Sale.

IX. Cure Costs and Adequate Assurance of Future Performance.

V. The assumption and assignment of the Assigned Contracts listed in the APA pursuant to the terms of this Canada Sale Order is integral to the APA, does not constitute unfair

discrimination, and is in the best interests of the Debtors and their estates, their creditors, and all other parties in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtors. Subject to the terms and conditions of the APA, the Debtors shall: (a) to the extent necessary, cure or provide adequate assurance of cure, of any default existing prior to the date hereof with respect to the Assigned Contracts, within the meaning of sections 365(b)(1)(A) and 365(f)(2)(A) of the Bankruptcy Code, and (b) to the extent necessary, provide compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof with respect to the Assigned Contracts, within the meaning of sections 365(b)(1)(B) and 365(f)(2)(A) of the Bankruptcy Code. The Debtors' promise to pay or otherwise cure all defaults or other obligations of the Debtors under the Assigned Contracts arising or accruing prior to the Closing Date, or otherwise required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts (collectively, the "Cure Costs") in accordance with the terms of the APA and the Purchaser's promise to perform the obligations under the Assigned Contracts shall constitute adequate assurance of future performance within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code to the extent that any such assurance is required and not waived by the counterparties to such Assigned Contracts.

sound business judgment, and that such assumption and assignment is in the best interests of the Debtors' estates, for the reasons set forth in the Motion, in the Li Declaration, and on the record at the Canada Sale Hearing, including, without limitation, because the assumption and assignment of the Assigned Contracts in connection with the Canada Sale is a material component to the overall consideration provided by the Purchaser and will maintain the ongoing business of the Debtors, limit the losses of counterparties to Assigned Contracts, and maximize the distribution to creditors of the Debtors.

X. The assignment of the Assigned Contracts is necessary and appropriate under the circumstances in connection with the Canada Sale, is integral to the Debtors' overall restructuring efforts, and the Purchaser has demonstrated that it can reasonably carry on the obligations under the Assigned Contracts.

X. Compelling Circumstances for an Immediate Sale.

Y. Good and sufficient reasons for approval of the APA and the Canada Sale have been articulated. The relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties in interest. The Debtors have demonstrated both (a) good, sufficient, and sound business purposes and justifications for approving the APA, and (b) compelling circumstances for the Canada Sale outside the ordinary course of business, pursuant to section 363(b) of the Bankruptcy Code before, and outside of, a plan of reorganization, in that, among other things, the immediate consummation of the Canada Sale with the Purchaser is necessary and appropriate to maximize the value of the Debtors' estates

and the Canada Sale will provide the means for the Debtors to maximize distributions to creditors.

Z. The Canada Sale must be approved and consummated promptly in order to maximize the value of the Debtors' estates. Time is of the essence in consummating the Canada Sale. Given all of the circumstances of these chapter 11 cases and the adequacy and fair value of the Purchase Price, the proposed Canada Sale constitutes a reasonable and sound exercise of the Debtors' business judgment.

IT IS HEREBY ORDERED THAT:

I. General Provisions.

1. The Motion is granted as provided herein, and entry into and performance under, and in respect of, the APA and the consummation of the transactions contemplated thereby.

2. 19. Upon the Seller's assignment of the Assigned Contracts to the Purchaser under the provisions of this Canada Sale Order, any additional orders of this Court, and the Debtors' payment of any Cure Costs pursuant to the terms hereof or the APA, no default shall exist under any Assigned Contract, and no counterparty to any Assigned Contract shall be permitted (a) to declare under such Assigned Contract or (b) to otherwise take action against the Debtors or the Purchaser as a result of any Debtors' financial condition, bankruptcy, or failure to perform any of its obligations under the relevant Assigned Contract. Each non-debtor party to an Assigned Contract hereby is also forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors or the Purchaser, or the property of any of them, any default or Claim arising out of any indemnity obligation or warranties for acts or occurrences arising prior to or existing as of the Closing Date, or, against the Purchaser, any counterclaim, defense, setoff, or any other Claim asserted or assertable against the Debtors and (ii) imposing or charging against the Purchaser or its affiliates any rent accelerations, assignment fees, increases, or any other fees as a result of the Seller's assumption and assignment of the Assigned Contracts to the Purchaser. to an Assigned Contract is notified of Cure Costs (or the absence thereof) and fails to object to such Cure Costs (or the absence thereof) with respect to an Assigned Contract, such counterparty shall be deemed to have consented to such Cure Costs (or the absence thereof) and is deemed to have waived any right to assert or collect or enforce any Cure Costs that may arise or have arisen prior to or as of the Closing.

20. On the effective date of the assignment of any Assigned Contract, the Purchaser shall be deemed to be substituted for the applicable Debtors as a party to the applicable Assigned Contracts and the applicable Debtors shall be relieved, pursuant to section 365(k) of the Bankruptcy Code, from any further liability under the Assigned Contracts.

V. Prohibition of Actions Against the Purchaser.

23. Subject to the terms, conditions, and provisions of this Canada Sale Order, all persons and entities are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Seller to sell and/or transfer the Acquired Assets to the Purchaser in accordance with the terms of the APA and this Canada Sale Order.

24. To the maximum extent permitted by law, in accordance with the APA, the Purchaser shall be authorized, as of the Closing Date, to operate under any license, permit, registration, and governmental authorization or approval (collectively, the “Licenses”) of the Seller with respect to the Acquired Assets and the Canada Sale. To the extent the Purchaser cannot operate under any Licenses in accordance with the previous sentence, such Licenses shall be in effect while the Purchaser, with assistance from the Debtors, works promptly and diligently to apply for and secure all necessary government approvals for new issuance of Licenses to the Purchaser.

26. The consideration provided by the Purchaser to the Seller pursuant to the APA for the Acquired Assets constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, and under the laws of the United States, any state, territory, possession, the District of Columbia, and any foreign country.

27. The transactions contemplated by the APA are undertaken by the Purchaser without collusion and in good faith, as that term is defined in section 363(m) of the Bankruptcy Code, and, accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Canada Sale shall not affect the validity of the Canada Sale, unless such authorization and such Canada Sale is duly stayed pending such appeal. The Purchaser is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to the full protections of section 363(m) of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual representations, warranties, covenants, and agreements set forth herein, and intending to be legally bound hereby, the Parties hereby agree as follows:

ARTICLE I PURCHASE AND SALE OF ACQUIRED ASSETS; ASSUMPTION OF ASSUMED LIABILITIES

1.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall Seller be deemed to sell, transfer, assign, convey or deliver, and Seller shall retain all right, title and interest to, in and under any properties, rights, interests and other assets of Seller other than the Acquired Assets (collectively, the “Excluded Assets”).

(f) all Liabilities relating to Transferred Employees and all Liabilities and obligations assumed by Purchaser under Section 6.1.

1.4 Excluded Liabilities. Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, any Seller of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on the Closing Date or arising thereafter as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”).

1.5 Assigned Contracts.

(a) Assumption and Assignment of Executory Contracts. Seller shall take such actions in the Bankruptcy Case and the CCAA Proceedings as are reasonably necessary to effectuate the assumption and assignment to Purchaser of the Assigned Contracts hereunder in accordance with the Bankruptcy Code and the CCAA.

(b) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is rejected by a Seller or its Affiliates or terminated by a Seller, its Affiliates or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to and determined after giving effect to, any Order of the Bankruptcy Court, including the Sale Order) in order to permit the sale or transfer to Purchaser of the applicable Seller’s right, title and interest in and to such asset, Seller shall cooperate with Purchaser and use commercially reasonable efforts in pursuing such Consent or Governmental Authorization. If one or more such Consent or Governmental Authorization

has not been obtained prior to such time as such right, title and interest is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. If any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and six months following the Closing (or the closing of the Bankruptcy Cases or dissolution of the applicable Seller(s), if earlier), Seller and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of any Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs imposed on Seller or their respective Affiliates or any direct costs associated with the retention and maintenance of such Acquired Asset incurred by any Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume and timely discharge any related burden and obligation with respect to such Acquired Asset. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, Seller's right, title and interest in and to such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement and the Sale Order. Notwithstanding anything herein to the contrary, no Seller will be obligated to pay any consideration therefor to any third party from whom Consent or Governmental Authorization is requested or to initiate any litigation to obtain any such Consent or Governmental Authorization.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment.

(a) The aggregate consideration (collectively, the "Purchase Price") to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) the assumption of Assumed Liabilities and (ii) a cash payment of \$10,000,000, subject to Section 9.4(d) (the "Cash Payment").

(b) At the Closing, Purchaser shall deliver, or cause to be delivered, to Seller the Cash Payment (the "Closing Date Payment"). The Closing Date Payment and any payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Party to (or for the benefit of) whom such payment is to be made at least two Business Days prior to the date such payment is to be made.

2.2 Closing. The closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities in accordance with this Agreement (the "Closing") will take place by telephone conference and electronic exchange of

documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the second Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing), or at such other place and time as the Parties may agree in writing. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

2.3 Closing Deliveries by Seller. At or prior to the Closing, Seller shall deliver to Purchaser:

- (a) a bill of sale and assignment and assumption agreement substantially in the form of Exhibit A (the “Assignment and Assumption Agreement”) duly executed by Seller;
- (b) any joint elections contemplated by Section 9.4(e);
- (c) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Seller certifying that the conditions set forth in Sections 7.2(a) and 7.2(b) have been satisfied.

- (e) the PST owing under the PSTA. The Parties will reasonably cooperate in determining the amount of PST with respect to the Acquired Assets so as to permit each Party to comply with its respective obligations under the PSTA; provided that if the Parties are unable to agree prior to the Closing, the Closing will still occur and Purchaser shall continue to be responsible for such PST.

2.5 Withholding. Purchaser shall not be entitled to deduct and withhold any Taxes from any amounts otherwise payable pursuant to this Agreement, such amounts as may be required to be deducted and withheld therefrom or with respect thereto under the Tax Code or other applicable Law; provided that prior to any such deduction and withholding, Purchaser shall use commercially reasonable efforts to provide Seller with five (5) Business Days’ written notice of its intent to deduct and withhold amounts from any such payments. If Purchaser is required under applicable Law to deduct or withhold any taxes from any payment in connection with or related to this Agreement, the sum payable by Purchaser shall be increased as necessary so that after all required

deductions have been made, Seller receives an amount equal to the sum it would have received had no such deductions been made.

4.1 Organization and Qualification. Purchaser is an entity duly created, formed or organized (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its creation, formation or organization (as applicable) and has all requisite corporate or limited liability company power and authority necessary to conduct its business as it is now being conducted, except (other than with respect to Purchaser's due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have an adverse effect on Purchaser's ability to consummate the Transactions. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) under the Laws of each jurisdiction in which the nature of the business conducted by it or the character or location of the properties owned or used by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or

in the aggregate, reasonably be expected to have an adverse effect on Purchaser's ability to consummate the Transactions.

4.2 Authorization of Agreement. Purchaser has all necessary power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery and performance by Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals and CCAA Orders being granted, this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Assuming that (i) the Sale Order, and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained and (ii) the notices, authorizations, approvals, Orders, permits or consents set forth on Schedule 4.3(a) are made, given, obtained or waived (as applicable), neither the execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the Transactions, nor performance or compliance by Purchaser with any of the terms or provisions hereof, will (A) conflict with or violate any provision of Purchaser's Organizational Documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

(b) Except as set forth on Schedule 4.3(a), Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing. Purchaser has, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Cash Payment in full and to consummate all of the other Transactions, including the payment of the Purchase Price in full and all fees, expenses of, and other amounts required to be paid by, Purchaser in connection with the Transactions and, to

Purchaser's knowledge, there is no circumstance or condition that could reasonably be expected to prevent or substantially delay the availability of such funds or otherwise impair such capability at the Closing and such other dates that such obligations and transactions are required to be satisfied pursuant to the terms hereof. Purchaser affirms that it is not a condition to Closing or to any of its obligations under this Agreement that Purchaser obtains financing for the Transactions.

4.5 Brokers. There is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that might be entitled to any fee or commission in connection with the Transactions.

4.6 No Litigation. There are no Actions pending or, to Purchaser's knowledge, threatened against or affecting Purchaser that will or would be reasonably likely to adversely affect Purchaser's performance of its obligations under this Agreement or the consummation of the Transactions.

4.7 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of Seller or its board of directors (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender or creditor of Seller or any Affiliate of Seller, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any such transactions.

4.8 Solvency. Purchaser is, and immediately after giving effect to the Transactions, Purchaser shall be, solvent and at all times shall: (a) be able to pay its debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay its debt (including a reasonable estimate of the amount of all contingent Liabilities) and (c) have adequate capital to carry on its business. No transfer of property is being made and no obligation is being incurred in connection with the Transactions with the intent to hinder, delay or defraud either present or future creditors of Purchaser. In connection with the Transactions, Purchaser has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

4.9 Investigation. Purchaser acknowledges, covenants and agrees that it is relying on its own independent investigation and analysis in entering into this Agreement and consummating the Transactions. Purchaser is knowledgeable about the industries in which Seller operates and is capable of evaluating the merits and risks of the Transactions and is able to bear the substantial economic risk of such investment for an indefinite period of time. Purchaser has been afforded full access to the books and records, facilities and personnel of Seller for purposes of conducting a due diligence investigation and has conducted a full due diligence investigation of Seller. Purchaser does not have any knowledge that the representations and warranties of Seller in this Agreement are not true and correct in all respects, and Purchaser does not have any knowledge of any errors in, or material omissions from, the Schedules.

4.10 Transfer Tax Registrations. Purchaser is registered for the collection of the GST/HST and its registration number under the ETA is 859292344, and is registered for the collection of the QST and its registration number under the QSTA is 1219448291TQ0001.

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Seller shall use commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Sale Order.

(c) Purchaser shall promptly take all actions as are reasonably requested by Seller to assist in obtaining the Bankruptcy Court's entry of the Sale Order and any other Order reasonably necessary in connection with the Transactions.

(d) The Foreign Representative and Seller shall file with the CCAA Court an application in the CCAA Proceeding seeking the granting of the CCAA Orders within a reasonable period of time following approval of the Sale Order by the Bankruptcy Court.

(e) Each Party shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement, including, upon reasonable request, promptly furnishing the other with copies of notices or other communications received by a Seller from the Bankruptcy Court with respect to the Transactions.

(f) Purchaser shall provide adequate assurance of future performance as required under section 365 of the Bankruptcy Code for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been a sufficient demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and making Purchaser's Advisors available to testify before the Bankruptcy Court.

5.2 Cure Costs. Subject to entry of the Sale Order, Seller shall, on or prior to the Closing, pay all cure costs required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts so that such Contracts may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code and this Agreement ("Cure Costs").

5.3 Approval. The Parties' obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Sale Order) and CCAA Court (including granting of the CCAA Orders). Nothing in this Agreement shall require either Party or their respective Affiliates

to give testimony to or submit a motion to the Bankruptcy Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court or its stakeholders.

6.1 Employee Matters.

(a) At least 5 Business Days prior to Closing, Purchaser shall extend to each Business Employee employed by Seller a written offer of employment, which offer shall (i) be reviewed by Seller, with a reasonable opportunity to provide Seller's comments, if any, and (ii) if accepted, become effective immediately after the Closing ("Transfer Offer"). Business Employees who accept such Transfer Offers and begin employment with Purchaser shall be collectively referred to herein as "Transferred Employees." Purchaser shall promptly notify Seller of whether each Business Employee has accepted their Transfer Offer, and following such notice, Seller will deliver evidence reasonably satisfactory to Purchaser that each Business Employee's employment with Seller will be terminated effective as of Closing, it being the intent of the Parties that effective as of the Closing, (i) employment by Purchaser of Transferred Employees shall commence and (ii) each Business Employee previously employed by Seller shall cease to be an employee of Seller. Nothing in this Agreement shall be construed as a representation or guarantee by Seller or any of its Affiliates that any or all Business Employees employed by Seller will accept the Transfer Offer, or that any Transferred Employee will continue in employment with Purchaser following the Closing for any period of time.

(b) For the avoidance of doubt, and notwithstanding anything to the contrary set forth in Section 1.3 above, all Liabilities relating to the employment by Seller of any Business Employees shall be Excluded Liabilities; provided, however, that Purchaser shall be solely liable for all Liabilities relating to the Transferred Employees to the extent such Liability (i) first arises after such Transferred Employee commences employment with Purchaser and relates to or arises from such employment with Purchaser, or (ii) relates to or arises from a breach of or default under a Transfer Offer. Purchaser further agrees and acknowledges that some of the Business Employees reside in or are otherwise protected by the Laws of the Province of Quebec, and that such Laws may relate to Purchaser's decision or potential obligation to extend a Transfer Offer to one or more Business Employees, the terms contained in any such Transfer Offer, or Purchaser's other decisions with respect to the Transferred Employees or Business Employees that reside in or are otherwise protected by the Laws of the Province of Quebec (the "Quebec Employment Matters"). Purchaser will decide issues relating to the Quebec Employment Matters in its sole discretion; provided that Purchaser shall be solely responsible for any and all Liabilities arising from or relating to any Quebec Employment Matters. Purchaser agrees to indemnify and save harmless Seller from all such Liabilities a Governmental Body or Business Employee asserts or imposes as a result of the Quebec Employment Matters.

(c) For the avoidance of doubt, and notwithstanding anything to the contrary set forth in Section 1.3 above, effective as of the Closing, Purchaser and Purchaser's Affiliates shall assume all obligations, Liabilities and commitments in respect of claims made by any Transferred Employee and Québec Employee (or any other individual claiming that he or she is or should be a Transferred Employee or a Québec Employee) for severance or other termination

benefits (including claims for wrongful dismissal, dismissal without a good and sufficient cause, reasonable notice of termination of employment, pay in lieu of reasonable notice or breach of Contract) arising out of, relating to or in connection with any failure to offer employment to, or to continue the employment of, any such Transferred Employee and Québec Employee (or other individual claiming that he or she is or should be a Transferred Employee or a Québec Employee) or other failure to comply with the terms of this Agreement.

(d) The provisions of this Section 6.1 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Seller or any Transferred Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.1 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.1, alter or limit Purchaser's or Seller's ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

6.2 Overhead and Shared Services. (i) Purchaser acknowledges and agrees that, effective as of the Closing Date: (i) all Overhead and Shared Services provided to the Transferred Business shall cease, (ii) Seller and its Affiliates shall have no further obligation to provide any such Overhead and Shared Services to the Transferred Business and (iii) all rights of the Transferred Business under Shared Contracts shall be terminated and the Transferred Business shall have no further rights thereunder, other than Shared Customer Contracts, which are the subject of Section 6.4.

6.3 De-Branding. As soon as reasonably practicable, but in no event more than thirty (30) days following the Closing, Purchaser shall take all actions necessary to remove any of Seller's or any of its Affiliates' trademarks, tradenames, trade dress, branding, signage, or other usage of Seller's or any of its Affiliates' trademarks, business names and logos, including all uses of the name "Cyxtera," located on or about the Acquired Leased Real Property or on, as may be applicable, any billing or other information technology systems and applications, stationery, purchase orders, invoices, receipts, and other similar documents and materials, advertising and marketing materials, policies, procedures and manuals, employee information or data, employee identifications, and similar documents and materials.

6.4 Shared Customer Contracts.

(a) With respect to Shared Customer Contracts, Seller and its Affiliates shall use commercially reasonable efforts (and Purchaser shall reasonably cooperate with Seller and its Affiliates in connection with such efforts) to:

(i) cause each Shared Customer Contract to be assigned in relevant part to Purchaser or to appropriately amend such Shared Customer Contract so that Purchaser will, from and after the Closing, be entitled to the rights and benefits inuring to the

Transferred Business under such Shared Customer Contracts on substantially the same terms as then in effect; and

(ii) obtain prior to the Closing or, if not obtained, shall use commercially reasonable efforts to obtain, prior to the earliest of (A) six months following the Closing Date, (B) the closing of the Bankruptcy Cases or the windup or dissolution of Seller, and (C) the expiration of such Shared Customer Contract in accordance with its current terms (such period, the “Shared Contract Period”), from the counterparty to each Shared Customer Contract any Consent or similar action that is required to separate the portion of such Shared Customer Contract that relates to the Transferred Business, it being understood that (X) Seller and Purchaser shall not be required to grant any consideration to any counterparty to such Shared Customer Contract, (Y) the allocations of benefits and burdens of any Shared Customer Contract shall be apportioned such that the Transferred Business receives and bears such benefits and burdens consistent in all material respects with the past practice of Seller, its Affiliates, and such counterparty, and (Z) any amendment to any Shared Customer Contract that would adversely affect in any material respect the Transferred Business shall be subject to Purchaser’s written approval (not to be unreasonably withheld, conditioned or delayed).

(b) During the Shared Contract Period, Purchaser and Seller shall cooperate and work in good faith to separate the applicable portion of any Shared Customer Contract hereunder. The Contract constituting the separated portion of any Shared Customer Contract that relates to the Transferred Business shall constitute a Transferred Customer Contract, and in no event shall those portions of any Shared Customer Contract not relating to the Transferred Business be considered a Transferred Customer Contract. With respect to any Shared Customer Contract, if partial assignment or amendment cannot be obtained, or if an attempted partial assignment or amendment thereof would adversely affect in any material respect the rights of the Purchaser, Seller or their respective Affiliates, Seller and Purchaser will, and will cause the respective Affiliate to, use their commercially reasonable efforts to negotiate a mutually acceptable arrangement under which Purchaser (or its Affiliates) or Seller (or its Affiliates) will, from and after the Closing, to the extent permitted by applicable Law, obtain the benefits and assume the Liabilities and obligations under such Shared Customer Contract (consistent with this Section 6.4) to the extent related to the Transferred Business (in the case of the Purchaser) or the other businesses of Seller and its Affiliates (in the case of Seller), including entering into sub-contracting, sub-licensing or sub-leasing arrangements for the benefit of Purchaser or Seller, as the case may be.

(c) Without limiting the generality of the foregoing and notwithstanding anything to the contrary herein, Seller and Purchaser each hereby further covenant and agree to and cause its respective Affiliates to abide by and comply with all of the terms and conditions of each applicable Shared Customer Contracts at all times during the Shared Contract Period, and in connection therewith each Party shall promptly indemnify and hold harmless the other Party and its respective Affiliates for any failure to comply with its compliance obligations hereunder. Notwithstanding anything to the contrary herein, including in Section 10.4 or in Section 10.6 hereof, all rights, obligations, remedies and defenses of Seller under this Section 6.4 with respect to any Shared Customer Contract shall be automatically assigned to an acquiror of the Seller’s interest in such Shared Customer Contract, and such acquiror shall automatically be an express

third party beneficiary of this Section 6.4. This Section 6.4 may not be amended or modified, and no waiver may be granted hereunder, without the prior written consent of any such acquiror of a Shared Customer Contract.

6.5 Reasonable Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, each Party shall, and shall cause its Subsidiaries to, use its and their commercially reasonable efforts to perform its and their respective obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder.

(b) The obligations of Seller pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Cases), Seller's debtor-in-possession financing, and Seller's obligations as debtors in possession to comply with any Order of the Bankruptcy Court (including the Sale Order), and Seller's duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

6.6 Further Assurances. From time to time, as and when requested by any Party and at such requesting Party's expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions.

6.7 Insurance Matters. Purchaser acknowledges that, upon Closing, all insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Affiliates (whether such policies are maintained with third party insurers or with Seller or its Affiliates) shall cease to provide any coverage to the Transferred Business, the Acquired Assets and the Assumed Liabilities and no further coverage shall be available to the Transferred Business, the Acquired Assets or the Assumed Liabilities under any such policies.

6.8 Receipt of Misdirected Assets; Liabilities.

(a) From and after the Closing, if Seller or any of its Affiliates receives any right, property or asset that is an Acquired Asset, Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to Seller, and such asset will be deemed the property of Seller held in trust by Purchaser for Seller until so transferred.

(b) From and after the Closing, if Seller or any of its Affiliates is subject to a Liability that should belong to Purchaser or its Affiliates pursuant to the terms of this Agreement, Seller shall promptly transfer or cause such of its Affiliates to transfer such Liability to Purchaser, and Purchaser shall assume and accept such Liability. From and after the Closing, if Purchaser or any of its Affiliates is subject to a Liability that should belong to Seller or its Affiliates pursuant to the terms of this Agreement, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such Liability to the applicable Seller or Affiliate, and such Seller or Affiliate shall assume and accept such Liability.

6.9 Estoppel Certificates. From and after the date hereof, Seller shall use good faith, commercially reasonable efforts to obtain: (a) from each landlord of the Acquired Leased Real Property an estoppel certificate in the form attached hereto as Exhibit C (each a “Landlord Consent”); and (b) from each customer under the Transferred Customer Contracts, an Estoppel Certificate.

6.10 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that it has conducted to its full satisfaction an independent investigation and verification of the Transferred Business (including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects), the Acquired Assets, and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely, are relying, and will rely, solely, on the Express Representations and the results of the Purchaser Group’s own independent investigation and verification and have not relied on, are not relying on, and will not rely on, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors, in each case, whether written or oral, made or provided by or on behalf Seller or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations. Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that (i) the Express Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, statutory, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Representations) including in meetings, calls or correspondence with management of Seller, any of the Seller Parties or any other Person on behalf of Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of any of the Acquired Assets, are, in each case, specifically disclaimed by Seller, on its behalf and on behalf of the Seller Parties. Purchaser, on its own behalf and on behalf of the Purchaser Group: (1) disclaims reliance on the items in clause (ii) in the

immediately preceding sentence; and (2) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence.

(b) Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.10. Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that the covenants and agreements contained in this Section 6.10 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.10, Seller would not enter into this Agreement.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Seller. The respective obligations of each Party to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) no Governmental Body of competent jurisdiction shall have issued, enacted, entered, promulgated or enforced any Order (including any temporary restraining Order or preliminary or permanent injunction) or Law restraining, enjoining or otherwise prohibiting the Closing that is continuing in effect; and

(b) the Bankruptcy Court shall have entered the Sale Order and shall not have been stayed, reversed, or modified;

(c) the CCAA Court shall have pronounced the CCAA Orders and the CCAA Orders shall not have been stayed, set-aside, reversed or modified.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties made by Seller in Article III (in each case, other than the Fundamental Representations) shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except (i) that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date, and (ii) the representations and warranties set forth in Section 3.1, Section 3.2 and Section 3.11 (collectively, the “Fundamental Representations”) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct only as of such date;

(b) Seller shall not have breached, in any material respect, the covenants required to be performed or complied with by Seller under this Agreement on or prior to Closing;

(c) No Material Adverse Effect shall have occurred and be continuing with respect to the Transferred Business;

(d) Seller shall have executed or delivered to Purchaser all of the documents, instruments, and agreements set forth in Section 2.3;

(e) The Sale Order, as approved by the Bankruptcy Court, shall be substantially in the forms attached to this Agreement as Exhibit B.

(f) Purchaser shall have received on and as of the Closing Date a certificate of an authorized officer of Seller confirming that the conditions set forth Section 2.3 have been satisfied.

7.3 Conditions Precedent to the Obligations of Seller. The obligations of Seller to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date;

(b) Purchaser shall not have breached in any material respect the covenants required to be performed or complied with by it under this Agreement on or prior to the Closing Date; and

(c) Seller shall have received on and as of the Closing Date a certificate of an authorized officer of Purchaser confirming that the conditions set forth in Section 2.4 have been satisfied.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. None of Purchaser or Seller may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement, including its obligation to use its reasonable best efforts to consummate the Transactions as required under this Agreement.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1, and in no other matter:

(a) by written notice of either Purchaser or Seller to the other, if there is in effect any Law or Order enacted or issued by a Government Body of competent jurisdiction that restrains, enjoins, declares unlawful or otherwise prohibits the consummation of the Closing or declaring unlawful the Transactions, and such Law or Order has become final, binding and non-appealable; provided that no Party may terminate this Agreement under this Section 8.1(a) if the issuance of such Order was caused by such Party's failure to perform any of its obligations under this Agreement;

(b) by written notice of either Purchaser or Seller, if the Closing shall not have occurred on or before December 31, 2023 (the "Outside Date") (or such later date as provided in Section 10.12); provided that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's failure to perform any of its obligations under this Agreement; provided further that Seller may extend the Outside Date up to an additional 45 days to the extent necessary to satisfy the conditions set forth in Section 7.1 so long as the other conditions in Article VII have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but which conditions are capable of being satisfied);

(c) by written notice from Seller to Purchaser, if all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but which conditions are capable of being satisfied) or waived and Purchaser fails to complete the Closing at the time required by Section 2.2;

(d) by written notice from Seller to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(b) would not be satisfied; provided that (i) if such breach is curable by Purchaser (other than a breach or failure by Purchaser to close when required pursuant to Section 2.2) then Seller may not terminate this agreement under this Section 8.1(d) unless such breach has not been cured by the date, which that the earlier of (A) one (1) Business Day prior to the Outside Date and (B) ten (10) days after Seller notifies Purchaser of such breach and (ii) Seller's right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Seller at any time that Seller is in breach of any covenant, representation or warranty hereunder such that the conditions in Section 7.3 cannot be satisfied.

(e) by written notice from Purchaser to Seller, upon a breach of any covenant or agreement on the part of Seller, or if any representation or warranty of Seller have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied; provided that (i) if such breach is curable by Seller (other than a breach or failure by Seller to close when required pursuant to Section 2.2) then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is

the earlier of (A) one (1) Business Day prior to the Outside Date and (B) ten (10) days after the Purchaser notifies Seller of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in breach of any covenant, representation or warranty hereunder such that the conditions in Section 7.2 cannot be satisfied;

(f) by written notice from Purchaser to Seller if any Material Adverse Effect occurs to the Transferred Business after the date hereof.

8.2 Effect of Termination. In the event of termination of this Agreement in accordance with Article VIII, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers or equity holders will have any Liability under this Agreement; provided that this Section 8.2 and Article X shall survive any such termination; provided further that no termination will relieve Purchaser from any liability for damages, losses, costs or expenses (which the Parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, but shall exclude consequential, special, punitive, and any other damages beyond actual damages incurred by Seller and related directly to such Willful Breach, any speculative damages or any damages based on any multiple or other valuation method) resulting from any Willful Breach of this Agreement prior to the date of such termination (which, for the avoidance of doubt, will be deemed to include any failure by Purchaser to consummate the Closing if and when it is obligated to do so hereunder). Nothing in this Section 8.2 will be deemed to impair the right of any Party to be entitled to specific performance or other equitable remedies to enforce specifically the terms and provisions of this Agreement.

ARTICLE IX TAXES

9.1 Transfer Taxes. Any U.S. federal, state, local, or non-U.S., GST/HST, QST, PST or other consumption sales, use, excise, value added, registration, real property, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use or other Taxes and recording charges (including all related interest, penalties, and additions to any of the foregoing) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the “Transfer Taxes”) shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes with the appropriate Taxing Authority.

9.2 Allocation of Purchase Price. For U.S. federal and applicable state and local and non-U.S. income Tax purposes, Purchaser, Seller, and their respective Affiliates shall allocate the Purchase Price (and any Assumed Liabilities or other amounts treated as part of the purchase price for U.S. federal and non-U.S. income Tax purposes) among the Acquired Assets, which shall be consistent with the requirements of Section 1060 of the Code and the regulations promulgated thereunder and any similar provision of applicable Tax Law (the “Allocation Methodology”). As soon as commercially practicable, but no later than 45 days following the determination of the final Purchase Price, Purchaser shall provide a proposed allocation to Seller setting forth the allocation of the Purchase Price (and other amounts treated as part of the purchase price for U.S. federal and Canadian income Tax purposes) among the Acquired Assets in accordance with the Allocation Methodology (the “Allocation”) subject to Seller’s review and approval (such approval

not to be unreasonably delayed, conditioned or withheld). Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Allocation. If Seller delivers a written objection within 30 days after receipt of the draft Allocation proposed by Purchaser, then Purchaser and Seller shall negotiate in good faith to resolve any such objection, and, if Seller and Purchaser cannot resolve such dispute within 30 days of Purchaser's receipt of Seller's objection, then each of Purchaser, on the one hand, and Seller, on the other hand, shall be entitled to take its own position regarding the appropriate Allocation. The Parties and their respective Affiliates shall file all Tax Returns in accordance with such Allocation (as finally determined under this Section 9.2) and not take any Tax related action inconsistent with the Allocation, in each case, unless otherwise required by a "determination" within the meaning of section 1313(a) of the Tax Code and other applicable Law.

9.3 Cooperation. Purchaser and Seller shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes.

9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Seller shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all income Tax Returns of Seller.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets for any Tax period ending after the Closing Date. With respect to any Straddle Period, Purchaser shall prepare such Tax Returns consistent with past practice, and shall provide Seller or its successors in rights, as applicable, with a draft of such Tax Returns at least 30 days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Tax Returns.

(c) Purchaser shall not file any Tax Return, file an amendment to any previously-filed Tax Return, or otherwise take any Tax position that has the effect of increasing any Tax that is payable or otherwise borne by Seller, without the written consent of Seller (such consent not to be unreasonably delayed, conditioned or withheld); except to the extent Purchaser reasonably believes such position is required by Law.

(d) Property, ad valorem, intangible, and other periodic Taxes imposed or assessed directly against, the Acquired Assets (including to landlords through CAM charges under the Acquired Leases, but, for the avoidance of doubt, excluding any Transfer Taxes and any gross, net or similar Taxes) for any Straddle Period will be apportioned and prorated between Seller, on one hand, and Purchaser, on the other hand, as of the Closing Date. Purchaser shall bear the Pro Rata Portion of such Taxes, and Seller shall bear the remaining portion of such Taxes. The Parties hereby agree and acknowledge the apportionment of Taxes contemplated by this Section 9.4(d) results in an aggregate amount equal to \$6,073.16 payable at Closing by Purchaser to Seller, that the Cash Payment will be adjusted accordingly, and that such apportionment shall not be revisited after Closing, even if the actual apportionment (which would have been determined when the actual amount of such Taxes become known) is greater or less than the apportionment made at Closing. Purchaser shall be responsible for preparing and filing all Tax Returns with respect to,

and shall be responsible for paying to the applicable Taxing Authority or landlord, as applicable, all of, the Taxes contemplated by this Section 9.4(d).

(e) If available, the Parties will complete and sign on or before the Closing Date, a joint election under section 167(1) of the ETA and section 75 of the QSTA, to permit the purchase and sale of any applicable Acquired Assets, without incurring GST/HST or QST. If available, the Purchaser will duly file the elections with the appropriate Governmental Body within the time permitted under the ETA and QSTA. The Purchaser agrees to indemnify and save harmless Seller from all Tax, penalties and interest in the event a Governmental Body asserts the election or elections contemplated by this section are not available. In the event the joint elections are not available, the Purchaser agrees to self-assess for any GST/HST and QST on the real property, and fixtures to real property included in the Acquired Assets and to pay any GST/HST, QST and PST to Seller at Closing. All PST owing on the Acquired Assets shall be payable by the Purchaser to Seller at Closing.

ARTICLE X MISCELLANEOUS

10.1 Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Except as set forth below, and except for any claim based on fraud (which claims, if any, shall, for the avoidance of doubt, be subject to Section 6.10), each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing, such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for one year following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Seller acknowledge and agree, on their own behalf, with respect to Purchaser, and on behalf of the Purchaser Group that the agreements contained in (among others) Section 6.10 and this Section 10.1 require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for one year. Notwithstanding anything to the contrary above in this Section 10.1 but subject in all cases to Section 6.10, the representations and warranties set forth in Sections 3.8(d), 3.9, and 3.10, (and no other representations and warranties) and any claim based on fraud (which claims, if any, shall, for the avoidance of doubt, be subject to Section 6.10), shall survive Closing in each case for a period of one year; provided that Seller shall have no Liability for any breach of such representations or warranties if Purchaser's aggregate Liability incurred as a result of all such breaches is less than \$10,000.00 and in no event shall Seller's Liability hereunder include (i) any consequential, special, punitive, or any other damages beyond actual damages incurred by Purchaser and related directly to such breach, (ii) any speculative damages or (iii) any damages based on any multiple or other valuation method.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein, all fees, costs and expenses (including fees, costs and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby and the consummation of the Transactions will be paid by the Party incurring such fees, costs and expenses.

10.3 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail (having obtained electronic delivery confirmation thereof) if delivered by 5:00 P.M. local time of the recipient on a Business Day and otherwise on the following Business Day, (c) the day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service or (d) the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case, to the respective Party at the number, electronic mail address or street address, as applicable, set forth below, or at such other number, electronic mail address or street address as such Party may specify by written notice to the other Party.

Notwithstanding the foregoing, Purchaser may elect, by notice delivered at least five Business Days prior to Closing, to assign its rights under this Agreement to an Affiliate for the purpose of taking assignment of the Acquired Leased Real Property in such Affiliate's name; provided that any such assignment shall in no way relieve Purchaser of its obligations under this Agreement.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Seller or (b) waived only in a writing executed by the Party against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 6.10, the Seller Parties and, for purposes of Section 10.7, the Non-Recourse Parties and (ii) the Parties hereto and such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of any Party (each, a "Non-Recourse Party") will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, and any disclosure in the Schedules will be deemed a disclosure against any representation or warranty set forth in this Agreement. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item which terms have actually been disclosed in writing on or before the date hereof. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement; provided that the refusal of any such courts refuse to grant specific performance or other equitable relief shall not itself constitute a breach of this clause (a), so long as the applicable Party has otherwise complied with and not made a claim or assertion inconsistent with this Section 10.12, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Seller nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order and neither Party will oppose the granting of specific performance or other equitable relief on the basis that the other Party has an adequate remedy at Law. The remedies available to Seller pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and neither Party will claim or assert that the election by the other Party to pursue an injunction or specific performance will restrict, impair, or otherwise limit such other Party from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date will automatically be extended (i) for the period during which such action is pending, plus ten Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement

(each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Court, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the

extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.16 Publicity. Neither Seller nor Purchaser shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other Party, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser or Seller, as applicable, disclosure is otherwise required of such Party by applicable Law, such disclosure is consistent with (and discloses no substantive terms of the Agreement other than those disclosed in prior permitted releases) or disclosure is required by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser or Seller (or their respective Affiliates) lists securities; provided that the Party intending to make such release shall use its reasonable efforts consistent with such applicable Law, Bankruptcy Court requirement, or rule to consult with the other Party with respect to the text thereof. Without limiting the foregoing, no Party, without the prior written approval of Seller and Purchaser, shall disclose the Purchase Price, the approximate amount of the Purchase Price, any other financial information from which the approximate amount of the Purchase Price may be determined, or disclose any of the other essential terms of this Agreement, except (a) as required by Law or required for financial reporting purposes and except or (b) to the extent such statements are consistent with, and disclose no substantive terms of this Agreement other than those disclosed in any previous press releases, public disclosures or public statements made jointly by the Parties (or individually), if approved by Seller and Purchaser.

10.17 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer Laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

11.3 Rules of Interpretation. Unless otherwise expressly provided in this Agreement, the following will apply to this Agreement, the Schedules and any other certificate, instrument, agreement or other document contemplated hereby or delivered hereunder.

(a) The terms “hereof,” “herein” and “hereunder” and terms of similar import are references to this Agreement as a whole and not to any particular provision of this Agreement. Section, clause, Schedule and exhibit references contained in this Agreement are references to sections, clauses, Schedules and exhibits in or to this Agreement, unless otherwise specified. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit but not otherwise defined therein shall be defined as set forth in this Agreement.

(b) Whenever the words “include,” “includes” or “including” are used in this Agreement, they will be deemed to be followed by the words “without limitation.” Where the context permits, the use of the term “or” will be equivalent to the use of the term “and/or.”

(c) The words “to the extent” shall mean “the degree by which” and not simply “if.”

(d) When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period will be excluded. If the last day of such period is a day other than a Business Day, the period in question will end on the next succeeding Business Day.

(e) Words denoting any gender will include all genders, including the neutral gender. Where a word is defined herein, references to the singular will include references to the plural and vice versa.

(f) The word “will” will be construed to have the same meaning and effect as the word “shall”. The words “shall,” “will,” or “agree(s)” are mandatory, and “may” is permissive.

(g) All references to “\$” and dollars will be deemed to refer to United States currency unless otherwise specifically provided.

(h) All references to a day or days will be deemed to refer to a calendar day or calendar days, as applicable, unless otherwise specifically provided.

(i) Any document or item will be deemed “delivered,” “provided” or “made available” by Seller, within the meaning of this Agreement if such document or item is (i) delivered or provided to Purchaser or any of Purchaser’s Advisors, including by electronic means, or (ii) made available upon request, including at Seller’s offices.

(j) Any reference to any agreement or Contract will be a reference to such agreement or Contract, as amended, modified, supplemented or waived.

(k) Any reference to any particular Bankruptcy Code or Tax Code section or any Law will be interpreted to include any amendment to, revision of or successor to that section or Law regardless of how it is numbered or classified; provided that, for the purposes of the representations and warranties set forth herein, with respect to any violation of or non-compliance with, or alleged violation of or non-compliance, with any Bankruptcy Code or Tax Code section or Law, the reference to such Bankruptcy Code or Tax Code section or Law means such Bankruptcy Code or Tax Code section or Law as in effect at the time of such violation or non-compliance or alleged violation or non-compliance.

(l) A reference to any Party to this Agreement or any other agreement or document shall include such Party’s successors and assigns, but only if such successors and assigns are not prohibited by this Agreement.

(m) A reference to a Person in a particular capacity excludes such Person in any other capacity or individually.

Chapter 11

Case No. 23-14853 (JKS)

(Jointly Administered)

**BIDDING PROCEDURES FOR THE
SUBMISSION, RECEIPT, AND ANALYSIS OF BIDS IN
CONNECTION WITH THE SALE OF THE DEBTORS' SALE PACKAGE**

On June 4, 2023, the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of New Jersey (the “Court”).

The Debtors filed these chapter 11 cases after entering into a restructuring support agreement (the “Restructuring Support Agreement”) [Docket No. 20, Ex. B] with the support of certain of the Debtors’ lenders whose claims represent approximately 64 percent of the claims arising on account of obligations under that certain first lien credit agreement by and between Cyxtera DC Holdings, Inc., Cyxtera DC Parent Holdings, Inc., Cyxtera Communications, LLC, and Cyxtera Data Centers, Inc., the first lien lenders from time to time party thereto, and Citibank, N.A., as administrative agent and collateral agent (the claims thereunder, the “First Lien Claims”). The Restructuring Support Agreement contemplates two paths to a value-maximizing reorganization: (a) a standalone recapitalization of the Debtors’ balance sheet (the “Recapitalization Transaction”) and (b) the Sale Transaction (as defined herein). Specifically, the Restructuring Support Agreement contemplates that the Debtors will continue their Marketing Process, and if such process does not maximize value for the Debtors’ stakeholders, pursue the Recapitalization Transaction. Accordingly, the Recapitalization Transaction serves as an alternative restructuring proposal, by which the lenders party to the Restructuring Support Agreement have agreed to, among other things, receive their pro rata share of New Equity Interests and a new second-out take-back debt facility on behalf of their First Lien Claims and convert the DIP Facility into a first-out take-back debt facility at exit.

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ proposed claims and noticing agent at <https://www.kccllc.net/cyxtera>. The location of Debtor Cyxtera Technologies, Inc.’s principal place of business and the Debtors’ service address in these chapter 11 cases is: 2333 Ponce de Leon Boulevard, Ste. 900, Coral Gables, Florida 33134.

On [], 2023, the Court entered an order (the “Bidding Procedures Order”),² approving, among other things, these bidding procedures (the “Bidding Procedures”). These Bidding Procedures set forth the process by which the Debtors are authorized to solicit bids and conduct an auction (the “Auction”) for the sale or disposition (collectively, the “Sale,” and each, a “Sale Transaction”) of all or substantially all of the New Equity Interests and/or the Assets.

Copies of the Bidding Procedures Order or any other documents in the Debtors’ chapter 11 cases are available upon request to Kurtzman Carson Consultants LLC by calling (877) 726-6510 (U.S. / Canada) or (424) 236-7250 (International) or visiting the Debtors’ restructuring website at (<https://www.kccllc.net/cyxtera>).

I. Sale Package to be Auctioned.

The Debtors seek the highest or otherwise best offer(s) for the purchase of or investment in the equity interests (the “New Equity Interests”) issued by reorganized Cyxtera Technologies, Inc., or any successor or assign thereto, by merger, consolidation, or otherwise, on and after the effective date of a chapter 11 plan (“Reorganized Cyxtera”) and/or some or all of the Debtors’ assets (the “Assets”, and collectively, with the New Equity Interests, the “Sale Package”).

II. Public Announcement of Auction.

As soon as practicable after entry of the Bidding Procedures Order, the Debtors shall (i) cause a notice of the Auction, the Bidding Procedures Order, and the Bidding Procedures, substantially in the form attached to the Bidding Procedures Order as Exhibit 2 (the “Auction Notice”) to be served on the parties that received notice of the Motion, (ii) post the Auction Notice on the website of the proposed claims and noticing agent at <https://www.kccllc.net/cyxtera>, and (iii) publish the Auction Notice, with any modifications necessary for ease of publication, on one occasion in *The New York Times* (National Edition), and/or another national publication to provide notice to any other potential interested parties. The Auction Notice shall include a general description of the contents of the Sale Package.

III. Potential Bidder Requirements.

To participate in the bidding process or otherwise be considered for any purpose hereunder, including to receive access to due diligence materials, a person or entity interested in purchasing the Sale Package or part of the Sale Package (a “Potential Bidder”) must deliver or have previously delivered to each of (i) proposed counsel to the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Christopher Marcus, P.C. Within four business days after a Potential Bidder delivers the Preliminary Bid Documents, the Debtors will determine, in consultation with the Consultation Parties,³ and notify each Potential Bidder whether such Potential Bidder has submitted adequate documents so that such Potential Bidder may proceed to conduct due diligence and submit a Proposal. For the avoidance of doubt, any party that has already executed a Confidentiality Agreement and submitted a non-binding indication of interest prior to the Petition Date and, in the judgment of the Debtors, has provided adequate forms of the preliminary documentation requested above, shall automatically be authorized to conduct due diligence and submit a Proposal.

³ The term “Consultation Parties” shall mean the Committee and the Ad Hoc Group.

By no later than July 10, 2023, at 5:00 p.m., prevailing Eastern Time, Potential Bidders must deliver (unless previously delivered) to each of the Notice Parties a non-binding written proposal (a “Proposal”) containing all material terms, including, but not limited to:

The Proposal should also highlight any former involvement in similar sectors to the Debtors and any other support/relevant facts that support the basis for the Proposal;
- j. a statement regarding the level of review and, if necessary, approval that the Proposal has received within the Potential Bidder’s organization. The Proposal should also provide a list of any corporate, shareholder, regulatory, or other approvals required to complete the Sale Transaction and the timing to obtain such approvals as well as any other conditions or impediments to the consummation of the Sale Transaction;

- k. a detailed description of the intended sources of any financing required for the proposed Sale Transaction, as well as an indication of the timing and steps, if any, required to secure such financing, or a statement that the Potential Bidder has available all of the funds necessary to perform all obligations regarding the proposed Sale Transaction;

Within four business days after a Potential Bidder delivers the Proposal, the Debtors will determine, in consultation with the Consultation Parties, and notify each Potential Bidder whether such Potential Bidder has submitted an acceptable Proposal (any such Potential Bidder, an "Acceptable Bidder").

V. Qualified Bid Requirements.

To be eligible to participate in the Auction, a Potential Bidder must deliver to the Debtors and their advisors an irrevocable offer for the purchase of some or all of the New Equity Interests and/or the Assets (each, a "Bid"), and shall meet the following criteria, in each case, on or prior to the Bid Deadline (as defined below):

- a. **Purchased Sale Package and Assumed Liabilities.** Each Bid must clearly state the following: (a) whether the bidder seeks to purchase some or all of the New Equity Interests or some or all of the Assets; and (b) if applicable, the liabilities and obligations to be assumed, including any debt and cure costs to be assumed.
- b. **Good Faith Deposit.** Each Bid must be accompanied by a cash deposit in the amount equal to ten percent of the aggregate purchase price of the Bid, to be held in an escrow account to be identified and established by the Debtors (the "Good Faith Deposit"); *provided* that the DIP Agent and the Prepetition Priority/1L Administrative Agents (together, the "Agents") (as defined in the Interim DIP Order, or any final order related thereto) shall not be required to submit a Good Faith Deposit. To the extent that a Bid is modified at or prior to the Auction, the applicable Acceptable Bidder must adjust its Good Faith Deposit so that it equals ten percent of the increased aggregate purchase price promptly and in no event later than one (1) business day following the conclusion of the Auction.
- c. **Purchase Price.** Each Bid must (a) clearly set forth the purchase price to be paid for the New Equity Interests and/or some or all of the Assets (the "Purchase Price"), (b) identify separately the cash and non-cash components of the Purchase Price, (c) indicate the allocation of the Purchase Price among the Sale Package and related

uses, if applicable; *provided* that, for the avoidance of doubt, such allocation shall not prejudice the rights of any party in interest to contest such allocation; and (d) describe its proposed post-emergence debt obligations and liquidity position for Reorganized Cyxtera, if applicable. The Purchase Price should be a single point value in U.S. Dollars on a cash-free, debt-free basis. Any Bid for substantially all of the New Equity Interests or Assets must also include a statement as to whether the Bid is conditioned on purchasing all of such or whether the Qualified Bid should be viewed as separate Bid for one or more sets of such.

- n. **Proposed Treatment of Claims.** Each Bid for some or all of the New Equity Interests should detail proposed treatment of each class of claims including DIP claims, First Lien Claims, general unsecured claims, and equity interests. This should include whether such claims are rendered impaired or unimpaired and detail the form of recovery provided, if applicable.
- d. **Proposed Terms of Any Post-Emergence Debt Obligations.** Each Bid for some or all of the New Equity Interests should include a term sheet, if applicable, detailing key economic terms of any proposed post-emergence debt obligations, including amount, security, tenor, interest rate, original issue discount, covenants and any other material terms or conditions.
- e. **Sources of Financing.** To the extent that the Bid is not accompanied by evidence of the Acceptable Bidder's capacity to consummate the Sale Transaction set forth in its Bid with cash on hand, the Bid must include committed financing, documented to the Debtors' satisfaction that demonstrates that the Acceptable Bidder has received sufficient funding commitments to satisfy the Acceptable Bidder's obligations under the proposed Sale Transaction and other obligations under its Bid. Such funding commitments must be unconditional and must not be subject to any internal approvals, syndication requirements, diligence, or committee approvals, and shall have covenants and conditions acceptable to the Debtors.
- f. **Same or Better Terms; Bid Documents.** Each Bid must include duly executed and non-contingent, where applicable, transaction documents necessary to effectuate the transactions contemplated in the Bid (the "Bid Documents"). The Bid Documents shall include, at a minimum: (a) a chapter 11 plan and/or a draft purchase agreement, the form of which will be provided to any Acceptable Bidder prior to the Bid Deadline (as defined herein), including the exhibits and schedules related thereto and any related material documents integral to such Bid pursuant to which the Acceptable Bidder proposes to effectuate the Sale, along with copies that are marked to reflect any amendments and modifications from the Plan or purchase agreement provided, which amendments and modifications may not be materially more burdensome or otherwise inconsistent with these Bidding Procedures; (b) a schedule of contracts and leases to be rejected to the extent applicable to the Bid, (c) a statement from the Acceptable Bidder specifying what, if any, other materials, conditions, due diligence, documents, exhibits, schedules, and/or ancillary materials are integral to such Bid or the Debtors' consideration thereof, (d), any other material documents integral to such Bid, (e) a statement from the Acceptable

- g. **No Fees.** Each Acceptable Bidder presenting a Bid or Bids will bear its own costs and expenses (including legal fees) in connection with the proposed transaction, and by submitting its Bid(s) is agreeing to refrain from and waive any assertion or request for reimbursement on any basis, including under section 503(b) of the Bankruptcy Code; *provided* that the Debtors are authorized, with the consultation of the Consultation Parties, to provide the Stalking Horse Bid Protections (defined below) to one or more Stalking Horse Bidders in accordance with these Bidding Procedures; *provided, further*, that nothing in these Bidding Procedures shall limit, alter or impair the rights of any party to payment and reimbursement of expenses that are set forth in the DIP Orders, and parties entitled to payment or reimbursement of expenses under the DIP Orders shall be entitled to payment or reimbursement of expenses incurred in connection with these Bidding Procedures and the matters contemplated hereby.
- h. **Employee Obligations.** Each Bid must include a description of the Acceptable Bidder’s intentions with respect to the relevant members of the Debtors’ current management team and other employees, and a description of any contemplated incentive plan, to the extent applicable.

A Bid must also fully disclose any business relationships, affiliations, or agreements with the Debtors, any known, potential, prospective bidder or Qualified Bidder (as defined herein), or any officer, director, or equity security holder of the Debtors.

- l. **Authorization.** Each Bid must contain evidence that the Acceptable Bidder has obtained all necessary authorizations or approvals from its shareholders and/or its board of managers or directors, or any other internal and other approvals, as applicable, with respect to the submission of its Bid and the consummation of the transactions contemplated in such Bid.
- m. **Joint Bids.** The Debtors will be authorized to approve joint Bids in their reasonable business judgment on a case-by-case basis, so long as a joint bid meets the Qualified Bid requirements and the applicable bidders otherwise comply with these Bidding Procedures.
- n. **Adequate Assurance Information.** Each Bid must be accompanied by sufficient and adequate financial and other information (the "Adequate Assurance Information") to demonstrate, to the reasonable satisfaction of the Debtors that such Acceptable Bidder (a) has the financial wherewithal and ability to consummate Sale Transaction (the "Closing"), and (b) can provide adequate assurance of future performance in connection with the proposed transaction. For the avoidance of doubt, this requirement does not restrict Potential Bidder(s) from working with other Potential Bidder(s) with the Debtors' prior written consent (email from Guggenheim Securities shall suffice).

- q. **Good Faith Offer.** Each Bid must constitute a good faith, *bona fide* offer to consummate the Sale Transaction.
- r. **Back-Up Bid.** Each Bid shall provide that the Acceptable Bidder will serve as a Back-Up Bidder (as defined below) if the Acceptable Bidder's Bid is the next highest or otherwise best bid.
- s. **Irrevocable.** Each Bid must state that in the event such Bid is chosen as the Back-Up Bid (as defined below), it shall remain irrevocable until the Debtors and the Successful Bidder consummate the applicable Sale Transaction.
- t. **Regulatory Approvals and Covenants.** Each Bid must set forth each regulatory and third-party approval required for the Acceptable Bidder to consummate the applicable Sale Transaction, if any, and the time period within which the Acceptable Bidder expects to receive such regulatory and third-party approvals (and in the case that receipt of any such regulatory or third-party approval is expected to take more than thirty days following execution and delivery of the applicable purchase agreement and/or confirmation of the Debtors' chapter 11 plan (the "Plan"), those actions the Acceptable Bidder will take to ensure receipt of such approvals as promptly as possible).
- u. **Expected Closing Date.** Each Bid must state the Acceptable Bidder's expected date of closing of the Sale Transaction.

- x. **Consent to Jurisdiction.** The Acceptable Bidder must submit to the jurisdiction of the Court and waive any right to a jury trial in connection with any disputes relating to the Debtors' qualification of Bids, to the Auction, the Sale, the Sale Transaction(s) and the construction and enforcement of these Bidding Procedures, any written indications of interest, Preliminary Bid Documents, the Bids, the Bid Documents, and any and all other agreements entered into in connection with any proposed Sale Transaction, and the Closing, as applicable.
- y. **Conditions to Closing.** Each Bid must identify with particularity each and every condition to closing.

Only Bids fulfilling all of the preceding requirements contained in this section, or otherwise in the Debtors' reasonable business judgment, with the consultation of the Consultation Parties, may be deemed to be "Qualified Bids," and only those parties submitting Qualified Bids may, in

the Debtors' reasonable business judgment, be deemed to be "Qualified Bidders"; *provided* that, notwithstanding anything to the contrary herein, any Bid submitted by any of the Agents or their respective designees, shall be a Qualified Bid.

Neither the Debtors nor any of their advisors are making or have at any time made any warranties or representations of any kind or character, express or implied, with respect to the Sale Package, including, but not limited to, any warranties or representations as to operating history or projections, valuation, governmental approvals, the compliance of the Sale Package with governmental laws, the truth, accuracy, or completeness of any documents related to the Sale Package, or any other information provided by or on behalf of the Debtors to a bidder, or any other matter or thing regarding the Sale Package. All bidders must acknowledge and agree that upon closing the Debtors shall sell and transfer to the Successful Bidder and the Successful Bidder shall accept the New Equity Interests or the Assets, as applicable, except to the extent expressly provided in the Court's Sale Order. Neither the Debtors nor any of their advisors will be liable for or bound by any express or implied warranties, guaranties, statements, representations, or information pertaining to the Sale Package or relating thereto that the Debtors, any advisor, or agent representing or purporting to represent the Debtors to whomever might have made or furnished, directly or indirectly, orally or in writing, unless (with respect to the Debtors only) specifically set forth in the Court's Sale Order.

In advance of the commencement of the Auction, as is reasonably practicable, the Debtors, with the consultation of the Consultation Parties, shall determine which Acceptable Bidders are Qualified Bidders and will notify the Acceptable Bidders whether Bids submitted constitute Qualified Bids, which will enable such Qualified Bidders to participate in the Auction. Any Bid that is not deemed a Qualified Bid shall not be considered by the Debtors; *provided* that if the Debtors receive a Bid prior to the Bid Deadline that does not satisfy the requirements of a Qualified Bid, the Debtors may provide the Acceptable Bidder with the opportunity to remedy any deficiencies prior to the Auction.

VI. Right to Credit Bid.

Any Qualified Bidder who has a valid, perfected, and unavoidable lien on any Assets of the Debtors' estates (a "Secured Creditor") shall have the right to credit bid all or a portion of the value of such Secured Creditor's claims within the meaning of section 363(k) of the Bankruptcy Code; *provided* that a Secured Creditor shall have the right to credit bid its claim only with respect to the collateral by which such Secured Creditor is secured.

VII. Obtaining Due Diligence Access.

Only Acceptable Bidders shall be eligible to receive due diligence information, access to the Debtors' electronic data room, and additional non-public information regarding the Debtors. ***No Acceptable Bidder will be permitted to conduct any due diligence without entry into a Confidentiality Agreement.*** Beginning on the date the Debtors determine that a party is an Acceptable Bidder, or as soon as reasonably practicable thereafter, the Debtors will provide such Acceptable Bidder with access to an electronic data room and reasonable due diligence information, as requested by such Acceptable Bidder, as soon as reasonably practicable after such request.

Acceptable Bidders will not, directly or indirectly, contact or initiate or engage in discussions in respect of matters relating to the Debtors or a potential transaction with any customer, supplier, or other contractual counterparty of the Debtors without the prior written consent of the Debtors. The due diligence period will end on the Bid Deadline and subsequent to the Bid Deadline the Debtors shall have no obligation to furnish any due diligence information.

In connection with the provision of due diligence information to Acceptable Bidders, the Debtors shall not furnish any confidential information relating to the Debtors or a potential transaction to any person except an Acceptable Bidder or such Acceptable Bidder's duly authorized representatives to the extent provided in an applicable Confidentiality Agreement.

The Debtors, with the assistance of their advisors, shall coordinate all reasonable requests for additional information and due diligence access from Acceptable Bidders; *provided* that the Debtors may decline to provide such information to Acceptable Bidders who, in the Debtors' reasonable business judgment have not established, or who have raised doubt, that such Acceptable Bidders intend in good faith to, or have the capacity to, consummate a Sale Transaction. For any bidder who is a competitor or customer of the Debtors or is affiliated with any competitors or customers of the Debtors, the Debtors reserve the right to withhold or modify any diligence materials that the Debtors determine are business-sensitive or otherwise inappropriate for disclosure to such bidder.

A. Communications with Acceptable Bidders (including Qualified Bidders).

Notwithstanding anything to the contrary in these Bidding Procedures, all substantive direct communications, including any diligence requests, with Acceptable Bidders (including any Qualified Bidders) shall be through Guggenheim Securities.

B. Due Diligence from Acceptable Bidders (including Qualified Bidders).

Each Acceptable Bidder (including any Qualified Bidder) shall comply with all reasonable requests for additional information and due diligence access requested by the Debtors or their advisors and their respective advisors, regarding the ability of such Acceptable Bidder (including any Qualified Bidder) to consummate its contemplated transaction. Failure by an Acceptable Bidder (including any Qualified Bidder, other than a Stalking Horse Bidder, if any) to comply with such reasonable requests for additional information and due diligence access may be a basis for the Debtors, to determine that such bidder is no longer an Acceptable Bidder (including any Qualified Bidder, other than a Stalking Horse Bidder, if any) or that a bid made by such bidder is not a Qualified Bid.

The Debtors have designated Ronen Bojmel, Josh Mendelsohn, and Andrew Goodman of Guggenheim Securities to coordinate all reasonable requests for additional information and due diligence access. They can be reached at Ronen.Bojmel@guggenheimpartners.com; Josh.Mendelsohn@guggenheimpartners.com; and Andrew.Goodman@guggenheimpartners.com.

VIII. Bid Deadline.

Binding Bids must be submitted in writing to the aforementioned Notice Parties so as to be **actually received** no later than: (x) in the event there is at least one Acceptable Bidder, 5:00 p.m. (prevailing Eastern Time) on July 31, 2023 or (y) in the event there are no Acceptable Bidders, 5:00 p.m. (prevailing Eastern Time) on July 19, 2023.

The Debtors may extend the Bid Deadline for any reason whatsoever, in their reasonable business judgment for all or certain Acceptable Bidders.

IX. Evaluation of Qualified Bids.

The Debtors shall, in consultation with the Consultation Parties, evaluate Qualified Bids and identify the Qualified Bid that is, in the Debtors' business judgment, the highest or otherwise best Qualified Bid or combination of Qualified Bids for the New Equity Interests or the Assets, as applicable (the "Starting Bid"). The Debtors shall promptly provide to the Consultation Parties and the U.S. Trustee copies of all Bids received by the Debtors, including the Starting Bid, but in no event later than the next business day following receipt; *provided* that the Consultation Parties and the U.S. Trustee must treat such Bids and any related information as confidential and shall not publicly disclose such information without the written consent of the Debtors and the applicable bidder.

When determining the highest or otherwise best Qualified Bid, as compared to other Qualified Bids, the Debtors may consider the following factors, in addition to any other factors that the Debtors deem appropriate: (a) the amount and nature of the total consideration; (b) the likelihood of the Qualified Bidder's ability to close a transaction and the timing thereof; (c) the net economic effect of any changes to the value to be received by each of the Debtors' estates from the transaction contemplated by the Bid Documents; (d) whether the Qualified Bid contemplates a Sale Transaction for the Debtors' New Equity Interests or a Sale Transaction for the Assets; (e) whether the Qualified Bid contemplates a Sale Transaction that would be consummated through a Plan or a sale pursuant to section 363 of the Bankruptcy Code; (f) the certainty of a Qualified Bid leading to a confirmed Plan and (g) the tax consequences of such Qualified Bid. Prior to commencing the Auction, the Debtors shall notify the Stalking Horse Bidder, if any, and all Qualified Bidders as to which Qualified Bid is the Starting Bid for the Auction with respect to the applicable assets. At such time, the Debtors shall also distribute copies of the Starting Bid to the Stalking Horse Bidder, if any, and each Qualified Bidder.

X. Stalking Horse Bid Protections.

Pursuant to the Bidding Procedures Order, the Debtors may, with the consent of the Ad Hoc Group, and in consultation with the Committee, designate one or more Bidders to be a stalking horse Bidder (each a "Stalking Horse Bidder"), which if any, are entitled to certain Stalking Horse

Bid Protections (defined below) in the amounts set forth in, and in accordance with the terms of the Bidding Procedures Order. For the avoidance of doubt, except for the Stalking Horse Bidder, and as otherwise set forth herein, no other party submitting an offer, a Bid, or a Qualified Bid shall be entitled to any Expense Reimbursement, Break Up Fee, termination fee, or similar fee or payment.

In the event that the Debtors receive multiple Qualified Bids, at any time until (x) in the event there is at least one Acceptable Bidder, July 24, 2023, at 5:00 p.m. (prevailing Eastern Time), or (y) in the event there are no Acceptable Bidders, 5:00 p.m. (prevailing Eastern Time) on July 16, 2023, the Debtors shall be authorized, but not obligated, in their reasonable business judgment, with the consent of the Ad Hoc Group, and in consultation with the Committee, to (a) select one or more Acceptable Bidders to act as the Stalking Horse Bidder in connection with the Auction, and (b) in connection with any stalking horse agreement with a Stalking Horse Bidder (x) agree to provide a Break Up Fee not to exceed three percent of the Purchase Price and (y) agree to reimburse the reasonable and documented out of pocket fees and expenses of such Stalking Horse Bidder(s) the ("Stalking Horse Bid Protections").

In the event that the Debtors enter into a stalking horse agreement (the "Stalking Horse Agreement") with one or more Stalking Horse Bidders, within two business days of entry, the Debtors shall file a notice and proposed form of order with the Court designating a Stalking Horse Bidder and authorizing entry into a Stalking Horse Agreement (the "Stalking Horse Notice") and serve the Stalking Horse Notice on the Stalking Horse Bidder, the U.S. Trustee, and the Consultation Parties. The Stalking Horse Notice shall: (i) set forth the identity of the Stalking Horse Bidder (and if the Stalking Horse Bidder is a newly formed entity, then the Stalking Horse Bidder's parent company or sponsor); (ii) set forth the amount of the Bid submitted by the Stalking Horse Bidder and what portion (if any) is cash; (iii) state whether the Stalking Horse Bidder has any connection to the Debtors other than those that arise from the Bid submitted by the Stalking Horse Bidder; (iv) specify any proposed Stalking Horse Bid Protections (including the amount and calculation thereof); (v) specify whether the Bid submitted by the Stalking Horse Bidder includes the New Equity Interests or the Assets (and which Assets); (vi) attach the Stalking Horse Agreement, including all exhibits, schedules and attachments thereto; and (vii) set forth the deadline to object to the Stalking Horse Bidder designation and any Stalking Horse Bid Protections. If there are no objections to the Stalking Horse Notice within two business days of filing with the Court, (the "Notice Period"), the Debtors may submit an order to the Court that incorporates any comments received during the Notice Period that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse Agreement, without the need for further hearing. If a party timely files an objection to the Stalking Horse Notice, the Court shall hold a hearing after the expiration of the Notice Period and as soon thereafter as the Court is available.

Upon entry of an order that authorizes the Debtors to designate a Stalking Horse Bidder and to enter into a Stalking Horse Agreement (the "Stalking Horse Order"), the Debtors are authorized, but not directed, to incur and pay (a) the Break Up Fee in an amount not to exceed three percent of the proposed Purchase Price and (b) the Expense Reimbursement to each Stalking Horse Bidder in accordance with the terms of such Stalking Horse Order and Stalking Horse Agreement.

Except as otherwise set forth herein, no person or entity, other than a Stalking Horse Bidder, shall be entitled to any Expense Reimbursement, Break Up Fees, “topping,” termination, or other similar fee or payment, and by submitting a bid, such person or entity is deemed to have waived their right to request or to file with the Court any request for Expense Reimbursement or any fee of any nature, whether by virtue of Bankruptcy Code section 503(b) or otherwise.

XI. No Qualified Bids.

If any Bid is the only Qualified Bid received by the Bid Deadline, the Debtors may decide, in their reasonable business judgment, after consultation with the Consultation Parties, to designate such Bid as the Successful Bid (as defined below) as to the applicable Sale Package and pursue entry of an order approving a Sale Transaction with respect to such Sale Package. The Debtors shall promptly file notice of any cancellation of the Auction, where applicable, as the Successful Bid with the Court.

XII. Auction.

Other than as expressly set forth herein, if the Debtors receive more than one Qualified Bid for any particular Asset or portion of Sale Package by the Bid Deadline, the Debtors shall conduct the Auction to determine the Successful Bidder in their reasonable business judgment with respect to such Sale Package or portion of Sale Package. If the Debtors do not receive any Qualified Bid, the Debtors will not conduct the Auction. If one or more Qualified Bids (other than the Bid submitted by the Stalking Horse Bidder, if any) are received by the Bid Deadline with respect to the New Equity Interests or the Assets, then the Debtors shall conduct the Auction with respect to such New Equity Interests or Assets in accordance with the Auction Procedures (as defined below).

An Auction, if necessary shall commence on (x) in the event there is at least one Acceptable Bidder, August 7, 2023, at 10:00 a.m. (prevailing Eastern Time) or (y) in the event there are no Acceptable Bidders, July 24, 2023 at 10:00 a.m. (prevailing Eastern Time), or, in each case, such later time or other place as the Debtors determine in consultation with the Consultation Parties.

The Auction will be conducted in accordance with the following procedures (the “Auction Procedures”):

- a. except as otherwise provided herein, only Qualified Bidders shall be entitled to bid at the Auction;
- b. the Qualified Bidders, including any Stalking Horse Bidders, if any, must appear in person or through duly-authorized representatives at the Auction;
- c. bidding shall begin with the Starting Bid;
- d. subsequent bids (each, an “Overbid”) may only be made at the Auction and shall be at least (i) a 2% increase in cash, cash equivalents, or other such consideration that the Debtors, in their reasonable business judgment, deem equivalent (including the right of a secured creditor to credit bid any remaining amount of its secured claims) over the previous bid *plus* (ii) in the event that the Debtors have entered into a Stalking Horse Agreement to which the Overbid relates, the aggregate

amount of Stalking Horse Bid Protections (including, for the avoidance of doubt, any Break Up Fees and/or Expense Reimbursements) under such Stalking Horse Agreement (a “Minimum Overbid”), and each successive Overbid shall exceed the then-existing Overbid by an incremental amount that is not less than the Minimum Overbid. The Debtors may, in their reasonable business judgment and in consultation with the Consultation Parties, announce increases or reductions to the Minimum Overbid at any time during the Auction. For the avoidance of doubt, each successive Bid that a Qualified Bidder may submit at the Auction must contain a Purchase Price in cash, cash equivalents, or such other consideration that the Debtors, in their reasonable business judgment deem equivalent (including the right of a secured creditor to credit bid any remaining amount of its secured claims) that exceeds the then existing highest Bid by at least the amount of the Minimum Overbid;

- e. at the commencement of the Auction, the Debtors may announce procedural and related rules governing the Auction, including time periods available to all Qualified Bidders to submit successive bid(s);
- f. each Qualified Bidder will be permitted a reasonable time to respond to previous bids at the Auction, as determined by the Debtors; *provided*, that, unless the Debtors determine otherwise, a failure to respond and submit successive bid(s) at the Auction will result in disqualification;
- g. during the course of the Auction, the Debtors shall, after submission of each Overbid, promptly inform each Qualified Bidder of the terms of the previous bids and inform each Qualified Bidder which Overbid(s) reflect, in the Debtors’ view the highest or otherwise best bid(s) with respect to the New Equity Interests or the Assets, as applicable;
- h. the Auction will be transcribed to ensure an accurate recording of the bidding at the Auction;
- i. each Qualified Bidder will be required to confirm on the record that it has not engaged, and will not engage, in any collusion with respect to the bidding or any Sale Transaction. For the avoidance of doubt, (a) this requirements does not restrict Qualified Bidder(s) from working with other Qualified Bidder(s) with the Debtors’ prior written consent;
- j. each Qualified Bidder will be required to confirm that its bid is a good faith, *bona fide* offer and it intends to consummate the Sale Transaction if selected as the Successful Bid in accordance with these Bidding Procedures (as may be modified in accordance herewith at the Auction);
- k. the Court and the Debtors will not consider bids made after the Auction has been closed;
- l. the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, may reject, at any time before entry of an order of the Court

approving a Successful Bid, any Bid that the Debtors determine is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures, or the terms and conditions of the Sale Transaction, or (iii) contrary to the best interests of the Debtors, their estates, their creditors, and other stakeholders;

- m. the Debtors have the right to request any additional information that will allow the Debtors to make a reasonable determination as to a Qualified Bidder's financial and other capabilities to consummate the transactions contemplated by their proposal and any further information that the Debtors believe is reasonably necessary to clarify and evaluate any Bid made by a Qualified Bidder during the Auction; and
- n. notwithstanding anything herein to the contrary at any time choose to adjourn the Auction by announcement at the Auction. The Debtors shall promptly file notice of such adjournment with the Court.

For the avoidance of doubt, nothing in the Bidding Procedures, including the Auction Procedures, will prevent the Debtors from exercising their respective fiduciary duties under applicable law (as reasonably determined in good faith by the Debtors, in consultation with counsel).

Any Auction rules adopted by the Debtors will not modify any of the terms of the Stalking Horse Agreement or the rights of the Stalking Horse Bidder, if any, without the consent of the Stalking Horse Bidder, if any.

Except as otherwise determined by the Debtors only (i) the Debtors, (ii) the Consultation Parties, (iii) the Office of the United States Trustee, (iv) any other Qualified Bidders, and (v) the respective representatives and professionals of the foregoing parties shall be entitled to participate in the Auction, however, any party in interest may be permitted to attend the Auction.

XIII. Acceptance of the Successful Bid.

The Auction shall continue until (i) there is only one Qualified Bid or a combination of Qualified Bids that the Debtors determine, in their reasonable business judgment and in a manner consistent with the exercise of their fiduciary duties and outlined below in further detail, and in consultation with the Consultation Parties, is the highest or otherwise best bid to purchase the New Equity Interests or Assets, as applicable (each, a "Successful Bid"), and (ii) the Debtors determine, in their reasonable business judgment, in consultation with the Consultation Parties, that further bidding is unlikely to result in a different Successful Bid or Successful Bids that would be reasonably acceptable to the Debtors, at which point, the Auction will be closed.

When determining the highest or otherwise best Qualified Bid, as compared to other Qualified Bids, the Debtors may consider the following factors in addition to any other factors that the Debtors deem appropriate: (a) the amount and nature of the total consideration, which includes but is not limited to, assumed liabilities (administrative liabilities, cure payments), and the amount of executory contracts and leased locations being assumed; (b) the likelihood of the Qualified Bidder's ability to close a transaction and the timing thereof; (c) the net economic effect of any

changes to the value to be received by each of the Debtors' estates from the transaction contemplated by the Bid Documents; and (d) the tax consequences of such Qualified Bid; and (e) any other consideration that may impact the Debtors' stakeholders.

Any Qualified Bidder that submits a Successful Bid will be deemed a "Successful Bidder" with respect to the New Equity Interests or Assets contemplated for purchase pursuant to such Successful Bid. The Debtors shall file notice of the Successful Bid and the Successful Bidder with the Court as soon as reasonably practicable after conclusion of the Auction. Following conclusion of the Auction and selection of a Successful Bidder, the Debtors shall present the results of the Auction at a hearing and shall seek (a) certain findings from the Court regarding the Auction, including, among other things, that (i) the Auction was conducted, and the Successful Bidder or Successful Bidders were selected, in accordance with these Bidding Procedures, (ii) the Auction was fair in substance and procedure, and (iii) consummation of the Successful Bid or Successful Bids will provide the highest or otherwise best value for the New Equity Interests or Assets, as applicable, and is in the best interests of the Debtors' estates, and (b) Court approval to enter into a binding purchase agreement with the Successful Bidder on the terms of the Successful Bid.

Within one (1) business day of the selection of the Successful Bidder, such Successful Bidder (including both the Stalking Horse Bidder, if any, and Back-Up Bidder, if applicable) shall make a cash deposit, in addition to its Good Faith Deposit, in an amount calculated on the basis of the increased aggregate purchase price such that the Successful Bidder's total cash deposit is equal to ten percent of the aggregate purchase price, submitted by wire transfer of immediately available funds to an escrow account to be identified and established by the Debtors pursuant to a customary and reasonable escrow agreement; *provided* that the Agents shall not be required to make any deposit. Each Successful Bidder and the Debtors shall, as soon as commercially reasonable and practicable, complete and sign all agreements, contracts, instruments, or other documents evidencing and containing the terms upon which each such Successful Bid was made.

XIV. Designation of Back-Up Bidder.

The Back-Up Bid to purchase any applicable New Equity Interests or Assets (the "Back-Up Bidder") will be determined by the Debtors at the conclusion of the Auction, and will be announced at that time to all the Qualified Bidders participating in the Auction. The Debtors' selection of a Back-Up Bid shall be deemed final and the Debtors shall not accept any further bids or offers to submit a bid after such selection. The Debtors will be authorized, but not required, to consummate the Sale Transaction with the Back-Up Bidder without further order of the Court, so long as such Back-Up Bid shall have been approved in connection with the Court's approval of the Successful Bid, or subject to Court approval if not.

If for any reason a Successful Bidder fails to consummate the purchase of such New Equity Interests or Assets, as applicable, within the time permitted, then the Back-Up Bidder will automatically be deemed to have submitted the Successful Bid, and the Back-Up Bidder shall be deemed a Successful Bidder and shall be required to consummate any Sale Transaction with the Debtors as soon as is reasonably practicable without further order of the Court, upon 24 hours advance notice filed with the Court. To the extent any objections are raised and remain unresolved, the Court may schedule a hearing on an expedited basis to adjudicate such objection.

The Back-Up Bid shall remain open and irrevocable until the earliest to occur of (i) forty-five (45) days after completion of the Auction, (ii) consummation of a Sale Transaction with one or more Successful Bidders at an Auction, and (iii) the release of such Back-Up Bid by the Debtors in writing (the “Back-Up Termination Date”). The Debtors shall return the Back-Up Bidder’s deposit owed within five (5) business days of the Back-Up Termination Date.

XV. Confirmation Hearing.

In the event a transaction is consummated through a Plan, a hearing before the Court to consider confirmation of the Plan (the “Confirmation Hearing”) will be held at a date and time consistent with the any order approving the Debtors’ disclosure statement and scheduling applicable dates and deadlines related thereto, including confirmation of the Plan. The Confirmation Hearing will be before the Honorable John K. Sherwood, United States Bankruptcy Judge for the Bankruptcy Court for the District of New Jersey at 50 Walnut Street, 3rd Floor, Newark, New Jersey 07102, and otherwise in accordance with any scheduling orders entered by the Court relating to confirmation of the Plan or approval of any disclosure statement related thereto.

At the Confirmation Hearing, the Debtors will present the Plan, which may incorporate the terms of the Successful Bid or Successful Bids, to the Court for confirmation.

XVI. Return of Good Faith Deposit.

The Good Faith Deposit(s) of the Successful Bidder or Successful Bidders, if any, will, upon consummation of the Successful Bid or Successful Bids, become property of the Debtors’ estates and be credited to the portion of such Successful Bidder’s or Successful Bidders’ applicable Purchase Price.

If the Successful Bidder or Successful Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable), if any, fails to consummate the Successful Bid or Successful Bids (or Back-Up Bid or Back-Up Bids, if applicable), then the Good Faith Deposit(s) of such Successful Bidder or Successful Bidders (or Back-Up Bidder or Back-Up Bidders, if applicable) will be irrevocably forfeited to the Debtors and may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors.

The Good Faith Deposits of any unsuccessful Qualified Bidders (except for any Back-Up Bidder or Back-Up Bidders and any Stalking Horse Bidders) will be returned within five business days after consummation of the applicable Sale Transaction or upon the permanent withdrawal of the applicable proposed Sale Transaction.

The Good Faith Deposit(s) of any Back-Up Bidder or Back-Up Bidders, if any, will be returned to such Back-Up Bidder or Back-Up Bidders no later than five (5) business days of the Back-Up Termination Date.

The return of any Good Faith Deposits of any Stalking Horse Bidders will be subject to the terms of such Stalking Horse Bidders’ Plan or purchase agreement, as applicable. All such deposits shall be held in escrow and at no time shall be deemed property of the Debtors’ estates absent further order of the Court.

XVII. Reservation of Rights.

The Debtors reserve their rights to modify these Bidding Procedures in good faith, with the consent of the Ad Hoc Group, and in consultation with the Committee, to further the goal of attaining the highest or otherwise best offer, or impose, at or prior to the Auction, additional terms and conditions on the Sale. The Debtors shall provide notice of any such modification to any Qualified Bidder, including any Stalking Horse Bidders. Notwithstanding anything to the contrary herein, the Debtors may elect to consummate the Sale under section 363(f) of the Bankruptcy Code as opposed to pursuant to the Plan with the Successful Bidder or Successful Bidders.

XVIII. Consent to Jurisdiction.

All Qualified Bidders at the Auction will be deemed to have consented to the core jurisdiction of the Court and waived any right to a jury trial in connection with any disputes relating to the Auction, the Sale, the Sale Transaction(s) and the construction and enforcement of these Bidding Procedures, any written indications of interest, Preliminary Bid Documents, the Bids, the Bid Documents, and any and all other agreements entered into in connection with any proposed Sale Transaction, as applicable, and consented to the entry of a final order or judgment in any way related to these Bidding Procedures, the bid process, the Auction, the Sale Transaction hearing, or the construction and enforcement of any agreement or any other document relating to the Sale any Sale Transaction if it is determined that the Court would lack Article III jurisdiction to enter such a final order or judgment absent the consent of the parties.

Any parties raising a dispute relating to these Bidding Procedures must request that such dispute be heard by the Court on an expedited basis.

XIX. Fiduciary Out.

Notwithstanding anything to the contrary in these Bidding Procedures, nothing in these Bidding Procedures or the Bidding Procedures Order shall require a Debtor or the board of directors, board of managers, or similar governing body of a Debtor to take any action or to refrain from taking any action related to any sale transaction or with respect to these Bidding Procedures, to the extent such Debtor, board of director, board of managers, or such similar governing body reasonably determines in good faith, in consultation with counsel, that taking or failing to take such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law.

Further, notwithstanding anything to the contrary in these Bidding Procedures or the Bidding Procedures Order, through the date of the Auction (if held), nothing in these Bidding Procedures or the Bidding Procedures Order shall diminish the right of the Debtors and their respective directors, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives to: (a) consider, respond to, and facilitate alternate proposals for sales or other restructuring transactions involving New Equity Interests or the Assets (each an “Alternate Proposal”); (b) provide access to non-public information concerning the Debtors to any entity or enter into confidentiality agreements or nondisclosure agreements with any entity with respect to Alternate Proposals; (c) maintain or continue discussions or negotiations with respect to Alternate Proposals; (d) otherwise cooperate with, assist, participate in, or facilitate any

inquiries, proposals, discussions, or negotiations of Alternate Proposals; and (e) enter into or continue discussions or negotiations with any person or entity regarding any Alternate Proposal.

XX. DIP Orders & Restructuring Support Agreement.

For the avoidance of doubt, nothing in these Bidding Procedures shall amend, modify or impair any provision of the DIP Orders or the Restructuring Support Agreement, or the rights of the DIP Agent, Consenting Stakeholders, or the Required Consenting Term Lenders (as defined in the Restructuring Support Agreement), as applicable.

(III) Scheduling Bid Deadlines and an Auction, (IV) Approving the Form and Manner of Notice Thereof, and (V) Granting Related Relief [Docket No. 95] (the “Bidding Procedures Motion”).

PLEASE TAKE FURTHER NOTICE that on June 29, 2023, the Court entered the *Order (I) Approving the Bidding Procedures and Auction, (II) Approving Stalking Horse Bid Protections, (III) Scheduling Bid Deadlines and an Auction, (IV) Approving the Form and Manner of Notice Thereof, and (V) Granting Related Relief* [Docket No. 180] (the “Bidding Procedures Order”).

PLEASE TAKE FURTHER NOTICE that, on November 1, 2023, the Debtors filed the *Notice of Sale Transaction* [Docket No. 648] (the “Sale Transaction Notice”), by which the Debtors disclosed they had reached an agreement on the terms of a value-maximizing sale transaction of some or all of the Debtors’ assets (the “Asset Sale”) with Phoenix Data Center Holdings LLC (the “Purchaser”), an affiliate of Brookfield Infrastructure Partners L.P., and, with the consent of the Required Consenting Term Lenders, had “toggled” to an Asset Sale under the *Third Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 649] (as modified, amended, or supplemented from time to time, the “Plan”) (the “Brookfield Transaction”).

PLEASE TAKE FURTHER NOTICE that, pursuant to the terms of the Brookfield Transaction, the Purchaser will, among other things, purchase substantially all of the Debtors’ assets in exchange for \$775 million in cash, subject to certain adjustments. A copy of that certain Asset Purchase Agreement by and between Cyxtera Technologies, Inc. (together with certain of its Debtor affiliates and subsidiaries, the “Sellers”) and the Purchaser (the “Asset Purchase Agreement”) is attached hereto as **Exhibit A**.²

PLEASE TAKE FURTHER NOTICE that, in accordance with the Bidding Procedures Order, the Debtors have determined to designate the Purchaser as the Stalking Horse Bidder.

PLEASE TAKE FURTHER NOTICE that Section 8.2 of the Asset Purchase Agreement provides for, among other things, the following Bid Protections: (a) a Break Up Fee in an amount equal to \$23,250,000 (*i.e.*, 3% of the proposed Purchase Price), and (b) an Expense Reimbursement provision for reasonable and documented out-of-pocket expenses (including fees and expenses of counsel) incurred by the Purchaser or its Affiliates in connection with the negotiation, diligence, execution, performance, and enforcement of the Asset Purchase Agreement, in an amount not to exceed \$7,750,000 (the Break Up Fee and Expense Reimbursement together, the “Bid Protections”). In accordance with the Asset Purchase Agreement, the Bid Protections are in consideration for the Purchaser having expended considerable time and expense in connection with the Asset Purchase Agreement, the negotiation thereof, and the identification and quantification of assets of the Sellers.

PLEASE TAKE FURTHER NOTICE that the Purchaser does not have any connection to the Debtors other than those that arise from the Asset Purchase Agreement.

² Capitalized terms used herein but not otherwise defined shall have meanings ascribed to them in the Bidding Procedures Motion, the Bidding Procedures Order, or the Asset Purchase Agreement, as applicable.

PLEASE TAKE FURTHER NOTICE that, pursuant to the Bidding Procedures Order, if any party in interest wishes to object to the designation of the Purchaser as the Stalking Horse Bidder or the Bid Protections (an “Objection”), they must timely file such Objection with the Court no later than **November 6, 2023, at 4:00 p.m. (prevailing Eastern Time)** (the “Objection Deadline”).

PLEASE TAKE FURTHER NOTICE that if a timely Objection is filed and served in accordance with the Bidding Procedures, the proposed Bid Protections will not be approved until either the Objection is resolved by agreement of the objecting party and the Debtors or by entry of an order of the Court resolving such Objection. In the event, and only in the event, that an Objection has been timely and properly filed and served, and has not been resolved, a hearing to approve the Bid Protections will be held on **November 16, 2023, at 2:00 p.m. (prevailing Eastern Time)**, or as soon thereafter as counsel may be heard, at which the Court will consider confirmation of the Plan, including approval of the Brookfield Transaction. If an objecting party fails to appear at such hearing, its objection shall be deemed to have been waived and abandoned.

If no Objection is timely filed and served in accordance with the Bidding Procedures, the Court may enter an order approving the Bid Protections, in the form attached hereto as **Exhibit B** (the “Proposed Order”), upon the expiration of the Objection Deadline. Upon approval of the Proposed Order, the Bid Protections shall be payable in accordance with, and subject to the terms thereof and the Asset Purchase Agreement.

(l) all Liabilities for fees, costs and expenses that have been incurred or that are incurred, owed or subject to reimbursement by Sellers or any of the Acquired Entities or, in each case, any of their predecessors in connection with this Agreement or the administration of the Bankruptcy Cases and all costs and expenses incurred in connection with (i) the negotiation, execution and consummation of the Transactions and each of the other documents delivered in connection herewith and (ii) the consummation of the transactions contemplated by this Agreement, including any retention bonuses, “success” fees, change of control payments and any other payment obligations of Sellers or of any of their predecessors payable as a result of the consummation of the Transactions and the documents delivered in connection herewith other than as contemplated by Section 1.5;

provided that in the event of a conflict between the terms of Section 1.3 and this Section 1.4, the terms of Section 1.3 will control; provided, however, that the Sellers hereby agree that Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any (i) Liabilities that arose prior to the Petition Date, including any Claims under Section 502(g) of the Bankruptcy Code; and (ii) any Claims, Administrative Claims, or other Liabilities of the Debtors or the Post-Effective Date Debtors that do not constitute Acquired Assets or Assumed Liabilities; provided further, however, if an Assumed Liability is an Allowed Administrative Claim, whether such Liability arose or is deemed to have arisen prior to the Petition Date shall not determine whether such Liability is an Excluded Liability for purposes hereunder.

Notwithstanding the foregoing, Purchaser hereby acknowledges and agrees that no Liability of any Acquired Entity shall be an Excluded Liability and that all Liabilities of any Acquired Entity as of the Closing shall continue to be the Liabilities of such Acquired Entity following the Closing.

1.5 Assumption/Rejection of Certain Contracts.

(a) Schedule 1.5(a) sets forth a true, complete and correct list, as of such date of delivery, of all executory Contracts and unexpired Acquired Leases to which any Seller is a party that are available for Purchaser to potentially acquire pursuant to Section 1.1(a) and Section 1.1(e) (the “Available Contracts”), including Sellers’ proposed Cure Costs associated with each such Contract and unexpired Lease set forth therein (the “Proposed Cure Costs”), which Schedule 1.5(a) may with the prior written consent of Purchaser (not to be unreasonably withheld, conditioned or delayed) be updated from time to time to add or remove any Contracts or Leases inadvertently included or excluded from such schedule or entered into following the date of such Schedule in accordance herewith. Upon written request by Purchaser, Sellers shall provide to Purchaser as promptly as practicable an updated Schedule 1.5(a) setting forth, to the Knowledge of Sellers, the Proposed Cure Costs as of the date of such request with respect to any Contracts or Leases identified by Purchaser in such written request.

(b) From the date hereof until the date that is ten (10) days prior to the scheduled Closing Date, Purchaser may, in its sole discretion, (i) designate any Contract, including any Intellectual Property license, and any Lease, in each case listed on Schedule 1.5(a) (other than any Excluded Data Center Contracts), for assumption and assignment to Purchaser or its Designee(s), effective on and as of the Closing, or (ii) designate any Contract (but only with the prior written consent of CTI (not to be unreasonably withheld, conditioned or delayed)) or Lease listed on Schedule 1.5(a) as an Excluded Contract for rejection effective on or as soon as reasonably practicable after the Closing (subject to Section 1.5(i)). Automatically upon any such designation by Purchaser in accordance with Section 1.5(b), any such Contract or Lease designated under Section 1.5(b)(i) shall be an Assigned Contract and any such Contract or Lease designated under Section 1.5(b)(ii) shall be an Excluded Contract for all purposes of this Agreement, and in each case with respect to an Excluded Contract, no Liabilities arising thereunder or relating thereto shall be assumed by Purchaser or be the Liability or responsibility of Purchaser, in each case, except as expressly set forth in this Section 1.5 or as Purchaser may otherwise consent to in writing (email being sufficient).

(c) The Assigned Contracts as of the date hereof that are to be assumed and assigned effective on and as of the Closing are set forth on Schedule 1.1(a) hereto, which Schedule shall (and shall be deemed to) (i) include, as of the date hereof, all Available Contracts, other than any Available Contracts set forth on Schedule 1.2(b) and the Excluded Data Center Contracts and (ii) be modified or supplemented to reflect additions or removals, as applicable, of Leases and Contracts that are (x) designated for assumption and assignment or (y) designated for rejection, in each case, as set forth in Section 1.5(b).

(d) Purchaser shall be responsible for the payment of any and all Liabilities of Purchaser, Sellers or any of their respective Affiliates under any Contracts or Leases that are designated for assumption and assignment (except for any Cure Costs, which shall be paid by Sellers in accordance with Section 5.2), in each case, that are incurred and come due and payable

during the period from and after the Closing through the effective date of such Contract's or Lease's assumption and assignment to Purchaser or its Designee in accordance with this Agreement. For the avoidance of doubt, from and after the Closing, Purchaser or its Designee shall pay all such Liabilities, and such other costs for which Purchaser is responsible under Section 1.5(i) (solely with respect to Acquired Leases), on a current basis as and when they come due and payable.

(e) Sellers shall provide timely and proper notice of the motion seeking entry of the Confirmation Order to all parties to any executory Contracts or unexpired Leases to which any Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Assigned Contracts to be assumed by the Seller and assigned to the Purchaser (or its Designee) pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code. Sellers and Purchaser shall take all actions reasonably required to assume and assign the Assigned Contracts to Purchaser or its Designee (and for Purchaser or its Designee to assume all Assumed Liabilities in connection therewith), including taking all actions reasonably necessary to facilitate any negotiations with the counterparties to such Contracts or Leases and, if necessary, to obtain an Order of the Bankruptcy Court (which may be the Confirmation Order) containing a finding that the proposed assumption and assignment of the Contracts or Leases to Purchaser or its Designee satisfies all applicable requirements of sections 365 and 1123(b)(2) of the Bankruptcy Code. In the case of any Contract or Lease of a Canadian Seller listed on Schedule 1.5(a), the Canadian Sellers and Purchaser shall cooperate in good faith to provide for treatment of each such Contract or Lease in accordance with this Agreement, and pursuant to the pending CCAA Proceeding of such Canadian Sellers to the extent permitted by or otherwise in accordance with applicable Law.

(f) From the date any Contract or Lease is designated for assumption and assignment pursuant to Section 1.5(b) and continuing until such time as it is assumed by Purchaser or its Designee as an Assigned Contract, Sellers shall not reject, terminate, amend, supplement, modify, or waive or take affirmative action to exercise any rights under such Contract or Lease, without the prior written consent of Purchaser.

(g) From and after the Closing Date until sixty (60) days following Closing, the Seller Parties and Purchaser may (but shall have no obligation to) mutually agree to seek authorization from the Bankruptcy Court pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code to assume and assign a Contract that was not identified as an Assigned Contract as of Closing.

(h) If prior to the entry of a final decree closing the Chapter 11 Cases it is discovered by any Party that a Contract or Lease that is related to the business or the Acquired Assets was excluded from Schedule 1.5(a) (any such Contract, a "Previously Omitted Contract"), the discovering Party shall, promptly following the discovery thereof (but in no event later than three (3) Business Days following the discovery thereof), notify the other Party in writing of such Previously Omitted Contract. If Purchaser wishes for the applicable Seller to assign such Previously Omitted Contract to Purchaser, Purchaser shall designate such contract as an Assigned Contract (i) within ten (10) Business Days following receipt of such notice from Seller or (ii) if such Previously Omitted Contract is identified prior to the Closing, on or before the Closing. Any such designated Previously Omitted Contract shall be deemed an Assigned Contract for all purposes under this Agreement. The Seller Parties and Purchaser shall seek authorization from the

Bankruptcy Court pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code to assume and assign any such Contract if so requested by Purchaser. If Purchaser fails to timely deliver a Designation Notice providing for the assumption and assignment of such Previously Omitted Contract, such Previously Omitted Contract shall be for all purposes under this Agreement an Excluded Contract.

(i) With respect to any Acquired Lease that Purchaser designates for rejection after the date hereof in accordance with Section 1.5(b), for a period from the Closing through and until the termination of all operations at and occupancy of all such sites:

(i) Purchaser shall be responsible for the payment of any actual and necessary costs and expenses and Liabilities of Sellers or their estates to third parties and actually incurred from and after the Closing in connection with (including any Taxes resulting solely from and that would not have been incurred but for) (A) the rejection of such Lease, (B) the winddown of all operations at, and the transfer or removal of all customers from, the site governed by such Lease, (C) all actions taken by Purchaser or its Affiliates or Advisors in connection with the foregoing; and (D) any incremental reasonable and documented out-of-pocket costs and expenses payable to Advisors or other professional service providers or otherwise by Sellers or their estates in connection with the foregoing matters; provided, that Purchaser shall only be responsible for such costs and expenses that constitute Administrative Claims that are Allowed; and provided further that Purchaser shall be entitled to all revenue or other proceeds generated from and after the Closing Date from the operations at the site governed by such Lease or the disposition of any assets (tangible or intangible) located at or related to the operations at the site governed by such Lease, it being the intent of the Parties that Purchaser bear the net economic benefit or burden of such operations from and after the Closing; provided further, however, that Purchaser shall not be responsible for the payment of any Claims arising prior to the Petition Date, including any Claims under Section 502(g) of the Bankruptcy Code, including Claims for rejection damages;

(ii) Purchaser acknowledges and agrees that Purchaser, its Affiliates, and its customers will be required to vacate the premises governed by such Lease in accordance with applicable Law and the Bankruptcy Code and any Orders of the Bankruptcy Court or CCAA Court (including the Confirmation Order with respect to (and the effectiveness of) the Plan) and Purchaser shall be responsible for any and all Liabilities related to such vacating of the premises, including related to any breach of Contract, Order, or Law arising from Purchaser or any customer failing to timely vacate (or leaving behind or abandoning any tangible assets at) such premises;

(iii) Purchaser shall, upon reasonable request, provide to Sellers any and all personnel, services, systems, and other resources as are reasonably necessary in connection with the continued operation until, and the completion of, the winddown of all operations at the site governed by such Lease, and Purchaser shall be responsible for all costs, expenses, and other Liabilities of the type and nature described in Section 1.5(i)(i) or Section 1.5(i)(ii) in connection therewith;

(iv) Sellers shall reject such Lease as requested by Purchaser in accordance with this Section 1.5 and subject to Section 1.5(i)(ii);

(v) Purchaser shall direct and control all operations at the site governed by such Lease and the winddown thereof, including personnel at such site, all communications and relations with the customers at such site and their potential relocation, until the termination of all operations at and occupancy of such site; provided that each Seller agrees to use its reasonable best efforts to reasonably cooperate with Purchaser in effectuating, and timely provide any reasonable assistance requested by Purchaser, the winddown of operations and occupancy at such site; and

(vi) Notwithstanding anything else to the contrary herein and the retention of bare legal title of any Lease by Sellers, Purchaser or a Designee shall acquire all benefits and assume all burdens of ownership with respect to the Leases (and the Parties intend that the provisions herein be interpreted consistent with this Section 1.5(i)(vi)) and the Parties agree that Purchaser or a Designee shall be treated as having acquired such Lease and any related intangible for U.S. federal (and other applicable) income Tax purposes as of the Closing.

1.6 Non-Assignment. Notwithstanding anything herein to the contrary, a Contract, Lease or insurance policy (each, a "Specified Asset") shall not be an Assigned Contract or Acquired Asset, as applicable, hereunder and shall not be assigned to, or assumed by, Purchaser or its Designee to the extent that such Specified Asset (i) is terminated by a Seller (subject to Section 6.1(b)(v)) or the counterparty thereto, or terminates or expires by and in accordance with its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract or Acquired Asset, as applicable, hereunder and is not continued or otherwise extended upon assumption, or (ii) requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its Designee of the applicable Seller's rights under such Specified Asset, and such Consent or Governmental Authorization has not been obtained prior to the Closing. In addition, a Permit or Governmental Authorization shall not be assigned to, or assumed by, Purchaser or its Designee to the extent that such Permit or Governmental Authorization requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its Designee of the applicable Seller's rights under such Permit or Governmental Authorization, and no such Consent or Governmental Authorization has been obtained prior to the Closing. In the event that any Specified Asset is deemed not to be assigned pursuant to clause (ii) in the first sentence of this Section 1.6 or any Permit is deemed not to be assigned pursuant to the second sentence of this Section 1.6, the Closing shall nonetheless occur subject to the terms and conditions set forth herein and, thereafter, through the earlier of (x) such time as such Consent or Governmental Authorization is obtained and (y) twelve (12) months following the Closing (or in each case of clauses (x) and (y), the remaining term of such Contract or the closing of the Bankruptcy Case, if shorter), Sellers and Purchaser shall (A) use commercially reasonable efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser or a Designee or an Affiliate thereof any or all of any Seller's rights and obligations with respect to any such Specified Asset or Permit or Governmental Authorization, under which

(1) Purchaser or its Designee shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits under such Specified Asset or Permit or Governmental Authorization with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser or its Designee shall assume any related burden and obligation (including performance) with respect to such Specified Asset or Permit or Governmental Authorization, in each case, subject to the final sentence of this Section 1.6. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Specified Asset or Permit or Governmental Authorization after the Closing, Seller's right, title and interest in and to such Specified Asset or Permit or Governmental Authorization shall promptly be transferred and assigned to Purchaser or its Designee(s) in accordance with the terms of this Agreement, the Plan, the Confirmation Order, and the Bankruptcy Code. Notwithstanding anything herein to the contrary (x) the provisions of this Section 1.6 shall not apply to any Consent or approval required under the HSR Act and any Antitrust Laws, which Consent or approval shall be governed by Section 6.4 and the Bankruptcy Code. Without limitation of the foregoing, prior to the Closing, Sellers shall cooperate with Purchaser or its Designee in connection with obtaining any Consent, including by providing Purchaser or its Designee with reasonable access to and facilitating discussions with the applicable counterparties (after consultation with, and with the presence or participation of, Sellers) in respect of such Consents, and shall use commercially reasonable efforts to assist Purchaser or its Designee with obtaining such Consents as promptly as practicable after the date hereof and prior to the Closing. The Parties shall reasonably cooperate to effect any transfers or other arrangements described in this Section 1.6 in a manner that is mutually Tax efficient for the Parties and their respective Affiliates, including by treating any Seller (or applicable Affiliate thereof) initially in possession of any payment referenced in this Section 1.6 after the Closing as holding such payment as an agent or nominee for the Purchaser or its applicable Designee for income and other applicable Tax purposes to the extent permitted by applicable Law.

1.7 Designated Purchaser(s).

(a) In connection with the Closing, Purchaser shall be entitled to designate, in accordance with the terms and subject to the limitations set forth in this Section 1.7, one (1) or more of its Affiliates or, with the prior written consent of CTI (which shall not be unreasonably withheld, conditioned or delayed and which may be by email (it being agreed that it would be unreasonable for CTI not to consent to the Person (or any of its Affiliates) previously identified by Purchaser to Sellers as a possible Designee)), any other Person, in each case, to exercise Purchaser's rights or obligations to acquire any of the Acquired Assets and assume any of the Assumed Liabilities, in accordance with Sections 1.1 and 1.3 and all of the other terms of this Agreement applicable thereto (each such Person that is properly designated by Purchaser in accordance with this Section 1.7, a "Designee"); provided that no such designation would materially delay the Closing or materially and adversely affect the receipt of any regulatory approval. Prior to the Closing, Purchaser may rescind any such designation upon written notice to CTI (including via email). At and after the Closing, Purchaser shall, or shall cause its respective Designee(s) to, honor Purchaser's obligations (to the extent of the designation) at and from and after the Closing, and the Purchaser shall not be relieved of any Liability or obligation hereunder until satisfaction of such Liability or obligation by such Designee(s). Purchaser shall, promptly upon request by CTI, reimburse Sellers for their reasonable and documented out-of-pocket costs arising out of their complying with their obligations under this Section 1.7(a) and Section 6.18; provided that such reimbursable costs shall not exceed \$250,000 in the aggregate without

Purchaser's prior written consent. Purchaser shall further indemnify and hold harmless the Seller Parties from and against any and all Liabilities (other than Liabilities in respect of income Taxes, except to the extent such Liabilities in respect of income Taxes constitute Assumed Liabilities under Section 1.3(f)), suffered or incurred by them solely as a result of (and which would not have arisen but for) their complying with their obligations under this Section 1.7(a) and Section 6.18, in each case, except such Liabilities suffered or incurred as a result of such Person's gross negligence, willful misconduct or willful breach of this Agreement, in each case, as determined by a final, non-appealable decision of a court of competent jurisdiction. After the Closing, any reference to Purchaser made in this Agreement in respect of any purchase, assumption or employment referred to in this Agreement shall be deemed to include reference to Purchaser's Designee(s), if any, whether or not such reference so appears. For the avoidance of doubt, by agreeing to honor Purchaser's obligations pursuant to this Section 1.7, a Designee agrees, and such Designee shall agree in writing, to be bound by all obligations applicable to Purchaser (to the extent of the designation), including those covenants contained in Article VI; provided that notwithstanding the designation of any one or more Designee(s) pursuant to this Section 1.7(a), from and after the date of any designation of a Designee and continuing after the Closing, except as required by applicable Law or to the extent necessary to effect the Transactions contemplated herein, Sellers shall be entitled to engage solely with and rely solely on any action, omission, decisions, communications, or writings of Purchaser (including on behalf of any Designee) with respect to any matters arising under and related to this Agreement or the Transactions, including the matters contemplated by Section 2.7, Article VI, Article IX, or any Agreement Dispute, including with respect to any waiver of any Closing condition or amendment to this Agreement. Notwithstanding anything to the contrary set forth herein, Sellers shall not have any Liability, including to any Designee, for any act or omission taken or not taken in reliance upon the actions taken or not taken or decisions, communications or writings made, given or executed by Purchaser on behalf of any Designee.

(b) The designation of a Designee in accordance with this Section 1.7 shall be made by Purchaser by way of a written notice to be delivered to the Sellers in no event later than five (5) Business Days prior to the Closing.

(c) For the avoidance of doubt, in the event any Designee fails to comply with any of its obligations hereunder (including with respect to any DLR Transaction and including any failure to deliver any items required to be delivered by such Designee at or prior to the Closing) or fails to comply with any Contract or obligations with Purchaser or any of its Affiliates, Purchaser shall still be required to consummate the Closing and the Transactions in accordance with the terms and subject to the conditions of this Agreement as if such Designee was not a Designee hereunder (which may include, if applicable as a result of any of the foregoing, not consummating the applicable DLR Transaction).

1.8 Certain Bank Accounts. At the Closing, Sellers shall cause Cyxtera Receivables Holdings, LLC, a Delaware limited liability company and Subsidiary of Sellers, to deliver to Purchaser all right, title and interest of Cyxtera Receivables Holdings, LLC in, to and under all

bank accounts thereof, free and clear of all Encumbrances other than Permitted Post-Closing Encumbrances.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment; Estimated Adjustment Amount.

(a) The aggregate consideration (collectively, the “Purchase Price”) to be paid by or on behalf of Purchaser at the Closing for the purchase of the Acquired Assets shall be the sum of (i) a cash payment of \$775,000,000, plus (ii) the Estimated Adjustment Amount (which may be expressed as a positive or negative number) (the result of (i) and (ii), the “Cash Payment”) and (iii) the assumption of the Assumed Liabilities in accordance herewith. At least five (5) Business Days prior to the scheduled Closing Date, CTI (on behalf of the Sellers) shall deliver (or cause to be delivered) to Purchaser, a preliminary statement (the “Estimated Closing Statement”) that sets forth the Sellers’ good faith estimates of the (i) Cash Amount, (ii) Closing Working Capital and the resulting estimated Working Capital Overage or Working Capital Underage, if any, (iii) Factoring Facility Payoff Amount and (iv) Adjustment Amount resulting therefrom (which may be expressed as a positive or negative number) (such amount in the foregoing clause (iv), the “Estimated Adjustment Amount”), in each case, prepared in accordance with Exhibit F hereto and this Agreement, and accompanied by reasonably detailed supporting documentation for the estimates and calculations contained therein. The Cash Amount, the Closing Working Capital, the Working Capital Overage or Working Capital Underage, as applicable, the Factoring Facility Payoff Amount and the Adjustment Amount will be determined in accordance with the definitions set forth in this Agreement and will not include any changes in assets or liabilities as a result of purchase accounting adjustments. During the period after the delivery of the Estimated Closing Statement and prior to the Closing Date, Purchaser shall have an opportunity to review the Estimated Closing Statement and CTI (on behalf of the Sellers) shall provide Purchaser and its Advisors reasonable access to all properties, books and records relating thereto and the officers and other employees and advisors of the Sellers and their Affiliates, in each case, to the extent reasonably necessary to assist Purchaser and its Advisors in their review of the Estimated Closing Statement. CTI (on behalf of the Sellers) shall cooperate with Purchaser in good faith to mutually agree upon the Estimated Closing Statement in the event Purchaser disputes any item proposed to be included therein, and the Estimated Closing Statement shall be updated by CTI (on behalf of the Sellers) accordingly to reflect any such resolution prior to the Closing; provided that, to the extent that CTI (on behalf of the Sellers) and Purchaser do not agree (it being understood that neither Party shall be required to agree with the other Party) as to any one or more items by the day immediately preceding the Closing Date, then with respect to each such item the amount of such item set forth in the initial Estimated Closing Statement sent by CTI (on behalf of the Sellers) will be used for purposes of calculating the Cash Payment for the Closing.

(b) At the Closing, Purchaser (or its Designee) shall deliver, or cause to be delivered, to Sellers an aggregate amount equal to the Cash Payment less the Deposit (the “Closing Date Payment”); provided that, in the event that a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b), the Closing Date Payment for all purposes of this Agreement shall be reduced by the sum of (i) the DLR Closing Proceeds that are actually delivered, or caused to be delivered, in cash by the UK Seller, the Germany Seller, or the Singapore Seller (as

applicable) to the other Sellers prior to or at the Closing pursuant to Section 6.20 and (ii) the US Intangibles Consideration Payment. Subject to Section 6.20, the Closing Date Payment and any cash payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Person to (or for the benefit of) whom such payment is to be made, with such designation to be made at least two (2) Business Days prior to the date such payment is to be made.

(c) In the event that the transactions contemplated by the Specified Agreement are consummated in accordance therewith following the Closing, but prior to the date that is ninety (90) days following the Closing Date (the “Specified Date”), and Purchaser (or its applicable Affiliate) actually receives the Closing Date Payment (as defined in the Specified Agreement) prior to the Specified Date, Purchaser shall promptly deliver to Sellers, by wire transfer of immediately available funds to such bank account as shall be designated in writing by CTI, cash in an aggregate amount equal to the Adjusted Specified Closing Date Payment. For purposes of this Agreement, the “Adjusted Specified Closing Date Payment” shall mean the amount equal to (i) the Closing Date Payment (as defined in the Specified Agreement) less (ii) the aggregate amount of all costs, expenses and Taxes incurred by Purchaser and its Affiliates in connection with, or in consummating, the transactions contemplated by the Specified Agreement from and after the Closing, which Taxes shall be computed by Purchaser in its good faith discretion and by assuming that Purchaser and its applicable Affiliates have no Tax attributes or assets other than any basis in the assets sold pursuant to the Specified Agreement actually available to the applicable Affiliate of Purchaser acquiring such assets under the terms of this Agreement. Notwithstanding anything to the contrary herein, including Sections 1.1(a), 1.1(s), 1.2(b) and 1.2(l) or in the definition of Excluded Data Center Contracts, in the event that the transactions contemplated by the Specified Agreement are consummated following the Closing, but prior to the Specified Date, (i) the Specified Agreement shall be deemed an Excluded Contract and (ii) the “Acquired Assets” (as defined in and only to the extent defined in the Specified Agreement) shall be deemed Excluded Assets, in the case of each of the foregoing clauses (i) and (ii), as of the Closing for all purposes of this Agreement. In furtherance of the foregoing, the Parties will execute and deliver, or cause to be executed and delivered, all such documents and instruments, and will take, or cause to be taken, all such further or other actions as may be reasonably necessary or desirable to evidence and effectuate the transactions contemplated in this Section 2.1(c).

2.2 Deposit.

(a) Purchaser will, no later than forty-eight (48) hours after the date hereof, make, or cause to be made, an earnest money deposit with Acquiom Clearinghouse LLC (the “Escrow Agent”) in the amount equal to \$77,500,000 (the “Deposit”), by wire transfer of immediately available funds for deposit into a separate segregated, interest bearing escrow account (the “Escrow Account”) maintained by the Escrow Agent in accordance with the Bidding Procedures Order and established pursuant to the escrow agreement, dated as of the date hereof, by and among CTI, Purchaser and the Escrow Agent (the “Escrow Agreement”). The Deposit shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of any Seller or Purchaser and, if the Closing occurs, shall be applied in accordance with Section 2.2(e).

(b) If this Agreement has been terminated by Sellers pursuant to Section 8.1(d) or 8.1(f) (or by Purchaser pursuant to Section 8.1(c)), in circumstances where Sellers would be entitled to terminate this Agreement pursuant to Section 8.1(d) or 8.1(f), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Seller, and Seller shall retain the Deposit (together with any and all investment interest thereon if any).

(c) If this Agreement has been terminated by any Party, other than as contemplated by Section 2.2(b), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Purchaser, and the Deposit, together with any and all investment interest thereon, if any, shall be returned to Purchaser within five (5) Business Days after such termination.

(d) The Parties agree that Sellers' right to retain the Deposit, as set forth in Section 2.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(e) If the Closing occurs, at the Closing, the Parties shall deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer, by wire transfer of immediately available funds, an amount equal to (i) 100% of the Deposit minus (ii) the Adjustment Escrow Amount to such account(s) as may be designated by Seller as a credit toward payment of the Cash Payment pursuant to Section 2.1(a), and the remaining portion of the Deposit in the Escrow Account shall continue to be held in accordance with the Escrow Agreement and the terms and conditions of this Agreement.

2.3 Closing.

(a) Except as set forth in Section 2.3(b), if applicable, the closing of the purchase and sale of the Acquired Assets, the delivery of the Closing Date Payment, and the assumption of the Assumed Liabilities in accordance with this Agreement (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the fourth (4th) Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or due waiver (by the Party entitled to the benefit of such condition) at the Closing), or at such other place and time as the Parties may agree in writing; provided that, without limiting the foregoing, the Closing Date will coincide with the Effective Date of the Plan; provided, further, that, notwithstanding the full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in

Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or due waiver (by the Party entitled to the benefit of such condition) at the Closing), the Closing shall not occur prior to January 2, 2024 without the prior written consent of the Purchaser. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

(b) Notwithstanding the generality of Section 2.3(a), if Purchaser provides CTI with written notice, at least ten (10) Business Days prior to the anticipated Closing Date, of its election to effect (x) the UK Transaction in accordance with Section 6.18(a), (y) the Germany Transaction in accordance with Section 6.18(b), or (z) the Singapore Transaction in accordance with Section 6.18(c) (any such notice, a “DLR Election Notice”, and any transactions to be consummated in accordance with such a DLR Election Notice, a “DLR Transaction”, and collectively, the “DLR Transactions”), then at the Closing, the Parties shall take, or cause to be taken, the following actions in the order set forth below (it being understood that no successive step shall be undertaken or initiated until the immediately preceding step has been completed), it being understood that the Parties shall coordinate timing of the payments in clause (i) below at such times which are feasible in the time zones of the applicable jurisdictions:

(i) *first*, (w) the consummation of the UK Transaction and the delivery of the UK Consideration Payment in accordance with Section 6.18(a), (x) the consummation of the Germany Transaction and the delivery of the Germany Consideration Payment in accordance with Section 6.18(b), (y) the consummation of the Singapore Transaction and the delivery of the Singapore Consideration Payment in accordance with Section 6.18(c), and (z) the consummation of the US Intangibles Transfer and the delivery of the US Intangibles Consideration Payment in accordance with Section 6.18(d), in the case of each of the foregoing clauses (w), (x), (y) and (z), occurring simultaneously and solely to the extent contemplated in the DLR Election Notice provided by Purchaser to CTI in accordance with this Section 2.3(b);

(ii) *second*, the distribution of the Aggregate DLR Consideration Amount to an applicable Seller(s) in accordance with Section 6.20; and

(iii) *third*, the consummation of the remaining transactions contemplated by this Agreement to be completed at the Closing pursuant to Section 2.3, taking into account the foregoing clauses (i) and (ii).

2.6 Post-Closing Adjustment.

(a) Within ninety (90) days after the Closing Date, Purchaser shall deliver (or shall cause to be delivered) to CTI (on behalf of all of the Sellers) a statement (the "Statement") setting forth Purchaser's good faith calculations of (i) Cash Amount, (ii) Closing Working Capital and the resulting estimated Working Capital Overage or Working Capital Underage, if any, (iii) the Factoring Facility Payoff Amount and (iv) the Adjustment Amount resulting therefrom (which may be expressed as a positive or negative number), accompanied by reasonably detailed supporting documentation for the estimates and calculations contained therein, including changes from the corresponding amounts in the Estimated Closing Statement. Purchaser shall not amend, supplement or modify the Statement following its delivery to CTI. The Cash Amount, the Closing Working Capital, the Working Capital Overage or Working Capital Underage, as applicable, the Factoring Facility Payoff Amount and the Adjustment Amount will be determined in accordance with the definitions set forth in this Agreement and will not include any changes in assets or liabilities as a result of purchase accounting adjustments. The Parties agree that the purpose of determining the Final Adjustment Amount is solely to accurately measure changes (if any) in the Estimated Adjustment Amount set forth in the Estimated Closing Statement in accordance with this Agreement (including Exhibit F) in order to determine the Seller Adjustment Amount or Purchaser Adjustment Amount, as applicable, and that such processes are not intended to permit the introduction of principles, policies, practices, procedures, methodologies, classifications or methods that are different from those set forth in Exhibit F.

(b) The Statement shall become final and binding upon all of the Parties at 5:00 p.m. in New York, New York on the thirtieth (30th) day following the date on which the Statement was timely delivered by Purchaser to CTI within the applicable number of days as set

forth in Section 2.6(a), unless CTI (on behalf of the Sellers) delivers written notice of its disagreement with the Statement (a “Notice of Disagreement”) to Purchaser prior to such time. Any Notice of Disagreement shall specify in reasonable detail the nature and the amount of any disagreement so asserted. If a Notice of Disagreement is received by Purchaser in accordance with the first sentence of this Section 2.6(b) then the Statement (as revised in accordance with this Section 2.6(b)) shall become final and binding upon the Sellers and Purchaser on the earlier of (i) the date CTI (on behalf of the Sellers) and Purchaser resolve in writing any and all differences they have with respect to the matters specified in the Notice of Disagreement and (ii) if any differences remain that CTI and Purchaser are unable to resolve following the Discussion Period referred to below, the date any such remaining disputed matters are finally resolved in writing by the Independent Accountant. During the fourteen (14)-day period (or such longer period as the Parties may agree in writing, the “Discussion Period”) following the delivery of a Notice of Disagreement, CTI (on behalf of the Sellers) and Purchaser shall seek in good faith to resolve in writing any differences that they may have with respect to the matters specified in the Notice of Disagreement. All discussions related thereto will be governed by Rule 408 of the Federal Rules of Evidence (as in effect as of the date of this Agreement) and any applicable similar state rule, unless otherwise agreed in writing by Sellers and Purchaser. If at the end of such Discussion Period, CTI (on behalf of the Sellers) and Purchaser have not resolved in writing the matters specified in the Notice of Disagreement, then, no later than ten (10) days following such Discussion Period, CTI and Purchaser shall submit to the Independent Accountant for resolution, in accordance with the standards set forth in this Section 2.6. Each of CTI (on behalf of the Sellers) and Purchaser shall use reasonable efforts to cause the Independent Accountant to render a written decision resolving the matters submitted to the Independent Accountant within thirty (30) days of the receipt of such submission, and the Independent Accountant shall resolve only matters that remain in dispute as submitted by the Parties. Purchaser and CTI (on behalf of the Sellers) will execute a customary engagement letter if so requested by the Independent Accountant and will cooperate with the Independent Accountant during the term of its engagement. The Independent Accountant will have exclusive jurisdiction over any disputes arising out of or relating to the adjustments pursuant to this Section 2.6, and resort to the process involving the Independent Accountant as provided in this Section 2.6(b) will be the only recourse and remedy of the Parties against one another with respect to any such dispute. The scope of the disputes to be resolved by the Independent Accountant shall be limited to correcting mathematical errors and determining whether the items in dispute were determined in accordance with this Agreement. The Independent Accountant’s decision shall be based solely on written submissions by CTI (on behalf of the Sellers) and Purchaser and their respective Advisors and not by independent review, acting as an accountant and not as an arbitrator, and, shall be final and binding on all of the Parties and not subject to appeal or further review. The Independent Accountant may not assign a value for any item that is greater than the greatest value for such item claimed by either Party or smaller than the smallest value for such item claimed by either Party. Judgment may be entered upon the determination of the Independent Accountant in any court having jurisdiction over the Party against which such determination is to be enforced. The fees, costs and expenses of the Independent Accountant incurred pursuant to this Section 2.6 (the “Accounting Fees”) shall be borne *pro rata* as between the Sellers, on the one hand, and Purchaser, on the other hand, in proportion to the final allocation made by such Independent Accountant of the disputed items weighted in relation to the claims made by CTI and Purchaser, such that the prevailing Party pays the lesser proportion of such fees, costs and expenses. For example, if Purchaser claims that the

appropriate adjustments are, in the aggregate, \$1,000 greater than the amount determined by CTI and if the Independent Accountant ultimately resolves the dispute by awarding to Purchaser an aggregate of \$300 of the \$1,000 contested, then the fees, costs and expenses of the Independent Accountant will be allocated 30% (*i.e.*, $300 \div 1,000$) to the Sellers and 70% (*i.e.*, $700 \div 1,000$) to Purchaser. In connection with its determination of Final Adjustment Amount, the Independent Accountant will, pursuant to the terms of this Section 2.6(b), also determine the allocation of the Accounting Fees between Purchaser and Sellers, which such determination will be final, conclusive and binding upon the Parties.

(c) As used herein, “Final Adjustment Amount” means (i) if CTI (on behalf of the Sellers) fails to deliver a Notice of Disagreement in accordance with Section 2.6(b), the Adjustment Amount as set forth in the Statement or (ii) if the Adjustment Amount is resolved by Purchaser and CTI (on behalf of the Sellers) or by submission of any disputes to the Independent Accountant, as contemplated by Section 2.6(b), the Adjustment Amount as so resolved.

(d) Upon the determination of the Final Adjustment Amount in accordance with Section 2.6(b):

(i) if the Final Adjustment Amount exceeds the Estimated Adjustment Amount (any such excess, the “Seller Adjustment Amount”), within five (5) Business Days after the Final Adjustment Amount is determined (A) Purchaser shall pay to CTI, by wire transfer of immediately available funds, an amount equal to the lesser of (x) an amount equal to the Seller Adjustment Amount and (y) an amount equal to the Adjustment Escrow Amount, it being acknowledged and agreed by the Parties that the maximum amount Purchaser shall be required to pay pursuant to this Section 2.6 shall not exceed the Adjustment Escrow Amount even if such amount is less than the Seller Adjustment Amount and (B) Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the Adjustment Escrow Amount from the Escrow Account;

(ii) if the Estimated Adjustment Amount exceeds the Final Adjustment Amount (any such excess, the “Purchaser Adjustment Amount”), within five (5) Business Days after the Final Adjustment Amount is determined: (A) CTI and Purchaser shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to make payment from the Escrow Account by wire transfer of immediately available funds to Purchaser of an amount equal to such Purchaser Adjustment Amount, which amount shall not exceed the Adjustment Escrow Amount, and (B) if the Purchaser Adjustment Amount is less than the Adjustment Escrow Amount, Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the amount by which the Adjustment Escrow Amount exceeds the Purchaser Adjustment Amount; or

(iii) if the Final Adjustment Amount equals the Estimated Adjustment Amount, within five (5) Business Days after the Final Adjustment Amount is determined Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the Adjustment Escrow Amount from the Escrow Account. Upon payment of the amounts provided in this Section 2.6(d), none of the Parties may make or assert any claim under this Section 2.6. Any payment to be made pursuant to this

Section 2.6(d) will be treated by all Parties for applicable Tax purposes as an adjustment to the Purchase Price (unless otherwise required by applicable Law).

(e) Purchaser agrees that payment of the Purchaser Adjustment Amount (if any) from the Adjustment Escrow Amount in the Escrow Account in accordance with the Escrow Agreement will be the sole and exclusive remedy for Purchaser for payment of the Purchaser Adjustment Amount, if any, and the Adjustment Escrow Amount in the Escrow Account will be Purchaser's sole and exclusive source of recovery for any amounts owing to Purchaser pursuant to this Section 2.6, even if the Purchaser Adjustment Amount exceeds the Adjustment Escrow Amount. The Parties further agree that the adjustments to the Adjustment Amount provided for in this Section 2.6, and the dispute resolution provisions provided for in this Section 2.6, will be the exclusive remedy for the matters addressed or that could be addressed by this Section 2.6. For the avoidance of doubt, and without limiting the generality of the foregoing, no claim by Purchaser or any of its Affiliates or advisors for the payment of the Purchaser Adjustment Amount will be asserted against any of the Sellers.

(f) No actions taken by Purchaser, on its own behalf or on behalf of the Acquired Entities, on or following the Closing Date, shall be given effect for purposes of determining the Adjustment Amount or any component thereof. During the period of time from and after the Closing Date through the final determination and payment of any Seller Adjustment Amount or Purchaser Adjustment Amount in accordance with this Section 2.6, Purchaser shall afford, and shall cause the Acquired Entities to afford, to CTI and its Advisors reasonable access during normal business hours upon reasonable advance notice to all the properties, books, Contracts, personnel, Advisors (subject to execution of customary access letters) and records of Purchaser and the Acquired Entities and such Advisors (including work papers subject to execution of customary access letters) relevant to the Sellers' review of the Statement and Purchaser's determination of the Adjustment Amount or any component thereof in accordance with this Section 2.6.

2.7 Withholding. Each of Purchaser and its Affiliates, and the Escrow Agent, shall be entitled to deduct and withhold from amounts otherwise payable pursuant to this Agreement to any Seller (including pursuant to Section 2.2) such amounts as Purchaser (or its applicable Affiliate), or the Escrow Agent, is required to deduct and withhold under applicable Tax law, with respect to the making of such payment; provided, however, that except for any amounts that are withheld by reason of any Seller's failure to provide the certificate described in Section 2.4(i), Purchaser shall use commercially reasonable efforts to notify such Seller at least five (5) Business Days prior to the Closing Date of any potentially applicable withholding requirement of which Purchaser is aware, and each of the Parties agrees to take commercially reasonable efforts to cooperate to eliminate or reduce any such deduction or withholding. All amounts so withheld shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made, and shall be timely paid by Purchaser (or its applicable Affiliate) to the applicable Governmental Body.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as (a) disclosed in the forms, reports, schedules, statements, exhibits and other documents filed with the SEC by CTI in respect of Sellers and their business during the twelve (12) months preceding the date hereof and solely to the extent publicly available on the SEC's EDGAR database (the "Filed SEC Documents") (other than any disclosures set forth under the headings "Risk Factors" or "Forward-Looking Statements" in such Filed SEC Documents and any other disclosures included therein to the extent they are forward-looking in nature) or (ii) set forth in the Schedules delivered by Sellers concurrently herewith (each, a "Schedule" and collectively, the "Schedules") and subject to Section 10.10, Sellers represent and warrant to Purchaser as follows.

3.1 Organization and Qualification.

(a) Except as set forth in Schedule 3.1(a), (i) each Seller is a corporation, unlimited liability corporation, or limited liability company, as applicable, duly organized, validly existing and in good standing under the Laws of the jurisdiction of its incorporation or formation and (ii) each Acquired Entity is duly organized, validly existing and in good standing (where such concept is recognized under applicable Law) under the Laws of the jurisdiction of its organization. Except as set forth in Schedule 3.1(a), each Seller and Acquired Entity has all requisite corporate or similar organizational power and authority necessary to own or lease its assets and properties and to operate its business as it is now being conducted, subject to the provisions of the Bankruptcy Code, and is duly licensed or qualified to do business under the Laws of each jurisdiction in which the nature of its business or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) True, complete and correct copies of each of the Acquired Entities' Organizational Documents have been provided to Purchaser prior to the date hereof. All such Organizational Documents are in full force and effect on the date hereof and no Seller or Acquired Entity is in violation of any of the provisions of its Organizational Documents, except as would not reasonably be expected to be material to such Seller or Acquired Entity.

(c) Schedule 3.1(c) sets forth a true, complete and correct list of (i) each of the Acquired Entities and (ii) each jurisdiction in which each Seller and Acquired Entity is duly licensed or qualified to do business.

3.2 Authorization of Agreement.

(a) Subject to requisite Bankruptcy Court approvals, each Seller has all necessary corporate or similar organizational power and authority to execute and deliver this Agreement and the other Transaction Agreements to which each such Seller is a party and to perform its obligations hereunder and to consummate the Transactions.

(b) The execution, delivery and performance by each Seller of this Agreement and the other Transaction Agreements to which such Seller is a party, and the consummation by

such Seller of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), have been duly authorized by all requisite corporate action, limited liability company action or limited partnership action on the part of such Seller, as applicable, and no other organizational proceedings on such Seller's part are necessary to authorize the execution, delivery and performance by such Seller of this Agreement or the other Transaction Agreements and the consummation by it of the Transactions.

(c) Subject to requisite Bankruptcy Court approvals and CCAA Orders (as described in this Agreement), this Agreement and the other Transaction Agreements to which each Seller is a party have been, or will be, duly executed and delivered by such Seller and, assuming due authorization, execution and delivery hereof and thereof by the other parties hereto and thereto, constitutes, or will constitute, legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with its and their terms, except that such enforceability (a) may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar Laws of general application affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principles of equity, whether considered in a proceeding at law or in equity (collectively, the "Enforceability Exceptions").

3.3 Equity Interests of Acquired Entities.

(a) The issued and outstanding shares of capital stock or other Equity Interests of each of the Acquired Entities are as set forth on Schedule 3.3(a)(i), and there are no other issued or outstanding shares of capital stock or other Equity Interests of the Acquired Entities (except as authorized or issued pursuant to the UK Restructuring Transactions, to the extent applicable). All of the outstanding capital stock or other Equity Interests of the Acquired Entities are duly authorized, validly issued, fully paid and are non-assessable (where such concepts are legally recognized in the jurisdictions of organization of such Subsidiaries) and have not been issued in violation of applicable Law or any Contract (including preemptive rights or similar rights). The UK Seller's register of members is in compliance with applicable Law and true, correct and complete as of the Closing (a true, correct and complete copy of which has been provided to Purchaser prior to the Closing). Except as set forth on Schedule 3.3(a)(ii), there are no outstanding options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to the issuance, purchase, sale, redemption or repurchase of any capital stock or other Equity Interests issued by any Acquired Entities containing any equity features, or Contracts, commitments, understandings, arrangements or other obligations by which any of the Acquired Entities is bound to issue, deliver or sell, or cause to be issued, delivered or sold, additional capital stock or other Equity Interests, or options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to any capital stock or other Equity Interests of the Subsidiaries of the Sellers, or that otherwise give any Person the right to receive any benefits or rights similar to any rights enjoyed by or accruing to the holders of shares of capital stock or other Equity Interests of any Acquired Entities (including any rights to receive any payment in respect, or based on the price or value, thereof). None of the Sellers or their Subsidiaries is a party to any shareholders' agreement, voting trust agreement, registration rights agreement or other similar Contract or understanding relating to any Equity Interests of any Acquired Entities or any other Contract relating to the issuance, disposition, voting

or payment of dividends or distributions with respect to any Equity Interests of any Acquired Entities. There are no accrued and unpaid dividends with respect to any outstanding Equity Interests of any Acquired Entities, and no Acquired Entities have any obligation to pay any dividend or make any distribution in respect thereof. The issued and outstanding Equity Interests of each of the Acquired Entities are (i) owned of record by the Seller(s) or Subsidiaries of a Seller identified on Schedule 3.3(a)(iii) as owning such Equity Interests (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable), (ii) owned free and clear of any Encumbrances (except for Encumbrances arising under applicable securities Laws) by the applicable Seller(s) or Subsidiaries of a Seller identified on Schedule 3.3(a)(iii) as owning such Equity Interests (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable), and (iii) the applicable Seller(s) or Subsidiaries of a Seller have good, valid and marketable title (to the extent such concepts are applicable) to the Equity Interests identified on Schedule 3.3(a)(iii) as owned by such Seller or Subsidiary of a Seller (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable). The Acquired Interests constitute all of the issued and outstanding Equity Interests of the Transferred Subsidiaries, all of which are owned beneficially and of record by the Sellers, free and clear of any Encumbrances (other than Encumbrances arising under applicable securities Laws). At Closing, Purchaser (or its Designee) will acquire good and valid title to the Acquired Interests, free and clear of all Encumbrances (other than transfer restrictions under applicable securities Laws).

(b) Except as set forth on Schedule 3.3(b), the Acquired Entities do not, directly or indirectly, (i) own, of record or beneficially, any Equity Interests or other interests in any Person or hold any right (contingent or otherwise) to acquire the same or (ii) have any obligations to contribute capital to, or loan any amounts to, invest in, or acquire Equity Interests of, any Person. The Acquired Entities do not have any outstanding bonds, debentures, notes or other obligations which provide the holders thereof the right to vote (or are convertible or exchangeable into or exercisable for securities having the right to vote) with the equityholders of the Acquired Entities on any matter.

3.4 Conflicts; Consents. Assuming that (a) the Confirmation Order and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained (each as described in this Agreement), (b) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 3.4 are made, given or obtained (as applicable), (c) the requirements of the HSR Act are complied with, and (d) any filings required by any applicable federal or state securities or “blue sky” Laws are made, the execution and delivery by Sellers of this Agreement and the other Transaction Agreements, the consummation by Sellers of the Transactions, performance and compliance by Sellers with any of the terms or provisions hereof or thereof, do not and will not (i) conflict with or violate any provision of the Organizational Documents of any Seller or Acquired Entity (ii) except as set forth on Schedule 3.4, conflict with, violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or result in the acceleration of any obligation under or give rise to a right of termination, modification, acceleration or cancellation of any obligation or to the loss of any benefit under, any of the terms or provisions of any Material Contract, Permit, loan or credit agreement or other Contract to which any Seller or Acquired Entity is party or by which any Seller or Acquired Entity is bound or to which any the Acquired Assets is subject, (iii) conflict with or violate in any material respect, any Law or Order applicable to any Seller, Acquired Entity or any of the Acquired Assets or by which any Seller, Acquired Entity or

any of the Acquired Assets may be bound or affected or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets owned by any Seller or Acquired Entity, except, in the case of clauses (ii) or (iv), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.5 Financial Statements; No Undisclosed Liabilities; Internal Controls.

(a) (i) Included in the Filed SEC Documents is CTI's Form 10K (as amended by the attached Form 10K/A), which includes the audited consolidated balance sheets of CTI and its Subsidiaries as of December 31, 2022, and the related consolidated statements of operations, comprehensive loss, changes in shareholders' equity and cash flows for the fiscal year then ended (collectively, the "Audited 2022 Financial Statements"), (ii) attached to Schedule 3.5(a) are Sellers' unaudited condensed consolidated balance sheets as of June 30, 2023 (the "Latest Balance Sheet"), and the related condensed consolidated statements of operations, comprehensive loss, shareholders' equity and cash flows for the portion of each fiscal year then ended and (iii) attached to Schedule 3.5(a) are the available standalone balance sheets, income statements, shareholders' equity and cash flows or other financial statements, as applicable, in each case, as described on, for the Acquired Entities listed on, and as of the date or the periods indicated on Schedule 3.5(a) (together with the Audited 2022 Financial Statements and the financial statements referenced in the foregoing clause (ii), the "Financial Statements"). The Financial Statements have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present in all material respects the consolidated financial position of CTI and its Subsidiaries (or applicable Acquired Entity, as the case may be) as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown, except for, in the case of unaudited financials, (x) the absence of footnote disclosures (none of which are materially different from those presented in the Audited 2022 Financial Statements), and (y) changes resulting from normal and recurring fiscal year end adjustment (none of which are expected to be material, individually or in the aggregate).

(b) CTI and its Subsidiaries have established and maintain disclosure controls and procedures and a system of internal controls over financial reporting (as such terms are defined in paragraphs (e) and (f), respectively, of Rule 13a-15 under the Exchange Act) as required by Rule 13a-15 under the Exchange Act, that are effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP, and includes policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of CTI and its Subsidiaries, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of CTI and its Subsidiaries are being made only in accordance with authorizations of management and directors of CTI and its Subsidiaries (as applicable) and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of CTI and its Subsidiaries' assets that could have a material effect on its Financial Statements. CTI and its Subsidiaries' management has completed an assessment of the effectiveness of CTI and its Subsidiaries' internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act for the fiscal year ended December 31, 2022, and such assessment concluded that such internal control system was effective. Except as set forth on Schedule 3.5(b), since January 1, 2021, none of CTI, its

Subsidiaries or their independent registered public accounting firm has identified or been made aware of (A) “significant deficiencies” or “material weaknesses” (as defined by the Public Company Accounting Oversight Board) in the design or operation of CTI and its Subsidiaries’ internal controls over financial reporting which would reasonably be expected to adversely affect in any material respect CTI’s or its Subsidiaries’ ability to record, process, summarize and report financial data, in each case which has not been subsequently remediated or (B) any fraud, whether or not material, that involves management or other employees who have a significant role in CTI and its Subsidiaries’ internal control over financial reporting with respect to CTI and its Subsidiaries. CTI and its Subsidiaries do not maintain any “off-balance-sheet arrangement” within the meaning of Item 303 of Regulation S-K of the SEC.

(c) Except (i) as specifically and adequately reflected in the latest Financial Statements, (ii) as set forth in Schedule 3.5(c), (iii) for Liabilities that have arisen since the date of the Latest Balance Sheet in the Ordinary Course and are not material to CTI or any of its Subsidiaries (individually or in the aggregate), (iv) Liabilities arising under the executory portion of a Contract (excluding in each case Liabilities for breach, non-performance or default), (v) Liabilities in connection with the Bankruptcy Cases, the Transactions, or the negotiation, execution, and performance of the Transactions and (vi) Liabilities to the extent included in the computation of Closing Working Capital, CTI or its Subsidiaries do not have any Liabilities of the type required to be accrued on or reserved against in a consolidated balance sheet prepared in accordance with GAAP consistently applied.

3.6 Absence of Certain Changes or Developments. Except as set forth on Schedule 3.6 and the Bankruptcy Cases or in connection with the Transactions or the Bankruptcy Cases or preparation therefor (including debtor-in-possession financing), since the date of the Latest Balance Sheet, (a) the Sellers and their Subsidiaries have conducted their respective businesses in the Ordinary Course, (b) no Effect has occurred that has had, or would be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect and (c) there has not occurred any action that would require the consent of Purchaser pursuant to Section 6.1(b) if taken after the date of this Agreement and prior to Closing.

3.7 Legal Actions. Except as set forth on Schedule 3.7, there are no, and during the three (3) years preceding the date hereof there have been no, (a) Actions pending or threatened (in writing or, to the Knowledge of Seller, orally) to which any Seller or any of their Subsidiaries is or was a party or to which any property, rights or interests of any of them is or was subject, except as would not reasonably be expected to be material and adverse to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole, or (b) Orders imposed upon the Sellers or any of their Subsidiaries, in each case, by or before any Governmental Body. Schedule 3.7 sets forth, as of the date hereof, each Action pending against CTI or any of its Subsidiaries by or before any Governmental Body (other than the Bankruptcy Cases) that (i) seeks or reasonably could be expected to result in fines or damages of more than \$1,000,000 or relates to a criminal matter or calls for injunctive relief or other restriction that would reasonably be expected to be material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole, or (ii) challenges the validity or enforceability of this Agreement or any other Transaction Agreement or that may have the effect of preventing, delaying, making illegal or otherwise interfering with, the consummation of any of the Transactions. During the three (3) years preceding the date hereof there has been no formal written or, to the Knowledge of the Sellers, oral

allegation of sexual harassment or sexual misconduct submitted to any Seller or any of their Subsidiaries against any employee who is an executive officer, director, or management level employee in their capacities as such.

3.8 Compliance with Laws; Permits; Escheat.

(a) Except as set forth on Schedule 3.8(a)(i), each Seller and Subsidiary of a Seller is, and during the three (3) years preceding the date hereof has been, in compliance in all material respects with the requirements of all Laws applicable to it or to its properties (including the ownership and operation of the Acquired Assets). Except as set forth on Schedule 3.8(a)(ii) or as related to or as a result of the filing or pendency of the Bankruptcy Cases and the CCAA Proceeding, during the three (3) years preceding the date hereof (A) no Seller or Subsidiary of a Seller has received any written notice of, or been charged with, the material violation of any Laws, and (B) to the Knowledge of Sellers, no event has occurred or circumstance exists that (with or without notice, passage of time, or both), individually or in the aggregate, would constitute or result in a failure by any Seller or Subsidiary of a Seller to comply, in any material respect, with any applicable Law. Except as set forth on Schedule 3.8(a)(iii) as related to or as a result of the filing or pendency of the Bankruptcy Cases and the CCAA Proceeding, no investigation, review or Action by any Governmental Body in relation to any actual or alleged material violation of Law by any Seller or Subsidiary of a Seller is pending or, to the Knowledge of Sellers, threatened, nor has any Seller or Subsidiary of a Seller received any written notice from any Governmental Body indicating an intention to conduct the same.

(b) Except as set forth on Schedule 3.8(b)(i), the Sellers and their Subsidiaries possess all Permits that are necessary or required to conduct their businesses as currently conducted, and all such Permits are in full force and effect and will continue to be in full force and effect following the consummation of the Transactions, except for such Permits, the failure to have so obtained, made or delivered would not, individually or in the aggregate, reasonably be expected to be material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole. The Sellers and their Subsidiaries are not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit required for the operation of their businesses as presently conducted and to which they are parties, except where such default or violation would not be reasonably expected to be, individually or in the aggregate, material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole. Schedule 3.8(b)(ii) sets forth a true, complete and correct list of all material Permits maintained by the Sellers and their Subsidiaries that are necessary or required to conduct their businesses as currently conducted.

(c) No Action is pending or, to the Knowledge of Sellers, threatened to terminate, revoke, limit, cancel, suspend or modify any Permit or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries, and no Seller or Subsidiary of a Seller has received notice from any Governmental Body that (i) any such Permit will be revoked or not reissued on the same or similar terms, (ii) any application for any new Permit by any Seller or any of its Subsidiaries or renewal of any Permit or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries will be denied, or (iii) the Permit holder is in material violation of any Permit

or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries.

(d) During the past three (3) years, each Seller and Subsidiary of Seller has been and is in compliance in all material respects with all applicable International Trade Laws and no Seller or Subsidiary of a Seller or, to the Knowledge of Sellers, any other Person acting on their behalf has engaged in or is currently engaged in any conduct that is prohibited under International Trade Laws. Without limiting any of the foregoing, during the past three (3) years, no Seller or Subsidiary of a Seller or any of their respective officers, directors, or employees, or, to the Knowledge of Seller, any other Person acting on their behalf has engaged in any business or dealings, directly or indirectly, involving (i) any country or territory that is or whose government is the target of comprehensive sanctions imposed by the United States, Canada, the European Union, or the United Kingdom, as of the date of this Agreement (Cuba, Iran, North Korea, Syria, Venezuela, the Crimea region, and the so-called Donetsk and Luhansk People's Republics; each a "Sanctioned Jurisdiction"); or (ii) a Person that is designated on, or that is owned or controlled by a Person that is designated on any list of sanctioned parties maintained by the United States, Canada, the United Kingdom, or the European Union, including the list of Specially Designated Nationals and Blocked Persons maintained by OFAC (any such Person a "Sanctioned Person") in violation of applicable Law.

(e) No Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, shareholders, or, to the Knowledge of Seller, other Persons acting on their behalf is (i) a Sanctioned Person; or (ii) located, organized, or resident in a Sanctioned Jurisdiction.

(f) During the past three (3) years, each Seller and Subsidiary of a Seller has been and is in compliance in all material respects with all applicable Anti-Corruption Laws, and no Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, or, to the Knowledge of Sellers, any other Person acting on their behalf has violated any Anti-Corruption Law. Without limiting the foregoing, during the past three (3) years, no Seller or Subsidiary of a Seller, or any of their respective directors, officers, employees, or, to the Knowledge of Seller, any other Person acting on their behalf has paid, offered, promised, or authorized the payment of money or anything of value, directly or indirectly, to any Government Official, any political party, or any other Person for the purpose of influencing any act or decision or to secure any improper advantage in violation of Anti-Corruption Laws.

(g) During the past three (3) years, no Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, or, to the Knowledge of Sellers, any other Person acting on their behalf has received from any Governmental Body or any other Person any written notice of any violation, alleged violation, or any suspected violation of any Anti-Corruption Law or International Trade Law, or conducted any internal investigation with respect to, or made any voluntary or involuntary disclosure to a Governmental Body concerning, any actual, suspected, or alleged violation of any Anti-Corruption Law or International Trade Law.

(h) Except as set forth in Schedule 3.8(h), all material reports or other filings required to be filed by or with respect to any Acquired Asset or Assumed Liabilities, and each Acquired Entity, relating to escheat or any abandoned or unclaimed property have been timely filed in compliance with applicable Law in all material respects. Each Seller, and each Subsidiary

of any Seller have complied in all material respects with all applicable escheat or abandoned or unclaimed property Laws.

3.9 Title to Properties; Sufficiency of Tangible Assets.

(a) Owned Real Property. Schedule 3.9(a) sets forth a true, complete and correct list of all Owned Real Property. The Sellers have a valid leasehold or sublease interest in each Leased Real Property. The Sellers and their Subsidiaries have good, valid and marketable title to the Owned Real Property, subject only to Permitted Encumbrances. With respect to the Owned Real Property: (i) except as set forth on Schedule 3.9(a), none of the Sellers or their Subsidiaries has leased or otherwise granted to any Person the right to use or occupy such Owned Real Property or any portion thereof, which lease or grant remains in effect; and (ii) there are no outstanding options, rights of first offer or rights of first refusal to purchase such Owned Real Property or any portion thereof or interest therein.

(b) Leased Real Property. Schedule 3.9(b) sets forth the address of each Leased Real Property, and a true, complete and correct list of all Leases for each such Leased Real Property. The Sellers have made available to the Purchaser or the Purchaser's Advisors true, complete and correct copies of the Leases. Except as set forth on Schedule 3.9(b), with respect to each of the Leases: (i) subject of entry of the Confirmation Order (as to the applicable Seller), such Lease is legal, valid, binding, enforceable and in full force and effect, subject to the Enforceability Exceptions; (ii) to the Knowledge of Seller, there are no existing material disputes with respect to such Lease; (iii) except as a result of the commencement of the Bankruptcy Cases, none of Sellers, the Subsidiaries of the Sellers or, to the Knowledge of Seller, any other party to the Lease is in material breach or default under such Lease, and no event has occurred or circumstance exists that, with the delivery of notice, the passage of time or both, would constitute such a material breach or default by any Seller, any Subsidiary of a Seller or, to the Knowledge of Seller, any other party to the Lease, or permit the termination, material modification or acceleration of rent under such Lease; (iv) neither the Sellers nor any of their Subsidiaries have subleased, licensed or otherwise granted any Person the right to use or occupy such Leased Real Property or any portion thereof which sublease, license or grant remains in effect, except pursuant to co-location Contracts with customers; (v) the applicable Seller or Subsidiary of a Seller has good and valid leasehold title to the property demised thereby, subject only to Permitted Encumbrances and (vi) none of Sellers, the Subsidiaries of the Sellers or any other prior tenant under any Lease has granted any option, right of first offer or right of first refusal to purchase any rights of the tenant under such Lease;

(c) No Seller or Subsidiary thereof has received written notice from any Governmental Body regarding pending or threatened condemnation or eminent domain proceedings or their local equivalent affecting or relating to any Owned Real Property or Leased Real Property. No Seller or Subsidiary thereof is in material breach or default under any Permitted Encumbrance in respect of any Owned Real Property or Leased Real Property.

(d) Subject to requisite Bankruptcy Court or CCAA Court approvals as described in this Agreement, and assumption by the applicable Seller of the applicable Contract in accordance with applicable Law (including satisfaction of any applicable Cure Costs by the Sellers) and except as a result of the commencement of the Bankruptcy Cases, the Sellers and their Subsidiaries own good title to, or hold a valid leasehold interest in, all of the material tangible

property necessary in the conduct of their businesses as now conducted, free and clear of all Encumbrances, except for Permitted Encumbrances, other than any failure to own or hold such tangible property that is not material to the Acquired Entities or the Acquired Assets and the Assumed Liabilities, taken as a whole.

(e) All tangible assets of the Seller and their Subsidiaries are (i) in good working order and condition, ordinary wear and tear excepted, (ii) have been reasonably maintained, (iii) are suitable for the uses for which they are being utilized in the businesses conducted by the Sellers and their Subsidiaries, subject to replacement in accordance with Sellers' modernization plan, a copy of which has been made available to Purchaser, and (iv) comply in all material respects with all requirements under any Laws and any licenses which govern the use and operation thereof. The Acquired Assets include all the tangible properties and tangible, assets reasonably necessary, and are sufficient in all material respects, for the conduct of the businesses of the Sellers and their Subsidiaries as currently conducted, taking into account that Purchaser is not acquiring the Excluded Assets.

Notwithstanding the foregoing, nothing in this Agreement shall limit any claim for Fraud.

3.24 No Outside Reliance. Notwithstanding anything contained in this Article III or any other provision of this Agreement to the contrary, each of the Sellers acknowledges and agrees, on its own behalf and on behalf of its Subsidiaries, that the representations and warranties expressly contained in Article IV (as qualified in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) or in the officer’s certificate delivered by Purchaser pursuant to Section 2.5(k) are the sole and exclusive representations, warranties and statements of any kind made to the Sellers and on which the Sellers may rely in connection with the Transactions.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser represents and warrants to Sellers as follows.

4.1 Organization and Qualification. Purchaser is an entity duly formed or organized (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its formation or organization (as applicable) and has all requisite organizational power and authority necessary to own or lease its assets and properties and to operate its business as it is now being conducted, except (other than with respect to Purchaser’s due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have a material adverse

effect on Purchaser's ability to consummate the Transactions. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) under the Laws of each jurisdiction in which the nature of its business or the character or location of the properties owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on Purchaser's ability to consummate the Transactions.

4.2 Authorization of Agreement. Purchaser has all necessary organizational power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery and performance by Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Assuming that (i) the Confirmation Order, and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained (each as described in this Agreement), (ii) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 4.3(a) are made, given or obtained (as applicable), (iii) the requirements of the HSR Act are complied with, and (iv) any filings required by any applicable federal or state securities or "blue sky" Laws are made, the execution and delivery by Purchaser of this Agreement, the consummation by Purchaser of the Transactions, and the performance and compliance by Purchaser with any of the terms or provisions hereof, do not and will not (A) conflict with or violate any provision of Purchaser's Organizational Documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to materially affect the ability of the Purchaser to consummate the Transactions.

(b) Except as set forth on Schedule 4.3(a), Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, Permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except (i) any filings

required to be made under the HSR Act, (ii) such filings as may be required by any applicable federal or state securities or “blue sky” Laws, or (iii) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing.

(a) As of the date of this Agreement, Purchaser has received and accepted, and delivered to CTI a true, complete and correct copy of, an executed equity commitment letter dated as of the date hereof, among Purchaser and the other respective parties thereto (the “Investors”) (together with all annexes, schedules and exhibits thereto, the “Equity Commitment Letter”) relating to the commitment to provide Purchaser the amount of equity financing set forth therein (the “Equity Financing”).

(b) As of the date of this Agreement, except as set forth in the Equity Commitment Letter, there are no conditions precedent to the obligations of the Investors to provide the Equity Financing or any contingencies that would permit the Investors to reduce the total amount of the Equity Financing below the Required Amount (as defined below). Subject to the satisfaction of the conditions set forth in Sections 7.1 and 7.2, as of the date of this Agreement, Purchaser does not have any reason to believe that it will be unable to satisfy on a timely basis any term or condition to Closing to be satisfied by it in the Equity Commitment Letter or that sufficient funds in an aggregate amount necessary to pay the Required Amount will not be made available to Purchaser, on the Closing Date.

(c) As of the date of this Agreement, the Equity Financing, to the extent funded in accordance with the Equity Commitment Letter, shall provide Purchaser with immediately available cash on the Closing Date, sufficient to pay the Closing Date Payment, and all related expenses required to be paid by Purchaser hereunder (the Closing Date Payment, and all such related expenses, the “Required Amount”).

(d) As of the date of this Agreement, the Equity Commitment Letter is the legal, valid, binding and enforceable obligation of Purchaser and, each other party thereto, subject in each case to the Enforceability Exceptions, and is in full force and effect. As of the date of this Agreement, no event has occurred that, with or without notice, lapse of time, or both, would reasonably be expected to constitute a material default or breach or failure to satisfy a condition precedent on the part of Purchaser under the terms and conditions of such Equity Commitment Letter. As of the date of this Agreement, the Equity Commitment Letter has not been withdrawn, rescinded or terminated or otherwise amended or modified in any respect that would be material and adverse to the Sellers, and no such amendment or modification is contemplated. As of the date of this Agreement, no counterparty to the Equity Commitment Letter has notified Purchaser of its intention to terminate the Equity Commitment Letter or not to provide such Equity Financing.

(e) Purchaser expressly acknowledges and agrees that the receipt or availability of any funds or financing (including, for the avoidance of doubt, the Equity Financing) by Purchaser is not a condition to Closing or any of Purchaser’s obligations hereunder.

4.5 Security Law Matters. Purchaser is acquiring the capital stock or other Equity Interests of the Acquired Entities for its own account with the present intention of holding such securities for investment purposes and not with a view to, or for sale in connection with, any distribution of such securities in violation of any federal or state securities Laws. Purchaser is an “accredited investor” as that term is defined in Regulation D promulgated under the Securities Act.

4.6 Brokers. Except for Moelis & Company LLC, all of whose fees and expenses will be borne solely by Purchaser, there is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that is entitled to any fee or commission in connection with the Transactions.

4.7 No Litigation. There are no Actions pending or, to Purchaser’s knowledge, threatened against or affecting Purchaser that will or would be reasonably likely to materially and adversely affect Purchaser’s performance of its obligations under this Agreement or the consummation of the Transactions.

4.8 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, any member of the management of Seller or its board of directors (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender of Seller or any Affiliate of Seller (and expressly excluding any landlords under Leases), in each case, in its capacity as such, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any such transactions.

4.9 Solvency. Assuming that the representations and warranties of the Sellers contained in this Agreement are true and correct in all respects as of the Closing and Sellers comply with all of their covenants and agreements hereunder, Purchaser is, and immediately after giving effect to the Closing, Purchaser and the Acquired Entities, taken as a whole, will be, solvent and will: (a) be able to pay their debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay their debt (including a reasonable estimate of the amount of all contingent Liabilities) and (c) have adequate capital to carry on their business. No transfer of property is being made and no obligation is being incurred in connection with the Transactions with the intent to hinder, delay or defraud either present or future creditors of Purchaser or any of the Acquired Entities. In connection with the Transactions, Purchaser has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

4.10 Investigation. Purchaser acknowledges, covenants and agrees that it is relying on its own independent investigation and analysis in entering into this Agreement and consummating the Transactions. Purchaser is knowledgeable about the industries in which the Acquired Entities operate and is capable of evaluating the merits and risks of the Transactions and is able to bear the substantial economic risk of such investment for an indefinite period of time. Subject to Section 6.2, Purchaser has been afforded access to the books and records, facilities and personnel of the Acquired Entities for purposes of conducting a due diligence investigation and has conducted a due diligence investigation of the Acquired Entities. Notwithstanding the foregoing, nothing in this Agreement shall limit any claim for Fraud.

ARTICLE V
BANKRUPTCY COURT MATTERS

5.1 Bankruptcy Actions.

(a) Sellers shall schedule a hearing on November 16, 2023, at 2:00 p.m., prevailing Eastern Time or such other date as may be scheduled by the Bankruptcy Court and mutually agreed to in writing by Sellers and Purchaser (email being sufficient) to obtain entry of the Confirmation Order.

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Sellers shall use commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Confirmation Order, including filing the Confirmation Brief.

(c) Sellers shall use reasonable best efforts to: (i) facilitate the solicitation, confirmation, and consummation of the Plan and the transactions contemplated hereby, (ii) obtain entry of the Confirmation Order, and (iii) consummate the Plan.

(d) Purchaser shall take such actions as are reasonably requested by Seller to assist in obtaining the Bankruptcy Court's entry of Confirmation Order and any other Order that Purchaser reasonably determines is necessary in connection with the Transactions, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court for the purposes of, among other things, providing necessary assurances of performance by Purchaser under this Agreement, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing; provided, however, that nothing in this Agreement shall require either Purchaser or its Affiliates to give testimony to or submit any pleading, affidavit or information to the Bankruptcy Court, the CCAA Court, or any Person that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court, the CCAA Court or its stakeholders.

(e) The Foreign Representative and Canadian Sellers shall promptly file with the CCAA Court an application in the CCAA Proceeding seeking the granting of the CCAA Orders within five (5) Business Days following approval of the Confirmation Order by the Bankruptcy Court.

(f) Each Party shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement, including, upon reasonable request, promptly furnishing the other with copies of notices or other communications received by a Seller from the Bankruptcy Court with respect to the Transactions.

(g) Sellers shall not voluntarily pursue or seek, or fail to use commercially reasonable efforts to oppose any third party in pursuing or seeking, a conversion of the Bankruptcy Cases to cases under Chapter 7 of the Bankruptcy Code, the appointment of a trustee under Chapter 11 or Chapter 7 of the Bankruptcy Code or the appointment of an examiner with expanded powers.

(h) Sellers shall cooperate with Purchaser concerning the Confirmation Order and any other Orders (whether of the Bankruptcy Court, CCAA Court or otherwise) relating to the Transactions and the bankruptcy or other insolvency proceedings in connection therewith. Sellers shall provide draft copies to Purchaser of all applications, pleadings, notices, proposed Orders and other documents (including the Confirmation Brief, Sale Election Notice and the Stalking Horse Notice) relating to this Agreement or the Transactions no less than three (3) days, or as soon as reasonably practicable thereafter, prior to the proposed filing date so as to permit Purchaser sufficient time to review and comment on such drafts, and with respect to all provisions of the foregoing that relate to the Purchaser, this Agreement or the Transactions, such applications, pleadings, notices and proposed Orders shall be in form and substance reasonably acceptable to Purchaser.

(i) Promptly upon execution of this Agreement but in any event, not later than the Sale Transaction Notice Deadline (as provided in the Disclosure Statement Order), the Sellers shall prepare and file a notice electing to pursue a Sale Transaction (the “Sale Election Notice”) in accordance with the provisions of the Order approving the Disclosure Statement [Docket No. 551] (as may be amended from time to time, the “Disclosure Statement Order”).

(j) Promptly upon execution of this Agreement but in any event, not more than two (2) Business Days thereafter, the Sellers shall prepare and file a notice and proposed form of order designating Purchaser as the Stalking Horse Bidder (as such term is defined in the Bidding Procedures Order) (together, the “Stalking Horse Notice”) in accordance with the Bidding Procedures Order, and which shall disclose the Expense Reimbursement and Breakup Fee.

(k) Promptly upon execution of this Agreement but in any event, not more than three (3) Business Days thereafter, the Sellers shall prepare and file (i) an amended Plan, in form and substance acceptable to the Purchaser (with respect to provisions that relate to or affect Purchaser, this Agreement, or the Transactions), incorporating the Transactions and the provisions necessary in the Plan to authorize and consummate the Transactions under the Plan, (ii) such amended notice and solicitation materials as the Sellers deem necessary, in consultation with Purchaser, to provide adequate notice to holders of claims against and interests in the Sellers or the Debtors’ estates.

(l) Not later than the Confirmation Brief and Confirmation Objection Reply Deadline (as provided in the Disclosure Statement Order), the Sellers shall file a memorandum seeking confirmation of and providing legal support for entry of the Confirmation Order and confirmation of the Plan (a “Confirmation Brief”).

(m) The Sellers agree that the Confirmation Order, Sale Election Notice and Stalking Horse Notice shall be in form and substance satisfactory to the Purchaser with respect to all provisions of the foregoing that relate to or affect Purchaser, this Agreement, or the Transactions, including any amendments thereto, whether before or after such documents and pleadings have been filed with or approved by the Bankruptcy Court.

(n) The Sellers agree that, as of the Sale Transaction Notice Deadline, the Auction has been closed, and the Sellers shall not solicit bids or alternative restructuring proposals, or ask the Bankruptcy Court to consider any such bids or alternative restructuring proposals.

5.2 Cure Costs. Subject to entry of the Confirmation Order and the effectiveness of the Plan, the Sellers shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of sections 365 and 1123(b)(2) of the Bankruptcy Code and this Agreement. Sellers shall file such motions or pleadings, and provide such notices, as may be appropriate or necessary to assume and assign the Assigned Contracts and to determine the amount of any Cure Costs.

5.3 Approval. Sellers' obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Confirmation Order) and CCAA Court (including granting of the CCAA Orders). Nothing in this Agreement shall require Sellers or their respective Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful.

5.4 Avoidance Actions. The Plan shall provide that all Avoidance Actions shall be cancelled and extinguished on the Effective Date of the Plan and no Seller or any Affiliates thereof shall pursue or bring any claim or Action with respect to any Avoidance Action.

included in the nature and scope of the Fundamental Representations, each of which shall be in the sole discretion of Purchaser):

(i) (A) issue, sell, encumber or grant any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, or any securities or rights convertible into, exchangeable or exercisable for, or evidencing the right to subscribe for any shares of such capital stock or other equity or voting interests, or any rights, warrants or options to purchase any shares of such capital stock or other equity or voting interests; (B) redeem, purchase or otherwise acquire any of the outstanding shares of capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, or any rights, warrants or options to acquire any shares of such capital stock or other equity or voting interests, except in connection with any actions required by Section 6.20, (C) establish a record date for, declare, set aside for payment or pay any dividend on, or make any other distribution in respect of, any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, except in connection with any actions required by Section 6.20, or (D) split, combine, subdivide or reclassify any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries;

Contract that would be a Material Contract if in existence on the date hereof, except for in the Ordinary Course upon substantially the same terms as similar Material Contracts; or (C) enter into any Contract that includes a change of control, anti-assignment or similar provision that would require a Consent from, a material payment to or would give rise to any material rights (including termination rights) of the other party or parties thereto in connection with the consummation of the Transactions or any future change of control, in each case, including with respect to any Excluded Data Center Contracts;

(vi) sell, lease, mortgage, pledge, grant any Encumbrance (other than Permitted Encumbrances and Encumbrances to be removed by operation of the Confirmation Order) on or otherwise encumber or dispose of any of its properties or assets (including the Acquired Assets), other than (A) to secure Indebtedness and other obligations in existence at the date of this Agreement (and required to be so secured by their terms) or permitted under Section 6.1(b)(vii); provided, further, that any such Encumbrance will be extinguished by the Sellers in connection with the Closing; or (B) to a Seller or to a wholly owned Subsidiary of a Seller; provided that any such Encumbrance will be extinguished by the Sellers as of the Closing or transferred to the benefit of Purchaser;

(ix) waive, release, assign, pay, discharge, settle, satisfy or compromise any Action (including any pending or threatened Action) against a Seller or any of its Subsidiaries that would result in an Assumed Liability or any material restriction, or other material obligation, on the conduct of the business of a Seller and its Subsidiaries, from and after the Closing, or commence any such Action;

(x) make any material changes in financial accounting methods, principles or practices materially affecting the consolidated assets, Liabilities or results of operations of the Sellers and their Subsidiaries, except insofar as may be required (A) by GAAP (or any interpretation thereof), (B) by any applicable Law, including Regulation S-X under the Securities Act, or (C) by any Governmental Body or quasi-Governmental Body (including the Financial Accounting Standards Board or any similar organization);

(xi) amend a Seller’s articles of incorporation or bylaws (or comparable Organizational Documents) or amend the Organizational Documents of any Subsidiary of a Seller;

(xii) sell, license, sublicense, abandon or permit to lapse, transfer or dispose of, create or incur any Encumbrance (other than any Permitted Encumbrance) on, or otherwise fail to take any action necessary to maintain, enforce or protect any Owned Intellectual Property (except for non-exclusive licenses granted in the Ordinary Course);

(xiii) amend in any material respect, cancel or terminate any material insurance policy naming a Seller or a Subsidiary of a Seller as an insured, a beneficiary or a loss payable payee without obtaining comparable substitute insurance coverage;

(xiv) (A) make, revoke or change any method of Tax accounting or material Tax election, (B) file any amended Tax Return with respect to material amounts of Taxes, (C) enter into any closing agreement with respect to Taxes or settle or compromise any Tax claim or assessment, (D) consent to any extension or waiver of the limitation period with respect to Taxes, or (E) initiate any voluntary Tax disclosure or request any Tax ruling, in each case, relating to, or otherwise affecting, any Acquired Entity, Acquired Asset, or Assumed Liability to the extent such action would reasonably be expected to have a non-*de-minimis* and adverse effect on Purchaser and its Affiliates (including, after the Closing, Acquired Entities);

(xv) transfer any (A) Liabilities or assets to any Acquired Entity or (B) Liabilities that would become Assumed Liabilities or assets out of an Acquired Entity, in either case, outside of the Ordinary Course;

(xvi) enter into a Contract with an Affiliate other than on arm’s length terms;

(xviii) authorize, or commit or agree, in writing or otherwise, to take, any of the foregoing actions.

(c) For the avoidance of doubt, nothing contained in this Agreement shall be construed to give to Purchaser, directly or indirectly, rights to control or direct the operations of Sellers prior to the Closing, and nothing contained in this Agreement is intended to give a Seller, directly or indirectly, the right to control or direct Purchaser's or its Affiliates' operations.

6.2 Access to Information.

(a) From the date hereof until the Closing, Sellers will provide Purchaser (and its Designee) and its authorized Advisors and the Debt Financing Sources with reasonable access and upon reasonable advance notice and during regular business hours to the facilities, books and records, documents data, files, properties, personnel, and Advisors of Sellers and their Subsidiaries in order for Purchaser (and its Designee) and its authorized Advisors and the Debt Financing Sources to access such information regarding the Acquired Assets and Assumed Liabilities as is reasonably necessary in order to consummate the Transactions and to assess any amounts that are or may become payable in connection therewith; provided that (i) such access does not unreasonably interfere with the normal operations of Sellers or any of their Subsidiaries, (ii) such access will occur in such a manner as Sellers reasonably determines to be appropriate to protect the confidentiality of the Transactions and such books and records, (iii) all requests for access will be directed to Guggenheim Securities or such other Person(s) as Sellers may designate in writing from time to time, (iv) nothing herein will require Sellers or any of their Subsidiaries to provide access to, or to disclose any information to, Purchaser or any other Person if such access or disclosure (A) would reasonably cause significant competitive harm to Sellers or any of their Subsidiaries if the Transactions are not consummated, (B) would waive any legal privilege or (C) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any Contract to which Sellers or any Acquired Entity is bound or would violate any fiduciary duty; provided that, in the case of this clause (iv), the Sellers and their respective Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in material competitive harm, the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser (or its Designee) or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand, and (v) nothing herein will permit Purchaser (or its Designee) or its authorized Advisors to conduct any sampling or testing of environmental media or any other invasive investigation or assessment at any Leased Real Property or Owned Real Property of Sellers or the Acquired Entities, including of the type commonly known as a Phase II environmental site assessment; provided, however, that notwithstanding the foregoing, in the event any additional sampling or testing of environmental media or any other invasive investigation or assessment at any Leased Real Property or Owned Real Property of Sellers or the Acquired Entities is required by the Purchaser's Debt Financing

Sources providing the Debt Financing with respect to such Leased Real Property or Owned Real Property in connection with the Debt Financing, then the Sellers will not withhold, condition or delay consent in response to a written request of Purchaser in connection therewith.

(b) The information provided pursuant to this Section 6.2 will be governed by all the terms and conditions of the Confidentiality Agreement, which Confidentiality Agreement shall survive the execution of this Agreement notwithstanding anything to the contrary therein. Purchaser will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to Purchaser or any of its Advisors. Seller makes no representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and none of Purchaser or its Advisors may rely on the accuracy of any such information.

(c) From and after the Closing for a period of three (3) years following the Closing Date, Purchaser will provide Sellers and their Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda and other documents (for the purpose of examining and copying) relating to the Acquired Assets, the Acquired Entities, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities, in each case to the extent in Purchaser's possession or control, with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser (including for the purpose of better understanding the books and records), as may be reasonably requested by a Seller in connection with the Bankruptcy Cases, the wind-down and liquidation of Sellers, the winddown, transfer or disposition of any Excluded Assets, and any other bona fide legal compliance, accounting or Tax purpose; provided that nothing herein will require Purchaser to provide access to, or to disclose any information to, Sellers if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any agreement to which Purchaser or any of its Subsidiaries or Affiliates is bound or would violate any fiduciary duty; provided that Purchaser and its Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in material competitive harm, the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand. Unless otherwise consented to in writing by Sellers, Purchaser will use commercially reasonable efforts, for a period of three years following the Closing Date, to not destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to Sellers such books and records or any portion thereof that Purchaser may intend to destroy, alter or dispose of. From and after the Closing, Purchaser will, and will cause its employees to, provide Sellers with reasonable assistance, support and cooperation with Sellers' wind-down and related activities (*e.g.*, helping to locate documents or information related to and assisting in preparation of Tax Returns or prosecution or processing of insurance/benefit claims or reconciliation of claims in the Bankruptcy Case) consistent with such employees responsibilities prior to the Closing.

(d) Except as otherwise permitted hereunder, Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier lessee, lessor, lender, licensee, licensor, distributor or noteholder of any Seller prior to the Closing with respect to any Seller, any of its Subsidiaries, any of their respective businesses or the Transactions, in each case, without the prior written consent of Sellers for each such consent with such consent not to be unreasonably withheld, conditioned or delayed; provided that Purchaser and Purchaser Group may, without such consent, (i) contact any landlords to negotiate the amendment, assignment or termination of any Lease, the purchase, directly or indirectly, of any real property leased pursuant to any Leases, or the financeability of such real property interests, (ii) contact officers, managers, directors and employees of any Seller or its Subsidiaries to discuss compensation, benefits and arrangements in order to facilitate a smooth transition and integration of such Persons post-Closing and (iii) contact any customer, supplier, distributor or other commercial relation of any Seller or its Subsidiaries in connection with any matter contemplated by Section 1.5, Section 6.18 or Section 6.19; provided that, in the case of each of the foregoing clauses (ii) and (iii), Purchaser shall provide CTI with reasonable prior written notice thereof and reasonably coordinate the foregoing with Sellers. The Parties shall also reasonably cooperate to make employees available for the matters contemplated by Section 6.3. In furtherance of the foregoing, Sellers shall assist Purchaser (or its Designee) in facilitating conversations with any officer, manager, director, employee, customer, supplier lessee, lessor, lender, licensee, licensor, distributor or noteholder of any Seller, in each case reasonably requested by Purchaser (or its Designee), prior to the Closing in accordance with this Section 6.2(d).

(e) From and after the Closing for a period of three (3) years following the Closing Date (or, if earlier, the closing of the Bankruptcy Case), Sellers will provide Purchaser (and its Designee) and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, and other documents relating to Sellers or their Subsidiaries (other than the Documents), in each case, to the extent in Seller's possession or control (for the purpose of examining and copying) relating to the Acquired Assets or the Assumed Liabilities with respect to periods or occurrences prior to the Closing Date as may be reasonably requested by Purchaser (or its Designee) in connection with a bona fide legal compliance, accounting or Tax purpose; provided that nothing herein will require Sellers to provide access to, or to disclose any information to, Purchaser (or its Designee) if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any agreement to which any Seller is bound or would violate any fiduciary duty; provided that Sellers and their Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser (or its Designee) or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand. Unless otherwise consented to in writing by Purchaser, Sellers will not, for a period of three (3) years following the Closing Date (or, if earlier, the closing of the Bankruptcy Case), destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to the Purchaser such books and records or any portion thereof that Sellers may intend to destroy, alter or dispose of.

(f) Neither of Section 6.2(c) or Section 6.2(e) shall apply with respect to Tax matters, which are the subject of Section 9.3.

6.3 Employee Matters.

(a) At least ten (10) Business Days prior to Closing, Purchaser shall extend to each Business Employee employed by Sellers a written offer of employment reviewed by Sellers, and which Sellers have had an opportunity to comment on, providing for a position that is the same or substantially similar to such employee's position immediately prior to the Closing (including, primary location of employment) and on the terms set forth in this Section 6.3 (or, in the case of any Business Employee employed by Sellers that is a party to an Acquired Seller Plan that is an existing employment agreement, including assumption of such employment agreement (provided any such employment agreements are set forth and identified on Schedule 6.3(a))) ("Transfer Offer") and that, if accepted, shall become effective immediately after the Closing. Business Employees who accept such Transfer Offers and begin employment with Purchaser, and Business Employees employed by the Acquired Entities as of the Closing Date, shall be collectively referred to herein as "Transferred Employees." Purchaser shall notify Sellers in a reasonable timeframe (but in any event within ten (10) Business Days of receiving a response from the applicable Business Employee and no later than one (1) Business Day prior to the Closing) with respect to whether each such Transfer Offer has been accepted or rejected. Nothing herein shall be construed as a representation or guarantee by any Seller or any of their respective Affiliates that any or all Business Employees employed by Sellers will accept the Transfer Offer, or that any Transferred Employee will continue in employment with Purchaser following the Closing for any period of time. Effective as of the Closing, each Transferred Employee previously employed by Sellers (other than the Acquired Entities) shall cease to be an employee of Sellers.

(b) For a period of one (1) year from and after the Closing Date, Purchaser shall provide each Transferred Employee, or cause each Transferred Employee to be provided, with, and each Transfer Offer shall include,: (i) a base compensation or wage rate, as applicable, that is no less than that provided to such Transferred Employee as of immediately prior to the Closing; (ii) short-term cash incentive opportunities that are substantially comparable in the aggregate in target dollar value to those provided to such Transferred Employee as of immediately prior to the Closing; and (iii) other employee benefits (excluding severance, change of control, key employee incentive, key employee retention, other retention or one-time bonus and equity-based incentive plans or arrangements) that are substantially comparable in the aggregate in dollar value to those provided to such Transferred Employees as of immediately prior to the Closing. For purposes of eligibility, vesting and determining level of benefits under the benefit plans and programs maintained by Purchaser or any of its Affiliates after the Closing Date (the "Purchaser Plans"), subject to the terms of any applicable Contracts and any required third-party consents, each Transferred Employee shall be credited with his or her years of service with Sellers (and any predecessor thereto) before the Closing Date, except to the extent such credit would result in a duplication of benefits. Prior to the Closing Date, the Sellers shall make available to Purchaser all data in Sellers' possession that is reasonably requested by Purchaser as necessary to administer each Acquired Seller Plan and, upon reasonable request from Purchaser, Seller shall request from Seller's agent any such information so requested by Purchaser that is not in Seller's possession.

(c) (i) Purchaser shall use commercially reasonable efforts to cause each Transferred Employee to be immediately eligible to participate, without any waiting time, in the Purchaser Plans; (ii) for purposes of each Purchaser Plan providing health or welfare benefits, Purchaser shall cause all pre-existing condition exclusions and actively-at-work requirements of such Purchaser Plan to be waived for such Transferred Employee and his or her covered dependents (unless such exclusions or requirements were not waived under comparable Employee Benefit Plans); and (iii) Purchaser shall cause any co-payments, deductible and other eligible expenses incurred by such Transferred Employee or his or her covered dependents during the plan year in which the Closing Date occurs to be credited for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Transferred Employee and his or her covered dependents for the applicable plan year of each comparable Purchaser Plan.

(d) Purchaser shall assume, honor and be solely responsible for paying, providing and satisfying when due in accordance with the terms of any applicable Acquired Seller Plan, each of the following: (i) all accrued and unused vacation, personal days, sick pay and other paid time off for Transferred Employees earned but unused as of the Closing Date; (ii) all accrued and unpaid cash key employee retention incentive obligations as of the Closing Date; and (iii) all vacation, personal days, sick pay and other paid time off, benefits and benefit claims, severance and termination pay, notice, and benefits (including any employer Taxes related thereto), in each case of this clause (iii), accruing, incurred or arising as a result of employment or separation from employment with Purchaser on or after the Closing Date with respect to Transferred Employees.

(e) For the avoidance of doubt, (i) except as expressly provided under Section 6.3 of this Agreement, included in the definition of Working Capital, or in connection with an Acquired Seller Plan, all obligations, Liabilities relating to the employment with, termination of employment with, application for employment with or any other employment or labor-related Liabilities with respect to current and former employees of any of the Acquired Entities prior to the Closing shall be deemed an Excluded Liability and Seller shall be solely responsible for paying, providing and satisfying any such Liabilities, and that (ii) Purchaser shall be solely responsible for those Liabilities (excluding those identified in Section 1.4(d) of this Agreement) in respect of claims made by any Transferred Employee (or any other individual claiming that he or she is or should be a Transferred Employee) for severance or other termination benefits under any Acquired Seller Plan or applicable Law (including claims for wrongful dismissal, notice of termination of employment, pay in lieu of notice or breach of Contract) arising out of, relating to or in connection with any failure to offer employment to (or the terms of such offer), or to continue the employment of, any such Transferred Employee (or other individual claiming that he or she is or should be a Transferred Employee) or other failure to comply with the terms of this Agreement.

(f) Purchaser will, or will cause its Affiliates to, provide any required notice under the Worker Adjustment and Retraining Notification Act of 1988 or any similar Laws (“WARN Act”) and to otherwise comply with the WARN Act with respect to any “plant closing” or “mass layoff” or group termination or similar event under the WARN Act affecting Business Employees or Transferred Employees (including as a result of the consummation of Transactions) and occurring on and after the Closing. Purchaser will not, and will cause its Affiliates not to, take any action on or after the Closing Date that would cause any termination of employment of any employees by Sellers or their Affiliates occurring prior to or at the Closing to constitute a “plant closing,” “mass layoff” or group termination or similar event under the WARN Act, or to create

any Liability or penalty to Sellers or any of their Affiliates for any employment terminations under applicable Law; provided that Purchaser and Seller shall cooperate in good faith in order to ensure compliance with the WARN Act and upon written request of the Purchaser, Seller shall send WARN notices to employees and any other Persons.

(g) Purchaser shall be solely responsible for any and all obligations and Liabilities arising under Section 4980B of the Tax Code with respect to all “M&A qualified beneficiaries” as defined in 26 C.F.R. § 54.4980B-9.

(h) For any Transferred Employees who are principally based outside the United States, the Parties will comply with applicable Law and the intention of the Parties is that the provisions of this Section 6.3 shall not trigger any severance, separation pay, notice or pay in lieu thereof or similar termination indemnities.

(i) Sellers shall timely provide to Purchaser all information required to be provided by the predecessor under Section 5 of the Revenue Procedure 2004-53 and any other information reasonably required by Purchaser in connection with its reporting obligations thereunder and, provided such information is timely provided, Purchaser shall adopt the “alternate procedure” for preparing and filing IRS Forms W-2 (Wage and Tax Statements), as described in Section 5 of Revenue Procedure 2004-53.

(j) With respect to any Acquired Seller Plan that is intended to be qualified under Section 401(a) of the Tax Code, Purchaser shall contribute to such plan any unpaid employer matching contribution amounts for the 2023 plan year based on the employer matching formula in effect as of the date hereof.

(k) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Sellers or Transferred Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any Employee Benefit Plan or any other benefit or compensation plan, program, policy, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser’s or Sellers’ ability to amend, modify or terminate any particular benefit or compensation plan, program, policy, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

6.4 Regulatory Approvals.

(a) Subject to Section 6.5, each Seller will, and will cause its Subsidiaries to, (i) make or cause to be made all filings and submissions required to be made by Seller under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings required to be made by the Purchaser Group pursuant to

Section 6.4(b), and (iii)(A) supply promptly any additional information and documentary material that may be requested in connection with the filings made pursuant to this Section 6.4(a) or Section 6.4(b) and (B) use reasonable best efforts to take all actions necessary to obtain all required clearances in connection with such filings.

(b) Subject to Section 6.5, Purchaser will, and will cause its Affiliates and Advisors to, (i) make or cause to be made all filings and submissions required to be made by any member of the Purchaser Group under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with any Seller in exchanging such information and providing such assistance as any Seller may reasonably request in connection with any filings made by any Seller pursuant to Section 6.4(a), and (iii) (A) supply promptly any additional information and documentary material that may be requested in connection with the filings made pursuant to this Section 6.4(b) or Section 6.4(a) and (B) use reasonable best efforts to take all actions necessary to obtain all required clearances.

(c) This Section 6.4 shall not apply to efforts related to Antitrust Laws, which shall be governed by the obligations set forth in Section 6.5 below.

6.5 Antitrust Notification.

(a) To the extent required, each Seller and Purchaser (and their respective Affiliates, if applicable) will, (i) as promptly as practicable and no later than ten (10) Business Days following the date of this Agreement, file with the United States Federal Trade Commission (the “FTC”) and the United States Department of Justice (the “DOJ”), a Notification and Report Form relating to this Agreement the Transactions pursuant to the HSR Act, and (ii) as promptly as practicable file all notifications, filings, registrations, forms and submissions, including any draft notifications in jurisdictions requiring pre-notification, as are required by the Antitrust Laws set forth on Schedule 7.1(a). Each Seller and Purchaser shall (and shall cause their respective Affiliates to) (A) cooperate and coordinate (and shall cause its respective Affiliates to cooperate and coordinate) with the other in the making of such filings; (B) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (C) make (or cause to be made) an appropriate response to any additional information that may be required or requested by the FTC, the DOJ or the Governmental Bodies of any other applicable jurisdiction; and (D) take (and cause their Affiliates to take) all action necessary, proper or advisable to (1) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions; and (2) obtain any required Consents pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions, in each case as promptly as reasonably practicable and in any event prior to the Outside Date. If any Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Body with respect to the Transactions pursuant to the HSR Act or any other applicable Antitrust Law, then such Party shall make (or cause to be made), as promptly as practicable and after consultation with the other Party, an appropriate response to such request. No Party shall stay, or cause its Affiliates to, toll or extend any applicable waiting period under the HSR Act, pull and refile under the HSR Act, or enter into any timing agreement or other understanding with any Governmental Body with respect to the HSR Act or any other Antitrust Law applicable to the Transactions without the prior written consent of the other Parties, which shall not be unreasonably withheld, conditioned or

delayed. Purchaser will be solely responsible for payment of all filing fees payable in connection with such filings.

(b) Subject to the immediately following sentence, each Seller and Purchaser will use their reasonable best efforts to as promptly as practicable (and in any event prior to the Outside Date) obtain any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations required under the HSR Act or any other Antitrust Law for the consummation of this Agreement and the Transactions. In furtherance and not in limitation of the other covenants in this Section 6.5, and notwithstanding anything else in this Agreement, Purchaser will take any and all steps necessary to avoid or eliminate each and every impediment under the HSR Act and any other Antitrust Law as may be required to obtain satisfaction of the closing conditions set forth in Section 7.1(a) or Section 7.1(b) and allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date, including offering, negotiating, committing to and effecting, by Consent decree, hold separate Order or otherwise, (i) the sale, divestiture, transfer, license, disposition, or hold separate (through the establishment of a trust or otherwise), of any and all of the capital stock or other equity or voting interest, assets (whether tangible or intangible), rights, properties, products or businesses of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; (ii) the termination, modification, or assignment of existing relationships, joint ventures, Contracts, or obligations of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; (iii) the modification of any course of conduct regarding future operations of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; and (iv) any other restrictions on the activities of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries, including the freedom of action of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries with respect to, or their ability to retain, any of their respective operations, divisions, businesses, product lines, customers, assets or rights or interests, or their freedom of action with respect to the assets, properties, or businesses to be acquired pursuant to this Agreement. Purchaser shall oppose any request for or, the entry of, and shall seek to have vacated or terminated, any Order, judgment, decree, injunction or ruling of any Governmental Body that could restrain, prevent or delay any required Consents applicable to the Transactions, including by defending through litigation, any Action asserted by any Person in any court or before any Governmental Body and by exhausting all avenues of appeal, including appealing properly any adverse decision or Order by any Governmental Body, it being understood that the costs and expenses of all such actions shall be borne by Purchaser. Notwithstanding anything to the contrary herein, Purchaser shall not be required to take or agree to take any actions with respect to the Sellers' assets, properties, or businesses that would, individually or in the aggregate, reasonably be likely to result in a material adverse effect on (i) the Sellers' assets, properties, and businesses to be acquired pursuant to this Agreement, taken as a whole or (ii) the governance or information rights necessary to enable Purchaser to operate the assets to be acquired pursuant to this Agreement following the Closing in the Ordinary Course; provided further for the avoidance of doubt, nothing in this Agreement shall require any equityholders or Affiliates of Purchaser to take or agree to take any actions, including with respect to any of their businesses, assets, or other interests. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the Sellers or any of their Subsidiaries or Affiliates to take or agree to take (and they shall not take or agree to take without the written consent of Purchaser) any action that is not conditioned on the Closing as may be required in order to obtain satisfaction of the closing conditions set forth in

Section 7.1(a) prior to the Outside Date, in each case, so as to allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date.

(c) None of the Sellers or Purchaser will participate in any substantive meeting or discussion with any Governmental Body with respect to any filings, applications, investigation or other inquiry relating to the Transactions without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, the opportunity to attend and participate in such meeting or discussion, unless prohibited by such Governmental Body. Each Party will have the right to review the content of any draft notifications, formal notifications, filings, submissions, or other substantive written communications (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted to any Governmental Body in advance of any such submission and will consider in good faith the views of the other Party in connection therewith. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other Party pursuant to this Section 6.5, the disclosing Party may (i) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (ii) redact such materials as necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets.

(d) Except as expressly contemplated or permitted by this Agreement, Purchaser will not, and will not permit Brookfield Infrastructure Fund III GP LLC (together with its controlled investment vehicles) to, directly or indirectly take any action or agree to take any action (including to acquiring or agreeing to acquire any assets or businesses) that would be reasonably likely to (i) materially delay or prevent the receipt of any required clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations under the HSR Act or any other Antitrust Law, (ii) increase the risk of any Governmental Body entering an Order preventing, delaying or prohibiting the consummation of the Transactions or (iii) delay or prevent the satisfaction of the closing conditions set forth in Section 7.1(a) or Section 7.1(b) or the consummation of the Transactions.

6.6 Corporate Name.

(a) As soon as reasonably practicable, but in no event more than thirty (30) days after the Closing, the Sellers shall cause an amendment to the certificate of incorporation or formation (or other constituent documents) of each Seller and each Subsidiary that is not an Acquired Entity to be filed with the appropriate Governmental Body and shall take all other action necessary to change each Seller’s and such Subsidiary’s name, as applicable, to a name or names not containing “Cyxtera,” “Cyxtera Technologies” or any other trademark included in the Owned Intellectual Property or any name confusingly similar to the foregoing (“Transferred Marks”) and will cause to be filed as soon as reasonably practicable after the Closing, in the jurisdiction in which such Seller or such Subsidiary is organized, any documents necessary to reflect such change in its name.

(b) As soon as reasonably practicable, but in no event more than fifteen (15) days after the name change contemplated by Section 6.6(a), the Sellers shall file such pleadings

and move to obtain such orders as are necessary to change the caption of each Seller petition that is a Debtor in the Bankruptcy Cases to change each Seller's and such Subsidiary's legal name on such petitions, as applicable, to a name or names not containing "Cyxtera," "Cyxtera Technologies" or any other trademark included in the Acquired Intellectual Property or any name confusingly similar to the foregoing.

(c) Purchaser (on behalf of each of the Purchasers and their respective Affiliates) hereby grant (and hereby cause its Affiliates to grant) to Seller and its Affiliates, a limited, revocable, non-exclusive license to use the Transferred Marks solely on a wind-down and transitional basis for a period from the Closing through until the earlier of (i) the first anniversary of the Closing Date and (ii) the termination of all operations at and occupancy of all sites covered by any Lease that Purchaser designates for rejection in accordance with Section 1.5 (the "IP Wind-Down Period") in a substantially similar manner as used prior to the Closing. Notwithstanding any of the foregoing, nothing in this Section 6.6 shall prevent the Sellers or any of its Affiliates from using any trademarks or service marks (i) as required by applicable Law, (ii) on internal business and legal documents, materials, and items, solely for internal use and archival purposes, or (iii) in a manner that could not reasonably constitute trademark infringement or dilution even in absence of a license (including fair use, nominative fair use, or other descriptive, non-trademark use).

(d) Promptly after the IP Wind-Down Period, the Sellers further agree that from and after the Closing, each of the Sellers and their respective Affiliates (i) will cease to make any use of the name "Cyxtera," "Cyxtera Technologies" or any other Transferred Marks and any similar names indicating affiliation with the Purchaser or any of its Affiliates and (ii) will cease using any and all Owned Intellectual Property.

6.7 Commercially Reasonable Efforts; Cooperation; Notices and Consents.

(a) Subject to the other terms of this Agreement, each Party shall, and shall cause its Subsidiaries to, use its and their respective commercially reasonable efforts to perform its and their respective obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. For the avoidance of doubt, the Parties agree that the foregoing cannot be construed to create any obligation on any of the aforementioned Advisors to take or refrain from taking any action, absent an express contractual requirement to do so, nor can any of the foregoing be construed to override existing confidentiality and other obligations owed by any Party or other Person to such Advisors.

(b) Prior to the Closing, Sellers will, and will cause the Acquired Entities to, terminate any intercompany Liability (i) between or among any Acquired Entity, on the one hand, and any Seller or its Affiliates, on the other hand, or (ii) between or among one or more Acquired Entities, in each case, without Liability to Purchaser or any of its Affiliates (including any Acquired Entities), except to the extent that such Liability is taken into account in the final calculation of Closing Working Capital, unless Purchaser otherwise requests in writing that they not so terminate any such intercompany Liability. For the avoidance of doubt, any intercompany Liability not terminated pursuant to this Section 6.7(b), including all intercompany Liabilities

solely between the Sellers or their respective Affiliates (other than Acquired Entities), shall be deemed to be an Excluded Liability.

(c) As promptly as practicable following the date hereof, Sellers will give, or will cause to be given, any notices to third parties, and will use their respective commercially reasonable efforts to obtain any third party Consents or sublicenses, in each case, that may be triggered by or required in connection with the Transactions, including the assignment to Purchaser or its Designee, of the Assigned Contracts. On the final termination of the Factoring Facility, to occur no later than the Closing, Sellers shall repay, or cause to be repaid, any outstanding amounts still due and owing thereunder and shall obtain a standard payoff letter from PNC Bank National Association, as administrative agent, and file lien releases and account control agreement terminations, releasing the collateral thereunder. Sellers agree to work in good faith with PNC, as administrative agent, under the Factoring Facility to facilitate a repurchase of account receivables, if any, that remain outstanding thereunder on the date of termination thereof.

(d) Promptly following the date hereof, Seller will use reasonable best efforts to provide Purchaser with a true, complete and correct list of all Permits maintained by the Sellers and their Subsidiaries that are necessary or required to conduct their businesses as conducted as of the date hereof.

6.8 Further Assurances. Except as expressly limited by this Agreement or any other Transaction Agreement, from time to time, as and when requested by any Party and at such requesting Party's expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments, and will take, or cause to be taken, all such further or other actions as may be reasonably necessary or desirable to evidence and effectuate the Transactions, the transfer of title to the Acquired Assets to, and assumption of Assumed Liabilities by, Purchaser or its Designee(s) in accordance with the terms of this Agreement, and the DLR Transactions, to the extent applicable (including any distribution of cash contemplated thereby).

6.9 Insurance Matters. Purchaser acknowledges that, subject to the next sentence, from and after the Closing, all nontransferable and non-assignable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Affiliates (whether such policies are maintained with third party insurers or with such Seller or its Affiliates) shall not provide any coverage to Purchaser and the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the right to make claims and the right to any recovered insurance proceeds with respect to, and to the extent of any losses sustained or assumed by the Purchaser or its Designee or their respective Affiliates with respect to, any matter related to the Acquired Assets or Assumed Liabilities or Acquired Entities under any insurance policies for occurrence-based claims pertaining to or arising out of occurrences that took place in periods prior to the Closing, and Sellers shall seek the maximum recovery or allow Purchaser to seek recovery under such insurance policies, and Sellers shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' reasonable and documented out-of-pocket costs and expenses of seeking such recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its Designee.

6.10 Third Party Credit Support Obligations.

(a) Purchaser acknowledges that in the course of conduct of their business, Sellers and their Affiliates may have entered into various arrangements (a) in which guarantees, letters of credit, sureties, bonds or similar arrangements were issued by Sellers or their Affiliates and (b) in which Sellers or their Affiliates are the primary obligors on other Contracts, in any such case to support or facilitate such business, which are set forth in Schedule 6.10(a) (the “Seller Support Obligations”). It is understood that the Seller Support Obligations are not intended to continue after the Closing. Purchaser agrees that it shall use its commercially reasonable efforts to obtain either (i) the full and unconditional release of Sellers and their Affiliates of each if the Seller Support Obligations, or (ii) replacements for the Seller Support Obligations, in either case that will be in effect at the Closing, or, in the case of Seller Support Obligations described in the foregoing clause (b), will use its commercially reasonable efforts to arrange for itself or one of its Subsidiaries to be substituted as the primary obligor thereon effective as of the Closing through an assumption, accession, acknowledgement or similar agreement (which shall include the full and unconditional release of Sellers and their Affiliates) with the beneficiary of the applicable Seller Support Obligation; it being understood and agreed that such exercise of commercially reasonable efforts shall not require Purchaser to (x) expend its own cash or other assets or property in order to replace such Seller Support Obligations or otherwise to fulfill its obligations under this Schedule 6.10(a) or (y) breach its obligations with respect to the Debt Financing or take any action that could reasonably be expected to cause any of the conditions precedent therein to not be satisfied. Whether or not Purchaser is able to satisfy the terms of the immediately preceding sentence, Purchaser shall indemnify Sellers and their Affiliates and each of their respective officers, directors, employees, agents and representatives from and against any and all Liabilities incurred by any of them relating to the Seller Support Obligations, except to the extent due to the breach, gross negligence or willful misconduct of the Sellers.

(b) Except for those set forth in Schedule 6.10(b), Sellers and their Affiliates shall (i) maintain the effectiveness of each letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries from and after the Closing Date until it is released by the secured party, (ii) not amend or modify such letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries in a manner adverse to Purchaser and (iii) not let any such letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries lapse or terminate without the prior written consent of Purchaser.

(c) During the period following the Closing and until the first (1st) anniversary of the Closing Date, Purchaser shall (i) use commercially reasonable efforts to collect any cash collateral held by or on behalf of any utility provider as security for any utilities-related Liabilities (including deposits for electricity, telephone or other utilities) of the Sellers or any Acquired Entity, and (ii) remit to the Sellers, by wire transfer of immediately available funds to such account designated in writing by CTI, any such actually collected amounts (net of any documented, out-of-pocket third party costs of recovery) and any amounts applied for credit on invoices, promptly following actual receipt by Purchaser thereof prior to the first (1st) anniversary of the Closing Date, solely to the extent such amounts are not otherwise included in the Cash Amount for purposes of this Agreement; provided that, notwithstanding the foregoing, Purchaser shall not be required to initiate or pursue any Action against any applicable utility provider in connection with the obligations set forth in this Section 6.10(c). Notwithstanding the foregoing, at the first (1st)

anniversary of the Closing Date, solely to the extent Purchaser has not previously remitted to the Sellers an amount equal to or greater than \$6,000,000 pursuant to the foregoing sentence and clause (ii) of the definition of Cash Amount, Purchaser shall remit to the Sellers, by wire transfer of immediately available funds to such account designated in writing by CTI, an amount equal to the excess (if any) of (x) \$6,000,000, over (y) any and all amounts previously remitted by Purchaser to the Sellers pursuant to this Section 6.10(c) and clause (ii) of the definition of Cash Amount (such amount, the “Final Deposits Payment Amount”). Upon the payment of the Final Deposits Payment Amount by Purchaser, no amount shall be due and owing to the Sellers pursuant to this Section 6.10(c).

6.11 Acknowledgement by Purchaser.

(a) Without limiting the generality of Section 3.23, in connection with the investigation by the Purchaser of Sellers and their Subsidiaries, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Seller or other Seller Parties, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, “Projections”). Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Seller and its Subsidiaries, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

(b) Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.11. Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that the covenants and agreements contained in this Section 6.11 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.11, Seller would not enter into this Agreement. Notwithstanding anything to the contrary contained herein, nothing in this Section 6.11 shall limit or affect any claims for Fraud.

6.12 Receipt of Misdirected Assets; Wrong Pockets. From and after the Closing, if any Seller or any of its respective Affiliates receives any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in

the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

6.13 Directors' and Officers' Indemnification. Following the Closing until the sixth (6th) anniversary thereof, Purchaser shall cause the Acquired Entities not to amend, repeal or otherwise modify the Acquired Entities' constitutive documents as in effect at the Closing, in any manner that would adversely affect the indemnification and exculpation rights thereunder of individuals who are or were directors or officers of the Acquired Entities with respect to periods prior to the Closing. Purchaser shall not take any action to cancel or otherwise reduce coverage under any "tail" insurance policies purchased by the Acquired Entities prior to the Closing; provided that no payments shall be required of the Acquired Entities or the Purchaser Group with respect to such policies after the Closing.

6.14 Financing Matters.

(a) From the date hereof until the Closing or the earlier termination of this Agreement, the Sellers shall, and shall cause each Acquired Entity and its and their respective representatives to use their commercially reasonable efforts to reasonably cooperate with Purchaser and its Affiliates in connection with, the arrangement of any debt financing to be incurred on the Closing Date in connection with the Transactions (the "Debt Financing"), which shall include using commercially reasonable efforts for (i) upon reasonable advance notice and at mutually agreeable times, participating in a reasonable number of bank meetings and similar presentations to and with the Debt Financing Sources and rating agencies, including direct contact between senior management and the other representatives of the Sellers and their Subsidiaries or such Acquired Entity, on the one hand, and the actual and potential Debt Financing Sources, on the other hand, (ii) furnishing Purchaser with historical financial statements and other information regarding the Sellers and their Subsidiaries as is customarily provided in connection with financings of the type contemplated by the Debt Financing in the format and presentation, presently prepared by the Seller's current preparer, (iii) providing information for the preparation of any pledge and security agreements and other definitive financing documentation for the Debt Financing, including schedules to the definitive documentation for the Debt Financing as may be reasonably requested by Purchaser, (iv) facilitating the pledging of collateral for the Debt Financing (including cooperation in connection with the (A) pay-off of existing Indebtedness to the extent contemplated by this Agreement and the release (or, at Purchaser's request in the case of jurisdictions that impose mortgage recording or similar taxes, assignment) of related Encumbrances and termination of security interests (including delivering prepayment or termination notices as required by the terms of any existing Indebtedness and delivering the customary payoff letters), (B) Lease amendments to facilitate such pledging, and (C) obtaining of any mortgages in favor of the Debt Financing Sources on any Acquired Assets that are Owned Real Property or Leased Real Property) and (v) providing to Purchaser, its Affiliates and their Debt Financing Sources at least four (4) Business Days prior to the Closing Date all documentation and other information required by Governmental Bodies under applicable "know your customer" and anti-money laundering rules and regulations. Purchaser and its Affiliates shall be permitted to disclose confidential information subject to the Confidentiality Agreement to any parties providing commitments for the Debt Financing, rating agencies and prospective lenders, subject to such parties providing commitments, rating agencies and prospective lenders entering into customary confidentiality undertakings for a syndication with respect to such information.

(b) Each Seller and Subsidiary of a Seller consents to the customary and reasonable use of such Seller's or Subsidiary's logos in connection with any Debt Financing; provided that such logos are used solely in a manner that is not intended, or reasonably likely, to harm or disparage the Sellers and their Subsidiaries or the reputation or goodwill of the Sellers and their Subsidiaries.

(c) Notwithstanding anything in this Agreement to the contrary, nothing herein shall require (i) any Seller or Subsidiary of a Seller or any of their representatives to execute or enter into any certificate, instrument, agreement or other document in connection with the Debt Financing, (ii) cooperation or other actions or efforts on the part of the Sellers or their Subsidiaries, or any of their respective representatives, in connection with the Debt Financing to the extent it would interfere unreasonably with the business or operations of such Seller or Subsidiary of a Seller, (iii) the Sellers or their Subsidiaries or any of their respective representatives to pay any commitment or other fee or incur any other Liability in connection with the Debt Financing that is not reimbursed by Purchaser, (iv) the board of directors or similar governing body of any Seller or Subsidiary of a Seller, prior to the Closing, to adopt resolutions approving, or otherwise approve, the agreements, documents or instruments pursuant to which the Debt Financing is made, (v) the Sellers or their Subsidiaries to provide any access or information if (A) doing so would reasonably be expected to violate any fiduciary duty, applicable law or existing Contract to which a member of the Sellers or their Subsidiaries is party (B) doing so would reasonably be expected to result in the loss of the ability to successfully assert attorney-client, work product or similar privileges; provided that the Sellers and their Subsidiaries shall use reasonable best efforts to make appropriate substitute arrangements under circumstances in which the foregoing restrictions do not apply, or (C) in a format or presentation not consistent with Seller's current practices (vi) cooperation that would violate, or result in the waiver of any benefit under this Agreement, any other material Contract (not entered in contemplation hereof) or any Law to which the Sellers or their Subsidiaries are a party or (vii) the Sellers or their Subsidiaries or any of their respective representatives to prepare or provide (and Purchaser shall be solely responsible for) pro forma financial information, including pro forma cost savings, synergies, capitalization or other pro forma adjustments desired to be incorporated into any pro forma financial information in connection with the Debt Financing; provided that the Sellers and their Subsidiaries and their respective representatives shall reasonably assist Purchaser in the preparation of such pro forma financial information.

(d) All non-public information regarding Sellers provided to Purchaser, its Affiliates, its Debt Financing Sources, or its Advisors pursuant to this Section 6.14 shall be kept confidential by them in accordance with the Confidentiality Agreement or confidentiality provisions comparable to those set forth in the Confidentiality Agreement. None of Sellers shall be required to disclose any information that is subject to attorney-client or similar privilege. None of Sellers shall be required to take any action pursuant to this Section 6.14 that would subject it to actual or potential Liability for which it would not be indemnified hereunder or to bear any cost or expense or to pay any commitment or other fee or provide or agree to provide any indemnity in connection with the Debt Financing. Purchaser shall indemnify and hold harmless the Seller Parties from and against any and all Liabilities, suffered or incurred by them in connection with this Section 6.14 and any information utilized in connection therewith, in each case, except such Liabilities suffered or incurred as a result of such Person's gross negligence, willful misconduct or willful breach of this Agreement, in each case, as determined by a final, non-appealable decision

of a court of competent jurisdiction. Purchaser shall, promptly upon request by CTI, reimburse Sellers for all reasonable and documented out-of-pocket costs incurred by them in connection with their complying with their obligations under this Section 6.14.

(e) Notwithstanding this Section 6.14 or anything else in this Agreement, Purchaser acknowledges and agrees that (i) it is not a condition to the Closing or to any of Purchaser's other obligations under this Agreement that the Purchaser obtain financing for or related to any of the Transaction (including all or any portion of the Debt Financing). The Parties agree that this Section 6.14 (and not Section 6.7 or Section 6.8) sets forth Sellers' sole obligations with respect to the Debt Financing and (ii) the condition set forth in Section 7.2(b), as it applies to Sellers' obligations under this Section 6.14, shall be deemed satisfied unless the Debt Financing has not been obtained as a direct result of Sellers' knowing and material willful breach of their obligations under this Section 6.14.

6.15 Title Insurance Policies; Memoranda of Lease; Estoppel Certificates. The Sellers and their Subsidiaries shall cooperate reasonably with Purchaser in Purchaser's efforts to (i) obtain any commitments, reports or policies of title insurance with respect to any Owned Real Property or Leased Real Property, including by providing affidavits, indemnities and other similar instruments reasonably required by the applicable title insurance companies in connection therewith, which affidavits, indemnities, and instruments shall not expand any representation or warranty, or any remedy or Liability, of any Party and (ii) place each Lease of record, including by executing and delivering and using commercially reasonable efforts to cause the landlord or other counterparty under such Lease to execute and deliver a memorandum of such Lease (as well as the applicable Assignment and Assumption of Lease or a memorandum thereof) in a form appropriate for recordation in the applicable jurisdiction; provided that Purchaser shall be responsible for all recording costs and any applicable transfer or conveyance taxes (or similar taxes) payable in connection with the recordation of any memorandum of a Lease other than any such items which are not payable as a result of the exemption available under Section 1146(a) of the Bankruptcy Code. The Sellers and their Subsidiaries shall use commercially reasonable efforts to cause the landlord or other counterparty under each Lease to execute and deliver (for the benefit of Purchaser and its financing sources) within thirty (30) days prior to the Closing an estoppel certificate in a form that is reasonably satisfactory to Purchaser.

6.16 Seller Joinder. Following the date hereof, at Purchaser's request, CTI or the other Sellers shall promptly cause the UK Seller, the Germany Seller or the Singapore Seller, to the extent such Person is designated as a Seller in accordance with any DLR Transaction and is not already a Seller hereunder, to execute and deliver to the other Parties hereto a joinder to this Agreement in the form attached hereto as Exhibit I (each, a "Seller Joinder") and, from and after the delivery of such Seller Joinder, such UK Seller, Germany Seller or Singapore Seller (as applicable) shall be deemed to be a Seller and a Party for such purposes of, and in connection with, the consummation of such DLR Transaction; provided, that such UK Seller, Germany Seller or Singapore Seller (as applicable) will remain a Transferred Subsidiary for all purposes hereof; provided that the Parties acknowledge and agree that the Germany Seller, the Singapore Seller, and the UK Seller are not and shall not in any event be Debtors and, as such, none of the provisions of this Agreement incorporating, applying, or involving the Bankruptcy Code (but only to the extent the Bankruptcy Code is so incorporated, applied, or involved and not otherwise disapplying

such provisions generally) shall apply to the transactions in which the Germany Seller, the Singapore Seller, and the UK Seller directly participate hereunder.

6.17 Confidentiality. The Confidentiality Agreement shall automatically terminate in connection with the Closing without further action by any Party thereto. Following the Closing, each Seller shall, and shall cause the other Seller Parties, to, (i) maintain the confidentiality of, (ii) not use, and (iii) not divulge to any Person (other than its employees and Advisors), any confidential, non-public or proprietary information included in the Acquired Assets or otherwise relating to the business of the Sellers and their Subsidiaries (“Confidential Information”), except to the extent necessary in connection with their winddown, liquidation, and related activities (including Tax Returns and processing of claims in the Bankruptcy Case) and the operation and winddown of any sites governed by any Lease that Purchaser designates for rejection in accordance with Section 1.5(b), with the prior written consent of Purchaser, or as may be required by applicable Law; provided that such Seller Parties shall not be subject to such obligation of confidentiality for Confidential Information that is or becomes generally available to the public without breach of this Agreement by such Seller Party. If any Seller Party shall be required by applicable Law to divulge any Confidential Information, such Seller Party shall provide Purchaser with prompt written notice of each such request so that Purchaser may, at Purchaser’s sole expense, seek an appropriate protective Order or other appropriate remedy, and such Seller Party shall reasonably cooperate with Purchaser to obtain a protective Order or other remedy; provided that, in the event that a protective Order or other remedy is not obtained, such Seller Party shall furnish only that portion of such Confidential Information which, in the opinion of its counsel, such Seller Party is legally compelled to disclose and shall exercise its commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded any such Confidential Information so disclosed.

6.18 DLR Transactions.

(a) UK Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the UK Transaction, then no later than three (3) Business Days prior to the Closing Date, the Sellers shall, and shall cause their relevant respective Subsidiaries to, effect the restructuring transactions set forth on the UK Restructuring Steps Plan attached hereto as Exhibit H (such transactions, the “UK Restructuring Transactions”), reasonably cooperate with Purchaser and its Affiliates in connection therewith, including by providing any reasonably requested information required in connection with the foregoing to Purchaser, its Affiliates and their respective representatives, and, following the UK Restructuring Transactions, at the Closing in accordance with Section 2.3(b), sell, transfer, assign, convey, and deliver to the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) all shares of capital stock or other Equity Interests of any entity formed (and to which the designated assets and liabilities were transferred) pursuant to the UK Restructuring Transactions free and clear of any Encumbrances (other than Encumbrances arising under applicable securities Laws), on the terms and subject to the conditions set forth herein (the “UK Transaction”), in exchange for the payment and delivery of the UK Consideration

Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to the UK Seller.

(ii) In connection with the consummation of the UK Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the UK Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the UK Transaction (the “UK Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any UK Document made in good faith shall be reflected in the finalized UK Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The UK Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the UK Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized UK Documents shall promptly be provided to Purchaser upon its execution.

(b) Germany Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the Germany Transaction, then the Sellers shall cause the Germany Seller to, at the Closing in accordance with Section 2.3(b), enter into the Germany Lease Termination Agreements and terminate the leases set forth on Exhibit H hereto between the Germany Seller and the applicable Designee or its Affiliate (such leases, the “Germany Leases”) in exchange for the payment and delivery of the Germany Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as Designee hereunder) to the Germany Seller (collectively, the “Germany Transaction”).

(ii) In connection with the consummation of the Germany Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the Germany Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the Germany Transaction (the “Germany Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any Germany Document made in good faith shall be reflected in the finalized Germany Documents, and the relevant Parties shall each cooperate with each other in respect thereof.

The Germany Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the Germany Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized Germany Documents shall promptly be provided to Purchaser upon its execution.

(c) Singapore Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the Singapore Transaction, then the Sellers shall cause the Singapore Seller to, at the Closing in accordance with Section 2.3(b), (x) enter into the Singapore Lease Termination Agreement(s) and terminate the lease(s) set forth on Exhibit H hereto between the Singapore Seller and the applicable Designee or its Affiliate which are designated for termination (such leases, the “Singapore Leases” and such transactions, the “Singapore Lease Termination”), or (y) sell, transfer, assign, convey, and deliver to Purchaser’s Designee as set forth in the DLR Election Notice the assets and liabilities of the Singapore Seller as set forth on Exhibit H free and clear of all Encumbrances other than Permitted Post-Closing Encumbrances, on the terms and subject to the conditions set forth herein (the “Singapore Asset Sale” and together with the Singapore Lease Termination (if applicable), collectively, the “Singapore Transaction”), in the case of either clause (x) or (y), in exchange for the payment and delivery of the Singapore Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to the Singapore Seller.

(ii) In connection with the consummation of the Singapore Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the Singapore Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the Singapore Transaction (the “Singapore Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any Singapore Document made in good faith shall be reflected in the finalized Singapore Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The Singapore Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the Singapore Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized Singapore Documents shall promptly be provided to Purchaser upon its execution.

(d) United States Intangibles Transaction.

(i) If a DLR Election Notice contemplating the consummation of the UK Transaction, the Germany Transaction, or the Singapore Transaction is provided by Purchaser in accordance with Section 2.3(b), then, in connection with any of the UK Transaction, the Germany Transaction, or the Singapore Transaction occurring at the Closing in accordance with Section 2.3(b), the Sellers (other than the UK Seller, the Germany Seller and the Singapore Seller) shall, contemporaneously therewith, sell, transfer, assign, convey, and deliver to the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) those rights and entitlements to and under any Contracts, Intellectual Property and other intangible assets that are Acquired Assets solely to the extent relating to, and necessary for the operations of, the assets and liabilities transferred to such Designee in the UK Transaction, the Germany Transaction or the Singapore Asset Sale (in each case, as may be (and solely to the extent) specified on Exhibit H), as applicable (the “US Intangibles Transfer”), in exchange for the payment and delivery of the US Intangibles Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to Sellers (other than the UK Seller, the Germany Seller, and the Singapore Seller).

(ii) Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the US Intangibles Transfer (the “US Intangible Transfer Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Seller with respect to any US Intangible Transfer Documents made in good faith shall be reflected in the finalized US Intangible Transfer Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The US Intangible Transfer Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the US Intangible Transfer Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized US Intangible Transfer Documents shall promptly be provided to Purchaser upon its execution.

(e) Notwithstanding anything to the contrary herein (including Section 10.5), Exhibit H and Schedule 9.2 (solely to the extent of the value allocated to the transactions set forth in this Section 6.18) may be amended, modified or supplemented as determined by the Purchaser, subject only to the consent of CTI (such consent not to be unreasonably withheld, conditioned or delayed), from time to time at any time not later than five (5) Business Days prior to the Closing Date.

6.19 Shared Agreements. The Parties acknowledge that certain Available Contracts relate to business conducted at more than one property of a Seller or its Subsidiaries, including Acquired Leased Real Property, Owned Real Property or leased real property of an Acquired Entity, or otherwise relating to a Shared Customer Contract (as defined in the Specified Agreement) (each, together with any applicable related Contracts between any Seller and the applicable counterparty, a “Shared Agreement”). From and after the date hereof, if requested by

Purchaser in writing, the Parties will act in good faith and use commercially reasonable efforts to obtain from the applicable counterparty to each Shared Agreement written consent (if required) to separate Shared Agreements each into two or more separate Contracts (each, a “Separated Agreement”) and to separate such Shared Agreements, effective as of the Closing, with each such Separated Agreement covering a separate property included in the Acquired Assets. Prior to the separation of such Shared Agreement each of the Parties will cooperate in good faith in negotiating with the applicable counterparty to achieve at the Closing or as promptly as practicable thereafter the separation of rights and obligations contemplated by this Section 6.19, in each case if the consent of or notice to such counterparty is required pursuant to the applicable Shared Agreement. The Parties will also use their respective commercially reasonable efforts to cause and facilitate each Separated Agreement to: (i) be separate and independent from Separated Agreements of another Party, a Designee or their respective Affiliates and (ii) not contain any cross default, set-off, joint or continuing liability, or similar provisions that can be triggered under other Separated Agreements of another Party, a Designee or their respective Affiliates. Notwithstanding this Section 6.19 or anything else in this Agreement, Purchaser acknowledges and agrees that it is not a condition to the Closing or to any of Purchaser’s other obligations under this Agreement that the Parties obtain any Separated Agreements. The Parties agree that this Section 6.19 (and not Section 6.7 or Section 6.8) sets forth Sellers’ sole obligations with respect to the potential Separated Agreements and (ii) the condition set forth in Section 7.2(b), as it applies to Sellers’ obligations under this Section 6.19, shall be deemed satisfied unless the failure to obtain a material number of Separated Agreements is a direct result of Sellers’ uncured breach of their obligations under this Section 6.19.

6.20 DLR Closing Distributions. From and after the date hereof, each of the Sellers, the UK Seller, the Germany Seller, the Singapore Seller, and each of their respective Subsidiaries shall use reasonable best efforts to take, or cause to be taken, subject to compliance with applicable Law, any and all such actions as may be necessary or desirable (including approving the relevant book accounts and distributable profits on a prospective basis, taking into account the DLR Transactions) to ensure that, promptly following the consummation of any DLR Transaction (to the extent applicable), each of the UK Seller, the Germany Seller, and the Singapore Seller will, and will be authorized and permitted to, distribute, to the maximum extent permitted by Law and without limitation of the Sellers’ obligations pursuant to Section 6.7(b), the portion of the Aggregate DLR Consideration Amount received by each of the UK Seller, the Germany Seller, or the Singapore Seller, as applicable, in connection with the consummation of any DLR Transaction to any Seller(s) other than the UK Seller, the Germany Seller and the Singapore Seller. In furtherance of the foregoing, at the Closing as set forth in Section 2.3(b), each of the UK Seller, the Germany Seller, and the Singapore Seller shall distribute to the maximum extent permitted by Law, the portion of the Aggregate DLR Consideration Amount received by each of the UK Seller, the Germany Seller, or the Singapore Seller, as applicable, in connection with the consummation of any DLR Transaction to any Seller(s) designated by CTI (other than the UK Seller, the Germany Seller and the Singapore Seller). Without limitation of Sellers’ obligations hereunder, Purchaser and its applicable Designee(s) shall reasonably cooperate with Sellers with respect to Sellers’ implementation of the provisions of this Section 6.20, and Sellers’ shall reasonably consult with Purchaser in determining the portion, if any, of the Aggregate DLR Consideration Amount permitted to be distributed by Law and the determination of any withholding Taxes that may be imposed in connection with such distribution.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Seller. The respective obligations of each Party to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by CTI (on behalf of each of the Sellers) and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) the expiration or termination of any required waiting period (and any extensions thereof, including any agreement or commitments with any Governmental Body to delay consummation of the Transaction (e.g., timing agreements)) under the HSR Act or any other Antitrust Law set forth in Schedule 7.1 applicable to the Transactions, and the receipt of any required approval related to the Transactions under any Antitrust Law set forth in Schedule 7.1;

(c) the Bankruptcy Court shall have entered the Confirmation Order approving the Plan, which Confirmation Order shall be a Final Order and which shall be in all respects consistent with the terms of this Agreement and otherwise satisfactory to Purchaser (with respect to all provisions of the foregoing that relate to or affect Purchaser, this Agreement, or the Transactions), and no Order staying, reversing, modifying or amending the Confirmation Order shall be in effect on the Closing Date, and which Plan shall be in all respects consistent with the terms of this Agreement and otherwise satisfactory to Purchaser (with respect to all provisions of the foregoing that relate to or affect Purchaser, this Agreement, or the Transactions);

(d) the Effective Date of the Plan shall have occurred (which may be contemporaneous with the Closing); and

(e) the CCAA Court shall have pronounced the CCAA Orders, which CCAA Orders shall each be a Final Order and in all respects consistent with the terms of this Agreement and otherwise satisfactory to Sellers and, solely with respect to the Purchaser, this Agreement, or the Transactions, Purchaser, and no Order staying, setting-side, reversing, modifying or amending the CCAA Orders shall be in effect on the Closing Date.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) Representations and Warranties. (i) The representations and warranties made by Sellers in Article III (in each case, other than the Fundamental Representations) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date, except (A) that representations and warranties that are made as of a specified date need be true and correct in all respects only as of such date and (B) to the extent the failure of such representations and warranties to be true and correct as of such dates (without giving

effect to any limitation as to “materiality,” “material adverse effect,” “Material Adverse Effect” or similar qualifiers contained therein (other than “material weaknesses” in Section 3.5(b) and the word “Material” when used in the instances of the defined terms “Material Contract,” and “Material Supplier”)) has not had a Material Adverse Effect and (ii) the representations and warranties set forth in Section 3.1 (Organization and Qualification) (other than Section 3.1(b)), Section 3.2 (Authorization of Agreement), Section 3.3 (Equity Interests of Acquired Entities), Section 3.4 (Conflicts; Consents) (solely with respect to clause (i) thereof), Section 3.6(b) (Absence of Certain Changes or Developments), Section 3.9(e) (Title to Properties; Sufficiency of Tangible Assets) (solely with respect to the last sentence thereof) and Section 3.20 (Brokers) (collectively, the “Fundamental Representations”) shall be true and correct in all respects (except for any *de minimis* inaccuracy therein) as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all respects (except for any *de minimis* inaccuracy therein) only as of such date.

(b) Compliance with this Agreement. Sellers shall have performed or complied with, in all material respects, all of the obligations and covenants required to be performed or complied with by the Sellers under this Agreement on or prior to Closing.

(c) Closing Certificate. Purchaser shall have received on and as of the Closing Date a certificate of an authorized officer of the Sellers confirming that the conditions set forth Section 7.2(a), Section 7.2(b) and Section 7.2(d) have been satisfied.

(d) No Material Adverse Effect. Since the date hereof, there shall not have occurred a Material Adverse Effect.

(e) Certain Documents. Sellers shall have delivered, or caused to be delivered, to Purchaser all of the items set forth in Section 2.4; provided, that the sole remedy of Purchaser for the failure by the Sellers to provide to Purchaser the documentation described in Section 2.4(i) shall be to withhold Taxes from the consideration otherwise payable pursuant to this Agreement in accordance with Section 2.7.

(f) Acquired Entities Financing Encumbrances. Each of the applicable Acquired Entities shall have obtained a complete, irrevocable and unconditional release in a form satisfactory to Purchaser from all Encumbrances in connection with the Term Loan Facilities, Revolving Credit Facility, Bridge Facility and DIP Facility (each as defined in the Final DIP Order) to the extent such Acquired Entity has granted or incurred any Encumbrance in connection therewith.

(g) All Material Contracts and Acquired Leases designated for assumption and assignment by Purchaser pursuant to Section 1.1(a), Section 1.1(e), Section 1.5(b) or Section 1.5(c), as applicable, shall have been assigned by the applicable Seller to Purchaser or its Designee pursuant to sections 105, 365 and 1123(b)(2) of the Bankruptcy Code, and all Cure Costs shall have been paid by the applicable Seller in full.

7.3 Conditions Precedent to the Obligations of Seller. The obligations of the Sellers to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written

waiver by CTI (on behalf of each of the Sellers) in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) Representations and Warranties. The representations and warranties made by Purchaser in Article IV shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date (other than representations and warranties that are made as of a specified date, which shall be true and correct in all material respects only as of such date), except where the failure of such representations or warranties to be so true and correct (without giving effect to any limitation as to “materiality,” “material adverse effect,” “Material Adverse Effect” or similar qualifiers contained therein) has not had, and would not reasonably be expected to have, individually or in the aggregate, a material adverse effect on Purchaser’s ability to consummate the Closing.

(b) Compliance with this Agreement. Purchaser shall have performed or complied with, in all material respects, all of the obligations and covenants required to be performed or complied with by it under this Agreement on or prior to the Closing Date.

(c) Closing Certificate. Seller shall have received on and as of the Closing Date a certificate of an authorized officer of Purchaser confirming that the conditions set forth in Section 7.3(a) and Section 7.3(b) have been satisfied.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1, and in no other matter:

(a) by the mutual written consent of CTI (on behalf of the Sellers) and Purchaser;

(b) by written notice of either Purchaser or CTI (on behalf of the Sellers) to the other, if there is in effect any Law or Order enacted or issued by a Governmental Body of competent jurisdiction that restrains, enjoins, declares unlawful or otherwise prohibits the consummation of the Closing or declaring unlawful the Transactions, and such Law or Order has become final, binding and non-appealable; provided that no Party may terminate this Agreement under this Section 8.1(b) if the issuance of such Order was caused by such Party’s (or, in the case of CTI, any other Seller’s) failure to perform any of its obligations under this Agreement;

(c) by written notice of either Purchaser or CTI (on behalf of the Sellers), if the Closing shall not have occurred on or before the date that is four (4) months following the date hereof (the “Outside Date”) (or such later date as provided in Section 10.12); provided that if as of

the Outside Date any of the conditions set forth in Section 7.1(a), or Section 7.1(b) or if, in the case of Section 7.1(b), the prohibition or restraint relates to or arises under any Antitrust Law have not been satisfied but all other conditions set forth in Sections 7.2 and 7.3 shall have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, but provided that such conditions shall then be capable of being satisfied if the Closing were to take place on such date), then the Outside Date shall be automatically extended to June 30, 2024 and such date shall become the Outside Date for purposes of this Agreement; provided, further, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's (or, in the case of CTI, any other Seller's) failure to perform any of its obligations under this Agreement;

(d) by written notice from CTI (on behalf of the Sellers) to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied; provided that (i) if such breach is curable by Purchaser (other than a breach or failure by Purchaser to close when required pursuant to Section 2.3) then CTI (on behalf of the Sellers) may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after CTI notifies Purchaser of such breach and (ii) CTI's (on behalf of the Sellers) right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to CTI at any time that any Seller is in breach of, any covenant, representation or warranty hereunder such that the conditions in Section 7.2 cannot be satisfied;

(e) by written notice from Purchaser to CTI (on behalf of the Sellers), upon a breach of any covenant or agreement on the part of the Sellers, or if any representation or warranty of the Sellers will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(b) would not be satisfied; provided that (i) if such breach is curable by the Sellers (other than a breach or failure by Sellers to close when required pursuant to Section 2.3) then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after Purchaser notifies CTI (on behalf of the Sellers) of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in breach of, any covenant, representation or warranty hereunder such that the conditions in Section 7.3 cannot be satisfied;

(f) by written notice from CTI (on behalf of the Sellers) to Purchaser, if (i) all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but provided that such conditions shall then be capable of being satisfied if the Closing were to take place on such date) or waived, (ii) CTI (on behalf of the Sellers) has delivered written notice to Purchaser that it is ready, willing and able to complete the Closing on such date and throughout the four (4) Business Day period following delivery of such notice and (iii) Purchaser fails to complete the Closing at the time required by Section 2.1;

(g) by written notice from CIT (on behalf of Sellers) to Purchaser, if any Seller or the board of directors (or similar governing body) of any Seller determines in good faith after

consultation with its financial advisors and outside counsel that that proceeding with the Transaction or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties under the applicable Law;

(h) by written notice of either Purchaser or CTI (on behalf of the Sellers), if (i) any Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser, (ii) the Bankruptcy Court approves an Alternative Transaction, or (iii) the Sellers consummate an Alternative Transaction;

(i) by written notice from Purchaser to CTI (on behalf of the Sellers), if any of the Bankruptcy Cases is dismissed or converted to a case under chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the affairs or reorganization of any of the Sellers is appointed in any of the Bankruptcy Cases;

(j) by written notice from Purchaser to CTI (on behalf of the Sellers), if (i) Sellers withdraw or seek to withdraw any motion seeking approval of this Agreement and the Transactions or file any motion seeking approval of an Alternative Transaction, (ii) the Confirmation Order, in form and substance satisfactory to the Purchaser, is not entered by the Bankruptcy Court on or before November 17, 2023, (iii) the CCAA Orders, in form and substance satisfactory to the Purchaser, are not entered by the CCAA Court on or before November 24, 2023, or (iv) an Order, in form and substance satisfactory to Purchaser, approving the Breakup Fee and the Expense Reimbursement is not entered by the Bankruptcy Court on or before November 17, 2023; or

(k) by written notice from Purchaser to CTI (on behalf of the Sellers), if (i) any of the Acquired Entities commences a voluntary case under any Bankruptcy Law, consents to the entry of an Order for relief in an involuntary case under any Bankruptcy Law, or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee or similar official for an Acquired Entity or all or any portion of its assets or property or effects any assignment for the benefit of creditors, or (ii) any court of competent jurisdiction enters a decree or Order for relief in respect of any Acquired Entity in any involuntary case under any Bankruptcy Law or for the appointment of a receiver, liquidator, assignee, custodian, trustee or similar official for an Acquired Entity or any of its property or assets or for any winding up or liquidation of an Acquired Entity, in each case without the prior written consent of Purchaser.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement in accordance with Article VIII, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers, equityholders or representatives will have any Liability under this Agreement; provided that Section 2.2, Section 6.2(b), Section 6.14(d), this Section 8.2, and, to the extent necessary to effectuate the foregoing enumerated provisions, Article X and Article XI, shall survive any such termination; provided further that nothing in this Section 8.2 will be deemed to interfere with the Sellers' rights to retain the Deposit to the extent provided in Section 2.2(b).

(b) Notwithstanding Section 8.2(a), if this Agreement is terminated pursuant to Sections 8.1(e), 8.1(g), 8.1(h), 8.1(i), 8.1(j) or 8.1(k) (or by the Sellers pursuant to Section 8.1(c)

in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Sections 8.1(e), 8.1(h), 8.1(i), 8.1(j) or 8.1(k)), then CTI (on behalf of the Sellers) shall pay (or cause to be paid) to Purchaser by wire transfer of immediately available funds within three (3) Business Days following such termination of this Agreement an amount equal to the reasonable and documented out-of-pocket costs and expenses (including fees and expenses of counsel) incurred by Purchaser or its Affiliates in connection with the negotiation, diligence, execution, performance and enforcement of this Agreement, which amount shall not exceed \$7,750,000 (“Expense Reimbursement”).

(c) Notwithstanding Section 8.2(a), in consideration for Purchaser having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of the Sellers, if this Agreement is terminated pursuant to Sections 8.1(e), 8.1(g), 8.1(h), 8.1(i), 8.1(j)(i) or 8.1(k) (or by the Sellers pursuant to Section 8.1(c) in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Sections 8.1(e), 8.1(h), 8.1(i), 8.1(j)(i) or 8.1(k)), CTI (on behalf of the Sellers) shall pay (or cause to be paid) to Purchaser (or, at the option of Purchaser, a Designee) a break-up fee in an amount equal to \$23,250,000 (the “Breakup Fee”); provided that the Breakup Fee shall be payable by wire transfer of immediately available funds within three (3) Business Days of the termination of this Agreement, or, solely in the event this Agreement is terminated pursuant to Sections 8.1(g), 8.1(h) or 8.1(j)(i) because of an Alternative Transaction, by wire transfer of immediately available funds contemporaneously with the closing of such Alternative Transaction (including any Alternative Transaction that includes a credit bid under Section 363(k) of the Bankruptcy Code or any other form of equalization or non-cash consideration). Each of the Parties acknowledges and agrees that (i) the agreements contained in this Section 8.2 are an integral part of this Agreement, (ii) in the absence of CTI’s (on behalf of the Sellers) obligations to make these payments Purchaser would not have entered into this Agreement, (iii) the Breakup Fee and the Expense Reimbursement shall constitute allowed superpriority administrative expense claims pursuant to sections 105(a), 364(c)(1), 503(b), and 507(a)(2) of the Bankruptcy Code with priority over all other administrative expenses of the kind specified in section 503(b) of the Bankruptcy Code and such allowed superpriority administrative expense claim shall be superior in priority to all other similarly situated claims asserted or allowed in the Bankruptcy Cases, and (iv) the Expense Reimbursement and the Breakup Fee are not a penalty, but rather represent liquidated damages in a reasonable amount that will reasonably compensate Purchaser in the circumstances in which the Expense Reimbursement or Breakup Fee, as applicable, is payable for the efforts and resources expended and opportunities foregone by Purchaser while negotiating and pursuing this Agreement and in reasonable reliance on this Agreement and on the reasonable expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. Each Seller acknowledges and agrees that such Seller shall be jointly and severally liable for the entire Breakup Fee and the Expense Reimbursement amounts payable by CTI (on behalf of the Sellers) pursuant to this Agreement. The obligations of the Sellers to pay the Breakup Fee or the Expense Reimbursement shall survive the termination of this Agreement.

(d) Subject in all cases to Section 10.12, prior to the Closing, in the event of any breach by Seller of this Agreement, the sole and exclusive monetary remedy of Purchaser shall be to terminate this Agreement in accordance with Section 8.1 and, if applicable, to receive the Expense Reimbursement or the Breakup Fee, as applicable, in accordance with Section 8.2.

(e) Subject in all cases to Section 10.12, the Sellers acknowledge and agree that, prior to the Closing, the Sellers' right (if any) to retain the Deposit pursuant to Section 2.2(b) shall be the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) of the Sellers against Purchaser and any of its former, current or future general or limited partners, stockholders, managers, members, directors, officers, Affiliates or agents or any of the Debt Financing Related Parties for any Liability, damage or other loss resulting from the termination of this Agreement, breach of any representation, warranty, covenant or agreement contained herein or the failure of the Transactions to be consummated, and prior to the Closing, none of the Sellers nor any of their Affiliates shall have any other remedy or cause of action against Purchaser or any of its former, current or future general or limited partners, stockholders, managers, members, directors, officers, Affiliates or agents or any of the Debt Financing Related Parties, and, prior to the Closing, none of the foregoing shall have any further Liability or obligation, in each case, arising out of or relating to this Agreement or the Transactions. For the avoidance of doubt, prior to the Closing, but subject to Section 10.12, the maximum Liability of Purchaser under this Agreement shall not exceed the Deposit, other than any amounts payable by Purchaser pursuant to Section 6.14(d).

ARTICLE IX TAXES

9.1 Transfer Taxes.

(a) Any sales, consumption, use, excise, GST/HST, value added, registration, real property, transfer, deed, fixed asset, stamp, documentary stamp or other similar Taxes and recording charges (including all related interest, penalties, and additions to any of the foregoing) payable solely by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions and imposed under applicable Law in connection with the Transactions (but excluding any Tax on, based upon or measured by, net income, receipts, gains or profits) (collectively, the "Transfer Taxes") shall be borne one hundred percent (100%) by Purchaser, and Purchaser shall timely file all required Tax Returns related to, any Transfer Taxes with the appropriate Taxing Authority.

(b) Purchaser shall prepare all necessary Tax Returns and other documentation in connection with the payment or administration of any Transfer Taxes, and, at the request of Purchaser, each Seller (or the applicable Affiliate of any Seller) shall execute all Tax Returns and other documents as may reasonably be required to be provided or filed in connection therewith. Each of the Sellers, Purchaser and their respective Affiliates shall use commercially reasonable efforts (i) to cooperate to ensure that all Tax Returns related to Transfer Taxes are timely filed and (ii) to mitigate the imposition of any Transfer Taxes in a manner consistent with this Agreement, including any claim for exemption or exclusion from the application or imposition of any such Transfer Taxes (whether by application of Section 1146(a) of the Bankruptcy Code or otherwise). If the Parties agree that the election is available in respect of the disposition of Acquired Assets by a Canadian Seller, then, at Purchaser's request, such Canadian Seller and Purchaser will complete and sign on or before the Closing Date, a joint election under subsection 167(1) of the ETA and under any corresponding provision of provincial Law, to have the sale of the Canadian Assets take place on a GST/HST free basis under the ETA and, if applicable, the corresponding provision of provincial Law. Purchaser will file the election or elections with the appropriate Governmental

Body in Canada within the time prescribed under the ETA or, if applicable, other applicable Tax Law in Canada.

(c) If any of the Canadian Sellers and Purchaser do not jointly elect under subsection 167(1) of the ETA and under any corresponding provincial Law, at Purchaser's request, such Canadian Seller shall issue an invoice to Purchaser and such invoice shall include all of the information required under subsection 169(4) of the ETA and the corresponding provision under provincial Law.

(d) If required under section 187 of the *Provincial Sales Tax Act* (British Columbia) or a corresponding provision of the Law of another Canadian province, a Seller shall obtain and provide to Purchaser on or prior to Closing, the applicable certificate issued by the appropriate Taxing Authority indicating that the Seller has paid all provincial sales Tax owing under the *Provincial Sales Tax Act* (British Columbia) or the corresponding provincial sales Tax or retail sales Tax Law of another province in respect of its business up to the Closing Date (a "Clearance Certificate"). If an applicable Seller does not provide to Purchaser a Clearance Certificate that is required to be obtained under applicable Law prior to Closing, such applicable Seller will, as promptly as possible following Closing, provide such Clearance Certificate to Purchaser.

(e) Each Canadian Seller shall, if requested by Purchaser, jointly elect with Purchaser in prescribed form and within the prescribed time under section 22 of the ITA and the corresponding provisions of applicable provincial Tax statutes in respect of any accounts receivable transferred by such Canadian Seller pursuant to this Agreement. Each such Canadian Seller and Purchaser agrees to execute and file all necessary documents and instruments to give effect to the elections referred to in this Section 9.1(e).

9.2 Allocation of Purchase Price. For all applicable Tax purposes, Purchaser, Sellers, and their respective Affiliates shall allocate the Purchase Price (and any Assumed Liabilities or other amounts treated as part of the Purchase Price for applicable Tax purposes) among the Acquired Assets, which, in the case of any allocation for U.S. federal (and applicable state and local) income Tax purposes, shall be consistent with the requirements of Section 1060 of the Tax Code and the regulations promulgated thereunder and any similar provision of applicable Tax Law and in accordance with Section 1.5(i)(vi), Schedule 9.2 and the Intended Tax Treatment. To the extent permitted by applicable Law, (i) the amount payable in respect of any Acquired Entity in respect of which an election is made pursuant to Section 338(g) of the Tax Code shall be subject to a separate Section 1060 allocation and, (ii) without limitation of the foregoing, the amounts paid to Sellers by any Designee in respect of the Acquired Assets and Assumed Liabilities transferred to such Designee shall be subject to one or more separate Section 1060 allocations in respect of the set of Acquired Assets purchased by each such Designee. As soon as commercially practicable, but no later than forty-five (45) days following the determination of the final Purchase Price pursuant to Section 2.6, Purchaser shall provide a proposed allocation (the "Allocation") to CTI setting forth the allocation of the Purchase Price (and other amounts treated as part of the Purchase Price for applicable Tax purposes) among the Acquired Assets for Sellers' review and comment. All reasonable comments provided by CTI to Purchaser with respect to the draft Allocation shall be considered by Purchaser in good faith, and the Parties shall negotiate in good faith to resolve any dispute with respect to any changes proposed by CTI with respect to the Allocation. Sellers

and Purchaser acknowledge and agree that a preliminary Allocation may be necessary on a timeframe that is faster than the timeframe set forth above in order to comply with applicable Transfer Tax and withholding Tax obligations, and the Sellers and Purchaser shall cooperate in good faith to agree upon a preliminary Allocation for such purposes. If any item on the Allocation is disputed by a Seller in good faith, the Parties shall negotiate in good faith to resolve any such dispute prior to the Closing Date. If the Parties cannot resolve any disputed item, the item in question shall timely be referred to, and resolved by, the Independent Accountant in accordance with the procedures set forth in Section 2.6(b), *mutatis mutandis*. The Parties and their respective Affiliates shall file all Tax Returns in accordance with the Allocation (as finally agreed upon between the Parties under this Section 9.2) and shall not take any Tax related action inconsistent therewith, in each case, unless otherwise required by a “determination” within the meaning of section 1313(a) of the Tax Code and analogous provisions of applicable Tax Law.

9.3 Cooperation.

(a) Purchaser and Sellers shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns, and any Action, audit, litigation, or other proceeding with respect to Taxes, in the review of any Applicable Seller Prepared Return or Straddle Period Return under Section 9.4(a) and Section 9.4(b), and in connection with any dispute resolution relating to an Applicable Seller Prepared Return or Straddle Period Return under Section 9.4(c). In connection therewith, each Party shall provide the other Party and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, and other documents (for the purpose of examining and copying) relating to Taxes of, or with respect to, the Acquired Assets, the Acquired Entities, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities, in each case, with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of such other Party for the purpose of better understanding the books and records. Unless otherwise consented to in writing by Purchaser, Sellers will not, for a period ending upon the earlier of (i) of three (3) years following the Closing Date and (ii) the closing of the Bankruptcy Case, destroy, alter or otherwise dispose of any of Tax books and records without first offering to surrender to the Purchaser such Tax books and records or any portion thereof that Sellers may intend to destroy, alter or dispose of.

(b) Sellers shall, (i) if requested in writing by Purchaser, within sixty (60) days following the Closing, make, to the extent permitted by Law, an election to close the taxable year of any Acquired Entity formed outside of the United States as of the end of the day on the Closing Date, in accordance with the procedures set forth in Treasury Regulations Section 1.245A-5(e)(3)(i) and (ii) if requested in writing by Purchaser within thirty (30) days following the Closing, make, to the extent permitted by Law, a “check the box” election to treat any of the Acquired Entities formed outside of the United States as a disregarded entity for U.S. federal income tax purposes effective prior to the Closing; provided that no “check the box” election shall be made to the extent it would reasonably be expected to have a non-*de minimis* and adverse effect on Sellers without the prior written consent of Sellers (such consent not to be unreasonably withheld, delayed or conditioned).

(c) The Sellers shall cooperate with Purchaser in providing all information requested by Purchaser in respect of any applicable Seller's GST/HST registration, and each other registration for each provincial sales Tax statute for which such Seller is registered.

9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Sellers shall prepare and timely file, in a manner consistent with past practice except as otherwise required by applicable Law, (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date (other than Tax Returns of the Acquired Entities that are due, including applicable extension, after the Closing Date) (the "Applicable Seller Prepared Returns") and (ii) all income Tax Returns of Sellers. Sellers shall provide Purchaser with a draft of all Applicable Seller Prepared Returns at least thirty (30) days prior to the filing of any such Tax Return to the extent such Applicable Seller Prepared Returns relate to any Acquired Assets or any Assumed Liability. Except if referred to dispute resolution under Section 9.4(c), Sellers shall incorporate any changes reasonably requested by Purchaser with respect to such Tax Returns (for the avoidance of doubt, any changes the absence of which could adversely affect Purchaser, including in the determination of the final Purchase Price pursuant to Section 2.6, shall be considered reasonably requested by Purchaser). Sellers shall be responsible for paying any Taxes reflected on any Tax Return that Sellers are obligated to prepare and file under this Section 9.4(a) other than any Assumed Liability and Purchaser shall be responsible for paying any Taxes reflected on any such Tax Return that is an Assumed Liability.

(b) Purchaser shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets (including the Acquired Entities) for any Tax period beginning before and ending after the Closing Date and (ii) all Tax Returns of the Acquired Entities for taxable periods ending on or before the Closing Date that are due, including applicable extensions, after the Closing Date. Purchaser shall prepare such Tax Returns consistent with past practice except as otherwise required by applicable Law, and shall provide Sellers or their successors in rights, as applicable, with a draft of such Tax Returns at least thirty (30) days prior to the filing of any such Tax Return to the extent any Seller or its successor in rights could reasonably be expected to be liable for any such Taxes under this Agreement. Except if referred to dispute resolution under Section 9.4(c), Purchaser shall incorporate any changes reasonably requested by Sellers with respect to such Tax Returns (for the avoidance of doubt, any changes the absence of which could adversely affect Sellers, including in the determination of the final Purchase Price pursuant to Section 2.6, shall be considered reasonably requested by Sellers). Purchaser shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.4(b) to the extent constituting an Assumed Liability (including, for the avoidance of doubt, all such Taxes of the Acquired Entities).

(c) If any item on an Applicable Seller Prepared Return or a Tax Return prepared by Purchaser under Section 9.4(b) is disputed by the non-preparing party in good faith, the Parties shall negotiate in good faith to resolve any such dispute prior to the date on which the relevant Tax Return is required to be filed. If the Parties cannot resolve any disputed item, the item in question shall timely be referred to, and resolved by, the Independent Accountant in accordance with the procedures set forth in Section 2.6(b), *mutatis mutandis*. The preparing party shall, after prior reasonable consultation with the non-preparing party (or its designated successor), be

permitted to file the Tax Return as previously prepared (reasonably taking into account the non-preparing party's comments), and the relevant Tax Return shall thereafter be adjusted (or amended, if previously filed) to reflect its resolution under this Section 9.4(c).

(d) Purchaser shall not file any amendment to any previously filed Tax Return that has the effect of increasing any Tax that is payable or otherwise borne by Sellers. Purchaser shall be permitted to make an election under Section 338(g) of the Tax Code with respect to any or all of the Acquired Entities.

9.5 Tax Sharing Agreements. On or before the Closing Date, Sellers shall take all actions as may be necessary to terminate all Tax sharing agreements or arrangements (whether written or otherwise), if any, to which any Acquired Entity, on the one hand, and any Seller (or any Affiliate of any Seller that is not an Acquired Entity), on the other hand, are parties, in each case, in a manner such that after the applicable termination, no Acquired Entity will have any past, present, or future Liability thereunder. Straddle Period Allocations. Any Liability for Taxes attributable to a Straddle Period required to be apportioned under this Agreement shall be apportioned as follows: (a) the amount of property, ad valorem, intangible, and other periodic Taxes allocable to the pre-Closing portion of any Straddle Period shall be equal to (i) the amount of such Taxes for the entire Straddle Period multiplied by (ii) a fraction, the numerator of which is the number of calendar days during the Straddle Period that are in the pre-Closing portion of such Straddle Period and the denominator of which is the number of calendar days in the entire Straddle Period; and (b) all Taxes not allocated under clause (a) shall be allocated to the pre-Closing portion of any Straddle Period on the basis of a "closing of the books," as if such taxable period ended as of the end of the day on the Closing Date; provided that, exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions) shall be allocated between the period ending on the Closing Date and the period beginning after the Closing Date in proportion to the number of calendar days in each period; provided that, for the avoidance of doubt, nothing contained in this Section 9.6 shall be construed so as to cause an Assumed Liability to become an Excluded Liability or *vice versa*.

9.7 Tax Treatment. The Parties intend the Transactions to constitute "applicable asset acquisitions" (within the meaning of Section 1060(c) of the Tax Code) pursuant to which the Purchaser (or each of Purchaser and one or more of its Designees, with, for clarity, such Designee being treated as the direct "purchaser" in the "applicable asset acquisition") acquired the entirety of the "trade or business" (within the meaning of Section 1060 of the Tax Code) in respect of which the applicable Acquired Assets and Assumed Liabilities (including, for this purpose, in respect of the Leases subject to Section 1.5(i)) relate, including all "amortizable section 197 intangibles" (within the meaning of Treasury Regulations Section 1.197-2(d)), or rights to use or interests (including beneficial or other indirect interests) in such "amortizable section 197 intangibles" and that no interest in any such "amortizable section 197 intangibles" be treated as having been retained by the Sellers or their Affiliates (the "Intended Tax Treatment"). No Party shall take any position inconsistent with the Intended Tax Treatment on any Tax Return or otherwise, except as otherwise required by a final "determination" (within the meaning of Section 1313 of the Tax Code and analogous provisions of applicable Law).

ARTICLE X MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance at or after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for the applicable statute of limitations plus sixty (60) days, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and the Seller Parties acknowledge and agree, on their own behalf, and with respect to Purchaser, and on behalf of the Purchaser Group that the agreements contained in this Section 10.1 require performance after the Closing to the maximum extent permitted by applicable Law and, if no term is specified, will survive the Closing for the applicable statute of limitations plus sixty (60) days. Purchaser on behalf of itself and the other members of the Purchaser Group hereby waives all rights and remedies with respect to any environmental, health or safety matters, including those arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, or any other Environmental Laws, relating to this Agreement or the Transactions.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein (including Section 1.5, Section 1.7, Section 6.18 and Section 8.2), all fees, costs and expenses (including fees, costs and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby and the consummation of the Transactions will be paid by the Party incurring such fees, costs and expenses; it being acknowledged and agreed that (a) all fees and expenses in connection with any filing or submission required under the HSR Act and the Antitrust Laws or other regulations set forth in Schedule 7.1 will be allocated pursuant to Section 6.4, (b) all Transfer Taxes will be allocated pursuant to Section 9.1 and (c) all Cure Costs will be allocated pursuant to Section 5.2.

10.3 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail upon confirmation of receipt or, if receipt is not confirmed, delivery by another method permitted by this Section 10.3, (c) the day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service or (d) the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case, to the respective Party at the number, electronic mail address or street address, as applicable, set forth below, or at such other number, electronic mail address or street address as such Party may specify by written notice to the other Party.

10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Confirmation Order, Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases; provided that, subject to Section 1.7, neither this Agreement nor any of the rights or

obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and CTI (on behalf of the Sellers), and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser may, without the consent of the Sellers, assign all or any portion of its rights or obligations hereunder to any of the Debt Financing Sources pursuant to the terms of the Debt Financing for purposes of creating a security interest herein or otherwise assigning as collateral security in respect of the Debt Financing; provided further that Purchaser may, without the consent of the Sellers, assign all or any portion of its rights or obligations hereunder to a Designee in accordance with Section 1.7.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and CTI (on behalf of the Sellers) or (b) waived only in a writing executed by the Party (or, in the case of any Seller, CTI) against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided in Section 10.7, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 6.13, the directors and officers referred to therein; (ii) for purposes of Section 10.7, the Non-Party Affiliates, and (iii) the Parties hereto and such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. All claims or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or related in any manner to this Agreement or the other Transaction Agreement to which Purchaser or the Sellers are party, may be made only against (and are expressly limited to) the Persons that are expressly identified as parties hereto or thereto (the "Contracting Parties"). In no event shall any Contracting Party have any shared or vicarious Liability for the actions or omissions of any other Person. No Person who is not a Contracting Party, including any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney or representative of, and any financial advisor or Debt Financing Related Party to, any of the foregoing (the "Non-Party Affiliates"), shall have any Liability (whether in contract or in tort, in law or in equity, or granted by statute or based upon any theory that seeks to impose Liability of an entity party against its owners or Affiliates) for any claims, causes of action, obligations or Liabilities arising under, out of, in connection with or related in any manner to this Agreement or the other Transaction Agreements or based on, in respect of, or by reason of this Agreement or the other Transaction Agreements or their negotiation, execution, performance or breach; and, to the maximum extent permitted by Law, each Contracting Party waives and releases all such Liabilities, claims and obligations against any such Non-Party Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance

upon any Non-Party Affiliates with respect to the performance of this Agreement or the other Transaction Agreements to which the Sellers are party or any representation or warranty made in, in connection with, or as an inducement to this Agreement or the other Transaction Agreements. The Parties acknowledge and agree that the Non-Party Affiliates are intended third-party beneficiaries of this Section 10.7 and Section 10.21. Nothing in this Agreement (including this Section 10.7 or Section 10.12(b)) will limit the rights of the parties to the Equity Commitment Letter (or CTI as an intended third party beneficiary of the Equity Commitment Letter solely to the extent set forth therein) but subject to the terms and conditions thereof.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction, unless the severance of any such provision from the remainder of this Agreement would change the economic substance of the Agreement as a whole in a manner that is materially adverse to any Party (and such change is not waived in writing by such affected Person (or, in the case of any Seller, CTI)); provided that the economic substance of the Agreement as a whole shall be deemed to be affected in a manner materially adverse to the Parties if Section 8.2(c) or Section 10.12 is held to be prohibited or invalid.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules to the extent the relevance of such disclosure to such other section of the Schedules or such other representation or warranty set forth in this Agreement is reasonably apparent on the face of such disclosure. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in

the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance.

(a) The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (i) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Sellers nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. The remedies available to Sellers pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit any Seller from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any Action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date will automatically be extended (x) for the period during which such Action is pending, plus ten (10) Business Days or (y) by such other time period established by the court presiding over such Action, as the case may be. In no event will this Section 10.12 be used, alone or together with any other provision of this Agreement, to require any Seller to remedy any breach of any representation or warranty made by any Seller herein.

(b) Notwithstanding anything herein to the contrary, it is hereby acknowledged and agreed that the Sellers shall be entitled to an injunction or injunctions, specific performance or other equitable relief, to cause Purchaser to cause the Equity Financing to be funded or to consummate the Closing if, and only if, (i) Purchaser is required to complete the Closing pursuant to Section 2.3 and Purchaser fails to complete the Closing by the date the Closing is required to have occurred pursuant to Section 2.3, and (ii) the Sellers have confirmed in writing to Purchaser that, if specific performance is granted and the Equity Financing is funded, then the Closing will occur substantially simultaneously therewith.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement (each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY

AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 No Right to Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Purchaser pursuant to this Agreement.

10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party hereto or thereto or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.17 Publicity. No Party (including for avoidance of doubt, any Designee) shall, and each Party shall cause its Affiliates not to, issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of Purchaser and CTI, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser (or its Designee) or CTI (on behalf of the Sellers), as applicable, disclosure is otherwise required of such Party (its Affiliates or any Designee) by or advisable under applicable Law or by the Bankruptcy Court or CCAA Court with respect to filings to be made with the Bankruptcy Court or CCAA Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser, any Designee or any Seller (or their respective Affiliates) lists securities or is otherwise consistent with customary reporting obligations of Purchaser or its Designee (or their respective Affiliates); provided that the Party

intending to make such release shall use its reasonable efforts consistent with such applicable Law or Bankruptcy Court or CCAA Court requirement, to the extent reasonably practicable under the circumstances, to consult with each of the other Parties (or, in the case of the Sellers, CTI) with respect to the form and text thereof. Notwithstanding any of the foregoing, Purchaser (or its applicable Designee) shall at all times be entitled to provide (in a non-public manner) general information concerning the Transactions to its direct or indirect investors, limited partners, prospective investors, Advisors or the Debt Financing Related Party, for the purpose of fundraising, marketing or reporting or informational activities, in each case, without obtaining the prior approval of any other Party, so long as such Persons have an obligation to maintain the confidentiality of such information and Purchaser (or its applicable Designee) shall be liable for their failure to do so. No Party (or its applicable Designee) shall be required to obtain any prior written approval or otherwise comply with this Section 10.17 to the extent any proposed release or announcement is consistent with and not containing more non-public information than has previously been made public without breach of the obligations under this Section 10.17. All publicity concerning the Transactions shall be jointly planned, coordinated, approved and released by the Parties; provided, however, that nothing herein shall prohibit either Party (or a Designee) from making any press release (other than the initial press release) or disclosure as may be permitted pursuant to this Section 10.17, so long as such press release or public disclosure is (a) to the extent reasonably practicable under the circumstances, jointly coordinated and discussed by the Parties (acting reasonably and in good faith) and (b) consistent with and no more expansive than prior disclosures made in accordance with Section 10.17. Notwithstanding the foregoing, the initial press release in respect of the Transactions shall be issued on the date hereof and shall be in the form mutually agreed by the Parties in writing.

10.18 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer Laws except Permitted Post-Closing Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Confirmation Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

10.19 Release.

(a) Effective upon the Closing Date, each Seller on behalf of itself and its Affiliates and its respective directors, officers, control persons (as defined in Section 15 of the Securities Act or Section 20 of the Exchange Act), members, employees, agents, attorneys, financial advisors, consultants, legal representatives, shareholders, partners, estates, successors and assigns solely in their capacity as such, and any of their respective agents, attorneys, financial advisors, legal advisors, Affiliates, directors, managers, officers, control persons, shareholders, members or employees, in each case, solely in their capacity as such (each a “Related Party” and collectively, the “Related Parties”) acknowledges that it has no claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against Purchaser or its Related Parties that directly or indirectly arises out of, is based upon, or is in any manner connected with any transaction, event, circumstances, action, failure to act or occurrence of any sort or type in connection with the Transactions, the Acquired Assets or Assumed Liabilities, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was

taken or begun prior to the consummation of the Transactions (any and all such direct or derivative claims, collectively, the “Seller Released Claims”); and, should any Seller Released Claims nonetheless exist, each Seller on behalf of itself and its Related Parties hereby (i) releases and discharges Purchaser and its Related Parties from any Liability whatsoever on such Seller Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with any such transaction, event, circumstances, action, failure to act or occurrence of any sort or type, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions, and (ii) releases, remises, waives and discharges all such Seller Released Claims against Purchaser and its Related Parties; provided that nothing herein shall release Purchaser or a Seller of its obligations under this Agreement or the other Transaction Agreements.

(b) Effective upon the Closing Date, Purchaser on behalf of itself and its Affiliates acknowledges that it has no claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against any Seller that directly or indirectly arises out of, is based upon, or is in any manner connected with any transaction, event, circumstances, action, failure to act or occurrence of any sort or type in connection with the Transactions, the Acquired Assets or Assumed Liabilities, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions (any and all such direct or derivative claims, collectively, the “Purchaser Released Claims”); and should any Purchaser Released Claim nonetheless exist, each Purchaser on behalf of itself and its Affiliates hereby (i) releases and discharges each Seller from any Liability whatsoever on Purchaser Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with any such transaction, event, circumstances, action, failure to act or occurrence of any sort or type, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions contemplated hereunder, and (ii) releases, remises, waives and discharges all such Purchaser Released Claims against each Seller; provided that nothing herein shall release a Purchaser or a Seller of its obligations under this Agreement or the other Transaction Agreements.

(c) Without limiting in any way the scope of the release contained in this Section 10.19 and effective upon the Closing Date, each Seller, to the fullest extent allowed under applicable Law, hereby waives and relinquishes all statutory and common law protections purporting to limit the scope or effect of a general release, whether due to lack of knowledge of any claim or otherwise, including, waiving and relinquishing the terms of any Law which provides that a release may not apply to material unknown claims. Each Seller hereby affirms its intent to waive and relinquish such unknown claims and to waive and relinquish any statutory or common law protection available in any applicable jurisdiction with respect thereto.

10.20 Sellers’ Representative. Each Party agrees that CTI has the power and authority to unilaterally act on behalf of all or any of the Sellers for the purposes of this Agreement and the other Transaction Agreements. Such power will include the power to make all decisions, actions, Consents and determinations on behalf of the Sellers, including to make any waiver of any Closing condition or agree to any amendment to this Agreement. No Seller shall have any right to object, dissent, protest or otherwise contest the same. Purchaser shall be entitled to rely on any action or omission taken by CTI on behalf of the Sellers. Purchaser and its Affiliates may rely exclusively,

without independent verification or investigation, upon all decisions, communications or writings made, given or executed by CTI on behalf of the other Seller in connection with this Agreement, the other Transaction Agreements and the Transactions. Purchaser shall be entitled to disregard any decisions, communications or writings made, given or executed by any Seller in connection with this Agreement, the other Transaction Agreements and the Transactions unless the same is made, given or executed by CTI on behalf of the Sellers. Notwithstanding anything to the contrary set forth herein, Purchaser and its Affiliates shall not be liable for any Liability to any Person, including any Seller, for any action taken or not taken by CTI on behalf of the Sellers or for any act or omission taken or not taken in reliance upon the actions taken or not taken or decisions, communications or writings made, given or executed by CTI on behalf of the Sellers.

10.21 Debt Financing Sources. E. Purchaser is Disinterested. The Purchaser is not an "insider" or "affiliate" of any of the Debtors, as those terms are defined in section 101 of the Bankruptcy Code, and no common identity of directors, officers, or controlling stockholders exists among the Purchaser and the Debtors.

F. Good Faith. The Purchaser and its counsel and advisors have acted in "good faith" within the meaning of section 363(m) of the Bankruptcy Code in connection with the Purchaser's negotiations of the Bid Protections.

G. Adequate Notice. A reasonable opportunity to object or be heard regarding the relief granted herein has been afforded to all parties in interest in these chapter 11 cases.

H. Relief is Warranted. Good and sufficient business reasons exist for this Court to authorize the Debtors to designate the Purchaser as the Stalking Horse Bidder and to approve the Bid Protections set forth in the Asset Purchase Agreement.

IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. Designation of Stalking Horse Bidder. The Debtors are authorized to designate the Purchaser as, and the Purchaser is hereby designated as, the Stalking Horse Bidder.
