AFFIDAVIT OF RAYMOND LI

Sworn on November 17, 2023

I, Raymond Li, of the City of New York in the State of New York, United States of America,
SWEAR AND SAY THAT:

PART 1 INTRODUCTION

1. I am the Deputy Chief Restructuring Officer (the "**DCRO**") of Cyxtera Technologies, Inc. ("**CTI**"), Cyxtera Canada, LLC ("**Cyxtera LLC**"), Cyxtera Communications Canada, ULC ("**Communications ULC**"), Cyxtera Canada TRS, ULC ("**TRS ULC**"), and TRS ULC and Communications ULC being "**Cyxtera Canada**", and Cyxtera Canada and Cyxtera LLC being

the “**Canadian Debtors**”) and the other Debtors (as defined below). I have served as the DCRO of the Canadian Debtors and the other Debtors since May 5, 2023.

2. I am also a Director in the Turnaround & Restructuring Services Practice at AlixPartners LLP (“**AlixPartners**”). I specialize in advising management teams, boards of directors, and creditors in distressed situations. I have nearly fifteen years of experience as a financial advisor to public and private companies, serving in a variety of capacities, including positions within senior management. I have served as a Director at AlixPartners since 2018, when AlixPartners acquired my previous financial advisory firm, Zolfo Cooper. I held several roles at Zolfo Cooper from 2009 until its acquisition in 2018, including Senior Director from 2017 to 2018. Prior to Zolfo Cooper, I was a Senior Manager at KPMG. I hold a B.S. from Carnegie Mellon University and an M.B.A from the Stern School of Business at New York University.
3. In my capacity as DCRO, I am generally familiar with the Debtors’ day-to-day operations, business and financial affairs, and books and records. I have assisted the Debtors in a variety of tasks, including working directly with the Debtors’ management team and key business personnel—including, but not limited to, members of the finance, legal, and human resources groups—to evaluate the Debtors’ liquidity requirements, general operations, and strategic restructuring considerations. Except as otherwise indicated, all facts set forth in this Affidavit are based upon my personal knowledge, my discussions with other members of the Debtors’ management team and the Debtors’ advisors, my review of relevant documents and information concerning the Debtors’ operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge.
4. I am over the age of 18 years and as the DCRO of CTI and the Canadian Debtors, I am authorized by them to swear this Affidavit. I have reviewed the business records maintained by the Canadian Debtors herein in respect of the matters at issue in this Application, which I verily believe were made in the ordinary and usual course of business. Where I do not have direct personal knowledge of matters deposed to herein, and my knowledge is derived from my review of the business records, I have attached relevant copies of those business records as exhibits to my Affidavit.
5. This Affidavit is filed with this Honourable Court in the proceedings (the “**Recognition Proceedings**”) of CTI, as foreign representative of the Canadian Debtors (the “**Foreign Representative**”), and the Canadian Debtors under Part IV of the *Companies’ Creditors*

Arrangement Act, R.S.C. 1985, c. C-36, as amended (the “CCAA”). The Recognition Proceedings relate to the foreign main proceedings commenced by CTI, the Canadian Debtors and twelve (12) other affiliated corporations (the “**Chapter 11 Cases**”, and CTI, the Canadian Debtors and such affiliated corporations being the “**Debtors**”) under chapter 11 of title 11 of the *United States Code*, 11 U.S.C. §§ 101–1532 (the “**US Bankruptcy Code**”) before the United States Bankruptcy Court for the District of New Jersey (the “**US Bankruptcy Court**”).

6. All references to dollar amounts contained herein are in United States dollars unless otherwise stated.

PART 4 BACKGROUND

A. The Debtors and Principal Creditors

9. For the purposes of this Application, the Debtors include the following:

- (a) CTI is a United States corporation incorporated pursuant to the laws of the State of Delaware with its head office in Coral Gables, Florida and its registered office in Wilmington, Delaware.
- (b) CTI is the ultimate parent corporation of a group of companies operating under the tradename “Cyxtera” that are incorporated in the United States, Canada, United Kingdom, Germany, Australia, Japan, the Netherlands, Hong Kong, Singapore and the Cayman Islands, including the Debtors (collectively “**Cyxtera**” or the “**Cyxtera Group**”).
- (c) Cyxtera LLC is a United States limited liability corporation incorporated pursuant to the laws of the State of Delaware with its registered office in Wilmington, Delaware, whose LLC’s sole activity is to hold all of the shares in Communications ULC.
- (d) Communications ULC is an Alberta unlimited liability corporation incorporated pursuant to the laws of the Province of Alberta, is extra-provincially registered in British Columbia, Ontario and Québec, and has its registered office in Calgary, Alberta.
- (e) Communications ULC carries on business in British Columbia, Ontario, Québec and Alberta and has four (4) data centre operations in (i) Vancouver, British Columbia, (ii) Mississauga and Markham, Ontario, and (iii) Montreal, Quebec (the “**Canadian Data Centres**”).
- (f) TRS ULC is an Alberta unlimited liability corporation incorporated pursuant to the laws of Alberta, has its registered office in Calgary, Alberta, is a wholly owned subsidiary of Communications ULC, has no property other than its corporate records and does not carry on business.
- (g) Cyxtera DC Holdings, Inc. (“**Cyxtera DC**”) is a Delaware subsidiary of CTI and is the borrower under the First Lien Facilities (as defined below).
- (h) Cyxtera DC Parent Holdings, Inc. (“**Cyxtera Holdings**”) is a Delaware subsidiary of CTI.

10. Pursuant to a first lien credit agreement dated May 1, 2017 (as amended from time to time, the “**First Lien Credit Agreement**”) between Citibank, N.A., as administrative agent, a syndicate of first lien lenders (the “**First Lien Lenders**”), and Cyxtera DC as borrower, the First Lien Lenders provided to Cyxtera DC first lien term and revolving loan credit facilities (the “**First Lien Revolving Facilities**”, the “**First Lien Term Facilities**”, and together, the “**First Lien Facilities**”). The First Lien Facilities are guaranteed by certain Debtors and secured by liens on substantially all of the Debtors’ equity interests and material property on a senior priority basis. An ad hoc group of First Lien Lenders providing the First Lien Term Facilities (the “**First Lien Term Lenders**”, and such group, the “**Ad Hoc Group**”), represented by Gibson, Dunn & Crutcher LLP as legal counsel and Houlihan Lokey, Inc. as investment banker, represent the interests of the First Lien Term Lenders in the Chapter 11 Cases.
11. In the period prior to the commencement of the Chapter 11 Cases, the Debtors retained Kirkland & Ellis, LLP (“**Kirkland**”) as legal counsel, Guggenheim Securities, LLC (“**Guggenheim**”) as investment banker, and AlixPartners, LLP as financial advisor. Collectively they engaged with the Ad Hoc Group to explore restructuring options. In connection with these discussions, a restructuring support agreement dated May 4, 2023 (together with the restructuring term sheet dated May 4, 2023 attached thereto, the “**Restructuring Support Agreement**”) was entered into between CTI and other Debtors and First Lien Lenders, at the time having approximately 64% of the claims under the First Lien Facilities (such First Lien Lenders, the “**Consenting Lenders**”, and the Consenting Lenders who are First Lien Term Lenders, the “**Consenting Term Lenders**”).² Under the Restructuring Support Agreement, the Consenting Lenders agreed to support the Chapter 11 Cases, and Consenting Term Lenders agreed to provide the Bridge Facility (defined below) and the DIP Facility (defined below). The Restructuring Support Agreement contemplated a dual track process under which the existing indebtedness of and equity interests in Cyxtera would be restructured either pursuant to:
 - (a) a sale of some or all of their business enterprise, including assets and equity interests (a “**Sale Transaction**”) pursuant to a marketing process (the “**Marketing Process**”) carried on by Cyxtera with the assistance of Guggenheim; or

² As of the September 14, 2023, the Restructuring Support Agreement enjoyed the broad support of holders whose claims represented approximately 86% of the claims arising on account of obligations under the First Lien Credit Agreement, as well as the Consenting Sponsors (as defined in the Restructuring Support Agreement).

- (b) a recapitalization transaction under which the amount outstanding under the First Lien Facilities would be converted into 100% of reorganized Cyxtera equity (subject to certain incentive rights) (a “**Recapitalization Transaction**”).

Any Sale Transaction required the consent of Consenting Lenders having 66.7% of the claims under the First Lien Term Facilities (the “**Required Consenting Term Lenders**”).

- 12. Under a first lien priority credit agreement dated May 4, 2023, between Wilmington Savings Fund Society, FST, as administrative and collateral agent, Cyxtera DC, Cyxtera Holdings, and certain First Lien Term Lenders who are part of the Ad Hoc Group (the “**Bridge Lenders**”), the Bridge Lenders provided a \$50 million bridge facility (the “**Bridge Facility**”), which was guaranteed by, among others, the Canadian Debtors. The Bridge Loan provided the Debtors with the working capital required in order to commence the Chapter 11 Cases.
- 13. The Restructuring Support Agreement also provided that the Consenting Term Lenders would provide the super-priority, debtor-in-possession financing facility in the Chapter 11 Cases in the approximate amount of \$200 million (the “**DIP Facility**”) pursuant to a debtor-in-possession secured superpriority debtor-in-possession credit agreement dated as of June 7, 2023 (the “**DIP Credit Agreement**”) among Wilmington Savings Fund Society, FSB, in its capacity as administrative agent, and the First Lien Term Lenders party thereto (collectively, the “**DIP Lenders**”), Cyxtera Holdings and Cyxtera DC. The DIP Facility consisted of:
 - (a) \$150 million in new money: (i) \$40 million of which will be made available upon entry of the interim DIP order, and up to (ii) \$110 million of which will be made available upon entry of the final DIP order;
 - (b) a “roll up” of any outstanding principal and accrued interest under the Bridge Facility as of the Petition Date, which was \$36 million upon original advancement (the “**Bridge Amount**”); and
 - (c) a deemed transfer of \$14 million of escrowed commitments under the Bridge Facility.
- 14. Pursuant to the Restructuring Support Agreement, on April 24, 2023 CTI established a special committee of two disinterested directors (the “**Special Committee**”) to consider and negotiate restructuring, reorganization and other transactions and evaluate any other matters in which

existing directors may have an interest, including conflicts matters. On May 19, 2023, CTI appointed another disinterested director to the Special Committee.

15. On June 21, 2023, the United States Trustee for Region 3 (the “**US Trustee**”) appointed an official committee of unsecured creditors in the Chapter 11 Cases (the “**Committee**”), and the Committee retained Pachulski Stang Ziehl & Jones LLP as legal counsel and Alvarez & Marsal North America, LLC as financial advisor to the Committee.
16. A detailed summary of the circumstances leading to and the background of the Chapter 11 Cases is set out in the Declaration of Eric Koza dated June 5, 2023, Chief Restructuring Officer of the Debtors, which is attached to this Affidavit as **Exhibit “A”**.

B. Chapter 11 Cases and Recognition Proceedings

17. On June 4, 2023 (the “**Petition Date**”), the Canadian Debtors and the other Debtors filed voluntary petitions for relief under Chapter 11 of the US Bankruptcy Code in the US Bankruptcy Court, commencing the Chapter 11 Cases, whereupon the Debtors received certain automatic relief under the US Bankruptcy Code including a world-wide stay of proceedings.
18. Contemporaneously with filing the petitions commencing the Chapter 11 Cases, the Debtors filed first day motions therein (the “**First Day Motions**”) seeking, among other things, Orders of the US Bankruptcy Court appointing CTI as Foreign Representative of the Debtors’ estates in the Recognition Proceedings, authorizing and empowering the Foreign Representative to act in any way permitted by Canadian law, including seeking recognition of the Debtors’ Chapter 11 Cases in the Recognition Proceedings.
19. On June 6, 2023, the US Bankruptcy Court granted Orders pursuant to the First Day Motions (the “**First Day Orders**”), including:
 - (a) an Order appointing CTI as Foreign Representative, requesting that this Honourable Court lend its aid and assistance (i) to recognize the Chapter 11 Cases as a foreign main proceeding and CTI as the Foreign Representative pursuant to the CCAA, and (ii) to recognize and give full force and effect in all provinces and territories of Canada to such Order;

- (b) an Order (i) authorizing the appointment of Kurtzman Carson Consultants LLC as Claims and Noticing Agent (in such capacity, the “**Claims Agent**”) effective as of the Petition Date and granting related relief.

20. The US Bankruptcy Court issued the following Orders, among others, during the Chapter 11 Cases:

- (a) an Order entered on July 19, 2023 (i) setting bar dates for submitting proofs of claim, including requests for payment, (ii) establishing an amended schedules bar date and a rejection damages bar date, (iii) approving the form, manner, and procedures for filing proofs of claim, (iv) approving notice thereof, and (v) granting related relief (the “**Bar Date Order**”, with capitalized terms below having the definitions assigned in that Order) which:
 - (i) established August 15, 2023 as the General Claims Bar Date and December 1, 2023 as the Governmental Bar Date; and
 - (ii) provided that any Holder of a Claim that fails to timely submit a Proof of Claim by the applicable bar date shall be forever barred, estopped, and enjoined from (1) voting on any plan of reorganization filed in the Chapter 11 Cases, (2) participating in any distribution in the Chapter 11 Cases on account of such Claim, or (c) receiving further notices regarding such Claim.
- (b) an Order entered on September 26, 2023 (the “**Disclosure Statement Order**”): (i) approving the adequacy of the Disclosure Statement, (ii) scheduling the confirmation hearing, and (iii) approving (1) the Solicitation and Voting Procedures, (2) certain notices and certain dates and deadlines in connection with solicitation and confirmation of the Second Amended Plan, and (3) the manner and form of the Solicitation Packages and the materials contained therein;
- (c) an interim Order entered on June 6, 2023 (the “**Interim DIP Order**”) (i) authorizing the Debtors to obtain postpetition financing under the DIP Credit Agreement, (ii) authorizing the Debtors to use cash collateral, (iii) granting liens and providing superpriority administrative expense claims, (iv) granting adequate protection, (v) modifying the automatic stay, (vi) scheduling a final hearing, and (vii) granting related relief, and a final Order entered on July 19, 2023 (the “**Final DIP Order**”);

- (d) the Contract Rejection/Assumption Procedures Order;
- (e) the Sixth Interim Cash Management Order;
- (f) an Order entered on June 29, 2023 (i) approving the bidding procedures and auction, (ii) approving stalking horse bid protections, (iii) scheduling bid deadlines and an auction, (iv) approving the form and manner of notice thereof, and (v) granting related relief (the **“Bidding Procedures Order”**); and
- (g) the Bid Protections Order.

21. In these Recognition Proceedings, this Honourable Court granted the following Orders relevant to this Application:

- (a) an Order granted on June 7, 2023 recognizing and giving effect in Canada to the Chapter 11 Cases;
- (b) a supplemental Order granted on June 7, 2023, among other things, appointing the Information Officer and recognizing and giving effect in Canada to the First Day Orders, including the Interim DIP Order;
- (c) several recognition orders recognizing and giving effect in Canada to the prior interim cash management orders;
- (d) an Order granted on July 12, 2023 recognizing and giving effect in Canada to the Bidding Procedures Order; and
- (e) an Order on July 31, 2023 recognizing, inter alia, the Final DIP Order.

C. Current Status of Canadian Data Centres

22. All day-to-day operations for Communications ULC and the Canadian Data Centres have continued in the ordinary course since the Petition Date.
23. Attached to this Affidavit as **Exhibit “B”** are updated 13 week cash flow projections prepared by AlixPartners for Communications ULC from the period of October 29, 2023 to January 21, 2023 (the **“Updated Cash Flow Report”**). The Updated Cash Flow Report provides that approximately USD\$580,000 is required to maintain Communications ULC’s business

operations during the thirteen (13) week period. Professional fees and disbursements included in restructuring costs are not listed in the Updated Cash Flow Report but are conservatively estimated by AlixPartners to be an aggregate of USD\$250,000 per month based on past invoicing by Gowling, the Information Officer and McMillan in these Recognition Proceedings.

D. Marketing Process, the Development of the Plan, and the Sale Transactions

Marketing Process, the Brookfield APA and the development of the Plan

24. The Debtors, with the assistance of Guggenheim, launched the Marketing Process on March 27, 2023, well before the commencement of the Chapter 11 Cases. Prior to the Petition Date, seventy-five (75) potential financial and strategic partners were contacted to solicit interest in a potential Sale Transaction outside of chapter 11 or pursuant to a chapter 11 plan. On June 29, 2023, the US Bankruptcy Court approved the continuation of the Marketing Process and since then, the Debtors continued the Marketing Process in accordance with the Bidding Procedures Order.
25. During the Marketing Process, Guggenheim engaged with approximately eighty-eight (88) potential financial and strategic parties (the “**Potential Purchasers**”). The Debtors also executed forty-five (45) non-disclosure agreements with Potential Purchasers and provided them with access to a virtual data room created by Guggenheim that contained comprehensive information regarding the Debtors’ business operations and related information. The virtual data room was diligently maintained throughout the Marketing Process and continuously populated with thousands of documents. The Debtors held numerous calls and in-person meetings with parties-in-interest and received seven (7) non-binding written whole-company proposals. Following the receipt of the non-binding proposals, the Debtors continued to engage with multiple interested parties, including Phoenix, which is an affiliate of Brookfield Infrastructure Partners L.P. (“**Brookfield**”).
26. Because of the continued strong interest in a potential Sale Transaction, the Debtors, in consultation with the Ad Hoc Group and the Committee, determined to extend deadlines under the Bidding Procedures to allow for additional time to receive and evaluate bids and if necessary, to hold an auction.
27. While these discussions continued, the Debtors received multiple bids from various third parties; however, the Debtors determined that neither the bids submitted by Phoenix nor the other

Potential Purchaser constituted a Qualified Bid, and the Debtors, in consultation with the Ad Hoc Group and the Committee, concluded that none of the bids received were more value-maximizing than the Recapitalization Transaction. Accordingly, the Debtors, in consultation with the Ad Hoc Group and the Committee, filed on August 29, 2023 a Notice of Cancellation of Auction which gave notice that the auction that had been scheduled to occur on August 30, 2023 was cancelled.

28. On August 7, 2023, the Debtors had filed with the US Bankruptcy Court a joint plan of reorganization (the “**August 7 Plan**”) and a disclosure statement relating to the August 7 Plan on August 15, 2023.
29. On September 13, 2023, the Debtors filed an amended joint plan of reorganization (the “**September 13 Amended Plan**”) and disclosure statement related to the September 13 Amended Plan.
30. On September 22, 2023, the Debtors, the Committee, and the Required Consenting Term Lenders reached an agreement regarding potential objections of the Committee to the Disclosure Statement, under which it was agreed that Holders of General Unsecured Claims would receive distributions under the Plan from a fund equal to \$8.65 million held in the GUC Trust (as defined below). As a result, the Committee is supportive of the Plan and has recommended that Holders of Class 4 General Unsecured Claims (as defined in the Plan) vote in favour of the Plan.
31. On September 24, 2023, the Debtors filed with the US Bankruptcy Court (a) the second amended joint plan of reorganization (the “**Second Amended Plan**”), (b) the disclosure statement relating to the Second Amended Plan (the “**Disclosure Statement**”), and (c) an Order approving (i) the adequacy of the Disclosure Statement, (ii) the solicitation procedures, (iii) the forms of ballots and notices in connection therewith, and (iv) certain dates with respect thereto. On September 26, 2023, the US Bankruptcy Court entered the Disclosure Statement Order based on the Order.
32. The Debtors then took the following steps to give notice of and solicit support for the Second Amended Plan:
 - (a) on September 28, 2023 and from time to time thereafter, the Claims Agent served (i) the Solicitation Packages³ in accordance with the terms of the Disclosure Statement Order on

³ Defined in the Disclosure Statement Order as the Disclosure Statement, the solicitation and voting procedures and the related notices, forms and ballots.

all known Holders of Claims in Class 3 (Holders of First Lien Claims) and Class 4 (General Unsecured Claims), who are entitled to vote by Class on the Plan, and (ii) the Notice of Non-Voting Status, an Opt Out Form and Confirmation of Hearing Notice on all known Holders of Claims and Interests in Class 1 (Other Secured Claims), Class 2 (Other Priority Claims) and Class 8 (Existing Equity Interests), and Holders of unclassified Claims, who are not entitled to vote on the Plan;⁴

- (b) published the Publication Notice (as defined in the Disclosure Statement Order) in *The New York Times* and the *Financial Times* on October 2, 2023 and October 3, 2023, respectively; and
- (c) posted to the website maintained by the Claims and Noticing Agent in the Chapter 11 Cases the Notice of Hearing to Consider Confirmation of the Plan filed by the Debtors and Related Voting and Objection Deadlines.

- 33. The Second Amended Plan contemplated that the Debtors would pursue the Recapitalization Transaction unless a more value-maximizing Sale Transaction materialized with a third party prior to the deadline for such a transaction. If a higher or otherwise better Sale Transaction materialized, the Debtors could “toggle” to a Sale Transaction.
- 34. Shortly after the solicitation for the Second Amended Plan commenced, and following months of negotiations with multiple parties, the Debtors, with the consent of the Required Consenting Term Lenders, and in consultation with the Committee, reached an agreement in principle with Brookfield on the terms of a value-maximizing Sale Transaction. Then, after weeks of around-the-clock negotiations, the Sellers and Phoenix (a Brookfield affiliate) entered into an asset purchase agreement on October 31, 2023 memorializing the terms of the Phoenix bid (defined above as the “**Brookfield APA**”). The Brookfield APA is attached to this Affidavit as **Exhibit “C”**.
- 35. On October 30, 2023, the Debtors filed the Notice of Amended Confirmation Dates which provided notice that (a) the deadline to file objections to the Plan, and for all Holders of Claims and Interests entitled to vote on the Plan to cast their ballots was November 7, 2023 at 4:00 pm,

⁴ The Plan and the Classes are described in more detail in paragraphs 71-72 of this Affidavit.

prevailing Eastern Time, and (b) the Confirmation Hearing was scheduled for November 16, 2023, at 2:00 pm, prevailing Eastern Time.

36. On October 31, 2023, the Debtors filed the Plan Supplement, which is a compilation of the documents, forms, agreements, schedules and exhibits to the Plan, including new organizational documents, the identity of the New Board, the Schedule of Retained Causes of Action, the New Takeback Facility Documents, the Schedule of Assumed Executory Contracts and Unexpired Leases, the Schedule of Rejected Executory Contracts and Unexpired Leases, the GUC Trust Agreement, the Plan Administrator Agreement, the identity of the Plan Administrator and the Brookfield APA (all such terms as defined in the Plan).
37. On November 1, 2023, the Debtors filed the Notice of Sale Transaction in which the Debtors announced that they had entered into the Brookfield APA and that, with the consent of the Required Consenting Term Lenders, they had “toggled” to an Asset Sale under the Plan. They also disclosed the material terms of the Brookfield APA, including that Phoenix was purchasing substantially all of the Debtors’ assets (other than, provided the Cologix APA closes, the assets subject thereto) for a purchase price consisting of cash of \$775 million, subject to certain adjustments, and the assumption of liabilities, with the resulting implied recovery for Holders of First Lien Claims estimated to be approximately 67.6% on account of such Claims.
38. On November 2, 2023, the Debtors filed a Notice of Filing of the third amended joint plan of reorganization (the “**Third Amended Plan**”), which attached a copy of the Third Amended Plan and provided notice that (a) the deadline to file objections to the Plan, and for all Holders of Claims and Interests entitled to vote on the Plan to cast their ballots was November 7, 2023 at 4:00 pm, prevailing Eastern Time, (b) the Debtors intended to assume and assign certain contracts and leases to Phoenix in accordance with the Brookfield APA, and (c) the Confirmation Hearing was scheduled for November 16, 2023, at 2:00 pm, prevailing Eastern Time. The Third Amended Plan incorporated and provided for either the consummation of the Brookfield APA or, in the event that the Brookfield APA does not close, the consummation of the Recapitalization Transaction.
39. On November 3, 2023, the Debtors filed the Plan Supplement, which is a compilation of the documents, forms, agreements, schedules and exhibits to the Plan, including new organizational documents, the identity of the New Board, the Schedule of Retained Causes of Action, the New Takeback Facility Documents, the Restructuring Transactions Memorandum, the Schedule of

Assumed Executory Contracts and Unexpired Leases, the Schedule of Rejected Executory Contracts and Unexpired Leases, the GUC Trust Agreement, the Plan Administrator Agreement, the identity of the Plan Administrator and the Brookfield APA (all such terms as defined in the Plan).

40. On November 6, 2023, the US Bankruptcy Court entered an Order confirming that the hearing to confirm the Plan would be held on November 16, 2023 at 2:00 pm (ET) and that objections to Confirmation of the Plan had to be filed by November 7, 2023 (as amended).
41. Voting by the two Classes entitled to vote on the Plan (Class 3 – Holders of First Lien Claims; and Class 4 – General Unsecured Claims) was carried out by Ballots provided in the Solicitation Package.⁵ To be included in the tabulation results as a valid Ballot, Holder a First Lien Claim or General Unsecured Claim had to complete and execute the Ballot and return it to the Claims Agent by no later than November 7, 2023 at 4:00 pm (ET). The Claims Agent completed its final tabulation of the Ballots on November 8, 2023, the results of which were as follows:

Total Ballots Received			
Accept		Reject	
Class 3 – First Lien Claims			
393 (100%)	\$919,446,609.77 (100%)	0 (0%)	\$0.00 (0%)
Class 4 – General Unsecured Claims			
61 (95.31%)	\$50,788,075.41 (84.82%)	3 (4.69%)	\$9,091,895.07 (15.18%)

190 Holders of Class 8 Claims (Existing Equity Interests), holding approximately 5.4 million shares, elected to opt out of the Third Party Release (as defined in the Plan). Attached to this Affidavit to this Affidavit as **Exhibit “D”** is a true copy of the Declaration of James Lee, who is a Vice President of Public Securities Services employed by the Claims Agent, with respect to the tabulation of votes dated November 14, 2023.

42. Based on my discussions with Kirkland, I understand that the threshold for voting approval by a Class under the US Bankruptcy Code is governed by section 1126(d) and provides that: “*A class of interests has accepted a plan if such plan has been accepted by holders of such interests, other*

⁵ See paragraphs 71-72 of this Affidavit.

than any entity designated under subsection (e) of this section, that hold at least two-thirds in amount of the allowed interests of such class held by holders of such interests, other than any entity designated under subsection (e) of this section, that have accepted or rejected such plan.”

Based on these required thresholds, number and percentage of Holders of First Lien Claims in Classes 3 and General Unsecured Claims in Class 4 exceeded the thresholds for approving the Plan under the US Bankruptcy Code.

43. On November 13, 2023, the Debtors filed the Fourth Amended Joint Plan of Reorganization, which amended the Third Amended Plan (which Fourth Amended Joint Plan of Reorganization is the “Plan” as defined above) together with a redline to the Third Amended Plan. The Plan is attached to this Affidavit as **Exhibit “E”**.
44. On November 16, 2023, the Debtors filed a Notice of Filing First Amended Plan Supplement for the Plan, to which was attached as Exhibit C, draft Schedules of Assumed and Rejected Executory Contracts, Exhibit C-1, a draft Schedule of Assumed Executory Contracts and Unexpired Leases, and Exhibit C-1a, a redline to previously filed draft Schedule of Assumed Executory and Unexpired Contracts. The Debtors also gave further and repeated notice that the hearing before the US Bankruptcy Court for the Confirmation Order would occur on November 16, 2023 at 2:00 pm (ET).

Marketing Process leading to the Cologix APA

45. The Plan and Brookfield APA provided a mechanism under which the Cologix Transaction could be consummated either before or, for a ninety (90) day period, subsequent to the closing of the Brookfield Transaction. As discussed in more detail below, the Cologix Transaction is separate from the Brookfield Transaction and in the event that it can be completed, it will provide a greater recovery for the Debtors from Cyxtera’s Canadian assets. While it is anticipated that the Cologix Transaction will be completed prior to the Brookfield Transaction, the Debtors and Cologix believed that a mechanism was required to provide additional time flexibility to complete the Cologix Transaction.
46. Since mid-2020, the Debtors have engaged in on-and-off negotiations with Cologix regarding the terms of a sale transaction of certain of the Debtors’ assets in Canada, including:
 - (a) the unexpired lease dated August 24, 1999 of the data center facility located at 555 West Hastings Street, Suite 1480 and Suite 2406, Vancouver, British Columbia V6B 4N4,

Canada (the “**Vancouver Data Centre**”, and such lease, as amended and supplemented from time to time, the “**Vancouver Data Center Lease**”); and

- (b) the unexpired lease dated May 17, 2004 of the data center located at 3000 Boulevard René Lévesque, Montreal, Quebec H3E 1T9, Canada (the “**Montreal Data Centre**”, as such lease, as amended and supplemented from time to time, the “**Montreal Data Center Lease**”, which together with the Vancouver Data Center Lease, the “**Leases**”, and the landlords thereunder, the “**Landlords**”).

- 47. In August 2022, the Debtors re-engaged Cologix regarding a possible sale and purchase of the Vancouver Data Centre, the Vancouver Data Centre Lease and certain of the Acquired Assets (as defined in the Cologix APA) associated therewith. As negotiations progressed into the spring of 2023, Cologix also expressed interest in acquiring Communication ULC’s obligations under the Montreal Data Centre Lease. These discussions continued over the next several months at arm’s length and in good faith.
- 48. Communications ULC and Cologix executed and delivered the Cologix APA on October 30, 2023, a copy of which is attached to this Affidavit as **Exhibit “F”**. Under the Cologix APA, Cologix will purchase the Acquired Assets (as defined in the Cologix APA) in exchange for the assumption of the Assumed Liabilities and a cash payment of \$10 million.

E. Summary of the Brookfield APA

- 49. When referring to the Brookfield APA or the Brookfield Transaction, capitalized terms used in this section D and not otherwise defined in this section shall have the meanings given to them in section 11.1 of the Brookfield APA, or in the sections identified in section 11.2 thereof.
- 50. The following paragraphs summarize the Brookfield APA, which is provided for the convenience of this Honourable Court and parties in interest. To the extent there is any conflict between this summary and the Brookfield APA, the Brookfield APA shall govern in all respects.
- 51. *Brookfield Transaction.* The Sellers have agreed to sell the Acquired Assets free and clear of all Encumbrances other than Permitted-Post Closing Encumbrances to Phoenix for consideration equal to the Purchase Price.

52. *Acquired Assets.* Under section 1.1 of the Brookfield APA but subject to section 1.5 of the Brookfield APA, the Acquired Assets include all of the properties, rights, interests and other assets of each of the Sellers as of Closing, whether tangible or intangible, real, personal, or mixed, wherever located, including Leased Real Property listed on Schedule 1.1(e) to the Brookfield APA, the Acquired Leases relating thereto, the Owned Real Property, the Acquired Interests in certain subsidiaries of the Sellers that are not Debtors in the Chapter 11 Cases, rights against third parties including Assigned Contracts, Intellectual Property and other assets listed in Sections 1.1(a) to (t), but excluding the Excluded Assets. The Acquired Assets will be conveyed to Phoenix or one or more Designees free and clear of all Encumbrances other than Permitted Encumbrances and Permitted-Post Closing Encumbrances.
53. *Assumed Liabilities.* Under section 1.3 of the Brookfield APA, Phoenix or one or more of its Designees will assume from each applicable Seller, and such Sellers shall assign to Phoenix, the Assumed Liabilities including, among others, Liabilities under Assigned Contracts arising from and after Closing, Liabilities arising from the conduct of the business or the ownership or operation of the Acquired Assets after Closing and Liabilities relating to Transferred Employees, and other Liabilities listed in section 1.3(a) to (i).
54. *Assigned Contracts.* The Assigned Contracts are initially as listed on Schedule 1.1(a) to the Brookfield APA. Under section 1.5 of the Brookfield APA, Phoenix has the option of acquiring all of the Sellers' executory Contracts and unexpired Acquired Leases listed on Schedule 1.5(a) to the Brookfield APA, which may be updated at a later date. Attached to this Affidavit as **Exhibit "G"** is the list of executory Contracts and unexpired Acquired Leases provided for under the Brookfield Transaction. Under section 1.5(b) of the Brookfield APA, up to ten (10) days prior to the Closing Date, Phoenix can designate any Contract or Lease either for assumption and assignment to Phoenix or its Designee (which become Assigned Contracts), or as an Excluded Contract to be rejected as soon as practicable following Closing. Phoenix is responsible for all Liabilities arising under the Assigned Contracts following Closing other than Cure Costs.
55. *Purchase Price.* Under section 2.1(a) of the Brookfield APA, the Purchase Price for the Acquired Assets consists of (a) a cash payment of \$775,000,000, plus (b) the amount (either positive or negative) of the Estimated Adjustment Amount, which is based on estimates of levels of Working Capital either being greater or less than agreed upon levels and amounts required to pay off the Factoring Facility and the amount of certain cash assets, plus (c) the assumption of the Assumed

Liabilities. The procedure to determine the final adjustments is provided for in section 2.6 of the Brookfield APA, which requires Phoenix to send to CTI a statement within ninety (90) days after the Closing Date, which will become final on the 30th day following Phoenix's delivery of the statement to CTI unless CTI sends a notice of disagreement by such date. Disagreements are subject to final determination by an independent accountant in accordance with the terms of section 2.6(b) of the Brookfield APA. Payment of the Purchaser Adjustment Amount (if any) from the Adjustment Escrow Amount will be the sole and exclusive remedy for Phoenix. Payment of the Seller Adjustment Amount (if any) from the Adjustment Escrow Amount will be capped at an amount equal to the Adjustment Escrow Amount even if such amount is less than the Seller Adjustment Amount.

56. *Deposit.* Under section 2.2 of the Brookfield APA, Phoenix provided delivered a deposit with the Escrow Agent equal to \$77,500,000 (defined therein as the “**Deposit**”). If the Brookfield APA closes, the Parties are required to give a joint direction to the Escrow Agent to release the Deposit, minus the Adjustment Escrow Amount, to an account designated by the Sellers. The Deposit provided in accordance with the Brookfield APA and may be retained by the Sellers in the event that the Closing of the Brookfield Transaction does not occur as a result of Phoenix's breach and the Brookfield APA permits the Sellers to retain the Deposit. In the event that the Brookfield APA is terminated other than for a breach by Phoenix, the Deposit would be returned to Phoenix.

57. *Representations and Warranties.*

(a) In Article III of the Brookfield APA, the Sellers make limited representations and warranties in favour of Phoenix including with respect to corporate matters and authority, the accuracy of financial statements, legal actions, compliance with laws, title, Material Contracts, Intellectual Property, Company Systems (information technology and data), tax issues, labour and employment matters, Employee Benefit Plans, major customers and insurance matters, but section 3.23 limits any representations and warranties to what is expressly set out in Article III. In my discussions with Kirkland, I have been told that such representations and warranties are customary in transactions similar to the Brookfield Transaction in Chapter 11 cases under the US Bankruptcy Code.

- (b) In Article IV of the Brookfield APA, Phoenix makes representations and warranties in favour of the Sellers, including with respect to corporate matters and authority, solvency and other matters, including that it has the Equity Financing in place required to complete the Brookfield Transaction. In section 4.4(a), Phoenix represents that it has received and accepted a copy of the equity commitment letter respecting the Equity Financing, and in section 4.4(e), Phoenix acknowledges that the availability of financing or funds is not a condition to Closing or to Phoenix's obligations under the Brookfield APA.
58. *Court Approvals.* Under section 5.1(a) of the Brookfield APA, the Sellers are required to schedule a hearing before the US Bankruptcy Court on November 16, 2023, or such other date as agreed to by the Sellers and Phoenix, to obtain the Confirmation Order, and under section 5.1(e), the Foreign Representatives and Canadian Sellers are required to seek CCAA Orders, which are defined in section 11.1(w) of the Brookfield APA as Orders of the CCAA Court in the Recognition Proceeding, recognizing the Confirmation Order and vesting the Acquired Assets of the Canadian Sellers in Phoenix. The Orders, to the extent they affect either Phoenix or the Sellers, must be in form and substance reasonably acceptable to them.
59. *Bid Protections in favour of Phoenix and Other Bankruptcy Matters.* Under section 5.1(j) of the Brookfield APA, the Sellers are required to designate Phoenix as a Stalking Horse Bidder under the Bidding Procedures Order, give notice of such designation, and file an amended Plan incorporating the Brookfield APA and provisions necessary to authorize and consummate the Brookfield Transaction under the Plan.
60. *Cure Costs under Assigned Contracts.* Under section 5.1 of the Brookfield APA, prior to Closing the Sellers are required to pay the Cure Costs to cure any defaults or breaches under the Assigned Contracts in order to permit the Assigned Contracts to be assumed by the Sellers and assigned to Phoenix. Attached to this Affidavit as **Exhibit "H"** is a list of the Cure Costs existing under the Brookfield Transaction.
61. *Covenants.* Article VI of the Brookfield APA contains covenants of the Parties, addressing matters such as restrictions on material changes, access to information, confidentiality, regulatory approvals, antitrust matters, insurance and the requirement to make commercially reasonable efforts to comply with their respective obligations under the Brookfield APA. Notably, Article VI includes the following covenants:

- (a) Section 6.3 of the Brookfield APA governs the rules with respect to Transferred Employees. Phoenix is required to issue offers of employment to each of the Sellers' employees at least ten (10) Business Days prior to Closing, providing for a period of not less than one (1) year from Closing, a base compensation or wage rate no less than provided to any such employee by the Sellers immediately prior to Closing, short-term cash incentive opportunities and other employee benefits no less than, and substantially similar to, what was provided to any such employee immediately prior to Closing. Phoenix is required to honour accrued and unused vacation, personal days, sick pay and other time off earned but unused as of Closing. Under section 6.3(e), Liabilities relating to Employment arising before Closing are Excluded Liabilities and are the responsibility of the Sellers, and Liabilities relating to Transferred Employees are the responsibility of Phoenix.
- (b) Under section 6.6(a) of the Brookfield APA, the Sellers are required to amend their certificates of incorporation or formation to remove "Cyxtera", "Cyxtera Technologies" and other trademarked or other similar names from the corporate names, and from any style of cause in respect of legal proceedings. This includes the Recognition Proceedings.

62. *Conditions Precedent.* The conditions precedent to be satisfied or waived (in accordance with the Brookfield APA) to the obligations of the Parties to consummate the Brookfield Transaction and the Closing are set out in Article VII of the Brookfield APA, and include:

- (a) mutual conditions including:
 - (i) the expiration of antitrust waiting periods and receipt of required approvals for the Brookfield Transaction (section 7.1(a)), which occurs on December 14, 2023;
 - (ii) there being no Order or Law issued by a Governmental Body restraining, enjoining or otherwise restraining Closing (section 7.1(b));
 - (iii) the US Bankruptcy Court having made the Confirmation Order (section 7.1(c));
 - (iv) the Plan having become effective (section 7.1(d)); and
 - (v) this Honourable Court shall have pronounced the Confirmation Recognition Order (section 7.1(e));

- (b) conditions in favour of the Purchaser, including:
 - (i) the representations and warranties of the Sellers being true and correct in all material respects (section 7.2(a));
 - (ii) the Sellers shall have performed or complied with their obligations under the Brookfield APA in all material respects (section 7.2(b));
 - (iii) Phoenix shall have received an officer's certificate of the Sellers with respect to certain matters and the Sellers shall have delivered other closing documents (section 7.2(c) and (e));
 - (iv) there shall not have occurred any Material Adverse Effect (section 7.2(d));
 - (v) all Encumbrances in connection with the Term Loan Facilities, the Bridge Facilities and the DIP Facility are to have been released (section 7.2(f)); and
 - (vi) all Material Contracts and designated Acquired Leases shall have been assigned to Phoenix or its Designee and all Cure Costs shall have been paid in full (section 7.2(g));
- (c) conditions in favour of the Sellers, including:
 - (i) the representations and warranties of Phoenix being true and correct in all material respects (section 7.3(a));
 - (ii) Phoenix shall have performed or complied with its obligations under the Brookfield APA in all material respects (section 7.3(b)); and
 - (iii) the Sellers shall have received an officer's certificate of Phoenix with respect to certain matters and Phoenix shall have delivered other closing documents (section 7.3(c) and (d)).

63. *Termination.* Under section 8.1, the Brookfield APA can be terminated by mutual consent of CTI and Phoenix, by notice of either Phoenix or CTI if the Closing does not occur within four (4) months of the date of the Brookfield APA (which shall be extended to June 30, 2024 in certain circumstances regarding regulatory approvals), if there is any breach by Phoenix (unless curable within 30 days), if there is any breach by the Sellers (unless cured within 30 days) if conditions

precedent are not satisfied or waived, if the US Bankruptcy Court approves or the Debtors complete an Alternative Transaction, if the Chapter 11 Cases are terminated, or in certain other circumstances. Except in the case of a breach by Phoenix, or if Phoenix is the cause of a condition not being satisfied, Phoenix is entitled on termination to the Breakup Fee and Expense Reimbursement, but no more. In the case of a breach by Phoenix, or if Phoenix is the cause a condition not being satisfied, the Sellers are entitled to retain the Deposit, but no more.

64. *90 Day Period for Cologix Transaction.* If the Cologix Transaction is not completed prior to the Closing of the Brookfield Transaction, pursuant to sections 1.1(a)(i) and 1.1(s) of the Brookfield APA, the Acquired Assets will include the Acquired Assets (as defined in the Cologix APA) and the Cologix APA. However, section 2.1(c) of the Brookfield APA provides that, if the Cologix Transaction is consummated prior to the date that is ninety (90) days following the Closing Date (the “**Specified Date**”), and the Purchaser receives the Closing Date Payment (as defined in the Cologix APA) prior to the Specified Date, Phoenix is required to promptly deliver to the Sellers cash in an aggregate amount equal to the Adjusted Specified Closing Date Payment.⁶ If the Cologix APA is consummated prior to the Specified Date, the Cologix APA is deemed to be an Excluded Contract, and the Acquired Assets (as defined in the Cologix APA) are deemed to be Excluded Assets as of Closing for all purposes of the Brookfield APA. If the Cologix Transaction is not consummated by the Specified Date, ownership of the Acquired Assets under the Cologix APA remains thereafter with Phoenix and there will be no adjustment to the Purchase Price under the Brookfield APA.
65. I believe that the Brookfield Transaction is more value-maximizing than the Recapitalization Transaction contemplated under the Plan. The proceeds of the Brookfield Transaction will be used to fund distributions under the Plan and the Debtors will wind-down and dissolve their remaining operations. As a result of the Brookfield Transactions, Holders of First Lien Claims will receive their *pro rata* share of approximately 67.6 percent recovery on account of their First Lien Claims. The Brookfield Transaction achieves by far the best overall outcome for the Debtors and their stakeholders, allows substantially all of the Debtors’ operations to continue uninterrupted and outside of these Chapter 11 Cases, provides for the greatest recovery to the

⁶ Defined in section 2.1(c) of the Brookfield APA as an amount equal to the Closing Date Payment less the aggregate amount of all costs, expenses and Taxes incurred by Phoenix and its Affiliates in connection with the transactions contemplated by the Cologix APA.

Debtors' stakeholders, provides the Debtors with sufficient capital to wind-down any remaining operations, and allows the Debtors to consummate the transaction on an expedited timeline.

66. I understand through my role as DCRO that the Brookfield Transaction and potential alternatives were reviewed by the Ad Hoc Group, the Required Consenting Term Lenders and the Committee and their respective legal and financial advisors and has their support.

F. Summary of the Plan

67. When referring to the Plan, capitalized terms used in this section E and not otherwise defined in this section shall have the meanings given to them in the Plan. Capitalized terms are either defined in Art. I.A of the Plan.
68. The following paragraphs summarize certain key provisions of the Plan, which is provided for the convenience of this Honourable Court and parties in interest. To the extent there is any conflict between this summary and the Plan, the Plan shall govern in all respects.
69. *The Plan.* The Plan contemplates that:
- (a) the Debtors shall pursue the recapitalization transaction (the “**Recapitalization Transaction**”),⁷ under which the Holders of First Lien Claims receive 100% of the new Common Stock, subject to dilution under a Management Incentive Plan,⁸ unless the Debtors determine, with the consent of the Required Consenting Term Lenders, to pursue an Equity Investment Transaction or an Asset Sale.
 - (b) in this case, the Debtors opted, with the consent of the Required Consenting Lenders, to “toggle” to an Asset Sale under the Plan represented by the Brookfield Transaction. The Confirmation Order will implement both the Plan and the Brookfield Transaction.
70. *Effective Date.* The Plan’s implementation occurs on the first business day after the Confirmation Order is entered, no stay of the Confirmation Order is in effect, and all of the conditions precedent in Art. IX.A of the Plan have been satisfied or waived in accordance with Art. IX.B of the Plan (the “**Effective Date**”).

⁷ Art. IV.B.

⁸ Defined in Art. I.A.106.

71. *Classes of Creditors.* Under Art. III of the Plan, Claims⁹ and Interests¹⁰ are categorized into eight (8) Classes¹¹ and their allowance, classification, treatment and their respective distributions and treatments under the Plan take into account the relative priority and rights of Claims and Interests in each class, and whether they are subordinated in some manner.¹²

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Secured Claims	Unimpaired	Not entitled to vote (deemed to accept)
Class 2	Other Priority Claims	Unimpaired	Not entitled to vote (deemed to accept)
Class 3	First Lien Claims	Impaired	Entitled to vote
Class 4	General Unsecured Claims	Impaired	Entitled to vote
Class 5	Section 510 Claims ¹³	Impaired	Not entitled to vote (deemed to reject)
Class 6	Intercompany Claims	Unimpaired / Impaired	Not entitled to vote (deemed to accept) / Not entitled to vote (deemed to reject)
Class 7	Intercompany Interests	Unimpaired / Impaired	Not entitled to vote (deemed to accept) / Not entitled to vote (deemed to reject)
Class 8	Existing Equity Interests	Impaired	Not entitled to vote (deemed to reject)

72. *Treatment of Classes of Creditors.* The Classes 1 to 8 receive the following treatment under the Plan:

- (a) **Class 1** consists of **Other Secured Claims**,¹⁴ which are to be fully repaid or reinstated and therefore are not impaired by the Plan and are deemed under the US Bankruptcy Code to have accepted the Plan. The Other Secured Claims are not impaired because on the Effective Date they are either paid in full in cash, or reinstated.

⁹ “Claim” is defined in Art.I.29, which incorporates section 101(5) of the US Bankruptcy Code. Under section 101(5), the term claim means (A) right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (B) right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

¹⁰ “Interest” is defined in Art. I.A.102 is an Equity Interest such as a share.

¹¹ “Class” is defined in Art.I.33.

¹² Art.III.

¹³ Class 5 (Section 510 Claims) does not include any Claims.

¹⁴ “**Other Secured Claims**” consist of any Secured Claims (defined in Art I.A.167) against the Debtors, other than DIP Claims (defined in Art I.A.52), Priority Tax Claims (defined in Art I.A.132), Receivables Programs Claims (defined in Art I.A.146) and First Lien Claims (defined in Art I.A.85).

- (b) **Class 2** consists of **Other Priority Claims**,¹⁵ which are Claims other than Administrative Claims or Priority Tax Claims that are entitled to priority under s. 507(a) of the US Bankruptcy Code.¹⁶ These Claims are unimpaired because they are paid in cash or are treated in some other matter permitted by s. 1129(a)(9)¹⁷ of the US Bankruptcy Code and therefore are deemed to have accepted the Plan and are not entitled to vote.
- (c) **Class 3** consists of **First Lien Claims**, which consist of Claims of Lenders under the Revolving Credit Facility or Term Loan Facilities under the First Lien Credit Agreement. The First Lien Claims are impaired and therefore Holders¹⁸ of First Lien Claims are entitled to vote on the Plan.
- (i) Under Art. III.A.3, if there is a Recapitalization Transaction, each Holder will receive its *pro rata* share of 100% of the New Common Stock, which common stock in CTI issued pursuant to the Plan (subject to dilution by a Management Incentive Plan), and all of the existing shares in CTI would be terminated.
- (ii) If there is a Sale Transaction (which is defined either as the Brookfield Transaction)¹⁹, the First Lien Claims participate in a fund approximately equal to \$961,496,926 plus unpaid interest, fees, premiums, amounts drawn under letters of credit and all other obligations owing under the First Lien Credit Agreement, and in the event of the completion of the Brookfield Transaction, the Holders of the First Lien Claims receive distributions on a *pro rata* basis from that fund, which results in an estimated recovery for them of 67.6%.
- (d) **Class 4** consists of **General Unsecured Claims**.²⁰ The General Unsecured Claims are impaired under the Plan and therefore their Holders are entitled to vote. Under Art. III.

¹⁵ Defined in Art. I.A.116.

¹⁶ 507(a) claims include, as applicable, (a) costs incurred during the administration of the bankruptcy case, (b) claims of employees for salary, commissions and other benefits earned and for contributions to an employee benefit plan incurred, each subject to a cap, within the 180 days immediately preceding the Chapter 11 Cases, (c) certain unsecured tax claims, (d) certain claims related to commitments for capital maintenance owed to a US federal depository institutions regulatory agency.

¹⁷ S. 1129(a)(9) requires that all administrative and priority creditors be paid in full unless they agree to different treatment of their claims.

¹⁸ Defined in Art. I.A.97 as an entity that is the record owner of a Claim or Interest.

¹⁹ A Sale Transaction could also be a purchase consented to by the Required Consenting Term Lenders of all of the common shares (which would be newly issued) in a reorganized CTI or a successor or assign thereof.

²⁰ Defined in Art.I.A.88. Essentially General Unsecured Claims are Claims that do not have any priority and are not subordinated.

A.4, each Holder of a General Unsecured Claim is entitled to receive their *pro rata* share of a fund in the aggregate amount of \$8.65 million, less reasonable and documented fees, expenses, and costs incurred from the administration of such fund, held in trust established under Art. IV.M.1 of the Plan as of the Effective Date (the “**GUC Trust**”, and the amount held in trust thereunder, the “**GUC Trust Net Assets**”). The GUC trustee is selected by the Committee in consultation with the Debtors and the Required Consenting Term Lenders in accordance with the GUC Trust agreement.

- (e) **Class 5** consists of **Section 510 Claims**, which are defined as Claims or Interests against a Debtor subject to subordination under section 510(b) of the US Bankruptcy Code. These consist of Claims arising from rescission of the purchase or sale of securities issued by the Debtors or for reimbursement on account of which Claims. They will be cancelled on the Effective Date. The Holders are not entitled to vote and are deemed to have rejected the Plan. As of this date, there are no Holders of Section 510 Claims.
- (f) **Class 6** consists of **Intercompany Claims**, which are Claims by one Debtor against another Debtor, and will either be re-instated, at the option of the Debtors with the consent of the Required Consenting Term Lenders, in which event they are not impaired and are conclusively deemed to have accepted the Plan, or if there is a Sale, in consultation with the Purchaser, the Intercompany Claims will be cancelled without any distributions, and are therefore are impaired and the Holders thereof are conclusively deemed to have rejected the Plan. In either case, they are not entitled to vote.
- (g) **Class 7** consists of **Intercompany Interests**, which are essentially Equity Interests such as shares, stock and other securities held by one Debtor in another Debtor. On the Effective Date, at the option of the Applicable Debtor with the consent of the Required Consenting Term Lenders and Phoenix, in the event of a Sale Transaction, an Intercompany Interest may be reinstated, in which event it is unimpaired, and the Holder thereof is conclusively deemed to have accepted the Plan and is not entitled to a vote. Alternative, the Intercompany Interest may be rejected, in which event the Intercompany Interest is impaired, the Holders thereof are conclusively deemed to have rejected the Plan and are not entitled to vote.

- (h) **Class 8** consists of **Existing Equity Interests**, which are the shares, stock and other securities issued by a Debtor and outstanding immediately prior to the consummation of the Plan, which on the Effective Date are cancelled, released, extinguished and discharged and the Holder thereof is not entitled to receive any distribution under the Plan. The Existing Equity Interests are therefore impaired and the Holder thereof is deemed to have rejected the Plan and is not entitled to a vote. The rationale for retaining Intercompany interests is for the purposes of administrative convenience, for the ultimate benefit of holders of new Common Stock under a Restructuring Transaction, or to permit distributions to Holders of Allowed Claims under a Sale Transaction.

73. *Priority Claims.* Under Art. II of the Plan, the Debtors are required to pay Allowed Administrative Claims in full. Administrative Claims²¹ consist of Claims for the costs and expenses of the administration of the Estates, the actual and necessary costs and expenses incurred on or after the Petition Date of preserving the Estates and operating the business, Adequate Protection Claims,²² Restructuring Expenses,²³ the Disinterested Director Fee Claims,²⁴ the Canadian Fee Claims²⁵ and the Breakup Fee and Expense Reimbursement, to the extent payable under the Brookfield APA.

74. *Restructuring Transaction.* If the Restructuring Transaction is implemented, as of the Effective Date (defined below):

- (a) the Lenders will own all of the New Common Shares and the Existing Equity will be cancelled;²⁶
- (b) the DIP Loan will either be converted into a New Takeback Facility, which is a new senior secured, first lien “first out” term loan facility in the initial aggregate principal amount of \$200,468,511.87 *plus* any accrued and unpaid interest, fees, costs, charges and expenses,

²¹ “Administrative Claims” are defined in Art. I.A.2.

²² “Adequate Protection Claims” are defined in the Restructuring Support Agreement.

²³ “Restructuring Expenses” are defined in Art. I.A.155 as reasonable and documented fees and expenses incurred from the inception of engagements related to the implementation of the Restructuring Transactions, advisors to the Ad Hoc Committee, the DIP Agent Advisors, and the Prepetition First Lien Administrative Agent Advisors.

²⁴ “Disinterested Director Fee Claims” are defined in Art. I.A.66 as fees and expenses owed to independent directors.

²⁵ “Canadian Fee Claims” are defined in Art. I.A.24 as the unpaid fees and expenses as of the Effective Date due to Gowling WLG (Canada) LLP, as the Debtors’ Canadian counsel, the Information Officer, and McMillan LLP, as counsel to the Information Officer.

²⁶ Art. IV.B; Art. IV.C.2(b).

which results from the conversion of the DIP Loan on a dollar-for-dollar basis into the New Take Back Facility Loan, with all security for the DIP Loans will secure the New Take Back Facility Loan, or will be repaid in cash;²⁷

- (c) distributions in accordance with the Restructuring Transaction will be funded by the issuance of New Takeback Facility Loans under the New Takeback Facility and the proceeds of an Equity Investment Transaction, the New Common Stock, the GUC Trust Net Assets, and the Debtors cash on hand,²⁸ and the reorganized Cyxtera is able pursuant to the Plan to issue New Common Stock pursuant to the Plan;²⁹
- (d) any Executory Contract or Unexpired Lease will be deemed to be assumed and assigned, as applicable.³⁰

75. *Sale Transaction.* If the Brookfield Transaction is implemented, as of the Effective Date:

- (a) the Confirmation Order shall authorize all actions required to implement and consummate the Brookfield Transaction;³¹
- (b) the DIP Loan will either be repaid in cash, or with the consent of the Required Consenting Term Lenders and Phoenix, such other treatment as will render the DIP Loan unimpaired;³²
- (c) the Plan requires the Debtors to consummate the Brookfield Transaction and states that upon the discharge of the Debtors, the Acquired Assets shall in accordance with the Brookfield APA be transferred to and vest in Phoenix free and clear of all Liens, Claims, Interests, charges or other encumbrances (except as permitted by the Purchaser), and that from and after the Effective Date, Phoenix will not be liable for any Claims, Administrative Claims or other liabilities of the Debtors, which are to be paid solely in accordance with the Plan from the proceeds of the Brookfield Transaction;³³

76. *Executory Contracts and Unexpired Leases.* The Plan provides that with respect to Executory Contracts and Unexpired Leases:

- (a) the Executory Contracts and Unexpired Leases not previously rejected, assumed, or assumed and assigned shall in the event of an Equity Investment Transaction or a Recapitalization Transaction, be deemed assumed or assumed and assigned, as applicable; or

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within thirty (30) days after the effective date of such rejection will be automatically disallowed and forever barred from assertion and shall not be enforceable;³⁷

- (d) the Debtors or the Post-Effective Date Debtors, as applicable, are required to pay Cures under the Assigned Contracts,³⁸ if any, on the Effective Date or as soon as reasonably practicable thereafter, and the Purchaser has no obligation with respect to any Cure;³⁹
- (e) the Confirmation Order will approve the assumption and assignment of, and assign the Assigned Contracts to Phoenix,⁴⁰ and to the extent any provision of an Assigned Contract restricts or prevents or is breached by the assumption or assignment, the Confirmation Order prevents the termination or other exercise of remedies thereunder by the Counterparty;
- (f) any objection to the assumption or assignment, or the amount of the Cure, must comply with the applicable Assumption or Rejection Objection Deadline, and failure to do so will result in such objection being disallowed and forever barred, estopped, enjoined and shall not be enforceable against Phoenix or the Debtors. If the objection relates only to the Cure, the Executory Contract or Unexpired Lease can be assigned to Phoenix with a reserve being set aside based on the amount reasonably asserted by the counterparty as being required for the Cure. The assumption and assignment results in a full release and satisfaction of any Cures, Claims or defaults, whether monetary or non-monetary, arising under the Executory Contract or Unexpired Lease;⁴¹

 - (f) all Liabilities relating to Transferred Employees and all Liabilities and obligations assumed by Cologix under section 6.1 of the Cologix APA.
92. *Employees.* Section 6.1 of the Cologix APA governs the terms under which Cologix will offer employment to employees of Communications ULC engaged in the business transferred to Cologix ("**Business Employees**"). Cologix has confirmed to Communications ULC that it will offer employment to all Business Employees on substantially the same terms under which the Business Employees are currently employed by Communications ULC. Upon acceptance of the offer, such Business Employees become Transferred Employees. All Liabilities relating to the employment by Communications ULC of any Business Employees are Excluded Liabilities.

However, Cologix shall be solely liable for Liabilities relating to Transferred Employees to the extent such Liability arises after such Transferred Employee commences employment with Cologix and relates to or arises from such employment, or relates to or arises from a breach of or default under an offer of employment by Cologix. There are specific legislative requirements relating to Business Employees residing in Quebec that provide that Cologix will be responsible for all liabilities relating to those Business Employees.

93. *Conditions Precedent.*

- (a) *Mutual Conditions Precedent.* Under section 7.1 of the Cologix APA, the obligations of Cologix and Communications ULC are subject to the following mutual conditions precedent:
 - (i) no Governmental Body of competent jurisdiction shall have issued, enacted, entered, promulgated or enforced any Order (including any temporary restraining Order or preliminary or permanent injunction) or Law restraining, enjoining or otherwise prohibiting the Closing that is continuing in effect;
 - (ii) the US Bankruptcy Court shall have entered the Sale Order and shall not have been stayed, reversed, or modified; and
 - (iii) this Honourable Court shall have pronounced the Recognition Order and the Recognition Order shall not have been stayed, set-aside, reversed or modified.
- (b) *Conditions Precedent in favour of Cologix.* Under section 7.2 of the Cologix APA, Cologix's obligations are subject to the following conditions precedent:
 - (i) the representations and warranties of Communications ULC in Art. III shall be true and correct in all material respects as of the date specified in section 7.2;
 - (ii) Communications ULC shall not have breached, in any material respect, the covenants required to be performed or complied with by Communications ULC under the Cologix APA on or prior to Closing;
 - (iii) no Material Adverse Effect shall have occurred and be continuing with respect to the Transferred Business;

- (iv) Communications ULC shall have executed or delivered to Cologix all of the documents, instruments, and agreements required under section 2.3 of the Cologix APA;
 - (v) the Canada Sale Order, as approved by the US Bankruptcy Court, shall be substantially in the form attached to the Cologix APA as Exhibit B; and
 - (vi) Cologix shall have received on and as of the Closing Date a certificate of an authorized officer of Communications ULC confirming that the conditions set forth in section 2.3 of the Cologix APA have been satisfied.
- (c) *Conditions Precedent in favour of Communications ULC.* Under section 7.3, the obligations of Communications ULC under the Cologix APA are subject to the following conditions precedent:
- (i) the representations and warranties made by Cologix in Art. IV shall be true and correct in all material respects as of the date specified in section 7.3;
 - (ii) Cologix shall not have breached in any material respect the covenants required to be performed or complied with by it under the Cologix APA on or prior to the Closing Date; and
 - (iii) Communications ULC shall have received on and as of the Closing Date a certificate of an authorized officer of Cologix confirming that the conditions set forth in Section 2.4 of the Cologix APA have been satisfied.

PART 5 RATIONALE FOR PLAN, BROOKFIELD APA AND COLOGIX APA

A. Brookfield Transaction and Plan

94. The Plan and Brookfield APA were the natural conclusion of the Debtors' months-long Marketing Process where the Debtors, working with Guggenheim, extensively marketed their business in a highly visible, court-supervised process. The Marketing Process is described in detail in the Declaration of Ronen Bojmel in support of the Confirmation of the Plan filed November 14, 2023, a copy of which is attached to this Affidavit as **Exhibit "I"** (the "**Bojmel Declaration**"). Ronen Bojmel is a Senior Managing Director of Guggenheim, co-heads

Guggenheim's investment banking restructuring practice, and I believe was closely involved in the Marketing Process.

95. I believe that the Plan and Brookfield Transaction achieve the highest value available and best overall outcome for the Debtors' estates and their stakeholders and is more value-maximizing than the Recapitalization Transaction.
96. The proceeds of the Brookfield Transaction will be used to fund distributions under the Plan and permit the Debtors to wind-down and dissolve their remaining operations.
97. The cash payment under the Brookfield APA provides substantial value to the Debtors' estates, maximizes the value of all of the Acquired Assets, and provides for a substantial recovery to all Holders of Claims. There were a number of competing bids submitted during the Marketing Process, which enhanced the Debtors' ability to receive the highest or otherwise best value for their assets. I believe that the Brookfield Transaction will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative.
98. As Ronen Bojmel observed in paragraph 17 of the Bojmel Declaration, and I believe, the duration and scope of the Marketing Process, the due diligence conducted by potential interested parties, the feedback obtained from parties solicited, as well as from the parties who submitted proposals or bids and with whom the Debtors engaged in ensuing negotiation, resulted in the Brookfield Transaction being the highest or otherwise best sale transaction presently available to the Debtors in the circumstances of the Chapter 11 Cases.
99. Because the Brookfield APA contemplates the assumption of substantially all of the Debtors' contracts, unexpired leases, and other obligations of the Debtors' estates that constitute Assumed Liabilities under the Brookfield APA, the Brookfield Transaction will result in payment in full for many of the Debtors' unsecured creditors.
100. The reasons for including the Plan Releases in the Plan are:
 - (a) Each Released Party has made a substantial contribution to the Debtors' estates. The Released Parties played an integral role in the formulation of the Plan and contributed to the Plan by expending significant time and resources analyzing and negotiating the terms thereof.

- (b) The Plan Releases are essential to the success of the Plan because they constitute an integral term of the Plan. Indeed, absent the Plan Release, it is highly unlikely the Debtors would have been able to build the extraordinary level of consensus with respect to the Plan and the transactions contemplated thereby.
- (c) The Plan provides for meaningful consideration under the circumstances for all creditors potentially giving up colorable claims under the releases. Accordingly, I believe that the Debtor Release is fair, equitable, and in the best interests of the Debtors' estates.
- (d) The mutuality of the Plan Release, whereby third parties receive the benefit of the Plan Release (the "**Third-Party Release**") is supportable for the following reasons:
 - (i) Based on my consultation with Kirkland, I also understand that the Third Party Release is (a) consensual, (b) in exchange for the good and valuable consideration provided by the Released Parties, (c) a good faith settlement and compromise of the Claims and Causes of Action released by the Third-Party Release, (d) materially beneficial to and in the best interests of the Debtors, their estates, and their stakeholders and is important to the overall objectives of the Plan to finally resolve certain claims among or against certain parties in interest in the Chapter 11 Cases, (e) fair, equitable, and reasonable, (f) given and made after due notice and opportunity for hearing, and (g) a bar to any of the Releasing Parties asserting any claim or cause of action released by the Third Party Release against any of the Released Parties.
 - (ii) The Third-Party Release is an integral part of the Plan, which is supported by many of the Debtors' creditors and provides a meaningful recovery under the facts and circumstances of the Chapter 11 Cases. Like the Debtor Release, the Third-Party Release facilitated participation of the Released Parties in both the Plan and the chapter 11 processes generally. The Third-Party Release is instrumental to the Plan and was critical in incentivizing the Released Parties to support the Plan and preventing potentially significant and time-consuming litigation regarding the parties' respective rights and interests. The Third-Party Release was instrumental in developing the Restructuring Support Agreement that served as the basis for the Plan. In exchange, the Released Parties worked constructively with the Debtors to negotiate and implement the restructuring transactions embodied in the

Plan and have provided material concessions, benefits, and commitments to the Debtors through the Restructuring Support Agreement and during the pendency of the Chapter 11 Cases. Without the Third Party Release, key stakeholders, including the Committee, would not have been willing to support the restructuring transactions contemplated by the Plan without the assurance that they and their collateral and interests would not be subject to post emergence litigation or other disputes related to these Chapter 11 Cases. Accordingly, the Third-Party Release allowed the Debtors and the Debtors' creditors to develop a plan that, through primarily the Brookfield Transaction, maximizes value for all of the Debtors' stakeholders, preserves certain of the Debtors' businesses as a going concern, and allows for the orderly wind down of these Chapter 11 Cases. The Third-Party Release is necessary to bringing these Chapter 11 Cases to a resolution.

101. Nine formal objections (“**Objections**”) to confirmation of the Plan were filed, including one by the U.S. Trustee regarding the provision of the Third-Party Release. The Debtors have resolved certain of these Objections, however, to the extent the Debtors are unable to consensually resolve such Objections prior to the US Bankruptcy Court hearing for approval of the Confirmation Order on November 16, 2023, the Debtors will be requesting that the US Bankruptcy Court overrule such Objections.
102. At a hearing on November 16, 2023, the US Bankruptcy Court granted the Confirmation Order confirming the Plan. Although the filed and entered copy of the signed Confirmation Order is not yet available, attached to this Affidavit as **Exhibit “J”** is the Notice of Filing of Revised Findings of Fact, Conclusions of Law, and Order confirming the Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and its Debtor Affiliates pursuant to Chapter 11 of the US Bankruptcy Code that was filed by the Debtors on November 16, 2023 and to which is attached as Exhibit A thereto a revised Confirmation Order. Under the Confirmation Order, the US Bankruptcy Court, in addition to, *inter alia*, confirmed the Plan and approved the Brookfield APA and Brookfield Transaction, and made the following findings and orders:
 - (a) all unresolved objections, statements and reservations of rights are overruled on the merits;⁶²

⁶² Confirmation Order, pages 11, 50 and 53.
59565684\7

- (b) the Creditors in Class 3 (the First Lien Lenders) and Class 4 (the General Unsecured Creditors) voted to accept the Plan;⁶³
- (c) the Plan Releases provided appropriate protections to parties that participated in the Debtors' restructuring process, and that the Released Parties made significant concessions and contributions to the Chapter 11 Cases and compromised substantial rights and claims against the Debtors under the Plan;⁶⁴
- (d) each Holder of Allowed Claims or Interests in each Class will recover as much or more value under the Plan on account of such Claim or Interest, as of the Effective Date, than the amount such holder would receive if the Debtors were liquidated on the Effective Date under chapter 7 of the US Bankruptcy Code, and therefore the Plan is in the best interests of the creditors and equity holders;⁶⁵
- (e) (i) the Marketing Process was fair, open, adequate, non-collusive, duly noticed and provided a full, fair and reasonable opportunity for any entity to make an offer, and obtained the highest or best value for the Debtors' Estates, (ii) there was no other transaction available or presented that would have yielded as favourable an economic result for the Debtors' Estates as that provided by the Brookfield Sale, (iii) all creditors and other parties in interest and all prospective buyers have been afforded a reasonable and fair opportunity to make a higher or otherwise better offer, and (iv) the Marketing Process was adequate and appropriate and reasonably calculated to maximize the value for the benefit of all stakeholders in all respects;⁶⁶ and
- (f) the total consideration provided is the highest or best offer available to the Debtors, and the Brookfield Transaction represents the best opportunity to realize the maximum value for the Debtors' Estates, and will provide a greater recovery than would be provided by any other presently available alternative.⁶⁷

103. Cologix is a well-capitalized, sophisticated colocation services provider and possesses expertise in the colocation services industry and its own business operations. I understand through my role as DCRO, Cyxtera's negotiations with Cologix and my review of the letter from Cologix to the Information Officer, a copy of which is attached to this Affidavit as **Exhibit "K"**, that:
- (a) the Debtors evaluated Cologix's financial wherewithal before finalizing the Cologix APA (e.g., financial credibility, willingness, and ability of Cologix to perform under the Assigned Contracts and Acquired Leases);
 - (b) Cologix has demonstrated such financial wherewithal and has adequate cash on hand to consummate the Cologix Transaction on an expeditious timeline, without the need to finalize and secure funding;
 - (c) Cologix is currently a tenant operating two data centres in the premises for the Vancouver and Montreal Data Centres where Communications ULC currently operates;
 - (d) Cologix has adequate cash on hand to consummate the Canada Sale on an expeditious timeline, without the need to finalize and secure funding, and after a robust Marketing Process, the Debtors are unaware of any potential alternative purchasers interested in the Acquired Assets, either as a standalone purchase or as part of a larger sale package; and
 - (e) if granted the Canada Sale Order is granted, pursuant to paragraph IX.X of the Canada Sale Order, the US Bankruptcy Court will make a finding of fact that Cologix has the ability to perform the obligations under the Assigned Contracts and Acquired Leases.
104. I understand through my role as DCRO that Communications ULC is able to consummate the Cologix Transaction with minimal disruption to customer operations. The Cologix APA contemplates the smooth transition of customers and services from the Debtors to Cologix and therefore I believe that the Cologix Transaction is the best way to transition and maintain the availability of colocation services to customers.
105. After a robust Marketing Process, the Debtors are unaware of any potential alternative purchasers interested in the Acquired Assets under the Cologix APA. If the Cologix Transaction does not close by the end of the ninety (90) day period following the Closing under the Brookfield Transaction, the Acquired Assets contemplated in the Cologix APA will remain as Acquired Assets for the purposes of the Brookfield APA. The Purchase Price under the Brookfield APA

will not, however, increase as a result of those Cologix Acquired Assets remaining with Phoenix. Hence the Cologix Transaction is the only available avenue for increasing the amount available to the Debtors' Estates for distribution to the Creditors for the Acquired Assets under the Cologix APA, which is the cash component of the Purchase Price under the Cologix APA in the amount of \$10 million.

106. In my opinion, the Cologix APA is the culmination of a fair and transparent marketing and negotiation process in which both the Debtors and Cologix were represented by competent counsel and all negotiations were conducted on an arm's length, good faith basis.
107. The Cologix Transaction was reviewed by the Debtors in consultation with the Committee and was consented to by the Required Consenting Term Lenders, but subject to the condition that the DIP Charges⁶⁸ attach to the proceeds arising from the Cologix Transaction and such proceeds shall be distributed in accordance with the Plan.
108. Furthermore, I understand from working through the due diligence process for the Cologix Transaction that Cologix and the Debtors are wholly unrelated, sharing no officers, directors, shareholders, incorporators, employees, or economic interests—other than as embodied in the Cologix Transaction—in common.
109. I believe that there are sound business reasons for the Cologix Transaction and that it is the best available option to maximize the value of the Acquired Assets under the Cologix APA for the benefit of the Debtors' estates.
110. If the Cologix Transaction closes after the closing of the Brookfield Transaction but prior to the Specified Date, being 90 days following the closing of the Brookfield Transaction, then the

⁶⁸ A charge was created securing the indebtedness under the DIP Facility pursuant to the interim Order entered June 6, 2023 (the "**Interim DIP Order**") and final Order entered July 19, 2023 (the "**Final DIP Order**") (i) authorizing the Debtors to obtain postpetition financing, (ii) authorizing the Debtors to use cash collateral, (iii) granting liens and providing superpriority administrative expense claims, (iv) granting adequate protection, (v) modifying the automatic stay, (vi) scheduling a final hearing, and (vii) granting related relief, (2) the final Order entered July 19, 2023 (i) authorizing the Debtors to obtain postpetition financing, (ii) authorizing the Debtors to use cash collateral, (iii) granting liens and providing superpriority administrative expense claims, (iv) granting adequate protection, (v) modifying the automatic stay, and (vi) granting related relief. This Honourable Court pronounced (A) the Supplemental Order – Foreign Main Proceeding on June 7, 2023, recognizing and giving effect to, among other Orders, the Interim DIP Order, and (b) the Order – Recognition of Foreign Orders on July 31, 2023, recognizing and giving effect to, among other Orders, the Final DIP Order.

Cologix APA will be deemed an excluded contract and the Acquired Assets under the Cologix APA will be deemed excluded assets.

111. If the Cologix Transaction does not close by the Specified Date, however, the Acquired Assets under the Cologix APA will remain Acquired Assets under the Brookfield APA and the associated Assumed Liabilities under the Cologix APA will remain Assumed Liabilities under the Brookfield APA.
112. With respect to the flow of funds in the event the Cologix Transaction closes after closing of the Brookfield Transaction but prior to the Specified Date, the Brookfield APA provides that Phoenix shall deliver to the Debtors the Cash Payment under the Cologix APA (adjusted for certain deductions related to expenses and taxes incurred in accordance with the Brookfield APA), provided that Phoenix actually receives the Cash Payment under the Cologix APA.
113. The reason for this ninety (90) day mechanism and the interplay between the Cologix APA and the Brookfield APA is to ensure that the Vancouver and Montreal data centres will continue in operation in one fashion or another after the closing of the Brookfield Transaction. This is necessary because after the closing of the Brookfield Transaction, the Debtors will begin to wind down any remaining operations and the Debtors have concluded, in consultation with the Ad Hoc Committee, that it is not economically in the interest of the Debtors and their Estates to operate the Acquired Assets under the Cologix APA during the ninety (90) day period following the closing.
114. On November 3, 2023, the Debtors submitted a motion to the US Bankruptcy Court seeking the Canada Sale Order under which, among other things, Communications ULC was authorized to enter into and perform under the Cologix APA, was heard by the US Bankruptcy Court on November 16, 2023 (the “**Sale Hearing**”).
115. The Acquired Assets under the Canada Sale Order include the Acquired Leases and Assigned Contracts, the latter of which include Contracts with customers, distributors, resellers, channel partners and leases governing tangible assets included in the Acquired Assets. Attached to this Affidavit as **Exhibit “L”** is the list of Acquired Leases and Assigned Contracts for the Cologix Transaction. I understand from speaking to Kirkland that as part of the Cologix Transaction, the Debtors are required to assume and assign the Assigned Contracts and Acquired Leases and satisfy all cure amounts or otherwise cure any defaults thereunder, if any, in accordance with the

terms of the Cologix APA (the “**Cure Costs**”). Attached to this Affidavit as **Exhibit “M”** is a list of the Cure Costs existing under the Cologix Transaction. I also understand Cologix is also required to provide adequate assurance of future performance under the Assigned Contracts and Acquired Leases.

116. I further understand from Kirkland that once the assignment has been completed, the Debtors and their estates will be relieved from any further liability for breaches occurring under the Assigned Contracts and Acquired Leases following the date of the assignment.
117. I understand further from speaking to Kirkland that Cyxtera sent Notices of Assumption and Assignment of Certain Executory Contracts and/or Unexpired Leases dated November 3, 2023 and November 9, 2023 (the “**Assumption and Assignment Notices**”) to each of the Counterparties, which were filed with the US Bankruptcy Court on that date. The Assumption and Assignment Notices applied to the Cologix Transaction. The Assumption and Assignment Notices gave notice of the following:
- (a) the assumption and assignment of each of the Assigned Contracts and Acquired Leases in accordance with the Cologix APA, as of the Closing Date;
 - (b) Cologix has the financial wherewithal to meet all future obligations under such Assigned Contracts and Acquired Leases, which may be evidenced upon written request by the Counterparty thereto, thereby demonstrating that Cologix has the ability to comply with the requirements of adequate assurance of future performance;
 - (c) any Counterparty seeking to object to the proposed assumption or assignment of any Assigned Contracts and Acquired Leases must file with the US Bankruptcy Court and serve on the counsel for the Debtors, the US Trustee, the Unsecured Creditors Committee and counsel for the Unsecured Creditors Committee its written objection by no later than ten (10) days after the date the Debtors served the Assignment and Assumption Notice on such Counterparty (an “**Objection**”);
 - (d) absent an Objection being timely filed, the assumption and assignment of each Assigned Contract and Acquired Lease shall become effective on the Closing Date;
 - (e) the proposed cure amount under each such Assigned Contracts and Acquired Leases was listed on Schedule 2 to the Assignment and Assumption Notices, and if a written

Objection to the proposed cure amount was not timely filed, then the cure amount shall be binding on all parties and no amount in excess thereof shall be paid for cure purposes; and

- (f) if an Objection is not withdrawn or resolved, the Debtors will file a notice for a hearing before the US Bankruptcy Court to consider the Objection, and if such Objection is overruled or withdrawn, such Assigned Contract and Acquired Lease shall be assumed and assigned as of the Closing Date.

118. On November 9, 2023, the Debtors filed the Supplemental Notice of Assumption of Assignment of Certain Executory Contracts and/or Unexpired Leases, which is attached this Affidavit as **Exhibit “N”**, seeking the Supplemental Assignment of Acquired Agreements Order which would allow for the assumption and assignment of additional Executory Contracts and Unexpired Leases relating to the Vancouver data centre as provided for under the Cologix Transaction.

119. Although certain of the Acquired Leases had restrictions on assignment, the Debtors have obtained the consent of the Landlords thereunder to the assignment of the Acquired Leases to Cologix pursuant to the Cologix Transaction. I am informed by Kirkland that section 365(f)(1) of the US Bankruptcy Code provides that provisions that prohibit or condition the assignment of such Assigned Contract or allow the party to such Assigned Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assigned Contract, constitute unenforceable anti-assignment provisions which are void and of no force and effect. Notwithstanding this, on or around November 9, 2023, the Debtors sent a letter in the form attached to this affidavit as **Exhibit “O”** (the “**Informal Assignment Letter**”) to each of the Counterparties to Assigned Contracts stating the following:

- (a) such Counterparty has until November 13, 2023 (the “**Response Period**”) to respond to the assumption and assignment of the Assigned Contract that such Counterparty is party to by stating that such Counterparty consents to the assignment by signing the consent attached thereto and returning it to Kirkland and Gowling, United States and Canadian counsel to Cyxtera (the “**Notice Parties**”);
- (b) to the extent that such Assigned Contract contains a provision restricting its assumption and/or assignment, requesting that such Counterparty consent to such assignment and assumption by no later than the end of the Response Period;

- (c) if such Counterparty objects to such assignment and assumption, requiring that such Counterparty provide written notice to the Notice Parties by no later than the end of the Response Period;
- (d) the US Bankruptcy Court will consider approval of the assumption and assignment of such Assigned Contract at a hearing on November 16, 2023 before the Honourable John K. Sherwood, United States Bankruptcy Judge; and
- (e) failure to respond to such letter by the end of the Response Period will be considered to be an affirmative consent to the assignment of the Assigned Contract.

120. I am advised by the Debtors that none of the Assigned Contracts were entered into after the Petition Date, and that none of the Assigned Contracts consisted of swaps, derivatives, hedging agreements or other eligible financial contracts, or collective bargaining agreements with any employees of Communications ULC. Further, none of the Assigned Contracts include an agreement granting to another party a right to use intellectual property.

121. According to a global liquidation analysis prepared by AlixPartners, which is attached as **Exhibit D** to the Disclosure Statement dated September 9, 2023 attached to this Affidavit as **Exhibit "P"**, in respect of the Plan, the total recovery of the Debtors' creditors in a liquidation would be less than the amount that they receive under the Plan, which contemplates the completion of the Cologix Transaction and the Brookfield Transaction. Furthermore, the amount available for recovery for Communications ULC's assets on a standalone basis in a liquidation would be less than the \$10,000,000 available under the Cologix Transaction. Attached hereto and marked as **Exhibit "Q"** is the Communications ULC liquidation analysis prepared by AlixPartners. Therefore, based on these analysis, the Cologix Transaction and Brookfield Transaction result in a greater benefit for the Debtors' creditors than a liquidation scenario.

122. As of the date that this Affidavit was sworn:

- (a) One (1) Counterparty has requested adequate assurance to the Assigned Contracts under the Cologix APA in advance of the Sale Hearing;
- (b) no Counterparties have filed an Objection to the assignment and/or assumption contemplated under the Cologix APA with the US Bankruptcy Court;

- (c) three (3) Notice Parties provided responses to the Informal Assignment Letter to the assignment and/or assumption of the Assigned Contracts relating to the Canadian Debtors' assets: one (Cyberfortress) on the basis that the descriptions of prior contracts to be assigned was not accurate; one (The Electric Mail Company) on the basis that their relevant service order contract to be assigned and assumed was previously terminated; one from the Vancouver Data Centre landlord (Polaris Realty (Canada) Limited) on the basis that the Cure Costs to be paid was incorrect and that there were certain scrivener's errors.

- 123. I understand from Cyxtera's negotiations with Cologix that the Assigned Contracts are necessary to operate the Acquired Assets and, as such, the assumption and assignment of the Assigned Contracts is essential to inducing the best offer for the Acquired Assets. I further understand from Cyxtera's negotiations with Cologix that Cologix would not want to purchase the Acquired Assets unless the Assigned Contracts needed to manage the day to day operations, among other things, were included in the proposed Cologix Transaction.
- 124. I am advised by Kirkland that under Article V.C.8 of the Plan, unless provided otherwise therein, all employee wages, compensation, retiree benefits and benefit programs in place as of the Effective Date (as defined in the Plan) with the Debtors shall be assumed by the Post-Effective Date Debtors (as defined in the Plan) and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. Communications ULC does not have a pension plan for its employees.
- 125. The Cologix APA includes the obligation that Cologix offer employment to Communications ULC employees primarily engaged in the Debtors' operations in British Columbia and Quebec. I am advised by Cologix that it will offer the current employees of Communications ULC in the Vancouver and Montreal data centres the same or better offers of employment as they had with Communications ULC.
- 126. On November 16, 2023, the Canada Sale Order was approved by the US Bankruptcy Court. Attached to this Affidavit as **Exhibit "R"** is a true copy of the motion for the Canada Sale Order which includes the proposed Canada Sale Order. I understand from Kirkland that an entered copy of the Canada Sale Order has not been received as at the date of this Affidavit. It is anticipated

that an entered copy of the Canada Sale Order will be provided to this Honourable Court in advance of the within Application.

127. Under the Canada Sale Order, the US Bankruptcy Court made the following findings with respect to the Cologix Transaction:
- (a) the Cologix APA was negotiated, proposed, and entered into by Communications ULC and Cologix without collusion, in good faith, and from arm's-length bargaining positions and is substantively and procedurally fair to all parties;
 - (b) the Marketing Process, with regard to the Acquired Assets under the Cologix APA, afforded a full, fair, and reasonable opportunity for any person or entity to make a higher or otherwise better offer to purchase those Acquired Assets, and the Cologix APA, including the form and total consideration to be realized by Communications ULC under the Cologix APA, (i) constitutes the highest and best offer for those Acquired Assets; (ii) is fair and reasonable; and (iii) is in the best interests of the Debtors, their estates, their creditors, and all other parties in interest;
 - (c) the approval of the Cologix APA, and the consummation of the Cologix Transaction, is in the best interests of the Debtors' estates, their creditors, and other parties in interest;
 - (d) the assumption and assignment of the Assigned Contracts under the Cologix APA is integral to the Cologix APA and a material component to the overall consideration provided by Cologix, does not constitute unfair discrimination, and will maintain the ongoing business of the Debtors, limit the losses of Counterparties thereto, and maximize the distributions available to the Creditors;
 - (e) the Debtors had properly filed and served the Assumption and Assignment Notice on each applicable Counterparty as set forth in the schedule attached to the Canada Sale Order as Exhibit 1 (the "**Assumption and Assignment Schedule**"), in accordance with the terms of the Contract Rejection/Assumption Procedures Order; and no timely objections was filed to the assumption and assignment of the Assigned Contracts after due and proper notice of the Contract Rejection/Assumption Procedures Order and the Assumption and Assignment Notice having been provided to each applicable Counterparty; and

- (f) Cologix has demonstrated that it can reasonably carry on the obligations under the Assigned Contracts.

C. Personal Property Searches

128. Attached to this Affidavit as **Exhibit “S”** are British Columbia, Alberta, Ontario and Quebec personal property security registry searches for Communications ULC.
129. Attached to this Affidavit as **Exhibit “T”** are British Columbia, Alberta, and Ontario personal property security registry searches for TRS ULC.
130. There are two Alberta PPR registrations against Cyxtera Communication Canada, Inc. As stated in Koza Affidavit #1, Communications ULC was originally incorporated federally as Cyxtera Communications Canada Inc. to be Cyxtera’s Canadian operating entity. It was then continued on in Alberta as Communications ULC as an unlimited liability corporation for taxation benefits.

PART 6 MISCELLANEOUS ORDERS

A. Contract Rejection/Assumption Procedures Order

131. The Cologix APA requires the assumption of the Assigned Contracts and Acquired Leases specified thereunder, which will be carried out in accordance with the Contracts Rejection/Assumption Procedures Order. Accordingly, it is necessary that the Contracts Rejection/Assumption Procedures Order be recognized in these Recognition Proceedings by this Honourable Court in these Recognition Proceedings. Attached to this Affidavit as **Exhibit “U”** is the Contract Rejection/Assumption Procedures Order granted by the US Bankruptcy Court on June 29, 2023.

B. Sixth Interim Cash Management Order

132. On October 11, 2023, this Honourable Court granted an Order recognizing and giving effect in Canada to a fifth interim cash management order (the “**Fifth Interim Cash Management Order**”) and a cash transfer order (the “**Cash Transfer Order**”).
133. On or around October 25, 2023, the US Bankruptcy Court granted a sixth interim cash management order (the “**Sixth Interim Cash Management Order**”) on a certificate of no objection filed by the Chapter 11 Debtors. Attached hereto and marked **Exhibit “V”** is the Sixth

Interim Cash Management Order. The Sixth Cash Management Order was granted as a result of Bank of America not having finalized Communications ULC's United States banking arrangements prior to the expiry of the Fifth Interim Cash Management Order and the Debtors' requirement to obtain a final cash management order.

134. CTI and the Debtors request that the Sixth Interim Cash Management Order be recognized and given effect in Canada by this Honourable Court pursuant to section 49 of the CCAA so that the Debtors' cash management system can continue to be utilized in Canada pending the Bank of America accounts being finalized and the Debtors obtaining a final cash management order in the Chapter 11 Cases.

C. Bid Protections Orders

135. On July 12, 2023, this Honourable Court recognized a Bid Procedures Order of the US Bankruptcy Court which attached to this Affidavit as **Exhibit "W"**. The Bid Procedures Order set out, among other things, the procedure for Cyxtera designating bids as stalking horse bids, and providing for break fees and reimbursement of costs in respect thereof.
136. Brookfield required that the Debtors, in consideration for Brookfield having expended considerable time and expense in connection with the Brookfield APA and its negotiation, provide compensation in the event the Brookfield APA was terminated pursuant to specific provisions thereunder, including if the Debtors consummate an Alternative Transaction (as defined in the Brookfield APA). In such a scenario, under section 8.2 of the Brookfield APA, Phoenix is entitled to a Breakup Fee in the amount of \$23,250,000 and an Expense Reimbursement in an amount not to exceed \$7,750,000, and the Breakup Fee and Expense Reimbursement are to be treated as superpriority administrative expense claims in the Chapter 11 Cases. In order to accomplish this, it was necessary for the Debtors, with the consent of the Ad Hoc Committee, to designate Phoenix as a stalking horse purchaser under Bidding Procedures Order.
137. On November 3, 2023, the Debtors issued a Notice of Bid Protections, giving notice of the designation of Phoenix as a stalking horse bidder and setting out the Breakup Fee and Expense Reimbursement, that the Debtors would be seeking an Order of the US Bankruptcy Court approving such designation and the Breakup Fee and Expense Reimbursement, attaching thereto a copy of the Brookfield APA, and stipulating that parties in interest wishing to object to the

designation of Phoenix as the stalking horse bidder must file an objection with the US Bankruptcy Court by 4:00 pm (ET) on November 6, 2023. On November 13, 2023, the US Bankruptcy Court entered an order approving the bid protections and granting related relief (the “**Bid Protections Order**”) on a certificate of no objection filed by the Chapter 11 Debtors. Attached hereto and marked **Exhibit “X”** is the Bid Protections Order.

D. Retention of AP Services Order

138. On July 19, 2023, pursuant to the Retention of AP Services Order, which is attached to this Affidavit as **Exhibit “Y”**, AlixPartners LLP was approved by the US Bankruptcy Court as financial advisor of the Debtors, and Eric Koza and myself were approved as CRO and DCRO respectively. I am advised by Gowling that the proposed Canadian recognition orders for the Confirmation Order and Canada Sale Order include closing certificates from the CRO or DCRO of the Canadian Debtors. I am advised by Gowling it has prepared these certificates for the CRO or DCRO to sign as it is customary in Canadian insolvency proceedings for a court officer to file and serve such certificates once all of the conditions precedent to the closing of a court supervised transaction have been completed in order for assets to vest in a purchaser, and the CRO or DCRO is the closest equivalent to a court officer in the Chapter 11 Cases.

PART 7 APPROVAL OF FEES AND DISBURSEMENTS

139. I understand from being advised by Gowling that the Supplemental Order requires that Gowling, the Information Officer and McMillan obtain approval of their respective professional fees, costs, and disbursements in the Recognition Proceedings by this Honourable Court, and therefore CTI and the Canadian Debtors have applied for the Professional Costs Approval Order.
140. Attached to this Affidavit as **Exhibit “Z”** is Gowling’s invoice to CTI dated November 15, 2023 for its work performed from October 1, 2023 to November 14, 2023, with three time entries in August, 2023. I have reviewed the invoice and it is accurate, fair, and reasonable, and based on the necessary work performed by Gowling.
141. I am advised by Gowling that information pertaining to the invoices of the Information Officer and McMillan will be made available to this Honourable Court and any interested party requesting copies of the same prior to the November 21, 2023 hearing date. I have reviewed the invoices for the Information Officer and McMillan. Their invoices appear to be fair and reasonable, and based on their actual work performed.

PART 8 CONCLUSION

142. For the foregoing reasons, I believe that the Plan and the proposed Brookfield Transaction and Cologix Transaction are in the best interests of the Debtors and their estates, as they serve to maximize the values of the Acquired Assets subject thereto for the benefit of the Debtors, their Estates and their stakeholders. I believe that, after extensive negotiations with the numerous parties in interest and a robust Marketing Process that spanned many months both prior to and after the Petition Date, the Plan, Brookfield Transaction and Cologix Transaction are in the best interests of the Debtors and their stakeholders.

143. Accordingly, for the reasons stated herein and, in the Application, I believe that recognition of the Confirmation Order and the Canadian Sale Order, together with the other Orders of the US Bankruptcy Court, and the provision of the other relief by this Honourable Court that is described in this Affidavit, is necessary for the protection of the Canadian Debtors' property and in the interests of their Creditors and other stakeholders.

**UNITED STATES BANKRUPTCY COURT
DISTRICT OF NEW JERSEY**

In re:

CYXTERA TECHNOLOGIES, INC., *et al.*,

Debtors.¹

Chapter 11

Case No. 23-14853 (JKS)

(Joint Administration Requested)

**DECLARATION OF ERIC KOZA,
CHIEF RESTRUCTURING OFFICER OF
CYXTERA TECHNOLOGIES, INC., IN SUPPORT OF
CHAPTER 11 PETITIONS AND FIRST DAY MOTIONS**

¹ A complete list of each of the above-captioned debtors and debtors-in-possession (the “Debtors”) in these chapter 11 cases may be obtained on the website of the Debtors’ proposed claims and noticing agent at <https://www.kccllc.net/cyxtera>. The location of Debtor Cyxtera Technologies, Inc.’s principal place of business and the Debtors’ service address in these chapter 11 cases is: 2333 Ponce de Leon Boulevard, Ste. 900, Coral Gables, Florida 33134.

I, Eric Koza, hereby declare under penalty of perjury:

1. Cyxtera Technologies, Inc. (“Cyxtera Technologies,” and together with its Debtor and non-Debtor affiliates, “Cyxtera” or the “Company”)² files these chapter 11 cases to implement a comprehensive restructuring process to deleverage its balance sheet and reject certain unprofitable leases. Founded in 2017 through a carve-out acquisition from Lumen Technologies, Inc. (f/k/a CenturyLink, Inc.) (“Lumen”), Cyxtera is a Nasdaq-traded global leader in data center colocation and interconnection services. Cyxtera provides an innovative suite of connected and intelligently-automated infrastructure and interconnection solutions to more than 2,300 leading enterprises, service providers, and government agencies around the world. From its founding in 2017, Cyxtera’s core business performance has remained strong, generating revenue growth from \$695 million in 2017 to \$746 million in 2022.

2. Despite its strong core business performance, the Company has recently faced significant headwinds from inflation and macroeconomic volatility, which have driven up interest rates and energy prices. As inflation swelled in 2021 and 2022, the Federal Reserve reacted by raising interest rates at the fastest pace in decades. This contributed to the ballooning of Cyxtera’s annualized interest expense on funded debt from \$35.9 million in Q1 2022 to \$75.7 million in Q1 2023.

3. These challenges, along with the impending maturity of the Company’s revolving and term loans, placed increasing pressure on Cyxtera’s capital-intensive business, straining the Company’s liquidity profile and ability to invest in the business. Accordingly, starting in late 2021, the Company began to explore all strategic alternatives, including an investment in or sale of some or all of its business, and, thereafter, a further equity investment from its existing sponsors.

² A complete list of the Debtors in these chapter 11 cases is attached hereto as **Exhibit A.**

4. As part of these efforts, the Company—with the assistance of Kirkland & Ellis, LLP (“Kirkland”) as legal counsel, Guggenheim Securities, LLC (“Guggenheim Securities”) as investment banker, and later AlixPartners, LLP (“AlixPartners,” and together with Kirkland and Guggenheim Securities, the “Advisors”) as financial advisor—engaged with an ad hoc group of First Lien Lenders (the “Ad Hoc Group”), represented by Gibson, Dunn & Crutcher LLP as legal counsel and Houlihan Lokey, Inc. as investment banker, to chart a value-maximizing path forward. In parallel, on March 27, 2023, the Company, with the assistance of Guggenheim Securities, launched a marketing process (the “Marketing Process”) to engage potential interested parties concerning a significant investment in or purchase of some or all of the Company’s assets (the “Sale Transaction”).

5. These discussions with the Ad Hoc Group proved successful, culminating in the entry into a Restructuring Support Agreement (as defined herein) on May 4, 2023, which enjoys the broad support of First Lien Lenders (the “Consenting Lenders”) whose claims represent approximately 64 percent of the claims arising on account of obligations under the First Lien Credit Agreement (the “First Lien Claims”) as well as the Consenting Sponsors (as defined herein). In addition, the Marketing Process generated multiple indications of interest and is ongoing as of the Petition Date. Concurrently with the entry into the Restructuring Support Agreement, members of the Ad Hoc Group provided Cyxtera with a new money, \$50 million term loan facility (the “Bridge Facility”), of which \$36 million was drawn before the Petition Date, to bridge the Company’s financing needs, provide time to prepare for a potential chapter 11 filing, and otherwise avoid a value destructive, free fall bankruptcy filing.

6. The Restructuring Transactions (as defined herein) contemplated by the Restructuring Support Agreement will, among other things, (a) deleverage the Debtors’ balance

sheet through a debt-for-equity exchange, (b) enhance the Debtors' operational performance through the rejection of certain unprofitable data center leases, and (c) finance the Debtors' go-forward business through new exit financing. Moreover, the Restructuring Support Agreement incorporates a "sale toggle" mechanism pursuant to which the Debtors may pursue a higher or otherwise better transaction if one materializes from the Debtors' ongoing comprehensive Marketing Process. These Restructuring Transactions will position Cyxtera to emerge from chapter 11 as a healthy, well-capitalized enterprise that can continue to do what it does best—provide first-in-class infrastructure and interconnection services to support thousands of loyal customers across the globe.

I am above eighteen years of age and I am competent to testify.

9. On the date hereof (the “Petition Date”), each of the Debtors filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), with the United States Bankruptcy Court for the District of New Jersey (the “Court”). I submit this declaration (this “Declaration”) to assist the Court and interested parties in understanding why the Debtors filed these chapter 11 cases and in support of the Debtors’ chapter 11 petitions and the relief requested in the motions filed along with the petitions (collectively, the “First Day Motions”). The facts set forth in each First Day Motion are incorporated herein by reference.

10. I am familiar with the contents of each First Day Motion and believe that the relief requested therein is necessary for the Debtors to smoothly transition into chapter 11 and to continue ordinary course operations postpetition.

11. - **Part II** provides an overview of the Debtors’ prepetition organizational and capital structure;
- **Part III** describes the circumstances leading to these chapter 11 cases; and

- **Part IV** sets forth the evidentiary basis for the relief requested in the First Day Motions.

I. Cyxtera's Business and History.

A. Cyxtera's Business Operations and Services.

13. Cyxtera's global data center platform provides speed, scale, and agility for its customers' business demands by offering a complete suite of space, power, interconnection, bare metal, and remote management solutions. Cyxtera's software-defined platform and highly interconnected ecosystem provides enterprises with the foundation they need to compete in

today's digital world. Over 90 percent of Cyxtera's revenue is derived from recurring, fixed term customer contracts. Cyxtera's primary service and product offerings are described below.

1. The Company's Products and Services.

14. *Colocation.* (83 percent of revenue in 2022). Cyxtera offers retail colocation services in over sixty high-quality, highly-connected data centers in over thirty markets on three

continents. The Company's colocation services provide customers space and power in reliable, redundant, and secure data centers to host their critical applications and workloads in an integrated ecosystem. Colocation space and power services are offered under fixed-duration contracts (typically three years) and generate monthly

recurring revenue. Colocation services are highly customizable and can range from a standard

colocation rack or cabinet to a custom-designed cage, rack layout, and rack elevation, in addition to structured cabling solutions.

Secured Cabinets

Secured Cages

Structured Cabling

15. In certain of its markets, Cyxtera also offers smart cabinets (“SmartCabs”), which are on-demand, dedicated colocation cabinets, complete with built-in power and integrated, configurable, core network fabric. SmartCabs allow customers to instantly deploy and dynamically configure their end-to-end colocation infrastructure in a cloud-like model with direct access to a robust ecosystem of technology and service providers, enabling customers to achieve rapid connectivity without requiring them to bring in additional network hardware.

16. *Interconnection.* (11 percent of revenue in 2022). Cyxtera enables enterprises to reap the benefits of fast networks, high-performance connections, and efficient, multi-network

cloud-connect solutions by offering direct interconnection capabilities to global-reaching networks and major cloud providers. By providing direct connectivity to every major cloud provider through virtual and physical connections,

Cyxtera eliminates the volatility of the public internet, enabling enterprises to reduce network costs, increase bandwidth, and improve network performance and reliability.

17. Cyxtera's densely connected global data center footprint can be provisioned through Cyxtera's "Digital Exchange," which is Cyxtera's connected data center fabric that allows enterprises to deploy their information technology infrastructure on-demand. These offerings provide customers (i) the ability to establish fast, convenient, affordable, and highly reliable connections to their preferred network of service providers, (ii) low latency public cloud entry points that connect customers to other carriers, content providers, cloud providers, financial exchanges, and other enterprise customers, and (iii) a wide range of technology and network service providers and business partners. Interconnection services are offered on month-to-month contract terms and generate monthly recurring revenue.

18. *Enterprise Bare Metal.* (1 percent of revenue in 2022). For customers that do not own their own servers and other information technology equipment, Cyxtera Enterprise Bare Metal provides customers with on-demand access to Cyxtera-owned servers and information technology infrastructure that allows customers to consume Cyxtera's data center services in a cloud-like fashion. Cyxtera's fully automated platform also enables customers to seamlessly connect to partner services, including single-tenant, private bare metal servers from NVIDIA, Nutanix, Fujitsu, HPE and Dell. Enterprise Bare Metal services are offered under fixed duration contracts and generate monthly recurring revenue.

19. *Deployment and Other Support Services.* (5 percent of revenue in 2022). Cyxtera offers a variety of value-added services to help customers streamline data center deployment. These services include custom data center installation and set-up, access to secure cages and cabinets, integrated structured cabling solutions, and the ability to deliver a turnkey environment.

Deployment services are one-time in nature and generally billed at the time of completion or delivery. Cyxtera provides these services through a team of industry-recognized professionals that are available 24-7 to assist customers with routine management of their environments, such as server reboots, telecommunications support, equipment racking and stacking, operating system loading, and backups of critical data. These support services can be consumed on an ad hoc basis or in pre-paid blocks, in each case generating non-recurring revenue. Customers can also elect to purchase recurring monthly blocks of support hours, which generate monthly recurring revenue.

2. The Company's Broad Global Presence.

20. Cyxtera provides its colocation and related solutions to its customers through the operation of its more than sixty data centers, the majority of which are leased. Cyxtera's data center platform has a global footprint with data centers strategically located in twenty-three large metropolitan areas in North America, Europe, and Asia, comprising thirty-three distinct markets. These data centers are in close proximity to major business and financial hubs, core clusters of connectivity, and a wide range of data center customers, including a diverse collection of global enterprises and leading hyperscale cloud providers. New Jersey is one of Cyxtera's largest markets, accounting for approximately 13 percent of global revenue in 2022 and more than 200 customers served by data centers in Jersey City, Weehawken, and Piscataway. The scale and geographic reach of Cyxtera's data center platform enables it to meet its customers where they want to be and support their growth with deployments in multiple data centers across multiple markets. Furthermore, the scale and distribution of Cyxtera's data center footprint positions it for continued growth and creates sustainable barriers to market entry for new entrants and smaller regional players.

21. While Cyxtera's global footprint allows it to better serves its customers, certain individual data centers locations are unprofitable, and Cyxtera will use these chapter 11 cases to either renegotiate or reject those leases to allow it to emerge a leaner, more profitable business.

3. The Company's Customers.

22. Cyxtera has more than 2,300 customers across all major industry verticals, including: (i) retail; (ii) transport and logistics; (iii) manufacturing and natural resources; (iv) healthcare; (v) business services; (vi) media and content; (vii) banking and securities (viii) network service providers; and (ix) cloud and information technology services. The Company's customer base is comprised of approximately 90 percent private and public industry leading enterprises—companies that generate at least one billion dollars in revenue and/or have more than one thousand employees—and 10 percent small businesses. Cyxtera has a diverse customer mix with 8 percent of its monthly recurring revenue ("MRR") generated by its largest customer, Lumen, 32 percent of its MRR generated by its top twenty customers (excluding Lumen), and the remaining 60 percent of its MRR generated by all other customers. Cyxtera's customers are long-tenured with many of its top twenty customers having contracted with the Company for at least sixteen years, dating back to the Company's prior ownership. Additionally, approximately 30 percent of Cyxtera's customers are deployed in more than one data center.

23. The Company generates its customer base through promotions and specials for existing and new customers, as well as through a channel-led sales model that leverages third-party

partners located around the world to engage in referrals, resales, or strategic alliances with respect to the Cyxtera's products and services. On average, direct sales to end-users make up approximately 75 percent of the Company's total bookings. The Company generates these direct sales using Cyxtera-employed salespersons and sales agents who offer certain promotions and special incentives. Indirect sales and promotions via channel partners make up approximately 25 percent of total bookings.

B. Corporate History.

24. Cyxtera was founded in 2017 by affiliates of private equity firms BC Partners and Medina Capital for the purpose of acquiring Lumen's data center and colocation business.⁴ The Lumen data center portfolio consisted of high-quality, strategically located, scaled, and well-maintained data center assets that were under-optimized as a relatively small business unit within a large telecommunications carrier focused on its core networking business. Cyxtera's founders therefore saw an opportunity to transform Lumen's assets into a next-generation carrier-neutral global data center platform under a proven data center management team.

25. On May 1, 2017, with the completion of the acquisition, and in combination with Medina Capital's security and data analytics colocation business, Cyxtera was born. The Cyxtera management team took the underutilized assets and improved the business by developing Cyxtera's existing infrastructure through strategic investments in the platform, including by adding sellable capacity based on customer demand, broadening the scope of Cyxtera's interconnection offerings to further drive the carrier-neutral advantages of the platform, adding new service provider developments, and developing innovative bare-metal offerings.

⁴ Lumen retained an equity stake in the Company following the transaction and currently holds approximately 6.4 percent of Cyxtera Technologies' equity.

26. On November 14, 2019, Starboard Value Acquisition Corp. (“SVAC”) was incorporated in Delaware as special purpose acquisition vehicle (or SPAC) for the purpose of effectuating a merger, capital stock exchange, asset acquisition, or other business combination with one or more businesses. On September 14, 2020, SVAC completed its initial public offering (“IPO”) on the Nasdaq stock exchange (NASDAQ: SVAC), issuing approximately thirty-six million units of class A common stock at \$10.00 per unit. Simultaneously with the closing of the IPO, SVAC completed a private placement of an aggregate of 6,133,333 warrants to SVAC Sponsor LLC, at a purchase price of \$1.50 per warrant.

27. On February 21, 2021, SVAC entered into subscription agreements with Fidelity Management & Research Company LLC and clients of Starboard Value LP (collectively, the “PIPE Investors”), pursuant to which, among other things, SVAC agreed to issue and sell in a private placement, an aggregate of twenty-five million shares of Class A common stock to the PIPE Investors, for a purchase price of \$10.00 per share (the “PIPE Investment”). On July 29, 2021, SVAC consummated its business combination (the “de-SPAC”) with Cyxtera Technologies, Inc. (now known as Cyxtera Technologies, LLC) (“Legacy Cyxtera”). As a result of the de-SPAC, Legacy Cyxtera became a wholly-owned subsidiary of SVAC and SVAC changed its name to Cyxtera Technologies, Inc (NASDAQ: CYXT). Upon completion of the de-SPAC, the Company received proceeds of approximately \$654 million, including \$250 million on account of the PIPE Investment. The proceeds of the de-SPAC, including the PIPE Investment, were used for general corporate purposes, retirement of certain outstanding funded indebtedness, and payment of expenses incurred in connection with the de-SPAC.

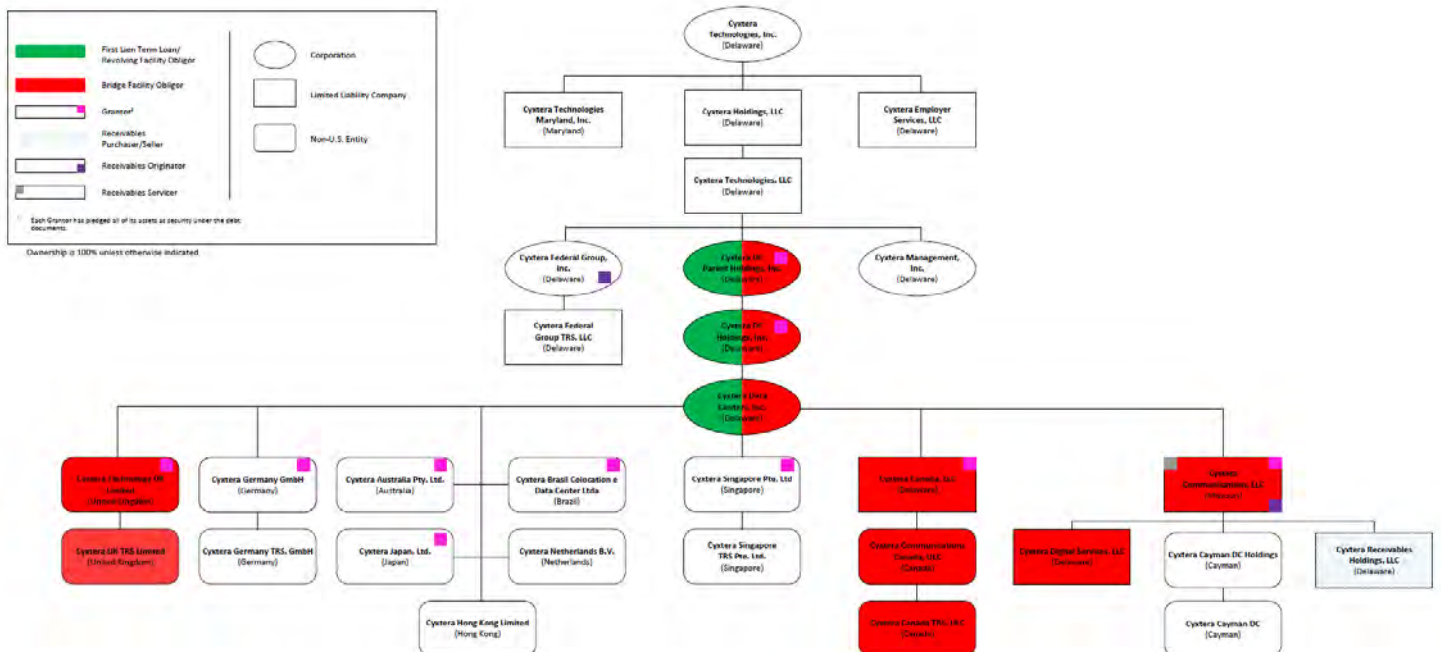

28. Since the de-SPAC, Cyxtera has continued to grow its business. Throughout 2021 and 2022, Cyxtera announced various strategic industry partnerships to help expand its services.

Today, Cyxtera's platform consists of over 40,000 physical and virtual cross-connects, more than 300 network service providers, more than 1,400 networks, and offers low latency connectivity to major public cloud zones from virtually all of its data centers.

II. Cyxtera's Organizational Structure and Prepetition Capital Structure.

A. Cyxtera's Organizational Structure.

29. An overview of Cyxtera's current organizational structure is reflected below.

B. Cyxtera’s Prepetition Capital Structure.

30. As of the Petition Date, the Debtors have approximately 1.020 billion in aggregate outstanding principal and accrued interest for funded debt obligations, as reflected below.

1. Term Loan Facilities.

31. The Debtors are party to a first lien term loan credit facility under that certain first lien credit agreement dated as of May 1, 2017 (as amended by that first amendment dated as of April 30, 2018, as further amended by that certain second amendment, dated as of December 21, 2018, as further amended by that certain third amendment, dated as of May 13, 2019, as further amended by that certain fourth amendment, dated as of May 7, 2021, as further amended by that certain fifth amendment, dated as of July 6, 2021, as further amended by Amendment No. 6 (as defined herein), dated as of March 14, 2023, as further amended by Amendment No. 7 (as defined herein), dated as of May 2, 2023, as further amended by Amendment No. 8 (as defined herein), dated as of May 4, 2023, and as may be further amended, restated, amended and restated, supplemented, waived or otherwise modified from time to time) (the “First Lien Credit Agreement”), by and between Cyxtera DC Holdings, Inc. (the “Borrower”), Cyxtera DC Parent Holdings, Inc. (“Holdings”), Cyxtera Communications, LLC (“Cyxtera Communications”), and Cyxtera Data Centers, Inc. (together with Cyxtera Communications and Holdings,

On July 29, 2021, in connection with the de-SPAC, the Debtors repaid the entire balance of the 2017 Second Lien Term Facility.

32. The Term Loan Facilities mature on May 1, 2024 and are secured by liens on the collateral on a senior priority basis by substantially all of the Debtors’ equity interests and material real property. As of the date hereof, an aggregate amount of approximately \$871.1 million in unpaid principal and accrued but unpaid interest is outstanding under the Term Loan Facilities.

2. Revolving Credit Facility.

33. The First Lien Credit Agreement also provides the Debtors with a first lien, multi-currency Revolving Credit Facility. As of the Petition Date, the Revolving Credit Facility borrowing base was \$102.1 million with \$4.9 million letters of credit outstanding. Pursuant to Amendment No. 6, the Debtors requested, among other things, that the Revolving Credit Facility

⁵ For the avoidance of doubt, the 2017 First Lien Term Facility and the 2019 First Lien Term Facility are separate facilities under the same First Lien Credit Agreement.

be extended and, in connection with such extension, the Debtors agreed to reduce the aggregate extended revolving commitments by 15 percent. The Revolving Credit Facility matures on April 2, 2024, and is secured by liens on the collateral on a senior priority basis by substantially all of the Debtors' equity interests and material real property. As of the date hereof, an aggregate of approximately \$97.0 million in unpaid principal and accrued but unpaid interest is outstanding under the Revolving Credit Facility.

3. Bridge Facility.

34. On May 4, 2023, and in connection with entry into the Restructuring Support Agreement, the Borrower, Holdings, and the other loan parties and lenders party thereto, and Wilmington Savings Fund Society, FSB, as administrative agent and collateral agent for such lenders entered into a first lien priority credit agreement that provided up to \$50 million in new first lien term loans pursuant to the Bridge Facility. The guarantors under the Bridge Facility include the Guarantors under the First Lien Credit Agreement, in addition to Cyxtera Canada TRS, ULC, Cyxtera Canada, LLC, Cyxtera Communications Canada, ULC, Cyxtera Digital Services, LLC, Cyxtera Technology UK Limited, and Cyxtera UK TRS Limited.

35. The Bridge Facility is senior in right of payment to outstanding borrowings under the Term Loan Facilities and is secured on a *pari passu* basis with respect to all collateral securing the Term Loan Facilities. The Bridge Facility matures on the earliest of (i) May 1, 2024, (ii) the date on which the obligations under such facility become due and payable pursuant to the terms of the Bridge Facility, (iii) the effective date of the Debtors' chapter 11 plan, and (iv) the date of consummation of a sale of all or substantially all of any loan party's assets under Section 363 of the Bankruptcy Code. As of the date hereof, an aggregate amount of approximately \$50.5 million in unpaid principal and accrued but unpaid interest is outstanding under the Bridge Facility.

4. Equipment Finance Leases.

36. The Company is party to certain equipment leases (the “Equipment Finance Leases”) that it enters into, as lessee, buyer, or debtor in relation to the equipment subject thereto. The key structural features of the Equipment Finance Leases are that the relevant lessor leases a specified piece of equipment to the exclusive possession of the Debtors for a definite period of time (the “Term”) in exchange for rent. The Debtors assume no obligations of outright ownership and have a \$1 buyout option at the end of such Equipment Finance Lease. As of the date hereof, the Company owes an aggregate of approximately \$38.3 million on account of the Finance Leases.

5. The Receivables Program.

37. In 2020, the Company formed a wholly owned bankruptcy remote special purpose entity, Cyxtera Receivables Holdings, LLC (“Cyxtera Receivables Holdings”), to continuously receive, either through the purchase or the contribution of, trade receivables generated by Cyxtera Communications, LLC and Cyxtera Federal Group Inc. on account of their business operations (together, the “Originators,” and the trade receivables the Originators generate, the “Receivables”) pursuant to that certain purchase and sale agreement, dated as of August 31, 2022 (as the same may be amended, amended and restated, or otherwise modified from time to time) (the “Purchase and Sale Agreement”). Accordingly, pursuant to the Purchase and Sale Agreement, the Originators may either sell or contribute Receivables to Cyxtera Receivables Holdings on a daily basis at a fair market discount. Where a Receivable is sold to Cyxtera Receivables Holdings, Cyxtera Receivables Holdings makes certain payments to the Originators, payable at any time upon demand by the Originators, subject to the availability of funds by Cyxtera Receivables Holdings. Such transactions are either a true sale or an absolute contribution and conveyance of the Receivable by the Originators to Cyxtera Receivables Holdings, providing Cyxtera Receivables Holdings with the full benefits of ownership of the Receivables.

38. Further, Cyxtera Receivables Holdings, as seller, Cyxtera Communications, as Servicer, PNC Bank, National Association (“PNC Bank”), as Administrative Agent, and PNC Capital Markets LLC, as Structuring Agent, are each party to that certain receivables purchase agreement, dated as of August 31, 2022 (as the same may be amended, amended and restated, or otherwise modified from time to time) (the “Receivables Purchase Agreement,” and, together with the Purchase and Sale Agreement, the “Receivables Program”). Pursuant to the Receivables Purchase Agreement, upon request by Cyxtera Receivables Holdings, PNC Bank makes capital investment payments to Cyxtera Receivables Holdings, subject to certain restrictions.

39. In consideration for PNC Bank’s agreement to make such capital investment payments, Cyxtera Receivables Holdings, on the date of each investment payments, sells, assigns, or transfers to PNC Bank, all of Cyxtera Receivables Holdings’ newly acquired rights, title, and interest in, to, and under the Receivables designated as sold, including all proceeds and collections with respect thereto. Cyxtera Receivables Holdings then designates certain of the Receivables to be sold by Cyxtera Receivables Holdings to PNC Bank and Cyxtera Receivables Holdings grants a security interest in any remaining, un-sold Receivables to PNC Bank as collateral. Additionally, Cyxtera Receivables Holdings makes certain servicing fee payments to PNC Bank of 1.00 percent per annum based on the daily average aggregate outstanding principal balance of the then outstanding Receivables transferred to Cyxtera Receivables Holdings, as well as certain other yield and fee payments.

40. The Receivables Program is a critical component to the Debtors’ liquidity position and serves as a material source of day-to-day operating liquidity for the Debtors. The Originators are responsible for generating approximately 95 percent of the Debtors’ annual receivables. As such, if the Receivables Program were forced to cease, the Debtors would lose access to much of

their revenue collections until PNC Bank's outstanding capital funded to Cyxtera Receivables Holdings were to be repaid (such "capital" is analogous to the outstanding principal of a loan made by PNC Bank to Cyxtera Receivables Holdings), a figure totaling \$37.5 million dollars. I understand that it would take approximately three to four weeks for this to occur, which would effectively shut off the Debtors' access to revenue for that time at the very moment they need it most. Accordingly, I believe the Receivables Program is a critical component of the Debtors' liquidity position and that its continuation is in the best interests of the Debtors' estates.

6. Equity.

41. Cyxtera Technologies' certificate of incorporation authorizes the board of directors to issue 500 million shares of Class A common stock ("Common Shares") and 10 million shares of preferred stock ("Preferred Shares"). Approximately 180 million Common Shares are outstanding as of the Petition Date. The Common Shares trade on the Nasdaq under the ticker symbol "CYXT." To date, Cyxtera has not issued any Preferred Shares.

III. Events Leading to These Chapter 11 Cases.

A. The Precipitous Rise in Interest Expense Undermines Liquidity.

42. In recent years, Cyxtera has continued its strong operating performance, stable revenue growth, and low customer churn. In 2021 and 2022, Cyxtera met or exceeded its revenue guidance as of the de-SPAC transaction. Unfortunately, the de-SPAC transaction coincided with a rapid increase in inflation. In January 2021, the year-over-year change in the Consumer Price Index ("CPI") in the United States stood at approximately 1.4 percent.⁶ By the time the de-SPAC closed, CPI in the United States had grown to approximately 5.4 percent, far ahead of the Federal

Reserve's 2 percent inflation target.⁷ This number ultimately peaked at over 9 percent in June 2022, and inflation remains elevated today.⁸

43. The Federal Reserve responded to this inflationary environment by aggressively raising interest rates. As a result, beginning in mid-2022, the interest expense on Cyxtera's funded debt more than doubled and began to significantly undermine liquidity, despite core business performance remaining strong. The annualized interest expense on the Debtors' funded debt facilities, all of which are variable interest rate facilities, rose from \$35.9 million as of March 31, 2022 to \$75.7 million as of March 31, 2023, calculated based on the balances and rates prevailing at the end of each quarter. This rise in inflation and interest rates coincided with impending maturities under the Company's funded debt—the Revolving Credit Facility was scheduled to mature on November 1, 2023, and the Term Loan Facilities on May 1, 2024. Therefore, a regular-way refinancing, something that likely would be justified by the core business performance, was not feasible.

44. During this period, the Company attempted to offset its escalating interest costs with operational improvements aimed at increasing occupancy at existing data centers, deploying capital efficient growth strategies, and optimizing its organizational structure. Despite these measures, the continued strain on the balance sheet due to rising interest rates and Cyxtera's substantial debt service obligations continued to diminish Cyxtera's liquidity.

B. Pursuit of All Reasonable Alternatives.

45. The Company was proactive in seeking to address its balance sheet issues. Throughout 2022, the Company worked with advisors to explore interest in an acquisition of the Company or an investment in connection with a financing or refinancing transaction. However, in large part due to the Company's mounting capital structure challenges and market volatility, the process did not result in any actionable proposals.

46. In November 2022, the Company retained Kirkland as counsel, and in December 2022, the Company retained Guggenheim Securities to assist in exploring various alternatives for its capital structure, including amending and/or refinancing its Term Loan Facilities and raising equity capital. With respect to the capital raise, the Company, with the assistance of Guggenheim Securities, explored such transaction with, among others, the Company's three largest equity holders. And, in connection with its refinancing efforts, the Company, with the assistance of Guggenheim Securities, also considered a comprehensive amend and extend transaction with respect to its Term Loan Facilities and commenced discussions with the Ad Hoc Group with respect to such transactions.

47. In March 2023, it became clear that the Company needed to focus its efforts on extending the near-term Revolving Credit Facility maturity on November 1, 2023. Failure to address this upcoming maturity could have given rise to a going concern qualification in the Company's audited financial statements due March 16, 2023. Receiving a going concern qualification would have caused significant harm by disrupting the Company's day-to-day business operations and potentially resulting in an event of default under the Company's Term Loan Facilities. On March 14, 2023, the Company successfully negotiated an extension of the maturity date under the Revolving Credit Facility to April 2, 2024, pursuant to that certain sixth

amendment to the First Lien Credit Agreement (“Amendment No. 6”). Although the extension bought Cyxtera essential breathing room, it soon became apparent that more comprehensive restructuring measures would need to be taken in light of continued liquidity deterioration and a major looming maturity wall in spring 2024.

48. On March 25, 2023, the Company hired AlixPartners as restructuring advisor to assist with its restructuring efforts. The Company, with the assistance of its advisors continued to engage with the Ad Hoc Group and certain other key prepetition stakeholders on the terms of a more comprehensive solution. As part of these discussions, the Company explored the possibility of implementing a consensual restructuring or sale transaction on an out-of-court basis, pivoting to an in-court chapter 11 process, or pursuing both alternatives simultaneously. With respect to the possibility of an in-court process, the Company evaluated tools that could be utilized to enhance its operational performance, including the rejection of undesirable leases and contracts.

49. In parallel, on March 27, 2023, the Company, with the assistance of Guggenheim Securities, launched a marketing process to engage potential interested parties concerning a sale or investment transaction with the Company. While the marketing process was underway, the Company and the Ad Hoc Group continued to negotiate a broader restructuring deal to be memorialized in a restructuring support agreement.

50. In late April 2023, the Company opted to utilize the five business-day grace period (the “Grace Period”) permitted under the First Lien Credit Agreement with respect to the interest payment due on April 25. The Company utilized the Grace Period to continue to engage in discussions with the Ad Hoc Group around the terms of a restructuring support agreement and bridge financing solution. The Company ultimately negotiated and entered into a seventh amendment to the First Lien Credit Agreement (“Amendment No. 7”), under which the lenders

refrained from exercising their rights and remedies under the First Lien Credit Agreement as a result of the missed interest payment until May 4, 2023, at 5:00 p.m. (prevailing Eastern time).

51. Following entry into Amendment No. 7, the Company, with the assistance of its Advisors worked around the clock with the Ad Hoc Group to finalize a restructuring support agreement and obtain financing necessary to fund operations prior to the filing of these chapter 11 cases. On May 4, 2023, after extensive, arm's-length negotiations, the Debtors and the Ad Hoc Group entered into that certain restructuring support agreement (the "Restructuring Support Agreement"), attached hereto as **Exhibit B**, by and between the Debtors, the Consenting Lenders holding approximately 64 percent of the First Lien Claims, and the Consenting Sponsors. The Restructuring Support Agreement contemplates a two-phase toggle approach whereby the Company would continue its out-of-court Marketing Process in pursuit of a Sale Transaction or toggle to an in-court restructuring (the "In-Court Restructuring"), pursuant to which the Company will continue to pursue the Marketing Process or, if such process does not maximize value for stakeholders, pursue a standalone recapitalization of its balance sheet (the "Recapitalization Transaction," and together with the Sale Transaction, the "Restructuring Transactions").

52. In connection with the Marketing Process, which remains ongoing, Guggenheim Securities has contacted seventy-five parties. As of the Petition Date, the Company has executed thirty-seven non-disclosure agreements with potential investors and has received 6 letters of intent from potential investors on a whole-company basis.

53. Concurrently with entry into the Restructuring Support Agreement, the Company entered into the Bridge Facility, which provided an incremental \$50 million in liquidity.⁹ The Bridge Facility offered the Company necessary breathing room for the parties to progress the Marketing Process while preparing for a possible in-court Recapitalization Transaction. Without the critical funding provided by the Bridge Facility, the Company would have been unable to fulfill its interest payment obligations due on the 2017 First Lien Term Facility, while funding its operations.

54. On May 5, 2023, as contemplated by the Restructuring Support Agreement, I was engaged as CRO. On April 24, 2023, Cyxtera Technologies established a special committee comprised of two disinterested directors, Fred Arnold and Roger Meltzer. The Board of Cyxtera Technologies authorized the special committee to, among other things, consider and negotiate a restructuring, reorganization, or other transaction (“Transaction”) and review and evaluate any matters in which the existing directors might have an interest (“Conflicts Matters”) related thereto. On May 19, 2023, the Company expanded the special committee with the addition of Scott Vogel and the special committee was provided sole authority on all matters related to a Transaction and Conflicts Matters.

C. Proposed DIP Financing.

55. Following the execution of the Restructuring Support Agreement and agreement on the foregoing restructuring terms, the Debtors also reached an agreement with certain of the

⁹ To facilitate the Company’s entry into the Bridge Facility, the Company also entered into an eighth amendment to the First Lien Credit Agreement (“Amendment No. 8”) with the First Lien Lenders wherein, among other changes, the First Lien Lenders agreed to amend the First Lien Credit Agreement to permit the Company to enter into the Bridge Facility. Relatedly, each of Cyxtera Canada TRS, ULC, Cyxtera Canada, LLC, Cyxtera Communications Canada, ULC, Cyxtera Digital Services, LLC, Cyxtera Technology UK Limited, and Cyxtera UK TRS Limited were joined as guarantors under the First Lien Credit Agreement such that the guarantors thereunder aligned with the guarantors under the Bridge Facility.

Consenting Lenders regarding the financing that would be necessary to fund the In-Court Restructuring. Pursuant to the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Utilize Cash Collateral, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Granting Adequate Protection, (IV) Modifying the Automatic Stay, (V) Scheduling a Final Hearing, and (V) Granting Related Relief*, filed contemporaneously herewith, the Company seeks approval of a debtor in possession financing in the form of a \$200 million super priority secured debtor in possession facility, which includes new money components of up to \$150 million in term loans, a “roll-up” component of \$36 million of previously-funded emergency prepetition loans, and a conversion of \$14 million in prepetition obligations under the Bridge Facility (the “DIP Facility”).

56. The DIP Facility is the culmination of extensive prepetition, arms-length negotiations between the Debtors, on the one hand, and certain members of the Ad Hoc Group, on the other hand, and is the best, and only actionable, proposal that the Debtors received. I believe that the terms of the DIP Facility are fair and appropriate under the circumstances and in the best interest of the Debtors' estates.

IV. Evidentiary Basis for Relief Requested in the First Day Motions.

57. Contemporaneously with the filing of this Declaration, the Debtors have filed a number of First Day Motions seeking relief to minimize the adverse effects of the commencement of these chapter 11 cases on their business and to ensure that their reorganization strategy can be implemented with limited disruptions to operations. Approval of the relief requested in the First Day Motions is critical to the Debtors' ability to continue operating their business with minimal disruption and thereby preserving value for the Debtors' estates and various stakeholders. I have reviewed each of the First Day Motions and I believe that the relief sought therein is necessary to permit an effective transition into chapter 11. I believe that the Debtors' estates would suffer

immediate and irreparable harm absent the ability to make certain essential payments, and otherwise continue their business operations as sought in the First Day Motions. The evidentiary support for the First Day Motions is set forth on **Exhibit C** attached hereto. Accordingly, for the reasons set forth herein and in the First Day Motions, the Court should grant the relief requested in each of the First Day Motions.

(l) all Liabilities for fees, costs and expenses that have been incurred or that are incurred, owed or subject to reimbursement by Sellers or any of the Acquired Entities or, in each case, any of their predecessors in connection with this Agreement or the administration of the Bankruptcy Cases and all costs and expenses incurred in connection with (i) the negotiation, execution and consummation of the Transactions and each of the other documents delivered in connection herewith and (ii) the consummation of the transactions contemplated by this Agreement, including any retention bonuses, “success” fees, change of control payments and any other payment obligations of Sellers or of any of their predecessors payable as a result of the consummation of the Transactions and the documents delivered in connection herewith other than as contemplated by Section 1.5;

Notwithstanding the foregoing, Purchaser hereby acknowledges and agrees that no Liability of any Acquired Entity shall be an Excluded Liability and that all Liabilities of any Acquired Entity as of the Closing shall continue to be the Liabilities of such Acquired Entity following the Closing.

1.5 Assumption/Rejection of Certain Contracts.

(a) Schedule 1.5(a) sets forth a true, complete and correct list, as of such date of delivery, of all executory Contracts and unexpired Acquired Leases to which any Seller is a party that are available for Purchaser to potentially acquire pursuant to Section 1.1(a) and Section 1.1(e) (the “Available Contracts”), including Sellers’ proposed Cure Costs associated with each such Contract and unexpired Lease set forth therein (the “Proposed Cure Costs”), which Schedule 1.5(a) may with the prior written consent of Purchaser (not to be unreasonably withheld, conditioned or delayed) be updated from time to time to add or remove any Contracts or Leases inadvertently included or excluded from such schedule or entered into following the date of such Schedule in accordance herewith. Upon written request by Purchaser, Sellers shall provide to Purchaser as promptly as practicable an updated Schedule 1.5(a) setting forth, to the Knowledge of Sellers, the Proposed Cure Costs as of the date of such request with respect to any Contracts or Leases identified by Purchaser in such written request.

(b) From the date hereof until the date that is ten (10) days prior to the scheduled Closing Date, Purchaser may, in its sole discretion, (i) designate any Contract, including any Intellectual Property license, and any Lease, in each case listed on Schedule 1.5(a) (other than any Excluded Data Center Contracts), for assumption and assignment to Purchaser or its Designee(s), effective on and as of the Closing, or (ii) designate any Contract (but only with the prior written consent of CTI (not to be unreasonably withheld, conditioned or delayed)) or Lease listed on Schedule 1.5(a) as an Excluded Contract for rejection effective on or as soon as reasonably practicable after the Closing (subject to Section 1.5(i)). Automatically upon any such designation by Purchaser in accordance with Section 1.5(b), any such Contract or Lease designated under Section 1.5(b)(i) shall be an Assigned Contract and any such Contract or Lease designated under Section 1.5(b)(ii) shall be an Excluded Contract for all purposes of this Agreement, and in each case with respect to an Excluded Contract, no Liabilities arising thereunder or relating thereto shall be assumed by Purchaser or be the Liability or responsibility of Purchaser, in each case, except as expressly set forth in this Section 1.5 or as Purchaser may otherwise consent to in writing (email being sufficient).

(c) The Assigned Contracts as of the date hereof that are to be assumed and assigned effective on and as of the Closing are set forth on Schedule 1.1(a) hereto, which Schedule shall (and shall be deemed to) (i) include, as of the date hereof, all Available Contracts, other than any Available Contracts set forth on Schedule 1.2(b) and the Excluded Data Center Contracts and (ii) be modified or supplemented to reflect additions or removals, as applicable, of Leases and Contracts that are (x) designated for assumption and assignment or (y) designated for rejection, in each case, as set forth in Section 1.5(b).

(d) Purchaser shall be responsible for the payment of any and all Liabilities of Purchaser, Sellers or any of their respective Affiliates under any Contracts or Leases that are designated for assumption and assignment (except for any Cure Costs, which shall be paid by Sellers in accordance with Section 5.2), in each case, that are incurred and come due and payable

during the period from and after the Closing through the effective date of such Contract's or Lease's assumption and assignment to Purchaser or its Designee in accordance with this Agreement. For the avoidance of doubt, from and after the Closing, Purchaser or its Designee shall pay all such Liabilities, and such other costs for which Purchaser is responsible under Section 1.5(i) (solely with respect to Acquired Leases), on a current basis as and when they come due and payable.

(e) Sellers shall provide timely and proper notice of the motion seeking entry of the Confirmation Order to all parties to any executory Contracts or unexpired Leases to which any Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Assigned Contracts to be assumed by the Seller and assigned to the Purchaser (or its Designee) pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code. Sellers and Purchaser shall take all actions reasonably required to assume and assign the Assigned Contracts to Purchaser or its Designee (and for Purchaser or its Designee to assume all Assumed Liabilities in connection therewith), including taking all actions reasonably necessary to facilitate any negotiations with the counterparties to such Contracts or Leases and, if necessary, to obtain an Order of the Bankruptcy Court (which may be the Confirmation Order) containing a finding that the proposed assumption and assignment of the Contracts or Leases to Purchaser or its Designee satisfies all applicable requirements of sections 365 and 1123(b)(2) of the Bankruptcy Code. In the case of any Contract or Lease of a Canadian Seller listed on Schedule 1.5(a), the Canadian Sellers and Purchaser shall cooperate in good faith to provide for treatment of each such Contract or Lease in accordance with this Agreement, and pursuant to the pending CCAA Proceeding of such Canadian Sellers to the extent permitted by or otherwise in accordance with applicable Law.

(f) From the date any Contract or Lease is designated for assumption and assignment pursuant to Section 1.5(b) and continuing until such time as it is assumed by Purchaser or its Designee as an Assigned Contract, Sellers shall not reject, terminate, amend, supplement, modify, or waive or take affirmative action to exercise any rights under such Contract or Lease, without the prior written consent of Purchaser.

(g) From and after the Closing Date until sixty (60) days following Closing, the Seller Parties and Purchaser may (but shall have no obligation to) mutually agree to seek authorization from the Bankruptcy Court pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code to assume and assign a Contract that was not identified as an Assigned Contract as of Closing.

(h) If prior to the entry of a final decree closing the Chapter 11 Cases it is discovered by any Party that a Contract or Lease that is related to the business or the Acquired Assets was excluded from Schedule 1.5(a) (any such Contract, a "Previously Omitted Contract"), the discovering Party shall, promptly following the discovery thereof (but in no event later than three (3) Business Days following the discovery thereof), notify the other Party in writing of such Previously Omitted Contract. If Purchaser wishes for the applicable Seller to assign such Previously Omitted Contract to Purchaser, Purchaser shall designate such contract as an Assigned Contract (i) within ten (10) Business Days following receipt of such notice from Seller or (ii) if such Previously Omitted Contract is identified prior to the Closing, on or before the Closing. Any such designated Previously Omitted Contract shall be deemed an Assigned Contract for all purposes under this Agreement. The Seller Parties and Purchaser shall seek authorization from the

Bankruptcy Court pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code to assume and assign any such Contract if so requested by Purchaser. If Purchaser fails to timely deliver a Designation Notice providing for the assumption and assignment of such Previously Omitted Contract, such Previously Omitted Contract shall be for all purposes under this Agreement an Excluded Contract.

(i) With respect to any Acquired Lease that Purchaser designates for rejection after the date hereof in accordance with Section 1.5(b), for a period from the Closing through and until the termination of all operations at and occupancy of all such sites:

(i) Purchaser shall be responsible for the payment of any actual and necessary costs and expenses and Liabilities of Sellers or their estates to third parties and actually incurred from and after the Closing in connection with (including any Taxes resulting solely from and that would not have been incurred but for) (A) the rejection of such Lease, (B) the winddown of all operations at, and the transfer or removal of all customers from, the site governed by such Lease, (C) all actions taken by Purchaser or its Affiliates or Advisors in connection with the foregoing; and (D) any incremental reasonable and documented out-of-pocket costs and expenses payable to Advisors or other professional service providers or otherwise by Sellers or their estates in connection with the foregoing matters; provided, that Purchaser shall only be responsible for such costs and expenses that constitute Administrative Claims that are Allowed; and provided further that Purchaser shall be entitled to all revenue or other proceeds generated from and after the Closing Date from the operations at the site governed by such Lease or the disposition of any assets (tangible or intangible) located at or related to the operations at the site governed by such Lease, it being the intent of the Parties that Purchaser bear the net economic benefit or burden of such operations from and after the Closing; provided further, however, that Purchaser shall not be responsible for the payment of any Claims arising prior to the Petition Date, including any Claims under Section 502(g) of the Bankruptcy Code, including Claims for rejection damages;

(ii) Purchaser acknowledges and agrees that Purchaser, its Affiliates, and its customers will be required to vacate the premises governed by such Lease in accordance with applicable Law and the Bankruptcy Code and any Orders of the Bankruptcy Court or CCAA Court (including the Confirmation Order with respect to (and the effectiveness of) the Plan) and Purchaser shall be responsible for any and all Liabilities related to such vacating of the premises, including related to any breach of Contract, Order, or Law arising from Purchaser or any customer failing to timely vacate (or leaving behind or abandoning any tangible assets at) such premises;

(iii) Purchaser shall, upon reasonable request, provide to Sellers any and all personnel, services, systems, and other resources as are reasonably necessary in connection with the continued operation until, and the completion of, the winddown of all operations at the site governed by such Lease, and Purchaser shall be responsible for all costs, expenses, and other Liabilities of the type and nature described in Section 1.5(i)(i) or Section 1.5(i)(ii) in connection therewith;

(iv) Sellers shall reject such Lease as requested by Purchaser in accordance with this Section 1.5 and subject to Section 1.5(i)(ii);

(v) Purchaser shall direct and control all operations at the site governed by such Lease and the winddown thereof, including personnel at such site, all communications and relations with the customers at such site and their potential relocation, until the termination of all operations at and occupancy of such site; provided that each Seller agrees to use its reasonable best efforts to reasonably cooperate with Purchaser in effectuating, and timely provide any reasonable assistance requested by Purchaser, the winddown of operations and occupancy at such site; and

(vi) Notwithstanding anything else to the contrary herein and the retention of bare legal title of any Lease by Sellers, Purchaser or a Designee shall acquire all benefits and assume all burdens of ownership with respect to the Leases (and the Parties intend that the provisions herein be interpreted consistent with this Section 1.5(i)(vi)) and the Parties agree that Purchaser or a Designee shall be treated as having acquired such Lease and any related intangible for U.S. federal (and other applicable) income Tax purposes as of the Closing.

1.6 Non-Assignment. Notwithstanding anything herein to the contrary, a Contract, Lease or insurance policy (each, a “Specified Asset”) shall not be an Assigned Contract or Acquired Asset, as applicable, hereunder and shall not be assigned to, or assumed by, Purchaser or its Designee to the extent that such Specified Asset (i) is terminated by a Seller (subject to Section 6.1(b)(v)) or the counterparty thereto, or terminates or expires by and in accordance with its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract or Acquired Asset, as applicable, hereunder and is not continued or otherwise extended upon assumption, or (ii) requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its Designee of the applicable Seller’s rights under such Specified Asset, and such Consent or Governmental Authorization has not been obtained prior to the Closing. In addition, a Permit or Governmental Authorization shall not be assigned to, or assumed by, Purchaser or its Designee to the extent that such Permit or Governmental Authorization requires a Consent or Governmental Authorization (other than, and in addition to, that of the Bankruptcy Court) in order to permit the sale or transfer to Purchaser or its Designee of the applicable Seller’s rights under such Permit or Governmental Authorization, and no such Consent or Governmental Authorization has been obtained prior to the Closing. In the event that any Specified Asset is deemed not to be assigned pursuant to clause (ii) in the first sentence of this Section 1.6 or any Permit is deemed not to be assigned pursuant to the second sentence of this Section 1.6, the Closing shall nonetheless occur subject to the terms and conditions set forth herein and, thereafter, through the earlier of (x) such time as such Consent or Governmental Authorization is obtained and (y) twelve (12) months following the Closing (or in each case of clauses (x) and (y), the remaining term of such Contract or the closing of the Bankruptcy Case, if shorter), Sellers and Purchaser shall (A) use commercially reasonable efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser or a Designee or an Affiliate thereof any or all of any Seller’s rights and obligations with respect to any such Specified Asset or Permit or Governmental Authorization, under which

(1) Purchaser or its Designee shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits under such Specified Asset or Permit or Governmental Authorization with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser or its Designee shall assume any related burden and obligation (including performance) with respect to such Specified Asset or Permit or Governmental Authorization, in each case, subject to the final sentence of this Section 1.6. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Specified Asset or Permit or Governmental Authorization after the Closing, Seller's right, title and interest in and to such Specified Asset or Permit or Governmental Authorization shall promptly be transferred and assigned to Purchaser or its Designee(s) in accordance with the terms of this Agreement, the Plan, the Confirmation Order, and the Bankruptcy Code. Notwithstanding anything herein to the contrary (x) the provisions of this Section 1.6 shall not apply to any Consent or approval required under the HSR Act and any Antitrust Laws, which Consent or approval shall be governed by Section 6.4 and the Bankruptcy Code. Without limitation of the foregoing, prior to the Closing, Sellers shall cooperate with Purchaser or its Designee in connection with obtaining any Consent, including by providing Purchaser or its Designee with reasonable access to and facilitating discussions with the applicable counterparties (after consultation with, and with the presence or participation of, Sellers) in respect of such Consents, and shall use commercially reasonable efforts to assist Purchaser or its Designee with obtaining such Consents as promptly as practicable after the date hereof and prior to the Closing. The Parties shall reasonably cooperate to effect any transfers or other arrangements described in this Section 1.6 in a manner that is mutually Tax efficient for the Parties and their respective Affiliates, including by treating any Seller (or applicable Affiliate thereof) initially in possession of any payment referenced in this Section 1.6 after the Closing as holding such payment as an agent or nominee for the Purchaser or its applicable Designee for income and other applicable Tax purposes to the extent permitted by applicable Law.

1.7 Designated Purchaser(s).

(a) In connection with the Closing, Purchaser shall be entitled to designate, in accordance with the terms and subject to the limitations set forth in this Section 1.7, one (1) or more of its Affiliates or, with the prior written consent of CTI (which shall not be unreasonably withheld, conditioned or delayed and which may be by email (it being agreed that it would be unreasonable for CTI not to consent to the Person (or any of its Affiliates) previously identified by Purchaser to Sellers as a possible Designee)), any other Person, in each case, to exercise Purchaser's rights or obligations to acquire any of the Acquired Assets and assume any of the Assumed Liabilities, in accordance with Sections 1.1 and 1.3 and all of the other terms of this Agreement applicable thereto (each such Person that is properly designated by Purchaser in accordance with this Section 1.7, a "Designee"); provided that no such designation would materially delay the Closing or materially and adversely affect the receipt of any regulatory approval. Prior to the Closing, Purchaser may rescind any such designation upon written notice to CTI (including via email). At and after the Closing, Purchaser shall, or shall cause its respective Designee(s) to, honor Purchaser's obligations (to the extent of the designation) at and from and after the Closing, and the Purchaser shall not be relieved of any Liability or obligation hereunder until satisfaction of such Liability or obligation by such Designee(s). Purchaser shall, promptly upon request by CTI, reimburse Sellers for their reasonable and documented out-of-pocket costs arising out of their complying with their obligations under this Section 1.7(a) and Section 6.18; provided that such reimbursable costs shall not exceed \$250,000 in the aggregate without

Purchaser's prior written consent. Purchaser shall further indemnify and hold harmless the Seller Parties from and against any and all Liabilities (other than Liabilities in respect of income Taxes, except to the extent such Liabilities in respect of income Taxes constitute Assumed Liabilities under Section 1.3(f)), suffered or incurred by them solely as a result of (and which would not have arisen but for) their complying with their obligations under this Section 1.7(a) and Section 6.18, in each case, except such Liabilities suffered or incurred as a result of such Person's gross negligence, willful misconduct or willful breach of this Agreement, in each case, as determined by a final, non-appealable decision of a court of competent jurisdiction. After the Closing, any reference to Purchaser made in this Agreement in respect of any purchase, assumption or employment referred to in this Agreement shall be deemed to include reference to Purchaser's Designee(s), if any, whether or not such reference so appears. For the avoidance of doubt, by agreeing to honor Purchaser's obligations pursuant to this Section 1.7, a Designee agrees, and such Designee shall agree in writing, to be bound by all obligations applicable to Purchaser (to the extent of the designation), including those covenants contained in Article VI; provided that notwithstanding the designation of any one or more Designee(s) pursuant to this Section 1.7(a), from and after the date of any designation of a Designee and continuing after the Closing, except as required by applicable Law or to the extent necessary to effect the Transactions contemplated herein, Sellers shall be entitled to engage solely with and rely solely on any action, omission, decisions, communications, or writings of Purchaser (including on behalf of any Designee) with respect to any matters arising under and related to this Agreement or the Transactions, including the matters contemplated by Section 2.7, Article VI, Article IX, or any Agreement Dispute, including with respect to any waiver of any Closing condition or amendment to this Agreement. Notwithstanding anything to the contrary set forth herein, Sellers shall not have any Liability, including to any Designee, for any act or omission taken or not taken in reliance upon the actions taken or not taken or decisions, communications or writings made, given or executed by Purchaser on behalf of any Designee.

(b) The designation of a Designee in accordance with this Section 1.7 shall be made by Purchaser by way of a written notice to be delivered to the Sellers in no event later than five (5) Business Days prior to the Closing.

(c) For the avoidance of doubt, in the event any Designee fails to comply with any of its obligations hereunder (including with respect to any DLR Transaction and including any failure to deliver any items required to be delivered by such Designee at or prior to the Closing) or fails to comply with any Contract or obligations with Purchaser or any of its Affiliates, Purchaser shall still be required to consummate the Closing and the Transactions in accordance with the terms and subject to the conditions of this Agreement as if such Designee was not a Designee hereunder (which may include, if applicable as a result of any of the foregoing, not consummating the applicable DLR Transaction).

1.8 Certain Bank Accounts. At the Closing, Sellers shall cause Cyxtera Receivables Holdings, LLC, a Delaware limited liability company and Subsidiary of Sellers, to deliver to Purchaser all right, title and interest of Cyxtera Receivables Holdings, LLC in, to and under all

bank accounts thereof, free and clear of all Encumbrances other than Permitted Post-Closing Encumbrances.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment; Estimated Adjustment Amount.

(a) The aggregate consideration (collectively, the “Purchase Price”) to be paid by or on behalf of Purchaser at the Closing for the purchase of the Acquired Assets shall be the sum of (i) a cash payment of \$775,000,000, plus (ii) the Estimated Adjustment Amount (which may be expressed as a positive or negative number) (the result of (i) and (ii), the “Cash Payment”) and (iii) the assumption of the Assumed Liabilities in accordance herewith. At least five (5) Business Days prior to the scheduled Closing Date, CTI (on behalf of the Sellers) shall deliver (or cause to be delivered) to Purchaser, a preliminary statement (the “Estimated Closing Statement”) that sets forth the Sellers’ good faith estimates of the (i) Cash Amount, (ii) Closing Working Capital and the resulting estimated Working Capital Overage or Working Capital Underage, if any, (iii) Factoring Facility Payoff Amount and (iv) Adjustment Amount resulting therefrom (which may be expressed as a positive or negative number) (such amount in the foregoing clause (iv), the “Estimated Adjustment Amount”), in each case, prepared in accordance with Exhibit F hereto and this Agreement, and accompanied by reasonably detailed supporting documentation for the estimates and calculations contained therein. The Cash Amount, the Closing Working Capital, the Working Capital Overage or Working Capital Underage, as applicable, the Factoring Facility Payoff Amount and the Adjustment Amount will be determined in accordance with the definitions set forth in this Agreement and will not include any changes in assets or liabilities as a result of purchase accounting adjustments. During the period after the delivery of the Estimated Closing Statement and prior to the Closing Date, Purchaser shall have an opportunity to review the Estimated Closing Statement and CTI (on behalf of the Sellers) shall provide Purchaser and its Advisors reasonable access to all properties, books and records relating thereto and the officers and other employees and advisors of the Sellers and their Affiliates, in each case, to the extent reasonably necessary to assist Purchaser and its Advisors in their review of the Estimated Closing Statement. CTI (on behalf of the Sellers) shall cooperate with Purchaser in good faith to mutually agree upon the Estimated Closing Statement in the event Purchaser disputes any item proposed to be included therein, and the Estimated Closing Statement shall be updated by CTI (on behalf of the Sellers) accordingly to reflect any such resolution prior to the Closing; provided that, to the extent that CTI (on behalf of the Sellers) and Purchaser do not agree (it being understood that neither Party shall be required to agree with the other Party) as to any one or more items by the day immediately preceding the Closing Date, then with respect to each such item the amount of such item set forth in the initial Estimated Closing Statement sent by CTI (on behalf of the Sellers) will be used for purposes of calculating the Cash Payment for the Closing.

(b) At the Closing, Purchaser (or its Designee) shall deliver, or cause to be delivered, to Sellers an aggregate amount equal to the Cash Payment less the Deposit (the “Closing Date Payment”); provided that, in the event that a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b), the Closing Date Payment for all purposes of this Agreement shall be reduced by the sum of (i) the DLR Closing Proceeds that are actually delivered, or caused to be delivered, in cash by the UK Seller, the Germany Seller, or the Singapore Seller (as

applicable) to the other Sellers prior to or at the Closing pursuant to Section 6.20 and (ii) the US Intangibles Consideration Payment. Subject to Section 6.20, the Closing Date Payment and any cash payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Person to (or for the benefit of) whom such payment is to be made, with such designation to be made at least two (2) Business Days prior to the date such payment is to be made.

(c) In the event that the transactions contemplated by the Specified Agreement are consummated in accordance therewith following the Closing, but prior to the date that is ninety (90) days following the Closing Date (the “Specified Date”), and Purchaser (or its applicable Affiliate) actually receives the Closing Date Payment (as defined in the Specified Agreement) prior to the Specified Date, Purchaser shall promptly deliver to Sellers, by wire transfer of immediately available funds to such bank account as shall be designated in writing by CTI, cash in an aggregate amount equal to the Adjusted Specified Closing Date Payment. For purposes of this Agreement, the “Adjusted Specified Closing Date Payment” shall mean the amount equal to (i) the Closing Date Payment (as defined in the Specified Agreement) less (ii) the aggregate amount of all costs, expenses and Taxes incurred by Purchaser and its Affiliates in connection with, or in consummating, the transactions contemplated by the Specified Agreement from and after the Closing, which Taxes shall be computed by Purchaser in its good faith discretion and by assuming that Purchaser and its applicable Affiliates have no Tax attributes or assets other than any basis in the assets sold pursuant to the Specified Agreement actually available to the applicable Affiliate of Purchaser acquiring such assets under the terms of this Agreement. Notwithstanding anything to the contrary herein, including Sections 1.1(a), 1.1(s), 1.2(b) and 1.2(l) or in the definition of Excluded Data Center Contracts, in the event that the transactions contemplated by the Specified Agreement are consummated following the Closing, but prior to the Specified Date, (i) the Specified Agreement shall be deemed an Excluded Contract and (ii) the “Acquired Assets” (as defined in and only to the extent defined in the Specified Agreement) shall be deemed Excluded Assets, in the case of each of the foregoing clauses (i) and (ii), as of the Closing for all purposes of this Agreement. In furtherance of the foregoing, the Parties will execute and deliver, or cause to be executed and delivered, all such documents and instruments, and will take, or cause to be taken, all such further or other actions as may be reasonably necessary or desirable to evidence and effectuate the transactions contemplated in this Section 2.1(c).

2.2 Deposit.

(a) Purchaser will, no later than forty-eight (48) hours after the date hereof, make, or cause to be made, an earnest money deposit with Acquiom Clearinghouse LLC (the “Escrow Agent”) in the amount equal to \$77,500,000 (the “Deposit”), by wire transfer of immediately available funds for deposit into a separate segregated, interest bearing escrow account (the “Escrow Account”) maintained by the Escrow Agent in accordance with the Bidding Procedures Order and established pursuant to the escrow agreement, dated as of the date hereof, by and among CTI, Purchaser and the Escrow Agent (the “Escrow Agreement”). The Deposit shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of any Seller or Purchaser and, if the Closing occurs, shall be applied in accordance with Section 2.2(e).

(b) If this Agreement has been terminated by Sellers pursuant to Section 8.1(d) or 8.1(f) (or by Purchaser pursuant to Section 8.1(c)), in circumstances where Sellers would be entitled to terminate this Agreement pursuant to Section 8.1(d) or 8.1(f), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Seller, and Seller shall retain the Deposit (together with any and all investment interest thereon if any).

(c) If this Agreement has been terminated by any Party, other than as contemplated by Section 2.2(b), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Purchaser, and the Deposit, together with any and all investment interest thereon, if any, shall be returned to Purchaser within five (5) Business Days after such termination.

(d) The Parties agree that Sellers' right to retain the Deposit, as set forth in Section 2.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(e) If the Closing occurs, at the Closing, the Parties shall deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer, by wire transfer of immediately available funds, an amount equal to (i) 100% of the Deposit minus (ii) the Adjustment Escrow Amount to such account(s) as may be designated by Seller as a credit toward payment of the Cash Payment pursuant to Section 2.1(a), and the remaining portion of the Deposit in the Escrow Account shall continue to be held in accordance with the Escrow Agreement and the terms and conditions of this Agreement.

2.3 Closing.

(a) Except as set forth in Section 2.3(b), if applicable, the closing of the purchase and sale of the Acquired Assets, the delivery of the Closing Date Payment, and the assumption of the Assumed Liabilities in accordance with this Agreement (the "Closing") will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the fourth (4th) Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or due waiver (by the Party entitled to the benefit of such condition) at the Closing), or at such other place and time as the Parties may agree in writing; provided that, without limiting the foregoing, the Closing Date will coincide with the Effective Date of the Plan; provided, further, that, notwithstanding the full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in

Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing, but subject to the satisfaction or due waiver (by the Party entitled to the benefit of such condition) at the Closing), the Closing shall not occur prior to January 2, 2024 without the prior written consent of the Purchaser. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

(b) Notwithstanding the generality of Section 2.3(a), if Purchaser provides CTI with written notice, at least ten (10) Business Days prior to the anticipated Closing Date, of its election to effect (x) the UK Transaction in accordance with Section 6.18(a), (y) the Germany Transaction in accordance with Section 6.18(b), or (z) the Singapore Transaction in accordance with Section 6.18(c) (any such notice, a “DLR Election Notice”, and any transactions to be consummated in accordance with such a DLR Election Notice, a “DLR Transaction”, and collectively, the “DLR Transactions”), then at the Closing, the Parties shall take, or cause to be taken, the following actions in the order set forth below (it being understood that no successive step shall be undertaken or initiated until the immediately preceding step has been completed), it being understood that the Parties shall coordinate timing of the payments in clause (i) below at such times which are feasible in the time zones of the applicable jurisdictions:

(i) *first*, (w) the consummation of the UK Transaction and the delivery of the UK Consideration Payment in accordance with Section 6.18(a), (x) the consummation of the Germany Transaction and the delivery of the Germany Consideration Payment in accordance with Section 6.18(b), (y) the consummation of the Singapore Transaction and the delivery of the Singapore Consideration Payment in accordance with Section 6.18(c), and (z) the consummation of the US Intangibles Transfer and the delivery of the US Intangibles Consideration Payment in accordance with Section 6.18(d), in the case of each of the foregoing clauses (w), (x), (y) and (z), occurring simultaneously and solely to the extent contemplated in the DLR Election Notice provided by Purchaser to CTI in accordance with this Section 2.3(b);

(ii) *second*, the distribution of the Aggregate DLR Consideration Amount to an applicable Seller(s) in accordance with Section 6.20; and

(a) Within ninety (90) days after the Closing Date, Purchaser shall deliver (or shall cause to be delivered) to CTI (on behalf of all of the Sellers) a statement (the "Statement") setting forth Purchaser's good faith calculations of (i) Cash Amount, (ii) Closing Working Capital and the resulting estimated Working Capital Overage or Working Capital Underage, if any, (iii) the Factoring Facility Payoff Amount and (iv) the Adjustment Amount resulting therefrom (which may be expressed as a positive or negative number), accompanied by reasonably detailed supporting documentation for the estimates and calculations contained therein, including changes from the corresponding amounts in the Estimated Closing Statement. The Parties agree that the purpose of determining the Final Adjustment Amount is solely to accurately measure changes (if any) in the Estimated Adjustment Amount set forth in the Estimated Closing Statement in accordance with this Agreement (including Exhibit F) in order to determine the Seller Adjustment Amount or Purchaser Adjustment Amount, as applicable, and that such processes are not intended to permit the introduction of principles, policies, practices, procedures, methodologies, classifications or methods that are different from those set forth in Exhibit F.

(b) The Statement shall become final and binding upon all of the Parties at 5:00 p.m. in New York, New York on the thirtieth (30th) day following the date on which the Statement was timely delivered by Purchaser to CTI within the applicable number of days as set

forth in Section 2.6(a), unless CTI (on behalf of the Sellers) delivers written notice of its disagreement with the Statement (a “Notice of Disagreement”) to Purchaser prior to such time. Any Notice of Disagreement shall specify in reasonable detail the nature and the amount of any disagreement so asserted. If a Notice of Disagreement is received by Purchaser in accordance with the first sentence of this Section 2.6(b) then the Statement (as revised in accordance with this Section 2.6(b)) shall become final and binding upon the Sellers and Purchaser on the earlier of (i) the date CTI (on behalf of the Sellers) and Purchaser resolve in writing any and all differences they have with respect to the matters specified in the Notice of Disagreement and (ii) if any differences remain that CTI and Purchaser are unable to resolve following the Discussion Period referred to below, the date any such remaining disputed matters are finally resolved in writing by the Independent Accountant. During the fourteen (14)-day period (or such longer period as the Parties may agree in writing, the “Discussion Period”) following the delivery of a Notice of Disagreement, CTI (on behalf of the Sellers) and Purchaser shall seek in good faith to resolve in writing any differences that they may have with respect to the matters specified in the Notice of Disagreement. All discussions related thereto will be governed by Rule 408 of the Federal Rules of Evidence (as in effect as of the date of this Agreement) and any applicable similar state rule, unless otherwise agreed in writing by Sellers and Purchaser. If at the end of such Discussion Period, CTI (on behalf of the Sellers) and Purchaser have not resolved in writing the matters specified in the Notice of Disagreement, then, no later than ten (10) days following such Discussion Period, CTI and Purchaser shall submit to the Independent Accountant for resolution, in accordance with the standards set forth in this Section 2.6. Each of CTI (on behalf of the Sellers) and Purchaser shall use reasonable efforts to cause the Independent Accountant to render a written decision resolving the matters submitted to the Independent Accountant within thirty (30) days of the receipt of such submission, and the Independent Accountant shall resolve only matters that remain in dispute as submitted by the Parties. Purchaser and CTI (on behalf of the Sellers) will execute a customary engagement letter if so requested by the Independent Accountant and will cooperate with the Independent Accountant during the term of its engagement. The Independent Accountant will have exclusive jurisdiction over any disputes arising out of or relating to the adjustments pursuant to this Section 2.6, and resort to the process involving the Independent Accountant as provided in this Section 2.6(b) will be the only recourse and remedy of the Parties against one another with respect to any such dispute. The scope of the disputes to be resolved by the Independent Accountant shall be limited to correcting mathematical errors and determining whether the items in dispute were determined in accordance with this Agreement. The Independent Accountant’s decision shall be based solely on written submissions by CTI (on behalf of the Sellers) and Purchaser and their respective Advisors and not by independent review, acting as an accountant and not as an arbitrator, and, shall be final and binding on all of the Parties and not subject to appeal or further review. The Independent Accountant may not assign a value for any item that is greater than the greatest value for such item claimed by either Party or smaller than the smallest value for such item claimed by either Party. Judgment may be entered upon the determination of the Independent Accountant in any court having jurisdiction over the Party against which such determination is to be enforced. The fees, costs and expenses of the Independent Accountant incurred pursuant to this Section 2.6 (the “Accounting Fees”) shall be borne *pro rata* as between the Sellers, on the one hand, and Purchaser, on the other hand, in proportion to the final allocation made by such Independent Accountant of the disputed items weighted in relation to the claims made by CTI and Purchaser, such that the prevailing Party pays the lesser proportion of such fees, costs and expenses. For example, if Purchaser claims that the

appropriate adjustments are, in the aggregate, \$1,000 greater than the amount determined by CTI and if the Independent Accountant ultimately resolves the dispute by awarding to Purchaser an aggregate of \$300 of the \$1,000 contested, then the fees, costs and expenses of the Independent Accountant will be allocated 30% (*i.e.*, $300 \div 1,000$) to the Sellers and 70% (*i.e.*, $700 \div 1,000$) to Purchaser. In connection with its determination of Final Adjustment Amount, the Independent Accountant will, pursuant to the terms of this Section 2.6(b), also determine the allocation of the Accounting Fees between Purchaser and Sellers, which such determination will be final, conclusive and binding upon the Parties.

(c) As used herein, “Final Adjustment Amount” means (i) if CTI (on behalf of the Sellers) fails to deliver a Notice of Disagreement in accordance with Section 2.6(b), the Adjustment Amount as set forth in the Statement or (ii) if the Adjustment Amount is resolved by Purchaser and CTI (on behalf of the Sellers) or by submission of any disputes to the Independent Accountant, as contemplated by Section 2.6(b), the Adjustment Amount as so resolved.

(d) Upon the determination of the Final Adjustment Amount in accordance with Section 2.6(b):

(i) if the Final Adjustment Amount exceeds the Estimated Adjustment Amount (any such excess, the “Seller Adjustment Amount”), within five (5) Business Days after the Final Adjustment Amount is determined (A) Purchaser shall pay to CTI, by wire transfer of immediately available funds, an amount equal to the lesser of (x) an amount equal to the Seller Adjustment Amount and (y) an amount equal to the Adjustment Escrow Amount, it being acknowledged and agreed by the Parties that the maximum amount Purchaser shall be required to pay pursuant to this Section 2.6 shall not exceed the Adjustment Escrow Amount even if such amount is less than the Seller Adjustment Amount and (B) Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the Adjustment Escrow Amount from the Escrow Account;

(ii) if the Estimated Adjustment Amount exceeds the Final Adjustment Amount (any such excess, the “Purchaser Adjustment Amount”), within five (5) Business Days after the Final Adjustment Amount is determined: (A) CTI and Purchaser shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to make payment from the Escrow Account by wire transfer of immediately available funds to Purchaser of an amount equal to such Purchaser Adjustment Amount, which amount shall not exceed the Adjustment Escrow Amount, and (B) if the Purchaser Adjustment Amount is less than the Adjustment Escrow Amount, Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the amount by which the Adjustment Escrow Amount exceeds the Purchaser Adjustment Amount; or

(iii) if the Final Adjustment Amount equals the Estimated Adjustment Amount, within five (5) Business Days after the Final Adjustment Amount is determined Purchaser and CTI shall provide joint written instruction to the Escrow Agent directing the Escrow Agent to release to CTI the Adjustment Escrow Amount from the Escrow Account. Upon payment of the amounts provided in this Section 2.6(d), none of the Parties may make or assert any claim under this Section 2.6. Any payment to be made pursuant to this

Section 2.6(d) will be treated by all Parties for applicable Tax purposes as an adjustment to the Purchase Price (unless otherwise required by applicable Law).

(e) Purchaser agrees that payment of the Purchaser Adjustment Amount (if any) from the Adjustment Escrow Amount in the Escrow Account in accordance with the Escrow Agreement will be the sole and exclusive remedy for Purchaser for payment of the Purchaser Adjustment Amount, if any, and the Adjustment Escrow Amount in the Escrow Account will be Purchaser's sole and exclusive source of recovery for any amounts owing to Purchaser pursuant to this Section 2.6, even if the Purchaser Adjustment Amount exceeds the Adjustment Escrow Amount. The Parties further agree that the adjustments to the Adjustment Amount provided for in this Section 2.6, and the dispute resolution provisions provided for in this Section 2.6, will be the exclusive remedy for the matters addressed or that could be addressed by this Section 2.6. For the avoidance of doubt, and without limiting the generality of the foregoing, no claim by Purchaser or any of its Affiliates or advisors for the payment of the Purchaser Adjustment Amount will be asserted against any of the Sellers.

(f) No actions taken by Purchaser, on its own behalf or on behalf of the Acquired Entities, on or following the Closing Date, shall be given effect for purposes of determining the Adjustment Amount or any component thereof. During the period of time from and after the Closing Date through the final determination and payment of any Seller Adjustment Amount or Purchaser Adjustment Amount in accordance with this Section 2.6, Purchaser shall afford, and shall cause the Acquired Entities to afford, to CTI and its Advisors reasonable access during normal business hours upon reasonable advance notice to all the properties, books, Contracts, personnel, Advisors (subject to execution of customary access letters) and records of Purchaser and the Acquired Entities and such Advisors (including work papers subject to execution of customary access letters) relevant to the Sellers' review of the Statement and Purchaser's determination of the Adjustment Amount or any component thereof in accordance with this Section 2.6.

2.7 Withholding. Each of Purchaser and its Affiliates, and the Escrow Agent, shall be entitled to deduct and withhold from amounts otherwise payable pursuant to this Agreement to any Seller (including pursuant to Section 2.2) such amounts as Purchaser (or its applicable Affiliate), or the Escrow Agent, is required to deduct and withhold under applicable Tax law, with respect to the making of such payment; provided, however, that except for any amounts that are withheld by reason of any Seller's failure to provide the certificate described in Section 2.4(i), Purchaser shall use commercially reasonable efforts to notify such Seller at least five (5) Business Days prior to the Closing Date of any potentially applicable withholding requirement of which Purchaser is aware, and each of the Parties agrees to take commercially reasonable efforts to cooperate to eliminate or reduce any such deduction or withholding. All amounts so withheld shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made, and shall be timely paid by Purchaser (or its applicable Affiliate) to the applicable Governmental Body.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as (a) disclosed in the forms, reports, schedules, statements, exhibits and other documents filed with the SEC by CTI in respect of Sellers and their business during the twelve (12) months preceding the date hereof and solely to the extent publicly available on the SEC's EDGAR database (the "Filed SEC Documents") (other than any disclosures set forth under the headings "Risk Factors" or "Forward-Looking Statements" in such Filed SEC Documents and any other disclosures included therein to the extent they are forward-looking in nature) or (ii) set forth in the Schedules delivered by Sellers concurrently herewith (each, a "Schedule" and collectively, the "Schedules") and subject to Section 10.10, Sellers represent and warrant to Purchaser as follows.

3.1 Organization and Qualification.

(a) Except as set forth in Schedule 3.1(a), (i) each Seller is a corporation, unlimited liability corporation, or limited liability company, as applicable, duly organized, validly existing and in good standing under the Laws of the jurisdiction of its incorporation or formation and (ii) each Acquired Entity is duly organized, validly existing and in good standing (where such concept is recognized under applicable Law) under the Laws of the jurisdiction of its organization. Except as set forth in Schedule 3.1(a), each Seller and Acquired Entity has all requisite corporate or similar organizational power and authority necessary to own or lease its assets and properties and to operate its business as it is now being conducted, subject to the provisions of the Bankruptcy Code, and is duly licensed or qualified to do business under the Laws of each jurisdiction in which the nature of its business or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) True, complete and correct copies of each of the Acquired Entities' Organizational Documents have been provided to Purchaser prior to the date hereof. All such Organizational Documents are in full force and effect on the date hereof and no Seller or Acquired Entity is in violation of any of the provisions of its Organizational Documents, except as would not reasonably be expected to be material to such Seller or Acquired Entity.

(c) Schedule 3.1(c) sets forth a true, complete and correct list of (i) each of the Acquired Entities and (ii) each jurisdiction in which each Seller and Acquired Entity is duly licensed or qualified to do business.

3.2 Authorization of Agreement.

(a) Subject to requisite Bankruptcy Court approvals, each Seller has all necessary corporate or similar organizational power and authority to execute and deliver this Agreement and the other Transaction Agreements to which each such Seller is a party and to perform its obligations hereunder and to consummate the Transactions.

(b) The execution, delivery and performance by each Seller of this Agreement and the other Transaction Agreements to which such Seller is a party, and the consummation by

such Seller of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), have been duly authorized by all requisite corporate action, limited liability company action or limited partnership action on the part of such Seller, as applicable, and no other organizational proceedings on such Seller's part are necessary to authorize the execution, delivery and performance by such Seller of this Agreement or the other Transaction Agreements and the consummation by it of the Transactions.

(c) Subject to requisite Bankruptcy Court approvals and CCAA Orders (as described in this Agreement), this Agreement and the other Transaction Agreements to which each Seller is a party have been, or will be, duly executed and delivered by such Seller and, assuming due authorization, execution and delivery hereof and thereof by the other parties hereto and thereto, constitutes, or will constitute, legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with its and their terms, except that such enforceability (a) may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar Laws of general application affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principles of equity, whether considered in a proceeding at law or in equity (collectively, the "Enforceability Exceptions").

3.3 Equity Interests of Acquired Entities.

(a) The issued and outstanding shares of capital stock or other Equity Interests of each of the Acquired Entities are as set forth on Schedule 3.3(a)(i), and there are no other issued or outstanding shares of capital stock or other Equity Interests of the Acquired Entities (except as authorized or issued pursuant to the UK Restructuring Transactions, to the extent applicable). All of the outstanding capital stock or other Equity Interests of the Acquired Entities are duly authorized, validly issued, fully paid and are non-assessable (where such concepts are legally recognized in the jurisdictions of organization of such Subsidiaries) and have not been issued in violation of applicable Law or any Contract (including preemptive rights or similar rights). The UK Seller's register of members is in compliance with applicable Law and true, correct and complete as of the Closing (a true, correct and complete copy of which has been provided to Purchaser prior to the Closing). Except as set forth on Schedule 3.3(a)(ii), there are no outstanding options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to the issuance, purchase, sale, redemption or repurchase of any capital stock or other Equity Interests issued by any Acquired Entities containing any equity features, or Contracts, commitments, understandings, arrangements or other obligations by which any of the Acquired Entities is bound to issue, deliver or sell, or cause to be issued, delivered or sold, additional capital stock or other Equity Interests, or options, warrants, convertible, exercisable or exchangeable securities, "phantom" stock rights, stock appreciation rights, stock-based performance units, rights to subscribe to, purchase rights, calls or commitments relating to any capital stock or other Equity Interests of the Subsidiaries of the Sellers, or that otherwise give any Person the right to receive any benefits or rights similar to any rights enjoyed by or accruing to the holders of shares of capital stock or other Equity Interests of any Acquired Entities (including any rights to receive any payment in respect, or based on the price or value, thereof). None of the Sellers or their Subsidiaries is a party to any shareholders' agreement, voting trust agreement, registration rights agreement or other similar Contract or understanding relating to any Equity Interests of any Acquired Entities or any other Contract relating to the issuance, disposition, voting

or payment of dividends or distributions with respect to any Equity Interests of any Acquired Entities. There are no accrued and unpaid dividends with respect to any outstanding Equity Interests of any Acquired Entities, and no Acquired Entities have any obligation to pay any dividend or make any distribution in respect thereof. The issued and outstanding Equity Interests of each of the Acquired Entities are (i) owned of record by the Seller(s) or Subsidiaries of a Seller identified on Schedule 3.3(a)(iii) as owning such Equity Interests (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable), (ii) owned free and clear of any Encumbrances (except for Encumbrances arising under applicable securities Laws) by the applicable Seller(s) or Subsidiaries of a Seller identified on Schedule 3.3(a)(iii) as owning such Equity Interests (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable), and (iii) the applicable Seller(s) or Subsidiaries of a Seller have good, valid and marketable title (to the extent such concepts are applicable) to the Equity Interests identified on Schedule 3.3(a)(iii) as owned by such Seller or Subsidiary of a Seller (or as identified on Exhibit H in connection with the UK Restructuring Transactions, to the extent applicable). The Acquired Interests constitute all of the issued and outstanding Equity Interests of the Transferred Subsidiaries, all of which are owned beneficially and of record by the Sellers, free and clear of any Encumbrances (other than Encumbrances arising under applicable securities Laws). At Closing, Purchaser (or its Designee) will acquire good and valid title to the Acquired Interests, free and clear of all Encumbrances (other than transfer restrictions under applicable securities Laws).

(b) Except as set forth on Schedule 3.3(b), the Acquired Entities do not, directly or indirectly, (i) own, of record or beneficially, any Equity Interests or other interests in any Person or hold any right (contingent or otherwise) to acquire the same or (ii) have any obligations to contribute capital to, or loan any amounts to, invest in, or acquire Equity Interests of, any Person. The Acquired Entities do not have any outstanding bonds, debentures, notes or other obligations which provide the holders thereof the right to vote (or are convertible or exchangeable into or exercisable for securities having the right to vote) with the equityholders of the Acquired Entities on any matter.

3.4 Conflicts; Consents. Assuming that (a) the Confirmation Order and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained (each as described in this Agreement), (b) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 3.4 are made, given or obtained (as applicable), (c) the requirements of the HSR Act are complied with, and (d) any filings required by any applicable federal or state securities or “blue sky” Laws are made, the execution and delivery by Sellers of this Agreement and the other Transaction Agreements, the consummation by Sellers of the Transactions, performance and compliance by Sellers with any of the terms or provisions hereof or thereof, do not and will not (i) conflict with or violate any provision of the Organizational Documents of any Seller or Acquired Entity (ii) except as set forth on Schedule 3.4, conflict with, violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or result in the acceleration of any obligation under or give rise to a right of termination, modification, acceleration or cancellation of any obligation or to the loss of any benefit under, any of the terms or provisions of any Material Contract, Permit, loan or credit agreement or other Contract to which any Seller or Acquired Entity is party or by which any Seller or Acquired Entity is bound or to which any the Acquired Assets is subject, (iii) conflict with or violate in any material respect, any Law or Order applicable to any Seller, Acquired Entity or any of the Acquired Assets or by which any Seller, Acquired Entity or

any of the Acquired Assets may be bound or affected or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets owned by any Seller or Acquired Entity, except, in the case of clauses (ii) or (iv), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.5 Financial Statements; No Undisclosed Liabilities; Internal Controls.

(a) (i) Included in the Filed SEC Documents is CTI's Form 10K (as amended by the attached Form 10K/A), which includes the audited consolidated balance sheets of CTI and its Subsidiaries as of December 31, 2022, and the related consolidated statements of operations, comprehensive loss, changes in shareholders' equity and cash flows for the fiscal year then ended (collectively, the "Audited 2022 Financial Statements"), (ii) attached to Schedule 3.5(a) are Sellers' unaudited condensed consolidated balance sheets as of June 30, 2023 (the "Latest Balance Sheet"), and the related condensed consolidated statements of operations, comprehensive loss, shareholders' equity and cash flows for the portion of each fiscal year then ended and (iii) attached to Schedule 3.5(a) are the available standalone balance sheets, income statements, shareholders' equity and cash flows or other financial statements, as applicable, in each case, as described on, for the Acquired Entities listed on, and as of the date or the periods indicated on Schedule 3.5(a) (together with the Audited 2022 Financial Statements and the financial statements referenced in the foregoing clause (ii), the "Financial Statements"). The Financial Statements have been prepared in accordance with GAAP applied on a consistent basis during the periods involved (except as may be indicated in the notes thereto) and fairly present in all material respects the consolidated financial position of CTI and its Subsidiaries (or applicable Acquired Entity, as the case may be) as of the dates thereof and the consolidated results of their operations and cash flows for the periods shown, except for, in the case of unaudited financials, (x) the absence of footnote disclosures (none of which are materially different from those presented in the Audited 2022 Financial Statements), and (y) changes resulting from normal and recurring fiscal year end adjustment (none of which are expected to be material, individually or in the aggregate).

(b) CTI and its Subsidiaries have established and maintain disclosure controls and procedures and a system of internal controls over financial reporting (as such terms are defined in paragraphs (e) and (f), respectively, of Rule 13a-15 under the Exchange Act) as required by Rule 13a-15 under the Exchange Act, that are effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP, and includes policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of CTI and its Subsidiaries, (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of CTI and its Subsidiaries are being made only in accordance with authorizations of management and directors of CTI and its Subsidiaries (as applicable) and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of CTI and its Subsidiaries' assets that could have a material effect on its Financial Statements. CTI and its Subsidiaries' management has completed an assessment of the effectiveness of CTI and its Subsidiaries' internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act for the fiscal year ended December 31, 2022, and such assessment concluded that such internal control system was effective. Except as set forth on Schedule 3.5(b), since January 1, 2021, none of CTI, its

Subsidiaries or their independent registered public accounting firm has identified or been made aware of (A) “significant deficiencies” or “material weaknesses” (as defined by the Public Company Accounting Oversight Board) in the design or operation of CTI and its Subsidiaries’ internal controls over financial reporting which would reasonably be expected to adversely affect in any material respect CTI’s or its Subsidiaries’ ability to record, process, summarize and report financial data, in each case which has not been subsequently remediated or (B) any fraud, whether or not material, that involves management or other employees who have a significant role in CTI and its Subsidiaries’ internal control over financial reporting with respect to CTI and its Subsidiaries. CTI and its Subsidiaries do not maintain any “off-balance-sheet arrangement” within the meaning of Item 303 of Regulation S-K of the SEC.

(c) Except (i) as specifically and adequately reflected in the latest Financial Statements, (ii) as set forth in Schedule 3.5(c), (iii) for Liabilities that have arisen since the date of the Latest Balance Sheet in the Ordinary Course and are not material to CTI or any of its Subsidiaries (individually or in the aggregate), (iv) Liabilities arising under the executory portion of a Contract (excluding in each case Liabilities for breach, non-performance or default), (v) Liabilities in connection with the Bankruptcy Cases, the Transactions, or the negotiation, execution, and performance of the Transactions and (vi) Liabilities to the extent included in the computation of Closing Working Capital, CTI or its Subsidiaries do not have any Liabilities of the type required to be accrued on or reserved against in a consolidated balance sheet prepared in accordance with GAAP consistently applied.

3.6 Absence of Certain Changes or Developments. Except as set forth on Schedule 3.6 and the Bankruptcy Cases or in connection with the Transactions or the Bankruptcy Cases or preparation therefor (including debtor-in-possession financing), since the date of the Latest Balance Sheet, (a) the Sellers and their Subsidiaries have conducted their respective businesses in the Ordinary Course, (b) no Effect has occurred that has had, or would be reasonably expected to have, either individually or in the aggregate, a Material Adverse Effect and (c) there has not occurred any action that would require the consent of Purchaser pursuant to Section 6.1(b) if taken after the date of this Agreement and prior to Closing.

3.7 Legal Actions. Except as set forth on Schedule 3.7, there are no, and during the three (3) years preceding the date hereof there have been no, (a) Actions pending or threatened (in writing or, to the Knowledge of Seller, orally) to which any Seller or any of their Subsidiaries is or was a party or to which any property, rights or interests of any of them is or was subject, except as would not reasonably be expected to be material and adverse to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole, or (b) Orders imposed upon the Sellers or any of their Subsidiaries, in each case, by or before any Governmental Body. Schedule 3.7 sets forth, as of the date hereof, each Action pending against CTI or any of its Subsidiaries by or before any Governmental Body (other than the Bankruptcy Cases) that (i) seeks or reasonably could be expected to result in fines or damages of more than \$1,000,000 or relates to a criminal matter or calls for injunctive relief or other restriction that would reasonably be expected to be material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole, or (ii) challenges the validity or enforceability of this Agreement or any other Transaction Agreement or that may have the effect of preventing, delaying, making illegal or otherwise interfering with, the consummation of any of the Transactions. During the three (3) years preceding the date hereof there has been no formal written or, to the Knowledge of the Sellers, oral

allegation of sexual harassment or sexual misconduct submitted to any Seller or any of their Subsidiaries against any employee who is an executive officer, director, or management level employee in their capacities as such.

3.8 Compliance with Laws; Permits; Escheat.

(a) Except as set forth on Schedule 3.8(a)(i), each Seller and Subsidiary of a Seller is, and during the three (3) years preceding the date hereof has been, in compliance in all material respects with the requirements of all Laws applicable to it or to its properties (including the ownership and operation of the Acquired Assets). Except as set forth on Schedule 3.8(a)(ii) or as related to or as a result of the filing or pendency of the Bankruptcy Cases and the CCAA Proceeding, during the three (3) years preceding the date hereof (A) no Seller or Subsidiary of a Seller has received any written notice of, or been charged with, the material violation of any Laws, and (B) to the Knowledge of Sellers, no event has occurred or circumstance exists that (with or without notice, passage of time, or both), individually or in the aggregate, would constitute or result in a failure by any Seller or Subsidiary of a Seller to comply, in any material respect, with any applicable Law. Except as set forth on Schedule 3.8(a)(iii) as related to or as a result of the filing or pendency of the Bankruptcy Cases and the CCAA Proceeding, no investigation, review or Action by any Governmental Body in relation to any actual or alleged material violation of Law by any Seller or Subsidiary of a Seller is pending or, to the Knowledge of Sellers, threatened, nor has any Seller or Subsidiary of a Seller received any written notice from any Governmental Body indicating an intention to conduct the same.

(b) Except as set forth on Schedule 3.8(b)(i), the Sellers and their Subsidiaries possess all Permits that are necessary or required to conduct their businesses as currently conducted, and all such Permits are in full force and effect and will continue to be in full force and effect following the consummation of the Transactions, except for such Permits, the failure to have so obtained, made or delivered would not, individually or in the aggregate, reasonably be expected to be material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole. The Sellers and their Subsidiaries are not in default or violation (and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation) of any term, condition or provision of any Permit required for the operation of their businesses as presently conducted and to which they are parties, except where such default or violation would not be reasonably expected to be, individually or in the aggregate, material to any Acquired Entity or the Acquired Assets and the Assumed Liabilities, taken as a whole. Schedule 3.8(b)(ii) sets forth a true, complete and correct list of all material Permits maintained by the Sellers and their Subsidiaries that are necessary or required to conduct their businesses as currently conducted.

(c) No Action is pending or, to the Knowledge of Sellers, threatened to terminate, revoke, limit, cancel, suspend or modify any Permit or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries, and no Seller or Subsidiary of a Seller has received notice from any Governmental Body that (i) any such Permit will be revoked or not reissued on the same or similar terms, (ii) any application for any new Permit by any Seller or any of its Subsidiaries or renewal of any Permit or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries will be denied, or (iii) the Permit holder is in material violation of any Permit

or Permits that, individually or in the aggregate, are material to the operation of the business of the Sellers and their Subsidiaries.

(d) During the past three (3) years, each Seller and Subsidiary of Seller has been and is in compliance in all material respects with all applicable International Trade Laws and no Seller or Subsidiary of a Seller or, to the Knowledge of Sellers, any other Person acting on their behalf has engaged in or is currently engaged in any conduct that is prohibited under International Trade Laws. Without limiting any of the foregoing, during the past three (3) years, no Seller or Subsidiary of a Seller or any of their respective officers, directors, or employees, or, to the Knowledge of Seller, any other Person acting on their behalf has engaged in any business or dealings, directly or indirectly, involving (i) any country or territory that is or whose government is the target of comprehensive sanctions imposed by the United States, Canada, the European Union, or the United Kingdom, as of the date of this Agreement (Cuba, Iran, North Korea, Syria, Venezuela, the Crimea region, and the so-called Donetsk and Luhansk People's Republics; each a "Sanctioned Jurisdiction"); or (ii) a Person that is designated on, or that is owned or controlled by a Person that is designated on any list of sanctioned parties maintained by the United States, Canada, the United Kingdom, or the European Union, including the list of Specially Designated Nationals and Blocked Persons maintained by OFAC (any such Person a "Sanctioned Person") in violation of applicable Law.

(e) No Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, shareholders, or, to the Knowledge of Seller, other Persons acting on their behalf is (i) a Sanctioned Person; or (ii) located, organized, or resident in a Sanctioned Jurisdiction.

(f) During the past three (3) years, each Seller and Subsidiary of a Seller has been and is in compliance in all material respects with all applicable Anti-Corruption Laws, and no Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, or, to the Knowledge of Sellers, any other Person acting on their behalf has violated any Anti-Corruption Law. Without limiting the foregoing, during the past three (3) years, no Seller or Subsidiary of a Seller, or any of their respective directors, officers, employees, or, to the Knowledge of Seller, any other Person acting on their behalf has paid, offered, promised, or authorized the payment of money or anything of value, directly or indirectly, to any Government Official, any political party, or any other Person for the purpose of influencing any act or decision or to secure any improper advantage in violation of Anti-Corruption Laws.

(g) During the past three (3) years, no Seller or Subsidiary of a Seller or any of their respective directors, officers, employees, or, to the Knowledge of Sellers, any other Person acting on their behalf has received from any Governmental Body or any other Person any written notice of any violation, alleged violation, or any suspected violation of any Anti-Corruption Law or International Trade Law, or conducted any internal investigation with respect to, or made any voluntary or involuntary disclosure to a Governmental Body concerning, any actual, suspected, or alleged violation of any Anti-Corruption Law or International Trade Law.

(h) Except as set forth in Schedule 3.8(h), all material reports or other filings required to be filed by or with respect to any Acquired Asset or Assumed Liabilities, and each Acquired Entity, relating to escheat or any abandoned or unclaimed property have been timely filed in compliance with applicable Law in all material respects. Each Seller, and each Subsidiary

of any Seller have complied in all material respects with all applicable escheat or abandoned or unclaimed property Laws.

3.9 Title to Properties; Sufficiency of Tangible Assets.

(a) Owned Real Property. Schedule 3.9(a) sets forth a true, complete and correct list of all Owned Real Property. The Sellers have a valid leasehold or sublease interest in each Leased Real Property. The Sellers and their Subsidiaries have good, valid and marketable title to the Owned Real Property, subject only to Permitted Encumbrances. Schedule 3.18 sets forth a description of policies of fire and casualty, general liability, director and officer liability, and all other forms of material insurance maintained by or on behalf of the Sellers and their Subsidiaries (the “Business Insurance Policies”), including with respect to each such policy the first named insured, the policy/bond number, the insurer(s), the material limits, the deductibles and the term thereof. All such Business Insurance Policies (i) collectively provide reasonably adequate coverage against all risks customarily insured against by companies in similar lines of business as the Sellers and their Subsidiaries and (ii) are in full force and effect. All premiums past due have been paid and no outstanding notice of default, cancellation, modification or termination has been received by or on behalf of the Sellers or any of their Subsidiaries with respect to any such Business Insurance Policies (except notices in connection with scheduled renewals) and there is no existing default or event which, with the giving of notice or lapse of time or both, would constitute a default by any insured thereunder. There have been no material claims by the Sellers or any of their Subsidiaries under any such policy as to which coverage has been denied or disputed by the underwriters of such policy. Prior to the date hereof, the Sellers have made available to Purchaser true, complete and correct (a) loss-runs for the last three (3) years in respect of the Sellers and their Subsidiaries, including the remaining deductible and retention amounts and coverage limits, under the Business Insurance Policies and (b) copies of the Business Insurance Policies.

3.19 Transactions with Related Parties. Except for any other Contract entered into by the Seller Parties in connection with the Bankruptcy Cases, in connection with employee compensation or employee arrangements in the Ordinary Course (including participation in Employee Benefit Plans) or as set forth in Schedule 3.19, there are no Contracts, ongoing transactions or business relationships involving payments, Liabilities, or assets, in each case, having value in excess of \$120,000, between a Seller or any of its Subsidiaries, on the one hand, and any current or former executive officer, director, employee or Affiliate of a Seller or any of its Subsidiaries, or any member of the immediate family of any such officer, director, employee or Affiliate, on the other hand.

3.20 Brokers. Except for Guggenheim Securities, LLC (“Guggenheim Securities”) or as set forth on Schedule 3.20, the fees and expenses of which will be borne solely by the Sellers, no broker, finder, investment banker, financial advisor or other Person is entitled to any broker’s, finder’s, financial advisor’s or other similar fee or commission, or the reimbursement of expenses in connection therewith, in connection with the Transactions based upon arrangements made by or on behalf of a Seller or any of its Subsidiaries.

3.21 Letters of Credit, Surety Bonds. Schedule 3.21 sets forth a true, complete and correct list of all letters of credit, surety bonds, and similar obligations of the Sellers and their Subsidiaries. As of the date hereof, no draw or request for payment or reimbursement has been made with respect to any letter of credit, surety bond, or similar obligation.

3.22 Critical Technologies. No Acquired Entity produces, designs, tests, manufactures, fabricates, or develops any critical technologies as that term is defined in 31 C.F.R. § 800.215.

3.23 No Other Representations or Warranties. Except for the representations and warranties expressly contained in this Article III (as qualified by the Schedules and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) or in the certificate delivered pursuant to Section 2.4(l) (the “Express Representations”) (it being understood that Purchaser has relied only on such Express Representations and warranties), Purchaser acknowledges and agrees that no Seller nor any other Person on behalf of any Seller makes, and neither Purchaser has relied on, is relying on, or will rely on the accuracy or completeness of any express or implied representation or warranty with respect to any Seller, any Subsidiary of a Seller, the Acquired Assets, or the Assumed Liabilities or with respect to any information, statements, disclosures, documents, Projections, forecasts or other material of any nature made available or provided by any Person (including in any presentations or other materials prepared by Guggenheim Securities or AlixPartners) (the “Information Presentation”) or in that certain “Project Cadillac” datasite administered by Venue (the “Dataroom”) or elsewhere to Purchaser or any of its Affiliates or Advisors on behalf of Sellers or any of their Affiliates or Advisors. Without limiting the foregoing, no Seller nor any of its Advisors or any other Person will have or be subject to any Liability whatsoever to Purchaser, or any other Person, resulting from the distribution to Purchaser or any of its Affiliates or Advisors, or Purchaser’s or any of its Affiliates’ or Advisors’ use of or reliance on, any such information, including the Information Presentation, the Projections, any information, statements, disclosures, documents, Projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom or otherwise in expectation of the Transactions or any discussions with respect to any of the foregoing information. Notwithstanding the foregoing, nothing in this Agreement shall limit any claim for Fraud.

3.24 No Outside Reliance. Notwithstanding anything contained in this Article III or any other provision of this Agreement to the contrary, each of the Sellers acknowledges and agrees, on its own behalf and on behalf of its Subsidiaries, that the representations and warranties expressly contained in Article IV (as qualified in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) or in the officer’s certificate delivered by Purchaser pursuant to Section 2.5(k) are the sole and exclusive representations, warranties and statements of any kind made to the Sellers and on which the Sellers may rely in connection with the Transactions.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser represents and warrants to Sellers as follows.

4.1 Organization and Qualification. Purchaser is an entity duly formed or organized (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its formation or organization (as applicable) and has all requisite organizational power and authority necessary to own or lease its assets and properties and to operate its business as it is now being conducted, except (other than with respect to Purchaser’s due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have a material adverse

effect on Purchaser's ability to consummate the Transactions. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) under the Laws of each jurisdiction in which the nature of its business or the character or location of the properties owned or leased by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on Purchaser's ability to consummate the Transactions.

4.2 Authorization of Agreement. Purchaser has all necessary organizational power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery and performance by Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals and CCAA Orders being granted (each as described in this Agreement), this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Assuming that (i) the Confirmation Order, and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained (each as described in this Agreement), (ii) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 4.3(a) are made, given or obtained (as applicable), (iii) the requirements of the HSR Act are complied with, and (iv) any filings required by any applicable federal or state securities or "blue sky" Laws are made, the execution and delivery by Purchaser of this Agreement, the consummation by Purchaser of the Transactions, and the performance and compliance by Purchaser with any of the terms or provisions hereof, do not and will not (A) conflict with or violate any provision of Purchaser's Organizational Documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to materially affect the ability of the Purchaser to consummate the Transactions.

(b) Except as set forth on Schedule 4.3(a), Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, Permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except (i) any filings

required to be made under the HSR Act, (ii) such filings as may be required by any applicable federal or state securities or “blue sky” Laws, or (iii) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing.

(a) As of the date of this Agreement, Purchaser has received and accepted, and delivered to CTI a true, complete and correct copy of, an executed equity commitment letter dated as of the date hereof, among Purchaser and the other respective parties thereto (the “Investors”) (together with all annexes, schedules and exhibits thereto, the “Equity Commitment Letter”) relating to the commitment to provide Purchaser the amount of equity financing set forth therein (the “Equity Financing”).

(b) As of the date of this Agreement, except as set forth in the Equity Commitment Letter, there are no conditions precedent to the obligations of the Investors to provide the Equity Financing or any contingencies that would permit the Investors to reduce the total amount of the Equity Financing below the Required Amount (as defined below). Subject to the satisfaction of the conditions set forth in Sections 7.1 and 7.2, as of the date of this Agreement, Purchaser does not have any reason to believe that it will be unable to satisfy on a timely basis any term or condition to Closing to be satisfied by it in the Equity Commitment Letter or that sufficient funds in an aggregate amount necessary to pay the Required Amount will not be made available to Purchaser, on the Closing Date.

(c) As of the date of this Agreement, the Equity Financing, to the extent funded in accordance with the Equity Commitment Letter, shall provide Purchaser with immediately available cash on the Closing Date, sufficient to pay the Closing Date Payment, and all related expenses required to be paid by Purchaser hereunder (the Closing Date Payment, and all such related expenses, the “Required Amount”).

(d) As of the date of this Agreement, the Equity Commitment Letter is the legal, valid, binding and enforceable obligation of Purchaser and, each other party thereto, subject in each case to the Enforceability Exceptions, and is in full force and effect. As of the date of this Agreement, no event has occurred that, with or without notice, lapse of time, or both, would reasonably be expected to constitute a material default or breach or failure to satisfy a condition precedent on the part of Purchaser under the terms and conditions of such Equity Commitment Letter. As of the date of this Agreement, the Equity Commitment Letter has not been withdrawn, rescinded or terminated or otherwise amended or modified in any respect that would be material and adverse to the Sellers, and no such amendment or modification is contemplated. As of the date of this Agreement, no counterparty to the Equity Commitment Letter has notified Purchaser of its intention to terminate the Equity Commitment Letter or not to provide such Equity Financing.

(e) Purchaser expressly acknowledges and agrees that the receipt or availability of any funds or financing (including, for the avoidance of doubt, the Equity Financing) by Purchaser is not a condition to Closing or any of Purchaser’s obligations hereunder.

4.5 Security Law Matters. Purchaser is acquiring the capital stock or other Equity Interests of the Acquired Entities for its own account with the present intention of holding such securities for investment purposes and not with a view to, or for sale in connection with, any distribution of such securities in violation of any federal or state securities Laws. Purchaser is an “accredited investor” as that term is defined in Regulation D promulgated under the Securities Act.

4.6 Brokers. Except for Moelis & Company LLC, all of whose fees and expenses will be borne solely by Purchaser, there is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that is entitled to any fee or commission in connection with the Transactions.

4.7 No Litigation. There are no Actions pending or, to Purchaser’s knowledge, threatened against or affecting Purchaser that will or would be reasonably likely to materially and adversely affect Purchaser’s performance of its obligations under this Agreement or the consummation of the Transactions.

4.8 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, any member of the management of Seller or its board of directors (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender of Seller or any Affiliate of Seller (and expressly excluding any landlords under Leases), in each case, in its capacity as such, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any such transactions.

4.9 Solvency. Assuming that the representations and warranties of the Sellers contained in this Agreement are true and correct in all respects as of the Closing and Sellers comply with all of their covenants and agreements hereunder, Purchaser is, and immediately after giving effect to the Closing, Purchaser and the Acquired Entities, taken as a whole, will be, solvent and will: (a) be able to pay their debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay their debt (including a reasonable estimate of the amount of all contingent Liabilities) and (c) have adequate capital to carry on their business. No transfer of property is being made and no obligation is being incurred in connection with the Transactions with the intent to hinder, delay or defraud either present or future creditors of Purchaser or any of the Acquired Entities. In connection with the Transactions, Purchaser has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

4.10 Investigation. Purchaser acknowledges, covenants and agrees that it is relying on its own independent investigation and analysis in entering into this Agreement and consummating the Transactions. Purchaser is knowledgeable about the industries in which the Acquired Entities operate and is capable of evaluating the merits and risks of the Transactions and is able to bear the substantial economic risk of such investment for an indefinite period of time. Subject to Section 6.2, Purchaser has been afforded access to the books and records, facilities and personnel of the Acquired Entities for purposes of conducting a due diligence investigation and has conducted a due diligence investigation of the Acquired Entities. Notwithstanding the foregoing, nothing in this Agreement shall limit any claim for Fraud.

ARTICLE V BANKRUPTCY COURT MATTERS

5.1 Bankruptcy Actions.

(a) Sellers shall schedule a hearing on November 16, 2023, at 2:00 p.m., prevailing Eastern Time or such other date as may be scheduled by the Bankruptcy Court and mutually agreed to in writing by Sellers and Purchaser (email being sufficient) to obtain entry of the Confirmation Order.

(b) From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Sellers shall use commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Confirmation Order, including filing the Confirmation Brief.

(c) Sellers shall use reasonable best efforts to: (i) facilitate the solicitation, confirmation, and consummation of the Plan and the transactions contemplated hereby, (ii) obtain entry of the Confirmation Order, and (iii) consummate the Plan.

(d) Purchaser shall take such actions as are reasonably requested by Seller to assist in obtaining the Bankruptcy Court's entry of Confirmation Order and any other Order that Purchaser reasonably determines is necessary in connection with the Transactions, including furnishing affidavits, financial information, or other documents or information for filing with the Bankruptcy Court for the purposes of, among other things, providing necessary assurances of performance by Purchaser under this Agreement, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing; provided, however, that nothing in this Agreement shall require either Purchaser or its Affiliates to give testimony to or submit any pleading, affidavit or information to the Bankruptcy Court, the CCAA Court, or any Person that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court, the CCAA Court or its stakeholders.

(e) The Foreign Representative and Canadian Sellers shall promptly file with the CCAA Court an application in the CCAA Proceeding seeking the granting of the CCAA Orders within five (5) Business Days following approval of the Confirmation Order by the Bankruptcy Court.

(f) Each Party shall (i) appear formally or informally in the Bankruptcy Court if reasonably requested by the other Party or required by the Bankruptcy Court in connection with the Transactions and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement, including, upon reasonable request, promptly furnishing the other with copies of notices or other communications received by a Seller from the Bankruptcy Court with respect to the Transactions.

(g) Sellers shall not voluntarily pursue or seek, or fail to use commercially reasonable efforts to oppose any third party in pursuing or seeking, a conversion of the Bankruptcy Cases to cases under Chapter 7 of the Bankruptcy Code, the appointment of a trustee under Chapter 11 or Chapter 7 of the Bankruptcy Code or the appointment of an examiner with expanded powers.

(h) Sellers shall cooperate with Purchaser concerning the Confirmation Order and any other Orders (whether of the Bankruptcy Court, CCAA Court or otherwise) relating to the Transactions and the bankruptcy or other insolvency proceedings in connection therewith. Sellers shall provide draft copies to Purchaser of all applications, pleadings, notices, proposed Orders and other documents (including the Confirmation Brief, Sale Election Notice and the Stalking Horse Notice) relating to this Agreement or the Transactions no less than three (3) days, or as soon as reasonably practicable thereafter, prior to the proposed filing date so as to permit Purchaser sufficient time to review and comment on such drafts, and with respect to all provisions of the foregoing that relate to the Purchaser, this Agreement or the Transactions, such applications, pleadings, notices and proposed Orders shall be in form and substance reasonably acceptable to Purchaser.

(i) Promptly upon execution of this Agreement but in any event, not later than the Sale Transaction Notice Deadline (as provided in the Disclosure Statement Order), the Sellers shall prepare and file a notice electing to pursue a Sale Transaction (the “Sale Election Notice”) in accordance with the provisions of the Order approving the Disclosure Statement [Docket No. 551] (as may be amended from time to time, the “Disclosure Statement Order”).

(j) Promptly upon execution of this Agreement but in any event, not more than two (2) Business Days thereafter, the Sellers shall prepare and file a notice and proposed form of order designating Purchaser as the Stalking Horse Bidder (as such term is defined in the Bidding Procedures Order) (together, the “Stalking Horse Notice”) in accordance with the Bidding Procedures Order, and which shall disclose the Expense Reimbursement and Breakup Fee.

(k) Promptly upon execution of this Agreement but in any event, not more than three (3) Business Days thereafter, the Sellers shall prepare and file (i) an amended Plan, in form and substance acceptable to the Purchaser (with respect to provisions that relate to or affect Purchaser, this Agreement, or the Transactions), incorporating the Transactions and the provisions necessary in the Plan to authorize and consummate the Transactions under the Plan, (ii) such amended notice and solicitation materials as the Sellers deem necessary, in consultation with Purchaser, to provide adequate notice to holders of claims against and interests in the Sellers or the Debtors’ estates.

(l) Not later than the Confirmation Brief and Confirmation Objection Reply Deadline (as provided in the Disclosure Statement Order), the Sellers shall file a memorandum seeking confirmation of and providing legal support for entry of the Confirmation Order and confirmation of the Plan (a “Confirmation Brief”).

(m) The Sellers agree that the Confirmation Order, Sale Election Notice and Stalking Horse Notice shall be in form and substance satisfactory to the Purchaser with respect to all provisions of the foregoing that relate to or affect Purchaser, this Agreement, or the Transactions, including any amendments thereto, whether before or after such documents and pleadings have been filed with or approved by the Bankruptcy Court.

(n) The Sellers agree that, as of the Sale Transaction Notice Deadline, the Auction has been closed, and the Sellers shall not solicit bids or alternative restructuring proposals, or ask the Bankruptcy Court to consider any such bids or alternative restructuring proposals.

5.2 Cure Costs. Subject to entry of the Confirmation Order and the effectiveness of the Plan, the Sellers shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of sections 365 and 1123(b)(2) of the Bankruptcy Code and this Agreement. Sellers shall file such motions or pleadings, and provide such notices, as may be appropriate or necessary to assume and assign the Assigned Contracts and to determine the amount of any Cure Costs.

5.3 Approval. Sellers' obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Confirmation Order) and CCAA Court (including granting of the CCAA Orders). Nothing in this Agreement shall require Sellers or their respective Affiliates to give testimony to or submit a motion to the Bankruptcy Court that is untruthful.

5.4 Avoidance Actions. The Plan shall provide that all Avoidance Actions shall be cancelled and extinguished on the Effective Date of the Plan and no Seller or any Affiliates thereof shall pursue or bring any claim or Action with respect to any Avoidance Action.

ARTICLE VI COVENANTS AND AGREEMENTS

6.1 Conduct of the Business of Sellers.

(a) Except as (i) required by applicable Law, Order, or a Governmental Body, (ii) required or restricted by the terms of the DIP Facility (as defined in the Final DIP Order), (iii) expressly required by this Agreement, or (iv) set forth in Schedule 6.1(a), during the period from the date of this Agreement until the Closing Date or the earlier termination of this Agreement in accordance with Article VIII, each Seller shall, and shall cause each of its Subsidiaries to, (A) conduct its business in the Ordinary Course and (Y) use their respective commercially reasonable efforts to (1) preserve intact the present business operations, organization and goodwill of its business, (2) preserve and maintain satisfactory relationships with material licensors, licensees, contractors, distributors, consultants, vendors, suppliers and others having business relationships with the Sellers or any of their Subsidiaries in connection with the operation of its business, (3) keep available the services of its officers and employees in the Ordinary Course, (4) pay all of its undisputed post-petition obligations in the Ordinary Course and (5) continue to operate its business and Acquired Assets in all material respects in compliance with all Laws applicable to such business, the Sellers and their respective Subsidiaries.

included in the nature and scope of the Fundamental Representations, each of which shall be in the sole discretion of Purchaser):

(i) (A) issue, sell, encumber or grant any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, or any securities or rights convertible into, exchangeable or exercisable for, or evidencing the right to subscribe for any shares of such capital stock or other equity or voting interests, or any rights, warrants or options to purchase any shares of such capital stock or other equity or voting interests; (B) redeem, purchase or otherwise acquire any of the outstanding shares of capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, or any rights, warrants or options to acquire any shares of such capital stock or other equity or voting interests, except in connection with any actions required by Section 6.20, (C) establish a record date for, declare, set aside for payment or pay any dividend on, or make any other distribution in respect of, any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries, except in connection with any actions required by Section 6.20, or (D) split, combine, subdivide or reclassify any shares of the capital stock or other equity or voting interests of a Seller or any of its Subsidiaries;

Contract that would be a Material Contract if in existence on the date hereof, except for in the Ordinary Course upon substantially the same terms as similar Material Contracts; or (C) enter into any Contract that includes a change of control, anti-assignment or similar provision that would require a Consent from, a material payment to or would give rise to any material rights (including termination rights) of the other party or parties thereto in connection with the consummation of the Transactions or any future change of control, in each case, including with respect to any Excluded Data Center Contracts;

(vi) sell, lease, mortgage, pledge, grant any Encumbrance (other than Permitted Encumbrances and Encumbrances to be removed by operation of the Confirmation Order) on or otherwise encumber or dispose of any of its properties or assets (including the Acquired Assets), other than (A) to secure Indebtedness and other obligations in existence at the date of this Agreement (and required to be so secured by their terms) or permitted under Section 6.1(b)(vii); provided, further, that any such Encumbrance will be extinguished by the Sellers in connection with the Closing; or (B) to a Seller or to a wholly owned Subsidiary of a Seller; provided that any such Encumbrance will be extinguished by the Sellers as of the Closing or transferred to the benefit of Purchaser;

(vii) (A) issue, incur, assume or otherwise become liable for (i) any indebtedness for borrowed money, (ii) any notes, mortgages, bonds, debentures or other debt securities or warrants or other rights to acquire any notes, mortgages, bonds, debentures or other debt securities of a Seller or any of its Subsidiaries, (iii) any amounts owing as deferred purchase price for property or services, including any capital leases, seller notes and “earn out” payments, or other contingent payment obligations, (iv) any guarantee of any of the foregoing obligations of another Person, or any “keep well” or other agreement to maintain any financial statement condition of another Person, (v) obligations under any letters of credit, surety bonds, bank guarantees, security or performance bonds or similar credit support instruments, overdraft facilities or cash management programs, and (vi) any interest rate swap, forward Contract, currency or other hedging arrangements, to the extent payable if terminated (collectively, “Indebtedness”), except (1) Indebtedness that will constitute Excluded Liabilities, and (2) letters of credit, surety bonds, bank guarantees, security or performance bonds or similar credit support instruments, overdraft facilities or cash management programs, in each case issued, made or entered into in the Ordinary Course, (B) enter into any swap or hedging transaction or other derivative agreements other than in the Ordinary Course or (C) make any loans, capital contributions or advances to, or investments in, any Person other than the advancement of expenses to employees in the Ordinary Course in accordance with existing policies of a Seller or its Subsidiaries;

(ix) waive, release, assign, pay, discharge, settle, satisfy or compromise any Action (including any pending or threatened Action) against a Seller or any of its Subsidiaries that would result in an Assumed Liability or any material restriction, or other material obligation, on the conduct of the business of a Seller and its Subsidiaries, from and after the Closing, or commence any such Action;

(x) make any material changes in financial accounting methods, principles or practices materially affecting the consolidated assets, Liabilities or results of operations of the Sellers and their Subsidiaries, except insofar as may be required (A) by GAAP (or any interpretation thereof), (B) by any applicable Law, including Regulation S-X under the Securities Act, or (C) by any Governmental Body or quasi-Governmental Body (including the Financial Accounting Standards Board or any similar organization);

(xi) amend a Seller’s articles of incorporation or bylaws (or comparable Organizational Documents) or amend the Organizational Documents of any Subsidiary of a Seller;

(xii) sell, license, sublicense, abandon or permit to lapse, transfer or dispose of, create or incur any Encumbrance (other than any Permitted Encumbrance) on, or otherwise fail to take any action necessary to maintain, enforce or protect any Owned Intellectual Property (except for non-exclusive licenses granted in the Ordinary Course);

(xiii) amend in any material respect, cancel or terminate any material insurance policy naming a Seller or a Subsidiary of a Seller as an insured, a beneficiary or a loss payable payee without obtaining comparable substitute insurance coverage;

(xiv) (A) make, revoke or change any method of Tax accounting or material Tax election, (B) file any amended Tax Return with respect to material amounts of Taxes, (C) enter into any closing agreement with respect to Taxes or settle or compromise any Tax claim or assessment, (D) consent to any extension or waiver of the limitation period with respect to Taxes, or (E) initiate any voluntary Tax disclosure or request any Tax ruling, in each case, relating to, or otherwise affecting, any Acquired Entity, Acquired Asset, or Assumed Liability to the extent such action would reasonably be expected to have a non-*de-minimis* and adverse effect on Purchaser and its Affiliates (including, after the Closing, Acquired Entities);

(xv) transfer any (A) Liabilities or assets to any Acquired Entity or (B) Liabilities that would become Assumed Liabilities or assets out of an Acquired Entity, in either case, outside of the Ordinary Course;

(xvi) enter into a Contract with an Affiliate other than on arm’s length terms;

(xviii) authorize, or commit or agree, in writing or otherwise, to take, any of the foregoing actions.

(c) For the avoidance of doubt, nothing contained in this Agreement shall be construed to give to Purchaser, directly or indirectly, rights to control or direct the operations of Sellers prior to the Closing, and nothing contained in this Agreement is intended to give a Seller, directly or indirectly, the right to control or direct Purchaser's or its Affiliates' operations.

6.2 Access to Information.

(a) From the date hereof until the Closing, Sellers will provide Purchaser (and its Designee) and its authorized Advisors and the Debt Financing Sources with reasonable access and upon reasonable advance notice and during regular business hours to the facilities, books and records, documents data, files, properties, personnel, and Advisors of Sellers and their Subsidiaries in order for Purchaser (and its Designee) and its authorized Advisors and the Debt Financing Sources to access such information regarding the Acquired Assets and Assumed Liabilities as is reasonably necessary in order to consummate the Transactions and to assess any amounts that are or may become payable in connection therewith; provided that (i) such access does not unreasonably interfere with the normal operations of Sellers or any of their Subsidiaries, (ii) such access will occur in such a manner as Sellers reasonably determines to be appropriate to protect the confidentiality of the Transactions and such books and records, (iii) all requests for access will be directed to Guggenheim Securities or such other Person(s) as Sellers may designate in writing from time to time, (iv) nothing herein will require Sellers or any of their Subsidiaries to provide access to, or to disclose any information to, Purchaser or any other Person if such access or disclosure (A) would reasonably cause significant competitive harm to Sellers or any of their Subsidiaries if the Transactions are not consummated, (B) would waive any legal privilege or (C) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any Contract to which Sellers or any Acquired Entity is bound or would violate any fiduciary duty; provided that, in the case of this clause (iv), the Sellers and their respective Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in material competitive harm, the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser (or its Designee) or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand, and (v) nothing herein will permit Purchaser (or its Designee) or its authorized Advisors to conduct any sampling or testing of environmental media or any other invasive investigation or assessment at any Leased Real Property or Owned Real Property of Sellers or the Acquired Entities, including of the type commonly known as a Phase II environmental site assessment; provided, however, that notwithstanding the foregoing, in the event any additional sampling or testing of environmental media or any other invasive investigation or assessment at any Leased Real Property or Owned Real Property of Sellers or the Acquired Entities is required by the Purchaser's Debt Financing

Sources providing the Debt Financing with respect to such Leased Real Property or Owned Real Property in connection with the Debt Financing, then the Sellers will not withhold, condition or delay consent in response to a written request of Purchaser in connection therewith.

(b) The information provided pursuant to this Section 6.2 will be governed by all the terms and conditions of the Confidentiality Agreement, which Confidentiality Agreement shall survive the execution of this Agreement notwithstanding anything to the contrary therein. Purchaser will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to Purchaser or any of its Advisors. Seller makes no representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and none of Purchaser or its Advisors may rely on the accuracy of any such information.

(c) From and after the Closing for a period of three (3) years following the Closing Date, Purchaser will provide Sellers and their Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda and other documents (for the purpose of examining and copying) relating to the Acquired Assets, the Acquired Entities, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities, in each case to the extent in Purchaser's possession or control, with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser (including for the purpose of better understanding the books and records), as may be reasonably requested by a Seller in connection with the Bankruptcy Cases, the wind-down and liquidation of Sellers, the winddown, transfer or disposition of any Excluded Assets, and any other bona fide legal compliance, accounting or Tax purpose; provided that nothing herein will require Purchaser to provide access to, or to disclose any information to, Sellers if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any agreement to which Purchaser or any of its Subsidiaries or Affiliates is bound or would violate any fiduciary duty; provided that Purchaser and its Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in material competitive harm, the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand. Unless otherwise consented to in writing by Sellers, Purchaser will use commercially reasonable efforts, for a period of three years following the Closing Date, to not destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to Sellers such books and records or any portion thereof that Purchaser may intend to destroy, alter or dispose of. From and after the Closing, Purchaser will, and will cause its employees to, provide Sellers with reasonable assistance, support and cooperation with Sellers' wind-down and related activities (*e.g.*, helping to locate documents or information related to and assisting in preparation of Tax Returns or prosecution or processing of insurance/benefit claims or reconciliation of claims in the Bankruptcy Case) consistent with such employees responsibilities prior to the Closing.

(d) Except as otherwise permitted hereunder, Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier lessee, lessor, lender, licensee, licensor, distributor or noteholder of any Seller prior to the Closing with respect to any Seller, any of its Subsidiaries, any of their respective businesses or the Transactions, in each case, without the prior written consent of Sellers for each such consent with such consent not to be unreasonably withheld, conditioned or delayed; provided that Purchaser and Purchaser Group may, without such consent, (i) contact any landlords to negotiate the amendment, assignment or termination of any Lease, the purchase, directly or indirectly, of any real property leased pursuant to any Leases, or the financeability of such real property interests, (ii) contact officers, managers, directors and employees of any Seller or its Subsidiaries to discuss compensation, benefits and arrangements in order to facilitate a smooth transition and integration of such Persons post-Closing and (iii) contact any customer, supplier, distributor or other commercial relation of any Seller or its Subsidiaries in connection with any matter contemplated by Section 1.5, Section 6.18 or Section 6.19; provided that, in the case of each of the foregoing clauses (ii) and (iii), Purchaser shall provide CTI with reasonable prior written notice thereof and reasonably coordinate the foregoing with Sellers. The Parties shall also reasonably cooperate to make employees available for the matters contemplated by Section 6.3. In furtherance of the foregoing, Sellers shall assist Purchaser (or its Designee) in facilitating conversations with any officer, manager, director, employee, customer, supplier lessee, lessor, lender, licensee, licensor, distributor or noteholder of any Seller, in each case reasonably requested by Purchaser (or its Designee), prior to the Closing in accordance with this Section 6.2(d).

(e) From and after the Closing for a period of three (3) years following the Closing Date (or, if earlier, the closing of the Bankruptcy Case), Sellers will provide Purchaser (and its Designee) and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, and other documents relating to Sellers or their Subsidiaries (other than the Documents), in each case, to the extent in Seller's possession or control (for the purpose of examining and copying) relating to the Acquired Assets or the Assumed Liabilities with respect to periods or occurrences prior to the Closing Date as may be reasonably requested by Purchaser (or its Designee) in connection with a bona fide legal compliance, accounting or Tax purpose; provided that nothing herein will require Sellers to provide access to, or to disclose any information to, Purchaser (or its Designee) if such access or disclosure (A) would waive any legal privilege or (B) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any agreement to which any Seller is bound or would violate any fiduciary duty; provided that Sellers and their Subsidiaries will use commercially reasonable efforts to provide a reasonable alternative means of accessing any such information in a manner that would not result in the waiver of any legal privilege or violation of applicable Laws, the provisions of any agreement or any fiduciary duty; provided, further, that no such access shall be required in connection with an adversarial proceeding between Purchaser (or its Designee) or any of its Affiliates, on the one hand, and any Seller or any of its Affiliates, on the other hand. Unless otherwise consented to in writing by Purchaser, Sellers will not, for a period of three (3) years following the Closing Date (or, if earlier, the closing of the Bankruptcy Case), destroy, alter or otherwise dispose of any of such books and records without first offering to surrender to the Purchaser such books and records or any portion thereof that Sellers may intend to destroy, alter or dispose of.

(f) Neither of Section 6.2(c) or Section 6.2(e) shall apply with respect to Tax matters, which are the subject of Section 9.3.

6.3 Employee Matters.

(a) At least ten (10) Business Days prior to Closing, Purchaser shall extend to each Business Employee employed by Sellers a written offer of employment reviewed by Sellers, and which Sellers have had an opportunity to comment on, providing for a position that is the same or substantially similar to such employee's position immediately prior to the Closing (including, primary location of employment) and on the terms set forth in this Section 6.3 (or, in the case of any Business Employee employed by Sellers that is a party to an Acquired Seller Plan that is an existing employment agreement, including assumption of such employment agreement (provided any such employment agreements are set forth and identified on Schedule 6.3(a))) ("Transfer Offer") and that, if accepted, shall become effective immediately after the Closing. Business Employees who accept such Transfer Offers and begin employment with Purchaser, and Business Employees employed by the Acquired Entities as of the Closing Date, shall be collectively referred to herein as "Transferred Employees." Purchaser shall notify Sellers in a reasonable timeframe (but in any event within ten (10) Business Days of receiving a response from the applicable Business Employee and no later than one (1) Business Day prior to the Closing) with respect to whether each such Transfer Offer has been accepted or rejected. Nothing herein shall be construed as a representation or guarantee by any Seller or any of their respective Affiliates that any or all Business Employees employed by Sellers will accept the Transfer Offer, or that any Transferred Employee will continue in employment with Purchaser following the Closing for any period of time. Effective as of the Closing, each Transferred Employee previously employed by Sellers (other than the Acquired Entities) shall cease to be an employee of Sellers.

(b) For a period of one (1) year from and after the Closing Date, Purchaser shall provide each Transferred Employee, or cause each Transferred Employee to be provided, with, and each Transfer Offer shall include,: (i) a base compensation or wage rate, as applicable, that is no less than that provided to such Transferred Employee as of immediately prior to the Closing; (ii) short-term cash incentive opportunities that are substantially comparable in the aggregate in target dollar value to those provided to such Transferred Employee as of immediately prior to the Closing; and (iii) other employee benefits (excluding severance, change of control, key employee incentive, key employee retention, other retention or one-time bonus and equity-based incentive plans or arrangements) that are substantially comparable in the aggregate in dollar value to those provided to such Transferred Employees as of immediately prior to the Closing. For purposes of eligibility, vesting and determining level of benefits under the benefit plans and programs maintained by Purchaser or any of its Affiliates after the Closing Date (the "Purchaser Plans"), subject to the terms of any applicable Contracts and any required third-party consents, each Transferred Employee shall be credited with his or her years of service with Sellers (and any predecessor thereto) before the Closing Date, except to the extent such credit would result in a duplication of benefits. Prior to the Closing Date, the Sellers shall make available to Purchaser all data in Sellers' possession that is reasonably requested by Purchaser as necessary to administer each Acquired Seller Plan and, upon reasonable request from Purchaser, Seller shall request from Seller's agent any such information so requested by Purchaser that is not in Seller's possession.

(c) (i) Purchaser shall use commercially reasonable efforts to cause each Transferred Employee to be immediately eligible to participate, without any waiting time, in the Purchaser Plans; (ii) for purposes of each Purchaser Plan providing health or welfare benefits, Purchaser shall cause all pre-existing condition exclusions and actively-at-work requirements of such Purchaser Plan to be waived for such Transferred Employee and his or her covered dependents (unless such exclusions or requirements were not waived under comparable Employee Benefit Plans); and (iii) Purchaser shall cause any co-payments, deductible and other eligible expenses incurred by such Transferred Employee or his or her covered dependents during the plan year in which the Closing Date occurs to be credited for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Transferred Employee and his or her covered dependents for the applicable plan year of each comparable Purchaser Plan.

(d) Purchaser shall assume, honor and be solely responsible for paying, providing and satisfying when due in accordance with the terms of any applicable Acquired Seller Plan, each of the following: (i) all accrued and unused vacation, personal days, sick pay and other paid time off for Transferred Employees earned but unused as of the Closing Date; (ii) all accrued and unpaid cash key employee retention incentive obligations as of the Closing Date; and (iii) all vacation, personal days, sick pay and other paid time off, benefits and benefit claims, severance and termination pay, notice, and benefits (including any employer Taxes related thereto), in each case of this clause (iii), accruing, incurred or arising as a result of employment or separation from employment with Purchaser on or after the Closing Date with respect to Transferred Employees.

(e) For the avoidance of doubt, (i) except as expressly provided under Section 6.3 of this Agreement, included in the definition of Working Capital, or in connection with an Acquired Seller Plan, all obligations, Liabilities relating to the employment with, termination of employment with, application for employment with or any other employment or labor-related Liabilities with respect to current and former employees of any of the Acquired Entities prior to the Closing shall be deemed an Excluded Liability and Seller shall be solely responsible for paying, providing and satisfying any such Liabilities, and that (ii) Purchaser shall be solely responsible for those Liabilities (excluding those identified in Section 1.4(d) of this Agreement) in respect of claims made by any Transferred Employee (or any other individual claiming that he or she is or should be a Transferred Employee) for severance or other termination benefits under any Acquired Seller Plan or applicable Law (including claims for wrongful dismissal, notice of termination of employment, pay in lieu of notice or breach of Contract) arising out of, relating to or in connection with any failure to offer employment to (or the terms of such offer), or to continue the employment of, any such Transferred Employee (or other individual claiming that he or she is or should be a Transferred Employee) or other failure to comply with the terms of this Agreement.

(f) Purchaser will, or will cause its Affiliates to, provide any required notice under the Worker Adjustment and Retraining Notification Act of 1988 or any similar Laws (“WARN Act”) and to otherwise comply with the WARN Act with respect to any “plant closing” or “mass layoff” or group termination or similar event under the WARN Act affecting Business Employees or Transferred Employees (including as a result of the consummation of Transactions) and occurring on and after the Closing. Purchaser will not, and will cause its Affiliates not to, take any action on or after the Closing Date that would cause any termination of employment of any employees by Sellers or their Affiliates occurring prior to or at the Closing to constitute a “plant closing,” “mass layoff” or group termination or similar event under the WARN Act, or to create

any Liability or penalty to Sellers or any of their Affiliates for any employment terminations under applicable Law; provided that Purchaser and Seller shall cooperate in good faith in order to ensure compliance with the WARN Act and upon written request of the Purchaser, Seller shall send WARN notices to employees and any other Persons.

(g) Purchaser shall be solely responsible for any and all obligations and Liabilities arising under Section 4980B of the Tax Code with respect to all “M&A qualified beneficiaries” as defined in 26 C.F.R. § 54.4980B-9.

(h) For any Transferred Employees who are principally based outside the United States, the Parties will comply with applicable Law and the intention of the Parties is that the provisions of this Section 6.3 shall not trigger any severance, separation pay, notice or pay in lieu thereof or similar termination indemnities.

(i) Sellers shall timely provide to Purchaser all information required to be provided by the predecessor under Section 5 of the Revenue Procedure 2004-53 and any other information reasonably required by Purchaser in connection with its reporting obligations thereunder and, provided such information is timely provided, Purchaser shall adopt the “alternate procedure” for preparing and filing IRS Forms W-2 (Wage and Tax Statements), as described in Section 5 of Revenue Procedure 2004-53.

(j) With respect to any Acquired Seller Plan that is intended to be qualified under Section 401(a) of the Tax Code, Purchaser shall contribute to such plan any unpaid employer matching contribution amounts for the 2023 plan year based on the employer matching formula in effect as of the date hereof.

(k) The provisions of this Section 6.3 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Sellers or Transferred Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.3 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any Employee Benefit Plan or any other benefit or compensation plan, program, policy, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.3, alter or limit Purchaser’s or Sellers’ ability to amend, modify or terminate any particular benefit or compensation plan, program, policy, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

6.4 Regulatory Approvals.

(a) Subject to Section 6.5, each Seller will, and will cause its Subsidiaries to, (i) make or cause to be made all filings and submissions required to be made by Seller under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings required to be made by the Purchaser Group pursuant to

Section 6.4(b), and (iii)(A) supply promptly any additional information and documentary material that may be requested in connection with the filings made pursuant to this Section 6.4(a) or Section 6.4(b) and (B) use reasonable best efforts to take all actions necessary to obtain all required clearances in connection with such filings.

(c) This Section 6.4 shall not apply to efforts related to Antitrust Laws, which shall be governed by the obligations set forth in Section 6.5 below.

6.5 Antitrust Notification.

(a) To the extent required, each Seller and Purchaser (and their respective Affiliates, if applicable) will, (i) as promptly as practicable and no later than ten (10) Business Days following the date of this Agreement, file with the United States Federal Trade Commission (the “FTC”) and the United States Department of Justice (the “DOJ”), a Notification and Report Form relating to this Agreement the Transactions pursuant to the HSR Act, and (ii) as promptly as practicable file all notifications, filings, registrations, forms and submissions, including any draft notifications in jurisdictions requiring pre-notification, as are required by the Antitrust Laws set forth on Schedule 7.1(a). Each Seller and Purchaser shall (and shall cause their respective Affiliates to) (A) cooperate and coordinate (and shall cause its respective Affiliates to cooperate and coordinate) with the other in the making of such filings; (B) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (C) make (or cause to be made) an appropriate response to any additional information that may be required or requested by the FTC, the DOJ or the Governmental Bodies of any other applicable jurisdiction; and (D) take (and cause their Affiliates to take) all action necessary, proper or advisable to (1) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions; and (2) obtain any required Consents pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions, in each case as promptly as reasonably practicable and in any event prior to the Outside Date. If any Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Body with respect to the Transactions pursuant to the HSR Act or any other applicable Antitrust Law, then such Party shall make (or cause to be made), as promptly as practicable and after consultation with the other Party, an appropriate response to such request. No Party shall stay, or cause its Affiliates to, toll or extend any applicable waiting period under the HSR Act, pull and refile under the HSR Act, or enter into any timing agreement or other understanding with any Governmental Body with respect to the HSR Act or any other Antitrust Law applicable to the Transactions without the prior written consent of the other Parties, which shall not be unreasonably withheld, conditioned or

Purchaser will be solely responsible for payment of all filing fees payable in connection with such filings.

(b) Subject to the immediately following sentence, each Seller and Purchaser will use their reasonable best efforts to as promptly as practicable (and in any event prior to the Outside Date) obtain any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations required under the HSR Act or any other Antitrust Law for the consummation of this Agreement and the Transactions. In furtherance and not in limitation of the other covenants in this Section 6.5, and notwithstanding anything else in this Agreement, Purchaser will take any and all steps necessary to avoid or eliminate each and every impediment under the HSR Act and any other Antitrust Law as may be required to obtain satisfaction of the closing conditions set forth in Section 7.1(a) or Section 7.1(b) and allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date, including offering, negotiating, committing to and effecting, by Consent decree, hold separate Order or otherwise, (i) the sale, divestiture, transfer, license, disposition, or hold separate (through the establishment of a trust or otherwise), of any and all of the capital stock or other equity or voting interest, assets (whether tangible or intangible), rights, properties, products or businesses of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; (ii) the termination, modification, or assignment of existing relationships, joint ventures, Contracts, or obligations of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; (iii) the modification of any course of conduct regarding future operations of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries; and (iv) any other restrictions on the activities of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries, including the freedom of action of Purchaser or its Subsidiaries, or the Seller and its Subsidiaries with respect to, or their ability to retain, any of their respective operations, divisions, businesses, product lines, customers, assets or rights or interests, or their freedom of action with respect to the assets, properties, or businesses to be acquired pursuant to this Agreement. Purchaser shall oppose any request for or, the entry of, and shall seek to have vacated or terminated, any Order, judgment, decree, injunction or ruling of any Governmental Body that could restrain, prevent or delay any required Consents applicable to the Transactions, including by defending through litigation, any Action asserted by any Person in any court or before any Governmental Body and by exhausting all avenues of appeal, including appealing properly any adverse decision or Order by any Governmental Body, it being understood that the costs and expenses of all such actions shall be borne by Purchaser. Notwithstanding anything to the contrary herein, Purchaser shall not be required to take or agree to take any actions with respect to the Sellers' assets, properties, or businesses that would, individually or in the aggregate, reasonably be likely to result in a material adverse effect on (i) the Sellers' assets, properties, and businesses to be acquired pursuant to this Agreement, taken as a whole or (ii) the governance or information rights necessary to enable Purchaser to operate the assets to be acquired pursuant to this Agreement following the Closing in the Ordinary Course; provided further for the avoidance of doubt, nothing in this Agreement shall require any equityholders or Affiliates of Purchaser to take or agree to take any actions, including with respect to any of their businesses, assets, or other interests. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the Sellers or any of their Subsidiaries or Affiliates to take or agree to take (and they shall not take or agree to take without the written consent of Purchaser) any action that is not conditioned on the Closing as may be required in order to obtain satisfaction of the closing conditions set forth in

Section 7.1(a) prior to the Outside Date, in each case, so as to allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date.

(c) None of the Sellers or Purchaser will participate in any substantive meeting or discussion with any Governmental Body with respect to any filings, applications, investigation or other inquiry relating to the Transactions without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, the opportunity to attend and participate in such meeting or discussion, unless prohibited by such Governmental Body. Each Party will have the right to review the content of any draft notifications, formal notifications, filings, submissions, or other substantive written communications (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted to any Governmental Body in advance of any such submission and will consider in good faith the views of the other Party in connection therewith. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other Party pursuant to this Section 6.5, the disclosing Party may (i) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (ii) redact such materials as necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets.

(d) Except as expressly contemplated or permitted by this Agreement, Purchaser will not, and will not permit Brookfield Infrastructure Fund III GP LLC (together with its controlled investment vehicles) to, directly or indirectly take any action or agree to take any action (including to acquiring or agreeing to acquire any assets or businesses) that would be reasonably likely to (i) materially delay or prevent the receipt of any required clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations under the HSR Act or any other Antitrust Law, (ii) increase the risk of any Governmental Body entering an Order preventing, delaying or prohibiting the consummation of the Transactions or (iii) delay or prevent the satisfaction of the closing conditions set forth in Section 7.1(a) or Section 7.1(b) or the consummation of the Transactions.

6.6 Corporate Name.

(a) As soon as reasonably practicable, but in no event more than thirty (30) days after the Closing, the Sellers shall cause an amendment to the certificate of incorporation or formation (or other constituent documents) of each Seller and each Subsidiary that is not an Acquired Entity to be filed with the appropriate Governmental Body and shall take all other action necessary to change each Seller’s and such Subsidiary’s name, as applicable, to a name or names not containing “Cyxtera,” “Cyxtera Technologies” or any other trademark included in the Owned Intellectual Property or any name confusingly similar to the foregoing (“Transferred Marks”) and will cause to be filed as soon as reasonably practicable after the Closing, in the jurisdiction in which such Seller or such Subsidiary is organized, any documents necessary to reflect such change in its name.

(b) As soon as reasonably practicable, but in no event more than fifteen (15) days after the name change contemplated by Section 6.6(a), the Sellers shall file such pleadings

and move to obtain such orders as are necessary to change the caption of each Seller petition that is a Debtor in the Bankruptcy Cases to change each Seller's and such Subsidiary's legal name on such petitions, as applicable, to a name or names not containing "Cyxtera," "Cyxtera Technologies" or any other trademark included in the Acquired Intellectual Property or any name confusingly similar to the foregoing.

(c) Purchaser (on behalf of each of the Purchasers and their respective Affiliates) hereby grant (and hereby cause its Affiliates to grant) to Seller and its Affiliates, a limited, revocable, non-exclusive license to use the Transferred Marks solely on a wind-down and transitional basis for a period from the Closing through until the earlier of (i) the first anniversary of the Closing Date and (ii) the termination of all operations at and occupancy of all sites covered by any Lease that Purchaser designates for rejection in accordance with Section 1.5 (the "IP Wind-Down Period") in a substantially similar manner as used prior to the Closing. Notwithstanding any of the foregoing, nothing in this Section 6.6 shall prevent the Sellers or any of its Affiliates from using any trademarks or service marks (i) as required by applicable Law, (ii) on internal business and legal documents, materials, and items, solely for internal use and archival purposes, or (iii) in a manner that could not reasonably constitute trademark infringement or dilution even in absence of a license (including fair use, nominative fair use, or other descriptive, non-trademark use).

(d) Promptly after the IP Wind-Down Period, the Sellers further agree that from and after the Closing, each of the Sellers and their respective Affiliates (i) will cease to make any use of the name "Cyxtera," "Cyxtera Technologies" or any other Transferred Marks and any similar names indicating affiliation with the Purchaser or any of its Affiliates and (ii) will cease using any and all Owned Intellectual Property.

6.7 Commercially Reasonable Efforts; Cooperation; Notices and Consents.

(a) Subject to the other terms of this Agreement, each Party shall, and shall cause its Subsidiaries to, use its and their respective commercially reasonable efforts to perform its and their respective obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. For the avoidance of doubt, the Parties agree that the foregoing cannot be construed to create any obligation on any of the aforementioned Advisors to take or refrain from taking any action, absent an express contractual requirement to do so, nor can any of the foregoing be construed to override existing confidentiality and other obligations owed by any Party or other Person to such Advisors.

(b) Prior to the Closing, Sellers will, and will cause the Acquired Entities to, terminate any intercompany Liability (i) between or among any Acquired Entity, on the one hand, and any Seller or its Affiliates, on the other hand, or (ii) between or among one or more Acquired Entities, in each case, without Liability to Purchaser or any of its Affiliates (including any Acquired Entities), except to the extent that such Liability is taken into account in the final calculation of Closing Working Capital, unless Purchaser otherwise requests in writing that they not so terminate any such intercompany Liability. For the avoidance of doubt, any intercompany Liability not terminated pursuant to this Section 6.7(b), including all intercompany Liabilities

solely between the Sellers or their respective Affiliates (other than Acquired Entities), shall be deemed to be an Excluded Liability.

(c) As promptly as practicable following the date hereof, Sellers will give, or will cause to be given, any notices to third parties, and will use their respective commercially reasonable efforts to obtain any third party Consents or sublicenses, in each case, that may be triggered by or required in connection with the Transactions, including the assignment to Purchaser or its Designee, of the Assigned Contracts. On the final termination of the Factoring Facility, to occur no later than the Closing, Sellers shall repay, or cause to be repaid, any outstanding amounts still due and owing thereunder and shall obtain a standard payoff letter from PNC Bank National Association, as administrative agent, and file lien releases and account control agreement terminations, releasing the collateral thereunder. Sellers agree to work in good faith with PNC, as administrative agent, under the Factoring Facility to facilitate a repurchase of account receivables, if any, that remain outstanding thereunder on the date of termination thereof.

(d) Promptly following the date hereof, Seller will use reasonable best efforts to provide Purchaser with a true, complete and correct list of all Permits maintained by the Sellers and their Subsidiaries that are necessary or required to conduct their businesses as conducted as of the date hereof.

6.8 Further Assurances. Except as expressly limited by this Agreement or any other Transaction Agreement, from time to time, as and when requested by any Party and at such requesting Party's expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments, and will take, or cause to be taken, all such further or other actions as may be reasonably necessary or desirable to evidence and effectuate the Transactions, the transfer of title to the Acquired Assets to, and assumption of Assumed Liabilities by, Purchaser or its Designee(s) in accordance with the terms of this Agreement, and the DLR Transactions, to the extent applicable (including any distribution of cash contemplated thereby).

6.9 Insurance Matters. Purchaser acknowledges that, subject to the next sentence, from and after the Closing, all nontransferable and non-assignable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Affiliates (whether such policies are maintained with third party insurers or with such Seller or its Affiliates) shall not provide any coverage to Purchaser and the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the right to make claims and the right to any recovered insurance proceeds with respect to, and to the extent of any losses sustained or assumed by the Purchaser or its Designee or their respective Affiliates with respect to, any matter related to the Acquired Assets or Assumed Liabilities or Acquired Entities under any insurance policies for occurrence-based claims pertaining to or arising out of occurrences that took place in periods prior to the Closing, and Sellers shall seek the maximum recovery or allow Purchaser to seek recovery under such insurance policies, and Sellers shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' reasonable and documented out-of-pocket costs and expenses of seeking such recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its Designee.

6.10 Third Party Credit Support Obligations.

(a) Purchaser acknowledges that in the course of conduct of their business, Sellers and their Affiliates may have entered into various arrangements (a) in which guarantees, letters of credit, sureties, bonds or similar arrangements were issued by Sellers or their Affiliates and (b) in which Sellers or their Affiliates are the primary obligors on other Contracts, in any such case to support or facilitate such business, which are set forth in Schedule 6.10(a) (the “Seller Support Obligations”). It is understood that the Seller Support Obligations are not intended to continue after the Closing. Purchaser agrees that it shall use its commercially reasonable efforts to obtain either (i) the full and unconditional release of Sellers and their Affiliates of each if the Seller Support Obligations, or (ii) replacements for the Seller Support Obligations, in either case that will be in effect at the Closing, or, in the case of Seller Support Obligations described in the foregoing clause (b), will use its commercially reasonable efforts to arrange for itself or one of its Subsidiaries to be substituted as the primary obligor thereon effective as of the Closing through an assumption, accession, acknowledgement or similar agreement (which shall include the full and unconditional release of Sellers and their Affiliates) with the beneficiary of the applicable Seller Support Obligation; it being understood and agreed that such exercise of commercially reasonable efforts shall not require Purchaser to (x) expend its own cash or other assets or property in order to replace such Seller Support Obligations or otherwise to fulfill its obligations under this Schedule 6.10(a) or (y) breach its obligations with respect to the Debt Financing or take any action that could reasonably be expected to cause any of the conditions precedent therein to not be satisfied. Whether or not Purchaser is able to satisfy the terms of the immediately preceding sentence, Purchaser shall indemnify Sellers and their Affiliates and each of their respective officers, directors, employees, agents and representatives from and against any and all Liabilities incurred by any of them relating to the Seller Support Obligations, except to the extent due to the breach, gross negligence or willful misconduct of the Sellers.

(b) Except for those set forth in Schedule 6.10(b), Sellers and their Affiliates shall (i) maintain the effectiveness of each letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries from and after the Closing Date until it is released by the secured party, (ii) not amend or modify such letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries in a manner adverse to Purchaser and (iii) not let any such letter of credit, surety bond or similar obligation of a Seller and its Subsidiaries lapse or terminate without the prior written consent of Purchaser.

(c) During the period following the Closing and until the first (1st) anniversary of the Closing Date, Purchaser shall (i) use commercially reasonable efforts to collect any cash collateral held by or on behalf of any utility provider as security for any utilities-related Liabilities (including deposits for electricity, telephone or other utilities) of the Sellers or any Acquired Entity, and (ii) remit to the Sellers, by wire transfer of immediately available funds to such account designated in writing by CTI, any such actually collected amounts (net of any documented, out-of-pocket third party costs of recovery) and any amounts applied for credit on invoices, promptly following actual receipt by Purchaser thereof prior to the first (1st) anniversary of the Closing Date, solely to the extent such amounts are not otherwise included in the Cash Amount for purposes of this Agreement; provided that, notwithstanding the foregoing, Purchaser shall not be required to initiate or pursue any Action against any applicable utility provider in connection with the obligations set forth in this Section 6.10(c). Notwithstanding the foregoing, at the first (1st)

anniversary of the Closing Date, solely to the extent Purchaser has not previously remitted to the Sellers an amount equal to or greater than \$6,000,000 pursuant to the foregoing sentence and clause (ii) of the definition of Cash Amount, Purchaser shall remit to the Sellers, by wire transfer of immediately available funds to such account designated in writing by CTI, an amount equal to the excess (if any) of (x) \$6,000,000, over (y) any and all amounts previously remitted by Purchaser to the Sellers pursuant to this Section 6.10(c) and clause (ii) of the definition of Cash Amount (such amount, the “Final Deposits Payment Amount”). Upon the payment of the Final Deposits Payment Amount by Purchaser, no amount shall be due and owing to the Sellers pursuant to this Section 6.10(c).

6.11 Acknowledgement by Purchaser.

(a) Without limiting the generality of Section 3.23, in connection with the investigation by the Purchaser of Sellers and their Subsidiaries, Purchaser and the members of the Purchaser Group, and the Advisors of each of the foregoing, have received or may receive, from or on behalf of Seller or other Seller Parties, certain projections, forward-looking statements and other forecasts (whether in written, electronic, or oral form, and including in the Information Presentation, Dataroom, management meetings, etc.) (collectively, “Projections”). Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that (i) such Projections are being provided solely for the convenience of Purchaser to facilitate its own independent investigation of Seller and its Subsidiaries, (ii) there are uncertainties inherent in attempting to make such Projections, (iii) Purchaser is familiar with such uncertainties, and (iv) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all Projections (including the reasonableness of the assumptions underlying such Projections).

(b) Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.11. Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that the covenants and agreements contained in this Section 6.11 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.11, Seller would not enter into this Agreement. Notwithstanding anything to the contrary contained herein, nothing in this Section 6.11 shall limit or affect any claims for Fraud.

6.12 Receipt of Misdirected Assets; Wrong Pockets. From and after the Closing, if any Seller or any of its respective Affiliates receives any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in

the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

6.13 Directors' and Officers' Indemnification. Following the Closing until the sixth (6th) anniversary thereof, Purchaser shall cause the Acquired Entities not to amend, repeal or otherwise modify the Acquired Entities' constitutive documents as in effect at the Closing, in any manner that would adversely affect the indemnification and exculpation rights thereunder of individuals who are or were directors or officers of the Acquired Entities with respect to periods prior to the Closing. Purchaser shall not take any action to cancel or otherwise reduce coverage under any "tail" insurance policies purchased by the Acquired Entities prior to the Closing; provided that no payments shall be required of the Acquired Entities or the Purchaser Group with respect to such policies after the Closing.

6.14 Financing Matters.

(a) From the date hereof until the Closing or the earlier termination of this Agreement, the Sellers shall, and shall cause each Acquired Entity and its and their respective representatives to use their commercially reasonable efforts to reasonably cooperate with Purchaser and its Affiliates in connection with, the arrangement of any debt financing to be incurred on the Closing Date in connection with the Transactions (the "Debt Financing"), which shall include using commercially reasonable efforts for (i) upon reasonable advance notice and at mutually agreeable times, participating in a reasonable number of bank meetings and similar presentations to and with the Debt Financing Sources and rating agencies, including direct contact between senior management and the other representatives of the Sellers and their Subsidiaries or such Acquired Entity, on the one hand, and the actual and potential Debt Financing Sources, on the other hand, (ii) furnishing Purchaser with historical financial statements and other information regarding the Sellers and their Subsidiaries as is customarily provided in connection with financings of the type contemplated by the Debt Financing in the format and presentation, presently prepared by the Seller's current preparer, (iii) providing information for the preparation of any pledge and security agreements and other definitive financing documentation for the Debt Financing, including schedules to the definitive documentation for the Debt Financing as may be reasonably requested by Purchaser, (iv) facilitating the pledging of collateral for the Debt Financing (including cooperation in connection with the (A) pay-off of existing Indebtedness to the extent contemplated by this Agreement and the release (or, at Purchaser's request in the case of jurisdictions that impose mortgage recording or similar taxes, assignment) of related Encumbrances and termination of security interests (including delivering prepayment or termination notices as required by the terms of any existing Indebtedness and delivering the customary payoff letters), (B) Lease amendments to facilitate such pledging, and (C) obtaining of any mortgages in favor of the Debt Financing Sources on any Acquired Assets that are Owned Real Property or Leased Real Property) and (v) providing to Purchaser, its Affiliates and their Debt Financing Sources at least four (4) Business Days prior to the Closing Date all documentation and other information required by Governmental Bodies under applicable "know your customer" and anti-money laundering rules and regulations. Purchaser and its Affiliates shall be permitted to disclose confidential information subject to the Confidentiality Agreement to any parties providing commitments for the Debt Financing, rating agencies and prospective lenders, subject to such parties providing commitments, rating agencies and prospective lenders entering into customary confidentiality undertakings for a syndication with respect to such information.

(b) Each Seller and Subsidiary of a Seller consents to the customary and reasonable use of such Seller's or Subsidiary's logos in connection with any Debt Financing; provided that such logos are used solely in a manner that is not intended, or reasonably likely, to harm or disparage the Sellers and their Subsidiaries or the reputation or goodwill of the Sellers and their Subsidiaries.

(c) Notwithstanding anything in this Agreement to the contrary, nothing herein shall require (i) any Seller or Subsidiary of a Seller or any of their representatives to execute or enter into any certificate, instrument, agreement or other document in connection with the Debt Financing, (ii) cooperation or other actions or efforts on the part of the Sellers or their Subsidiaries, or any of their respective representatives, in connection with the Debt Financing to the extent it would interfere unreasonably with the business or operations of such Seller or Subsidiary of a Seller, (iii) the Sellers or their Subsidiaries or any of their respective representatives to pay any commitment or other fee or incur any other Liability in connection with the Debt Financing that is not reimbursed by Purchaser, (iv) the board of directors or similar governing body of any Seller or Subsidiary of a Seller, prior to the Closing, to adopt resolutions approving, or otherwise approve, the agreements, documents or instruments pursuant to which the Debt Financing is made, (v) the Sellers or their Subsidiaries to provide any access or information if (A) doing so would reasonably be expected to violate any fiduciary duty, applicable law or existing Contract to which a member of the Sellers or their Subsidiaries is party (B) doing so would reasonably be expected to result in the loss of the ability to successfully assert attorney-client, work product or similar privileges; provided that the Sellers and their Subsidiaries shall use reasonable best efforts to make appropriate substitute arrangements under circumstances in which the foregoing restrictions do not apply, or (C) in a format or presentation not consistent with Seller's current practices (vi) cooperation that would violate, or result in the waiver of any benefit under this Agreement, any other material Contract (not entered in contemplation hereof) or any Law to which the Sellers or their Subsidiaries are a party or (vii) the Sellers or their Subsidiaries or any of their respective representatives to prepare or provide (and Purchaser shall be solely responsible for) pro forma financial information, including pro forma cost savings, synergies, capitalization or other pro forma adjustments desired to be incorporated into any pro forma financial information in connection with the Debt Financing; provided that the Sellers and their Subsidiaries and their respective representatives shall reasonably assist Purchaser in the preparation of such pro forma financial information.

(d) All non-public information regarding Sellers provided to Purchaser, its Affiliates, its Debt Financing Sources, or its Advisors pursuant to this Section 6.14 shall be kept confidential by them in accordance with the Confidentiality Agreement or confidentiality provisions comparable to those set forth in the Confidentiality Agreement. None of Sellers shall be required to disclose any information that is subject to attorney-client or similar privilege. None of Sellers shall be required to take any action pursuant to this Section 6.14 that would subject it to actual or potential Liability for which it would not be indemnified hereunder or to bear any cost or expense or to pay any commitment or other fee or provide or agree to provide any indemnity in connection with the Debt Financing. Purchaser shall indemnify and hold harmless the Seller Parties from and against any and all Liabilities, suffered or incurred by them in connection with this Section 6.14 and any information utilized in connection therewith, in each case, except such Liabilities suffered or incurred as a result of such Person's gross negligence, willful misconduct or willful breach of this Agreement, in each case, as determined by a final, non-appealable decision

of a court of competent jurisdiction. Purchaser shall, promptly upon request by CTI, reimburse Sellers for all reasonable and documented out-of-pocket costs incurred by them in connection with their complying with their obligations under this Section 6.14.

(e) Notwithstanding this Section 6.14 or anything else in this Agreement, Purchaser acknowledges and agrees that (i) it is not a condition to the Closing or to any of Purchaser's other obligations under this Agreement that the Purchaser obtain financing for or related to any of the Transaction (including all or any portion of the Debt Financing). The Parties agree that this Section 6.14 (and not Section 6.7 or Section 6.8) sets forth Sellers' sole obligations with respect to the Debt Financing and (ii) the condition set forth in Section 7.2(b), as it applies to Sellers' obligations under this Section 6.14, shall be deemed satisfied unless the Debt Financing has not been obtained as a direct result of Sellers' knowing and material willful breach of their obligations under this Section 6.14.

6.15 Title Insurance Policies; Memoranda of Lease; Estoppel Certificates. The Sellers and their Subsidiaries shall cooperate reasonably with Purchaser in Purchaser's efforts to (i) obtain any commitments, reports or policies of title insurance with respect to any Owned Real Property or Leased Real Property, including by providing affidavits, indemnities and other similar instruments reasonably required by the applicable title insurance companies in connection therewith, which affidavits, indemnities, and instruments shall not expand any representation or warranty, or any remedy or Liability, of any Party and (ii) place each Lease of record, including by executing and delivering and using commercially reasonable efforts to cause the landlord or other counterparty under such Lease to execute and deliver a memorandum of such Lease (as well as the applicable Assignment and Assumption of Lease or a memorandum thereof) in a form appropriate for recordation in the applicable jurisdiction; provided that Purchaser shall be responsible for all recording costs and any applicable transfer or conveyance taxes (or similar taxes) payable in connection with the recordation of any memorandum of a Lease other than any such items which are not payable as a result of the exemption available under Section 1146(a) of the Bankruptcy Code. The Sellers and their Subsidiaries shall use commercially reasonable efforts to cause the landlord or other counterparty under each Lease to execute and deliver (for the benefit of Purchaser and its financing sources) within thirty (30) days prior to the Closing an estoppel certificate in a form that is reasonably satisfactory to Purchaser.

6.16 Seller Joinder. Following the date hereof, at Purchaser's request, CTI or the other Sellers shall promptly cause the UK Seller, the Germany Seller or the Singapore Seller, to the extent such Person is designated as a Seller in accordance with any DLR Transaction and is not already a Seller hereunder, to execute and deliver to the other Parties hereto a joinder to this Agreement in the form attached hereto as Exhibit I (each, a "Seller Joinder") and, from and after the delivery of such Seller Joinder, such UK Seller, Germany Seller or Singapore Seller (as applicable) shall be deemed to be a Seller and a Party for such purposes of, and in connection with, the consummation of such DLR Transaction; provided, that such UK Seller, Germany Seller or Singapore Seller (as applicable) will remain a Transferred Subsidiary for all purposes hereof; provided that the Parties acknowledge and agree that the Germany Seller, the Singapore Seller, and the UK Seller are not and shall not in any event be Debtors and, as such, none of the provisions of this Agreement incorporating, applying, or involving the Bankruptcy Code (but only to the extent the Bankruptcy Code is so incorporated, applied, or involved and not otherwise disapplying

such provisions generally) shall apply to the transactions in which the Germany Seller, the Singapore Seller, and the UK Seller directly participate hereunder.

6.17 Confidentiality. The Confidentiality Agreement shall automatically terminate in connection with the Closing without further action by any Party thereto. Following the Closing, each Seller shall, and shall cause the other Seller Parties, to, (i) maintain the confidentiality of, (ii) not use, and (iii) not divulge to any Person (other than its employees and Advisors), any confidential, non-public or proprietary information included in the Acquired Assets or otherwise relating to the business of the Sellers and their Subsidiaries (“Confidential Information”), except to the extent necessary in connection with their winddown, liquidation, and related activities (including Tax Returns and processing of claims in the Bankruptcy Case) and the operation and winddown of any sites governed by any Lease that Purchaser designates for rejection in accordance with Section 1.5(b), with the prior written consent of Purchaser, or as may be required by applicable Law; provided that such Seller Parties shall not be subject to such obligation of confidentiality for Confidential Information that is or becomes generally available to the public without breach of this Agreement by such Seller Party. If any Seller Party shall be required by applicable Law to divulge any Confidential Information, such Seller Party shall provide Purchaser with prompt written notice of each such request so that Purchaser may, at Purchaser’s sole expense, seek an appropriate protective Order or other appropriate remedy, and such Seller Party shall reasonably cooperate with Purchaser to obtain a protective Order or other remedy; provided that, in the event that a protective Order or other remedy is not obtained, such Seller Party shall furnish only that portion of such Confidential Information which, in the opinion of its counsel, such Seller Party is legally compelled to disclose and shall exercise its commercially reasonable efforts to obtain reliable assurance that confidential treatment will be accorded any such Confidential Information so disclosed.

6.18 DLR Transactions.

(a) UK Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the UK Transaction, then no later than three (3) Business Days prior to the Closing Date, the Sellers shall, and shall cause their relevant respective Subsidiaries to, effect the restructuring transactions set forth on the UK Restructuring Steps Plan attached hereto as Exhibit H (such transactions, the “UK Restructuring Transactions”), reasonably cooperate with Purchaser and its Affiliates in connection therewith, including by providing any reasonably requested information required in connection with the foregoing to Purchaser, its Affiliates and their respective representatives, and, following the UK Restructuring Transactions, at the Closing in accordance with Section 2.3(b), sell, transfer, assign, convey, and deliver to the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) all shares of capital stock or other Equity Interests of any entity formed (and to which the designated assets and liabilities were transferred) pursuant to the UK Restructuring Transactions free and clear of any Encumbrances (other than Encumbrances arising under applicable securities Laws), on the terms and subject to the conditions set forth herein (the “UK Transaction”), in exchange for the payment and delivery of the UK Consideration

Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to the UK Seller.

(ii) In connection with the consummation of the UK Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the UK Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the UK Transaction (the “UK Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any UK Document made in good faith shall be reflected in the finalized UK Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The UK Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the UK Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized UK Documents shall promptly be provided to Purchaser upon its execution.

(b) Germany Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the Germany Transaction, then the Sellers shall cause the Germany Seller to, at the Closing in accordance with Section 2.3(b), enter into the Germany Lease Termination Agreements and terminate the leases set forth on Exhibit H hereto between the Germany Seller and the applicable Designee or its Affiliate (such leases, the “Germany Leases”) in exchange for the payment and delivery of the Germany Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as Designee hereunder) to the Germany Seller (collectively, the “Germany Transaction”).

(ii) In connection with the consummation of the Germany Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the Germany Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the Germany Transaction (the “Germany Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any Germany Document made in good faith shall be reflected in the finalized Germany Documents, and the relevant Parties shall each cooperate with each other in respect thereof.

The Germany Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the Germany Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized Germany Documents shall promptly be provided to Purchaser upon its execution.

(c) Singapore Transaction.

(i) If a DLR Election Notice is provided by Purchaser in accordance with Section 2.3(b) that contemplates the consummation of the Singapore Transaction, then the Sellers shall cause the Singapore Seller to, at the Closing in accordance with Section 2.3(b), (x) enter into the Singapore Lease Termination Agreement(s) and terminate the lease(s) set forth on Exhibit H hereto between the Singapore Seller and the applicable Designee or its Affiliate which are designated for termination (such leases, the “Singapore Leases” and such transactions, the “Singapore Lease Termination”), or (y) sell, transfer, assign, convey, and deliver to Purchaser’s Designee as set forth in the DLR Election Notice the assets and liabilities of the Singapore Seller as set forth on Exhibit H free and clear of all Encumbrances other than Permitted Post-Closing Encumbrances, on the terms and subject to the conditions set forth herein (the “Singapore Asset Sale” and together with the Singapore Lease Termination (if applicable), collectively, the “Singapore Transaction”), in the case of either clause (x) or (y), in exchange for the payment and delivery of the Singapore Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to the Singapore Seller.

(ii) In connection with the consummation of the Singapore Transaction, Sellers shall, and shall cause their relevant respective Subsidiaries to use their commercially reasonable efforts to obtain all applicable third-party consents or approvals and send any applicable notices, in each case, reasonably required to effect the Singapore Transaction. Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the Singapore Transaction (the “Singapore Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Sellers with respect to any Singapore Document made in good faith shall be reflected in the finalized Singapore Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The Singapore Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the Singapore Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized Singapore Documents shall promptly be provided to Purchaser upon its execution.

(d) United States Intangibles Transaction.

(i) If a DLR Election Notice contemplating the consummation of the UK Transaction, the Germany Transaction, or the Singapore Transaction is provided by Purchaser in accordance with Section 2.3(b), then, in connection with any of the UK Transaction, the Germany Transaction, or the Singapore Transaction occurring at the Closing in accordance with Section 2.3(b), the Sellers (other than the UK Seller, the Germany Seller and the Singapore Seller) shall, contemporaneously therewith, sell, transfer, assign, convey, and deliver to the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) those rights and entitlements to and under any Contracts, Intellectual Property and other intangible assets that are Acquired Assets solely to the extent relating to, and necessary for the operations of, the assets and liabilities transferred to such Designee in the UK Transaction, the Germany Transaction or the Singapore Asset Sale (in each case, as may be (and solely to the extent) specified on Exhibit H), as applicable (the “US Intangibles Transfer”), in exchange for the payment and delivery of the US Intangibles Consideration Payment, payable by the Designee specified in the DLR Election Notice (in its capacity as a Designee hereunder) to Sellers (other than the UK Seller, the Germany Seller, and the Singapore Seller).

(ii) Purchaser shall prepare the initial drafts of any certificates, filings, Contracts, agreements or other documentation, and any amendments or supplements thereto, to be made or entered into by any Seller, or any of their respective Subsidiaries, giving effect to, or entered into in connection with, the US Intangibles Transfer (the “US Intangible Transfer Documents”), substantially complete initial drafts of which shall be delivered to Sellers at least three (3) Business Days in advance of the effectiveness of the transactions contemplated therein or, if earlier, the execution thereof. Any and all comments of Seller with respect to any US Intangible Transfer Documents made in good faith shall be reflected in the finalized US Intangible Transfer Documents, and the relevant Parties shall each cooperate with each other in respect thereof. The US Intangible Transfer Documents shall not expand any representation or warranty, or any remedy or Liability, of any Party and shall not require any Seller or any of its Subsidiaries to incur any Liability in connection with the US Intangible Transfer Documents that is not reimbursed by Purchaser in accordance with Section 6.18. An executed version of each of the finalized US Intangible Transfer Documents shall promptly be provided to Purchaser upon its execution.

(e) Notwithstanding anything to the contrary herein (including Section 10.5), Exhibit H and Schedule 9.2 (solely to the extent of the value allocated to the transactions set forth in this Section 6.18) may be amended, modified or supplemented as determined by the Purchaser, subject only to the consent of CTI (such consent not to be unreasonably withheld, conditioned or delayed), from time to time at any time not later than five (5) Business Days prior to the Closing Date.

6.19 Shared Agreements. The Parties acknowledge that certain Available Contracts relate to business conducted at more than one property of a Seller or its Subsidiaries, including Acquired Leased Real Property, Owned Real Property or leased real property of an Acquired Entity, or otherwise relating to a Shared Customer Contract (as defined in the Specified Agreement) (each, together with any applicable related Contracts between any Seller and the applicable counterparty, a “Shared Agreement”). From and after the date hereof, if requested by

Purchaser in writing, the Parties will act in good faith and use commercially reasonable efforts to obtain from the applicable counterparty to each Shared Agreement written consent (if required) to separate Shared Agreements each into two or more separate Contracts (each, a “Separated Agreement”) and to separate such Shared Agreements, effective as of the Closing, with each such Separated Agreement covering a separate property included in the Acquired Assets. Prior to the separation of such Shared Agreement each of the Parties will cooperate in good faith in negotiating with the applicable counterparty to achieve at the Closing or as promptly as practicable thereafter the separation of rights and obligations contemplated by this Section 6.19, in each case if the consent of or notice to such counterparty is required pursuant to the applicable Shared Agreement. The Parties will also use their respective commercially reasonable efforts to cause and facilitate each Separated Agreement to: (i) be separate and independent from Separated Agreements of another Party, a Designee or their respective Affiliates and (ii) not contain any cross default, set-off, joint or continuing liability, or similar provisions that can be triggered under other Separated Agreements of another Party, a Designee or their respective Affiliates. Notwithstanding this Section 6.19 or anything else in this Agreement, Purchaser acknowledges and agrees that it is not a condition to the Closing or to any of Purchaser’s other obligations under this Agreement that the Parties obtain any Separated Agreements. The Parties agree that this Section 6.19 (and not Section 6.7 or Section 6.8) sets forth Sellers’ sole obligations with respect to the potential Separated Agreements and (ii) the condition set forth in Section 7.2(b), as it applies to Sellers’ obligations under this Section 6.19, shall be deemed satisfied unless the failure to obtain a material number of Separated Agreements is a direct result of Sellers’ uncured breach of their obligations under this Section 6.19.

6.20 DLR Closing Distributions. From and after the date hereof, each of the Sellers, the UK Seller, the Germany Seller, the Singapore Seller, and each of their respective Subsidiaries shall use reasonable best efforts to take, or cause to be taken, subject to compliance with applicable Law, any and all such actions as may be necessary or desirable (including approving the relevant book accounts and distributable profits on a prospective basis, taking into account the DLR Transactions) to ensure that, promptly following the consummation of any DLR Transaction (to the extent applicable), each of the UK Seller, the Germany Seller, and the Singapore Seller will, and will be authorized and permitted to, distribute, to the maximum extent permitted by Law and without limitation of the Sellers’ obligations pursuant to Section 6.7(b), the portion of the Aggregate DLR Consideration Amount received by each of the UK Seller, the Germany Seller, or the Singapore Seller, as applicable, in connection with the consummation of any DLR Transaction to any Seller(s) other than the UK Seller, the Germany Seller and the Singapore Seller. In furtherance of the foregoing, at the Closing as set forth in Section 2.3(b), each of the UK Seller, the Germany Seller, and the Singapore Seller shall distribute to the maximum extent permitted by Law, the portion of the Aggregate DLR Consideration Amount received by each of the UK Seller, the Germany Seller, or the Singapore Seller, as applicable, in connection with the consummation of any DLR Transaction to any Seller(s) designated by CTI (other than the UK Seller, the Germany Seller and the Singapore Seller). Without limitation of Sellers’ obligations hereunder, Purchaser and its applicable Designee(s) shall reasonably cooperate with Sellers with respect to Sellers’ implementation of the provisions of this Section 6.20, and Sellers’ shall reasonably consult with Purchaser in determining the portion, if any, of the Aggregate DLR Consideration Amount permitted to be distributed by Law and the determination of any withholding Taxes that may be imposed in connection with such distribution.

ARTICLE VII CONDITIONS TO CLOSING

(a) Representations and Warranties. (i) The representations and warranties made by Sellers in Article III (in each case, other than the Fundamental Representations) shall be true and correct in all respects as of the date hereof and as of the Closing Date as though made on and as of the Closing Date, except (A) that representations and warranties that are made as of a specified date need be true and correct in all respects only as of such date and (B) to the extent the failure of such representations and warranties to be true and correct as of such dates (without giving

effect to any limitation as to “materiality,” “material adverse effect,” “Material Adverse Effect” or similar qualifiers contained therein (other than “material weaknesses” in Section 3.5(b) and the word “Material” when used in the instances of the defined terms “Material Contract,” and “Material Supplier”)) has not had a Material Adverse Effect and (ii) the representations and warranties set forth in Section 3.1 (Organization and Qualification) (other than Section 3.1(b)), Section 3.2 (Authorization of Agreement), Section 3.3 (Equity Interests of Acquired Entities), Section 3.4 (Conflicts; Consents) (solely with respect to clause (i) thereof), Section 3.6(b) (Absence of Certain Changes or Developments), Section 3.9(e) (Title to Properties; Sufficiency of Tangible Assets) (solely with respect to the last sentence thereof) and Section 3.20 (Brokers) (collectively, the “Fundamental Representations”) shall be true and correct in all respects (except for any *de minimis* inaccuracy therein) as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all respects (except for any *de minimis* inaccuracy therein) only as of such date.

(b) Compliance with this Agreement. Sellers shall have performed or complied with, in all material respects, all of the obligations and covenants required to be performed or complied with by the Sellers under this Agreement on or prior to Closing.

Each of the applicable Acquired Entities shall have obtained a complete, irrevocable and unconditional release in a form satisfactory to Purchaser from all Encumbrances in connection with the Term Loan Facilities, Revolving Credit Facility, Bridge Facility and DIP Facility (each as defined in the Final DIP Order) to the extent such Acquired Entity has granted or incurred any Encumbrance in connection therewith.

(g) All Material Contracts and Acquired Leases designated for assumption and assignment by Purchaser pursuant to Section 1.1(a), Section 1.1(e), Section 1.5(b) or Section 1.5(c), as applicable, shall have been assigned by the applicable Seller to Purchaser or its Designee pursuant to sections 105, 365 and 1123(b)(2) of the Bankruptcy Code, and all Cure Costs shall have been paid by the applicable Seller in full.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1, and in no other matter:

(a) by the mutual written consent of CTI (on behalf of the Sellers) and Purchaser;

(b) by written notice of either Purchaser or CTI (on behalf of the Sellers) to the other, if there is in effect any Law or Order enacted or issued by a Governmental Body of competent jurisdiction that restrains, enjoins, declares unlawful or otherwise prohibits the consummation of the Closing or declaring unlawful the Transactions, and such Law or Order has become final, binding and non-appealable; provided that no Party may terminate this Agreement under this Section 8.1(b) if the issuance of such Order was caused by such Party’s (or, in the case of CTI, any other Seller’s) failure to perform any of its obligations under this Agreement;

(c) by written notice of either Purchaser or CTI (on behalf of the Sellers), if the Closing shall not have occurred on or before the date that is four (4) months following the date hereof (the “Outside Date”) (or such later date as provided in Section 10.12); provided that if as of

the Outside Date any of the conditions set forth in Section 7.1(a), or Section 7.1(b) or if, in the case of Section 7.1(b), the prohibition or restraint relates to or arises under any Antitrust Law have not been satisfied but all other conditions set forth in Sections 7.2 and 7.3 shall have been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, but provided that such conditions shall then be capable of being satisfied if the Closing were to take place on such date), then the Outside Date shall be automatically extended to June 30, 2024 and such date shall become the Outside Date for purposes of this Agreement; provided, further, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's (or, in the case of CTI, any other Seller's) failure to perform any of its obligations under this Agreement;

(d) by written notice from CTI (on behalf of the Sellers) to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied; provided that (i) if such breach is curable by Purchaser (other than a breach or failure by Purchaser to close when required pursuant to Section 2.3) then CTI (on behalf of the Sellers) may not terminate this Agreement under this Section 8.1(d) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after CTI notifies Purchaser of such breach and (ii) CTI's (on behalf of the Sellers) right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to CTI at any time that any Seller is in breach of, any covenant, representation or warranty hereunder such that the conditions in Section 7.2 cannot be satisfied;

(e) by written notice from Purchaser to CTI (on behalf of the Sellers), upon a breach of any covenant or agreement on the part of the Sellers, or if any representation or warranty of the Sellers will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(b) would not be satisfied; provided that (i) if such breach is curable by the Sellers (other than a breach or failure by Sellers to close when required pursuant to Section 2.3) then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is the earlier of (A) two (2) Business Days prior to the Outside Date and (B) thirty (30) days after Purchaser notifies CTI (on behalf of the Sellers) of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in breach of, any covenant, representation or warranty hereunder such that the conditions in Section 7.3 cannot be satisfied;

(f) by written notice from CTI (on behalf of the Sellers) to Purchaser, if (i) all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but provided that such conditions shall then be capable of being satisfied if the Closing were to take place on such date) or waived, (ii) CTI (on behalf of the Sellers) has delivered written notice to Purchaser that it is ready, willing and able to complete the Closing on such date and throughout the four (4) Business Day period following delivery of such notice and (iii) Purchaser fails to complete the Closing at the time required by Section 2.1;

(g) by written notice from CIT (on behalf of Sellers) to Purchaser, if any Seller or the board of directors (or similar governing body) of any Seller determines in good faith after

consultation with its financial advisors and outside counsel that that proceeding with the Transaction or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties under the applicable Law;

(h) by written notice of either Purchaser or CTI (on behalf of the Sellers), if (i) any Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser, (ii) the Bankruptcy Court approves an Alternative Transaction, or (iii) the Sellers consummate an Alternative Transaction;

(i) by written notice from Purchaser to CTI (on behalf of the Sellers), if any of the Bankruptcy Cases is dismissed or converted to a case under chapter 7 of the Bankruptcy Code, or if a trustee or examiner with expanded powers to operate or manage the affairs or reorganization of any of the Sellers is appointed in any of the Bankruptcy Cases;

(j) by written notice from Purchaser to CTI (on behalf of the Sellers), if (i) Sellers withdraw or seek to withdraw any motion seeking approval of this Agreement and the Transactions or file any motion seeking approval of an Alternative Transaction, (ii) the Confirmation Order, in form and substance satisfactory to the Purchaser, is not entered by the Bankruptcy Court on or before November 17, 2023, (iii) the CCAA Orders, in form and substance satisfactory to the Purchaser, are not entered by the CCAA Court on or before November 24, 2023, or (iv) an Order, in form and substance satisfactory to Purchaser, approving the Breakup Fee and the Expense Reimbursement is not entered by the Bankruptcy Court on or before November 17, 2023; or

(k) by written notice from Purchaser to CTI (on behalf of the Sellers), if (i) any of the Acquired Entities commences a voluntary case under any Bankruptcy Law, consents to the entry of an Order for relief in an involuntary case under any Bankruptcy Law, or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee or similar official for an Acquired Entity or all or any portion of its assets or property or effects any assignment for the benefit of creditors, or (ii) any court of competent jurisdiction enters a decree or Order for relief in respect of any Acquired Entity in any involuntary case under any Bankruptcy Law or for the appointment of a receiver, liquidator, assignee, custodian, trustee or similar official for an Acquired Entity or any of its property or assets or for any winding up or liquidation of an Acquired Entity, in each case without the prior written consent of Purchaser.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement in accordance with Article VIII, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers, equityholders or representatives will have any Liability under this Agreement; provided that Section 2.2, Section 6.2(b), Section 6.14(d), this Section 8.2, and, to the extent necessary to effectuate the foregoing enumerated provisions, Article X and Article XI, shall survive any such termination; provided further that nothing in this Section 8.2 will be deemed to interfere with the Sellers' rights to retain the Deposit to the extent provided in Section 2.2(b).

(b) Notwithstanding Section 8.2(a), if this Agreement is terminated pursuant to Sections 8.1(e), 8.1(g), 8.1(h), 8.1(i), 8.1(j) or 8.1(k) (or by the Sellers pursuant to Section 8.1(c)

in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Sections 8.1(e), 8.1(h), 8.1(i), 8.1(j) or 8.1(k)), then CTI (on behalf of the Sellers) shall pay (or cause to be paid) to Purchaser by wire transfer of immediately available funds within three (3) Business Days following such termination of this Agreement an amount equal to the reasonable and documented out-of-pocket costs and expenses (including fees and expenses of counsel) incurred by Purchaser or its Affiliates in connection with the negotiation, diligence, execution, performance and enforcement of this Agreement, which amount shall not exceed \$7,750,000 (“Expense Reimbursement”).

(c) Notwithstanding Section 8.2(a), in consideration for Purchaser having expended considerable time and expense in connection with this Agreement and the negotiation thereof and the identification and quantification of assets of the Sellers, if this Agreement is terminated pursuant to Sections 8.1(e), 8.1(g), 8.1(h), 8.1(i), 8.1(j)(i) or 8.1(k) (or by the Sellers pursuant to Section 8.1(c) in circumstances where Purchaser would be entitled to terminate this Agreement pursuant to Sections 8.1(e), 8.1(h), 8.1(i), 8.1(j)(i) or 8.1(k)), CTI (on behalf of the Sellers) shall pay (or cause to be paid) to Purchaser (or, at the option of Purchaser, a Designee) a break-up fee in an amount equal to \$23,250,000 (the “Breakup Fee”); provided that the Breakup Fee shall be payable by wire transfer of immediately available funds within three (3) Business Days of the termination of this Agreement, or, solely in the event this Agreement is terminated pursuant to Sections 8.1(g), 8.1(h) or 8.1(j)(i) because of an Alternative Transaction, by wire transfer of immediately available funds contemporaneously with the closing of such Alternative Transaction (including any Alternative Transaction that includes a credit bid under Section 363(k) of the Bankruptcy Code or any other form of equalization or non-cash consideration). Each of the Parties acknowledges and agrees that (i) the agreements contained in this Section 8.2 are an integral part of this Agreement, (ii) in the absence of CTI’s (on behalf of the Sellers) obligations to make these payments Purchaser would not have entered into this Agreement, (iii) the Breakup Fee and the Expense Reimbursement shall constitute allowed superpriority administrative expense claims pursuant to sections 105(a), 364(c)(1), 503(b), and 507(a)(2) of the Bankruptcy Code with priority over all other administrative expenses of the kind specified in section 503(b) of the Bankruptcy Code and such allowed superpriority administrative expense claim shall be superior in priority to all other similarly situated claims asserted or allowed in the Bankruptcy Cases, and (iv) the Expense Reimbursement and the Breakup Fee are not a penalty, but rather represent liquidated damages in a reasonable amount that will reasonably compensate Purchaser in the circumstances in which the Expense Reimbursement or Breakup Fee, as applicable, is payable for the efforts and resources expended and opportunities foregone by Purchaser while negotiating and pursuing this Agreement and in reasonable reliance on this Agreement and on the reasonable expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. Each Seller acknowledges and agrees that such Seller shall be jointly and severally liable for the entire Breakup Fee and the Expense Reimbursement amounts payable by CTI (on behalf of the Sellers) pursuant to this Agreement. The obligations of the Sellers to pay the Breakup Fee or the Expense Reimbursement shall survive the termination of this Agreement.

(d) Subject in all cases to Section 10.12, prior to the Closing, in the event of any breach by Seller of this Agreement, the sole and exclusive monetary remedy of Purchaser shall be to terminate this Agreement in accordance with Section 8.1 and, if applicable, to receive the Expense Reimbursement or the Breakup Fee, as applicable, in accordance with Section 8.2.

(e) Subject in all cases to Section 10.12, the Sellers acknowledge and agree that, prior to the Closing, the Sellers' right (if any) to retain the Deposit pursuant to Section 2.2(b) shall be the sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) of the Sellers against Purchaser and any of its former, current or future general or limited partners, stockholders, managers, members, directors, officers, Affiliates or agents or any of the Debt Financing Related Parties for any Liability, damage or other loss resulting from the termination of this Agreement, breach of any representation, warranty, covenant or agreement contained herein or the failure of the Transactions to be consummated, and prior to the Closing, none of the Sellers nor any of their Affiliates shall have any other remedy or cause of action against Purchaser or any of its former, current or future general or limited partners, stockholders, managers, members, directors, officers, Affiliates or agents or any of the Debt Financing Related Parties, and, prior to the Closing, none of the foregoing shall have any further Liability or obligation, in each case, arising out of or relating to this Agreement or the Transactions. For the avoidance of doubt, prior to the Closing, but subject to Section 10.12, the maximum Liability of Purchaser under this Agreement shall not exceed the Deposit, other than any amounts payable by Purchaser pursuant to Section 6.14(d).

ARTICLE IX TAXES

9.1 Transfer Taxes.

(a) Any sales, consumption, use, excise, GST/HST, value added, registration, real property, transfer, deed, fixed asset, stamp, documentary stamp or other similar Taxes and recording charges (including all related interest, penalties, and additions to any of the foregoing) payable solely by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions and imposed under applicable Law in connection with the Transactions (but excluding any Tax on, based upon or measured by, net income, receipts, gains or profits) (collectively, the "Transfer Taxes") shall be borne one hundred percent (100%) by Purchaser, and Purchaser shall timely file all required Tax Returns related to, any Transfer Taxes with the appropriate Taxing Authority.

(b) Purchaser shall prepare all necessary Tax Returns and other documentation in connection with the payment or administration of any Transfer Taxes, and, at the request of Purchaser, each Seller (or the applicable Affiliate of any Seller) shall execute all Tax Returns and other documents as may reasonably be required to be provided or filed in connection therewith. Each of the Sellers, Purchaser and their respective Affiliates shall use commercially reasonable efforts (i) to cooperate to ensure that all Tax Returns related to Transfer Taxes are timely filed and (ii) to mitigate the imposition of any Transfer Taxes in a manner consistent with this Agreement, including any claim for exemption or exclusion from the application or imposition of any such Transfer Taxes (whether by application of Section 1146(a) of the Bankruptcy Code or otherwise). If the Parties agree that the election is available in respect of the disposition of Acquired Assets by a Canadian Seller, then, at Purchaser's request, such Canadian Seller and Purchaser will complete and sign on or before the Closing Date, a joint election under subsection 167(1) of the ETA and under any corresponding provision of provincial Law, to have the sale of the Canadian Assets take place on a GST/HST free basis under the ETA and, if applicable, the corresponding provision of provincial Law. Purchaser will file the election or elections with the appropriate Governmental

Body in Canada within the time prescribed under the ETA or, if applicable, other applicable Tax Law in Canada.

(c) If any of the Canadian Sellers and Purchaser do not jointly elect under subsection 167(1) of the ETA and under any corresponding provincial Law, at Purchaser's request, such Canadian Seller shall issue an invoice to Purchaser and such invoice shall include all of the information required under subsection 169(4) of the ETA and the corresponding provision under provincial Law.

(d) If required under section 187 of the *Provincial Sales Tax Act* (British Columbia) or a corresponding provision of the Law of another Canadian province, a Seller shall obtain and provide to Purchaser on or prior to Closing, the applicable certificate issued by the appropriate Taxing Authority indicating that the Seller has paid all provincial sales Tax owing under the *Provincial Sales Tax Act* (British Columbia) or the corresponding provincial sales Tax or retail sales Tax Law of another province in respect of its business up to the Closing Date (a "Clearance Certificate"). If an applicable Seller does not provide to Purchaser a Clearance Certificate that is required to be obtained under applicable Law prior to Closing, such applicable Seller will, as promptly as possible following Closing, provide such Clearance Certificate to Purchaser.

(e) Each Canadian Seller shall, if requested by Purchaser, jointly elect with Purchaser in prescribed form and within the prescribed time under section 22 of the ITA and the corresponding provisions of applicable provincial Tax statutes in respect of any accounts receivable transferred by such Canadian Seller pursuant to this Agreement. Each such Canadian Seller and Purchaser agrees to execute and file all necessary documents and instruments to give effect to the elections referred to in this Section 9.1(e).

9.2 Allocation of Purchase Price. For all applicable Tax purposes, Purchaser, Sellers, and their respective Affiliates shall allocate the Purchase Price (and any Assumed Liabilities or other amounts treated as part of the Purchase Price for applicable Tax purposes) among the Acquired Assets, which, in the case of any allocation for U.S. federal (and applicable state and local) income Tax purposes, shall be consistent with the requirements of Section 1060 of the Tax Code and the regulations promulgated thereunder and any similar provision of applicable Tax Law and in accordance with Section 1.5(i)(vi), Schedule 9.2 and the Intended Tax Treatment. To the extent permitted by applicable Law, (i) the amount payable in respect of any Acquired Entity in respect of which an election is made pursuant to Section 338(g) of the Tax Code shall be subject to a separate Section 1060 allocation and, (ii) without limitation of the foregoing, the amounts paid to Sellers by any Designee in respect of the Acquired Assets and Assumed Liabilities transferred to such Designee shall be subject to one or more separate Section 1060 allocations in respect of the set of Acquired Assets purchased by each such Designee. As soon as commercially practicable, but no later than forty-five (45) days following the determination of the final Purchase Price pursuant to Section 2.6, Purchaser shall provide a proposed allocation (the "Allocation") to CTI setting forth the allocation of the Purchase Price (and other amounts treated as part of the Purchase Price for applicable Tax purposes) among the Acquired Assets for Sellers' review and comment. All reasonable comments provided by CTI to Purchaser with respect to the draft Allocation shall be considered by Purchaser in good faith, and the Parties shall negotiate in good faith to resolve any dispute with respect to any changes proposed by CTI with respect to the Allocation. Sellers

and Purchaser acknowledge and agree that a preliminary Allocation may be necessary on a timeframe that is faster than the timeframe set forth above in order to comply with applicable Transfer Tax and withholding Tax obligations, and the Sellers and Purchaser shall cooperate in good faith to agree upon a preliminary Allocation for such purposes. If any item on the Allocation is disputed by a Seller in good faith, the Parties shall negotiate in good faith to resolve any such dispute prior to the Closing Date. If the Parties cannot resolve any disputed item, the item in question shall timely be referred to, and resolved by, the Independent Accountant in accordance with the procedures set forth in Section 2.6(b), *mutatis mutandis*. The Parties and their respective Affiliates shall file all Tax Returns in accordance with the Allocation (as finally agreed upon between the Parties under this Section 9.2) and shall not take any Tax related action inconsistent therewith, in each case, unless otherwise required by a “determination” within the meaning of section 1313(a) of the Tax Code and analogous provisions of applicable Tax Law.

9.3 Cooperation.

(a) Purchaser and Sellers shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns, and any Action, audit, litigation, or other proceeding with respect to Taxes, in the review of any Applicable Seller Prepared Return or Straddle Period Return under Section 9.4(a) and Section 9.4(b), and in connection with any dispute resolution relating to an Applicable Seller Prepared Return or Straddle Period Return under Section 9.4(c). In connection therewith, each Party shall provide the other Party and its Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, and other documents (for the purpose of examining and copying) relating to Taxes of, or with respect to, the Acquired Assets, the Acquired Entities, the Excluded Assets, the Assumed Liabilities or the Excluded Liabilities, in each case, with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of such other Party for the purpose of better understanding the books and records. Unless otherwise consented to in writing by Purchaser, Sellers will not, for a period ending upon the earlier of (i) of three (3) years following the Closing Date and (ii) the closing of the Bankruptcy Case, destroy, alter or otherwise dispose of any of Tax books and records without first offering to surrender to the Purchaser such Tax books and records or any portion thereof that Sellers may intend to destroy, alter or dispose of.

(b) Sellers shall, (i) if requested in writing by Purchaser, within sixty (60) days following the Closing, make, to the extent permitted by Law, an election to close the taxable year of any Acquired Entity formed outside of the United States as of the end of the day on the Closing Date, in accordance with the procedures set forth in Treasury Regulations Section 1.245A-5(e)(3)(i) and (ii) if requested in writing by Purchaser within thirty (30) days following the Closing, make, to the extent permitted by Law, a “check the box” election to treat any of the Acquired Entities formed outside of the United States as a disregarded entity for U.S. federal income tax purposes effective prior to the Closing; provided that no “check the box” election shall be made to the extent it would reasonably be expected to have a non-*de minimis* and adverse effect on Sellers without the prior written consent of Sellers (such consent not to be unreasonably withheld, delayed or conditioned).

(c) The Sellers shall cooperate with Purchaser in providing all information requested by Purchaser in respect of any applicable Seller's GST/HST registration, and each other registration for each provincial sales Tax statute for which such Seller is registered.

9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Sellers shall prepare and timely file, in a manner consistent with past practice except as otherwise required by applicable Law, (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date (other than Tax Returns of the Acquired Entities that are due, including applicable extension, after the Closing Date) (the "Applicable Seller Prepared Returns") and (ii) all income Tax Returns of Sellers. Sellers shall provide Purchaser with a draft of all Applicable Seller Prepared Returns at least thirty (30) days prior to the filing of any such Tax Return to the extent such Applicable Seller Prepared Returns relate to any Acquired Assets or any Assumed Liability. Except if referred to dispute resolution under Section 9.4(c), Sellers shall incorporate any changes reasonably requested by Purchaser with respect to such Tax Returns (for the avoidance of doubt, any changes the absence of which could adversely affect Purchaser, including in the determination of the final Purchase Price pursuant to Section 2.6, shall be considered reasonably requested by Purchaser). Sellers shall be responsible for paying any Taxes reflected on any Tax Return that Sellers are obligated to prepare and file under this Section 9.4(a) other than any Assumed Liability and Purchaser shall be responsible for paying any Taxes reflected on any such Tax Return that is an Assumed Liability.

(b) Purchaser shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets (including the Acquired Entities) for any Tax period beginning before and ending after the Closing Date and (ii) all Tax Returns of the Acquired Entities for taxable periods ending on or before the Closing Date that are due, including applicable extensions, after the Closing Date. Purchaser shall prepare such Tax Returns consistent with past practice except as otherwise required by applicable Law, and shall provide Sellers or their successors in rights, as applicable, with a draft of such Tax Returns at least thirty (30) days prior to the filing of any such Tax Return to the extent any Seller or its successor in rights could reasonably be expected to be liable for any such Taxes under this Agreement. Except if referred to dispute resolution under Section 9.4(c), Purchaser shall incorporate any changes reasonably requested by Sellers with respect to such Tax Returns (for the avoidance of doubt, any changes the absence of which could adversely affect Sellers, including in the determination of the final Purchase Price pursuant to Section 2.6, shall be considered reasonably requested by Sellers). Purchaser shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.4(b) to the extent constituting an Assumed Liability (including, for the avoidance of doubt, all such Taxes of the Acquired Entities).

(c) If any item on an Applicable Seller Prepared Return or a Tax Return prepared by Purchaser under Section 9.4(b) is disputed by the non-preparing party in good faith, the Parties shall negotiate in good faith to resolve any such dispute prior to the date on which the relevant Tax Return is required to be filed. If the Parties cannot resolve any disputed item, the item in question shall timely be referred to, and resolved by, the Independent Accountant in accordance with the procedures set forth in Section 2.6(b), *mutatis mutandis*. The preparing party shall, after prior reasonable consultation with the non-preparing party (or its designated successor), be

permitted to file the Tax Return as previously prepared (reasonably taking into account the non-preparing party's comments), and the relevant Tax Return shall thereafter be adjusted (or amended, if previously filed) to reflect its resolution under this Section 9.4(c).

(d) Purchaser shall not file any amendment to any previously filed Tax Return that has the effect of increasing any Tax that is payable or otherwise borne by Sellers. Purchaser shall be permitted to make an election under Section 338(g) of the Tax Code with respect to any or all of the Acquired Entities.

9.5 Tax Sharing Agreements. On or before the Closing Date, Sellers shall take all actions as may be necessary to terminate all Tax sharing agreements or arrangements (whether written or otherwise), if any, to which any Acquired Entity, on the one hand, and any Seller (or any Affiliate of any Seller that is not an Acquired Entity), on the other hand, are parties, in each case, in a manner such that after the applicable termination, no Acquired Entity will have any past, present, or future Liability thereunder.Straddle Period Allocations. Any Liability for Taxes attributable to a Straddle Period required to be apportioned under this Agreement shall be apportioned as follows: (a) the amount of property, ad valorem, intangible, and other periodic Taxes allocable to the pre-Closing portion of any Straddle Period shall be equal to (i) the amount of such Taxes for the entire Straddle Period multiplied by (ii) a fraction, the numerator of which is the number of calendar days during the Straddle Period that are in the pre-Closing portion of such Straddle Period and the denominator of which is the number of calendar days in the entire Straddle Period; and (b) all Taxes not allocated under clause (a) shall be allocated to the pre-Closing portion of any Straddle Period on the basis of a "closing of the books," as if such taxable period ended as of the end of the day on the Closing Date; provided that, exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions) shall be allocated between the period ending on the Closing Date and the period beginning after the Closing Date in proportion to the number of calendar days in each period; provided that, for the avoidance of doubt, nothing contained in this Section 9.6 shall be construed so as to cause an Assumed Liability to become an Excluded Liability or *vice versa*.

9.7 Tax Treatment. The Parties intend the Transactions to constitute "applicable asset acquisitions" (within the meaning of Section 1060(c) of the Tax Code) pursuant to which the Purchaser (or each of Purchaser and one or more of its Designees, with, for clarity, such Designee being treated as the direct "purchaser" in the "applicable asset acquisition") acquired the entirety of the "trade or business" (within the meaning of Section 1060 of the Tax Code) in respect of which the applicable Acquired Assets and Assumed Liabilities (including, for this purpose, in respect of the Leases subject to Section 1.5(i)) relate, including all "amortizable section 197 intangibles" (within the meaning of Treasury Regulations Section 1.197-2(d)), or rights to use or interests (including beneficial or other indirect interests) in such "amortizable section 197 intangibles" and that no interest in any such "amortizable section 197 intangibles" be treated as having been retained by the Sellers or their Affiliates (the "Intended Tax Treatment"). No Party shall take any position inconsistent with the Intended Tax Treatment on any Tax Return or otherwise, except as otherwise required by a final "determination" (within the meaning of Section 1313 of the Tax Code and analogous provisions of applicable Law).

ARTICLE X MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance at or after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for the applicable statute of limitations plus sixty (60) days, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and the Seller Parties acknowledge and agree, on their own behalf, and with respect to Purchaser, and on behalf of the Purchaser Group that the agreements contained in this Section 10.1 require performance after the Closing to the maximum extent permitted by applicable Law and, if no term is specified, will survive the Closing for the applicable statute of limitations plus sixty (60) days. Purchaser on behalf of itself and the other members of the Purchaser Group hereby waives all rights and remedies with respect to any environmental, health or safety matters, including those arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, or any other Environmental Laws, relating to this Agreement or the Transactions.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein (including Section 1.5, Section 1.7, Section 6.18 and Section 8.2), all fees, costs and expenses (including fees, costs and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby and the consummation of the Transactions will be paid by the Party incurring such fees, costs and expenses; it being acknowledged and agreed that (a) all fees and expenses in connection with any filing or submission required under the HSR Act and the Antitrust Laws or other regulations set forth in Schedule 7.1 will be allocated pursuant to Section 6.4, (b) all Transfer Taxes will be allocated pursuant to Section 9.1 and (c) all Cure Costs will be allocated pursuant to Section 5.2.

10.3 Notices. Except as otherwise expressly provided herein, all notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement will be in writing and will be deemed to have been given (a) when personally delivered, (b) when transmitted by electronic mail upon confirmation of receipt or, if receipt is not confirmed, delivery by another method permitted by this Section 10.3, (c) the day following the day on which the same has been delivered prepaid to a reputable national overnight air courier service or (d) the third Business Day following the day on which the same is sent by certified or registered mail, postage prepaid, in each case, to the respective Party at the number, electronic mail address or street address, as applicable, set forth below, or at such other number, electronic mail address or street address as such Party may specify by written notice to the other Party.

10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order (with respect to the matters covered thereby) and the entry and terms of the Confirmation Order, Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases; provided that, subject to Section 1.7, neither this Agreement nor any of the rights or

obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and CTI (on behalf of the Sellers), and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser may, without the consent of the Sellers, assign all or any portion of its rights or obligations hereunder to any of the Debt Financing Sources pursuant to the terms of the Debt Financing for purposes of creating a security interest herein or otherwise assigning as collateral security in respect of the Debt Financing; provided further that Purchaser may, without the consent of the Sellers, assign all or any portion of its rights or obligations hereunder to a Designee in accordance with Section 1.7.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and CTI (on behalf of the Sellers) or (b) waived only in a writing executed by the Party (or, in the case of any Seller, CTI) against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided in Section 10.7, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 6.13, the directors and officers referred to therein; (ii) for purposes of Section 10.7, the Non-Party Affiliates, and (iii) the Parties hereto and such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. All claims or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or related in any manner to this Agreement or the other Transaction Agreement to which Purchaser or the Sellers are party, may be made only against (and are expressly limited to) the Persons that are expressly identified as parties hereto or thereto (the “Contracting Parties”). In no event shall any Contracting Party have any shared or vicarious Liability for the actions or omissions of any other Person. No Person who is not a Contracting Party, including any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney or representative of, and any financial advisor or Debt Financing Related Party to, any of the foregoing (the “Non-Party Affiliates”), shall have any Liability (whether in contract or in tort, in law or in equity, or granted by statute or based upon any theory that seeks to impose Liability of an entity party against its owners or Affiliates) for any claims, causes of action, obligations or Liabilities arising under, out of, in connection with or related in any manner to this Agreement or the other Transaction Agreements or based on, in respect of, or by reason of this Agreement or the other Transaction Agreements or their negotiation, execution, performance or breach; and, to the maximum extent permitted by Law, each Contracting Party waives and releases all such Liabilities, claims and obligations against any such Non-Party Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance

upon any Non-Party Affiliates with respect to the performance of this Agreement or the other Transaction Agreements to which the Sellers are party or any representation or warranty made in, in connection with, or as an inducement to this Agreement or the other Transaction Agreements. The Parties acknowledge and agree that the Non-Party Affiliates are intended third-party beneficiaries of this Section 10.7 and Section 10.21. Nothing in this Agreement (including this Section 10.7 or Section 10.12(b)) will limit the rights of the parties to the Equity Commitment Letter (or CTI as an intended third party beneficiary of the Equity Commitment Letter solely to the extent set forth therein) but subject to the terms and conditions thereof.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction, unless the severance of any such provision from the remainder of this Agreement would change the economic substance of the Agreement as a whole in a manner that is materially adverse to any Party (and such change is not waived in writing by such affected Person (or, in the case of any Seller, CTI)); provided that the economic substance of the Agreement as a whole shall be deemed to be affected in a manner materially adverse to the Parties if Section 8.2(c) or Section 10.12 is held to be prohibited or invalid.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules to the extent the relevance of such disclosure to such other section of the Schedules or such other representation or warranty set forth in this Agreement is reasonably apparent on the face of such disclosure. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in

the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance.

(a) The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (i) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Sellers nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. The remedies available to Sellers pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit any Seller from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any Action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date will automatically be extended (x) for the period during which such Action is pending, plus ten (10) Business Days or (y) by such other time period established by the court presiding over such Action, as the case may be. In no event will this Section 10.12 be used, alone or together with any other provision of this Agreement, to require any Seller to remedy any breach of any representation or warranty made by any Seller herein.

(b) Notwithstanding anything herein to the contrary, it is hereby acknowledged and agreed that the Sellers shall be entitled to an injunction or injunctions, specific performance or other equitable relief, to cause Purchaser to cause the Equity Financing to be funded or to consummate the Closing if, and only if, (i) Purchaser is required to complete the Closing pursuant to Section 2.3 and Purchaser fails to complete the Closing by the date the Closing is required to have occurred pursuant to Section 2.3, and (ii) the Sellers have confirmed in writing to Purchaser that, if specific performance is granted and the Equity Financing is funded, then the Closing will occur substantially simultaneously therewith.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement (each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Courts, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY

AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 No Right to Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Purchaser pursuant to this Agreement.

10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party hereto or thereto or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.17 Publicity. No Party (including for avoidance of doubt, any Designee) shall, and each Party shall cause its Affiliates not to, issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of Purchaser and CTI, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser (or its Designee) or CTI (on behalf of the Sellers), as applicable, disclosure is otherwise required of such Party (its Affiliates or any Designee) by or advisable under applicable Law or by the Bankruptcy Court or CCAA Court with respect to filings to be made with the Bankruptcy Court or CCAA Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser, any Designee or any Seller (or their respective Affiliates) lists securities or is otherwise consistent with customary reporting obligations of Purchaser or its Designee (or their respective Affiliates); provided that the Party

intending to make such release shall use its reasonable efforts consistent with such applicable Law or Bankruptcy Court or CCAA Court requirement, to the extent reasonably practicable under the circumstances, to consult with each of the other Parties (or, in the case of the Sellers, CTI) with respect to the form and text thereof. Notwithstanding any of the foregoing, Purchaser (or its applicable Designee) shall at all times be entitled to provide (in a non-public manner) general information concerning the Transactions to its direct or indirect investors, limited partners, prospective investors, Advisors or the Debt Financing Related Party, for the purpose of fundraising, marketing or reporting or informational activities, in each case, without obtaining the prior approval of any other Party, so long as such Persons have an obligation to maintain the confidentiality of such information and Purchaser (or its applicable Designee) shall be liable for their failure to do so. No Party (or its applicable Designee) shall be required to obtain any prior written approval or otherwise comply with this Section 10.17 to the extent any proposed release or announcement is consistent with and not containing more non-public information than has previously been made public without breach of the obligations under this Section 10.17. All publicity concerning the Transactions shall be jointly planned, coordinated, approved and released by the Parties; provided, however, that nothing herein shall prohibit either Party (or a Designee) from making any press release (other than the initial press release) or disclosure as may be permitted pursuant to this Section 10.17, so long as such press release or public disclosure is (a) to the extent reasonably practicable under the circumstances, jointly coordinated and discussed by the Parties (acting reasonably and in good faith) and (b) consistent with and no more expansive than prior disclosures made in accordance with Section 10.17. Notwithstanding the foregoing, the initial press release in respect of the Transactions shall be issued on the date hereof and shall be in the form mutually agreed by the Parties in writing.

10.18 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer Laws except Permitted Post-Closing Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Confirmation Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

10.19 Release.

(a) Effective upon the Closing Date, each Seller on behalf of itself and its Affiliates and its respective directors, officers, control persons (as defined in Section 15 of the Securities Act or Section 20 of the Exchange Act), members, employees, agents, attorneys, financial advisors, consultants, legal representatives, shareholders, partners, estates, successors and assigns solely in their capacity as such, and any of their respective agents, attorneys, financial advisors, legal advisors, Affiliates, directors, managers, officers, control persons, shareholders, members or employees, in each case, solely in their capacity as such (each a “Related Party” and collectively, the “Related Parties”) acknowledges that it has no claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against Purchaser or its Related Parties that directly or indirectly arises out of, is based upon, or is in any manner connected with any transaction, event, circumstances, action, failure to act or occurrence of any sort or type in connection with the Transactions, the Acquired Assets or Assumed Liabilities, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was

taken or begun prior to the consummation of the Transactions (any and all such direct or derivative claims, collectively, the “Seller Released Claims”); and, should any Seller Released Claims nonetheless exist, each Seller on behalf of itself and its Related Parties hereby (i) releases and discharges Purchaser and its Related Parties from any Liability whatsoever on such Seller Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with any such transaction, event, circumstances, action, failure to act or occurrence of any sort or type, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions, and (ii) releases, remises, waives and discharges all such Seller Released Claims against Purchaser and its Related Parties; provided that nothing herein shall release Purchaser or a Seller of its obligations under this Agreement or the other Transaction Agreements.

(b) Effective upon the Closing Date, Purchaser on behalf of itself and its Affiliates acknowledges that it has no claim, counterclaim, setoff, recoupment, Action or cause of action of any kind or nature whatsoever against any Seller that directly or indirectly arises out of, is based upon, or is in any manner connected with any transaction, event, circumstances, action, failure to act or occurrence of any sort or type in connection with the Transactions, the Acquired Assets or Assumed Liabilities, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions (any and all such direct or derivative claims, collectively, the “Purchaser Released Claims”); and should any Purchaser Released Claim nonetheless exist, each Purchaser on behalf of itself and its Affiliates hereby (i) releases and discharges each Seller from any Liability whatsoever on Purchaser Released Claims that directly or indirectly arises out of, is based upon, or is in any manner connected with any such transaction, event, circumstances, action, failure to act or occurrence of any sort or type, including any approval or acceptance given or denied, whether known or unknown, which occurred, existed, was taken or begun prior to the consummation of the Transactions contemplated hereunder, and (ii) releases, remises, waives and discharges all such Purchaser Released Claims against each Seller; provided that nothing herein shall release a Purchaser or a Seller of its obligations under this Agreement or the other Transaction Agreements.

(c) Without limiting in any way the scope of the release contained in this Section 10.19 and effective upon the Closing Date, each Seller, to the fullest extent allowed under applicable Law, hereby waives and relinquishes all statutory and common law protections purporting to limit the scope or effect of a general release, whether due to lack of knowledge of any claim or otherwise, including, waiving and relinquishing the terms of any Law which provides that a release may not apply to material unknown claims. Each Seller hereby affirms its intent to waive and relinquish such unknown claims and to waive and relinquish any statutory or common law protection available in any applicable jurisdiction with respect thereto.

10.20 Sellers’ Representative. Each Party agrees that CTI has the power and authority to unilaterally act on behalf of all or any of the Sellers for the purposes of this Agreement and the other Transaction Agreements. Such power will include the power to make all decisions, actions, Consents and determinations on behalf of the Sellers, including to make any waiver of any Closing condition or agree to any amendment to this Agreement. No Seller shall have any right to object, dissent, protest or otherwise contest the same. Purchaser shall be entitled to rely on any action or omission taken by CTI on behalf of the Sellers. Purchaser and its Affiliates may rely exclusively,

without independent verification or investigation, upon all decisions, communications or writings made, given or executed by CTI on behalf of the other Seller in connection with this Agreement, the other Transaction Agreements and the Transactions. Purchaser shall be entitled to disregard any decisions, communications or writings made, given or executed by any Seller in connection with this Agreement, the other Transaction Agreements and the Transactions unless the same is made, given or executed by CTI on behalf of the Sellers. Notwithstanding anything to the contrary set forth herein, Purchaser and its Affiliates shall not be liable for any Liability to any Person, including any Seller, for any action taken or not taken by CTI on behalf of the Sellers or for any act or omission taken or not taken in reliance upon the actions taken or not taken or decisions, communications or writings made, given or executed by CTI on behalf of the Sellers.

10.21 Debt Financing Sources. On September 28, 2023, KCC posted links to the electronic versions of the Plan, Disclosure Statement, the Disclosure Statement Order, the Cover Letter, the Solicitation Procedures, the Notice of Non-Voting Status, and the Confirmation Hearing Notice on the public access website at www.kccllc.net/cyxtera.

7. On October 2, 2023, the Publication Notice was published in *The New York Times* (national edition) and the *Financial Times* (global edition). Affidavits evidencing the publication of the Publication Notice were filed with the Court on October 3, 2023 [Docket Nos. 572, 573].

8. KCC also forwarded Solicitation Packages and Confirmation Hearing Notices to voting and creditor matrix parties, as applicable, whose packages were returned with a forwarding address or if an alternate address was available. The supplemental certificates of service evidencing

³ Class 5 (Section 510 Claims) does not include any claims and was omitted from service.

the foregoing were filed with the Court on November 11, 2023 [Docket Nos. 682, 683] (together with certificates of service filed on October 12, 2023, and November 11, 2023, the “Solicitation Certificates”).

9. On November 1, 2023, the Debtors filed the *Notice of Sale Transaction* [Docket No. 648]. The *Notice of Sale Transaction* was also served on the Voting and Non-Voting Classes, as applicable, and the certificate of service evidencing the foregoing was filed with the Court on November 12, 2023 [Docket No. 684].

B. The Tabulation Process

10. The Disclosure Statement Order established September 14, 2023 as the Voting Record Date to determine which Holders of Claims and Interests were entitled to receive the Solicitation Package or the Notice of Non-Voting Status and an Opt Out Form, as applicable. Pursuant to the Disclosure Statement Order, Holders of Claims in Class 3 (First Lien Claims) and Class 4 (General Unsecured Claims) were entitled to vote to accept or reject the Plan. No other Classes were entitled to vote on the Plan.

11. In accordance with the Solicitation Procedures, KCC worked closely with the Debtors’ advisors to identify the Holders of Claims in the Voting Classes entitled to vote as of the Voting Record Date, and to coordinate the distribution of Solicitation Packages to such Holders. A detailed description of KCC’s distribution of Solicitation Packages is set forth in the Solicitation Certificates.

12. In accordance with the Solicitation Procedures, KCC received, reviewed, determined the validity of, and tabulated the Ballots submitted to vote on the Plan. Each Ballot submitted to KCC was date-stamped, scanned, assigned a Ballot number, entered into KCC’s voting database, and processed. To be included in the tabulation results as valid, a Ballot must have been (a) properly

completed pursuant to the Solicitation Procedures, (b) executed by the relevant Holder entitled to vote on the Plan (or such Holder’s representative), (c) returned to KCC via an approved method of delivery set forth in the Solicitation Procedures unless the delivery method requirement was waived by the Debtors, and (d) received by KCC on or before November 7, 2023, at 4:00 p.m. (prevailing Eastern Time) (the “Voting Deadline”). KCC completed its final tabulation of the Ballots on November 8, 2023, following a complete review and audit of all Ballots received.

13. The final tabulation of votes cast by timely (unless the Debtors directed KCC to count a Ballot received after the Voting Deadline) and properly completed Ballots received by KCC is set forth below:

Total Ballots Received			
Accept		Reject	
Number (% of Number)	Amounts (% of Amount)	Number (% of Number)	Amount (% of Amount)
Class 3 – First Lien Claims			
393 (100%)	\$919,446,609.77 (100%)	0 (0%)	0.00 (0%)
Class 4 – General Unsecured Claims			
61 (95.31%)	\$50,788,075.41 (84.82%)	3 (4.69%)	\$9,091,895.07 (15.18%)

C. Ballots That Were Not Counted

14. A report of any Ballots from parties in the Voting Classes excluded from the final tabulation, and the reasons for exclusion of such Ballots, is attached hereto as **Exhibit A**. All such Ballots were not counted for the following reason: the Ballot did not indicate an acceptance or rejection of the Plan (*i.e.*, an “abstained” vote).

D. Opt-Out Election

15. KCC also reviewed and documented elections recorded on (i) the Ballots from Holders of Claims in the Voting Classes that abstained or rejected the Plan and checked the box on such Ballot to opt out of the Third-Party Release, and (ii) the Opt-Out Forms from non-voting

Holders of Claims and Interests. A report of all Entities who opted out of the Third-Party Release by checking the opt-out box on the Opt Out Form or checked the opt-out box and abstained or rejected the Plan on their Ballot is attached hereto as **Exhibit B**. As further detailed in **Exhibit B**, the opt out process for Class 8 (Existing Equity Interests) proved successful based on the participation rates. Notably, 190 Holders of Class 8 Claims, holding approximately 5.4 million shares elected to opt out of the Third-Party Release. For the avoidance of doubt, this Declaration does not certify the validity or enforceability of any opt-out elections received, including those reported on **Exhibit B**, but rather is providing these opt-out election results for reporting and informational purposes only.

To the best of my knowledge, information and belief, the foregoing information concerning the distribution, submission, and tabulation of Ballots in connection with the Plan is true.

INTRODUCTION

Cyxtera Technologies, Inc. and the above-captioned debtors and debtors in possession propose the Plan for the resolution of the outstanding Claims against and Interests in the Debtors pursuant to chapter 11 of the Bankruptcy Code. Capitalized terms used herein and not otherwise defined have the meanings ascribed to such terms in Article I.A of the Plan. Although proposed jointly for administrative purposes, the Plan constitutes a separate Plan for each Debtor for the resolution of outstanding Claims and Interests pursuant to the Bankruptcy Code. Holders of Claims against or Interests in the Debtors may refer to the Disclosure Statement for a discussion of the Debtors' history, businesses, assets, results of operations, historical financial information, and projections of future operations as well as a summary and description of the Plan, the Restructuring Transactions, and certain related matters. The Debtors are the proponents of the Plan within the meaning of section 1129 of the Bankruptcy Code.

ALL HOLDERS OF CLAIMS ENTITLED TO VOTE ON THE PLAN ARE ENCOURAGED TO READ THE PLAN AND THE DISCLOSURE STATEMENT IN THEIR ENTIRETY BEFORE VOTING TO ACCEPT OR REJECT THE PLAN.

ARTICLE I. DEFINED TERMS, RULES OF INTERPRETATION, COMPUTATION OF TIME, AND GOVERNING LAW

A. Defined Terms.

As used in the Plan, capitalized terms have the meanings set forth below.

1. “*Acquired Assets*” has the meaning set forth in the Purchase Agreement.

On the Effective Date, the Post-Effective Date Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals. Such funds shall not be considered property of the Estates of the Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable. The amount of Professional Fee Claims owing to the Professionals shall be paid in Cash to such Professionals by the Post-Effective Date Debtors from the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed. When all such Allowed amounts owing to Professionals have been paid in full, any remaining amount in the Professional Fee Escrow Account shall promptly be paid to the Post-Effective Date Debtors, without any further action or order of the Bankruptcy Court; *provided, however*, in the event of a Sale Transaction, any remaining amount in the professional Fee Escrow Account shall constitute Residual Cash and be distributable to Holders of Allowed First Lien Claims.

3. Professional Fee Amount.

Professionals shall reasonably estimate their unpaid Professional Fee Claims and other unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Effective Date and shall deliver such estimates to the Debtors no later than three (3) Business Days before the Effective Date; *provided, however*, that such estimate shall not be deemed to limit the amount of the fees and expenses that are the subject of the Professional's final request for payment of Filed Professional Fee Claims. If a Professional does not provide an estimate, the Debtors or the Post-Effective Date Debtors, as applicable, may estimate the unpaid and unbilled fees and expenses of such Professional.

4. Post-Confirmation Fees and Expenses.

Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Debtors shall, in the ordinary course of business and without any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Debtors. Upon the Confirmation Date, any requirement that Professionals comply with sections 327–331, 363, and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, may employ and pay any Professional in the ordinary course of business without any further notice to or action, order, or approval of the Bankruptcy Court.

D. Priority Tax Claims.

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, settlement, release, and discharge of and in exchange for each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall receive Cash equal to the full amount of its Claim or such other treatment in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code.

E. Payment of Restructuring Expenses.

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date, shall be paid in full in Cash on the Effective Date or as reasonably practicable thereafter (to the extent not previously paid during the course of the Chapter 11 Cases) in accordance with, and subject to, the terms set forth herein and in the RSA, without any requirement to File a fee application with the Bankruptcy Court, without the need for itemized time detail, and without any requirement for Bankruptcy Court review or approval. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date, and such estimates shall be delivered to the Debtors at least three (3) Business Days before the anticipated Effective Date; *provided, however*, that such estimates shall not be considered an admission or limitation with respect to such Restructuring Expenses. On the Effective Date, invoices for all Restructuring Expenses incurred prior to and as of the Effective Date shall be submitted to the Debtors. In addition, the Debtors and the Post-Effective Date Debtors (as applicable) shall continue to pay, when due and payable in the ordinary course, Restructuring Expenses arising directly out of the implementation of the Plan and Consummation thereof without any requirement for review or approval by the Bankruptcy Court or for any party to File a fee application with the Bankruptcy Court.

F. Receivables Program Claims.

All Receivables Program Claims shall be Allowed Claims. On the Effective Date, unless otherwise agreed to by the Holder of a Receivables Program Claim, the Allowed Receivables Program Claims will be satisfied in full in Cash by the applicable Debtor or Post-Effective Date Debtor in accordance with the terms of the Receivables Program Documents. On the Effective Date, or as soon as reasonably practicable thereafter, all fees and expenses incurred by the advisors to the parties to the Receivables Program shall be paid in full in Cash to the extent required under the Final Receivables Program Order.

**ARTICLE III.

The Debtors shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Interests. Subject to the consent rights set forth in the RSA and the Purchase Agreement, the Debtors reserve the right to modify the Plan in accordance with Article X of the Plan to the extent that Confirmation pursuant to section 1129(b) of the Bankruptcy Code requires modification, including by modifying the treatment applicable to a Class of Claims or Interests to render such Class of Claims or Interests Unimpaired to the extent permitted by the Bankruptcy Code and the Bankruptcy Rules.

Pursuant to section 510 of the Bankruptcy Code, and subject to the RSA, the Post-Effective Date Debtors reserve the right to re-classify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

**ARTICLE IV.
MEANS FOR IMPLEMENTATION OF THE PLAN**

A. General Settlement of Claims and Interests.

To the greatest extent permissible under the Bankruptcy Code, and in consideration of the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan. To the greatest extent permissible under the Bankruptcy Code, the Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies, and entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests. Subject to Article VI hereof, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

B. Restructuring Transactions.

Before, on, and after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, shall consummate the Restructuring Transactions and may take all actions (which, for the avoidance of doubt, shall in each case be in form, substance, and structure reasonably acceptable to the Required Consenting Term Lenders and, solely with respect to items (i), (ii), (viii), and (ix), subject to the consent rights set forth in the Purchase Agreement in the event of a Sale Transaction) as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan that are consistent with and pursuant to the terms and conditions of the Plan, including, as applicable: (i) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, formation, organization, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (ii) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, the RSA, and the other Definitive Documents; (iii) the execution, delivery, and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (iv) the execution and delivery of the New Takeback Facility Documents and entry into the New Takeback Facility; (v) the issuance and distribution of the New Common Stock as set forth in the Plan; (vi) the implementation of the Management Incentive Plan; (vii) the execution and delivery of the New Organizational Documents and any certificates or articles of incorporation, bylaws, or such other applicable formation documents (if any) of each Post-Effective Date Debtor (including all actions to be taken, undertakings to be made, obligations to be incurred, and fees and expenses to be paid by the Debtors and/or the Post-Effective Date Debtors, as applicable); (viii) the execution of a Purchase Agreement and consummation of a Sale Transaction in accordance therewith; (ix) such other transactions that, in the reasonable

business judgment of the Debtors or the Post-Effective Date Debtors, as applicable, the Required Consenting Term Lenders (in the event of a Recapitalization Transaction), and the Purchaser (in the event of a Sale Transaction), are required to effectuate the Restructuring Transactions; and (x) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Confirmation Order shall and shall be deemed to, pursuant to sections 105, 363, 1123, and 1141 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including the Asset Sale in the event of an Asset Sale.

The Debtors shall pursue the Recapitalization Transaction unless the Debtors determine, with the consent of the Required Consenting Term Lenders, to pursue an Equity Investment Transaction or an Asset Sale.

C. The Equity Investment Transaction or Recapitalization Transaction.

If the Equity Investment Transaction or Recapitalization Transaction occurs, the following provisions shall govern.

1. The Post-Effective Date Debtors.

On the Effective Date, the New Board shall be established, and each Post-Effective Date Debtor shall adopt its New Organizational Documents. The Post-Effective Date Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary to consummate the Plan.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund or make distributions under the Plan, as applicable, with: (i) the issuance of New Takeback Facility Loans under the New Takeback Facility, (ii) the proceeds from the Equity Investment Transaction; (iii) the New Common Stock, (iv) the GUC Trust Net Assets, and (v) the Debtors' Cash on hand. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. The issuance, distribution, or authorization, as applicable, of certain Securities in connection with the Plan, including the New Common Stock, will be exempt from Securities Act registration, as described more fully in Article IV.C.5 below.

(a) The New Takeback Facility.

In the event of a Recapitalization Transaction, on the Effective Date, the Post-Effective Date Debtors shall enter into the New Takeback Facility Credit Agreement. Confirmation of the Plan shall be deemed approval of the New Takeback Facility and the New Takeback Facility Documents, as applicable, and all transactions contemplated thereby; all actions to be taken, undertakings to be made, and obligations to be incurred by the Post-Effective Date Debtors in connection therewith, including the payment of all fees, indemnities, expenses, and other payments provided for therein; and authorization for the Post-Effective Date Debtors to enter into and execute the New Takeback Facility Documents and such other documents as may be required to effectuate the treatment afforded by the New Takeback Facility. Execution of the New Takeback Facility Credit Agreement by the New Takeback Facility Agent shall be deemed to bind all Holders of DIP Claims as if each such Holder had executed the New Takeback Facility Credit Agreement with appropriate authorization.

On the Effective Date, all of the Liens and security interests to be granted in accordance with the New Takeback Facility Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the New Takeback Facility Documents, (c) shall be deemed automatically perfected on the Effective Date, subject only to such Liens and security interests as may be permitted under the New Takeback Facility Documents, and (d) shall not be subject

to recharacterization or equitable subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Post-Effective Date Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

(b) New Common Stock.

Reorganized Cyxtera shall be authorized to issue a certain number of shares of New Common Stock pursuant to its New Organizational Documents and any options or other equity awards, if any, reserved for the Management Incentive Plan. The issuance of the New Common Stock shall be authorized without the need for any further corporate action. On the Effective Date, the New Common Stock shall be issued and distributed pursuant to, and in accordance with, the Plan, and, in the event of an Equity Investment Transaction, the Purchase Agreement.

All of the shares of New Common Stock issued pursuant to the Plan and, if applicable, the Purchase Agreement shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI hereof shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, including the New Organizational Documents, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Common Stock shall be deemed to constitute its agreement to the New Organizational Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms, without the need for execution by any party thereto other than the applicable Post-Effective Date Debtor(s). The New Common Stock will not be registered under the Securities Act or on any national securities exchange as of the Effective Date.

3. Corporate Existence.

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate Entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which such Debtor is incorporated or formed and pursuant to the certificate of incorporation and bylaws (or other formation documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). On or after the Effective Date, the respective certificate of incorporation and bylaws (or other formation documents) of one or more of the Post-Effective Date Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. On or after the Effective Date, one or more of the Post-Effective Date Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

4. Plan Implementation.

In the event of an Equity Investment Transaction, on the Effective Date, the Purchaser shall purchase substantially all of the New Common Stock free and clear of all Liens, Claims, Interests, charges, or other encumbrances in exchange for the Purchase Price set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Purchaser, and the Post-Effective Date Debtors, as applicable, to undertake the

transactions contemplated by the Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

The Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Equity Investment Transaction pursuant to the terms of the Purchase Agreement and the Plan. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

5. New Organizational Documents.

On or immediately prior to the Effective Date, the New Organizational Documents shall be adopted or amended as may be necessary to effectuate the transactions contemplated by the Plan. To the extent required under the Plan or applicable non-bankruptcy law, each of the Post-Effective Date Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation to the extent such filing is required for each such document. The New Organizational Documents will prohibit the issuance of non-voting Equity Securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. For the avoidance of doubt, the New Organizational Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Post-Effective Date Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents, and the Post-Effective Date Debtors may file such amended certificates or articles of incorporation, bylaws, or other applicable formation and constituent documents as permitted by the laws of the applicable states, provinces, or countries of incorporation and the New Organizational Documents. For the avoidance of doubt, any claimant's acceptance of the New Common Stock shall be deemed to constitute its agreement to be bound by the New Organizational Documents without the need for execution by any party other than the Post-Effective Date Debtors.

6. Certain Securities Law Matters.

Pursuant to section 1145 of the Bankruptcy Code, or, to the extent that section 1145 of the Bankruptcy Code is either not permitted or not applicable, section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, the offering, issuance, and distribution of the New Common Stock as contemplated herein shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. federal, state, or local laws requiring registration prior to the offering, issuance, distribution, or sale of securities.

The shares of New Common Stock to be issued under the Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, compliance with any applicable state or foreign securities laws, if any, and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Common Stock in the New Organizational Documents.

The shares of New Common Stock that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered "restricted securities," will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act.

7. Management Incentive Plan.

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to 10% of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

8. Employment Obligations.

Unless otherwise provided herein, and subject to Article V of the Plan, if applicable, all employee wages, compensation, retiree benefits (as defined in 11 U.S.C. § 1114(a) of the Bankruptcy Code), and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Post-Effective Date Debtors and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to section 1129(a)(13) of the Bankruptcy Code, as of the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Post-Effective Date Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Post-Effective Date Debtors, such employee, and the Required Consenting Term Lenders and, in the event of an Equity Investment Transaction, the Purchaser.

D. *The Asset Sale.*

If the Asset Sale occurs, the following provisions shall govern.

1. The Asset Sale.

On the Effective Date, the Debtors shall consummate the Sale Transaction contemplated by the Purchase Agreement. Following the discharge of the Debtors pursuant to Section 1141 of the Bankruptcy Code and as set forth in this Plan and the Confirmation Order, the Acquired Assets shall, to the extent set forth in the Purchase Agreement, be transferred to and vest in the Purchaser free and clear of all Liens, Claims, Interests, charges, or other encumbrances (except for those Liens, Claims, Interests, charges, or other encumbrances expressly assumed by the Purchaser pursuant to the terms of the Purchase Agreement) in exchange for the Purchase Price as set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Post-Effective Date Debtors, and the Purchaser, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 105, 363, 365, 1123(a)(5)(B), 1123(a)(5)(D), 1123(b)(4), 1141(b), and 1141(c) of the Bankruptcy Code. From and after the Effective Date, except as expressly set forth in the Purchase Agreement, neither the Purchaser nor any of its affiliates shall be liable for any Claims, Administrative Claims, or other liabilities of the Debtors or the Post-Effective Date Debtors, which shall be payable solely in accordance with this Plan and from the proceeds of the Asset Sale and the other assets of the Debtors or Post-Effective Date Debtors, as applicable, that do not constitute Assumed Liabilities (as defined in the Purchase Agreement) or that were not otherwise transferred or assigned to the Purchaser or any of its affiliates pursuant to the Purchase Agreement.

Subject to the consent rights set forth in the RSA, the Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan, as well as to execute, deliver, file, record, and issue any note, documents, or agreements in connection therewith, without further notice to or order of the Bankruptcy Court; act or action under applicable law, regulation, order, rule; or the vote, consent, authorization, or approval of any Entity. Upon entry of the Confirmation Order by the Bankruptcy Court, all matters provided for under the Sale Transaction and the Plan, and any documents in connection therewith, shall be deemed authorized and approved without any requirement of further act or action by the Debtors. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors or the Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or

approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors' Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

3. Post-Effective Date Debtors.

On and after the Effective Date, the Post-Effective Date Debtors shall continue in existence for purposes of (i) winding down the Debtors' business and affairs as expeditiously as reasonably possible as authorized by the Bankruptcy Court; (ii) resolving Disputed Claims; (iii) making distributions on account of Allowed Claims as provided hereunder; (iv) establishing and funding the Distribution Reserve Accounts; (v) enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in an efficacious manner and only to the extent the benefits of such enforcement or prosecution are reasonably believed to outweigh the costs associated therewith; (vi) filing appropriate tax returns; (vii) complying with any continuing obligations under the Purchase Agreement; and (viii) administering the Plan in an efficacious manner. The Post-Effective Date Debtors shall be deemed to be substituted as the party-in-lieu of the Debtors in all matters, including (x) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (y) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Notwithstanding anything to the contrary in the Plan, on the Effective Date, any Cause of Action not settled, released, discharged, enjoined, or exculpated under the Plan or transferred pursuant to the Purchase Agreement on or prior to the Effective Date shall vest in the Post-Effective Date Debtors and shall be subject to administration by the Plan Administrator, and the net proceeds thereof shall be Distributable Consideration.

4. Plan Administrator.

On the Effective Date, the authority, power, and incumbency of the persons acting as managers, directors, and officers of the Post-Effective Date Debtors shall be deemed to have resigned, solely in their capacities as such, and the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The Plan Administrator shall act for the Post-Effective Date Debtors in the same fiduciary capacity as applicable to a board of managers, directors, and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, and related documents are deemed amended by the Plan to permit and authorize the same) and shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan in accordance with the Wind Down and as otherwise provided in the Confirmation Order.

From and after the Effective Date, the Plan Administrator shall be the sole representative of, and shall act for, the Post-Effective Date Debtors. The foregoing shall not limit the authority of the Post-Effective Date Debtors or the Plan Administrator, as applicable, to continue the employment of any former manager or officer. The Debtors, after the Confirmation Date, and the Post-Effective Date Debtors or Plan Administrator, after the Effective Date, shall be permitted to make payments to employees pursuant to employment programs then in effect, and, in the reasonable business judgment of the Plan Administrator and upon three (3) Business Days' notice to counsel to the

AHG, to implement additional employee programs and make payments thereunder solely as necessary to effectuate the Wind Down, without any further notice to or action, order, or approval of the Bankruptcy Court.

The powers of the Plan Administrator shall include any and all powers and authority to implement the Plan and to administer and distribute the Distribution Reserve Accounts and wind down the business and affairs of the Debtors and Post-Effective Date Debtors, including: (i) making distributions under the Plan; *provided* that, prior to making final distributions as contemplated herein and until all letters of credit issued under the First Lien Credit Agreement are replaced and cancelled, are drawn, or expire pursuant to their terms, the Plan Administrator or the Disbursing Agent, at the election of the Debtors or the Post-Effective Date Debtors, as applicable, shall reserve an amount of Distributable Consideration or New Common Stock, as applicable, on account of the Undrawn LC Facility Claims equal to the incremental distributions to which such Holders of First Lien Claims would be entitled if all undrawn letters of credit issued under the First Lien Credit Agreement were drawn and funded as contemplated therein (the “Undrawn LC Facility Claims Reserve”); (ii) liquidating, receiving, holding, investing, supervising, and protecting the assets of the Post-Effective Date Debtors in accordance with the Wind-Down Reserve; (iii) taking all steps to execute all instruments and documents necessary to effectuate the distributions to be made under the Plan; (iv) making distributions from the Distribution Reserve Accounts as contemplated under the Plan; (v) establishing and maintaining bank accounts in the name of the Post-Effective Date Debtors; (vi) subject to the terms set forth herein, employing, retaining, terminating, or replacing professionals to represent it with respect to its responsibilities or otherwise effectuating the Plan to the extent necessary; (vii) paying all reasonable fees, expenses, debts, charges, and liabilities of the Post-Effective Date Debtors; (viii) except as otherwise provided for herein, enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in accordance with Article IV.E; (ix) administering and paying taxes of the Post-Effective Date Debtors, including filing tax returns; (x) representing the interests of the Post-Effective Date Debtors or the Estates before any taxing authority in all matters, including any action, suit, proceeding, or audit; (xi) in the event of a Sale Transaction, discharging the Sellers’ and the Post-Effective Date Debtors’ Post-Effective Date obligations under the Purchaser Agreement; and (xii) exercising such other powers as may be vested in it pursuant to order of the Bankruptcy Court or pursuant to the Plan, the Confirmation Order, or any applicable orders of the Bankruptcy Court or as the Plan Administrator reasonably deems to be necessary and proper to carry out the provisions of the Plan in accordance with the Wind-Down Reserve.

To the extent that undrawn letters of credit issued under the First Lien Credit Agreement are drawn after the Distribution Record Date, such Undrawn LC Facility Claims, if any, shall be satisfied from the Undrawn LC Facility Claims Reserve. The Plan Administrator shall hold in the Undrawn LC Facility Claims Reserve all dividends, payments, and other distributions made on account of, as well as any obligations arising from, the property held in the Undrawn LC Facility Claims Reserve, to the extent that such property continues to be so held at the time such distributions are made or such obligations arise. For the avoidance of doubt, the foregoing shall not affect distributions to holders of First Lien Claims on account of drawn letters of credit as of the Distribution Record Date.

(a) Retention of Professionals.

The Plan Administrator shall have the right to retain the services of attorneys, accountants, and other professionals that, at the discretion of the Plan Administrator, are necessary to assist the Plan Administrator in the performance of his or her duties for the Post-Effective Date Debtors. The reasonable fees and expenses of such professionals, if applicable, shall be paid from the Wind-Down Reserve upon the monthly submission of statements to the Plan Administrator. The payment of the reasonable fees and expenses of the Post-Effective Date Debtors’ retained professionals shall be made in the ordinary course of business from the Wind-Down Reserve and shall not be subject to the approval of the Bankruptcy Court.

(b) Compensation of the Plan Administrator.

The Plan Administrator’s compensation, on a post-Effective Date basis, shall be as described in the Plan Supplement, reasonably acceptable to the Required Consenting Term Lenders, and paid out of the Wind-Down Reserve. Except as otherwise ordered by the Bankruptcy Court, the fees and expenses incurred by the Plan Administrator on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including attorney fees and expenses) made by the Plan Administrator in connection with

such Plan Administrator's duties shall be paid without any further notice to, or action, order, or approval of, the Bankruptcy Court in Cash from the Wind-Down Reserve if such amounts relate to any actions taken hereunder.

(c) Plan Administrator Expenses.

All costs, expenses, and obligations incurred by the Plan Administrator or the Post-Effective Date Debtors in administering the Plan or in effecting distributions thereunder (including the reimbursement of reasonable expenses), including any costs, expenses, or obligations in any manner connected, incidental, or related thereto, shall be paid from the Wind-Down Reserve.

The Debtors and the Plan Administrator, as applicable, shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. However, in the event that the Plan Administrator is so ordered after the Effective Date, all costs and expenses of procuring any such bond or surety shall be paid for with Cash from the Wind-Down Reserve.

(d) Exculpation, Indemnification, Insurance, and Liability Limitation.

The Plan Administrator and all professionals retained by the Plan Administrator, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Post-Effective Date Debtors. The Plan Administrator may obtain, at the expense of the Post-Effective Date Debtors and with funds from the Wind-Down Reserve, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Post-Effective Date Debtors. The Plan Administrator may rely upon written information previously generated by the Debtors.

(e) Tax Returns.

After the Effective Date, the Plan Administrator shall complete and file all final or otherwise required federal, state, and local tax returns for each of the Debtors and, pursuant to section 505 of the Bankruptcy Code and subject to applicable law, may request an expedited determination of any unpaid tax liability of such Debtor or its Estate.

(f) Dissolution of the Post-Effective Date Debtors.

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made, completion of all of its duties under the Plan and the Purchase Agreement, and entry of a final decree closing the last of the Chapter 11 Cases, the Post-Effective Date Debtors shall be deemed to be dissolved without any further action by the Post-Effective Date Debtors, including the filing of any documents with the secretary of state for the state in which each Post-Effective Date Debtor is formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Post-Effective Date Debtors in and withdraw the Post-Effective Date Debtors from applicable state(s).

To the extent the Debtors have any Cash or other property remaining after the Chapter 11 Cases have been closed, such Cash or other property shall constitute Residual Cash and shall be immediately allocated and distributable to the Holders of Allowed First Lien Claims.

5. Wind Down.

As soon as practicable after the Effective Date, the Plan Administrator shall: (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby; (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of

directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

The filing of the final monthly report (for the month in which the Effective Date occurs) and all subsequent quarterly reports shall be the responsibility of the Plan Administrator.

E. Preservation of Causes of Action.

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article VIII hereof and, in the event of a Sale Transaction, the Purchase Agreement and any related documents and schedules, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action (i) acquired by the Purchaser in accordance with the Purchase Agreement, as applicable, or (ii) released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as may be assigned or transferred to the Purchaser in accordance with the Purchase Agreement or as otherwise expressly provided in the Plan, including Article VIII of the Plan.** Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims, and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no instance will any Cause

of Action preserved pursuant to this Article IV.E include any Claim or Cause of Action against a Released Party or Exculpated Party.

F. Cancellation of Existing Agreements and Interests.

On the Effective Date, except with respect to the New Takeback Facility or to the extent otherwise provided in the Plan, including in Article V.A hereof, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including the First Lien Credit Documents and all other credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto, including any Liens and/or claims in connection therewith, shall be deemed satisfied in full, cancelled, discharged, released, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification and participation by the other lenders in letters of credit under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents; *provided* that any such rights to indemnification shall remain binding and enforceable only as against the Post-Effective Date Debtors and shall not (i) be subject to discharge, impairment, or release under the Plan or the Confirmation Order or (ii) be asserted against the Purchaser, any of its Affiliates, or their respective property or assets, including any Acquired Entity (as defined in the Purchase Agreement).

G. Section 1146 Exemption.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Post-Effective Date Debtor, as applicable, or to or from any other Person) of property under the Plan or pursuant to: (i) the issuance, Reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Post-Effective Date Debtors, as applicable; (ii) the Restructuring Transactions; (iii) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iv) the making, assignment, or recording of any lease or sublease; (v) the grant of collateral as security for the New Takeback Facility; (vi) the Sale Transaction and any agreement, acquisition, or transaction entered into by the Purchaser or any of its affiliates in connection with the Sale Transaction or in furtherance thereof, including any acquisitions of real or personal property by the Purchaser or its affiliates from one or more of the Debtors' creditors or landlords in connection with consummation of the Sale Transaction or from other parties in connection with the closing of the Sale Transaction and/or integral to the financing thereof; or (vii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax, fee, or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax, fee, or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146 of the Bankruptcy Code, shall forego the collection of any such tax, fee, or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment.

H. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including, as and if applicable: (i) selection of the directors, officers, or managers for the Post-Effective Date Debtors; (ii) the issuance and distribution of the New Common Stock; (iii) implementation of the Restructuring Transactions; (iv) entry into the New Takeback Facility Documents; (v) all other actions

contemplated under the Plan (whether to occur before, on, or after the Effective Date); (vi) adoption of the New Organizational Documents; (vii) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (viii) adoption by the New Board of the Management Incentive Plan; (ix) consummation of the Sale Transaction pursuant to the Purchase Agreement and related documents; (x) formation of the Post-Effective Date Debtors and selection of the Plan Administrator; and (xi) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Post-Effective Date Debtors and any corporate action required by the Debtors or the Post-Effective Date Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Post-Effective Date Debtors. On or prior to the Effective Date, as applicable, the appropriate officers of the Debtors or the Post-Effective Date Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Post-Effective Date Debtors, including, in the event of a Recapitalization Transaction or an Equity Investment Transaction, the New Common Stock, the New Organizational Documents, the New Takeback Facility, the New Takeback Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Directors and Officers of the Post-Effective Date Debtors.

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire. In the event of a Recapitalization Transaction or an Equity Investment Transaction, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the special committee of Cyxtera's board of directors, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA and, if applicable, the Purchase Agreement.

J. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Post-Effective Date Debtors and their respective officers and boards of directors and managers are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Post-Effective Date Debtors without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

K. Vesting of Assets in the Post-Effective Date Debtors.

Except as otherwise provided in the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, or entered into in connection with or pursuant to, the Plan, the Plan Supplement, or the New Takeback Facility Documents, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan (other than the GUC Trust Assets) shall vest in each respective Post-Effective Date Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in

the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, each Post-Effective Date Debtor may operate its business and use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

L. Private Company.

The Post-Effective Date Debtors shall not have any class of Equity Securities listed on a national securities exchange and shall make commercially reasonable efforts to take the steps necessary to be a private company without Securities Act or Exchange Act reporting obligations upon emergence or as soon as practicable thereafter in accordance with and to the extent permitted by the Securities Act and the Exchange Act.

M. GUC Trust.

1. General Terms.

On the Effective Date, the Debtors and the GUC Trustee shall enter into the GUC Trust Agreement and the GUC Trust Assets shall vest or deem to be vested in the GUC Trust automatically without further action by any Person, free and clear of all Claims and Liens, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The GUC Trust shall be administered by the GUC Trustee and governed by the GUC Trust Agreement and shall have the sole power and authority to distribute the GUC Trust Net Assets to Holders of Allowed General Unsecured Claims in accordance with the treatment set forth in the Plan for Class 4. The GUC Trust Agreement may include reasonable and customary provisions that allow for indemnification by the GUC Trust and the GUC Trustee.

The powers, rights, and responsibilities of the GUC Trustee shall be specified in the GUC Trust Agreement and shall include the responsibility and requisite power to reconcile General Unsecured Claims, including asserting any objections thereto. From and after the Effective Date, the GUC Trustee, on behalf of the GUC Trust, shall, in the ordinary course of business and without the need for any approval by the Bankruptcy Court, pay the GUC Trust Fees and Expenses from the GUC Trust Assets. The Debtors, the Post-Effective Date Debtors, and their Affiliates (and anyone acting on their behalf) shall not be responsible for any costs, fees, or expenses of the GUC Trust. The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at the later of (i) such time as all distributions required to be made by the GUC Trustee under the Plan have been made, and (ii) the fifth anniversary of the Effective Date (unless extended by order of the Bankruptcy Court).

2. Tax Treatment.

In furtherance of this section of the Plan, (i) it is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulation section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Internal Revenue Code to the Holders of General Unsecured Claims, consistent with the terms of the Plan, and accordingly, all assets held by the GUC Trust are intended to be deemed for United States federal income tax purposes to have been distributed by the Debtors or the Post-Effective Date Debtors, as applicable, to the Holders of Allowed General Unsecured Claims, and then contributed by the Holders of Allowed General Unsecured Claims to the GUC Trust in exchange for their interest in the GUC Trust; (ii) the primary purpose of the GUC Trust shall be the liquidation and distribution of the GUC Trust Net Assets in accordance with Treasury Regulation section 301.7701-4(d), including the resolution of General Unsecured Claims in accordance with this Plan, with no objective to continue or engage in the conduct of a trade or business; (iii) all parties (including, without limitation, the Debtors, the Post-Effective Date Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with such treatment described in provisos (i) and (ii) of this paragraph; (iv) all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as determined by the GUC Trustee (or its designee); (v) the GUC Trustee shall be responsible for filing all applicable

tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a); and (vi) the GUC Trustee shall annually send to each Holder of an interest in the GUC Trust a separate statement regarding the receipts and expenditures of the trust as relevant for United States federal income tax purposes.

Subject to definitive guidance from the United States Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the United States Internal Revenue Service upon audit if not contested by the GUC Trustee), the GUC Trustee may timely elect to (i) treat any portion of the GUC Trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for United States state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report for United States federal, state, and local income tax purposes consistently with the foregoing. Any taxes (including with respect to earned interest, if any) imposed on the GUC Trust as a result of this treatment shall be paid out of the assets of the GUC Trust (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). The GUC Trustee may request an expedited determination of taxes of the GUC Trust, including any reserve for Disputed Claims, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

The GUC Trust shall continue to have all of the rights and powers granted to the GUC Trust as set forth in this Plan and applicable non-bankruptcy law, and the GUC Trustee shall also have the rights, powers, and obligations set forth in the GUC Trust Agreement.

3. Transfer of GUC Trust Interests.

Any and all interests in the GUC Trust shall be transferrable either (i) with the consent of the Post-Effective Date Debtors or, (ii) by will, intestate succession, or otherwise by operation of law. In addition, any and all interests in the GUC Trust will not constitute “securities” and will not be registered pursuant to the Securities Act or any applicable state or local securities law. However, if it should be determined that any such interests constitute “securities,” the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied, and the offer, issuance, and distribution under the Plan of interests in the GUC Trust will be exempt from registration under the Securities Act and all applicable state and local securities laws and regulations.

N. *Director and Officer Liability Insurance.*

After the Effective Date, none of the Post-Effective Date Debtors shall terminate or otherwise reduce the coverage under any of the D&O Liability Insurance Policies (including any “tail policy”) in effect on or after the Petition Date, with respect to conduct or events occurring prior to the Effective Date, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date. For the avoidance of doubt, in the event of an Asset Sale, the D&O Liability Insurance Policies will not be assumed and assigned to the Purchaser, and any obligations in connection therewith shall not be enforceable against the Purchaser.

ARTICLE V. TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. *Assumption of Executory Contracts and Unexpired Leases.*

On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall (i) in the event of an Equity Investment Transaction or a Recapitalization Transaction, be deemed assumed or assumed and assigned, as applicable; or (ii) in the event of an Asset Sale, be (a) assumed or assumed and assigned to the Purchaser or a

designee in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement if it is not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (c) rejected if it is (x) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (y) not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, the Purchase Agreement (in the event of a Sale Transaction), and the Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. In the event of a Sale Transaction, each Executory Contract and Unexpired Lease assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement shall vest in and be fully enforceable by the Purchaser or the applicable designee in accordance with its terms, except as modified by the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption and assignment.

Except as otherwise provided herein or agreed to by the Debtors, the Purchaser (in the event of a Sale Transaction), and the applicable counterparty, each assumed (or assumed and assigned) Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, and with the consent of the Purchaser (in the event of an Asset Sale), reserve the right to alter, amend, modify, or supplement the Schedule of Assumed Executory Contracts and Unexpired Leases and the Schedule of Rejected Executory Contracts and Unexpired Leases at any time through and including ten (10) days before the Effective Date; *provided* that, following the Effective Date and solely in the event of an Asset Sale, the Plan Administrator or Purchaser may supplement the Schedule of Assumed Executory Contracts and Unexpired Leases at any time in accordance with the Purchase Agreement, including the notice and consent rights set forth therein; *provided further* that in the event of a Recapitalization Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the RSA, and in the event of a Sale Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the Purchase Agreement.

B. Indemnification Obligations.

Consistent with applicable law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, D&O Liability Insurance

Policies, or otherwise) for current and former members of any Governing Body, directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall (i) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order; (ii) remain intact, in full force and effect, and irrevocable; (iii) not be limited, reduced, or terminated after the Effective Date; and (iv) survive the effectiveness of the Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date irrespective of whether such indemnification obligation is owed for an act or event occurring before, on, or after the Petition Date. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Post-Effective Date Debtors and/or the Plan Administrator, as applicable. For the avoidance of doubt, if the Asset Sale is consummated, no such obligations shall be enforceable against the Purchaser or any of its affiliates.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the rejection, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan, the Schedule of Rejected Executory Contracts and Unexpired Leases, or the Purchase Agreement in the event of a Sale Transaction, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Confirmation Order and served on the Post-Effective Date Debtors no later than thirty (30) days after the effective date of such rejection. The notice of the Plan Supplement shall be deemed appropriate notice of rejection when served on applicable parties.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within thirty (30) days after the effective date of such rejection will be automatically disallowed and forever barred from assertion and shall not be enforceable against the Debtors, the Post-Effective Date Debtors, the Estates, the GUC Trust, the Purchaser, the Plan Administrator, or their property without the need for any objection by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the Purchaser, or the GUC Trust, as applicable, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged and shall be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary.

All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim as set forth in Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

D. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection (an “Executory Contract Objection”) filed by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or assumption and assignment, including pursuant to the Plan, or related Cure amount must be Filed, served, and actually received by counsel to the Debtors and the U.S. Trustee by the applicable Assumption or Rejection Objection Deadline or any other deadline that may be set by the Bankruptcy Court. Any Executory Contract Objection (x) timely Filed prior to the Confirmation Hearing will be heard by the Bankruptcy Court at the Confirmation Hearing unless otherwise agreed to by the Debtors and the objecting party, with the consent of the Purchaser (in the case of an Asset Sale), or (y) timely Filed after the Confirmation Hearing shall be heard as soon as reasonably practicable on a date requested by the Debtors or the Post-Effective Date

Debtors, as the case may be, with the consent of the Purchaser (in the event of an Asset Sale). Any Executory Contract Objection that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Purchaser or any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure amount; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure amount despite the failure of the relevant counterparty to File an Executory Contract Objection. The Debtors or the Post-Effective Date Debtors, as applicable, may also settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption and/or assignment.

If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption (or assumption and assignment), then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order (which may be the Confirmation Order) resolving such dispute, approving such assumption (and, if applicable, assumption and assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, the Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

To the extent an Executory Contract Objection relates solely to a Cure, the Debtors or the Post-Effective Date Debtors, as applicable, may assume and/or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Cure objection; *provided* that the Debtors or the Post-Effective Date Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure payment by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Post-Effective Date Debtor); *provided* further that any Cash reserved in accordance with the forgoing shall not constitute an Acquired Asset and shall be maintained by the Debtors or the Post-Effective Date Debtors, as applicable.

Assumption (or assumption and assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan, the Purchase Agreement, or otherwise and full payment of any applicable Cure pursuant to this Article V.D shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed (or assumed and assigned) in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

For the avoidance of doubt, if the Asset Sale is consummated pursuant to the Purchase Agreement, the Purchaser shall not have any obligation with respect to any Cure. To the extent any Cure dispute arises after the Effective Date with respect to an Executory Contract or Unexpired Lease assumed and assigned to the Purchaser, the resolution of such Cure dispute shall be the sole responsibility of the Debtors or the Post-Effective Date Debtors, and the Purchaser shall have no liability in connection therewith.

E. Insurance Policies.

Each of the Debtors’ insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. If the Debtors consummate the Equity Investment Transaction or the Recapitalization Transaction, unless otherwise provided in the Plan, on the Effective Date, (i) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies and (ii) such insurance policies and any

agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the Post-Effective Date Debtors.

If the Debtors consummate the Asset Sale, unless otherwise provided in the Plan or Purchase Agreement, on the Effective Date, (i) each of the Debtors' insurance policies (excluding all D&O Liability Insurance Policies) shall be assumed and assigned to the Purchaser in accordance with the Purchase Agreement and (ii) each of the Debtors' D&O Liability Insurance Policies shall be assumed by the Debtors and shall revest in the Post-Effective Date Debtors.

Nothing in the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or supervening), (i) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (ii) alters or modifies the duty, if any, that the insurers or third party administrators pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Post-Effective Date Debtors) or draw on any collateral or security therefor.

F. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Post-Effective Date Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Debtors and the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

G. Reservation of Rights.

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors or the Post-Effective Date Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan.

H. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

I. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtors or the Post-Effective Date Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed.

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim or Interest is not an Allowed Claim or Allowed Interest on the Effective Date, on the date that such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

B. Disbursing Agent.

All distributions under the Plan shall be made by the Disbursing Agent or the GUC Trustee, as applicable, on the Effective Date or at such other time as provided for in the Plan. The Disbursing Agent and the GUC Trustee shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent or the GUC Trustee is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Post-Effective Date Debtors or the GUC Trust, respectively.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby (other than distributions on account of General Unsecured Claims); (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Post-Effective Date Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions in General.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims or Allowed Interests shall be made to Holders of record as of the Distribution Record Date by the Disbursing Agent or the GUC Trustee, as appropriate: (a) to the signatory set forth on any Proof of Claim or Proof of Interest filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Proof of Interest is filed or if the Debtors or the GUC Trust have not been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Post-Effective Date Debtors, or the Disbursing Agent or the GUC Trustee, as appropriate, after the date of any related Proof of Claim or Proof of Interest; or (c) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Subject to this Article VI, distributions under the Plan on account of Allowed Claims or Allowed Interests shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim or Allowed Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trustee, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for fraud, gross negligence, or willful misconduct. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

3. Minimum Distributions.

No fractional shares of New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Common Stock that is not a whole number, the actual distribution of shares of New Common Stock shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares of New Common Stock to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

4. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent or the GUC Trustee has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (in the case of distributions from the GUC Trust Net Assets), as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheatment, abandoned property, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder related to such property or interest in property shall be discharged and forever barred. The Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trust shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings. For the avoidance of doubt, treatment of undeliverable distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

E. Manner of Payment.

At the option of the Disbursing Agent or the GUC Trustee, as applicable, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in the GUC Trust Agreement or other applicable agreements.

F. Compliance with Tax Requirements.

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors, the Post-Effective Date Debtors, and the GUC Trust reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances in a tax-efficient manner acceptable to the Required Consenting Term Lenders.

G. Allocations.

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. No Postpetition Interest on Claims.

Unless otherwise specifically provided for in the Plan, the DIP Orders, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in the Plan, each Post-Effective Date Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (i) agreed in amount among the relevant Post-Effective Date Debtor(s) and Holder of Allowed Claim or (ii) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Post-Effective Date Debtor or its successor of any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Post-Effective Date Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties.

The Debtors, the Post-Effective Date Debtors, and the GUC Trust, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets), as applicable, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder timely to repay or return such distribution shall result in the Holder owing the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets) annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is fully repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained herein (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Disputed Claims Process.

The Debtors and the Post-Effective Date Debtors, and the GUC Trust (solely with respect to General Unsecured Claims), shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under the Plan. **Except as otherwise provided herein, all Proofs of Claim Filed after the earlier of: (a) the Effective Date or (b) the applicable claims bar date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, without the need for any objection by the Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance of Claims.

After the Effective Date and subject to the terms of the Plan and the Purchase Agreement (in the event of an Asset Sale), the Plan Administrator, each of the Post-Effective Date Debtors, the GUC Trust, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy law. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Allowed Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest.

Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim is or has been timely Filed, or that is not or has not been Allowed by the Plan or a Final Order is not considered Allowed and shall be expunged without further action by the Debtors and without further notice to any party or action, approval, or order of the Bankruptcy Court.

C. Estimation of Claims.

Before or after the Effective Date, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register but that either is subject to appeal or has not been the subject of a Final Order shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) days after the date on which such Disputed Claim or Interest is estimated.

D. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Plan, after the Effective Date, the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (solely with respect to the General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, shall have the sole authority: (i) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (ii) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (iii) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise

provided herein, from and after the Effective Date, each Post-Effective Date Debtor or the GUC Trust, as applicable, shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to the Plan.

E. Time to File Objections to Claims.

Any objections to Claims shall be Filed by the Post-Effective Date Debtors or the GUC Trust, and, in the event of an Asset Sale, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

F. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (with respect to General Unsecured Claims), as applicable, without the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Disputed and Contingent Claims Reserve.

On or after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, may establish one or more reserves for Claims that are contingent or have not yet been Allowed, in an amount or amounts as reasonably determined by the applicable Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, consistent with the Proof of Claim Filed by the applicable Holder of such Disputed Claim. Following the final resolution of all Disputed Claims, any residual amounts in the Disputed Claims Reserve shall constitute Residual Cash and be immediately distributable to Holders of Allowed First Lien Claims.

H. Disallowance of Claims or Interests.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Post-Effective Date Debtors, as applicable, allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims or Interests may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Post-Effective Date Debtors. All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan after notice to the Holder of such Claim, but without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Post-Effective Date Debtors or the GUC Trust (with respect to the General Unsecured Claims), in their sole discretion, any and all Proofs of Claim Filed after the applicable bar date shall be deemed Disallowed as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

I. Amendments to Proofs of Claim or Interest.

On or after the Effective Date, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the GUC Trust (with respect to General Unsecured Claims), or the Purchaser (solely to the extent that

the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, and any such new or amended Proof of Claim or Proof of Interest Filed that is not so authorized before it is Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court absent prior Bankruptcy Court approval or agreement by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction) as applicable; *provided* that the foregoing shall not apply to Administrative Claims or claims filed by Governmental Units to the extent the applicable bar date has not yet occurred.

J. Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest.

K. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent (or the GUC Trustee, with respect to General Unsecured Claims) shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

**ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS**

A. Discharge of Claims and Termination of Interests.

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan, including the Purchase Agreement in the event of an Asset Sale, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Post-Effective Date Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims or Interests, including demands, liabilities, and Causes of Action (including any Causes of Action or Claims based on theories or allegations of successor liability) that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (i) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (ii) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (iii) the Holder of such a Claim or Interest has accepted the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than any Reinstated Claims) and Interests (other than any Intercompany Interests that are Reinstated) and in the event of an Asset Sale, the transfer of the Debtors' assets free and clear of any and all such Claims and Interests, subject to the occurrence of the Effective Date.

B. Release of Liens.

Except as otherwise provided in the New Takeback Facility Documents, the Plan, the Confirmation Order, the Purchase Agreement (if applicable), or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim or any related claim that may be asserted against a non-Debtor Affiliate, in satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates or any non-Debtor Affiliate shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Post-Effective Date Debtors and their successors and assigns. Any Holder of such Secured Claim or claim against a non-Debtor Affiliate (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Post-Effective Date Debtors, to release any collateral or other property of any Debtor or non-Debtor Affiliate (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder) and to take such actions as may be reasonably requested by the Post-Effective Date Debtors or the Plan Administrator, as applicable, to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. Releases by the Debtors.

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors, their Estates, and, if applicable, the Post-Effective Date Debtors and the Plan Administrator, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any Avoidance Actions and any derivative claims asserted or assertable on behalf of the Debtors, their Estates, the Post-Effective Date Debtors, or the Plan Administrator), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, their Estates, the Post-Effective Date Debtors, if applicable, the Plan Administrator, if applicable, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way

any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Plan; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Debtors' Estates, or, if applicable, the Post-Effective Date Debtors or the Plan Administrator, asserting any Claim or Cause of Action released pursuant to the Debtor Release.

D. Releases by Holders of Claims and Interests.

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the confirmation of the Plan; (iii) given in exchange for good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and

compromise of the Claims released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

E. Exculpation.

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the New Takeback Facility Documents, the Receivables Program Documents, and all other Definitive Documents, the solicitation of votes for, or Confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Post-Effective Date Debtors, if applicable, in connection with the Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability; *provided*, however, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

F. Injunction.

Except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date through and until the date upon which all remaining property of the Debtors' Estates vested in the Post-Effective Date Debtors has been liquidated and distributed in accordance with the terms of the Plan, from taking any of the following actions against, as applicable, the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iii) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and

(v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Except as otherwise set forth in the Confirmation Order, each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F.

G. Protections Against Discriminatory Treatment.

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Post-Effective Date Debtors, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against the Post-Effective Date Debtors, or another Entity with whom the Post-Effective Date Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention.

On and after the Effective Date, the Post-Effective Date Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Post-Effective Date Debtors, and in accordance with the Purchase Agreement (if applicable).

I. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (i) such Claim has been adjudicated as non-contingent or (ii) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN**

A. Modification and Amendments.

Except as otherwise specifically provided in the Plan and only to the extent permitted by the RSA, and in the event of a Sale Transaction, only to the extent permitted by the Purchase Agreement and subject to the consent rights set forth in the Purchase Agreement, the Debtors reserve the right to modify the Plan, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Plan. Subject to those restrictions on modifications set forth in the Plan, the RSA, and in the event of a Sale Transaction, the Purchase Agreement and the consent rights set forth therein, and the requirements of section 1127 of the Bankruptcy Code, rule 3019 of the Bankruptcy Rules, and, to the extent applicable, sections 1122, 1123, and 1125 of the Bankruptcy Code, each of the Debtors expressly reserves its respective rights to revoke or withdraw, or to alter, amend, or modify, the Plan with respect to such Debtor, one or more times, after Confirmation and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

B. Effect of Confirmation on Modifications.

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan.

To the extent permitted by the RSA and, in the event of a Sale Transaction, only to the extent permitted by the Purchase Agreement and subject to the Purchase Agreement in all respects (including Article VIII and Section 10.12 thereof), the Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Date and to File subsequent plans of reorganization. Subject to the Purchase Agreement (including Article VIII and Section 10.12 thereof), if the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of any Claim or Interest or Class of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected under the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (iii) nothing contained in the Plan shall (a) constitute a waiver or release of any Claims or Interests, (b) prejudice in any manner the rights of such Debtor or any other Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor or any other Entity.

**ARTICLE XI.

ARTICLE XII. MISCELLANEOUS PROVISIONS

A. Immediate Binding Effect.

Subject to Article IX.A hereof and notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan (including, for the avoidance of doubt, the Plan Supplement) shall be immediately effective and enforceable and deemed binding upon the Debtors, the Post-Effective Date Debtors, the Purchaser (if applicable), and any and all Holders of Claims or Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors. All Claims against and Interests in the Debtors shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or Interest has voted on the Plan.

B. Additional Documents.

On or before the Effective Date, and consistent in all respects with the terms of the RSA, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary to effectuate and further evidence the terms and conditions of the Plan and the RSA. The Debtors or the Post-Effective Date Debtors, as applicable, and all Holders of Claims or Interests receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

C. Payment of Statutory Fees.

All fees payable pursuant to section 1930(a) of the Judicial Code, as determined by the Bankruptcy Court at a hearing pursuant to section 1128 of the Bankruptcy Code, shall be paid by each of the Post-Effective Date Debtors, (or funded by the Post-Effective Date Debtors and disbursed by the Disbursing Agent on behalf of each of the Post-Effective Date Debtors and the GUC Trustee) for each quarter (including any fraction thereof) until such Post-Effective Date Debtor's Chapter 11 Case is converted, dismissed, or closed, whichever occurs first.

D. Statutory Committee and Cessation of Fee and Expense Payment.

On the Effective Date, the Committee and any other statutory committee appointed in these Chapter 11 Cases shall dissolve, and members thereof shall be released and discharged from all rights and duties from or related to the Chapter 11 Cases. The Post-Effective Date Debtors shall no longer be responsible for paying any fees or expenses incurred by the members of or advisors to any statutory committees after the Effective Date.

All monthly reports shall be filed, and all fees due and payable pursuant to section 1930(a) of Title 28 of the United States Code shall be paid by the Debtors or the Post-Effective Date Debtors, as applicable, (or funded by the Post-Effective Date Debtors and disbursed by the Disbursing Agent on behalf of each of the Post-Effective Date Debtors and the GUC Trustee) on the Effective Date, and following the Effective Date, the Post-Effective Date Debtors (or the Disbursing Agent on behalf of each of the Post-Effective Date Debtors) shall pay such fees as they are assessed and come due for each quarter (including any fraction thereof) and shall file quarterly reports in a form reasonably acceptable to the U.S. Trustee. Each Debtor shall remain obligated to pay such quarterly fees to the U.S. Trustee and to file quarterly reports until the earliest of that particular Debtor's case being closed, dismissed, or converted to a case under chapter 7 of the Bankruptcy Code.

E. Reservation of Rights.

Except as expressly set forth in the Plan, the Plan shall have no force or effect unless the Bankruptcy Court enters the Confirmation Order. None of the Filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests prior to the Effective Date.

F. Successors and Assigns.

The rights, benefits, and obligations of any Entity named or referred to in the Plan shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor, or assign, Affiliate, officer, manager, director, agent, representative, attorney, beneficiaries, or guardian, if any, of such Entity.

After the Effective Date, the Debtors have authority to notify Entities that, in order to continue to receive documents pursuant to Bankruptcy Rule 2002, such Entity must File a renewed request to receive documents pursuant to Bankruptcy Rule 2002. After the Effective Date, the Debtors are authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have Filed such renewed requests.

H. Term of Injunctions or Stays.

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Entire Agreement.

Except as otherwise indicated, including with respect to the Purchase Agreement (if applicable), and without limiting the effectiveness of the RSA, the Plan (including, for the avoidance of doubt, the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

J. Exhibits.

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. After the exhibits and documents are Filed, copies of such exhibits and documents shall be available upon written request to the Debtors' counsel at the address above or by downloading such exhibits and documents from the Debtors' restructuring website at <https://www.kccllc.net/cyxtera> or the Bankruptcy Court's website at www.tx.uscourts.gov/bankruptcy. To the extent any exhibit or document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of the Plan shall control.

K. Nonseverability of Plan Provisions.

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void, or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void, or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (i) valid and enforceable pursuant to its terms; (ii) integral to the Plan, and any deletion or modification thereof shall be subject to the consent rights set forth in the RSA, the Purchase Agreement (if applicable), and herein; and (iii) nonseverable and mutually dependent.

L. Votes Solicited in Good Faith.

Upon entry of the Confirmation Order, the Debtors will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, the Debtors and each of their respective Affiliates, agents, representatives, members, principals, shareholders, officers, directors, managers, employees, advisors, and attorneys shall be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer, issuance, sale, and purchase of Securities offered and sold under the Plan and any previous plan, and, therefore, neither any of such parties nor individuals nor the Post-Effective Date Debtors will have any liability for the violation of any applicable law, rule, or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, or purchase of the Securities offered and sold under the Plan or any previous plan.

M. Good Faith; No Collusion.

In the event of an Asset Sale, upon entry of the Confirmation Order, the Debtors and the Purchaser, and each of their management, board of directors or equivalent governing body, officers, directors, employees, agents, members, managers, equity holders, and representatives will be found and deemed to have negotiated, proposed, and entered into the Purchase Agreement in good faith, without collusion or fraud, and from arms'-length bargaining positions.

N. Closing of Chapter 11 Cases.

The Post-Effective Date Debtors shall, promptly after the full administration of the Chapter 11 Cases, File with the Bankruptcy Court all documents required by Bankruptcy Rule 3022 and any applicable order of the Bankruptcy Court to close the Chapter 11 Cases.

O. Waiver or Estoppel.

Each Holder of a Claim or Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Interest should be Allowed in a certain amount, in a certain priority, secured, or not subordinated by virtue of an agreement made with the Debtors or their counsel, or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement, the RSA, or papers Filed with the Bankruptcy Court prior to the Confirmation Date.

P. Creditor Default.

An act or omission by a Holder of a Claim or Interest or the Purchaser in contravention of the provisions of the Plan shall be deemed an event of default under the Plan. Upon an event of default, the Post-Effective Date Debtors may seek to hold the defaulting party in contempt of the Confirmation Order and shall be entitled to reasonable attorneys' fees and costs of the Post-Effective Date Debtors in remedying such default. Upon the finding of such a default by a Holder of a Claim or Interest, the Bankruptcy Court may: (a) designate a party to appear, sign, and/or accept the documents required under the Plan on behalf of the defaulting party, in accordance with Bankruptcy Rule 7070; (b) enforce the Plan by order of specific performance; (c) award a judgment against such defaulting Holder of a Claim or Interest in favor of the Post-Effective Date Debtors in an amount, including interest, if applicable, to compensate the Post-Effective Date Debtors for the damages caused by such default; and (d) make such other order as may be equitable that does not materially alter the terms of the Plan.

Q. Removal or Abandonment of Third Parties' Property.

Except as set forth in the Purchase Agreement (if applicable), nothing in the Plan shall impose upon the Post-Effective Date Debtors any obligation to store or protect any third party's property, all of which property will be deemed abandoned and surrendered to the Post-Effective Date Debtors if such property has not been removed (by its owner in a commercially reasonable manner, and with insurance to cover any damage from such removal) from any real property owned or leased by the Post-Effective Date Debtors within forty-five (45) days after Confirmation of the Plan. Following the abandonment and surrender of any such property, the Post-Effective Date Debtors may sell, transfer, assign, scrap, abandon, or otherwise dispose of such property and retain any proceeds resulting therefrom.

The New Organizational Documents will prohibit the issuance of non-voting Equity Securities to the extent required under section 1123(a)(6) of the Bankruptcy Code. For the avoidance of doubt, the New Organizational Documents shall be included as exhibits to the Plan Supplement. After the Effective Date, each Post-Effective Date Debtor may amend and restate its constituent and governing documents as permitted by the laws of its jurisdiction of formation and the terms of such documents, and the Post-Effective Date Debtors may file such amended certificates or articles of incorporation, bylaws, or other applicable formation and constituent documents as permitted by the laws of the applicable states, provinces, or countries of incorporation and the New Organizational Documents. For the avoidance of doubt, any claimant's acceptance of the New Common Stock shall be deemed to constitute its agreement to be bound by the New Organizational Documents without the need for execution by any party other than the Post-Effective Date Debtors.

6. Certain Securities Law Matters.

Pursuant to section 1145 of the Bankruptcy Code, or, to the extent that section 1145 of the Bankruptcy Code is either not permitted or not applicable, section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, the offering, issuance, and distribution of the New Common Stock as contemplated herein shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. federal, state, or local laws requiring registration prior to the offering, issuance, distribution, or sale of securities.

The shares of New Common Stock to be issued under the Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 2(a)(11) of the Securities Act, compliance with any applicable state or foreign securities laws, if any, and the rules and regulations of the United States Securities and Exchange Commission, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Common Stock in the New Organizational Documents.

The shares of New Common Stock that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered “restricted securities,” will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act.

7. Management Incentive Plan.

On or as soon as reasonably practicable following the Effective Date, the Post-Effective Date Debtors shall adopt and implement the Management Incentive Plan, which will provide that up to 10% of the value of the New Common Stock as of the Effective Date, on a fully diluted basis, shall be issued in connection with the Management Incentive Plan on terms acceptable to the Required Consenting Term Lenders and the Debtors and, in the event of an Equity Investment Transaction, the Purchaser. The issuance of any awards under the Management Incentive Plan shall be at the discretion of the New Board.

8. Employment Obligations.

Unless otherwise provided herein, and subject to Article V of the Plan, if applicable, all employee wages, compensation, retiree benefits (as defined in 11 U.S.C. § 1114(a) of the Bankruptcy Code), and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Post-Effective Date Debtors and shall remain in place as of the Effective Date, and the Post-Effective Date Debtors will continue to honor such agreements, arrangements, programs, and plans as of the Effective Date. For the avoidance of doubt, pursuant to section 1129(a)(13) of the Bankruptcy Code, as of the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law. On the Effective Date, the Post-Effective Date Debtors shall (a) assume all employment agreements, indemnification agreements, or other agreements entered into with current employees; or (b) enter into new agreements with such employees on terms and conditions acceptable to the Post-Effective Date Debtors, such employee, and the Required Consenting Term Lenders and, in the event of an Equity Investment Transaction, the Purchaser.

D. *The Asset Sale.*

If the Asset Sale occurs, the following provisions shall govern.

1. The Asset Sale.

On the Effective Date, the Debtors shall consummate the Sale Transaction contemplated by the Purchase Agreement. Following the discharge of the Debtors pursuant to Section 1141 of the Bankruptcy Code and as set forth in this Plan and the Confirmation Order, the Acquired Assets shall, to the extent set forth in the Purchase

Agreement, be transferred to and vest in the Purchaser free and clear of all Liens, Claims, Interests, charges, or other encumbrances (except for those Liens, Claims, Interests, charges, or other encumbrances expressly assumed by the Purchaser pursuant to the terms of the Purchase Agreement) in exchange for the Purchase Price as set forth in the Purchase Agreement. The Confirmation Order shall authorize the Debtors, the Post-Effective Date Debtors, and the Purchaser, as applicable, to undertake the transactions contemplated by the Purchase Agreement, including pursuant to sections 105, 363, 365, 1123(a)(5)(B), 1123(a)(5)(D), 1123(b)(4), 1141(b), and 1141(c) of the Bankruptcy Code. From and after the Effective Date, except as expressly set forth in the Purchase Agreement, neither the Purchaser nor any of its affiliates shall be liable for any Claims, Administrative Claims, or other liabilities of the Debtors or the Post-Effective Date Debtors, which shall be payable solely in accordance with this Plan and from the proceeds of the Asset Sale and the other assets of the Debtors or Post-Effective Date Debtors, as applicable, that do not constitute Assumed Liabilities (as defined in the Purchase Agreement) or that were not otherwise transferred or assigned to the Purchaser or any of its affiliates pursuant to the Purchase Agreement.

Subject to the consent rights set forth in the RSA, the Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Asset Sale pursuant to the terms of the Purchase Agreement and the Plan, as well as to execute, deliver, file, record, and issue any note, documents, or agreements in connection therewith, without further notice to or order of the Bankruptcy Court; act or action under applicable law, regulation, order, rule; or the vote, consent, authorization, or approval of any Entity. Upon entry of the Confirmation Order by the Bankruptcy Court, all matters provided for under the Sale Transaction and the Plan, and any documents in connection therewith, shall be deemed authorized and approved without any requirement of further act or action by the Debtors. On and after the Effective Date, except as otherwise provided in the Plan, the Post-Effective Date Debtors or the Purchaser, as applicable, may operate their businesses and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; *provided*, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

2. Sources of Consideration for Plan Distributions.

The Debtors shall fund distributions under the Plan with: (i) the proceeds from the Asset Sale, (ii) the GUC Trust Net Assets, (iii) the Debtors' Cash on hand, and (iv) the proceeds of any Causes of Action retained by the Post-Effective Date Debtors. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance.

3. Post-Effective Date Debtors.

On and after the Effective Date, the Post-Effective Date Debtors shall continue in existence for purposes of (i) winding down the Debtors' business and affairs as expeditiously as reasonably possible as authorized by the Bankruptcy Court; (ii) resolving Disputed Claims; (iii) making distributions on account of Allowed Claims as provided hereunder; (iv) establishing and funding the Distribution Reserve Accounts; (v) enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in an efficacious manner and only to the extent the benefits of such enforcement or prosecution are reasonably believed to outweigh the costs associated therewith; (vi) filing appropriate tax returns; (vii) complying with any continuing obligations under the Purchase Agreement; and (viii) administering the Plan in an efficacious manner. The Post-Effective Date Debtors shall be deemed to be substituted as the party-in-lieu of the Debtors in all matters, including (x) motions, contested matters, and adversary proceedings pending in the Bankruptcy Court, and (y) all matters pending in any courts, tribunals, forums, or administrative proceedings outside of the Bankruptcy Court, in each case without the need or requirement for the Plan Administrator to file motions or substitutions of parties or counsel in each such matter.

Notwithstanding anything to the contrary in the Plan, on the Effective Date, any Cause of Action not settled, released, discharged, enjoined, or exculpated under the Plan or transferred pursuant to the Purchase Agreement on or

prior to the Effective Date shall vest in the Post-Effective Date Debtors and shall be subject to administration by the Plan Administrator, and the net proceeds thereof shall be Distributable Consideration.

4. Plan Administrator.

On the Effective Date, the authority, power, and incumbency of the persons acting as managers, directors, and officers of the Post-Effective Date Debtors shall be deemed to have resigned, solely in their capacities as such, and the Plan Administrator shall be appointed as the sole manager, sole director, and sole officer of the Post-Effective Date Debtors and shall succeed to the powers of the Post-Effective Date Debtors' managers, directors, and officers. The Plan Administrator shall act for the Post-Effective Date Debtors in the same fiduciary capacity as applicable to a board of managers, directors, and officers, subject to the provisions hereof (and all certificates of formation, membership agreements, and related documents are deemed amended by the Plan to permit and authorize the same) and shall retain and have all the rights, powers, and duties necessary to carry out his or her responsibilities under the Plan in accordance with the Wind Down and as otherwise provided in the Confirmation Order.

From and after the Effective Date, the Plan Administrator shall be the sole representative of, and shall act for, the Post-Effective Date Debtors. The foregoing shall not limit the authority of the Post-Effective Date Debtors or the Plan Administrator, as applicable, to continue the employment of any former manager or officer. The Debtors, after the Confirmation Date, and the Post-Effective Date Debtors or Plan Administrator, after the Effective Date, shall be permitted to make payments to employees pursuant to employment programs then in effect, and, in the reasonable business judgment of the Plan Administrator and upon three (3) Business Days' notice to counsel to the AHG, to implement additional employee programs and make payments thereunder solely as necessary to effectuate the Wind Down, without any further notice to or action, order, or approval of the Bankruptcy Court.

The powers of the Plan Administrator shall include any and all powers and authority to implement the Plan and to administer and distribute the Distribution Reserve Accounts and wind down the business and affairs of the Debtors and Post-Effective Date Debtors, including: (i) making distributions under the Plan; *provided* that, prior to making final distributions as contemplated herein and until all letters of credit issued under the First Lien Credit Agreement are replaced and cancelled, are drawn, or expire pursuant to their terms, the Plan Administrator or the Disbursing Agent, at the election of the Debtors or the Post-Effective Date Debtors, as applicable, shall reserve an amount of Distributable Consideration or New Common Stock, as applicable, on account of the Undrawn LC Facility Claims equal to the incremental distributions to which such Holders of First Lien Claims would be entitled if all undrawn letters of credit issued under the First Lien Credit Agreement were drawn and funded as contemplated therein (the "Undrawn LC Facility Claims Reserve"); (ii) liquidating, receiving, holding, investing, supervising, and protecting the assets of the Post-Effective Date Debtors in accordance with the Wind-Down Reserve; (iii) taking all steps to execute all instruments and documents necessary to effectuate the distributions to be made under the Plan; (iv) making distributions from the Distribution Reserve Accounts as contemplated under the Plan; (v) establishing and maintaining bank accounts in the name of the Post-Effective Date Debtors; (vi) subject to the terms set forth herein, employing, retaining, terminating, or replacing professionals to represent it with respect to its responsibilities or otherwise effectuating the Plan to the extent necessary; (vii) paying all reasonable fees, expenses, debts, charges, and liabilities of the Post-Effective Date Debtors; (viii) except as otherwise provided for herein, enforcing and prosecuting claims, interests, rights, and privileges under the Causes of Action on the Schedule of Retained Causes of Action in accordance with Article IV.E; (ix) administering and paying taxes of the Post-Effective Date Debtors, including filing tax returns; (x) representing the interests of the Post-Effective Date Debtors or the Estates before any taxing authority in all matters, including any action, suit, proceeding, or audit; (xi) in the event of a Sale Transaction, discharging the Sellers' and the Post-Effective Date Debtors' Post-Effective Date obligations under the Purchaser Agreement; and (xii) exercising such other powers as may be vested in it pursuant to order of the Bankruptcy Court or pursuant to the Plan, the Confirmation Order, or any applicable orders of the Bankruptcy Court or as the Plan Administrator reasonably deems to be necessary and proper to carry out the provisions of the Plan in accordance with the Wind-Down Reserve.

To the extent that undrawn letters of credit issued under the First Lien Credit Agreement are drawn after the Distribution Record Date, such Undrawn LC Facility Claims, if any, shall be satisfied from the Undrawn LC Facility Claims Reserve. The Plan Administrator shall hold in the Undrawn LC Facility Claims Reserve all dividends, payments, and other distributions made on account of, as well as any obligations arising from, the property held in

the Undrawn LC Facility Claims Reserve, to the extent that such property continues to be so held at the time such distributions are made or such obligations arise. For the avoidance of doubt, the foregoing shall not affect distributions to holders of First Lien Claims on account of drawn letters of credit as of the Distribution Record Date.

(a) Retention of Professionals.

The Plan Administrator shall have the right to retain the services of attorneys, accountants, and other professionals that, at the discretion of the Plan Administrator, are necessary to assist the Plan Administrator in the performance of his or her duties for the Post-Effective Date Debtors. The reasonable fees and expenses of such professionals, if applicable, shall be paid from the Wind-Down Reserve upon the monthly submission of statements to the Plan Administrator. The payment of the reasonable fees and expenses of the Post-Effective Date Debtors' retained professionals shall be made in the ordinary course of business from the Wind-Down Reserve and shall not be subject to the approval of the Bankruptcy Court.

(b) Compensation of the Plan Administrator.

The Plan Administrator's compensation, on a post-Effective Date basis, shall be as described in the Plan Supplement, reasonably acceptable to the Required Consenting Term Lenders, and paid out of the Wind-Down Reserve. Except as otherwise ordered by the Bankruptcy Court, the fees and expenses incurred by the Plan Administrator on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement Claims (including attorney fees and expenses) made by the Plan Administrator in connection with such Plan Administrator's duties shall be paid without any further notice to, or action, order, or approval of, the Bankruptcy Court in Cash from the Wind-Down Reserve if such amounts relate to any actions taken hereunder.

(c) Plan Administrator Expenses.

All costs, expenses, and obligations incurred by the Plan Administrator or the Post-Effective Date Debtors in administering the Plan or in effecting distributions thereunder (including the reimbursement of reasonable expenses), including any costs, expenses, or obligations in any manner connected, incidental, or related thereto, shall be paid from the Wind-Down Reserve.

The Debtors and the Plan Administrator, as applicable, shall not be required to give any bond or surety or other security for the performance of their duties unless otherwise ordered by the Bankruptcy Court. However, in the event that the Plan Administrator is so ordered after the Effective Date, all costs and expenses of procuring any such bond or surety shall be paid for with Cash from the Wind-Down Reserve.

(d) Exculpation, Indemnification, Insurance, and Liability Limitation.

The Plan Administrator and all professionals retained by the Plan Administrator, each in their capacities as such, shall be deemed exculpated and indemnified, except for fraud, willful misconduct, or gross negligence, in all respects by the Post-Effective Date Debtors. The Plan Administrator may obtain, at the expense of the Post-Effective Date Debtors and with funds from the Wind-Down Reserve, commercially reasonable liability or other appropriate insurance with respect to the indemnification obligations of the Post-Effective Date Debtors. The Plan Administrator may rely upon written information previously generated by the Debtors.

(e) Tax Returns.

After the Effective Date, the Plan Administrator shall complete and file all final or otherwise required federal, state, and local tax returns for each of the Debtors and, pursuant to section 505 of the Bankruptcy Code and subject to applicable law, may request an expedited determination of any unpaid tax liability of such Debtor or its Estate.

(f) Dissolution of the Post-Effective Date Debtors.

Upon a certification to be Filed with the Bankruptcy Court by the Plan Administrator of all distributions having been made, completion of all of its duties under the Plan and the Purchase Agreement, and entry of a final decree closing the last of the Chapter 11 Cases, the Post-Effective Date Debtors shall be deemed to be dissolved without any further action by the Post-Effective Date Debtors, including the filing of any documents with the secretary of state for the state in which each Post-Effective Date Debtor is formed or any other jurisdiction. The Plan Administrator, however, shall have authority to take all necessary actions to dissolve the Post-Effective Date Debtors in and withdraw the Post-Effective Date Debtors from applicable state(s).

To the extent the Debtors have any Cash or other property remaining after the Chapter 11 Cases have been closed, such Cash or other property shall constitute Residual Cash and shall be immediately allocated and distributable to the Holders of Allowed First Lien Claims.

5. Wind Down.

As soon as practicable after the Effective Date, the Plan Administrator shall: (i) cause the Debtors and the Post-Effective Date Debtors, as applicable, to comply with and abide by the terms of the Purchase Agreement and any other documents contemplated thereby; (ii) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of one or more of the Debtors or the Post-Effective Date Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (iii) take such other actions as the Plan Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Plan Administrator without the need for any action or approval by the shareholders or board of directors or managers of any Debtor. From and after the Effective Date, except with respect to Post-Effective Date Debtors as set forth herein, the Debtors (x) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (y) shall be deemed to have canceled pursuant to the Plan all Existing Equity Interests, and (z) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. For the avoidance of doubt, notwithstanding the Debtors' dissolution, the Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

The filing of the final monthly report (for the month in which the Effective Date occurs) and all subsequent quarterly reports shall be the responsibility of the Plan Administrator.

E. *Preservation of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to Article VIII hereof and, in the event of a Sale Transaction, the Purchase Agreement and any related documents and schedules, the Post-Effective Date Debtors, shall retain and may enforce (or the Plan Administrator may enforce, if applicable) all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the rights of the Post-Effective Date Debtors to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action (i) acquired by the Purchaser in accordance with the Purchase Agreement, as applicable, or (ii) released or exculpated herein (including, without limitation, by the Debtors) pursuant to the releases and exculpations contained in the Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Post-Effective Date Debtors, as applicable, as of the Effective Date.

The Post-Effective Date Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Post-Effective Date Debtors. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Post-Effective Date Debtors, as applicable, will not pursue any and all**

available Causes of Action against it. The Debtors and the Post-Effective Date Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as may be assigned or transferred to the Purchaser in accordance with the Purchase Agreement or as otherwise expressly provided in the Plan, including Article VIII of the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Post-Effective Date Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, reserve and shall retain such Causes of Action notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. For the avoidance of doubt, the GUC Trust shall be solely responsible for effectuating all distributions on account of General Unsecured Claims, and the Plan Administrator, if applicable, shall have no responsibility therefor. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the corresponding Post-Effective Date Debtor except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Post-Effective Date Debtors and/or the Plan Administrator, as applicable, shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to this Article IV.E include any Claim or Cause of Action against a Released Party or Exculpated Party.

F. Cancellation of Existing Agreements and Interests.

On the Effective Date, except with respect to the New Takeback Facility or to the extent otherwise provided in the Plan, including in Article V.A hereof, all notes, instruments, certificates, and other documents evidencing Claims or Interests, including the First Lien Credit Documents and all other credit agreements and indentures, shall be cancelled, and the obligations of the Debtors and any non-Debtor Affiliate thereunder or in any way related thereto, including any Liens and/or claims in connection therewith, shall be deemed satisfied in full, cancelled, discharged, released, and of no force or effect, and the Agents shall be released from all duties and obligations thereunder. Holders of or parties to such cancelled instruments, securities, and other documentation will have no rights arising from or relating to such instruments, securities, and other documentation, or the cancellation thereof, except the rights provided for pursuant to the Plan. Notwithstanding the foregoing or anything to the contrary herein, any rights of each Agent to indemnification and participation by the other lenders in letters of credit under the DIP Documents, the Receivables Program Documents, the First Lien Credit Documents, and the Bridge Facility Documents shall remain binding and enforceable in accordance with the terms of such documents; *provided* that any such rights to indemnification shall remain binding and enforceable only as against the Post-Effective Date Debtors and shall not (i) be subject to discharge, impairment, or release under the Plan or the Confirmation Order or (ii) be asserted against the Purchaser, any of its Affiliates, or their respective property or assets, including any Acquired Entity (as defined in the Purchase Agreement).

G. Section 1146 Exemption.

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Post-Effective Date Debtor, as applicable, or to or from any other Person) of property under the Plan or pursuant to: (i) the issuance, Reinstatement, distribution, transfer, or exchange of any debt, Equity Security, or other interest in the Debtors or the Post-Effective Date Debtors, as applicable; (ii) the Restructuring Transactions; (iii) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (iv) the making, assignment, or recording of any lease or sublease; (v) the grant of collateral as security for the New Takeback Facility; (vi) the Sale Transaction and any agreement, acquisition, or transaction entered into by the Purchaser or any of its affiliates in connection with the Sale Transaction or in furtherance thereof, including any acquisitions of real or

personal property by the Purchaser or its affiliates from one or more of the Debtors' creditors or landlords in connection with consummation of the Sale Transaction or from other parties in connection with the closing of the Sale Transaction and/or integral to the financing thereof; or (vii) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax, fee, or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax, fee, or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146 of the Bankruptcy Code, shall forego the collection of any such tax, fee, or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, fee, or governmental assessment.

H. Corporate Action.

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, including, as and if applicable: (i) selection of the directors, officers, or managers for the Post-Effective Date Debtors; (ii) the issuance and distribution of the New Common Stock; (iii) implementation of the Restructuring Transactions; (iv) entry into the New Takeback Facility Documents; (v) all other actions contemplated under the Plan (whether to occur before, on, or after the Effective Date); (vi) adoption of the New Organizational Documents; (vii) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; (viii) adoption by the New Board of the Management Incentive Plan; (ix) consummation of the Sale Transaction pursuant to the Purchase Agreement and related documents; (x) formation of the Post-Effective Date Debtors and selection of the Plan Administrator; and (xi) all other acts or actions contemplated or reasonably necessary or appropriate to promptly consummate the Restructuring Transactions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Post-Effective Date Debtors and any corporate action required by the Debtors or the Post-Effective Date Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect without any requirement of further action by the security Holders, directors, officers, or managers of the Debtors or the Post-Effective Date Debtors. On or prior to the Effective Date, as applicable, the appropriate officers of the Debtors or the Post-Effective Date Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Post-Effective Date Debtors, including, in the event of a Recapitalization Transaction or an Equity Investment Transaction, the New Common Stock, the New Organizational Documents, the New Takeback Facility, the New Takeback Facility Documents, any other Definitive Documents, and any and all other agreements, documents, securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

I. Directors and Officers of the Post-Effective Date Debtors.

As of the Effective Date, the term of the current members of the board of directors or other Governing Body of Cyxtera shall expire. In the event of a Recapitalization Transaction or an Equity Investment Transaction, the members for the initial term of the New Board shall be appointed; *provided*, that the disinterested directors of Cyxtera, comprising the special committee of Cyxtera's board of directors, shall retain authority following the Effective Date with respect to matters relating to Professional Fee Claim requests by Professionals acting at their authority and direction in accordance with the terms of the Plan. The disinterested directors of Cyxtera shall not have any of their privileged and confidential documents, communications, or information transferred (or deemed transferred) to the Post-Effective Date Debtors, the Purchaser, or any other Entity without their prior written consent.

The initial members of the New Board, if applicable, will be identified in the Plan Supplement to the extent known at the time of filing. In the event of a Recapitalization Transaction or an Equity Investment Transaction, each

such member and officer of the Post-Effective Date Debtors shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Post-Effective Date Debtors. The members of the New Board shall be chosen by the Debtors or the Post-Effective Date Debtors, subject to the applicable terms of the RSA and, if applicable, the Purchase Agreement.

J. Effectuating Documents; Further Transactions.

On and after the Effective Date, the Post-Effective Date Debtors and their respective officers and boards of directors and managers are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of the Post-Effective Date Debtors without the need for any approvals, authorizations, or consents except for those expressly required pursuant to the Plan.

K. Vesting of Assets in the Post-Effective Date Debtors.

Except as otherwise provided in the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, or entered into in connection with or pursuant to, the Plan, the Plan Supplement, or the New Takeback Facility Documents, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan (other than the GUC Trust Assets) shall vest in each respective Post-Effective Date Debtor, free and clear of all Liens, Claims, charges, Causes of Action, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, the Confirmation Order, the Purchase Agreement, or any agreement, instrument, or other document incorporated herein, each Post-Effective Date Debtor may operate its business and use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

L. Private Company.

The Post-Effective Date Debtors shall not have any class of Equity Securities listed on a national securities exchange and shall make commercially reasonable efforts to take the steps necessary to be a private company without Securities Act or Exchange Act reporting obligations upon emergence or as soon as practicable thereafter in accordance with and to the extent permitted by the Securities Act and the Exchange Act.

M. GUC Trust.

1. General Terms.

On the Effective Date, the Debtors and the GUC Trustee shall enter into the GUC Trust Agreement and the GUC Trust Assets shall vest or deem to be vested in the GUC Trust automatically without further action by any Person, free and clear of all Claims and Liens, and such transfer shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use, or other similar tax. The GUC Trust shall be administered by the GUC Trustee and governed by the GUC Trust Agreement and shall have the sole power and authority to distribute the GUC Trust Net Assets to Holders of Allowed General Unsecured Claims in accordance with the treatment set forth in the Plan for Class 4. The GUC Trust Agreement may include reasonable and customary provisions that allow for indemnification by the GUC Trust and the GUC Trustee.

The powers, rights, and responsibilities of the GUC Trustee shall be specified in the GUC Trust Agreement and shall include the responsibility and requisite power to reconcile General Unsecured Claims, including asserting any objections thereto. From and after the Effective Date, the GUC Trustee, on behalf of the GUC Trust, shall, in the ordinary course of business and without the need for any approval by the Bankruptcy Court, pay the GUC Trust Fees and Expenses from the GUC Trust Assets. The Debtors, the Post-Effective Date Debtors, and their Affiliates (and anyone acting on their behalf) shall not be responsible for any costs, fees, or expenses of the GUC Trust. The GUC Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at the later of (i) such time as

all distributions required to be made by the GUC Trustee under the Plan have been made, and (ii) the fifth anniversary of the Effective Date (unless extended by order of the Bankruptcy Court).

2. Tax Treatment.

In furtherance of this section of the Plan, (i) it is intended that the GUC Trust be classified for U.S. federal income tax purposes as a “liquidating trust” within the meaning of Treasury Regulation section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, 1994-2 C.B. 684, and, thus, as a “grantor trust” within the meaning of sections 671 through 679 of the Internal Revenue Code to the Holders of General Unsecured Claims, consistent with the terms of the Plan, and accordingly, all assets held by the GUC Trust are intended to be deemed for United States federal income tax purposes to have been distributed by the Debtors or the Post-Effective Date Debtors, as applicable, to the Holders of Allowed General Unsecured Claims, and then contributed by the Holders of Allowed General Unsecured Claims to the GUC Trust in exchange for their interest in the GUC Trust; (ii) the primary purpose of the GUC Trust shall be the liquidation and distribution of the GUC Trust Net Assets in accordance with Treasury Regulation section 301.7701-4(d), including the resolution of General Unsecured Claims in accordance with this Plan, with no objective to continue or engage in the conduct of a trade or business; (iii) all parties (including, without limitation, the Debtors, the Post-Effective Date Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with such treatment described in provisos (i) and (ii) of this paragraph; (iv) all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report consistently with the valuation of the GUC Trust Assets transferred to the GUC Trust as determined by the GUC Trustee (or its designee); (v) the GUC Trustee shall be responsible for filing all applicable tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulation section 1.671-4(a); and (vi) the GUC Trustee shall annually send to each Holder of an interest in the GUC Trust a separate statement regarding the receipts and expenditures of the trust as relevant for United States federal income tax purposes.

Subject to definitive guidance from the United States Internal Revenue Service or a court of competent jurisdiction to the contrary (including the receipt by the GUC Trustee of a private letter ruling if the GUC Trustee so requests one, or the receipt of an adverse determination by the United States Internal Revenue Service upon audit if not contested by the GUC Trustee), the GUC Trustee may timely elect to (i) treat any portion of the GUC Trust allocable to Disputed Claims as a “disputed ownership fund” governed by Treasury Regulation section 1.468B-9 (and make any appropriate elections) and (ii) to the extent permitted by applicable law, report consistently with the foregoing for United States state and local income tax purposes. If a “disputed ownership fund” election is made, all parties (including, without limitation, the Debtors, the Estates, Holders of Allowed General Unsecured Claims receiving interests in the GUC Trust, and the GUC Trustee) shall report for United States federal, state, and local income tax purposes consistently with the foregoing. Any taxes (including with respect to earned interest, if any) imposed on the GUC Trust as a result of this treatment shall be paid out of the assets of the GUC Trust (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes). The GUC Trustee may request an expedited determination of taxes of the GUC Trust, including any reserve for Disputed Claims, under section 505(b) of the Bankruptcy Code for all tax returns filed for, or on behalf of, the GUC Trust for all taxable periods through the dissolution of the GUC Trust.

The GUC Trust shall continue to have all of the rights and powers granted to the GUC Trust as set forth in this Plan and applicable non-bankruptcy law, and the GUC Trustee shall also have the rights, powers, and obligations set forth in the GUC Trust Agreement.

3. Transfer of GUC Trust Interests.

Any and all interests in the GUC Trust shall be transferrable either (i) with the consent of the Post-Effective Date Debtors or, (ii) by will, intestate succession, or otherwise by operation of law. In addition, any and all interests in the GUC Trust will not constitute “securities” and will not be registered pursuant to the Securities Act or any applicable state or local securities law. However, if it should be determined that any such interests constitute “securities,” the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied, and the offer,

issuance, and distribution under the Plan of interests in the GUC Trust will be exempt from registration under the Securities Act and all applicable state and local securities laws and regulations.

~~*N. Closing the Chapter 11 Cases.*~~

~~Upon the occurrence of the Effective Date, the Post Effective Date Debtors shall be permitted to close all of the Chapter 11 Cases except for one of the Chapter 11 Cases as determined by the Post Effective Date Debtors, and all contested matters relating to each of the Debtors, including objections to Claims, shall be administered and heard in such Chapter 11 Case.~~

N. ~~*Director and Officer Liability Insurance.*~~

After the Effective Date, none of the Post-Effective Date Debtors shall terminate or otherwise reduce the coverage under any of the D&O Liability Insurance Policies (including any “tail policy”) in effect on or after the Petition Date, with respect to conduct or events occurring prior to the Effective Date, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date. For the avoidance of doubt, in the event of an Asset Sale, the D&O Liability Insurance Policies will not be assumed and assigned to the Purchaser, and any obligations in connection therewith shall not be enforceable against the Purchaser.

**ARTICLE V.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

A. Assumption of Executory Contracts and Unexpired Leases.

On the Effective Date, pursuant to sections 365 and 1123 of the Bankruptcy Code, each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall (i) in the event of an Equity Investment Transaction or a Recapitalization Transaction, be deemed assumed or assumed and assigned, as applicable; or (ii) in the event of an Asset Sale, be (a) assumed or assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement if it is not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (c) rejected if it is (x) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (y) not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates.

Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all assumptions, assumptions and assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided for in the Plan, the Plan Supplement, the Purchase Agreement (in the event of a Sale Transaction), and the Confirmation Order, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. In the event of a Sale Transaction, each Executory Contract and Unexpired Lease assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement shall vest in and be fully enforceable by the Purchaser or the applicable designee in accordance with its terms, except as modified by the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption and assignment.

Except as otherwise provided herein or agreed to by the Debtors, the Purchaser (in the event of a Sale Transaction), and the applicable counterparty, each assumed (or assumed and assigned) Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors, the Post-Effective Date Debtors, and/or the Plan Administrator, as applicable, and with the consent of the Purchaser (in the event of an Asset Sale), reserve the right to alter, amend, modify, or supplement the Schedule of Assumed Executory Contracts and Unexpired Leases and the Schedule of Rejected Executory Contracts and Unexpired Leases at any time through and including ten (10) days before the Effective Date; *provided* that, following the Effective Date and solely in the event of an Asset Sale, the Plan Administrator or Purchaser may supplement the Schedule of Assumed Executory Contracts and Unexpired Leases at any time in accordance with the Purchase Agreement, including the notice and consent rights set forth therein; *provided further* that in the event of a Recapitalization Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the RSA, and in the event of a Sale Transaction, such alteration, amendment, modification, or supplement shall be subject to the consent rights set forth in the Purchase Agreement.

B. Indemnification Obligations.

Consistent with applicable law, all indemnification provisions in place as of the Effective Date (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, D&O Liability Insurance Policies, or otherwise) for current and former members of any Governing Body, directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall (i) not be discharged, impaired, or otherwise affected in any way, including by the Plan, the Plan Supplement, or the Confirmation Order; (ii) remain intact, in full force and effect, and irrevocable; (iii) not be limited, reduced, or terminated after the Effective Date; and (iv) survive the effectiveness of the Plan on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date irrespective of whether such indemnification obligation is owed for an act or event occurring before, on, or after the Petition Date. All such obligations shall be deemed and treated as Executory Contracts to be assumed by the Debtors under the Plan and shall continue as obligations of the Post-Effective Date Debtors and/or the Plan Administrator, as applicable. For the avoidance of doubt, if the Asset Sale is consummated, no such obligations shall be enforceable against the Purchaser or any of its affiliates.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases.

Entry of the Confirmation Order shall constitute a Bankruptcy Court order approving the rejection, if any, of any Executory Contracts or Unexpired Leases as provided for in the Plan, the Schedule of Rejected Executory Contracts and Unexpired Leases, or the Purchase Agreement in the event of a Sale Transaction, as applicable. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims and Noticing Agent at the address specified in any notice of entry of the Confirmation Order and served on the Post-Effective Date Debtors no later than thirty (30) days after the effective

date of such rejection. The notice of the Plan Supplement shall be deemed appropriate notice of rejection when served on applicable parties.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease with respect to which a Proof of Claims is not Filed with the Claims and Noticing Agent within thirty (30) days after the effective date of such rejection will be automatically disallowed and forever barred from assertion and shall not be enforceable against the Debtors, the Post-Effective Date Debtors, the Estates, the GUC Trust, the Purchaser, the Plan Administrator, or their property without the need for any objection by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the Purchaser, or the GUC Trust, as applicable, or further notice to, action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged and shall be subject to the permanent injunction set forth in Article VIII.F of the Plan, notwithstanding anything in a Proof of Claim to the contrary.

All Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease pursuant to section 365 of the Bankruptcy Code shall be treated as a General Unsecured Claim as set forth in Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

D. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.

The Debtors or the Post-Effective Date Debtors, as applicable, shall pay Cures, if any, on the Effective Date or as soon as reasonably practicable thereafter. The proposed amount and timing of payment of each such Cure shall be set forth in the Plan Supplement unless otherwise agreed in writing (email being sufficient) between the Debtors or the Post-Effective Date Debtors and the counterparty to the applicable Executory Contract or Unexpired Lease. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, any objection (an “Executory Contract Objection”) filed by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or assumption and assignment, including pursuant to the Plan, or related Cure amount must be Filed, served, and actually received by counsel to the Debtors and the U.S. Trustee by the applicable Assumption or Rejection Objection Deadline or any other deadline that may be set by the Bankruptcy Court. Any Executory Contract Objection (x) timely Filed prior to the Confirmation Hearing will be heard by the Bankruptcy Court at the Confirmation Hearing unless otherwise agreed to by the Debtors and the objecting party, with the consent of the Purchaser (in the case of an Asset Sale), or (y) timely Filed after the Confirmation Hearing shall be heard as soon as reasonably practicable on a date requested by the Debtors or the Post-Effective Date Debtors, as the case may be, with the consent of the Purchaser (in the event of an Asset Sale). Any Executory Contract Objection that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion and shall not be enforceable against the Purchaser or any Post-Effective Date Debtor without the need for any objection by the Post-Effective Date Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Post-Effective Date Debtors, as applicable, of the Cure amount; *provided* that nothing herein shall prevent the Post-Effective Date Debtors from paying any Cure amount despite the failure of the relevant counterparty to File an Executory Contract Objection. The Debtors or the Post-Effective Date Debtors, as applicable, may also settle any Cure without any further notice to or action, order, or approval of the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption or assumption and assignment of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption and/or assignment.

If there is any dispute regarding any Cure, the ability of the Post-Effective Date Debtors, or any assignee to provide “adequate assurance of future performance” within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption (or assumption and assignment), then payment of Cure shall occur as soon as reasonably practicable after entry of a Final Order (which may be the Confirmation Order) resolving such dispute, approving such assumption (and, if applicable, assumption and assignment), or as may be agreed upon by the Debtors or the Post-Effective Date Debtors, the Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease.

To the extent an Executory Contract Objection relates solely to a Cure, the Debtors or the Post-Effective Date Debtors, as applicable, may assume and/or assume and assign the applicable Executory Contract or Unexpired Lease prior to the resolution of the Cure objection; *provided* that the Debtors or the Post-Effective Date Debtors, as applicable, reserve Cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure payment by the non-Debtor party to such Executory Contract or Unexpired Lease (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such non-Debtor party and the applicable Post-Effective Date Debtor); *provided* further that any Cash reserved in accordance with the forgoing shall not constitute an Acquired Asset and shall be maintained by the Debtors or the Post-Effective Date Debtors, as applicable.

Assumption (or assumption and assignment) of any Executory Contract or Unexpired Lease pursuant to the Plan, the Purchase Agreement, or otherwise and full payment of any applicable Cure pursuant to this Article V.D shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed (or assumed and assigned) in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

For the avoidance of doubt, if the Asset Sale is consummated pursuant to the Purchase Agreement, the Purchaser shall not have any obligation with respect to any Cure. To the extent any Cure dispute arises after the Effective Date with respect to an Executory Contract or Unexpired Lease assumed and assigned to the Purchaser, the resolution of such Cure dispute shall be the sole responsibility of the Debtors or the Post-Effective Date Debtors, and the Purchaser shall have no liability in connection therewith.

E. Insurance Policies.

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. If the Debtors consummate the Equity Investment Transaction or the Recapitalization Transaction, unless otherwise provided in the Plan, on the Effective Date, (i) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims, including all D&O Liability Insurance Policies and (ii) such insurance policies and any agreements, documents, or instruments relating thereto, including all D&O Liability Insurance Policies, shall revest in the Post-Effective Date Debtors.

If the Debtors consummate the Asset Sale, unless otherwise provided in the Plan or Purchase Agreement, on the Effective Date, (i) each of the Debtors' insurance policies (excluding all D&O Liability Insurance Policies) shall be assumed and assigned to the Purchaser in accordance with the Purchase Agreement and (ii) each of the Debtors' D&O Liability Insurance Policies shall be assumed by the Debtors and shall revest in the Post-Effective Date Debtors.

Nothing in the Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or supervening), (i) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (ii) alters or modifies the duty, if any, that the insurers or third party administrators pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Post-Effective Date Debtors) or draw on any collateral or security therefor.

F. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Post-Effective Date Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy

law to the contrary, the Debtors and the Post-Effective Date Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

G. Reservation of Rights.

Nothing contained in the Plan or the Plan Supplement shall constitute an admission by the Debtors that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Debtors or the Post-Effective Date Debtors have any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Post-Effective Date Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter the treatment of such contract or lease under the Plan.

H. Nonoccurrence of Effective Date.

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

I. Contracts and Leases Entered Into After the Petition Date.

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtors or the Post-Effective Date Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

**ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS**

A. Timing and Calculation of Amounts to Be Distributed.

Unless otherwise provided in the Plan, on the Effective Date (or, if a Claim or Interest is not an Allowed Claim or Allowed Interest on the Effective Date, on the date that such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Allowed Interest shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

B. Disbursing Agent.

All distributions under the Plan shall be made by the Disbursing Agent or the GUC Trustee, as applicable, on the Effective Date or at such other time as provided for in the Plan. The Disbursing Agent and the GUC Trustee shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent or the GUC Trustee is so

otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Post-Effective Date Debtors or the GUC Trust, respectively.

C. Rights and Powers of Disbursing Agent.

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby (other than distributions on account of General Unsecured Claims); (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred on or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Post-Effective Date Debtors.

D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions in General.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims or Allowed Interests shall be made to Holders of record as of the Distribution Record Date by the Disbursing Agent or the GUC Trustee, as appropriate: (a) to the signatory set forth on any Proof of Claim or Proof of Interest filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim or Proof of Interest is filed or if the Debtors or the GUC Trust have not been notified in writing of a change of address); (b) at the addresses set forth in any written notices of address changes delivered to the Post-Effective Date Debtors, or the Disbursing Agent or the GUC Trustee, as appropriate, after the date of any related Proof of Claim or Proof of Interest; or (c) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. Subject to this Article VI, distributions under the Plan on account of Allowed Claims or Allowed Interests shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim or Allowed Interest shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trustee, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan except for fraud, gross negligence, or willful misconduct. For the avoidance of doubt, distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

3. Minimum Distributions.

No fractional shares of New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest (as applicable) would otherwise result in the issuance of a number of shares of New Common Stock that is not a whole number, the actual distribution of shares of New Common Stock shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number, and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefore. The total

number of authorized shares of New Common Stock to be distributed under the Plan shall be adjusted as necessary to account for the foregoing rounding.

4. Undeliverable Distributions and Unclaimed Property.

In the event that any distribution to any Holder of Allowed Claims or Allowed Interests (as applicable) is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent or the GUC Trustee has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (in the case of distributions from the GUC Trust Net Assets), as applicable, automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheatment, abandoned property, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder related to such property or interest in property shall be discharged and forever barred. The Post-Effective Date Debtors, the Disbursing Agent, and the GUC Trust shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings. For the avoidance of doubt, treatment of undeliverable distributions on account of General Unsecured Claims shall be governed by the GUC Trust Agreement.

E. *Manner of Payment.*

At the option of the Disbursing Agent or the GUC Trustee, as applicable, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in the GUC Trust Agreement or other applicable agreements.

F. *Compliance with Tax Requirements.*

In connection with the Plan, to the extent applicable, any applicable withholding or reporting agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, any applicable withholding or reporting agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors, the Post-Effective Date Debtors, and the GUC Trust reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances in a tax-efficient manner acceptable to the Required Consenting Term Lenders.

G. *Allocations.*

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. *No Postpetition Interest on Claims.*

Unless otherwise specifically provided for in the Plan, the DIP Orders, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective

Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

I. Foreign Currency Exchange Rate.

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Effective Date.

J. Setoffs and Recoupment.

Except as expressly provided in the Plan, each Post-Effective Date Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (i) agreed in amount among the relevant Post-Effective Date Debtor(s) and Holder of Allowed Claim or (ii) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Post-Effective Date Debtor or its successor of any and all claims, rights, and Causes of Action that such Post-Effective Date Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Post-Effective Date Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

K. Claims Paid or Payable by Third Parties.

1. Claims Paid by Third Parties.

The Debtors, the Post-Effective Date Debtors, and the GUC Trust, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor, a Post-Effective Date Debtor, or the GUC Trust, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt thereof, repay or return the distribution to the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets), as applicable, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder timely to repay or return such distribution shall result in the Holder owing the applicable Post-Effective Date Debtor or the GUC Trust (in the case of distributions from the GUC Trust Assets) annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is fully repaid.

2. Claims Payable by Third Parties.

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Notwithstanding anything to the contrary contained herein (including Article III of the Plan), nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers, under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT,
UNLIQUIDATED, AND DISPUTED CLAIMS**

A. Disputed Claims Process.

The Debtors and the Post-Effective Date Debtors, and the GUC Trust (solely with respect to General Unsecured Claims), shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under the Plan. **Except as otherwise provided herein, all Proofs of Claim Filed after the earlier of: (a) the Effective Date or (b) the applicable claims bar date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, without the need for any objection by the Debtor, Post-Effective Date Debtor, or the GUC Trust, as applicable, or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. Allowance of Claims.

After the Effective Date and subject to the terms of the Plan and the Purchase Agreement (in the event of an Asset Sale), the Plan Administrator, each of the Post-Effective Date Debtors, the GUC Trust, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be allowed under applicable non-bankruptcy law. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Allowed Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest.

Any Claim that has been or is hereafter listed in the Schedules as contingent, unliquidated, or disputed, and for which no Proof of Claim is or has been timely Filed, or that is not or has not been Allowed by the Plan or a Final Order is not considered Allowed and shall be expunged without further action by the Debtors and without further notice to any party or action, approval, or order of the Bankruptcy Court.

C. Estimation of Claims.

Before or after the Effective Date, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of

the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register but that either is subject to appeal or has not been the subject of a Final Order shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust (with respect to General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) days after the date on which such Disputed Claim or Interest is estimated.

D. Claims Administration Responsibilities.

Except as otherwise specifically provided in the Plan, after the Effective Date, the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (solely with respect to the General Unsecured Claims), as applicable, and, in the event of a Sale Transaction, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, shall have the sole authority: (i) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (ii) to settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court; and (iii) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Post-Effective Date Debtor or the GUC Trust, as applicable, shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to the Plan.

E. Time to File Objections to Claims.

Any objections to Claims shall be Filed by the Post-Effective Date Debtors or the GUC Trust, and, in the event of an Asset Sale, with the consent of the Purchaser solely to the extent that such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement, on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

F. Adjustment to Claims or Interests without Objection.

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Post-Effective Date Debtors, the Plan Administrator, and/or the GUC Trust (with respect to General Unsecured Claims), as applicable, without the Post-Effective Date Debtors, the Plan Administrator, or the GUC Trust, as applicable having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

G. Disputed and Contingent Claims Reserve.

On or after the Effective Date, the Debtors or the Post-Effective Date Debtors, as applicable, may establish one or more reserves for Claims that are contingent or have not yet been Allowed, in an amount or amounts as reasonably determined by the applicable Debtors, the Post-Effective Date Debtors, or the Plan Administrator, as applicable, consistent with the Proof of Claim Filed by the applicable Holder of such Disputed Claim. Following the

final resolution of all Disputed Claims, any residual amounts in the Disputed Claims Reserve shall constitute Residual Cash and be immediately distributable to Holders of Allowed First Lien Claims.

H. Disallowance of Claims or Interests.

All Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Post-Effective Date Debtors, as applicable, allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims or Interests may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Post-Effective Date Debtors. All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan after notice to the Holder of such Claim, but without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Post-Effective Date Debtors or the GUC Trust (with respect to the General Unsecured Claims), in their sole discretion, any and all Proofs of Claim Filed after the applicable bar date shall be deemed Disallowed as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Claim has been deemed timely Filed by a Final Order.

I. Amendments to Proofs of Claim or Interest.

On or after the Effective Date, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court, the Debtors, the Post-Effective Date Debtors, the Plan Administrator, the GUC Trust (with respect to General Unsecured Claims), or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction), as applicable, and any such new or amended Proof of Claim or Proof of Interest Filed that is not so authorized before it is Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court absent prior Bankruptcy Court approval or agreement by the Debtors, the Post-Effective Date Debtors, the Plan Administrator, or the Purchaser (solely to the extent that the assets or liabilities that give rise to such Claim or Interest are transferred to the Purchaser pursuant to the Purchase Agreement in the event of a Sale Transaction) as applicable; *provided* that the foregoing shall not apply to Administrative Claims or claims filed by Governmental Units to the extent the applicable bar date has not yet occurred.

J. Distributions Pending Allowance.

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided under the Plan shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest.

K. Distributions After Allowance.

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent (or the GUC Trustee, with respect to General Unsecured Claims) shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective

Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS³

A. Discharge of Claims and Termination of Interests.

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created or entered into pursuant to the Plan, including the Purchase Agreement in the event of an Asset Sale, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Post-Effective Date Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims or Interests, including demands, liabilities, and Causes of Action (including any Causes of Action or Claims based on theories or allegations of successor liability) that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (i) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (ii) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (iii) the Holder of such a Claim or Interest has accepted the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than any Reinstated Claims) and Interests (other than any Intercompany Interests that are Reinstated) and in the event of an Asset Sale, the transfer of the Debtors' assets free and clear of any and all such Claims and Interests, subject to the occurrence of the Effective Date.

B. Release of Liens.

Except as otherwise provided in the New Takeback Facility Documents, the Plan, the Confirmation Order, the Purchase Agreement (if applicable), or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of a Secured Claim or any related claim that may be asserted against a non-Debtor Affiliate, in satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with Article III.B.1 hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates or any non-Debtor Affiliate shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the Post-Effective Date Debtors and their successors and assigns. Any Holder of such Secured Claim or claim against a non-Debtor Affiliate (and the applicable agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Post-Effective Date Debtors, to release any collateral or other property of any Debtor or non-Debtor Affiliate (including any Cash Collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder) and to take such actions as may be reasonably requested by the Post-Effective Date Debtors or the Plan Administrator, as applicable, to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any

³. ~~[NTD: Release provisions subject to ongoing review, including as part of the Special Committee investigation.]~~

federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. *Releases by the Debtors.*

Notwithstanding anything contained in the Plan to the contrary, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged, by and on behalf of the Debtors, their Estates, and, if applicable, the Post-Effective Date Debtors and the Plan Administrator, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, from any and all claims and Causes of Action whatsoever (including any Avoidance Actions and any derivative claims asserted or assertable on behalf of the Debtors, their Estates, the Post-Effective Date Debtors, or the Plan Administrator), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, their Estates, the Post-Effective Date Debtors, if applicable, the Plan Administrator, if applicable, or their Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan and, further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties, including, without limitation, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing the Plan; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interests of the Debtors and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Debtors' Estates, or, if applicable, the Post-Effective Date Debtors or the Plan Administrator, asserting any Claim or Cause of Action released pursuant to the Debtor Release.

D. *Releases by Holders of Claims and Interests.*

Except as otherwise expressly set forth in the Plan or the Confirmation Order, on and after the Effective Date, the Released Parties will be deemed conclusively, absolutely, unconditionally, irrevocably, and

forever released and discharged, by the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives and any and all other Persons that may purport to assert any Cause of Action derivatively, by or through the foregoing Persons, in each case solely to the extent of the Releasing Parties' authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law, from any and all claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of the Debtors or the Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or the Estates, the Chapter 11 Cases, the Restructuring Transactions, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated under the Plan, the business or contractual arrangements or interactions between the Debtors and any Released Party, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the negotiation, formulation, preparation, or consummation of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the solicitation of votes with respect to the Plan, the New Takeback Facility Documents, the New Organizational Documents, the Receivables Program Documents, and all other Definitive Documents, in all cases based upon any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date; *provided, however*, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the confirmation of the Plan; (iii) given in exchange for good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third-Party Release.

E. Exculpation.

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the RSA, the Restructuring Transactions, the First Lien Credit Documents, the Bridge Facility Documents, the New Organizational Documents, the DIP Documents, the DIP Orders, the Disclosure Statement, the Plan Supplement, the Purchase Agreement (if applicable), the Sale Transaction (if applicable), the Plan and related agreements, instruments, and other documents, the New Takeback Facility Documents, the Receivables Program Documents, and all other Definitive Documents, the solicitation of votes for, or Confirmation of, the Plan, the funding of the Plan, the occurrence of the Effective Date, the administration of the Plan or the property to be distributed under the Plan, the issuance of securities under or in connection with the Plan, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Post-Effective Date Debtors, if applicable, in connection with the Plan and the Restructuring Transactions, or

the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is a criminal act or constitutes actual fraud, willful misconduct, or gross negligence as determined by a Final Order, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of securities pursuant to the Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan, including the issuance of securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability; *provided*, however, that notwithstanding anything herein to the contrary, nothing in this Plan shall affect, limit, or release in any way any performance obligations of any party or Entity under the Plan, the Asset Sale, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or the Asset Sale (including the Purchase Agreement and any documents in connection therewith).

F. Injunction.

Except as otherwise expressly provided in the Plan or the Confirmation Order or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date through and until the date upon which all remaining property of the Debtors' Estates vested in the Post-Effective Date Debtors has been liquidated and distributed in accordance with the terms of the Plan, from taking any of the following actions against, as applicable, the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties: (i) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (ii) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iii) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (iv) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (v) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to the Plan.

No Person or Entity may commence or pursue a Claim or Cause of Action of any kind against the Debtors, the Post-Effective Date Debtors, the Exculpated Parties, or the Released Parties, as applicable, that relates to or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of a Claim or Cause of Action subject to Article VIII.C, Article VIII.D, or Article VIII.E hereof, without the Bankruptcy Court (i) first determining, after notice and a hearing, that such Claim or Cause of Action represents a colorable Claim of any kind, and (ii) specifically authorizing such Person or Entity to bring such Claim or Cause of Action against any such Debtor, Post-Effective Date Debtor, Exculpated Party, or Released Party.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Except as otherwise set forth in the Confirmation Order, each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or

Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F.

G. Protections Against Discriminatory Treatment.

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Post-Effective Date Debtors, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against the Post-Effective Date Debtors, or another Entity with whom the Post-Effective Date Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention.

On and after the Effective Date, the Post-Effective Date Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Post-Effective Date Debtors, and in accordance with the Purchase Agreement (if applicable).

I. Reimbursement or Contribution.

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (i) such Claim has been adjudicated as non-contingent or (ii) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

**ARTICLE IX.
CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN**

A. Conditions Precedent to the Effective Date.

It shall be a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.B hereof:

2. in the event of an Asset Sale, the Distribution Reserve Accounts shall have been established and funded with the Priority Claims Reserve Amount and the Wind-Down Amount;

All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Entire Agreement.

Except as otherwise indicated, including with respect to the Purchase Agreement (if applicable), and without limiting the effectiveness of the RSA, the Plan (including, for the avoidance of doubt, the Plan Supplement) supersedes all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan.

Notwithstanding any such holding, alteration, or interpretation, the remainder of the terms and

provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (i) valid and enforceable pursuant to its terms; (ii) integral to the Plan, and any deletion or modification thereof shall be subject to the consent rights set forth in the RSA, the Purchase Agreement (if applicable), and herein; and (iii) nonseverable and mutually dependent.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual representations, warranties, covenants, and agreements set forth herein, and intending to be legally bound hereby, the Parties hereby agree as follows:

ARTICLE I PURCHASE AND SALE OF ACQUIRED ASSETS; ASSUMPTION OF ASSUMED LIABILITIES

1.1 Purchase and Sale of the Acquired Assets. Pursuant to sections 105, 363, and 365 of the Bankruptcy Code, on the terms and subject to the conditions set forth herein and in the Sale Order, at the Closing, Seller shall sell, transfer, assign, convey, and deliver to Purchaser, and Purchaser shall purchase, acquire, and accept from Seller, all of Seller’s right, title and interest in and to, as of the Closing, the Acquired Assets, free and clear of all Encumbrances other than

Permitted Encumbrances. “Acquired Assets” means all of the right, title, and interest of Seller, as of the Closing in and to, the following assets of Seller:

(a) (i) the Contracts listed on Schedule 1.1(a), (ii) the Transferred Customer Contracts, (iii) any purchase orders, service orders, sales orders, and similar instruments entered into by Seller prior to the Closing with respect to any Contract in clause (i) or (ii), (iv) any other Contracts entered into by Seller with respect to the Transferred Business prior to the Closing with the written consent of Purchaser (not to be unreasonably withheld, conditioned or delayed), and (v) the Acquired Leases ((i) through (v), the “Assigned Contracts”);

(b) all prepaid or deferred charges and expenses, including all lease and rental payments, in each case, that have been prepaid by any Seller with respect to any Acquired Leased Real Property;

(c) the leased real property listed on Schedule 1.1(c) (the “Acquired Leased Real Property” and the lease pursuant to which Seller holds its interest in such Acquired Leased Real Property, an “Acquired Lease”), including any Leasehold Improvements and all permanent fixtures, improvements, and appurtenances thereto;

(d) all tangible assets of Seller located at any Acquired Leased Real Property and any such tangible assets on order to be delivered to any Acquired Leased Real Property, other than those assets set forth on Schedule 1.1(d); and

(e) to the extent transferable, all rights of Seller under any permits, permissions, licenses, authorizations and other similar items, in each case, arising from a local Governmental Body having jurisdiction over, and only to the extent relating solely to the operation or use of the Acquired Leased Real Property.

1.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall Seller be deemed to sell, transfer, assign, convey or deliver, and Seller shall retain all right, title and interest to, in and under any properties, rights, interests and other assets of Seller other than the Acquired Assets (collectively, the “Excluded Assets”).

1.3 Assumption of Certain Liabilities. On the terms and subject to the conditions set forth herein and in the Sale Order, effective as of the Closing, in addition to the payment of the Cash Payment in accordance with Section 2.1, Purchaser shall irrevocably assume from Seller (or with respect to Taxes, if applicable, from such Seller’s applicable Affiliate) (and from and after the Closing pay, perform, discharge, or otherwise satisfy in accordance with their respective terms), and Seller (or with respect to Taxes, if applicable, Seller’s applicable Affiliate) shall irrevocably transfer, assign, convey, and deliver to Purchaser, only the following Liabilities, without duplication and only to the extent not paid prior to the Closing (collectively, the “Assumed Liabilities”):

(a) all Liabilities and obligations of any Seller under the Assigned Contracts that first arise or become due from and after the Closing;

(b) all Liabilities (including all government charges or fees) arising out of the conduct of the Transferred Business or the ownership or operation of the Acquired Assets, in each case, by Purchaser on or after the Closing Date;

(c) all Transfer Taxes required to be paid under this Agreement;

(d) without duplication: (i) the Pro Rata Portion of all Taxes with respect to the Acquired Assets for the Straddle Period, and (ii) all Taxes with respect to the Acquired Assets for any taxable period first beginning on or after the Closing Date;

(e) all Liabilities agreed to be assumed by Purchaser in writing or for which Purchaser has agreed to be responsible in accordance with this Agreement; and

(f) all Liabilities relating to Transferred Employees and all Liabilities and obligations assumed by Purchaser under Section 6.1.

1.4 Excluded Liabilities. Purchaser shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, any Seller of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on the Closing Date or arising thereafter as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”).

1.5 Assigned Contracts.

(a) Assumption and Assignment of Executory Contracts. Seller shall take such actions in the Bankruptcy Case and the CCAA Proceedings as are reasonably necessary to effectuate the assumption and assignment to Purchaser of the Assigned Contracts hereunder in accordance with the Bankruptcy Code and the CCAA.

(b) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser to the extent that such Contract is rejected by a Seller or its Affiliates or terminated by a Seller, its Affiliates or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to and determined after giving effect to, any Order of the Bankruptcy Court, including the Sale Order) in order to permit the sale or transfer to Purchaser of the applicable Seller’s right, title and interest in and to such asset, Seller shall cooperate with Purchaser and use commercially reasonable efforts in pursuing such Consent or Governmental Authorization. If one or more such Consent or Governmental Authorization

has not been obtained prior to such time as such right, title and interest is to be transferred by Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser. If any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and six months following the Closing (or the closing of the Bankruptcy Cases or dissolution of the applicable Seller(s), if earlier), Seller and Purchaser shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser, including subcontracting, licensing, or sublicensing to Purchaser any or all of any Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs imposed on Seller or their respective Affiliates or any direct costs associated with the retention and maintenance of such Acquired Asset incurred by any Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser shall assume and timely discharge any related burden and obligation with respect to such Acquired Asset. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, Seller's right, title and interest in and to such Acquired Asset shall promptly be transferred and assigned to Purchaser in accordance with the terms of this Agreement and the Sale Order. Notwithstanding anything herein to the contrary, no Seller will be obligated to pay any consideration therefor to any third party from whom Consent or Governmental Authorization is requested or to initiate any litigation to obtain any such Consent or Governmental Authorization.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment.

(a) The aggregate consideration (collectively, the "Purchase Price") to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) the assumption of Assumed Liabilities and (ii) a cash payment of \$10,000,000, subject to Section 9.4(d) (the "Cash Payment").

(b) At the Closing, Purchaser shall deliver, or cause to be delivered, to Seller the Cash Payment (the "Closing Date Payment"). The Closing Date Payment and any payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Party to (or for the benefit of) whom such payment is to be made at least two Business Days prior to the date such payment is to be made.

2.2 Closing. The closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities in accordance with this Agreement (the "Closing") will take place by telephone conference and electronic exchange of

documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the second Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing), or at such other place and time as the Parties may agree in writing. The date on which the Closing actually occurs is referred to herein as the “Closing Date.”

2.3 Closing Deliveries by Seller. At or prior to the Closing, Seller shall deliver to Purchaser:

- (a) a bill of sale and assignment and assumption agreement substantially in the form of Exhibit A (the “Assignment and Assumption Agreement”) duly executed by Seller;
- (b) any joint elections contemplated by Section 9.4(e);
- (c) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Seller certifying that the conditions set forth in Sections 7.2(a) and 7.2(b) have been satisfied.

2.4 Closing Deliveries by Purchaser. At the Closing, Purchaser shall deliver to (or at the direction of) Seller:

- (a) the Closing Date Payment;
- (b) the Assignment and Assumption Agreement, duly executed by Purchaser;

- (d) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Purchaser certifying that the conditions set forth in Sections 7.3(a) and 7.3(b) have been satisfied; and
- (e) the PST owing under the PSTA. The Parties will reasonably cooperate in determining the amount of PST with respect to the Acquired Assets so as to permit each Party to comply with its respective obligations under the PSTA; provided that if the Parties are unable to agree prior to the Closing, the Closing will still occur and Purchaser shall continue to be responsible for such PST.

2.5 Withholding. Purchaser shall not be entitled to deduct and withhold any Taxes from any amounts otherwise payable pursuant to this Agreement, such amounts as may be required to be deducted and withheld therefrom or with respect thereto under the Tax Code or other applicable Law; provided that prior to any such deduction and withholding, Purchaser shall use commercially reasonable efforts to provide Seller with five (5) Business Days’ written notice of its intent to deduct and withhold amounts from any such payments. If Purchaser is required under applicable Law to deduct or withhold any taxes from any payment in connection with or related to this Agreement, the sum payable by Purchaser shall be increased as necessary so that after all required

deductions have been made, Seller receives an amount equal to the sum it would have received had no such deductions been made.

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLER

Except as (i) disclosed in the forms, reports, schedules, statements, exhibits and other documents filed with the SEC by CTI in respect of Seller and its business to the extent publicly available on the SEC's EDGAR database (other than any disclosures set forth under the headings "Risk Factors" or "Forward-Looking Statements" and any other disclosures included therein to the extent they are forward-looking in nature), (ii) disclosed in any forms, statements or other documents filed with the Bankruptcy Court, or (iii) set forth in the Schedules delivered by Seller concurrently herewith (each, a "Schedule" and collectively, the "Schedules"), and subject to Section 10.10, Seller represent and warrant to Purchaser as of the date hereof as follows:

3.3 Conflicts; Consents. Assuming that (a) the Sale Order and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained, and (b) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 3.3 are made, given, obtained or waived (as applicable), neither the execution and delivery by Seller of this Agreement or the other

Transaction Agreements, nor the consummation by Seller of the Transactions, nor performance or compliance by Seller with any of the terms or provisions hereof or thereof, will (i) conflict with or violate any provision of the Organizational Documents of Seller (ii) except as set forth on Schedule 3.3, violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancellation of any obligation or to the loss of any benefit, any of the terms or provisions of any Assigned Contract or accelerate Seller's obligations under any such Assigned Contract, (iii) violate any Law or Order applicable to Seller or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any Acquired Assets, except, in the case of clauses (ii), (iii) or (iv), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.4 Legal Actions. As of the date of this Agreement, except as set forth on Schedule 3.4, there are no, and during the two (2) years preceding the date hereof there have been no, Actions pending or to the Knowledge of Seller, threatened in writing that relate to the Transferred Business (a) to which Seller is or was a party or to which any property, rights or interests of any of them is or was subject, except for (i) such Action that, if adversely determined, would not reasonably be expected to result in (x) Liabilities or obligations of any nature of Seller following the Closing in excess of \$500,000 or (y) equitable remedies that would reasonably be expected to be material and adverse to the Transferred Business, taken as a whole, following the Closing, and (ii) following the Petition Date, claims of creditors or other parties in the Bankruptcy Cases or (b) that challenge, or that may have the effect of preventing, delaying, making illegal or otherwise interfering with, any of the Transactions.

(b) To the Knowledge of Seller, except as set forth on Schedule 3.5(b), Seller possesses all Permits that are necessary or required to conduct the Transferred Business with respect to the Acquired Assets as currently conducted, except for such Permits, the failure to have so obtained, made or delivered would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Seller has delivered to the Purchaser or the Purchaser's Advisors true and complete copies of the Acquired Leases. Except as set forth on Schedule 3.6 (and subject to entry of the Sale Order), with respect to each of the Acquired Leases: (i) such Acquired Lease is legal, valid, binding, enforceable and in full force and effect; (ii) to the Knowledge of Seller, there are no existing

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser represents and warrants to Seller as of the date hereof as follows.

4.1 Organization and Qualification. Purchaser is an entity duly created, formed or organized (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its creation, formation or organization (as applicable) and has all requisite corporate or limited liability company power and authority necessary to conduct its business as it is now being conducted, except (other than with respect to Purchaser's due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have an adverse effect on Purchaser's ability to consummate the Transactions. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) under the Laws of each jurisdiction in which the nature of the business conducted by it or the character or location of the properties owned or used by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or

in the aggregate, reasonably be expected to have an adverse effect on Purchaser's ability to consummate the Transactions.

4.2 Authorization of Agreement. Purchaser has all necessary power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court approvals and CCAA Orders being granted, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery and performance by Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court approvals and CCAA Orders being granted, this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Assuming that (i) the Sale Order, and all other requisite Bankruptcy Court approvals and CCAA Orders are obtained and (ii) the notices, authorizations, approvals, Orders, permits or consents set forth on Schedule 4.3(a) are made, given, obtained or waived (as applicable), neither the execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the Transactions, nor performance or compliance by Purchaser with any of the terms or provisions hereof, will (A) conflict with or violate any provision of Purchaser's Organizational Documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

(b) Except as set forth on Schedule 4.3(a), Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing. Purchaser has, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Cash Payment in full and to consummate all of the other Transactions, including the payment of the Purchase Price in full and all fees, expenses of, and other amounts required to be paid by, Purchaser in connection with the Transactions and, to

Purchaser's knowledge, there is no circumstance or condition that could reasonably be expected to prevent or substantially delay the availability of such funds or otherwise impair such capability at the Closing and such other dates that such obligations and transactions are required to be satisfied pursuant to the terms hereof. Purchaser affirms that it is not a condition to Closing or to any of its obligations under this Agreement that Purchaser obtains financing for the Transactions.

4.5 Brokers. There is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that might be entitled to any fee or commission in connection with the Transactions.

4.6 No Litigation. There are no Actions pending or, to Purchaser's knowledge, threatened against or affecting Purchaser that will or would be reasonably likely to adversely affect Purchaser's performance of its obligations under this Agreement or the consummation of the Transactions.

4.7 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of Seller or its board of directors (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender or creditor of Seller or any Affiliate of Seller, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any such transactions.

4.8 Solvency. Purchaser is, and immediately after giving effect to the Transactions, Purchaser shall be, solvent and at all times shall: (a) be able to pay its debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay its debt (including a reasonable estimate of the amount of all contingent Liabilities) and (c) have adequate capital to carry on its business. (b) For the avoidance of doubt, and notwithstanding anything to the contrary set forth in Section 1.3 above, all Liabilities relating to the employment by Seller of any Business Employees shall be Excluded Liabilities; provided, however, that Purchaser shall be solely liable for all Liabilities relating to the Transferred Employees to the extent such Liability (i) first arises after such Transferred Employee commences employment with Purchaser and relates to or arises from such employment with Purchaser, or (ii) relates to or arises from a breach of or default under a Transfer Offer. Purchaser further agrees and acknowledges that some of the Business Employees reside in or are otherwise protected by the Laws of the Province of Quebec, and that such Laws may relate to Purchaser's decision or potential obligation to extend a Transfer Offer to one or more Business Employees, the terms contained in any such Transfer Offer, or Purchaser's other decisions with respect to the Transferred Employees or Business Employees that reside in or are otherwise protected by the Laws of the Province of Quebec (the "Quebec Employment Matters"). Purchaser will decide issues relating to the Quebec Employment Matters in its sole discretion; provided that Purchaser shall be solely responsible for any and all Liabilities arising from or relating to any Quebec Employment Matters. (d) The provisions of this Section 6.1 are for the sole benefit of the Parties and nothing herein, express or implied, is intended or shall be construed to confer upon or give any Person (including for the avoidance of doubt any employees of Seller or any Transferred Employees), other than the Parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (with respect to the matters provided for in this Section 6.1 or under or by reason of any provision of this Agreement). Nothing contained herein, express or implied: (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement; (ii) shall, subject to compliance with the other provisions of this Section 6.1, alter or limit Purchaser's or Seller's ability to amend, modify or terminate any particular benefit plan, program, agreement or arrangement; or (iii) is intended to confer upon any current or former employee any right to employment or continued employment for any period of time by reason of this Agreement, or any right to a particular term or condition of employment.

(b) During the Shared Contract Period, Purchaser and Seller shall cooperate and work in good faith to separate the applicable portion of any Shared Customer Contract hereunder. The Contract constituting the separated portion of any Shared Customer Contract that relates to the Transferred Business shall constitute a Transferred Customer Contract, and in no event shall those portions of any Shared Customer Contract not relating to the Transferred Business be considered a Transferred Customer Contract. With respect to any Shared Customer Contract, if partial assignment or amendment cannot be obtained, or if an attempted partial assignment or amendment thereof would adversely affect in any material respect the rights of the Purchaser, Seller or their respective Affiliates, Seller and Purchaser will, and will cause the respective Affiliate to, use their commercially reasonable efforts to negotiate a mutually acceptable arrangement under which Purchaser (or its Affiliates) or Seller (or its Affiliates) will, from and after the Closing, to the extent permitted by applicable Law, obtain the benefits and assume the Liabilities and obligations under such Shared Customer Contract (consistent with this Section 6.4) to the extent related to the Transferred Business (in the case of the Purchaser) or the other businesses of Seller and its Affiliates (in the case of Seller), including entering into sub-contracting, sub-licensing or sub-leasing arrangements for the benefit of Purchaser or Seller, as the case may be.

third party beneficiary of this Section 6.4. This Section 6.4 may not be amended or modified, and no waiver may be granted hereunder, without the prior written consent of any such acquiror of a Shared Customer Contract.

6.5 Reasonable Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, each Party shall, and shall cause its Subsidiaries to, use its and their commercially reasonable efforts to perform its and their respective obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder.

(b) The obligations of Seller pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Cases), Seller's debtor-in-possession financing, and Seller's obligations as debtors in possession to comply with any Order of the Bankruptcy Court (including the Sale Order), and Seller's duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

From time to time, as and when requested by any Party and at such requesting Party's expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions.

6.8 Receipt of Misdirected Assets; Liabilities.

(a) From and after the Closing, if Seller or any of its Affiliates receives any right, property or asset that is an Acquired Asset, Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to Seller, and such asset will be deemed the property of Seller held in trust by Purchaser for Seller until so transferred.

(b) From and after the Closing, if Seller or any of its Affiliates is subject to a Liability that should belong to Purchaser or its Affiliates pursuant to the terms of this Agreement, Seller shall promptly transfer or cause such of its Affiliates to transfer such Liability to Purchaser, and Purchaser shall assume and accept such Liability. 6.10 Acknowledgment by Purchaser.

(a) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that it has conducted to its full satisfaction an independent investigation and verification of the Transferred Business (including its financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects), the Acquired Assets, and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely, are relying, and will rely, solely, on the Express Representations and the results of the Purchaser Group’s own independent investigation and verification and have not relied on, are not relying on, and will not rely on, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors, in each case, whether written or oral, made or provided by or on behalf Seller or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations. Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that (i) the Express Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, statutory, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Representations) including in meetings, calls or correspondence with management of Seller, any of the Seller Parties or any other Person on behalf of Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects of Seller, or the quality, quantity or condition of any of the Acquired Assets, are, in each case, specifically disclaimed by Seller, on its behalf and on behalf of the Seller Parties. Purchaser, on its own behalf and on behalf of the Purchaser Group: (1) disclaims reliance on the items in clause (ii) in the

immediately preceding sentence; and (2) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence.

(b) Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.10. Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that the covenants and agreements contained in this Section 6.10 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.10, Seller would not enter into this Agreement.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Seller. The respective obligations of each Party to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Seller and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties made by Seller in Article III (in each case, other than the Fundamental Representations) shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except (i) that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date, and (ii) the representations and warranties set forth in Section 3.1, Section 3.2 and Section 3.11 (collectively, the “Fundamental Representations”) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct only as of such date;

(b) Seller shall not have breached, in any material respect, the covenants required to be performed or complied with by Seller under this Agreement on or prior to Closing;

(c) No Material Adverse Effect shall have occurred and be continuing with respect to the Transferred Business;

(d) Seller shall have executed or delivered to Purchaser all of the documents, instruments, and agreements set forth in Section 2.3;

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date;

(c) Seller shall have received on and as of the Closing Date a certificate of an authorized officer of Purchaser confirming that the conditions set forth in Section 2.4 have been satisfied.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. None of Purchaser or Seller may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement, including its obligation to use its reasonable best efforts to consummate the Transactions as required under this Agreement.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1, and in no other matter:

(a) by written notice of either Purchaser or Seller to the other, if there is in effect any Law or Order enacted or issued by a Government Body of competent jurisdiction that restrains, enjoins, declares unlawful or otherwise prohibits the consummation of the Closing or declaring unlawful the Transactions, and such Law or Order has become final, binding and non-appealable; provided that no Party may terminate this Agreement under this Section 8.1(a) if the issuance of such Order was caused by such Party's failure to perform any of its obligations under this Agreement;

(b) by written notice of either Purchaser or Seller, if the Closing shall not have occurred on or before December 31, 2023 (the "Outside Date") (or such later date as provided in Section 10.12); provided that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(b) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's failure to perform any of its obligations under this Agreement; provided further that Seller may extend the Outside Date up to an additional 45 days to the extent necessary to satisfy the conditions set forth in Section 7.1 so long as the other conditions in Article VII have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but which conditions are capable of being satisfied);

(c) by written notice from Seller to Purchaser, if all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but which conditions are capable of being satisfied) or waived and Purchaser fails to complete the Closing at the time required by Section 2.2;

(d) by written notice from Seller to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(b) would not be satisfied; provided that (i) if such breach is curable by Purchaser (other than a breach or failure by Purchaser to close when required pursuant to Section 2.2) then Seller may not terminate this agreement under this Section 8.1(d) unless such breach has not been cured by the date, which that the earlier of (A) one (1) Business Day prior to the Outside Date and (B) ten (10) days after Seller notifies Purchaser of such breach and (ii) Seller's right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Seller at any time that Seller is in breach of any covenant, representation or warranty hereunder such that the conditions in Section 7.3 cannot be satisfied.

(e) by written notice from Purchaser to Seller, upon a breach of any covenant or agreement on the part of Seller, or if any representation or warranty of Seller have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied; provided that (i) if such breach is curable by Seller (other than a breach or failure by Seller to close when required pursuant to Section 2.2) then Purchaser may not terminate this Agreement under this Section 8.1(e) unless such breach has not been cured by the date which is

the earlier of (A) one (1) Business Day prior to the Outside Date and (B) ten (10) days after the Purchaser notifies Seller of such breach and (ii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in breach of any covenant, representation or warranty hereunder such that the conditions in Section 7.2 cannot be satisfied;

(f) by written notice from Purchaser to Seller if any Material Adverse Effect occurs to the Transferred Business after the date hereof.

8.2 Effect of Termination. In the event of termination of this Agreement in accordance with Article VIII, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers or equity holders will have any Liability under this Agreement; provided that this Section 8.2 and Article X shall survive any such termination; provided further that no termination will relieve Purchaser from any liability for damages, losses, costs or expenses (which the Parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, but shall exclude consequential, special, punitive, and any other damages beyond actual damages incurred by Seller and related directly to such Willful Breach, any speculative damages or any damages based on any multiple or other valuation method) resulting from any Willful Breach of this Agreement prior to the date of such termination (which, for the avoidance of doubt, will be deemed to include any failure by Purchaser to consummate the Closing if and when it is obligated to do so hereunder). Nothing in this Section 8.2 will be deemed to impair the right of any Party to be entitled to specific performance or other equitable remedies to enforce specifically the terms and provisions of this Agreement.

ARTICLE IX TAXES

9.1 Transfer Taxes. Any U.S. federal, state, local, or non-U.S., GST/HST, QST, PST or other consumption sales, use, excise, value added, registration, real property, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, use or other Taxes and recording charges (including all related interest, penalties, and additions to any of the foregoing) payable by reason of the sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the “Transfer Taxes”) shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes with the appropriate Taxing Authority.

9.2 Allocation of Purchase Price. For U.S. federal and applicable state and local and non-U.S. income Tax purposes, Purchaser, Seller, and their respective Affiliates shall allocate the Purchase Price (and any Assumed Liabilities or other amounts treated as part of the purchase price for U.S. federal and non-U.S. income Tax purposes) among the Acquired Assets, which shall be consistent with the requirements of Section 1060 of the Code and the regulations promulgated thereunder and any similar provision of applicable Tax Law (the “Allocation Methodology”). As soon as commercially practicable, but no later than 45 days following the determination of the final Purchase Price, Purchaser shall provide a proposed allocation to Seller setting forth the allocation of the Purchase Price (and other amounts treated as part of the purchase price for U.S. federal and Canadian income Tax purposes) among the Acquired Assets in accordance with the Allocation Methodology (the “Allocation”) subject to Seller’s review and approval (such approval

not to be unreasonably delayed, conditioned or withheld). Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Allocation. If Seller delivers a written objection within 30 days after receipt of the draft Allocation proposed by Purchaser, then Purchaser and Seller shall negotiate in good faith to resolve any such objection, and, if Seller and Purchaser cannot resolve such dispute within 30 days of Purchaser's receipt of Seller's objection, then each of Purchaser, on the one hand, and Seller, on the other hand, shall be entitled to take its own position regarding the appropriate Allocation. The Parties and their respective Affiliates shall file all Tax Returns in accordance with such Allocation (as finally determined under this Section 9.2) and not take any Tax related action inconsistent with the Allocation, in each case, unless otherwise required by a "determination" within the meaning of section 1313(a) of the Tax Code and other applicable Law.

9.3 Cooperation. Purchaser and Seller shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes.

9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Seller shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all income Tax Returns of Seller.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets for any Tax period ending after the Closing Date. With respect to any Straddle Period, Purchaser shall prepare such Tax Returns consistent with past practice, and shall provide Seller or its successors in rights, as applicable, with a draft of such Tax Returns at least 30 days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Seller with respect to such Tax Returns.

(c) Purchaser shall not file any Tax Return, file an amendment to any previously-filed Tax Return, or otherwise take any Tax position that has the effect of increasing any Tax that is payable or otherwise borne by Seller, without the written consent of Seller (such consent not to be unreasonably delayed, conditioned or withheld); except to the extent Purchaser reasonably believes such position is required by Law.

(d) Property, ad valorem, intangible, and other periodic Taxes imposed or assessed directly against, the Acquired Assets (including to landlords through CAM charges under the Acquired Leases, but, for the avoidance of doubt, excluding any Transfer Taxes and any gross, net or similar Taxes) for any Straddle Period will be apportioned and prorated between Seller, on one hand, and Purchaser, on the other hand, as of the Closing Date. Purchaser shall bear the Pro Rata Portion of such Taxes, and Seller shall bear the remaining portion of such Taxes. The Parties hereby agree and acknowledge the apportionment of Taxes contemplated by this Section 9.4(d) results in an aggregate amount equal to \$6,073.16 payable at Closing by Purchaser to Seller, that the Cash Payment will be adjusted accordingly, and that such apportionment shall not be revisited after Closing, even if the actual apportionment (which would have been determined when the actual amount of such Taxes become known) is greater or less than the apportionment made at Closing. Purchaser shall be responsible for preparing and filing all Tax Returns with respect to,

and shall be responsible for paying to the applicable Taxing Authority or landlord, as applicable, all of, the Taxes contemplated by this Section 9.4(d).

ARTICLE X MISCELLANEOUS

10.1 Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Except as set forth below, and except for any claim based on fraud (which claims, if any, shall, for the avoidance of doubt, be subject to Section 6.10), each of the representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing, such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for one year following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Seller acknowledge and agree, on their own behalf, with respect to Purchaser, and on behalf of the Purchaser Group that the agreements contained in (among others) Section 6.10 and this Section 10.1 require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for one year. Notwithstanding anything to the contrary above in this Section 10.1 but subject in all cases to Section 6.10, the representations and warranties set forth in Sections 3.8(d), 3.9, and 3.10, (and no other representations and warranties) and any claim based on fraud (which claims, if any, shall, for the avoidance of doubt, be subject to Section 6.10), shall survive Closing in each case for a period of one year; provided that Seller shall have no Liability for any breach of such representations or warranties if Purchaser's aggregate Liability incurred as a result of all such breaches is less than \$10,000.00 and in no event shall Seller's Liability hereunder include (i) any consequential, special, punitive, or any other damages beyond actual damages incurred by Purchaser and related directly to such breach, (ii) any speculative damages or (iii) any damages based on any multiple or other valuation method.

10.2 Expenses. Whether or not the Closing takes place, except as otherwise provided herein, all fees, costs and expenses (including fees, costs and expenses of Advisors) incurred in connection with the negotiation of this Agreement and the other agreements contemplated hereby, the performance of this Agreement and the other agreements contemplated hereby and the consummation of the Transactions will be paid by the Party incurring such fees, costs and expenses.

10.4 Binding Effect; Assignment. This Agreement shall be binding upon Purchaser and, subject to the entry and terms of the Sale Order, Seller, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases; provided that such assignee assumes all of the assignors obligations hereunder and neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Seller, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that either Party may assign this Agreement in connection with the transfer of all or substantially all of its assets or the Acquired Assets. Notwithstanding the foregoing, Purchaser may elect, by notice delivered at least five Business Days prior to Closing, to assign its rights under this Agreement to an Affiliate for the purpose of taking assignment of the Acquired Leased Real Property in such Affiliate's name; provided that any such assignment shall in no way relieve Purchaser of its obligations under this Agreement.

10.5 Amendment and Waiver. Any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Seller or (b) waived only in a writing executed by the Party against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 6.10, the Seller Parties and, for purposes of Section 10.7, the Non-Recourse Parties and (ii) the Parties hereto and such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of any Party (each, a "Non-Recourse Party") will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or

for any Agreement Dispute (as defined herein), and (ii) in no event shall any Party have any shared or vicarious liability, or otherwise be the subject of legal or equitable claims, for the actions, omissions or fraud (including through equitable claims (such as unjust enrichment) not requiring proof of wrongdoing committed by the subject of such claims) of any other Person.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, and any disclosure in the Schedules will be deemed a disclosure against any representation or warranty set forth in this Agreement. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item which terms have actually been disclosed in writing on or before the date hereof. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement; provided that the refusal of any such courts refuse to grant specific performance or other equitable relief shall not itself constitute a breach of this clause (a), so long as the applicable Party has otherwise complied with and not made a claim or assertion inconsistent with this Section 10.12, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Seller nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order and neither Party will oppose the granting of specific performance or other equitable relief on the basis that the other Party has an adequate remedy at Law. The remedies available to Seller pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and neither Party will claim or assert that the election by the other Party to pursue an injunction or specific performance will restrict, impair, or otherwise limit such other Party from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any action, in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date will automatically be extended (i) for the period during which such action is pending, plus ten Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement

(each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Court, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the

extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.16 Publicity. Neither Seller nor Purchaser shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other Party, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser or Seller, as applicable, disclosure is otherwise required of such Party by applicable Law, such disclosure is consistent with (and discloses no substantive terms of the Agreement other than those disclosed in prior permitted releases) or disclosure is required by the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser or Seller (or their respective Affiliates) lists securities; provided that the Party intending to make such release shall use its reasonable efforts consistent with such applicable Law, Bankruptcy Court requirement, or rule to consult with the other Party with respect to the text thereof. Without limiting the foregoing, no Party, without the prior written approval of Seller and Purchaser, shall disclose the Purchase Price, the approximate amount of the Purchase Price, any other financial information from which the approximate amount of the Purchase Price may be determined, or disclose any of the other essential terms of this Agreement, except (a) as required by Law or required for financial reporting purposes and except or (b) to the extent such statements are consistent with, and disclose no substantive terms of this Agreement other than those disclosed in any previous press releases, public disclosures or public statements made jointly by the Parties (or individually), if approved by Seller and Purchaser.

10.17 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer Laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

(a) The terms “hereof,” “herein” and “hereunder” and terms of similar import are references to this Agreement as a whole and not to any particular provision of this Agreement. Section, clause, Schedule and exhibit references contained in this Agreement are references to sections, clauses, Schedules and exhibits in or to this Agreement, unless otherwise specified. All Exhibits and Schedules annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit but not otherwise defined therein shall be defined as set forth in this Agreement.

(b) Whenever the words “include,” “includes” or “including” are used in this Agreement, they will be deemed to be followed by the words “without limitation.” Where the context permits, the use of the term “or” will be equivalent to the use of the term “and/or.”

(c) The words “to the extent” shall mean “the degree by which” and not simply “if.”

(d) When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period will be excluded. If the last day of such period is a day other than a Business Day, the period in question will end on the next succeeding Business Day.

(h) All references to a day or days will be deemed to refer to a calendar day or calendar days, as applicable, unless otherwise specifically provided.

(i) Any document or item will be deemed “delivered,” “provided” or “made available” by Seller, within the meaning of this Agreement if such document or item is (i) delivered or provided to Purchaser or any of Purchaser’s Advisors, including by electronic means, or (ii) made available upon request, including at Seller’s offices.

(j) Any reference to any agreement or Contract will be a reference to such agreement or Contract, as amended, modified, supplemented or waived.

(k) Any reference to any particular Bankruptcy Code or Tax Code section or any Law will be interpreted to include any amendment to, revision of or successor to that section or Law regardless of how it is numbered or classified; provided that, for the purposes of the representations and warranties set forth herein, with respect to any violation of or non-compliance with, or alleged violation of or non-compliance, with any Bankruptcy Code or Tax Code section or Law, the reference to such Bankruptcy Code or Tax Code section or Law means such Bankruptcy Code or Tax Code section or Law as in effect at the time of such violation or non-compliance or alleged violation or non-compliance.
