This **DIP LOAN PROCEEDS INTERCOMPANY LOAN AGREEMENT** (the "**Agreement**") is made on May [●], 2025 between:

The Lender and the Borrower are hereinafter referred to as the "**Parties**" and each a "**Party**".

PREAMBLE

- (1) Pursuant to the "Summary of Terms and Conditions for Debtor-in-Possession Financing" dated May 14, 2025, entered into between Glencore International AG (the "**DIP Lender**"), as lender, and the Lender, as borrower (the "**DIP Term Sheet**"), or (ii) if executed and delivered by the Lender at the request of the DIP Lender, a long-form debtor-in-possession credit agreement entered into between the DIP Lender, as lender, and the Lender, as borrower (the "**DIP Credit Agreement**"), the DIP Lender has agreed to provide debtor-in-possession financing to the Lender for the purpose of funding certain limited obligations of the Lender in connection with its proceedings under the *Companies' Creditors Arrangement Act* (Canada) (such financing, the "**DIP Facility**").
- (2) It is intended that certain portions of the proceeds of the DIP Facility will be loaned from the Lender to the Borrower to fund the Borrower's short-term liquidity needs, in accordance with the applicable Budget (as defined in the DIP Financing Agreement (as defined below)).
- (3) The Parties enter into this Agreement in order to document the on-lending of the relevant proceeds of the DIP Facility by the Lender to the Borrower.

The Parties agree the following:

1. DEFINED TERMS AND INTERPRETATIONS

1.1 Capitalized terms used but not defined herein shall have the meaning given to such terms in the DIP Financing Agreement.

1.2 In this Agreement:

"**Business Day**" means a day on which banks are open for general business in Toronto, Ontario, Canada and Baar, Switzerland.

"**DIP Financing Agreement**" means the DIP Term Sheet or, in the case of the execution of the DIP Credit Agreement, the DIP Credit Agreement.

"**DIP Financing Interest**" means the interest payable from time to time by the Lender on any DIP Loan drawn by the Lender under the DIP Financing Agreement and used for funding the liquidity needs of the Borrower in accordance with the Budget.

"**DIP Loan**" means any loan or advance that was made to the Lender by the DIP Lender under the DIP Financing Agreement.

"**Maturity Date**" has the meaning assigned to it in the DIP Financing Agreement.

"**DIP Event of Default**" means any event constituting an "Event of Default" under the DIP Financing Agreement.

1.3 A reference to any person in this Agreement includes such person's successors, transferees and assignees.

2. THE LOAN AND ITS PURPOSE

2.1 The Lender agrees to make available to the Borrower a loan in one or more instalments up to a total maximum amount of US\$1,500,000 (the "**Loan Facility**"). The Loan Facility may be made available by the Lender to the Borrower in multiple drawings in an aggregate amount not to exceed the Loan Facility on the dates set forth in the DIP Financing Agreement in each case in accordance with the Budget and on the terms and conditions contained in the DIP Financing Agreement. The loan advances made available by the Lender to the Borrower under the Loan Facility are hereinafter referred to as the "**Loans**" and each a "**Loan**".

- 2.2** The proceeds of the Loan shall be applied by the Borrower solely in accordance with the Budget (subject to Permitted Variances) or as may otherwise be agreed to in writing by the DIP Lender, in its sole and absolute discretion, from time to time.
- 2.3** The Borrower will request utilization of the Loan Facility by delivery of a utilisation request to the Lender and the DIP Lender in writing (a "**Utilisation Request**"). Each Utilisation Request shall be substantially in the form set out in the Annex and contain (i) the proposed utilisation date (the "**Loan Utilisation Date**"), (ii) the principal amount of the Loan to be utilised (the "**Loan Principal Amount**"), (iii) a certification that the proceeds will be used in accordance with the relevant approved Budget and (iv) the proposed repayment date of the Loan to be utilised (the "**Loan Repayment Date**"). Upon acceptance of the relevant Utilization Request by the DIP Lender, the Lender or DIP Lender (on behalf of the Lender) will make the respective Loan available to the Borrower on the terms and conditions set out in the respective Utilisation Request and this Agreement.
- 2.4** If the Loan Utilisation Date is after the date on which the Lender receives funds under the DIP Financing Agreement, the funding of any Utilisation Request shall be subject to the following:
- (a) no DIP Event of Default shall have occurred and be continuing;
 - (b) all conditions precedent for the Lender (in its capacity as a borrower under the DIP Financing Agreement) to obtain a DIP Loan shall have been satisfied by the Lender or waived by the DIP Lender (in its capacity as the lender under the DIP Financing Agreement); and
 - (c) the Lender shall have cash on hand from the proceeds of such DIP Loans in an amount not less than the aggregate principal amount of requested Loans.
- 2.5** The Loan Facility will be available from the Effective Date until five (5) Business Days prior to the Maturity Date. During this period, subject to the terms and conditions of the DIP Financing Agreement, the Borrower may utilize the Loan Facility from time to time up to, but in aggregate amount not exceeding, the total amount of the Loan Facility. Each Utilisation Request shall be delivered at least five (5) Business Days prior to the respective Loan Utilisation Date. The latest possible Loan Repayment Date shall be the Maturity Date.
- 2.6** The relevant Loan Principal Amount shall not exceed the amount required by the Borrower as set out in the applicable Budget delivered by the Lender to the DIP Lender in accordance with the DIP Financing Agreement. Unless the relevant Loan Principal Amount is equal to the amount of the corresponding availability under the Loan Facility, the Loan Principal Amount shall be equal to or an integral multiple of amounts to be agreed under the DIP Financing Agreement.
- 2.7** Each Loan shall be disbursed to the Borrower's bank account with IBAN [DE32 5022 0085 3460 6000 16]. The Loans may be disbursed by the DIP Lender making direct payments (on behalf of the Lender)

to the Borrower, if and to the extent that, pursuant to the terms of the DIP Financing Agreement, such direct payment to the Borrower is deemed a utilization of the DIP Facility in the corresponding amount by the Lender under the DIP Financing Agreement.

3. GENERAL LOAN TERMS

Unless otherwise provided in this Agreement, the terms and conditions in relation to the Loans shall mirror, to the extent applicable and possible, the terms and conditions of the DIP Financing Agreement, whereas the Lender shall be regarded as "DIP Lender" and the Borrower shall be regarded as the "Borrower" under the DIP Financing Agreement. To the extent possible, the Loan shall be treated in all respects as conduit loan from the DIP Lender through the Lender to the Borrower.

4. INTEREST

4.1 All amounts outstanding under the Loan Facility shall bear interest at a rate equal to 11.3% *per annum*, which interest shall be paid solely in kind by capitalizing the amount thereof to principal on each one-month anniversary of the date of the Effective Date (the "**Interest**").

4.2 During the continuation of a DIP Event of Default, the Loans will bear interest at an additional 2.00% *per annum*, which shall be payable on demand.

4.3 The Interest on each Loan shall accrue on each advance of the Loans from and after the date of advance of such Loan to the Borrower to, but excluding, the date of repayment and shall be calculated and compounded on a monthly basis on the principal amount of such Loan and any overdue interest remaining unpaid from time to time and on the basis of the actual number of days elapsed in a year of 365 days.

5. SCHEDULED REPAYMENT

The Borrower will repay each Loan together with all unpaid Interest accrued thereon on the Maturity Date in accordance with the DIP Financing Agreement.

6. PREPAYMENT

6.1 The Borrower may terminate this Agreement and voluntarily prepay the outstanding amounts of the Loans in whole or in part, together with any Interest accrued thereon, at any time subject to a notice period of five (5) Business Days (or such shorter period as the Borrower and the Lender may agree) without premium or penalty, provided that the Parties are not prohibited from proceeding with such termination and prepayment under the DIP Financing Agreement.

6.2 Prepaid Loans or portions thereof may not be re-borrowed.

7. REMEDIES

- 7.1** Upon the occurrence and during the continuance of a DIP Event of Default (and provided the DIP Event of Default is not cured or waived in accordance with the terms of the DIP Financing Agreement), the Lender shall be entitled to terminate this Agreement with immediate effect and declare each of the Loans then outstanding to be immediately due and payable in whole or in part.
- 7.2** Upon the occurrence and during the continuance of a DIP Event of Default (and provided the DIP Event of Default is not cured or waived in accordance with the terms of the DIP Financing Agreement), the Lender (on behalf of the DIP Lender) shall be entitled to enforce any security granted to the DIP Lender by the Borrower and to exercise all rights and remedies in respect of such security; provided that, for the avoidance of doubt, this Section 7.2 shall not limit any of the rights and remedies of the DIP Lender under the DIP Financing Agreement upon the occurrence and during the continuance of a DIP Event of Default.
- 7.3** After (i) the occurrence and during the continuance of a DIP Event of Default and the termination of the DIP Facility by the DIP Lender in accordance with the DIP Financing Agreement, and (ii) the Court having issued an order authorizing the DIP Lender to do so (such order sought by the DIP Lender on not less than three (3) Business Days' notice to the Lender after the occurrence and during the continuance of a DIP Event of Default), the DIP Lender shall have the right to instruct the Lender to, and the Lender acting at the direction of the DIP Lender shall, pursue all remedies against the Borrower that are available to the Lender as a lender in connection with the Loans and this Agreement and applicable law.
- 7.4** No failure or delay by the Lender or the DIP Lender in exercising any of its rights hereunder or at law shall be deemed a waiver of any kind, and the Lender or the DIP Lender, as applicable, shall be entitled to exercise such rights in accordance with this Agreement or the DIP Credit Agreement, as applicable, at any time.

8. PAYMENTS

- 8.1** All payments made by the Borrower hereunder shall be made in US dollars without set-off or counterclaim and free and clear of and without deductions of, or withholding of any taxes or any charges whatsoever present or future. In the event the Borrower is required by law to make any such deduction or withholding from any payment hereunder, then the Borrower shall promptly notify the Lender and forthwith pay to the Lender such additional amount necessary to ensure that the Lender receives and retains (free from any liability relating to deduction or withholding) a net amount which, after deduction or withholding, is equal to the full amount which the Lender would have received, had no such deduction or withholding been made.
- 8.2** In the event of the Lender receiving payments or being credited with amounts in a currency other than the currency in which the payment is owed by the Borrower (be it in cash, as a remittance or by utilizing cash deposits or the like), the Lender will credit the Borrower with the amount of such currency, which it may

obtain by exchanging such currency at the spot rate of exchange in the foreign exchange market at the relevant date.

8.3 In case of doubt, the Lender is authorised to apply any payment received from the Borrower, in its discretion, in or towards satisfaction of any sum due and owed to the Lender hereunder.

8.4 If any payment falls due hereunder on a day, which is not a Business Day, the Borrower shall effect payment on the next Business Day in the same month (if there is one) or the preceding Business Day (if there is not).

9. QUALIFIED SUBORDINATION

9.1 All present and future claims of the Lender under the Loan Agreement, including but not limited to repayment and interest ("**Subordinated Claims**"), shall, in accordance with section 39 para. 2 German Insolvency Code (*Insolvenzordnung*, "InsO"), be subordinated to present and future claims of other creditors of the Borrower pursuant to section 39 para. 1 nos. 1 to 5 InsO, however ranking before the capital restitution claims (*Kapitalrückgewähransprüche*) of the Borrower's shareholders (section 199 sentence 2 InsO).

9.2 The Lender undertakes vis-à-vis the Borrower not to assert and enforce Subordinated Claims insofar as and as long as payment on the Subordinated Claims would result in or intensify grounds for opening of insolvency proceedings pursuant section 17 or section 19 InsO.

9.3 Irrespective of whether insolvency proceedings have been initiated, payments on the Subordinated Claims can only be made from freely available assets (*ungebundenes Vermögen*), i.e. from current and/or future (i) annual net incomes (*Jahresüberschüsse*), (ii) balance sheet profits (*Bilanzgewinne*), (iii) a liquidation surplus (*Liquidationsüberschüsse*) and/or (iv) any other assets which exceed the liabilities of the Borrower (*sonstiges freies Vermögen*).

9.4 The effectiveness of this Subordination Agreement shall not be affected by any change in the legal form or ownership of the Borrower. This Subordination Agreement can and may only be terminated (kündigen), cancelled (aufheben) or restricted (beschränken) by the Lender and the Borrower outside of a crisis of the Borrower, i.e. if and to the extent such termination, cancellation or restriction does not cause nor threaten to cause an over-indebtedness (section 19 InsO) or illiquidity (section 17 InsO) of the Borrower.

9.5 This subordination agreement shall not constitute a waiver of the Subordinated Claims by the Lender, in particular shall the claims under the Loan Agreement accrue interest also in a period in which the Borrower is not obligated to repay the Subordinated Claims due to the subordination agreement.

10. RELATIONSHIP TO DIP FINANCING AGREEMENT; ORDER OF PRECEDENCE

Notwithstanding the provisions of this Agreement, the Lender and the Borrower agree that:

- (a) each of their rights and obligations under this Agreement are, at all times, subject to the terms of the DIP Financing Agreement;
- (b) in the event of any conflict between the terms of this Agreement and the terms of the DIP Financing Agreement, the terms of the DIP Financing Agreement shall control and take precedence over the terms of this Agreement;
- (c) no payment of interest or other distribution in relation to the Loans nor any repayment or prepayment of any principal amount or any other payment in relation to the Loans shall be made if it would constitute a breach of the terms of the DIP Financing Agreement; and
- (d) to the extent of any conflict or inconsistency between this Agreement and the DIP Order, the DIP Order shall govern.

11. MISCELLANEOUS PROVISIONS

11.1 Other than as collateral security for the DIP Facility, the rights and obligations of the Lender in relation to the Loan may be assigned and/or transferred (whether in whole or in part) to third parties only with the prior consent of the DIP Lender.

11.2 No failure to exercise or delay in exercising on the part of the Lender, any right, remedy or power hereunder shall operate as a waiver nor shall any single or partial exercise preclude further or other exercise of any right, remedy or power.

11.3 Any amendments to this Agreement (including amendments to this Section 10.3) shall be valid only if made in writing, unless mandatory law requires another form.

During this period, subject to the terms and conditions of the DIP Financing Agreement, the Borrower may utilize the Loan Facility from time to time up to, but in aggregate amount not exceeding, the total amount of the Loan Facility. Each Utilisation Request shall be delivered at least five (5) Business Days prior to the respective Loan Utilisation Date. The latest possible Loan Repayment Date shall be the Maturity Date.
- 2.6** The relevant Loan Principal Amount shall not exceed the amount required by the Borrower as set out in the applicable Budget delivered by the Lender to the DIP Lender in accordance with the DIP Financing Agreement. Unless the relevant Loan Principal Amount is equal to the amount of the corresponding availability under the Loan Facility, the Loan Principal Amount shall be equal to or an integral multiple of amounts to be agreed under the DIP Financing Agreement.
- 2.7** Each Loan shall be disbursed to the Borrower's bank account with IBAN [●]. The Loans may be disbursed by the DIP Lender making direct payments (on behalf of the Lender) to the Borrower, if and to the extent

that, pursuant to the terms of the DIP Financing Agreement, such direct payment to the Borrower is deemed a utilization of the DIP Facility in the corresponding amount by the Lender under the DIP Financing Agreement.

3. GENERAL LOAN TERMS

Unless otherwise provided in this Agreement, the terms and conditions in relation to the Loans shall mirror, to the extent applicable and possible, the terms and conditions of the DIP Financing Agreement, whereas the Lender shall be regarded as "DIP Lender" and the Borrower shall be regarded as the "Borrower" under the DIP Financing Agreement. To the extent possible, the Loan shall be treated in all respects as conduit loan from the DIP Lender through the Lender to the Borrower.

4. INTEREST

4.1 All amounts outstanding under the Loan Facility shall bear interest at a rate equal to 11.3% *per annum*, which interest shall be paid solely in kind by capitalizing the amount thereof to principal on each one-month anniversary of the date of the Effective Date (the "**Interest**").

4.2 During the continuation of a DIP Event of Default, the Loans will bear interest at an additional 2.00% *per annum*, which shall be payable on demand.

4.3 The Interest on each Loan shall accrue on each advance of the Loans from and after the date of advance of such Loan to the Borrower to, but excluding, the date of repayment and shall be calculated and compounded on a monthly basis on the principal amount of such Loan and any overdue interest remaining unpaid from time to time and on the basis of the actual number of days elapsed in a year of 365 days.

5. SCHEDULED REPAYMENT

The Borrower will repay each Loan together with all unpaid Interest accrued thereon on the Maturity Date in accordance with the DIP Financing Agreement.

6. PREPAYMENT

6.1 The Borrower may terminate this Agreement and voluntarily prepay the outstanding amounts of the Loans in whole or in part, together with any Interest accrued thereon, at any time subject to a notice period of five (5) Business Days (or such shorter period as the Borrower and the Lender may agree) without premium or penalty, provided that the Parties are not prohibited from proceeding with such termination and prepayment under the DIP Financing Agreement.

6.2 Prepaid Loans or portions thereof may not be re-borrowed.

7. REMEDIES

- 7.1** Upon the occurrence and during the continuance of a DIP Event of Default (and provided the DIP Event of Default is not cured or waived in accordance with the terms of the DIP Financing Agreement), the Lender shall be entitled to terminate this Agreement with immediate effect and declare each of the Loans then outstanding to be immediately due and payable in whole or in part.
- 7.2** Upon the occurrence and during the continuance of a DIP Event of Default (and provided the DIP Event of Default is not cured or waived in accordance with the terms of the DIP Financing Agreement), the Lender (on behalf of the DIP Lender) shall be entitled to enforce any security granted to the DIP Lender by the Borrower and to exercise all rights and remedies in respect of such security; provided that, for the avoidance of doubt, this Section 7.2 shall not limit any of the rights and remedies of the DIP Lender under the DIP Financing Agreement upon the occurrence and during the continuance of a DIP Event of Default.
- 7.3** After (i) the occurrence and during the continuance of a DIP Event of Default and the termination of the DIP Facility by the DIP Lender in accordance with the DIP Financing Agreement, and (ii) the Court having issued an order authorizing the DIP Lender to do so (such order sought by the DIP Lender on not less than three (3) Business Days' notice to the Lender after the occurrence and during the continuance of a DIP Event of Default), the DIP Lender shall have the right to instruct the Lender to, and the Lender acting at the direction of the DIP Lender shall, pursue all remedies against the Borrower that are available to the Lender as a lender in connection with the Loans and this Agreement and applicable law.
- 7.4** No failure or delay by the Lender or the DIP Lender in exercising any of its rights hereunder or at law shall be deemed a waiver of any kind, and the Lender or the DIP Lender, as applicable, shall be entitled to exercise such rights in accordance with this Agreement or the DIP Credit Agreement, as applicable, at any time.

8. PAYMENTS

- 8.1** All payments made by the Borrower hereunder shall be made in US dollars without set-off or counterclaim and free and clear of and without deductions of, or withholding of any taxes or any charges whatsoever present or future. In the event the Borrower is required by law to make any such deduction or withholding from any payment hereunder, then the Borrower shall promptly notify the Lender and forthwith pay to the Lender such additional amount necessary to ensure that the Lender receives and retains (free from any liability relating to deduction or withholding) a net amount which, after deduction or withholding, is equal to the full amount which the Lender would have received, had no such deduction or withholding been made.
- 8.2** In the event of the Lender receiving payments or being credited with amounts in a currency other than the currency in which the payment is owed by the Borrower (be it in cash, as a remittance or by utilizing cash deposits or the like), the Lender will credit the Borrower with the amount of such currency, which it may

obtain by exchanging such currency at the spot rate of exchange in the foreign exchange market at the relevant date.

8.3 In case of doubt, the Lender is authorised to apply any payment received from the Borrower, in its discretion, in or towards satisfaction of any sum due and owed to the Lender hereunder.

8.4 If any payment falls due hereunder on a day, which is not a Business Day, the Borrower shall effect payment on the next Business Day in the same month (if there is one) or the preceding Business Day (if there is not).

9. RELATIONSHIP TO DIP FINANCING AGREEMENT; ORDER OF PRECEDENCE

Notwithstanding the provisions of this Agreement, the Lender and the Borrower agree that:

- (a) each of their rights and obligations under this Agreement are, at all times, subject to the terms of the DIP Financing Agreement;
- (b) in the event of any conflict between the terms of this Agreement and the terms of the DIP Financing Agreement, the terms of the DIP Financing Agreement shall control and take precedence over the terms of this Agreement;
- (c) no payment of interest or other distribution in relation to the Loans nor any repayment or prepayment of any principal amount or any other payment in relation to the Loans shall be made if it would constitute a breach of the terms of the DIP Financing Agreement; and
- (d) to the extent of any conflict or inconsistency between this Agreement and the DIP Order, the DIP Order shall govern.

10. MISCELLANEOUS PROVISIONS

10.1 Other than as collateral security for the DIP Facility, the rights and obligations of the Lender in relation to the Loan may be assigned and/or transferred (whether in whole or in part) to third parties only with the prior consent of the DIP Lender.

10.2 No failure to exercise or delay in exercising on the part of the Lender, any right, remedy or power hereunder shall operate as a waiver nor shall any single or partial exercise preclude further or other exercise of any right, remedy or power.

10.3 Any amendments to this Agreement (including amendments to this Section 10.3) shall be valid only if made in writing, unless mandatory law requires another form.

10.4 Any notice, request or other communication to be made hereunder to any of the Parties shall be made in writing and be well and sufficiently given if delivered personally or sent by electronic mail to the attention of the person as set forth below:

12. COUNTERPARTS

This Agreement may be executed in any number of copies which taken together shall constitute the same Agreement.

13. PARTIAL INVALIDITY

If any provision of this Agreement should be or become invalid or unenforceable in whole or in part, this shall not affect the validity or enforceability of the remaining provisions hereof. The invalid or unenforceable provision shall be replaced by such valid and enforceable provision or agreement that best meets the intended purpose of the provision required to be replaced.
