List of Creditors

As at November 30, 2022

Please note the following:

1. The list of creditors has been prepared from information contained in the books and records of Manitoba Clinic.
2. The amounts included in this list of creditors do not take into consideration any un-invoiced amounts, nor have the amounts been adjusted for any amounts that may also be receivable from creditors.
3. This list of creditors has been prepared without admission as to the liability for, or quantum of, any of the amounts shown.
4. To date, a claims procedure has not been approved by the Court, and creditors are NOT required to file a statement of account or proof of claim at this point in time. If, at a later date, a claims procedure is approved by the Court, all known creditors will be notified and claim forms will be posted to the Monitor's website. It is through such a claims procedure that creditor claims will be reviewed and determined.
5. Amounts owing to various government agencies, if any, are uncertain at this time.
