8. Upon the Receiver’s appointment, the Former Developer was the developer and general contractor of the Project pursuant to the Construction Management Agreement and the GC Agreement.
9. Paragraph 5 of the Receivership Order provides that the Receiver shall be at liberty to cease to perform, terminate or disclaim the Construction Management Agreement and the GC Agreement, subject to providing at least 15 days’ notice to counsel to Sam Mizrahi, the Former Developer and Sam M Inc. (collectively, the “**Mizrahi Group**”).

10. The Receiver has determined that it is in the best interests of the Project and its stakeholders to disclaim the Construction Management Agreement and the GC Agreement, and to engage Skygrid as construction manager for the Project while the Receiver contemplates the next steps in these proceedings, which the Receiver anticipates will include a sale and investment solicitation process for the Project. Accordingly, the Receiver, with the consent of the RFCA Lender as required by the RFCA, issued a disclaimer notice to the Former Developer and counsel to the Mizrahi Group on February 26, 2024, with such disclaimer (the “**Disclaimer**”) to become effective on the Effective Date.
11. Notwithstanding that the transition of the Project to a new construction manager is necessary and in the best interests of the Project, such transition may, among other things:
  - (a) cause some uncertainty for contractors, subcontractors and trade suppliers having contractual arrangements with the Former Developer in connection with their work on the Project; and
  - (b) present an increased risk that construction liens could be registered against the Project, potentially impacting the Receiver’s ability to obtain future financing advances under the RFCA which are necessary to ensure ongoing construction of the Project.

***The Construction Continuance Order***

12. To address the first order noted above, the Receiver is seeking approval of the Construction Continuance Order to provide clarity, direction and certainty for contractors, subcontractors and trade suppliers during the transition to Skygrid as the new construction manager of the Project, and to ensure that the Disclaimer does not negatively affect construction of the Project or prejudice the rights of any party.

13. The Receivership Order requires that all Persons having oral or written agreements with the Debtors, or the Former Developer or contractual, statutory or regulatory mandates for the supply of goods and/or services to the Debtors, or the Former Developer and/or the Project are restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of goods or services.
14. Accordingly, all contractors, subcontractors and trade suppliers engaged on the Project having agreements or mandates for the supply of goods and/or services are required to continue supplying to the Project, notwithstanding the Disclaimer.
15. To ensure the Disclaimer does not destabilize construction in any way, the Construction Continuance Order delineates the respective obligations and liabilities of the Former Developer and Skygrid, in its capacity as construction manager of the Project, towards the contractors, subcontractors and trade suppliers engaged on the Project, and maintains or extends certain protections to the Former Developer and Skygrid that are necessary to preserve the stability of the Project.
16. In addition, to ensure the Receiver is able to access the Project Materials currently in the possession of the Former Developer or third parties on behalf of the Former Developer, the Construction Continuance Order requires that any that Person shall permit the Receiver or its designee to access and take possession of such Project Materials, and shall not interfere in that regard, without leave of this Court. The Construction Continuance Order also provides that the Receiver shall be at liberty to pay such amounts as it determines are appropriate in connection with obtaining possession of any Project Materials; provided that any dispute in respect of the amount required to be paid by the Receiver to obtain such

possession shall be determined by this Court on a motion brought by the Receiver or other interested Person in accordance with the terms of the Construction Continuance Order.

17. The Construction Continuance Order also provides certain additional protections in favour of the Receiver that are appropriate to facilitate any payments made by the Receiver directly to contractors, subcontractors and trade suppliers, in accordance with the terms of the Receivership Order, and in turn, the continuing construction of the Project.
18. The RFCA Lender and the Applicant support the granting of the Construction Continuance Order.

### ***The Lien Regularization Order***

19. To ensure that any construction liens are addressed in an orderly and fair manner and that funding of the Project continues uninterrupted, the Receiver is seeking approval of the Lien Regularization Order to establish a Court-supervised streamlined process, administered by the Receiver, to replace the various technical requirements under the Provincial Lien Legislation for claiming, preserving and perfecting a Lien Claim, without prejudicing the rights of Lien Claimants in any way.
20. The Receiver's ability to obtain financing advances under the RFCA is subject to, and conditional upon, satisfaction of certain conditions precedent, including that no Default or Event of Default (each as defined in the RFCA) will have occurred or be continuing on the proposed date of the applicable financing advance, or would result from same. If construction liens were registered on title to One Bloor and not timely vacated by the Receiver, it could trigger a Default that would in turn impact the Receiver's ability to obtain future advances under the RFCA.

21. Any delay or disruption in the Receiver's ability to access ongoing financing poses a risk to the ongoing construction of the Project, to the detriment of stakeholders.
22. Without the process provided for under the Lien Regularization Order, the Receiver would need to consent to lift the stay of proceedings under the Receivership Order for each Lien Claimant individually, and then proceed with vacating each lien separately by posting security. There is also a practical risk that the amount and quantum of liens asserted against the Project could be too high for the Receiver to be able to vacate liens without issue and within a reasonable timeframe.
23. The terms of the Lien Regularization Order, which have the support of the RFCA Lender and the Applicant, will provide the Project and its stakeholders with appropriate protections to ensure that the disruption to funding under the RFCA is minimized and that construction continues uninterrupted, while also ensuring that the rights of Lien Claimants are protected.

**Other Grounds:**

24. The circumstances that exist make the Construction Continuance Order and the Lien Regularization Order necessary and appropriate, including in that they will assist in providing continuing stability to the Project.
25. Such other grounds as set out in the First Report.
26. The provisions of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended, including sections 183 and 243(1)(c).
27. Section 101 of the *Courts of Justice Act*, R.S.O 1990, c. 43, as amended.

28. Rules 1.04, 1.05, 2.01, 2.03, 3.02, 16 and 37 of the Ontario *Rules of Civil Procedure*, R.S.O. 1990, Reg. 194, as amended.
29. Such further and other grounds as counsel may advise and this Court may permit.

**THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the Motion:

- (a) the First Report and the appendices thereto; and
- (b) such further and other materials and evidence as counsel may advise and this Court may permit.

## 1.0 INTRODUCTION

1.1 On October 18, 2023 (the “**Appointment Date**”), pursuant to an Order (Appointing Receiver) (the “**Receivership Order**”) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”), Alvarez & Marsal Canada Inc. was appointed as receiver and manager (in such capacities, the “**Receiver**”), without security, of all of the assets, undertakings and properties (collectively, the “**Property**”) of Mizrahi Commercial (The One) LP (the “**Beneficial Owner**”), Mizrahi Development Group (The One) Inc. (the “**Nominee**”), and Mizrahi Commercial (The One) GP Inc. (“**GP Inc.**” and, together with the Beneficial Owner and the Nominee, the “**Debtors**”) acquired for, or used in relation to, a business carried on by the Debtors, including, without limitation, in connection with the development of an 85-storey condominium, hotel and retail tower (the “**Project**”) located on the southwest corner of Yonge Street and Bloor Street West in Toronto, Ontario (“**One Bloor**”). A copy of the Receivership Order is attached hereto as **Appendix “A”**.

1.2 The principal purpose of these receivership proceedings (the “**Receivership Proceedings**”) is to bring stability and appropriate oversight to the Project, while preserving and protecting the Property to maximize recoveries from the Project for the benefit of stakeholders, including by ensuring ongoing efficient construction of the Project with funding from KEB Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 530 (the “**RFCA Lender**”).

1.3 The purpose of this first report (the “**First Report**”) is to:

(“**Skygrid**”) shall take over as construction manager of the Project;

- (ix) provide an overview of the Receiver's conclusions and recommendations in respect of the foregoing.

## **2.0 TERMS OF REFERENCE AND DISCLAIMER**

- 2.1 In preparing this First Report, the Receiver has obtained and relied upon unaudited financial information, books and records, and other documents of the Debtors, and has held discussions with, and been provided with certain additional information from, management and employees of MI, and Coco and the Coco Lender (each as defined below) (collectively, the "**Information**").
- 2.2 The Receiver has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the *Chartered Professional Accountants Canada Handbook*, and accordingly, the Receiver expresses no opinion or other form of assurance contemplated under CASs in respect of the Information.

- 2.3 Future-oriented financial information referred to in this First Report was prepared based on estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results will vary from the projections. Even if the assumptions materialize, the variations in such future-oriented financial information could be significant.
- 2.4 This First Report has been prepared to provide general information regarding these Receivership Proceedings and to provide the Court with further information regarding the relief sought in the Receiver's motion, returnable March 7, 2024 (the "**Receiver's Motion**"). Accordingly, the reader is cautioned that this First Report is not appropriate for any other purpose, and that the Receiver will not assume any responsibility or liability for any losses incurred by the reader as a result of the circulation, publication, reproduction or use of this First Report.
- 2.5 Unless otherwise stated, all monetary amounts contained in this First Report are expressed in Canadian dollars.
- 2.6 Further information regarding the Debtors, the Project and these Receivership Proceedings, as well as copies of public Court materials filed in connection with same, are available on the Receiver's case website at: [www.alvarezandmarsal.com/theone](http://www.alvarezandmarsal.com/theone) (the "**Case Website**").

### **3.0 BACKGROUND**

- 3.1 Background information with respect to the Debtors and the Project, including a detailed overview of the circumstances leading to the appointment of the Receiver, is contained in the application record dated October 17, 2023 of the Debtors' senior secured lenders, KEB

Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 301 and of IGIS Global Private Placement Real Estate Fund No. 434 (collectively, the “**Applicant**” or the “**Senior Secured Lenders**”), which includes the affidavit of Joo Sung Yoon sworn October 17, 2023 (the “**Yoon Affidavit**”). Copies of these materials are available on the Case Website.

- 3.2 The Debtors are comprised of the following entities: (i) the Beneficial Owner, an Ontario-based limited partnership formed to undertake the development of the Project; (ii) GP Inc., the Beneficial Owner’s sole general partner, incorporated under the laws of Ontario; and (iii) the Nominee, a corporation incorporated under the laws of Ontario that is wholly owned by GP Inc.
- 3.3 The Nominee is the registered owner of One Bloor as bare trustee on behalf of the Beneficial Owner. Sam Mizrahi (“**Mizrahi**”) and Jenny Coco (“**Coco**”) (and/or her family and other related persons or entities) each have a 50% indirect interest in the Beneficial Owner through their respective indirect ownership of the Beneficial Owner’s two limited partners, being Sam M Inc. and 12823543 Canada Ltd., each of which hold 50% of the common shares of GP Inc., and in turn, hold a 50% equity interest in the Project.
- 3.4 Construction of the Project commenced more than six years ago, in mid-2017. To assist with financing the Project, the Debtors and the Senior Secured Lenders, among others, entered into the Credit Agreement (as defined below) in August 2019. At the time the Credit Agreement was executed, the Project was expected to be completed by December 31, 2022. This date has been extended on numerous occasions and the cost to complete the Project has significantly increased, such that anticipated gross expenditures

(including financing costs) for the Project are currently expected to be in excess of \$2 billion, which is more than \$600 million greater than originally projected when the Credit Agreement was signed. Notwithstanding these delays and cost overruns, construction of the Project has generally continued uninterrupted since 2017, and has continued without interruption during the course of these Receivership Proceedings.

- 3.5 Based on the Receiver's review of the Debtors' books and records<sup>1</sup>, as of October 31, 2023, the total secured indebtedness in respect of the Project was approximately \$1.9 billion<sup>2</sup>, inclusive of interest, as set out below:

<b>Secured Indebtedness</b>	<b>(in \$millions)</b>
Senior Secured Lenders	1,259
Aviva (as defined below)	102 <sup>3</sup>
Hana Lender (as defined below)	58
Coco Lender (as defined below)	183
CERIECO (as defined below)	254
<b>Total</b>	<b>\$1,856</b>

<sup>1</sup> The Receiver notes that the Debtors' books and records include different numbers than those that were presented in the Yoon Affidavit, predominantly based on the effective date of the underlying balances and the inclusion/exclusion of certain accrued interest. As of the date of this First Report, the above balances have not been reconciled with each of the above-noted secured creditors or independently verified by the Receiver and accordingly the above balances may change. In addition, the Receiver and its counsel have not undertaken a formal review of the security granted by the Debtors in favour of subordinated secured creditors.

<sup>2</sup> Amounts borrowed by the Receiver pursuant to the RFCA (as defined and discussed below) are incremental to the secured indebtedness summarized above, and are secured by a prior ranking super-priority charge in favour of the RFCA Lender (as defined below) granted pursuant to the Receivership Order.

<sup>3</sup> At this time, this amount is only a potential debt relating to indemnity obligations of certain of the Debtors in respect of a Tarion (as defined below) bond and deposit insurance provided by Aviva (discussed further below). The potential debt is presented based on the total deposits paid by Unit Purchasers (as defined below) to date less amounts remaining in the Deposit Trust Account (as defined below), representing an approximation of potential indemnity claims by Aviva.

Senior Secured Lenders

- 3.6 The Yoon Affidavit provides a comprehensive overview of the Debtors' secured indebtedness owing to the Senior Secured Lenders, including the security held by the Senior Secured Lenders in respect of same.
- 3.7 The Beneficial Owner and the Nominee, as borrower (in such capacity, the "**Borrower**"), the Senior Secured Lenders, as lender, IGIS Asset Management Co., Ltd. ("**IGIS**"), as asset manager, GP Inc., Mizrahi, Coco, MI and KEB Hana Bank Canada are parties to a credit agreement dated August 30, 2019 (as amended, the "**Credit Agreement**"). As of the Appointment Date, based on the Debtors' books and records, the Borrower had incurred indebtedness under the Credit Agreement totalling approximately \$1.26 billion, inclusive of principal, interest and certain fees, costs and expenses.
- 3.8 The Senior Secured Lenders were granted various security for the obligations under the Credit Agreement, including, among other things: (i) a general security agreement with the Borrower dated August 30, 2019, which grants a security interest over all of the Borrower's current and after-acquired property located at, used primarily in connection with, or arising from One Bloor, in respect of which financing statements have been registered under the *Personal Property Security Act* (Ontario) (the "**PPSA**"); and (ii) a demand debenture from the Nominee dated August 30, 2019, as amended, in the principal amount of \$957 million, a charge in respect of which was registered against title to One Bloor pursuant to the *Land Titles Act* (the "**LTA**") on August 30, 2019.

Other Secured Creditors

3.9 In addition to the obligations owing to the Senior Secured Lenders, approximately \$600 million of the total secured indebtedness of the Debtors, as summarized in the table above, is owing to other secured creditors. With one exception, the debts owing to these parties (the “**Subordinated Debt**”), outlined below, is subordinated to the debt owing to the Senior Secured Lenders:

- (i) Aviva Insurance Company of Canada Inc. (“**Aviva**”) in the total approximate amount of \$102 million<sup>4</sup> in respect of potential indemnity obligations of certain of the Debtors pertaining to: (a) Aviva’s bond issued to Tarion Warranty Corporation (“**Tarion**”) on behalf of the Nominee in connection with the Project, in the amount of \$8,320,000; and (b) excess deposit condominium insurance (“**ECDI**”) issued to the Nominee in respect of the Project, which coverage limit is \$201,680,000. The Nominee and Aviva are parties to a deposit trust agreement dated November 24, 2017 (the “**Deposit Trust Agreement**”), requiring the Nominee to deposit funds received from purchasers of condominium units in the Project (“**Unit Purchasers**”) into a designated trust account (the “**Deposit Trust Account**”). The Receiver understands a total of \$105 million in deposits have been funded by Unit Purchasers, approximately \$102 million of which was used to fund construction prior to these Receivership Proceedings. As of the Appointment Date, there was approximately \$4.04 million held in the Deposit Trust Account, including interest. As security, the Nominee granted Aviva: (a) a charge against One Bloor in the

---

<sup>4</sup> As indicated in footnote 3, above, this amount is a potential debt.

principal sum of \$210 million, registered against title to One Bloor pursuant to the LTA; and (b) a security interest in respect of deposits in the Deposit Trust Account and all accrued interest on same, in respect of which financing statements have been registered under the PPSA. Aviva holds first ranking security over the funds in the Deposit Trust Account, in priority to the Senior Secured Lenders;

- (ii) NongHyup Bank, in its capacity as trustee of Hana Private Real Estate Investment Trust No. 137 (the “**Hana Lender**”), in the total approximate amount of \$58 million, in respect of amounts owing by the Borrower pursuant to a credit agreement dated May 29, 2020, for a term loan facility in the maximum principal amount of \$55 million. The Hana Lender’s debt is secured by, among other things:
  - (a) a charge against One Bloor in the principal sum of \$75 million, registered against title to One Bloor pursuant to the LTA; and
  - (b) a security interest over all of the Borrower’s interest in all present and after-acquired personal property, in respect of which financing statements have been registered pursuant to the PPSA;
- (iii) Coco International Inc. (the “**Coco Lender**”), a corporation controlled by Coco (or other related persons or entities), in the total approximate amount of \$183 million, in respect of amounts owing pursuant to a credit agreement dated August 5, 2015, pursuant to which the Coco Lender agreed to provide a \$75 million credit facility to the Beneficial Owner. The Coco Lender’s debt is secured by, among other things, a charge against title to One Bloor in the principal sum of \$75 million, registered against title to One Bloor pursuant to the LTA; and

- (iv) CERIECO Canada Corp. and its agent 10216267 Canada Corp. (collectively, “CERIECO”), in the total approximate amount of \$254 million<sup>5</sup>, in respect of amounts owing pursuant to several agreements whereby CERIECO advanced a contractor’s loan in the amount of \$213 million in connection with the first stage of construction of the Project. Advances under these agreements are secured by, among other things: (a) a charge against One Bloor in the principal sum of \$213 million, registered against title to One Bloor pursuant to the LTA; and (b) a security interest over the Borrower’s interest in all present and after-acquired personal property, in respect of which a financing statement has been registered pursuant to the PPSA.

3.10 The Receiver understands that as a result of the Aviva Priority Agreements, the Coco Priority Agreements, the CERIECO Priority Agreements and the Hana Priority Agreements (all as defined and described in the Yoon Affidavit), in addition to the timeliness and good standing of the security registrations made on behalf of the Senior Secured Lenders, the Senior Secured Lenders have first priority security over One Bloor and all other Property, other than the deposits held in the Deposit Trust Account, over which the Senior Secured Lenders have second priority security to Aviva. The table below sets out the secured creditors’ respective priorities, in descending order:

---

<sup>5</sup> The Receiver is currently reviewing the amount owed to CERIECO in light of certain discrepancies between the Debtors’ records and the amount claimed by CERIECO in public court filings.

<b>One Bloor</b>	<b>All Property other than One Bloor and the deposits in the Deposit Trust Account</b>	<b>Deposits in the Deposit Trust Account</b>

Aviva	Hana Lender	Senior Secured Lenders

3.11 A comprehensive overview of the Subordinated Debt and related security is provided in the Yoon Affidavit.

- (xvii) engaging Altus Group Limited (“**Altus**”), who was engaged as the Senior Secured Lenders’ cost consultant prior to these Receivership Proceedings, to continue to act as cost consultant on the Project to review, monitor, and report on construction costs and assist with a review of the Project’s construction schedule (the “**Schedule**”) and budget (the “**Budget**”);
- (xviii) engaging real estate market advisors (the “**Market Advisors**”) to provide the Receiver with market information and intelligence in respect of comparable condominium units in the Yonge-Bloor area, including the estimated fair market value of each condominium unit in the Project, and to provide insight regarding current residential market trends and possible value maximizing opportunities for the Project;
- (xix) engaging a pre-construction service advisor (the “**Pre-construction Service Advisor**”) to assist the Receiver in its review of the Schedule and Budget, and to assist the Receiver in better understanding the anticipated cost to complete the Project (the “**Cost to Complete**”);
- (xx) together with KDC, conducting regular meetings with MI, consultants and trades engaged on the Project to better understand the status of the Schedule, Cost to Complete, Budget, critical path work streams and Project pro-forma details;

- (xxi) reviewing the Debtors' existing insurance coverage, arranging for the Receiver to be listed as a named insured and loss payee on the Debtors' insurance policies, and working with the Project's insurance broker to ensure that satisfactory insurance coverage is in place;
- (xxii) communicating with the Canada Revenue Agency ("**CRA**") to advise of these Receivership Proceedings and to arrange for new HST and tax accounts for the period of the Receivership Proceedings, filing required HST returns, and responding to information requests from the CRA in respect of HST audits relating to the periods January 1, 2023 to October 17, 2023, and October 18, 2023 to October 31, 2023;
- (xxiii) engaging StrategyCorp Inc. ("**StrategyCorp**") to provide government relations services to assist the Receiver and KDC with various municipal matters relating to the Project;
- (xxiv) together with StrategyCorp and/or Goodmans LLP as counsel to the Receiver ("**Goodmans**"), attending to various municipal matters relating to the Project, including but not limited to permit applications, Section 37 of the *Planning Act* (Ontario) requirements, potential legal severance of the lands and premises of the commercial component of the Project from the balance of the Project (the "**Severance**"), and an anticipated application for Land Titles Absolute;
- (xxv) communicating with the parties to various litigation involving the Debtors or the Project, including to ensure that such litigation does not interfere with these Receivership Proceedings;

- (xxvi) in connection with the HCRA's inspection of the Nominee, communicating with the HCRA in response to its request for information about these Receivership Proceedings and the Project;
- (xxvii) reviewing the Project's books and records to identify transactions that may warrant further review, and beginning that review;
- (xxviii) reviewing and considering agreements and arrangements relating to the Project, including the various agreements with MI, leases, hotel agreements and material subcontractor agreements and arrangements and meeting with stakeholders in respect of same;
- (xxix) reviewing the condominium sales agreements (each a "CSA") entered into by Unit Purchasers, identifying potential issues relating to those agreements and reviewing deposits received and commissions paid to MI in connection with condominium sales;
- (xxx) interfacing with Unit Purchasers;
- (xxxi) meeting with the RFCA Lender and Senior Secured Lenders, CERIECO, Aviva, the Hana Lender, the Coco Lender and their respective advisors from time to time to discuss the status of these Receivership Proceedings and the Project, and preparing a draft confidential report for those stakeholders that signed a Stakeholder NDA (as defined below);
- (xxxii) carrying out the further analysis and activities discussed below in connection with the Receiver's decision to disclaim the Construction Management Agreement and

the GC Agreement with MI and to negotiate and enter into the Skygrid Engagement Letter, such that as of the CM Effective Date, Skygrid will take over as construction manager of the Project, and MI shall no longer act as General Contractor of the Project; and

(xxxiii) drafting this First Report and assisting with the preparation of materials in respect of the Receiver's Motion.

#### Construction Status

- 4.2 Since the Appointment Date, the Receiver has devoted significant time and effort to reviewing and understanding the status of the Project, particularly as it relates to the Schedule, Budget and Cost to Complete.
- 4.3 As noted above, shortly following the Appointment Date, the Receiver and KDC met with the Project's consultants, including architects and engineers, and key trades engaged on the Project, to understand the current status of construction, as well as the scope and nature of the work still to be commenced and advanced. The Receiver and KDC also met with representatives of MI, all of whom were generally cooperative and provided the information requested by the Receiver regarding the status of Project construction.<sup>6</sup>
- 4.4 Since the Appointment Date, construction of the Project has progressed significantly. At the time of the Appointment Date, tower slabs in the building superstructure were poured to level 42 and window curtain wall on the building envelope was installed through level 11. Since the Appointment Date, an additional eleven floors of tower slabs have been

---

<sup>6</sup> The principal of MI is Mizrahi.

poured through level 53 and the installation of the window curtain wall has advanced by an additional five floors through level 16. Other key construction activities, including mechanical, electrical and plumbing work, are well underway as the building enclosure progresses.

- 4.5 In addition to ensuring ongoing construction, the Receiver, with the assistance of KDC, continues to engage with Project consultants and trades through, among other things, regular attendances at site meetings, site visits, and design coordination meetings. Furthermore, in consultation with KDC, consultants, trades and the Receiver's various advisors, the Receiver continues to assess and evaluate various potential value maximizing opportunities and alternatives for the Project.

#### Project Management

- 4.6 Upon its appointment, the Receiver noted that no liens were registered against the Project, relationships with trades and consultants were generally positive, and despite delays and cost overruns, construction of the Project had continued without interruption. In addition, the Receiver and MI developed a working relationship, and MI was cooperating with the Receiver in all material respects.
- 4.7 As a result, while the Receiver considered alternative options to MI as General Contractor of the Project at the outset of these Receivership Proceedings, the Receiver determined that at that time there was no immediate need to replace MI, and that retaining MI as General Contractor, at least for an interim period, would assist to minimize any disruption resulting from the commencement of the Receivership Proceedings and to provide stability for trades during the transition of the Project into receivership.

4.8 Subsequent to its appointment, and as part of its review of all aspects of the Project, the Receiver, with the assistance of KDC, performed an assessment of MI's project management controls in respect of the Project and identified several areas of control deficiencies. Such deficiencies include, but are not limited to:

- (i) lack of a current and accurate Schedule (which, prior to the Appointment Date, the Receiver understands had last been updated in November 2022) and Budget;
- (ii) lack of a formal procurement process, which would include a documented tendering and bid leveling process, and consideration of procurement dates in the Schedule;
- (iii) delays or the inability to formalize fixed price subcontracts written by the *Canadian Construction Association* or the *Canadian Construction Documents Committee* ("CCDC") with certain subtrades, resulting in groups of subtrades working off purchase orders, letters of intent, or on a "time and materials" basis for extended periods of time, thereby increasing the risk to the Project's Budget and Schedule;
- (iv) identified scope gaps in certain trade subcontracts resulting in the need to issue significant change orders;
- (v) lack of a formal change management process and an inadequate committed cost approval process;
- (vi) limitations in MI's use of Procore (a construction management software), as a significant volume of construction documentation had not been uploaded to the Procore database;

- (vii) lack of a payment certification process in place with Project consultants, and no formal tracking of costs incurred against the Budget as construction progresses;
- (viii) no formal tracking of progress against the Schedule, and lack of monthly updates to same;
- (ix) unreliable monthly construction management reports issued by MI; and
- (x) lack of holdback taken on MI's General Contractor invoices.

4.9 The Receiver has raised many of these concerns with MI. The Receiver understands that MI does not agree that all of the deficiencies identified by the Receiver and KDC exist and/or believes that a number of issues have been addressed throughout the Receivership Proceedings.

4.10 In order to ensure stability on the Project and address certain of the Project's construction management deficiencies, and in order to promote the timely development of a proper Schedule, Budget and Cost to Complete (all of which are critical to the development of an appropriate realization strategy and required by the RFCA), the Receiver, together with KDC, developed and implemented numerous improvement measures and controls, which include, but are not limited to:

- (i) a committed cost approval process for purchase orders and change orders;
- (ii) a payment approval process for all costs incurred on the Project;

- (iii) a revamped Owner-Architect-Contractor meeting process with enhanced information, reporting, and tracking of responsibilities amongst the different parties;
- (iv) a formal process, including timeline and activities, to update the Schedule and the Budget, develop the Cost to Complete, and track progress in respect of same;
- (v) a documented procurement process for tendering and bid leveling;
- (vi) a requirement that MI improve the quality of its monthly construction management reports and revise the format of same such that information can be incorporated into the Cost to Complete and used to update the Schedule and Budget;
- (vii) a requirement that MI prepare a revised baseline Schedule and Budget, and assistance to MI in respect of same<sup>7</sup>;
- (viii) a process to update Procore to ensure that all relevant documentation is uploaded to the database in a timely manner and remains current; and
- (ix) a review and reconciliation of outstanding holdback on MI's General Contractor invoices issued to the Project to date.

4.11 Although construction of the Project has continued to progress, and MI has generally continued to cooperate with the Receiver, there has been an increasing strain on the working relationship between MI and the Receiver relating to the above-noted deficiencies,

---

<sup>7</sup> As of the date of this First Report, MI has not provided the Receiver with a revised baseline Schedule and Budget in a form satisfactory to the Receiver.

and more recently because of, among other issues, the inability of MI and the Receiver to agree on terms for MI's post-receivership work. This issue is further described below.

## **5.0 REPLACEMENT OF MIZRAHI INC. AS GENERAL CONTRACTOR**

5.1 As noted above, the Receiver, in consultation with the RFCA Lender and the Senior Secured Lenders, and with the consent of the RFCA Lender, has determined that it is in the best interest of the Project and its stakeholders to disclaim the GC Agreement and the Construction Management Agreement, as authorized by paragraph 5 of the Receivership Order (the “**Disclaimer**”). The Receiver reached this conclusion after a careful consideration of many relevant factors, including but not limited to the following:

- (i) the Receiver has concerns (including those described above) regarding MI's performance on the Project;
- (ii) the Receiver has determined that the Disclaimer is more likely to facilitate a successful SISP; and
- (iii) the Receiver and MI did not reach agreement on terms to govern MI's continued service as General Contractor for the Project, and this dispute has undermined the Receiver's ability to work constructively with MI on the Project.

### MI's Contracts and Compensation

5.2 Following the Appointment Date, the Receiver reviewed the contracts relating to MI's role on the Project, with the assistance of its counsel. MI's role as General Contractor, and compensation for its work, appears to be governed by a series of agreements that are briefly

described below. Based on its review, the Receiver concluded that the amounts paid to MI by the Debtors prior to the Appointment Date did not align with the contracts the parties had entered into. These discrepancies, together with the Receiver's conclusion that the amounts claimed by MI were above comparable market rates, are what gave rise to the Receiver's decision to pay less than the amounts invoiced by MI and to attempt to negotiate a mutually agreeable go-forward arrangement with MI, as described in greater detail below.

- 5.3 The Receiver understands that MI has acted as the General Contractor for the Project since its inception.<sup>8</sup>
- 5.4 MI and the Nominee entered into a Commercial Development Management Agreement dated July 25, 2014, entered into between the Beneficial Owner, as owner, and MI, as manager (the "**Construction Management Agreement**"). The Construction Management Agreement, without all schedules, is attached hereto as **Appendix "B"**.
- 5.5 MI has advised the Receiver that the primary agreement governing its role as General Contractor in respect of the Project is a CCDC 2 Stipulated Price Contract, entered into between the Nominee, as owner, and MI, as contractor, on May 14, 2019 (the "**GC Agreement**"). The GC Agreement, without all schedules, is attached hereto as **Appendix "C"**. In very simple terms, the GC Agreement requires that MI complete specified work comprising most of the construction work on the Project for a fixed, total

---

<sup>8</sup> The Receiver notes that by agreement dated July 2017 (the "**Clark Construction Management Agreement**"), MI entered into an agreement (as "Owner" of the Project) with a third party construction management firm, Clark Construction Management Inc. ("**Clark**"). The Receiver understands that MI terminated the Clark Construction Management Agreement by Termination Notice dated October 26, 2020, following which MI has performed some or all of the work that Clark formerly performed under the Clark Construction Management Agreement.

price, excluding taxes, of approximately \$583.2 million (the “**Contract Price**”). While not specified in the GC Agreement, the Receiver understands that the Contract Price was calculated based on the following:

<b>Cost Category</b>	<b>Budget<sup>9</sup></b>
Construction Hard Costs	510,656,521
Design and Post Contract Contingency	20,006,850
Hotel and Retail Finishes	24,731,000
Construction Management Fees (5%)	27,769,719
<b>Total</b>	<b>\$ 583,164,090</b>

- 5.6 The GC Agreement provided that MI was to be paid based on progress certified by the Senior Secured Lenders’ cost consultant, Altus. By way of example, if Altus certified that the Project was 20% complete, then MI would be entitled to 20% of the Contract Price, plus HST and less a 10% holdback, as required by the GC Agreement and the *Construction Act* (Ontario) (the “**Provincial Lien Legislation**”).
- 5.7 MI also agreed, in the GC Agreement, to commence work on August 1, 2017 (although the GC Agreement was executed in May 2019) and achieve substantial performance of its work by December 31, 2022 (the “**Contract Schedule**”). The GC Agreement provided that the Contract Price and Contract Schedule could be adjusted in accordance with certain terms.
- 5.8 An important element of the GC Agreement (and almost all fixed price construction contracts) is that it shifted some risk associated with cost increases on the Project to MI. In other words, since MI agreed to complete its work for the fixed Contract Price and in

---

<sup>9</sup> Based on the Altus Preliminary Report No. 1 as at July 31, 2019.

accordance with the Contract Schedule, MI would benefit from any cost savings and would bear the risk of any cost increases, subject to the price and schedule adjustment terms in the GC Agreement.

5.9 The GC Agreement was amended by Amending Agreement dated September 27, 2019 (the “**First Amendment**”), to change certain aspects of MI’s scope of work, the Contract Schedule, and the specifications and drawings for the Project. This First Amendment, without all exhibits, is attached hereto as **Appendix “D”**.

5.10 In addition, certain of the financial terms of the GC Agreement may have been altered pursuant to a Mediator’s Proposal in November 2019. The Mediator’s Proposal was the culmination of a mediation of various disputes between the equity owners of the Debtors, Mizrahi and Coco. In order to resolve those disputes, the parties agreed to the Mediator’s Proposal which, among other things, reduced MI’s CM Fee (as defined below) of 5% to 3.5% for a period of time. The Mediator’s Proposal is not attached to this Report, because it is confidential. To the knowledge of the Receiver, the Mediator’s Proposal was not reflected in any formal amendment to the GC Agreement.<sup>10</sup>

5.11 In May 2021, Sam M Inc. and 12823543 Canada Ltd., among others, entered into a Control Agreement (the “**Control Agreement**”) to govern the operation of the Project pending completion of a contemplated purchase of Coco’s interest in same. The Debtors are not party to this Control Agreement, which purported to increase MI’s CM Fee back to 5%.

---

<sup>10</sup> The Receiver notes that the Mediator’s Proposal provided that the proposed revisions to the fee structure would be reflected in a formal amendment.

The Receiver understands that the Control Agreement was terminated in or around August 2022, because the underlying transaction did not proceed.

5.12 The Receiver also understands that, in connection with the execution of the Credit Agreement, the Beneficial Owner, the Nominee, MI and KEB Hana Bank Canada also entered into the Agreement Re: Developer Agreements dated August 30, 2019 (the “**Agreement Re: Developer Agreements**”), which, among other things, clarified the obligations that remained owing to MI under the Construction Management Agreement and the GC Agreement. A copy of the Agreement Re: Developer Agreements is attached hereto as **Appendix “E”**. The Agreement Re: Developer Agreements reflects: (i) that nothing remained owing to MI pursuant to the Construction Management Agreement or in connection with development management services for the Project; and (ii) that \$3,749,402.69 of the \$24,020,316.30 CM Fee payable to MI had been paid as at August 30, 2019. As of October 31, 2023, MI had received CM Fees totalling approximately \$20 million<sup>11</sup>, or approximately 72% of the budgeted total per the Contract Price, even though less than 50% of the Project had been completed at that point.

5.13 By further Amending Agreement dated May 4, 2022 (the “**Second Amendment**”), MI and the Nominee agreed to amend the GC Agreement to replace the Contract Price and Contract Schedule with an agreement to amend both the Contract Price and Contract Schedule “to reflect the updated progress reporting by the Consultant<sup>12</sup> as provided from time to time.”

The Second Amendment is attached hereto as **Appendix “F”**.

---

<sup>11</sup> Based on Altus Report No. 52 as at October 31, 2023.

<sup>12</sup> Consultant is a reference to Altus, in its capacity as the Consultant pursuant to the GC Agreement.

5.14 The Second Amendment effectively replaced a fixed Contract Price and completion date with an unlimited Contract Price and unspecified completion date. It does not specify how Altus is to determine the Contract Price or Contract Schedule. The Receiver also has concerns about whether the Second Amendment, which was executed by Mizrahi alone on behalf of each of the counterparties of the agreement, being MI and the Nominee, is enforceable.<sup>13</sup> The Receiver understands that Altus was not made aware of the Second Amendment until August 2023. Further, the Agreement Re: Developer Agreements provides that the Developer and the Nominee will not agree to any amendment of the GC Agreement without the consent of KEB Hana Bank Canada as administrative agent for the Senior Secured Lenders. To the knowledge of the Receiver, consent was not provided by KEB Hana Bank Canada for the Second Amendment.

5.15 In any event, as described below, it is the Receiver's view that none of the agreements between MI and the Debtors specifically authorized the compensation that was actually being paid to MI before the Receiver's appointment.

*Amounts Paid to MI Prior to the Appointment Date*

5.16 Prior to the Appointment Date, the Receiver understands that, on a monthly basis, MI issued an invoice to the Project for, among other things, the following:

- (i) costs in respect of subtrades working on the Project (the "**Hard Costs**");

---

<sup>13</sup> Mizrahi executed the Second Amendment on behalf of both MI and the Nominee, relying on the terms of the Control Agreement. In the Receiver's view, it is unclear whether the Control Agreement conferred authority on Mizrahi to execute a long-term agreement such as the Second Amendment.

- (ii) out-of-pocket recoverable costs, including various equipment rentals, storage, materials, and other third party costs (the “**Recoverable Costs**”);
- (iii) labour costs related to MI’s direct and indirect labour charged at time-based rates (the “**Labour Costs**”); and
- (iv) a 5% construction management fee (“**CM Fee**”) on the sum of the Hard Costs, the Recoverable Costs and the Labour Costs.

5.17 Based on the Receiver’s review of the Debtors’ books and records, during the 12-month period from October 1, 2022 to September 30, 2023, MI received CM Fees totalling approximately \$6.3 million (exclusive of HST). Based on the General Contractor invoices reviewed by the Receiver, MI charged an average of \$1.6 million (exclusive of HST) per month in Labour Costs during the 12-month period prior to the Appointment Date.

Disclaimer of the Construction Management Agreement and the GC Agreement

5.18 Following its review described in the preceding paragraphs, the Receiver determined that the amounts paid to MI were not in accordance with the GC Agreement, or any other agreement between MI and the Debtors. In addition, KDC advises that such amounts are at or above the high end of compensation paid for projects of a similar scale in Toronto, Ontario.

5.19 In light of these issues, and the performance concerns identified above, the Receiver determined that continued payment of all costs included in the General Contractor invoices was not commercially reasonable or supportable by the applicable documentation, nor in the best interest of the Project or its stakeholders.

- 5.20 The Receiver's concerns and conclusions were conveyed in discussions between MI and the Receiver, and in a detailed memo provided by the Receiver to MI.
- 5.21 The Receiver understands that MI does not agree with the Receiver's position. The Receiver also understands that MI believes its pre-receivership fees were reasonable and authorized by the Construction Management Agreement and GC Agreement, and that MI disagrees with the Receiver's concerns about its performance as General Contractor.
- 5.22 The Receiver engaged in negotiations with MI in an attempt to reach a mutually acceptable go-forward arrangement in respect of a number of issues, including go-forward payment terms. The parties did not reach an agreement. As a result, the Receiver and MI continued to disagree on, among other things, the appropriate amount required to be paid to MI in respect of its role as General Contractor on the Project (the "**Payment Dispute**").
- 5.23 Despite the Payment Dispute, the Receiver continued to pay the CM Fee, but solely in respect of the Hard Costs, Recoverable Costs, and MI's actual out-of-pocket direct and indirect labour costs incurred on the Project. The Receiver could see no basis for reimbursing MI for the incremental profit margin on Labour Costs and at the same time paying the CM Fee on the sum of: (i) Labour Costs; (ii) Recoverable Costs; and (iii) Hard Costs. This resulted in a monthly reduction of approximately \$1 million relative to the amounts claimed by MI in the General Contractor invoices delivered to the Receiver.
- 5.24 Relatedly, in making the payments that the Receiver determined were appropriate and properly incurred, as an additional Project control, the Receiver required that MI sign a form of payment letter (the "**Payment Letter**") pursuant to which MI acknowledged and agreed that the Receiver was making the monthly payment, and that MI would undertake

to use the funding provided pursuant to the Payment Letter to make payment to the specified trades, employees and other service providers who had completed work on the Project in the relevant period. Copies of the October 2023 and November 2023 Payment Letters (for September 2023 and October 2023 costs, respectively) and covering emails are attached hereto as **Appendix “G”**.

5.25 In late December 2023, the Receiver determined that it was necessary and appropriate to modify the form of Payment Letter to include certain additional terms relating to the ownership of Project materials and holdback matters, as well as to expressly include language confirming that, consistent with paragraph 6 of the Receivership Order, in making payments to MI, the Receiver was not affirming the Construction Management Agreement and the GC Agreement. Although MI signed the revised Payment Letter, shortly following its execution Mizrahi advised he was not aware of the changes to the form of Payment Letter, and MI indicated it opposed the new form of Payment Letter and took the position that the December 2023 Payment Letters should be rescinded and deemed null and void. Copies of the December 2023 Payment Letters (for November 2023 costs) and covering emails are attached hereto as **Appendix “H”**.

5.26 In early January 2024, in light of ongoing issues between the Receiver and MI relating to the Payment Dispute and the appropriate form of Payment Letter, the Receiver and MI had an all-hands meeting with their respective counsel to discuss and attempt to resolve these issues. However, and despite continuing without prejudice negotiations over January and into February, the parties did not reach a resolution.

*The SISP*

- 5.27 While it was negotiating with MI, the Receiver was also working to design a SISP that would maximize the value of the Project and the likelihood of its efficient and orderly completion. These efforts are described further in Section 11.0 below.
- 5.28 In the course of considering the SISP and discussing matters relating to the SISP with its advisors, the RFCA Lender and Senior Secured Lenders, and certain other stakeholders who had signed the Stakeholder NDA<sup>14</sup> and their respective advisors, the Receiver formed a view that MI's continued involvement as General Contractor of the Project would not enhance the prospects of completing a value maximizing SISP.

*Misalignment between MI and the Receiver*

- 5.29 As the Receiver's mandate progressed, as required by the RFCA, the Receiver began to consider alternative ways to maximize the value of the Project, including potential changes to how the Project should be completed. While the Receiver wanted to evaluate all potential options for maximizing value, MI remained focused on completing the Project as originally envisioned. This dynamic created misalignment between MI and the Receiver and instances where MI began to allege the Receiver was responsible for delaying the implementation of MI's original plans for the Project. This further contributed to tensions in the working relationship between MI and the Receiver.

---

<sup>14</sup> The Receiver notes that MI declined to sign the Stakeholder NDA.

*Decision to Disclaim*

5.30 In light of the factors discussed above and following consultations with the RFCA Lender and Senior Secured Lenders and their advisors, the Receiver determined that it was appropriate to explore the possibility of engaging a new construction manager, as authorized by paragraph 4(e) of the Receivership Order. As described in greater detail below, following its review, including discussions with alternative potential construction managers, the Receiver ultimately determined that it was in the best interests of the Project to disclaim the Construction Management Agreement and the GC Agreement, and to retain Skygrid as construction manager for the Project on the terms and conditions described below.

5.31 Accordingly, the Receiver, with the consent of the RFCA Lender as required by the RFCA, issued a notice of Disclaimer to counsel to Mizrahi, Mizrahi Inc. and Sam M Inc. on February 26, 2024, with the disclaimer to be effective on March 13, 2024 (being the CM Effective Date), in accordance with the Receivership Order. A copy of the notice of Disclaimer is attached hereto as **Appendix “I”**.

Engagement of Skygrid

5.32 The Receiver carefully considered all of its options before deciding to disclaim the Construction Management Agreement and the GC Agreement, and undertook appropriate contingency planning efforts before determining to proceed with the Disclaimer. Among other things, the Receiver consulted with KDC, the RFCA Lender, the Senior Secured Lenders and certain significant stakeholders that had signed the Stakeholder NDA, interviewed other contractors with relevant experience, and undertook various other

diligence efforts in order to ensure that appropriate contingency plans were developed to mitigate the impact of the Disclaimer on the progress of the Project. Following this review, the Receiver determined that retaining Skygrid as the new construction manager was in the best interests of the Project.

- 5.33 As part of the Receiver's contingency planning efforts, the Receiver worked with KDC to identify contractors that might be willing and able to serve as construction manager for the Project. Based on those discussions, and KDC's recommendation, the Receiver solicited proposals on a confidential basis from two construction managers regarding the opportunity to manage construction of the Project on an ongoing basis, including for an interim period until the completion of the SISP. These proposals were reviewed by the Receiver, in consultation with the RFCA Lender and Senior Secured Lenders and their advisors.
- 5.34 The Receiver selected Skygrid as the successful candidate because, among other reasons:
- (i) Skygrid is a local and experienced construction manager, with 192 completed projects, 31 active projects and approximately 280 employees, thereby having the breadth and depth of experience necessary to provide the oversight required for a development of the scale and complexity of the Project;
  - (ii) Skygrid has experience taking over large development projects, while construction is in progress and in the context of insolvency proceedings, including multiple roles in the recent Cresford Group insolvency proceedings that also involved major condominium projects;
  - (iii) Skygrid was willing to accept an engagement for only an interim period up until the completion of the SISP, with the understanding that the ultimate owner of the Project could decide whether or not to continue the retention of Skygrid;
  - (iv) Skygrid's fees are competitive with prevailing market rates (and less than the

other proposal received by the Receiver), and are lower than the fees MI asserts are payable to it; and (v) the RFCA Lender advised the Receiver that it consented to the retention of Skygrid, as required by the RFCA.

5.35 As of the date of this First Report, the Receiver and Skygrid have negotiated and entered into an Engagement Letter dated February 26, 2024, attached hereto as **Appendix “J”** (the **“Skygrid Engagement Letter”**). A summary of the key terms of the Skygrid Engagement Letter is provided below:

- (i) Interim Period: From the date of the Skygrid Engagement Letter until the CM Effective Date, Skygrid shall provide the construction management services and/or work outlined in the Skygrid Engagement Letter (collectively, the **“Services”**) on a strictly consultative and hourly basis, at the hourly rates set forth in the Skygrid Engagement Letter;
- (ii) Prepayment Amount: Upon execution of the Skygrid Engagement Letter, the Receiver shall pay Skygrid the sum of \$100,000, plus HST, as a pre-payment of the Skygrid CM Fee (as defined below), and said sum shall be applied against Skygrid’s final invoice;
- (iii) Period Before Execution of the Definitive CCDC 5B Contract: From the CM Effective Date until such time as the Receiver and Skygrid execute the final CCDC 5B 2010 Construction Management Contract – for Services and Construction, with Supplementary Conditions to be mutually agreed (the **“Definitive CCDC 5B Contract”**), which shall be no later than 21 calendar days after execution of the

Engagement Letter, Skygrid shall perform the Services in accordance with the terms and conditions of the Skygrid Engagement Letter;

- (iv) Period After Execution of the Definitive CCDC 5B Contract: Following the execution of the Definitive CCDC 5B Contract, the Services shall continue in accordance with the terms and conditions to be agreed to in Definitive CCDC 5B Contract;
- (v) Construction Manager's Fee: For all Services provided by Skygrid following the CM Effective Date and prior to any termination of the Skygrid Engagement Letter or the Definitive CCDC 5B Contract (such period being, the “**Effective Period**”), Skygrid shall be entitled to: (a) a percentage fee of 2.85% of the hard costs of construction (the “**Skygrid CM Fee**”); and (b) hourly rates as set forth in the Skygrid Engagement Letter, in both cases plus HST;
- (vi) Additional Fee: For all Services performed by Skygrid during the Effective Period, Skygrid shall also be entitled to payment of an additional percentage fee of 0.35% of the hard costs of construction, plus HST (the “**Additional Fee**”), accruing from the CM Effective Date to the date of termination by the Receiver of the Engagement Letter or of any Definitive CCDC 5B Contract. In the event that the Receiver and Skygrid execute the Definitive CCDC 5B Contract and Skygrid continues to be the construction manager until total completion of the Project, then Skygrid shall be paid an Additional Fee based on terms and conditions to be agreed to in the Definitive CCDC 5B Contract;

- (vii) Termination Rights: The Receiver reserves the right to cancel or terminate (at its sole and unfettered discretion) the whole or any part of the Skygrid Engagement Letter or the Services, and the Receiver may cancel any part or component of the Skygrid Engagement Letter without terminating same;
- (viii) Limitation on Liability of Skygrid: Skygrid shall have no liability in respect of any services, labour work and/or materials of any kind provided to the Project by any contractor, subcontractor, trade supplier, consultant or other third party for any period prior to the date of execution of the Skygrid Engagement Letter; and
- (ix) No Personal Liability of Receiver: The Receiver has entered into the Skygrid Engagement Letter solely in its capacity as Receiver and not in its personal or corporate capacity, and neither the Receiver nor any of its representatives shall have any personal liability under or in connection with the Skygrid Engagement Letter or the Definitive CCDC 5B Contract, and the Receiver has expressly disclaimed any such liability.

5.36 For the reasons noted above and to ensure the continuing construction of the Project under the oversight of an experienced construction manager, as indicated in the proposed Construction Continuance Order, the Receiver seeks approval of the engagement of Skygrid pursuant to paragraph 4(e) of the Receivership Order, the related Skygrid Engagement Letter, as well as the subsequent execution of the Definitive CCDC 5B Contract.

5.37 In comparison to the amounts historically charged by MI as General Contractor, the Skygrid Engagement Letter is anticipated to provide significant cost savings to the Project. On a monthly basis, these savings can be summarized as follows:<sup>15</sup>

- (i) The Skygrid CM Fee of 3.2%, compared to MI's CM Fee of 5%, is anticipated to provide monthly savings of approximately \$200,000;
- (ii) Skygrid's estimated labour costs, compared to MI's labour costs (including the incremental profit charged and paid to MI prior to the commencement of the Receivership Proceedings) is anticipated to provide monthly savings of approximately \$800,000; and
- (iii) the improved controls, processes and efficiencies that Skygrid is anticipated to bring to the development and construction of the Project are expected to provide further incremental savings to the Budget and benefits to the Schedule.

## **6.0 PROPOSED CONSTRUCTION CONTINUANCE ORDER**

6.1 As noted above, a key priority for the Receiver is to continue to ensure stability and the ongoing construction of the Project, including during the transition of the Project to Skygrid as the new construction manager. Accordingly, in addition to the proposed Lien Regularization Order (described below), the Receiver is seeking approval of the proposed Construction Continuance Order in order to promote a smooth transition to the new construction manager.

---

<sup>15</sup> Illustrative costs savings noted in 5.37(i) and 5.37(ii) are estimated based on the average monthly costs MI has billed to the Project during the Receivership Proceedings.

- 6.2 The overarching goal of the Construction Continuance Order is to ensure that the transition to a new construction manager does not interfere with the progress of the Project or destabilize construction in any way. The Receiver has also sought to ensure, through the proposed Construction Continuance Order, that continuing construction following the transition does not prejudice any party.
- 6.3 Many of the subcontractors currently working on the Project have a contractual relationship with MI, and not the Debtors. The funds required to pay subcontractors have been provided by the Debtors throughout the Project and, since the Receiver was appointed, the Receiver has paid many subcontractors and trades directly, as authorized pursuant to the Receivership Order.
- 6.4 Because many subcontractors have contracts with MI, the Disclaimer could create uncertainty about the status of those contracts. That uncertainty could, in a worst-case scenario, destabilize construction and impair progress on the Project.
- 6.5 The Receivership Order already anticipated and partially addressed some aspects of this concern. Pursuant to the Receivership Order, all Persons (defined broadly in the Receivership Order to include, among others, contractors and subcontractors) having oral or written agreements with the Debtors, or MI (defined in the Receivership Order as the “Developer”) or contractual, statutory or regulatory mandates for the supply of goods and/or services to the Debtors, or the Developer and/or the Project are restrained until further Order of the Court from discontinuing, altering, interfering with or terminating the supply of goods or services as may be required by the Receiver.

- 6.6 Importantly, the obligation to continue services provided for in the Receivership Order applies to Persons that have contracts with MI. The obligation to continue providing goods or services to the Project is not predicated upon a direct contractual relationship with the Debtors and, as a result, the Disclaimer does not give rise to any rights on behalf of subcontractors, trades, suppliers or other service providers having contractual arrangements with MI to stop providing goods or services to the Project.
- 6.7 The Receiver understands that the transition of the Project to a new construction manager could potentially raise questions for some parties as to, among other things, liability for payments and other contractual obligations. The Construction Continuance Order seeks to address these questions by providing clarity and certainty with respect to these matters in a fair and reasonable manner, as follows:
- (i) Limitation on Liability of MI: As noted above, MI has contracts with many of the subcontractors working on the Project. The Receiver does not believe that MI should have liability under these contracts for events that occur after it ceases to serve as General Contractor. Accordingly, the Construction Continuance Order provides that MI shall have no liability in respect of the supply of services or materials to the Project by any contractor, subcontractor, trade supplier or other Person on or after the CM Effective Date (a “**Post-Disclaimer Supply**”), and MI shall continue to benefit from the stay of proceedings provided for in the Receivership Order, pending further Order of the Court; provided, however, that nothing in the Construction Continuance Order shall release MI from any liability that does not relate to a Post-Disclaimer Supply, including but not limited to liabilities relating to services or materials supplied to or ordered for the Project

before the CM Effective Date, and claims for delay, lost profit, termination or demobilization costs;

- (ii) Limitation on Liability of Skygrid: Neither Skygrid nor the Receiver has complete information about amounts that could potentially be owed to subcontractors for work on the Project to date. In order to shield Skygrid from liability for events that pre-date its involvement in the Project, the Construction Continuance Order provides that Skygrid, in its capacity as construction manager of the Project, shall have no liability in respect of services or materials provided to the Project by any contractor, subcontractor, trade supplier or other Person for any period prior to the CM Effective Date, and shall benefit from the stay of proceedings provided for in the Receivership Order; and
- (iii) No Affirmation and No Personal Liability: The transition from MI to Skygrid will require that the Receiver make payments directly to subcontractors, contractors and other suppliers working on the Project, at least for an interim period. The Receiver is not, however, waiving any of the protections set out in the Receivership Order or affirming or assuming any contract with any subcontractor, contractor or other supplier. Accordingly, the Construction Continuance Order provides that the Receiver, in making payments directly or indirectly to suppliers, contractors, subcontractors and other creditors in accordance with paragraph 4(d) the Receivership Order, is not affirming or assuming (and has not affirmed or assumed) any agreement or mandate for the supply of goods and/or services to the Debtors, MI and/or the Project, and the Receiver shall have no personal liability for any payments or other obligations under any such agreement or mandate.

6.8 Further, in addition to seeking approval of the engagement of Skygrid as discussed further above, the Construction Continuance Order contemplates certain ancillary matters to promote the orderly transition of the Project to the new construction manager:

- (i) Transfer of Materials: MI currently has possession of, or has arranged for the storage by third parties of, significant material required to proceed with construction of the Project. The Receiver must ensure that the Disclaimer does not interrupt access to these materials required to progress construction of the Project. Accordingly, the Construction Continuance Order requires that any Person shall permit the Receiver or its designee to access and take possession of any Project Materials (as such term is defined in the Construction Continuance Order), which include, among other things, materials, plans, models, consulting reports, contracts, invoices, listings of trades and suppliers (including addresses and contact information) and listings of equipment owned and obtained through the Project; and
- (ii) No Interference: In connection with the above, no Person shall interfere with the Receiver's possession of the Project Materials, or the Receiver taking possession of the Project Materials, without leave of the Court. The Receiver is at liberty to pay such amounts as it determines are appropriate in connection with obtaining possession of any Project Materials, and any disputes regarding amounts required to be paid by the Receiver in connection with any Project Materials shall be determined by this Court on a motion brought by the Receiver or other interested Person on not less than five (5) days notice.

## **7.0 PROPOSED LIEN REGULARIZATION ORDER**

7.1 Ensuring stability and the ongoing construction of the Project has been a key priority for the Receiver since the commencement of these Receivership Proceedings. Notwithstanding that the transition of the Project to a new construction manager is in the best interests of the Project, such a transition presents some risk that liens could be registered against the Project, in turn impacting the Receiver's ability to obtain future advances under the RFCA.<sup>16</sup>

7.2 To ensure that any construction liens are addressed in an orderly and fair manner and that funding of construction of the Project continues uninterrupted, the Receiver, with the support of the RFCA Lender and the Senior Secured Lenders, is seeking approval of the proposed Lien Regularization Order.

### Overview of Proposed Lien Regularization Order

7.3 As at the date of this First Report, the Receiver understands there are approximately 44 suppliers, subcontractors and other trades actively engaged on the Project. To the Receiver's knowledge, with certain limited exceptions, subcontractors and trades have been paid the amounts invoiced and agreed to by MI and the Receiver. There is nonetheless a risk that some subcontractors and trades, upon learning that MI will no longer be the General Contractor of the Project, may proceed with registering liens against the Project in

---

<sup>16</sup> As is customary in construction financing agreements, the Receiver's ability to obtain financing advances under the RFCA is subject to, and conditional upon, satisfaction of certain conditions precedent, including that no Default or Event of Default (each as defined in the RFCA) will have occurred or be continuing on the proposed date of the applicable financing advance, or would result from same. If construction liens were registered on title to One Bloor and not timely vacated by the Receiver, it could trigger a Default that would in turn impact the Receiver's ability to obtain future advances.

respect of any latent claims that they may have against MI. There is also a risk that MI could register a lien against the Project. Accordingly, the Receiver seeks the Court's approval of the proposed Lien Regularization Order to manage this risk and assist in ensuring continuing access to financing under the RFCA to fund ongoing construction of the Project.

- 7.4 In Ontario, the statutory scheme to preserve and perfect a construction lien under the Provincial Lien Legislation has numerous technical requirements, including (generally speaking) that a lien be registered on title thereby preserving the lien, and thereafter perfected by issuing a statement of claim and registering a certificate of action on title.
- 7.5 Without the process provided for under the proposed Lien Regularization Order, the Receiver would need to consent to lift the stay of proceedings under the Receivership Order for each lien claimant individually to allow such claimant to preserve and perfect its Lien Claim to comply with Provincial Lien Legislation, and then the Receiver would also have to proceed with vacating each registered lien by posting security so that the Receiver could continue to obtain funding under the RFCA. There is also a practical risk that the amount and quantum of liens asserted against the Project would be too high for the Receiver to be able to vacate liens without issue and within a reasonable timeframe, putting continued construction at risk.
- 7.6 The proposed Lien Regularization Order would establish a Court-supervised streamlined process, administered by the Receiver, to replace the various technical requirements for preserving and perfecting a lien under the Provincial Lien Legislation. The Lien Regularization Order is intended to address the practical issues created by these technical

requirements without prejudicing the lien claimants' rights in any way and, in fact, gives such claimants certainty as to how their claim will be dealt with.

7.7 The Receiver notes that in similar circumstances, the Court has exercised its jurisdiction to establish claims processes for lien claimants similar to the process provided for in the proposed Lien Regularization Order, notably in the *Companies' Creditors Arrangement Act* proceedings of *Comstock Canada Ltd. et al.* (Regional Senior Justice Morawetz, as he then was), *FirstOnSite G.P. Inc.* (Justice Newbould) and *Carillion Canada Inc. et al.* (Justice Hailey).<sup>17</sup>

7.8 Below is a summary of the process provided for in the proposed Lien Regularization Order:<sup>18</sup>

- (i) any person (an “**Asserting Lien Claimant**”) who wishes to assert a lien claim under the Provincial Lien Legislation (a “**Lien Claim**”) against the Project will do so by delivering a lien notice (a “**Lien Notice**”) to the Receiver, counsel to the Receiver, and counsel to the Applicant and RFCA Lender, within the time frame prescribed by the Lien Regularization Order;
- (ii) all Lien Claims preserved by any person prior to the granting of the proposed Lien Regularization Order that have not been vacated from title to One Bloor will be

Inc.* dated April 21, 2016 (Court File No. CV-16-11358-00CL); and the [Lien Regularization Order](#) dated March 14, 2018, and subsequent [Amended Lien Regularization Order](#) dated May 23, 2019, of Justice Hailey granted in the matter of *Carillion Canada Inc. et al.* (Court File No. CV-18-590812-00CL).

vacated and such persons deemed to have delivered a Lien Notice in accordance with the Lien Regularization Order;

- (iii) by delivering a Lien Notice, an Asserting Lien Claimant shall be deemed to have preserved and perfected its Lien Claim and will be granted a lien charge against the Project (a “**Lien Charge**”) equivalent to, and only to the extent of, any security that would be granted in respect of a Lien Claim under the Provincial Lien Legislation. The Lien Charge is not intended to increase or decrease the scope of the charge that would secure a Lien Claim under Provincial Lien Legislation in the normal course; and
- (iv) at a later time, the Receiver will bring a motion on notice to the service list seeking approval of a process for reviewing, determining or challenging: (a) the validity or timeliness of any Lien Notice; (b) the validity or quantum of the amounts set out in any Lien Notice; (c) the entitlement of any Asserting Lien Claimant to a Lien Charge; and (d) the attachment, quantum or priority of any Lien Charge. The Receiver shall also be entitled to seek a determination by the Court of any of the foregoing with respect to any Lien Claim at any time upon notice to the relevant Asserting Lien Claimant.

- 7.9 The proposed Lien Regularization Order provides that the priority of a Lien Charge shall:
- (i) with respect to other Lien Charges arising pursuant to the proposed Lien Regularization Order, be equivalent to the priority granted under the Provincial Lien Legislation; (ii) rank subordinate to the Receiver’s Charge and the Receiver’s Borrowings Charge (each as defined in the Receivership Order); and (iii) with respect to other creditors of the Debtors,

be equivalent to such priority as is accorded to Lien Claims under the Provincial Lien Legislation and the federal laws of Canada applicable in Ontario.

7.10 It is the Receiver's expectation that none of the subcontractors or trades engaged on the Project will in fact need to file any liens against the Project based on the fact that, to the knowledge of the Receiver, the substantial majority of subcontractors and trades have been paid all amounts to which they are entitled at this time; however, for the reasons discussed above, the Receiver has determined that it is prudent and in the best interests of the Project to seek the approval of the proposed Lien Regularization Order at this time in order to assist in a smooth transition and ensure the Receiver has access to ongoing funding under the RFCA to continue construction.

7.11 In addition to serving the Receiver's Motion Record, which includes the proposed Lien Regularization Order, on the parties listed on the Service List for these Receivership Proceedings, the Receiver intends to provide notice of the Receiver's Motion to all contractors, subcontractors and other trade suppliers engaged on the Project for whom it has contact information.

## **8.0 RECEIVERSHIP FUNDING CREDIT AGREEMENT**

8.1 Pursuant to paragraph 27 of the Receivership Order, the Receiver is empowered to borrow under a non-revolving term credit facility, by way of the Receivership Funding Credit Agreement dated October 18, 2023, among the Receiver, the RFCA Lender and IGIS, in the maximum principal amount of \$315 million (the "**RFCA**"), to fund: (i) ongoing approved Project costs ("**Project Costs**"); (ii) the Receiver's fees and expenses incurred in exercising its powers and duties as Receiver, including those of the Receiver's independent

legal counsel (such fees and expenses, the “**Receivership Costs**”); and (iii) the fees of the RFCA Lender and IGIS, including their fees, costs and expenses incurred in the preparation, negotiation and administration of the RFCA and the Receivership Proceedings.

- 8.2 The Receivership Order provides that advances under the RFCA are subject to a super-priority charge (being, the Receiver’s Borrowings Charge) over the Property, subject only to the Receiver’s Charge, the security interest of Aviva in the deposits in the Deposit Trust Account, and the charges as set out in sections 14.06(7), 81.4(4), and 81.6(2) of the BIA.
- 8.3 Advances under the RFCA are to be made in accordance with the projected cash flow forecast included therein.
- 8.4 The RFCA provides that, following its initial advance of \$80 million on October 25, 2023, the RFCA Lender may make monthly advances of up to \$30 million to fund Project Costs and Receivership Costs, based on actual expenditures from the immediately preceding month, and subject to the satisfaction of certain conditions precedent in the RFCA.
- 8.5 As at the date of this First Report, and as more fully described below, the Receiver has received funding in connection with two draws totaling \$98.9 million under the RFCA (comprised of the initial \$80 million draw and a subsequent \$18.9 million draw in January 2024). As described further below, as part of its contingency planning in connection with the Disclaimer and transition to Skygrid as new construction manager, the Receiver recently made, and the RFCA Lender approved, a third draw request in the amount of \$50 million to ensure it has sufficient funding on hand to fund construction through the transition period and beyond.

Overview of RFCA Milestones

8.6 Ongoing funding commitments under the RFCA are subject to certain conditions, including, among other things, the achievement of certain milestones (the “**Milestones**”) which are set out below, along with their respective deadlines (with reference to the “Closing Date” being the Appointment Date) and current status:

- (i) *Retention of the Project Manager on terms acceptable to the RFCA Lender within one month of the Closing Date (November 18, 2023)* – KDC was engaged as Project Manager on October 23, 2023, with the approval of the RFCA Lender.
- (ii) *Delivery to the RFCA Lender of a report on the fair market price for each condominium unit in the Project within two months of the Closing Date (December 18, 2023)* – The Receiver engaged the Market Advisors to provide the fair market value of each condominium unit, and the Receiver delivered a report in respect of same, as well as other related information, to the RFCA Lender on December 18, 2023.
- (iii) *Delivery to the RFCA Lender of a comprehensive report setting out the Project Costs incurred to date, the Cost to Complete, and expected Project revenues, in form acceptable to the RFCA Lender, within four months of the Closing Date (February 18, 2024)* – Based on information provided by Altus, KDC, MI, the Pre-construction Service Advisor and Finnegan Marshall Inc.<sup>19</sup> in connection with the Project costs incurred to date, the Cost to Complete and expected Project revenues,

---

<sup>19</sup> Finnegan Marshall Inc. was engaged by the Senior Secured Lenders in January 2024 to act as their independent cost consultant.

the Receiver prepared and delivered a report to the RFCA Lender on February 18, 2024.

- (iv) *Completion of the Severance by March 31, 2024* – The Receiver and its legal counsel are considering and advancing Severance-related matters in consultation with the RFCA Lender and their counsel and will report further on this milestone in the Receiver’s next report to the Court.
- (v) *Development of a plan acceptable to the RFCA Lender with respect to the treatment of CSAs existing prior to the Closing Date (the “CSA Plan”) and approval of such CSA Plan by the Court, within three months and two weeks of the Closing Date (February 1, 2024) (revised to April 1, 2024)* – The Receiver sought and received an extension of the deadline for this Milestone from the RFCA Lender to April 1, 2024. During the course of these Receivership Proceedings, it became clear to the Receiver that any CSA Plan will be dependent upon the outcome of a SISP and will, by necessity, require input from the ultimate owner of the Project. The Receiver is also reviewing options to optimize floor plan configuration based on input from the Market Advisors and other Project consultants, including architects and engineering consultants.
- (vi) *Delivery of a business plan in form acceptable to the RFCA Lender setting out an execution strategy for the Project including stabilization, value enhancement and the anticipated receivership termination timeline (the “Initial Business Plan”), within six months of the Closing Date (April 18, 2024)* – The Receiver, together

with its advisors, is currently advancing the Initial Business Plan, a significant component of which will include the contemplated SISP.

- (vii) *Delivery to the RFCA Lender of an updated Business Plan every six months after delivery of the Initial Business Plan* – As these Receivership Proceedings progress, in particular, once the outcome of the SISP has been determined, critical decisions regarding the future of the Project will continue to develop and the Initial Business Plan will evolve and be updated by the Receiver.

8.7 Throughout the Receivership Proceedings, the Receiver and its counsel and advisors have continued to work closely with the RFCA Lender and the Senior Secured Lenders, and their counsel and advisors, including without limitation, through regular calls, updates and reporting. The amounts advanced under the RFCA have allowed for the continued uninterrupted development of the Project as part of the Receivership Proceedings.

## **9.0 RECEIPTS AND DISBURSEMENTS**

9.1 Actual receipts and disbursements for the period from October 18, 2023 to January 31, 2024 (the “**Reporting Period**”) are summarized in the following table:

<b>Cash Flow Report</b>	
<i>\$000s</i>	<b>Actual</b>
HST Refunds, Interest and Other Receipts	6,364
<b>Total Receipts</b>	<b>\$6,364</b>
<u>Disbursements:</u>	
Construction Costs	(54,464)
Design Related Costs	(1,416)
General, Administrative & Marketing	(2,150)
Land & Development Costs	(1,818)
Financing Commitment Fee	(4,725)
Restructuring Professional Fees	(6,195)
<b>Total Disbursements</b>	<b>(\$70,768)</b>
<b>Net Cash Flow</b>	<b>(\$64,404)</b>
<u>Cash Balance: Construction Account</u>	
Opening Cash	31,148
Net Cash Flow	(64,404)
Advances	98,872
<b>Ending Cash: Construction Account</b>	<b>\$65,616</b>

## 9.2 During the Reporting Period:

- (i) total receipts of approximately \$6.4 million were comprised of HST refunds, accrued interest and miscellaneous receipts; and
- (ii) total disbursements of \$70.8 million were incurred in the ordinary course of construction and included Project Costs, comprised of payments to contractors, subcontractors and other suppliers, construction management fees paid to MI, costs for various consultants including design, engineering, and architectural consultants, and for certain non-construction costs, including property taxes, insurance, permits, administrative costs, and Receivership Costs.

- 9.3 The Receiver notes that in comparison to the cash flow forecast attached to the RFCA, the Debtors' cash flow results have actualized favourably. At the time the cash flow forecast was prepared, limited information was available to the Receiver and accordingly, the forecast was prepared on a conservative basis. The majority of the positive variances can be attributed to this conservative approach.
- 9.4 The opening cash balance of \$31.1 million relates to the Debtors' cash balance (excluding amounts in their holdback account) at the commencement of these Receivership Proceedings, which the Receiver took possession of immediately following its appointment.
- 9.5 As at January 31, 2024, the Receiver had drawn \$98.9 million under the RFCA. The Receiver's cash balance as at January 31, 2024 was \$65.6 million.<sup>20</sup>
- 9.6 Subsequent to January 31, 2024, the Receiver requested an additional \$50.0 million under the RFCA. The Receiver elected to request the additional \$50.0 million in order to ensure it has sufficient funding available to at a minimum fund at least three months' of construction costs, to address any potential contingencies that may arise during this period, and to support a smooth transition to the new construction manager.
- 9.7 Following the \$50 million draw, the remaining availability under the RFCA, net of accrued interest, will be approximately \$163.6 million.

---

<sup>20</sup> In addition to these funds held in the Receiver's Construction Account, the Receiver is also holding approximately \$14.2 million in the Holdback Account.

## 10.0 UPDATED CASH FLOW FORECAST

10.1 The RFCA provides that, with RFCA Lender approval, the Receiver may amend and resubmit the cash flow projection attached as Schedule A to the RFCA. The Receiver has prepared an updated cash flow forecast, together with notes and a summary of assumptions, which is attached hereto as **Appendix “K”** (the “**Updated Cash Flow Forecast**”). The Updated Cash Flow Forecast covers the four month period from February 1, 2024, to May 31, 2024 (the “**Forecast Period**”).

10.2 The Receiver notes the following with respect to the Updated Cash Flow Forecast:

- (i) limited receipts are forecast, as the CRA continues its audit of input tax credits;
- (ii) during the Forecast Period, total disbursements are projected to be approximately \$103 million and include funding ongoing construction in the ordinary course, as well as the costs of these Receivership Proceedings; and
- (iii) the opening cash balance of \$65.6 million, together with the incremental funding available under the RFCA (including the \$50.0 million of additional RFCA funding) is projected to provide the Receiver with sufficient liquidity to fund the costs included in the Updated Cash Flow Forecast through the Forecast Period.

### Cost to Complete

10.3 The RFCA contemplates a maximum of \$315 million in financing for the purpose of funding the ongoing construction of the Project. As noted in the Yoon Affidavit, at the time of the Appointment Date, the Budget to July 2025 suggested that funding beyond the

maximum amount available under the RFCA would likely be required to complete construction of the Project.

10.4 In connection with the Milestones provided for under the RFCA, the Receiver, along with its advisors, has devoted significant time and effort to obtaining an accurate understanding of the status of construction of the Project and the current Cost to Complete and related timeline. As of the date of this First Report, based on revised Budget, Schedule and Cost to Complete work undertaken since the Appointment Date, the Receiver expects that the Project will not be completed by the timeframe previously projected (being March 2025), and that the Cost to Complete will exceed the maximum funding provided for under the RFCA.

10.5 Despite the revised timeline of completion of the Project and the revised Cost to Complete, the Receiver notes that the RFCA Lender and Senior Secured Lenders have advised that they are committed to facilitating the completion of the Project, whether through a transaction identified through a SISP or otherwise.

## **11.0 RECEIVER'S CONTEMPLATED NEXT STEPS**

11.1 Following the hearing of the Receiver's Motion, the Receiver intends to finalize the design of the SISP for the Project, and then return to Court to seek approval of the SISP. The Receiver understands that the Senior Secured Lenders intend to participate in the SISP. The Receiver has been working closely with the Senior Secured Lenders and their counsel, as the priority and largest economic stakeholders, to design a SISP that results in a transaction that will see the Project being funded and continued until it is fully developed and completed. There are different forms of participation in a SISP that the Senior Secured

Lenders can take to ensure completion of the Project and, at this time, the exact nature and details of the Senior Secured Lenders participation in the SISP remain under discussion.

- 11.2 In anticipation of the proposed SISP, on or about January 17, 2024, the Receiver commenced a request for proposals process (the “**RFP Process**”) for real estate brokers. As part of the RFP Process, the Receiver contacted five real estate brokerage and advisory firms (collectively, the “**Potential Brokers**”) identified as having the requisite expertise, qualifications and capabilities to assist with the planning and implementation of the SISP.
- 11.3 The Potential Brokers were asked to submit a proposal in respect of the contemplated SISP by February 7, 2024.
- 11.4 In order to facilitate and assist the Potential Brokers in conducting necessary due diligence to prepare and submit proposals, the Receiver established an electronic data room populated with certain information relevant to the Project, and each of the Potential Brokers was given the opportunity to request further information.
- 11.5 Upon execution of a non-disclosure agreement in a form acceptable to the Receiver, the Potential Brokers were granted access to the data room, and the Receiver held meetings with the Potential Brokers to provide additional information and clarification to enable them to better understand the status of the Project and the RFP Process generally. Four of the five Potential Brokers ultimately submitted a proposal and the Receiver, in consultation with the RFCA Lender and Senior Secured Lenders, is in the process of reviewing all proposals to determine which is the most favourable.

11.6 At the next hearing, the Receiver expects to seek Court approval of:

- (i) the engagement of the selected broker who will serve as the exclusive consultant to the Receiver for the purpose of conducting the SISP; and
- (ii) the SISP, including the timeline to solicit potential transactions for the Project.

## **12.0 OTHER RECEIVERSHIP UPDATES**

### Condominium Matters

12.1 Shortly after the Appointment Date, the Receiver sent communications to all Unit Purchasers to advise: (i) of these Receivership Proceedings; (ii) of the existence of Tarion deposit insurance and ECDI through Aviva; (iii) that the Receiver is reviewing all existing CSAs in conjunction with a review of the fair market value of each applicable unit to determine what, if any, steps will be taken with respect to these agreements; and (iv) that the Receiver will provide additional information once its review is complete.

12.2 While it reviews all options in respect of the CSAs, the Receiver has paused all condominium unit sales, assignments and cancellations.

### *Receiver's Review of CSAs and Deposits*

12.3 As at the date of this First Report, the Receiver has conducted a review of all CSAs and related deposits, and notes the following in respect of sales:

- (i) while the Receiver noted a number of exceptions, the standard CSA for the Project calls for an initial deposit on execution of the CSA plus an additional amount due within 30 days of execution that together, total 5% of the gross sale price, plus

additional 5% increments to be paid within 90, 180 and 360 days after execution of the CSA, with a final 5% due on occupancy. Based on these standard requirements and the execution dates of the CSAs, Purchasers should have paid deposits to date amounting to 20% of the gross sale price;

- (ii) the current design of the residential component of the Project contemplates 416 condominium suites of varying size and price, 345 of which the Debtors' records indicate have been sold and are subject to a CSA (collectively, the **"Purchased Units"**);
- (iii) the aggregate gross sale price of the Purchased Units is approximately \$673.2 million, including four units sold to parties related to Mizrahi with a combined gross sale price of approximately \$22.4 million;
- (iv) on a combined basis, the CSAs for the Purchased Units require deposits to date totalling approximately \$129 million, with another approximately \$36 million due on occupancy;
- (v) the Debtors' records indicate that most Unit Purchasers paid the required deposits on time. Approximately \$105 million of deposits have been paid to date; and
- (vi) a limited number of CSAs (but material from a value perspective) are currently in default because the Unit Purchaser did not pay the required deposits when they were due. A total of 25 Unit Purchasers owe overdue deposits totalling approximately \$24 million.

*Commissions paid to MI*

- 12.4 Pursuant to an exclusive listing agreement dated July 12, 2017, between the Nominee, as vendor, and MI, as agent (the “**ELA**”), MI has the exclusive right to sell the Project condominium units. It is also entitled to be paid commissions on these sales.
- 12.5 Certain key provisions of the ELA are as follows:
- (i) commissions of 4.89% of the net sale price are payable in respect of all sales other than those to “Friends and Family” for which commissions of 2.5% of the net sale price are payable;
  - (ii) commissions are payable: (a) 33% after 10 days of execution of the APS; (b) 33% upon construction financing; and (c) 34% upon occupation;
  - (iii) MI is to receive \$100,000 per month against commissions earned to a maximum of \$3.6 million from August 1, 2017, until the conclusion of the sales program, at which time advances will be reconciled against the commissions payable and any required adjustments will be made upon such final accounting;
  - (iv) upon termination of a CSA due to default by a Unit Purchaser, any commissions paid are returnable to the Nominee. If a CSA is terminated for any other reason, to the extent the Nominee has received 50% or more of deposits on the respective condominium unit from Harris, Sheaffer LLP (“**Harris**”), MI is to be paid 50% of such funds up to the amount of outstanding commissions payable; and

- (v) the term of the ELA was originally three years from the date of execution but was revised thereafter to be five years, plus an additional 3 years (being July 12, 2025).

- 12.6 In addition to the ELA, the Receiver noted four agreements with third-party brokers to which either MI or the Nominee are the counterparties.
- 12.7 Prior to the receivership, total commissions of approximately \$19.4 million have been paid to MI, and commissions and other amounts totaling approximately \$900,000 have been paid to certain of the third-party brokers.
- 12.8 The Receiver is conducting a detailed review of commissions paid and will report further in respect of same, as well as any next steps with respect to the ELA, upon completion of its review.

#### *Deposit Insurance*

- 12.9 The Receiver understands that the *Condominium Act* (Ontario) requires that deposits be held in trust until, among other things, sufficient security for such deposits has been provided for, following which deposit amounts can be released from trust for the purpose of funding ongoing construction. Such security includes: (i) insurance coverage provided by Tarion, an organization that, among other things, provides deposit insurance to homebuyers and administers Ontario's new home warranty program which, in respect of new condominium unit purchases, provides deposit protection for the first \$20,000 of a unit purchaser's deposit; and (ii) third-party ECDI for deposit amounts in excess of \$20,000 that are released from trust.

- 12.10 The Debtors have obtained ECDI from Aviva up to a limit of approximately \$201 million. The Receiver has continued to pay the quarterly premium of approximately \$250,000 in respect of the ECDI to Westmount Guarantee Services Inc. (“**Westmount**”). The Receiver understands Westmount acts as agent to Aviva and manages all aspects of the Tarion bond and deposit insurance facilities, including the security, premium, fees and deposit releases.
- 12.11 Pursuant to the Deposit Trust Agreement, Harris was retained by the Nominee to act as escrow agent and hold all Unit Purchaser deposits received in connection with the CSAs in trust.
- 12.12 As at December 31, 2023, Harris was holding approximately \$3.17 million in respect of deposits, plus an additional \$908,565 in interest, and has released approximately \$102 million of deposits that the Receiver understands were used to fund construction.

#### Secured Creditor Communications

- 12.13 As discussed above, since the Appointment Date, the Receiver has communicated with representatives of the Coco Lender, the Hana Lender, Aviva and CERIECO in conference calls, in-person meetings and by email to discuss and provide updates in respect of the Receivership Proceedings. The Receiver developed a form of confidentiality agreement that it offered to all of these parties, each being a significant stakeholder in the Project (the “**Stakeholder NDA**”), several of which executed the Stakeholder NDA and have received confidential reporting from the Receiver regarding key matters arising during the

Receivership Proceedings, as now are more publicly disclosed in the context of this First Report.<sup>21</sup>

- 12.14 The Receiver has also provided information and updates regarding the Receivership Proceedings to the RFCA Lender and Senior Secured Lenders, who are also subject to confidentiality obligations in respect of the Project. The primary purpose of this information sharing is to: (i) keep these lenders apprised of the progress of Project construction; (ii) provide updates in respect of the Receiver's various ongoing work streams; (iii) seek input and approval, where required or appropriate, from the RFCA Lender in respect of certain key matters, including, for example, with respect to the Disclaimer, and the engagement of Skygrid as new construction manager of the Project; and (iv) ensure that the RFCA Lender has the information required by the RFCA to allow for further advances.

#### Management of Disputes and Settlements

- 12.15 The Receivership Order provides for a stay of proceedings, rights and remedies against or in respect of the Debtors, the Property, or the Developer for matters arising after the date of the Receivership Order. Since the Appointment Date, the Receiver has devoted time to managing various disputes involving the Debtors, the Developer and the Project, and to communicating with parties involved in same in connection with the stay of proceedings. Certain activities of the Receiver and its counsel in this regard are set out below.

---

<sup>21</sup> As noted above, the Stakeholder NDA was also offered to MI, who declined to execute it.

*Apple Settlement*

- 12.16 Shortly after the Appointment Date, the Receiver was made aware of a settlement between Apple Canada Inc. (“**Apple**”) and the Nominee of certain litigation pertaining to a commercial lease agreement between the parties dated March 23, 2016 (as amended, the “**Lease Agreement**”). The Receiver understands that the terms of the settlement were agreed to on or about September 10, 2023, the eve of the scheduled trial of certain disputes in respect of the Lease Agreement. The Receiver has reviewed email correspondence from counsel to the parties confirming same, including correspondence to the judge seized of the matter indicating that the parties had settled the dispute.
- 12.17 Despite the agreement reached on September 10, 2023, the formal settlement documentation, the terms of which remain strictly confidential, was not fully executed until after the Appointment Date. In light of this timing, the Receiver informed counsel to the Nominee (Daoust Vukovich LLP and Morse Shannon LLP) and counsel to Apple (McCarthy Tétrault LLP) that signatures were to be held in escrow pending the Receiver’s review of the matter.
- 12.18 In connection with its review, the Receiver and its counsel reviewed legal memos prepared by counsel to the Nominee regarding the merits of the parties’ positions, as well as the potential benefits of a settlement. Based on its review, the Receiver was satisfied that the terms of the settlement agreed to among the parties prior to the Appointment Date were reasonable.
- 12.19 The Receiver sought and obtained the consent of the Applicant to proceed with implementing the settlement in accordance with the Receivership Order. In addition, the

Receiver consulted and discussed this matter with certain other significant stakeholders in the Project, none of whom objected to the settlement. In connection with the implementation of the settlement, the Receiver, with the consent of the Applicant and following consultation with other significant stakeholders, agreed to pay certain legal fees owing to counsel to the Nominee in the litigation.

*CERIECO Litigation*

- 12.20 Following the Appointment Date, counsel to CERIECO (Babin Bessner Spry LLP) contacted the Receiver to discuss the CERIECO Guarantee Litigation and the CERIECO Dentons Litigation (each as defined and described in the Yoon Affidavit). In light of the stay of proceedings imposed by the Receivership Order, CERIECO sought agreement from the Receiver regarding the terms by which these actions may continue against the non-Debtor defendants. The Receiver and CERIECO are in the process of finalizing these terms.
- 12.21 The Receiver understands that the CERIECO Guarantee Litigation and the CERIECO Dentons Litigation were consolidated into one action on or about November 27, 2023. Goodmans, as counsel to the Receiver, has since served a Notice of Change of Lawyer in connection with this matter, going on the record, and will receive any documents served in the litigation going forward. The Notice of Change was served to ensure that the Receiver stays apprised of any developments in the ongoing litigation, without prejudice to the stay of all Proceedings (as defined in the Receivership Order) relating to the Debtors or the Property.

*Khavari Litigation*

12.22 The Receiver became aware of a claim by Khashayar Khavari and Mohammad Mahdi Tajbakhsh against MI, the Nominee and GP Inc., among others, in which the plaintiffs claim an equity interest in the Project, as well as an interest in the general contractor fees earned by MI as General Contractor of the Project. Counsel to the Receiver engaged with counsel to the plaintiffs in this matter and, on behalf of the Receiver, agreed to the terms by which the plaintiffs would discontinue their action as against the Debtors in light of the stay of proceedings imposed by the Receivership Order. Goodmans has served a Notice of Change of Lawyer in connection with this matter so that it may stay informed on the litigation going forward.

*Transition of Dentons Mandates*

12.23 Prior to the Appointment Date, Dentons Canada LLP (“**Dentons**”) acted as counsel to the Debtors on various matters relating to the Project, including, among other matters: (i) a *Provincial Offences Act* summons relating to a noise complaint from July 2023; (ii) opposition by the Debtors to a development application relating to the adjacent property at 15-19 Bloor Street West (discussed further below); (iii) opposition by Mappro Realty Inc. to a permit obtained by the Debtors to stage construction material on Balmuto Street and to subsequent renewals of same; and (iv) a nuisance action by Mappro Realty Inc. in connection with item (iii) above, seeking an injunction to prohibit the use of Balmuto Street for construction staging and damages in the amount of \$3 million (the “**Mappro Litigation**”).

12.24 Following discussions with Dentons and certain significant Project stakeholders, the Receiver determined that Dentons' Project mandates should be transferred to Goodmans or other counsel, as applicable. In connection with this transition, the Receiver made payment of certain of Dentons' pre-filing invoices as a critical vendor payment pursuant to paragraph 4(d) of the Receivership Order, on the condition that Dentons support the transition of its Project mandates and the transfer of all relevant books and records to Goodmans or other counsel, as applicable. Dentons continues to provide transition support to the Receiver and Goodmans, as needed, but otherwise no longer acts as counsel on Project-related matters. Further, with respect to the Mappro Litigation, Goodmans served a Notice of Change of Lawyer in connection with this matter and will receive any documents served in the litigation going forward.

*15-19 Bloor Street West*

12.25 The Receiver retained Loopstra Nixon LLP in connection with an outstanding appeal to the Ontario Land Tribunal of a refusal by the City of Toronto to approve Official Plan and Zoning By-law Amendments to permit, *inter alia*, an increase in height and density for the lands known municipally as 15-19 Bloor Street West, being the site immediately west of the Project (the "**Appeals**").

12.26 In connection with the Appeals, the Receiver attended a voluntary mediation in January 2024. Parties to the mediation included the applicant for the development proposal at 15-19 Bloor, the City, the local ratepayers association and the condominium corporation immediately south of 15-19 Bloor Street West. At this time, the results of the mediation process remain confidential. In the Receiver's view, they do not materially impact these

Receivership Proceedings. As the appeal and mediation process continues to develop, the Receiver will provide updates to the Court with available and non-confidential information.

#### *Trade Claims*

12.27 Since the Appointment Date, the Receiver has managed a number of trade-related matters, including in respect of construction lien claims (or potential claims) and related issues. As of the date of this First Report, only one construction lien has been registered against the Project in respect of a claim that has not yet been resolved, as briefly outlined below.

12.28 In connection with its work on the Project, Cult Iron Works Limited (“**Cult Iron**”) registered a lien claim against the Project in the amount of \$444,669.05 (the “**Cult Lien**”). The Receiver consented to a temporary lift of the stay of proceedings provided for under the Receivership Order such that Cult Iron could perfect the Cult Lien, following which the Receiver proceeded with a motion to vacate same. In connection with its motion, the Receiver posted security with the Ontario Superior Court of Justice in the total amount of \$494,669.05, inclusive of \$50,000 as security for costs. The Cult Lien has since been vacated from title to One Bloor, and the Receiver and KDC continue to work with MI to address Cult Iron’s claim and resolve the underlying issues.

### **13.0 CONCLUSION AND RECOMMENDATION**

13.1 For the reasons set out in this First Report, the Receiver is of the view that the relief sought in the Receiver’s Motion is reasonable, appropriate and necessary having regard to the circumstances outlined herein. Accordingly, the Receiver respectfully requests that the Court make an order granting the relief sought in the Receiver’s Motion.

8. **THIS COURT ORDERS** that all Persons shall forthwith advise the Receiver of the existence of any books, documents, securities, contracts, agreements, orders, corporate and accounting records, insurance policies, permits, licenses and any other papers, records, information and cloud-based data of any kind related to the business or affairs of the Debtors or the Property, and any computer programs, computer tapes, computer disks, cloud or other data storage media containing any such information (the foregoing, collectively, the “**Records**”) in that Person's possession or control, and shall provide to the Receiver or permit the Receiver to make, retain and take away copies thereof (in each case within the timeframe specified by the Receiver in writing or such other timeframe as may be agreed to between the Receiver and such Person) and grant to the Receiver unfettered access to and use of accounting, computer, software, cloud and physical facilities relating thereto, provided however that nothing in this paragraph 8 or in paragraph 9 of this Order shall require the delivery of Records, or the granting of access to Records, which may

not be disclosed or provided to the Receiver due to the privilege attaching to solicitor-client communication or due to statutory provisions prohibiting such disclosure.

9. **THIS COURT ORDERS** that if any Records are stored or otherwise contained on a computer, in the cloud, or in or on other electronic system of information storage, whether by independent service provider or otherwise, all Persons in possession or control of such Records shall forthwith give unfettered access to the Receiver for the purpose of allowing the Receiver to recover and fully copy all of the information contained therein whether by way of printing the information onto paper or making copies of computer disks or such other manner of retrieving and copying the information as the Receiver in its discretion deems expedient, and shall not alter, erase or destroy any Records without the prior written consent of the Receiver. Further, for the purposes of this paragraph, all Persons shall provide the Receiver with all such assistance in gaining immediate access to the information in the Records as the Receiver may in its discretion require including providing the Receiver with instructions on the use of any computer or other system and providing the Receiver with any and all access codes, account names and account numbers or other account credentials that may be required to gain access to the information.

10. **THIS COURT ORDERS** that all Persons, including, without limitation, the Debtors, Mizrahi Inc., Sam M Inc., 12823543 Canada Ltd., Sam Mizrahi, Jenny Coco, and all construction managers, general contractors, contractors and subcontractors to the Project shall be required to cooperate, and share information, with the Receiver in connection with all books and records, contracts, subcontracts, agreements, permits, licenses and insurance policies and other documents in respect of the Debtors and/or the Property, solely in relation to the Project. In addition to the foregoing general cooperation and information sharing requirements, all constructions managers, general contractors, contractors, and subcontractors shall, as applicable, be required to do the following things: (a) in respect of any and all such contracts, subcontracts, agreements, permits, licenses and insurance policies and other documents: (1) maintain them in good standing and provide immediate notice and copies to the Receiver of any communications received from regulators or providers in respect thereof; (2) provide immediate notice to the Receiver of any material change and/or pending material change to the status quo in respect thereof; and (3) provide thirty days' notice of any renewal date, termination date, election date or similar date in respect

thereof; and (b) assist, and cooperate with, the Receiver in obtaining any further permits and licenses that may be required.

11. **THIS COURT ORDERS** that, upon termination, disclaimer, expiry or cessation of any contract or agreement between the Debtors and/or or the Receiver and any other Person, such Person shall deliver to the Receiver any Records necessary or desirable for the operation of the Debtors' business or the Project.

12. **THIS COURT ORDERS** that the Receiver shall provide each of the relevant landlords with notice of the Receiver's intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord disputes the Receiver's entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the Receiver, or by further Order of this Court upon application by the Receiver on at least two (2) days notice to such landlord and any such secured creditors.

#### **NO PROCEEDINGS AGAINST THE RECEIVER**

#### **NO PROCEEDINGS AGAINST THE DEBTORS OR THE PROPERTY**

14. **THIS COURT ORDERS** that no Proceeding against or in respect of the Debtors or the Property, or the Developer for matters arising after the date of this Order, shall be commenced or continued except with the written consent of the Receiver or with leave of this Court and any and all Proceedings currently under way against or in respect of the Debtors or the Property are hereby stayed and suspended pending further Order of this Court.

## **NO EXERCISE OF RIGHTS OR REMEDIES**

15. **THIS COURT ORDERS** that all rights and remedies against the Debtors, the Receiver, or affecting the Property, or against the Developer for matters arising after the date of this Order, including, without limitation, licenses and permits required for the Project regardless of who is the legal holder of any such licenses and permits, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any “eligible financial contract” as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtors to carry on any business which the Debtors are not lawfully entitled to carry on, (ii) exempt the Receiver or the Debtors from compliance with statutory or regulatory provisions relating to health, safety or the environment, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

## **NO INTERFERENCE WITH THE RECEIVER**

16. **THIS COURT ORDERS** that no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of the Debtors, the Developer, or in respect of the Project, or held by the Debtors or the Developer, without written consent of the Receiver or leave of this Court.

## **CONTINUATION OF SERVICES**

17. **THIS COURT ORDERS** that all Persons having oral or written agreements with the Debtors, or the Developer or contractual, statutory or regulatory mandates for the supply of goods and/or services to the Debtors, or the Developer and/or the Project, including without limitation, all computer software, communication and other data services, construction management services, project management services, permit and planning management services, accounting services, centralized banking services, payroll and benefit services, warranty services, sub-contracts, trade suppliers, equipment vendors and rental companies, insurance, transportation services, utility, customers, clearing, warehouse and logistics services or other services to the Debtors, or the Developer and/or the Project are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may

be required by the Receiver, and that the Receiver shall be entitled to the continued use of the Debtors' current telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the date of this Order are paid by the Receiver or the Developer, as determined by the Receiver, in accordance with normal payment practices of the Debtors or the Developer, as applicable, or, with respect to the Debtors or the Developer, such other practices as may be agreed upon by the supplier or service provider and the Receiver, or as may be ordered by this Court.

- (e) Lease Forms: prepare for execution forms of Leases, Lease extensions and related documents for use in the leasing of premises in the Development;
- (f) Enforcement: enforce the terms of any Lease when reasonably required and make strategic determinations in the enforcement of any Lease, including, without limitation, default and/or termination proceedings (provided the initiation of any litigation or defence of any litigation shall require the Approval of the Owner).

#### **4.5 Personnel**

The Manager shall be responsible for making available such of its employees or employees of Affiliates of the Manager (who shall not for any purpose be, or be deemed to be, the employees of the Owner) as shall be necessary and desirable for the performance by the Manager of its obligations under Article 4.

#### **4.6 Services, Materials and Supplies**

The Manager shall contract for or purchase all services, materials and supplies as may be necessary in the performance of its duties and responsibilities under this Article 4 and Approved by the Owner, which services, materials and supplies shall be paid for by the Owner.

### **ARTICLE 5** **FEES**

#### **5.1 Development Management Fee**

- (a) The Owner shall pay the Development Management Fee to the Manager. The Development Management Fee shall be as set out as the "Development Fee" on the Development Budget.
- (b) The Development Management Fee (plus applicable HST thereon) shall be paid by the Owner as follows:
  - (i) \$10,000,000 upon the closing of the acquisition of those Properties outlined on Schedule A hereto as the "Required Commercial Properties" (and for these purposes, acquisition of the registered owner by share purchase agreement if applicable), provided if such properties are acquired on different dates, the later of the two dates;

23.

- (ii) \$10,000,000 upon receipt of the earlier of: (A) zoning or rezoning approval for the Development; and (B) site plan approval (the "Project Approvals"); and
  - (iii) \$10,000,000 upon closing and registration of security on title to the Required Commercial Properties of the Construction Financing.
- (c) Notwithstanding the foregoing, in the event that the parties proceed with the Residential Project or are able to acquire any of the other Properties listed on Schedule A that are not "Required Commercial Properties", or both, the Development Fee shall not exceed \$30,000,000 (the "Total Development Fee"), and in the event that the Residential Project is constructed, the parties shall allocate the total Development Fee between this Development Management Agreement and the development management agreement for the Residential Project.
- (d) In the event that the Manager pays out the Total Development Fee to third parties to ensure the progression of the Development as planned generally or in any particular manner or aspect, but determines that a higher amount is required for other similar payments or purposes, the Manager shall be entitled to pay such further amounts as may be required to third parties over and above the Total Development Fee and in such cases, the Owner shall fund all such further payments deemed necessary by the Manager, provided that either:
  - (i) the Manager is able to fund such payments from savings attained for any line item or combination of line items within the Development Budget or from any contingency amount in the Development Budget, or both (provided for such purposes, the parties shall reassess and recalculate such amounts so paid after the total Development Costs are known, to determine if the funding of such additional amount(s) was actually funded from savings or contingencies once all amounts are finally determined) and the Manager shall cause Mizrahi Enterprises Inc., the Class B limited partner under the Commercial Limited Partnership Agreements, to execute and deliver to Bridging a letter directing that any overage amount of such payment(s), once the total Development Costs are calculated, which was not available through savings or contingencies in the Development Budget as aforesaid, be deducted from amounts payable to Mizrahi Enterprises Inc. pursuant to Section 7.5(a)(iv)(B) under the Limited Partnership Agreement; or
  - (ii) the Manager shall cause Mizrahi Enterprises Inc., the Class B limited partner under the Commercial Limited Partnership Agreements, to execute and deliver to Bridging a letter directing that any such additional payment(s) be deducted from amounts payable to Mizrahi Enterprises Inc. pursuant to Section 7.5(a)(iv)(B) under the Limited Partnership Agreement.

- (e) Any portion of the Total Development Fee not required to be spent on third party payments, shall belong to the Manager.
- (f) No Written Request shall be required for any third party payments paid from the Development Fee, nor shall the payment of any such amount require the Approval of the Owner. The Manager shall be entitled to determine to whom such payments are reasonably necessary and in what amounts, and make such payments.

## **5.2 Rights of Examination by Owner**

The Manager, at any and all times during normal business hours and upon reasonable notice, upon a written request from the Owner, will provide any reasonable background information as to Development Costs incurred and shall permit the Owner to examine all books of account, records, reports and other papers of the Manager relating to the services performed for the Owner by the Manager under this Agreement, to make copies thereof or extracts therefrom or to have the same audited by an auditor appointed by the requester for the Development, which audit shall be carried out at the expense of the requester.

## **5.3 Expenses of Development and Leasing Management**

The Owner shall pay to the Manager the amount of any necessary:

- (i) reasonable and bona fide out-of-pocket costs and expenses in accordance with the Development Budget and any amounts expended for or on behalf of the Owner as permitted herein;
- (ii) third party real estate brokers respecting leasing commissions; and
- (iii) such other expenses Approved by the Owner or in the Development Budget and paid by the Manager to third parties in connection with its services under Articles 3 and 4, respectively.

The charges of any such counsel or consultants as are included within the Development Budget shall be for the account of the Owner.

## **5.4 Concessions**

The Manager hereby undertakes not to accept for its own account in the execution of its duties hereunder any commissions, reductions, finder's fees or other concessions from any third party including tenants or realtors. If such concessions are received by the Manager they shall be remitted to or credited to the Owner forthwith after receipt.

## **5.5 Construction Management Fee**

As part of the Developments Costs, the Owner shall be responsible for the fees payable to the Contractor, pursuant to the Commercial Construction Management Agreement (the

“Construction Management Fees”). The Construction Management Fees shall be paid by the Owner as required in the Commercial Construction Management Agreement and in any event on a monthly basis for the duration of the construction of the Development, commencing at the start of demolition of any buildings or improvements on the Properties provided all monthly draws have been authorized by the Cost Consultant.

## **ARTICLE 6**

### **OWNER APPROVALS AND DUTIES**

#### **6.1 Approvals of the Owner**

In addition to specific approvals otherwise provided for in this Agreement, the Manager shall submit to the Owner for Approval by the Owner the following:

- (a) the Development Budget and any amendments thereto having the effect of increasing the total Development Budget;
- (b) the Development Plan, the Development Schedule and any material amendments thereto once initially Approved;
- (c) any action to institute, prosecute and defend legal actions affecting the Development including taking appropriate action to deal with substantial construction liens encumbering the Development and making payments into court on behalf of the Owner with respect thereto;
- (d) the Pro-forma Lease;
- (e) entering into any Contract with any person with whom the Manager or any shareholder or director of the Manager or an Affiliate of the Manager does not deal at arm's length;
- (f) the acquisition or disposal of any property or the incurring of any non-capital obligation involving a sum in excess of One Hundred Thousand Dollars (\$100,000.00) for any transaction or group of similar or related transactions except for expenditures made and obligations incurred pursuant to the Development Budget;
- (g) any other matter being a Major Decision; and
- (h) any matters for which the approval of Bridging is required pursuant to the Commercial Limited Partnership Agreements, including, without limitation, Section 4.4 of the Unanimous Shareholders Agreement.

## 6.2 Procedure for Approvals

- (a) Whenever the provisions of this Agreement provide for an approval or consent or agreement to any action, document or plan by the Owner (collectively, an “**Approval**”), provided that approval of Bridging specifically is either not required pursuant to the Commercial Limited Partnership Agreements, or if it is required thereunder, such approval of Bridging has been obtained, then such Approval may not be unreasonably or arbitrarily withheld (except in the case of a Major Decision, in which case the Approval of the Owner shall be in the sole and absolute discretion of the Owner) and regardless, the Owner shall respond thereto within a period of five (5) days thereafter. A failure by the Owner to respond within such period shall be deemed to be an Approval unless the Owner provides a written notice during such period that it requires further information in order to consider the item for which approval or consent was requested. To be valid, any disapproval by the Owner shall be in writing, shall be reasonable and shall contain the reasons for such disapproval.
- (b) Notwithstanding subparagraph (a) and anything else in this Agreement to the contrary, in the event that any work or action is urgently required at a time when the authorized representatives of the Owner cannot be reasonably located for the purpose of giving approval, or where the Manager has received a notice for further information but due to urgent demands of the Development, cannot provide such further information prior to the date that an urgent action or steps needs to be taken in connection with the Development (the parties acknowledging and agreeing that no delays for approvals or consents shall be permitted to unduly stall the Development Schedule), the Manager is hereby authorized and instructed to proceed with such steps as in its discretion are deemed urgently necessary, and the Manager will promptly give written notice thereof to the Owner.

## 6.3 Responsibilities of Owner

In addition to the specific obligations and responsibilities of the Owner otherwise referred to in this Agreement, the Owner shall:

- (a) be responsible for payment of all Owner Contributions which at any time will equal the difference between the Development Cost less the amounts available from Permitted Financing as provided in Section 3.7 and payable in accordance with Section 3.8;
- (b) provide Approvals in accordance with Section 6.2;
- (c) provide all relevant information to the Manager in the possession of the Owner currently and in the future regarding the Properties and the Development in a timely manner; and
- (d) pay the Development Management Fee when due and as contemplated herein.

#### **6.4 Manager an Independent Contractor to the Owner**

- (a) Nothing in this Agreement shall be construed as or shall constitute a partnership between the Manager and the Owner. The duties to be performed and the obligations assumed by the Manager under this Agreement shall be performed and assumed by the Manager as an independent contractor and not as the agent or otherwise as the representative of the Owner.
- (b) In carrying out its responsibilities, obligations and duties to the Owner under this Agreement, the Manager shall employ personnel on its own behalf and the Manager's personnel shall be and remain employees of the Manager.
- (c) Except with regard to its employees as provided in subparagraph (b), in carrying out its responsibilities, obligations and duties to the Owner under this Agreement, the Manager shall act on behalf of the Owner, and all agreements, permits, licenses, Contracts, Leases, accounts and other documents shall be for and in the name of the Owner.
- (d) The Manager shall not be required to make any payments on behalf of the Owner, except to the extent that funds are made available to the Manager by the Owner therefor.

#### **6.5 Access to Records**

The Manager shall provide to the Owner, and to others as the Owner may from time to time designate, full and free access at all reasonable times to all records, documents and materials in the possession or control of the Manager which relate to the duties and obligations of the Manager under this Agreement.

### **ARTICLE 7** **TERMINATION**

#### **7.1 Termination by the Owner**

- (a) If, in the case of the Manager, an Event of Default occurs, the Owner may provide a Notice of Complaint to the Manager specifying in reasonable detail the Event of Default. If within thirty (30) days of receipt of any Notice of Complaint, the Manager fails to cure or remedy the Event of Default in a reasonable manner, or if more than thirty (30) days are required to cure or remedy the Event of Default the Manager fails to proceed and continue diligently to cure or remedy or give reasonable assurances to the Owner that such Event of Default will be cured or remedied within a reasonable period of time, the parties shall submit the dispute to arbitration in accordance with Section 7.3 below.

It is acknowledged and agreed that other than termination of the Development or sale of the Development as set out in Sections 7.3 and 7.4 respectively below, and subject to the immediately following paragraph (which applies only after

Commencement of Construction), the Owner may not terminate this Agreement for any reason other than a Material Event of Default and only then: (a) if the default is cureable, the Manager has been given proper written notice of the alleged default with specifics and the Manager has failed to cure the default within a reasonable period of time considering the nature of the default; and in addition (b) provided that the Parties have first have proceeded to arbitration to resolve the issue at hand and then only if the arbitration decision is adverse to the Manager and the Manager does not comply with the arbitration decision within a reasonable period of time (which period of time shall be determined by the arbitrator and included in the arbitration decision).

Notwithstanding the foregoing, if Commencement of Construction has occurred, the Owner shall not be entitled to terminate this Agreement for any reason other than an incurable Event of Insolvency, fraudulent acts of the Manager or any gross negligence of the Manager that is incapable of being cured and which is likely to substantially delay or prevent the completion of the Commercial Project or materially increase the Development Budget or result in new material liability to the Owner.

- (b) If the Owner is entitled to terminate this Agreement as set out above, the Owner may terminate this Agreement by written notice by issuing a Notice of Termination to the Manager stating that this Agreement is terminated and the reason for termination. Such termination shall be effective as and from the last day of the month in which the Notice of Termination is received by the Manager unless the reason for termination is bona fide disputed by the Manager as not being a reason permitting termination as set out above (in which case termination shall not occur until and unless the parties have submitted to arbitration on the matter and the arbitrator's decision is that the reason did permit termination and the termination if permitted hereunder (unless both Parties agree to waive arbitration in this case and agree to the termination)).
- (c) In the event of any termination of this Agreement, all fees shall be pro-rated and paid up to the date of termination except in the event of fraud or other intentional malfeasance (i.e. misappropriation of funds) in which case no pro-rated fees shall be owing to the Manager (except instalments already owing shall be paid to the Manager) and such entitlements shall not terminate but shall survive termination of this Agreement.

## **7.2 Termination by Manager**

If, in the case of the Owner, an Event of Default occurs, the Manager may provide a Notice of Complaint to the Owner specifying in reasonable detail the Event of Default. If within thirty (30) days of the receipt of any Notice of Complaint, the Owner fails to cure or remedy the Event of Default in a reasonable manner, or if more than thirty (30) days are required to cure the Event of Default, the Owner fails to proceed and continue diligently to cure or remedy or give reasonable assurances to the Manager that, such Event of Default will be cured or remedied within a

reasonable period of time, the Manager may terminate this Agreement by issuing a Notice of Termination to the Owner stating that this Agreement is terminated and the reason for termination. Such termination shall be effective as and from the last day of the month in which the Notice of Termination is received by the Owner.

Notwithstanding the foregoing, if Commencement of Construction has occurred, the Manager shall not be entitled to terminate this Agreement for any reason other than an incurable Event of Insolvency, or a Material Event of Default of the Owner or any fraudulent act of the Owner, or any gross negligence of the Owner in performing its obligations that is incapable of being cured (and is not cured within a reasonable cure period having regard to the nature of the default).

### **7.3 Termination of the Development**

In the event it is determined that the Development cannot go ahead due to external factors to the Owner and/or Manager (e.g. the Properties cannot be acquired or the City fails to approve the Development or any adjusted Development or the Parties cannot obtain sufficient financing), and the decision to develop the Development is cancelled or otherwise aborted by the Owner as a result, this Agreement shall be terminated by issuing a Notice of Termination to the Manager stating that the development of the Development has been terminated, cancelled or otherwise aborted and the reasons therefor and this Agreement shall be terminated effective upon receipt of the Notice of Termination by the Manager.

### **7.4 Termination because of Sale of the Development**

In the event the decision is made by the Owner to sell the Development or in the event of periodic phase dispositions then the final phase of the Development, as the case may be, in accordance with the Owner's rights under the Commercial Limited Partnership Agreement, this Agreement shall be terminated effective the closing date of such sale.

### **7.5 Effect of Continued Performance**

If this Agreement is terminated, the Owner shall be under no obligation to pay to the Manager any amount whatsoever for services performed by the Manager after the date of termination of this Agreement unless such performance has been expressly Approved by the Owner on a quantum meruit basis.

### **7.6 Termination – Survival of Outstanding Obligations**

Notwithstanding the termination of this Agreement, all obligations hereunder which are outstanding as of the date of such termination required to be performed following the termination hereof and final settlement of payments required to be made hereunder shall continue to be obligations of each of the relevant Parties.

### **7.7 Deliveries to Owner**

If this Agreement is terminated, notwithstanding such termination, the Manager shall forthwith upon termination and from time to time thereafter deliver to the Owner all moneys received and

held by the Manager pursuant to this Agreement, and all records and documents, including without limitation, all Leases, plans, schedules, budgets, operating records, books of account and ancillary documents maintained with respect to the Development and the Properties, including those relating to leasing management which are then in the possession or control of the Manager and which the Owner may reasonably require and which relate directly or indirectly to the Development and the Properties; provided however, that the Manager may elect to retain copies of such records, books of account and documents. Notwithstanding such termination the Owner shall thereafter and from time to time for a reasonable period of time produce at their offices the originals of such records, books of account and documents whenever the Manager reasonably requires them for its purposes in connection with its prior leasing management and development management of the Development and the Properties. The Manager shall keep all such information confidential, provided that if the Development is aborted, subject to the terms of the Commercial Limited Partnership Agreement, the Manager shall be entitled to remain as manager of the Development, if the Development is continued by the Mizrahi Partner under the Commercial Limited Partnership Agreements.

#### **7.8 Development Management Fee and Construction Fee on Termination**

In the event of a termination of this Agreement pursuant to Article 7, subject to Section 7.1(c), the Manager shall be entitled to payment of any remaining accrued Development Management Fee (and any accrued interest thereon) up to the date of termination, and a pro-rated portion of each of the next instalment payment(s) of the Development Management Fee not yet due, with such pro-rated amount deemed to be earned as of the date immediately prior to the termination date. Such pro-rated amount shall be based on the next milestone requirement forming the basis of the trigger for such payment being achieved in each of subsections 5.1(b)(i), (ii) and (iii) (e.g. Construction Financing is completed) and the amount to be pro-rated based on a fraction, the numerator being the number of days from the due date of the last instalment payment to the date of termination of this Agreement, and the denominator being the number of days from the due date of the last instalment payment to the date of such milestone being achieved.

By way of example, if the termination date is 30 days after the acquisition of the Required Commercial Properties, Project Approvals are obtained 180 days after the closing of the acquisition of the Required Commercial Properties and the Construction Financing is achieved 120 days after the obtaining the Project Approvals, the pro-rata portion of the next instalment payments of the Development Management Fee owing to the Manager would be 30/180 for the second instalment and 30/300 for the third instalment.

The Owner shall pay all such remaining accrued Development Management Fees and pro-rata portions thereof to the Manager within ten (10) days of termination of this Agreement and this obligation of the Owner to pay such fees shall survive the expiry or termination of this Agreement.

## **ARTICLE 8**

### **GENERAL**

#### **8.1 Indemnity by Owner**

Notwithstanding the termination of this Agreement, the Owner shall indemnify and save the Manager harmless from any action, cause of action, suit, debt, cost, expense, claim, liability or demand whatsoever at law or in equity, in connection with the performance by the Manager of any and all of its obligations under this Agreement, including without limitation, any damage or injury whatsoever to any employee or other person or property arising out of the foregoing during the Term of this Agreement, and anything arising from the Manager having executed any contract or document on behalf of the Nominee or Owner, in compliance with the terms of this Agreement, but the indemnity provided under this Section 8.1 shall not extend to any gross negligence, fraud or wilful misconduct of the Manager or its employees, directors, officers or agents (the "**Manager Parties**") and shall not extend to any action taken by the Manager Parties outside the terms and provisions of this Agreement.

#### **8.2 Indemnity by Manager**

Notwithstanding the termination of this Agreement, the Manager shall indemnify and save the Owner harmless in respect of any action, cause of action, suit, debt, cost, expense, claim or demand whatsoever, at law or in equity, resulting from any gross negligence, fraud or wilful misconduct of the Manager, its employees, agents or those for whom at law it is responsible during the Term of this Agreement or by reason of any action taken the Manager outside the terms and provisions of this Agreement.

Notwithstanding the foregoing in Sections 8.1 and 0, neither Party shall be liable for any consequential, indirect, special or incidental damages including without limitation, the loss of profits or revenue.

#### **8.3 Insurance**

The Manager shall take out and obtain all such insurance as would a reasonable and prudent development manager managing a similar development in downtown Toronto.

The Owner shall take out and maintain all such insurance as would a reasonable owner of a similar development project in downtown Toronto.

#### **8.4 Arbitration**

Notwithstanding any other provision in this Agreement, in the event that any dispute or claim arises out of or in connection with this Agreement (the "Dispute"), the Parties shall promptly seek to resolve the Dispute by negotiations between representatives of the Parties who have authority to settle the Dispute. The negotiations shall commence on the date one Party provides written notice to the other Party identifying the Dispute and requesting the commencement of negotiations. If the Dispute has not been resolved within 10 Business Days from the date negotiations commence, either Party may submit the Dispute to arbitration by providing written

notice of its intention to arbitrate. The parties agree that if negotiations fail to resolve the Dispute, then arbitration shall be the exclusive forum for resolution of the Dispute. The provisions of the Ontario *Arbitration Act, 1991*, S.O. 1991, c.17, as amended (the "Act") shall apply. The Parties shall agree to a single arbitrator with expertise in the issue being arbitrated, and failing such agreement, the arbitrator shall be determined in accordance with the Act.

- 5.8.1 If because of climatic or other conditions reasonably beyond the control of the *Contractor*, there are items of work that cannot be performed, payment in full for that portion of the *Work* which has been performed as certified by the *Consultant* shall not be withheld or delayed by the *Owner* on account thereof, but the *Owner* may withhold, until the remaining portion of the *Work* is finished, only such an amount that the *Consultant* determines is sufficient and reasonable to cover the cost of performing such remaining work.

## **GC 5.9 NON-CONFORMING WORK**

- 5.9.1 No payment by the *Owner* under the *Contract* nor partial or entire use or occupancy of the *Work* by the *Owner* shall constitute an acceptance of any portion of the *Work* or *Products* which are not in accordance with the requirements of the *Contract Documents*.

# **PART 6 CHANGES IN THE WORK**

## **GC 6.1 OWNER'S RIGHT TO MAKE CHANGES**

- 6.1.1 The *Owner*, through the *Consultant*, without invalidating the *Contract*, may make:

  - .2 changes to the *Contract Time* for the *Work*, or any part thereof, by *Change Order*.
- 6.1.2 The *Contractor* shall not perform a change in the *Work* without a *Change Order* or a *Change Directive*.

## **GC 6.2 CHANGE ORDER**

- 6.2.1 When a change in the *Work* is proposed or required, the *Consultant* will provide the *Contractor* with a written description of the proposed change in the *Work*. The *Contractor* shall promptly present, in a form acceptable to the *Consultant*, a method of adjustment or an amount of adjustment for the *Contract Price*, if any, and the adjustment in the *Contract Time*, if any, for the proposed change in the *Work*.

The value of the work performed as the result of a *Change Order* shall be included in the application for progress payment.

**GC 6.3 CHANGE DIRECTIVE**

- 6.3.1 If the *Owner* requires the *Contractor* to proceed with a change in the *Work* prior to the *Owner* and the *Contractor* agreeing upon the corresponding adjustment in *Contract Price* and *Contract Time*, the *Owner*, through the *Consultant*, shall issue a *Change Directive*.
- 6.3.2 A *Change Directive* shall only be used to direct a change in the *Work* which is within the general scope of the *Contract Documents*.

- 6.3.4 Upon receipt of a *Change Directive*, the *Contractor* shall proceed promptly with the change in the *Work*.
- 6.3.5 For the purpose of valuing *Change Directives*, changes in the *Work* that are not substitutions or otherwise related to each other shall not be grouped together in the same *Change Directive*.
- 6.3.6 The adjustment in the *Contract Price* for a change carried out by way of a *Change Directive* shall be determined on the basis of the cost of the *Contractor's* actual expenditures and savings attributable to the *Change Directive*, valued in accordance with paragraph 6.3.7 and as follows:
- .1 If the change results in a net increase in the *Contractor's* cost, the *Contract Price* shall be increased by the amount of the net increase in the *Contractor's* cost, plus the *Contractor's* percentage fee on such net increase.
  - .2 If the change results in a net decrease in the *Contractor's* cost, the *Contract Price* shall be decreased by the amount of the net decrease in the *Contractor's* cost, without adjustment for the *Contractor's* percentage fee.
  - .3 The *Contractor's* fee shall be as specified in the *Contract Documents* or as otherwise agreed by the parties.
- 6.3.7 The cost of performing the work attributable to the *Change Directive* shall be limited to the actual cost of the following:
- .1 salaries, wages and benefits paid to personnel in the direct employ of the *Contractor* under a salary or wage schedule agreed upon by the *Owner* and the *Contractor*, or in the absence of such a schedule, actual salaries, wages and benefits paid under applicable bargaining agreement, and in the absence of a salary or wage schedule and bargaining agreement, actual salaries, wages and benefits paid by the *Contractor*, for personnel

Any cost due to failure on the part of the *Contractor* to exercise reasonable care and diligence in the *Contractor's* attention to the *Work* shall be borne by the *Contractor*.
- 6.3.9 The *Contractor* shall keep full and detailed accounts and records necessary for the documentation of the cost of performing the *Work* attributable to the *Change Directive* and shall provide the *Consultant* with copies thereof when requested.
- 6.3.10 For the purpose of valuing *Change Directives*, the *Owner* shall be afforded reasonable access to all of the *Contractor's* pertinent documents related to the cost of performing the *Work* attributable to the *Change Directive*.
- 6.3.11 Pending determination of the final amount of a *Change Directive*, the undisputed value of the *Work* performed as the result of a *Change Directive* is eligible to be included in progress payments.
- 6.3.12 If the *Owner* and the *Contractor* do not agree on the proposed adjustment in the *Contract Time* attributable to the change in the *Work*, or the method of determining it, the adjustment shall be referred to the *Consultant* for determination.
- 6.3.13 When the *Owner* and the *Contractor* reach agreement on the adjustment to the *Contract Price* and to the *Contract Time*, this agreement shall be recorded in a *Change Order*.

#### **GC 6.4 CONCEALED OR UNKNOWN CONDITIONS**

- 6.4.1 If the *Owner* or the *Contractor* discover conditions at the *Place of the Work* which are:
- .1 subsurface or otherwise concealed physical conditions which existed before the commencement of the *Work* which differ materially from those indicated in the *Contract Documents*; or
  - .2 physical conditions, other than conditions due to weather, that are of a nature which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the *Contract Documents*,
- then the observing party shall give *Notice in Writing* to the other party of such conditions before they are disturbed and in no event later than 5 *Working Days* after first observance of the conditions.
- 6.4.2 The *Consultant* will promptly investigate such conditions and make a finding. If the finding is that the conditions differ materially and this would cause an increase or decrease in the *Contractor's* cost or time to perform the *Work*, the *Consultant*, with the *Owner's* approval, will issue appropriate instructions for a change in the *Work* as provided in GC 6.2 - CHANGE ORDER or GC 6.3 - CHANGE DIRECTIVE.
- 6.4.3 If the *Consultant* finds that the conditions at the *Place of the Work* are not materially different or that no change in the *Contract Price* or the *Contract Time* is justified, the *Consultant* will report the reasons for this finding to the *Owner* and the *Contractor* in writing.
- 6.4.4 If such concealed or unknown conditions relate to toxic and hazardous substances and materials, artifacts and fossils, or mould, the parties will be governed by the provisions of GC 9.2 - TOXIC AND HAZARDOUS SUBSTANCES, GC 9.3 - ARTIFACTS AND FOSSILS and GC 9.5 – MOULD.

#### **GC 6.5 DELAYS**

- 6.5.1 If the *Contractor* is delayed in the performance of the *Work* by an action or omission of the *Owner*, *Consultant* or anyone employed or engaged by them directly or indirectly, contrary to the provisions of the *Contract Documents*, then the *Contract Time* shall be extended for such reasonable time as the *Consultant* may recommend in consultation with the *Contractor*. The *Contractor* shall be reimbursed by the *Owner* for reasonable costs incurred by the *Contractor* as the result of such delay.
- 6.5.2 If the *Contractor* is delayed in the performance of the *Work* by a stop work order issued by a court or other public authority and providing that such order was not issued as the result of an act or fault of the *Contractor* or any person employed or engaged by the *Contractor* directly or indirectly, then the *Contract Time* shall be extended for such reasonable time as the *Consultant* may recommend in consultation with the *Contractor*. The *Contractor* shall be reimbursed by the *Owner* for reasonable costs incurred by the *Contractor* as the result of such delay.

- 6.5.3 If the *Contractor* is delayed in the performance of the *Work* by:
- .1 labour disputes, strikes, lock-outs (including lock-outs decreed or recommended for its members by a recognized contractors' association, of which the *Contractor* is a member or to which the *Contractor* is otherwise bound),
  - .2 fire, unusual delay by common carriers or unavoidable casualties,
  - .3 abnormally adverse weather conditions, or
  - .4 any cause beyond the *Contractor's* control other than one resulting from a default or breach of *Contract* by the *Contractor*,
- then the *Contract Time* shall be extended for such reasonable time as the *Consultant* may recommend in consultation with the *Contractor*. The extension of time shall not be less than the time lost as the result of the event causing the delay, unless the *Contractor* agrees to a shorter extension. The *Contractor* shall not be entitled to payment for costs incurred by such delays unless such delays result from actions by the *Owner*, *Consultant* or anyone employed or engaged by them directly or indirectly.
- 6.5.4 No extension shall be made for delay unless *Notice in Writing* of the cause of delay is given to the *Consultant* not later than 10 *Working Days* after the commencement of the delay. In the case of a continuing cause of delay only one *Notice in Writing* shall be necessary.
- 6.5.5 If no schedule is made under paragraph 2.2.13 of GC 2.2 - ROLE OF THE CONSULTANT, then no request for extension shall be made because of failure of the *Consultant* to furnish instructions until 10 *Working Days* after demand for such instructions has been made.

## **GC 6.6 CLAIMS FOR A CHANGE IN CONTRACT PRICE**

- 6.6.1 If the *Contractor* intends to make a claim for an increase to the *Contract Price*, or if the *Owner* intends to make a claim against the *Contractor* for a credit to the *Contract Price*, the party that intends to make the claim shall give timely *Notice in Writing* of intent to claim to the other party and to the *Consultant*.
- 6.6.2 Upon commencement of the event or series of events giving rise to a claim, the party intending to make the claim shall:
- .1 take all reasonable measures to mitigate any loss or expense which may be incurred as a result of such event or series of events, and
  - .2 keep such records as may be necessary to support the claim.
- 6.6.3 The party making the claim shall submit within a reasonable time to the *Consultant* a detailed account of the amount claimed and the grounds upon which the claim is based.
- 6.6.4 Where the event or series of events giving rise to the claim has a continuing effect, the detailed account submitted under paragraph 6.6.3 shall be considered to be an interim account and the party making the claim shall, at such intervals as the *Consultant* may reasonably require, submit further interim accounts giving the accumulated amount of the claim and any further grounds upon which it is based. The party making the claim shall submit a final account after the end of the effects resulting from the event or series of events.
- 6.6.5 The *Consultant's* findings, with respect to a claim made by either party, will be given by *Notice in Writing* to both parties within 30 *Working Days* after receipt of the claim by the *Consultant*, or within such other time period as may be agreed by the parties.
- 6.6.6 If such finding is not acceptable to either party, the claim shall be settled in accordance with Part 8 of the General Conditions - DISPUTE RESOLUTION.

### **GC 7.1 OWNER'S RIGHT TO PERFORM THE WORK, TERMINATE THE CONTRACTOR'S RIGHT TO CONTINUE WITH THE WORK OR TERMINATE THE CONTRACT**

- 7.1.1 If the *Contractor* is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of the *Contractor's* insolvency, or if a receiver is appointed because of the *Contractor's* insolvency, the *Owner* may, without prejudice to any other right or remedy the *Owner* may have, terminate the *Contractor's* right to continue with the *Work*, by giving the *Contractor* or receiver or trustee in bankruptcy *Notice in Writing* to that effect.
- 7.1.2 If the *Contractor* neglects to prosecute the *Work* properly or otherwise fails to comply with the requirements of the *Contract* to a substantial degree and if the *Consultant* has given a written statement to the *Owner* and *Contractor* that sufficient cause exists to justify such action, the *Owner* may, without prejudice to any other right or remedy the *Owner* may have, give the *Contractor Notice in Writing* that the *Contractor* is in default of the *Contractor's* contractual obligations and instruct the *Contractor* to correct the default in the 5 *Working Days* immediately following the receipt of such *Notice in Writing*.

- 7.1.3 If the default cannot be corrected in the 5 *Working Days* specified or in such other time period as may be subsequently agreed in writing by the parties, the *Contractor* shall be in compliance with the *Owner's* instructions if the *Contractor*:
- .1 commences the correction of the default within the specified time, and
  - .2 provides the *Owner* with an acceptable schedule for such correction, and
  - .3 corrects the default in accordance with the *Contract* terms and with such schedule.
- 7.1.4 If the *Contractor* fails to correct the default in the time specified or in such other time period as may be subsequently agreed in writing by the parties, without prejudice to any other right or remedy the *Owner* may have, the *Owner* may:
- .1 correct such default and deduct the cost thereof from any payment then or thereafter due the *Contractor* provided the *Consultant* has certified such cost to the *Owner* and the *Contractor*, or
  - .2 terminate the *Contractor's* right to continue with the *Work* in whole or in part or terminate the *Contract*.
- 7.1.5 If the *Owner* terminates the *Contractor's* right to continue with the *Work* as provided in paragraphs 7.1.1 and 7.1.4, the *Owner* shall be entitled to:
- .1 take possession of the *Work* and *Products* at the *Place of the Work*; subject to the rights of third parties, utilize the *Construction Equipment* at the *Place of the Work*; finish the *Work* by whatever method the *Owner* may consider expedient, but without undue delay or expense, and
  - .2 withhold further payment to the *Contractor* until a final certificate for payment is issued, and
  - .3 charge the *Contractor* the amount by which the full cost of finishing the *Work* as certified by the *Consultant*, including compensation to the *Consultant* for the *Consultant's* additional services and a reasonable allowance as determined by the *Consultant* to cover the cost of corrections to work performed by the *Contractor* that may be required under GC 12.3 - WARRANTY, exceeds the unpaid balance of the *Contract Price*; however, if such cost of finishing the *Work* is less than the unpaid balance of the *Contract Price*, the *Owner* shall pay the *Contractor* the difference, and
  - .4 on expiry of the warranty period, charge the *Contractor* the amount by which the cost of corrections to the *Contractor's* work under GC 12.3 - WARRANTY exceeds the allowance provided for such corrections, or if the cost of such corrections is less than the allowance, pay the *Contractor* the difference.
- 7.1.6 The *Contractor's* obligation under the *Contract* as to quality, correction and warranty of the work performed by the *Contractor* up to the time of termination shall continue after such termination of the *Contract*.

## **GC 7.2 CONTRACTOR'S RIGHT TO SUSPEND THE WORK OR TERMINATE THE CONTRACT**

- 7.2.1 If the *Owner* is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of the *Owner's* insolvency, or if a receiver is appointed because of the *Owner's* insolvency, the *Contractor* may, without prejudice to any other right or remedy the *Contractor* may have, terminate the *Contract* by giving the *Owner* or receiver or trustee in bankruptcy *Notice in Writing* to that effect.
- 7.2.2 If the *Work* is suspended or otherwise delayed for a period of 20 *Working Days* or more under an order of a court or other public authority and providing that such order was not issued as the result of an act or fault of the *Contractor* or of anyone directly or indirectly employed or engaged by the *Contractor*, the *Contractor* may, without prejudice to any other right or remedy the *Contractor* may have, terminate the *Contract* by giving the *Owner* *Notice in Writing* to that effect.
- 7.2.3 The *Contractor* may give *Notice in Writing* to the *Owner*, with a copy to the *Consultant*, that the *Owner* is in default of the *Owner's* contractual obligations if:
- .1 the *Owner* fails to furnish, when so requested by the *Contractor*, reasonable evidence that financial arrangements have been made to fulfill the *Owner's* obligations under the *Contract*, or
  - .2 the *Consultant* fails to issue a certificate as provided in GC 5.3 - PROGRESS PAYMENT, or
  - .3 the *Owner* fails to pay the *Contractor* when due the amounts certified by the *Consultant* or awarded by arbitration or court, or
  - .4 the *Owner* violates the requirements of the *Contract* to a substantial degree and the *Consultant*, except for GC 5.1 - FINANCING INFORMATION REQUIRED OF THE OWNER, confirms by written statement to the *Contractor* that sufficient cause exists.
- 7.2.4 The *Contractor's* *Notice in Writing* to the *Owner* provided under paragraph 7.2.3 shall advise that if the default is not corrected within 5 *Working Days* following the receipt of the *Notice in Writing*, the *Contractor* may, without prejudice to any other right or remedy the *Contractor* may have, suspend the *Work* or terminate the *Contract*.
- 7.2.5 If the *Contractor* terminates the *Contract* under the conditions set out above, the *Contractor* shall be entitled to be paid for all work performed including reasonable profit, for loss sustained upon *Products* and *Construction Equipment*, and such other damages as the *Contractor* may have sustained as a result of the termination of the *Contract*.

**PART 8 DISPUTE RESOLUTION****GC 8.1 AUTHORITY OF THE CONSULTANT**

- 8.1.1 Differences between the parties to the *Contract* as to the interpretation, application or administration of the *Contract* or any failure to agree where agreement between the parties is called for, herein collectively called disputes, which are not resolved in the first instance by findings of the *Consultant* as provided in GC 2.2 - ROLE OF THE CONSULTANT, shall be settled in accordance with the requirements of Part 8 of the General Conditions - DISPUTE RESOLUTION.
- 8.1.2 If a dispute arises under the *Contract* in respect of a matter in which the *Consultant* has no authority under the *Contract* to make a finding, the procedures set out in paragraph 8.1.3 and paragraphs 8.2.3 to 8.2.8 of GC 8.2 - NEGOTIATION, MEDIATION AND ARBITRATION, and in GC 8.3 - RETENTION OF RIGHTS apply to that dispute with the necessary changes to detail as may be required.
- 8.1.3 If a dispute is not resolved promptly, the *Consultant* will give such instructions as in the *Consultant's* opinion are necessary for the proper performance of the *Work* and to prevent delays pending settlement of the dispute. The parties shall act immediately according to such instructions, it being understood that by so doing neither party will jeopardize any claim the party may have. If it is subsequently determined that such instructions were in error or at variance with the *Contract Documents*, the *Owner* shall pay the *Contractor* costs incurred by the *Contractor* in carrying out such instructions which the *Contractor* was required to do beyond what the *Contract Documents* correctly understood and interpreted would have required, including costs resulting from interruption of the *Work*.

**GC 8.2 NEGOTIATION, MEDIATION AND ARBITRATION**

- 8.2.1 In accordance with the Rules for Mediation of Construction Disputes as provided in CCDC 40 in effect at the time of bid closing, the parties shall appoint a Project Mediator
- .1 within 20 *Working Days* after the *Contract* was awarded, or
  - .2 if the parties neglected to make an appointment within the 20 *Working Days*, within 10 *Working Days* after either party by *Notice in Writing* requests that the Project Mediator be appointed.
- 8.2.2 A party shall be conclusively deemed to have accepted a finding of the *Consultant* under GC 2.2 - ROLE OF THE CONSULTANT and to have expressly waived and released the other party from any claims in respect of the particular matter dealt with in that finding unless, within 15 *Working Days* after receipt of that finding, the party sends a *Notice in Writing* of dispute to the other party and to the *Consultant*, which contains the particulars of the matter in dispute and the relevant provisions of the *Contract Documents*. The responding party shall send a *Notice in Writing* of reply to the dispute within 10 *Working Days* after receipt of such *Notice in Writing* setting out particulars of this response and any relevant provisions of the *Contract Documents*.
- 8.2.3 The parties shall make all reasonable efforts to resolve their dispute by amicable negotiations and agree to provide, without prejudice, frank, candid and timely disclosure of relevant facts, information and documents to facilitate these negotiations.
- 8.2.4 After a period of 10 *Working Days* following receipt of a responding party's *Notice in Writing* of reply under paragraph 8.2.2, the parties shall request the Project Mediator to assist the parties to reach agreement on any unresolved dispute. The mediated negotiations shall be conducted in accordance with the Rules for Mediation of Construction Disputes as provided in CCDC 40 in effect at the time of bid closing.
- 8.2.5 If the dispute has not been resolved within 10 *Working Days* after the Project Mediator was requested under paragraph 8.2.4 or within such further period agreed by the parties, the Project Mediator shall terminate the mediated negotiations by giving *Notice in Writing* to the *Owner*, the *Contractor* and the *Consultant*.
- 8.2.6 By giving a *Notice in Writing* to the other party and the *Consultant*, not later than 10 *Working Days* after the date of termination of the mediated negotiations under paragraph 8.2.5, either party may refer the dispute to be finally resolved by arbitration under the Rules for Arbitration of Construction Disputes as provided in CCDC 40 in effect at the time of bid closing. The arbitration shall be conducted in the jurisdiction of the *Place of the Work*.
- 8.2.7 On expiration of the 10 *Working Days*, the arbitration agreement under paragraph 8.2.6 is not binding on the parties and, if a *Notice in Writing* is not given under paragraph 8.2.6 within the required time, the parties may refer the unresolved dispute to the courts or to any other form of dispute resolution, including arbitration, which they have agreed to use.

- 8.2.8 If neither party, by *Notice in Writing*, given within 10 *Working Days* of the date of *Notice in Writing* requesting arbitration in paragraph 8.2.6, requires that a dispute be arbitrated immediately, all disputes referred to arbitration as provided in paragraph 8.2.6 shall be
- .1 held in abeyance until
    - (1) *Substantial Performance of the Work*,
    - (2) the *Contract* has been terminated, or
    - (3) the *Contractor* has abandoned the *Work*,
 whichever is earlier; and
  - .2 consolidated into a single arbitration under the rules governing the arbitration under paragraph 8.2.6.

### GC 8.3 RETENTION OF RIGHTS

- 8.3.2 Nothing in Part 8 of the General Conditions - DISPUTE RESOLUTION shall be construed in any way to limit a party from asserting any statutory right to a lien under applicable lien legislation of the jurisdiction of the *Place of the Work* and the assertion of such right by initiating judicial proceedings is not to be construed as a waiver of any right that party may have under paragraph 8.2.6 of GC 8.2 – NEGOTIATION, MEDIATION AND ARBITRATION to proceed by way of arbitration to adjudicate the merits of the claim upon which such a lien is based.

## PART 9 PROTECTION OF PERSONS AND PROPERTY

### GC 9.1 PROTECTION OF WORK AND PROPERTY

- 9.2.2 Prior to the *Contractor* commencing the *Work*, the *Owner* shall,
- .1 take all reasonable steps to determine whether any toxic or hazardous substances are present at the *Place of the Work*, and
  - .2 provide the *Consultant* and the *Contractor* with a written list of any such substances that are known to exist and their locations.
- 9.2.3 The *Owner* shall take all reasonable steps to ensure that no person's exposure to any toxic or hazardous substances exceeds the time weighted levels prescribed by applicable legislation at the *Place of the Work* and that no property is damaged or destroyed as a result of exposure to, or the presence of, toxic or hazardous substances which were at the *Place of the Work* prior to the *Contractor* commencing the *Work*.
- 9.2.4 Unless the *Contract* expressly provides otherwise, the *Owner* shall be responsible for taking all necessary steps, in accordance with applicable legislation in force at the *Place of the Work*, to dispose of, store or otherwise render harmless toxic or hazardous substances which were present at the *Place of the Work* prior to the *Contractor* commencing the *Work*.

- 9.2.5 If the *Contractor*
- .1 encounters toxic or hazardous substances at the *Place of the Work*, or
  - .2 has reasonable grounds to believe that toxic or hazardous substances are present at the *Place of the Work*, which were not brought to the *Place of the Work* by the *Contractor* or anyone for whom the *Contractor* is responsible and which were not disclosed by the *Owner* or which were disclosed but have not been dealt with as required under paragraph 9.2.4, the *Contractor* shall
  - .3 take all reasonable steps, including stopping the *Work*, to ensure that no person's exposure to any toxic or hazardous substances exceeds any applicable time weighted levels prescribed by applicable legislation at the *Place of the Work*, and
  - .4 immediately report the circumstances to the *Consultant* and the *Owner* in writing.
- 9.2.6 If the *Owner* and *Contractor* do not agree on the existence, significance of, or whether the toxic or hazardous substances were brought onto the *Place of the Work* by the *Contractor* or anyone for whom the *Contractor* is responsible, the *Owner* shall retain and pay for an independent qualified expert to investigate and determine such matters. The expert's report shall be delivered to the *Owner* and the *Contractor*.
- 9.2.7 If the *Owner* and *Contractor* agree or if the expert referred to in paragraph 9.2.6 determines that the toxic or hazardous substances were not brought onto the place of the *Work* by the *Contractor* or anyone for whom the *Contractor* is responsible, the *Owner* shall promptly at the *Owner's* own expense:
- .1 take all steps as required under paragraph 9.2.4;
  - .2 reimburse the *Contractor* for the costs of all steps taken pursuant to paragraph 9.2.5;

**INVOICING AND PAYMENT**

The Construction Manager shall invoice the Receiver for the Services and/or Work authorized under this Engagement Letter on a calendar monthly basis, with such payment applications being submitted between the 20<sup>th</sup> and 30<sup>th</sup> day of each calendar month for the end of the prior calendar month. For greater certainty, no Construction Manager's Fee and no Additional Fee shall be payable during the Interim Period.

During the Effective Period, said payment applications shall include backup documentation related to the Hard Costs of Construction (including, but not limited to, costs related to Subcontractors, trades and Suppliers, such as invoices and delivery slips, and time sheets and costs related to the Construction Manager's staffing in relation to the Project), reimbursable expenses and the Construction Manager's Fee for the relevant time period. The format of the Construction Manager's invoice will be agreed upon by the Receiver and adjusted by the Construction Manager as reasonably requested and required.

As a result, among other things, the prompt payment and adjudication provisions of the current *Construction Act* do not apply.

During the Effective Period, Project staffing will be charged out at the rates set out at Schedule B hereto.

A Project Staffing Matrix shall be agreed upon by the parties within 30 calendar days of signing of this Engagement Letter. Such Project Staffing Matrix shall expressly set out the percentage of working hours that the Construction Manager's project manager and site superintendent shall devote to the Project until Total Completion of the Project. The Project Staffing Matrix shall identify a list of the Construction Manager's key personnel related to the Project who will not be removed or replaced during the course of the Work without the written consent of the Receiver. Key personnel shall include, but not be limited to, the Construction Manager's Project Director, Project Manager and senior Site Superintendent. This provision shall not apply to employees of the Construction Manager who retire, cease their employment with the Construction Manager, are terminated for cause and those that enter into a disability or other proper leave. Further, the Receiver shall have the right to approve the key personnel and, with cause and acting reasonably, to require the Construction Manager to replace any of the key personnel. Said key

#### **AMENDMENT TO THE RECEIVERSHIP ORDER**

4. **THIS COURT ORDERS** that paragraph 15 of the Receivership Order is hereby deleted from the Receivership Order, and replaced, effective as of the date of this Order, such that paragraph 15 of the Receivership Order shall henceforth read as follows:

15. **THIS COURT ORDERS** that all rights and remedies against the Debtors, the Receiver, or affecting the Property, or against the Developer for matters arising after the date of this Order, including, without limitation, licenses and permits required for the Project regardless of who is the legal holder of any such licenses and permits, are hereby stayed and suspended except with the written consent of the Receiver or leave of this Court, provided however that this stay and suspension does not apply in respect of any “eligible financial contract” as defined in the BIA, and further provided that nothing in this paragraph shall (i) empower the Receiver or the Debtors to carry on any business which the Debtors are not lawfully entitled

to carry on, (ii) exempt the Receiver or the Debtors from compliance with statutory or regulatory provisions relating to health, safety or the environment, or (iii) prevent the filing of any registration to preserve or perfect a security interest. For the avoidance of doubt, the registration of a construction lien shall not be permitted pursuant to the foregoing (iii).

#### **STAY OF LIEN CLAIMS**

5. **THIS COURT ORDERS** that, except as may be specifically contemplated by this Order, no Person shall be permitted to serve or register Lien Claims, or to otherwise preserve or perfect a lien under the Provincial Lien Legislation with respect to the Project, and that any Lien Claim in respect of the Project and any related action or proceeding be and is hereby stayed, and any Person seeking to serve or enforce such a claim shall be required to follow the procedures, and to seek the rights and remedies, set out in this Order.

#### **LIENS ON THE PROJECT**

6. **THIS COURT ORDERS** that any Lien Claim preserved by any Person prior to the date hereof in respect of the Project (a “**Preserved Lien Claim**” and the holder thereof a “**Preserved Lien Claimant**”), and which is not a Vacated Lien as of the date of this Order, be and is hereby vacated on terms that any Preserved Lien Claimant having such a Preserved Lien Claim shall be deemed to have provided the Lien Notice referred to in paragraph 11 herein on the date of preservation of such Preserved Lien Claim, and shall be entitled to the Lien Charge referred to in paragraph 12 herein.
7. **THIS COURT ORDERS** that, upon the registration in the Land Registry Office of a certified copy of this Order in the manner prescribed by the Land Registry Office, the land registrar is hereby directed to specifically vacate any Preserved Lien Claim (and any related

Certificate of Action) registered prior to the date hereof, as provided for in paragraph 6 herein.

8. **THIS COURT ORDERS** that any Person having a Vacated Lien as of the date of this Order shall be deemed to have provided the Lien Notice referred to in paragraph 11 herein on the date of registration of such Lien Claim, and shall also be entitled to the Lien Charge referred to in paragraph 12 herein, provided that all Lien Claimants shall have the right to share in any Lien Security posted for any Vacated Lien in accordance with the Provincial Lien Legislation.
9. **THIS COURT ORDERS** that any requirements for any Preserved Lien Claims to be perfected or set down for trial pursuant to the Provincial Lien Legislation are hereby deemed to have been complied with.
10. **THIS COURT ORDERS** that any request for information to the Debtors or the Receiver pursuant to the Provincial Lien Legislation, including any outstanding request as of the date hereof (an “**Information Request**”), is hereby stayed pursuant to the terms of this Order, provided that the Receiver may provide any information in respect of an Information Request, or other request for information, as the Receiver deems appropriate.

#### **TREATMENT OF LIEN CLAIMS**

11. **THIS COURT ORDERS** that, unless deemed to have delivered a Lien Notice in accordance with this Order, any Person who wishes to assert a Lien Claim in respect of the Project (an “**Asserting Lien Claimant**”), whether in respect of materials and/or services supplied before, on or after the Filing Date, shall deliver by email a notice in the form

attached as Schedule B hereto (the “**Lien Notice**”) to the Receiver’s attention in accordance with paragraph 26 hereof within the time frame prescribed by the Provincial Lien Legislation to preserve their Lien Claim for the Project. By delivery of the Lien Notice in accordance with this Order, the Asserting Lien Claimant shall be deemed to have preserved and perfected its Lien Claim. For the purposes of this Order, any Preserved Lien Claimant shall be deemed to be an Asserting Lien Claimant that has delivered a Lien Notice in accordance with this paragraph.

12. **THIS COURT ORDERS** that an Asserting Lien Claimant, upon delivering or being deemed to have delivered a Lien Notice in accordance with this Order, be and is hereby granted a charge (the “**Lien Charge**”) against the Project equivalent to, and only to the extent of, any security granted in respect of a Lien Claim under the Provincial Lien Legislation, but in all cases subject to the quantification and verification of all such Lien Charges in accordance with the procedures to be established pursuant to paragraph 23 hereof. Without limiting the generality of and subject to the foregoing, a Lien Charge shall attach to the following: (i) any property of the Debtors (including any property of the Owner) that, pursuant to the Provincial Lien Legislation, would be subject to a lien, charge or encumbrance securing the underlying Lien Claim secured by such Lien Charge; (ii) any Holdback against which the Asserting Lien Claimant’s Lien Claim described in the Lien Notice would otherwise have a lien, charge or encumbrance pursuant to, and solely to the extent of, the Provincial Lien Legislation; and (iii) any rights (if any) under any applicable Lien Security pursuant to, and solely to the extent of, the Provincial Lien Legislation. For greater certainty, a Lien Charge shall not attach to any property of any Debtor or other Person, or attach to any rights in any Lien Security, unless such property or Lien Security

would otherwise have been charged with or subject to the lien, charge or encumbrance underlying such Lien Claim pursuant to the Provincial Lien Legislation.

13. **THIS COURT ORDERS** that a Lien Charge shall (i) with respect to other Lien Charges arising pursuant to paragraph 12 of this Order in respect of the Project, have a priority equal to the priority granted under the Provincial Lien Legislation, (ii) rank subordinate to the Receiver's Charge and the Receiver's Borrowings Charge, and (iii) have such priority with respect to other creditors of the Debtors as is accorded to Lien Claims under the Provincial Lien Legislation and the federal laws of Canada applicable in Ontario.
14. **THIS COURT ORDERS** that Lien Charges created by this Order shall not be rendered invalid or unenforceable, and the rights and remedies of any Asserting Lien Claimants entitled to the benefit of a Lien Charge shall not otherwise be limited or impaired in any way by (i) the pendency of these proceedings; (ii) any application(s) for bankruptcy order(s) issued in respect of any of the Debtors pursuant to the *Bankruptcy and Insolvency Act* (Canada) ("**BIA**"), or any bankruptcy order made pursuant to any such applications; (iii) the filing of any assignments for the general benefit of creditors made by any of the Debtors pursuant to the BIA; (iv) the provisions of any federal or provincial statutes; or (v) any negative covenants, prohibitions or similar provisions with respect to borrowings, incurring debt or the creation of encumbrances, contained in any existing loan document, lease, sublease, offer to lease or other agreement (each, an "**Agreement**") which binds the Receiver or any Debtor, and notwithstanding any provision to the contrary in any Agreement:

- (i) the creation of the Lien Charge shall neither create nor be deemed to constitute a breach by the Receiver or any Debtor of any Agreement to which it is a party;
- (ii) the granting of the Lien Charge, does not and will not constitute a preference, fraudulent conveyance, transfer at undervalue, oppressive conduct, or other challengeable or voidable transaction under any applicable law; and
- (iii) the Lien Charge shall be enforceable in any bankruptcy proceedings of any Debtor with the same priority as set out in paragraph 13 herein as against the property secured by the Lien Charge, including any Holdback.

#### **TREATMENT OF HOLDBACK FUNDS**

15. **THIS COURT ORDERS** that any Person who is in possession of Holdback funds or who is required to retain Holdback funds pursuant to the Provincial Lien Legislation, be and is hereby restrained from paying, setting-off, releasing or encroaching upon such Holdback funds until the day after the last day upon which a Lien Claim can be registered/delivered for the relevant contract pursuant to the Provincial Lien Legislation, at which time (or at such other time as may be agreed to by the Receiver), such Person shall (subject only to any present or future right of set-off claimed against the Holdback funds) pay the Holdback funds to the Receiver, to be held in a segregated account to be maintained by the Receiver, irrespective of whether any Lien Claims or Lien Notices have been made, delivered, preserved or perfected or written notice of any Lien Claim or Lien Notice has been received; provided, however, that any exercise of such set-off or claim to exercise future

set-off shall be subject to the Provincial Lien Legislation and to either (i) the prior written consent of the Receiver, who shall consult with all Persons who delivered Lien Notices for the Project, or (ii) further order of the Court, on notice to the Receiver, the Applicant, the RFCA Lender, and all Persons who delivered Lien Notices on the Project. Any of the foregoing parties shall be entitled to challenge such attempted set-off by motion to the Court (whether or not the Receiver consents to such set-off). Upon any challenge to such attempted set-off, the Holdback funds shall not be released or distributed until a final determination of the claims to such set-off or further order of this Court, after which the Holdback shall be paid to the Receiver pursuant to this paragraph less any set-off determined to be appropriate pursuant to the processes set out in this paragraph.

16. **THIS COURT ORDERS** that, upon payment of the Holdback funds to the Receiver pursuant to paragraph 15, the Person who was in possession of such Holdback funds shall be deemed to have been in the same position as if (i) no written notices of lien had been received, no Lien Claims had been made, asserted, delivered, preserved, or perfected, and (ii) no Lien Notice had been received, and such Person shall have no further liability for such Holdback funds to any Person. For greater certainty, provided that Holdback funds have been paid to the Receiver, net of any set-off amounts consented to or determined to be appropriate in accordance with the processes set out in paragraph 15, any Person who was in possession of Holdback funds or who was required to retain Holdback funds pursuant to the Provincial Lien Legislation, and who receives a written notice of lien, Lien Notice or other notice of a Lien Claim after that Person has released such Holdback funds to the Receiver, shall not be required to retain Notice Holdback with regard to that written notice of lien, Lien Notice or other notice of a Lien Claim.

17. **THIS COURT ORDERS** that the Receiver shall have no liability whatsoever, whether pursuant to the Provincial Lien Legislation, any other law, equity, or otherwise, save and except for any gross negligence or wilful misconduct on its part, to any Person (including any subcontractor of any level to the Owner, any other supplier of any level to the Owner, or creditor of the Debtors) in connection with amounts paid to the Receiver on or after the Filing Date pursuant to the terms of this Order in respect of the Project.
18. **THIS COURT ORDERS** that the Receiver shall serve a copy of this Order on any Person known to the Receiver who is or may be in possession of a Holdback fund.

#### **GENERAL PROCEDURAL MATTERS**

19. **THIS COURT ORDERS** that, without limiting the generality of paragraph 10 of the Receivership Order, all Persons, including, without limitation, Mizrahi Inc., shall be required to cooperate with the Receiver in carrying out the terms of this Order, and shall be required to share information with the Receiver in connection with any Lien Claim.
20. **THIS COURT ORDERS** that, for greater certainty, nothing in this Order or the Receivership Order shall affect the rights of any Person under the Provincial Lien Legislation with respect to any non-lien claims for damages or delay, provided that any such claims against the Debtors shall require the consent of the Receiver or leave of this Court to be commenced or continued.
21. **THIS COURT ORDERS** that, with respect to a Vacated Lien, nothing in this Order affects any rights under or recourse of any Person under the Provincial Lien Legislation to

the Lien Security posted with respect to the Vacated Lien, subject in all respects to the stay of proceedings set out in the Receivership Order.

22. **THIS COURT ORDERS** that the Receiver is hereby authorized to demand particulars from a Lien Claimant in connection with any Lien Claim and that a Lien Claimant shall provide written particulars with respect to such Lien Claim within ten (10) days of delivery of a demand for particulars by the Receiver, or such further period of time as the Receiver may agree to.
23. **THIS COURT ORDERS** that the Receiver shall, at a time deemed by the Receiver to be appropriate, bring a motion on notice to the Service List, and to all subcontractors and suppliers to the Project who are known to the Receiver but not on the Service List, seeking the approval of a process for reviewing, determining or challenging (i) the validity or timeliness of any Lien Notice, (ii) the validity or quantum of the amounts set out in any Lien Notice, (iii) the entitlement of any Asserting Lien Claimant to a Lien Charge under this Order, and (iv) the attachment, quantum or priority of any Lien Charge under this Order. For the avoidance of doubt, nothing in this paragraph shall be construed so as to restrict the ability of the Receiver or any other Person to seek a determination by this Court of any of the foregoing with respect to any Lien Claim at any time upon notice to the relevant Asserting Lien Claimant.
24. **THIS COURT ORDERS** that the Receiver may, if necessary and at a time deemed by the Receiver to be appropriate, bring a motion on notice to the Service List seeking the approval of a dispute resolution process among the Receiver and any payor in connection with the Project.

**NOTICES AND COMMUNICATIONS**

25. **THIS COURT ORDERS** that, except as set out in this Order, any notice or other communication to be given under this Order by the Receiver to a Lien Claimant shall be given in accordance with paragraphs 32 and 33 of the Receivership Order, provided that, for greater certainty, the Receiver may provide any notice or communication to a Lien Claimant by e-mail where the e-mail addresses of the Lien Claimant and/or its counsel are known by the Receiver.
26. **THIS COURT ORDERS** that any notice or other communication (including, without limitation, Lien Notices) to be given under this Order by a Lien Claimant to the Receiver shall be in writing and, where applicable, substantially in the form provided for in this Order and will be sufficiently given only if given in the following manner: to the Receiver's attention: at [sferguson@alvarezandmarsal.com](mailto:sferguson@alvarezandmarsal.com) and [jnevsky@alvarezandmarsal.com](mailto:jnevsky@alvarezandmarsal.com), with a copy to Goodmans LLP, counsel to the Receiver, at [boneill@goodmans.ca](mailto:boneill@goodmans.ca), [carmstrong@goodmans.ca](mailto:carmstrong@goodmans.ca) and [jlinde@goodmans.ca](mailto:jlinde@goodmans.ca), and with a copy to Osler, Hoskin & Harcourt LLP, counsel to the Applicant and the RFCA Lender, at [mdelellis@osler.com](mailto:mdelellis@osler.com) and [rdavidge@osler.com](mailto:rdavidge@osler.com).

**GENERAL**

27. **THIS COURT ORDERS** that, in discharging its obligations under this Order, the Receiver (i) shall have all of the protections given to it by the Receivership Order, this Order, any other orders of the Court in these receivership proceedings, the BIA and other applicable law; (ii) shall incur no liability or obligation as a result of carrying out matters or any act or omission in connection with this Order; (iii) shall be entitled to rely on the

books and records of the Debtors and any information provided by representatives of the Debtors, all without independent investigation; (iv) shall not be liable for any claims or damages resulting from any errors or omissions in such books, records or information; and (v) may seek such assistance as may be required to carry out matters in connection with this Order.

28. **THIS COURT ORDERS** that the Receiver shall be entitled to assert and enforce any and all rights, remedies and defences in respect of the Lien Claim of any Lien Claimant which may be available to the Receiver or the Debtors under the Provincial Lien Legislation or otherwise at law.
29. **THIS COURT ORDERS** that the Receiver may from time to time apply to this Court for advice and directions in respect of the discharge of its powers and duties hereunder.
