NOTICE OF MOTION
(Priority Claims and Cure Amounts Procedure)

The Applicants will make a motion before the Honourable Justice Conway of the Ontario Superior Court of Justice (Commercial List) on June 9, 2025 at 10:00 a.m., or as soon as after the motion can be heard.

PROPOSED METHOD OF HEARING: The motion is to be heard via judicial videoconference at Toronto, Ontario.

THIS MOTION IS FOR:

1. An order (the “**Priority Claims and Cure Amounts Procedure Order**”), substantially in the form of the draft order included at Tab 3 of the Motion Record of the Applicants,¹ among other things.

(a) establishing procedures for:

(i) the determination of Cure Amounts under the Assumed Contracts; and

¹ Capitalized terms used but not defined herein have the meanings given to them in the affidavit of William E. Aziz, to be sworn (the “**Aziz Affidavit**”) attached as Tab 2 to the Motion Record of the Applicants or the draft Priority Claims and Cure Amounts Procedure Order attached as Tab 3 to the Motion Record of the Applicants.

- (ii) the identification and resolution of Priority Claims against the Applicants.
- (b) abridging and validating the time for service and filing of the Motion Record; and
- (c) granting such further and other relief as this Honourable Court deems just.

THE GROUNDS FOR THIS MOTION ARE:

Background

2. On May 14, 2025, the Applicants commenced proceedings pursuant to the CCAA (the “**CCAA Proceedings**”) pursuant to an initial order of the Ontario Superior Court of Justice (Commercial List) (the “**CCAA Court**”). The initial order was amended and restated on May 22, 2025 (as amended and restated, the “**Initial Order**”).
3. Pursuant to the Initial Order, the CCAA Court, among other things:
 - (a) granted a stay of proceedings until July 7, 2025;
 - (b) appointed Alvarez and Marsal Canada Inc. as the court-appointed monitor of the Applicants (in such capacity, the “**Monitor**”);
 - (c) authorized the Applicants to enter into and borrow under a \$10.5 million debtor-in-possession credit facility (the “**DIP Facility**”) from Glencore International AG (the “**DIP Lender**”); and
 - (a) appointed the CRO as the foreign representative, including to obtain recognition of the CCAA Proceedings and the Initial Order pursuant to Chapter 15 of the United States Bankruptcy Code.
4. Also on May 22, 2025, the CCAA Court issued a sale and investment solicitation process order (the “**SISP Order**”), pursuant to which, the Court, among other things:
 - (d) approved a sale and investment solicitation process for the property and business of the Applicants (the “**SISP**”); and

- (a) authorized the Applicants to enter into an Equity and Asset Purchase Agreement with Glencore Canada Corporation as Buyer (the “**Stalking Horse Bidder**”) dated May 14, 2025, as amended on May 22, 2025 (the “**Stalking Horse Agreement**”), which was approved for the purposes of acting as the stalking horse bid in the SISP.

5. On May 23, 2025, the United States Bankruptcy Court for the Southern District of New York issued orders, among other things, recognizing the CCAA Proceedings as “foreign main proceedings” and recognizing, enforcing and giving effect to the Initial Order and the SISP Order in the United States.

6. On this motion, the Applicants seek approval of a procedure to determine Cure Amounts in relation to contracts that could potentially be assumed by a buyer and a process to determine the amount of Priority Claims that rank ahead of the Secured Lender Claims. The process proposed is not a full claims process and, in particular, does not call for general unsecured claims or require any response from parties holding general unsecured claims except to the extent they constitute Cure Amounts or Priority Claims. The two proposed processes are described further below.

Cure Amounts Determination Procedure

7. The Stalking Horse Agreement contemplates that, among other things, if the Stalking Horse Agreement is selected as the Successful Bid, approved pursuant to the SISP and closes, the Stalking Horse Bidder will assume the Assumed Contracts and liability for the Cure Amounts.

8. The Purchase Price under the Stalking Horse Agreement includes the assumption by the Buyer of the Assumed Liabilities including the Cure Amounts.

9. Accordingly, it is necessary to finally determine the Cure Amounts for the Assumed Contracts in order to value the Stalking Horse Bid for the purposes of the SISP. The determination of Cure Amounts for Assumed Contracts will also provide certainty for other bidders who may be interested in some or all of the Assumed Contracts.

10. The following process for the determination of the Cure Amounts for the Assumed Contracts is reasonable and appropriate in the circumstances and will provide adequate notice of the process and an opportunity for the Assumed Contract Notice Parties to dispute the Cure Amounts calculated by the Applicants:

- (a) The Applicants will send a Cure Amount Notice to each Assumed Contract Notice Party by June 6, 2025;
- (b) The Cure Amounts Schedule will be posted on the Monitor's Website by June 9, 2025 at 5:00 p.m.;
- (c) Any Assumed Contract Notice Party that wishes to dispute the Cure Amounts set out in a Cure Amounts Notice will be required to send a Cure Amounts Objection Notice so that it is received by the Monitor by June 24, 2025 at 5:00 p.m. (the **"Cure Amounts Objection Deadline"**); and
- (d) The Applicants will seek to resolve any objection with the Assumed Contract Notice Party, or it may be determined by further order of the Court.

11. If an Assumed Contract Notice Party does not deliver a Cure Amount Objection Notice to the Monitor by the Cure Amounts Objection Deadline: (i) such Assumed Contract Notice Party shall be forever barred from disputing the Cure Amounts as set out in the Cure Amount Notice; (ii) the Cure Amounts payable to such Assumed Contract Notice Party as set out in the Cure Amount Notice shall be deemed to be the Cure Amounts payable to such Assumed Contract Notice Party pursuant to the Stalking Horse Agreement and any other Successful Bid or Back-Up Bid (each as defined in the SISP Order); and (iii) any claim of such Assumed Contract Notice Party to Cure Amounts in excess of the amount specified in such Cure Amount Notice shall be forever barred and extinguished.

Priority Claims Procedure

12. The Stalking Horse Agreement contemplates that, among other things, the Buyer would purchase the Purchased Assets subject to the "Permitted Encumbrances". The "Permitted

Encumbrances” include all Encumbrances on the Purchased Assets that rank in priority to the Secured Lender Claims, which are the pre-filing secured claims of the Stalking Horse Bidder.

13. As a result, it is necessary to finally determine the value of all such Priority Claims in order to value the Stalking Horse Bid for the purposes of the SISP. The determination of Priority Claims will also provide certainty for other bidders who may be interested in some or all of the Purchased Assets that are subject to such Priority Claims.

14. The following process for the identification and resolution of Priority Claims is reasonable and appropriate in the circumstances and will provide adequate notice of the process and an opportunity for the Priority Creditors to assert their Priority Claims against the Applicants:

- (a) The Monitor will cause a Negative Notice Priority Claims Package, comprised of a Statement of Negative Notice Priority Claim, a Notice of Dispute of Priority Claim form, and such other materials as the Monitor may consider appropriate or desirable, to each Negative Notice Priority Claimant by June 9, 2025 at 5:00 p.m.;
- (b) The Monitor will cause a Priority Claims Package, comprised of a copy of the Priority Claims and Cure Amounts Procedure Order or a hyperlink to the Priority Claims and Cure Amounts Procedure Order on the Monitor’s Website, a Proof of Priority Claim Instruction Letter, a Proof of Priority Claim, and such other materials as the Monitor may consider appropriate or desirable, to (i) each Person that appears on the Service List, (ii) each Person that has claimed to be a Priority Creditor and requested a Priority Claims Package prior to such date, and (iii) any Person known to the Applicants or the Monitor as having a potential Priority Claim based on the books and records of the Applicants and any registrations under the *Personal Property Security Act* (Ontario), the Uniform Commercial Code or similar legislation that is not captured in any Statement of Negative Notice Priority Claim, in each case by June 9, 2025 at 5:00 p.m.;

- (c) The Monitor will post a copy of the Priority Claims and Cure Amounts Procedure Order, with schedules, and a copy of the Priority Claims Schedule on the Monitor's Website by June 9, 2025 at 5:00 p.m.;
- (d) The Monitor will cause to be published the Notice to Priority Creditors in *The Globe and Mail* (National Edition) and *The Wall Street Journal* as soon as possible following the issuance of the Priority Claims and Cure Amounts Procedure Order;
- (e) The Monitor will deliver a Priority Claims Package to any Person claiming to be a Priority Creditor and requesting such Priority Claims Package prior to the Priority Claims Bar Date (defined below);
- (f) A Negative Notice Priority Claimant that wishes to dispute the amount of its Negative Notice Priority Claim as set out in the relevant Statement of Negative Notice Priority Claim must file a Notice of Dispute of Priority Claim such that it is received by the Monitor by June 24, 2025 at 5:00 p.m. (the "**Priority Claims Bar Date**");
- (g) Any Priority Creditor (other than any Negative Notice Priority Claimant in respect of its Negative Notice Priority Claim as set out in a Statement of Negative Notice Priority Claim) that wishes to assert a Priority Claim must file a Proof of Priority Claim such that it is received by the Monitor by the Priority Claims Bar Date;
- (h) The Monitor will review all Proofs of Priority Claim filed on or before the Priority Claims Bar Date and may accept, revise or disallow (in whole or in part) the amount and/or status of a Priority Claim set out in any Proof of Priority Claim;
- (i) If the Monitor determines to revise or disallow a Proof of Priority Claim, the Monitor will send a Notice of Revision or Disallowance to the Priority Creditor by June 27, 2025 or such later date as determined by the Monitor in its discretion

(taking into account, among other things, the nature and quantity of Proofs of Priority Claim received);

- (j) If a Priority Creditor wishes to dispute a Notice of Revision or Disallowance, it shall deliver a Notice of Dispute of Priority Claim to the Monitor by no later than 5:00 p.m. on the date that is seven (7) Calendar Days after the date the Monitor sent that Notice of Revision or Disallowance, or such later date as the Monitor may agree in writing or the Court may order; and
- (k) The Applicants will seek to resolve any dispute with the Priority Creditor, or it may be determined by further order of the Court.

15. If a Negative Notice Priority Claimant fails to deliver a Notice of Dispute of Priority Claim by the Priority Claims Bar Date: (i) such Negative Notice Priority Claimant will be deemed to have accepted the amount of the Negative Notice Priority Claimant's Priority Claims as set out in the Statement of Negative Notice Priority Claim; and (ii) any and all of the Negative Notice Priority Claimant's rights to dispute the Priority Claims as determined in the Statement of Negative Notice Priority Claim or to otherwise assert or pursue the Priority Claims set out in the Statement of Negative Notice Priority Claim other than as they are determined in such Statement of Negative Notice Priority Claim will be forever extinguished and barred without further act or notification.

16. Any Priority Creditor (other than any Negative Notice Priority Claimant in respect of its Negative Notice Priority Claim as set out in a Statement of Negative Notice Priority Claim) that does not file a Proof of Priority Claim by the Priority Claims Bar Date will be forever barred, estopped and enjoined from asserting or enforcing any such Priority Claim.

17. If a Priority Creditor receives a Notice of Revision or Disallowance and fails to file a Notice of Dispute of Priority Claim within even (7) Calendar Days after the date the Monitor sent that Notice of Revision or Disallowance: (i) the amount and status of such Priority Creditor's Priority Claim shall be deemed to be as set out in the Notice of Revision or Disallowance and such amount and status, if any, shall constitute such Priority Creditor's Proven Priority Claim; and (ii) the Priority Creditor will be barred from disputing or appealing same, and

the balance of such Priority Creditor's Priority Claim, if any, shall be forever barred and extinguished.

Other Grounds

18. The Applicants also rely on:

- (a) the provisions of the CCAA and the inherent and equitable jurisdiction of this Honourable Court;
- (b) Rules 2.03, 3.02, 14.05(3)(d), 14.05(2), 16, 38 and 57 of the *Rules of Civil Procedure*, RRO 1990, Reg 194; and
- (c) such further and other grounds as counsel for the Applicants may advise and this Honourable Court may permit.

19. The following documentary evidence will be used at the hearing of the motion:

- (a) the affidavit of William E. Aziz, to be sworn;
- (b) the Second Report of the Monitor, to be filed; and,
- (c) such further and other materials as counsel for the Applicants may advise and this Honourable Court may permit.

II. UPDATE ON CHAPTER 15 PROCEEDINGS

13. On May 23, 2025, the petition by Holdings, North America OpCo, US SpokeCo and US HubCo (the “**Chapter 15 Petitioners**”) to recognize the CCAA Proceedings as “foreign main

proceedings” pursuant to Chapter 15 of the United States Bankruptcy Code and motions by the Chapter 15 Petitioners to recognize and enforce the Initial Order and SISP Order in the United States, among other relief, were heard by Judge Philip Bentley of the United States Bankruptcy Court for the Southern District of New York (the “**U.S. Court**”).

14. The petition to recognize the CCAA Proceedings as “foreign main proceedings” was objected to by the United States Trustee (the “**UST**”), who argued that the Chapter 15 Petitioners’ centre of main interest was not in Canada. I was examined under oath by the UST related to the status of the business operations of the Chapter 15 Petitioners as at May 14, 2025, being the date of the petition for recognition of the CCAA Proceedings in the United States.

15. Additionally, the Chapter 15 Petitioners’ motion to recognize the Initial Order was subject to a limited objection by the plaintiffs in the putative federal securities class action lawsuit commenced in New York (*Hubiack v. Li-Cycle Holdings Corp., et al.*, 1:23-cv-09894 (S.D.N.Y.)), who argued that the stay of proceedings should not be extended to three former directors and officers of the Chapter 15 Petitioners who were named personally in the lawsuit.

16. Judge Bentley dismissed each of the objections and granted the following three orders, each dated May 23, 2025, in the form sought by the Chapter 15 Petitioners:

- (a) an Order granting recognition of foreign main proceedings and related relief, a copy of which is attached hereto as **Exhibit “E”**;
- (b) an Order recognizing and giving effect to the Initial Order, including the DIP Facility, a copy of which is attached hereto as **Exhibit “F”**; and

- (c) an Order recognizing and giving effect to the SISP Order and granting related relief, a copy of which is attached hereto as **Exhibit “G”**.

III. CURE AMOUNTS DETERMINATION PROCESS

(i) The Need for a Process to Determine Cure Amounts

17. The key terms of the Stalking Horse Agreement are summarized in my affidavit sworn May 16, 2025, a copy of which, without exhibits, is attached hereto as **Exhibit “H”**.

18. The Stalking Horse Agreement contemplates that, among other things, if the Stalking Horse Agreement is selected as the Successful Bid, approved pursuant to the SISP and closes:

- (a) the Applicants will assign and the Stalking Horse Bidder or its designee (the “**Buyer**”) will assume the contracts of the Asset Sellers² (the “**Assumed Contracts**”) listed on section 2.7(a) of the Sellers’ Disclosure Schedule, as such schedule may be amended from time to time (as amended, the “**Assumed Contracts List**”); and
- (b) the Buyer will assume liability for the aggregate amount, if any, that is required to be paid to cure any monetary defaults of any of the Applicants under the Assumed Contracts as determined for each Assumed Contract by (i) mutual agreement between the applicable Applicant, the Buyer and third-party thereto and (ii) pursuant to section 11.3 of the CCAA (the “**Cure Amounts**”).

² The Asset Sellers in the Stalking Horse Agreement are Holdings, Global HQ, Canada SpokeCo, North America OpCo and US HubCo.

19. A copy of the Sellers' Disclosure Schedules with certain personal information redacted is attached hereto as **Exhibit "I"**.

20. Pursuant to section 2.7(a) of the Stalking Horse Agreement, the Buyer has the right at any time prior to closing to revise the Assumed Contracts List to add or remove any contract of any Asset Seller. If a contract is removed from the Assumed Contracts List, it will be an Excluded Asset (as defined in the Stalking Horse Agreement) and no liabilities related to that contract will be assumed by the Buyer.

21. Pursuant to section 2.7(e) of the Stalking Horse Agreement:

- (a) the Applicants were required to deliver to the Buyer a schedule within five Business Days containing a list of each counterparty to the Assumed Contracts and the Applicants' estimate of the Cure Amounts payable with respect to each Assumed Contract (the "**Cure Amounts Schedule**"), which they did; and
- (b) the Applicants are required to bring a motion to approve a process to serve a written notice on each counterparty to each contract listed on the Cure Amounts Schedule to which any Asset Seller is a party and is related to, used in or necessary for the operations of the Business³ (as conducted prior to February 26, 2025) or the construction of the Rochester Hub, that requires the counterparty to respond to such notice by a deadline to be agreed between the Buyer and Holdings, or otherwise be bound to the Cure Amount in such notice.

³ The "Business" is defined in the Stalking Horse Agreement as (a) the business of recycling and recovering critical battery-grade materials conducted by the Asset Sellers, Li-Cycle Europe AG, Li-Cycle Inc. and Li-Cycle Germany GmbH in (i) the United States of America; (ii) Germany; and (iii) Switzerland; and (b) the business of Li-Cycle Americas Corp., related to the spoke in Kingston, Ontario.

22. As noted in my May 16, 2025 affidavit, the Purchase Price under the Stalking Horse Agreement includes the assumption by the Buyer of the Assumed Liabilities including the Cure Amounts. Accordingly, it is necessary to finally determine the Cure Amounts for the Assumed Contracts in order to value the Stalking Horse Bid for the purposes of the SISP. Additionally, the determination of Cure Amounts for Assumed Contracts will also provide certainty for other bidders who may be interested in some or all of the Assumed Contracts.

(ii) Timeline for Cure Amounts Determination

23. The following are the timelines for the material steps in the Applicants' proposed process to finally determine the Cure Amounts for the Assumed Contracts, which are detailed further below:

Step	Timing
Cure Notices Sent	June 6, 2025
Cure Amounts Objection Deadline	June 24, 2025, 5:00 p.m.

(iii) Notice to Assumed Contract Notice Parties

24. The Asset Sellers are a party to approximately 1860 Assumed Contracts. The proposed Priority Claims and Cure Amounts Procedure Order provides that notices will be sent to all counterparties to an Assumed Contract to which any Asset Seller is a party and is related to, used in or necessary for the operations of the Business (as conducted prior to February 26, 2025) or the construction of the Rochester Hub (each, an "**Assumed Contract Notice Party**").

25. To provide additional notice to Assumed Contract Notice Parties of the Cure Amounts that have been determined by the Applicants, the Applicants intend to send notices to each of the Assumed Contract Notice Parties in advance of the hearing of their motion for the Priority Claims and Cure Amounts Procedure Order and by no later than June 6, 2025.

26. The Applicants have developed a form of notice that will be sent to all Assumed Contract Notice Parties (the “**Cure Amount Notice**”) which:

- (i) notifies the Assumed Contract Notice Party that it is a counterparty to an Assumed Contract that may be assigned to, and assumed by, the Buyer;
- (ii) attaches the Cure Amounts Schedule and notifies the Assumed Contract Notice Party that if the Priority Claims and Cure Amounts Procedure Order is granted and they wish to dispute the Cure Amounts specified in the Cure Amounts Schedule, they must file a Cure Amounts Objection Notice by the Cure Amounts Objection Deadline (each defined below);
and
- (iii) attaches the Cure Amounts Objection Notice.

- (b) A copy of the form of Cure Amount and Consent Notice is attached hereto as **Exhibit “J”**.

27. The Cure Amount Notice makes clear that the Priority Claims and Cure Amounts Procedure Order remains subject to approval by the CCAA Court.

28. The Cure Amount Notice will be sent by e-mail, or where no known e-mail is available, by prepaid ordinary mail or courier to the last known address as recorded in the Applicants' books and records.

29. The proposed Priority Claims and Cure Amounts Procedure Order also contemplates that the Cure Amounts Schedule would be posted on the Monitor's case website for the CCAA Proceedings (the "**Monitor's Website**") by June 9, 2025 at 5:00 p.m.

(iv) Cure Amounts Objection Deadline

30. Any Assumed Contract Notice Party that wishes to dispute the Cure Amounts set forth in the Cure Amount Notice delivered to such Assumed Contract Notice Party is required to send an objection notice in the form attached to the Priority Claims and Cure Amounts Procedure Order (a "**Cure Amounts Objection Notice**") by e-mail such that it is received by the Monitor by 5:00 p.m. on June 24, 2025 (the "**Cure Amounts Objection Deadline**").

31. If an Assumed Contract Notice Party does not deliver a Cure Amount Objection Notice to the Monitor by the Cure Amounts Objection Deadline:

- (a) such Assumed Contract Notice Party shall be forever barred from disputing the Cure Amounts as set out in the Cure Amount Notice;
- (b) the Cure Amounts payable to such Assumed Contract Notice Party as set out in the Cure Amount Notice shall be deemed to be the Cure Amounts payable to such Assumed Contract Notice Party pursuant to the Stalking Horse Agreement and any other Successful Bid or Back-Up Bid (each as defined in the SISP Order); and

- (c) any claim of such Assumed Contract Notice Party to Cure Amounts in excess of the amount specified in such Cure Amount Notice shall be forever barred and extinguished.

32. The Cure Amounts Objection Deadline was selected as it is three days prior to Phase 2 Bid Deadline in the SISP, at which time it will be necessary to value the Stalking Horse Bid if there are competing Phase 2 bids.

(v) *Determination of Cure Amounts*

33. If a Cure Amounts Objection Notice is received by the Monitor by the Cure Amounts Objection Deadline, the objection set out therein shall either be resolved consensually by way of an agreement between the Applicants and the Priority Creditors, with the consent of the Monitor and in consultation with the Stalking Horse Bidder, or upon further Order of the CCAA Court.

(vi) *Cure Amounts Procedure and Timelines are Reasonable and Appropriate*

34. I believe that the procedure and timelines for the determination of Cure Amounts set out in the Priority Claims and Cure Amounts Procedure Order are reasonable in the circumstances, considering (i) the “negative notice” nature of the notice process, (ii) the cashflow constraints facing the Applicants, and (iii) the need to identify and determine the Cure Amounts prior to the Phase 2 Bid Deadline in the SISP in order to value the Stalking Horse Bid and provide certainty for other bidders who may be interested in some or all of the Assumed Contracts.

IV. PRIORITY CLAIMS PROCEDURE

(i) The Need for a Process to Determine Priority Claims

35. As described in greater detail in the affidavit of Ajay Kochhar sworn May 12, 2025, the Stalking Horse Bidder is a secured creditor of each of the Applicants pursuant to:

- (a) an amended and restated senior secured convertible note issued to the Stalking Horse Bidder by Li-Cycle Holdings Corp. on March 25, 2024 and amended and restated on January 31, 2025 in the original principal amount of \$81,573,643.75 as of January 31, 2025, and guaranteed by each of the other Applicants, among others; and
 - (b) an amended and restated convertible note issued to Glencore Ltd. by Li-Cycle Holdings Corp. on May 5, 2022 (which was subsequently assigned to the Stalking Horse Bidder) as subsequently amended and restated on March 25, 2024 and January 31, 2025 in the original principal amount of \$124,059,131.32 as of January 31, 2025, and guaranteed by each of the other Applicants, among others,
- (collectively, the “**Glencore Security**”, and all indebtedness, liabilities and obligations owing by the Applicants pursuant to the Glencore Security, the “**Secured Lender Claims**”).

36. Pursuant to sections 2.2 and 2.3 of the Stalking Horse Agreement, the Buyer would purchase the Purchased Assets subject to the “Permitted Encumbrances”. The “Permitted Encumbrances” include all Encumbrances on the Purchased Assets that rank in priority to the Secured Lender Claims.

37. As a result, it is necessary to finally determine the value of all indebtedness, liability, obligation or claim of any kind whatsoever against the Applicants' Property and/or the Transferred Equity Interests (as defined in the Stalking Horse Agreement) that ranks in priority to the Secured Lender Claims (each a "**Priority Claim**"). The identification and resolution of Priority Claims is necessary to value the Stalking Horse Bid for the purposes of the SISP.

38. Additionally, the Stalking Horse Bidder has the right to designate any additional assets as Excluded Assets prior to closing (without changing the Purchase Price). If an asset is subject to a Priority Claim and the Stalking Horse Bidder decides to designate that asset as an Excluded Asset, the Stalking Horse Bidder would not assume responsibility for the associated Priority Claim. The Applicants expect that the quantum of the Priority Claims may affect which assets are designated as Excluded Assets. The determination of Priority Claims will accordingly facilitate the Stalking Horse Bidder making these designations and allow the Applicants and the Monitor to determine the strategy to realize on any remaining Excluded Assets.

39. Furthermore, the determination of Priority Claims will also provide certainty for other bidders who may be interested in some or all of the Purchased Assets that are subject to such Priority Claims.

40. Section 4.21(c) of the Sellers' Disclosure Schedules to the Stalking Horse Agreements lists the potential Priority Claims against the Applicants' Property or Transferred Equity Interests, which include (collectively, the "**Known Potential Priority Creditors**"):

- (a) the DOE Security;

- (b) mechanics' liens registered against the Rochester Hub by approximately 22 contractors, subcontractors and suppliers; and
- (c) registrations pursuant to the *Personal Property Security Act* (Ontario) or the Uniform Commercial Code by four equipment suppliers and one bank.

(ii) *Timeline for Priority Claims Procedure*

41. The following are the timelines for the material steps in the Applicants' proposed process to identify and resolve Priority Claims, which are detailed further below:

Step	Timing
Statements of Negative Notice and Priority Claims Packages Sent	June 9, 2025, 5:00 p.m.
Priority Claims Bar Date (Deadline for Proofs of Priority Claim and any Notices of Dispute of Negative Notice Priority Claims)	June 24, 2025, 5:00 p.m.
Notices of Revision or Disallowance of Proofs of Priority Claim	June 27, 2025, or such later date as determined by the Monitor in its discretion (taking into account, among other things, the nature and quantity of the Proofs of Priority Claim received)
Deadlines for Notices of Dispute of Notices of Revision or Disallowance	7 calendar days after Notice of Revision or Disallowance sent by Monitor

(iii) *Notice to Potential Priority Creditors*

42. The proposed Priority Claims and Cure Amounts Procedure Order contemplates a "negative notice" process that will generally be utilized for the Known Potential Priority Creditors and a general notice process for all other potential Priority Creditors.

43. Pursuant to the “negative notice” process:

- (a) the Applicants will prepare, in consultation with the Monitor, a Statement of Negative Notice Priority Claim for each Negative Notice Priority Claimant setting out (i) the amount of such Negative Notice Priority Claimant’s Negative Notice Priority Claim, (ii) a description of any security in respect of such Negative Notice Priority Claim, and (iii) whether the Negative Notice Priority Claim is subsumed in and duplicative of a Statement of Negative Notice sent to another Negative Notice Priority Claimant, such as a general contractor; and
- (b) the Monitor will cause a Negative Notice Priority Claims Package comprised of a Statement of Negative Notice Priority Claim, a Notice of Dispute of Priority Claim form, and such other materials as the Monitor may consider appropriate or desirable, to each Negative Notice Priority Claimant by e-mail, or where no known e-mail is available, by prepaid ordinary mail or courier to the last known address as recorded in the Applicants’ books and records by June 9, 2025 at 5:00 p.m.

44. Pursuant to the general claims process, by June 9, 2025 at 5:00 p.m., the Monitor will send a copy of the Priority Claims Package by e-mail, or where no known e-mail is available, by prepaid ordinary mail or courier to the last known address as recorded in the Applicants’ books and records, to each of the following:

- (a) each Person that appears on the Service List;
- (b) each Person that has claimed to be a Priority Creditor and requested a Priority Claims Package prior to such date; and

- (c) any Person known to the Applicants or the Monitor as having a potential Priority Claim based on the books and records of the Applicants and any registrations under the *Personal Property Security Act* (Ontario), the Uniform Commercial Code or similar legislation that is not captured in any Statement of Negative Notice Priority Claim.

45. The Priority Claims Package will be comprised of a copy of the Priority Claims and Cure Amounts Procedure Order or a hyperlink to the Priority Claims and Cure Amounts Procedure Order on the Monitor’s Website, a Proof of Priority Claim Instruction Letter, a Proof of Priority Claim, and such other materials as the Monitor may consider appropriate or desirable.

46. Additionally, the Monitor will:

- (a) post on the Monitor’s Website a copy of the Priority Claims and Cure Amounts Procedure Order, with schedules, and a copy of the schedule prepared by the Applicants, in consultation with the Monitor, which identifies the Priority Claims in respect of each Priority Creditor (which may be nil) (the “**Priority Claims Schedule**”), in each case by June 9, 2025 at 5:00 p.m.; and
- (b) cause to be published the Notice to Priority Creditors in *The Globe and Mail* (National Edition) and *The Wall Street Journal*.

47. The Monitor will also deliver a Priority Claims Package to any Person claiming to be a Priority Creditor and requesting such Priority Claims Package prior to the Priority Claims Bar Date.

(iv) Priority Claims Bar Date

48. The proposed Priority Claims and Cure Amounts Procedure Order would establish June 24, 2025 at 5:00 p.m. as the Priority Claims Bar Date. The Priority Claims Bar Date was selected as it is three days prior to Phase 2 Bid Deadline in the SISP, at which time it will be necessary to value the Stalking Horse Bid if there are competing Phase 2 bids.

49. A Negative Notice Priority Claimant that wishes to dispute the amount of its Negative Notice Priority Claim as set out in the relevant Statement of Negative Notice Priority Claim must send a Notice of Dispute of Priority Claim by e-mail such that it is received by the Monitor by the Priority Claims Bar Date. If the Negative Notice Priority Claimant fails to do so:

- (a) such Negative Notice Priority Claimant shall be deemed to have accepted the amount of the Negative Notice Priority Claimant's Priority Claims as set out in the Statement of Negative Notice Priority Claim; and
- (b) any and all of the Negative Notice Priority Claimant's rights to dispute the Priority Claims as determined in the Statement of Negative Notice Priority Claim or to otherwise assert or pursue the Priority Claims set out in the Statement of Negative Notice Priority Claim other than as they are determined in such Statement of Negative Notice Priority Claim shall be forever extinguished and barred without further act or notification.

50. Any Priority Creditor (other than any Negative Notice Priority Claimant in respect of its Negative Notice Priority Claim as set out in a Statement of Negative Notice Priority Claim) that

does not file a Proof of Priority Claim by the Priority Claims Bar Date will be forever barred, estopped and enjoined from asserting or enforcing any such Priority Claim.

(v) *Determination of Priority Claims*

51. The Monitor will review all Proofs of Priority Claim filed on or before the Priority Claims Bar Date and may accept, revise or disallow (in whole or in part) the amount and/or status of a Priority Claim set out in any Proof of Priority Claim. The Monitor will consult with the Applicants, the CRO, and the Stalking Horse Bidder prior to accepting, settling or disputing any Priority Claim.

52. If the Monitor determines to revise or disallow a Proof of Priority Claim, the Monitor will send a Notice of Revision or Disallowance to the Priority Creditor by June 27, 2025 or such later date as determined by the Monitor in its discretion (taking into account, among other things, the nature and quantity of the Proofs of Priority Claim received).

53. If a Priority Creditor wishes to dispute a Notice of Revision or Disallowance, it shall deliver a Notice of Dispute of Priority Claim to the Monitor by no later than 5:00 p.m. on the date that is seven (7) Calendar Days after the date the Monitor sent that Notice of Revision or Disallowance, or such later date as the Monitor may agree in writing or the CCAA Court may order.

54. If a Priority Creditor fails to file a Notice of Dispute of Priority Claim within that time period, then:

- (a) the amount and status of such Priority Creditor's Priority Claim shall be deemed to be as set out in the Notice of Revision or Disallowance and such amount and status, if any, shall constitute such Priority Creditor's Proven Priority Claim; and

- (b) the Priority Creditor will be barred from disputing or appealing same, and the balance of such Priority Creditor's Priority Claim, if any, shall be forever barred and extinguished.

55. If a Notice of Dispute of Priority Claim is received by the Monitor in accordance with the Priority Claims and Cure Amounts Procedure Order, the dispute set out therein shall either be resolved consensually by way of an agreement between the Applicants and the Priority Creditors, with the consent of the Monitor and in consultation with the Stalking Horse Bidder, or upon further Order of the CCAA Court.

(vi) Priority Claims Procedure and Timelines are Reasonable and Appropriate

56. I believe that the procedure and timelines for the identification and resolution of Priority Claims set out in the Priority Claims and Cure Amounts Procedure Order are reasonable in the circumstances, considering (i) the relatively discrete group of Known Potential Priority Creditors who will receive a "negative notice" which will be, in most cases, based on claim amounts that have been publicly asserted such as in mechanics' liens and other registrations, (ii) the cashflow constraints facing the Applicants, and (iii) the need to identify and determine the Priority Claims prior to the Phase 2 Bid Deadline in the SISP in order to value the Stalking Horse Bid and provide certainty for other bidders who may be interested in some or all of the Purchased Assets that are subject to such Priority Claims.

V. CONCLUSION

57. For the reasons set out herein, the Applicants respectfully request that this Court grant the Priority Claims and Cure Amounts Procedure Order. The relief sought is in the best interests of the Applicants and their stakeholders and is appropriate in the circumstances.

10. **THIS COURT ORDERS** that until a real property lease is disclaimed in accordance with the CCAA, the Applicants shall pay all amounts constituting rent or payable as rent under real property leases (including, for greater certainty, common area maintenance charges, utilities and realty taxes and any other amounts payable to the landlord under the lease) or as otherwise may be negotiated between the Applicants and the landlord from time to time ("**Rent**"), for the period commencing from and including the Initial Filing Date twice-monthly in equal payments on the first and fifteenth day of each month, in advance (but not in arrears), or, at the election of the applicable Applicant, at such intervals as such Rent is usually paid pursuant to the applicable lease. On the date of the first of such payments, any Rent relating to the period commencing from and including the Initial Filing Date shall also be paid.

11. **THIS COURT ORDERS** that, except as specifically permitted herein, the Applicants are hereby directed, until further Order of this Court: (a) to make no payments of principal, interest thereon or otherwise on account of amounts owing by the Applicants to any of their creditors as of the Initial Filing Date; (b) to grant no security interests, trust, liens, charges or encumbrances upon or in respect of any of their Property; and (c) to not grant credit or incur liabilities except in the ordinary course of the Business.

RESTRUCTURING

12. **THIS COURT ORDERS** that the Applicants shall, subject to such requirements as are imposed by the CCAA, have the right to:

- (a) permanently or temporarily cease, downsize or shut down any of their businesses or operations, and to dispose of redundant or non-material assets not exceeding \$500,000 in any one transaction or \$1,000,000 in the aggregate;
- (b) terminate the employment of such of their employees or temporarily lay off such of their employees as it deems appropriate; and
- (c) pursue all avenues of refinancing, restructuring, selling or reorganizing their Business or Property, in whole or part, subject to prior approval of this Court being obtained before any material refinancing, restructuring, sale or reorganization,

all of the foregoing to permit the Applicants to proceed with an orderly restructuring of the Applicants and/or the Business (the “**Restructuring**”).

13. **THIS COURT ORDERS** that the Applicants shall provide each of the relevant landlords with notice of the Applicants’ intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord disputes the Applicants’ entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as agreed between any applicable secured creditors, such landlord and the Applicants, or by further Order of this Court upon application by the Applicants on at least two (2) days notice to such landlord and any such secured creditors. If any of the Applicants disclaim the lease governing such leased premises in accordance with Section 32 of the CCAA, it shall not be required to pay Rent under such lease pending resolution of any such dispute (other than Rent payable for the notice period provided for in Section 32(5) of the CCAA), and the disclaimer of the lease shall be without prejudice to the Applicants’ claims to the fixtures in dispute.

14. **THIS COURT ORDERS** that if a notice of disclaimer is delivered pursuant to Section 32 of the CCAA, then (a) during the notice period prior to the effective time of the disclaimer, the landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Applicants and the Monitor 24 hours’ prior written notice, and (b) at the effective time of the disclaimer, the relevant landlord shall be entitled to take possession of any such leased premises without waiver of or prejudice to any claims or rights such landlord

may have against the Applicants in respect of such lease or leased premises, provided that nothing herein shall relieve such landlord of its obligation to mitigate any damages claimed in connection therewith.

NO PROCEEDINGS AGAINST THE APPLICANTS OR THE PROPERTY

15. **THIS COURT ORDERS** that from the Initial Filing Date until and including July 7, 2025, or such later date as this Court may order (the “**Stay Period**”), no proceeding or enforcement process in any court or tribunal (each, a “**Proceeding**”) shall be commenced or continued against or in respect of the Applicants or the Monitor or their respective employees, advisors or representatives acting in such capacities, or affecting the Business or the Property (including, for greater certainty, any process or steps or other rights and remedies under or relating to any class action proceeding against any of the Applicants or in respect of the Property), except with the written consent of the Applicants and the Monitor, or with leave of this Court, and any and all Proceedings currently under way against or in respect of the Applicants or their respective employees, advisors or representatives acting in such capacities or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

16. **THIS COURT ORDERS** that, to the extent any prescription, time or limitation period relating to any Proceeding against or in respect of any of the Applicants that is stayed pursuant to this Order may expire, the term of such prescription, time or limitation period shall hereby be deemed to be extended for a period equal to the Stay Period.

NO EXERCISE OF RIGHTS OR REMEDIES

17. **THIS COURT ORDERS** that during the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being “**Persons**” and each being a “**Person**”) against or in respect of the Applicants or the Monitor, or their respective employees, advisors or representatives acting in such capacities, or affecting the Business or the Property, are hereby stayed and suspended except with the written consent of the Applicants and the Monitor, or leave of this Court, provided that nothing in this Order shall (i) empower the Applicants to carry on any business which the Applicants are not lawfully entitled to carry on, (ii) affect such investigations, actions,

suits or proceedings by a regulatory body as are permitted by Section 11.1 of the CCAA, (iii) prevent the filing of any registration to preserve or perfect a security interest, or (iv) prevent the registration of a claim for lien.

NO INTERFERENCE WITH RIGHTS

18. **THIS COURT ORDERS** that during the Stay Period, no Person shall accelerate, suspend, discontinue, fail to honour, alter, interfere with, repudiate, rescind, terminate or cease to perform any right, renewal right, contract, agreement, lease, sublease, licence authorization or permit in favour of or held by the Applicants, except with the written consent of the Applicants and the Monitor, or leave of this Court.

CONTINUATION OF SERVICES

19. **THIS COURT ORDERS** that during the Stay Period, all Persons having oral or written agreements with the Applicants or statutory or regulatory mandates for the supply of goods and/or services, including without limitation all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services to the Business or the Applicants, are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Applicants, and that the Applicants shall be entitled to the continued use of their current premises, telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the normal prices or charges for all such goods or services received after the Initial Filing Date are paid by the Applicants in accordance with normal payment practices of the Applicants or such other practices as may be agreed upon by the supplier or service provider and each of the Applicants and the Monitor, or as may be ordered by this Court.

NO PRE-FILING VS POST-FILING SET OFF

20. **THIS COURT ORDERS** that no Person shall be entitled to set off any amounts that: (a) are or may become due to the Applicants in respect of obligations arising prior to the date of the Initial Order with any amounts that are or may become due from the Applicants in respect of obligations arising on or after the date of the Initial Order; or (b) are or may become due from the Applicants in respect of obligations arising prior to the date of the Initial Order with any

amounts that are or may become due to the Applicants in respect of obligations arising on or after the date of the Initial Order, in each case without the consent of the Applicants and the Monitor, or with leave of this Court.

NON-DEROGATION OF RIGHTS

21. **THIS COURT ORDERS** that, notwithstanding anything else in this Order, no Person shall be prohibited from requiring immediate payment for goods, services, use of leased or licensed property or other valuable consideration provided on or after the Initial Filing Date, nor shall any Person be under any obligation on or after the Initial Filing Date to advance or re-advance any monies or otherwise extend any credit to the Applicants. Nothing in this Order shall derogate from the rights conferred and obligations imposed by the CCAA.

PROCEEDINGS AGAINST DIRECTORS AND OFFICERS

22. **THIS COURT ORDERS** that during the Stay Period, and except as permitted by subsection 11.03(2) of the CCAA, no Proceeding may be commenced or continued against any of the former, current or future directors or officers of the Applicants with respect to any claim against the directors or officers that arose before the Initial Filing Date and that relates to any obligations of the Applicants whereby the directors or officers are alleged under any law to be liable in their capacity as directors or officers for the payment or performance of such obligations, until a Plan in respect of the Applicants, if one is filed, is sanctioned by this Court or is refused by the creditors of the Applicants or this Court.

Schedule “A”

Stalking Horse Sale Process

Introduction

On May 14, 2025, Li-Cycle Holdings Corp., Li-Cycle Corp., Li-Cycle Americas Corp., Li-Cycle U.S. Inc., Li-Cycle Inc. and Li-Cycle North America Hub, Inc. (collectively, the “**Applicants**”) commenced proceedings (the “**CCAA Proceedings**”) under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) pursuant to an initial order (as amended or amended and restated from time to time, the “**Initial Order**”) from the Ontario Superior Court of Justice, Commercial List (Toronto) (the “**Court**”). Pursuant to the Initial Order, the Court appointed Alvarez & Marsal Canada Inc. as monitor of the Applicants (in such capacity, the “**Monitor**”).

The Applicants (other than Li-Cycle Americas Corp.) and Glencore Canada Corporation (the “**Stalking Horse Bidder**”) have entered into an equity and asset purchase agreement dated May 14, 2025 (the “**Stalking Horse Agreement**” or when referring to the bid, the “**Stalking Horse Bid**”), pursuant to which the Stalking Horse Bidder would acquire substantially all of the assets and business operations of the Applicants other than Li-Cycle Americas Corp., and act as a stalking horse bidder in a court-supervised sale and investment solicitation process (the “**SISP**”) within the CCAA Proceedings.

Pursuant to an Order dated May 22, 2025 (the “**SISP Approval Order**”), the Court approved the SISP and the Stalking Horse Agreement as the Stalking Horse Bid in the SISP. The purpose of this SISP is to seek Sale Proposals and Investment Proposals from Qualified Bidders and to implement one or a combination of them in respect of the Property (as defined herein), including the shares of Li-Cycle Europe AG and Li-Cycle APAC Pte. Ltd., and the Business (as defined herein) of the Applicants.

The Applicants have commenced proceedings pursuant to Chapter 15 of the *United States Bankruptcy Code*, 11 U.S.C. §§101-1330, as amended (the “**U.S. Bankruptcy Code**”) for recognition of the CCAA Proceedings as “foreign main proceedings” and intend to seek recognition and approval of the SISP Approval Order and any Successful Bids (as defined herein) pursuant to section 363 of the U.S. Bankruptcy Code from the United States Bankruptcy Court for the Southern District of New York (the “**U.S. Court**”).

The SISP describes, among other things: (a) the Property (as defined herein) available for sale; (b) the manner in which prospective bidders may gain access to or continue to have access to due diligence materials concerning the Property and the Business (as defined herein); (c) the manner in which bidders become Phase 1 Qualified Bidders, Phase 2 Qualified Bidders and Successful Bidders (each as defined herein), and bids become Qualified Bids, Back-Up Bids and/or Successful Bids (each as defined herein); (d) the process for the evaluation of bids received; (e) the process for the ultimate selection of a Successful Bid; and (f) the process for obtaining such approvals (including the approval of the Court) as may be necessary or appropriate in respect of a Successful Bid.

Defined Terms

1. Capitalized terms used and not otherwise defined herein have the meanings given to them in **Appendix “A”**.

2. All references to “\$” or dollars herein are to United States dollars unless otherwise indicated.

Supervision of the SISP

3. The Monitor will supervise, in all respects, the SISP and any attendant sales or investments. The Monitor, in consultation with the Applicants, the Stalking Horse Bidder and the Financial Advisor, shall have the right to adopt such other rules for the SISP that in its reasonable business judgment will better promote the goals of the SISP. In the event that there is disagreement or clarification required as to the interpretation or application of this SISP or the responsibilities of the Monitor, the Financial Advisor or the Applicants hereunder, the Court will have jurisdiction to hear such matters and provide advice and directions, upon application by the Monitor or the Applicants. For the avoidance of doubt, with respect to the Monitor’s role in regards to the SISP, the terms of the Initial Order concerning the Monitor’s rights, duties and protections in the Applicants’ CCAA proceedings shall govern.

Opportunity

4. The SISP is intended to solicit interest in and opportunities for a sale of or investment in all or part of the Property and business operations of the Applicants (the “**Opportunity**”). One or more bids for a sale of, or an investment in, all or a portion of the Business or the Property relating to the Applicants’ Business will be considered, either alone or in combination as a Final Qualified Bid or a Successful Bid.
5. A bid may, at the option of the Qualified Bidder, involve, among other things, one or more of the following: a restructuring, recapitalization or other form of reorganization of the business and affairs of the Applicants as a going concern; or a sale of the Property or any part thereof as contemplated herein to the Qualified Bidder.

As-is Basis

6. Except to the extent otherwise set forth in a definitive sale or investment agreement with a successful bidder, any sale of the Property or investment in the Business will be on an “as is, where is” basis and without surviving representations or warranties of any kind, nature, or description by the Applicants, the Financial Advisor, the Monitor or any of their respective agents, advisors or estates, and, in the event of a sale, all of the right, title and interest of the Applicants in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests there against (collectively, the “**Claims and Interests**”) pursuant to such Court orders as may be desirable, except to the extent otherwise set forth in the definitive sale or investment agreement executed with a Successful Bidder.

Solicitation of Interest and Publication Notice

8. As soon as reasonably practicable:

- (a) the Applicants and the Financial Advisor will prepare a list of potential bidders, including (i) parties that have approached the Applicants, the Financial Advisor or the Monitor indicating an interest in bidding for the sale of or investment in the Business and/or Property, including as part of any prior solicitation efforts, (ii) local and international strategic and financial parties who the Applicants and the Financial Advisor, in consultation with the Monitor, believe may be interested in purchasing all or part of the Business and Property or investing in the Applicants pursuant to the SISP (including, without limitation, any parties with whom the Applicants or their consultants were in contact prior to the Initial Order) and (iii) any other parties reasonably suggested by a stakeholder as a potential bidder who may be interested in the sale or investment opportunity (collectively, “**Known Potential Bidders**”);

- (b) the Applicants will cause a notice of the SISP (and such other relevant information which the Applicants, in consultation with the Financial Advisor and Monitor, considers appropriate) (the “**Notice**”) to be published in *The Globe and Mail* (National Edition) and any other newspapers, journals, or industry publications as the Applicants and the Financial Advisor, in consultation with the Monitor, consider appropriate, if any;
 - (c) the Applicants will issue a press release setting out the information contained in the Notice and such other relevant information which the Applicants and the Financial Advisor considers appropriate for dissemination in Canada and major financial centres in the United States; and

9. The Financial Advisor will send the Teaser Letter and NDA to all Known Potential Bidders commencing May 12, 2025 and to any other party who requests a copy of the Teaser Letter and NDA or who is identified to the Financial Advisor, the Applicants or the Monitor as a potential bidder as soon as reasonably practicable after such request or identification, as applicable.
 10. Notwithstanding anything else contained herein, any Related Person that wishes to submit or participate in a Sale Proposal or Investment Proposal must declare such intention to the Financial Advisor and the Monitor in writing by June 6, 2025. Until such time that the Related Person declares no such intention, the Financial Advisor and the Monitor shall design and implement additional procedures for the SISP to limit the sharing of information with the Related Person so as to ensure and preserve the fairness of the SISP.

PHASE 1: NON-BINDING LOIs

Qualified Bidders and Delivery of Confidential Information Package

11. Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide to the Financial Advisor an NDA executed by it and a letter setting forth the identity of the Potential Bidder, the contact information for such Potential Bidder and full disclosure of the direct and indirect principals of the Potential Bidder. If a Potential Bidder has previously delivered an NDA and letter of this nature to the Applicants and the NDA remains in effect, the Potential Bidder is not required to deliver a new NDA or letter to the Financial Advisor unless otherwise requested by the Applicants.
12. A Potential Bidder (who has delivered the executed NDA and letter as set out above) will be deemed a “**Phase 1 Qualified Bidder**” if the Applicants and the Financial Advisor in their reasonable business judgment and in consultation with the Monitor determine such person is likely, based on the availability of financing, experience and other considerations, to be able to consummate a sale or investment pursuant to the SISP.
13. At any time during Phase 1 of the SISP, the Applicants and the Financial Advisor may, in their reasonable business judgment and after consultation with and the consent of the

Monitor, eliminate a Phase 1 Qualified Bidder from the SISP, in which case such bidder will be eliminated from the SISP and will no longer be a "Phase 1 Qualified Bidder" for the purposes of the SISP.

14. The Financial Advisor, with the assistance of the Applicants and in consultation with the Monitor, will (i) prepare and send to each Phase 1 Qualified Bidder a confidential information package providing additional information considered relevant to the Opportunity (the "**Confidential Information Package**") and (ii) provide access to an electronic data room of due diligence information (the "**Data Room**"). The Financial Advisor, the Applicants, the Monitor and their respective advisors make no representation or warranty as to the information contained in the Confidential Information Package, the Data Room or otherwise made available pursuant to the SISP or otherwise, except to the extent expressly contemplated in any definitive sale or investment agreement with a successful bidder ultimately executed and delivered by the applicable Applicant.
15. The Applicants, in consultation with the Financial Advisor and the Monitor, reserve the right to limit any Phase 1 Qualified Bidder's access to any confidential information (including any information in the Confidential Information Package or a data room) and to customers and suppliers of the Applicants, where, in the Applicants' opinion after consultation with the Financial Advisor and the Monitor, such access could negatively impact the SISP, the ability to maintain the confidentiality of the confidential information, the Business or the Property.
16. Potential Bidders must rely solely on their own independent review, investigation and/or inspection of all information and of the Property and Business in connection with their participation in the SISP and any transaction they enter into with the Applicants.

Non-Binding Letters of Intent from Qualified Bidders

17. A Phase 1 Qualified Bidder that wishes to pursue the Opportunity further must deliver a non-binding letter of interest (an "**LOI**") to the Financial Advisor at the addresses specified in Schedule "1" hereto (including by email transmission), so as to be received by them not later than 5:00 PM (Eastern Time) on or before June 6, 2025 (the "**Phase 1 Bid Deadline**").
18. Subject to paragraph 17, an LOI so submitted will be considered a qualified LOI (a "**Qualified LOI**") only if:
 - (a) it is received by the Financial Advisor on or before the Phase 1 Bid Deadline from a Phase 1 Qualified Bidder;
 - (b) it: (i) identifies the Phase 1 Qualified Bidder and representatives thereof who are authorized to appear and act on behalf of the Phase 1 Qualified Bidder for all purposes regarding the transaction; and (ii) fully discloses the identity of each entity or person that will be sponsoring, participating in or benefiting from the transaction contemplated by the LOI;
 - (c) the LOI expressly states that the LOI does not entitle the Phase 1 Qualified Bidder to any break-up fee, termination fee, expense reimbursement, or similar type of payment or reimbursement;

- (d) it contains an indication of whether the Phase 1 Qualified Bidder is proposing:
 - (i) to acquire all, substantially all or a portion of the Property (a “**Sale Proposal**”), or
 - (ii) a recapitalization, arrangement or other form of investment in or reorganization of the Business (an “**Investment Proposal**”);
- (e) in the case of a Sale Proposal, it identifies or contains the following:

- (g) in the case of either a Sale Proposal or an Investment Proposal, it contains such other information as reasonably requested by the Applicants and/or the Financial Advisor in consultation with the Monitor.
19. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified LOI. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.

Assessment of Phase 1 Bids

20. Following the Phase 1 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor will assess the LOIs obtained by the Phase 1 Bid Deadline to determine whether they are Qualified LOIs that meet the criteria set out in paragraph 18 above and, to the extent required, they may request clarification of the terms of such LOI. In respect of each Qualified LOI, the Applicants and the Financial Advisor, in consultation with the Monitor, will consider (a) whether the Phase 1 Qualified Bidder that has submitted a Qualified LOI (each, an **"LOI Bidder"**): (i) has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be); and (ii) has provided satisfactory evidence of its financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided; and (b) whether the LOI Bidder is likely to be considered a Phase 2 Qualified Bidder (defined below).
21. If one or more Qualified LOIs are received that include Stalking Horse Assets then:
- (a) if at least one such Qualified LOI alone or together with other Qualified LOIs are, in the opinion of the Applicants and the Financial Advisor, in consultation with the Monitor, superior to or competitive with the Stalking Horse Bid based on the Assessment Criteria or if it is otherwise appropriate to do so in their reasonable business judgment, then the Applicants and the Financial Advisor, in consultation with the Monitor, may select such Qualified LOI or Qualified LOIs to continue to Phase 2, with each such bidder deemed to be a **"Phase 2 Qualified Bidder"**, provided that (i) the Applicants and the Financial Advisor may, in their reasonable business judgment and after consultation with and with the approval of the Monitor, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some bidders from the process) taking into account any material adverse impact on the operations and performance of the Applicants; (ii) the Stalking Horse Bidder shall automatically be considered as a Phase 2 Qualified Bidder; and (iii) no LOI Bidder shall be deemed not to be a Phase 2 Qualified Bidder unless the Monitor so approves; or
 - (b) if no Qualified LOIs alone or together with other Qualified LOIs are, in the opinion of the Applicants and the Financial Advisor, in consultation with the Monitor, superior to or competitive with the Stalking Horse Bid based on the Assessment Criteria, and no bidder other than the Stalking Horse Bidder is deemed to be a Phase 2 Qualified Bidder, then the Applicants and the Financial Advisor, in consultation with the Monitor, may: (i) approach the Stalking Horse Bidder to determine if it would consider modifying its bid to exclude certain

assets that can be the subject of a non-overlapping third-party Qualified LOI to increase the overall value if in their reasonable business judgment it may be possible to do so (provided that, for greater certainty, nothing herein shall require the Stalking Horse Bidder to amend or modify its bid, and any such amendments or modifications shall be at the sole option of the Stalking Horse Bidder in its absolute discretion); (ii) approach the LOI Bidder(s) to determine whether they would proceed in respect of any non-Stalking Horse Assets alone; and/or (iii) deem the Stalking Horse Bid to be the Successful Bid and apply to the Court for approval of the Stalking Horse Bid (in which case, for greater certainty, the SISF shall not proceed to Phase II nor shall an Auction be held in respect of the Stalking Horse Assets).

22. If one or more Qualified LOIs are received in respect of non-Stalking Horse Assets then the Applicants and the Financial Advisor, in consultation with the Monitor and considering the Assessment Criteria, may select such Qualified LOI or Qualified LOIs to continue to Phase 2, with each such bidder deemed to be a Phase 2 Qualified Bidder or, if only one Qualified LOI is received in respect of any non-Stalking Horse Assets then the Applicants and the Financial Advisor, in consultation with the Monitor may, if it is appropriate to do so based on their reasonable business judgment, proceed to negotiate with such bidder and apply to the Court for approval of any such bid.

PHASE 2: FORMAL OFFERS AND SELECTION OF SUCCESSFUL BIDDER

Due Diligence

23. The Applicants and the Financial Advisor, in consultation with the Monitor, shall in their reasonable business judgment and subject to competitive and other business considerations, afford each Phase 2 Qualified Bidder such access to due diligence materials and information relating to the Property and Business as they deem appropriate. Due diligence access may include management presentations, access to an electronic data room, on-site inspections, and other matters which a Phase 2 Qualified Bidder may reasonably request and as to which the Applicants and the Financial Advisor, in their reasonable business judgment and after consulting with the Monitor, may agree. The Financial Advisor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 2 Qualified Bidders and the manner in which such requests must be communicated. None of the Applicants, the Financial Advisor or the Monitor will be obligated to furnish any information relating to the Property or Business to any person other than to Phase 2 Qualified Bidders. Further and for the avoidance of doubt, selected due diligence materials may be withheld from certain Phase 2 Qualified Bidders if the Applicants and the Financial Advisor, in consultation with the Monitor, determine such information to represent proprietary or sensitive competitive information.

Formal Binding Offers

24. A Phase 2 Qualified Bidder that wishes to make a formal offer to purchase or make an investment in the Applicants or the Property and Business shall submit a final and binding offer (a "**Bid**") to the Financial Advisor at the addresses specified in Schedule "1" hereto (including by email transmission), so as to be received by them not later than 5:00 PM (Eastern Time) on or before June 27, 2025 (the "**Phase 2 Bid Deadline**").

25. Subject to paragraph 27, a Bid so submitted will be considered a Qualified Bid (as defined below) only if it complies with all of the following requirements (the “**Qualified Bid Requirements**”):

- (a) the Bid shall comply with all of the requirements set forth in respect of Phase 1 Qualified LOIs;
- (b) in the case of a Sale Proposal, the Bid shall be accompanied by a redline to the Stalking Horse Agreement and the form of agreement provided in the Dataroom;
- (c) the Bid (either individually or in combination with other bids that make up one Bid) is an offer to purchase or make an investment in some or all of the Property or Business and is consistent with any necessary terms and conditions communicated to Phase 2 Qualified Bidders;
- (d) the Bid includes a letter stating that the Phase 2 Qualified Bidder’s offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the closing of the transaction with the Successful Bidder;
- (e) the Bid includes duly authorized and executed transaction agreements, including the purchase price, investment amount and any other key economic terms expressed in United States dollars (the “**Purchase Price**”), together with all exhibits and schedules thereto, all applicable ancillary agreements with all exhibits and schedules thereto (or term sheets that describe the material terms and provisions of such agreements), and proposed order to approve the sale by the Court, together with blacklines to any model documents provided by the Applicants and uploaded onto the Data Room;
- (f) the Bid provides for aggregate cash consideration, payable in full on closing, in an amount sufficient to fully satisfy all outstanding amounts secured by each of the Court-ordered charges granted in the CCAA Proceedings as of the date of closing (such amount, the “**Charge Payout Amount**”);
- (g) if the Bid is for any of the Stalking Horse Assets then the Bid alone or together with other Bids must have a proposed Purchase Price equal to or greater than that contained in the Stalking Horse Bid (including the amount of any confirmed Assumed Liabilities thereunder) plus the Charge Payout Amount (to the extent such amount is not duplicative of the Purchase Price contained in the Stalking Horse Bid) plus the Expense Reimbursement and Break Fee (each as defined in the Stalking Horse Agreement) plus \$500,000, and provides for the assumption or payment of valid and enforceable Encumbrances against the Property in the United States in favour of carriers, warehousemen, mechanics, materialmen, workmen, repairmen that rank in priority to the Secured Convertible Notes (as defined in the Purchase Agreement) and other liens that are inchoate or statutory under applicable law that rank in priority to the Secured Convertible Notes (as defined in the Purchase Agreement), in each case held by any Person other than the DIP Lender’s affiliates;

- (h) the Bid includes written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction, that will allow the Applicants, with the assistance of the Financial Advisor, and the Monitor to make a determination as to the Phase 2 Qualified Bidder's financial and other capabilities to consummate the proposed transaction;
- (i) the Bid is not conditioned on: (i) the outcome of unperformed due diligence by the Phase 2 Qualified Bidder, apart from, to the extent applicable, to the disclosure of due diligence materials that represent proprietary or sensitive competitive information which was withheld in Phase 2 from the Phase 2 Qualified Bidder; and/or (ii) obtaining financing;
- (j) the Bid fully discloses the identity of each entity that will be entering into the transaction or the financing (including through the issuance of debt in connection with such Bid), or that is participating or benefiting from such Bid, and such disclosure shall include, without limitation: (i) in the case of a Phase 2 Qualified Bidder formed for the purposes of entering into the proposed transaction, the identity of each of the actual or proposed direct or indirect equity holders of such Phase 2 Qualified Bidder and the terms and participation percentage of such equity holder's interest in such Bid; and (ii) the identity of each entity that has or will receive a benefit from such Bid from or through the Phase 2 Qualified Bidder or any of its equity holders and the terms of such benefit;
- (k) the Bid includes a commitment by the Phase 2 Qualified Bidder to provide a deposit in the amount of not less than 10% of the Purchase Price (the "**Deposit**") upon the Phase 2 Qualified Bidder being selected as the Successful Bidder or the Back-Up Bidder, which shall be promptly paid to the Monitor in trust following, and in any event, no later than two (2) days after, such selection, and shall be held by the Monitor in accordance with paragraph 38 of this SISP;
- (l) the Bid includes acknowledgements and representations of the Phase 2 Qualified Bidder that: (i) the transaction is on an "as is, where is" basis; (ii) it has had an opportunity to conduct any and all due diligence regarding the Property, Business and the Applicants prior to making its offer (apart from, to the extent applicable, the disclosure of due diligence materials that represent proprietary or sensitive competitive information which were withheld in Phase 2 from the Phase 2 Qualified Bidder); (iii) it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Property in making its Bid; (iv) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Business, Property, or the Applicants or the completeness of any information provided in connection therewith, except as expressly stated in the definitive transaction agreement(s) signed by the Applicants;
- (m) the Bid includes evidence, in form and substance reasonably satisfactory to the Applicants, in consultation with the Financial Advisor, and to the Monitor, of authorization and approval from the Phase 2 Qualified Bidder's board of directors (or comparable governing body) with respect to the submission, execution,

delivery and closing of the transaction agreement(s) submitted by the Phase 2 Qualified Bidder;

- (n) the Bid contains other information required by the Applicants, the Financial Advisor or the Monitor including, without limitation, such additional information as may be required in the event that an auction of certain Property is to be conducted; and
 - (o) the Bid is received by the Phase 2 Bid Deadline.
26. Following the Phase 2 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor, will assess the Bids received. The Applicants and the Financial Advisor, in consultation with the Monitor, will designate the most competitive Bids that comply with the foregoing Qualified Bid Requirements to be **“Qualified Bids”**. No Bids received shall be deemed not to be Qualified Bids unless the Monitor so approves.
27. Only Phase 2 Qualified Bidders whose Bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s). The Stalking Horse Bid shall automatically be considered as a Qualified Bid for the purposes of this SISP and the Auction notwithstanding that it does not meet any one or more of the requirements set out in paragraph 24 (including, for greater certainty, the requirement to provide a Deposit).
28. To the extent that no Qualified Bids (other than the Stalking Horse Bid) are received by the Phase 2 Bid Deadline for the Stalking Horse Assets, the Stalking Horse Bid shall be deemed to be the Successful Bid as it relates to the Stalking Horse Assets, and the SISP shall not proceed to an Auction.
29. To the extent that only one Qualified Bid is received by the Phase 2 Bid Deadline in respect of any particular non-Stalking Horse Assets then the Applicants and the Financial Advisor, in consultation with the Monitor, may deem such Bid(s) the Successful Bid(s) as it relates to such assets and proceed to seek approval from the Court without the need for an Auction in respect of such assets.
30. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant Bids to be a Qualified Bid.
31. The Applicants and the Financial Advisor, may, in consultation with the Monitor, aggregate separate Bids from unaffiliated Phase 2 Qualified Bidders to create one “Qualified Bid” and/or approach the Stalking Horse Bidder to determine if it would consider modifying its bid to exclude certain assets that can be the subject of a non-overlapping third-party Qualified Bid to increase the overall value if in their reasonable business judgment it may be possible to do so (provided that, for greater certainty, nothing herein shall require the Stalking Horse Bidder to amend or modify its bid, and any such amendments or modifications shall be at the sole option of the Stalking Horse Bidder in its absolute discretion).

Selection of Successful Bid

32. A Qualified Bid will be valued based upon several factors, including, without limitation, items such as the Purchase Price and the net value provided by such bid, the composition of the consideration proposed to be used to satisfy the Purchase Price (it being understood that cash is a superior form of consideration and that credit bid consideration shall be considered equivalent to cash for these purposes), the claims likely to be created by such bid in relation to other bids, the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions, the proposed transaction documents, the effects of the bid on the stakeholders of the Applicants including treatment of liens, factors affecting the speed, certainty and value of the transaction (including any conditions, regulatory approvals or third party contractual arrangements required to close the transactions), the assets included or excluded from the bid, any related restructuring costs, and the likelihood and timing of consummating such transactions, each as determined by the Applicants, with the assistance of the Financial Advisor and the Monitor (together with the Qualified Bid Requirements, the **"Assessment Criteria"**).
33. The Applicants and the Financial Advisor, in consultation with the Monitor, (a) will review and evaluate each Qualified Bid, provided that each Qualified Bid may be negotiated between the Applicants, in consultation with the Financial Advisor and the Monitor, and the applicable Phase 2 Qualified Bidder, and may be amended, modified or varied to improve such Phase 2 Qualified Bid as a result of such negotiations, and (b) identify the highest or otherwise best bid (the **"Successful Bid"**), and the Phase 2 Qualified Bidder making such Successful Bid, the **"Successful Bidder"**) for any particular Property or the Business in whole or part. The determination of any Successful Bid by the Applicants, with the assistance of the Financial Advisor and the Monitor, shall be subject to approval by the Court.
34. The Applicants, with the assistance of the Financial Advisor and the Monitor, may conditionally accept one or more Qualified Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid(s) to close (the **"Back-up Bid"** and the Phase 2 Qualified Bidder making such Back-up Bid, the **"Back-Up Bidder"**). The determination of any Successful Bid by the Applicants, with the assistance of the Financial Advisor and the Monitor, shall be subject to approval by the Court. The Stalking Horse Bid shall not be required to serve as a Back-Up Bid.
35. In the event there is one or more Qualified Bid, in addition to the Court-approved Stalking Horse Bid in respect of the Stalking Horse Assets and/or more than one Qualified Bid in respect of any non-Stalking Horse Asset, then, no later than 5:00 p.m. (prevailing Eastern Time) on June 30, 2025, the Applicants and the Financial Advisor, in consultation with the Monitor, may determine the Successful Bid in respect of the relevant assets or may determine that the Successful Bid in respect of such assets will be identified through an Auction (provided that the Applicants and the Financial Advisor may not designate a Bid providing for the purchase and sale of any Stalking Horse Assets that is not the Stalking Horse Bid as the Successful Bid without first holding the Auction).
36. Any such Auction will be conducted in accordance with procedures to be determined by the Applicants and the Financial Advisor, acting reasonably, and in consultation with the Monitor, and notified to the applicable Qualified Bidders no less than 24 hours prior to the

commencement of the Auction. Other than the Stalking Horse Bidder, in order to participate in the Auction in respect of the Stalking Horse Assets, all Qualified Bidders must satisfy the Monitor of their ability to deliver a deposit top-up equivalent to the Expense Reimbursement and Break Fee, in the event that such Qualified Bidder's Bid is the Successful Bid. Any such Auction will commence at a time to be designated by the Applicants and the Financial Advisor, no later than 12:00 p.m. (prevailing Eastern Time) on July 2, 2025, or such other date or time as may be determined by the Applicants and the Financial Advisor, in consultation with the Monitor, acting reasonably, and such Auction may, in the discretion of the Monitor, be held virtually via videoconference, teleconference or such other reasonable means as the Applicants and Monitor deems appropriate, in consultation with the Monitor.

37. If the Applicants and Financial Advisor, in consultation with the Monitor, do not designate an Auction, the Successful Bid(s) and the Back-Up Bid(s) will be selected by no later than 5:00 p.m. (prevailing Eastern Time) on June 30, 2025. If the Applicants and Financial Advisor designate an Auction, the Successful Bid(s) and the Back-Up Bid(s) will be selected by no later than 5:00 p.m. (prevailing Eastern Time) on July 2, 2025. The Successful Bid(s) must close no later than the Outside Date. If any Back-Up Bid is identified in accordance with this SISP, then such Back-Up Bid shall remain open until the date (the "**Back-Up Bid Outside Date**") on which the transaction contemplated by the respective Successful Bid is consummated or such earlier date as the Applicants and Financial Advisor, in consultation with the Monitor, determines. If the transactions contemplated by a Successful Bid have not closed by the Outside Date or a Successful Bid is terminated for any reason prior to the Outside Date, then the Applicants and Financial Advisor may elect, in consultation with the Monitor, to proceed with completing the transactions contemplated by a Back-Up Bid and will promptly seek to close the transaction contemplated by such Back-Up Bid. In such event, the applicable Back-Up Bid will be deemed to be a Successful Bid.
38. The Applicants shall have no obligation to enter into a Successful Bid (provided that nothing herein affects the Applicants' obligations under the Stalking Horse Agreement), and they reserve the right, after consultation with the Monitor and the Financial Advisor, to reject any or all Phase 2 Qualified Bids (save and except for the Stalking Horse Bid). If no other Phase 2 Qualified Bidder is chosen as the Successful Bid for the Stalking Horse Assets, the Stalking Horse Bid shall be the Successful Bid as it relates to the Stalking Horse Assets.

Approval of Successful Bid

39. The Applicants will bring one or more motions before the Court and the U.S. Court (each such motion, an "**Approval Motion**") for one or more orders:
 - (a) approving the Successful Bid(s) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required thereby (and such order shall also approve the Back-Up Bid(s), if any, should the applicable Successful Bid(s) not close for any reason);
 - (b) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by the applicable Successful Bid(s) to vest title to any purchased assets in the name of the Successful Bidder(s) and/or vesting unwanted liabilities

out of one or more of the Applicants; and

- (c) granting an order pursuant to section 363 of the U.S. Bankruptcy Code with respect to any Property in the United States (collectively, the "**Approval Order(s)**").
- 40. The Approval Motion(s) will be held on date(s) to be scheduled by the Applicants and confirmed by the Court and the U.S. Court, as applicable. The Applicants, in consultation with the Monitor and the Stalking Horse Bidder, may adjourn or reschedule any Approval Motion without further notice, by an announcement of the adjourned or rescheduled date at the applicable Approval Motion or in a notice to the service list of the CCAA Proceedings prior to the applicable Approval Motion.
- 41. All Qualified Bids (other than the Successful Bid(s) but including the Back-Up Bid(s)) will be deemed rejected on and as of the date of the closing of the final Successful Bid, with no further or continuing obligation of the Applicants to any unsuccessful Qualified Bidders, other than the obligation to pay the Expense Reimbursement and Break Fee (each as defined in the Stalking Horse Agreement) in the case of the Stalking Horse Bidder.
- 42. Any Deposit(s) shall be held by the Monitor in a single interest bearing account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the applicable Successful Bid. Deposits, and any interest thereon, paid by Phase 2 Qualified Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned to such Phase 2 Qualified Bidders within three (3) business days of Court approval of the Successful Bid(s). In the case of Back-Up Bid(s), the Deposit and any interest earned thereon shall be retained by the Monitor until the Back-Up Bid Outside Date and returned to the Back-Up Bidder within three (3) business days thereafter or, if a Back-Up Bid becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the transaction contemplated by the Back-Up Bid.

Confidentiality, Stakeholder/Bidder Communication and Access to Information

- 43. All discussions regarding an LOI, Bid, Sale Proposal or Investment Proposal must be directed through the Financial Advisor. Under no circumstances should the management of the Applicants or any stakeholder of the Applicants be contacted directly without the prior consent of the Financial Advisor. Any such unauthorized contact or communication could result in exclusion of the interested party from the SISP process.
- 44. Participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Phase 1 Qualified Bidders, Phase 2 Qualified Bidders, Phase 2 Qualified Bids, the details of any bids submitted or the details of any confidential discussions or correspondence between the Applicants, the Financial Advisor, the Monitor and such other bidders or Potential Bidders in connection with the SISP, except to the extent the Applicants and the Financial Advisor, with the approval of the Monitor and consent of the applicable participants, are seeking to combine separate bids from Phase 1 Qualified Bidders or Phase 2 Qualified Bidders.
- 45. The Financial Advisor, in consultation with the Monitor, may consult with the legal and financial advisers to parties with a material interest in the CCAA proceedings regarding

the status of the SISP to the extent considered appropriate (subject to taking into account, among other things, whether any particular party is a Potential Bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder or other participant or prospective participant in the SISP or involved in a bid), provided that any such party has entered into confidentiality arrangements satisfactory to the Applicants.

Supervision of the SISP

46. The participation of the Applicants in the SISP will be directed by the CRO, subject to ongoing direction from the Applicants' board of directors.
47. The Monitor will participate in the conduct of the SISP in the manner set out in this SISP Process Outline and the Initial Order and is entitled to receive all information in relation to the SISP.
48. This SISP does not, and will not be interpreted to create any contractual or other legal relationship between the Applicants and any Phase 1 Qualified Bidder, any Phase 2 Qualified Bidder or any other party, other than as specifically set forth in a definitive agreement that may be signed with the Applicants.
49. Without limiting Section 44, the Applicants, the Financial Advisor and the Monitor shall not have any liability whatsoever to any person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder, as a result of implementation or otherwise in connection with this SISP, except to the extent that any such liabilities result from the gross negligence or wilful misconduct of the Applicants, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court. Further, no person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder shall have any claim against the Applicants, the Financial Advisor or the Monitor in respect of the SISP for any reason whatsoever, except to the extent that such claim is the result of gross negligence or wilful misconduct by the Applicants, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court.
50. Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the submission of any LOI, Phase 2 bid, due diligence activities, and any further negotiations or other actions whether or not they lead to the consummation of a transaction.
51. The Applicants and the Financial Advisor shall have the right to modify the SISP with the prior written approval of the Monitor and consultation with the Stalking Horse Bidder if, in their reasonable business judgment, such modification will enhance the process or better achieve the objectives of the SISP; provided that the Service List in this CCAA Proceeding shall be advised of any substantive modification to the procedures set forth herein.
52. All bidders shall be deemed to have consented to the jurisdiction of the Court (and the U.S. Court, if applicable) in connection with any disputes relating to the SISP, including the qualification of bids, the construction and enforcement of the SISP, and closing, as applicable.

2.7 Assumption and Assignment of Assumed Contracts.

(a) Section 2.7(a) of the Sellers' Disclosure Schedule lists the Assumed Contracts (including Assumed Leases) to be assumed and assigned to Buyer (or its designated Affiliate) on the Closing Date. Notwithstanding anything in this Agreement to the contrary, but subject to Section 2.7(e), Buyer may, from time to time prior to the Closing Date (or, in the case of any Undisclosed Contract, the Designation Deadline), and in its sole discretion, upon written notice to the Sellers and the Monitor, amend or revise Section 2.7(a) of the Sellers' Disclosure Schedule to eliminate any Contract of any Asset Seller therefrom, or to add any Contract of any Asset Seller thereto. Automatically upon such addition of any Contract of any Asset Seller by Buyer in accordance with the previous sentence, such Contract shall be an Assumed Contract for all purposes of this Agreement. Automatically upon any the deletion of any Contract by Buyer in accordance with the second sentence of this Section 2.7, such Contract shall be an Excluded Asset for all purposes of this Agreement, and no Liabilities arising thereunder or relating thereto shall be assumed by Buyer (or its designated Affiliate) or Canadian Buyer or be the Liability or responsibility of Buyer (or its designated Affiliate) or Canadian Buyer, in each case, until and unless Buyer restores such eliminated Contract to Section 2.7(a) of the Sellers' Disclosure Schedule in accordance with the second sentence of this Section 2.7. At Buyer's reasonable request, the Sellers shall make reasonably available to Buyer (or its Affiliates) the appropriate employees of the Sellers necessary to discuss the outstanding Contracts to which any Seller or any of its Affiliates is a party.

(b) Promptly following the date hereof, the Sellers shall use best efforts to obtain in writing all Consents and Approvals that are required from contractual counterparties to assign the Assumed Contracts to Buyer and shall continue to use such best efforts as Section 2.7(a) of the Sellers' Disclosure Schedule is updated. Copies of all such Consents and Approvals obtained by the Sellers shall be delivered to Buyer forthwith upon being obtained and, in any event, not later than the date of the hearing to obtain the Approval and Vesting Order.

(c) To the extent that any Assumed Contract is not assignable without the consent of the counterparty or any other Person, and such consent has not been obtained prior to the hearing before the CCAA Court for the Sellers' motion for the Approval and Vesting Order (or, with respect to any Undisclosed Contract, a subsequent hearing) and such Assumed Contract is one that is capable of being assigned pursuant to section 11.3 of the CCAA or the equivalent provisions of the Bankruptcy Code: (i) such Sellers' rights, benefits and interests in, to and under such Assumed Contract may be assigned to Buyer pursuant to the Approval and Vesting Order or further order made pursuant to section 11.3 of the CCAA or the equivalent provisions of the Bankruptcy Code (provided such further order is in form and substance acceptable to Buyer) (each, a "Further Order"); (ii) such Seller shall use best efforts to obtain the Approval and Vesting Order or such Further Order on such terms as are necessary to give effect to such assignment and on requisite notice to the affected contractual counterparty(ies) and in such form and substance acceptable to Buyer; and (iii) if such assignment occurs, Buyer shall accept the assignment of such Assumed Contract on the terms provided by the Approval and Vesting Order or such Further Order.

(d) Unless the Parties otherwise agree, to the extent that any Cure Amount is payable with respect to any Assumed Contract, Buyer shall, where such Assumed Contract is assigned pursuant to the Approval and Vesting Order or such Further Order, pay such Cure Amount in accordance with such order, or as otherwise may be agreed to by Buyer and such counterparty, and following such payment, none of Buyer, the Canadian Buyer or any Affiliate thereof shall have any Liability therefor.

(e) Promptly (and in no event fewer than five (5) Business Days) following the date hereof, (i) the Sellers shall deliver to Buyer a schedule (the "Cure Amounts Schedule") that contains a true and complete list of each counterparty to each Assumed Contract to which any Asset Seller is a party and is related to, used in or necessary for the operations of the Business (as conducted prior to February 26, 2025) or the construction of the Hub and the Sellers' good faith estimate of the Cure Amount payable with respect to such Assumed Contract, the currency in which each payment obligation is to be settled (and a conversion to United States dollars for obligations denominated in another currency) and payment details for each counterparty (which details may be separately provided instead of included in the Cure Costs Schedule) and (ii) shall file with the CCAA Court and the U.S. Bankruptcy Court and serve a written notice (each, a "Cure Notice") to the non-Seller counterparty to each Contract listed on the Cure Amounts Schedule that requires the non-Seller counterparty to respond to such notice by a deadline or be bound to the Cure Amount in such notice. From time to time, Seller Parent shall update such Cure Amounts Schedule to reflect any finally determined Cure Amounts (whether by Court Order pursuant to section 11.3 of the CCAA or equivalent provisions of the Bankruptcy Code or as mutually agreed among the applicable Seller, Buyer and the third-party thereto) (the "Updated Cure Amount Schedule").

(f) If any objections are timely filed by, or received from, any non-Seller counterparty in response to a Cure Notice, the Sellers, in consultation with the Buyer, shall take all reasonably necessary actions to resolve any such objections with such non-Seller counterparty; provided that any and all such resolutions with respect to any Assumed Contract shall be acceptable to Buyer. Notwithstanding anything to the contrary in this Agreement, (i) Buyer shall be entitled to designate any Contract set forth on the Cure Amount Schedule (as may be updated from time to time) that is subject to a cure dispute (a “Disputed Contract”), as an Excluded Contract, by providing written notice (email being sufficient) to Seller Parent at any time during the pendency of the dispute and, in any event, no later than the earlier of (x) within five (5) Business Days after the date on which such dispute has been finally determined either by mutual agreement among the applicable Seller, Buyer and the third-party thereto or by Further Order or (y) the date Seller Parent ceases to exist (such date, the “Designation Deadline”), (ii) the Sellers shall not seek any order to abridge the foregoing rights of Buyer, and (iii) Buyer shall not be obligated, under any circumstances, to pay any Cure Amounts on account of any such disputed Contract that is designated an Excluded Contract pursuant to this Section 2.7. Absent such designation, Sellers shall be deemed to have assumed and assigned such disputed Contract in accordance with the terms hereof applicable to Assumed Contracts on the Designation Deadline and Sellers shall enter into and deliver such necessary assignment and assumptions agreements, if any, to reflect the transfer of such Contract to Buyer (or its designated Affiliate) or Canadian Buyer, as applicable.

(g) If, at any time prior to the Closing Date, any Party becomes aware that it is a party to a Contract of any Asset Seller that is not listed on the Cure Amount Schedule (each, an “Undisclosed Contract”), any Party will update the Cure Amount Schedule with respect to such Undisclosed Contract and (i) file with the CCAA Court and the U.S. Bankruptcy Court and serve a such updated schedule, and (ii) serve, a Cure Notice, which notice shall include such updated schedule, to the non-Seller counterparty to such Undisclosed Contract. If any objection period with respect to such Undisclosed Contract expires on or after the Closing Date, such Undisclosed Contract shall be deemed a Contract subject to a cure dispute for purposes of Section 2.7(f) and Buyer shall have all rights with respect to such Contract as set forth in Section 2.7 as if a cure objection had been filed, or received from, any non-Seller counterparty in response to a Cure Notice in advance of the Closing Date.

(h) Notwithstanding anything in this Agreement to the contrary, from and after the date hereof through the Closing, the Sellers will not reject or take any action (or fail to take any action that would result in rejection by operation of Law) to reject, repudiate or disclaim any Contract without the prior written consent of Buyer.

(i) Notwithstanding any other provision of this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any Transferred Asset or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment or transfer thereof, without the consent of a third party (including any Government Entity), would constitute a breach or other contravention thereof or a violation of applicable Law or Order of the CCAA Court or the U.S. Bankruptcy Court. If, on the Closing Date, any such consent has not been obtained, or if an attempted transfer or assignment thereof would be ineffective or a violation of applicable Law or Order of the CCAA Court or the U.S. Bankruptcy Court, or, in the case of any Disputed Contract, the applicable Seller and Buyer will, subject to Section 6.8 and Section 6.9, cooperate in good faith to enter into a mutually agreeable arrangement under which, for up to

six (6) months following Closing or until such earlier date upon which the applicable Seller ceases to exist, (i) Buyer would, in compliance with applicable Law or Order of the CCAA Court or the U.S. Bankruptcy Court, obtain the benefits and assume the obligations and bear the economic burdens associated with such Transferred Asset in accordance with this Agreement, including, for example (and without limitation of other similar arrangements being employed instead and in place thereof), by subcontracting, sublicensing or subleasing such Transferred Asset to Buyer or (ii) the Sellers would enforce for the benefit (and at the expense) of Buyer any and all of the Sellers' rights, claims or benefit against a third party associated with such Transferred Asset and the Sellers would promptly pay to Buyer when received all monies received by them under any such Transferred Asset, claim, right or benefit (net of the Sellers' expenses incurred in connection with any assignment or other performance contemplated by this Section 2.7(h)).

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as set forth in the Sellers' Disclosure Schedule delivered to Buyer concurrently herewith (the "Sellers' Disclosure Schedule"), the Sellers hereby jointly and severally make the following representations and warranties to Buyer with respect to itself and each other Seller, as applicable:

4.1 Organization and Good Standing.

(a) Each Seller (i) is a corporation or limited liability company, duly incorporated or formed, validly existing and in good standing under the Laws of its jurisdiction of incorporation or formation, and (ii) has the requisite organizational power and authority to own, lease and operate its properties and assets and conduct its business as now conducted, including for greater certainty the Transferred Assets and the Transferred Entities and to perform all of its obligations under the Assumed Contracts. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each Seller is duly qualified, licensed

or registered to carry on the Business as it is now being conducted in each jurisdiction in which the character of its assets and properties, owned, leased, licensed or operated by it, or the nature of its activities, make such qualification, licensing or registration necessary. The Sellers have delivered to Buyer true, complete and correct copies of each Seller's certificate of incorporation and bylaws or comparable organizational documents as in effect on the date hereof.

(b) Each Transferred Entity is a corporation or other organization duly incorporated, formed or organized, validly existing and, to the extent legally applicable, in good standing under the Laws of its jurisdiction of incorporation, formation or organization and has the requisite corporate or other appropriate power and authority to own and lease its assets and properties and conduct its business as now conducted. Each Transferred Entity is duly qualified as a foreign corporation or other organization to do business, and, to the extent legally applicable, is in good standing, in each jurisdiction in which the character of its owned, operated or leased properties or the nature of its activities makes such qualification necessary, except where the failure to be so qualified or in good standing would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

4.2 Power and Authority. Subject to entry of the SISP Order and the Approval and Vesting Order and the AVO Recognition and Section 363 Order, each Seller has the full corporate power and authority to enter into this Agreement and to perform its obligations hereunder, and the execution and delivery of this Agreement by such Seller and the consummation by such Seller of the Transaction and the performance of such Seller's obligations hereunder have been duly authorized by all requisite action on the part of Seller. This Agreement has been duly executed and delivered by each Seller and (assuming the due and valid authorization, execution and delivery thereof by Buyer), following the approval of this Agreement and the Transaction by the CCAA Court pursuant to the Approval and Vesting Order, will constitute the legal, valid and binding obligation of each Seller, enforceable against each Seller in accordance with its terms, except as may be limited by equitable principles relating to the availability of specific performance, injunctive relief and other equitable remedies.

4.3 Transferred Entities; Transferred Equity Interests.

(a) The following information with respect to each Transferred Entity is set out on Section 4.3(a) of the Sellers' Disclosure Schedule: (i) its name; (ii) its jurisdiction of incorporation, organization or formation; and (iii) the registered and beneficial owner of all of the outstanding shares or other equity interests of each of the Transferred Entities.

(b) The authorized capital stock or other equity interests (if applicable) and the number of issued and outstanding shares or other equity interests of each Transferred Entity is set forth on Section 4.3 of the Sellers' Disclosure Schedule. Subject to the entry of the Approval and Vesting Order and the discharge of any applicable Encumbrances pursuant thereto, the Equity Sellers collectively own all of the Transferred Equity Interests, and the Swiss Entity owns all of the outstanding equity interests in German SpokeCo (in each case, including the beneficial interest therein), free and clear of all Encumbrances, except any Encumbrances arising out of, under or in connection with applicable securities Laws, or any Permitted Encumbrances. All of the Transferred Equity Interests, and the outstanding equity interests in German SpokeCo, have been duly authorized and validly issued, are, as applicable, fully paid and nonassessable and were not

issued in violation of any preemptive rights, purchase or call rights, rights of first refusal, or subscription rights. There are no options, warrants, redemption or repurchase rights, “phantom” stock rights, stock appreciation rights, stock-based performance units, or rights of conversion or other similar rights, agreements, arrangements or commitments obligating any Transferred Entity to issue or sell any shares of its capital stock, other equity interests or securities convertible into or exchangeable for its shares or other equity interests, other than as provided in this Agreement. There are no voting trusts, pooling, stockholder or shareholder agreements, registration rights agreements, proxies or other similar agreements in effect with respect to the voting or transfer of the Transferred Equity Interests or the outstanding equity interests in German SpokeCo. Except for the outstanding equity interests in German SpokeCo and the Carve-out Entities, the Transferred Entities do not, directly or indirectly, or through any Subsidiary of a Transferred Entity, own, beneficially or of record, any equity interests of any kind in any other Person and, assuming completion of the Transaction, at the Closing, the only equity interests owned, beneficially or of record, by any Transferred Entity immediately following the Closing shall be the Swiss Entity’s ownership of all of the outstanding equity interests in German SpokeCo.

4.4 Litigation.

(a) Except as set forth in Section 4.4 of the Sellers’ Disclosure Schedule, there are no Proceedings pending or, to the Knowledge of the Sellers, contemplated or threatened in writing against or affecting the Sellers, the Business, any Transferred Asset or any Transferred Entities or any of their respective assets, business, properties, officers, employees, managers or directors (in their capacity as such) that, if determined adversely, would reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(b) There are no Proceedings pending or, to the Knowledge of the Sellers, contemplated or threatened in writing against or affecting the Sellers, the Business, any Transferred Asset or any Transferred Entities that, if determined adversely, would reasonably be expected, individually or in the aggregate, to impair, in any material respect, the ability of the Sellers to perform their respective obligations under this Agreement or to consummate the Transaction, or prevent or materially delay the consummation of any of the Transaction.

4.5 No Contravention.

(a) Subject to entry of the Approval and Vesting Order by the CCAA Court and the approval of the AVO Recognition and Section 363 Order by the U.S. Bankruptcy Court, and subject to the SISP Order, neither the execution and delivery of this Agreement nor the consummation of the Transaction, will: (i) violate or conflict with any provision of any Seller’s or the Transferred Entities’ organizational documents; (ii) with or without the giving of notice or the lapse of time or both violate, or result in a breach of, or constitute a default under, or conflict with, or accelerate the performance required by, any of the terms of any agreement or instrument to which the Sellers or the Transferred Entities are party or by which the Sellers or the Transferred Entities are bound or to which any of the properties of the Sellers or the Transferred Entities is subject, except where it would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; (iii) violate or conflict with any Order, or any Law or Permit of any Governmental Entity having jurisdiction over any Seller or the Transferred Entities or any of their respective assets or activities, except where it would not, individually or in the aggregate,

reasonably be expected to have a Material Adverse Effect; or (iv) result in the creation of any Encumbrance upon any of the Transferred Assets.

(b) Neither the Sellers nor the Transferred Entities are: (i) in violation of any statute, rule, law or regulation applicable to the Sellers, the Transferred Entities, or their respective assets or activities, except for violations which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; (ii) in violation of any, judgment, order or decree applicable to Seller Parent, its Subsidiaries, or their respective assets or activities, except for violations which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or (iii) except for breaches or violations which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, in breach or violation of any agreement, note or instrument to which they or their assets are a party or are bound or subject.

(c) Neither the Sellers nor the Transferred Entities, to the Knowledge of the Sellers, received written notice from any person of any claim or investigation that, if adversely determined, would render Section 4.5(b) above untrue or incomplete.

4.6 Consents and Approvals. Except for (a) entry of the SISP Order, the SISP Recognition and Section 363 Order, the Approval and Vesting Order and the AVO Recognition and Section 363 Order, and (b) any of the Consents and Approvals as are reflected on Section 4.6 of the Sellers' Disclosure Schedule, the execution and delivery by Seller Parent of this Agreement, the performance by it of its obligations hereunder, and the completion of the Transaction will not conflict with or result in a breach or violation of, except where it would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, any statute, law, rule, regulation or order of any Governmental Entity having jurisdiction over the Transferred Assets, the Sellers, the Transferred Entities, or their respective assets or activities in any material respect.

4.7 Title to Transferred Assets; Sufficiency; Encumbrances.

(a) No Seller nor any Transferred Entity has sold any asset necessary to or used in the operation of the Business of U.S. SpokeCo at such time as such Business was last operational, other than (i) any Inventory or (ii) as consented to by Buyer in accordance with this Agreement.

(b) Sellers have, and subject to entry of the Approval and Vesting Order and the AVO Recognition and Section 363 Order, at the Closing, Buyer will have, good and valid title to each of (i) the Transferred Equity Interests, free and clear of all Encumbrances, and (ii) the Transferred Assets (except for those Transferred Assets that are leased or licensed to the Asset Sellers, as to which the Asset Sellers has, and at the Closing, Buyer will have, valid licensed or leasehold interests), free and clear of all Encumbrances, other than Permitted Encumbrances. Without giving effect to any assets of the Asset Sellers designated as Excluded Assets after the date hereof, pursuant to Section 2.4, the Transferred Intellectual Property, Transferred Assets and assets held by the Transferred Entities, collectively, constitute all of the assets used in or held for use in the Business and are sufficient for Buyer to conduct the Business from and after the Closing Date.

(c) Section 4.7(c) of the Sellers' Disclosure Schedule lists all Encumbrances on any Transferred Asset or asset of any Transferred Entity that are Permitted Encumbrances under prong (vi) of Permitted Encumbrances.

4.8 Material Contracts.

(a) Except as set forth in Section 4.8(a) of the Sellers' Disclosure Schedule, all Material Contracts of the Asset Sellers and the Transferred Entities are in full force and effect and none of the Sellers, the Transferred Entities, or to the Knowledge of the Sellers, any other party to any Material Contract, is in material default with respect thereto except due to the CCAA Proceeding or the U.S. Proceedings or where the failure to be in full force and effect or such default would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) Each Material Contract is a legal, valid and binding obligation of the Sellers or the Transferred Entity that is a party to such Material Contract, and is enforceable against the Sellers and the Transferred Entity that is party to such Material Contract, except where it would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, and except as such enforceability may be limited by: (i) applicable bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies; or (ii) equitable principles relating to the availability of specific performance, injunctive relief and other equitable remedies. Except as set forth in Section 4.8(a) of the Sellers' Disclosure Schedule, neither the Sellers nor any of the Transferred Entities is in material default, nor has any event or circumstance occurred which, but for the passage of time or the giving of notice, or both, would constitute a material default under any Material Contract except due to the CCAA Proceeding or the U.S. Proceedings or where such default would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Section 4.8(b) of the Sellers' Disclosure Schedule lists the Material Contracts of the Sellers and of the Transferred Entities that require a waiver, consent or approval to complete the Transaction except where it would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) With respect to the Assumed Contracts, upon entry of the Approval and Vesting Order and the AVO Recognition and Section 363 Order and payment of the Cure Amounts, each Seller or the applicable Transferred Entity will not be in breach or default of its obligations thereunder.

(d) Each Material Contract has been made available to Buyer.

4.9 Intellectual Property; Data Privacy.

Buyer shall use reasonable best efforts to waive, or cause to be waived, any limitations on benefits relating to pre-existing conditions to the same extent such limitations are waived under any comparable plan of the Sellers and use reasonable best efforts to recognize for purposes of annual deductible and out-of-pocket limits under its medical and dental plans, deductible and out-of-pocket expenses paid by Hired Employees in the calendar year in which the Closing Date occurs.

6.19 Wrong Pockets.

(a) If, at any time following the Closing, any Party becomes aware that any Transferred Asset which should have been transferred, conveyed, assigned or delivered to Buyer pursuant to the terms of this Agreement and the Transaction Documents was not transferred, conveyed, assigned or delivered to Buyer as contemplated by this Agreement and the Transaction Documents, then the Sellers shall, or shall cause their Affiliates to, (i) promptly transfer, convey, assign or deliver such Transferred Asset to Buyer (or its designated Affiliate), in each case for no additional consideration and consistent with the terms of this Agreement, (ii) execute all instruments, agreements or documents as may be reasonably necessary for the purpose of transferring the relevant interests in the Transferred Assets (or part thereof) held by such Seller or such Seller's Affiliate to Buyer, (iii) do all such further acts or things as may be reasonably necessary to validly effect the transfer and vest the relevant interest in such assets (or part thereof) in Buyer.

In consideration for Buyer's considerable expenditure of time and money and agreement to act as the initial bidder and the preparation of this Agreement, and in performing due diligence pursuant to this Agreement, in the event that an Alternative Transaction is selected as the Successful Bid in accordance with the SISP, Buyer shall be entitled to: (i) an expense reimbursement for Buyer's and its Affiliates' documented reasonable out-of-pocket expenses (without duplication to the fees and expenses incurred in connection with the DIP Term Sheet) incurred in connection with this Agreement and/or the Transaction in an aggregate amount equal to the amount of such expenses, plus applicable Taxes, up to a maximum of \$200,000 (the "Expense Reimbursement"); and (ii) the Break Fee; provided, that the Expense Reimbursement and the Break Fee shall be payable by the Sellers to Buyer on the date upon which closing occurs in respect of any Alternative Transaction; provided, further, that Buyer shall not be entitled to payment of the Expense Reimbursement and the Break Fee if no Successful Bid is selected in accordance with the SISP and the SISP terminates in accordance with its terms. The payment of the Expense Reimbursement and the Break Fee shall be approved in the SISP Order and shall be secured by a Court-ordered charge against the Sellers' assets in priority to amounts secured by existing security other than amounts secured by the various charges approved by the CCAA Court in the Initial Order and/or the A&R Initial Order (the "Expense Reimbursement and Break Fee Charge"). Each of the Parties acknowledges and agrees that with respect to a termination of this Agreement pursuant to Section 9.1(b)(i), Section 9.1(b)(iii), Section 9.1(b)(iv), Section 9.1(b)(v) or Section 9.1(d)(i), the Expense Reimbursement and the Break Fee together represent a fair and reasonable estimate of the costs that will be incurred by Buyer as a result of non-completion of the Transaction, and are not intended to be punitive in nature nor to discourage competitive bidding for the Business, the Transferred Assets and/or the Transferred Equity Interests, and no Party shall take a position inconsistent with this Section 7.2. Each Seller irrevocably waives any right it may have to raise as a defense that any such liquidation damages are excessive or punitive. Each of the Parties acknowledges and agrees that the Expense Reimbursement and the Break Fee in this Section 7.2 is an integral part of this Agreement and of the Transaction, and that without these agreements, Buyer would not enter into this Agreement. Upon payment of the Expense Reimbursement and the Break Fee to Buyer in connection with a termination of this Agreement pursuant to Section 9.1(b)(i), Section 9.1(b)(iii), Section 9.1(b)(iv), Section 9.1(b)(v) or Section 9.1(d)(i), Buyer shall be precluded from any other remedy against the Sellers at law or in equity or otherwise in respect of the disclaimer, repudiation, breach or termination of this Agreement; provided that nothing herein shall preclude any Party from seeking

injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or to compel specific performance of this Agreement.

7.3 Third-Party Arrangements.

(a) During the period beginning on the date this Agreement is declared as the Successful Bid pursuant to the SISP Order and ending on the Closing Date (the “Interim Period”), the Sellers will, and will cause the Transferred Entities to, use reasonable best efforts to cause the Sellers’ and the Transferred Entities’ management and Representatives to cooperate with Buyer as reasonably requested by Buyer, in connection with Buyer’s efforts to renegotiate the terms of, or enter into any settlement agreement or similar agreement related to, the Business’ contractual arrangements set forth on Section 7.3 of the Sellers’ Disclosure Schedule, or any Permitted Encumbrance, Assumed Liability or any outstanding or future Claims, liabilities or Encumbrances against any of Transferred Entities (collectively, the “Stakeholder Negotiations”). Such assistance shall include using reasonable best efforts to: (i) provide access to documents and other information in connection with the Stakeholder Negotiations; (ii) at Buyer’s request, provide introductions to key associates of each of the Sellers’ stakeholders responsible for relevant communications with the applicable Seller; (iii) upon reasonable advance notice from Buyer, participate (including making members of management, with appropriate seniority and expertise, and other necessary Representatives of the Sellers) in meetings with Buyer and/or the Business’ third-party stakeholders; (iv) reasonably assist with the preparation of materials in advance of any such meetings, in each case to the extent such materials relate to information concerning the Transferred Assets or the Transferred Entities; (v) review, approve and enter into such agreements or arrangements as is requested by Buyer; provided, however, that such cooperation does not: (A) require the entry by any Seller or any of their respective Affiliates into any agreement (x) if executed by a Seller that will not be an Assumed Contract and (y) the effectiveness of which is, or any of Seller Parent’s or its Subsidiaries’ obligations thereunder are, not conditioned on the consummation of the Transaction; (B) prevent or materially delay the consummation of the Transaction; (C) require the payment of monies prior to the Closing Date to any third-party counterparty subject to such Stakeholder Negotiations; or (D) take or permit the taking of any action that would reasonably be expected to conflict with, result in any violation or breach of, or default (with or without lapse of time, or both) under, the Sellers’ or the Transferred Entities organizational documents or any applicable law (such exceptions set forth in (A) through (D) above, the “Cooperation Exceptions”). Subject to the Sellers’ compliance with Section 7.3(a)(v), no representation, warranty or covenant of any Seller contained in this Agreement shall be breached or deemed breached, and no condition shall be deemed not satisfied, based on the failure, in and of itself, by the applicable Seller to obtain any amended terms or enter into any settlement agreement or similar agreement contemplated by this Section 7.3(a).

(b) Notwithstanding anything to the contrary in this Agreement or the Confidentiality Agreement, unless and until this Agreement is terminated, Buyer shall be permitted to contact, communicate, engage and negotiate with any third-party customer, vendor or other contract counterparty of, and consent or agree to a settlement of any Claims, liabilities or Encumbrances against the Sellers or the Transferred Entities, in each case, in connection with the Stakeholder Negotiations; provided that: (i) Seller Parent is kept reasonably informed of such contact, communication, engagement, negotiations and settlements; (ii) any such action does not prevent or materially delay the consummation of the Transaction; (iii) Buyer shall not disclose any

confidential information in respect of the Transferred Assets or the Transferred Entities without Seller Parent's prior written consent, not to be unreasonably withheld, conditioned or delayed (unless and until the receiving party is party to a confidentiality agreement with Seller Parent or its Subsidiaries that is reasonably acceptable to Seller Parent); and (iv) the effectiveness of any settlement shall be subject to, and shall not be effective until, the consummation of the Transaction. To the maximum extent permitted by applicable Law, Buyer shall, in consultation with Seller Parent's management, lead and direct all actions, terms, decisions and strategy for, and make all final determinations as to the timing, terms and appropriate course of action with respect to the Stakeholder Negotiations, subject to the Cooperation Exceptions.

7.4 Chapter 15 Recognition Proceedings.

(a) Buyer shall cooperate with the Sellers acting reasonably, as may be necessary, in obtaining the AVO Recognition and Section 363 Order, the SISP Recognition and Section 363 Order and any U.S. Assignment Order, as requested by Buyer.

(b) No later than three (3) Business Days from the entry of the SISP Order, the Sellers shall file a motion seeking entry of the SISP Recognition and Section 363 Order.

(c) No later than two (2) Business Days from the entry of the Approval and Vesting Order, the Sellers shall file a motion seeking entry of the AVO Recognition and Section 363 Order.

(d) Notice of the motions seeking the issuance of the AVO Recognition and Section 363 Order and SISP Recognition and Section 363 Order shall be served by the Sellers on all Persons required to receive notice under applicable Law and the requirements of the CCAA, the CCAA Court, the U.S. Bankruptcy Code, the U.S. Bankruptcy Court and any other Person determined necessary by the Sellers or Buyer.

ARTICLE VIII

CONDITIONS TO OBLIGATIONS OF THE PARTIES

8.1 Conditions Precedent to Obligations of Buyer. The obligation of Buyer to consummate the Transaction is subject to the satisfaction (or waiver by Buyer in Buyer's sole discretion) on or prior to the Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. The Sellers Fundamental Representations shall be true and correct in all respects on the date hereof and on and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on and as of the Closing Date (except to the extent that any such representation or warranty is expressly made as of a specified date, in which case such representation and warranty shall have been true and correct as of such date). All other representations and warranties of the Sellers contained in Article IV shall be true and correct in all respects (disregarding for this purpose all materiality or "Material Adverse Effect" qualifications contained herein) on the date hereof and as of the Closing Date (except to the extent that any such representation or warranty is expressly made as of a specified date, in which case such representation and warranty shall have been true

and correct as of such date), except where the failure of any such representations or warranties to be true and correct, either individually or in the aggregate, has not resulted in or would not reasonably be expected to result in a Material Adverse Effect.

(b) Performance of Obligations. The Sellers shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it on or prior to the Closing Date.

(c) DIP Financing. The DIP Term Sheet shall be approved by the CCAA Court in form and substance acceptable to Buyer and any Encumbrance securing the DIP Facility shall have been fully and unconditionally discharged and released at the Closing against all of the Transferred Assets and the Transferred Equity Interests.

(d) No Material Adverse Effect. There shall have been no Material Adverse Effect from the Agreement Date through the Closing Date.

(e) No Challenges to Credit Bid. There shall be no pending challenge or contest to the validity, amount, perfection or priority of the Credit Documents or other Claims of Buyer thereunder that would prevent or otherwise limit Buyer's ability to credit bid the Credit Bid Amount, unless any such challenge or contest shall have been resolved to the reasonable satisfaction of Buyer in its sole discretion.

(f) Deliverables. The Sellers shall have delivered, or caused to be delivered, to Buyer each deliverable required pursuant to Section 3.1(b).

(g) SISP Order. The SISP shall have been conducted in accordance with its terms and the terms of the SISP Order.

(h) Cure Amounts Schedule. The Sellers shall have delivered the most recent Updated Cure Amounts Schedule to Buyer by no earlier than seven (7) Business Days before and no later than two (2) Business Days before the Closing Date, or such other date as Buyer may agree to in writing.

(i) Carve-Out Conditions. (i) All of the shares or other equity interests in all Carve-Out Entities shall have been validly transferred to Seller Parent (or an entity designated by Seller Parent that will be an Affiliate of Seller Parent after the Closing) and Seller Parent shall have provided Buyer by Notice with sufficient evidence of the transfer of the shares or other equity interests in all of the Carve-Out Entities pursuant to customary documentation in the respective geography of each Carve-Out Entity in form and substance acceptable to Buyer and (ii) the applicable Sellers shall have satisfied the condition set forth in Section 8.1(i) of Sellers' Disclosure Schedule.

(j) DIP Agreement. No event of default shall have occurred under the DIP Facility.

8.2 Conditions Precedent to the Obligations of the Sellers. The obligation of the Sellers to consummate the Transaction is subject to the satisfaction (or waiver by the Sellers) at or prior to the Closing Date of each of the following conditions:

(a) Accuracy of Representations and Warranties. The Buyer's Fundamental Representations shall be true and correct in all respects on the date hereof and on and as of the Closing Date, with the same force and effect as though such representations and warranties had been made on and as of the Closing Date (except to the extent that any such representation or warranty is expressly made as of a specified date, in which case such representation and warranty shall have been true and correct as of such date). All other representations and warranties contained in Article V shall be true and correct in all respects (disregarding for this purpose all materiality or "Material Adverse Effect" qualifications contained herein) on the date hereof and as of the Closing Date (except to the extent that any such representation or warranty is expressly made as of a specified date, in which case such representation and warranty shall have been true and correct as of such date), except where the failure of any such representations or warranties to be true and correct, either individually or in the aggregate, has not resulted in or would not reasonably be expected to have an adverse effect on Buyer's ability to perform its obligations under this Agreement in any material respect.

(b) Performance of Obligations. Buyer shall have performed in all material respects all obligations and agreements contained in this Agreement required to be performed by it prior to or on the Closing Date.

(c) Deliverables. Buyer shall have delivered to the Sellers each deliverable required pursuant to Section 3.1(c).

8.3 Conditions Precedent to Obligations of Buyer and the Sellers. The respective obligations of Buyer and the Sellers to consummate the Transaction are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Parties in whole or in part to the extent permitted by applicable Law):

(a) no provision of any applicable Law or Order enacted, entered, promulgated, enforced or issued by any Governmental Entity (including the Competition Bureau) shall be in effect that prevents, renders illegal or otherwise prohibits the sale and purchase of the Transferred Assets, the Transferred Equity Interests or any of the other Transaction.

(b) the CCAA Court shall have granted the Initial Order and it shall be Final;

(c) the CCAA Court shall have granted the A&R Initial Order and it shall be Final;

(d) the CCAA Court shall have granted the SISP Order and it shall be Final;

(e) the CCAA Court shall have granted the Approval and Vesting Order no later than July 7, 2025, or such later date as Buyer may agree to in writing, which order shall have become Final;

(f) the CCAA Court shall have granted the SISP Recognition Order and it shall be Final;

(g) the U.S. Bankruptcy Court shall have entered into the AVO Recognition and Section 363 Order by no later than July 16, 2025, or such later date as Buyer may agree to in writing, which order shall have become Final;

(h) this Agreement shall be the Successful Bid (as determined pursuant to the SISP); and

(i) unless waived by Buyer in its sole discretion, the ICA Approval shall have been received.

8.4 Frustration of Closing Conditions. Neither the Sellers nor Buyer may rely on the failure of any condition to their respective obligations to consummate the Transaction set forth in Section 8.1, Section 8.2 or Section 8.3, as the case may be, to be satisfied if such failure was caused by such Party's failure to comply with or breach of any provision of this Agreement.

8.5 Monitor's Certificate.

(a) When the conditions to Closing set out in Sections 8.1, 8.2 and 8.3 have been satisfied and/or waived by the Sellers and/or Buyer, as applicable, the Sellers and Buyer or their respective counsel will each deliver to the Monitor confirmation that such conditions of Closing, as applicable, have been satisfied and/or waived (the "Conditions Certificates"). Upon receipt of the Conditions Certificates, the Monitor shall: (i) issue forthwith its Monitor's Certificate concurrently to the Sellers and Buyer, at which time the Closing will be deemed to have occurred; and (ii) file as soon as practicable a copy of the Monitor's Certificate with the CCAA Court (and shall provide a true copy of such filed certificate to the Sellers and Buyer). In the case of (i) and (ii) above, the Monitor will be relying exclusively on the basis of the Conditions Certificates without any obligation whatsoever to verify the satisfaction or waiver of the applicable conditions.

(b) The Parties agree and acknowledge that the Monitor shall have no liability to the Parties in connection with the Monitor's Certificate or otherwise in connection with the Transaction, and in performing its role the Monitor shall be acting in its capacity as such and shall have all of the rights, protections, limitations on liability and benefits of the CCAA, the Initial Order, the A&R Initial Order, any other order of the CCAA Court made in the CCAA Proceeding and as an officer of the CCAA Court.

ARTICLE IX

TERMINATION

9.1 Termination of Agreement. This Agreement may be terminated and the Transaction abandoned at any time prior to the Closing:

(a) by mutual agreement of the Sellers and Buyer;

(b) by Buyer, if:

(i) there shall have been a breach by the Sellers of any of their representations, warranties, covenants or agreements contained in this Agreement, which breach would

result in the failure to satisfy one or more of the conditions set forth in Section 8.1, and such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured by the earlier of (A) July 18, 2025 (or such later date as the Parties may agree upon in writing, the “Outside Date”) or (B) five (5) Business Days after written notice thereof shall have been received by the Sellers from Buyer;

(ii) there is a breach or event of default under the DIP Term Sheet;

(iii) if the Sellers, or any of their Affiliates, request or support, or the CCAA Court approves, any amendments or modifications to the SISP that are not consented to by Buyer;

(iv) if the CCAA Proceeding is terminated or a trustee in bankruptcy or a receiver is appointed in respect of the Sellers and/or their assets, and such trustee in bankruptcy or receiver refuses to proceed with the Transaction;

(v) if Seller Parent, or any other Seller, enters into a definitive agreement with respect to an Alternative Transaction or the CCAA Court or the Bankruptcy Court otherwise approves an Alternative Transaction that is not this Transaction; or

(vi) if the Final Exhibits are not settled by the Exhibit Finalization Date (provided that Buyer shall only have the right to terminate this Agreement under this Section 9.1(b)(vi) until 5:00 p.m. (Eastern Standard Time) on the date that is two (2) days prior to the hearing before the CCAA Court for the A&R Initial Order, following which date Buyer shall not be entitled to terminate this Agreement under this Section 9.1(b)(vi));

(c) by the Sellers, if, there shall have been a breach by Buyer of any of its representations, warranties, covenants or agreements contained in this Agreement, which breach would result in the failure to satisfy one or more of the conditions set forth in Section 8.2, and such breach shall be incapable of being cured or, if capable of being cured, shall not have been cured within the earlier of (i) Outside Date or (ii) five (5) Business Days after written Notice thereof shall have been received by Buyer from the Sellers; or

(d) by either Buyer or the Sellers:

(i) if this Agreement is not selected as the Successful Bid (as determined pursuant to the SISP);

(ii) if the Closing shall not have occurred by the Outside Date (except that a Party seeking to terminate this Agreement pursuant to this Section 9.1(d)(ii) shall not have the right to do so if such Party is then in material breach of its obligations under this Agreement); or

(iii) if any Governmental Entity shall have enacted or issued a Law or Order or taken other action permanently restraining, prohibiting or enjoining Buyer, its designated Affiliates or the Sellers from consummating the Transaction.

9.2 Consequences of Termination.

(a) To terminate this Agreement under Section 9.1, written notice thereof must be given to the other Party, and this Agreement will thereafter become void and have no further force and effect, subject to the terms of this Section 9.2, and all further obligations of the Sellers and Buyer to each other under this Agreement will terminate without further obligation or liability of the Sellers or Buyer to the other.

(b) If this Agreement is terminated for any reason other than pursuant to Section 9.1(a) and Section 9.1(c), then Buyer shall be entitled to payment of the Expense Reimbursement subject to and in accordance with Section 7.2.

(c) If this Agreement is terminated pursuant to Section(s) 9.1(b)(i), 9.1(b)(iii), 9.1(b)(iv), 9.1(b)(v), or 9.1(d)(i), then without duplication of amounts payable to Buyer in accordance with Section 9.2(b), Buyer shall be entitled to payment of the Break Fee and Expense Reimbursement subject to and in accordance with Section 7.2.

(d) Notwithstanding the foregoing set forth in this Section 9.2, Section 1.1 (*Defined Terms*), Section 6.5 (*Public Announcements*), Section 6.7 (*Payment of Transfer Taxes and Tax Filings*), Section 6.11 (*Tax Matters*), Section 7.2 (*Expense Reimbursement and Break Fee*) this Section 9.2 (*Consequences of Termination*) and Article X (*Miscellaneous*) shall survive any such termination of this Agreement, with the obligations under Section 6.7 and 6.9(c) to survive until the date that is thirty (30) days following the expiration of the applicable statute of limitations.

(e) Nothing in Section 7.2 or this Section 9.2 shall relieve Buyer or the Sellers or any liability for willful breach of this Agreement or fraud prior to the date of termination.

ARTICLE X

MISCELLANEOUS

10.1 Expenses. Except as set forth in this Agreement and the DIP Term Sheet, and whether or not the Transaction are consummated, each Party shall bear all costs and expenses incurred or to be incurred by such Party in connection with this Agreement and the consummation of the Transaction.

10.2 Assignment. Neither this Agreement nor any of the rights or obligations hereunder may be assigned by the Sellers without the prior written consent of Buyer, or by Buyer without the prior written consent of Sellers; provided, however, that Buyer may assign its rights and liabilities hereunder to one or more Affiliates of Buyer, which assignment shall not relieve Buyer of its obligations hereunder, except in the case of an assignment by Buyer to an entity of substance reasonably acceptable to Sellers (it being agreed that Glencore International AG is reasonably acceptable to Seller Parent), in which case, Buyer shall be relieved of all such obligations. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. Notwithstanding the foregoing, Buyer may, without the consent of any of the other Parties, designate, in accordance with the terms of this

paragraph and effective as of the Closing, one or more Persons to acquire all, or any portion of, the Transferred Assets or the Transferred Entities and assume all or any portion of the Assumed Liabilities. Such designation may be made by Buyer by written notice to the Sellers and the Monitor at any time prior to the Closing; provided, that such designation shall not relieve Buyer of its obligations to deliver the Credit Bid Amount or pay the Cure Amounts hereunder. The Parties agree to modify, or cause to be modified, any Closing deliverables in accordance with any such designation.

10.3 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of the Sellers and Buyer, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement except as expressly set forth herein. Without limiting the foregoing, no direct or indirect holder of any equity interests or securities of either the Sellers or Buyer (whether such holder is a limited or general partner, member, stockholder or otherwise), nor any Affiliate of any of the Sellers or Buyer, nor any Representative, or controlling Person of each of the Parties and their respective Affiliates, shall have any liability or obligation arising under this Agreement or the Transaction.

10.4 Notices. All notices, demands, requests, consents, approvals or other communications (collectively, "Notices") required or permitted to be given hereunder or that are given with respect to this Agreement shall be in writing and shall be personally served, delivered by a nationally recognized overnight delivery service with charges prepaid, or transmitted by hand delivery or electronic mail, addressed as set forth below, or to such other address as such Party shall have specified most recently by written Notice. Notice shall be deemed given on the date of service or transmission if personally served or transmitted by electronic mail with confirmation of receipt; provided, however, that, if delivered or transmitted on a day other than a Business Day, notice shall be deemed given on the next Business Day. Notice otherwise sent as provided herein shall be deemed given on the next Business Day following timely deposit of such Notice with an overnight delivery service:

Rejection of or refusal to accept any Notice, or the inability to deliver any Notice because of changed address of which no Notice was given, shall be deemed to be receipt of the Notice as of the date of such rejection, refusal or inability to deliver.

10.5 Entire Agreement; Amendments and Waivers. This Agreement and all agreements entered into pursuant hereto and all certificates and instruments delivered pursuant hereto and thereto constitute the entire agreement between the Parties pertaining to the subject matter hereof and supersede all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties. This Agreement may be amended, supplemented or modified, and any of the terms, covenants, representations, warranties or conditions may be waived, only by a written instrument executed by Buyer and Seller Parent, or in the case of a waiver, by the Party waiving compliance. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), and no such waiver shall constitute a continuing waiver unless otherwise expressly provided. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

10.6 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Counterparts to this Agreement may be delivered via “pdf” or facsimile. In proving

this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the Party against whom enforcement is sought.

10.7 Invalidity. If any one or more of the provisions contained in this Agreement or in any other instrument referred to herein, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, the Parties shall negotiate in good faith to modify this Agreement, to ensure that this Agreement shall reflect as closely as practicable the intent of the Parties on the date hereof. If the final judgment of a court of competent jurisdiction or other Governmental Entity declares that any term or provision hereof is invalid, illegal or unenforceable, the Parties agree that the court making such determination will have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any invalid, illegal or unenforceable term or provision with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable term or provision.

10.8 Governing Law; Jurisdiction and Venue. This Agreement, the rights and obligations of the Parties under this Agreement, and any claims or controversy (each, a “Transaction Dispute”) directly or indirectly based upon or arising out of this Agreement or the Transaction (whether based on contract, tort, or any other theory), including all matters of construction, validity and performance, shall in all respects be governed by, and interpreted, construed and determined in accordance with, the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to the conflicts of law principles thereof. The Parties consent to the jurisdiction and venue of the courts of Ontario for the resolution of any such disputes arising under this Agreement. Each Party agrees that service of process on such Party as provided in Section 10.4 shall be deemed effective service of process on such Party. Buyer and the Sellers further agree that the CCAA Court shall have jurisdiction over all disputes and other matters relating to (a) the interpretation and enforcement of this Agreement or any other Transaction Document and/or (b) the Transferred Assets and/or Assumed Liabilities and the Parties expressly consent to and agree not to contest such jurisdiction.

10.9 WAIVER OF RIGHT TO TRIAL BY JURY. THE SELLERS AND BUYER HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY PROCEEDING IN CONNECTION WITH A TRANSACTION DISPUTE.

10.10 Specific Performance. Each Party acknowledges and agrees that the other Party may be damaged irreparably in the event that a Party does not perform its obligations under this Agreement in accordance with its specific terms or otherwise breaches this Agreement, so that, in addition to any other remedy that Buyer, Canadian Buyer, or the Sellers may have under law or equity, each Party may be entitled to injunctive relief to prevent any breaches of the provisions of this Agreement by the other Parties and to enforce specifically this Agreement and the terms and provisions hereof.

10.11 Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to confer upon any other Person any rights or remedies of any nature under or by reason of this Agreement, except with respect to the Monitor or as otherwise expressly provided herein, including Section 10.14 and Section 6.21 (solely to the extent provided therein).

10.12 Counting. If the due date for any action to be taken under this Agreement (including the delivery of Notices) is not a Business Day, then such action shall be considered timely taken if performed on or prior to the next Business Day following such due date.

10.13 Survival. Except as expressly set forth in this Agreement to the contrary, all representations and warranties and covenants of Buyer and the Sellers, respectively, contained in this Agreement or in any document delivered pursuant hereto shall not survive the Closing Date and thereafter shall be of no further force and effect. Notwithstanding the foregoing, all covenants and agreements set forth in this Agreement, which by their terms would require performance after the Closing Date, shall survive until fully performed or until such covenant or agreement expires by its terms and set forth and subject to the limitations provided therein.

10.14 Non-Recourse. All claims, Liabilities, Proceedings, or Claims (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to a Transaction Dispute, may be made only against (and are expressly limited to) the entities that are expressly identified as the Parties in the preamble to this Agreement or, if applicable, their permitted assignees (“Contracting Parties”). No Person who is not a Contracting Party, including any past, present or future director, officer, employee, incorporator, member, partner, manager, equityholder, Affiliate, agent, attorney, or representative of, and any financial advisor or lender to, any Contracting Party, or any director, officer, employee, incorporator, member, partner, manager, equityholder, Affiliate, agent, attorney, or representative of, and any financial advisor or lender to, any of the foregoing (“Nonparty Affiliates”), shall have any Liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, Liabilities, or Claims, arising under, out of, in connection with, or related in any manner to a Transaction Dispute; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims, Liabilities, and Claims, against any such Nonparty Affiliates.

10.15 Preparation of this Agreement. Buyer and the Sellers hereby acknowledge that (a) Buyer and the Sellers jointly and equally participated in the drafting of this Agreement and all other agreements contemplated hereby, (b) Buyer and the Sellers have been adequately represented and advised by legal counsel with respect to this Agreement and the Transaction, and (c) no presumption shall be made that any provision of this Agreement shall be construed against either Party by reason of such role in the drafting of this Agreement and any other agreement contemplated hereby.

10.16 Authorization Order. Notwithstanding any other provision of this Agreement, this Agreement will not be binding on the Sellers (other than Section 7.1(b)) unless the Initial Order is made.

Pre-Acquisition Reorganization Steps

The following steps shall occur in the following order on or about the Closing Date (except as otherwise indicated):

Step 1:

Prior to Closing, Glencore International AG ("GIAG") will form a new entity established under the laws of Switzerland ("Buyer Parent"). Buyer Parent then forms a new entity also established under the laws of Switzerland ("MidCo"). MidCo then forms new entities existing under the laws of (i) Delaware ("U.S. NewCo"), (ii) Canada and (iii) Switzerland. U.S. NewCo will elect to be classified as a corporation for U.S. federal tax purposes. U.S. NewCo 1 will then form a new entity ("U.S. NewCo 2"), a Delaware limited liability company, who will elect to be classified as a disregarded entity for U.S. federal tax purposes.

Step 2:

At least two (2) days prior to the Closing, U.S. SpokeCo shall convert from a Delaware corporation to a Delaware limited liability company pursuant to Delaware's conversion statute (the "Conversion"), and in connection with the Conversion U.S. SpokeCo shall change its name to Li-Cycle, LLC or such other name selected by Buyer. After the Conversion and at least one (1) day prior to the Closing, U.S. SpokeCo shall file a protective election on IRS Form 8832 to be classified as a disregarded entity for U.S. federal tax purposes, effective as of the date of the Conversion and such election will indicate that it is an initial classification election by a newly-formed entity.

Step 3:

On the Closing Date, immediately prior to Closing, Glencore Canada Corporation ("GCC") and Li-Cycle Holdings Corp. will split either Secured Note 1 or Secured Note 2 into (i) a Term Loan ("Term Loan"), representing an amount of the principal amount due and owing under such preexisting Secured Convertible Note equal to \$40,000,000 *less* the Credit Bid Amount (the "Term Loan Amount"), and (ii) a Convertible Note ("Remainder Secured Note 1"), representing the remainder of the principal amount and interest of such preexisting Secured Convertible Note (for the avoidance of doubt, after giving effect to the reduction of such principal amount outstanding under preexisting Secured Convertible Note on the Closing Date pursuant to Section 3.2).

To give effect to the foregoing, the Parties agree to negotiate in good faith and enter into (i) a note purchase agreement with respect to Remainder Secured Note 1, (ii) a term loan agreement, representing the Term Loan and (iii) (A) security documents in connection with the Term Loan, (B) guarantees in connection with the Term Loan and (C) release documentation for the Transferred Equity Interests and Transferred Assets with respect to the Convertible Notes.

Step 4:

Immediately following Step 3, GCC will transfer to GIAG all of its right, title and interest in the Term Loan, after which GIAG becomes the lender thereunder. The Remainder Secured Note 1, Secured Note 2 and Unsecured Note remain with GCC.

Introduction

On May 14, 2025, Li-Cycle Holdings Corp., Li-Cycle Corp., Li-Cycle Americas Corp., Li-Cycle U.S. Inc., Li-Cycle Inc. and Li-Cycle North America Hub, Inc. (collectively, the “**Applicants**”) commenced proceedings (the “**CCAA Proceedings**”) under the *Companies’ Creditors Arrangement Act* (the “**CCAA**”) pursuant to an initial order (as amended or amended and restated from time to time, the “**Initial Order**”) from the Ontario Superior Court of Justice, Commercial List (Toronto) (the “**Court**”). Pursuant to the Initial Order, the Court appointed Alvarez & Marsal Canada Inc. as monitor of the Applicants (in such capacity, the “**Monitor**”).

The Applicants (other than Li-Cycle Americas Corp.) and Glencore Canada Corporation (the “**Stalking Horse Bidder**”) have entered into an equity and asset purchase agreement dated ●, 2025 (the “**Stalking Horse Agreement**” or when referring to the bid, the “**Stalking Horse Bid**”), pursuant to which the Stalking Horse Bidder would acquire substantially all of the assets and business operations of the Applicants other than Li-Cycle Americas Corp., and act as a stalking horse bidder in a court-supervised sale and investment solicitation process (the “**SISP**”) within the CCAA Proceedings.

Pursuant to an Order dated May 22, 2025 (the “**SISP Approval Order**”), the Court approved the SISP and the Stalking Horse Agreement as the Stalking Horse Bid in the SISP. The purpose of this SISP is to seek Sale Proposals and Investment Proposals from Qualified Bidders and to implement one or a combination of them in respect of the Property (as defined herein), including the shares of Li-Cycle Europe AG and Li-Cycle APAC Pte. Ltd., and the Business (as defined herein) of the Applicants.

The Applicants have commenced proceedings pursuant to Chapter 15 of the *United States Bankruptcy Code*, 11 U.S.C. §§101-1330, as amended (the “**U.S. Bankruptcy Code**”) for recognition of the CCAA Proceedings as “foreign main proceedings” and intend to seek recognition and approval of the SISP Approval Order and any Successful Bids (as defined herein) pursuant to section 363 of the U.S. Bankruptcy Code from the United States Bankruptcy Court for the Southern District of New York (the “**U.S. Court**”).

The SISP describes, among other things: (a) the Property (as defined herein) available for sale; (b) the manner in which prospective bidders may gain access to or continue to have access to due diligence materials concerning the Property and the Business (as defined herein); (c) the manner in which bidders become Phase 1 Qualified Bidders, Phase 2 Qualified Bidders and Successful Bidders (each as defined herein), and bids become Qualified Bids, Back-Up Bids and/or Successful Bids (each as defined herein); (d) the process for the evaluation of bids received; (e) the process for the ultimate selection of a Successful Bid; and (f) the process for obtaining such approvals (including the approval of the Court) as may be necessary or appropriate in respect of a Successful Bid.

Defined Terms

2. All references to “\$” or dollars herein are to United States dollars unless otherwise indicated.

The Monitor, in consultation with the Applicants, the Stalking Horse Bidder and the Financial Advisor, shall have the right to adopt such other rules for the SISP that in its reasonable business judgment will better promote the goals of the SISP. In the event that there is disagreement or clarification required as to the interpretation or application of this SISP or the responsibilities of the Monitor, the Financial Advisor or the Applicants hereunder, the Court will have jurisdiction to hear such matters and provide advice and directions, upon application by the Monitor or the Applicants. For the avoidance of doubt, with respect to the Monitor’s role in regards to the SISP, the terms of the Initial Order concerning the Monitor’s rights, duties and protections in the Applicants’ CCAA proceedings shall govern.

A bid may, at the option of the Qualified Bidder, involve, among other things, one or more of the following: a restructuring, recapitalization or other form of reorganization of the business and affairs of the Applicants as a going concern; or a sale of the Property or any part thereof as contemplated herein to the Qualified Bidder.

PHASE 1: NON-BINDING LOIs

Qualified Bidders and Delivery of Confidential Information Package

11. Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide to the Financial Advisor an NDA executed by it and a letter setting forth the identity of the Potential Bidder, the contact information for such Potential Bidder and full disclosure of the direct and indirect principals of the Potential Bidder. If a Potential Bidder has previously delivered an NDA and letter of this nature to the Applicants and the NDA remains in effect, the Potential Bidder is not required to deliver a new NDA or letter to the Financial Advisor unless otherwise requested by the Applicants.
12. A Potential Bidder (who has delivered the executed NDA and letter as set out above) will be deemed a “**Phase 1 Qualified Bidder**” if the Applicants and the Financial Advisor in their reasonable business judgment and in consultation with the Monitor determine such person is likely, based on the availability of financing, experience and other considerations, to be able to consummate a sale or investment pursuant to the SISP.
13. At any time during Phase 1 of the SISP, the Applicants and the Financial Advisor may, in their reasonable business judgment and after consultation with and the consent of the

Monitor, eliminate a Phase 1 Qualified Bidder from the SISP, in which case such bidder will be eliminated from the SISP and will no longer be a “Phase 1 Qualified Bidder” for the purposes of the SISP.

14. The Financial Advisor, with the assistance of the Applicants and in consultation with the Monitor, will (i) prepare and send to each Phase 1 Qualified Bidder a confidential information package providing additional information considered relevant to the Opportunity (the “**Confidential Information Package**”) and (ii) provide access to an electronic data room of due diligence information (the “**Data Room**”). The Financial Advisor, the Applicants, the Monitor and their respective advisors make no representation or warranty as to the information contained in the Confidential Information Package, the Data Room or otherwise made available pursuant to the SISP or otherwise, except to the extent expressly contemplated in any definitive sale or investment agreement with a successful bidder ultimately executed and delivered by the applicable Applicant.
15. The Applicants, in consultation with the Financial Advisor and the Monitor, reserve the right to limit any Phase 1 Qualified Bidder’s access to any confidential information (including any information in the Confidential Information Package or a data room) and to customers and suppliers of the Applicants, where, in the Applicants’ opinion after consultation with the Financial Advisor and the Monitor, such access could negatively impact the SISP, the ability to maintain the confidentiality of the confidential information, the Business or the Property.
16. Potential Bidders must rely solely on their own independent review, investigation and/or inspection of all information and of the Property and Business in connection with their participation in the SISP and any transaction they enter into with the Applicants.

Non-Binding Letters of Intent from Qualified Bidders

17. A Phase 1 Qualified Bidder that wishes to pursue the Opportunity further must deliver a non-binding letter of interest (an “**LOI**”) to the Financial Advisor at the addresses specified in Schedule “1” hereto (including by email transmission), so as to be received by them not later than 5:00 PM (Eastern Time) on or before June 6, 2025 (the “**Phase 1 Bid Deadline**”).

19. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified LOI. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.
20. Following the Phase 1 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor, will assess the Qualified LOIs. If it is determined by the Applicants and the Financial Advisor, in consultation with the Monitor, that a Phase 1 Qualified Bidder that has submitted a Qualified LOI: (i) has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be); and (ii) has provided satisfactory evidence of its financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided, then such Phase 1 Qualified Bidder will be deemed a “**Phase 2 Qualified Bidder**”, provided that the Applicants and the Financial Advisor may, in their reasonable business judgment and after consultation with and with the approval of the Monitor, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some bidders from the process) taking into account any material adverse impact on the operations and performance of the Applicants. Only Phase 2 Qualified Bidders shall be permitted to proceed to Phase 2 of the SISP. No Phase 1 Qualified Bidder that has submitted a Qualified LOI shall be deemed not to be a Phase 2 Qualified Bidder unless the Monitor so approves. The Stalking Horse Bidder shall automatically be considered as a Phase 2 Qualified Bidder.
21. In the event that no Phase 2 Qualified Bidder is selected (other than the Stalking Horse Bidder), the Stalking Horse Bid shall be deemed to be the Successful Bid and, for greater certainty, the SISP shall not proceed to an Auction.

22. The Applicants and the Financial Advisor, in consultation with the Monitor, shall in their reasonable business judgment and subject to competitive and other business considerations, afford each Phase 2 Qualified Bidder such access to due diligence materials and information relating to the Property and Business as they deem appropriate. Due diligence access may include management presentations, access to an electronic data room, on-site inspections, and other matters which a Phase 2 Qualified Bidder may reasonably request and as to which the Applicants and the Financial Advisor, in their reasonable business judgment and after consulting with the Monitor, may agree. The Financial Advisor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 2 Qualified Bidders and the manner in which such requests must be communicated. None of the Applicants, the Financial Advisor or the Monitor will be obligated to furnish any information relating to the Property or Business to any person other than to Phase 2 Qualified Bidders. Further and for the avoidance of doubt, selected due diligence materials may be withheld from

certain Phase 2 Qualified Bidders if the Applicants and the Financial Advisor, in consultation with the Monitor, determine such information to represent proprietary or sensitive competitive information.

Formal Binding Offers

23. A Phase 2 Qualified Bidder that wishes to make a formal offer to purchase or make an investment in the Applicants or the Property and Business shall submit a final and binding offer (a “**Bid**”) to the Financial Advisor at the addresses specified in Schedule “1” hereto (including by email transmission), so as to be received by them not later than 5:00 PM (Eastern Time) on or before June 27, 2025 (the “**Phase 2 Bid Deadline**”).

 - (b) in the case of a Sale Proposal, the Bid shall be accompanied by a redline to the Stalking Horse Agreement;
 - (c) the Bid (either individually or in combination with other bids that make up one Bid) is an offer to purchase or make an investment in some or all of the Property or Business and is consistent with any necessary terms and conditions communicated to Phase 2 Qualified Bidders;
 - (d) the Bid includes a letter stating that the Phase 2 Qualified Bidder’s offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the closing of the transaction with the Successful Bidder;
 - (e) the Bid includes duly authorized and executed transaction agreements, including the purchase price, investment amount and any other key economic terms expressed in United States dollars (the “**Purchase Price**”), together with all exhibits and schedules thereto, all applicable ancillary agreements with all exhibits and schedules thereto (or term sheets that describe the material terms and provisions of such agreements), and proposed order to approve the sale by the Court, together with blacklines to any model documents provided by the Applicants and uploaded onto the Data Room;
 - (f) the Bid provides for aggregate cash consideration, payable in full on closing, in an amount sufficient to fully satisfy all outstanding amounts secured by each of the Court-ordered charges granted in the CCAA Proceedings as of the date of closing (such amount, the “**Charge Payout Amount**”);
 - (g) the Bid includes written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction, that will allow the Applicants, with the assistance of the Financial Advisor, and the Monitor to make a determination as to the Phase 2 Qualified Bidder’s financial and other capabilities to consummate the proposed transaction;

- (h) the Bid is not conditioned on: (i) the outcome of unperformed due diligence by the Phase 2 Qualified Bidder, apart from, to the extent applicable, to the disclosure of due diligence materials that represent proprietary or sensitive competitive information which was withheld in Phase 2 from the Phase 2 Qualified Bidder; and/or (ii) obtaining financing;
- (i) the Bid fully discloses the identity of each entity that will be entering into the transaction or the financing (including through the issuance of debt in connection with such Bid), or that is participating or benefiting from such Bid, and such disclosure shall include, without limitation: (i) in the case of a Phase 2 Qualified Bidder formed for the purposes of entering into the proposed transaction, the identity of each of the actual or proposed direct or indirect equity holders of such Phase 2 Qualified Bidder and the terms and participation percentage of such equity holder's interest in such Bid; and (ii) the identity of each entity that has or will receive a benefit from such Bid from or through the Phase 2 Qualified Bidder or any of its equity holders and the terms of such benefit;
- (j) the Bid includes a commitment by the Phase 2 Qualified Bidder to provide a deposit in the amount of not less than 10% of the Purchase Price (the "**Deposit**") upon the Phase 2 Qualified Bidder being selected as the Successful Bidder or the Back-Up Bidder, which shall be promptly paid to the Monitor in trust following, and in any event, no later than two (2) days after, such selection, and shall be held by the Monitor in accordance with paragraph 38 of this SISP;
- (k) the Bid includes acknowledgements and representations of the Phase 2 Qualified Bidder that: (i) the transaction is on an "as is, where is" basis; (ii) it has had an opportunity to conduct any and all due diligence regarding the Property, Business and the Applicants prior to making its offer (apart from, to the extent applicable, the disclosure of due diligence materials that represent proprietary or sensitive competitive information which were withheld in Phase 2 from the Phase 2 Qualified Bidder); (iii) it has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Property in making its Bid; (iv) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Business, Property, or the Applicants or the completeness of any information provided in connection therewith, except as expressly stated in the definitive transaction agreement(s) signed by the Applicants;
- (l) the Bid includes evidence, in form and substance reasonably satisfactory to the Applicants, in consultation with the Financial Advisor, and to the Monitor, of authorization and approval from the Phase 2 Qualified Bidder's board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the transaction agreement(s) submitted by the Phase 2 Qualified Bidder;
- (m) the Bid contains other information required by the Applicants, the Financial Advisor or the Monitor including, without limitation, such additional information as may be required in the event that an auction of certain Property is to be conducted; and

- (n) the Bid is received by the Phase 2 Bid Deadline.
25. Following the Phase 2 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor, will assess the Bids received. The Applicants and the Financial Advisor, in consultation with the Monitor, will designate the most competitive Bids that comply with the foregoing requirements to be “**Qualified Bids**”. No Bids received shall be deemed not to be Qualified Bids unless the Monitor so approves. Only Phase 2 Qualified Bidders whose Bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s). The Stalking Horse Bid shall automatically be considered as a Qualified Bid for the purposes of this SISP and the Auction notwithstanding that it does not meet any one or more of the requirements set out in paragraph 24 (including, for greater certainty, the requirement to provide a Deposit). To the extent that no Qualified Bids (other than the Stalking Horse Bid) are received by the Phase 2 Bid Deadline for the Stalking Horse Assets, the Stalking Horse Bid shall be deemed to be the Successful Bid as it relates to the Stalking Horse Assets, and the SISP shall not proceed to an Auction.
26. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant Bids to be a Qualified Bid.
27. The Applicants may only designate a Bid as a Qualified Bid for the Stalking Horse Assets where the proposed Purchase Price is equal to or greater than that contained in the Stalking Horse Bid (including the amount of any Assumed Liabilities thereunder) plus the Charge Payout Amount (to the extent such amount is not duplicative of the Purchase Price contained in the Stalking Horse Bid) plus the Expense Reimbursement and Break Fee (each as defined in the Stalking Horse Agreement) plus \$500,000.
28. The Applicants and the Financial Advisor, may, in consultation with the Monitor, aggregate separate Bids from unaffiliated Phase 2 Qualified Bidders to create one “Qualified Bid”.

Selection of Successful Bid

29. A Qualified Bid will be valued based upon several factors, including, without limitation, items such as the Purchase Price and the net value provided by such bid, the composition of the consideration proposed to be used to satisfy the Purchase Price (it being understood that cash is a superior form of consideration and that credit bid consideration shall be considered equivalent to cash for these purposes), the claims likely to be created by such bid in relation to other bids, the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions, the proposed transaction documents, the effects of the bid on the stakeholders of the Applicants, factors affecting the speed, certainty and value of the transaction (including any regulatory approvals or third party contractual arrangements required to close the transactions), the assets included or excluded from the bid, any related restructuring costs, and the likelihood and timing of consummating such transactions, each as determined by the Applicants, with the assistance of the Financial Advisor, and the Monitor.
30. The Applicants and the Financial Advisor, in consultation with the Monitor, (a) will review and evaluate each Qualified Bid, provided that each Qualified Bid may be

negotiated between the Applicants, in consultation with the Financial Advisor and the Monitor, and the applicable Phase 2 Qualified Bidder, and may be amended, modified or varied to improve such Phase 2 Qualified Bid as a result of such negotiations, and (b) identify the highest or otherwise best bid (the “**Successful Bid**”), and the Phase 2 Qualified Bidder making such Successful Bid, the “**Successful Bidder**”) for any particular Property or the Business in whole or part. The determination of any Successful Bid by the Applicants, with the assistance of the Financial Advisor and the Monitor, shall be subject to approval by the Court.

31. The Applicants, with the assistance of the Financial Advisor and the Monitor, may conditionally accept one or more Qualified Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid(s) to close (the “**Back-up Bid**” and the Phase 2 Qualified Bidder making such Back-up Bid, the “**Back-Up Bidder**”). The determination of any Successful Bid by the Applicants, with the assistance of the Financial Advisor and the Monitor, shall be subject to approval by the Court. The Stalking Horse Bid shall not be required to serve as a Back-Up Bid.
32. In the event there is more than one Qualified Bid, in addition to the Court-approved Stalking Horse Bid, then, no later than 5:00 p.m. (prevailing Eastern Time) on June 30, 2025, the Applicants and the Financial Advisor, in consultation with the Monitor, may determine the Successful Bid or may determine that the Successful Bid will be identified through an Auction (provided that the Applicants and the Financial Advisor may not designate a Bid providing for the purchase and sale of any Stalking Horse Assets that is not the Stalking Horse Bid as the Successful Bid without first holding the Auction). Any such Auction will be conducted in accordance with procedures to be determined by the Applicants and the Financial Advisor, acting reasonably, and in consultation with the Monitor, and notified to the applicable Qualified Bidders no less than 24 hours prior to the commencement of the Auction. Other than the Stalking Horse Bidder, in order to participate in the Auction, all Qualified Bidders must satisfy the Monitor of their ability to deliver a deposit top-up equivalent to the Expense Reimbursement and Break Fee, in the event that such Qualified Bidder’s Bid is the Successful Bid. Any such Auction will commence at a time to be designated by the Applicants and the Financial Advisor, no later than 12:00 p.m. (prevailing Eastern Time) on July 2, 2025, or such other date or time as may be determined by the Applicants and the Financial Advisor, in consultation with the Monitor, acting reasonably, and such Auction may, in the discretion of the Monitor, be held virtually via videoconference, teleconference or such other reasonable means as the Applicants and Monitor deems appropriate, in consultation with the Monitor.
33. If the Applicants and Financial Advisor, in consultation with the Monitor, do not designate an Auction, the Successful Bid(s) and the Back-Up Bid(s) will be selected by no later than 5:00 p.m. (prevailing Eastern Time) on June 30, 2025. If the Applicants and Financial Advisor designate an Auction, the Successful Bid(s) and the Back-Up Bid(s) will be selected by no later than 5:00 p.m. (prevailing Eastern Time) on July 2, 2025. The Successful Bid(s) must close no later than the Outside Date. If any Back-Up Bid is identified in accordance with this SISP, then such Back-Up Bid shall remain open until the date (the “**Back-Up Bid Outside Date**”) on which the transaction contemplated by the respective Successful Bid is consummated or such earlier date as the Applicants and Financial Advisor, in consultation with the Monitor, determines. If the transactions contemplated by a Successful Bid have not closed by the Outside Date or a Successful Bid is terminated for any reason prior to the Outside Date, then the Applicants and

Financial Advisor may elect, in consultation with the Monitor, to proceed with completing the transactions contemplated by a Back-Up Bid and will promptly seek to close the transaction contemplated by such Back-Up Bid. In such event, the applicable Back-Up Bid will be deemed to be a Successful Bid.

34. The Applicants shall have no obligation to enter into a Successful Bid (provided that nothing herein affects the Applicants' obligations under the Stalking Horse Agreement), and they reserve the right, after consultation with the Monitor and the Financial Advisor, to reject any or all Phase 2 Qualified Bids (save and except for the Stalking Horse Bid). If no other Phase 2 Qualified Bidder is chosen as the Successful Bid for the Stalking Horse Assets, the Stalking Horse Bid shall be the Successful Bid as it relates to the Stalking Horse Assets.

Approval of Successful Bid

35. The Applicants will bring one or more motions before the Court and the U.S. Court (each such motion, an "**Approval Motion**") for one or more orders:
- (a) approving the Successful Bid(s) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required thereby (and such order shall also approve the Back-Up Bid(s), if any, should the applicable Successful Bid(s) not close for any reason);
 - (b) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by the applicable Successful Bid(s) to vest title to any purchased assets in the name of the Successful Bidder(s) and/or vesting unwanted liabilities out of one or more of the Applicants; and
 - (c) granting an order pursuant to section 363 of the U.S. Bankruptcy Code with respect to any Property in the United States (collectively, the "**Approval Order(s)**").
36. The Approval Motion(s) will be held on date(s) to be scheduled by the Applicants and confirmed by the Court and the U.S. Court, as applicable. The Applicants, in consultation with the Monitor and the Stalking Horse Bidder, may adjourn or reschedule any Approval Motion without further notice, by an announcement of the adjourned or rescheduled date at the applicable Approval Motion or in a notice to the service list of the CCAA Proceedings prior to the applicable Approval Motion.
37. All Qualified Bids (other than the Successful Bid(s) but including the Back-Up Bid(s)) will be deemed rejected on and as of the date of the closing of the final Successful Bid, with no further or continuing obligation of the Applicants to any unsuccessful Qualified Bidders, other than the obligation to pay the Expense Reimbursement and Break Fee (each as defined in the Stalking Horse Agreement) in the case of the Stalking Horse Bidder.
38. Any Deposit(s) shall be held by the Monitor in a single interest bearing account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the applicable Successful Bid. Deposits, and any interest thereon, paid by Phase 2 Qualified Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned

to such Phase 2 Qualified Bidders within three (3) business days of Court approval of the Successful Bid(s). In the case of Back-Up Bid(s), the Deposit and any interest earned thereon shall be retained by the Monitor until the Back-Up Bid Outside Date and returned to the Back-Up Bidder within three (3) business days thereafter or, if a Back-Up Bid becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the transaction contemplated by the Back-Up Bid.

Confidentiality, Stakeholder/Bidder Communication and Access to Information

39. All discussions regarding an LOI, Bid, Sale Proposal or Investment Proposal must be directed through the Financial Advisor. Under no circumstances should the management of the Applicants or any stakeholder of the Applicants be contacted directly without the prior consent of the Financial Advisor. Any such unauthorized contact or communication could result in exclusion of the interested party from the SISP process.
40. Participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Phase 1 Qualified Bidders, Phase 2 Qualified Bidders, Phase 2 Qualified Bids, the details of any bids submitted or the details of any confidential discussions or correspondence between the Applicants, the Financial Advisor, the Monitor and such other bidders or Potential Bidders in connection with the SISP, except to the extent the Applicants and the Financial Advisor, with the approval of the Monitor and consent of the applicable participants, are seeking to combine separate bids from Phase 1 Qualified Bidders or Phase 2 Qualified Bidders.
41. The Financial Advisor, in consultation with the Monitor, may consult with the legal and financial advisers to parties with a material interest in the CCAA proceedings regarding the status of the SISP to the extent considered appropriate (subject to taking into account, among other things, whether any particular party is a Potential Bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder or other participant or prospective participant in the SISP or involved in a bid), provided that any such party has entered into confidentiality arrangements satisfactory to the Applicants.

Supervision of the SISP

42. The participation of the Applicants in the SISP will be directed by the CRO, subject to ongoing direction from the Applicants' board of directors.
43. The Monitor will participate in the conduct of the SISP in the manner set out in this SISP Process Outline and the Initial Order and is entitled to receive all information in relation to the SISP.
44. This SISP does not, and will not be interpreted to create any contractual or other legal relationship between the Applicants and any Phase 1 Qualified Bidder, any Phase 2 Qualified Bidder or any other party, other than as specifically set forth in a definitive agreement that may be signed with the Applicants.
45. Without limiting Section 44, the Applicants, the Financial Advisor and the Monitor shall not have any liability whatsoever to any person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder, as a result of implementation or

otherwise in connection with this SISP, except to the extent that any such liabilities result from the gross negligence or wilful misconduct of the Applicants, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court. Further, no person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder shall have any claim against the Applicants, the Financial Advisor or the Monitor in respect of the SISP for any reason whatsoever, except to the extent that such claim is the result of gross negligence or wilful misconduct by the Applicants, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court.

46. Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the submission of any LOI, Phase 2 bid, due diligence activities, and any further negotiations or other actions whether or not they lead to the consummation of a transaction.
47. The Applicants and the Financial Advisor shall have the right to modify the SISP with the prior written approval of the Monitor and consultation with the Stalking Horse Bidder if, in their reasonable business judgment, such modification will enhance the process or better achieve the objectives of the SISP; provided that the Service List in this CCAA Proceeding shall be advised of any substantive modification to the procedures set forth herein.
48. All bidders shall be deemed to have consented to the jurisdiction of the Court (and the U.S. Court, if applicable) in connection with any disputes relating to the SISP, including the qualification of bids, the construction and enforcement of the SISP, and closing, as applicable.

Upon the motion dated May 16, 2025 (the “Motion”)¹ of the Foreign Representative for recognition and granting of full force and effect to the Canadian Court’s Amended and Restated Initial Order (*i.e.*, the ARIO), including the DIP Facility, pursuant to sections 105(a), 364, 1507, 1521 and 1522 of the Bankruptcy Code; and upon this Court’s review and consideration of the Motion, the Verified Petition, the Aziz Declaration and the May 16 Aziz Declaration; and this Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. §§ 157 and 1334, and 11 U.S.C. §§ 109 and 1501, and the *Amended Standing Order of Reference to Bankruptcy Judges of the District Court for the Southern District of New York*, dated January 31, 2012 (Preska, C.J.); and consideration of the Motion and the relief requested therein being a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(P); and venue being proper before this Court pursuant to 28 U. S.C. § 1410(1) and (3); and a hearing (the “Hearing”) having been held on May 23, 2025 to consider the relief requested in the Motion; and appropriate, sufficient and timely notice of the Motion and the Hearing having been given; and upon the record established at the Hearing, it appearing that the relief requested in the Motion is is in the best interests of the

¹ Capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to them in the Motion.

Chapter 15 Debtors, their creditors, and other parties in interest and that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon the record, and due and sufficient cause appearing therefor,

BASED UPON THE RECORD ESTABLISHED AT THE HEARING ON THE MOTION; THE COURT HEREBY MAKES THE FOLLOWING FINDINGS OF FACT AND CONCLUSIONS OF LAW:

A. On May 22, 2025, the Canadian Court granted the Amended and Restated Initial Order (the “**ARIO**”), a copy of which is attached hereto as **Exhibit 1**, which, among other things, authorized the Chapter 15 Debtors (i) to obtain and borrow under a credit facility (the “**DIP Facility**”) from Glencore International AG (the “**DIP Lender**”), on the terms and subject to the conditions set forth in the DIP Term Sheet between the Chapter 15 Debtors and the DIP Lender dated as of May 14, 2025 (the “**DIP Term Sheet**”) in an amount not to exceed USD \$10.5 million unless permitted by further Order of the Canadian Court, and granted the DIP Lender a charge against the Property (as defined in the ARIO) as security for all amounts outstanding under the DIP Facility, (ii) to execute and deliver such credit agreements, mortgages, charges, hypothecs and security documents, guarantees and other definitive documents (collectively, the “**Definitive Documents**”), as are contemplated by the DIP Term Sheet or as may be reasonably required by the DIP Lender pursuant to the terms thereof, and (iii) to pay and perform all of their indebtedness, interest, fees, liabilities and obligations to the DIP Lender under and pursuant to the DIP Term Sheet and the Definitive Documents as and when the same become due and are to be performed, notwithstanding any other provision of this Order or the ARIO.

B. In the ARIO, the Canadian Court requested the aid and recognition of courts in the United States in enforcing and carrying out the relief granted in the ARIO.

C. The relief granted herein is necessary to implement the ARIO as it relates to the Chapter 15 Debtors and their Property (as defined in the ARIO), including their Property located

in the jurisdiction of the United States (“**U.S. Property**”) and is a condition precedent to the Chapter 15 Debtors’ ability to draw on the DIP Facility.

D. It appears from the ARIO and other papers submitted to the Court that the terms of the proposed DIP Facility were filed with the Canadian Court on or about May 16, 2025.

E. The Foreign Representative has asked for recognition of the ARIO and, in connection therewith, for recognition, enforcement and approval of the DIP Financing pursuant to sections 363, 364, 1520(a) and 1521(a)(7) of the Bankruptcy Code.

F. The Foreign Representative has demonstrated, and his showings are verified by the findings of the Canadian Court, that (i) the Chapter 15 Debtors are unable to obtain the requisite financing on an unsecured basis (even if such unsecured credit were to be a superpriority administrative expense), (ii) the DIP Facility is necessary to preserve and maximize the values of the Chapter 15 Debtors’ assets, to permit the orderly conduct of the Sale Process, and to prevent irreparable harm to the Chapter 15 Debtors and their estates, (iii) the terms of the DIP Facility are fair, reasonable, and adequate, given the circumstances and in the Chapter 15 Debtors’ reasonable business judgment, (iv) the Chapter 15 Debtors are unable to obtain credit that does not have the priority set forth in the ARIO, (v) the terms of the DIP Facility were entered into in good faith by the Chapter 15 Debtors and the DIP Lender, and (vi) the DIP Lender will not extend credit pursuant to the DIP Facility without the protections contained in this Order.

G. The relief granted hereby is necessary and appropriate, in the interests of the public and international comity, consistent with the public policy of the United States, and warranted under 11 U.S.C. §§ 105(a), 362, 363, 364, 365(e), 1507, 1509, 1517, 1520, 1521 and 1522, and will not cause hardship to creditors of the Chapter 15 Debtors or other parties in interests that is not outweighed by the benefits of granting the relief.

NOW, THEREFORE, based on the foregoing the Motion of the Foreign Representative and the record before this Court with respect to the Motion and the record made during the Hearing, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.
2. The relief granted in the ARIO is hereby recognized, enforceable and given full force and effect, on a final basis, with respect to the Chapter 15 Debtors and the Property, including the U.S. Property, including, for the avoidance of doubt, the authority to pay, withhold, or deduct any taxes, levies, duties or other charges owing to governmental authorities in the United States consistent with the DIP Term Sheet and the ARIO.
3. The relief granted in the ARIO with respect to the DIP Facility pursuant to, and consistent with, the ARIO and the DIP Term Sheet, and the indemnity contained therein, is hereby recognized and given force and effect on the terms set forth in the ARIO.
4. Pursuant to the ARIO, the DIP Lender shall be entitled to the benefit of and is thereby granted a charge (the “**DIP Lender’s Charge**”) on the Property, including the U.S. Property, as security for all of the Chapter 15 Debtors’ obligations owing to the DIP Lender under the DIP Facility (including, without limitation, in respect of any principal, interest, fees and similar amounts thereunder). The DIP Lender’s Charge shall have the priority set out in paragraphs 64 and 66 of the ARIO.
5. The Chapter 15 Debtors are authorized to obtain financing in accordance with, and in the amounts set forth in, the ARIO. In connection therewith, the Court recognizes and shall enforce the DIP Lender’s Charge, which applies to all of the Chapter 15 Debtors’ assets, including

assets located in the United States, subject to the priorities, terms, and conditions of the ARIO, to secure current and future amounts outstanding under the DIP Facility.

6. Subject to paragraph 64 of the ARIO, Section 364 of the Bankruptcy Code is applicable with respect to each of the Chapter 15 Debtors and the Property of each of the Chapter 15 Debtors that is within the territorial jurisdiction of the United States. For the avoidance of doubt and without limiting the generality of the foregoing, this Order shall grant liens and security interests in the Chapter 15 Debtors' Property located within the territorial jurisdiction of the United States pursuant to section 364(d)(1) of the Bankruptcy Code in respect of, and in accordance with, the Administration Charge, the Directors' Charge, the CRO Charge, the KERP Charge, the DIP Lenders' Charge, the Transaction Fee Charge and the Intercompany Charge with the priority and to the extent of the amounts set forth in paragraph 64 of the ARIO.

7. Notwithstanding any other provision of this Order or the ARIO:

- (a) the DIP Lender may, but is not obligated to, take such steps from time to time as it may deem necessary or appropriate to file, register, record or perfect the DIP Lender's Charge, the DIP Facility or any of the Definitive Documents;
- (b) upon the occurrence of an event of default under the DIP Facility, the Definitive Documents or the DIP Lender's Charge, the DIP Lender, upon five business days notice to the Chapter 15 Debtors and the Monitor, may exercise any and all of its rights and remedies against the Chapter 15 Debtors or the Property, including the U.S. Property, under or pursuant to the ARIO, the DIP Facility, Definitive Documents and the DIP Lender's Charge, including,

without limitation, to: (i) terminate the commitments under the DIP Facility; (ii) cease making advances to the Chapter 15 Debtors; (iii) set off and/or consolidate any amounts owing by the DIP Lender to the Chapter 15 Debtors against the obligations of the Chapter 15 Debtors to the DIP Lender under the DIP Term Sheet, the Definitive Documents or the DIP Lender's Charge; (iv) accelerate, and/or make a demand for immediate payment of, any or all obligations outstanding thereunder; (v) give any other notices that the DIP Lender considers necessary or desirable; and/or (vi) apply to this Court for the appointment of a receiver, receiver and manager or interim receiver, or for a bankruptcy order against the Chapter 15 Debtors and for the appointment of a trustee in bankruptcy of the Chapter 15 Debtors; and

- (c) the foregoing rights and remedies of the DIP Lender shall be enforceable against any trustee in bankruptcy, interim receiver, receiver or receiver and manager of the Chapter 15 Debtors or the Property.

8. The DIP Lender shall be treated as unaffected and may not be compromised in any Plan or in any other proceeding commenced under the CCAA, the BIA or the Bankruptcy Code in respect of the Chapter 15 Debtors, with respect to any advances made under the Definitive Documents.

9. If any of the provisions of this Order or the ARIO in connection with the Definitive Documents or the DIP Lender's Charge are subsequently stayed, modified, varied, amended,

reversed or vacated in whole or in part (collectively, a “**Variation**”), such Variation shall not in any way impair, limit or lessen the priority, protections, rights or remedies of the DIP Lender, whether under this Order (as made prior to the Variation), under the DIP Term Sheet or the Definitive Documents with respect to any advances made or obligations incurred prior to the DIP Lender being given notice of the Variation, and the DIP Lender shall be entitled to rely on this Order as issued (including, without limitation, the DIP Lender’s Charge) for all advances so made and other obligations set out in the DIP Term Sheet and the Definitive Documents.

10. The claims of the DIP Lender under the DIP Facility to the extent of the DIP Lender’s Charge shall be secured by perfected super-priority liens in all Property (collectively, the “**DIP Liens**”) and (to the extent that claims against the Chapter 15 Debtors are adjudicated or paid within the territorial jurisdiction of the United States) shall be allowed super-priority administrative expense claims against the Chapter 15 Debtors with priority over all other liens in the U.S. Property or claims of any kind against the Chapter 15 Debtors (to the extent that claims against the Chapter 15 Debtors are adjudicated or paid within the territorial jurisdiction of the United States), now existing or hereafter arising, subject only to, and consistent with, the rank and priorities and amounts set forth in the ARIO. For the avoidance of doubt, and as provided in paragraph 66 of the ARIO, the DIP Liens shall be subordinate to any valid and enforceable liens against the U.S. Property in favor of carriers, warehousemen, mechanics, materialmen, workmen, and repairmen and other liens that are inchoate or statutory under applicable law in each case held by any Person other than the DIP Lender’s affiliates, excluding any liens which are determined by a court to be void or voidable under applicable law.

11. Within the territorial jurisdiction of this Court, this Order shall be sufficient and conclusive notice and evidence of the grant, validity, perfection, and priority of the DIP Liens

without the necessity of executing any guarantee, security or other document or filing or recording of this Order or any financing statement, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction; provided that the Chapter 15 Debtors are authorized to execute, and the DIP Lender may, within the territorial jurisdiction of this Court, file or record, this Order, any financing statements, mortgages, other instruments or any other document to further evidence the liens authorized, granted, and perfected hereby and by the ARIO.

12. To the extent this Court's approval is required, the Chapter 15 Debtors are hereby authorized and empowered to execute and deliver the DIP Term Sheet and the Definitive Documents, as applicable, and the Chapter 15 Debtors are hereby authorized to pay and perform all of their indebtedness, interest, fees, liabilities, and obligations to the DIP Lender due under and pursuant to the DIP Facility, the DIP Term Sheet, and the Definitive Documents and ARIO including, but not limited to, the fees and expenses of the DIP Lender's Canadian and United States counsel, and other advisors, as and when the same become due and are to be performed, notwithstanding any other provision of this Order and without any further order of this Court.

13. The terms of the DIP Facility have been negotiated in good faith and at arm's length between the Chapter 15 Debtors and the DIP Lender. Any financial accommodations made to the Chapter 15 Debtors by the DIP Lender in connection with and pursuant to the DIP Facility (pursuant to, and consistent with, the ARIO), whether prior to or after entry of this Order, shall be deemed to have been made by the DIP Lender in good faith, as that term is used in section 364(e) of the Bankruptcy Code. Accordingly, pursuant to sections 364(e), 1519(a)(3), 1521(a)(7), and 105(a) of the Bankruptcy Code, section 364(e) of the Bankruptcy Code hereby applies for the benefit of the DIP Lender, and the validity of the indebtedness, and the DIP Liens and the priority

and perfection thereof pursuant to the ARIO, shall not be affected by any reversal or modification of this Order on appeal.

14. No action, inaction or acquiescence by the DIP Lender, including, without limitation, funding the Chapter 15 Debtors' ongoing operations consistent with this Order and the ARIO, shall be deemed to be or shall be considered as evidence of any alleged consent by the DIP Lender to a charge against U.S. Property pursuant to sections 506(c), 552(b) or 105(a) of the Bankruptcy Code. To the extent consistent with the ARIO and the CCAA, with respect to the U.S. Property, the DIP Lender shall not be subject in any way whatsoever to (i) the equitable doctrine of "marshaling" or any similar doctrine with respect to the collateral, (ii) subject to the Administration Charge and section 506(c), which the Chapter 15 Debtors waive with respect to the DIP Lender, and (iii) the "equities of the case" exception found within section 552(b).

15. Pursuant to 11 U.S.C. § 1520(a)(1), the automatic stay authorized by 11 U.S.C. § 362 shall apply with respect to the Chapter 15 Debtors and the U.S. Property; *provided however*; the foregoing relief shall not abridge or modify, and shall rather in all respects be subject to, the rights and protections of the DIP Lender as provided by this Order.

16. Pursuant to 11 U.S.C. 11 U.S.C. § 1520(a)(1), the automatic stay authorized by 11 U.S.C. § 362 shall apply with respect to the Chapter 15 Debtors and the U.S. Property; *provided however*; the foregoing relief shall not abridge or modify, and shall rather in all respects be subject to, the rights and protections of the DIP Lender as provided by this Order.

17. Notwithstanding any provision in the Bankruptcy Rules to the contrary, including, but not limited to, Bankruptcy Rules 7062 and 1018, (i) this Order shall be effective immediately and enforceable upon its entry; (ii) the Foreign Representative and the DIP Lender are not subject to any stay in the implementation, enforcement or realization of the relief granted in this Order;

and (iii) the Foreign Representative and the Chapter 15 Debtors are authorized and empowered, and may in their discretion and without further delay, take any action and perform any act necessary to implement and effectuate the terms of this Order.

18. For the avoidance of doubt and notwithstanding any stay under Section 362 of the Bankruptcy Code applicable in these Chapter 15 Cases or any other stay imposed by any Order of this Court, paragraph 17(iv) of the ARIO (numbered as paragraph 15(iv) in the Initial Order dated May 14, 2025) is hereby recognized, enforceable and given full force and effect, on a final basis, *provided*, that the Chapter 15 Debtors reserve all rights to challenge any claim or lien registered or otherwise asserted against the Chapter 15 Debtors or their property.

19. This Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation and/or enforcement of this Order.

provided however that nothing herein shall exempt the BlueTree, the CRO or the CFO from any duty to report or make disclosure imposed by applicable Environmental Legislation.

35. **THIS COURT ORDERS** that BlueTree, the CRO and the CFO shall not have any liability with respect to any losses, claims, damages or liabilities, of any nature or kind, to any Person from and after the Initial Filing Date except to the extent such losses, claims, damages or liabilities result from the gross negligence or wilful misconduct on the part of the CRO or CFO.

**AFFIDAVIT OF WILLIAM E. AZIZ
(Sworn May 16, 2025)**

I, William E. Aziz, of the Town of Oakville, in the Province of Ontario, MAKE OATH
AND SAY:

1. I am the President of BlueTree Advisors Inc., which has been retained by Li-Cycle Holdings Corp. (“**Holdings**”) to provide my services as the Chief Restructuring Officer (“**CRO**”) of Li-Cycle.¹
2. My appointment as the CRO of Holdings was approved pursuant to the Initial Order granted by the Ontario Superior Court of Justice (Commercial List) (the “**CCAA Court**”) on May 14, 2025, under the *Companies’ Creditors Arrangement Act* (“**CCAA**”). A copy of the Initial Order is attached hereto as **Exhibit “A”**.
3. As the CRO of Li-Cycle since May 1, 2025, I am familiar with the current operations, financial results and strategies of the Applicants. As such, I have personal knowledge of the

¹ For ease of reference, the Applicants and their subsidiaries will be collectively referred to herein as “**Li-Cycle**”.

matters to which I depose in this affidavit. Where I do not possess personal knowledge, I have stated the source of my knowledge and believe it to be true.

4. This affidavit is sworn in support of a motion by the Applicants pursuant to the CCAA seeking:

- (a) an order (the “**Amended and Restated Initial Order**”), substantially in the form of the draft order included at Tab 2 of the Motion Record, among other things:
 - (i) amending and restating the Initial Order to provide relief relating to these CCAA proceedings that was not reasonably required prior to the comeback hearing on May 22, 2025 (the “**Comeback Hearing**”), such as the right to file a plan of arrangement and pursue a restructuring, and powers of the Monitor relating thereto;
 - (ii) extending the Stay of Proceedings (as defined below) to July 7, 2025;
 - (iii) approving a \$10.5 million debtor-in-possession credit facility (the “**DIP Facility**”) from Glencore International AG (the “**DIP Lender**”) and authorizing the Applicants to borrow thereunder to finance their working capital requirements, support the operations of their European subsidiaries and other general corporate purposes, post-filing expenses and costs, and granting the DIP Lender a court-ordered charge (the “**DIP Lender’s Charge**”) as security for the Applicants’ indebtedness under the DIP Facility;

- (iv) approving the Applicants' key employee retention plan (the "**KERP**") and granting the KERP Charge (as defined below); and
 - (v) authorizing the Applicants to pay certain pre-filing amounts owing to critical suppliers, with the consent of the Monitor and in accordance with the Budget (as defined in the DIP Term Sheet), to ensure ongoing supply.
- (b) an order approving the sale and realization process for the Applicants' assets (the "**Sale and Realization Process Order**"), substantially in the form of the draft order included at Tab 5 of the Motion Record, among other things:
- (i) approving a sale and investment solicitation process for the Property and Business of the Applicants (the "**SISP**");
 - (ii) authorizing the Applicants to implement the SISP, with the assistance of Alvarez & Marsal Canada Securities ULC (the "**Financial Advisor**") and supervised by Alvarez & Marsal Canada Inc. ("**A&M**"), in its capacity as the Court-appointed monitor of the Applicants (in such capacity, the "**Monitor**");
 - (iii) authorizing and approving the Applicants' execution of the equity and asset purchase agreement dated May 14, 2025 (the "**Stalking Horse Agreement**"), among all of the Applicants except Li-Cycle Inc. (the "**Sellers**") and Glencore Canada Corporation (the "**Stalking Horse Bidder**"), and approving the Stalking Horse Agreement solely for the

purposes of acting as the stalking horse bid in the SISP (the “**Stalking Horse Bid**”);

- (iv) approving the payment of the Expense Reimbursement and Break Fee (as defined below) (collectively, the “**Bid Protections**”) to the Stalking Horse Bidder in the event that another transaction is selected as the Successful Bid in the SISP, and granting a court-ordered charge (the “**Bid Protections Charge**”) as security for payment of the Bid Protections;
- (v) approving the anticipated agreement (the “**Liquidation Agreement**”) between Holdings and Tiger Capital Group, LLC (the “**Liquidation Consultant**”) which will be addressed in a supplementary affidavit; and
- (vi) authorizing the Applicants to commence the Realization Process for the Liquidation Property, with the assistance of the Liquidation Consultant, which will be addressed in a supplementary affidavit.

5. All dollar references herein are U.S. dollars unless otherwise referenced.

6. The affidavit of Ajay Kochhar dated May 12, 2025 (the “**Kochhar Affidavit**”) was previously filed in support of the Initial Order application. The Kochhar Affidavit also addresses the following relief sought by the Applicants in the Amended and Restated Initial Order, which will not be addressed again herein to prevent duplication:

- (a) granting the Transaction Fee Charge in the maximum amount of \$1 million; and

(b) increasing the Administration Charge from \$2 million to \$2.5 million.

7. The Kochhar Affidavit is included at Tab 2 of the Application Record dated May 12, 2025. All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Kochhar Affidavit.

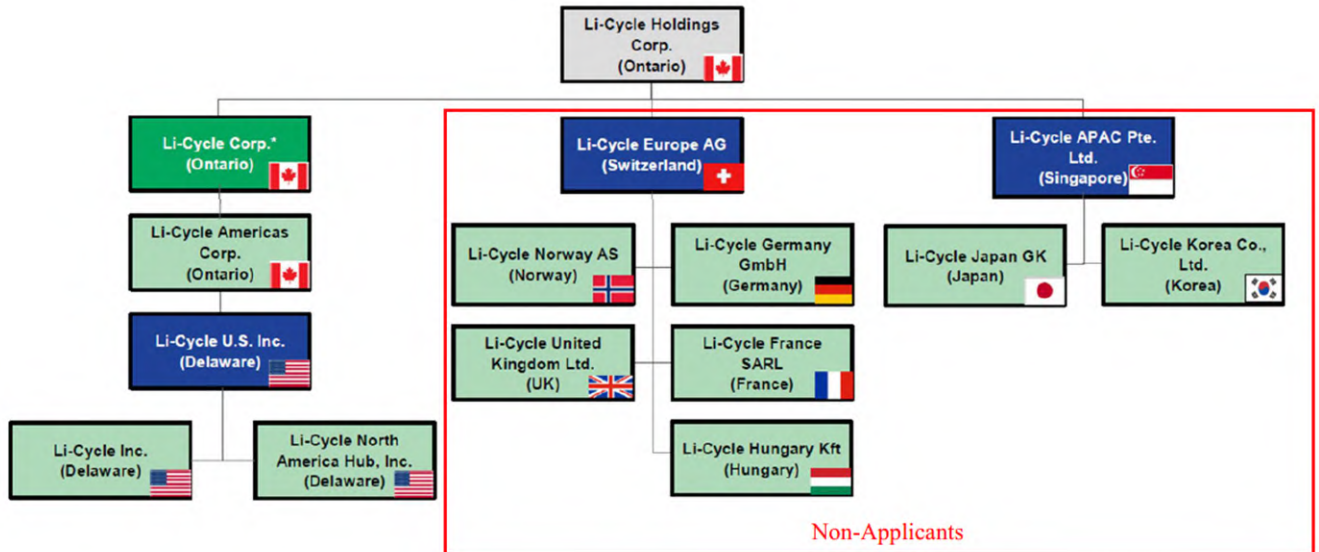

I. BACKGROUND AND STATUS OF THESE CCAA PROCEEDINGS

8. Li-Cycle is a global lithium-ion battery resource recovery company headquartered in Toronto, Ontario. Using its patent-protected Spoke & Hub Technologies™, Li-Cycle aims to recycle all different types of lithium-ion batteries, recovering critical battery-grade materials to create a closed-loop battery supply chain for a clean energy future.

9. Li-Cycle's "Spokes" are pre-processing facilities where Li-Cycle recycles battery manufacturing scrap and end-of-life batteries to produce, among other things, black mass containing valuable metals. Li-Cycle has one operating Spoke in Germany and four Spokes where operations are currently suspended in Ontario, New York, Arizona and Alabama.

10. Li-Cycle's planned "Hubs" are post-processing facilities where Li-Cycle would plan to process black mass to produce critical battery-grade materials which could then be used in the manufacture of batteries. Li-Cycle's first commercial Hub is partially constructed in Rochester, New York. Construction work on that Hub has been suspended since October 2023.

11. The Spokes and Hubs are managed from Li-Cycle's global head office in Toronto. The following is an organizational chart of the Applicants and their affiliates and a chart summarizing the key assets and operations of each Applicant:

Entity	Short Name	Incorporated	Assets and Operations
Applicants			
Li-Cycle Holdings Corp.	“Holdings”	Ontario	Public holding company, holds cash
Li-Cycle Corp.	“Global HQ”	Ontario	Operates global head office in Toronto, owns IP
Li-Cycle Americas Corp.	“Canada SpokeCo”	Ontario	Spoke in Kingston, ON
Li-Cycle U.S. Inc.	“North America OpCo”	Delaware	Commercial entity that sources inputs for, and sells the output from, the Spokes and future Hubs in Canada and US
Li-Cycle Inc.	“US SpokeCo”	Delaware	Spokes in Rochester, NY, Gilbert AZ and Tuscaloosa, AB
Li-Cycle North America Hub, Inc.	“US HubCo”	Delaware	Hub in Rochester, NY
Material Non-Applicants			

Entity	Short Name	Incorporated	Assets and Operations
Li-Cycle Europe AG	“ Europe Parent ”	Switzerland	Commercial entity that sources inputs for, and sells the output from, the Germany Spoke
Li-Cycle Germany GmbH	“ Germany SpokeCo ”	Germany	Spoke in Sülzetal, Germany

12. As a result of the numerous challenges that Li-Cycle encountered since the Fall of 2023 that severely strained its liquidity, which are described in detail in the Kochhar Affidavit, Li-Cycle determined that it was necessary and appropriate to commence these proceedings to obtain the breathing space necessary to maximize value for all of its stakeholders.

13. On May 14, 2025, the Honourable Justice Conway granted the Initial Order pursuant to the CCAA including, among other things:

- (a) granting a stay of proceedings until May 22, 2025 (the “**Stay Period**”);
- (b) appointing A&M as the Monitor;
- (c) approving my engagement as CRO and approving the engagements of (i) Michelle T. Faysal to act as interim chief financial officer, (ii) the Financial Advisor to assist with the SISP, and (iii) Maplebriar Holdings Inc. to provide the services of Mr. Kochhar to assist with the SISP;
- (d) authorizing the Applicants to continue to make Intercompany Advances to the other Applicants, with the consent of the Monitor;

- (e) granting the following charges over the Property:
 - (i) the Administration Charge (to the maximum amount of \$2 million);
 - (ii) the Directors' Charge (to a maximum amount of \$450,000); and
 - (iii) the Intercompany Charge (to the maximum amount of \$1 million);
- (f) authorizing the Applicants to incur no further expenses for the duration of the Stay Period in relation to any Securities Filings that may be required by the Securities Provisions; and
- (g) appointing me as the foreign representative, including to obtain recognition of these proceedings and the Initial Order pursuant to Chapter 15 of the U.S. Bankruptcy Code.

14. Since the granting of the Initial Order, the Applicants have acted in good faith and with due diligence to stabilize the business and advance their restructuring objectives. In this regard, the Applicants have, with the assistance of the Monitor, among other things:

- (a) commenced the Chapter 15 Proceedings (as defined and detailed further below) and obtained an interim stay of proceedings in the United States;
- (b) issued a press release on May 14, 2025 announcing, among other things, the commencement of these CCAA proceedings, a copy of which is attached hereto as **Exhibit "B"**;
- (c) apprised all employees of the commencement of these CCAA proceedings;

- (d) contacted suppliers, landlords, customers and other stakeholders to apprise them of the commencement of these CCAA proceedings;
- (e) worked with the Monitor to respond to inquiries from the above stakeholders regarding these CCAA proceedings;
- (f) assisted the Monitor in preparing and delivering notices to creditors and other stakeholders in accordance with the Initial Order;
- (g) served a copy of the Initial Order on plaintiffs' counsel in the New York Securities Action, the Ontario Securities Action and the New York Derivative Action;
- (h) negotiated and executed the Liquidation Agreement (as defined below); and
- (i) prepared materials in support of the within motion.

II. CHAPTER 15 PROCEEDINGS

15. Shortly after the Initial Order was granted on May 14, 2025, in my capacity as foreign representative of the Applicants, I filed a Verified Petition for recognition of the CCAA Proceedings under the U.S. Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the “**U.S. Court**”) for Holdings, North America Opco, US SpokeCo and US HubCo (together, the “**Chapter 15 Debtors**”) and a motion seeking emergency provisional relief (the “**Ex Parte Motion**”).

16. Specifically, the Ex Parte Motion sought approval of an order:

- (a) staying any act seeking to (a) assert control over, execute against, possess, or repossess any of the Chapter 15 Debtors' US assets; (b) alter, terminate or interfere with the Chapter 15 Debtors' business or contractual rights; or (c) commence or continue any U.S. litigation against the Chapter 15 Debtors between May 14, 2025 and the date of the hearing to consider the recognition of the CCAA Proceedings in the US Court (the "**Recognition Hearing**"); and
- (b) shortening the notice period required under the U.S. Bankruptcy Code for scheduling the Recognition Hearing.

17. On May 14, 2025, the U.S. Court granted the requested order (the "**Ex Parte U.S. Order**") granting provisional relief staying execution against the U.S. assets and business operations of the Chapter 15 Debtors and shortening the applicable notice period such that the Recognition Hearing will be held on May 23, 2025 at 11:00 a.m. (Eastern Time) in anticipation of seeking recognition of any orders approved by this Court at the Comeback Hearing on May 22, 2025.

18. The U.S. Court noted:

The Foreign Representative has demonstrated good cause to shorten the notice period applicable to the Verified Petition, in that a notice period longer than provided by this Order risks substantial harm to the Chapter 15 Debtors' ability to efficiently and successfully conduct the Canadian Proceedings.

19. A copy of the Ex Parte U.S. Order is attached hereto as **Exhibit "C"**.

III. STAY EXTENSION

20. The Applicants are seeking an extension of the Stay Period to July 7, 2025. As detailed below, the SISP contemplates that the Applicants will seek approval of any Successful Bid(s) in the SISP by July 7, 2025. The Applicants are proposing to extend the Stay Period to the same date to maximize efficiency and preserve the resources of the Applicants and the Court. I do not believe that any creditor will be materially prejudiced by the proposed extension of the Stay Period.

21. I understand that the Monitor will be filing a cash flow forecast with its first report to the Court, to be filed, (the “**First Report**”), and that the cash flow forecast will demonstrate that, if the DIP Facility is approved, the Applicants are projected to have sufficient cash over the proposed extension of the Stay Period to enable the Applicants to meet their day-to-day obligations. I further understand that the Monitor supports the requested extension of the Stay Period and will provide further information in that regard in the First Report.

IV. DIP FACILITY

22. As detailed in the Kochhar Affidavit, on a consolidated basis the Applicants had approximately \$10.519 million in cash remaining as of the week ended May 9, 2025 and are expected to run out of cash imminently. Without additional financing, the Applicants would not have sufficient liquidity to pursue a value-maximizing outcome for their stakeholders in the SISP or undertake any other restructuring efforts.

23. Accordingly, the Applicants and the DIP Lender entered into a DIP Term Sheet in respect of the DIP Facility on May 14, 2025 (the “**DIP Term Sheet**”), with Holdings as borrower and the other Applicants as guarantors. A copy of the DIP Term Sheet is attached hereto as **Exhibit “D”**.

24. The key terms of the DIP Term Sheet are summarized below. Capitalized terms used in the below table that are not otherwise defined herein have the meaning given to such terms in the DIP Term Sheet:

Summary of Key Terms of the DIP Term Sheet	
Agreement	DIP Term Sheet dated May 14, 2025

	<ul style="list-style-type: none"> • If the Stalking Horse Bidder elects to designate <u>substantially all</u> of the assets related to the Rochester Hub as an “Excluded Asset”, including the real property, pursuant to the Stalking Horse Agreement, then the maximum aggregate amount under the North American Facility would be increased by <u>\$1.25 million</u>. • If the Stalking Horse Bidder elects to designate <u>a portion of</u> the assets related to the Rochester Hub as an “Excluded Asset” as set out in and pursuant to the Stalking Horse Agreement, then the maximum aggregate amount under the North American Facility would be increased by an amount equal to the Applicants’ costs to liquidate those assets up to a <u>maximum of \$1.25 million</u>.

	<p>accordance with the Budget.</p> <p>European Facility: To fund the approved operating expenses of Europe Parent and Germany SpokeCo in accordance with the Budget.</p> <p>Drawings under the European Facility may be used by Holdings to make intercompany loans to Europe Parent and Germany SpokeCo (the “Intercompany Loans”) in accordance with the budgets for those entities, and Holdings has assigned its claims under those intercompany loans to the DIP Lender.</p>
Prepayments	No mandatory prepayments. Voluntary prepayments permitted with the consent of the Monitor without premium or penalty.
Financial Covenants	<p>Weekly compliance with the Budget, tested on an aggregate cumulative basis, subject to the Permitted Variance. The Permitted Variance is, generally:</p> <ul style="list-style-type: none"> (i) operating disbursements not to exceed Budget by more than 10%; (ii) professional fee disbursements not to exceed Budget by more than 10%; and (iii) cash receipts not to be lower than Budget by more than 10%. <p>Minimum liquidity of \$0.5 million, tested weekly, with liquidity being defined as unrestricted cash of Holdings on a consolidated basis.</p>
DIP Collateral	All present and after-acquired property of the Applicants including the Intercompany Loans

25. The DIP Facility is subject to customary covenants, conditions precedent, and representations and warranties made by the Applicants to the DIP Lender. Additionally, the DIP Facility is conditional upon, among other things, the issuance of the proposed Amended and Restated Initial Order approving the DIP Facility and granting a Court-ordered charge over the Property of the Applicants in favour of the DIP Lender to secure all amounts advanced by the

DIP Lender under the DIP Facility, together with all obligations, indebtedness, fees, costs and expenses of the Applicants under the DIP Term Sheet and the DIP Facility (the “**DIP Lender’s Charge**”).

26. I was involved in the negotiation of the DIP Term Sheet and believe its terms are reasonable in the circumstances. The DIP Term Sheet is the product of lengthy and intense negotiations between the parties and, coupled with the Stalking Horse Agreement, I believe that it represents the best and most viable path forward for the Applicants.

27. The Applicants also sought alternative DIP financing options from other parties. The Applicants obtained one other DIP proposal from a third party. The fees included in the proposed alternate DIP financing were higher than the fees contained in the proposed DIP Term Sheet. In addition, there were added complexities relating to pursuing DIP financing from parties other than Glencore in light of Glencore’s secured position, particularly in respect of obtaining a priming DIP charge over assets located in the United States.

28. Given their significant liquidity constraints, the Applicants require the DIP Facility to fund their operations and pursue the SISP in these CCAA proceedings to achieve a value-maximizing outcome for their stakeholders. Of particular note, the DIP Facility will provide liquidity to fund the ongoing operations of Europe Parent and Germany SpokeCo – which entities are not Applicants and operate Li-Cycle’s only operational Spoke. This will allow those entities to remain solvent and avoid a domestic insolvency filing and liquidation, which would be value-destructive for the Applicants and their stakeholders.

29. In all the circumstances, I believe that the DIP Term Sheet, DIP Facility and DIP Lenders' Charge are reasonable and serve to enhance the prospects of the Applicants' restructuring, particularly when coupled with the Stalking Horse Agreement.

V. STALKING HORSE AGREEMENT²

(i) Terms of Stalking Horse Agreement

30. Following significant negotiation in the lead-up to the Applicants commencing these CCAA proceedings, the Applicants entered into the Stalking Horse Agreement with the Stalking Horse Bidder (subject to Court approval) shortly ahead of the hearing for the Initial Order on May 14, 2025. A copy of the Stalking Horse Agreement is attached hereto as **Exhibit "E"**.

31. The Stalking Horse Agreement contemplates that, if selected as the Successful Bidder under the SISF, the Stalking Horse Bidder, or one or more of its designees, would, subject to the terms of the Stalking Horse Agreement, acquire, with exception of the Excluded Assets:

- (a) all of the Purchased Assets of Holdings, Global HQ, Canada SpokeCo, North America OpCo and US HubCo;
- (b) all of the Transferred Intellectual Property of Global HQ;
- (c) the shares of US SpokeCo held by North America OpCo; and
- (d) the Swiss Transferred Equity Interests of Europe Parent held by Holdings (of which Germany SpokeCo is a subsidiary).

² Capitalized terms used in this section that are not otherwise defined have the meanings given to them in the Stalking Horse Agreement.

32. The key terms of the Stalking Horse Agreement are summarized below:

Summary of Key Terms of the Stalking Horse Agreement

	<p>the Purchase Price Cash Component and the Carve-out Condition Amount) (the “Break Fee”).</p> <p>The Expense Reimbursement and Break Fee are payable from the proceeds of an Alternative Transaction on closing of such Alternative Transaction.</p>

The SISP shall have been conducted in accordance with its terms and the terms of the SISP Order; 6. All shares or other equity interests in all Carve-Out Entities (UK SpokeCo, Norway SpokeCo, Hungary SpokeCo, France SpokeCo) shall have been validly transferred to Holdings; and

Summary of Key Terms of the Stalking Horse Agreement	
	7. This Court shall have granted the Initial Order, Amended and Restated Initial Order, SISP Order and the Approval and Vesting Order (which in each case must be in form and substance satisfactory to Glencore).
Closing Date	The date that is three (3) Business Days after all of the conditions set forth in Article VIII of the Stalking Horse Agreement have been satisfied or waived, or such other time or date as agreed to in writing by the Parties.
Termination	The Stalking Horse Agreement shall terminate upon standard breach terms and upon mutual written agreement between the Parties and on notice to the Monitor or if the Buyer is not the Successful Bid under the SISP.

33. Approval of the Stalking Horse Agreement is being sought solely for the purposes of approving it as the Stalking Horse Bid in the SISP. To the extent that the Stalking Horse Bid is the Successful Bid in the SISP, the Applicants will seek approval of the transactions contemplated by the Stalking Horse Agreement at a later hearing.

34. The Stalking Horse Bid is the product of significant negotiation and provides valuable consideration. Particularly since the Stalking Horse Bidder has agreed to purchase the shares of Europe Parent and U.S. SpokeCo, it also includes the assumption of liabilities that provide benefit to Li-Cycle's stakeholders and the prospect of a positive, going-concern outcome.

35. As described further below and in the Kochhar Affidavit, the Applicants had conducted a sale process with the assistance of Moelis over approximately 1.5 years in which no executable transaction was identified (the "**Moelis Process**"). The Applicants considered the results of the

Moelis Process as well as the other prospects identified therein and other potential stalking horse options, in entering into the transaction with the Stalking Horse Bidder.

36. Among other things, the Applicants concluded that entering into the Stalking Horse Agreement was sensible in light of:

- (a) the value and scope of the proposed Stalking Horse Agreement, including the assumption of liabilities provided for therein;
- (b) Glencore's willingness to also provide DIP Financing, conditioned on entering into the Stalking Horse Agreement;
- (c) Glencore's current secured position with approximately \$205.6 million in secured debt;
- (d) the results and options identified in the pre-filing Moelis Process;
- (e) the potential for continued employment for some of the Applicants' employees; and,
- (f) the Applicants' limited liquidity position and limited alternative options in the circumstances and available timeframe.

37. I believe that the Stalking Horse Bid has the potential to enhance the efficacy of the SISP and establish an appropriate floor for bids submitted in the SISP while also providing a degree of certainty and security for the Applicants and their stakeholders in this process.

38. I also believe that the terms of the Stalking Horse Bid are reasonable for the purposes of acting as a Stalking Horse Bid in the SISP and that the terms of the Stalking Horse Bid will not unduly impede a further robust canvassing of the market for potential sales of, or investments in, the Property and Business of the Applicants in all the circumstances.

(ii) Bidder Protections Charge

39. The Stalking Horse Agreement is conditional on a court-ordered charge being granted on the Property of the Applicants to secure the Expense Reimbursement (in the maximum amount of \$200,000) and the Break Fee (in the amount of \$1 million, which is 3% of the purchase price provided in the Stalking Horse Agreement, excluding the value of the Assumed Liabilities, the Purchase Price Cash Component and the Carve-out Condition Amount) (the “**Bidder Protections Charge**”). These Bidder Protections are only payable if another transaction is selected as the Successful Bid for the Stalking Horse Assets (defined below) and are payable from the proceeds of that transaction. The Bidder Protections Charge would be in the maximum amount of \$1.2 million.

40. The Bidder Protections Charge would rank behind the other Charges provided in Amended and Restated Initial Order.

41. The Monitor and the Financial Advisor have each advised that they are supportive of the approval of the Stalking Horse Agreement for the purposes of acting as the Stalking Horse Bid in the SISP. The Monitor has advised that it is supportive of the Bidder Protections Charge.

VI. THE SISP

42. The Applicants developed the SISP, in consultation with the Monitor and the Financial Advisor, to solicit interest in all of their right, title and interest in and to all of their Property, including the shares of Europe Parent and Li-Cycle APAC Pte. Ltd., and the Business of the Applicants (collectively, the “**SISP Assets**”). To maximize flexibility in the SISP, the Applicants will consider a bid for all of the assets or separate bids to acquire some but not all of the SISP Assets.

43. The SISP includes a notification process and two phases to evaluate proposals from qualified interested bidders. This process is described in greater detail below.

44. The Applicants, with the assistance of the Financial Advisor and under the supervision of the Monitor, will be responsible for the marketing and sale of the SISP Assets pursuant to the SISP.

(i) Extensive Pre-Filing Marketing Efforts

45. The SISP is a continuation of the broad market canvass that the Applicants have already undertaken over the course of the last 1.5 years with the assistance of Moelis. The Moelis Process is outlined in detail in the Kochhar Affidavit.

46. Given the nature of Li-Cycle’s business there is also a relatively discrete list of potential strategic counterparties, many of whom have already been involved as part of the Moelis Process. Many of these counterparties have existing and active relevant NDAs and have conducted significant previous diligence on Li-Cycle.

47. Furthermore, with a view to maximizing the time available to potential bidders and recognizing the Applicants' liquidity constraints, the Applicants, with the assistance of the Financial Advisor, commenced the marketing process on May 12, 2025. The Applicants provided the Financial Advisor with a list of potential bidders from their previous marketing efforts, which the Financial Advisor has supplemented.

48. The Financial Advisor team, led by Mr. Hugh Rowan-Legg who is its Managing Director and Head of Corporate Finance & Investment Banking, have been reporting to me on a regular basis on the progress of their market outreach efforts. I am advised by Mr. Rowan-Legg that, as of May 15, 2025:

- (a) A teaser and NDA have been distributed to 144 potential bidders, including 78 strategic buyers and 66 financial sponsors;
- (b) 16 NDAs have been executed and another 12 are currently in process;
- (c) All interested parties with executed NDAs have received the Confidential Information Package (as defined below);
- (d) All 16 of the potential bidders with executed NDAs are actively working and evaluating the opportunity based on information in the Data Room (as defined below) that opened May 14, 2025; and
- (e) 32 potential bidders have declined the opportunity.

49. The Financial Advisor further advises that next steps will include continued, targeted outreach and follow-up, facilitating due diligence for interested parties and coordination of in-person site visits.

(ii) SISP Milestones

50. In consultation with the Monitor and Financial Advisor, with a view to balancing the Applicants' desire to maximize the solicitation of interest in the SISP Assets, the efficient resolution of these CCAA proceedings and the Applicants' liquidity constraints, the Applicants propose the following timeline for the material steps in the SISP (the "**SISP Milestones**") (with all time referenced being prevailing Eastern Time):

Milestone	Deadline
Teaser Letter and NDA sent to Known Potential Bidders	By May 12, 2025
Phase 1 Bid Deadline	June 6, 2025 at 5:00 p.m.
Phase 2 Bid Deadline	June 27, 2025 at 5:00 p.m.
Selection of Successful Bid(s) and Back-Up Bidder(s) or designation of Auction	June 30, 2025 at 5:00 p.m.
Auction Date (if designated)	July 2, 2025
Approval of Successful Bid(s)	July 7, 2025 at 5:00 p.m.
Closing – Successful Bid(s)	July 16, 2025 at 5:00 p.m.
Outside Date – Closing	July 18, 2025

51. The Applicants and the Financial Advisor have the right to modify the SISP with the prior written approval of the Monitor and consultation with the Stalking Horse Bidder if they consider that such modification will enhance the process or better achieve the objectives of the SISP.

52. The Applicants and Financial Advisor will be able to leverage the extensive marketing efforts conducted in the Moelis Process, as well as the marketing done by the Financial Advisor since May 12, 2025. The Financial Advisor has been provided with information regarding the Moelis Process including the list of Known Potential Bidders (described below).

53. The SISP Milestones take into account the pre-filing marketing done to date, the relatively discrete group of potential parties who have already been made aware of the opportunity, and the cashflow constraints facing the Applicants.

54. I have been advised by Mr. Rowan-Legg that the Financial Advisor believes the SISP Timeline is appropriate in the circumstances and will provide sufficient opportunity to solicit interest for a sale of the SISP Assets.

55. In all the circumstances and based on my experience, I believe that the SISP Milestones are reasonable and appropriate.

(iii) Notification Process and Phase 1

56. Notice of the SISP is to be provided pursuant to the following:

- (a) The Applicants and the Financial Advisor have prepared a list of potential bidders including (i) parties that have approached the Applicants, the Financial Advisor or the Monitor indicating an interest in bidding, including as part of any prior solicitation efforts, (ii) local and internal strategic and financial parties who the Applicants and the Financial Advisor, in consultation with the Monitor, believe may be interested and (iii) any other parties reasonably suggested by a stakeholder as a potential bidder (collectively, “**Known Potential Bidders**”);
- (b) a notice of the SISP (the “**SISP Notice**”) to be published in *The Globe and Mail* and any other publications as the Applicants and the Financial Advisor, in consultation with the Monitor, consider appropriate, if any;
- (c) a press release setting out the information contained in the SISP Notice and such other relevant information which the Applicants and the Financial Advisor consider appropriate for dissemination in Canada and the United States; and
- (d) a process summary (the “**Teaser Letter**”) describing the opportunity, developed by the Financial Advisor and the Applicants, in consultation with the Monitor, and a non-disclosure agreement (the “**NDA**”).

57. In accordance with the SISP Milestones, the Financial Advisor sent the Teaser Letter and an NDA to all Known Potential Bidders on May 12, 2025. A copy of the Teaser Letter is attached hereto as **Exhibit “F”**.

58. The Teaser Letter and an NDA will also be available to any party who requests a copy or who is identified to the Financial Advisor, the Applicants or the Monitor as a potential bidder. A process letter outlining the SISP Milestones, desired bid structure and any additional information in respect of the SISP will be approved by the Monitor and circulated to all potential bidders that have executed an NDA.

59. Any Related Person that wishes to submit or participate in the SISP must declare that intention to the Financial Advisor and the Monitor in writing by June 6, 2025 and until they do so, the Financial Advisor and the Monitor will limit the sharing of information with those Related Persons to ensure and preserve the fairness of the SISP.

60. Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide the Financial Advisor with an NDA (unless one already remains in effect), contact information and full disclosure of the direct and indirect principals of the Potential Bidder. Each such Potential Bidder who has provided this information and is determined by the Applicants and Financial Advisor to be likely to be able to consummate a sale or investment pursuant to the SISP, will be deemed a “**Phase 1 Qualified Bidder**”.

61. Each Phase 1 Qualified Bidder will be provided with access to a confidential information package providing additional information about the SISP Assets (the “**Confidential Information Package**”) and will be provided access to an electronic data room containing due diligence information (the “**Data Room**”).

62. A Phase 1 Qualified Bidder that wishes to pursue the SISP opportunity must deliver a non-binding letter of interest such that it is received by the Financial Advisor by 5:00 p.m. on or before June 6, 2025.

63. To be considered a qualified LOI (a “**Qualified LOI**”), it must, among other things:

- (a) be submitted on or before the Phase 1 Bid Deadline by a Phase 1 Qualified Bidder;
- (b) contain an indication of whether the Phase 1 Qualified Bidder is proposing:
 - (i) to acquire all, substantially all or a portion of the Property (a “**Sale Proposal**”), or
 - (ii) a recapitalization, arrangement or other form of investment in or reorganization of the Business (an “**Investment Proposal**”);
- (c) identify (i) the Phase 1 Qualified Bidder and representatives thereof who are authorized to appear and act on behalf of the Phase 1 Qualified Bidder for all purposes regarding the transaction; and (ii) each entity or person that will be sponsoring, participating in or benefitting from the transaction contemplated by the LOI;
- (d) state that the LOI does not entitle the Phase 1 Qualified Bidder to any break-up fee, termination fee, expense reimbursement, or similar type of payment or reimbursement;

- (e) in the case of a Sale Proposal, identify, among other things, the purchase price, the Property expected to be subject to the transaction and any Property to be excluded, proposed treatment of employees and material agreements, a specific indication of financial capability and structure and financing of the transaction, conditions an approvals required, a description of any due diligence required, and any other material terms or conditions;
- (f) in the case of an Investment Proposal, identify, among other things, how the proposed investment will be structured, the aggregate amount of the equity and/or debt investment to be made, key assumptions supporting the valuation, the proposed treatment of material contracts and employees, a specific indication of the sources of capital and structure and financing of the transaction, conditions and approvals required, a description of any due diligence required, and any other material terms or conditions.

64. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive compliance with any one or more of the requirements and deem such a non-compliant bid as a Qualified LOI.

(iv) Determination of Phase 2 Qualified Bidders

65. Following the Phase 1 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor, will assess the Qualified LOIs. A Phase 1 Qualified Bidder may be deemed a “**Phase 2 Qualified Bidder**” where: (a) the bidder has submitted a Qualified LOI; (b) the bidder has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as

the case may be); and (c) the bidder has the financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided.

66. The Applicants and the Financial Advisor may, in their reasonable business judgment and after consultation with and approval of the Monitor, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some bidders from the process) taking into account any material adverse impact on the operations and performance of the Applicants. The Stalking Horse Bidder is automatically considered a Phase 2 Qualified Bidder.

(v) Phase 2

67. Phase 2 Qualified Bidders that wish to make a formal offer to purchase or make an investment in the Applicants or the Property and Business must submit a binding offer (a “**Bid**”) such that it is received by the Financial Advisor by no later than 5:00 p.m. on June 27, 2025.

68. To be considered a Qualified Bid, the bid must, among other things:

- (a) comply with all of the requirements in respect of Phase 1 Qualified LOIs (listed above);
- (b) either individually or in combination with other bids that make up one bid, be an offer to purchase or make an investment in some or all of the Property or Business on terms and conditions communicated to Phase 2 Qualified Bidders;

- (c) include a letter stating that the Phase 2 Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder, provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the closing of the transaction with the Successful Bidder;
- (d) include duly authorized and executed transaction agreements, including the purchase price, investment amount and any other key economic terms expressed in U.S. dollars (the "**Purchase Price**"), together with all exhibits and schedules thereto and blacklines to any model documents provided by the Applicants and uploaded onto the Data Room;
- (e) provide for aggregate cash consideration, payable in full on closing, in an amount sufficient to fully satisfy all outstanding amounts secured by each of the Court-ordered charges granted in these CCAA proceedings as of the date of closing (such amount, the "**Charge Payout Amount**");
- (f) include written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction;
- (g) not be conditioned on, among other things, obtaining financing or the outcome of unperformed due diligence by the Phase 2 Qualified Bidder;
- (h) fully disclose the identity of each entity that will be entering into the transaction or the financing, or that is participating or benefiting from such bid;

- (i) include a commitment to provide a non-refundable deposit in the amount of not less than 10% of the Purchase Price upon the Phase 2 Qualified Bidder being selected as the Successful Bidder or the Back-Up Bidder; and
- (j) include certain acknowledgements and representations of the Phase 2 Qualified Bidder, evidence that the submission of the transactions agreements has been duly authorized, and other information required by the Applicants, the Financial Advisor or the Monitor.

69. Following the Phase 2 Bid Deadline, the Applicants and the Financial Advisor, in consultation with the Monitor, will assess the bids and designate the most competitive bids that comply with the above requirements to be Qualified Bids.

70. The Applicants and the Financial Advisor, in consultation with the Monitor, may waive compliance with any of the above requirements and deem the bid to be a Qualified Bid if appropriate. The Stalking Horse Bid will automatically be considered a Qualified Bid.

71. To the extent that no Qualified Bids (other than the Stalking Horse Bid) are received by the Phase 2 Bid Deadline for the assets to be acquired pursuant to the Stalking Horse Agreement (the “**Stalking Horse Assets**”), the Stalking Horse Bid shall be deemed to be the Successful Bid as it relates to the Stalking Horse Assets, and the SISP shall not proceed to an Auction in respect of the Stalking Horse Assets. The Applicants may only designate a Bid as a Qualified Bid for the Stalking Horse Assets where the proposed Purchase Price is equal or greater than that contained in the Stalking Horse Bid (including the amount of any Assumed Liabilities thereunder) plus the

Charge Payout Amount (to the extent not duplicative of the purchase price contained in the Stalking Horse Bid) plus the Expense Reimbursement and Break Fee plus \$500,000.

(vi) Selection of Successful Bid

72. The Applicants and the Financial Advisor, in consultation with the Monitor, will review the Qualified Bids and may enter into negotiations with Phase 2 Qualified Bidders to improve their respective Qualified Bids. The Qualified Bids will be valued based on several factors, including:

- (a) the Purchase Price and the net value provided by such Bid;
- (b) the claims likely to be created by such bid in relation to other Bids;
- (c) the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions; the proposed transaction documents;
- (d) the effects of the Bid on the stakeholders of the Applicants;
- (e) factors affecting the speed, certainty and value of the transaction (including any regulatory approvals or third party contractual arrangements required to close the transactions);
- (f) the assets included or excluded from the Bid;
- (g) any related restructuring costs; and
- (h) the likelihood and timing of consummating such transactions.

73. In the event there is more than one Qualified Bid, in addition to the Court-approved Stalking Horse Bid, then, no later than 5:00 p.m. on June 30, 2025, the Applicants and the Financial Advisor, in consultation with the Monitor, may determine the Successful Bid(s) and any Back-Up Bid(s) or may determine that the Successful Bid will be identified through an Auction. Any such Auction will be conducted in accordance with procedures to be determined by the Applicants and the Financial Advisor, in consultation with the Monitor.

74. To participate in the Auction in respect of the Stalking Horse Assets Qualified Bidders must satisfy the Monitor of their ability to deliver a deposit top-up equivalent to the Stalking Horse Bidder's Expense Reimbursement and Break Fee, in the event that such Qualified Party's Bid is the Successful Bid.

75. Any Auction will commence no later than 12:00 p.m. on July 2, 2025 and any Successful Bids and Back-Up Bids must be selected by no later than 5:00 p.m. on July 2, 2025.

76. Without impacting its obligations under the Stalking Horse Agreement, the Applicants shall have no obligation to enter into a Successful Bid and reserve the right, after consultation with the Monitor and the Financial Advisor, to reject any or all Phase 2 Qualified Bids except for the Stalking Horse Bid.

77. The Applicants will subsequently seek the approval of this Court to consummate the transactions with the Successful Bidder contemplated by the Successful Bid. The Applicants will also seek an order from the U.S. Court pursuant to section 363 of the U.S. Bankruptcy Code with respect to any Successful Bid that includes U.S. assets. The SISP Milestones provide that any such Approval Motions will be heard by July 7, 2025.

(vii) The SISP Should be Approved

78. The SISP was developed by the Applicants in consultation with the Financial Advisor and the Monitor. The SISP is designed to facilitate the continuation of the extensive market canvass already conducted in the Moelis Process and continued by the Financial Advisor.

79. The Applicants believe that the SISP will provide a flexible, efficient, fair and equitable process for canvassing the market for potential buyers of the Property and maximizing recovery for the Applicants' stakeholders. As such, the Applicants believe that the SISP's approval and implementation is in the best interests of the Applicants and their stakeholders. The rights provided to the DIP Lender and Stalking Horse Bidder in relation to the SISP are appropriate and will not impede a robust canvassing of the market.

80. The Monitor has advised that it is supportive of the proposed SISP and believes that the SISP is the best option available to the Applicants at this time.

VII. KEY EMPLOYEE RETENTION PLAN

(i) Terms of the KERP

81. Prior the commencement of these CCAA proceedings, the Applicants instituted various cash conservation measures, which included terminating and/or furloughing various employees and pausing operations in various locations. The Applicants now depend on a more limited group of employees to continue their scaled-back operations, preserve and protect the Property, assist with these CCAA proceedings and conduct the SISP.

82. In light of the considerable uncertainty created by the Applicants' financial position – which was well-known as a result of the public filings made by Holdings – as well as the effects of the financial condition of the Applicants such as not providing bonuses to employees, employee retention is of particular concern for the Applicants.

83. In my role as CRO I have become aware that certain employees have considered alternative employment opportunities and certain employees have indeed left the company in recent weeks.

84. Working together with the Monitor, the Applicants have established a KERP to incentivize 25 key employees (the “**KERP Employees**”) to remain in their employment during these CCAA proceedings. The KERP was approved by the board of directors of the Applicants and has been reviewed and considered by the Monitor. A copy of the KERP with the names of the KERP Employees and the incentive payments to be made to them redacted is attached as **Exhibit “G”**. A copy of the unredacted KERP is attached hereto as **Confidential Exhibit “H”**.

85. The KERP Employees occupy key roles with the Applicants and include employees in management, operations, finance, IT, legal, sales, human resources and payroll. The KERP Employees could not be readily or easily replaced in the near term due to their (i) institutional knowledge of the operations and processes of the Applicants and, (ii) important roles in the ensuring the stability of the business and the efficient conduct of the SISP and Realization Process. Any process to find appropriately qualified replacements would be difficult and costly, particularly given the specialized nature of the Applicants' business.

86. Without the KERP and KERP Charge, I believe that the Key Employees will consider other employment options.

87. The KERP contemplates a proposed payout to the KERP Employees (the “**KERP Incentive Payment**”) on the earliest of:

- (a) July 31, 2025;
- (b) When the KERP Employee’s employment is terminated, without cause; or
- (c) The consummation of a transaction that (1) effectuates a recapitalization or restructuring of a material portion of Li-Cycle’s outstanding indebtedness, or (2) involves an acquisition, merger, or other business combination pursuant to which a majority of the business, equity, or operating assets of Li-Cycle is sold, purchased, or combined with another entity or company

(the “**KERP Retention Period**”).

88. The KERP Incentive Payment will be made to an KERP Employee entitled to receive it in one lump sum within five business days of the expiry of the KERP Retention Period for that KERP Employee. Payment of the KERP Incentive Payment is subject to the KERP Employee’s compliance with the following conditions:

- (a) the KERP Employee must remain employed in their current position, or as otherwise required by Li-Cycle, through to the end of the KERP Retention Period;

- (b) the KERP Employee must fulfill their performance expectations and work their regular schedule;
- (c) the KERP Employee shall have maintained the confidentiality of the KERP;
- (d) the KERP Employee shall not have breached the non-disparagement terms set out the KERP;
- (e) unscheduled absences, for any reason, for more than five (5) cumulative days, in any month, throughout the KERP Retention Period will result in a *pro rata* reduction of the KERP Incentive Payment for the days that exceed the allowable five; and,
- (f) if, during the KERP Retention Period, KERP Employees do not meet performance expectations, voluntarily resign or retire, or involuntarily separate for any reason, other than disability, death, or termination without cause, they will not receive any KERP Incentive Payment, prorated or otherwise.

89. The aggregate of the KERP Incentive Payments is CAD \$869,973.92 and USD \$672,075.46 (the “**KERP Employee Funds**”).

(ii) KERP Charge

90. The proposed Amended and Restated Initial Order would approve the Applicants paying to the Monitor:

- (a) the KERP Employee Funds, for the benefit of participants in the KERP; and

- (b) \$113,000 (\$100,000 + HST), as security for the “Work Fee” of Maplebriar pursuant to the Maplebriar Engagement Letter (which represents two months of “Work Fees”) (the “**Maplebriar Work Fee Funds**” and collectively with the KERP Employee Funds, the “**KERP Funds**”).

91. The proposed Amended and Restated Initial Order provides a court-ordered charge solely over the KERP Funds (the “**KERP Charge**”) for the benefit of participants in the KERP and Maplebriar.

92. I am of the view that the KERP and the KERP Charge are appropriate and in the best interests of the Applicants and their stakeholders generally. I understand that the Monitor supports the KERP and the KERP Charge.

(iii) Sealing of Unredacted KERP

93. The unredacted KERP contains commercially sensitive and personal information regarding the identity and compensation of the KERP Employees, the disclosure of which could adversely impact the Applicants and the KERP Employees. Accordingly, the proposed Amended and Restated Initial Order provides that Confidential Exhibit “H” be sealed and not form part of the public record unless otherwise ordered by this Court.

VIII. CONCLUSION

94. For the reasons set out herein, the Applicants respectfully request that this Court grant the additional relief requested herein as part of the Amended and Restated Initial Order, and grant the Sale and Realization Process Order.

1. **MasTec and MasTec North America, Inc. Foreclosure Actions (consolidated by the court) and MasTec Arbitration Regarding Rochester Hub Contract**

On April 9, 2024, MasTec commenced (i) arbitration proceedings against the Company's subsidiary, Li-Cycle North America Hub, Inc., under the terms of the construction contract for the Rochester Hub project, and (ii) a mechanic's lien foreclosure action in the Supreme Court, County of Monroe, New York. Several project participants, both subcontractors to MasTec and those in direct contract with Li-Cycle North America Hub, Inc., asserted cross-claims against Li-Cycle North America Hub, Inc. to foreclose their mechanic's liens for amounts claimed to be owed. The arbitration proceedings are being conducted with the American Arbitration Association and seek recovery of \$48.7 million allegedly due under the construction contract for the Rochester Hub project, plus interest, fees, costs and expenses. The Company is defending its interests and has made certain counter-claims against MasTec in the arbitration proceedings in the amount of \$27,310,034, plus interest, fees and expenses (including for costs and expenses for improperly inflated values for work and staffing). Amounts owed to MasTec, if any, are expected to be determined in the arbitration. For reporting purposes, the amount claimed in the arbitration proceedings has been reflected in the Company's accounts payable. No reductions or set-offs have been made in relation to the Company's counter-claims.

Additionally, on July 22, 2024, MasTec North America Inc. (an affiliate of MasTec) commenced a separate lien foreclosure action on behalf of several subcontractors from whom it has taken assignments. Li-Cycle North America Hub, Inc. filed a motion a) to stay each of the foreclosure actions, pending determination of the arbitration, and (b) to consolidate the MasTec North America Inc. foreclosure action with the foreclosure action commenced by MasTec. The motion to stay and consolidate was granted on March 17, 2025. On April 29, 2025, the MasTec entities with assignments (i.e. Andronaco Industries, LLC, LeChase Construction Services, LLC, TEC Protective Coatings, Inc., Nucor Rebar Fabrication Northeast LLC and Rilco Manufacturing Co, Inc.) filed a notice of appeal of the court's decision staying and consolidating the actions. Hatch Associates Consultants, Inc. and Qualico Steel Company, Inc. also filed notices of appeal.

Arbitration hearings are scheduled to commence on July 21, 2026 in New York City.

1. Both the Warehouse Lot and the Hub Plant Lot are part of a piece of property that is a site listed on the New York State Registry of Inactive Hazardous Waste Disposal Sites, i.e., it is an identified “New York State Superfund Site,” with known contamination. Further, the Site has already been investigated (to determine the nature and extent of contamination) by the Eastman Kodak Company to the satisfaction of the NYSDEC. The site was, then, remediated to the satisfaction of the NYSDEC. Thus, the entire site, including the Hub Plant Lot, and Warehouse Lot, is in post-remedial long term site management due to residual chlorinated solvent contamination in the “restricted area” to the northeast of the former Shed S-26 source area located on the southeast corner of the off-site Building 502 lot. Post-remedial long term site management is being implemented through an institutional control, i.e., the Environmental Easement, which in turn requires the owners and their tenants to comply with the NYSDEC-approved Site Management Plan (“SMP”). SMP notes at subsection 3(c) that “there is no currently known contamination outside of the ‘restricted area.’” Put another way, contaminant concentrations in site soils outside the restricted area are below the applicable Part 375 Commercial SCOs “and/or NYSDEC has granted a ‘No Further Action’ for soils on the EBP-S parcel,” including the Warehouse Lot and the Hub Plant Lot.

Re: In the matter of Li-Cycle Holdings Corp. et al. (Court File No. CV-25-00743053-00CL) – Confirmation of Cure Amounts and Notice of Objection Deadline

This letter is providing notice of the Cure Amounts in relation to certain Assumed Contracts that you are a party to and advising you of the objection deadline in respect of those Cure Amounts.

Background

On May 14, 2025, Li-Cycle Holdings Corp., Li-Cycle Corp., Li-Cycle Americas Corp., Li-Cycle U.S. Inc., Li-Cycle Inc. and Li-Cycle North America Hub, Inc. (collectively, the “**Applicants**”) commenced proceedings (the “**CCAA Proceedings**”) pursuant to an initial order (as amended and restated on May 22, 2025, and as further amended and/or amended and restated from time to time, the “**Initial Order**”) under the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**”). Pursuant to the Initial Order, Alvarez & Marsal Canada Inc. was appointed as the Court-appointed monitor in the CCAA Proceedings (in such capacity, the “**Monitor**”).

On May 22, 2025, the Ontario Superior Court of Justice (Commercial List) (the “**CCAA Court**”) granted an Order, among other things, (i) approving the sale and investment solicitation process (the “**SISP**”), and authorizing the implementation of the SISP, and (ii) approving the Equity and Asset Purchase Agreement among all of the Applicants except Li-Cycle Inc., as seller (the “**Seller**”), and Glencore Canada Corporation, as Buyer (the “**Stalking Horse Bidder**”) (as amended on May 22, 2025, and as may be further amended from time to time, the “**Stalking Horse Agreement**”) for the purposes of acting as the stalking horse bid in the SISP.

On May 23, 2025, the United States Bankruptcy Court for the Southern District of New York (the “**Chapter 15 Court**”) entered Orders, on a final basis, recognizing the CCAA Proceedings as “foreign main proceedings” and giving full force and effect to the CCAA Proceedings, the Initial Order and the SISP.

Assignment and Assumption of Assumed Contracts

The completion of any transaction (a “**Transaction**”) pursuant to the SISP shall be subject to, and conditional on, among other things: (i) the approval of the CCAA Court which will be sought at a hearing on July 7, 2025 at 12:00 p.m.; (ii) the approval and/or recognition of the Chapter 15 Court; and (iii) the Transaction being completed on or before July 18, 2025 (or such later date as may be agreed to as provided in the SISP).

In connection with the closing of the Transaction, the Applicants may assign the Assumed Contracts to the successful bidder in the SISP and/or one or more of its designees (the “**Buyer**”), which may be the Stalking Horse Bidder and/or one or more of its designees (the “**Assignment**”). Following the closing of the Transaction, if the Buyer elects to proceed with the Assignment, the Buyer will: (i) assume, and be required to pay, perform and discharge, the Applicants’ obligations under the Assumed Contracts arising from facts, circumstances or events first occurring after the closing date; and (ii) pay, on or promptly after closing, all monetary defaults of any Seller as of closing under the Assumed Contracts (the “**Cure Amounts**”). For greater certainty, the Buyer may elect to treat any Assumed Contract, including the Assumed Contract(s) to which you are a party,

as an Excluded Contract under the Stalking Horse Agreement or other agreement, as applicable, in which case such Assumed Contract will not be assigned to the Buyer and Cure Amounts will not be paid by the Buyer.

Cure Amounts and Objection Deadline

You are receiving this notice because you have been identified as a counterparty to an Assumed Contract for which there are Cure Amounts listed in Appendix “A” hereto. The Cure Amounts were determined based on the Applicants’ books and records and relate entirely to the period *prior* to May 14, 2025 (the date on which the Applicants commenced the CCAA Proceedings).

The Applicants have scheduled a hearing before the CCAA Court on June 9, 2025 at 10:00 a.m. at which time they will seek an order approving a process for finally determining the Cure Amounts owing under the Assumed Contracts (the “**Priority Claims and Cure Amounts Procedure Order**”). If the Priority Claims and Cure Amounts Procedure Order is not granted by the CCAA Court for any reason, this letter will terminate and be null and void and of no effect. All capitalized terms used and not defined herein have the meanings given to them in the Priority Claims and Cure Amounts Procedure Order.

If the Priority Claims and Cure Amounts Procedure Order is granted, and should you wish to dispute the Cure Amounts specified in Appendix “A”, you must notify the Monitor by delivery of a notice of dispute in the form enclosed (a “**Cure Amounts Objection Notice**”) with the particulars of the amount claimed under the Assumed Contract so that the Cure Amounts Objection Notice is received by the Monitor by **no later than 5:00 p.m. (Toronto time) on June 24, 2025** (the “**Objection Deadline**”). If no notice of dispute is received by such time and the Transaction closes and your agreement is an Assumed Contract at the time of closing: (i) you will be paid the Cure Amounts specified in Appendix “A”; and (ii) pursuant to the Priority Claims and Cure Amounts Procedure Order, **you will be forever and irrevocably barred from claiming Cure Amounts in excess of the amount specified in Appendix “A”.**

You may direct any questions regarding this request to [Li-Cycle contact] at [email address] or the Monitor at LiCycle@alvarezandmarsal.com or 1-844-864-9548. Copies of court orders and all other court materials filed in the CCAA Proceedings can be found on the Monitor's website: <https://www.alvarezandmarsal.com/LiCycle>.

Sincerely,

Li-Cycle Holdings Corp., Li-Cycle Corp., Li-Cycle Americas Corp., Li-Cycle U.S. Inc., Li-Cycle Inc. and Li-Cycle North America Hub, Inc.

13. **THIS COURT ORDERS** that the Monitor may attempt to resolve the amount and/or status of any Priority Claim with the Priority Creditor on a consensual basis prior to accepting, revising or disallowing such Claim.

NOTICES OF DISPUTE OF PRIORITY CLAIM

15. **THIS COURT ORDERS** that if a Priority Creditor disputes a Notice of Revision or Disallowance received by it and intends to contest the Notice of Revision or Disallowance then such Priority Creditor shall deliver a Notice of Dispute of Priority Claim so that such Notice of Dispute of Priority Claim is received by the Monitor by no later than 5:00 p.m. (Toronto time) on the date that is seven (7) Calendar Days after the date the Monitor sends the Notice of Revision or Disallowance to the applicable Priority Creditor or such later date as the Monitor may agree in writing or the Court may order.

16. **THIS COURT ORDERS** that if a Priority Creditor who receives a Notice of Revision or Disallowance fails to file a Notice of Dispute of Priority Claim with the Monitor within the time limit therefore, then (i) the amount and status of such Priority Creditor's Priority Claim shall be

deemed to be as set out in the Notice of Revision or Disallowance and such amount and status, if any, shall constitute such Priority Creditor's Proven Priority Claim, and (ii) the Priority Creditor will be barred from disputing or appealing same, and the balance of such Priority Creditor's Priority Claim, if any, shall be forever barred and extinguished.

17. **THIS COURT ORDERS** that if a Notice of Dispute of Priority Claim is received by the Monitor pursuant to paragraph 15, the dispute set out therein shall either be resolved consensually by way of an agreement between the Applicants and the Priority Creditor, with the consent of the Monitor and in consultation with the Stalking Horse Bidder, or upon further Order of the Court.

18. **THIS COURT ORDERS** that, notwithstanding the other provisions of this Order, the Monitor may make a motion to the Court for a final determination of a Priority Claim at any time, whether or not a Notice of Revision or Disallowance has been sent by the Monitor, on full notice to the applicable Priority Creditor.

19. **THIS COURT ORDERS** that in the event that any dispute between the Priority Creditor and the Monitor is not settled within a time period or in a manner satisfactory to the Monitor, the Monitor may make a motion to the Court for directions, on notice to each of the Priority Creditor and the Stalking Horse Bidder.

ADEQUACY OF INFORMATION/CURRENCY

20. **THIS COURT ORDERS** that:

- (a) the Monitor may, where it is satisfied that a Priority Claim has been adequately proven, waive strict compliance with the requirements of this Priority Claims and Cure Amount Procedure Order as to completion and filing of Proofs of Priority Claim; and
- (b) any Priority Claims denominated in a currency other than United States dollars shall, for the purposes of this Priority Claims and Cure Amounts Procedure Order, be converted to, and constitute obligations in, United States dollars, such calculation to be effected by the Monitor using the most recent United States Federal Reserve foreign exchange rate on the Filing Date.

NOTICE OF TRANSFEREES

21. **THIS COURT ORDERS** that the Monitor shall not be obligated to give notice to or otherwise deal with a transferee or assignee of a Priority Claim as the Priority Creditor in respect thereof unless:

- (a) actual written notice of the transfer or assignment, together with satisfactory evidence of a valid transfer or assignment of the Priority Claim, has been received by the Monitor; and
- (b) the Monitor has acknowledged in writing such transfer or assignment,

and thereafter such transferee or assignee shall for the purposes hereof constitute the “Priority Creditor” in respect of such Priority Claim. Any such transferee or assignee of a Priority Claim, and such Priority Claim, shall be bound by any notices given or steps taken in respect of such Priority Claim in accordance with this Priority Claims and Cure Amounts Procedure Order prior to the written acknowledgement by the Monitor of such transfer or assignment.

22. **THIS COURT ORDERS** that if the holder of a Priority Claim has transferred or assigned the whole of such Priority Claim to more than one Person or part of such Priority Claim to another Person or Persons, such transfer or assignment shall not create a separate Priority Claim or Claims and such Priority Claim shall continue to constitute and be dealt with as a single Priority Claim notwithstanding such transfer or assignment, and the Monitor shall in each such case not be bound to acknowledge or recognize any such transfer or assignment and shall be entitled to give notices to and to otherwise deal with such Priority Claim only as a whole and then only to and with the Person last holding such Priority Claim in whole as the Priority Creditor in respect of such Priority Claim. Provided that a transfer or assignment of the Priority Claim has taken place in accordance with paragraph 21 of this Priority Claims and Cure Amounts Procedure Order and the Monitor has acknowledged in writing such transfer or assignment, the person last holding such Priority Claim in whole as the Priority Creditor in respect of such Priority Claim may by notice in writing to the Monitor direct that subsequent dealings in respect of such Priority Claim, but only as a whole, shall be with a specified Person and, in such event, such Priority Creditor, such transferee or assignee of the Priority Claim and the whole of such Priority Claim shall be bound by any notices

given or steps taken in respect of such Priority Claim by or with respect to such Person in accordance with this Priority Claims and Cure Amounts Procedure Order.

23. **THIS COURT ORDERS** that the Monitor is under no obligation to give notice of a valid transfer or assignment made pursuant to this Priority Claims and Cure Amounts Procedure Order to any Person other than the Priority Creditor holding the Priority Claim and shall, without limitation, have no obligation to give notice to any Person holding a security interest, lien, or charge in, or a pledge or assignment by way of security in, a Priority Claim.

24. **THIS COURT ORDERS** that the transferee or assignee of any Priority Claim:

- (a) shall take the Priority Claim subject to the rights and obligations of the transferor/assignor of the Priority Claim, and subject to the rights of the Applicants against any such transferor or assignor, including any rights of set-off which the Applicants had against such transferor or assignor, and
- (b) cannot use any transferred or assigned Priority Claim to reduce any amount owing by the transferee or assignee to the Applicants, whether by way of set-off, application, merger, consolidation or otherwise.

NOTICE TO ASSIGNED CONTRACT NOTICE PARTIES

25. **THIS COURT ORDERS** that the Cure Amounts Notice and the sending of the Cure Amounts Notice by the Applicants to each Assumed Contract Notice Party on or before June 6, 2025, by e-mail, or where no known e-mail is available, by prepaid ordinary mail or courier to the last known address as recorded in the Applicants' books and records, is hereby authorized, *nunc pro tunc*.

26. **THIS COURT ORDERS** that as soon as possible following the issuance of the Priority Claims Procedure Order and by no later than 5:00 p.m. (Toronto Time) on June 9, 2025, the Monitor shall post a copy of the Cure Amounts Schedule on the Monitor's Website.

28. **THIS COURT ORDERS** that any Assumed Contract Notice Party that wishes to dispute the Cure Amounts set forth in the Cure Amounts Notice delivered to such Assumed Contract Notice Party shall be required to send a Cure Amounts Objection Notice to the Monitor such that the Cure Amounts Objection Notice is received by the Monitor prior to the Cure Amounts Objection Deadline.

29. **THIS COURT ORDERS** that where an Assumed Contract Notice Party does not deliver a Cure Amounts Objection Notice to the Monitor pursuant to paragraph 28:

- (a) such Assumed Contract Notice Party shall be forever barred from disputing the Cure Amounts as set out in the Cure Amounts Notice (which may be nil) delivered to such Assumed Contract Notice Party;

- (c) any claim of such Assumed Contract Notice Party to Cure Amounts in excess of the amount specified in such Cure Amounts Notice (which may be nil) shall be forever barred and extinguished.

30. **THIS COURT ORDERS** that if a Cure Amounts Objection Notice is received by the Monitor pursuant to paragraph 28 prior to the Cure Amounts Objection Deadline, the Applicants, in consultation with the Monitor and the Stalking Horse Bidder, shall take all reasonably necessary actions to resolve any such objections with the applicable Assumed Contract Notice Party

(provided that any such resolutions with respect to any Assumed Contract are consented to by the Monitor and acceptable to the Stalking Horse Bidder), and if no such resolution is reached, the dispute shall be determined by the Court on a summary basis pursuant to a motion brought by the Monitor on notice to the Assumed Contract Notice Party and the Stalking Horse Bidder.

Re: In the matter of Li-Cycle Holdings Corp. et al. (Court File No. CV-25-00743053-00CL) – Negative Notice Priority Claims

Amount of Negative Notice Priority Claim against [the applicable Applicants] has been assessed in the amount of USD \$●.

On May 14, 2024, Li-Cycle Holdings Corp., Li-Cycle Corp., Li-Cycle Americas Corp., Li-Cycle U.S. Inc., Li-Cycle Inc. and Li-Cycle North America Hub, Inc. (collectively, the “**Applicants**”) commenced proceedings (the “**CCAA Proceedings**”) under the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**”) pursuant to an order (as amended and restated, the “**Initial Order**”) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”). Pursuant to the Initial Order, Alvarez & Marsal Canada Inc. was appointed as monitor of the Applicants (in such capacity, the “**Monitor**”).

On May 23, 2024, the CCAA Proceedings were recognized as “foreign main proceedings” by the United States Bankruptcy Court for the Southern District of New York (the “**Chapter 15 Proceedings**”) pursuant to Chapter 15 of the United States Bankruptcy Code (the “**US Recognition Order**”).

A copy of the Initial Order, the US Recognition Order and other information relating to the CCAA Proceedings and the Chapter 15 Proceedings has been posted to <https://www.alvarezandmarsal.com/LiCycle> (the “**Monitor’s Website**”).

The purpose of this Statement of Negative Notice Priority Claim is to inform you about your claim in the priority claims procedure approved by the Court on June 9, 2025 (the “**Priority Claims Procedure**”). The Priority Claims Procedure governs the process for the identification and quantification of certain Priority Claims against the Applicants in the CCAA Proceedings. All terms used but not defined in this Statement of Negative Notice Priority Claim shall have the meanings ascribed thereto in the Priority Claims and Cure Amounts Procedure Order of the Court dated June 9, 2025 (the “**Priority Claims and Cure Amounts Procedure Order**”). In the event of any inconsistency between the terms of this Statement of Negative Notice Claim and the terms of the Priority Claims and Cure Amounts Procedure Order, the terms of the Priority Claims and Cure Amounts Procedure Order will govern.

Priority Claims Procedure:

Under the Priority Claims and Cure Amounts Procedure Order, the Monitor is required to send a notice prepared by the Applicants, in consultation with the Monitor and the Stalking Horse Bidder, to each Negative Notice Priority Claimant outlining the quantum of their Negative Notice Priority Claim that the Applicants, in consultation with the Monitor and the Stalking Horse Bidder, are prepared to allow in the Priority Claims Procedure (“**Statement of Negative Notice Priority Claim**”).

This Statement of Negative Notice Priority Claim contains the full amount of your Negative Notice Priority Claim against the applicable Applicants that the Applicants, in consultation with the Monitor and

the Stalking Horse Bidder, will allow as an accepted Priority Claim in the Priority Claims Procedure, which Negative Notice Priority Claim has been valued based on the books and records of the Applicants and any negotiations that the Applicants and/or the Monitor have had with you regarding the amounts owed by the applicable Applicants to you.

Your total Priority Claim has been assessed by the Applicants, in consultation with the Monitor and the Stalking Horse Bidder, in the amount of USD \$● against [the applicable Applicant(s)]. [Your Priority Claim is subsumed in and duplicative of the Priority Claim of ● which is the subject of a separate Statement of Negative Notice Priority Claim]

If you agree with the Applicants' assessment of the amount and status of your Priority Claim you need not take any further action.

IF YOU WISH TO DISPUTE THE ASSESSMENT OF YOUR CLAIM, YOU MUST TAKE THE STEPS OUTLINED BELOW.

Disagreement with Assessment:

If you disagree with the assessment of your Negative Notice Priority Claim set out in this Statement of Negative Notice Priority Claim, you must complete and return to the Monitor a completed Notice of Dispute of Priority Claim asserting a Priority Claim in a different amount supported by appropriate documentation. A blank Notice of Dispute of Priority Claim form is enclosed. The Notice of Dispute of Priority Claim with supporting documentation disputing the within assessment of your Priority Claim **must be received by the Monitor no later than 5:00 p.m. (Toronto time) on June 24, 2025 (the "Priority Claims Bar Date")**.

If no such Notice of Dispute of Priority Claim is received by the Monitor by the applicable Priority Claims Bar Date, the amount and status of your Priority Claim will be, subject to further order of the Court, conclusively deemed to be as shown in this Statement of Negative Notice Priority Claim.

Notices of Dispute of Claim must be delivered to the Monitor **by e-mail** (in PDF format) to:
