To Counsel and the Court,

Please find attached the **Certified 6-Part Evidence Package** for Robert Rene Turpin, which was officially stamped and initialed by the Ontario Superior Court of Justice today, March 27, 2026.

This filing is the "**Physical Showing**" of my birthright. It provides the clinical 10-generation lineage connecting the modern House of Turpin to **Eustache Turpin (1818)** and **Frederic Turpin (1847)**.

I have included the specific **Crown Archival Codes (RG2/7/702 and B.239/u/1)**. As the Monitor, you are now in possession of the exact keys required to verify this lineage within the Hudson's Bay Company Archives and the Department of Demography (PRDH) records.

I am serving this directly to ensure it is included in the motion record for the hearing on March 30, 2026.

Sincerely,

**Robert Rene Turpin (R.T.)**

*Crown Prince Robert*
