

The Monitor has obtained relevant registrations made on title for the Applicants' real property leases (the "**Real Property Security Documents**"). Due to their volume, the Real Property Security Documents have not been posted on the Case Website but are saved instead to a data room maintained by the Monitor. Parties that wish to access these documents can contact the Monitor via email at [HUDSONSBAY@ALVAREZANDMARSAL.COM](mailto:HUDSONSBAY@ALVAREZANDMARSAL.COM) to request access to the data room in which the Real Property Security Documents are saved.
