(a) The Borrower shall make each payment (including principal of or interest on any Borrowing or any Fees or other amounts due and payable) hereunder and under any other Loan Document not later than 2:00 p.m., New York City time, on the date when due in immediately available Dollars, without setoff, defense or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Each such payment shall be made to the Administrative Agent at the Administrative Agent's Office. The Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or Fees, if applicable.

Section 2.17 ~~Section 2.17—~~ *[Reserved]* Call Protection.

(i) Upon (a) any prepayment of Loans pursuant to Sections 2.12 or any other prepayment or repayment of the Loans, or (b) the termination of the Commitments (except for the automatic termination of Commitments upon the making of Loans as described in Section 2.01(b)) and/or acceleration of the Loans and other Obligations pursuant to Article 8 hereto, in each case, prior to December 19, 2023 (the "Call Date"), the Borrower shall owe the Administrative Agent, for the benefit of the Lenders in accordance with their respective Pro Rata Shares, the Make-Whole Amount.

(ii) The Borrower acknowledges, and the parties hereto agree, that the Make-Whole Amount payable pursuant to this Section 2.17 shall be presumed to be the liquidated damages sustained by the Lenders as the result of the early repayment or prepayment of the Obligations or the termination of the Commitments (and not unmatured interest or a penalty) and the Borrower agrees that it is reasonable under the circumstances currently existing. The Borrower EXPRESSLY WAIVES (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE MAKE-WHOLE AMOUNT IN CONNECTION WITH ACCELERATION. Each of the Administrative Agent and Lenders and the other parties expressly agree (to the fullest extent they

may lawfully do so) that (A) the Make-Whole Amount is reasonable and the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (B) the Make-Whole Amount shall be payable notwithstanding the then prevailing market rates at the time payment or repayment is made, (C) there has been a course of conduct between the Administrative Agent, the Lenders, and the Borrower giving specific consideration in this transaction for such agreement to pay the Make-Whole Amount, (D) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this Section 2.17, (E) its agreement to pay the Make-Whole Amount is a material inducement to the Lenders to provide the Commitments and the Loans, and (F) the Make-Whole Amount represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Lenders or profits lost by the Lenders as a result of any event giving rise to an obligation to pay the Make-Whole Amount. In the event of a direct conflict between the priority provisions of this Section 2.17 and other provisions contained in any other Loan Document, it is the intention of the parties hereto that such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.17 shall control and govern.

Section 2.18 ~~Section 2.18. — Refinancing Amendments~~ *Currency Indemnity.* If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it becomes necessary to convert into a particular currency (the “**Judgment Currency**”) any amount due under this Agreement or under any other Loan Document in any currency other than the Judgment Currency (the “**Currency Due**”), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose “rate of exchange” means the rate at which the Lenders are able, on the relevant date, to purchase the Currency Due with the Judgment Currency. In the event that there is a change in the rate of exchange prevailing between the Business Day immediately preceding the day on which the judgment is given and the date of receipt by the Administrative Agent of the amount due, the Borrower shall, on the date of receipt by the Administrative Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Administrative Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Administrative Agent is the amount then due under this Agreement or such other Loan Document in the Currency Due. If the amount of the Currency Due which the Lenders are able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent and the Lenders harmless from and against all loss or damage arising as a result of such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any other Loan Document or under any judgment or order.

(a) ~~At any time after the Restatement Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness (other than Permitted Additional Debt) in respect of all or any portion of the Term Loans then outstanding under this Agreement, in the form of Other Term Loans or Other Term Loan Commitments pursuant to a Refinancing Amendment; provided that (A) such Credit Agreement Refinancing Indebtedness will rank pari passu in right of payment and of security with the other Loans and~~

~~Commitments hereunder, (B) such Credit Agreement Refinancing Indebtedness will have such pricing, fees, interest, premiums and optional prepayment terms as may be agreed by the Borrower and the Lenders thereof (provided, that such Credit Agreement Refinancing Indebtedness may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Refinancing Amendment), (C) such Credit Agreement Refinancing Indebtedness will have a maturity date later than the maturity date of, and will have a Weighted Average Life to Maturity that is not shorter than, the Refinanced Debt, (D) the covenants, events of default and guarantees of such Credit Agreement Refinancing Indebtedness, if not consistent with the terms of the Tranche B-2 Term Loans, shall be on customary market terms for Indebtedness of such type (as determined by the Borrower in good faith) ((provided, that the financial maintenance covenant on the then outstanding Term Loans shall be amended to provide the Lenders the benefit of any financial maintenance covenant of such Credit Agreement Refinancing Indebtedness that is in addition to or more restrictive in any material manner than the financial maintenance covenant on the then outstanding Term Loans)), (E) the proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans being so refinanced and (F) other than in the case of Credit Agreement Refinancing Indebtedness the proceeds of which are applied to pay all outstanding Term Loans and other Obligations in full in cash, the Borrower shall have obtained the consent of the Required Lenders. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction (or waiver) on the date thereof of each of the conditions set forth in Section 4.01 (and for purposes thereof the incurrence of the Credit Agreement Refinancing Indebtedness shall be deemed to be a Request for Credit Extension) and, to the extent reasonably requested by the Administrative Agent and the Required Lenders, receipt by the Administrative Agent of customary legal opinions, board resolutions, officers' certificates and a solvency certification or representation, in each case materially consistent with those delivered on the Restatement Effective Date under Section 4.02 (other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent), and customary reaffirmation agreements. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.18(a) shall be in an aggregate principal amount that is (x) not less than \$40,000,000 and (y) an integral multiple of \$1,000,000 in excess thereof. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment.~~

~~(b) Each of the parties hereto hereby agrees that this Agreement and the other Loan Documents may be amended pursuant to a Refinancing Amendment, without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto and (ii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.18, and the Required Lenders hereby expressly authorize the Administrative Agent to enter into any such Refinancing Amendment. Without limiting the foregoing, in connection with any Refinancing Amendment, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the Latest Maturity Date after giving effect to such Refinancing Amendment so that such maturity date is extended to the then Latest Maturity Date (or such later date as may be advised by local counsel to the Collateral Agent).~~

~~(e) This Section 2.18 shall supersede any provisions in Section 2.14, 2.15 or 10.08 to the contrary.~~

Section 2.19. Extensions of Term Loans:

(a) ~~Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “Extension Offer”) made from time to time by the Borrower to all Lenders of a Class of Term Loans with a like Maturity Date on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans of such Class with the same Maturity Date) and on the same terms to each such Lender, the Borrower may from time to time with the consent of any Lender that shall have accepted such offer extend the maturity date of any Term Loans and otherwise modify the terms of such Term Loans of such Lender pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans and/or modifying the amortization schedule in respect of such Term Loans) (each, an “Extension”, and each group of Term Loans as so extended, as well as the group of original Term Loans not so extended, being a “tranche”; any Extended Term Loans shall constitute a separate tranche of Term Loans from the tranche of Term Loans from which they were converted and a separate Class of Term Loans), so long as the following terms are satisfied (or waived): (i) no Event of Default shall exist at the time the notice in respect of an Extension Offer is delivered to the Lenders, and no Event of Default shall exist immediately prior to or after giving effect to the effectiveness of any Extended Term Loans, (ii) except as to interest rates, fees, amortization, final maturity date, premium, AHYDO “catch up” payments, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Term Loans of any Term Lender extended pursuant to any Extension (“Extended Term Loans”) shall have the same terms and conditions that are substantially identical to, or less favorable to the lenders or investors providing such Extended Term Loans as the tranche of Term Loans subject to such Extension Offer, (iii) the final maturity date of any Extended Term Loans shall be no earlier than the then Latest Maturity Date and the amortization schedule, if any, applicable to Term Loans for periods prior to the then applicable Latest Maturity Date may not be increased, (iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby, (v) any Extended Term Loans may participate on a pro rata basis or on a less than pro rata basis (but not on a greater than pro rata basis) in any voluntary or mandatory prepayments hereunder, as specified in the applicable Extension Offer, (vi) if the aggregate principal amount of Term Loans (calculated on the face amount thereof) in respect of which Term Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans of such Term Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders have accepted such Extension Offer, (vii) all documentation in respect of such Extension shall be consistent with the foregoing, and (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower.~~

(b) ~~With respect to all Extensions consummated by the Borrower pursuant to this Section 2.19, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.12, 2.13 or 2.15 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that the Borrower may at its election specify as a condition (a “Minimum Extension Condition”) to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and may be waived by the Borrower) of Term Loans of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term~~

~~Loans on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.12, 2.13, 2.14 and 2.15) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.19.~~

~~(c) Each of the parties hereto hereby (A) agrees that this Agreement and the other Loan Documents may be amended to give effect to each Extension (an “**Extension Amendment**”), without the consent of any other Lenders, to the extent (but only to the extent) necessary to (i) reflect the existence and terms of the Extended Term Loans incurred pursuant thereto, (ii) modify the scheduled repayments set forth in Section 2.11 with respect to any Class of Term Loans subject to an Extension to reflect a reduction in the principal amount of the Term Loans thereunder in an amount equal to the aggregate principal amount of the Extended Term Loans amended pursuant to the applicable Extension (with such amount to be applied ratably to reduce scheduled repayments of such Term Loans required pursuant to Section 2.11), (iii) modify the prepayments set forth in Sections 2.12 and 2.13 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto, and (iv) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.19, and the Required Lenders hereby expressly and irrevocably, for the benefit of all parties hereto, authorize the Administrative Agent to enter into any such Extension Amendment and (B) consent to the transactions contemplated by this Section 2.19 (including, for the avoidance of doubt, payment of interest, fees or premiums in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Amendment). Without limiting the foregoing, in connection with any Extension, the respective Loan Parties shall (at their expense) amend (and the Collateral Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then Latest Maturity Date so that such maturity date is extended to the Latest Maturity Date after giving effect to such Extension (or such later date as may be advised by local counsel to the Collateral Agent).~~

~~(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days’ (or such shorter period as may reasonably be agreed by the Administrative Agent at the direction of the Required Lenders) prior written notice thereof, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.19.~~

~~(e) This Section 2.19 shall supersede any provisions in Section 2.14, 2.15 or 10.08 to the contrary.~~

ARTICLE 3

TAXES, INCREASED COSTS PROTECTION AND ILLEGALITY

Section 3.01 ~~Section 3.01. Taxes.~~

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower or any Guarantor under any Loan Document to any Lender or Agent shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, assessments, withholdings (including backup withholding), fees or similar charges imposed by any Governmental Authority including interest, penalties and additions to tax (collectively “**Taxes**”), excluding (i) Taxes imposed on or measured by net income, however denominated, and franchise (and similar) Taxes imposed on ~~it~~such Lender or Agent in lieu of net income Taxes, (ii) Taxes attributable to

the failure by the relevant Lender or Agent to deliver the documentation required to be delivered pursuant to clause (d) of this Section 3.01, (iii) Taxes imposed by a jurisdiction as a result of any connection between such Lender or Agent and such jurisdiction other than any connection arising from executing, delivering, being a party to, engaging in any transactions pursuant to, performing its obligations under, or enforcing any Loan Document, (iv) any branch profits Taxes imposed by the United States or any similar Tax imposed by any other jurisdiction in which the Borrower or any Guarantor (as appropriate) is located, (v) any U.S. federal withholding tax imposed on amounts payable hereunder pursuant to a law in effect at such time the Lender or Agent becomes a party to this Agreement (other than pursuant to an assignment request by the Borrower under Section 3.06), or designates a new lending office, except in each case to the extent such Lender (or its assignor, if any) was entitled at the time of designation of a new lending office (or assignment) to receive additional amounts with respect to such withholding tax pursuant to this Section 3.01(a) and (vi) any withholding Tax imposed under FATCA (all such non-excluded Taxes imposed on such payments, being hereinafter referred to as “**Indemnified Taxes**”). If the Borrower, any Guarantor or other applicable withholding agent shall be required by any Laws to deduct or withhold any Indemnified Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (i) the sum payable by the Borrower or Guarantor shall be increased as necessary so that after making all required deductions or withholding (including deductions and withholdings applicable to additional sums payable under this Section 3.01), such Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings, (iii) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, the applicable withholding agent shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

(b) In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other ~~excise, property, intangible or mortgage~~-recording taxes, or charges or levies of the same character, imposed by any Governmental Authority, which arise from any payment made under any Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result from an Agent or Lender’s Assignment and Acceptance, grant of a Participation, transfer or assignment to or designation of a new applicable lending office or other office for receiving payments under any Loan Document (collectively, “**Assignment Taxes**”) except for Assignment Taxes resulting from any assignment or participation that is requested or required in writing by the Borrower (all such non-excluded taxes described in this Section 3.01(b) being hereinafter referred to as “**Other Taxes**”).

(c) Without duplication of Section 3.01(a) or (b), the Borrower and each Guarantor agree to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes paid by such Agent or Lender (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01(c)) and (ii) any reasonable expenses arising therefrom or with respect thereto, *provided* such Agent or Lender, as the case may be, provides Borrower or Guarantor with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts.

(d) Each Lender and Agent shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Law or reasonably requested by the Borrower or the Administrative Agent certifying as to

any entitlement of such Lender or Agent to an exemption from, or reduction in, withholding tax with respect to any payments to be made to such Lender under the Loan Documents. Each such Lender and Agent shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so. Unless the applicable withholding agent has received forms or other documents reasonably satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, the Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate. Notwithstanding the foregoing, a Lender shall not be required to deliver any form pursuant to this clause (d) (other than such documentation set forth in Sections 3.01(d)(i), 3.01(d)(ii) and 3.01(g)) that such Lender is not legally able to deliver. In addition, each Lender and Agent shall deliver to the Borrower and the Administrative Agent such other tax forms or other documents as shall be prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender or Agent is subject to backup withholding or information reporting requirements. Without limiting the foregoing:

(i) Each Lender and Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed executed copies of Internal Revenue Service Form W-9 certifying that such Lender or Agent (as the case may be) is exempt from federal backup withholding.

(ii) Each Lender and Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed executed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(B) two properly completed and duly signed executed copies of Internal Revenue Service Form W-8ECI (or any successor forms) and, in the case of an Agent, a withholding certificate that satisfies the requirements of Treasury Regulation Sections 1.1441-1(b)(2)(iv) and 1.1441-1(e)(3)(v) as applicable to a U.S. branch that has agreed to be treated as a U.S. person for withholding tax purposes;

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit G-1, G-2, G-3 or G-4, as applicable (any such certificate a “**United States Tax Compliance Certificate**”) and (B) two properly completed and duly signed executed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, or

(DC) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a participant holding a participation granted by a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by an Internal Revenue

Service Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided that*, if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owner). Each Lender and Agent shall deliver to the Borrower and the Administrative Agent two further executed copies of any previously delivered form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or inaccurate and promptly after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower or the Administrative Agent, or promptly notify the Borrower and the Administrative Agent that it is unable to do so. Each Lender and Agent shall promptly notify the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered form or certification to the Borrower or the Administrative Agent.

(e) Any Lender or Agent claiming any additional amounts payable pursuant to this Section 3.01 shall use its reasonable efforts to change the jurisdiction of its lending office (or take any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the reasonable, good faith determination of such Lender, result in any unreimbursed cost or expense or be otherwise materially disadvantageous to such Lender.

(f) If any Lender or Agent determines, in its reasonable, good faith discretion, that it has received a refund in respect of any Taxes as to which indemnification or additional amounts have been paid to it by the Borrower pursuant to this Section 3.01 (including by payment of additional amounts pursuant to this Section 3.01) it shall promptly remit such refund to the Borrower or Guarantor, net of all out-of-pocket expenses of the Lender or Agent, as the case may be and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided that* the Borrower and Guarantors, upon the request of the Lender or Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant Governmental Authority. This section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other person.

(g) If a payment made to a Lender or Agent under any Loan Document would be subject to withholding Tax imposed by FATCA if such Lender or Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender or Agent has complied with such Lender's or Agent's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 3.01(hg), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(h) Each party's obligations under this Section 3.01 shall survive any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Each Lender shall indemnify each Agent, within 10 days following written demand therefor, for (i) the full amount of any Indemnified Taxes and Other Taxes attributable to such Lender (but only to the extent that such Agent has not already been indemnified by the Borrower and each Guarantor for such Indemnified Taxes and Other Taxes and without limiting the obligation of the Borrower and each Guarantor to do so), and (ii) any Taxes attributable to such Lender's failure to comply with the provision of Section 10.04(f) relating to the maintenance of a Participant Register, in each case, that are payable or paid by such Agent in connection with any Loan Documents, and any expenses arising therefrom or with respect thereto; *provided* that such Agent provides such ~~lender~~Lender with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts.

Section 3.02 ~~Section 3.02. *Illegality*~~[Reserved]. ~~If any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund SOFR Loans, or to determine or charge interest rates based upon SOFR, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue SOFR Loans or to convert ABR Loans to SOFR Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall promptly following written demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all applicable SOFR Loans of such Lender to ABR Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such SOFR Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.~~

Section 3.03 ~~Section 3.03. *Increased Cost and Reduced Return; Capital Adequacy; Reserves on SOFR Loans.*~~

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the ~~Restatement Effective~~Postpetition B-2 Facility Closing Date, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any ~~SOFR~~ Loans, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.03(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes or Other Taxes for which additional amounts are payable pursuant to Section 3.01, or any Taxes excluded from the definition of Indemnified Taxes under exception (iii) thereof to the extent such Taxes are imposed on or measured by net income or profits or are franchise taxes (imposed in lieu of the foregoing taxes) and any Taxes excluded from the definition of Indemnified Taxes under exceptions (i), (ii), (iv), (v) and (vi) thereof or (ii) reserve requirements contemplated by Section 3.03(c) ~~or reflected in Adjusted Term SOFR~~) and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining ~~any SOFR Loan (or of maintaining its obligations to make any Loan)~~, or to reduce the amount of any sum received or receivable by such Lender, then from time to time within fifteen (15) days after written demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such written demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender determines that the introduction of any Law regarding capital adequacy or liquidity or any change therein or in the interpretation thereof, in each case after the ~~Restatement Effective~~Postpetition B-2 Facility Closing Date, or compliance by such Lender (or its lending office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any entity controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then from time to time upon written demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such written demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender or controlling entity for such reduction within fifteen (15) days after receipt of such written demand.

(c) ~~Except to the extent already reflected in Adjusted Term SOFR, the~~The Borrower shall pay to each Lender, as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments ~~or the funding of any SOFR Loans of the Borrower~~, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan, *provided* the Borrower shall have received at least fifteen (15) days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days from receipt of such written notice.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation.

(e) If any Lender requests compensation under this Section 3.03, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another lending office for any Loan affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its lending office(s) to suffer no material economic, legal or regulatory disadvantage, and *provided further* that nothing in this Section 3.03(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.03(a), (b), (c) or (d).

Section 3.04 ~~Section 3.04.~~*[Reserved]*.

Section 3.05 ~~Section 3.05.~~*Matters Applicable to all Requests for Compensation.*

(a) Any Agent or any Lender claiming compensation under this Article 3 shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of manifest error. thereof. ~~If any Lender requests compensation by the Borrower under Section 3.03, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another any applicable SOFR Loan, or, if applicable, to convert ABR Loans into SOFR Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.05(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.~~

(c) [Reserved].

(d) [Reserved].

~~(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02 or 3.03 hereof that gave rise to the conversion of any of such Lender's SOFR Loans pursuant to this Section 3.05 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when SOFR Loans made by other Lenders under the applicable Facility are outstanding, if applicable, such Lender's ABR Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding SOFR Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding SOFR Loans under such Facility and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments for the applicable Facility.~~

(e) Notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall be deemed to have been adopted or made after the ~~Restatement Effective~~Postpetition B-2 Facility Closing Date, regardless of the date enacted or adopted.

ARTICLE 9

THE ADMINISTRATIVE AGENT AND THE COLLATERAL AGENT

Each Lender hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Article 9, the Administrative Agent and the Collateral Agent are referred to collectively as the “**Agents**”) its agent and authorizes the Agents to take such actions on its behalf and to exercise

such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental or related thereto. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (i) execute any and all documents ~~(including releases)~~ with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the ~~Collateral Documents (including, for the avoidance of doubt, (x) the ABL Intercreditor Agreement, including any amendment or supplement expressly contemplated thereby and (y) upon the incurrence of any Permitted Junior Priority Additional Debt, the Junior Lien Intercreditor Agreement)~~ other Loan Documents and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the ~~Required~~ Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

The institution serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder. The Agents shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any Loan Party that is communicated or obtained by the Person serving as Administrative Agent or Collateral Agent, as applicable, or any of their Affiliates in any capacity.

Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether ~~an Event of Default or~~ an Event of Default or Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the ~~Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08)~~ Lenders, and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the ~~Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.08)~~ Lenders or in the absence of its own gross negligence or willful misconduct as determined by the final non-appealable judgment of a court of competent jurisdiction. Notwithstanding the foregoing, no action nor any omission to act, taken by either Agent at the direction of the ~~Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein or in the other Loan Documents)~~ Lenders shall constitute gross negligence or willful misconduct. Neither Agent shall be deemed to have knowledge of any Event of Default or Default unless and until written notice thereof, conspicuously labeled as a “notice of default” and specifically describing such Event of Default or Default, is given to such Agent by the Borrower or a Lender, and neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it in good faith to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it in good faith to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the arrangement of the Facilities as well as activities as Agent.

Either Agent may resign at any time by notifying the Lenders and the Borrower in writing, and either Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and such Agent and signed by the ~~Required~~-Lenders. Upon any such resignation or removal, the ~~Required~~-Lenders shall have the right, ~~with~~without the consent of the Borrower ~~(which consent shall not be required during the continuance of an Event of Default under Sections 8.01(a), (f) or (g))~~, to appoint a successor. If no successor shall have been so appointed by the ~~Required Lenders (with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default under Sections 8.01(a), (f) or (g)))~~Lenders and shall have accepted such appointment within 30 days after (i) the retiring Agent gives notice of its resignation or (ii) the ~~Required~~-Lenders ~~delivers~~deliver removal instructions, then the retiring or removed Agent may, on behalf of the Lenders ~~(with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default under Sections 8.01(a), (f) or (g)))~~, appoint a successor Agent which shall be a bank with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding, such Agent's resignation or removal shall become effective and the ~~Required~~-Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the ~~Required Lenders (with the consent of the Borrower (which consent shall not be required during the continuance of an Event of Default under Sections 8.01(a), (f) or (g)))~~Lenders appoint a successor Administrative Agent and/or Collateral Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of its predecessor Agent, and its predecessor Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent's resignation hereunder, the provisions of this Article and Section 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own

decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Each Lender acknowledges and agrees that Alter Domus Products Corp. or one or more of its Affiliates may (but is not obligated to) act as collateral agent or representative for the holders of ~~ABL Facility~~Prepetition Indebtedness, ~~UST Tranche A Facility Indebtedness, UST Tranche B Facility Indebtedness, Permitted Junior Priority Additional Debt, any Extended Term Loan or any Permitted Refinancing thereof~~ and/or Junior DIP Obligations and/or under the collateral agreements with respect thereto ~~and/or under the ABL Intercreditor Agreement or the Junior Lien Intercreditor Agreement~~. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against Alter Domus Products Corp. or any of its Affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

In case of the pendency of any case or proceeding under any ~~insolvency~~Debtor Relief Laws or other similar law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise: (a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Agents under Section 2.05, Section 3.01, and Section 10.05) allowed in such judicial proceeding; and (b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, interim receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due to the Agents under Section 2.05 and Section 10.05. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Lenders hereby irrevocably authorize the Administrative Agent (or its designee), at the direction of the ~~Required~~ Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, the CCAA, or any similar laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any amounts owed to the Agents shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the stock or debt instruments

of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided, that, any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or stock thereof shall be governed, directly or indirectly, by the vote of the ~~Required~~-Lenders, irrespective of the termination of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any stock and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for the Administrative Agent or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the each Lenders pro rata and the stock and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for the Administrative Agent or any acquisition vehicle to take any further action.

The provisions of this Section shall survive the resignation or replacement of the Administrative Agent or Collateral Agent, the termination of the Loan Documents, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(c) if to a Lender, to it at its address (email address or fax number) set forth on ~~Schedule 2.01~~ Appendices A, B, C or D or in the Assignment and Acceptance ~~or Refinancing Amendment~~ pursuant to which such Lender shall have become a party hereto.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt if delivered by hand or overnight courier service or sent by fax or on the date three Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 10.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 10.01. As agreed to among the Borrower, the Administrative Agent and the applicable Lenders from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable Person provided from time to time by such Person.

The Borrower hereby agrees, unless directed otherwise by the ~~Required~~ Lenders or Administrative Agent or unless the electronic mail address referred to below has not been provided by the Administrative Agent to the Borrower, that it will, or will cause its ~~Restricted~~ Subsidiaries to, provide to the Administrative Agent and/or the ~~Required~~ Lenders all information, documents and other materials that it is obligated to furnish to the Administrative Agent and/or the ~~Required~~ Lenders pursuant to the

Loan Documents or to the Lenders under Article 6, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication that (i) is or relates to a Request for Credit Extension or a notice pursuant to Section 2.102.03, (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, or (iii) provides notice of any Default or Event of Default under this Agreement or any other Loan Document, (all such non-excluded communications being referred to herein collectively as “**Communications**”), by transmitting the Communications in an electronic/soft medium that is properly identified in a format reasonably acceptable to the Administrative Agent and/or the ~~Required~~ Lenders to an electronic mail address as directed by the Administrative Agent and/or the ~~Required~~ Lenders. In addition, the Borrower agrees, and agrees to cause its ~~Restricted~~ Subsidiaries, to continue to provide the Communications to the Administrative Agent, the ~~Required~~ Lenders or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, the “**Borrower Materials**”) by posting the Borrower Materials on Intralinks or another similar electronic system (the “**Platform**”) and (b) certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrower, its ~~Restricted~~ Subsidiaries or any of their respective securities) (each, a “**Public Lender**”). The Borrower hereby agrees (w) to use commercially reasonable effort to make all Borrower Materials that are to be made available to Public Lenders clearly and conspicuously “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials “PUBLIC,” the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrower or any of its securities for purposes of United States federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 10.16); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor;” and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not marked as “Public Investor.” Notwithstanding the foregoing, the following Borrower Materials shall be marked “PUBLIC”, unless the Borrower notifies the Administrative Agent promptly that any such document contains material non-public information: (1) the Loan Documents, (2) financial statements and related documentation, in each case, provided pursuant to Section 6.01(a) or 6.01(b) and (3) notification of changes in the terms of the Facilities.

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities laws, to make reference to Communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower, its ~~Restricted~~ Subsidiaries or any of their respective securities for purposes of United States Federal or state securities laws.

THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE”. NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR

STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL NON-APPEALABLE RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED FROM SUCH PERSON'S OR ITS RELATED PARTIES' GROSS NEGLIGENCE, WILLFUL MISCONDUCT OR BAD FAITH, IN EACH CASE, AS DETERMINED BY THE FINAL NON-APPEALABLE JUDGMENT OF A COURT OF COMPETENT JURISDICTION.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address.

Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

Section 10.02 ~~Section 10.02.~~ *Survival of Agreement.* All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf or that any Agent or Lender may have had notice of any Default or Event of Default at the time of any Credit Extension, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of ~~Sections~~ Section 3.01, Section 3.03 Article 9 and Section 10.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent or any Lender.

Section 10.03 ~~Section 10.03.~~ *Binding Effect.* This Agreement shall become effective when it shall have been executed and delivered by the Borrower, each other Loan Party ~~party~~ hereto on the ~~Restatement Effective~~ Postpetition B-2 Facility Closing Date and the Administrative Agent and when the

Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

Section 10.04 ~~Section 10.04--~~ *Successors and Assigns.*

(a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower, the Administrative Agent, the Collateral Agent or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns.

(b) Each Lender may assign to one or more Eligible Assignees all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it); ~~with the prior written consent of the Administrative Agent (not to be unreasonably withheld, conditioned or delayed);~~ provided, however, (i) the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than, \$1,000,000 (or, if less, the entire remaining amount of such Lender's Commitment or Loans of the relevant Class) unless the Administrative Agent otherwise agrees; provided that simultaneous assignments by two or more Related Funds shall be combined for purposes of determining whether the minimum assignment requirement is met, (ii) the parties to each assignment shall (A) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, and, in each case, shall pay to the Administrative Agent a processing and recordation fee of \$3,500; provided that (x) simultaneous assignments by two or more Related Funds shall require the payment of a single processing and recordation fee of \$3,500 and (y) such processing and recordation fee may be waived or reduced in the sole discretion of the Administrative Agent and (iii) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all Lender-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable Laws, including Federal and state securities laws), all documentation and other information reasonably determined by the Administrative Agent to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act, and all applicable tax forms (including such documentation required under Section 3.01(d)). Upon acceptance and recording pursuant to paragraph (e) of this Section 10.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03 and 10.05). Upon request and the surrender by the assigning Lender of its Term Note (if any), the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender.

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner

of the interest being assigned thereby free and clear of any adverse claim and the outstanding balances of its Term Loans without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance; (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrower or any Subsidiary or the performance or observance by the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement and the other Loan Documents, together with copies of the most recent financial statements referred to in Section 5.05 or delivered pursuant to Section 6.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Loan Documents as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof or thereof, together with such powers as are reasonably incidental or related thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of and the interest on the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent and, as to entries pertaining to it, any Lender, at any reasonable time and from time to time upon reasonable prior written notice. This Section 10.04(d) shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Section 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(e) Upon its receipt of ~~-, and consent to,~~ a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, ~~-, and the written consent of the Administrative Agent and, if required, the Borrower, to such assignment,~~ and “know your customer” information requested by the Administrative Agent, and any applicable tax forms (including such documentation required under Section 3.01(d)), the Administrative Agent shall promptly (i) accept such Assignment and Acceptance and (ii) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this paragraph (e).

(f) Each Lender may without the consent of the Borrower or the Administrative Agent sell participations to one or more banks or other Persons in all or a portion of its rights and obligations under

this Agreement (including all or a portion of its Commitment and the Loans owing to it); *provided, however*, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Sections 3.01 and 3.03 (subject to the requirements and limitations therein, including the requirements under Section 3.01(d) (it being understood that the documentation required under Section 3.01(d) shall be delivered to the participating Lender)) to the same extent as if they were Lenders (but with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant and only if such participant has complied with the requirements of such provisions as if it were a Lender) and (iv) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Loans and to approve any amendment, modification or waiver of (or consent under) any provision of this Agreement or any other Loan Document (*provided* that the agreement or instrument pursuant to which such Lender has sold a participation may provide that such Lender shall not agree to the following amendments without the consent of such participating bank or Person hereunder: amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank has an interest; extending any scheduled principal payment date or scheduled date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest; increasing or extending the Commitments in which such participating bank or Person has an interest; releasing all or substantially all of the Guarantors (other than in connection with the sale of any such Guarantor in a transaction permitted by Section 7.05) releasing all or substantially all of the Collateral or the ~~First Lien Term~~B-2 Priority Collateral or reductions in the voting thresholds; or modifying the pro rata requirements of Section 2.13(b), ~~Section 2.13(c)~~ or Section 2.14, in each case, which directly and adversely affects such participants; *provided, further*, that, notwithstanding the foregoing, only the consent of the ~~Required~~ Lenders shall be required in respect of any amendment, modification or waiver of (i) the payment of default interest, or (ii) the occurrence of a default or an Event of Default, ~~(iii) the mandatory prepayment requirements of Section 2.13 or (iv) the payment or receipt of the fee or premium pursuant to Section 2.12(d))~~. To the extent permitted by law, each participating bank or other Person also shall be entitled to the benefits of Section 10.06 as though it were a Lender, *provided* such participating bank or other Person agrees to be subject to Section 2.15 as though it were a Lender. Each Lender that sells a participation or exercises its option under section 10.04(i) with respect to an SPV shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and SPV (other than any SPV that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) and the principal amounts (and interest thereon) of each participant's interest in the Loans or other Obligations under this Agreement (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or SPV or any information relating to a Participant's or a SPV's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under United States Treasury Regulations Section 5f.103-1(c) and proposed United States Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and the Borrower, the Lenders and each Agent shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

(g) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 10.04, disclose to the assignee or

participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; *provided* that (except during the arrangement by the ~~Required~~ Lenders when customary confidentiality arrangements shall apply), prior to any such disclosure of Information, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree to preserve the confidentiality of such confidential information on terms no less restrictive in any material respect than those applicable to the Lenders pursuant to Section 10.16 for the benefit of (and enforceable by) the Borrower.

(h) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender; *provided* that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a “**Granting Lender**”) may grant to a special purpose funding vehicle (an “**SPV**”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPV to make any Loan, (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof, and (iii) the Granting Lender shall for all purposes remain the Lender hereunder. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 10.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans, and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(j) The Borrower ~~(except as expressly permitted by clause (ii) of Section 7.04(d))~~ shall not assign or delegate any of its rights or duties hereunder without the prior written consent of the Administrative Agent and each Lender, and any attempted assignment without such consent shall be null and void.

~~(k) So long as no Event of Default has occurred or is continuing or would result therefrom, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to the Borrower or any of its Subsidiaries, subject to the following limitations and other provisions:~~

~~(i) such assignment shall be made pursuant to (A) an open market transaction on a non pro rata basis or (B) a Dutch Auction open to all Lenders of the applicable Class of Term~~

~~Loans on a pro rata basis in accordance with the Auction Procedures (it being agreed that none of the Borrower or any other Restricted Subsidiary shall have any obligation to make any representation as to the absence of MNPI in connection therewith and such assignment shall be made pursuant to the form of Assignment and Acceptance, which shall contain customary "big boy" assurance by the assignor Lender to the effect that it is a sophisticated investor and is willing to proceed with the assignment);~~

~~(ii) the Borrower will not be entitled to receive, and will not receive, information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in, and will not attend or participate in, meetings or conference calls attended solely by the Lenders and the Administrative Agent;~~

~~(iii) [reserved];~~

~~(iv) the aggregate principal amount of Term Loans purchased by the Borrower may not exceed 20% of the aggregate principal amount of all Tranche B-2 Term Loans as of the Restatement Effective Date plus the aggregate amount of all Credit Agreement Refinancing Indebtedness incurred after the Restatement Effective Date;~~

~~(v) any Term Loans purchased by the Borrower shall be automatically and permanently cancelled immediately upon acquisition by the Borrower;~~

~~(vi) notwithstanding anything to the contrary contained herein (including in the definitions of "Consolidated Net Income" and "Consolidated EBITDA") any non-cash gains in respect of "cancellation of indebtedness" resulting from the cancellation of any Term Loans purchased by the Borrower shall be excluded from the determination of Consolidated Net Income and Consolidated EBITDA; and~~

~~(vii) the purchase and cancellation of Term Loans pursuant to this Section 10.04(k) shall not constitute a voluntary or mandatory prepayment for purposes of Section 2.12 or 2.13.~~

The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 ~~Section 11.02.~~ *Obligations Unconditional.* The obligations of the Guarantors under Section 11.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower or any other Guarantor under this Agreement, any Term Notes issued under this Agreement, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the

Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (a) at any time or from time to time, without notice to the Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

Section 11.03 ~~Section 11.03.—~~*Certain Waivers, Etc.—Etc.* The Guarantors hereby expressly waive (to the extent permitted by applicable Law) diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Term Notes issued hereunder, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and permitted assigns thereof, and shall inure to the benefit of the Secured Parties, and their respective successors and permitted assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding. As provided in Section 10.07, the provisions of this Article 11 shall be governed by, and construed in accordance with, the laws of the State of New York. The foregoing waivers and the provisions hereinafter set forth in this Article 11 which pertain to California law are included solely out of an abundance of caution, and shall not be

construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Article 11, to any other provision of this Agreement or to the Obligations.

Section 11.04 ~~Section 11.04.—~~*Reinstatement.* The obligations of the Guarantors under this Article 11 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise.

Section 11.05 ~~Section 11.05.—~~*Subrogation; Subordination.* Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations (other than contingent obligations) and the expiration and termination of the Commitments of the Lenders under this Agreement, it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation, contribution or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party to any Person that is not a Loan Party ~~permitted pursuant to Section 7.03(b) or 7.03(d)~~ shall be subordinated to such Loan Party's Obligations in ~~ana~~ manner reasonably acceptable to the ~~Required~~ Lenders.

Section 11.06 ~~Section 11.06.—~~*Remedies.* The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Term Notes issued hereunder, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 11.01, subject to the terms and conditions of the DIP Order, the Canadian Orders, the Senior ICA Provisions and the Prepetition ABL Intercreditor Agreement.

Section 11.07 ~~Section 11.07.—~~*Instrument for the Payment of Money.* Each Guarantor hereby acknowledges that the guarantee in this Article 11 constitutes an instrument for the payment of money, and consents and agrees that any Secured Party or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 11.08 ~~Section 11.08.—~~*Continuing Guarantee.* The guarantee in this Article 11 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.09 ~~Section 11.09.—~~*General Limitation on Guarantee Obligations.* In any action or proceeding involving any state corporate, limited partnership or limited liability company law, or any applicable state, provincial, territorial, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section

11.11) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.10 ~~Section 11.10.—Release of Guarantors.~~ If, in compliance with the terms and provisions of the Loan Documents, ~~(i)~~ all or substantially all of the Equity Interests or property of any Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party ~~or (ii) any Guarantor becomes an Excluded Subsidiary~~ (any such Guarantor, ~~and any Guarantor referred to in clause (i), a “Transferred Guarantor”~~), such Transferred Guarantor shall, upon ~~(x)~~ the consummation of such sale or transfer or other transaction ~~or (y) becoming an Excluded Subsidiary pursuant to clause (e) of the definition thereof~~, be automatically released from its obligations under this Agreement (including under Section 10.05 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Collateral Document and, in the case of a sale of all or substantially all of the Equity Interests of the Transferred Guarantor, the pledge of such Equity Interests to the Collateral Agent pursuant to the Collateral Documents shall be automatically released, and, the Collateral Agent shall take such actions as are necessary to effect each release described in this Section 11.10 in accordance with the relevant provisions of the Collateral Documents; *provided*, that no Guarantor shall be released as provided in this paragraph if such Guarantor continues to be a guarantor in respect of any Prepetition Indebtedness incurred pursuant to Section 7.03(e), any Permitted Additional Debt, any Junior Financing, any UST Tranche A Facility Indebtedness, UST Tranche B Facility Indebtedness or any Permitted Refinancing of any of the foregoing. Notwithstanding anything herein to the contrary, if any Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition of Excluded Subsidiary, such Guarantor shall only be permitted to be released from its Guarantee so long as the fair market value of any and all Investments then held by the Loan Parties in such Person are permitted as an Investment under Section 7.02(e)(iii) and Section 7.02(p) at the time such Person becomes an Excluded Subsidiary pursuant to clause (a) of the definition of “Excluded Subsidiary”.

When all Commitments hereunder have terminated, and all Loans or other Obligations hereunder which are accrued and payable have been paid or satisfied, this Agreement and the Guarantees made herein shall automatically terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement.

Section 11.11 ~~Section 11.11.—Right of Contribution.~~ Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Guarantor’s right of contribution shall be subject to the terms and conditions of Section 11.05. The provisions of this Section 11.11 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the Secured Parties, and each Guarantor shall remain liable to the Administrative Agent and the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

Section 11.12 ~~Section 11.12.—Additional Guarantor Waivers and Agreements.~~

(a) Each Guarantor understands and acknowledges that if the Collateral Agent or any other Secured Party forecloses judicially or nonjudicially against any real property security for the Obligations, that foreclosure could impair or destroy any ability that such Guarantor may have to seek reimbursement, contribution, or indemnification from the Borrower or others based on any right such Guarantor may have of subrogation, reimbursement, contribution, or indemnification for any amounts paid by such Guarantor under the Guaranty. Each Guarantor further understands and acknowledges that in the absence of this paragraph, such potential impairment or destruction of such Guarantor’s rights, if any, may entitle such Guarantor to assert a defense to this Guaranty based on Section 580d of the California Code of Civil Procedure as interpreted in *Union Bank v. Gradosky*, 265 Cal. App. 2d 40 (1968). By executing this

Guaranty, each Guarantor freely, irrevocably, and unconditionally: (i) waives (to the extent permitted by Law) and relinquishes that defense and agrees that such Guarantor will be fully liable under this Guaranty even though the Collateral Agent or any other Secured Party may foreclose, either by judicial foreclosure or by exercise of power of sale, any deed of trust securing the Obligations; (ii) agrees that such Guarantor will not assert that defense in any action or proceeding which the Administrative Agent, the Collateral Agent or any other Secured Party may commence to enforce this Guaranty; (iii) acknowledges and agrees that the rights and defenses waived by such Guarantor in this Guaranty include any right or defense that such Guarantor may have or be entitled to assert based upon or arising out of any one or more of §§ 580a, 580b, 580d, or 726 of the California Code of Civil Procedure or § 2848 of the California Civil Code; and (iv) acknowledges and agrees that the Secured Parties are relying on this waiver in creating the Obligations, and that this waiver is a material part of the consideration which the Secured Parties are receiving for creating the Obligations.

(b) Each Guarantor waives (to the extent permitted by Law) all rights and defenses that such Guarantor may have because any of the Obligations is secured by real property. This means, among other things: (i) the Administrative Agent, the Collateral Agent and the other Secured Parties may collect from such Guarantor without first foreclosing on any real or personal property Collateral pledged by the other Loan Parties; and (ii) if the Collateral Agent or any other Secured Party forecloses on any real property Collateral pledged by the other Loan Parties: (A) the amount of the Obligations may be reduced only by the price for which that Collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the Administrative Agent, the Collateral Agent and the other Secured Parties may collect from such Guarantor even if the Secured Parties, by foreclosing on the real property Collateral, have destroyed any right such Guarantor may have to collect from the Borrower. This is an unconditional and irrevocable waiver of any rights and defenses such Guarantor may have because any of the Obligations is secured by real property. These rights and defenses include, but are not limited to, any rights or defenses based upon § 580a, 580b, 580d, or 726 of the California Code of Civil Procedure.

(c) Each Guarantor waives (to the extent permitted by Law) any right or defense it may have at law or equity, including California Code of Civil Procedure § 580a, to a fair market value hearing or action to determine a deficiency judgment after a foreclosure.

The Collateral Agent shall not be required to file any financing statements, mortgages, notices of Lien or similar instruments in any jurisdiction or filing office, take possession or control of any Collateral, or take any other action in order to validate or perfect the Lien and security interest granted by or pursuant to this Agreement, the DIP Order, the Canadian Orders, or any other Loan Document.

Section 13.08 ~~Section 12.06. Additional Defined Terms~~ *Survival*. Agent and the Lenders against the Loan Parties in respect of any Obligation (except with respect to Liens of the Junior DIP Lenders solely with respect to Unencumbered Assets and the DIP Proceeds Account), subject, in each case, to the terms of the DIP Order and the Canadian Orders;

(ii) the Liens in favor of the Collateral Agent and the Lenders set forth in Section 13.04, the DIP Order and the Canadian Orders shall constitute valid and perfected Liens and security interests with the priority as set forth in the DIP Order (and with respect to the Canadian Collateral, with the priority as set forth in the DIP Order and the Canadian Orders), and shall be prior to all other Liens and security interests, now existing or hereafter arising, in favor of any other creditor or any other Person whatsoever (other than the Carve-Out and the Canadian Priority Charges), in each case subject to and in accordance with the DIP Order and the Canadian Orders; and

(iii) subject to the DIP Order, the Liens in favor of the Collateral Agent and the Lenders set forth herein and in the other Loan Documents, the DIP Order and the Canadian Orders shall continue to be valid and perfected without the necessity that the Administrative Agent file financing statements or mortgages, take possession or control of any Collateral, or otherwise perfect its Lien under applicable non-bankruptcy law.

H. *Findings Regarding DIP Financing and Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the DIP Loan Parties to obtain financing pursuant to the DIP Loan Documents, including the DIP Term Sheet.

(ii) The Debtors have demonstrated an immediate and critical need to obtain the DIP Loans and to use Prepetition Collateral (including Cash Collateral) in order to, among other things, maintain, administer, and preserve certain limited operations and maximize the value of their estates through an orderly winddown process of their businesses and comprehensive sale process for their assets. Without the ability of the Debtors to obtain sufficient working capital and

liquidity through the proposed DIP Facility and the use of Cash Collateral as set forth in this Interim Order, the Debtors, their estates, and parties-in-interest would be immediately and irreparably harmed. Accordingly the Debtors have an immediate need to obtain the DIP Loans provided under the DIP Facility and to use Cash Collateral as set forth in this Interim Order to, among other things, maximize the value of the assets of the Debtors' estates to maximize the recovery to all creditors of the estates.

(iii) The Debtors are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense or secured financing on more favorable terms from sources other than the DIP Lenders under the DIP Loan Documents, including financing secured solely by lien on property of the Debtors and their estates that is not otherwise subject to a lien or secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. The Debtors are also unable to obtain secured credit without granting to the DIP Secured Parties the DIP Liens and the DIP Superpriority Claims (each as defined below) and incurring the Adequate Protection Obligations (as defined below) on the terms and subject to the conditions set forth in this Interim Order and in the DIP Loan Documents, including the DIP Term Sheet.

(iv) Based on the DIP Motion, the First Day Declaration, the Kaldenberg Declaration, the Whittman Declaration, and the record and argument presented to the Court at the Interim Hearing, the terms of the DIP Facility, the terms of the adequate protection granted to the Prepetition Secured Parties as provided in paragraph 14 of this Interim Order and with respect to the Prepetition UST Secured Parties as provided in the Interim UST Cash Collateral Order (collectively, the "Adequate Protection"), and the terms on which the Debtors may continue to use Prepetition Collateral (including Cash Collateral) pursuant to this Interim Order and the DIP Loan

Documents are consistent with the Bankruptcy Code, including section 506(b) thereof, are fair and reasonable, and reflect the DIP Loan Parties' exercise of prudent business judgment consistent with their fiduciary duties under the circumstances.

(v) This Interim Order, the DIP Facility, the Adequate Protection, and the use of the Prepetition Collateral (including Cash Collateral) have been negotiated in good faith and at arm's length among the DIP Loan Parties, the DIP Secured Parties, and the Prepetition Secured Parties (each of whom acted in good faith in negotiating such documents), and all of the loans and other financial accommodations extended by the DIP Secured Parties and the Prepetition Secured Parties (as applicable) to the DIP Loan Parties under, in respect of, or in connection with, the DIP Facility and the DIP Loan Documents (including the granting of the Adequate Protection Liens (as defined below) and other adequate protections provided herein), shall be deemed to have been extended by the DIP Secured Parties in good faith, as that term is used in section 364(c) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Secured Parties (and their respective successors and assigns) and such Prepetition Secured Parties (and their respective successors and assigns) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(vi) The Postpetition B-2 Lenders have agreed to provide the Postpetition B-2 Loans for the benefit of the Debtors' estates, the other Prepetition Secured Parties, all holders of administrative expense claims against the Debtors, and all other creditors in lieu of exercising their rights to immediately seek relief from the automatic stay under section 362(d) of the Bankruptcy Code with respect to the Prepetition B-2 Priority Collateral (as defined below).

(vii) The Prepetition Secured Parties and the DIP Secured Parties have acted in

good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of this Interim Order, the DIP Facility and the use of Cash Collateral, including in respect of the granting of the DIP Liens and the Adequate Protection Liens, any challenges or objections to the DIP Facility or the use of Cash Collateral, the DIP Loan Documents (including the DIP Term Sheet), and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification, the Prepetition Secured Parties and the DIP Secured Parties shall maintain their right of indemnification (as applicable) as provided in the Prepetition Loan Documents and the DIP Loan Documents, as applicable, including, without limitation, Section 10.05 of the Prepetition B-2 Credit Agreement and Section 15.2 of the Prepetition ABL Credit Agreement.

(viii) The Prepetition Secured Parties are entitled to the Adequate Protection as and to the extent set forth herein pursuant to sections 361, 362, 363 and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to the Court, the terms of the proposed Adequate Protection are fair and reasonable, reflect the Debtors' prudent exercise of business judgment and constitute reasonably equivalent value and fair consideration for the use of Prepetition Collateral, including Cash Collateral.

(ix) To the extent that their consent is required, the requisite Prepetition Secured Parties have consented or are deemed to have consented to the use of Prepetition Collateral, including Cash Collateral, and the priming of certain of the Prepetition Liens on the Prepetition Collateral by the DIP Liens, in each case on the terms set forth in the DIP Term Sheet and this Interim Order; *provided*, that, nothing in this Interim Order or the DIP Loan Documents shall (x) be construed as the affirmative consent by any of the Prepetition Secured Parties for the use of

Cash Collateral other than on the terms set forth in this Interim Order, (y) be construed as a consent by any party to the terms of any other financing or any other lien encumbering Prepetition Collateral or Prepetition UST Collateral (whether senior or junior) other than as contemplated by this Interim Order (or, as applicable, the Interim UST Cash Collateral Order), or (z) prejudice, limit or otherwise impair the rights of any Prepetition Secured Party or Prepetition UST Secured Party to seek new, different or additional adequate protection or assert any other right, and the rights of any other party in interest, including the DIP Loan Parties to object to such relief, are hereby preserved, subject to the terms and conditions of the Prepetition Intercreditor Agreement.

(x) The Debtors have prepared and delivered to the advisors to the Junior DIP Secured Parties, the Prepetition ABL Secured Parties, the B-2 Secured Parties, and the Prepetition UST Secured Parties an initial budget (the “Initial DIP Budget”), attached hereto as **Schedule 1**. The Initial DIP Budget reflects, among other things, the Debtors’ anticipated operating receipts, operating disbursements, non-operating disbursements, net operating cash flow, and liquidity for each calendar week covered thereby. The Initial DIP Budget may be modified, amended, extended, and updated from time to time in accordance with the DIP Loan Documents and with the approval of the Junior DIP Secured Parties, the B-2 Lenders, the Prepetition ABL Agent and the Prepetition UST Secured Parties (such approval not to be unreasonably withheld). Each subsequent budget, once otherwise approved in accordance with the DIP Loan Documents and this Interim Order and subject to review and approval of the Junior DIP Lender, the B-2 Lenders, the Prepetition ABL Agent, and the Prepetition UST Secured Parties (such approval of the Prepetition UST Secured Parties not to be unreasonably withheld) shall modify, replace, supplement or supersede, as applicable, the Initial DIP Budget for the periods covered thereby (the Initial DIP Budget and each subsequent approved budget, an “Approved Budget”).

(xi) Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and, upon entry of a final order providing for such relief, the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, product, offspring, or profits of any of the Prepetition Collateral.

(xii) The intercreditor and subordination provisions herein and in the other DIP Loan Documents are essential elements of the DIP Facility and the protections granted to the parties as consideration therefor and are immediately and irrevocably binding and enforceable.

I. *Immediate Entry.* Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Absent the relief granted in this Interim Order, the Debtors’ estates will be immediately and irreparably harmed. Consummation of the DIP Facility and continued use of Prepetition Collateral (including Cash Collateral), in accordance with this Interim Order and the DIP Loan Documents (including the DIP Term Sheet), are therefore in the best interests of the Debtors’ estates and consistent with the Debtors’ exercise of their fiduciary duties. The DIP Motion and this Interim Order comply with the requirements of Bankruptcy Local Rule 4001-2.

J. *Prepetition Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing herein constitutes a finding or ruling by this Court that any alleged Prepetition Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the DIP Secured Parties, or the Prepetition Secured Parties, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Senior Lien. For the avoidance of doubt, the right of a seller of goods to reclaim goods under

section 546(c) of the Bankruptcy Code does not constitute a Prepetition Permitted Senior Lien, and such right is expressly subject to the DIP Liens and the Prepetition Liens (each as defined herein). The Prepetition Liens and the DIP Liens are continuing liens and the DIP Collateral is and will continue to be encumbered by such liens.

K. *Intercreditor Agreement.* Pursuant to section 510 of the Bankruptcy Code, the Prepetition Intercreditor Agreement shall: (i) remain in full force and effect, (ii) continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties and Prepetition UST Secured Parties (including the relative priorities, rights and remedies of such parties with respect to replacement liens, administrative expense claims and superpriority administrative expense claims or amounts payable in respect thereof), and (iii) not be deemed to be amended, altered or modified by the terms of this Interim Order, the Interim UST Cash Collateral Order, or the DIP Loan Documents (including the DIP Term Sheet), unless expressly set forth therein or herein, as applicable.

L. Contemporaneous with the entry of this Interim Order, the Court is entering the Interim UST Cash Collateral Order granting the UST Adequate Protection (as defined in the Interim UST Cash Collateral Order) to the Prepetition UST Secured Parties.

Based upon the DIP Motion, the foregoing findings and conclusions, and the overall record before the Court, and after due consideration, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The DIP Motion is granted on an interim basis on the terms and conditions set forth in this Interim Order. All objections to the Interim Order to the extent not withdrawn, waived, settled, or resolved are hereby overruled on the merits.

2. *Authorization of the DIP Financing and the DIP Loan Documents.*

(a) The DIP Loan Parties are hereby authorized to execute, deliver, enter into and perform all of their obligations under the DIP Loan Documents, including the DIP Term Sheet, and perform such other acts as may be necessary, appropriate or desirable in connection therewith. Once executed, the DIP Credit Agreement and the B-2 Amendment (if any) shall be deemed effective as of the Closing Date (as defined in the DIP Term Sheet). The Borrower is hereby authorized upon entry of this Interim Order to borrow up to and draw \$60 million (the “Initial Draw”) pursuant to the terms and conditions of the DIP Term Sheet and the Postpetition B-2 Credit Agreement, as modified by this Interim Order and the DIP Term Sheet (including the Documentation Principles) (and, without further order or approval of this Court, the Second Draw on such date that the Second Draw becomes available pursuant to the terms and provisions of the DIP Term Sheet), and the DIP Guarantors are hereby authorized to guarantee the Borrower’s obligations on account of the Initial Draw (and, if applicable, without further order or approval of this Court, the Second Draw), subject to any limitations set forth in the DIP Loan Documents, including the DIP Term Sheet. The proceeds of the DIP Loans shall be used for all purposes permitted under the DIP Loan Documents and the Interim Order, in each case subject to and in accordance with the Approved Budget (subject to any Permitted Variances).

(b) In furtherance of the foregoing and without further approval of this Court, each DIP Loan Party is authorized and directed to perform all acts, to make, execute and deliver all instruments, certificates, agreements, charges, deeds and documents, execute or record pledge and security agreements, mortgages, financing statements and other similar documents, if any, and, subject to the provisions of this Interim Order (or the Interim UST Cash Collateral Order, as applicable) to pay all DIP Obligations as and when such amounts become due and payable, including fees, expenses and indemnities in connection with or that may be reasonably required,

necessary, or desirable in connection with the DIP Financing, including, without limitation:

(i) the execution and delivery of, and performance under, each of the DIP Loan Documents, including the DIP Term Sheet;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Loan Documents, in each case, in such form as the DIP Secured Parties may accept and with any such other approvals as required by the DIP Loan Documents, it being understood that no further approval of this Court, unless expressly set forth herein, shall be required for any such amendments, waivers, consents or other modifications or the payment of any fees, including attorneys', accountants', appraisers' and financial advisors' fees, and other expenses, charges, costs, indemnities and other like obligations in connection therewith) that do not shorten the scheduled maturity of the DIP Facility, increase the aggregate DIP Commitments, increase the rate of interest or fees payable thereunder, or release any DIP Liens. Updates, modifications, and supplements to the Approved Budget in accordance with this Interim Order and the DIP Loan Documents shall not require any further approval of this Court, but, for the avoidance of doubt, shall be subject to review and approval by the DIP Secured Parties, the B-2 Lenders, the Prepetition ABL Agent, and the Prepetition UST Secured Parties (such approval of the Prepetition UST Secured Parties not to be unreasonably withheld);

(iii) the non-refundable payment to any of the DIP Secured Parties of all principal, interest, and fees in connection with the DIP Facility, including any amendment fees, premiums, servicing fees, audit fees, liquidator fees, structuring fees, arrangement fees, administrative agent's, collateral agent's or security trustee's fees, upfront fees, closing fees, commitment premiums, exit fees, closing date fees, prepayment premium or fees, or agency fees, and any amounts due in respect of any indemnification and expense reimbursement obligations,

including, without limitation, reasonable and documented fees and out-of-pocket expenses of professionals retained by, or on behalf of, any of the DIP Secured Parties (including, without limitation, those of Quinn Emanuel Urquhart & Sullivan, LLP, Ropes & Gray LLP, Province, LLC, White & Case LLP, GrayRobinson, P.A., Holland & Knight LLP, and any local legal counsel or other advisors in any foreign jurisdiction (provided no more than one local legal counsel or other advisor in any foreign jurisdiction for each of the Junior DIP Lender and the Postpetition B-2 Lenders), and any other advisors of the DIP Secured Parties as permitted under the DIP Loan Documents), in each case, as provided in the DIP Loan Documents (collectively, the “DIP Fees and Expenses”), without the need to file retention or fee applications; the payment of the foregoing amounts shall be irrevocable, and shall be deemed to have been approved upon entry of this Interim Order, whether any such obligations arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, and upon payment thereof, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, disallowance, impairment, or other claim, cause of action or other challenge of any nature under the Bankruptcy Code or applicable non-bankruptcy law.

3. *DIP Obligations.* Upon execution and delivery of the DIP Loan Documents, the DIP Loan Documents, including the DIP Term Sheet, shall constitute legal, valid, binding and non-avoidable obligations of the DIP Loan Parties, enforceable against each DIP Loan Party and their estates in accordance with their respective terms and this Interim Order, and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon conversion of any of these cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “Successor Cases”). Upon

execution and delivery of the DIP Term Sheet, the DIP Obligations shall include all loans and any other indebtedness or obligations, contingent or absolute, which may from time to time be owing by any of the DIP Loan Parties to any of the DIP Secured Parties, in such capacities, in each case, under the DIP Loan Documents (including the DIP Term Sheet) and this Interim Order, including all principal, interest, costs, fees, expenses, premiums, indemnities and other amounts. The DIP Loan Parties shall be jointly and severally liable for the DIP Obligations. Except as (and solely to the extent) expressly provided herein, no obligation, payment, transfer, or grant of security hereunder or under the DIP Loan Documents to the Junior DIP Agent, the Postpetition B-2 Agent, and/or the other DIP Secured Parties shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

4. *Carve-Out.*

(a) As used herein, the “Carve-Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without

regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Creditors’ Committee pursuant to section 328 or 1103 of the Bankruptcy Code (together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the Junior DIP Agent or the Postpetition B-2 Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,500,000 incurred after the first business day following delivery by the Junior DIP Agent or the Postpetition B-2 Agent of the Carve-Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve-Out Trigger Notice Cap”). For purposes of the foregoing, “Carve-Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the Junior DIP Agent or the Postpetition B-2 Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee, the Prepetition ABL Agent and counsel thereto, counsel to the Junior DIP Agent or the Postpetition B-2 Agent (whichever did not deliver the Carve-Out Trigger Notice), and counsel to the Creditors’ Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default (as defined in the DIP Term Sheet) and acceleration of the DIP Obligations under the DIP Facility, stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(b) Delivery of Weekly Fee Statements. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following

entry of this Interim Order, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, “Estimated Fees and Expenses”) incurred during the preceding week by such Professional Person (through Saturday of such week, the “Calculation Date”), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a “Weekly Statement”); *provided*, that, within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the “Final Statement”) setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the Junior DIP Agent and the B-2 Agent). If any Professional Person fails to deliver a Weekly Statement within three (3) calendar days after such Weekly Statement is due, such Professional Person’s entitlement (if any) to any funds in the Pre-Carve-Out Trigger Notice Reserve (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person.

(c) Carve-Out Reserves.

(i) Commencing with the week ended August 18, 2023, and on or before the Thursday of each week thereafter, the Debtors shall utilize all cash on hand as of such date and

any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the sum of (a) the greater of (i) the aggregate unpaid amount of all Estimated Fees and Expenses reflected in the Weekly Statement delivered on the immediately prior Wednesday to the Debtors, the Junior DIP Agent, and the B-2 Agent, and (ii) the aggregate amount of unpaid Allowed Professional Fees contemplated to be incurred in the Approved Budget during such week, *plus* (b) an amount equal to the amount of Allowed Professional Fees set forth in the Approved Budget for the week occurring after the most recent Calculation Date. The Debtors shall deposit and hold such amounts in a segregated account designated by and subject to the control of the Junior DIP Agent and the Postpetition B-2 Agent in trust (the “Funded Reserve Account”) to pay such Allowed Professional Fees prior to any and all other claims, and all payments of Allowed Professional Fees incurred prior to the Termination Declaration Date shall be paid first from such Funded Reserve Account.

(ii) On the day on which a Carve-Out Trigger Notice is given by the Junior DIP Agent or the Postpetition B-2 Agent to the Debtors with a copy to counsel to the Creditors’ Committee and counsel to the Prepetition ABL Agent (the “Termination Declaration Date”), the Carve-Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date, including cash in the Funded Reserve Account, and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated designated by and subject to the control of the Junior DIP Agent and the Postpetition B-2 Agent in trust to pay such then unpaid Allowed Professional Fees (the “Pre-Carve-Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve-Out Trigger Notice shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve-Out Trigger Notice

Reserve, to fund a reserve in an amount equal to the Post-Carve-Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in a segregated account designated by and subject to the control of the Junior DIP Agent and the Postpetition B-2 Agent in trust to pay such Allowed Professional Fees benefiting from the Post-Carve-Out Trigger Notice Cap (the “Post-Carve-Out Trigger Notice Reserve” and, together with the Pre-Carve-Out Trigger Notice Reserve, the “Carve-Out Reserves”) prior to any and all other claims. All funds in the Pre-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve-Out set forth above (the “Pre-Carve-Out Amounts”), but not, for the avoidance of doubt, the Post-Carve-Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve-Out Trigger Notice Reserve has not been reduced to zero, to pay the Junior DIP Agent and the Postpetition B-2 Agent for the benefit of the applicable DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full in cash and all DIP Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties and the Prepetition UST Secured Parties in accordance with their rights and priorities as set forth in this Interim Order and the Interim UST Cash Collateral Order. All funds in the Post-Carve-Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve-Out set forth above (the “Post-Carve-Out Amounts”), and then, to the extent the Post-Carve-Out Trigger Notice Reserve has not been reduced to zero, to pay the Junior DIP Agent and the Postpetition B-2 Agent for the benefit of the applicable DIP Lenders, unless the DIP Obligations have been indefeasibly paid in full in cash and all DIP Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Secured Parties and the Prepetition UST Secured Parties in accordance with their rights and priorities as set forth in this Interim Order and the Interim UST Cash Collateral Order. Notwithstanding anything to the contrary in the DIP

Loan Documents, or this Interim Order, if either of the Carve-Out Reserves is not funded in full in the amounts set forth in this paragraph 4, then, any excess funds in one of the Carve-Out Reserves following the payment of the Pre-Carve-Out Amounts and Post-Carve-Out Amounts, respectively, shall be used to fund the other Carve-Out Reserve, up to the applicable amount set forth in this paragraph 4, prior to making any payments to the Junior DIP Agent, the Postpetition B-2 Agent, or the Prepetition Secured Parties and the Prepetition UST Secured Parties, as applicable. Notwithstanding anything to the contrary in the DIP Loan Documents or this Interim Order, following delivery of a Carve-Out Trigger Notice, the Junior DIP Agent, the Postpetition B-2 Agent, the Prepetition UST Agent, and the Prepetition Agents shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve-Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve-Out Reserves, with any excess paid to the Junior DIP Agent and the Postpetition B-2 Agent for application in accordance with the DIP Loan Documents, this Interim Order, and the Interim UST Cash Collateral Order. Further, notwithstanding anything to the contrary in this Interim Order, (i) disbursements by the Debtors from the Carve-Out Reserves shall not constitute Loans (as defined in the DIP Loan Documents) or increase or reduce the DIP Obligations, (ii) the failure of the Carve-Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and (iii) in no way shall the Initial Budget, any subsequent Approved Budget, Carve-Out, Post-Carve-Out Trigger Notice Cap, Carve-Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Interim Order, the DIP Facility, or in any Prepetition Loan Document, the Carve-Out shall be senior to all liens and claims securing the DIP Facility, the

Adequate Protection Liens, the ABL 507(b) Claims (as defined below), B-2 507(b) Claims (as defined below), UST Tranche A 507(b) Claims, UST Tranche B 507(b) Claims, and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(d) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve-Out.

(e) No Direct Obligation To Pay Allowed Professional Fees. None of the Junior DIP Agent, the Junior DIP Lender, the Postpetition B-2 Secured Parties, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with these Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the Junior DIP Agent, the Junior DIP Lender, the Postpetition Secured Parties, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Carve-Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis. Any funding of the Carve-Out shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral and shall be otherwise entitled to the protections granted under this Interim Order, the DIP Loan Documents, the Bankruptcy Code, and applicable law.

(g) Reservation of Rights. Nothing in this Interim Order shall be construed as a waiver of any right of the DIP Secured Parties or any of the Prepetition Secured Parties to object to any fee statement, interim application, or monthly application issued or filed by any Professional Persons.

5. *Junior DIP Superpriority Claims*. Pursuant to section 364(c)(1) of the Bankruptcy Code, and except as provided for herein or in the DIP Loan Documents, all of the Junior DIP Obligations shall constitute allowed superpriority administrative expense claims (the “Junior DIP Superpriority Claims”) against the DIP Loan Parties on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the DIP Loan Parties (but shall be: (i) with respect to the Prepetition UST Tranche B Priority Collateral, the Prepetition UST Tranche B Joint Collateral, and the Prepetition ABL Priority Collateral, junior to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition Liens of the Prepetition UST Secured Parties (*i.e.*, the Prepetition UST Liens), the Prepetition ABL Secured Parties and the Prepetition B-2 Secured Parties in respect thereof of (in such order of priority as set forth herein and in the Prepetition Intercreditor Agreement), the Adequate Protection Liens of the Prepetition UST Secured Parties (*i.e.*, the UST Adequate Protection Liens), the Prepetition ABL Secured Parties and the Prepetition B-2 Secured Parties in respect thereof, and the 507(b) Claims of the Prepetition UST Secured Parties (*i.e.*, the UST 507(b) Claims), the Prepetition ABL Secured Parties and the Prepetition B-2 Secured Parties in respect thereof, and (D) the Postpetition B-2 Liens (as defined below); and (ii) with respect to the Prepetition B-2 Priority Collateral, shall be junior only to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition B-2 Liens, (D) the Postpetition B-2 Liens, and (E) the B-2 Adequate Protection Liens, and otherwise shall be senior in all respects to the Prepetition ABL Secured Parties’ and the

Prepetition UST Secured Parties' Prepetition Liens, Adequate Protection Liens, and 507(b) Claims with respect thereto), now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment. The DIP Superpriority Claims shall be payable from, and have recourse to, all prepetition and postpetition property of the DIP Loan Parties and all proceeds thereof (excluding (x) the Carve-Out Reserves and amounts held therein other than the DIP Secured Parties' reversionary interest therein and (y) claims and causes of action under sections 502(d), 544, 545, 547, 548 and 550 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code (collectively, the "Avoidance Actions"), but including (upon entry of the Final Order) any proceeds or property recovered as a result of any Avoidance Actions (but not the Avoidance Actions themselves), whether by judgment, settlement or otherwise (the "Avoidance Proceeds")), subject only to the Carve-Out and the Canadian Priority Charges. The DIP Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

6. *Postpetition B-2 Superpriority Claims.* Pursuant to section 364(c)(1) of the Bankruptcy Code, and except as provided for herein or in the DIP Loan Documents, all of the Postpetition B-2 Obligations shall constitute allowed superpriority administrative expense claims (the "Postpetition B-2 Superpriority Claims," and, together with the Junior DIP Superpriority Claims, the "DIP Superpriority Claims") against the DIP Loan Parties on a joint and several basis

(without the need to file any proof of claim) with priority over any and all claims against the DIP Loan Parties now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code and any and all administrative expenses or other claims arising under sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c), 507(a), 507(b), 726, 1113, or 1114 of the Bankruptcy Code (including the Adequate Protection Obligations), whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment; *provided that*: (i) with respect to the Prepetition UST Tranche B Priority Collateral, the Prepetition UST Tranche B Joint Collateral, and the Prepetition ABL Priority Collateral, the Postpetition B-2 Superpriority Claims shall be junior, in the following order, to (A) the Carve-Out, (B) the Canadian Priority Charges, and (C) the Prepetition Liens of the Prepetition UST Secured Parties (*i.e.*, the Prepetition UST Liens), the Prepetition ABL Secured Parties, and the Prepetition B-2 Secured Parties in respect thereof of (in such order of priority as set forth herein and in the Prepetition Intercreditor Agreement), the Adequate Protection Liens of the Prepetition UST Secured Parties (*i.e.*, the UST Adequate Protection Liens), the Prepetition ABL Secured Parties, and the Prepetition B-2 Secured Parties in respect thereof, and the 507(b) Claims of the Prepetition UST Secured Parties (*i.e.*, the UST 507(b) Claims), the Prepetition ABL Secured Parties, and the Prepetition B-2 Secured Parties in respect thereof; and (ii) with respect to the Prepetition B-2 Priority Collateral, the Postpetition B-2 Superpriority Claims shall be junior only, in the following order, to (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition B-2 Liens, (D) the Postpetition B-2 Liens, and (E) the B-2 Adequate Protection Liens, and otherwise shall be senior in all respects to the Prepetition ABL Secured Parties' and the Prepetition UST Secured Parties' Prepetition Liens, Adequate Protection Liens, and 507(b) Claims with respect thereto). The Postpetition B-2

Superpriority Claims shall be payable from, and have recourse to, all prepetition and postpetition property of the DIP Loan Parties and all proceeds thereof (excluding (x) the Carve-Out Reserves and amounts held therein other than the DIP Secured Parties' reversionary interest therein and (y) Avoidance Actions, but including (upon entry of the Final Order) the Avoidance Proceeds), subject only to the Carve-Out and the Canadian Priority Charges. The Postpetition B-2 Superpriority Claims shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

7. *Junior DIP Liens.* As security for the Junior DIP Obligations, effective and automatically properly perfected on the date this Interim Order is entered, and without the necessity of execution, recordation or filing of any perfection document or instrument, or the possession or control by the Junior DIP Agent of, or over, any Collateral, without any further action by the Junior DIP Secured Parties, the following valid, binding, continuing, fully perfected, enforceable and non-avoidable security interests and liens (the "Junior DIP Liens") are hereby granted to the Junior DIP Agent for the benefit of the Junior DIP Secured Parties (all property identified in clauses (a) through (f) below being collectively referred to as the "Junior DIP Collateral," and, together with the Prepetition Collateral, the "Collateral"):

(a) *Liens on Unencumbered Property.* Pursuant to section 364(c)(2) of the Bankruptcy Code, a first priority lien on and security interest in (subject and subordinate only to, in the following order, (A) the Carve-Out and (B) the Canadian Priority Charges) all tangible and intangible prepetition and postpetition property of the DIP Loan Parties, other than Excluded Property, whether existing on the Petition Date or thereafter acquired, and the proceeds, products, rents, and profits thereof, that, on or as of the Petition Date, was not subject to (i) a valid, perfected

and non-avoidable lien or (ii) a valid and non-avoidable lien in existence as of the Petition Date that is perfected subsequent to the Petition Date as permitted by section 546(b) of the Bankruptcy Code, and also excluding the Avoidance Actions and the Carve-Out Reserves (and any amounts held therein), but including (upon entry of the Final Order) Avoidance Proceeds (collectively, the “Unencumbered Property,” and such liens, the “DIP Unencumbered Property Liens”).

(b) *Liens on DIP Proceeds Account.* Pursuant to section 364(c)(2) of the Bankruptcy Code, a first priority lien on and security interest in the proceeds of the Junior DIP Facility in the DIP Proceeds Account.

During the Junior DIP Agent Remedies Notice Period, the Debtors may use the proceeds of the Junior DIP Facility to the extent drawn prior to the occurrence of an Event of Default and Cash Collateral to make payments, in each case, solely in accordance with the Approved Budget and the terms of the DIP Loan Documents and to the extent necessary to avoid immediate and irreparable harm to the Prepetition Collateral and protection and preservation thereof.

(k) Upon the occurrence and continuance of any of the below events, any such event being deemed an Event of Default, the Prepetition ABL Agent, on not less than five (5) calendar days' notice to the Junior DIP Secured Parties (and their counsel), the Postpetition B-2 Secured Parties (and their counsel), and the Remedies Notice Parties (such five (5) calendar day period, the "ABL Remedies Notice Period"), and unless the Court orders otherwise (*provided*, that, during the ABL Remedies Notice Period, the Debtors, the Creditors' Committee, and/or any party in interest shall be entitled to seek an emergency hearing with the Court), may terminate its and the Prepetition ABL Secured Parties' consent to the Debtors' use of Cash Collateral constituting Prepetition ABL Priority Collateral (the date of such termination, the "Cash Collateral Termination Date"): (i) the DIP Obligations have been accelerated in accordance with the terms of the DIP Loan Documents; (ii) the filing of any motion or pleading by the Debtors, or the entry of an order

on account of a motion filed by any other party, to stay, vacate, reverse, amend or modify the Interim Order or Final Order in a manner adverse to the Prepetition ABL Secured Parties without the consent of the Prepetition ABL Secured Parties; (iii) the entry of an order appointing a trustee, receiver or examiner with expanded powers with respect to any of the Debtors; (iv) the Debtors shall attempt to invalidate, reduce or otherwise impair the Prepetition ABL Obligations; (v) the dismissal of any of the Chapter 11 Cases; (vi) the effective date of any plan of reorganization; (vii) the conversion of any of the Chapter 11 Cases to a case under chapter 7; (viii) the delivery of a Carve-Out Trigger Notice as provided in this Interim Order; or (ix) the failure of the Debtors to make any payments as and when required under paragraph 13(c) and paragraph 14(a)(iii) of this Interim Order; (x) the Final Order (in form and substance reasonably acceptable to the Prepetition ABL Agent) shall not have been entered by the Court within forty-five (45) days of the Petition Date; (xi) the Prepetition ABL Obligations shall not have been fully repaid or cash collateralized, as applicable, in accordance with the Prepetition ABL Loan Documents by the date that is four (4) months after entry of the Interim Order; (xii) the Debtors shall materially breach any of the other provisions of paragraph 13 of this Interim Order; (xiii) any Approved Budget shall be updated, supplemented, replaced, or otherwise modified without the prior consent of the Prepetition ABL Agent; or (xiv) at any time on or after the date that is four (4) weeks after the entry of this Interim Order, the Debtors shall breach the receipts variance covenant set forth on Exhibit 2 attached hereto.

(l) Immediately upon the occurrence of the Cash Collateral Termination Date, the Prepetition ABL Secured Parties shall be authorized, subject to the Prepetition Intercreditor Agreement and the Carve-Out and the Canadian Priority Charges, to: (a) freeze monies or balances in the Debtors' accounts which constitute proceeds of ABL Priority Collateral; (b) immediately

set-off any and all amounts in accounts maintained by the Debtors to the extent such amounts constitute proceeds of ABL Priority Collateral; (c) enforce any and all rights against the DIP Collateral that constitutes proceeds of ABL Priority Collateral, including, without limitation, foreclosure on all or any portion of the DIP Collateral constituting ABL Priority Collateral and occupying the Debtors' premises; and (d) take any other actions or exercise any other rights or remedies permitted under this Interim Order, the Prepetition ABL Loan Documents or applicable law, subject to the Prepetition Intercreditor Agreement. If the Prepetition ABL Secured Parties are permitted by the Court to take any enforcement action with respect to the ABL Priority Collateral, the Debtors shall cooperate with the Prepetition ABL Secured Parties in their efforts to enforce their security interest in the ABL Priority Collateral, and shall not take or direct any entity to take any action designed or intended to hinder or restrict in any respect such Prepetition ABL Secured Parties from enforcing their security interests in the ABL Priority Collateral.

(m) No rights, protections or remedies of the Junior DIP Secured Parties, the Prepetition Secured Parties, or the Prepetition UST Secured Parties granted by this Interim Order, the Interim UST Cash Collateral Order, or the DIP Loan Documents shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent to the Debtors' authority to continue to use Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use Cash Collateral; or (iii) the terms of any other order or stipulation related to the Debtors' continued use of Cash Collateral or the provision of adequate protection to any party.

10. *Limitation on Charging Expenses Against Collateral.* Except to the extent of the Carve-Out and Canadian Priority Charges, no costs or expenses of administration of these cases or any Successor Case or any future proceeding that may result therefrom, including liquidation in

bankruptcy or other proceeding under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral and, upon entry of a final order providing for such relief, Prepetition B-2 Collateral or Prepetition ABL Collateral (in each case, including Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Agent, the B-2 Agent, or the Prepetition ABL Agent, as applicable, and no consent shall be implied from any action, inaction or acquiescence by any of the DIP Secured Parties, the B-2 Secured Parties, or Prepetition ABL Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Secured Parties, the B-2 Secured Parties, or Prepetition ABL Secured Parties to any charge, lien, assessment or claims against the Collateral under section 506(c) of the Bankruptcy Code or otherwise. Further, effective upon entry of a final order providing for such relief, in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the DIP Secured Parties or Prepetition Secured Parties.

11. *No Marshaling.* In no event shall the DIP Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral or the DIP Obligations. Effective upon entry of a final order providing for such relief, in no event shall the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Prepetition Collateral or the Prepetition Secured Obligations.

12. *Payments Free and Clear.* Any and all payments or proceeds remitted to the DIP Secured Parties or Prepetition Secured Parties pursuant to the provisions of this Interim Order, the DIP Loan Documents or any subsequent order of the Court shall, subject to the reservation of rights set out in paragraph 23 of this Interim Order with respect to the Prepetition Secured Parties, be irrevocable, received free and clear of any claim, charge, assessment or other liability.

13. *Use of Cash Collateral.*

(a) *Authorization to Use Cash Collateral.* The Debtors are hereby authorized, solely on the terms and conditions of this Interim Order and the Interim UST Cash Collateral Order, to use all Cash Collateral in accordance with the DIP Loan Documents and Approved Budget (subject to Permitted Variances).

(b) *Proceeds of DIP Loans.* All proceeds of the DIP Loans shall be funded and held in the DIP Proceeds Account (as defined in the DIP Loan Documents) in accordance with the terms of the DIP Loan Documents, which DIP Proceeds Account shall be maintained as a segregated account by the Borrower as set forth in the DIP Loan Documents. For the avoidance of doubt, none of the DIP Proceeds Account, any funds therein constituting DIP Loans, or any proceeds of the DIP Loans (exclusive, for the avoidance of doubt, of any proceeds constituting Prepetition ABL Priority Collateral) shall constitute Prepetition ABL Priority Collateral or be subject to any terms or provisions in this Interim Order governing ABL Cash Collateral.

(c) *Procedures for Use of ABL Cash Collateral.*

(i) *Delivery of ABL Cash Collateral to Prepetition ABL Agent.* Beginning on the first business day after the date that this Interim Order is entered, and on each business day thereafter following receipt of any Cash Collateral constituting Prepetition ABL Priority Collateral ("ABL Cash Collateral"), the Debtors shall, unless previously paid, (x) wire 80% of the amount of ABL Cash Collateral received on or after August 3, 2023 into the applicable Debtor's blocked account ending *8700 maintained at Citizens Bank on the first business day following receipt of the funds to the extent not already remitted (or such other account as the Prepetition ABL Agent and the Debtors may agree in writing from time to time), to the extent not wired prior to the Petition Date (it being acknowledged that the Prepetition ABL Agent received two such wires prior to the Petition Date in respect of such percentage of the ABL Cash Collateral

received on August 3, 2023 and a portion of the ABL Cash Collateral received on August 4, 2023, as well as received an additional wire of \$16.5 million constituting ABL Cash Collateral following the Court's entry of the interim cash collateral order entered at Docket No. 181) (which such prior payments, for the avoidance of doubt, are approved and shall not be invalidated by this Interim Order), or (y) otherwise deliver 80% of the ABL Cash Collateral received on or after August 3, 2023 to the Prepetition ABL Agent in a manner satisfactory to the Prepetition ABL Agent (such remittance, deposit, or delivery, each a "Daily Delivery Event"). Commencing on the third business day of the week following entry of this Interim Order (and on the third business day of each week thereafter) (each, an "Eligibility Reporting Date"), the Debtors shall deliver to the Prepetition ABL Agent information on collections from the prior week (as well as, if applicable, information regarding postpetition collections from prior thereto if either (a) such information has yet to be reported or (b) such information reflects a change from prior reporting (each of (a) and (b), as applicable, the "Supplemental Reporting")) in form and detail reasonably acceptable to the Prepetition ABL Agent. On the business day after each Eligibility Reporting Date, the Debtors shall (x) to the extent the cumulative Daily Delivery Events since August 3, 2023 (taking Supplemental Reporting into account, if applicable) resulted in delivery of less than 80% of the amount of ABL Cash Collateral received, remit to the Prepetition ABL Agent ABL Cash Collateral in an amount necessary to equal 80% of the amount of ABL Cash Collateral received on or after August 3, 2023 or (y) to the extent the cumulative Daily Delivery Events since August 3, 2023 (taking Supplemental Reporting into account, if applicable) resulted in delivery in excess of 80% of the amount of ABL Cash Collateral received, deduct from that day's Daily Delivery Event ABL Cash Collateral in an amount necessary to equal 80% of the amount of ABL Cash Collateral received on or after August 3, 2023. The portion of such ABL Cash Collateral to remain with the

Debtors in accordance with this paragraph 13(c)(i) is referred to herein as the “Available ABL Cash Collateral.” The Debtors shall be permitted to access and utilize all Available ABL Cash Collateral in accordance with the Approved Budget and the terms and provisions of this Interim Order. For the avoidance of doubt, no portion of the Existing ABL Cash Collateral Deposits shall be required to be remitted to the Debtors pursuant to this paragraph 13(c)(i), nor shall any portion of the Existing ABL Cash Collateral Deposits constitute Available ABL Cash Collateral.

(ii) *ABL Cash Collateral in Prepetition ABL Agent’s Possession.* The Prepetition ABL Agent is authorized to collect upon, convert to cash and enforce checks, drafts, instruments and other forms of payment now or hereafter coming into its or any other Prepetition ABL Secured Party’s possession or control which constitute Prepetition ABL Priority Collateral or proceeds thereof.

(d) *Application of Cash Collateral to Prepetition ABL Obligations.* Notwithstanding anything to the contrary in this Interim Order, except with respect to the Available ABL Cash Collateral as set forth in paragraph 13(c)(i), the Prepetition ABL Agent is authorized at any time, and from time to time, to apply all or any portion of the ABL Cash Collateral (including, without limitation, the Existing ABL Cash Collateral Deposits) now or hereafter in the Prepetition ABL Agent’s or any other Prepetition ABL Secured Party’s possession or control to the payment or cash collateralization, as applicable, of Prepetition ABL Obligations (including, without limitation, any accrued and unpaid ABL Adequate Protection Fees and Expenses in accordance with paragraph 18, without limiting the obligation of the DIP Loan Parties under paragraph 18 to pay such amounts directly) in accordance with the Prepetition ABL Loan Documents, and no other party in interest shall have any right to use or direct the use of such ABL Cash Collateral, except that the Debtors shall have the right to use and direct the use of Available ABL Cash Collateral.

All such applications to Prepetition ABL Obligations shall be final, subject only to the right of parties in interest, including the Debtors, to seek a determination in accordance with paragraph 19 of this Interim Order that such applications resulted in the payment of any unsecured prepetition claim of the Prepetition ABL Secured Parties.

(e) *Accounts Collection Practices.* The Debtors shall maintain at all times reasonably appropriate staffing, staffing levels, and other resources with respect to Accounts billing and collections in order to maximize the Debtors' recovery of proceeds with respect to such Accounts. The Debtors shall also provide the Prepetition ABL Agent with reasonable access to all Accounts billing and collections systems and associated staff members.

14. *Adequate Protection of Prepetition Secured Parties.* Pursuant to sections 361, 362, 363(e), 364(d)(1) and 507 of the Bankruptcy Code, as adequate protection of their respective interests in the Prepetition Collateral (including Cash Collateral) for the aggregate Diminution in Value and as an inducement to the Prepetition Secured Parties to consent to the priming of certain of the Prepetition Liens and the use of their Cash Collateral, the Prepetition Secured Parties are granted the following Adequate Protection (collectively, the "Adequate Protection Obligations"):

(a) *Adequate Protection of Prepetition ABL Secured Parties.*

(i) *ABL Adequate Protection Liens.* The Prepetition ABL Agent is hereby granted, for the benefit of the Prepetition ABL Secured Parties, effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements, a valid, perfected replacement security interest in and lien on account of the Prepetition ABL Secured Parties' Diminution in Value upon all of the Prepetition Collateral (the "ABL Adequate Protection Liens"): (i) in the case of the Prepetition ABL Priority Collateral, senior to all other liens, subject

and subordinate to, in the following order, (A) the Carve-Out and (B) the Canadian Priority Charges; (ii) in the case of the Prepetition B-2 Priority Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition B-2 Liens, (D) the B-2 Adequate Protection Liens, and (E) the DIP Liens; (iii) in the case of the Prepetition UST Tranche B Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition UST Tranche B Liens, (D) the UST Tranche B Adequate Protection Liens, (E) the Prepetition B-2 Liens, and (F) the B-2 Adequate Protection Liens; (iv) in the case of the UST Tranche B Joint Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, and (C) the Prepetition UST Tranche B Liens, the Prepetition B-2 Liens, the UST Tranche B Adequate Protection Liens, and the B-2 Adequate Protection Liens; and (iv) in the case of the Unencumbered Property, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, and (C) the DIP Unencumbered Property Liens.

(ii) *ABL Section 507(b) Claims.* The Prepetition ABL Secured Parties are hereby granted allowed superpriority administrative expense claims against the Debtors on a joint and several basis (without the need to file any proof of claim) on account of the Prepetition ABL Secured Parties' Diminution in Value under section 507(b) of the Bankruptcy Code (the "ABL 507(b) Claims"), which ABL 507(b) Claims shall be payable from and have recourse to all DIP Collateral and all proceeds thereof (excluding Avoidance Actions but including, without limitation, Avoidance Proceeds). Except as otherwise provided herein, the ABL 507(b) Claims shall have priority over any and all administrative expenses and all other claims against the Debtors now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy

Code, whether or not such claims may become secured by a judgment lien or other non-consensual lien, levy or attachment; *provided, however*, that the ABL 507(b) Claims shall be junior in all respects to (i) the Carve-Out, (ii) the Canadian Priority Charges, and (iii) the applicable senior Prepetition Liens and Adequate Protection Liens (as set forth in this Interim Order).

(iii) *Prepetition ABL Secured Parties' Interest, Fees and Expenses.* As further adequate protection, subject to the Carve-Out and the Canadian Priority Charges, the DIP Loan Parties shall make current cash payments on the first calendar day of each month of (x) interest at the Default Rate (as defined in the Prepetition ABL Credit Agreement), (y) fees with respect to Letters of Credit pursuant to Section 3.2.2 of the Prepetition ABL Credit Agreement (including any such fees that accrue at the default rate as set forth therein), and (z) other fees, in each case pursuant to, due, and payable under the terms of the Prepetition ABL Loan Documents, and shall currently pay in cash, subject to the review procedures set forth in paragraph 18 of this Interim Order, all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the Prepetition ABL Secured Parties' legal and financial advisors, including, without limitation, those of Choate, Hall & Stewart LLP, Richards, Layton & Finger, PA, AlixPartners, LLP, and any local legal counsel or other advisors, consultants, and other professionals reimbursable under the Prepetition ABL Loan Documents (collectively, the "ABL Adequate Protection Fees and Expenses") and, together with the ABL Adequate Protection Liens and ABL 507(b) Claims, the "ABL Adequate Protection Obligations").

(iv) *Additional Rights and Protections.* The Debtors shall deliver to the Prepetition ABL Agent (substantially concurrent with delivery to the DIP Agent) all financial statements, reports, certificates and related items that are required to be delivered to the DIP Agent pursuant to the DIP Term Sheet and other applicable DIP Loan Documents. On the third (3rd)

business day of each week (commencing on the first full calendar week after entry of this Interim Order), the Debtors shall deliver to the Prepetition ABL Agent a Borrowing Base Certificate (as defined in the Prepetition ABL Credit Agreement) as required pursuant to Section 8.1(ii) of the Prepetition ABL Credit Agreement, which shall be accompanied by customary backup reporting in form and detail reasonably acceptable to the Prepetition ABL Agent, including, without limitation, Account agings, and a roll-forward of Prepetition ABL Priority Collateral; *provided* that the first Borrowing Base Certificate of each month following entry of this Interim Order shall further include a line item for Ineligible Accounts and a breakdown of Ineligible Accounts as part of the customary backup reporting provided. The Debtors shall make the members of their senior management and its professional advisors available for update calls at least one time per calendar week with the prepetition ABL Agent and its respective professional advisors, at times reasonably acceptable to the Prepetition ABL Agent to discuss the cases, the then-current Approved Budget, the Budget Variance Reports, the Liquidity Reports (each as defined in the DIP Term Sheet), other reporting delivered pursuant to the DIP Loan Documents, union matters, the status of any monetization strategies being pursued by the Debtors, including pursuant to the Bidding Procedures Order (as defined in the DIP Term Sheet), and any other matters (including business, operational and due diligence matters) reasonably requested by the Prepetition ABL Agent.

(b) *Adequate Protection of Prepetition B-2 Secured Parties.*

(i) *B-2 Adequate Protection Liens.* The Prepetition B-2 Agent is hereby granted, for the benefit of the Prepetition B-2 Secured Parties, effective and perfected upon the date of this Interim Order and without the necessity of the execution of any mortgages, security agreements, pledge agreements, financing statements or other agreements, a valid, perfected replacement security interest in and lien on account of the Prepetition B-2 Secured Parties'

Diminution in Value upon all of the Prepetition Collateral (the “B-2 Adequate Protection Liens” and, together with the ABL Adequate Protection Liens, the “Adequate Protection Liens”):¹³

(i) in the case of the Prepetition B-2 Priority Collateral, subject and subordinate to, in the following order, (A) the Carve-Out and (B) the Canadian Priority Charges; (ii) in the case of the Prepetition UST Tranche B Priority Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition UST Tranche B Liens, and (D) the UST Tranche B Adequate Protection Liens; (iii) in the case of the Prepetition Joint Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, and (C) the Prepetition UST Tranche B Liens and the Prepetition B-2 Liens; (iv) in the case of the Prepetition ABL Priority Collateral, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges, (C) the Prepetition ABL Liens, and (D) the ABL Adequate Protection Liens; and (v) in the case of the Unencumbered Property, subject and subordinate to, in the following order, (A) the Carve-Out, (B) the Canadian Priority Charges and (C) the DIP Unencumbered Property Liens.

(ii) *B-2 Section 507(b) Claims.* The Prepetition B-2 Secured Parties are hereby granted allowed superpriority administrative expense claims against the Debtors on a joint and several basis (without the need to file any proof of claim) on account of the Prepetition B-2 Secured Parties’ Diminution in Value under section 507(b) of the Bankruptcy Code (the “B-2 507(b) Claims” and, together with the ABL 507(b) Claims, the “507(b) Claims”), which B-2 507(b) Claims shall be payable from and have recourse to all DIP Collateral and all proceeds thereof (excluding Avoidance Actions, but including, without limitation, Avoidance Proceeds).

¹³ For the avoidance of doubt, any reference herein to the “Adequate Protection Liens of the Prepetition UST Secured Parties” shall refer to the UST Adequate Protection Liens (as defined and set forth in the contemporaneously entered Interim UST Cash Collateral Order).

Except as otherwise provided herein, the B-2 507(b) Claims shall have priority over any and all administrative expenses and all other claims against the Debtors now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, whether or not such claims may become secured by a judgment lien or other non-consensual lien, levy or attachment; *provided, however*, that the B-2 507(b) Claims shall be junior to (i) the Carve-Out, (ii) the Canadian Priority Charges, and (iii) the applicable senior Prepetition Liens and Adequate Protection Liens (as set forth in this Interim Order).

(iii) *Prepetition B-2 Secured Parties' Interest, Fees and Expenses.* As further adequate protection, the DIP Loan Parties shall make current cash payments of (x) interest on the last business day of each month at the rate accruing since the Petition Date (which is and shall be deemed for all purposes to be the default rate set forth in Section 2.07 of the Prepetition B-2 Credit Agreement) with respect to ABR Loans (as defined in the Prepetition B-2 Credit Agreement)) and (y) other fees, in each case pursuant to, due, and payable under the terms of the Prepetition B-2 Loan Documents, and shall currently pay in cash, subject to the review procedures set forth in paragraph 18 of this Interim Order, all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the current and former Prepetition B-2 Secured Parties' legal and financial advisors, including, without limitation, those of (i) White & Case LLP and GrayRobinson, P.A., as counsel to the B-2 Lenders (ii) Holland & Knight LLP, as counsel to the Prepetition B-2 Agent), and (iii) Cousins Law, Milbank LLP and FTI Consulting (as Canadian counsel, lead restructuring counsel and financial advisor, respectively, to certain former Prepetition B-2 Lenders) (*provided*, that, the fees and expenses of the professionals set forth in this clause (iii) shall be reimbursed only as incurred through August 15, 2023), and with respect to

clauses (i) and (ii), any local legal counsel or other advisors in any foreign jurisdiction (*provided*, no more than one local legal counsel or other advisor in any foreign jurisdiction) (collectively, the “B-2 Adequate Protection Fees and Expenses” and, together with the B-2 Adequate Protection Liens and B-2 507(b) Claims, the “B-2 Adequate Protection Obligations”).

(c) *Adequate Protection of Prepetition UST Secured Parties.* The Adequate Protection in favor of the Prepetition UST Secured Parties is set forth in the Interim UST Cash Collateral Order.

15. *Maintenance of Collateral.* The DIP Loan Parties shall continue to maintain and insure the Prepetition Collateral and DIP Collateral in amounts and for the risks, and by the entities, as required under the Prepetition Loan Documents and the DIP Loan Documents, as applicable.

16. *Authorization to Record DIP Liens and Adequate Protection Liens.*

(a) Without in any way limiting the validity of the automatic perfection of the DIP Liens and the Adequate Protection Liens under the terms of this Interim Order and the Interim UST Cash Collateral Order, the DIP Secured Parties and the Prepetition Secured Parties are hereby authorized, but not required, to execute in the name of the DIP Loan Parties or the Prepetition Loan Parties (as applicable), as their true and lawful attorneys (with full power of substitution, to the maximum extent permitted by law) and to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar perfection instruments in any jurisdiction, or take possession of certificated securities, or take any other similar action in a manner not inconsistent herewith to document, validate or perfect the liens and security interests granted to them hereunder (the “Perfection Actions”). All such Perfection Actions shall be deemed to have been taken on the date of entry of this Interim Order. The automatic stay shall be modified to the extent necessary to permit the DIP Secured Parties and each Prepetition Secured Parties to take any Perfection Action. For the avoidance of doubt, the DIP Liens and the Adequate Protection Liens shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination, at the time and on the date of entry of this Interim Order, whether or not the Junior DIP Secured Parties, the Postpetition B-2 Secured Parties, or the Prepetition Secured Parties take such Perfection Actions.

(b) A certified copy of this Interim Order may, in the discretion of the DIP Agent and each Prepetition Agent, be filed or recorded in the filing or recording offices in addition to or in lieu of any financing statements, mortgages, notices of lien or similar instruments, and all filing and recording offices are hereby authorized to accept a certified copy of this Interim Order for filing and/or recording, as applicable.

17. *Preservation of Rights Granted Under this Interim Order.*

(a) Other than the claims and liens expressly granted or permitted by this Interim Order, including the Carve-Out and the Canadian Priority Charges, no claim or lien having a priority superior to or *pari passu* with those granted by this Interim Order shall be permitted while any of the DIP Obligations or the Adequate Protection Obligations remain outstanding, and, except as otherwise expressly provided in or permitted under this Interim Order, including the provisions of paragraph 19, the DIP Liens and the Adequate Protection Liens shall not be: (i) junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) except as provided in this Interim Order or the DIP Loan Documents, subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) except as provided in this Interim Order or the DIP Loan Documents, subordinated to or made *pari passu* with any liens arising after the Petition Date, including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties; or (iv) except as provided in this Interim Order or the DIP Loan Documents, junior to any intercompany liens or security interests of the DIP Loan Parties.

(b) The occurrence and continuance of any Event of Default shall, after written notice by the DIP Agent to the Borrower, counsel to the Borrower, the U.S. Trustee, and lead counsel to the Creditors' Committee (if any), constitute an event of default under this Interim Order and, upon such notice, interest, including, where applicable, default interest, shall accrue and be payable as set forth in the DIP Term Sheet. Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting

these cases to cases to a Successor Case: (A) the DIP Superpriority Claims, the DIP Liens, the Adequate Protection Liens, the 507(b) Claims, and the Prepetition Liens shall continue in full force and effect, shall maintain their priorities as provided in this Interim Order and the Interim UST Cash Collateral Order, and shall remain binding on all parties in interest until all DIP Obligations and Adequate Protection Obligations shall have been indefeasibly paid in full in cash; (B) the other rights granted by this Interim Order, including with respect to the Carve-Out and the Canadian Priority Charges, shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Interim Order.

(c) If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacatur, or stay shall not affect (i) the validity, priority, or enforceability of any DIP Obligations or Adequate Protection Obligations incurred prior to the actual receipt of written notice by the DIP Agent or Prepetition Agents, as applicable, of the effective date of such reversal, modification, vacatur, or stay; or (ii) the validity, priority, and enforceability of the DIP Liens, the Prepetition Liens, the Adequate Protection Liens, and the Carve-Out and the Canadian Priority Charges. Notwithstanding any such reversal, modification, vacatur or stay, the DIP Obligations, DIP Liens, Adequate Protection Obligations, Adequate Protection Liens, DIP Superpriority Claims, and 507(b) Claims incurred prior to the actual receipt of written notice by the DIP Agent or the Prepetition Agents, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of this Interim Order, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to, and are hereby granted, all the rights, remedies, privileges and benefits arising under sections 364(e) and 363(m) of the Bankruptcy Code.

(d) Except as expressly provided in this Interim Order or in the DIP Loan Documents, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the 507(b) Claims, and all other rights and remedies of the DIP Secured Parties and the Prepetition Secured Parties granted by this Interim Order and the DIP Loan Documents, as well as the Carve-Out and the Canadian Priority Charges, shall survive, and shall not be modified, impaired or discharged by the entry of an order (i) converting or dismissing any of these cases, or terminating the joint administration of these cases; (ii) approving the sale of any DIP Collateral pursuant to section 363(b) of the Bankruptcy Code (except to the extent permitted by the DIP Loan Documents); or (iii) confirming a chapter 11 plan in any of the cases. The terms and provisions of this Interim Order and the DIP Loan Documents shall continue in full force and effect in these cases and in any Successor Cases until all DIP Obligations, Prepetition Secured Obligations, and Adequate Protection Obligations are indefeasibly paid in full in cash and the DIP Commitments have been terminated. Any confirmation order entered in these cases shall not discharge or otherwise affect in any way the joint and several obligations of the DIP Loan Parties to the DIP Secured Parties under the DIP Facility and the DIP Loan Documents, other than after (x) the payment in full and in cash of all DIP Obligations and the termination of the DIP Commitments or (y) the occurrence of the effective date of such confirmed plan (solely in accordance with the terms of such plan).

(e) Nothing in this Interim Order or in the other DIP Loan Documents shall, nor shall the extension of Postpetition B-2 Loans or the exercise of any rights thereunder, in any way impair or otherwise effect the validity, perfection, extent or priority of the Prepetition B-2 Liens.

18. *Payment of Fees and Expenses.* The DIP Loan Parties are authorized and directed

to pay the DIP Fees and Expenses and Adequate Protection Fees and Expenses. DIP Fees and Expenses and Adequate Protection Fees and Expenses that constitute professional fees and expenses shall not be subject to allowance or review by the Court but shall be subject to the review procedures set forth in this paragraph 18. Professionals for the Junior DIP Secured Parties, the Postpetition B-2 Secured Parties, and the Prepetition Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, however, any time that such professionals seek payment of fees and expenses from the Debtors prior to confirmation of a chapter 11 plan, each such professional shall provide summary copies of its invoices (including aggregate amounts of fees and expenses and total amount of time on a per-professional basis), which are not required to contain time detail and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, to the DIP Loan Parties, counsel to any statutory committee, and the U.S. Trustee (together, the “Review Parties”); *provided, however*, that (i) the provision of such invoices shall not constitute a waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine or any other evidentiary privilege or protection recognized under applicable law; *provided, further*, that, the Review Parties reserve the right to seek reasonable, additional information regarding such invoices and time entries of any such professional and/or to challenge any assertion of privilege with respect to the same. Any objections raised by any Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) calendar days after receipt (the “Review Period”). If no written objection is received by 12:00 a.m. (midnight), prevailing Eastern Time, on the last date of the Review Period, the Debtors shall pay such invoices within five (5) business days. If an objection to a professional’s invoice is

received within the Review Period, the Debtors shall promptly pay the undisputed amount of the invoice without the necessity of filing formal fee applications, regardless of whether the invoiced amount arose or was incurred before or after the Petition Date, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. Notwithstanding the foregoing, the Debtors are authorized and directed to pay, on or prior to the Closing Date (as defined in the DIP Term Sheet): (i) any accrued and unpaid ABL Adequate Protection Fees and Expenses, invoices of which have been provided to lead counsel of the Debtors at least one (1) business day prior to the Closing Date and (ii) any costs, fees, expenses (including reasonable and documented legal fees and expenses) and other compensation contemplated by this Interim Order or the DIP Loan Documents, with respect to items (i) and (ii) above, whether arising before or after the Petition Date, which costs, fees and expenses shall not be subject to the Review Period. No attorney or advisor to any Junior DIP Secured Party, Postpetition B-2 Secured Party, or any Prepetition Secured Party shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court.

19. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon the Debtors in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements and releases contained in this Interim Order shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in these cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless: (a) such committee or other party in interest with

requisite standing has timely and properly filed an adversary proceeding or initiated a contested matter (subject to the limitations contained herein, a “Challenge Motion”) (*provided*, no interested party shall be permitted to raise a defense to standing on the basis that the applicable Debtor is a Delaware limited liability company) by no later than (i) the earlier of (w) one business day before the hearing approving a sale of substantially all of the Debtors’ assets or confirming a plan of reorganization, whichever occurs first, (x) as to the Creditors’ Committee only, 75 calendar days after entry of this Interim Order, (y) if a chapter 7 or a chapter 11 trustee is appointed or elected prior to the end of the Challenge Period (as defined below), the Challenge Period solely for any such chapter 7 trustee or chapter 11 trustee shall be extended to the date that is the later of (A) 75 calendar days after entry of this Interim Order, or (B) the date that is 30 calendar days after their appointment, and (z) for all other parties in interest, 75 calendar days after entry of this Interim Order; and (ii) any such later date as (v) has been agreed to in writing (which may be by email) by the Prepetition ABL Agent with respect to the Prepetition ABL Obligations or the Prepetition ABL Liens, (w) has been agreed to in writing (which may be by email) by the Prepetition B-2 Agent with respect to the Prepetition B-2 Obligations or the Prepetition B-2 Liens, or (x) has been ordered by the Court for cause upon a motion filed and served within any applicable period or (y) has been ordered by the Court after disposition or resolution of a Challenge Motion (the time period established by the foregoing clauses (i)-(ii), the “Challenge Period”), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition Secured Obligations or the Prepetition Liens, or (B) asserting or prosecuting any Avoidance Action or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “Challenges”) against any Prepetition Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial

advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (collectively, the “Representatives”) in connection with or related to the Prepetition Loan Documents, the Prepetition Secured Obligations, the Prepetition Liens, or the Prepetition Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such Challenge; *provided, however*, that any pleadings filed in connection with a Challenge shall comply with the Federal Rules of Bankruptcy Procedure and set forth with specificity the basis for such Challenge, and any Challenges not so raised prior to the expiration of the Challenge Period shall be deemed forever waived, released and barred. If no Challenge is timely and properly filed during the Challenge Period or the Court does not rule in favor of the plaintiff in any such Challenge, then: (1) the Debtors’ stipulations, admissions, agreements and releases contained in this Interim Order shall be binding on all parties in interest; (2) the obligations of the Prepetition Loan Parties under the Prepetition Loan Documents shall constitute allowed claims not subject to defense avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise, except as provided in the Prepetition Intercreditor Agreement), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for all purposes in these cases and any Successor Case(s); (3) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual (other than as provided in the Prepetition Intercreditor Agreement), or otherwise), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, including any

statutory or non-statutory committees appointed or formed in these cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, and any defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any statutory or non-statutory committees appointed or formed in these cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their Representatives shall be deemed forever waived, released and barred. If any Challenge is timely filed during the Challenge Period, the stipulations, admissions, agreements and releases contained in this Interim Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on each person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim Order vests or confers on any person or entity (each as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in these cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, any Challenges with respect to the Prepetition Loan Documents, Prepetition Secured Obligations or Prepetition Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay confirmation of any plan of reorganization in these cases. For the avoidance of doubt, any trustee shall, until the expiration of the Challenge Period, and thereafter for the duration of any adversary proceeding or contested matter commenced pursuant to this

paragraph (whether commenced by the trustee or any other party in interest on behalf of the Debtors' estates), be deemed to be a party (other than the Debtors) in such adversary proceeding or contested matter and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgements, admissions, confirmations, and stipulations made by the Debtors in this Interim Order.

20. *Limitation on Use of DIP Financing Proceeds and Collateral.* Notwithstanding any other provision of this Interim Order or any other order entered by the Court, no DIP Loans, DIP Collateral, Prepetition Collateral (including Cash Collateral) or any portion of the Carve-Out or the Canadian Priority Charges, may be used directly or indirectly, including without limitation through reimbursement of professional fees of any non-Debtor party, in connection with (a) the investigation, threatened initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation (i) against any of the DIP Secured Parties, or the Prepetition Secured Parties, or their respective Representatives (in their capacities as such), or any action purporting to do the foregoing in respect of the DIP Obligations, DIP Liens, DIP Superpriority Claims, Prepetition Secured Obligations, Adequate Protection Liens, or 507(b) Claims or (ii) challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset with respect to the DIP Obligations, the Prepetition Secured Obligations and/or liens, claims, rights, or security interests securing or supporting the DIP Obligations granted under the DIP Orders, the DIP Loan Documents or the Prepetition Loan Documents in respect of the Prepetition Secured Obligations, including, in the case of each (i) and (ii), without limitation, for lender liability or pursuant to sections 105, 510, 544, 547, 548, 549, 550 or 552 of the Bankruptcy Code, applicable non-bankruptcy law or otherwise (provided that, notwithstanding anything to the contrary herein, the proceeds of the DIP Loans and DIP Collateral (including Cash Collateral) may

be used by the Creditors' Committee to investigate, but not to prosecute, (A) the claims and liens of the Prepetition Secured Parties and (B) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties, up to an aggregate cap of no more than \$50,000 (the "Investigation Cap"), (b) attempts to prevent, hinder, or otherwise delay or interfere with the Prepetition Secured Parties' or the DIP Secured Parties', as applicable, enforcement or realization on the Prepetition Secured Obligations, Prepetition Collateral, DIP Obligations, DIP Collateral, as applicable, and the liens, claims and rights granted to such parties under the DIP Orders; (c) attempts to seek to modify any of the rights and remedies granted to the Prepetition Secured Parties or the DIP Secured Parties under this Interim Order, the Interim UST Cash Collateral Order, the Prepetition Loan Documents or the DIP Loan Documents, as applicable, other than in accordance with this Interim Order; (d) to apply to the Court for authority to approve superpriority claims or grant liens (other than the liens and claims permitted by the DIP Loan Documents) or security interests in the DIP Collateral or any portion thereof that are senior to, or on parity with, the DIP Liens, DIP Superpriority Claims, Adequate Protection Liens and 507(b) Claims; or (e) to pay or to seek to pay any amount on account of any claims arising prior to the Petition Date unless such payments are authorized by the Court, agreed to in writing by the DIP Lenders, and expressly permitted under this Interim Order or under the DIP Loan Documents (including the Approved Budget, subject to Permitted Variances), in each case unless all DIP Obligations, Prepetition Secured Obligations, Adequate Protection Obligations, and claims, obligations and liens granted to the DIP Secured Parties, Prepetition Secured Parties, and Prepetition UST Secured Parties under this Interim Order and the Interim UST Cash Collateral Order (inclusive of the UST Adequate Protection Obligations and the Prepetition UST Secured Obligations)), have been indefeasibly paid in full in cash or otherwise agreed to in writing by the DIP Secured Parties (and, for the avoidance

of doubt, no accrued paid time off obligations on account of employees terminated prior to the Petition Date shall be paid until all DIP Obligations, Prepetition Secured Obligations, Adequate Protection Obligations, and claims, obligations and liens granted to the DIP Secured Parties, the Prepetition Secured Parties, and the Prepetition UST Secured Parties under this Interim Order and the Interim UST Cash Collateral Order (inclusive of the UST Adequate Protection Obligations and the Prepetition UST Secured Obligations), have been indefeasibly paid in full in cash).

21. *Binding Effect; Successors and Assigns.* The DIP Loan Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties in interest in these cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, the Prepetition UST Secured Parties, any statutory or non-statutory committees appointed or formed in these cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided*, that the DIP Secured Parties and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee or chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

22. Nothing in this Interim Order, the DIP Loan Documents, the Prepetition Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any DIP Secured Party or

Prepetition Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

23. *Limitation of Liability.* In determining to make any loan or other extension of credit under the DIP Loan Documents, to permit the use of the DIP Collateral or Prepetition Collateral (including Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Loan Documents or Prepetition Loan Documents, as applicable, none of the DIP Secured Parties or Prepetition Secured Parties shall (a) have any liability to any third party or be deemed to be in “control” of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” or “managing agent” with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Interim Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the DIP Secured Parties or Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective Representatives.

24. *Master Proofs of Claim.* Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of these Chapter 11 Cases or any Successor Cases, neither the Prepetition Agents, nor any other Prepetition Secured Parties shall be required to file proofs of claim in these cases or any Successor Cases in order to assert claims for payment of any of the Prepetition Secured Obligations, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts payable under the Prepetition Loan Documents or this Interim Order. The Debtors' stipulations, admissions and acknowledgments of the claim and liens in respect of the Prepetition Secured Obligations set forth in this Interim Order is deemed to constitute timely proofs of claim in respect of all indebtedness, secured status and claims arising under the Prepetition Credit Documents and this Interim Order. Nonetheless, in order to facilitate the processing of claims, each Prepetition Agent is authorized, but not directed or required, to file a master proof of claim in the Debtors' lead case *In re Yellow Corporation, et al.*, Case No. 23-11069 (CTG), on behalf of the applicable Prepetition Secured Parties (each, a "Master Proof of Claim"), which shall be deemed to have been filed against each Debtor. The provisions of this paragraph 24 and the filing of Master Proofs of Claim, if any, are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan filed in these cases. Any Master Proof of Claim shall not be required to include any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Agent. The DIP Secured Parties shall not be required to file proofs of claim with respect to the DIP Obligations.

25. *Insurance.* To the extent that any Prepetition Agent is listed as a loss payee under

the insurance policies of any of the DIP Loan Parties, the DIP Agent shall also be deemed to be a loss payee under such insurance policies until the indefeasible payment in full of the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and termination of the DIP Commitment and, except with respect to the Prepetition ABL Priority Collateral prior to the Prepetition ABL Obligations being indefeasibly paid in full in cash (or, as applicable, cash collateralized) and with respect to the Prepetition Joint Collateral and Prepetition UST Tranche B Priority Collateral prior to the Prepetition UST Tranche B Obligations being indefeasibly paid in full in cash, shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies; *provided*, that the liens granted herein shall not interfere with any rights held by a landlord to insurance proceeds for damage to a landlord's property.

26. *Credit Bidding*. The Junior DIP Agent and the Junior DIP Lender have expressly waived any right to credit bid the Junior DIP Obligations. In each case to the extent permitted by the Prepetition Intercreditor Agreement, (i) the Prepetition ABL Agent (on behalf, and at the direction, of the requisite Prepetition ABL Lenders pursuant to the Prepetition ABL Credit Agreement) shall have the unqualified and unconditional right to credit bid, subject to section 363(k) of the Bankruptcy Code, (x) up to the full amount of the Prepetition ABL Obligations and (y) the ABL Adequate Protection Obligations in the sale or other disposition of any assets of the Debtors, including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code, in each case, pursuant to a plan of reorganization or liquidation or by a chapter 7 trustee in a chapter 7 proceeding of ABL Priority Collateral, and (ii) the B-2 Agent (on behalf, and at the direction, of the B-2 Lenders pursuant to the Postpetition B-2 Credit Agreement) shall have the unqualified and unconditional right to credit bid, subject to section 363(k) of the Bankruptcy Code,

(x) up to the full amount of the B-2 Obligations and (y) the B-2 Adequate Protection Obligations in the sale or other disposition of any assets of the Debtors, including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code, in each case, pursuant to a plan of reorganization or liquidation or by a chapter 7 trustee in a chapter 7 proceeding of Prepetition B-2 Priority Collateral, and each Prepetition ABL Secured Party and B-2 Secured Party complying with the foregoing shall automatically be deemed a “qualified bidder” with respect to any disposition of assets by the Debtors under or pursuant to (a) section 363 of the Bankruptcy Code, (b) a plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or (c) a sale or disposition by a chapter 7 trustee for any of the Debtors under section 725 of the Bankruptcy Code; *provided*, that, no party shall be permitted to credit bid for Prepetition ABL Priority Collateral until such time that the Prepetition ABL Parties have been indefeasibly paid in full in cash and all issued and outstanding letters of credit cash collateralized. The Prepetition ABL Agent at the direction of the requisite Prepetition ABL Lenders pursuant to the Prepetition ABL Credit Agreement and on behalf of the Prepetition ABL Lenders, and the B-2 Agent at the direction of the B-2 Lenders and on behalf of the B-2 Lenders, shall have the absolute right to assign, sell, or otherwise dispose of its right to credit bid to any acquisition entity or joint venture formed in connection with such bid.

27. *Proceeds of Subsequent Financing.* If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Case shall obtain credit or incur debt pursuant to section 364(d) of the Bankruptcy Code in violation of the DIP Loan Documents or this Interim Order at any time, then all of the cash proceeds derived from such credit or debt shall immediately be applied to satisfy the DIP Obligations in accordance with this Interim Order, the DIP Loan Documents, and the Prepetition

Intercreditor Agreement.

28. *Rights Preserved.* Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (a) the DIP Secured Parties' and the Prepetition Secured Parties', as applicable, respective rights to seek any other or supplemental relief in respect of the Debtors (including, the right to seek additional or different adequate protection); (b) the rights of any of the DIP Secured Parties to seek the payment by the Debtors of post-petition interest or fees pursuant to section 506(b) of the Bankruptcy Code; or (c) any of the rights of the DIP Secured Parties and the Prepetition Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or Successor Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, (iii) seek an injunction, (iv) oppose any request for use of Cash Collateral, (v) object to any sale of assets, or (vi) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans; provided that the rights of the DIP Secured Parties and the Prepetition Secured Parties, respectively, with respect to sections (a)–(c) of this paragraph 26 shall be subject to the Prepetition Intercreditor Agreement, as applicable. Other than as expressly set forth in this Interim Order, any other rights, claims or privileges (whether legal, equitable or otherwise) of the DIP Secured Parties are preserved.

29. *No Waiver by Failure to Seek Relief.* The failure or delay on the part of any of the DIP Secured Parties or any of the Prepetition Secured Parties to seek relief or otherwise exercise their respective rights and remedies under this Interim Order, the DIP Loan Documents, the respective Prepetition Loan Documents, or applicable law, as the case may be, shall not constitute

a waiver of any of their respective rights hereunder, thereunder, or otherwise. No delay on the part of any party in the exercise of any right or remedy under this Interim Order shall preclude any other or further exercise of any such right or remedy or the exercise of any other right or remedy. None of the rights or remedies of any party under this Interim Order shall be deemed to have been amended, modified, suspended, or waived unless such amendment, modification, suspension, or waiver is express, in writing and signed by the party against whom such amendment, modification, suspension, or waiver is sought. No consents required hereunder by any of the DIP Secured Parties or any of the Prepetition Secured Parties shall be implied by any inaction or acquiescence by any of the DIP Secured Parties or any of the Prepetition Secured Parties, respectively.

30. *Chubb Reservation of Rights.* For the avoidance of doubt, (i) to the extent ACE American Insurance Company and/or any of its U.S.-based affiliates (collectively, and together with each of their successors, “Chubb”) had valid, enforceable, perfected, and non-avoidable liens and/or security interests on property of the Debtors as of the Petition Date, which liens and/or security interests were senior to the liens and/or security interests of each of the Prepetition Secured Parties (collectively, the “Chubb Liens”), the DIP Liens shall not prime the Chubb Liens; (ii) this Interim Order does not grant the Debtors any right to use any property (or the proceeds thereof) held by Chubb as collateral to secure obligations under insurance policies and related agreements; (iii) without altering or limiting any of the foregoing, none of the insurance policies issued by Chubb to or providing coverage to any of the Debtors and any rights and claims thereunder shall be nor shall constitute DIP Collateral nor shall be subject to any liens granted pursuant to this Interim Order, and, further, the proceeds of any insurance policy issued by Chubb shall only be considered to be DIP Collateral to the extent such proceeds are payable to the Debtors (as opposed to a third party claimant) pursuant to the terms of any such applicable insurance policy; and (iv)

nothing, including the DIP Loan Documents and/or this Interim Order, alters or modifies the terms and conditions of any insurance policies issued by Chubb and/or any agreements related thereto.

31. *Provision Regarding TSC Equipment Finance.* Notwithstanding anything to the contrary set forth in this Order, to the extent that the leases held by TSC Equipment Finance LLC (“TSC”) (as successor by assignment to PNC Equipment Finance, LLC) are subsequently found to be financing arrangements rather than true leases (which TSC disputes), nothing contained in this Order shall (x) result in the granting of any priming or pari passu liens on the equipment subject to such leases or (y) otherwise alter or impair the rights or claims of TSC with respect to such equipment or leases.

32. *Effectiveness.* Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules or any Local Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

33. *Governing Order.* Notwithstanding the relief granted in any other order by this Court, (i) all payments and actions by any of the Debtors pursuant to the authority granted therein shall be subject to this Interim Order, including compliance with the Approved Budget (subject to Permitted Variances) and all other terms and conditions hereof, and (ii) to the extent there is any inconsistency between the terms of the DIP Loan Documents and this Interim Order, this Interim Order shall control. For the avoidance of doubt, upon entry of this Interim Order, this Interim Order shall supersede and replace the interim cash collateral order entered at Docket No. 181, provided that any adequate protection granted therein to the respective Prepetition Secured Parties for the period from the Petition Date until the entry of this Interim Order shall survive and is hereby reaffirmed and ratified.

34. *Headings.* Paragraph headings used herein are for convenience only and shall not affect the construction of, or to be taken into consideration in interpreting, this Interim Order.

35. *Payments Held in Trust.* Except as expressly permitted in this Interim Order or the DIP Loan Documents and except with respect to the DIP Loan Parties, in the event that any person or entity receives any payment on account of a security interest in the DIP Collateral (other than Prepetition B-2 Collateral, Prepetition ABL Priority Collateral, Prepetition Joint Collateral, or Prepetition UST Tranche B Priority Collateral), receives any DIP Collateral (other than Prepetition B-2 Collateral, Prepetition ABL Priority Collateral, Prepetition Joint Collateral, or Prepetition UST Tranche B Priority Collateral) or any proceeds of the DIP Collateral (other than Prepetition B-2 Collateral, Prepetition ABL Priority Collateral, Prepetition Joint Collateral, or Prepetition UST Tranche B Priority Collateral) or receives any other payment with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations and termination of all DIP Commitments, such person or entity shall be deemed to have received, and shall hold, any such DIP Collateral or any payment on account or proceeds thereof (other than Prepetition B-2 Collateral, Prepetition ABL Priority Collateral, Prepetition Joint Collateral, or Prepetition UST Tranche B Priority Collateral) in trust for the benefit of the Junior DIP Secured Parties and shall immediately turn over such collateral or its proceeds to the Junior DIP Agent, or as otherwise instructed by this Court, for application in accordance with the DIP Loan Documents and this Interim Order.

36. *Bankruptcy Rules.* The requirements of Bankruptcy Rules 4001, 6003 and 6004, in each case to the extent applicable, are satisfied by the contents of the DIP Motion.

37. *No Third Party Rights.* Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct,

indirect or incidental beneficiary.

38. *Necessary Action.* The Debtors, the DIP Secured Parties, and the Prepetition Secured Parties are authorized to take all reasonable actions as are necessary or appropriate to implement the terms of this Interim Order. The automatic stay is modified to permit affiliates of the Debtors who are not debtors in these cases to take all actions as are necessary or appropriate to implement the terms of this Interim Order.

39. *Retention of Jurisdiction.* This Court shall retain jurisdiction to enforce the provisions of this Interim Order.

40. *Final Hearing.* A final hearing to consider the relief requested in the DIP Motion on a final basis shall be held on September 18, 2023 at 2:00 p.m. (Prevailing Eastern Time).

41. *Objections.* Any objections or responses to the DIP Motion shall be filed on or prior to September 11, 2023 at 4:00 p.m. (Prevailing Eastern Time). THE ADMINISTRATIVE AGENT AND COLLATERAL AGENT/TAX PROVISIONS

Any reference to (i) the “Administrative Agent” or “Collateral Agent” shall refer to the Junior DIP Agent or the B-2 Agent, as applicable, (ii) “Lender” shall refer to the Junior DIP Lender or the B-2 Lenders, as applicable, (iii) “Secured Parties” shall refer to the Junior DIP Secured Parties or the B-2 Secured Parties, as applicable and (iv) “Required Lenders” shall refer to Junior DIP Lender or the B-2 Lenders, as applicable. Capitalized terms used herein without definition shall have the meaning in the Debtor-in-Possession Credit Facility Term Sheet.

1. Agency Provisions

- a. Each Lender hereby irrevocably appoints the Administrative Agent and the Collateral Agent (for purposes of this Section 1, the Administrative Agent and the Collateral Agent are referred to collectively as the “Agents”) its agent and authorizes the Agents to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the DIP Loan Documents, together with such actions and powers as are reasonably incidental or related thereto. Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to (i) execute any and all documents with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of the DIP Term Sheet and the other DIP Loan Documents and (ii) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender. The institution serving as the Administrative Agent and/or the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other affiliate thereof as if it were not an Agent hereunder. The Agents shall not, except as expressly set forth herein and in the other DIP Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any Loan Party that is communicated or obtained by the person serving as Administrative Agent or Collateral Agent, as applicable, or any of their affiliates in any capacity.
- b. Neither Agent shall have any duties or obligations except those expressly set forth in the DIP Loan Documents. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether an Event of Default or default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances), and (c) except as expressly set forth in the DIP Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its affiliates in any capacity. Neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances) or in the absence of its own gross negligence or willful

misconduct as determined by the final non-appealable judgment of a court of competent jurisdiction. Notwithstanding the foregoing, no action nor any omission to act, taken by either Agent at the direction of the Required Lenders (or such other number of percentage of Lenders as shall be expressly provided for herein or in the other DIP Loan Documents) shall constitute gross negligence or willful misconduct. Neither Agent shall be deemed to have knowledge of any Event of Default or default unless and until written notice thereof, conspicuously labeled as a "notice of default" and specifically describing such Event of Default or default, is given to such Agent by the Borrower or a Lender, and neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any DIP Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any DIP Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any DIP Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in the DIP Term Sheet or elsewhere in any DIP Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent.

- c. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it in good faith to be genuine and to have been signed or sent by the proper person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it in good faith to have been made by the proper person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.
- d. Each Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the arrangement of the facilities as well as activities as Agent.
- e. Either Agent may resign at any time by notifying the Lenders and the Borrower in writing, and either Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and such Agent and signed by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, without the consent of the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after (i) the retiring Agent gives notice of its resignation or (ii) the Required Lenders delivers removal instructions, then the retiring or removed Agent may, on behalf of the Lenders, appoint a successor Agent which shall be a bank with an office in New York, New York, or an affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding, such Agent's resignation or removal shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other DIP Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent and/or Collateral Agent, as the case may be. Upon the acceptance of its appointment as Agent

hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of its predecessor Agent, and its predecessor Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent's resignation hereunder, the provisions of this Section 1 and the section entitled "Indemnity; Expenses" in the DIP Term Sheet shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

- f. Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this DIP Term Sheet and the other DIP Loan Documents. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other DIP Loan Document, any related agreement or any document furnished hereunder or thereunder.
- g. Each Lender acknowledges and agrees that Alter Domus Products Corp. or one or more of its affiliates may (but is not obligated to) act as collateral agent or representative for the Lenders and/or under the collateral agreements with respect thereto. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against Alter Domus Products Corp. or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.
- h. In case of the pendency of any case or proceeding under any insolvency or other similar law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise: (a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the DIP Loans and all other obligations under the Junior DIP Facility or the B-2 Facility, as applicable, that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Agents under Section 1 and the section entitled "Indemnity; Expenses" in the DIP Term Sheet) allowed in such judicial proceeding; and (b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due to the Agents under Section 1 and the section entitled "Indemnity; Expenses" in the DIP Term Sheet. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or

consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Junior DIP Facility or the B-2 Facility, as applicable, or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

- i. To the extent the Administrative Agent, Collateral Agent and their Related Parties (the “Agent Indemnitees”) are not reimbursed and indemnified by the Loan Parties, and without limiting the obligation of the Loan Parties to do so, the Lenders shall indemnify and hold harmless the Agent Indemnitees, based on and to the extent of such Lender’s pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), from and against any and all losses, claims, damages, liabilities and related expenses (including out-of-pocket fees and disbursements of counsels) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any Agent Indemnitee in any way relating to or arising out of or in connection with this DIP Term Sheet or any other DIP Loan Document or in the performance by the Agents in its duties under the DIP Loan Documents; provided that no Lender shall be liable for any portion of such losses, claims, damages, liabilities and related expenses resulting from any Agent Indemnities gross negligence, bad faith or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). Without limiting the foregoing, to the extent not paid or reimbursed by the Loan Parties, each Lender shall pay or reimburse the Agent Indemnities based on and to the extent of such Lender’s pro rata share of all reasonable and documented out-of-pocket costs and expenses, incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this DIP Term Sheet or the other DIP Loan Documents (including all such out-of-pocket costs and expenses incurred during any legal proceeding, including any proceeding under any debtor relief law, and including out-of-pocket fees and disbursements of counsels). For purposes hereof, if the Loans have been paid in full and the Commitments have been terminated prior to such determination pursuant to the immediately preceding sentence, then each such Lender’s “pro rata share” shall be determined as of the last date the Loans and the Commitments were in effect immediately prior to such payment in full.
- j. The provisions of this Section 1 shall survive the resignation or replacement of the Administrative Agent or Collateral Agent, the termination of the DIP Loan Documents, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any DIP Loan Document.

2. Taxes

- a. Except as provided in this Section 2, any and all payments made by or on account of the Borrower or any Guarantor under any DIP Loan Document to any Lender or Agent shall be made free and clear of and without deduction for any and all present or future taxes, duties, levies, imposts, assessments, withholdings (including backup withholding), fees or similar charges imposed by any governmental authority including interest, penalties and additions to tax (collectively “Taxes”), excluding (i) Taxes imposed on or measured by net income, however denominated, and franchise (and similar) Taxes imposed on it in lieu of net income Taxes, (ii) Taxes attributable to the failure by the relevant Lender or Agent to deliver the documentation required to be delivered pursuant to clause (d) of this Section 2, (iii) Taxes imposed by a jurisdiction as a result of any connection between such Lender or Agent and such jurisdiction other than any connection arising from executing, delivering, being a party to, engaging in any transactions pursuant to, performing its obligations under,

or enforcing any DIP Loan Document, (iv) any branch profits Taxes imposed by the United States or any similar Tax imposed by any other jurisdiction in which the Borrower or any Guarantor (as appropriate) is located, (v) any U.S. federal withholding tax imposed on amounts payable hereunder pursuant to a law in effect at such time the Lender or Agent becomes a party to this DIP Term Sheet and the other DIP Loan Documents, or designates a new lending office, except in each case to the extent such Lender (or its assignor, if any) was entitled at the time of designation of a new lending office (or assignment) to receive additional amounts with respect to such withholding tax pursuant to this Section 2(a) and (vi) any withholding Tax imposed under Sections 1471 through 1474 of the Internal Revenue Code of 1986 (as amended from time to time) (the “Code”), as in effect on the date hereof (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or official interpretations thereof, any agreements entered into pursuant to Section 1471(b)(1) of the Code and any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement, treaty or convention among governmental authorities entered into in connection with the implementation of the foregoing (the “FATCA”) (all such non-excluded Taxes imposed on such payments, being hereinafter referred to as “Indemnified Taxes”). If the Borrower, any Guarantor or other applicable withholding agent shall be required by any laws to deduct or withhold any Indemnified Taxes or Other Taxes (as defined below) from or in respect of any sum payable under any DIP Loan Document to any Agent or any Lender, (i) the sum payable by the Borrower or Guarantor shall be increased as necessary so that after making all required deductions or withholding, such Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the applicable withholding agent shall make such deductions or withholdings, (iii) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant governmental authority in accordance with applicable laws, and (iv) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, the applicable withholding agent shall furnish to such Agent or Lender (as the case may be) the original or a copy of a receipt evidencing payment thereof or other evidence acceptable to such Agent or Lender.

- b. In addition, the Borrower agrees to pay any and all present or future stamp, court or documentary taxes and any other intangible or mortgage recording taxes, or charges or levies of the same character, imposed by any governmental authority, which arise from any payment made under any DIP Loan Document or from the execution, delivery, performance, enforcement or registration of, or otherwise with respect to, any DIP Loan Document (including additions to tax, penalties and interest related thereto) [excluding, in each case, such amounts that result from an Agent or Lender’s Assignment and Acceptance, grant of a Participation, transfer or assignment to or designation of a new applicable lending office or other office for receiving payments under any DIP Loan Document (collectively, “Assignment Taxes”) except for Assignment Taxes resulting from assignment or participation that is requested or required in writing by the Borrower (all such non-excluded taxes described in this Section 2(b) being hereinafter referred to as “Other Taxes”)].
- c. Without duplication of Section 2(a) or (b), the Borrower and each Guarantor agree to indemnify each Agent and each Lender for (i) the full amount of Indemnified Taxes and Other Taxes paid by such Agent or Lender (including Indemnified Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2(c)) and (ii)

any reasonable expenses arising therefrom or with respect thereto, *provided* such Agent or Lender, as the case may be, provides Borrower or Guarantor with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts.

- d. Each Lender and Agent shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by law or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender or Agent to an exemption from, or reduction in, withholding tax with respect to any payments to be made to such Lender under the DIP Loan Documents. Each such Lender and Agent shall, whenever a lapse in time or change in circumstances renders such documentation obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so. Unless the applicable withholding agent has received forms or other documents satisfactory to it indicating that payments under any DIP Loan Document to or for a Lender are not subject to withholding tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, the Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable law from such payments at the applicable statutory rate. Notwithstanding the foregoing, a Lender shall not be required to deliver any form pursuant to this clause (d) (other than such documentation set forth in Sections 2(d)(i), 3(d)(ii) and 3(g)) that such Lender is not legally able to deliver. In addition, each Lender and Agent shall deliver to the Borrower and the Administrative Agent such other tax forms or other documents as shall be prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender or Agent is subject to backup withholding or information reporting requirements. Without limiting the foregoing:
 - i. Each Lender and Agent that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this DIP Term Sheet and the other DIP Loan Documents (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed executed copies of Internal Revenue Service Form W-9 certifying that such Lender or Agent (as the case may be) is exempt from federal backup withholding.
 - ii. Each Lender and Agent that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this DIP Term Sheet and the other DIP Loan Documents (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:
 1. two properly completed and duly signed executed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

2. two properly completed and duly signed executed copies of Internal Revenue Service Form W-8ECI (or any successor forms) and, in the case of an Agent, a withholding certificate that satisfies the requirements of Treasury Regulation Sections 1.1441-1(b)(2)(iv) and 1.1441-1(e)(3)(v) as applicable to a U.S. branch that has agreed to be treated as a U.S. person for withholding tax purposes,
 3. in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (A) a certificate substantially in the form of Exhibit G-1, G-2, G-3 or G-4, as applicable (any such certificate a “United States Tax Compliance Certificate”) and (B) two properly completed and duly signed executed copies of Internal Revenue Service Form W-8BEN or Internal Revenue Service Form W-8BEN-E, or
 4. to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership, or is a participant holding a participation granted by a participating Lender), Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each beneficial owner, as applicable (*provided* that, if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such beneficial owner). Each Lender and Agent shall deliver to the Borrower and the Administrative Agent two further executed copies of any previously delivered form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or inaccurate and promptly after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower or the Administrative Agent, or promptly notify the Borrower and the Administrative Agent that it is unable to do so. Each Lender and Agent shall promptly notify the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered form or certification to the Borrower or the Administrative Agent.
 5. Any Lender or Agent claiming any additional amounts payable pursuant to this Section 2 shall use its reasonable efforts to change the jurisdiction of its lending office (or take any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (or any similar amount that may thereafter accrue) and would not, in the reasonable, good faith determination of such Lender, result in any unreimbursed cost or expense or be otherwise materially disadvantageous to such Lender.
- e. If any Lender or Agent determines, in its reasonable, good faith discretion, that it has received a refund in respect of any Taxes as to which indemnification or additional amounts have been paid to it by the Borrower pursuant to this Section 2 (including by payment of additional amounts pursuant to this Section 2) it shall promptly remit such refund to the Borrower or Guarantor, net of all out-of-pocket expenses of the Lender or Agent, as the

case may be and without interest (other than any interest paid by the relevant governmental authority with respect to such refund net of any Taxes payable by any Agent or Lender on such interest); *provided* that the Borrower and Guarantors, upon the request of the Lender or Agent, as the case may be, agree promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant governmental authority) to such party in the event such party is required to repay such refund to the relevant governmental authority. This section shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other person.

- f. If a payment made to a Lender or Agent under any DIP Loan Document would be subject to withholding Tax imposed by FATCA if such Lender or Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender or Agent shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender or Agent has complied with such Lender's or Agent's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2), "FATCA" shall include any amendments made to FATCA after the date of this DIP Term Sheet and the other DIP Loan Documents.
- g. Each party's obligations under this Section 2 shall survive the resignation or replacement of the Administrative Agent or Collateral Agent, the termination of the DIP Loan Documents, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any DIP Loan Document.
- h. Each Lender shall indemnify each Agent, within 10 days following written demand therefor, for (i) the full amount of any Indemnified Taxes and Other Taxes attributable to such Lender (but only to the extent that such Agent has not already been indemnified by the Borrower and each Guarantor for such Indemnified Taxes and Other Taxes and without limiting the obligation of the Borrower and each Guarantor to do so), [and (ii) any Taxes attributable to such Lender's failure to comply with the provision of Section [] relating to the maintenance of a Participant Register], in each case, that are payable or paid by such Agent in connection with any DIP Loan Documents, and any expenses arising therefrom or with respect thereto; *provided* that such Agent provides such lender with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts.

(xii) *Release.* Effective as of the date of entry of this Interim UST Cash Collateral Order and subject in all respects to paragraph 12 of this Interim UST Cash Collateral Order, each of the Debtors and each of their estates, on its own behalf and on behalf of its and their respective predecessors, successors, heirs, and past, present and future subsidiaries and assigns, hereby absolutely, unconditionally and irrevocably releases, relinquishes, waives and forever discharges and acquits the Prepetition UST Secured Parties, and each of their respective UST

Representatives (as defined below) solely in their capacities as such (individually, a “UST Released Party,” and collectively, the “Released Parties”), from any and all liability to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions and causes of action of any kind, nature and description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, in contract or tort, in each case arising out of or related to the Prepetition UST Secured Parties’ ownership of the Debtors’ stock and the Prepetition UST Loan Documents, the negotiation thereof, and the transactions and agreements reflected thereby, that the Debtors at any time had, now have or may have, or that their predecessors, successors or assigns at any time had or hereafter may have against any of the UST Released Parties for or by reason of any act, omission, matter, or cause arising at any time on or prior to the date of this Interim UST Cash Collateral Order; *provided*, that, the release set forth in this section shall not release any claims against or liabilities of a UST Released Party that a court of competent jurisdiction determines has resulted from such UST Released Party’s bad faith, fraud, gross negligence, or willful misconduct.

H. *Findings Regarding Use of Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Interim UST Cash Collateral Order and for authorization of the Debtors to use the Prepetition UST Collateral (including UST Cash Collateral).

(ii) The Debtors have demonstrated an immediate and critical need to use the UST Cash Collateral in order to fund the Chapter 11 Cases and maximize the value of their estates through an orderly winddown process of their businesses and a comprehensive sale process for

their assets. Without the ability of the Debtors to obtain sufficient liquidity through the use of UST Cash Collateral, as set forth in this Interim UST Cash Collateral Order, the Debtors, their estates, and parties-in-interest would be immediately and irreparably harmed. Accordingly, the Debtors have an immediate need to use UST Cash Collateral as set forth in this Interim UST Cash Collateral Order to, among other things, maximize the value of the assets of the Debtors' estates to maximize the recovery to all creditors of the estates.

(iii) Based on the Motion, the First Day Declaration, the Kaldenberg Declaration, the Whittman Declaration, and the record and argument presented to the Court at the Interim Hearing, the terms of the UST Adequate Protection (as defined below) granted to the Prepetition UST Secured Parties and the terms on which the Debtors may continue to use Prepetition UST Collateral (including UST Cash Collateral) pursuant to this Interim UST Cash Collateral Order are consistent with the Bankruptcy Code, including section 506(b) thereof, are fair and reasonable, and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties under the circumstances.

(iv) This Interim UST Cash Collateral Order, the UST Adequate Protection (as defined below), and the use of the Prepetition UST Collateral (including UST Cash Collateral) have been negotiated in good faith and at arm's length among the Debtors, the Prepetition UST Secured Parties, the DIP Secured Parties, and the Prepetition Secured Parties (each of whom acted in good faith in negotiating the foregoing). The financial accommodations extended by the Prepetition UST Secured Parties to the Debtors under, in respect of, or in connection with, the Debtors' use of the Prepetition UST Collateral (including the UST Adequate Protection Liens (as defined below) and other UST Adequate Protection provided herein) shall be deemed to have been extended by the Prepetition UST Secured Parties in good faith, and such Prepetition UST Secured

Parties (and their respective successors and assigns) shall be entitled to the full protections of the Bankruptcy Code in the event that this Interim UST Cash Collateral Order or any provision hereof is vacated, reversed or modified, on appeal or otherwise.

(v) The Prepetition UST Secured Parties have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of this Interim UST Cash Collateral Order, the Interim DIP Order, and the use of UST Cash Collateral, any challenges or objections to the use of UST Cash Collateral, and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification, the Prepetition UST Secured Parties shall maintain their right to indemnification as provided in the Prepetition UST Loan Documents.

(vi) The Prepetition UST Secured Parties are entitled to the UST Adequate Protection (as defined below) as and to the extent set forth herein pursuant to sections 361, 362, and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court, the terms of the proposed UST Adequate Protection are fair and reasonable, reflect the Debtors' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of Prepetition UST Collateral, including UST Cash Collateral.

(vii) To the extent that their consent is required, the Prepetition UST Secured Parties have consented or are deemed to have consented to the Debtors' use of Prepetition UST Collateral, including UST Cash Collateral, on the terms set forth in this Interim UST Cash Collateral Order; *provided*, that, nothing in this Interim UST Cash Collateral Order, the Interim DIP Order, or the DIP Term Sheet or other DIP Documents shall (x) be construed as the affirmative

consent by the Prepetition UST Secured Parties for the use of Prepetition UST Collateral⁶ and UST Cash Collateral other than on the terms set forth in this Interim UST Cash Collateral Order, (y) be construed as a consent by the Prepetition UST Secured Parties to the terms of any financing or lien encumbering Prepetition UST Collateral (whether senior or junior) other than as contemplated by this Interim UST Cash Collateral Order (or, as applicable, the Interim DIP Order), or (z) prejudice, limit, or otherwise impair the rights of the Prepetition UST Secured Parties to seek new, different, or additional adequate protection or to assert any other available right under law, and the rights of any other party in interest, including the Prepetition UST Secured Parties, are hereby preserved, subject to the terms and conditions of the Prepetition Intercreditor Agreement.

(viii) Subject to review and approval from, among others, the Prepetition UST Secured Parties, the Debtors have prepared and delivered to the advisors to the Prepetition UST Secured Parties the Initial DIP Budget (as defined in the Interim DIP Order). The Initial DIP Budget reflects, among other things, the Debtors' anticipated operating receipts, operating disbursements, non-operating disbursements, net operating cash flow, and liquidity for each calendar week covered thereby. Subject to the review of, and approval from, among others, the Prepetition UST Secured Parties, the Initial DIP Budget may be modified, amended, extended, and updated from time to time in accordance with the DIP Term Sheet, the Interim DIP Order, and this Interim UST Cash Collateral Order. Each subsequent budget, once approved in accordance with the DIP Term Sheet, the Interim DIP Order, and this Interim UST Cash Collateral Order, shall modify, replace, supplement or supersede, as applicable, the Initial DIP Budget for the periods covered thereby (the Initial DIP Budget and each subsequent approved budget (as approved in

⁶ For the avoidance of doubt, the term "Prepetition UST Collateral" as used herein refers to both prepetition and postpetition Collateral (as applicable) which secures the Prepetition UST Secured Parties' continuing Prepetition UST Tranche A Liens and continuing Prepetition UST Tranche B Liens (as applicable).

accordance with the DIP Term Sheet, the Interim DIP Order, and this Interim UST Cash Collateral Order, an “Approved Budget”). For the avoidance of doubt, the procedures by which each Approved Budget is reviewed and approved shall remain consistent with the terms of the review and approval process provided for in this Interim UST Cash Collateral and the Interim DIP Order even after such time as the DIP Obligations are paid and satisfied in full if the UST Adequate Protection Obligations have not been paid and satisfied in full, but the review and approval process will only require the approval of the Prepetition UST Secured Parties (with the approval rights of the Prepetition ABL Secured Parties as set forth in the Interim DIP Order remaining in effect to the extent the Prepetition ABL Obligations have not been paid and satisfied in full) if the DIP Obligations have been paid and satisfied in full.

(ix) Upon entry of a final order providing for such relief, each of the Prepetition UST Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition UST Secured Parties with respect to proceeds, product, offspring, or profits of any of the Prepetition UST Collateral.

I. *Immediate Entry.* Sufficient cause exists for immediate entry of this Interim UST Cash Collateral Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Absent the ability of the Debtors to use UST Cash Collateral, the Debtors’ estates will be immediately and irreparably harmed. Continued use of Prepetition UST Collateral (including UST Cash Collateral), in accordance with this Interim UST Cash Collateral Order and the Approved Budget, are therefore in the best interests of the Debtors’ estates and consistent with the Debtors’ exercise of their fiduciary duties. The Motion and this Interim UST Cash Collateral Order comply with the requirements of Bankruptcy Local Rule 4001-2.

J. *Prepetition Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing herein constitutes a finding or ruling by this Court that any alleged Prepetition Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors or the Prepetition UST Secured Parties, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Senior Lien. For the avoidance of doubt, the right of a seller of goods to reclaim goods under section 546(c) of the Bankruptcy Code does not constitute a Prepetition Permitted Senior Lien, and such right is expressly subject to the Postpetition B-2 Liens, the Junior DIP Liens, and the Prepetition Liens, including the Prepetition UST Liens. The Prepetition UST Liens are continuing liens and the Prepetition UST Collateral is and will continue to be encumbered by such liens.

K. *Intercreditor Agreement.* Pursuant to section 510 of the Bankruptcy Code, the Prepetition Intercreditor Agreement shall (i) remain in full force and effect, (ii) continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties and the Prepetition UST Secured Parties (including the relative priorities, rights and remedies of such parties with respect to replacement liens, administrative expense claims and superpriority administrative expense claims or amounts payable in respect thereof), and (iii) not be deemed to be amended, altered, or modified by the terms of this Interim UST Cash Collateral Order, the Interim DIP Order, or the DIP Documents (including the DIP Term Sheet), unless expressly set forth herein or therein, respectively.

L. *Interim DIP Order.* Contemporaneous with the entry of this Interim UST Cash Collateral Order, the Court is entering the Interim DIP Order authorizing the Debtors to, among other things, incur postpetition debt, grant adequate protection liens and superpriority

administrative claims to the Prepetition Secured Parties in connection with the incurrence of such debt, and access and utilize Available ABL Cash Collateral (as defined in the Interim DIP Order). This Interim UST Cash Collateral Order has been entered separately, but contemporaneously, with the Interim DIP Order, at the Prepetition UST Secured Parties' request to the Debtors for this separate and standalone Interim UST Cash Collateral Order. In the event of any inconsistency between the UST Cash Collateral Orders and the DIP Orders, the DIP Orders shall control.

Based upon the Motion, the foregoing findings and conclusions, and the overall record before the Court, and after due consideration, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The Motion is granted on an interim basis on the terms and conditions set forth in this Interim UST Cash Collateral Order. All objections to the Interim UST Cash Collateral Order to the extent not withdrawn, waived, settled, or resolved are hereby overruled on the merits.

2. *Protection of the DIP Lenders' and Prepetition UST Secured Parties' Rights.*⁷

(a) Immediately upon delivery by the DIP Secured Parties to the Debtors of a Termination Notice or Carve-Out Trigger Notice, the Prepetition UST Secured Parties' consent to the Debtors' use of UST Cash Collateral shall be deemed automatically withdrawn and terminated.

(b) Upon the occurrence and continuance of any of the below events (each, a "UST Cash Collateral Termination Event," and any such event being deemed a "UST Event of Default"), the Prepetition UST Agent (at the direction of the Prepetition UST Secured Parties), on not less than five (5) calendar days' notice to the DIP Agent and the Remedies Notice Parties (as

defined in the Interim DIP Order) (such five (5) calendar day period, the “Prepetition UST Remedies Notice Period”), and unless the Court orders otherwise (*provided*, that, during such period, the Debtors, the Creditors’ Committee, and/or any party in interest shall be entitled to seek an emergency hearing with the Court (and, *provided, further*, that, if a request for such hearing is made prior to the end of the Prepetition UST Remedies Notice Period, then the Prepetition UST Remedies Notice Period shall be continued until the Court hears and rules with respect thereto) may terminate and/or revoke its and the Prepetition UST Secured Parties’ consent to the Debtors’ use of UST Cash Collateral (subject to the Carve-Out and related provisions, including Canadian Priority Charges) by delivering a termination notice (the “UST Cash Collateral Termination Notice”) to the DIP Agent and the Remedies Notice Parties (as defined in the Interim DIP Order):

- (i) the filing of any motion or pleading by the Debtors, or the entry of an order on account of a motion filed by any other party, to stay, vacate, reverse, amend or modify the Interim UST Cash Collateral Order or Final UST Cash Collateral Order in a manner materially adverse to the Prepetition UST Secured Parties without the consent of the Prepetition UST Secured Parties;
- (ii) the entry of an order appointing a trustee, receiver or examiner with expanded powers with respect to any of the Debtors; (iii) the Debtors shall attempt to invalidate, reduce or otherwise impair the Prepetition UST Secured Obligations; (iv) the dismissal of any of the Chapter 11 Cases;
- (v) the effective date of any plan of reorganization; (vi) the conversion of any of the Chapter 11 Cases to a case under chapter 7; (vii) the Debtors’ failure to timely satisfy any of the Milestones (as defined below) (subject to extensions as provided herein) or otherwise materially comply with any of the terms of this Interim UST Cash Collateral Order; (viii) the Debtors’ failure to materially comply with any of the terms of the Interim DIP Order in a manner that adversely affects the Prepetition UST Secured Parties; (ix) the Debtors’ failure to maintain required insurance for the

Prepetition UST Collateral; (x) the Debtors' failure to pay timely the UST Adequate Protection Fees and Expenses and the UST Adequate Protection Payments under this Interim UST Cash Collateral Order; (xi) the DIP Secured Parties and the DIP Loan Parties amend or modify the DIP Term Sheet or the DIP Credit Agreement, or the DIP Secured Parties waive any rights held by such parties thereunder, in a manner that materially and adversely affects the Prepetition UST Secured Parties without having obtained the written consent of the Prepetition UST Secured Parties to do so; (xii) the Final UST Cash Collateral Order (in form and substance acceptable to the Prepetition UST Secured Parties) shall not have been entered by this Court within forty-five (45) days of the Petition Date; (xiii) an Approved Budget shall be updated, supplemented, replaced, or otherwise modified in a manner not reasonably acceptable to the Prepetition UST Secured Parties; (xiv) the Debtors make a payment or take an action that is not in material compliance with the Approved Budget that was approved and consented to by the Prepetition UST Secured Parties in accordance with this Interim UST Cash Collateral Order; or (xv) the DIP Loan Documents are not consistent with the DIP Term Sheet and the DIP Orders or are otherwise not reasonably acceptable to the Prepetition UST Secured Parties or are updated, supplemented, amended, replaced or otherwise modified in a manner that adversely affects the Prepetition UST Secured Parties without having obtained the written consent of the Prepetition UST Secured Parties to do so.

(c) Subject to the terms of the Prepetition Intercreditor Agreement, the Interim DIP Order, the Carve-Out, and the Canadian Priority Charges, following delivery of a Termination Notice, delivery of a Carve-Out Trigger Notice, or the occurrence and continuance of a UST Event of Default and delivery of a UST Cash Collateral Termination Notice, but prior to exercising the remedies set forth in this sentence below or any other remedies (other than those set forth below in sub-paragraph (d)), the Prepetition UST Secured Parties shall be required to file a motion with

the Court seeking emergency relief (the “UST Stay Relief Motion”) to be heard on not less than five (5) calendar days’ notice to the Remedies Notice Parties (as defined in the Interim DIP Order) (which may run concurrently with the Prepetition UST Agent Remedies Notice Period) for a further order of the Court fashioning any appropriate remedy, including modifying the automatic stay in the Chapter 11 Cases to permit the Prepetition UST Secured Parties to, subject in all respects to the Prepetition Intercreditor Agreement, the DIP Orders, and the Carve-Out and related provisions (including the Canadian Priority Charges): (a) freeze monies or balances in the Debtors’ accounts provided such monies constitute Prepetition UST Collateral; (b) immediately set-off any and all amounts in accounts maintained by the Debtors with the Prepetition UST Agent or the Prepetition UST Secured Parties against the UST Adequate Protection Obligations, (c) enforce any and all available rights against the Prepetition UST Collateral including, without limitation, foreclosing on all or any portion of such collateral, occupying the Debtors’ premises, and selling or disposing of such collateral; and (d) take any other actions or exercise any other rights or remedies with respect to the Prepetition UST Collateral permitted under this Interim UST Cash Collateral Order, the Interim DIP Order, the DIP Documents, or applicable law; *provided*, that, for the avoidance of doubt, the Prepetition UST Secured Parties may not take any of the foregoing actions with respect to Prepetition B-2 Priority Collateral until all B-2 Obligations are paid in full in cash. If the Prepetition UST Secured Parties are permitted and authorized by the Court to take any enforcement action with respect to the Prepetition UST Collateral following the hearing on the UST Stay Relief Motion, the Debtors shall cooperate with the Prepetition UST Secured Parties in their efforts to enforce their security interest in the Prepetition UST Collateral, and shall not take or direct any entity to take any action designed or intended to hinder or restrict in any respect such Prepetition UST Secured Parties from enforcing their security interests in such collateral.

Until such time that the UST Stay Relief Motion has been adjudicated by the Court, the Debtors may use UST Cash Collateral to fund operations and other activities, actions, and payments, in each case in accordance with the Approved Budget, for the purpose of avoiding immediate and irreparable harm to the estates.

(d) No rights, protections or remedies of the Prepetition UST Secured Parties granted by this Interim UST Cash Collateral Order shall be limited, modified or impaired in any way by: (i) any actual or purported withdrawal of the consent to the Debtors' authority to continue to use UST Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use UST Cash Collateral; (iii) the terms of any other order or stipulation related to the Debtors' continued use of UST Cash Collateral or the provision of adequate protection to any party; or (iv) the termination of the DIP Facility; *provided*, any inconsistency between this Interim UST Cash Collateral Order and the Interim DIP Order and/or the Prepetition Intercreditor Agreement shall be resolved by reference to the Interim DIP Order and/or the Prepetition Intercreditor Agreement, as applicable.

3. *Limitation on Charging Expenses Against Collateral.* Upon entry of a final order providing for such relief, except to the extent of the Carve-Out and Canadian Priority Charges, no costs or expenses of administration of these Chapter 11 Cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceeding under the Bankruptcy Code, shall be charged against or recovered from the Prepetition UST Collateral (including UST Cash Collateral) pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the Prepetition UST Agent, and no consent shall be implied from any action, inaction or acquiescence by any of the Prepetition UST Secured Parties, and nothing contained in this Interim UST Cash Collateral Order shall be

deemed to be a consent by the Prepetition UST Secured Parties to any charge, lien, assessment or claims against the Prepetition UST Collateral under section 506(c) of the Bankruptcy Code or otherwise. Further, subject to and effective upon entry of a final order providing for such relief, in no event shall the “equities of the case” exception under section 552(b) of the Bankruptcy Code apply to the Prepetition UST Secured Parties.

4. *No Marshaling.* Effective upon entry of a final order providing for such relief, in no event shall the Prepetition UST Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the Prepetition UST Collateral or the Prepetition UST Secured Obligations, as applicable.

7. *Adequate Protection of Prepetition UST Secured Parties.* Pursuant to sections 361, 362, 363(e), and 507 of the Bankruptcy Code, as adequate protection of their respective interests in the Prepetition UST Collateral (including UST Cash Collateral) for the aggregate Diminution

in Value and as an inducement to the Prepetition UST Secured Parties to consent to priming of the Prepetition UST Tranche A Liens and Prepetition UST Tranche B Liens, in each case solely in the Prepetition B-2 Priority Collateral, and the use of their UST Cash Collateral, the Prepetition UST Secured Parties are granted the following adequate protection (collectively, the “UST Adequate Protection”):

(iii) *Prepetition and Postpetition UST Tranche A Secured Parties' Fees and Expenses.* As further adequate protection, the DIP Loan Parties shall currently pay monthly in cash, subject to the review procedures set forth in paragraph 11 of this Interim UST Cash Collateral Order, all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the Prepetition UST Tranche A Agent itself and the Prepetition UST Tranche A Secured Parties' legal and financial advisors, including, without limitation, those of Arnold & Porter Kaye Scholer LLP, Houlihan Lokey Capital, Inc., Hogan Lovells US LLP, and a local and a foreign counsel in each relevant jurisdiction retained by each of the Prepetition UST Tranche A Secured Parties (collectively, the "UST Tranche A Adequate Protection Fees and Expenses," and

together with the UST Tranche B Adequate Protection Fees and Expenses, the “UST Adequate Protection Fees and Expenses”).

(iv) *UST Tranche A Adequate Protection Payments.* As further adequate protection, the DIP Loan Parties shall pay monthly interest payments under the Prepetition UST Tranche A Credit Agreement on or before the tenth (10th) calendar day of each month, beginning August 2023 (promptly upon entry of the Interim DIP Order) and continuing thereafter through the effective date of the Debtors’ chapter 11 plan, payable to the Prepetition UST Secured Parties at the Default Rate (as defined in the Prepetition UST Tranche A Credit Agreement) in cash (the “UST Tranche A Adequate Protection Payment” and, together with the Debtors’ obligations to meet the Milestones, the Reporting Requirements, UST Tranche A Adequate Protection Liens, UST Tranche A 507(b) Claims, the UST Tranche A Adequate Protection Fees and Expenses, the “UST Tranche A Adequate Protection Obligations” and together with the UST Tranche B Adequate Protection Obligations, the “UST Adequate Protection Obligations”); *provided*, that, in the event any portion of such payments are not allowed under section 506(b) of the Bankruptcy Code, the Debtors and all other parties in interest reserve all rights to seek to disgorge or recharacterize such non-allowable interest payments as the payment of principal.

(v) Notwithstanding anything to the contrary contained herein, or in the Interim DIP Order or the DIP Documents to the contrary, the claims and liens in respect of the Additional Junior DIP Commitment shall not prime any claims or liens of the UST Secured Parties and shall be junior in all respects to the claims and liens of the UST Secured Parties, including in respect of any adequate protection claims and liens granted under this Interim Cash Collateral Order, including the UST Adequate Protection Liens and the UST Adequate Protection Obligations.

8. *Maintenance of Collateral.* The Prepetition UST Loan Parties shall continue to maintain and insure the Prepetition UST Collateral in amounts and for the risks, and by the entities, as required under the Prepetition UST Loan Documents.

9. *Authorization to Record UST Adequate Protection Liens.*

(a) Without in any way limiting the validity of the automatic perfection of the UST Adequate Protection Liens under the terms of this Interim UST Cash Collateral Order, the Prepetition UST Secured Parties are hereby authorized, but not required, to execute in the name of the Prepetition UST Loan Parties, as their true and lawful attorneys (with full power of substitution, to the maximum extent permitted by law) and to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar perfection instruments in any jurisdiction, or take possession of certificated securities, or take any other similar action in a manner not inconsistent herewith to document, validate or perfect the liens and security interests granted to them hereunder (the “UST Perfection Actions”). All such UST Perfection Actions shall be deemed to have been taken on the date of entry of this Interim UST Cash Collateral Order. The automatic stay shall be modified to the extent necessary to permit the Prepetition UST Secured Parties to take any UST Perfection Action. For the avoidance of doubt, the UST Adequate Protection Liens shall be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination, at the time and on the date of entry of this Interim UST Cash Collateral Order, whether or not the Prepetition UST Secured Parties take such UST Perfection Actions.

(b) A certified copy of this Interim UST Cash Collateral Order may, in the discretion of the Prepetition UST Agent, be filed or recorded in the filing or recording offices in addition to or in lieu of any financing statements, mortgages, notices of lien or similar instruments,

and all filing and recording offices are hereby authorized to accept a certified copy of this Interim UST Cash Collateral Order for filing and/or recording, as applicable.

10. *Preservation of Rights Granted Under this Interim UST Cash Collateral Order.*

(a) Other than the claims and liens expressly granted or permitted by this Interim UST Cash Collateral Order and the Interim DIP Order, including the Carve-Out, no claim or lien having a priority superior to or *pari passu* with those granted by this Interim UST Cash Collateral Order shall be permitted while any of the UST Adequate Protection Obligations remain outstanding, and, except as and to the extent otherwise expressly provided in or permitted under this Interim UST Cash Collateral Order, including the provisions of paragraph 12, the UST Adequate Protection Liens shall not be: (i) junior to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under section 551 of the Bankruptcy Code; (ii) subordinated to or made *pari passu* with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise; (iii) subordinated to or made *pari passu* with any liens arising after the Petition Date including, without limitation, any liens or security interests granted in favor of any federal, state, municipal or other domestic or foreign governmental unit (including any regulatory body), commission, board or court for any liability of the Prepetition UST Loan Parties; or (iv) junior to any intercompany liens or security interests of the Prepetition UST Loan Parties.

(b) Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting the Chapter 11 Cases to Successor Cases: (A) the UST Adequate Protection Liens, the UST 507(b) Claims, and the Prepetition UST Liens shall continue in full force and effect, shall maintain their priorities as provided in this Interim UST Cash Collateral Order and the Interim DIP Order (subject to the

Prepetition Intercreditor Agreement) and shall remain binding on all parties in interest until all UST Adequate Protection Obligations shall have been indefeasibly paid and satisfied in full (other than the Prepetition UST Liens, which shall continue in full force and effect until the indefeasible payment or satisfaction in full of the Prepetition UST Secured Obligations); (B) the other rights granted by this Interim UST Cash Collateral Order, including with respect to the Carve-Out and the Canadian Priority Charges, shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Interim UST Cash Collateral Order.

(c) If any or all of the provisions of this Interim UST Cash Collateral Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacatur, or stay shall not affect (i) the validity, priority, or enforceability of any UST Adequate Protection Obligations incurred prior to the actual receipt of written notice by the Prepetition UST Agent, its counsel, and the Prepetition UST Secured Parties, and their counsel, of the effective date of such reversal, modification, vacatur, or stay; or (ii) the validity, priority, and enforceability of the Prepetition UST Liens, the UST Adequate Protection Liens, the UST 507(b) Claims, the Carve-Out, and the Canadian Priority Charges. Notwithstanding any such reversal, modification, vacatur or stay, the UST Adequate Protection Obligations, UST Adequate Protection Liens, and UST 507(b) Claims incurred prior to the actual receipt of written notice by the Prepetition UST Agent of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of this Interim UST Cash Collateral Order, and the Prepetition UST Secured Parties shall be entitled to, and are hereby granted, all the rights, remedies, privileges and benefits arising under section 363(m) of the Bankruptcy Code.

(d) Except as and to the extent expressly provided in this Interim UST Cash Collateral Order, the UST Adequate Protection Liens, the UST 507(b) Claims, and all other rights and remedies of the Prepetition UST Secured Parties granted by this Interim UST Cash Collateral Order, as well as the Carve-Out and the Canadian Priority Charges, shall survive, and shall not be modified, impaired or discharged by the entry of an order (i) converting or dismissing any of these Chapter 11 Cases, or terminating the joint administration of these Chapter 11 Cases; (ii) approving the sale of any DIP Collateral or Prepetition UST Collateral pursuant to section 363(b) of the Bankruptcy Code; or (iii) confirming a chapter 11 plan in any of the Chapter 11 Cases. The terms and provisions of this Interim UST Cash Collateral Order shall continue in full force and effect in these Chapter 11 Cases and in any Successor Cases until all UST Adequate Protection Obligations are indefeasibly satisfied and paid in full in cash. Any confirmation order entered in these Chapter 11 Cases shall not discharge or otherwise affect in any way the joint and several obligations of the Prepetition UST Loan Parties to the Prepetition UST Secured Parties, other than after (x) the satisfaction and payment in full and in cash of all UST Adequate Protection Obligations or (y) the occurrence of the effective date of such confirmed plan (solely in accordance with the terms of such plan).

11. *Payment of Fees and Expenses.*

(a) Subject to the review procedures set forth in this paragraph 11, payment of the UST Adequate Protection Fees and Expenses (which procedures shall apply solely with respect to such UST Adequate Protection Fees and Expenses that constitute professional fees and expenses) shall not be subject to allowance or review by the Court and the Prepetition UST Loan Parties are authorized and directed to pay monthly the UST Adequate Protection Fees and Expenses of the Prepetition UST Agent and the professionals and financial advisors retained by,

or on behalf of, any of the Prepetition UST Secured Parties (including, without limitation, those of Arnold & Porter Kaye Scholer LLP, Houlihan Lokey Capital, Inc., Hogan Lovells US LLP, and a local and a foreign counsel retained in each relevant jurisdiction by each Prepetition UST Secured Party, without the need to file retention or fee applications; *provided*, that, the Houlihan Restructuring Fee (as defined below) shall be subject to entry of the Final UST Cash Collateral Order.

(b) For the avoidance of doubt, and notwithstanding anything herein to the contrary, (i) Houlihan Lokey Capital, Inc. is a party to that certain Financial Agency Agreement, dated October 24, 2022 (the “Financial Agency Agreement”), and the UST Adequate Protection Fees and Expenses shall include any fees and expenses that become earned, due, and payable to Houlihan Lokey Capital, Inc. thereunder, including (subject to entry of the Final UST Cash Collateral Order) the Restructuring Fee (as defined in the Financial Agency Agreement, the “Houlihan Restructuring Fee”)⁹; and (ii) in the event of a Cash Collateral Termination Event under this Interim UST Cash Collateral Order or a Termination Event under the Interim DIP Order, the UST Adequate Protection Fees and Expenses, including without limitation, the Houlihan Restructuring Fee, shall remain due and payable (whether such amounts were incurred before or after the Petition Date and whether such amounts were incurred or accrued before or after such Cash Collateral Termination Event or Termination Event) pursuant to the terms of this Interim UST Cash Collateral Order.

⁹ The Houlihan Restructuring Fee is set forth in the Financial Agency Agreement as follows: “If [Houlihan Lokey Capital, Inc.] receives written notice from Treasury to engage with an issuer on a financial restructuring of [the Debtors’] obligation to the Treasury, then upon the completion of the financial restructuring [Houlihan Lokey Capital, Inc.] will receive a fee equal to seventy-five basis points (0.75%) of the principal amount of the claim held by Treasury of the [Debtors] capped at \$7,500,000.”

(c) The Prepetition UST Agent and the professionals for the Prepetition UST Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines, however, any time that such professionals seek payment of fees and out-of-pocket expenses from the Debtors prior to confirmation of a chapter 11 plan, each such professional shall provide summary copies of its invoices (including aggregate amounts of fees and expenses and total amount of time on a per-professional basis), which are not required to contain time detail and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, to the Debtors and their counsel, the DIP Lenders, Prepetition UST Loan Parties and their counsel, counsel to any statutory committee (including the Creditors' Committee), and the U.S. Trustee (each, a "UST Review Party," and collectively, the "UST Review Parties"); *provided, however*, that (i) the provision of such invoices shall not constitute a waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine or any other evidentiary privilege or protection recognized under applicable law; *provided, further*, that the UST Review Parties reserve the right to seek additional information regarding such invoices and time entries of any such professional and/or to challenge any assertion of privilege with respect to the same. Any objections raised by any UST Review Party with respect to such invoices must be in writing and state with particularity the grounds therefor and must be submitted to the applicable professional within ten (10) calendar days after receipt (the "UST Review Period"). If no written objection is received by 11:59 p.m., prevailing Eastern Time, on the last date of the UST Review Period, the Debtors shall pay such invoices within five (5) business days. If an objection to a professional's invoice is received within the UST Review Period, the Debtors shall promptly pay the undisputed amount of the invoice without the necessity of filing formal fee applications, regardless of whether

the invoiced amount arose or was incurred before or after the Petition Date, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition UST Agent and attorneys and advisors to any Prepetition UST Secured Party shall not be required to file an application seeking compensation for services or reimbursement of expenses with the Court.

(d) Notwithstanding the foregoing, the Debtors are authorized and directed to pay to the Prepetition UST Agent and the Prepetition UST Secured Parties' professionals and financial advisors (as provided herein), on or prior to the Closing Date (as defined in the DIP Term Sheet) any accrued and unpaid UST Adequate Protection Fees and Expenses (including reasonable and documented legal fees and expenses), invoices of which have been provided to lead counsel and financial advisor for the Debtors at least one (1) business day prior to the Closing Date, whether arising before or after the Petition Date, which costs, fees and expenses shall not be subject to the UST Review Period. The UST Prepetition Agent and attorneys and advisors to the Prepetition UST Secured Parties shall not be required to file an application seeking compensation for any services or reimbursement of expenses with the Court.

12. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements, and releases contained in this Interim UST Cash Collateral Order shall be binding upon the Debtors in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements, and releases contained in this Interim UST Cash Collateral Order shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in these cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless: (a)

such committee or other party in interest with requisite standing has timely filed an adversary proceeding or initiated a contested matter (subject to the limitations contained herein, a “UST Challenge Motion”) (*provided*, that, no interested party shall be permitted to raise a defense to standing on the basis that the applicable Debtor is a Delaware limited liability company) by no later than (i) the earlier of (w) one business day before the hearing approving a sale of substantially all of the Debtors’ assets or confirming a plan of reorganization, whichever occurs first, (x) as to the Creditors’ Committee only, 75 calendar days after entry of this Interim UST Cash Collateral Order, (y) if a chapter 7 or a chapter 11 trustee is appointed or elected prior to the end of the UST Challenge Period (as defined below), the UST Challenge Period solely for any such chapter 7 trustee or chapter 11 trustee shall be extended to the date that is the later of (A) 75 calendar days from entry of this Interim UST Cash Collateral Order, or (B) the date that is 30 calendar days after their appointment, and (z) for all other parties in interest, 75 calendar days from entry of this Interim UST Cash Collateral Order; and (ii) any such later date as (x) has been agreed to in writing (which may be by email) by the Prepetition UST Secured Parties, or (y) has been ordered by the Court for cause upon a UST Challenge Motion filed and served within any applicable period or has been ordered by the Court after disposition or resolution of a UST Challenge Motion (the time period established by the foregoing clauses (i)-(ii), the “UST Challenge Period”), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition UST Secured Obligations or the Prepetition UST Liens, or (B) asserting or prosecuting any UST Avoidance Action or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “UST Challenges”) against any Prepetition UST Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and

other professionals and the respective successors and assigns thereof, in each case in their respective capacity as such (collectively, the “UST Representatives”) in connection with or related to the Prepetition UST Secured Parties’ ownership of the Debtors’ stock, the Prepetition UST Loan Documents, the Prepetition UST Secured Obligations, the Prepetition UST Liens, or the Prepetition UST Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such UST Challenge; *provided, however*, that any pleadings filed in connection with a UST Challenge shall comply with the Federal Rules of Bankruptcy Procedure and set forth with specificity the basis for such UST Challenge and any UST Challenges not so raised prior to the expiration of the UST Challenge Period shall be deemed forever waived, released and barred. If no UST Challenge is timely and properly filed during the UST Challenge Period or the Court does not rule in favor of the plaintiff in any such UST Challenge, then: (1) the Debtors’ stipulations, admissions, agreements and releases contained in this Interim UST Cash Collateral Order shall be binding on all parties in interest; (2) the obligations of the Prepetition UST Loan Parties under the Prepetition UST Loan Documents shall constitute allowed claims not subject to defense avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise, except as and to the extent provided in the Prepetition Intercreditor Agreement), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for all purposes in these Chapter 11 Cases and any Successor Case(s); (3) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual (other than as provided in the Prepetition Intercreditor Agreement), or otherwise), disallowance, impairment, counterclaim,

cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity, including any statutory or non-statutory committees appointed or formed in these cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, and any defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any statutory or non-statutory committees appointed or formed in these cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their UST Representatives shall be deemed forever waived, released and barred. If any UST Challenge is timely filed during the UST Challenge Period, the stipulations, admissions, agreements and releases contained in this Interim UST Cash Collateral Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on each person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such UST Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. Nothing in this Interim UST Cash Collateral Order vests or confers on any person or entity (each as defined in the Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in these cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, any UST Challenges with respect to the Prepetition UST Loan Documents, Prepetition UST Secured Obligations or Prepetition UST Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay confirmation of any plan of

reorganization in these cases. For the avoidance of doubt, any chapter 7 or chapter 11 trustee shall, until the expiration of the UST Challenge Period, and thereafter for the duration of any adversary proceeding or contested matter commenced pursuant to this paragraph (whether commenced by the chapter 7 or chapter 11 trustee or any other party in interest on behalf of the Debtors' estates), be deemed to be a party (other than the Debtors) in such adversary proceeding or contested matter and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgements, admissions, confirmations, and stipulations made by the Debtors in this Interim UST Cash Collateral Order.

13. *Limitation on Use of UST Cash Collateral.* The limitation on the use of DIP Financing proceeds and collateral described in paragraph 20 of the Interim DIP Order shall apply to the Debtors' use of the Prepetition UST Collateral (including UST Cash Collateral), including after termination of the DIP Facility.

14. *Binding Effect; Successors and Assigns.* The provisions of this Interim UST Cash Collateral Order, including all findings herein, shall be binding upon all parties in interest in these cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any statutory or non-statutory committees appointed or formed in these cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided*, that, the Prepetition UST Secured Parties shall have no obligation to permit the use of the Prepetition UST Collateral and UST Cash Collateral by, or

to extend any financing to, any chapter 7 trustee or chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

15. *Limitation of Liability.*

(a) Nothing in this Interim UST Cash Collateral Order, the Interim DIP Order, the DIP Term Sheet or other DIP Documents, the Prepetition Loan Documents, the Prepetition UST Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any Prepetition UST Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The Prepetition UST Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

(b) In determining to permit the use of the Prepetition UST Collateral (including UST Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to this Interim UST Cash Collateral Order or Prepetition UST Loan Documents, as applicable, none of the Prepetition UST Secured Parties shall (a) have any liability to any third party or be deemed to be in “control” of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” or “managing agent” with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the

United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Interim UST Cash Collateral Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the Prepetition UST Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective Representatives (as defined in the Interim DIP Order).

16. *Master Proofs of Claim.* Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of these Chapter 11 Cases or any Successor Cases, neither the Prepetition UST Agent, nor any other Prepetition UST Secured Parties shall be required to file proofs of claim in these Chapter 11 Cases or any Successor Cases in order to assert claims for payment of any of the Prepetition UST Secured Obligations, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts payable under the Prepetition UST Loan Documents or this Interim UST Cash Collateral Order. The Debtors' stipulations, admissions and acknowledgments of the claim and liens in respect of the Prepetition UST Secured Obligations set forth in this Interim UST Cash Collateral Order is deemed to constitute timely proofs of claim in respect of all indebtedness, secured status and claims arising under the Prepetition UST Credit Documents and this Interim UST Cash Collateral Order. Nonetheless, in order to facilitate the processing of claims, the Prepetition UST Agent is authorized, but not directed or required, to file a master proof of claim in the Debtors' lead case *In re Yellow Corporation, et al.*, Case No. 23-11069 (CTG), on behalf of the applicable Prepetition UST Secured Parties (each, a "Master Proof of Claim"), which shall be deemed to have been filed against each Debtor. The provisions of this paragraph and the filing of Master Proofs of Claim, if any, are intended solely for the purpose of administrative convenience and shall not affect the right

of each Prepetition UST Secured Party (or its successors in interest) to vote separately on any plan filed in these cases. Any Master Proof of Claim shall not be required to include any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition UST Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the Prepetition UST Agent.

17. *Credit Bidding*. (xi) *No Claims or Causes of Action*. No claims or causes of action held by the Debtors or their estates exist against, or with respect to, the Prepetition UST Secured Parties and each of their respective UST Representatives (as defined below), in each case, in their capacity as such, under or relating to any agreements by and among the Debtors and any Prepetition UST Secured Party that were in existence as of the Petition Date; and

(xii) *Release*. Each of the Debtors and each of their estates, on its own behalf and on behalf of its and their respective predecessors, successors, heirs, and past, present and future subsidiaries and assigns, hereby (a) reaffirms the releases granted pursuant to paragraph G(xii) of

the Interim UST Cash Collateral Order and (b) absolutely, unconditionally and irrevocably releases, relinquishes, waives and forever discharges and acquits the Prepetition UST Secured Parties, and each of their respective UST Representatives (as defined below) solely in their capacities as such (individually, a “UST Released Party,” and collectively, the “UST Released Parties”), from any and all liability to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions and causes of action of any kind, nature and description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or equity, in contract or tort, in each case arising out of or related to the Prepetition UST Secured Parties’ ownership of the Debtors’ stock and the Prepetition UST Loan Documents, the negotiation thereof, and the transactions and agreements reflected thereby, that the Debtors at any time had, now have or may have, or that their predecessors, successors or assigns at any time had or hereafter may have against any of the UST Released Parties for or by reason of any act, omission, matter, or cause arising at any time on or prior to the date of this Final UST Cash Collateral Order; *provided*, that, the release set forth in this section shall not release any claims against or liabilities of a UST Released Party that a court of competent jurisdiction determines has resulted from such UST Released Party’s bad faith, fraud, gross negligence, or willful misconduct.

H. *Findings Regarding Use of UST Cash Collateral.*

(i) Good and sufficient cause has been shown for the entry of this Final UST Cash Collateral Order and for authorization of the Debtors to use the Prepetition UST Collateral (including UST Cash Collateral).

(ii) The Debtors have demonstrated a continued immediate and critical need to use the UST Cash Collateral in order to fund the Chapter 11 Cases and maximize the value of their estates through the continuation of an orderly winddown process of their businesses and a comprehensive sale process for their assets. Without the ability of the Debtors to access sufficient liquidity through the continued use of UST Cash Collateral, as set forth in this Final UST Cash Collateral Order, the Debtors, their estates, and parties-in-interest would be unable to preserve and maximize the value of their estates. Accordingly, access to the UST Cash Collateral as set forth in this Final UST Cash Collateral Order is necessary to maximize the value of the assets of the Debtors' estates to maximize the recovery to all creditors of the estates.

(iii) Based on the Motion, the First Day Declaration, the Kaldenberg Declaration, the Whittman Declaration, the findings set forth in the Interim UST Cash Collateral Order and this Final UST Cash Collateral Order, and the record and argument presented to the Court at the Interim Hearing and the Final Hearing, the terms of the UST Adequate Protection (as defined below) granted to the Prepetition UST Secured Parties and the terms on which the Debtors may continue to use Prepetition UST Collateral (including UST Cash Collateral) pursuant to this Final UST Cash Collateral Order are consistent with the Bankruptcy Code, including section 506(b) thereof, are fair and reasonable, and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties under the circumstances.

(iv) The UST Cash Collateral Orders, the UST Adequate Protection (as defined below), and the use of the Prepetition UST Collateral (including UST Cash Collateral) have been negotiated in good faith and at arm's length among the Debtors, the Prepetition UST Secured Parties, the DIP Secured Parties, and the Prepetition Secured Parties (each of whom acted in good faith in negotiating the foregoing). The financial accommodations extended by the Prepetition

UST Secured Parties to the Debtors under, in respect of, or in connection with the Debtors' use of the Prepetition UST Collateral (including the UST Adequate Protection Liens (as defined below) and all other UST Adequate Protection provided herein) shall be deemed to have been extended by the Prepetition UST Secured Parties in good faith, and such Prepetition UST Secured Parties (and their respective successors and assigns) were, by the Interim UST Cash Collateral Order, and hereby shall on a final basis be, entitled to the full protections of the Bankruptcy Code in the event that the Interim UST Cash Collateral Order, this Final UST Cash Collateral Order, or any provision thereof or hereof is vacated, reversed or modified, on appeal or otherwise.

(v) The Prepetition UST Secured Parties have acted in good faith and without negligence, misconduct, or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining requisite approvals of the UST Cash Collateral Orders, the DIP Orders, and the use of UST Cash Collateral, any challenges or objections to the use of UST Cash Collateral, and all other documents related to and all transactions contemplated by the foregoing. Accordingly, without limitation to any other right to indemnification, the Prepetition UST Secured Parties (which, by the Interim UST Cash Collateral Order, retained and maintained their right to indemnification under the Prepetition UST Loan Documents) shall be and hereby are on a final basis indemnified as provided in and pursuant to the terms and provisions of the Prepetition UST Loan Documents.

(vi) The Prepetition UST Secured Parties were, by the Interim UST Cash Collateral Order, and hereby shall be on a final basis, entitled to the UST Adequate Protection (as defined below) as and to the extent set forth herein pursuant to sections 361, 362, and 363 of the Bankruptcy Code. Based on the Motion and on the record presented to the Court, the terms of the proposed UST Adequate Protection are fair and reasonable, reflect the Debtors' prudent exercise

of business judgment, and constitute reasonably equivalent value and fair consideration for the use of Prepetition UST Collateral, including UST Cash Collateral.

(vii) To the extent that their consent is required, the Prepetition UST Secured Parties had, under the Interim UST Cash Collateral Order, and hereby have on a final basis consented to, or are deemed on a final basis to have consented to, the Debtors' use of Prepetition UST Collateral, including UST Cash Collateral, on the terms set forth in the UST Cash Collateral Orders; *provided*, that, nothing in the UST Cash Collateral Orders, the DIP Orders, or the DIP Loan Documents shall (x) be construed as the affirmative consent by the Prepetition UST Secured Parties for the use of Prepetition UST Collateral⁵ and UST Cash Collateral other than on the terms set forth in this Final UST Cash Collateral Order, (y) be construed as a consent by the Prepetition UST Secured Parties to the terms of any financing or lien encumbering Prepetition UST Collateral (whether senior or junior) other than as contemplated by this Final UST Cash Collateral Order (or, as applicable, the Final DIP Order), or (z) prejudice, limit, or otherwise impair the rights of the Prepetition UST Secured Parties to seek new, different, or additional adequate protection or to assert any other available right under law, and the rights of any other party in interest, including the Prepetition UST Secured Parties, were, by the Interim UST Cash Collateral Order, and are

⁵ For the avoidance of doubt, the term "Prepetition UST Collateral," including Prepetition UST Tranche A Collateral and Prepetition UST Tranche B Collateral in connection with any postpetition liens or claims, including the UST Adequate Protection Liens, the UST 507(b) Claims, the UST Adequate Protection Fees and Expenses, and the UST Adequate Protection Payments, and with respect to any intercreditor priorities, rights or obligations, including under this Final UST Cash Collateral Order, the Final DIP Order, the DIP Loan Documents, and the Prepetition Intercreditor Agreement, shall in each case include all Collateral that would have constituted such Prepetition UST Collateral (including any Prepetition UST Tranche A Collateral and Prepetition UST Tranche B Collateral) but for the commencement of the Chapter 11 Cases, including all tangible and intangible prepetition and postpetition property of the DIP Loan Parties of the same nature, scope, and type as such Prepetition UST Collateral (including any Prepetition UST Tranche A Collateral and Prepetition UST Tranche B Collateral), regardless of where located and notwithstanding any monetary cap in any mortgage with respect to any Prepetition UST Collateral.

hereby on a final basis preserved, subject to the terms and conditions of the Prepetition Intercreditor Agreement.

(viii) The Debtors prepared and delivered to the advisors to the Prepetition UST Secured Parties the Initial DIP Budget (as defined in the DIP Orders). The Initial DIP Budget reflected, among other things, the Debtors' anticipated operating receipts, operating disbursements, non-operating disbursements, net operating cash flow, and liquidity for each calendar week covered thereby. The Interim DIP Order provided that, subject to the review of, and approval from, among others, the Prepetition UST Secured Parties (such approval not to be unreasonably withheld), the Initial DIP Budget may be modified, amended, extended, and updated from time to time in accordance with the DIP Loan Documents, the DIP Orders, and the UST Cash Collateral Orders. Each subsequent budget,⁶ once approved in accordance with the DIP Loan Documents, the DIP Orders, and the UST Cash Collateral Orders, shall modify, replace, supplement or supersede, as applicable, the Initial DIP Budget for the periods covered thereby (the Initial DIP Budget and each subsequent approved budget (as approved in accordance with the DIP Loan Documents, the DIP Orders, and the UST Cash Collateral Orders, an "Approved Budget"); *provided*, however, that any modification or amendment to the Approved Budget shall be provided to counsel for the Creditors' Committee no less than three (3) business days prior to the effectiveness of such modification or amendment. For the avoidance of doubt, the procedures by which each Approved Budget is reviewed and approved shall remain consistent with the terms of the review and approval process provided for in this Final UST Cash Collateral and the Final DIP Order even after such time as the DIP Obligations are paid and satisfied in full if the UST Adequate

⁶ For the avoidance of doubt, each subsequent budget shall be subject to the review of, and approval from, among others, the Prepetition UST Secured Parties (such approval of the Prepetition UST Secured Parties not to be unreasonably withheld).

Protection Obligations have not been paid and satisfied in full, but the review and approval process will only require the approval of the Prepetition UST Secured Parties (with the approval rights of the Prepetition ABL Secured Parties as set forth in the DIP Orders remaining in effect to the extent the Prepetition ABL Obligations have not been paid and satisfied in full) if the DIP Obligations have been paid and satisfied in full.

(ix) Each of the Prepetition UST Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the “equities of the case” exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition UST Secured Parties with respect to proceeds, product, offspring, or profits of any of the Prepetition UST Collateral.

I. *Immediate Entry.* Sufficient cause exists for immediate entry of this Final UST Cash Collateral Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Absent the ability of the Debtors to continue to access and use UST Cash Collateral, the Debtors will be hindered from maximizing estate value. Continued access and use of Prepetition UST Collateral (including UST Cash Collateral), in accordance with this Final UST Cash Collateral Order and the Approved Budget, are therefore in the best interests of the Debtors’ estates and consistent with the Debtors’ exercise of their fiduciary duties. The Motion and this Final UST Cash Collateral Order comply with the requirements of Bankruptcy Local Rule 4001-2.

J. *Prepetition Permitted Senior Liens; Continuation of Prepetition Liens.* Nothing herein constitutes a finding or ruling by this Court that any alleged Prepetition Permitted Senior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Debtors, the Creditors’ Committee, or the Prepetition UST Secured Parties, to challenge the validity, priority,

enforceability, seniority, avoidability, perfection, or extent of any alleged Prepetition Permitted Senior Lien. For the avoidance of doubt, the right of a seller of goods to reclaim goods under section 546(c) of the Bankruptcy Code does not constitute a Prepetition Permitted Senior Lien, and such right is expressly subject to the Postpetition B-2 Liens, the Junior DIP Liens, and the Prepetition Liens, including the Prepetition UST Liens. The Prepetition UST Liens are continuing liens and the Prepetition UST Collateral is and will continue to be encumbered by such liens.

K. *Intercreditor Agreement.* Pursuant to section 510 of the Bankruptcy Code, the Prepetition Intercreditor Agreement shall (i) remain in full force and effect, (ii) continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties and the Prepetition UST Secured Parties (including the relative priorities, rights and remedies of such parties with respect to replacement liens, administrative expense claims and superpriority administrative expense claims or amounts payable in respect thereof), and (iii) not be deemed to be amended, altered, or modified by the terms of this Final UST Cash Collateral Order, the Final DIP Order, or the DIP Loan Documents, unless expressly set forth herein or therein, respectively.

L. *Final DIP Order.* Contemporaneous with the entry of this Final UST Cash Collateral Order, the Court is entering the Final DIP Order authorizing the Debtors to, among other things, incur postpetition debt, grant adequate protection liens and superpriority administrative claims to the Prepetition Secured Parties in connection with the incurrence of such debt, and access and utilize Available ABL Cash Collateral (as defined in the Final DIP Order), in each case on a final basis. This Final UST Cash Collateral Order has been entered separately, but contemporaneously, with the Final DIP Order, at the Prepetition UST Secured Parties' request to the Debtors for this separate and standalone Final UST Cash Collateral Order. In the event of any

inconsistency between the UST Cash Collateral Orders and the DIP Orders, the DIP Orders shall control.

Based upon the Motion, the foregoing findings and conclusions, and the overall record before the Court, and after due consideration, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. *Motion Granted.* The Motion is granted on a final basis on the terms and conditions set forth in this Final UST Cash Collateral Order. All objections to this Final UST Cash Collateral Order, to the extent not withdrawn, waived, settled, or resolved, are hereby overruled on the merits.

2. *Protection of the DIP Lenders' and Prepetition UST Secured Parties' Rights.*⁷

(a) Immediately upon delivery by the DIP Secured Parties to the Debtors of a Termination Notice or Carve-Out Trigger Notice, the Prepetition UST Secured Parties' consent to the Debtors' use of UST Cash Collateral shall be deemed automatically withdrawn and terminated.

(b) Upon the occurrence and continuance of any of the below events (each, a "UST Cash Collateral Termination Event," and any such event being deemed a "UST Event of Default"), the Prepetition UST Agent (at the direction of the Prepetition UST Secured Parties), on not less than five (5) calendar days' notice to the DIP Agent and the Remedies Notice Parties (as defined in the Final DIP Order) (such five (5) calendar day period, the "Prepetition UST Remedies Notice Period"), and unless the Court orders otherwise (*provided*, that, during such period, the Debtors, the Creditors' Committee, and/or any party in interest shall be entitled to seek an emergency hearing with the Court (and, *provided, further*, that, if a request for such hearing is made prior to the end of the Prepetition UST Remedies Notice Period, then the Prepetition UST

- (i) the filing of any motion or pleading by the Debtors, or the entry of an order on account of a motion filed by any other party, to stay, vacate, reverse, amend or modify the Interim UST Cash Collateral Order or this Final UST Cash Collateral Order in a manner materially adverse to the Prepetition UST Secured Parties without the consent of the Prepetition UST Secured Parties;
- (ii) the entry of an order appointing a trustee, receiver or examiner with expanded powers with respect to any of the Debtors; (iii) the Debtors shall attempt to invalidate, reduce, or otherwise impair the Prepetition UST Secured Obligations; (iv) the dismissal of any of the Chapter 11 Cases;
- (v) the effective date of any plan of reorganization; (vi) the conversion of any of the Chapter 11 Cases to a case under chapter 7; (vii) the Debtors' failure to timely satisfy any of the Milestones (as defined below) (subject to extensions as provided herein) or otherwise materially comply with any of the terms of this Final UST Cash Collateral Order; (viii) the Debtors' failure to materially comply with any of the terms of the Final DIP Order in a manner that adversely affects the Prepetition UST Secured Parties; (ix) the Debtors' failure to maintain required insurance for the Prepetition UST Collateral; (x) the Debtors' failure to pay timely the UST Adequate Protection Fees and Expenses and the UST Adequate Protection Payments under this Final UST Cash Collateral Order; (xi) the DIP Secured Parties and the DIP Loan Parties amend or modify the DIP Term Sheet, the Junior DIP Credit Agreement, or the Postpetition B-2 Credit Agreement, or the DIP Secured Parties waive any rights held by such parties thereunder, in a manner that materially

and adversely affects the Prepetition UST Secured Parties without having obtained the written consent of the Prepetition UST Secured Parties to do so; (xii) an Approved Budget shall be updated, supplemented, replaced, or otherwise modified in a manner not reasonably acceptable to the Prepetition UST Secured Parties; (xiii) the Debtors make a payment or take an action that is not in material compliance with the Approved Budget that was approved and consented to by the Prepetition UST Secured Parties in accordance with this Final UST Cash Collateral Order; or (xv) the DIP Loan Documents are not consistent with the DIP Term Sheet and the DIP Orders or are otherwise not reasonably acceptable to the Prepetition UST Secured Parties or are updated, supplemented, amended, replaced or otherwise modified in a manner that adversely affects the Prepetition UST Secured Parties without having obtained the written consent of the Prepetition UST Secured Parties to do so.

(c) Subject to the terms of the Prepetition Intercreditor Agreement, the DIP Orders, the Carve-Out, and the Canadian Priority Charges, following delivery of a Termination Notice, delivery of a Carve-Out Trigger Notice, or the occurrence and continuance of a UST Event of Default and delivery of a UST Cash Collateral Termination Notice, but prior to exercising the remedies set forth in this sentence below or any other remedies (other than those set forth below in sub-paragraph (d)), the Prepetition UST Secured Parties shall be required to file a motion with the Court seeking emergency relief (the “UST Stay Relief Motion”) to be heard on not less than five (5) calendar days’ notice to the Remedies Notice Parties (as defined in the Final DIP Order) (which may run concurrently with the Prepetition UST Agent Remedies Notice Period) for a further order of the Court fashioning any appropriate remedy, including modifying the automatic stay in the Chapter 11 Cases to permit the Prepetition UST Secured Parties to, subject in all respects to the Prepetition Intercreditor Agreement, the DIP Orders, and the Carve-Out and related

provisions (including the Canadian Priority Charges): (a) freeze monies or balances in the Debtors' accounts provided such monies constitute Prepetition UST Collateral; (b) immediately set-off any and all amounts in accounts maintained by the Debtors with the Prepetition UST Agent or the Prepetition UST Secured Parties against the UST Adequate Protection Obligations, (c) enforce any and all available rights against the Prepetition UST Collateral including, without limitation, foreclosing on all or any portion of such collateral, occupying the Debtors' premises, and selling or disposing of such collateral; and (d) take any other actions or exercise any other rights or remedies with respect to the Prepetition UST Collateral permitted under this Final UST Cash Collateral Order, the Final DIP Order, the DIP Loan Documents, or applicable law; *provided*, that, for the avoidance of doubt, the Prepetition UST Secured Parties may not take any of the foregoing actions with respect to Prepetition B-2 Priority Collateral until all B-2 Obligations are paid in full in cash. If the Prepetition UST Secured Parties are permitted and authorized by the Court to take any enforcement action with respect to the Prepetition UST Collateral following the hearing on the UST Stay Relief Motion, the Debtors shall cooperate with the Prepetition UST Secured Parties in their efforts to enforce their security interest in the Prepetition UST Collateral, and shall not take or direct any entity to take any action designed or intended to hinder or restrict in any respect such Prepetition UST Secured Parties from enforcing their security interests in such collateral. Until such time that the UST Stay Relief Motion has been adjudicated by the Court, the Debtors may use UST Cash Collateral to fund operations and other activities, actions, and payments, in each case in accordance with the Approved Budget, for the purpose of avoiding immediate and irreparable harm to the estates and the Debtors' assets and the preservation thereof.

(d) No rights, protections or remedies of the Prepetition UST Secured Parties granted by this Final UST Cash Collateral Order shall be limited, modified or impaired in any way

by: (i) any actual or purported withdrawal of the consent to the Debtors' authority to continue to use UST Cash Collateral; (ii) any actual or purported termination of the Debtors' authority to continue to use UST Cash Collateral; (iii) the terms of any other order or stipulation related to the Debtors' continued use of UST Cash Collateral or the provision of adequate protection to any party; or (iv) the termination of the DIP Facility; *provided*, any inconsistency between the UST Cash Collateral Orders and the DIP Orders and/or the Prepetition Intercreditor Agreement shall be resolved by reference to the DIP Orders and/or the Prepetition Intercreditor Agreement, as applicable.

(b) Notwithstanding any order that may be entered dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or converting the Chapter 11 Cases to Successor Cases: (A) the UST Adequate Protection Liens, the UST 507(b) Claims, and the Prepetition UST Liens shall continue in full force and effect, shall maintain their priorities as provided in this Final UST Cash Collateral Order and the Final DIP Order (subject to the Prepetition Intercreditor Agreement) and shall remain binding on all parties in interest until all UST Adequate Protection Obligations shall have been indefeasibly paid and satisfied in full (other than the Prepetition UST Liens, which shall continue in full force and effect until the indefeasible

payment or satisfaction in full of the Prepetition UST Secured Obligations); (B) the other rights granted by this Final UST Cash Collateral Order, including with respect to the Carve-Out and the Canadian Priority Charges, shall not be affected; and (C) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in this paragraph and otherwise in this Final UST Cash Collateral Order.

Notwithstanding any such reversal, modification, vacatur or stay, the UST Adequate Protection Obligations, UST Adequate Protection Liens, and UST 507(b) Claims incurred prior to the actual receipt of written notice by the Prepetition UST Agent of the effective date of such reversal, modification, vacatur, or stay shall be governed in all respects by the original provisions of this Final UST Cash Collateral Order, and the Prepetition UST Secured Parties shall be entitled to, and are hereby granted, all the rights, remedies, privileges and benefits arising under section 363(m) of the Bankruptcy Code.

(d) Except as and to the extent expressly provided in this Final UST Cash Collateral Order, the UST Adequate Protection Liens, the UST 507(b) Claims, and all other rights and remedies of the Prepetition UST Secured Parties granted by this Final UST Cash Collateral Order, as well as the Carve-Out and the Canadian Priority Charges, shall survive, and shall not be

The terms and provisions of this Final UST Cash Collateral Order shall continue in full force and effect in these Chapter 11 Cases and in any Successor Cases until all UST Adequate Protection Obligations are indefeasibly satisfied and paid in full in cash. Any confirmation order entered in these Chapter 11 Cases shall not discharge or otherwise affect in any way the joint and several obligations of the Prepetition UST Loan Parties to the Prepetition UST Secured Parties, other than after (x) the satisfaction and payment in full and in cash of all UST Adequate Protection Obligations or (y) the occurrence of the effective date of such confirmed plan (solely in accordance with the terms of such plan).

11. *Payment of Fees and Expenses.*

(a) Subject to the review procedures set forth in this paragraph 11, payment of the UST Adequate Protection Fees and Expenses (which procedures shall apply solely with respect to such UST Adequate Protection Fees and Expenses that constitute professional fees and expenses) shall not be subject to allowance or review by the Court and the Prepetition UST Loan Parties are authorized and directed to pay monthly the UST Adequate Protection Fees and Expenses of the Prepetition UST Agent and the counsel retained by, or on behalf of, any of the Prepetition UST Secured Parties, consisting of Arnold & Porter Kaye Scholer LLP, Hogan Lovells US LLP, and a local and foreign counsel in each relevant jurisdiction retained by each of the Prepetition UST Secured Parties, including McCarthy Tétrault LLP and Borden Ladner Gervais LLP, without the need to file retention or fee applications; *provided*, that, the Houlihan

If an objection to a professional's invoice is received within the UST Review Period, the Debtors shall promptly pay the undisputed amount of the invoice without the necessity of filing formal fee applications, regardless of whether the invoiced amount arose or was incurred before or after the Petition Date, and this Court shall have jurisdiction to determine the disputed portion of such invoice if the parties are unable to resolve the dispute consensually. The Prepetition UST Agent and attorneys and advisors to any Prepetition

UST Secured Party shall not be required to file an application seeking compensation for services or reimbursement of expenses with the Court.

(d) Notwithstanding the foregoing, and without limiting any other UST Adequate Protection, the Debtors are hereby authorized and directed to pay (to the extent such amounts remain unpaid as of the entry of this Final UST Cash Collateral Order) to the Prepetition UST Agent and the Prepetition UST Secured Parties' professionals and financial advisors (as provided herein) any accrued and accruing unpaid UST Adequate Protection Fees and Expenses (including reasonable and documented legal fees and expenses), invoices of which were provided to lead counsel and financial advisor for the Debtors at least one (1) business day prior to the Closing Date, whether arising before or after the Petition Date, which costs, fees and expenses shall not be subject to the UST Review Period. The UST Prepetition Agent and attorneys and advisors to the Prepetition UST Secured Parties were not, by the Interim UST Cash Collateral Order, and hereby on a final basis shall not be required to file an application seeking compensation for any services or reimbursement of expenses with the Court.

12. *Effect of Stipulations on Third Parties.* The Debtors' stipulations, admissions, agreements, and releases contained in this Final UST Cash Collateral Order shall be binding upon the Debtors in all circumstances and for all purposes. The Debtors' stipulations, admissions, agreements, and releases contained in this Final UST Cash Collateral Order shall be binding upon all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in these cases and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors, in all circumstances and for all purposes unless: (a) such committee or other party in interest with requisite standing has timely filed an adversary proceeding or

initiated a contested matter (subject to the limitations contained herein, a “UST Challenge Motion”) (*provided*, that, no interested party shall be permitted to raise a defense to standing on the basis that the applicable Debtor is a Delaware limited liability company) by no later than (i) the earlier of (w) one business day before the hearing approving a sale of substantially all of the Debtors’ assets or confirming a plan of reorganization, whichever occurs first, (x) as to the Creditors’ Committee only, 100 calendar days after entry of the Interim UST Cash Collateral Order, (y) if a chapter 7 or a chapter 11 trustee is appointed or elected prior to the end of the UST Challenge Period (as defined below), the UST Challenge Period solely for any such chapter 7 trustee or chapter 11 trustee shall be extended to the date that is the later of (A) 75 calendar days from entry of the Interim UST Cash Collateral Order, or (B) the date that is 30 calendar days after their appointment, and (z) for all other parties in interest, 75 calendar days from entry of the Interim UST Cash Collateral Order; and (ii) any such later date as (x) has been agreed to in writing (which may be by email) by the Prepetition UST Secured Parties, or (y) has been ordered by the Court for cause upon a UST Challenge Motion filed and served within any applicable period or has been ordered by the Court after disposition or resolution of a UST Challenge Motion (the time period established by the foregoing clauses (i)-(ii), the “UST Challenge Period”), (A) objecting to or challenging the amount, validity, perfection, enforceability, priority or extent of the Prepetition UST Secured Obligations or the Prepetition UST Liens, or (B) asserting or prosecuting any UST Avoidance Action or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the “UST Challenges”) against any Prepetition UST Secured Parties or their respective subsidiaries, affiliates, officers, directors, managers, principals, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case in their

respective capacity as such (collectively, the “UST Representatives”) in connection with or related to the Prepetition UST Secured Parties’ ownership of the Debtors’ stock, the Prepetition UST Loan Documents, the Prepetition UST Secured Obligations, the Prepetition UST Liens, or the Prepetition UST Collateral; and (b) there is a final non-appealable order in favor of the plaintiff sustaining any such UST Challenge; *provided, however*, that any pleadings filed in connection with a UST Challenge shall comply with the Federal Rules of Bankruptcy Procedure and set forth with specificity the basis for such UST Challenge and any UST Challenges not so raised prior to the expiration of the UST Challenge Period shall be deemed forever waived, released and barred. If no UST Challenge is timely and properly filed during the UST Challenge Period or the final non-appealable order is not entered in favor of the plaintiff in any such UST Challenge, then: (1) the Debtors’ stipulations, admissions, agreements and releases contained in this Final UST Cash Collateral Order shall be binding on all parties in interest; (2) the obligations of the Prepetition UST Loan Parties under the Prepetition UST Loan Documents shall constitute allowed claims not subject to defense avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise, except as and to the extent provided in the Prepetition Intercreditor Agreement), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity for all purposes in these Chapter 11 Cases and any Successor Case(s); (3) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual (other than as provided in the Prepetition Intercreditor Agreement), or otherwise), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation

by any person or entity, including any statutory or non-statutory committees appointed or formed in these cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, and any defense, avoidance, reduction, setoff, recoupment, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, counterclaim, cross-claim, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any statutory or non-statutory committees appointed or formed in these cases or any other party acting or seeking to act on behalf of the Debtors' estates, including, without limitation, any chapter 7 or chapter 11 trustee or examiner, whether arising under the Bankruptcy Code or otherwise, against any of the Prepetition Secured Parties and their UST Representatives shall be deemed forever waived, released and barred. If any UST Challenge is timely filed during the UST Challenge Period, the stipulations, admissions, agreements and releases contained in this Final UST Cash Collateral Order shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on each person or entity, except to the extent that such stipulations, admissions, agreements and releases were expressly and successfully challenged in such UST Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. If the Creditors' Committee files a motion seeking standing to commence a UST Challenge prior to the expiration of the UST Challenge Period in accordance with the requirements set forth in this Final UST Cash Collateral Order, the UST Challenge Period shall be extended (solely as to the Creditors' Committee and solely as to the UST Challenges specifically identified in the complaint attached to such standing motion) until the earlier of (i) the date such standing motion is withdrawn, or (ii) entry of a final non-appealable order of the Court denying such standing motion. Nothing in this Final UST Cash Collateral Order vests or confers on any person or entity (each as defined in the

Bankruptcy Code), including any statutory or non-statutory committees appointed or formed in these cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, any UST Challenges with respect to the Prepetition UST Loan Documents, Prepetition UST Secured Obligations or Prepetition UST Liens, and any ruling on standing, if appealed, shall not stay or otherwise delay confirmation of any plan of reorganization in these cases. For the avoidance of doubt, any chapter 7 or chapter 11 trustee shall, until the expiration of the UST Challenge Period, and thereafter for the duration of any adversary proceeding or contested matter commenced pursuant to this paragraph (whether commenced by the chapter 7 or chapter 11 trustee or any other party in interest on behalf of the Debtors' estates), be deemed to be a party (other than the Debtors) in such adversary proceeding or contested matter and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgements, admissions, confirmations, and stipulations made by the Debtors in this Final UST Cash Collateral Order.

13. *Limitation on Use of UST Cash Collateral.* The limitation on the use of DIP Financing proceeds and collateral described in paragraph 20 of the Final DIP Order shall apply to the Debtors' use of the Prepetition UST Collateral (including UST Cash Collateral), including after termination of the DIP Facility.

14. *Actions Taken Pursuant to the Interim Cash Collateral Orders.* Except as specifically amended, superseded, or modified hereby, (i) the provisions of the Interim UST Cash Collateral Order and any actions taken by the Debtors and the Prepetition UST Secured Parties in accordance therewith shall remain in effect and are hereby ratified by this Final UST Cash Collateral Order, and (ii) any adequate protection granted to the Prepetition UST Secured Parties

under either the Interim UST Cash Collateral Order or the order entered at Docket No. 181 shall survive and are hereby reaffirmed and ratified.

15. *Binding Effect; Successors and Assigns.* The provisions of this Final UST Cash Collateral Order, including all findings herein, shall be binding upon all parties in interest in these cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, any statutory or non-statutory committees appointed or formed in these cases, the Debtors and their respective successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties, the Debtors, and their respective successors and assigns; *provided*, that, the Prepetition UST Secured Parties shall have no obligation to permit the use of the Prepetition UST Collateral and UST Cash Collateral by, or to extend any financing to, any chapter 7 trustee or chapter 11 trustee or similar responsible person appointed for the estates of the Debtors.

16. *Limitation of Liability.*

(a) Nothing in the UST Cash Collateral Orders, the DIP Orders, the DIP Term Sheet, the Junior DIP Credit Agreement, the Postpetition B-2 Credit Agreement, or other DIP Loan Documents, the Prepetition Loan Documents, the Prepetition UST Loan Documents or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition upon any Prepetition UST Secured Party any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their businesses, or in connection with their restructuring efforts. The Prepetition UST Secured

Parties were not, by the Interim UST Cash Collateral order, and hereby on a final basis shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency or other person, and all risk of loss, damage or destruction of the DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

(b) In determining to permit the use of the Prepetition UST Collateral (including UST Cash Collateral) or in exercising any rights or remedies as and when permitted pursuant to this Final UST Cash Collateral Order or Prepetition UST Loan Documents, as applicable, none of the Prepetition UST Secured Parties shall (a) have any liability to any third party or be deemed to be in “control” of the operations of the Debtors; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; or (c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” or “managing agent” with respect to the operation or management of any of the Debtors (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601, *et seq.*, as amended, or any other federal or state statute, including the Internal Revenue Code). Furthermore, nothing in this Final UST Cash Collateral Order shall in any way be construed or interpreted to impose or allow the imposition upon any of the Prepetition UST Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective Representatives (as defined in the Final DIP Order).

17. *Master Proofs of Claim.* Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of these Chapter 11 Cases or any Successor Cases, neither the Prepetition UST Agent, nor any other Prepetition UST Secured Parties shall be required

to file proofs of claim in these Chapter 11 Cases or any Successor Cases in order to assert claims for payment of any of the Prepetition UST Secured Obligations, including, without limitation, any principal, unpaid interest, fees, expenses and other amounts payable under the Prepetition UST Loan Documents or this Final UST Cash Collateral Order. The Debtors' stipulations, admissions and acknowledgments of the claim and liens in respect of the Prepetition UST Secured Obligations set forth in this Final UST Cash Collateral Order is deemed to constitute timely proofs of claim in respect of all indebtedness, secured status and claims arising under the Prepetition UST Credit Documents and this Final UST Cash Collateral Order. The provisions of this paragraph and the filing of Master Proofs of Claim, if any, are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition UST Secured Party (or its successors in interest) to vote separately on any plan filed in these cases. Any Master Proof of Claim shall not be required to include any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition UST Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the Prepetition UST Agent.

18. *Credit Bidding.* To the extent permitted by the Prepetition Intercreditor Agreement, the Prepetition UST Agent, or any assignee or designee of the Prepetition UST Agent, at the direction of the Prepetition UST Lenders pursuant to the Prepetition UST Credit Agreements and

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to: (a) continue operating the Cash Management Systems, substantially as identified on **Exhibit 1** attached hereto and as described in the Motion; (b) honor their prepetition obligations related thereto; (c) use, in their present form, all preprinted correspondence and Business Forms (including letterhead) without reference to the Debtors' status as debtors in possession, *provided* that once the Debtors' existing supply of checks has been exhausted, the Debtors shall, when reordering (or with respect to checks the Debtors or their agents print themselves) require or print, as applicable, the "Debtor in Possession" legend and corresponding bankruptcy case number on all such items; (d) continue to perform Intercompany Transactions; (e) continue to use, with the same account numbers, the Debtor Bank Accounts in existence as of the Petition Date, including those accounts identified on **Exhibit 2** attached hereto, and need not comply with certain guidelines relating to bank accounts set forth in

the U.S. Trustee Guidelines (to the extent applicable); (f) treat the Debtor Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (g) deposit funds in and withdraw funds from the Debtor Bank Accounts by all usual means, including checks, wire transfers, ACH transfers, and other debits; (h) pay any amounts owed in connection with merchant services provided by PNC Merchant Services Company, Paymentech LLC, and Chase Orbital Payment Gateway, including any prepetition amounts; and (i) pay the Bank Fees, including any prepetition amounts and any ordinary course Bank Fees incurred in connection with the Bank Accounts and to otherwise perform their obligations under the documents governing the Bank Accounts; *provided* that in the case of each of (a) through (i), such action is taken in the ordinary course of business and consistent with past practice.

3. The Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course of business consistent with past practice, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order; *provided* that the Debtors shall only instruct or request any Cash Management Bank to pay or honor any check, draft, or other payment item issued on a Bank Account prior to the Petition Date but presented to such Cash Management Bank for payment after the Petition Date as authorized by an order of the Court.

4. The Cash Management Banks are authorized to debit the Debtor Bank Accounts in the ordinary course of business, consistent with past practice, without the need for further order of

this Court, for: (a) all checks drawn on the Debtor Bank Accounts that are cashed at such Cash Management Bank's counters or exchanged for cashier's checks by the payees thereof prior to the Petition Date; (b) all checks or other items deposited in one of the Debtor Bank Accounts with such Cash Management Bank prior to the Petition Date that have been dishonored or returned unpaid for any reason, together with any fees and costs in connection therewith, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any Cash Management Bank as service charges for the maintenance of the Cash Management Systems.

5. Any existing deposit, treasury management, and merchant services agreements between or among the Debtors, the Cash Management Banks, and other parties shall continue to govern the postpetition cash management relationship between the Debtors and the Cash Management Banks, and all of the provisions of such agreements, including, without limitation, the termination and fee provisions, shall remain in full force and effect unless otherwise ordered by the Court, and the Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management Systems and cash management procedures in the ordinary course of business, consistent with past practice, including, without limitation, the opening and closing of bank accounts, subject to the terms and conditions of this Final Order; *provided* that the Debtors shall provide five (5) business days' prior notice to the (a) U.S. Trustee; (b) the advisors to the Official Committee of Unsecured Creditors (the "Committee"); (c) counsel to the Junior DIP Lender; (d) counsel to the Junior DIP Agent; (e) counsel to the B-2 Lenders; (f) counsel to the B-2 Agent; (g) counsel to the Prepetition UST Tranche A Agent and Prepetition UST Tranche B Agent; and (h) counsel to the United States

Department of Treasury (collectively, the “Cash Management Notice Parties”) of any material changes to the Cash Management System.

6. To the extent any of the Debtor Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors shall have until a date that is thirty days from the date of this Order, without prejudice to seeking an additional extension, to come into compliance with section 345(b) of the Bankruptcy Code and any of the U.S. Trustee’s requirements or guidelines; *provided* that nothing herein shall prevent the Debtors or the U. S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached.

7. Absent further order of this Court, the Debtors’ timely compliance with section 345(b) of the Bankruptcy Code shall be excused to allow the Debtors to maintain the BNY Mellon Accounts listed on Exhibit 2 hereto; provided that (a) the balance of the BNY Mellon Accounts shall not exceed \$250,000 in the aggregate at any given time and (b) if the balance of the BNY Mellon Accounts exceeds \$250,000 in the aggregate at any time during these chapter 11 cases, any amounts in excess of \$250,000 shall be transferred as soon as practicable into one or more of the Debtors’ accounts at a bank that is signatory to a Uniform Depository Agreement in a form prescribed by the U.S. Trustee; *provided, further*, that the Debtors shall attach to their monthly operating reports copies of the bank statement or statements from the BNY Mellon Accounts for the time period covered by such operating report.

8. For Banks at which the Debtors hold Bank Accounts that are party to a Uniform Depository Agreement with the Office of the United States Trustee for the District of Delaware, to the extent not already contacted, as soon as practicable after entry of this Order the Debtors shall (a) contact each bank, (b) provide the bank with the Debtors’ employer identification numbers and

(c) identify each of the Bank Accounts held at such Banks as being held by a debtor-in-possession in a bankruptcy case.

9. Subject to the terms hereof, the Debtors are authorized, but not directed, in the ordinary course of business consistent with past practice, to open any new bank account or close any existing Bank Account and enter into any ancillary agreements, including deposit account control agreements, related to the foregoing, as they may deem necessary and appropriate; *provided* that the Debtors shall only open any such new bank accounts at banks that have executed a Uniform Depository Agreement with the U.S. Trustee, or at banks that are willing to immediately execute such an agreement. The Debtors shall provide five (5) business days' prior notice to the Cash Management Notice Parties of the opening or closure of any Bank Account. The relief granted in this Final Order is extended to any new bank account opened by the Debtors in the ordinary course of business after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank, in each case, pursuant to this Final Order.

10. All banks maintaining any of the Bank Accounts that are provided with notice of this Final Order shall not honor or pay any bank payments drawn on the listed Bank Accounts or otherwise issued before the Petition Date for which the Debtors specifically issue timely stop payment orders in accordance with the documents governing such Bank Accounts.

11. The Cash Management Banks are authorized, without further order of this Court, to deduct any applicable fees from the applicable Bank Accounts in the ordinary course of business consistent with past practice.

12. The Cash Management Banks are authorized, without further order of this Court, to charge back to the appropriate accounts of the Debtors any amounts resulting from returned

checks or other returned items, including returned items that result from ACH transactions, wire transfers, merchant services, or other electronic transfers of any kind, regardless of whether such returned items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

13. Subject to the terms set forth herein, any bank, including the Cash Management Banks, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Final Order (a) at the direction of the Debtors, (b) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (c) as a result of a mistake made despite implementation of reasonable customary handling procedures, shall be deemed to be nor shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Final Order.

14. Any banks, including the Cash Management Banks, are further authorized to honor the Debtors' directions with respect to the opening and closing of any Bank Account and accept and hold, or invest, the Debtors' funds in accordance with the Debtors' instructions; *provided that* the Cash Management Banks shall not have any liability to any party for relying on such representations to the extent such reliance otherwise complies with applicable law.

15. The Debtors are authorized, but not directed, to continue engaging in Intercompany Transactions in connection with the Cash Management Systems, including funding costs incurred by their non-Debtor affiliates associated with the facilitation of an orderly wind-down process, in the ordinary course of business, consistent with past practice. The Debtors shall

maintain accurate and detailed records of all Intercompany Transactions and the payment of Intercompany Claims so that all transactions, including Intercompany Transactions and the payment of Intercompany Claims, may be readily traced, ascertained, and recorded properly on applicable intercompany accounts (if any) and distinguished between prepetition and postpetition transactions for the purposes of determining administrative expense status. The Debtors shall (i) make such records available upon request by the Cash Management Notice Parties and (ii) provide the Cash Management Notice Parties on a monthly basis a summary of all Intercompany Transactions that occurred during the preceding month. All postpetition payments from a Debtor to another Debtor or non-Debtors under any postpetition Intercompany Transactions authorized hereunder that result in an Intercompany Claim are hereby accorded administrative expense status under section 503(b) of the Bankruptcy Code and shall be accounted for in full for all purposes in these chapter 11 cases (including for purposes of calculating creditor recoveries in connection with a chapter 11 plan).

16. The Debtors are authorized, but not directed, to continue using the Credit Cards in the ordinary course of business, consistent with prepetition practices and subject to the terms and conditions of the Corporate Credit Card Program. The Debtors are further authorized to pay prepetition and postpetition obligations outstanding with respect to the Corporate Credit Card Program and to continue to provide the Corporate Credit Card Cash Collateral to Citizens Bank with respect thereto, subject to the limitations of this Final Order and any other applicable interim and/or final orders of this Court. Citizens Bank is authorized to apply the Corporate Credit Card Cash Collateral without further notice or Order of the Court. Citizens Bank may rely on the representations of the Debtors with respect to its use of the Corporate Credit Card Program, and

Citizens Bank shall not have any liability to any party for relying on such representations made by the Debtors as provided for herein.

17. Nothing contained in the Motion or this Final Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (b) alter or impair the validity, priority, enforceability, or perfection of any security interest or lien or setoff right, in favor of any person or entity, that existed as of the Petition Date.

18. Nothing contained herein shall permit the Cash Management Banks to terminate any cash management services without thirty days' prior written notice (or such other period as may be specified in any agreement between the Debtors and such Cash Management Bank) to the Debtors, the U.S. Trustee, and the Committee. Notwithstanding the foregoing, those prepetition agreements existing between the Debtors and the Cash Management Banks shall continue to govern the post-petition cash management relationship between the Debtors and the Cash Management Banks, in their capacity as Cash Management Banks, and all of the provisions of such agreements, including the termination, fee provisions, rights, benefits, collateral, and offset rights, and remedies afforded under such agreements shall remain in full force and effect absent further order of the Court or, with respect to any such agreement with the Cash Management Banks (including, for the avoidance of doubt, any rights the Cash Management Banks in their capacity as Cash Management Banks to use funds from the Bank Accounts to remedy any overdraft of another Bank Account or other cash management obligations, whether prepetition or postpetition, to the extent permitted under the applicable agreement), unless the Debtors and the Cash Management Banks agree otherwise, and any other legal rights and remedies afforded to the Cash Management Banks under applicable law shall be preserved.

19. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

20. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

21. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder, shall be subject to the "Approved Budget" as defined in the order of the Court approving the debtor-in-possession financing in these chapter 11 cases.

22. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

23. Nothing in this Final Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

24. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

25. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

26. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

27. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to continue, modify, change, and discontinue the Compensation and Benefits Programs in the ordinary course during these chapter 11 cases and without the need for further Court approval, subject to applicable law, *provided* that the Debtors shall seek Court approval, upon a motion and notice, of any modification that would implicate any portion of section 503(c) of the Bankruptcy Code, *provided, further*, that except as expressly provided for otherwise herein, nothing in this Final Order shall, without prior court approval, authorize the Debtors to (a) pay any amounts to insiders on account of any bonus, retention, severance, or incentive programs, or (b) pay any amounts on account of the Compensation and Benefits Programs outside the ordinary course.

3. The Debtors are authorized, but not directed, to pay and honor prepetition amounts outstanding under or related to the Compensation and Benefits Programs in the ordinary course pursuant to this Final Order.

4. The Debtors are authorized, but not directed, to forward any unpaid amounts on account of Withholding and Deduction Obligations to the appropriate third-party recipients or taxing authorities in accordance with the Debtors' prepetition policies and practices.

5. The Debtors are authorized, but not directed, to: (a) continue the Health Plans in the ordinary course; (b) continue making contributions to the Health Plans; and (c) pay any prepetition amounts related thereto, including on account of any premiums, claim amounts, and administration fees to the extent that they remain unpaid as of the Petition Date.

6. The Debtors are authorized, but not directed, to pay in the ordinary course any costs and expenses incidental to payment of the Compensation and Benefits Programs obligations, including the Unpaid Payroll Processing Fees and all administrative and processing costs in connection therewith.

7. The Debtors are authorized, but not directed, to: (a) make ordinary course postpetition payments, including any related fees, accrued postpetition, in connection U.S. Severance Programs, WARN Obligations, the COBRA Benefits, and Canadian Termination Obligations, as applicable; and (b) make postpetition payments, including any related fees, on account of obligations, if any, that accrued prepetition in connection with the COBRA Benefits, WARN Obligations, or Canadian Termination Obligations, in each case to the extent required pursuant to applicable law; *provided, however*, for the avoidance of doubt, that the WARN Obligations only encompass the noticing costs and administrative costs to be paid by the Debtors in connection therewith and not the payment of any amounts which may be owed to Employees or

Former Employees; *provided, further*, that nothing in this paragraph shall be deemed to authorize the Debtors to pay any amounts to insiders on account of severance.

8. The Debtors are authorized, but not directed, to continue to honor and pay PTO in the ordinary course on a postpetition basis, including making any cash-out payments of Employees' earned but unused PTO, which accrued prepetition, regardless of any limitations under section 503(c)(2) of the Bankruptcy Code; *provided* that the Debtors are not authorized, under this Final Order, to make any such cash-out payments to Former Employees or named executive officers as that term is used in the Debtors' publicly filed proxy statements on account of PTO; *provided, further*, that upon the payment in full of the Debtors' secured debt obligations, nothing herein shall prejudice the Debtors' ability to seek approval for authority to make any cash-out payments to Former Employees and/or named executive officers on account of earned but unused PTO by separate motion at a later time.

9. The Debtors are authorized, but not directed, to pay in the ordinary course any postpetition Non-Employee Director Fees.

Nothing herein shall be deemed to authorize the payment of any amounts that violate or implicate section 503(c) of the Bankruptcy Code; provided that nothing herein shall prejudice the Debtors' ability to seek approval of relief pursuant to section 503(c) of the Bankruptcy Code by separate motion at a later time.

11. Nothing contained herein is intended or should be construed to create an administrative priority claim on account of the Compensation and Benefits Programs obligations.

12. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount,

validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

14. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

15. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

18. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

the District of Delaware, dated February 29, 2012; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to pay all or part of, and discharge, on a case-by-case basis, the Specified Trade Claims on a final basis, absent further order of the Court; *provided, however*, that the Debtors shall provide the advisors to the Committee with three (3) business days' advance notice of any proposed payments of the Specified Trade Claims and, to the extent three (3) business days' advance notice is not reasonably practicable under the circumstances, as much advance notice as is possible under the circumstances.
3. All undisputed obligations related to the Outstanding Orders are granted administrative expense priority in accordance with section 503(b)(1)(A) of the Bankruptcy Code.

4. The Debtors are authorized, but not directed, to pay all undisputed amounts relating to the Outstanding Orders in the ordinary course of business consistent with the parties' customary practices in effect prior to the Petition Date.

5. As a condition to receiving payment hereunder, the Debtors shall use commercially reasonable efforts to require, by written agreement, such parties to continue supplying goods or services to the Debtors in accordance with trade terms at least as favorable to the Debtors as those practices and programs (including credit limits, pricing, cash discounts, timing of payments, allowances, product mix, availability, and other programs) consistent with the parties' ordinary course practice (collectively, the "Customary Trade Terms"). The Debtors reserve the right to require more favorable trade terms with any party as a condition to payment of any prepetition claim.

6. If any party accepts payment hereunder for a prepetition obligation of the Debtors premised on compliance with the above, and thereafter fails to comply with the Customary Trade Terms, or other such terms as agreed to by the Debtors, then: (a) any payment on account of a prepetition claim received by such party shall be deemed, in the Debtors' sole discretion, an improper postpetition transfer and, therefore, immediately recoverable in cash upon written request by the Debtors; (b) upon recovery by the Debtors, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such supplier or vendor will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding, without the right of any setoffs, claims, provisions for payment of any claims, or otherwise.

7. Any Specified Trade Claimant that accepts payment from the Debtors on account of all or a portion of such party's claim pursuant to this Final Order shall be deemed to (a) agree to the terms and provisions of this Final Order and (b) have waived, to the extent so paid, any and all prepetition claims, of any type, kind, or priority (including any reclamation claim), against the Debtors, their assets, and properties. The Debtors shall provide a copy of this Final Order to any Specified Trade Claimant to whom a payment is made pursuant to this Final Order.

8. Nothing herein shall impair or prejudice the Debtors' or any other party-in-interest's ability to contest, in their sole discretion, the extent, perfection, priority, validity, or amounts of any claims held by any Specified Trade Claimant. The Debtors do not concede that any claims satisfied pursuant to this Final Order are valid, and the Debtors expressly reserve all rights to contest the extent, validity, or perfection, or to seek the avoidance of all such liens or the priority, of such claims.

9. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

10. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity, or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim;

(d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

11. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder, shall be subject to the "Approved Budget" as defined in the order of the Court approving the debtor-in-possession financing in these chapter 11 cases.

12. The Debtors shall maintain a matrix summarizing the name of each Specified Trade Claimant paid on account of its Specified Trade Claims, and the amount paid by each Debtor to each Specified Trade Claimant on account of its Specified Trade Claim. Upon reasonable request, but no less than on a monthly basis, the Debtors shall deliver an updated copy of the matrix to the United States Trustee, counsel to the Committee, counsel to the Junior DIP Lender, counsel to the Junior DIP Agent, counsel to the Treasury, counsel to the B-2 Lenders, and counsel to the ABL Agent.

13. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

14. Nothing in this Final Order authorizes the Debtors to accelerate any payments not otherwise due.

15. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

18. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

1. The Motion is granted on a final basis as set forth herein.
2. The Adequate Assurance Deposit and the Debtors' ability to pay for future utility services in the ordinary course of business subject to the Adequate Assurance Procedures shall constitute adequate assurance of future payment as required under section 366 of the Bankruptcy Code for all Utility Providers that have received notice and for whose benefit Adequate Assurance Deposits are being made.
3. The following Adequate Assurance Procedures are hereby approved:
 - a. The Debtors shall have deposited the Adequate Assurance Deposit into the Adequate Assurance Account within 20 days after the Petition Date.
 - b. If an amount relating to utility services provided postpetition by any Utility Provider is unpaid, and remains unpaid beyond any applicable grace period, such Utility Provider may request a disbursement from the Adequate Assurance Account up to the amount applicable to each such Utility Provider by giving notice to: (a) the Debtors, Yellow Corporation, 11500 Outlook Street, Suite 400, Overland Park, Kansas 66211, Attn.:

General Counsel; (b) proposed counsel to the Debtors (i) Kirkland & Ellis LLP, 300 North LaSalle, Chicago, Illinois, 60654, Attn.: Whitney Fogelberg (whitney.fogelberg@kirkland.com), Rob Jacobson (rob.jacobson@kirkland.com) (ii) Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Allyson B. Cairns (tcairns@pszjlaw.com), Peter J. Keane (pkeane@pszjlaw.com), and Edward Corma (ecorma@pszjlaw.com); (v) proposed counsel to the Committee (a) Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, Bank of America Tower, New York, NY 10036-6745 US, Attn: Philip C. Dublin (pdublin@akingump.com), Meredith A. Lahaie (mlahaie@akingump.com), and Kevin Zuzolo (kzuzolo@akingump.com) and (b) Benesch Friedlander Coplan & Aronoff LLP, 1313 North Market Street, Suite 1201, Wilmington, DE, 19801, Attn: Jennifer R. Hoover (jhoover@beneschlaw.com) and Kevin M. Capuzzi (kcapuzzi@beneschlaw.com); and (iv) the Office of the United States Trustee for the District of Delaware, 844 King Street, Suite 2207, Lockbox 35, Wilmington, Delaware 19801, Attn.: Jane Leamy (jane.m.leafy@usdoj.gov) (collectively, the “Adequate Assurance Notice Parties”). The Debtors shall honor such request within five business days after the date the request is received by the Debtors, subject to the ability of the Debtors and any such requesting Utility Provider to resolve any dispute regarding such request without further order of the Court. To the extent any Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.

- c. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve an Adequate Assurance Request on the Adequate Assurance Notice Parties.
- d. Any Adequate Assurance Request must: (i) be in writing; (ii) identify the location for which the utility services are provided; (iii) summarize the Debtors’ payment history relevant to the affected account(s), including any security deposits; (iv) provide evidence that the Debtors have a direct obligation to the Utility Provider; and (v) explain why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- e. Unless a Utility Provider files and serves an Adequate Assurance Request, the Utility Provider shall be (i) deemed to have received “satisfactory” adequate assurance of payment in compliance with section 366 of the Bankruptcy Code and (ii) forbidden from discontinuing, altering, or refusing utility services to, or discriminating against, the Debtors on account

of any unpaid prepetition charges, or requiring additional assurance of payment other than the Proposed Adequate Assurance.

- f. Upon the Debtors' receipt of an Adequate Assurance Request, the Debtors will have the greater of (i) fourteen days from the receipt of such Adequate Assurance Request and (ii) thirty days from the entry of the Interim Order or Final Order (the "Resolution Period") to negotiate with the Utility Provider to resolve the Utility Provider's Adequate Assurance Request. The Debtors and the Utility Provider may, without notice to any party-in-interest or further order of the Court, but after consultation with the Committee, extend the Resolution Period by such additional period as they shall mutually agree.
- g. The Debtors may, without further order of the Court and after consultation with the Committee, resolve any Adequate Assurance Request by mutual agreement with a Utility Provider and the Debtors may, in connection with any such agreement, provide a Utility Provider with additional adequate assurance of payment, including, but not limited to, cash deposits, prepayments, or other forms of security if the Debtors believe that such adequate assurance is reasonable.
- h. If the Debtors and the Utility Provider are unable to reach a consensual resolution within the Resolution Period, or if a Utility Provider was omitted from the Utility Services List and wishes to dispute that it received adequate assurance of future payment as required by section 366 of the Bankruptcy Code as provided by this Final Order, the Debtors will request a hearing before the Court at the next regularly-scheduled omnibus hearing to determine the adequacy of assurance of payment with respect to that particular Utility Provider (a "Determination Hearing") pursuant to section 366(c)(3) of the Bankruptcy Code.
- i. Pending resolution of such dispute at a Determination Hearing, the relevant Utility Provider shall be prohibited from altering, refusing, or discontinuing service to the Debtors on account of: (i) unpaid charges for prepetition services; (ii) a pending Adequate Assurance Request; or (iii) any objections filed in response to the Proposed Adequate Assurance.

4. The Utility Providers that have received notice and for whose benefit Adequate Assurance Deposits are being made are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures.

5. The Adequate Assurance Deposit shall be placed into a segregated account for the benefit of each Utility Provider. Notwithstanding anything to the contrary in any other Order of

this Court, including any DIP Order, the interests of any party, including but not limited to the Debtors' post-petition or pre-petition lenders, in, or lien on, the Adequate Assurance Deposit shall be subordinate to the Utility Providers' interest in any Adequate Assurance Deposit until such time as the Adequate Assurance Deposit is returned to the Debtors or as otherwise ordered by the Court.

6. The Debtors' service of the Motion upon the Utility Services List shall not constitute an admission or concession that any such entity is a "utility" within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

7. To the extent the Debtors identify new or additional Utility Providers, the Debtors are authorized, but not directed, to add such parties to the Utility Services List; *provided, however*, that the Debtors shall provide notice of any such addition to the Adequate Assurance Notice Parties. The Debtors shall (a) promptly provide a copy of this Final Order to a subsequently identified Utility Provider and (b) increase the Adequate Assurance Deposit by an amount equal to approximately 50 percent of the Debtors' estimated aggregate monthly utility expense for such subsequently identified Utility Provider subsequent to the Petition Date. The terms of this Final Order and the Adequate Assurance Procedures shall apply to any subsequently identified Utility Provider upon such Utility Provider being added to the Utility Services List and being served with this Final Order.

8. If the Debtors seek to remove a Utility Provider from the Utility Services List or terminate the services of any Utility Provider during the course of these chapter 11 cases, without the need for further order of this Court or notice to any parties except as otherwise provided herein, the Debtors shall be authorized to decrease the amount of the Utility Deposit for any Utility Provider that the Debtors seek to remove from the Utility Provider List, or to terminate, by

withdrawing from the Utility Deposit Account the amount deposited with respect to such Utility Provider upon either (a) obtaining the affected Utility Provider's consent to do so or (b) filing with this Court and serving upon the affected Utility Provider a notice of the Debtors' intent to reduce the Utility Deposit within fourteen days thereof and receiving no response thereto. If an objection is received, the Debtors shall request a hearing before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Provider may agree. To the extent that there is any dispute as to the postpetition amounts owed to a Utility Provider, such Utility Provider shall not be removed from the Utility Services List, and no funds shall be removed from the Adequate Assurance Deposit, until such dispute has been resolved. Upon the effective date of a plan in these chapter 11 cases, the Adequate Assurance Deposit shall be returned to the Debtors, less any amount owed on account of unpaid, postpetition utility services, by no later than seven business days following the date upon which the plan becomes effective.

9. Pursuant to the Adequate Assurance Procedures, upon the Debtors' termination of utility services, the Debtors may, in their discretion and without further order of this Court, reduce the Adequate Assurance Deposit by an amount not exceeding, for each of the utility services being discontinued, the lesser of (a) the estimated two-week utility expense for such utility services or (b) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Provider. Upon the effective date of a plan in these chapter 11 cases, the Adequate Assurance Deposit shall be returned to the Debtors, less any amount owed on account of unpaid, postpetition utility services, by no later than seven business days following the date upon which the plan becomes effective.

10. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final

Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

11. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder, shall be subject to the "Approved Budget" as defined in the order of the Court approving the debtor-in-possession financing in these chapter 11 cases.

12. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

13. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

14. The Debtors are authorized, but not directed, to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

15. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

7. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights

of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

8. Nothing contained in the Motion or this Final Order shall alter, limit, modify, or impair the rights or defenses of the Sureties under any of the Surety Documents, or otherwise, and all such rights and interests are reserved and preserved.

9. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder, shall be subject to the “Approved Budget” as defined in the order of the Court approving the debtor-in-possession financing in these chapter 11 cases.

10. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

11. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

12. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to: (a) negotiate, pay, and remit (or use tax credits to offset), or otherwise satisfy the Taxes and Fees (including corresponding Assessments) that arose or accrued prior to the Petition Date and that will become due and owing in the ordinary course of business during the pendency of these chapter 11 cases, at such time when the Taxes and Fees are payable; and (b) negotiate, pay and remit (or use tax credits to offset) Taxes and Fees that arise or accrue in the ordinary course of business on a postpetition basis; *provided* that notwithstanding anything to the contrary herein or in the Motion, that in the event the Debtors make a payment with respect to any Taxes and Fees for the prepetition portion of any "straddle" amount, and this Court subsequently determines such amount was not entitled to priority or administrative treatment under sections 507(a)(8) or 503(b)(1)(B) of the Bankruptcy Code, the Debtors may (but shall not be required to) seek an order from the Court requiring a return of such amounts.
3. Notwithstanding the relief granted herein or any actions taken hereunder, nothing contained in this Final Order shall create any rights in favor of, or enhance the status of any claim held by, any of the Authorities.

4. The rights of the Debtors or any other party in interest to contest the validity or priority of any Taxes and Fees on any grounds they deem appropriate are reserved and extend to the payment of Taxes and Fees relating to any audits that have been completed, are in progress, or arise from prepetition periods.

5. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

6. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

7. The Debtors are authorized, but not directed, to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with the relief granted herein.

8. Notwithstanding anything to the contrary in this Final Order, any payment made, or authorization contained, hereunder, shall be subject to the “Approved Budget” as defined in the order of the Court approving the debtor-in-possession financing in these chapter 11 cases.

9. Nothing in this Final Order authorizes the Debtors to accelerate any payments not otherwise due prior to the date of the Final Hearing.

10. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

11. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

12. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

13. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth in this Final Order.
2. The Debtors are authorized, but not directed, to continue to administer Customer Programs and honor any undisputed prepetition obligations related to the Customer Programs in the ordinary course of business, on a final basis consistent with prepetition practices and in accordance with this Final Order.
3. The Debtors shall use commercially reasonable efforts, to enter into the Setoff Agreement as a condition to offset wherever practical, substantially in the form attached to this Final Order as **Exhibit 1**, that provides for an offset right in exchange for the Customer promptly remitting all amounts outstanding to the Debtors; *provided, however*, the Debtors shall obtain the consent of the Official Committee of Unsecured Creditors (the "Committee") prior to providing any setoff, offset, or recoupment in an amount of \$200,000 or greater to any single Customer (whether by a single setoff or by aggregating any prior setoffs provided to a Customer since the entry of this Final Order).
4. Subject to paragraph 5, to the extent necessary, the automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to allow the Debtors or Customers to setoff and/or recoup mutual debts to the extent set forth in an executed Setoff Agreement or, where entry

into a Setoff Agreement is not practical, such other agreement as made between the Debtors and the customer, provided that all such setoff and recoupment shall be performed consistent with the terms of the applicable Customer Contract, Setoff Agreement, or such other agreement as made between the Debtors and the customer.

5. The Debtors are authorized, but not directed, in their sole discretion, to consent to the modification of the automatic stay, solely for the purpose of conducting a setoff of amounts owed to the Debtors pursuant to such Setoff Agreement or other arrangement to the extent a Setoff Agreement is not obtained.

6. If any party accepts payment hereunder for a prepetition obligation of the Debtors premised on compliance with the above, and thereafter fails to remit payment to the Debtors, then: (a) any payment or setoff on account of a prepetition claim received by such party shall be deemed, in the Debtors' sole discretion, an improper postpetition transfer and, therefore, immediately recoverable in cash upon written request by the Debtors; *provided*, that such party shall be provided reasonable opportunity to contest such request; (b) upon recovery by the Debtors, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such Customer will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding, without the right of any setoffs, claims, provisions for payment of any claims, or otherwise.

7. The Debtors shall maintain records of all reductions to accounts receivable in their accounting system in the ordinary course of business and provide reports by customer showing reductions in receivables upon reasonable request and on a monthly basis to the financial advisor

to the Committee, counsel to the Junior DIP Lender, counsel to the Junior DIP Agent, counsel to the Treasury, counsel to the B-2 Lenders, counsel to the B-2 Agent, counsel to the UST Tranche A Agent, counsel to the UST Tranche B Agent, and counsel to the ABL Agent.

8. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

Exhibit 1

Setoff Agreement

SETOFF AGREEMENT

Yellow Corporation and certain of its subsidiaries (the “Company” or the “Debtors”), on the one hand, and the customer identified in the signature block below (the “Customer”), on the other hand, hereby enter into the following setoff agreement (this “Setoff Agreement”) dated as of the latest date in the signature blocks below (the “Effective Date”).

Recitals

WHEREAS on August 6, 2023 (the “Petition Date”), the Company filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Court”).

WHEREAS on [●], 2023, the Court entered its *Final Order (I) Authorizing the Debtors to Consent to Limited Relief from the Automatic Stay to Permit Setoff of Certain Customer Claims Against the Debtors, and (II) Granting Related Relief* [Docket No. [●]] (the “Order”) authorizing the Company, under certain conditions, to consent, in their sole discretion, to limited relief from the automatic stay solely to permit the setoff certain customer claims against the Company, including claims by the Customer, subject to the terms and conditions set forth therein.

WHEREAS prior to the Petition Date, the Company provided services to the Customer, and the Customer has certain claims arising from the certain of the customer programs that the Company offered prior to the Petition Date.

WHEREAS the Company and the Customer (each a “Party,” and collectively, the “Parties”) agree to the following terms as a condition of payment on account of certain prepetition claims the Customer may hold against the Company.

Agreement

1. Recitals. The foregoing recitals are incorporated herein by reference as if set forth at length herein.

2. The Agreed Customer Claim. The Customer represents and agrees that the sum of all prepetition amounts currently due and owing by the Company to the Customer on account of volume discounts, rebates, allowances, cargo claims, and/or other reimbursements or customer programs arising prior to the Petition Date is \$ _____ (the “Agreed Customer Claim”) Following execution of this Setoff Agreement, all amounts owed by the Customer to the Company shall be offset by the Agreed Customer Claim as set forth in paragraph 4 herein.

3. The Outstanding Payment. The Parties agree that the sum of all prepetition amounts currently due and owing by the Customer to the Company for services provided prior to the Petition Date is \$ _____ (the “Outstanding Payment”).

4. Setoff and Payment. The Customer shall promptly remit payment to the Company in the amount of \$ _____, representing the Outstanding Payment minus the Agreed Customer

Claim (the “Agreed Payment Amount”), in full and final satisfaction of mutual prepetition claims owed between the Parties.

5. Customer’s Failure to Remit Payment. If Customer fails to promptly remit payment to the Company pursuant to the terms of this agreement, then, subject to entry of a final order on the Motion from the Court: (a) any payment or setoff on account of a prepetition claim received by the Customer shall be deemed, in the Company’s sole discretion, an improper postpetition transfer and, therefore, immediately recoverable in cash upon written request by the Company; *provided*, that such party shall be provided reasonable opportunity to contest such request; (b) upon recovery by the Company, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Company to such party, the Company may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such Customer will be required to repay to the Company such paid amounts that exceed the postpetition obligations then outstanding, without the right of any setoffs, claims, provisions for payment of any claims, or otherwise

6. Other Matters.

- a. The Debtors’ plan shall not vary the terms of this Setoff Agreement. The terms contained within this Setoff Agreement shall (a) be binding on any later appointed chapter 11 trustee, examiner, committee, plan administrator, and other fiduciaries of the Debtors and their estates, and (b) survive any conversion or dismissal of any of the Debtors’ chapter 11 cases.
- b. The Customer will not separately seek payment from the Company on account of any prepetition claim (including, without limitation, any reclamation claim or any claim pursuant to section 503(b)(9) of the Bankruptcy Code) outside the terms of this Setoff Agreement or a plan confirmed in the Company’s chapter 11 case.
- c. The Customer will not file or otherwise assert against the Company, its assets, or any other person or entity or any of their respective assets or property (real or personal) any lien, regardless of the statute or other legal authority upon which the lien is asserted, related in any way to any remaining prepetition amounts allegedly owed to the Customer by the Company arising from prepetition agreements or transactions. Furthermore, if the Customer has taken steps to file or assert such a lien prior to entering into this Setoff Agreement, the Customer will promptly take all necessary actions to remove such liens and hereby authorizes the Company to take any such actions on its behalf.

7. Notice.

If to the Customer, then to the person and address identified in the signature block hereto.

1. The Motion is granted on a final basis as set forth herein.
2. The requirements of Local Rules 1007-2(a) and 2002-1(f)(v) that separate mailing matrices be submitted for each Debtor are permanently waived, and the Debtors are authorized, but not directed, to submit a consolidated Creditor Matrix; *provided* that if any of these chapter 11 cases converts to a case under chapter 7 of the Bankruptcy Code, each applicable Debtor shall file its own creditor mailing matrix within fourteen (14) days of any such conversion.

The Debtors shall inform the U.S. Trustee promptly after denying any request for an unredacted document pursuant to this Final Order.

5. Nothing herein precludes a party in interest's right to file a motion requesting that the Court unseal the information redacted by this Final Order.

6. For the avoidance of doubt, the Debtors shall file an unredacted Creditor Matrix under seal with the Court.

7. Nothing in this Final Order shall waive or otherwise limit the service of any document upon or the provision of any notice to any individual whose personally identifiable information is sealed or redacted pursuant to this Final Order. Service of all documents and notices upon individuals whose personally identifiable information is sealed or redacted pursuant to this Final Order shall be confirmed in the corresponding certificate of service.

8. To the extent a party in interest files a document on the docket in these chapter 11 cases that is required to be served on creditors whose information is under seal pursuant to this Final Order, such party in interest should contact counsel for the Debtors who shall work in good faith, with the assistance of the Claims and Noticing Agent, to effectuate the service on such party's behalf.

9. Debtor Yellow Corporation shall file with the Court a list of equity security holders directly registered with the transfer agent for Debtor Yellow Corporation's common equity in satisfaction of Bankruptcy Rule 1007(a)(3).

10. The Debtors shall not be required to provide notice of the commencement of the Chapter 11 Cases to all equity security holders, but instead shall: (a) serve (i) each equity security holder directly registered with the transfer agent for the Debtors' common equity and (ii) all banks, brokers, intermediaries, Depository Trust Company participant and other nominees or their mailing agents that hold Yellow Corporation equity securities in "street name" for the beneficial holders (with instructions to serve down to beneficial holders, as applicable); (b) publish the notice of commencement on the Debtors' case website located at <https://dm.epiq11.com/YellowCorporation>; and (c) file a Form 8-K with the SEC within five business days following the Petition Date, notifying their investors and other parties of the commencement of these chapter 11 cases. The Debtors are further authorized to issue a press release announcing the bankruptcy filing and will as soon as is practicable cause the notices required under Bankruptcy Rule 2002(d) to be served on registered holders of Debtor Yellow Corporation's common stock to be published in full in the *USA Today* or similar publication in the Debtors' business judgment.

11. The service requirements of Bankruptcy Rule 2002(g) hereby are modified to permit email service to creditors that (i) have not designated a mailing address under Bankruptcy Rules 2002(g)(1) or 5003(e), (ii) do not request to be served hard copies by mail, (iii) have a valid email address on file with the Debtors, but no physical address information.

this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and that no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The Procedures, as set forth in **Exhibit 1** attached hereto are hereby approved.
3. Any transfer of Beneficial Ownership of Common Stock in violation of the Procedures, including but not limited to the notice requirements, shall be null and void *ab initio*. To the extent the Procedures were inapplicable to any person as a result of paragraph 4 of the Interim Order, any period of time to comply with the Procedures that was based on the receipt of notice of, or entry of, the Interim Order, shall instead be based on the receipt of notice of, or entry of, this Final Order.

7. Nothing herein shall preclude any person desirous of acquiring Common Stock from requesting relief from this Final Order from this Court, subject to the Debtors' and the other Declaration Notice Parties' rights to oppose such relief.

8. The requirements set forth in this Final Order are in addition to the requirements of applicable law and do not excuse compliance therewith.

9. Nothing contained in the Motion or this Final Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Final Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted on a final basis as set forth herein.
2. The following procedures (the "Rejection Procedures") are approved in connection with rejecting Contracts:

- a. **Rejection Notice.** The Debtors shall file one or more notices, substantially in the form attached hereto as **Exhibit 1** (each, a "Rejection Notice"), to reject a Contract or Contracts pursuant to section 365 of the Bankruptcy Code, which Rejection Notice(s) shall set forth, among other things, with respect to each Contract listed on the Rejection Notice: (i) the Contract or Contracts to be rejected; (ii) the Debtor or Debtors party to such Contract; (iii) the names and addresses of the counterparties to such Contract; (iv) the proposed effective date of the rejection for such Contract (the "Rejection Date"); and (v) if such Contract is a lease related to real property and/or improvements on real property, (A) the location and summary description of any personal property owned by the Debtors to be abandoned, if any, that is located on or within the real property and/or improvements (the "Abandoned Property"), and (B) the location and summary description of any personal property, including Rolling Stock and equipment, that is owned by any non-Debtor third party and located on or within the real property and/or improvements (the "Non-Debtor Personal Property"). The Rejection Notice shall also set forth the deadlines and procedures for filing objections to the Rejection Notice (as set forth below). Each Rejection Notice may list multiple Contracts; *provided* that the number of counterparties to Contracts listed on any one Rejection Notice shall be limited to no more than 100. To the extent reasonably practical, the Debtors shall provide the professionals for the Committee, the Junior DIP Lender, the B-2 Lenders, the Prepetition ABL Agent, and the United States Department of the Treasury (collectively, the "Consultation Parties"), with advance notice before filing any Rejection Notice. For the avoidance of doubt, the Debtors may serve multiple Rejection Notices, as long as the counterparties listed on each notice are limited to no more than 100.

- b. ***Service of Rejection Notices.*** The Debtors will cause each Rejection Notice to be served: (i) via email, if available, and by overnight delivery service upon (a) the Contract counterparties affected by such Rejection Notice (each, a “Rejection Counterparty”) at the notice address provided in the applicable Contract (and upon such Rejection Counterparty’s counsel, if known), and (b) any non-Debtor third party that owns Non-Debtor Personal Property located on or within the real property and/or improvements that are being rejected (and upon such party’s counsel, if known); and (ii) by first class mail, email, or fax upon: (a) the U.S. Trustee; (b) the Committee and Akin Gump Strauss Hauer & Feld LLP as proposed counsel to the Committee; (c) the office of the attorney general for each of the states in which the Debtors operate; (d) United States Attorney’s Office for the District of Delaware; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the Junior DIP Lender and counsel thereto; (h) the Junior DIP Agent and counsel thereto; (i) White & Case LLP, as counsel to the B-2 Lenders; (j) the Prepetition ABL Agent and counsel thereto; (k) the B-2 Agent and counsel thereto; (l) the Prepetition UST Tranche A Agent and counsel thereto; (m) the Prepetition UST Tranche B Agent and counsel thereto; (n) the United States Department of Justice and Arnold & Porter Kaye Scholer LLP as counsel to the United States Department of the Treasury; and (o) any party that has requested notice pursuant to Bankruptcy Rule 2002 (collectively, the “Master Notice Parties”).

- d. ***No Objection Timely Filed.*** If no objection to the rejection of any Contract is timely filed, each Contract listed in the applicable Rejection Notice shall be rejected as of the Rejection Date set forth in the Rejection Notice or such other date as the Debtors and the counterparty or counterparties to such Contract(s) agree; *provided* that the effective date of a rejection of a nonresidential real property lease shall not occur until the later of (i) the date the Debtors file and serve a Rejection Notice for such lease, (ii) the Rejection Date set forth in the Rejection Notice, and (iii) the date the Debtors relinquish control of the premises by notifying the affected landlord in writing of the Debtors' surrender of the premises and (A) turning over keys, key codes, and security codes, if any, to the affected landlord or (B) notifying the affected landlord in writing that the keys, key codes, and security codes, if any, are not available, but the landlord may rekey the leased premises.
- e. ***Unresolved Timely Objections.*** If one or more objections to the rejection of any Contract(s) listed in the applicable Rejection Notice is timely filed and properly served as specified above and not withdrawn or resolved, the Debtors shall file a notice for a hearing to consider the rejection of the Contract(s) implicated by such objection(s) and shall provide at least seven (7) days' notice of such hearing to each objecting party and the Objection Service Parties. If any such objection is overruled or withdrawn, the Contract(s) that are the subject of such objection shall be rejected as of the Rejection Date set forth in the Rejection Notice or such other date as agreed by the parties or determined by the Court as set forth in any entered order.
- f. ***No Application of Security Deposits.*** If the Debtors have deposited monies with a Rejection Counterparty as a security deposit or other arrangement, such Rejection Counterparty may not setoff, recoup, or otherwise use such deposit without the prior approval of the Court, unless the Debtors and the applicable Rejection Counterparty otherwise agree; *provided* that the Debtors shall provide not less than two (2) business days' notice to the professionals to the Consultation Parties prior to consenting to a setoff or recoupment with respect to any single deposit of more than \$50,000.
- g. ***Abandoned Property.*** The Debtors are authorized, but not directed, at any time on or before the applicable Rejection Date, to remove or abandon, at their option, any of the Debtors' personal property that may be located on the Debtors' leased premises that are subject to a rejected Contract and is (a) of minimal or no material value or benefit to the Debtors' estates and/or (b) burdensome insofar as the costs and expenses of removal and storage of such property are likely to exceed the net proceeds realizable from their sale. The Debtors shall generally describe the Abandoned Property in the applicable Rejection Notice and their intent to abandon such property. Absent a timely objection, any and all Abandoned Property located on the Debtors' leased premises on the Rejection Date of the applicable lease of

non-residential real property shall be deemed abandoned pursuant to section 554 of the Bankruptcy Code, as is, effective as of the Rejection Date. After the Abandoned Property is deemed abandoned pursuant to section 554 of the Bankruptcy Code, the applicable Contract counterparty or counterparties may, in their sole discretion and without further order of this Court, utilize and/or dispose of such property without liability to the Debtors or third parties and, to the extent applicable, the automatic stay is modified to allow such disposition. To the extent the Debtors' reject a non-residential real property lease and there is Non-Debtor Personal Property located on the premises, the Debtors shall, in accordance with Section 2(b) hereof, serve a copy of the Rejection Notice on said parties and within three (3) business days of filing a Rejection Notice. Further, the Debtors will make reasonable efforts to contact any third parties that may be known to the Debtors to have a property interest in such Non-Debtor Personal Property and such third parties shall be provided reasonable access to the leased premises and reasonable time and opportunity to retrieve their respective Non-Debtor Personal Property from the premises prior to the effectiveness of any Rejection Date. For the avoidance of doubt, such Non-Debtor Personal Property is not abandoned and is not free and clear of any Liens, claims, encumbrances, interests, and rights of its non-Debtor owners.

- h. ***Proofs of Claim.*** Claims arising out of the rejection of Contracts, if any, must be filed on or before the later of (i) the applicable deadline for filing proofs of claim established in these chapter 11 cases, and (ii) thirty (30) days after the later of (A) the effective Rejection Date and (B) the date the Debtors relinquish control of the premises by notifying the affected landlord in writing of the Debtors' surrender of the premises. If no proof of claim is timely filed, such claimant shall be forever barred from asserting a claim for damages arising from the rejection and from participating in any distributions on such a claim that may be made in connection with these chapter 11 cases.
- i. ***Removal from Schedule.*** The Debtors reserve the right to remove any Contract from the schedule to any Rejection Notice after consultation with the Consultation Parties at any time prior to the later of the Rejection Date or the date of entry of an order of the Court approving the rejection.

3. For the avoidance of doubt, Non-Debtor Personal Property shall not be deemed or constitute Abandoned Property.

4. Approval of the Rejection Procedures and this Order will not prevent the Debtors from seeking to reject a Contract by separate motion.

5. To the extent of any conflict between this Order and the De Minimis Asset Order, the De Minimis Asset Order shall control.

6. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity, priority, or amount of any particular claim against a Debtor entity; (b) a waiver of the Debtors' or any other party in interest's right to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors or any other party in interest that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Order are valid and the Debtors and all other parties in interest expressly reserve their rights to contest the extent, validity, or perfection or to seek avoidance of all such liens. Any payment made pursuant to this Order should not be construed as an admission as to the validity, priority, or amount of any particular claim or a waiver of the Debtors' or any other party in interest's rights to subsequently dispute such claim.

7. All rights and defenses of the Debtors are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is terminated and is no longer an executory contract or unexpired lease, respectively.

8. To the extent that the Debtors propose to abandon any Personal Property that may contain “personally identifiable information,” as that term is defined in section 101(41A) of the Bankruptcy Code, or other personal and/or confidential information about the Debtors’ employees and/or customers, or any other individual (the “Confidential Information”), the Debtors shall remove the Confidential Information from such Personal Property before such abandonment.

9. The Debtors are not authorized to abandon, and are directed to remove, any hazardous materials defined under applicable law from any nonresidential real property subject to a rejected Contract as, and to the extent they are, required to do so by applicable law.

10. Notice of the Motion as provided therein constitutes good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

11. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

12. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

13. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

V. Substantive Requirements of Proofs of Claim

7. The following requirements shall apply with respect to filing and preparing each proof of claim:

- a. Contents. Each proof of claim must: (i) be written in English; (ii) include a claim amount denominated in United States dollars using, if applicable, the exchange rate as of 5:00 p.m., prevailing Eastern Time, on the Petition Date (and to the extent such claim is converted to United States dollars, state the rate used in such conversion); (iii) conform substantially with the Proof of Claim Form provided by the Debtors or Official Form 410; and (iv) be signed by the claimant or by an authorized agent or legal representative of the claimant.
- b. Section 503(b)(9) Claim. Any proof of claim asserting a claim entitled to priority under section 503(b)(9) must also: (i) include the value of the goods delivered to and received by the Debtors in the twenty days before the Petition Date; (ii) attach any documentation identifying the particular invoices for which the 503(b)(9) claim is being asserted; and (iii) attach documentation of any reclamation demand made to the Debtors under section 546(c) of the Bankruptcy Code (if applicable).
- c. Original Signatures Required. Only *original* proofs of claim (whether submitted by hard copy or through the Online Portal available at <https://dm.epiq11.com/YellowCorporation>) will be deemed acceptable for purposes of claims administration. Copies of proofs of claim or proofs of claim sent by facsimile or electronic mail will not be accepted.
- d. Identification of the Debtor Entity. Each proof of claim must clearly identify the Debtor against which a claim is asserted, including the individual Debtor's case number. A proof of claim filed under the joint administration case number or otherwise without identifying a specific Debtor, will be deemed as filed only against Yellow Corporation.
- e. Claim Against Multiple Debtor Entities. Except as otherwise provided in the DIP Orders and the UST Cash Collateral Orders, each proof of claim must state a claim against *only one* Debtor and clearly indicate the Debtor against which the claim is asserted. To the extent more than one Debtor is listed on the proof of claim, such claim may be treated as if filed only against the first-listed Debtor.
- f. Supporting Documentation. Each proof of claim must include supporting documentation pursuant to Bankruptcy Rules 3001(c) and 3001(d). If, however, such documentation is voluminous, such proof of claim may include a summary of such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that includes only

a summary of such documentation shall be required to transmit all such supporting documentation to Debtors' counsel upon request no later than ten days from the date of such request.

- i. Solely as an accommodation to the Chubb Companies (as defined below), notwithstanding anything to the contrary in this Bar Date Order, any provision of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, any order of this Court, any Proof of Claim Form or any Bar Date Notice, (a) ACE American Insurance Company, on its own behalf and on behalf of all of its U.S.-based affiliates and successors (collectively, and solely in their capacities as insurers, the "Chubb Companies"), may file a single consolidated Proof of Claim based on the insurance policies issued by any of the Chubb Companies to (or providing coverage to) the Debtors (or their predecessors) and any agreements related thereto (the "Consolidated Claim") in the chapter 11 case of Yellow Corporation, Case No. 23-11069 (the "Lead Case"), which shall be deemed filed by each of the Chubb Companies not only in the Lead Case, but also in the chapter 11 case of each of the Debtors indicated in such Consolidated Claim; and (b) as the documents supporting the Consolidated Claim are voluminous and contain confidential information, the documents supporting the Consolidated Claim are not required to be filed with, and will not be filed with, the Consolidated Claim, and a summary of the documents supporting the Consolidated Claim will be filed with the Consolidated Claim instead; *provided, however*, that the Consolidated Claim will include a schedule of the policies and/or agreements upon which the Consolidated Claim is based; *provided, further*, that the Debtors reserve the right to request all documents supporting the Consolidated Claim subject to appropriate protections for confidential information. Nothing contained in this paragraph shall be construed as a waiver or modification of any rights, claims or defenses, including, without limitation, the right of the Chubb Companies to (a) assert joint and several liability against some or all of the Debtors, (b) modify the Debtor(s) against which the Consolidated Claim is asserted, or (c) amend the amount or nature of the Consolidated Claim, and, for the avoidance of doubt, any amendments that the Chubb Companies may make with respect to the Consolidated Claim may be made to the Consolidated Claim (i) only in the Lead Case and only against Yellow Corporation (instead of in the chapter 11 cases of each or any of the other Debtors) and/or (ii) only by ACE American Insurance Company (instead of by each of the Chubb Companies); *provided, however*, that the Consolidated Claim shall not be disallowed, reduced or expunged solely on the basis that the Consolidated Claim is filed (i) only in the Lead Case and only against Yellow Corporation (instead of in the bankruptcy cases of each or any of the other Debtors) and/or (ii) only by ACE

American Insurance Company (instead of by each of the Chubb Companies); *provided, further*, that to the extent that the Chubb Companies elect to vote and/or opt-in (or opt-out) of any releases in connection with any chapter 11 plan filed by the Debtors, ACE American Insurance Company, on its own behalf and on behalf of all of the Chubb Companies, may submit a single consolidated ballot and the elections in such consolidated ballot shall be deemed to apply to each of the Chubb Companies and against each of the Debtors.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing the bankruptcy estate. 11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim for the value of any goods that were sold to the Debtors in the ordinary course of its business and were received by the Debtors within 20 days before the date of commencement of the above case. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

PLEASE TAKE NOTICE THAT:

On August 6, 2023 (the “Petition Date”), Yellow Corporation and certain of its direct and indirect subsidiaries, as debtors and debtors in possession (collectively, the “Debtors”), filed voluntary petitions for relief under chapter 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Court”).

On [____], 2023 the Court entered an order [Docket No. ____] the (“Bar Date Order”)² establishing certain dates by which parties holding prepetition claims against the Debtors must file proofs of claim, including requests for payment pursuant to section 503(b)(9) of the Bankruptcy Code.

For your convenience, enclosed with this notice (this “Bar Date Notice”) is a proof of claim form, which identifies on its face the amount, nature, and classification of your claim(s), if any, listed in the Debtors’ schedules of assets and liabilities filed in these cases (the “Schedules”). If the Debtors believe that you hold claims against more than one Debtor, you will receive multiple proof of claim forms, each of which will reflect the nature and amount of your claim as listed in the Schedules.

As used in this Notice, the term “entity” has the meaning given to it in section 101(15) of the Bankruptcy Code, and includes all persons, estates, trusts, governmental units, and the Office of the United States Trustee for the District of Delaware. In addition, the terms “persons” and “governmental units” are defined in sections 101(41) and 101(27) of the Bankruptcy Code, respectively.

As used in this Notice, the term “claim” means, as to or against the Debtors and pursuant to section 101(5) of the Bankruptcy Code: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

I. THE BAR DATES

The Bar Date Order establishes the following bar dates for filing proofs of claim in these chapter 11 cases.

² A detailed description of the Debtors and their businesses, including the facts and circumstances giving rise to the Debtors’ chapter 11 cases, is set forth in the *Declaration of Matthew A. Doheny, Chief Restructuring Officer of Yellow Corporation, in Support of the Debtors’ Chapter 11 Petitions and First Day Motions* [Docket No. 14] (the “First Day Declaration”).

- a. ***The General Bar Date.*** Pursuant to the Bar Date Order, except as described below, all entities holding claims against the Debtors that arose or are deemed to have arisen before the commencement of these cases on the Petition Date, **including requests for payment pursuant to section 503(b)(9), are required to file proofs of claim by the General Bar Date so that such proofs of claim are actually received by the Debtors' notice and claims agent, Epiq Corporate Restructuring, LLC ("Epiq") by the General Bar Date, (i.e., by November 13, 2023 at 11:59 p.m., prevailing Eastern Time).** The General Bar Date applies to all types of claims against the Debtors that arose before the Petition Date, including secured claims, unsecured priority claims, unsecured non-priority claims contingent claims, unliquidated claims, disputed claims, and rejection damage claims for executory contracts and unexpired leases that have already been rejected by order of the Court in these chapter 11 cases.
- b. ***The Governmental Bar Date.*** Pursuant to the Bar Date Order, **all governmental units holding claims against the Debtors that arose or are deemed to have arisen prior to the commencement of these cases on the Petition Date are required to file proofs of claim by the Governmental Bar Date (i.e., by February 5, 2024 at 11:59 p.m., prevailing Eastern Time).** The Governmental Bar Date applies to all governmental units holding claims against the Debtors (whether secured, unsecured priority, or unsecured non-priority) that arose prior to the Petition Date, including, without limitation, governmental units with claims against the Debtors for unpaid taxes, whether such claims arise from prepetition tax years or periods or prepetition transactions to which the Debtors were a party. All governmental units holding such claims against the Debtors are required to file proofs of claim so that such proofs of claim are actually received by Epiq by the Governmental Bar Date.
- c. ***Amended Schedules Bar Date.*** If the Debtors amend or supplement their Schedules to reduce the undisputed, noncontingent, and liquidated amount of a claim listed in the Schedules, to change the nature or classification of a claim against the Debtors reflected in the Schedules, or to add a new claim to the Schedules, the affected creditor, if so chooses, is required to file a proof of claim or amend any previously filed proof of claim in respect of the amended scheduled claim on or before the later of (a) the General Bar Date or the Governmental Bar Date, as applicable, to such claim, and (b) 11:59 p.m., prevailing Eastern Time, on the date that is twenty-one days from the date on which the Debtors provide notice of the amendment to the Schedules.
- d. ***Rejection Damages Bar Date.*** In the event that an order authorizing the rejection of an executory contract or unexpired lease is entered, except as otherwise set forth in such order, the bar date for filing a Proof of Claim based on the Debtors' rejection of such contract or lease shall be the later of (i) the General Bar Date, (ii) 11:59 p.m., prevailing Eastern Time, on the

date that is thirty days after the later of (A) entry of an order approving the rejection of any executory contract or unexpired lease of the Debtors or (B) the effective date of a rejection of any executory contract or unexpired lease of the Debtors pursuant to operation of any Court order. All entities holding such claims against the Debtors would be required to file proofs of claim so that such proofs are actually received by Epiq by the applicable Rejection Damages Bar Date. For the avoidance of doubt and notwithstanding anything to the contrary herein, counterparties to unexpired leases of non-residential real property shall not be required to file prepetition claims against any of the Debtors unless and until the applicable lease is rejected by the Debtors.

II. WHO MUST FILE A PROOF OF CLAIM

Except as otherwise set forth herein, the following entities holding claims against the Debtors that arose (or that are deemed to have arisen) before the Petition Date **must** file proofs of claim on or before the General Bar Date, Governmental Bar Date, or any other bar date set forth in the Bar Date Order, as applicable:

- a. any entity whose claim against a Debtor is **not** listed in the applicable Debtor's Schedules or is listed as contingent, unliquidated, or disputed if such entity desires to participate in any of these chapter 11 cases or share in any distribution in any of these chapter 11 cases;
- b. any entity who believes that its claim is improperly classified in the Schedules or is listed in an incorrect amount and who desires to have its claim allowed in a classification or amount other than that identified in the Schedules;

- d. any entity who believes that its claim against a Debtor is or may be an administrative expense pursuant to section 503(b)(9) of the Bankruptcy Code.

III. PARTIES WHO DO NOT NEED TO FILE PROOFS OF CLAIM

Certain parties are not required to file proofs of claim. The Court may, however, enter one or more separate orders at a later time requiring creditors to file proofs of claim for some kinds of the following claims and setting related deadlines. If the Court does enter such an order, you will receive notice of it. The following entities holding claims that would otherwise be subject to the Bar Dates need **not** file proofs of claims:

- a. any entity that already has filed a signed proof of claim against the respective Debtor(s) with the Clerk of the Court or with Epiq in a form substantially similar to Official Form 410;
- b. any entity whose claim is listed on the Schedules if: (i) the claim is *not* scheduled as any of “disputed,” “contingent,” or “unliquidated;” (ii) such entity agrees with the amount, nature, and priority of the claim as set forth in the Schedules; and (iii) such entity does not dispute that its claim is an obligation only of the specific Debtor against which the claim is listed in the Schedules;
- c. any entity whose claim has previously been allowed by order of the Court;
- d. any entity whose claim has been paid in full or is otherwise fully satisfied by the Debtors pursuant to the Bankruptcy Code or pursuant to an order of the Court;
- e. any Debtor having a claim against another Debtor;
- f. any entity whose claim is solely against any of the Debtors’ non-Debtor affiliates;
- g. any entity that holds an interest in any of the Debtors, which interest is based exclusively on the ownership of common stock, preferred stock, membership interests, partnership interests, or rights to purchase, sell, or subscribe to such an interest; *provided* that interest holders who wish to assert claims (as opposed to ownership interests) against any of the Debtors, including claims that arise out of or relate to the ownership or purchase of an interest, must file proofs of claim on or before the applicable Bar Date unless another exception identified herein applies;³
- h. a current employee of the Debtors, if an order of this Court authorized the Debtors to honor such claim in the ordinary course of business as a wage, commission, or benefit; *provided* that a current employee must submit a proof of claim by the General Bar Date for all other claims arising before the Petition Date, including (but not limited to) claims for wrongful termination, discrimination, harassment, hostile work environment, and/or retaliation;
- i. any current officer, director, or employee for claims based on indemnification, contribution, or reimbursement;

³ The Debtors reserve all rights regarding any such claims, including to, inter alia, assert that such claims are subject to subordination pursuant to Bankruptcy Code section 510(b).

- j. any entity holding a claim for which a separate deadline is fixed by this Court;
- k. any entity holding a claim allowable under sections 503(b) and 507(a)(2) of the Bankruptcy Code as an expense of administration incurred in the ordinary course, *provided* that any entity asserting a claim entitled to priority under section 503(b)(9) of the Bankruptcy Code must assert such claims by filing a request for payment or a proof of claim on or prior to the General Bar Date; and

Except as otherwise provided in the DIP Orders and the UST Cash Collateral Orders, each proof of claim must state a claim against ***only one*** Debtor and clearly indicate the Debtor against which the claim is asserted. - f. Supporting Documentation. Each proof of claim must include supporting documentation pursuant to Bankruptcy Rules 3001(c) and 3001(d). If, however, such documentation is voluminous, such proof of claim may include a summary of such documentation or an explanation as to why such documentation is not available; *provided* that any creditor that includes only a summary of such documentation shall be required to transmit all such supporting documentation to Debtors' counsel upon request no later than ten days from the date of such request.

Pursuant to the Bar Date Order and pursuant to Bankruptcy Rule 3003(c)(2), if you or any party or entity who is required, but fails, to file a proof of claim in accordance with the Bar Date order on or before the applicable Bar Date, please be advised that:

- a. YOU WILL NOT RECEIVE ANY DISTRIBUTION IN THESE CHAPTER 11 CASES ON ACCOUNT OF THAT CLAIM; AND
- b. YOU WILL NOT BE PERMITTED TO VOTE ON ANY CHAPTER 11 PLAN OR PLANS FOR THE DEBTORS ON ACCOUNT OF THESE BARRED CLAIMS OR RECEIVE FURTHER NOTICES REGARDING SUCH CLAIM.

VI. RESERVATION OF RIGHTS

Nothing contained in this Notice is intended to or should be construed as a waiver of the Debtors' right to: (a) dispute, or assert offsets or defenses against, any filed claim or any claim listed or reflected in the Schedules as to the nature, amount, liability, or classification thereof; (b) subsequently designate any scheduled claim as disputed, contingent, or unliquidated; and (c) otherwise amend or supplement the Schedules.

VII. THE DEBTORS' SCHEDULES AND ACCESS THERETO

You may be listed as the holder of a claim against one or more of the Debtor entities in the Debtors' Schedules. To determine if and how you are listed on the Schedules, please refer to the descriptions set forth on the enclosed Proof of Claim Forms regarding the nature, amount, and status of your claim(s). If the Debtors believe that you may hold claims against more than one Debtor entity, you will receive multiple Proof of Claim Forms, each of which will reflect the nature and amount of your claim against one Debtor entity, as listed in the Schedules.

If you rely on the Debtors' Schedules, it is your responsibility to determine that the claim is accurately listed in the Schedules. However, you may rely on the enclosed form, which sets forth the amount of your claim (if any) as scheduled; identifies the Debtor entity against which it

is scheduled; specifies whether your claim is listed in the Schedules as disputed, contingent, or unliquidated; and identifies whether your claim is scheduled as a secured, unsecured priority, or unsecured non-priority claim.

As described above, if you agree with the nature, amount, and status of your claim as listed in the Debtors' Schedules, and if you do not dispute that your claim is only against the Debtor entity specified by the Debtors, and if your claim is not described as "disputed," "contingent," or "unliquidated," you need **not** file a proof of claim. Otherwise, or if you decide to file a proof of claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice.

A. The Bidding Procedures

14. The Bidding Procedures attached hereto as Exhibit 1 are hereby approved, are incorporated herein by reference, and shall govern the Bids and proceedings related to any Sale(s) of the Assets and the Auction(s) (if any) in all respects. The procedures and requirements set forth in the Bidding Procedures, including those associated with submitting a “Qualified Bid,” are fair, reasonable and appropriate, and are designed to maximize recoveries for the benefit of the Debtors’ estates, creditors, and other parties in interests. The Debtors are authorized to take any and all actions necessary or appropriate to implement the Bidding Procedures.

15. The failure to specifically include or reference any particular provision of the Bidding Procedures in the Motion or this Order shall not diminish or otherwise impair the effectiveness of such procedures, it being the Court’s intent that the Bidding Procedures are approved in their entirety, as if fully set forth in this Order.

16. Subject to this Order, the Bidding Procedures, the DIP Orders, and the UST Cash Collateral Orders,⁴ the Debtors, in the exercise of their reasonable business judgment and in a

manner consistent with their fiduciary duties and applicable law, shall have the right to, in each case with respect to any Assets being sold pursuant to the Bidding Procedures and in consultation with the Consultation Parties (as set forth in the Bidding Procedures), (a) determine which Qualified Bid is the highest or otherwise best offer for the applicable Asset(s), (b) reject any Bid that the Debtors determine is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtors' estates and their creditors, and (c) impose such other terms and conditions upon Qualified Bidders as the Debtors determine to be in the best interests of the Debtors' estates in these chapter 11 cases. For the avoidance of doubt, Rolling Stock that is leased by the Debtors shall not be sold pursuant to the Bidding Procedures absent (z) the Debtors' purchase of said Rolling Stock prior to or as part of a Sale Transaction and/or (y) a separate and further agreement reached with the owner of said Rolling Stock; *provided* that the lease documents evidencing the Debtors' lease(s) of Rolling Stock remain subject to potential assumption and assignment in accordance with the applicable provisions of the Bankruptcy Code, assuming compliance with said provisions, including the requirements set forth in section 365 of the Bankruptcy Code.

17. Subject to this Order, the Bidding Procedures, the DIP Orders, and the UST Cash Collateral Orders, the Debtors shall have the right, in their reasonable business judgment and in consultation with the Consultation Parties (as provided under the Bidding Procedures) and in a manner consistent with their fiduciary duties and applicable law, to modify the Bidding Procedures, including to, among other things, (a) extend or waive deadlines or other terms and conditions set forth therein, (b) adopt new rules and procedures for conducting the bidding and any Auction process, (c) if applicable, provide reasonable accommodations to a Stalking Horse Bidder, or (d) otherwise modify the Bidding Procedures to further promote competitive bidding for and

maximizing the value of the Assets; *provided* that such extensions, waivers, new rules and procedures, accommodations and modifications (except as are consented to or otherwise approved or permitted in accordance with the Bidding Procedures) (i) do not conflict with and are not inconsistent with this Order, the Bidding Procedures, the DIP Orders, the UST Cash Collateral Orders, the Bankruptcy Code or any order of the Court, (ii) do not impair or modify, in any material respect, the rights and obligations of the Real Estate Stalking Horse Bidder under the Real Estate Stalking Horse APA or otherwise violate the Real Estate Stalking Horse APA or affect the Real Estate Stalking Horse Bidder in a manner that would reasonably be expected to have a material and adverse effect on the Real Estate Stalking Horse Bidder that is disproportionate to the Real Estate Stalking Horse Bidder as compared to the effect on other Qualified Bidders for the Owned Properties subject of the Real Estate Stalking Horse APA generally, and (iii) are as promptly as practicable communicated to each Qualified Bidder or at the applicable Auction (if any).

18. If the Debtors, in consultation with the Consultation Parties, determine not to conduct an Auction for Assets (as applicable), then the Debtors shall file a notice with the Court of such determination within one (1) business day of making such determination.

B. The Stalking Horse Bid and Bid Protections.

19. The Debtors shall be authorized, but not obligated, in an exercise of their reasonable business judgment and with the consent of the Consultation Parties, (a) to select one or more Qualified Bidders to act as stalking horse bidders in connection with any Sale Transaction (each, a “Stalking Horse Bidder,” and any such bid (as applicable), each a “Stalking Horse Bid”) and enter into a purchase agreement with respect to any such Sale Transaction with such Stalking Horse Bidder (each such agreement, a “Stalking Horse Agreement”); and (b) in connection with any Stalking Horse Agreement with a Stalking Horse Bidder, to agree to the Bid Protections;

provided that the aggregate of the Breakup Fee and the total Expense Reimbursements shall in no event exceed three percent (3%) of the applicable cash Purchase Price; *provided further* that all expenses to be reimbursed to the Stalking Horse Bidder from the Debtors' estates must be documented, with such documentation provided to the Debtors, the Consultation Parties (including each of their respective counsel and advisors (as set forth in the Bidding Procedures), and the U.S. Trustee, who will have a 10-day review period upon receipt of such expense documentation. If there is an objection to any portion of the expenses by such parties during that time, such disputed portion of the expenses shall not be paid until the objection is resolved consensually or by the Court, with the remaining undisputed portion of the expenses paid as otherwise set forth herein.

20. Except for a Stalking Horse Bidder to the extent of the Bid Protections provided to any such Stalking Horse Bidder (including the Real Estate Stalking Horse Bidder and Bid Protections provided thereto), no person or entity participating in the Debtors' sale process under the Bidding Procedures shall be entitled to any expense reimbursement, break-up fees, "topping" fees, termination fees, or other fees, payments, or reimbursements whatsoever in connection with any Bid, preparation thereof, or participation at the Auction(s) (if any) or generally under the Bidding Procedures; and, by submitting a Bid, such person or entity shall be deemed to have forever waived its right to request or to file with the Court any request for allowance or payment of any such expense reimbursement or fee(s), whether by virtue of section 503(b) of the Bankruptcy Code or otherwise.

21. Any deposit provided by a Stalking Horse Bidder or other Qualified Bidder (as required under the Bidding Procedures and/or any Stalking Horse Agreement) shall be held in escrow by the Debtors or their agent and shall not become property of the Debtors' bankruptcy

estates unless and until released from escrow to the Debtors pursuant to the terms of the Bidding Procedures, the applicable escrow agreement, or an order of the Court.

22. The Debtors, in consultation with the Consultation Parties, may select a Stalking Horse Bidder (or Stalking Horse Bidders, as applicable) as the stalking horse purchaser (a “Stalking Horse”) for substantially all of the Debtors’ assets or any grouping or subset of the Assets. In such instance(s), the Debtors shall file a supplement to the Motion (the “Stalking Horse Supplement”) seeking approval of the same, providing no less than three (3) business days’ notice of the deadline to object to the approval of the Stalking Horse Bid (including any proposed Bid Protections) to (i) the U.S. Trustee, (ii) and the Consultation Parties and (iii) those parties who have filed the appropriate notice pursuant to Bankruptcy Rule 2002 requesting notice of all pleadings filed in the Chapter 11 Cases (the “Stalking Horse Notice Parties”) with no other or further notice regarding the Stalking Horse, the Stalking Horse Bid, or the Bid Protections being required; *provided* that any Stalking Horse Supplement will (a) set forth the identity of the Stalking Horse (and if the Stalking Horse Bidder is a newly formed entity, then the Stalking Horse’s parent company or sponsor), (b) set forth the amount of the Stalking Horse Bid, and, if the Stalking Horse is a credit bidder, what portion of its bid is a credit bid and what portion (if any) is cash; (c) state whether the Stalking Horse has any connection to the Debtors other than those that arise from the Stalking Horse bid, (d) specify any proposed Bid Protections, (e) attach the purchase agreement finalized with the Stalking Horse or otherwise summarize the material terms thereof; and (f) set forth the deadline to object to the Stalking Horse designation and any related Bid Protections. For the avoidance of doubt, this Order does not make any findings or grant approval of any Bid Protections, including the granting of any break-up fees; any such Bid Protections, including any break-up fees, sought in connection with any Stalking Horse Bid shall be included in and subject

to the approval by the Court of the Stalking Horse Supplement and otherwise acceptable to the Consultation Parties. For the avoidance of doubt and notwithstanding the foregoing, Court approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA (each as defined in the Bidding Procedures) will be sought pursuant to a separate motion and order.

23. Objections to the designation of a Stalking Horse Bidder or any of the terms of a Stalking Horse bid (including any proposed Bid Protections for such Stalking Horse Bidder) (a “Stalking Horse Objection”) shall (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules, and Local Bankruptcy Rules, (c) state, with specificity, the legal and factual bases thereof and (d) be filed with the Court and served on the Notice Parties (as defined below) within three (3) business days after the service of the Stalking Horse Supplement.

24. If a timely Stalking Horse Objection is filed, the Debtors will schedule a hearing regarding such Stalking Horse Objection as soon as reasonably practicable seeking approval of such Stalking Horse Bid and in accordance with this Order and the Bidding Procedures. If no timely Stalking Horse Objection is filed and served with respect to the Stalking Horse Bid, upon the expiration of the objection deadline, the Debtors will submit a proposed order to the Court approving the Stalking Horse Bid (including the Stalking Horse Agreement and the Bid Protections), which the Court may enter without a hearing and any further or other notice except as required herein or under the Bidding Procedures, including with respect to any Bid Protections set forth in the Stalking Horse Supplement. For the avoidance of doubt, no determination is made in this Order with regard to authorizing any Bid Protections. For the avoidance of doubt and notwithstanding the foregoing, Court approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA will be sought pursuant to a separate motion and order.

Protection Obligations in the sale or other disposition of any assets of the Debtors, including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code, in each case, pursuant to a plan of reorganization or liquidation or by a chapter 7 trustee in a chapter 7 proceeding of ABL Priority Collateral, (ii) the B-2 Agent (on behalf, and at the direction, of the B-2 Lenders pursuant to the Postpetition B-2 Credit Agreement) shall have the unqualified and unconditional right to credit bid, subject to section 363(k) of the Bankruptcy Code, (x) up to the full amount of the B-2 Obligations and (y) the B-2 Adequate Protection Obligations in the sale or other disposition of any assets of the Debtors, including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code, in each case, pursuant to a plan of reorganization or liquidation or by a chapter 7 trustee in a chapter 7 proceeding of Prepetition B-2 Priority Collateral, and (iii) the Prepetition UST Agent, or any assignee or designee of the Prepetition UST Agent, at the direction of the Prepetition UST Lenders pursuant to the Prepetition UST Credit Agreements and on behalf of the Prepetition UST Lenders, shall have the unqualified and unconditional right to credit bid, subject to section 363(k) of the Bankruptcy Code, (x) up to the full amount of the Prepetition UST Secured Obligations and (y) the UST Adequate Protection Obligations, in the sale or other disposition of any assets of the Debtors, including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code, in each case, pursuant to a plan of reorganization or liquidation or by a chapter 7 trustee in a chapter 7 proceeding, and each Prepetition ABL Secured Party, B-2 Secured Party, and Prepetition UST Secured Party complying with the foregoing shall automatically be deemed a “qualified bidder” (and Acceptable Bidder (as defined in the Bidding Procedures)) with respect to any disposition of assets by the Debtors under or pursuant to (a) section 363 of the Bankruptcy Code, (b) a plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or (c) a sale or disposition by a chapter 7 trustee for any of the Debtors under section 725 of the Bankruptcy Code;

provided, that, no party shall be permitted to credit bid for Prepetition ABL Priority Collateral until such time that the Prepetition ABL Parties have been indefeasibly paid in full in cash (or cash collateralized (as applicable)). Within (2) business days after completion of the applicable Auction, or as soon as practicable, to the extent the Debtors seek to assume and assign an executory contract and/or unexpired lease, the Debtors will provide via first class mail and/or email (to the extent email is reasonably known) information of all proposed forms of adequate assurance of future performance they have received from each Winning Bidder and Back-up Bidder, as applicable, to Contract Counterparties and their counsel, if known. Requests by contract or lease counterparties to receive adequate assurance information via e-mail may be made to Debtors’ counsel at: YellowAssignedContracts@kirkland.com.

39. Nothing in this Order shall be deemed to limit the Debtors’ ability to negotiate partial assumption and/or assumption and assignment of Contracts with Contract Counterparties on a consensual basis.

- a. **Cure Notice**. No later than fourteen (14) days prior to the Cure Objection Deadline for the Rolling Stock Assets and no later than fourteen (14) days prior to the Qualified Bid Deadline for the Non-Rolling Stock Assets, the Debtors shall file with the Court and serve via first class mail, electronic mail, or overnight delivery, the Cure Notices, attached hereto as **Exhibit 3**, on the Contract Counterparties, and post the Cure Notice to the case website <https://dm.epiq11.com/YellowCorporation>.
- b. **Content of Cure Notice**. The Cure Notice shall notify the applicable Contract Counterparties that the Contracts may be subject to assumption and assignment in connection with the Sale, and contain the following information: (i) a list of the

applicable Contracts that may be assumed or assumed and assigned in connection with the Sale (the “Assigned Contracts,” and each individually, an “Assigned Contract”); (ii) the applicable Contract Counterparties; (iii) the Debtors’ good faith estimates of the proposed amount necessary to cure all monetary defaults, if any, under each Assigned Contract (the “Cure Costs”); and (iv) the deadline by which any Contract Counterparty to an Assigned Contract must file an objection to the proposed assumption, assignment, cure, and/or adequate assurance and the procedures relating thereto (the “Cure Objection”); *provided* that the deadline by which any Contract Counterparty to an Assigned Contract with respect to a Leased Property must file an objection to the proposed adequate assurance shall be **December 8, 2023 at 5:00 p.m. (ET)**; *provided, further*, that service of a Cure Notice does not constitute an admission that such Assigned Contract is an executory contract or unexpired lease or that such Assigned Contract will be assumed at any point by the Debtors or assumed and assigned pursuant to any Winning Bid.

- c. **Cure Objections.** Cure Objections, if any, to a Cure Notice must: (i) be in writing; (ii) comply with the applicable provisions of the Bankruptcy Rules, the Bankruptcy Local Rules, and any order governing the administration of these chapter 11 cases; (iii) state with specificity the nature of the objection and, if the Cure Objection pertains to the proposed Cure Costs, state the cure amount alleged to be owed to the objecting Contract Counterparty, together with any applicable and appropriate documentation in support thereof; *provided* that the Debtors may modify the Cure Objection Deadline by filing a notice of such modification on the Court’s docket.
- d. **Effects of Filing a Cure Objection.** A properly filed Cure Objection will reserve such objecting party’s rights against the Debtors only with respect to the assumption and assignment of the Assigned Contract at issue, and/or objection to the accompanying Cure Costs, as set forth in the Cure Objection, but will not constitute an objection to the remaining relief requested in the Sale Order.
- e. **Dispute Resolution.** Any Cure Objection to the assumption or assumption and assignment of an Assigned Contract or Cure Costs that remains unresolved after the Sale Hearing shall be heard at such later date as may be agreed upon by the parties or fixed by the Court. To the extent that any Cure Objection cannot be resolved by the parties, such Contract shall be assumed and assigned only upon satisfactory resolution of the Cure Objection, to be determined in the Winning Bidder’s reasonable discretion. To the extent a Cure Objection remains unresolved, the Contract may be conditionally assumed and assigned, subject to the consent of the Winning Bidder, pending a resolution of the Cure Objection after notice and a hearing. If a Cure Objection is not satisfactorily resolved, the Winning Bidder may determine that such Contract should not be assumed and assigned, in which case the Winning Bidder will not be responsible for any Cure Costs in respect of such contract. Notwithstanding the foregoing, if a Cure Objection relates solely to the Cure Costs (any such objection, a “Cure Dispute”), the applicable Assigned Contract may be assumed by the Debtors and assigned to the Winning Bidder provided that the cure amount the Contract Counterparty asserts is required to be paid under section 365(b)(1)(A) and (B) of the Bankruptcy Code (or such lower

amount as agreed to by the Contract Counterparty) is deposited in a segregated account by the Debtors pending the Court's adjudication of the Cure Dispute or the parties' consensual resolution of the Cure Dispute.

- f. **Supplemental Cure Notice.** If the Debtors discover Contracts inadvertently omitted from the Cure Notice or the Winning Bidder identifies other Contracts that it desires to assume or assume and assign in connection with the Sale, the Debtors may, after consultation with the Winning Bidder, at any time before the closing of the Sale supplement the Cure Notice with previously omitted Contracts or modify a previously filed Cure Notice, including by modifying the previously stated Cure Costs associated with any Contracts (the "**Supplemental Cure Notice**").
- g. **Objection to the Supplemental Cure Notice.** Any Contract Counterparty listed on the Supplemental Cure Notice may file an objection (a "**Supplemental Cure Objection**") only if such objection is to the proposed assumption or assumption and assignment of the applicable Contracts or the proposed Cure Costs, if any, modified by the Supplemental Cure Notice. All Supplemental Cure Objections must: (i) state, with specificity, the legal and factual basis for the objection as well as what Cure Costs are required, if any; (ii) include appropriate documentation in support thereof; and (iii) be filed no later than 5:00 p.m. (prevailing Eastern Time) on the date that is twenty-one (21) days following the date of service of such Supplemental Cure Notice, which date will be set forth in the Supplemental Cure Notice.
- h. **Dispute Resolution of Supplemental Cure Objection.** If a Contract Counterparty files a Supplemental Cure Objection in a manner that is consistent with the requirements set forth above, and the parties are unable to consensually resolve the dispute, the Debtors shall seek an expedited hearing before the Court to determine the Cure Costs, if any, and approve the assumption of the relevant Contracts. If there is no such objection, then the Debtors shall obtain an order of this Court fixing the Cure Costs and approving the assumption of any Contract listed on a Supplemental Cure Notice. Notwithstanding the foregoing, if a Supplemental Cure Objection relates solely to a Cure Dispute, the applicable Assigned Contract may be assumed by the Debtors and assigned to the Winning Bidder provided that the cure amount the Contract Counterparty asserts is required to be paid under section 365(b)(1)(A) and (B) of the Bankruptcy Code (or such lower amount as agreed to by the Contract Counterparty) is deposited in a segregated account by the Debtors pending the Court's adjudication of the Cure Dispute or the parties' consensual resolution of the Cure Dispute.

I. Miscellaneous.

40. Peapack Capital Corporation ("**PCC**") owns certain of the Rolling Stock, which it leases to the Debtors. The Debtors and PCC are currently negotiating return of the PCC Rolling Stock, but out of an abundance of caution, all rights of PCC with respect to the sale of any PCC

Rolling Stock are expressly reserved to the extent such return is not effectuated. The Debtors acknowledge that absent a further written agreement with PPC they are not intending to sell the Equipment.

41. All persons and entities that participate in the applicable Auction (if any) or bidding for any Asset(s) during the sale process under the Bidding Procedures shall be deemed to have knowingly and voluntarily (i) consented to the core jurisdiction of the Court to enter any order related to the Bidding Procedures, the applicable Auction(s) (if any) or any other relief requested in the Motion or granted in this Order, (ii) waived any right to a jury trial in connection with any disputes relating to the Bidding Procedures, the Auction or any other relief requested in the Motion or granted in this Order, and (iii) consented to the entry of a final order or judgment in connection with any disputes relating to the Bidding Procedures, the Auction or any other relief requested in the Motion or granted in this Order, if it is determined that the Court would lack Article III jurisdiction to enter such a final order or judgment absent the consent of the relevant parties.

42. The Debtors are authorized to take all steps and pay all amounts necessary or appropriate to implement the relief granted in this Order.

43. This Order shall be binding on the Debtors and its successors and assigns, including any chapter 7 or chapter 11 trustee or other fiducially appointed for the estates of the Debtors.

44. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

45. To the extent any provisions of this Order are inconsistent with the Motion, the terms of this Order shall control. To the extent any provisions of this Order are inconsistent with the Bidding Procedures, the terms of this Order shall control.

46. Nothing contained in the Motion or this Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

47. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

48. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

49. The Debtors are authorized to make non-substantive changes to the Bidding Procedures, the Assumption and Assignment Procedures, and any related documents without further order of the Court, including, without limitation, changes to correct typographical and grammatical errors.

50. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

51. This Court shall retain exclusive jurisdiction over any and all matters arising from or related to the implementation, interpretation, and/or enforcement of this Order.

BIDDING PROCEDURES

On August 6, 2023 (the “Petition Date”), Yellow Corporation and the above-captioned debtors and debtors in possession (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Court”).

Thereafter, on September [●], 2023, the Court entered the *Order (I)(A) Approving the Bidding Procedures For the Sale or Sales of the Debtors’ Assets, (B) Scheduling an Auction and Approving the Form and Manner of Notice Thereof; (C) Scheduling a Sale Hearing and Approving the Form and Manner of Notice Thereof; (II)(A) Approving the Sale of the Debtors’ Assets Free and Clear of Liens, Claims, Interests and Encumbrances and (B) Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases; and (III) Granting Related Relief* (the “Bidding Procedures Order”), by which the Court approved the bidding procedures set forth herein (these “Bidding Procedures”).²

On August 8, 2023, Yellow Corporation (in such capacity, the “Foreign Representative”) commenced a proceeding (the “Canadian Recognition Proceedings”) in the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”) seeking recognition of the Chapter 11 Cases and certain other relief which was granted by the CCAA Court on August 29, 2023 pursuant to Part IV of the *Companies’ Creditors Arrangement Act* R.S.C. 1985, c. C 36, as amended (the

² Unless otherwise specified herein, capitalized terms used but not defined herein shall have the meanings ascribed to such terms in the Bidding Procedures Order and its respective motion filed at Docket. No. 22 (the “Bidding Procedures Motion”) or the *Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, (B) Use Cash Collateral, and (C) Grant Liens and Superpriority Administrative Expense Claims, (II) Granting Adequate Protection to Certain Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief* [Docket No. 302] (the “Interim DIP Order” and together with the final order approving such relief, the “DIP Orders”) or the Interim UST Cash Collateral Order (as defined in the Interim DIP Order) (together with the final order approving such relief, the “UST Cash Collateral Orders”), as applicable.

“CCAA”). Alvarez & Marsal Canada Inc. was appointed information officer in the Canadian Recognition Proceedings (in such capacity, the “Information Officer”).

Thereafter, on September [●], 2023, the Canadian Court granted an Order (the “Bidding Procedures Recognition Order”) by which the Canadian Court recognized the Bidding Procedures Order and these Bidding Procedures.

These Bidding Procedures set forth the process by which the Debtors are authorized to conduct a marketing and sale process (including pursuant to one or more Auctions (as defined below), if any) for the sale or sales (each, a “Sale”)³ of all or substantially all of the Debtors’ assets (collectively, the “Assets”), through one or more transactions (each, a “Sale Transaction”), which Sale Transaction(s) may be effectuated through a Sale or Sales pursuant to section 363 of the Bankruptcy Code, and which Sale Transaction(s) may contemplate the Sale or Sales of one or more of the following Assets (and/or the assumption and assignment of leases, as applicable):

- any owned or leased vehicles, tractors, trucks, trailers, tank trailer and other trailers, or similar vehicles and trailers, railroad cars, locomotives, stacktrains and other rolling stock and accessories used on such railroad cars, locomotives or other rolling stock (including superstructures and racks) (collectively, the “Rolling Stock”);⁴
- any owned or leased real estate of the Debtors, including (a) the Debtors’ 174 owned properties (the “Owned Properties”) and (b) any sale-leaseback equity, pursuant to capital lease agreements through which the Debtors lease 149 facilities (the “Leased Properties” and together with the Owned Properties, the “Real Estate” or the “Real Property Assets”);
- any owned or licensed intellectual property, including any customer lists, trademarks, copyrights, domain names, or other similar intellectual property (collectively, the “Intellectual Property”); and
- any inventory, spare parts, supplies, accounts receivable, or other Assets not constituting Rolling Stock, Real Property Assets, or Intellectual Property (collectively,

³ Upon any Sale of Assets located in Canada or otherwise held by Debtors domiciled in Canada (collectively, the “Canadian Assets”), such Sale of Assets shall be subject to recognition of the Sale Order(s) in the Canadian Court through an order of the Canadian Court (such order, a “Canadian Sale Recognition Order”), which shall be a condition to closing such Sale(s). With respect to Sale(s) of Canadian Assets, the Foreign Representative will seek a Canadian Sale Recognition Order as soon as practicable following the applicable Sale Hearing (subject to the availability of the Canadian Court).

⁴ Rolling Stock constituting (a) Prepetition UST Tranche B Priority Collateral or Prepetition Joint Collateral shall be referred to herein as “UST Rolling Stock” and (b) Prepetition B-2 Priority Collateral shall be referred to herein as “B-2 Rolling Stock.” For the avoidance of doubt, Rolling Stock that is leased by the Debtors shall not be sold pursuant to the Bid Procedures absent (i) the Debtors’ purchase of said Rolling Stock prior to or as part of the Sale Transaction and/or (ii) a separate and further agreement reached with the owner of said Rolling Stock; *provided* that the lease documents evidencing the Debtors’ lease(s) of Rolling Stock remain subject to potential assumption and assignment in accordance with the applicable provisions of the Bankruptcy Code, assuming compliance with said provisions, including the requirements set forth in section 365 of the Bankruptcy Code.

the “Other Assets,” and together with the Real Property Assets and the Intellectual Property, the “Non-Rolling Stock Assets”).⁵

Subject to the terms of these Bidding Procedures, a Potential Bidder (as defined below) may bid on the Assets (i) in individual lots, (ii) as a collective whole, or (iii) in any combination.

The ability of the Debtors to undertake and consummate any Sale of the Assets shall be subject to competitive bidding as set forth in these Bidding Procedures and approval of any Sale by the Court (and, if applicable, recognition of the applicable Sale Order by the Canadian Court). In addition to any Stalking Horse Bid (as defined below) for any or all of the Assets, the Debtors will consider bids for any or all of the Assets (including any combinations of Assets) in a single bid from a single bidder or in multiple bids from multiple bidders. Any bid for less than all of the Assets, even if such bid is the highest or otherwise best bid for such Asset(s), is and will be subject to higher or otherwise better bids on packages of Assets that may include such Asset(s). Similarly, any bid for all of the Assets is and will be subject to bids on individual Assets or packages of Assets that constitute, in the aggregate, higher or otherwise better bids for such Assets.

The Debtors, in the exercise of their reasonable business judgment, in consultation with the Consultation Parties (as defined below), may elect to exclude any Assets from the Bidding Procedures and to sell such Assets pursuant to either a private or public sale, subject to Court approval, including, without limitation, pursuant to (as applicable) that certain *Order Approving Procedures for De Minimis Asset Transactions and Abandonment of De Minimis Assets* [Docket No. [●]] (the “De Minimis Asset Sale Order”); *provided*, however, that, at any time prior to the termination of the Real Estate Stalking Horse APA, the Debtors shall not exclude Assets contained in the Real Estate Stalking Horse APA absent the prior written consent of the Real Estate Stalking Horse Bidder. The Debtors may determine in their discretion, following consultation with the Consultation Parties, whether to proceed with a Sale of any Asset (including packages of Assets) pursuant to these Bidding Procedures; *provided*, however, that the Debtors will advance the Real Estate Stalking Horse Bid to a Sale Transaction in good faith, subject to the Bidding Procedures; *provided further* that the Real Estate Stalking Horse Bid shall be subject to higher or otherwise better Bids (including combinations of Bids, as applicable).

To the extent that the Bidding Procedures require the Debtors to consult with any Consultation Party in connection with making a determination or taking any action under these Bidding Procedures, the Debtors shall do so in a regular and timely manner prior to making such determination or taking such action.

⁵ Any reference herein to “Non-Real Property Assets” shall mean, collectively, (a) the Rolling Stock, (b) the Intellectual Property, and (c) the Other Assets.

Materials and information provided by the Debtors or their advisors to the advisors to any Consultation Party may be shared with such Consultation Party, subject in all respects to these Bidding Procedures, the Bidding Procedures Order, and the respective confidentiality agreement entered into by and among or otherwise agreed to between each such Consultation Party and the Debtors.

The Debtors shall consult with the Consultation Parties in good faith regarding the sale process for the Assets and provide to the Consultation Parties and their advisors regular reports concerning the sale process, including parties contacted, buyer feedback, copies of letters of intent, drafts of definitive agreements, updates regarding purchase proposals, and any diligence and other information reasonably requested by the Consultation Parties.

3. POTENTIAL BIDDERS & ACCEPTABLE BIDDERS

To participate in the bidding process for any Asset(s) as set forth in these Bidding Procedures, or to otherwise be considered as a purchaser of Assets or for any other purpose under these Bidding Procedures, a person or entity interested in consummating any Sale Transaction (a "Potential Bidder") must deliver (or have previously delivered) to the Debtors and each of the Debtors' advisors (as listed above) the following documents and information (unless the Debtors, in their reasonable business judgment after consultation with the Consultation Parties, choose to waive any of the requirements set forth in this Section 3 for any Potential Bidder):

- 3.1. a statement and factual support demonstrating, to the Debtors' satisfaction, that the Potential Bidder: (a) has a *bona fide* interest in purchasing any or all of the Assets, (b) is able to submit a Qualified Bid (as defined below) by no later than the applicable Bid Deadline (as defined below), and (c) has the financial ability to timely consummate its proposed Sale Transaction in accordance with these Bidding Procedures;
- 3.2. a description of any and all connections the Potential Bidder (including its affiliates and any related persons) have to the Debtors, any current or former directors and officers of the Debtors, the Debtors' non-Debtor affiliates, and the Debtors' primary creditors as identified by the Debtors;
- 3.3. an executed confidentiality agreement on terms acceptable to the Debtors (a "Confidentiality Agreement");

¹² If a member of the Creditors' Committee submits a Bid or otherwise is a participant with respect to any active or prospective Bid, the Creditors' Committee shall remain a Consultation Party; *provided* that such bidding member shall be excluded from all discussions, deliberations, or participation of the Creditors' Committee as a Consultation Party and precluded from receiving or reviewing information or documentation not otherwise available to all Acceptable Bidders.

- 3.4. the identification of the Potential Bidder and any principals and representatives thereof (including counsel), including by identifying those principals and representatives who are authorized by the Potential Bidder to appear and act on such Potential Bidder's behalf for all purposes under these Bidding Procedures regarding the Potential Bidder's contemplated Sale Transaction;

- 3.6. any other information or documentation that the Debtors reasonably request.

The Debtors will provide copies of materials delivered by any Potential Bidder to each Consultation Party, regardless of whether received prior or subsequent to the date of the Court's entry of these Bidding Procedures, as promptly as practicable upon receipt by the Debtors and/or their advisors of such materials.

The Debtors, in their reasonable business judgment, following consultation with the Consultation Parties, will determine and notify each Potential Bidder whether such Potential Bidder has submitted adequate documentation (including an executed Confidentiality Agreement) and information so that such Potential Bidder may proceed to conduct due diligence and submit a Bid (as defined herein) (such Potential Bidder, an "Acceptable Bidder"). Any Potential Bidder must promptly provide the Debtors and their advisors with any additional required or reasonably requested documentation or information.

4. DUE DILIGENCE

The Debtors, with their advisors, have established an electronic data room or rooms (the "Data Room") concerning the Assets that provides diligence materials, including the collective bargaining agreements to which the Debtors are party and other information, to allow Acceptable Bidders to submit a Qualified Bid (as defined below) and to seek and obtain financing commitments for any proposed Sale Transaction by an Acceptable Bidder.

Only Acceptable Bidders (who, for the avoidance of doubt, have executed a Confidentiality Agreement) shall be eligible to receive due diligence information and access to the Data Room and to any additional non-public information regarding the Debtors and the Assets. Subject to the other terms herein, the Debtors may, but shall not be required to, provide to each Acceptable Bidder reasonable due diligence information, as requested by such Acceptable Bidder in writing, as soon as reasonably practicable after such request, and the Debtors shall use commercially reasonable efforts to post substantially all written due diligence provided to any Acceptable Bidder to the Data Room.

The due diligence period for any Stalking Horse Bidder (as defined below) will end prior to execution of the applicable Stalking Horse Agreement, unless otherwise agreed pursuant to the applicable Stalking Horse Agreement. For all Acceptable Bidders other than any Stalking Horse Bidder, the due diligence period will end on the applicable Bid Deadline. The Debtors may, in their reasonable business judgment and after consultation with the Consultation Parties, but shall

have no obligation to, furnish any additional due diligence information to any person following the applicable Bid Deadline. For the avoidance of doubt, any Stalking Horse Bidder shall retain access to the Data Room and shall receive any such additional information as is made available to all other Acceptable Bidders for the applicable Assets, notwithstanding the execution of a Stalking Horse Agreement with respect to such Assets.

The Debtors shall not furnish any confidential information relating to the Assets, liabilities of the Debtors, or the Sale(s) to any person except to an Acceptable Bidder or to such Acceptable Bidder's duly authorized representatives subject to the applicable Confidentiality Agreement. The Debtors and their advisors shall use commercially reasonable efforts to coordinate with respect to all reasonable requests from Acceptable Bidders for additional information and due diligence access; *provided* that the Debtors may decline to provide such information to Acceptable Bidders who, at such time and in the Debtors' reasonable business judgment and after consultation with the Consultation Parties, have not established, or who have raised significant doubt, that such Acceptable Bidder intends in good faith to, or has the capacity (financial and otherwise) to, timely consummate the applicable proposed Sale Transaction in accordance with these Bidding Procedures.

Subject to the other terms of these Bidding Procedures, neither the Debtors nor any of their representatives shall be obligated to furnish any information of any kind whatsoever relating to the Assets, liabilities of the Debtors, or the Sale(s) and proposed Sale Transaction(s) if and to the extent doing so would (1) violate any law to which the Debtors are subject, including any privacy law, (2) result in the disclosure of any trade secrets of third parties in breach of any contract with such third party, (3) violate any legally-binding obligation of any Debtor with respect to confidentiality, non-disclosure or privacy, or (4) jeopardize protections afforded to any Debtor under the attorney-client privilege or the attorney work product doctrine (*provided* that in the case of each of the foregoing clauses (1) through (4), the Debtors shall use commercially reasonable efforts to (x) provide such reasonably requested access as can be provided (or otherwise convey such reasonably requested information regarding the applicable matter as can be conveyed) without violating such privilege, doctrine, contract, obligation or law and (y) provide such information in a manner without violating such privilege, doctrine, contract, obligation, or law).

The Debtors reserve the right to withhold any diligence materials that the Debtors determine in good faith and in the exercise of their reasonable business judgment are sensitive or otherwise not appropriate for disclosure. Neither the Debtors nor their representatives shall be obligated to furnish information of any kind whatsoever to any person that is not determined to be an Acceptable Bidder.

All due diligence requests directed to the Debtors must be directed to:
yellow@ducerapartners.com.

Each Potential Bidder or Acceptable Bidder shall comply with all reasonable requests by the Debtors or the Debtors' advisors with respect to information, documentation, and due diligence access regarding such Potential Bidder or Acceptable Bidder, as applicable, and its contemplated Sale Transaction.

5. BID REQUIREMENTS.

Any proposal, solicitation, or offer to consummate a Sale Transaction (each, a “Bid”) must be submitted to the Debtors and their advisors (as set forth above) in writing and must satisfy, as determined by the Debtors in consultation with the Consultation Parties, the following requirements (collectively, the “Bid Requirements”):

- 5.1. **Proposed Sale Transaction.** Each Bid must clearly propose a Sale Transaction as to the Asset(s) sought to be acquired. Each Bid must specify (1) which of the Assets are to be included in the proposed Sale Transaction (the “Acquired Assets”) and (2) to the extent such Bid is for substantially all of the Assets, which Assets are to be excluded from the proposed Sale Transaction (the “Excluded Assets”) as well as the disposition of any liabilities or obligations of the Debtors.

5.1.1. **Assets Other Than Real Property Assets.** With respect to all non-Real Property Assets (*i.e.*, Rolling Stock, Intellectual Property, and Other Assets (each as defined above), a Bid may offer to purchase all or substantially all of the Debtors’ non-Real Property Assets, only a portion of the non-Real Property Assets, or any combination of such Assets.

5.1.2. **Real Property Assets.** A Bid for Real Property Assets must be on a property-by-property basis by submission of, as applicable, either or both of Bid Form A (for Owned Properties), which is attached hereto as **Exhibit A** and Bid Form B (for Leased Properties), which is attached hereto as **Exhibit B** (each, a “Real Property Bid”); *provided* that any landlord bidding on a Leased Property related to a property which such landlord owns (in such capacity, a “Qualified Landlord Bidder”)¹³ shall also provide with its Bid an executed form of the lease termination agreement that may not deviate substantially from the terms of the form lease termination agreement, substantially in the form attached hereto as **Exhibit C**, marked to show any proposed revisions, which are acceptable to the Debtors in consultation with the Consultation Parties. Each Qualified Landlord Bidder which timely submits a Bid shall be deemed a Qualified Bidder. Additionally, as part of such submission, Acceptable Bidders may indicate up to five (5) packages of Real Property Assets (each, a “Package Indication”), for which such Acceptable Bidder would be willing to pay a premium over the sum of the individual Real Property Bids for the individual Real Property Assets included in such Package Indication (each, a “Package Real Property Bid”). The Package Real Property Bid must indicate the percentage premium above the sum of the applicable individual Real Property Bids. For the avoidance of doubt, the Real Estate Stalking Horse Bid¹⁴

¹³ For the avoidance of doubt, a landlord shall only be a Qualified Landlord Bidder with respect to Leased Properties in which the landlord has a property interest. Any landlord bidding on a Leased Property in which the landlord does not have a property interest is not a Qualified Landlord Bidder in such capacity.

¹⁴ The “Real Estate Stalking Horse Bid” means the proposed transaction under the asset purchase agreement by and between the Debtors and Estes Express Lines (the “Real Estate Stalking Horse Bidder”), dated September 11, 2023, and such purchase agreement, the “Real Estate Stalking Horse APA”).

shall not be required to allocate Purchase Price on a property-by-property basis; *provided* that any subsequent Overbid by the Real Estate Stalking Horse Bidder during the Auction shall be required to allocate Purchase Price on a property-by-property basis.

- 5.2. **Purchase Price.** Each Bid must clearly specify a purchase price, including and identifying separately any Cash and non-Cash components in US dollars (the “Purchase Price”). A Bid that contemplates a Sale for less than all of the Assets but includes multiple segments or groups of Assets must contain sufficient information as to allow the Debtors to determine an allocation of value among each segment or group of Assets (including, as applicable, by allocating the Purchase Price among each of the Assets that the bidder intends to acquire). If the Debtors select a Stalking Horse Bidder (as defined below) for such Assets, then such Purchase Price must exceed such Stalking Horse Bid (as defined below) by at least the aggregate sum of (1) the Bid Protections (as defined below), if any, for such assets, and (2) such additional amount as determined by the Debtors in their reasonable business judgment after consultation with the Consultation Parties.
- 5.3. **Deposit.** Each Bid other than a credit bid must be accompanied by a Cash deposit equal to ten percent (10%) (for non-Real Property Assets) or five percent (5%) (for Real Property Assets) of the applicable aggregate Purchase Price (the “Deposit”), to be held in one or more escrow accounts on terms acceptable to the Debtors and the Consultation Parties; *provided* that a Qualified Landlord Bidder must only tender a Deposit with respect to cash amounts bid in excess of such Qualified Landlord Bidder’s undisputed Cure Costs that are credited against its Bid for Leased Property in which it has a property interest; *provided, however*, that the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, may elect to waive or modify the requirement of a Deposit on a case-by-case basis. For the avoidance of doubt, to the extent the Purchase Price of a Bid is increased, at any time or from time to time, whether prior to commencement of the applicable Auction (if any) or during the applicable Auction (if any), the amount of the Deposit shall automatically increase accordingly (*i.e.*, to become equal to 10% (for non-Real Property Assets) or 5% (for Real Property Assets) of any increased Purchased Price) and the corresponding bidder will promptly pay into escrow the amount of such increase, and in any event within one (1) business day, following such increase. Without limiting the foregoing, if a Purchase Price is increased in order to make a bid into a Qualified Bid, the Debtors may, in consultation with the Consultation Parties, condition participation of the applicable bidder at the applicable Auction (if any) on such bidder paying the then full amount of the Deposit into escrow prior to the commencement of such Auction or such participation.
- 5.4. **Transaction Documents.** Each Bid must be accompanied by an executed purchase agreement or lease termination agreement, as applicable, with respect to the proposed Sale Transaction, including the exhibits, schedules, and ancillary agreements related thereto and any other related material documents integral to such Bid and such Sale Transaction. In addition, (1) the executed purchase

agreement or lease termination agreement accompanying such bidder's Bid must be further accompanied by a redline copy marked to reflect any amendments or modifications to the form purchase agreement or form lease termination agreement provided by the Debtors and (2) if one or more Stalking Horse Bidders have been designated for the applicable Assets, the executed purchase agreement accompanying such bidder's Bid must be further accompanied by a redline copy marked against each applicable Stalking Horse Agreement.

- 5.5. **Back-Up Bidder Commitment.** Each Bid must include a written commitment by the applicable Acceptable Bidder to serve as a Back-Up Bidder in the event that such Acceptable Bidder's Bid is not selected as the Winning Bid for the applicable Asset(s), subject to the terms of any applicable Stalking Horse Bid.
- 5.6. **Proof of Financial Ability to Perform.** Each Bid must include written evidence that the Debtors reasonably conclude, in consultation with the Consultation Parties, demonstrates that the bidder has the necessary financial ability to timely close the proposed Sale Transaction in accordance with these Bidding Procedures; *provided* that a Qualified Landlord Bidder need not submit evidence of adequate financial resource to the extent that such Qualified Landlord Bidder submits a Bid solely based on the credit for undisputed Cure Costs in connection with its Bid for Leased Property in which it has a property interest. Such information must include the following:
- 5.6.1. contact names, telephone numbers, and email addresses for verification of financing sources;
 - 5.6.2. evidence of the bidder's internal financing resources and, if applicable, proof of fully executed and effective financing commitments with limited conditionality customary for transactions of the proposed Sale Transaction's type from one or more reputable financing sources in an aggregate amount equal to the Cash portion of such Bid (including, if applicable, the payment of cure amounts), in each case, as are required to timely close the Sale Transaction;
 - 5.6.3. a description of the bidder's pro forma capital structure; and
 - 5.6.4. any other financial disclosure or credit-quality support information or enhancement requested by the Debtors demonstrating that such bidder has the ability to timely close the proposed Sale Transaction in accordance with these Bidding Procedures.
- 5.7. **Contingencies; No Financing or Diligence Outs.** Each Bid shall not be conditioned on the obtaining or the sufficiency of financing or any internal approval, or on the outcome or review of due diligence.
- 5.8. **Identity.** Each Bid must fully disclose the identity of each person or entity that will be bidding or otherwise participating in connection with such Bid (including each equity holder or other financial backer of the bidder) and the complete terms

of any such participation. Each Bid must also include contact information (including mailing address, email address, and telephone number) for the specific person(s), entity(ies), and counsel whom the Debtors (and their advisors) should contact regarding such Bid.

- 5.9. **Authorization.** Each Bid must contain evidence acceptable to the Debtors, in consultation with the Consultation Parties, that the bidder has obtained authorization or approval from its board of directors (or a comparable governing body) with respect to the submission of its Bid and the consummation of the Sale Transaction contemplated by such Bid.
- 5.10. **Contracts, Leases and Employees.** Each Bid must identify each and every executory contract and unexpired lease to be assumed and assigned in connection with the proposed Sale Transaction (collectively, the “Assigned Contracts”). Each Bid must indicate whether (and to what extent) it proposes to assume any portion of the Debtors’ collective bargaining agreements. Each Bid must also indicate whether and to what extent it proposes to assume obligations and/or liabilities to multiemployer pension plans and/or health plans, including but not limited to whether and to what extent the Bid proposes participation in such pension and health plans. Similarly, each Bid must indicate the impact on employees (if any), including the actual or potential elimination of (and/or reduction in value of) any employee benefits. Each Bid must also be accompanied by adequate assurance of future performance under all Assigned Contracts, which shall include: (i) audited and unaudited financial statements, (ii) tax returns, (iii) bank account statements, (iv) a description of the business to be conducted at the Leased Property(ies) (if applicable) or with respect to such Assigned Contract(s) (as applicable), and (v) any such other documentation or information as the Debtors may request (the foregoing clauses (i)-(v), and/or such other documentation and information satisfactory to the Debtors to demonstrate an Acceptable Bidder’s adequate assurance of future performance, collectively, the “Adequate Assurance Package”). The Adequate Assurance Package must be submitted to the Debtors and their advisors at the time of the Bid’s submission in its own compiled PDF document. Any requests made by the Debtors or their advisors thereafter for further or supplemental information or documentation must be promptly provided to the Debtors and their advisors.
- 5.11. **As-Is, Where-Is.** Each Bid must include a written acknowledgement and representation that: (1) the bidder has had an opportunity to conduct any and all due diligence regarding the proposed Sale Transaction prior to making its offer (and no further due diligence is or shall be required); (2) the bidder has relied solely upon its own independent review, investigation, or inspection of any documents in making its Bid; (3) except as may be set forth in Definitive Sale Documents (as defined below) concerning such Bid, the bidder did not rely, and is not relying upon, any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, by the Debtors or their advisors or other representatives or any other party in interest regarding the proposed Sale Transaction, the completeness of any information

provided in connection therewith or with the applicable Asset(s) or the applicable Auction, if any, or otherwise; and (4) the bidder did not engage in any collusive conduct whatsoever in preparing and submitting its Bid in accordance with these Bidding Procedures and acted at all times and in all respects in good faith in submitting its Bid to the Debtors.

- 5.12. **No Break-Up Fee.** Each Bid must expressly state and acknowledge that such bidder shall not be entitled to, and shall not at any time or under any circumstance seek, any transaction break-up fee, termination fee, expense reimbursement, working fee, or similar type of payment; *provided* that the Debtors are authorized in their discretion and subject to Section 7 of these Bidding Procedures, to offer Bid Protections (as defined below) to one or more Stalking Horse Bidders, in accordance with these Bidding Procedures and the Bidding Procedures Order; *provided further* that each Bid must expressly waive any claim or right to assert any substantial contribution administrative expense claim under section 503(b) of the Bankruptcy Code or the payment of any broker fees or other fees and costs whatsoever in connection with bidding for any of the Assets and/or otherwise participating in the applicable Auction(s) (if any) or the sale process contemplated by these Bidding Procedures.
- 5.13. **Transition Services.** Each Bid must state or otherwise estimate the types of transition services, if any, that the Acceptable Bidder would require of and/or provide to the Debtors in connection with the proposed Sale Transaction, including an estimate of the time any such transition services would be required of and/or provided to the Debtors, if the Acceptable Bidder's Bid were to be selected as the Winning Bid for the applicable Asset(s), and shall include such Acceptable Bidder's commitment to funding any such costs and expenses incurred by the Debtors related to any such transition services.
- 5.14. **Indication of Interest.** To the extent an Acceptable Bidder provided a non-binding indication of interest pursuant to Section 3.5 of these Bidding Procedures, each Bid submitted by such Acceptable Bidder must describe any deviations of the Bid from such Acceptable Bidder's indication of interest, if any.
- 5.15. **Commitment to Close.** Each Bid must include a commitment to close the proposed Sale Transaction as soon as practicable, and in any event within the timeline contemplated by these Bidding Procedures, and must state the expected date of (and timeline and any milestones to) closing of the proposed Sale Transaction.
- 5.16. **Irrevocable Bid.** Each Bid must contain a statement by the applicable bidder acknowledging and agreeing that such Bid and each of its provisions is binding upon the bidder and irrevocable in all respects.
- 5.17. **Compliance with Bidding Procedures.** Each Bid must contain a covenant that the applicable bidder will comply in all respects with the terms of these Bidding Procedures and the Bidding Procedures Order.

- 5.18. **Combination Bids.** For Bids that contemplate a purchase of multiple categories of non-Real Property Assets, *e.g.*, Bids for Assets constituting some combination of Rolling Stock, Intellectual Property, and/or Other Assets (each as defined above), each Bid must specify: (i) allocation of the Purchase Price to each category of Assets; (ii) allocation of the Purchase Price across each individual Real Property Asset included in the Bid; and (iii) whether the Bid is made on an “all or none” basis in the event that the Potential Bidder is outbid for certain Assets contemplated in the Bid. Any Bids for more than one Real Property Asset shall comply with Section 5.1.2 of these Bidding Procedures.

By submitting a Bid, each bidder is agreeing, and shall be deemed to have agreed, to abide by and honor the terms of these Bidding Procedures in all respects and to refrain from (A) submitting a Bid after conclusion of the applicable Auction (if any) or (B) seeking to reopen the applicable Auction (if any) once closed. **The submission of a Bid shall constitute a binding and irrevocable offer (a) for the Winning Bidder, until consummation of the proposed Sale Transaction, (b) for the Back-Up Bidder (if any), as provided in these Bidding Procedures, including Section 12 hereof, and (c) for any bidder other than the Winning Bidder and Back-Up Bidder, until two (2) business days after entry of the Court’s order approving the Winning Bid and (if applicable) the Back-Up Bid for the applicable Assets (each, as applicable, a “Sale Order”),¹⁵ and each Bid must include a written acknowledgment and representation to such effect.**

For the avoidance of doubt, the Debtors may disclose the terms of any Bid that requires modification and/or termination of any collective bargaining agreements or related agreements with any union to such union; *provided* that such union has executed a confidentiality agreement with the Debtors.

¹⁵ Upon any Sale of Canadian Assets, the Foreign Representative will seek recognition of the applicable Sale Order(s) in the Canadian Court, which recognition shall be a condition to closing such Sale(s), as soon as practicable after the Court’s entry of the applicable Sale Order(s) (subject to the availability of the Canadian Court).

6. NO COMMUNICATIONS AMONG BIDDERS WITHOUT DEBTORS' CONSENT.

Potential Bidders and/or Acceptable Bidders may communicate with each other for purposes of joining Bids and/or creating consortium bids with (and only with) the prior written consent of the Debtors in consultation with the Consultation Parties; otherwise, there shall be no communications whatsoever between or among Potential Bidders and/or Acceptable Bidders until and unless the Debtors, following consultation with the Consultation Parties, have in writing authorized such communications to occur. The Debtors may facilitate communications between Potential Bidders and/or Acceptable Bidders for the purposes of potentially joining Bids, and no Potential Bidder, Acceptable Bidder, or party in interest shall be permitted to object to any such communications or joining of bids. The Debtors reserve the right, following consultation with the Consultation Parties, to disqualify from participation in these Bidding Procedures any Potential Bidders or Acceptable Bidders that have had communications between or among themselves without first obtaining the prior written authorization of the Debtors' advisors.

7. STALKING HORSE BIDDER(S).¹⁶

The Debtors are and shall be authorized, but not obligated, in an exercise of their reasonable business judgment, and upon consent of the Consultation Parties, to: (A) select one or more Acceptable Bidders to act as stalking horse bidders in connection with any Sale Transaction (each, a "Stalking Horse Bidder," and such Acceptable Bidder's Bid, a "Stalking Horse Bid") and enter into a purchase agreement with respect to such proposed Sale Transaction with such Stalking Horse Bidder (each such agreement, a "Stalking Horse Agreement"); and (B) in connection with any Stalking Horse Agreement and in recognition of such Stalking Horse Bidder's expenditure of time, energy, and resources, the Debtors may, with the consent of the Consultation Parties, determine to (i) provide a breakup fee (other than with respect to a Stalking Horse Bidder that is a Secured Party (as defined herein)) (the "Breakup Fee") and/or (ii) reimburse such Stalking Horse Bidder's reasonable and documented out-of-pocket fees and expenses (including attorney's fees and expenses) actually incurred in connection with the preparation and negotiation of the Stalking Horse Agreement and on the terms specified in the applicable Stalking Horse Agreement (the "Expense Reimbursement," and together with the Breakup Fee, the "Bid Protections"); *provided* that, with respect to any Stalking Horse Agreement, the aggregate of the Breakup Fee and the total Expense Reimbursements shall in no event exceed three percent (3%) of the applicable cash Purchase Price; *provided further* that, for the avoidance of doubt, the consent of the Consultation Parties shall be required with respect to Bid Protections for any Stalking Horse Bid, whether such Stalking Horse Agreement is entered into prior to or subsequent to the date an order is entered by the Court approving these Bidding Procedures. To the extent the Bid Protections do not otherwise comply with these Bidding Procedures, the Debtors reserve the right to seek Court approval of such Bid Protections.

No later than one (1) business day after selecting a Stalking Horse Bidder (or Stalking Horse Bidders (as applicable)), or as soon as reasonably practicable thereafter, the Debtors shall file with the Court and serve a notice that (A) identifies the Stalking Horse Bidder and the material

¹⁶ For the avoidance of doubt, approval of the Real Estate Stalking Horse Bidder Bid Protections will be sought pursuant to a separate motion and order and not subject to this Section 7.

terms of the applicable Stalking Horse Bid, including the Purchase Price and the Assets to which such Stalking Horse Bid relates; and (B) attaches a copy of the corresponding Stalking Horse Agreement.

8. BID DEADLINES.

Any Bid must be transmitted via email (in .pdf or similar format) to the Debtors and their advisors (as specified in Section 2 hereof) so as to be **actually received**: (i) for the Rolling Stock, on or before **October 13, 2023 at 5:00 p.m. (prevailing Eastern Time)**; and (ii) for all other Assets (including Real Property Assets), on or before **November 9, 2023 at 5:00 p.m. (prevailing Eastern Time)** (each, as applicable, the “Bid Deadline”).

9. QUALIFIED BIDS & QUALIFIED BIDDERS.

A Bid is a “Qualified Bid” if the Debtors, in the Debtors’ reasonable business judgment and in consultation with the Consultation Parties, determine that such Bid (A) satisfies the Bid Requirements set forth above; (B) solely with regard to the Rolling Stock, is for an amount equal to or greater than \$5,000,000.00 in the aggregate; (C) with regard to any Real Property Assets, is for an amount greater than \$1,000,000 in the aggregate (or an applicable Reserve Price (as defined below) for individual Real Property Assets)¹⁷; (D) with regard to any other Assets, is for an amount equal to or greater than \$5,000,000 in the aggregate; and (E) is reasonably likely, in the Debtors’ judgment, in consultation with the Consultation Parties, to be consummated if selected as the Winning Bid (or Back-Up Bid, as applicable) (as defined below) for the applicable Asset(s) on the timeline contemplated by these Bidding Procedures; *provided* that any Stalking Horse Bid shall constitute and be deemed a Qualified Bid. For the avoidance of doubt, any Stalking Horse Bid shall be, and shall remain, a Qualified Bid notwithstanding any additional requirements imposed by subsequent amendments or modifications to these Bidding Procedures or the corresponding Bidding Procedures Order.

An Acceptable Bidder that submits a Qualified Bid shall be a “Qualified Bidder” with respect to the Asset(s) to which such Qualified Bid relates.

¹⁷ On or before the Bid Deadline for Non-Rolling Stock Assets, the Debtors shall, in their reasonable business judgment and in consultation with the Consultation Parties, establish a reserve price (each, a “Reserve Price”) for each Real Property Asset. The Reserve Price(s) (if established) shall be based on, among other things, the indications of interest, relevant appraisals, and other factors. A Bid will not qualify to participate in any Auction for a specific Real Property Asset if such Bid does not exceed the Reserve Price (as applicable). For each Real Property Asset receiving one or more Bids by the Bid Deadline in excess of the Reserve Price, the Debtors may, in consultation with the Consultation Parties, either accept the highest such Bid (a “Pre-Auction Winning Bid”) or conduct an Auction for such Real Property Asset. The Debtors, in consultation with the Consultation Parties, may elect to offer or not to offer Package Real Property Bids at an Auction. Only individual Real Property Bids in excess of the applicable Reserve Price will qualify a Bidder to participate in the Auction for the applicable Real Property Asset. If the Debtors, after consultation with the Consultation Parties, accept a Pre-Auction Winning Bid, such Real Property Asset shall be removed from the Auction and the Debtors shall file a motion seeking approval of such Pre-Auction Winning Bid. Notwithstanding the foregoing, if the Debtors execute the Real Estate Stalking Horse APA, there shall be no pre-auction process relating to the Real Property Assets subject to the Real Estate Stalking Horse APA.

As soon as reasonably practicable after the applicable Bid Deadline, the Debtors will, after consultation with the Consultation Parties, notify each Acceptable Bidder whether such party is a Qualified Bidder and shall as promptly as practicable following the applicable Bid Deadline provide the Consultation Parties' counsel with a copy of each Qualified Bid. If an Acceptable Bidder's Bid is determined not to be a Qualified Bid, the Debtors will refund such Acceptable Bidder's Deposit (if any) on the date that is three (3) business days after such determination.

Between the date that the Debtors notify an Acceptable Bidder that it is a Qualified Bidder and the date set for the applicable Auction(s) (if any), the Debtors may, in consultation with the Consultation Parties, discuss, negotiate, or seek clarification of any Qualified Bid from a Qualified Bidder. Without the prior written consent of the Debtors following consultation with the Consultation Parties, a Qualified Bidder may not modify, amend, or withdraw its Qualified Bid, except for proposed amendments to increase the Purchase Price, or otherwise improve the terms of, the Qualified Bid, during the period that such Qualified Bid remains binding as specified in the Bidding Procedures; *provided* that any Qualified Bid may be improved at the applicable Auction (if any) as set forth herein. Any improved Qualified Bid must continue to comply in all respects with the requirements for Qualified Bids as set forth in these Bidding Procedures.

Notwithstanding anything in these Bidding Procedures to the contrary, the Debtors, in consultation with the Consultation Parties, reserve the right to work with (A) Potential Bidders and Acceptable Bidders to aggregate two or more Bids into a single consolidated Bid prior to the applicable Bid Deadline and (B) Qualified Bidders to aggregate two or more Qualified Bids into a single Qualified Bid prior to the conclusion of the applicable Auction (if any). The Debtors, in consultation with the Consultation Parties, reserve the right to cooperate with any Acceptable Bidder to cure any deficiencies in a Bid that is not initially deemed to be a Qualified Bid. The Debtors, in consultation with the Consultation Parties, may accept a single Qualified Bid or multiple Bids that, if taken together in the aggregate, would otherwise meet the standards for a single Qualified Bid (in which event those multiple bidders shall be treated as a single Qualified Bidder, and their Bid a single Qualified Bid, for purposes of the applicable Auction (if any)).

10. RIGHT TO CREDIT BID.

Subject to the terms and conditions set forth in the DIP Orders and the UST Cash Collateral Orders, any Qualified Bidder that has a valid and perfected lien on any Assets of the Debtors' estates (a "Secured Party"), except the Junior DIP Secured Parties, shall be entitled to credit bid all or a portion of the face value of such Secured Party's claims against the Debtors toward the Purchase Price specified in such Qualified Bidder's Bid; *provided* that a Secured Party (except the Junior DIP Secured Parties) shall be entitled to credit bid its claim(s) only with respect to Assets that are subject to a valid and perfected first priority lien in favor of such Secured Party as to such claim(s). Notwithstanding anything to the contrary herein, but subject to the terms and conditions set forth in the DIP Orders and the UST Cash Collateral Orders, each of the Prepetition Agents (including the Prepetition UST Agent) and the B-2 Agent may, subject to section 363(k) of the Bankruptcy Code, submit a credit bid of all or any portion of the aggregate amount of their respective secured claims, including any post-petition financing claims. The Junior DIP Lender and the Junior DIP Agent have expressly waived under the DIP Orders any right to credit bid the obligations outstanding under the Junior DIP Facility.

For the avoidance of doubt, a landlord holding a property interest in a Leased Property that submits a timely Bid for such Leased Property may receive a credit for all or a portion of such landlord's applicable, undisputed Cure Costs in connection with such Bid and shall indicate its desire to do so when submitting its Bid. The Debtors estimate that a Qualified Landlord Bidder's credit on account of such undisputed Cure Costs, if any, would be in an amount of approximately one month's rent under the applicable lease.

The rights and defenses of the Debtors and any other party in interest with respect to whether any assertion that any liens, claims, encumbrances, or interests, if any, will attach to the proceeds of the Sale Transaction(s) are expressly preserved.

11. AUCTION(S).

If the Debtors receive two or more Qualified Bids with respect to the same Asset(s), the Debtors may, in consultation with the Consultation Parties, conduct an auction (each, an "Auction") to determine the Winning Bidder (or Back-Up Bidder, as applicable) with respect to such Asset(s). In such event, the Debtors will (A) notify all Qualified Bidders of the highest or otherwise best Qualified Bid with respect to the applicable Asset(s), as determined by the Debtors in their reasonable business judgment and in consultation with the Consultation Parties (each such Qualified Bid, a "Baseline Bid") and (B) provide copies of the documents setting forth the terms of the Baseline Bid(s) to all Qualified Bidders with respect to such Assets, in each case, as soon as reasonably practicable after the applicable Bid Deadline and in any event prior to the commencement of the applicable Auction for such Assets. The Debtors' determination of which Qualified Bid constitutes the Baseline Bid shall take into account any factors the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, deem relevant to the value of the Qualified Bid to the Debtors' estates and any related regulatory or other requirements.

If the Debtors, in consultation with the Consultation Parties, determine that they have received no Qualified Bids with respect to any particular Asset(s) other than any Stalking Horse Bid(s) or they have received only a single Qualified Bid with respect to such Asset(s), then the Auction with respect to such Asset(s) will not occur, and the Stalking Horse Bid(s) or the Qualified Bid, as applicable, will be deemed to be the Winning Bid(s) for the Asset(s) to which such Stalking Horse Bid(s) or Qualified Bid(s), as applicable, relates. If fewer than two Qualified Bids are received by the applicable Bid Deadline with respect to any portion of the Assets, the Debtors shall not conduct an Auction with respect to such Asset(s). In either event, if the Debtors make such a determination, the Debtors will file a notice with the Court within one (1) business day of making such determination or as soon as practicable thereafter; *provided* that the foregoing is subject to the Debtors' receipt and review of any higher or otherwise better Bids on larger packages of Assets that may include such Asset(s).

If the Debtors receive two or more Qualified Bids for all or any portion of the Rolling Stock and determine to hold an Auction, the Auction with respect to such Rolling Stock shall commence on **October 18, 2023 at 10 a.m. (E.T.)**, via remote video and/or in person at the Debtors' election in consultation with the Consultation Parties. If the Debtors receive two or more Qualified Bids for any of the remaining Assets and determine to hold an Auction, the Auction with respect to such other Assets shall commence on **November 28, 2023 at 9:00 a.m. (ET)**, via remote video and/or

in-person at the Debtors' election in consultation with the Consultation Parties. Any Auction shall be conducted in a timely fashion according to the procedures set forth in Section 11(i)-(vii) of these Bidding Procedures (the "Auction Procedures").

AUCTION PROCEDURES

- (i) **The Debtors Shall Conduct the Auction(s); General Provisions.** The Debtors, with the assistance of their advisors, shall direct and preside over any Auction and shall consult with the Consultation Parties throughout the Auction process. At the commencement of any Auction, the Debtors, in consultation with the Consultation Parties, (1) may announce procedural and related rules governing such Auction, including time periods available to all Qualified Bidders to submit any successive Bid(s); and (2) shall describe the terms of any Baseline Bid for the Assets being sold in such Auction. Only incremental Bids that comply with the terms set forth in Section 11(ii) of these Bidding Procedures shall be considered "Overbids." Overbids shall be made and input into the written record, *provided* that all material terms of each round's winning Overbid shall be fully disclosed to all other Qualified Bidders or announced at the Auction (as applicable). The Debtors, in consultation with the Consultation Parties, shall determine in their reasonable business judgment whether an incremental Bid is an Overbid with respect to the applicable Assets. The Debtors shall maintain a written transcript of all Bids made and announced at such Auction (if any), including the Baseline Bid, all Overbids, and the Winning Bid (or Back-Up Bid, as applicable) (as defined below).

Only Qualified Bidders for the Assets being sold are eligible to participate in the Auction (if any), subject to other limitations as may be reasonably imposed by the Debtors, in consultation with the Consultation Parties, in accordance with these Bidding Procedures. Qualified Bidders participating in the Auction (if any) must appear in person at the Auction (if any) if held in-person, or through a duly authorized representative. Such Auction(s) (if any) will be conducted openly and all creditors may be permitted to attend; *provided* that the Debtors may, in consultation with the Consultation Parties, establish a reasonable limit on the number of representatives and/or professional advisors that may appear on behalf of or accompany each Qualified Bidder or creditor at the Auction (if any). The Consultation Parties and their advisors, and any other creditor of the Debtors, may attend the Auction; *provided, however*, that any creditor that is not a Consultation Party (or a Consultation Party's counsel or advisor) wishing to attend the Auction may do so by contacting, no later than three (3) business days prior to the start of the applicable Auction (if any), the Debtors' advisors.

The Debtors have the right to request any additional information that will allow the Debtors to make a reasonable determination as to a Qualified Bidder's financial and other capabilities to consummate the Sale Transaction contemplated by its proposal and any further information that the Debtors believe is necessary to clarify and evaluate any Bid made by a Qualified Bidder during the applicable Auction (if any).

The Debtors may, subject to Section 16 of these Bidding Procedures, announce at the Auction (if any) modified or additional procedures for conducting the Auction or otherwise modify these Bidding Procedures.

(ii) **Terms of Overbids.** Each Overbid must comply in all respects with the following terms:

- (a) **Minimum Overbid Increment.** At the commencement of the initial solicitation of Overbids for the Assets being sold in any such Auction, the Debtors, in consultation with the Consultation Parties, shall announce the minimum increment by which any Overbid for such applicable Assets must exceed the applicable Baseline Bid. At the commencement of each subsequent round of solicitation of Overbids for such applicable Assets, the Debtors shall announce the minimum increment by which any such Overbid must exceed the Prevailing Highest Bid (as defined below) at such time. The Debtors may, in their reasonable business judgment and in consultation with the Consultation Parties, announce increases or reductions to the applicable minimum Overbid increment at any time during the Auction (if any). Any Overbid made by a Stalking Horse Bidder shall be deemed to have been made in an amount equal to the Overbid plus, if applicable, the Bid Protections, to the extent provided in the applicable Stalking Horse Agreement.
- (b) **Conclusion of Each Overbid Round.** Upon the solicitation of each round of Overbids for the Assets being sold in any such Auction, the Debtors may announce a deadline by which time any such Overbids must be submitted to the Debtors (an “Overbid Round Deadline”); *provided* that the Debtors, in their reasonable business judgment and after consultation with the Consultation Parties, may extend any Overbid Round Deadline.
- (c) **Overbid Alterations.** An Overbid for the Assets being sold in any such Auction may contain alterations, modifications, additions, or deletions of any terms of the Bid no less favorable in the aggregate to the Debtors’ estates than any prior Qualified Bid or Overbid, as determined in the Debtors’ reasonable business judgment and after consultation with the Consultation Parties, but shall otherwise comply with the terms of these Bidding Procedures.
- (d) **Announcing Highest Bid.** Subsequent to each Overbid Round Deadline, the Debtors shall announce whether the Debtors, in consultation with the Consultation Parties, have identified an Overbid with respect to such Assets being sold as being higher or otherwise better than, in the initial Overbid round, the Baseline Bid or, in subsequent rounds, the Overbid previously designated by the Debtors as the prevailing highest or otherwise best Bid (the “Prevailing Highest Bid”). The Debtors shall describe to all applicable Qualified Bidders the material terms of any new Overbid for such applicable

Assets designated by the Debtors as the Prevailing Highest Bid, as well as the value attributable by the Debtors to such Prevailing Highest Bid.

- (iii) **Consideration of Overbids.** The Debtors reserve the right, in their reasonable business judgment and in consultation with the Consultation Parties, to adjourn the Auction (if any) one or more times, to, among other things (1) facilitate discussions between the Debtors and Qualified Bidders, (2) allow Qualified Bidders the opportunity to consider how they wish to proceed, and (3) provide Qualified Bidders the opportunity to provide the Debtors with such additional evidence, documentation, or information as the Debtors, in their reasonable business judgment, in consultation with the Consultation Parties, may require, that the Qualified Bidder has sufficient internal financing resources or has received sufficient and sufficiently unconditional external financing commitments to timely consummate the proposed Sale Transaction(s) at the prevailing Overbid amount for such Assets.
- (iv) **No Round-Skipping.** To remain eligible to participate in the Auction (if any), in each round of bidding, each Qualified Bidder, except the Qualified Bidder that submitted the Prevailing Highest Bid, must submit an Overbid for the Assets being sold with respect to such round of bidding. To the extent a Qualified Bidder that did not submit the Prevailing Highest Bid fails to submit an Overbid for the applicable Assets with respect to such round of bidding, such Qualified Bidder shall be disqualified from continuing to participate in the Auction (if any); *provided* the Debtors, in their reasonable business judgment and in consultation with the Consultation Parties, may permit a bidder that has been disqualified to take part in the Auction (if any) solely to the extent a Qualified Bidder that has not been disqualified has agreed (after receiving express permission from the Debtors upon consultation with the Consultation Parties) to permit such disqualified bidder to join such Qualified Bidder in its next-round Bid as an additional purchaser party or debt or equity financing source.
- (v) **Last Bidder Out.** Prior to the commencement of each Overbid round for any Auction, the Debtors reserve the right to announce (including in consultation with the Consultation Parties with respect to the first such applicable Overbid round announcement) that either: (a) such Overbid round will be a “Last Bidder Out” round, during which the Acceptable Bidder with the lowest Overbid for that Auction will not be permitted to participate in the subsequent Overbid round(s) for that Auction; or (b) the following two Overbid rounds will be “Last Bidder Out” rounds, such that any Acceptable Bidder with the lowest Overbid in each of those two consecutive rounds will not be permitted to participate in the subsequent Overbid round(s) for that Auction. For the avoidance of doubt, any Acceptable Bidder submitting the lowest Overbid for a Real Property Asset shall not be excluded from participating in any other Auction for which it is not the lowest Overbid.
- (vi) **Closing the Auction.** The Auction (if any) shall continue until there is only one Qualified Bid for a particular group of Assets that the Debtors determine, in their reasonable business judgment and in consultation with the Consultation Parties, to

be the highest or otherwise best Qualified Bid for the applicable Assets. Such Qualified Bid shall be designated the “Winning Bid” (or Back-Up Bid, as applicable, and the Qualified Bidder who submitted the Winning Bid, the “Winning Bidder”) with respect to its proposed Acquired Assets, at which time the Auction (if any) with respect to such Asset(s) shall be closed pending entry of the applicable Sale Order; *provided that* (1) such Auction (if any) shall not close unless and until all Qualified Bidders have been given a reasonable opportunity to submit an Overbid at the Auction (if any) to the then Prevailing Highest Bid; and (2) the Debtors’ designation of a Qualified Bid as a Winning Bid (or Back-Up Bid, as applicable) shall be subject to and conditioned on finalization of definitive documentation and the Court’s approval of such Winning Bid (or Back-Up Bid, as applicable), applicable regulatory and third-party approvals, and the timely consummation of the Sale Transaction contemplated thereby. As soon as reasonably practicable after the designation of a Winning Bid (or Back-Up Bid, as applicable), the Debtors, in consultation with the Consultation Parties, shall finalize definitive documentation to implement the terms of such Winning Bid (or Back-Up Bid, as applicable) and cause such definitive documentation to be filed with the Court.

When determining the highest or otherwise best Qualified Bid, as compared to other Qualified Bids, the Debtors, in consultation with the Consultation Parties, may consider the following factors in addition to any other factors that the Debtors, in consultation with the Consultation Parties, deem appropriate: (a) the amount and nature of the total consideration, which includes, but is not limited to, assumed liabilities related to the assets being sold (*e.g.*, administrative liabilities, cure payments), and the amount of executory contracts and leased locations being assumed; (b) the likelihood of the Qualified Bidder’s ability to close a transaction and the timing thereof; (c) the net economic effect of any changes to the value to be received by the Debtors’ estates from the Sale Transaction contemplated by the Bid; and (d) the tax consequences of such Qualified Bid; and (e) the value and/or costs or other liabilities of any unsold Asset(s).

For the avoidance of doubt, the Debtors, in consultation with the Consultation Parties, may determine to select more than one Winning Bid and more than one Winning Bidder (and/or more than one Back-Up Bid and more than one Back-Up Bidder, in which event such Back-Up Bids may provide for groupings of Assets that are different from the groupings of Assets reflected in the Winning Bid(s)) for separate portions of the Assets.

- (vii) **No Collusion; Good Faith Offer.** Each Qualified Bidder participating at the Auction (if any) will be required to confirm on the record at the Auction (if any) that (1) such Qualified Bidder has not engaged in any collusion with respect to the bidding process (2) such Qualified Bidders’ Qualified Bid is a good faith and irrevocable offer and such Qualified Bidder intends to consummate the Sale Transaction contemplated by its Qualified Bid if such Qualified Bid is the Winning Bid (or Back-Up Bid, as applicable) with respect to the applicable Acquired Assets, and (3) such Qualified Bid will serve as the Back-Up Bid (as defined below).

- (viii) **Rejection of Bids.** The Debtors, in their reasonable business judgment, in consultation with the Consultation Parties, may reject, at any time before entry of an order of the Court approving a Winning Bid (or Back-Up Bid, as applicable), any Bid that the Debtors determine, after consultation with the Consultation Parties, is (1) inadequate or insufficient, (2) not in conformity with the requirements of the Bankruptcy Code and/or these Bidding Procedures, or (3) contrary to the best interests of the Debtors, their estates, their creditors, and other stakeholders.
- (ix) **Unsold Assets.** The Debtors, in their reasonable business judgment, in consultation with the Consultation Parties, may conduct a process for the sale of any unsold Assets not included in any Winning Bid(s).

12. DESIGNATION OF A BACK-UP BIDDER.

If for any reason a Winning Bidder with respect to particular Assets fails to consummate the Winning Bid for a particular set of Assets within the time permitted after the entry of the Sale Order approving the Sale to the Winning Bidder, then the Qualified Bidder or Qualified Bidders with the next-highest or otherwise second-best Bid for such Assets (each, a “Back-Up Bidder”), as determined by the Debtors after consultation with the Consultation Parties, at the conclusion of the Auction with respect to such Assets (if any) and announced at that time to all the Qualified Bidders participating therein and as set forth in the Sale Order, will automatically be deemed to have submitted the highest or otherwise best Bid or Bids (each, a “Back-Up Bid”), and the Debtors will be authorized, but not required, to consummate the Sale Transaction pursuant to such Bid as soon as is commercially reasonable without further order of the Bankruptcy Court (or Canadian Court (as applicable)) upon filing a notice with the Court (and the Canadian Court (as applicable)) providing for a three (3) business days period to object to such sale.

Upon designation of any Back-Up Bidder at the Auction (if any), its Back-Up Bid must remain open and irrevocable until the earlier of (i) the closing of the transactions contemplated by the Winning Bid notwithstanding any outside date set forth in such Back-Up Bidder’s proposed purchase agreement or the chapter 11 plan and (ii) the date that is four (4) months following the conclusion of the applicable Auction (if any). In the case of any Back-Up Bid to a Stalking Horse Bid (if any), such Back-Up Bid must remain open and irrevocable through any outside date set forth in the applicable Stalking Horse Agreement.

13. FIDUCIARY OUT.

Notwithstanding anything to the contrary in these Bidding Procedures or any document filed with or entered by the Court, nothing in these Bidding Procedures or the Bidding Procedures Order shall require a Debtor or its board of directors, board of managers, or similar governing body to take any action or to refrain from taking any action with respect to any Sale Transaction or these Bidding Procedures solely to the extent such Debtor or governing body determines in good faith, in consultation with counsel, that taking or failing to take such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law.

Further, notwithstanding anything to the contrary in these Bidding Procedures or any document filed with or entered by the Court, until the entry of the applicable Sale Order, the

Debtors and their respective directors, managers, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (A) consider, respond to, and facilitate alternate proposals for sales or other transactions involving any or all of the Assets (each, an “Alternate Proposal”); (B) provide access to non-public information concerning the Debtors and the Assets to any entity or enter into confidentiality agreements or nondisclosure agreements with any entity; (C) maintain or continue discussions or negotiations with respect to any Alternate Proposal; (D) otherwise cooperate with, assist, participate in, or facilitate any inquiries, proposals, discussions, or negotiations of any Alternate Proposal; and (E) enter into or continue discussions or negotiations with any person or entity regarding any Alternate Proposal.

14. “AS IS, WHERE IS”.

Consummation of any Sale Transaction shall be on an “as is, where is” basis and without representations or warranties of any kind, nature, or description by the Debtors or their estates, except as specifically accepted and agreed to by the Debtors, in consultation with the Consultation Parties, in the executed definitive written documentation for the applicable Sale Transaction (the “Definitive Sale Documents”). Unless otherwise specifically accepted and agreed to by the Debtors in the Definitive Sale Documents, all of the Debtors’ right, title, and interest in and to the Asset or Assets disposed of in any applicable Sale Transaction will be transferred to the Winning Bidder (or Back-Up Bidder, as applicable) free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests in accordance with sections 363(f) of the Bankruptcy Code.

By submitting a Bid, each bidder will be deemed to acknowledge and represent that it (A) has had an opportunity to conduct adequate due diligence regarding the Debtors and the proposed Sale Transaction prior to making its Bid and no further due diligence is or shall be required, (B) has relied solely on its own independent review, investigation, and inspection of any document, including executory contracts and unexpired leases, in making its Bid, and (C) did not rely on or receive from any person or entity (including any of the Debtors or their advisors or other representatives) any written or oral statements, representations, promises, warranties, or guaranties whatsoever, whether express, implied by operation of law, or otherwise, with respect to the proposed Sale Transaction or the completeness of any information provided in connection with the proposed Sale Transaction or the Auction (if any), except as may be set forth in the Definitive Sale Documents.

15. COMMISSIONS.

The Debtors shall be under no obligation whatsoever to pay any commissions, fees, or expenses to any bidder’s agent, advisor, or broker. Any and all commissions, fees, or expenses for any such agents, advisors, or brokers shall be paid by the applicable bidder at such bidder’s discretion. In no case shall any commissions, fees, or expenses for any bidder’s agent, advisor, or broker be deducted from any proceeds derived from any Sale of the Assets. This Section 15 shall not apply to any Bid Protections that become payable pursuant to the terms of a Stalking Horse Agreement.

16. RESERVATION OF RIGHTS.

The Debtors shall be entitled to modify these Bidding Procedures in their reasonable business judgment in consultation with the Consultation Parties in any manner that will best promote the goals of these Bidding Procedures, or impose, at or prior to the Auction (if any), additional customary terms and conditions on a Sale Transaction, including: (A) extending the deadlines set forth in these Bidding Procedures; (B) adjourning the Auction at the Auction; (C) adding procedural rules that are reasonably necessary or advisable under the circumstances for conducting the Auction (if any); (D) canceling the Auction; and (E) rejecting any or all Bids or Qualified Bids for any Assets; *provided, however*, that notwithstanding anything herein to the contrary, the Debtors shall not amend or modify these Bidding Procedures or the bidding process (i) to reduce or otherwise modify their obligations hereunder to consult with any Consultation Party without the consent of such Consultation Party or further order of the Court, (ii) to limit or modify the terms and agreements set forth in the DIP Loan Documents or the UST Cash Collateral Orders in a manner that adversely affects the Prepetition Secured Parties, the Prepetition UST Secured Parties, the Junior DIP Secured Parties, and the Postpetition B-2 Secured Parties, in each case without the prior written consent of such adversely affected party(ies), to be granted or withheld in each of their discretion, or (iii) to impair or modify, in any material respect, the rights and obligations of the Real Estate Stalking Horse Bidder under the Real Estate Stalking Horse APA or otherwise violate the Real Estate Stalking Horse APA or affect the Real Estate Stalking Horse Bidder in a manner that would reasonably be expected to have a material and adverse effect on the Real Estate Stalking Horse Bidder that is disproportionate to the Real Estate Stalking Horse Bidder as compared to the effect on other Qualified Bidders for the Owned Properties subject of the Real Estate Stalking Horse APA generally. All such modifications and additional rules will be communicated to each of the Consultation Parties and Qualified Bidders; *provided* that to the extent such modifications occur at the applicable Auction (if any), disclosure of such modifications will be limited to those parties in attendance at such Auction.

17. CONSENT TO JURISDICTION.

All Qualified Bidders at the Auction shall be deemed to have consented to the jurisdiction of the Court (and, if applicable, the Canadian Court) and waived any right to a jury trial in connection with any disputes relating to the Auction or the construction and enforcement of these Bidding Procedures.

18. SALE HEARING.

The Court shall hold one or more hearings to consider approval of the Winning Bid(s) (and Back-Up Bid(s), as applicable) and the Sale Transaction(s) contemplated thereby (each, a “Sale Hearing”).

If the Winning Bid(s) (and Back-Up Bid(s), as applicable) and the Sale Transaction(s) contemplated thereby contemplate the Sale(s) of Canadian Assets, the Foreign Representative shall apply to the Canadian Court for a Canadian Sale Recognition Order as soon as practicable following the applicable Sale Hearing and entry of the applicable Sale Order.

The Sale Hearing for the Rolling Stock shall be held on October 27, 2023, and the Sale Hearing for all other Assets (including the Real Property Assets) shall be held on December 12, 2023, in each case subject to the availability of the Court. The Sale Hearings may, in each case, be continued to a later date by the Debtors, in consultation with the Consultation Parties, by sending written notice to all Qualified Bidders and Consultation Parties prior to, or by making an announcement at, the Sale Hearing(s), or in the alternative by filing a revised agenda with the Court after consultation with the Consultation Parties. No further notice of any such continuance will be required to be provided to any bidder or other party.

19. RETURN OF DEPOSIT.

Any Deposits provided by Qualified Bidders shall be held in one or more escrow accounts on terms acceptable to the Debtors. Any such Deposits will be returned to Qualified Bidders that are not Winning Bidders (or Back-Up Bidders, as applicable) on the date that is three business days after the Auction (if any). Any Deposit provided by a Winning Bidder (or Back-Up Bidder, as applicable) shall be applied to the Purchase Price of the applicable Sale Transaction at closing. Any Deposit provided by a Back-Up Bidder shall be returned to such Back-Up Bidder on the date that is three (3) business days following the date on which its Back-Up Bid is no longer required to be held open and irrevocable pursuant to section 12 of these Bidding Procedures.

If a Winning Bidder (or Back-Up Bidder, as applicable) fails to consummate the Sale Transaction contemplated by its Winning Bid (or Back-Up Bid, as applicable) because of a breach by such Winning Bidder (or Back-Up Bidder, as applicable), the Debtors will not have any obligation to return any Deposit provided by such Winning Bidder (or Back-Up Bidder, as applicable), which may be retained by the Debtors as liquidated damages, in addition to any and all rights, remedies, or causes of action that may be available to the Debtors and their estates.

Form of Lease Termination Agreement

LEASE TERMINATION AGREEMENT

This Lease Termination Agreement (this “Agreement”) is made as of this ____ day of _____, 2023 by and between _____ (“Landlord”) and _____ (“Tenant”).

RECITALS

WHEREAS, Landlord and Tenant entered into a certain lease dated _____ (as amended or modified from time to time, the “Lease”), covering certain premises located at _____ (the “Premises”), on the terms and conditions set forth therein;

WHEREAS, Tenant, along with its affiliated debtors and debtors in possession, has filed a voluntary petition for relief pursuant to chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (as amended, the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”);

WHEREAS, Landlord and Tenant desire to enter into this Agreement to, among other things, restore Landlord’s possession of the Premises as of the Termination Date (as hereinafter defined), release each other of all further obligations under the Lease, and enable Landlord to dispose of any remaining equipment of Tenant at the Premises in its sole and absolute discretion;

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby covenant and agree as follows subject only to an order of the Bankruptcy Court approving this Agreement:

AGREEMENT

1. Recitals. The Recitals are incorporated herein as if set forth at length.
2. Lease Termination. The Lease is terminated effective _____ (the “Termination Date”).
3. Consideration. On the Termination Date, Landlord shall pay to Tenant \$ _____ (the “Termination Fee”).
4. Landlord Release of Tenant. For valuable consideration, and the mutual covenants and agreements contained herein, Landlord does hereby fully, forever and irrevocably release, discharge and acquit Tenant, and its respective past and present affiliates, and the respective past and present officers, directors, shareholders, agents, and employees of each and all of the foregoing entities, and its and their respective successors, heirs, and assigns, and any other person or entity now, previously, or hereafter affiliated with any or all of the foregoing entities solely as those entities have rights under the Lease, of and from any and all rights, claims, demands, obligations liabilities, indebtedness, breaches of contract, breaches of duty or any relationship, acts, omissions, misfeasance, malfeasance, cause or causes of action, debts, sums of money, accounts, compensations, contracts, controversies, promises, damages, costs, losses and expenses of every type, kind, nature, description or character, and irrespective of how, why, or by reason of what facts, whether heretofore or now existing, or that could, might, or may be claimed to exist, of whatever kind or name, whether known or unknown, suspected or unsuspected, liquidated or unliquidated, claimed or unclaimed, whether based on contract, tort, breach of any duty, or other legal or equitable theory of recovery, each as though fully set forth herein at length, but solely as they exist or may

exist under the Lease any and all claims evidenced by the Lease. For the avoidance of doubt, this release shall not affect any obligations of Tenant other than those arising under or in connection with the Leases.

5. Tenant Release of Landlord. For valuable consideration, and the mutual covenants and agreements contained herein, Tenant does hereby fully, forever and irrevocably release, discharge and acquit Landlord, and its respective past and present affiliates, and the respective past and present officers, directors, shareholders, agents, property managers, and employees of each and all of the foregoing entities, and its and their respective successors, heirs, and assigns, and any other person or entity now, previously, or hereafter affiliated with any or all of the foregoing entities, solely as they arise under or relate to the Lease, of and from any and all rights, claims, demands, obligations liabilities, indebtedness, breaches of contract, breaches of duty or any relationship, acts, omissions, misfeasance, malfeasance, cause or causes of action, debts, sums of money, accounts, compensations, contracts, controversies, promises, damages, costs, losses and expenses of every type, kind, nature, description or character, and irrespective of how, why, or by reason of what facts, whether heretofore or now existing, or that could, might, or may be claimed to exist, of whatever kind or name, whether known or unknown, suspected or unsuspected, liquidated or unliquidated, claimed or unclaimed, whether based on contract, tort, breach of any duty, or other legal or equitable theory of recovery, each as though fully set forth herein at length, including, without limitation, any and all claims evidenced by the Lease.

6. [As further consideration for the release provided in Sections 4 or 5 hereto, as applicable, the parties hereto, for themselves and their successors and assigns, hereby agree, represent and warrant that the matters released herein are not limited to matters that are known or disclosed, and the parties hereby waive any and all rights and benefits that they now have, or in the future may have, conferred upon it by virtue of the provisions of Section 1542 of the Civil Code of the State of California (or any other statute or common law principles of similar effect), which Section provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.]¹

7. Each party hereby agrees, represents and warrants to the other that it realizes and acknowledges that factual matters now unknown to them may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses, and expenses that are presently unknown, unanticipated, and unsuspected, and each party further agrees, represents and warrants to the other that this Agreement has been negotiated and agreed upon in light of that realization and that, except as expressly limited above, it nevertheless hereby intends to release, discharge, and acquit the other party from any such unknown causes of action, claims, demands, debts, controversies, damages, costs, losses, and expenses.

8. Conditions Precedent. As a condition precedent to the effectiveness of this Agreement, each and all of the following shall have occurred no later than the Termination Date:

- (a) Tenant has delivered possession of the Premises to Landlord;
- (b) Tenant has delivered to Landlord the keys and access codes to the Premises;

¹ Note to Draft: Add for leases governed by California law.

(c) An order has been entered by the Bankruptcy Court approving the entirety of this Agreement; and

(d) Landlord has delivered the Termination Fee to Tenant.

9. Furniture, Fixtures and Equipment. Any furniture, fixtures and equipment owned by Tenant (collectively, "FF&E") remaining at the Premises after the Termination Date is deemed abandoned and the Landlord and their managing agents are free to dispose of the FF&E in their sole and absolute discretion without liability to Tenant or any entity.

10. Authority to Settle. Each of the parties to this Agreement respectively represents and warrants that each such party has the absolute and unfettered power, right and authority to enter into this Agreement and settle, compromise and release fully and completely all matters and claims contemplated to be resolved hereby. Each of the parties to this Agreement respectively represents and warrants that each such party owns and controls each of the claims, causes of action, or other matters that are the subject matter of this Agreement and that it has not assigned or transferred to any other person any of such claims, causes of action, or other matters.

11. Entire Agreement. This Agreement, including the exhibits hereto and the other items to be delivered as a condition precedent to the effectiveness of this Agreement, contains the entire agreement and understanding concerning the subject matter of the Agreement, and supersedes and replaces all prior negotiations and proposed settlement agreements, written or oral. Each of the parties to this Agreement respectively represents and warrants that no other party to this Agreement, nor any agent or attorney of any such party, has made any promise, representation or warranty, express or implied, not contained in this Agreement or the exhibits hereto to induce any party to execute this Agreement. Each of the parties to this Agreement further acknowledges that such party is not executing this Agreement in reliance on any promise, representation or warranty not contained in this Agreement or the exhibits hereto.

12. Advice of Counsel. Each of the parties to this Agreement respectively represents and warrants to the other party that each such party has (a) been adequately represented, or has had the opportunity to be represented, by independent legal counsel of its own choice, throughout all negotiations that preceded the execution of this Agreement, (b) executed this Agreement with the consent and upon the competent advice of such counsel, or that it has had the opportunity to seek such consent and advice, (c) read this Agreement, and understands and assents to all the terms and conditions contained in this Agreement without any reservations; and (d) had, or has had the opportunity to have had, the same explained to it by its own counsel. In entering into this Agreement, no party is relying on any representation or statement made by any other Party or any person representing such other party.

13. Attorneys' Fees. Each party to this Agreement agrees that in the event a dispute arises as to the validity, scope, applicability, or enforceability of this Agreement, the prevailing party shall be entitled to recover its costs and attorneys' fees.

14. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original, and all of which shall constitute one and the same document. Further, each of the parties to this Agreement agrees that scanned signatures of each party hereto shall be deemed original signatures and shall be binding on each such party whose signature is by scan to the same extent as if it were its original signature.

15. Governing Law. This Agreement shall be governed by and construed under the laws of the State of [State of governing law of the subject lease], without regard to conflicts of laws principles that would require the application of the law of another jurisdiction.

16. Jurisdiction. Each party to this Agreement consent to the exclusive jurisdiction of the United States Bankruptcy Court for the District of Delaware with respect to all matters arising under or relating to this Agreement. Each party to this Agreement hereby irrevocably waive any objection on the grounds of venue, forum non-conveniens, or any similar grounds and irrevocably consent to service of process by mail or in any other manner permitted by applicable law. Each party to this Agreement further hereby waive any right to a trial by jury with respect to any lawsuit or judicial proceeding arising or relating to this Agreement.

17. Miscellaneous.

(a) The headings of the sections of this Agreement are for convenience of reference only and shall not affect the meaning or interpretation of this Agreement. This Agreement and its terms, provisions, covenants and conditions may not be amended, changed, altered, modified or waived except by an express instrument in writing signed by each and all of the parties hereto.

(b) This Agreement and each of its provisions are binding upon and shall inure to the benefit of Tenant's successors and assigns, including, without limitation, a trustee, if any, subsequently appointed under Chapter 7 or 11 of the Bankruptcy Code.

(c) Each of the parties to this Agreement shall take all necessary steps, cooperate, and use reasonable best efforts to obtain and achieve the objectives and fulfill the obligations of this Agreement. Each of the parties hereto shall cooperate with each other and shall execute and deliver any and all additional notices, papers, documents, and other assurances, and shall do any and all acts and things reasonably necessary in connection with the performance of their obligations hereunder and to carry out the intent of this Agreement.

(d) Each of the parties to this Agreement shall pay all of its own legal fees, costs, and any other expenses incurred or to be incurred in connection with the consummation of this Agreement.

(e) The determination of the terms of, and the drafting of, this Agreement has been by mutual agreement after negotiation, with consideration by and participation of all parties hereto and their counsel. Because this Agreement was drafted with the participation of all parties hereto and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply. Each of the parties to this Agreement respectively represents and warrants that each such party was represented by competent and effective counsel throughout the course of settlement negotiations and in the drafting and execution of this Agreement, and there was no disparity in bargaining power among the parties to this Agreement.

and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor,

FOUND, CONCLUDED AND DETERMINED THAT:⁴

A. This Court has jurisdiction to consider the Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Motion in this District is proper under 28 U.S.C. §§ 1408 and 1409. The legal predicates for the relief requested in the Motion are Bankruptcy Code sections 105, 363, 365, 503, and 507. Such relief is also warranted pursuant to Bankruptcy Rules 2002, 6004, 6006(a), and 9014.

B. The relief granted herein is in the best interests of the Debtors, their estates and other parties in interest.

C. The Debtors have articulated good and sufficient business reasons for the Court to (i) approve the Real Estate Stalking Horse Bidder as the highest and otherwise best offer currently

⁴ The findings and conclusions set forth herein constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

available for the Acquired Assets (as defined in the Real Estate Stalking Horse APA) and (ii) approve the payment of the Breakup Fee and Expense Reimbursement (each as defined in the Real Estate Stalking Horse APA, collectively, the “Estes Bid Protections”) to the Real Estate Stalking Horse Bidder in accordance with the Real Estate Stalking Horse APA.

D. The Debtors have demonstrated that the Estes Bid Protections are actual and necessary costs and expenses of preserving the Debtors’ estates, within the meaning of section 503(b) of the Bankruptcy Code, and commensurate to the real and substantial benefits conferred upon the Debtors’ estates by the Real Estate Stalking Horse Bidder by inducing the Real Estate Stalking Horse Bidder’s Bid for the Acquired Assets, which has established a bid standard or minimum for other bidders for the Acquired Assets, thereby ensuring that during the Auction, if any, the Debtors receive the highest or best Bid possible for the Acquired Assets. The Debtors have also demonstrated that the Real Estate Stalking Horse Bidder required the Estes Bid Protections set forth in the Motion and the Real Estate Stalking Horse APA as a condition to agreeing to be the Real Estate Stalking Horse Bidder for the Acquired Assets, such Estes Bid Protections are reasonable and appropriate in light of the size and nature of the proposed sale and comparable transactions, the commitments and accommodations of the Real Estate Stalking Horse Bidder that have been made for the benefit of the Debtors’ estates, and the efforts that have been and will be expended by the Real Estate Stalking Horse Bidder. The Real Estate Stalking Horse Bidder has thus provided a material benefit to the Debtors, their estates and creditors by increasing the likelihood that the best possible purchase price for the Acquired Assets will be realized. Accordingly, the Estes Bid Protections are fair, reasonable and appropriate, and necessary to facilitate a competitive, value-maximizing sale for the benefit of the Debtors’ estates.

E. Due, sufficient, and adequate notice of the hearing on the Motion and the relief requested in the Motion and the relief granted herein has been given in light of the circumstances and the nature of the relief requested, and no other or further notice thereof is or shall be required.

F. The Estes Bid Protections (i) shall be deemed an actual and necessary cost of preserving the Debtors' estates within the meaning of section 503(b) of the Bankruptcy Code; (ii) are of substantial benefit to the Debtors' estates; (iii) are reasonable and appropriate, including in light of the size and nature of the proposed Transaction under the Real Estate Stalking Horse APA and the efforts expended by the Real Estate Stalking Horse Bidder in negotiating and ultimately offering the Real Estate Stalking Horse APA; and (iv) enable the Debtors to promote a sale or sales of the Acquired Assets with the greatest benefit, and proceeds for the Acquired Assets, to the estate.

G. The Estes Bid Protections were negotiated by the Debtors and the Real Estate Stalking Horse Bidder in good faith and at arms-length.

H. The Real Estate Stalking Horse Bidder is not an "insider" or "affiliate" of any of the Debtors, as those terms are defined in section 101 of the Bankruptcy Code, and no common identity of directors, officers or controlling stockholders exists among the Real Estate Stalking Horse Bidder and the Debtors. The Real Estate Stalking Horse Bidder and its counsel and advisors have acted in "good faith" within the meaning of section 363(m) of the Bankruptcy Code in connection with the Real Estate Stalking Horse Bidder's negotiations of the Estes Bid Protections and the Bidding Procedures and entry into the Real Estate Stalking Horse APA.

IT IS THEREFORE, ORDERED, ADJUDGED AND DECREED THAT:

1. The Motion is GRANTED, as set forth herein.

2. Any objections filed in response to the Motion and the relief granted herein, to the extent not resolved as set forth herein or at the hearing on the Motion, are hereby overruled.

3. Notwithstanding any procedure set forth in the Bidding Procedures Order, Estes Express Lines (the “Estes”) shall be the Real Estate Stalking Horse Bidder for the Acquired Assets.

4. The Debtors are authorized, pursuant to sections 105(a) and 363(b) of the Bankruptcy Code, to enter into and perform under the Real Estate Stalking Horse APA, subject to higher and/or better Bids regarding the Acquired Assets in accordance with the Bidding Procedures.

5. The Debtors are authorized to perform all obligations of the Debtors set forth in the Real Estate Stalking Horse APA that are intended to be performed prior to the applicable Sale Hearing for the Acquired Assets and prior to the entry of the applicable Sale Order for the Acquired Assets, subject to the terms of the Bidding Procedures.

6. Notwithstanding anything in the Bidding Procedures Order to the contrary, pursuant to Bankruptcy Code sections 105, 363 and 503, the Estes Bid Protections are hereby approved and the Debtors are hereby authorized to pay the Estes Bid Protections to the Stalking Horse Bidder pursuant to the terms of the Real Estate Stalking Horse APA. 8. Except with respect to the rights and claims of the Real Estate Stalking Horse Bidder as set forth in the Real Estate Stalking Horse APA, including without limitation the Estes Bid Protections, nothing contained in the Motion or this Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Final Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors'

9. The Debtors are hereby authorized and empowered to take such actions as may be necessary to implement and effect the terms and requirements established by this Order.

10. This Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon execution hereof.

11. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

ASSET PURCHASE AGREEMENT

This Asset Purchase Agreement (this “Agreement”), dated as of September 11, 2023, is made by and among Estes Express Lines, a Virginia corporation (“Purchaser”), and Yellow Corporation, a Delaware corporation (as in existence on the date hereof, as a debtor-in-possession “Yellow”) and the Subsidiaries of Yellow that are indicated on the signature pages attached hereto (each a “Seller” and collectively with Yellow, the “Sellers”). Purchaser and Sellers are referred to herein individually as a “Party” and collectively as the “Parties.” Capitalized terms used herein shall have the meanings set forth herein, including Article XI.

WHEREAS, on August 6, 2023 (the “Petition Date”), Seller, together with certain of Seller’s Affiliates (the “Debtors”), commenced voluntary cases under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”), which cases are jointly administered for procedural purposes under *In re Yellow Corporation, et. al.*, Case No. 23-11069 (CTG) (Bankr. D. Del. August 6, 2023) (collectively, the “Bankruptcy Cases”).

WHEREAS, on August 29, 2023, the Ontario Superior Court of Justice (Commercial List) (the “Canadian Court”) recognized the Bankruptcy Cases as “foreign main proceedings” in proceedings (the “Canadian Recognition Proceedings”) commenced by Yellow in its capacity as foreign representative in respect of the Bankruptcy Cases (in such capacity, the “Foreign Representative”) pursuant to the Companies’ Creditors Arrangement Act (the “CCAA”).

WHEREAS, Purchaser desires to purchase the Acquired Assets and assume the Assumed Liabilities from Sellers, and Sellers desire to sell, convey, assign, and transfer to Purchaser the Acquired Assets together with the Assumed Liabilities, in a sale (i) authorized by the Bankruptcy Court pursuant to, *inter alia*, sections 105, 363 and 365 of the Bankruptcy Code, in accordance with the other applicable provisions of the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure and the local rules for the Bankruptcy Court, all on the terms and subject to the conditions set forth in this Agreement and the Sale Order, and (ii) recognized by the Canadian Court in the Canadian Recognition Proceedings pursuant to the Canadian Sale Recognition Order.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual representations, warranties, covenants, and agreements set forth herein, and intending to be legally bound hereby, the Parties hereby agree as follows:

ARTICLE I PURCHASE AND SALE OF ACQUIRED ASSETS; ASSUMPTION OF ASSUMED LIABILITIES

1.1 Purchase and Sale of the Acquired Assets. Pursuant to sections 105, 363, and 365 of the Bankruptcy Code, on the terms and subject to the conditions set forth herein, in the Sale Order, and in the Canadian Sale Recognition Order, at the Closing, Sellers shall sell, transfer, assign, convey, and deliver to Purchaser or a Designated Purchaser, and Purchaser or a Designated Purchaser shall purchase, acquire, and accept from Sellers, all of Sellers’ right, title and interest in and to, as of the Closing, the Acquired Assets, free and clear of all Encumbrances other than Permitted Encumbrances. For the avoidance of doubt, the Acquired Assets shall be free and clear

of any and all Employment Liabilities, pension liabilities, and successor liabilities of any kind. “Acquired Assets” means all of the Sellers’ right, title and interest, as of the Closing, in and to:

- (a) the Owned Real Property of the Sellers set forth on Schedule 1.1(a) (the “Acquired Real Property”);
- (b) the Contracts set forth on Schedule 1.1(b) (collectively, the “Assigned Contracts”);
- (c) to the extent transferable under applicable Law, all of the rights, interests and benefits (if any) accruing under all Permits and Governmental Authorizations related to the Acquired Real Property, and all pending applications therefor;
- (d) all Documents relating solely to the Acquired Real Property included in the Acquired Assets, but excluding any information to the extent prohibited by Law;
- (e) all rights against third parties (including customers, suppliers, vendors, merchants, manufacturers and counterparties to any Assigned Contract), including causes of action, claims, counterclaims, defenses, credits, rebates (including any vendor or supplier rebates), demands, allowances, refunds (other than Tax refunds or Tax attributes), causes of action, rights of set off, rights of recovery, rights of recoupment or rights under or with respect to express or implied guarantees, warranties, representations, covenants or indemnities made by such third parties, with respect to any of the Acquired Real Property, or the Assumed Liabilities, in each case, other than (i) all preference or avoidance claims or actions arising under the Bankruptcy Code or applicable Law, (ii) all claims that any Seller or any of its Affiliates may have against any Person with respect to any other Excluded Assets or any Excluded Liabilities, and (iii) claims against any Seller or its Affiliates.

1.2 Excluded Assets. Notwithstanding anything to the contrary in this Agreement, in no event shall Sellers be deemed to sell, transfer, assign, convey or deliver, and Sellers shall retain all right, title and interest to, in and under any of the other properties, rights, interests and assets of Sellers other than the Acquired Assets (collectively, the “Excluded Assets”). Further notwithstanding anything to the contrary in this Agreement, and without limiting any rights of Purchaser set forth in this Agreement, to the extent that any specific Acquired Asset located in Canada cannot be sold free and clear of any and all Employment Liabilities, pension liabilities, and successor liabilities of any kind (or such liabilities cannot be removed or released by operation of the Sale Order), Purchaser may, at its sole and absolute discretion, remove such asset from the Acquired Assets prior to Closing with no corresponding reduction in the Purchase Price. For the avoidance of doubt, Sellers shall not be deemed to sell, transfer, assign, convey or deliver, and Purchaser shall not acquire, (i) any assets other than the Acquired Assets, (ii) any relationships, obligations, or liabilities in respect of any employees, suppliers, or customers of Sellers, (iii) any products or services in respect of Sellers’ business and (iv) any goodwill or intellectual property in respect to Sellers’ business.

1.3 Assumption of Certain Liabilities. On the terms and subject to the conditions set forth herein, in the Sale Order, and in the Canadian Sale Recognition Order, effective as of the Closing, in addition to the payment of the Cash Payment in accordance with Section 2.1, Purchaser

or a Designated Purchaser shall irrevocably assume from each Seller (and from and after the Closing pay, perform, discharge, or otherwise satisfy in accordance with their respective terms), and Sellers shall irrevocably transfer, assign, convey, and deliver to Purchaser or a Designated Purchaser, only the following Liabilities, without duplication and only to the extent not paid prior to the Closing (collectively, the “Assumed Liabilities”):

(a) all Liabilities and obligations of any Seller under the Assigned Contracts that become due from and after the Closing;

(b) all cure costs required to be paid pursuant to section 365 of the Bankruptcy Code in connection with the assumption and assignment of the Assigned Contracts (the “Cure Costs”);

(c) all Liabilities (including, for the avoidance of doubt, Taxes other than income Taxes of Sellers) relating to amounts required to be paid, or actions required to be taken or not to be taken, by Purchaser under this Agreement and all Transfer Taxes;

(d) all Liabilities agreed to be assumed by Purchaser or for which Purchaser has agreed to be responsible in accordance with this Agreement; and

(e) all Liabilities arising out of or relating to any environmental, health or safety matter, including those arising under or relating to Environmental Laws or Hazardous Materials, in connection with ownership, operation, use or maintenance of the Acquired Assets, whenever arising or occurring (the “Environmental Liabilities”) other than those Environmental Liabilities (i) that are dischargeable, or capable of being sold free and clear, pursuant to Section 363 of the Bankruptcy Code, the CCAA, the Sale Order or the Canadian Sale Recognition Order, (ii) that are otherwise dischargeable pursuant to Section 1141 of the Bankruptcy Code, the CCAA, the Sale Order or the Canadian Sale Recognition Order, or (iii) from which the Acquired Assets are otherwise released as of the Closing pursuant to an Order of the Bankruptcy Court or Canadian Court, including the Sale Order and Canadian Sale Recognition Order, respectively.

1.4 Excluded Liabilities. Purchaser and the Designated Purchaser(s) (if any) shall not assume, be obligated to pay, perform or otherwise discharge or in any other manner be liable or responsible for any Liabilities of, or Action against, any Seller of any kind or nature whatsoever, whether absolute, accrued, contingent or otherwise, liquidated or unliquidated, due or to become due, known or unknown, currently existing or hereafter arising, matured or unmatured, direct or indirect, and however arising, whether existing on the Closing Date or arising thereafter as a result of any act, omission, or circumstances taking place prior to the Closing, other than the Assumed Liabilities (all such Liabilities that are not Assumed Liabilities being referred to collectively herein as the “Excluded Liabilities”). For the avoidance of doubt, all Liabilities under, associated with or with respect to any employee claim, former employee claim or claims from or related to any collective bargaining agreement, or corresponding or related pension plan obligation, under United States or Canadian Law are expressly excluded.

1.5 Assumption/Rejection of Certain Contracts.

(a) Assumption and Assignment of Executory Contracts. Sellers shall provide timely and proper written notice of the motion seeking entry of the Sale Order, and, as applicable,

the Canadian Sale Recognition Order, to all parties to any executory Contracts or unexpired leases to which any Seller is a party that are Assigned Contracts and take all other actions reasonably necessary to cause such Contracts to be assumed by Sellers and assigned to Purchaser or a Designated Purchaser pursuant to section 365 of the Bankruptcy Code, and, as applicable, the CCAA, to the extent that such Contracts are Assigned Contracts at Closing. The Sale Order shall provide that as of and conditioned on the occurrence of the Closing, the applicable Sellers shall assume and assign or cause to be assigned to Purchaser or a Designated Purchaser, as applicable, the Assigned Contracts, each of which shall be identified by the name or appropriate description and date of the Assigned Contract (if available), the other party to the Assigned Contract and the address of such party for notice purposes, all included in a notice filed with the Bankruptcy Court. Such notice shall also set forth Sellers' good faith estimate of the amounts necessary to cure any defaults under each of the Assigned Contracts as determined by Sellers based on their books and records or as otherwise determined by the Bankruptcy Court. At the Closing, Sellers shall, pursuant to the Sale Order, and the Assignment and Assumption Agreement(s) assume and assign to Purchaser or Designated Purchaser (the consideration for which is included in the Purchase Price), all Assigned Contracts that may be assigned by any such Seller to Purchaser pursuant to sections 363 and 365 of the Bankruptcy Code and, as applicable, the CCAA. At the Closing, Purchaser or a Designated Purchaser shall (i) pay all Cure Costs and (ii) assume, and thereafter in due course and in accordance with its respective terms pay, fully satisfy, discharge and perform all of the obligations under each Assigned Contract pursuant to section 365 of the Bankruptcy Code and, as applicable, the CCAA.

(b) Non-Assignment.

(i) Notwithstanding anything to the contrary in this Agreement, a Contract shall not be an Assigned Contract hereunder and shall not be assigned to, or assumed by, Purchaser or a Designated Purchaser to the extent that such Contract is rejected by a Seller or its Affiliates or terminated by a Seller, its Affiliates or any other party thereto, or terminates or expires by its terms, on or prior to such time as it is to be assumed by Purchaser or a Designated Purchaser as an Assigned Contract hereunder and is not continued or otherwise extended upon assumption.

(ii) Notwithstanding anything to the contrary in this Agreement, to the extent an Acquired Asset requires a Consent or Governmental Authorization (other than, and in addition to and determined after giving effect to, any Order of the Bankruptcy Court, including the Sale Order, and any Order of the Canadian Court, including the Canadian Sale Recognition Order) in order to permit the sale or transfer to Purchaser or a Designated Purchaser of the applicable Seller's right, title and interest in and to such asset, and such Consent or Governmental Authorization has not been obtained prior to such time as such right, title and interest is to be transferred to Purchaser or a Designated Purchaser as an Acquired Asset hereunder, such asset shall not be an Acquired Asset hereunder and shall not be transferred to, or received by, Purchaser or a Designated Purchaser. If any Acquired Asset is deemed not to be assigned pursuant to this clause (ii), the Closing shall nonetheless take place subject to the terms and conditions set forth herein and, thereafter, through the earlier of such time as such Consent or Governmental Authorization is obtained and six months following the Closing (or the closing of the Bankruptcy Cases or dissolution of the applicable Seller(s), if earlier), Sellers and Purchaser (or a Designated Purchaser, if

applicable) shall (A) use reasonable best efforts to secure such Consent or Governmental Authorization as promptly as practicable after the Closing and (B) cooperate in good faith in any lawful and commercially reasonable arrangement reasonably proposed by Purchaser (or such Designated Purchaser), including subcontracting, licensing, or sublicensing to Purchaser any or all of any Seller's rights and obligations with respect to any such Acquired Asset, under which (1) Purchaser (or a Designated Purchaser) shall obtain (without infringing upon the legal rights of such third party or violating any Law) the economic rights and benefits (net of the amount of any related Tax costs imposed on Sellers or their respective Affiliates or any direct costs associated with the retention and maintenance of such Acquired Asset incurred by any Seller or its Affiliates) with respect to such Acquired Asset with respect to which the Consent or Governmental Authorization has not been obtained and (2) Purchaser (or a Designated Purchaser) shall assume and timely discharge any related burden and obligation with respect to such Acquired Asset. Upon satisfying any requisite Consent or Governmental Authorization requirement applicable to such Acquired Asset after the Closing, Seller's right, title and interest in and to such Acquired Asset shall promptly be transferred and assigned to Purchaser or a Designated Purchaser in accordance with the terms of this Agreement and the Sale Order, and, if applicable, the Canadian Sale Recognition Order. Notwithstanding anything herein to the contrary, (x) the provisions of this Section 1.5(b) shall not apply to any Consent or approval required under the HSR Act, the Competition Act Approval and the CTA Approval, if required, and any Antitrust Laws, which Consent or approval shall be governed by Section 6.3 and (y) no Seller will be obligated to pay any consideration therefor to any third party from whom Consent or Governmental Authorization is requested or to initiate any litigation to obtain any such Consent or Governmental Authorization.

ARTICLE II CONSIDERATION; PAYMENT; CLOSING

2.1 Consideration; Payment.

(a) The aggregate consideration (collectively, the "Purchase Price") to be paid by Purchaser for the purchase of the Acquired Assets shall be: (i) a cash payment of ONE BILLION FIVE HUNDRED AND TWENTY-FIVE MILLION DOLLARS (\$1,525,000,000.00), subject to adjustments as specified in Section 2.7 (the "Cash Payment"), (ii) the assumption of Assumed Liabilities, provided that, notwithstanding the foregoing, with respect to the Assumed Liabilities of Canadian Seller to be assumed pursuant to this Agreement, such price shall be satisfied solely by the assumption of Assumed Liabilities that are accrued liabilities of Canadian Seller, (iii) the storage of the Rolling Stock on Purchaser's property pursuant to Section 6.13 hereof, and (iv) such other consideration under law provided to Sellers pursuant to this Agreement.

(b) At the Closing, Purchaser shall deliver, or cause to be delivered, to Sellers the Cash Payment, as adjusted pursuant to Section 2.7, less the Deposit, (the "Closing Date Payment"). The Closing Date Payment and any payment required to be made pursuant to any other provision hereof shall be made in cash by wire transfer of immediately available funds to such bank account as shall be designated in writing by the applicable Party to (or for the benefit of) whom such payment is to be made at least two Business Days prior to the date such payment is to be made.

(c) The Purchaser shall be liable for and shall pay all Transfer Taxes in addition to the Purchase Price.

2.2 Deposit.

(a) Purchaser, Yellow and Acquiom Clearinghouse LLC (the “Escrow Agent”) have entered into the Escrow Agreement, pursuant to which, Purchaser has, on the date hereof, made an earnest money deposit with the Escrow Agent in the amount equal to 5% of the Cash Payment portion of the Purchase Price (the “Deposit”), by wire transfer of immediately available funds for deposit into a separate segregated, interest bearing escrow account maintained by the Escrow Agent in accordance with the Bidding Procedures Order and Escrow Agreement. Interest will be applied to the Purchase Price if Purchaser is the Successful Bidder and returned to Purchaser in accordance with Section 2.2(c) if Purchaser is not the Successful Bidder. The Deposit shall not be subject to any lien, attachment, trustee process, or any other judicial process of any creditor of any Seller or Purchaser and shall be applied against payment of the Purchase Price on the Closing Date or otherwise paid or disbursed as expressly provided in this Agreement.

(b) If this Agreement has been terminated by Sellers pursuant to Section 8.1(d), 8.1(f), or 8.1(j) (or by Purchaser pursuant to Section 8.1(b) or 8.1(c)), in each case in circumstances where Sellers would be entitled to terminate this Agreement pursuant to Section 8.1(d), 8.1(f), or 8.1(j), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Yellow, and Yellow shall retain the Deposit (together with any and all investment interest thereon if any); provided that nothing in this paragraph shall be deemed to limit any other remedies to which Purchaser may be entitled under this Agreement or applicable Law.

(c) If this Agreement has been terminated by any Party, other than as contemplated by Section 2.2(b), then the Parties shall promptly, but in any event within five (5) Business Days after such termination hereof, deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any) to such account(s) as may be designated by Purchaser, and the Deposit, together with any and all investment interest thereon, if any, shall be returned to Purchaser within five (5) Business Days after such termination.

(d) The Parties agree that Sellers’ right to retain the Deposit (together with any and all investment interest thereon if any), as set forth in Section 2.2(b), is not a penalty, but rather is liquidated damages in a reasonable amount that will compensate Sellers for their efforts and resources expended and the opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(e) If the Closing occurs, at the Closing the Parties shall deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds 100% of the Deposit (together with any and all investment interest thereon, if any), less the aggregate amount of any Disputed Amounts, to such account(s) as may

be designated by Yellow. In the event there are any Disputed Amounts at the time of the Closing, the parties shall, within one (1) Business Day following the resolution of such Disputed Amounts by the Independent Accountant in accordance with Section 2.7(c)(ii), deliver joint written instructions to the Escrow Agent directing the Escrow Agent to transfer by wire transfer of immediately available funds the remaining amounts of the Deposit and any additional Deposit amounts to the Party or Parties entitled thereto pursuant to the written decision of the Independent Accountant as set forth in Section 2.7(c)(ii), to such account(s) as may be designated by such recipient Party or Parties.

2.3 Closing; Escrow.

(a) Closing. The closing of the purchase and sale of the Acquired Assets, the delivery of the Purchase Price, the assumption of the Assumed Liabilities in accordance with this Agreement (the “Closing”) will take place by telephone conference and electronic exchange of documents (or, if the Parties agree to hold a physical closing, at the offices of Kirkland & Ellis LLP, located at 601 Lexington Avenue, New York, New York 10022) at 10:00 a.m. Eastern Time on the second Business Day following full satisfaction or due waiver (by the Party entitled to the benefit of such condition) of the closing conditions set forth in Article VII (other than conditions that by their terms or nature are to be satisfied at the Closing), or at such other place and time as the Parties may agree in writing; provided that the Closing will occur no earlier than 120 calendar days after the Petition Date (*i.e.*, December 4, 2023), which may be extended to 150 days with the written consent of Purchaser (such consent not to be unreasonably withheld) and the Persons whose consent is required under any debtor-in-possession financing agreement(s) of Sellers. The date on which the Closing actually occurs is referred to herein as the “Closing Date.” In anticipation of and following the Closing Date, Sellers and Purchaser shall make all commercially reasonable efforts to accomplish the recording of all documents and instruments necessary to transfer title to the Acquired Real Property within fourteen (14) days of Closing.

(b) Closing Escrow. The Closing shall take place pursuant to a money escrow at Newmark Title Services, One Penn Plaza, Suite 3406, New York, NY 10119, Ph: (301) 347-4886, Attn: Douglas M. Atkins, Senior Commercial Counsel (douglas.atkins@nmrk.com) (the “Title Company”) in accordance with the standard document and money escrow agreement utilized by the Title Company (“Closing Escrow”) to be opened with the Title Company on or before the Closing Date, with such special provisions inserted in the Closing Escrow as may be required to conform to this Agreement; provided that, in the event of a conflict between the terms of this Agreement and the Closing Escrow, the terms of this Agreement shall control. All of the documents required to be delivered pursuant to Section 2.4 and Section 2.5, and otherwise appropriate to consummate the Transactions shall be delivered to the Title Company, as closing agent, on or before Closing. Notwithstanding the foregoing, the Parties agree that the Closing may take place remotely or in a manner so that the Parties and their respective attorneys, or any of them, need not be physically present and may deliver all necessary documents by overnight mail or other means, in which event the Parties agree to complete all arrangements for Closing not later than the Closing Date so that all requirements, with the exception of the Purchase Price, for Closing are in place by the scheduled time for the Closing.

(c) Furthermore, with respect to any Acquired Real Property located in Canada, the Parties agree that their respective Canadian attorneys will attend to the conveyance of such

Acquired Real Property located in Canada in accordance with typical practices for the vesting of real property pursuant to a transaction completed pursuant to an insolvency proceeding in Canada, none of which shall expand the representations and warranties, or any other Liability of Sellers, or remedies of Purchaser against Sellers, hereunder.

2.4 Closing Deliveries by Sellers. At or prior to the Closing, Sellers shall deliver to Purchaser:

(a) an assignment and assumption agreement substantially in the form of Exhibit A (the “Assignment and Assumption Agreement”) duly executed by the applicable Sellers;

(b) a quit claim deed with respect to each parcel of Acquired Real Property located outside of Canada, duly executed by the applicable Sellers;

(c) with respect to each Seller that owns Acquired Real Property in Canada, a statutory declaration or other evidence satisfactory to Purchaser, acting reasonably, that each such Seller either (i) is not a non-resident of Canada within the meaning of section 116 of the Income Tax Act (Canada) or (ii) is a “Canadian partnership” within the meaning of the Income Tax Act (Canada);

(d) an IRS Form W-9 or IRS Form W-8, as applicable, executed by each Seller or each Seller’s regarded owner for U.S. federal income Tax purposes;

(e) an officer’s certificate, dated as of the Closing Date, executed by a duly authorized officer of Yellow certifying that the conditions set forth in Sections 7.2(a) and 7.2(c) have been satisfied;

(f) a no warranty deed of sale in registerable form executed by the applicable Purchaser with respect to the Acquired Real Property located in Quebec;

(g) such other documents, certificates, instruments, affidavits and transfer tax returns as are customarily executed by a seller of real property, and in the customary form, in the applicable city, county and state or province where each parcel of the Acquired Real Property is located, none of which shall expand the representations and warranties, or any other Liability of Sellers, or remedies of Purchaser against Sellers, hereunder;

(h) physical access to and possession of each parcel of the Acquired Real Property; and

(i) a no warranty deed of sale in registerable form executed by the applicable Seller and the Purchaser with respect to the Acquired Real Property located in Quebec.

2.5 Closing Deliveries by Purchaser.

(a) At the Closing, Purchaser shall deliver to (or at the direction of) Sellers:

(i) the Closing Date Payment;

(ii) the Assignment and Assumption Agreement, duly executed by Purchaser;

(iii) an officer's certificate, dated as of the Closing Date, executed by a duly authorized officer of Purchaser certifying that the conditions set forth in Sections 7.3(a) and 7.3(b) have been satisfied;

(iv) from Purchaser or any applicable Designated Purchaser of Acquired Real Property in Canada: (A) a certificate setting out its registration number under Part IX of the Excise Tax Act (Canada) and, if applicable, An Act respecting the Québec sales tax (Quebec), (B) a GST/HST and QST undertaking to self-assess, report and pay directly to the appropriate Governmental Body any applicable GST/HST and QST imposed on the purchase of any Acquired Real Property in Canada, and (C) an indemnity in favor of the Sellers with respect to the purchase and sale of each Acquired Real Property in Canada and Transfer Taxes applicable in connection therewith; and

(v) such other documents, certificates, instruments, affidavits and transfer tax returns as are customarily executed by a purchaser of real property, and in the customary form, in the applicable city, county, state or province where each parcel of the Acquired Real Property is located.

(b) Further at the Closing, Purchaser shall pay the Prorations and Closing-Related Costs set forth in Section 2.7.

2.6 Withholding. Purchaser shall not be entitled to deduct and withhold any Taxes from any amounts otherwise payable pursuant to this Agreement, except to the extent resulting from a Seller's failure to satisfy its obligations under Section 2.4(d).

2.7 Adjustment; Prorations and Expenses.

(a) Prorations. The following prorations (the "Prorations"), except as specifically provided in this Agreement to the contrary, shall be made as of 12:01 a.m. on the Closing Date, it being agreed between the Parties that the Closing Date shall be an income and expense day for Purchaser, and shall be applied to reduce or increase the Purchase Price and the Closing Date Payment, as applicable:

(i) Taxes. All Taxes with respect to the Acquired Real Property not due and payable as of the Closing Date, shall be prorated as of the Closing Date based on the most recent ascertainable tax information for tax parcel number(s) that is attributable to the Acquired Real Property. All prorations shall be final. Any installments of special or other assessments affecting the Acquired Real Property which are due and payable for the period prior to the Closing Date shall be paid by Sellers at Closing, and any installments of special or other assessments affecting the Acquired Real Property which are due and payable for the period subsequent to the Closing Date shall be paid by Purchaser. The term "Taxes" as used in this Section 2.7(a)(i) includes general assessments, including regular annual assessments payable to any property owners association, but does not include rollback or deferred taxes which shall be paid by the Purchaser without contribution from the Sellers even if such rollback or deferred taxes are applicable to a period prior to Closing.

(ii) Payments. All of the following: (A) utilities; (B) water and sewer charges; (C) other payments due under any of the Assigned Contracts; (D) any prepaid items which are transferred to Purchaser at the Closing and annual permit and inspection fees; and (E) and any other items, the credit or proration of which are necessary to fairly allocate the benefits and burdens of ownership of the Acquired Assets, shall be prorated at the Closing. All prorations shall be final.

(iii) Miscellaneous. In the event that accurate prorations and other adjustments cannot be made at Closing because current bills are not available or the amount to be adjusted is not yet ascertainable, the Parties shall prorate on the best available information. All prorations shall be final.

(b) Closing-Related Costs. At Closing, Purchaser shall pay (i) the cost of the Closing Escrow; (ii) any costs related to any inspections by any municipality and repairs required by any municipal, county, provincial, or state inspections, if any, and shall meet any other requirements as established by any municipal, county, provincial, or State ordinance with regard to the transfer of real estate; (iii) all financing related fees related to any Purchaser financing; and (iv) all recording and registration charges for the each conveyancing document and all documents pertaining to any Purchaser financing. Without limitation, the Designated Purchaser of Acquired Real Property in Canada is solely responsible for the timely payment of all GST/HST and provincial and municipal transfer taxes and duties on the transfer of immovables payable in connection with the conveyance of the Acquired Real Property in Canada. All closing costs other than as specified above, or as may be specifically allocated elsewhere in this Agreement, will be payable by the party responsible therefor at Closing. Except as otherwise provided for in this Agreement, the Parties shall each be solely responsible for the fees and disbursements of their respective counsel and other professional advisors (all of the foregoing, the “Closing-Related Costs”).

(c) Closing Statement; Resolution of Disputes.

(i) At least three (3) Business Days prior to the Closing, Purchaser shall deliver to Yellow a statement setting forth Purchaser’s good faith estimates (prepared by the Title Company) of (and reasonably delated calculations of) the Closing Date Payment, the Prorations, and the Closing-Related Costs, and within one (1) Business Day thereafter Yellow shall deliver to Purchaser a statement setting forth Yellow’s good faith estimates of (and reasonably delated calculations of) Yellow’s response to such amounts (the “Closing Statement”). The Parties shall work together in good faith to resolve any differences that they may have with respect to the computation of any items in the Closing Statement which arise in connection with Purchaser’s review thereof (it being understood that updated information from the Title Company may require changes to such amounts); provided that in the event any such differences are not resolved by the day immediately preceding the Closing Date, then the Closing shall proceed pursuant to this Article II, based on the amounts set forth in the Closing Statement together with any changes that the Parties have agreed to, and any amounts remaining in dispute (being the difference between each Party’s good faith position on each such amount, the “Disputed Amounts”) will be retained by the Escrow Agent until resolution of such dispute in accordance with Section 2.7(c)(ii).

(ii) All Disputed Amounts shall be submitted for resolution to Kroll, LLC (the “Independent Accountant”) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any relevant adjustments to the Closing Statement. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountant shall only decide the specific items under dispute by the parties, acting as an expert and not as an arbitrator, and its decision for each Disputed Amount must be within the range of values asserted by the Parties, respectively. The fees and expenses of the Independent Accountant shall be allocated to and borne by Purchaser, on the one hand, and Sellers, on the other hand, in inverse proportion as they may prevail on the Disputed Amounts, which proportionate allocations shall be calculated on an aggregate basis based on the relative dollar values of all Disputed Amounts and shall be determined by the Independent Accountant and included in its written decision. The Independent Accountant shall decide as soon as practicable within thirty (30) days (or such other time as the Parties shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Closing Statement shall be conclusive and binding upon the parties hereto, and the Disputed Amounts shall be released by the Escrow Agent and disbursed to the Party or Parties set forth in the written decision of the Independent Accountant in accordance with this Section 2.7(c)(ii).

ARTICLE III REPRESENTATIONS AND WARRANTIES OF SELLERS

Except as (i) disclosed in the forms, reports, schedules, statements, exhibits and other documents filed with the SEC by Yellow in respect of Sellers and their business to the extent publicly available on the SEC’s EDGAR database (other than any disclosures set forth under the headings “Risk Factors” or “Forward-Looking Statements” and any other disclosures included therein to the extent they are forward-looking in nature), (ii) disclosed in any forms, statements or other documents filed with the Bankruptcy Court or the Canadian Court, (iii) set forth in the Schedules delivered by Sellers concurrently herewith (each, a “Schedule” and collectively, the “Schedules”) and subject to Section 10.10, or (iv) disclosed in land registry offices, Sellers represent and warrant to Purchaser as of the date hereof as follows.

3.1 Organization and Qualification. Except as set forth in Schedule 3.1, each Seller is a corporation or limited liability company, as applicable, duly organized, validly existing, and in good standing under the Laws of the jurisdiction of its incorporation or formation. Except as set forth in Schedule 3.1, each Seller is duly licensed or qualified to do business under the Laws of each jurisdiction in which the nature of the business conducted by it makes such licensing or qualification necessary, except where failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

3.2 Authorization of Agreement. Subject to requisite Bankruptcy Court and Canadian Court approvals:

(a) each Seller has all necessary power and authority to execute and deliver this Agreement and the other Transaction Agreements to which each such Seller is a party and to perform its obligations hereunder and to consummate the Transactions;

(b) the execution, delivery and performance by each Seller of this Agreement and the other Transaction Agreements to which such Seller is a party, and the consummation by such Seller of the Transactions, subject to requisite Bankruptcy Court and Canadian Court approvals being granted, have been duly authorized by all requisite corporate action, limited liability company action or limited partnership action on the part of such Seller, as applicable, and no other organizational proceedings on such Seller's part are necessary to authorize the execution, delivery and performance by such Seller of this Agreement or the other Transaction Agreements and the consummation by it of the Transactions; and

(c) this Agreement and the other Transaction Agreements to which each Seller is a party have been, or will be, duly executed and delivered by such Seller and, assuming due authorization, execution and delivery hereof and thereof by the other parties hereto and thereto, constitutes, or will constitute, legal, valid and binding obligations of such Seller, enforceable against such Seller in accordance with its and their terms, except that such enforceability (a) may be limited by bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar Laws of general application affecting or relating to the enforcement of creditors' rights generally and (b) is subject to general principles of equity, whether considered in a proceeding at law or in equity (collectively, the "Enforceability Exceptions").

3.3 Conflicts; Consents. Assuming that (a) the Sale Order, the Canadian Sale Recognition Order, and all other requisite Bankruptcy Court and Canadian Court approvals are obtained, (b) the notices, authorizations, approvals, Orders, Permits or consents set forth on Schedule 3.3(b) are made, given or obtained (as applicable), and (c) the requirements of the HSR Act, Competition Act, CTA, and any other Antitrust Law applicable to the Transactions are complied with, neither the execution and delivery by Sellers of this Agreement or the other Transaction Agreements, nor the consummation by Sellers of the Transactions, nor performance or compliance by Sellers with any of the terms or provisions hereof or thereof, will (i) conflict with or violate any provision of the Organizational Documents of each Seller (ii) except as set forth on Schedule 3.3(b), violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancellation of any obligation or to the loss of any benefit, any of the terms or provisions of any Assigned Contract or accelerate any Seller's obligations under any such Assigned Contract, (iii) violate any Law or Order applicable to any Seller or (iv) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any of the Acquired Assets, except, in the case of clauses (ii) or (iii), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.4 Title to Acquired Real Property. Schedule 1.1(a) sets forth a true and complete list of all Acquired Real Property. Sellers have good, valid and marketable fee simple title to the Acquired Real Property, free and clear of all Encumbrances other than Permitted Encumbrances and Encumbrances that will be released or terminated at or prior to Closing. With respect to the Acquired Real Property, except as set forth on Schedule 3.4, none of the Sellers has currently leased or otherwise granted to any Person the right to use or occupy such Acquired Real Property or any portion thereof. As it relates to Acquired Real Property in Canada, this Agreement is subject to compliance with the provisions of the relevant provincial legislation relating to the subdivision of land and any other similar legislation in such provinces, to the extent applicable. Prior to the Closing Date, the leases set forth on Schedule 3.4 shall have terminated in accordance with their

terms prior to the Closing or the Debtors shall have moved in the Bankruptcy Court and the Bankruptcy Court shall have entered a final order rejecting such leases.

3.5 Assigned Contracts. True and complete copies of all Assigned Contracts and the leases set forth on Schedule 3.4 have previously been made available to Purchaser or Purchaser's Advisors. Subject to requisite Bankruptcy Court and Canadian Court approvals being granted, and assumption by the applicable Seller of the applicable Contract in accordance with applicable Law (including satisfaction by Purchaser of any applicable Cure Costs) and except (i) as a result of the commencement of the Bankruptcy Cases and the Canadian Recognition Proceedings and (ii) with respect to any Contract that has previously expired in accordance with its terms, been terminated, restated, or replaced, (A) each Assigned Contract is valid and binding on the Seller that is a party thereto and, to the Knowledge of Sellers, each other party thereto, and is in full force and effect, subject to the Enforceability Exceptions, (B) the applicable Seller, and, to the Knowledge of Sellers, any other party thereto, have performed all obligations required to be performed by it under each Assigned Contract, (C) Sellers have received no written notice of the existence of any breach or default on the part of any Seller under any Assigned Contract, (D) there are no events or conditions which constitute, or, after notice or lapse of time or both, will constitute a default on the part of a Seller, or to the Knowledge of Sellers, any counterparty under such Assigned Contract and (E) to the Knowledge of Sellers, Sellers have not received any written notice from any Person that such Person intends to terminate, or not renew, any Assigned Contract, except in each case of clauses (A) through (E), as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.6 Environmental Matters. Except as set forth on Schedule 3.6 or, as would not, individually or in the aggregate, be reasonably expected to result in a Material Adverse Effect, (i) Seller and its Subsidiaries are in compliance with all applicable Environmental Laws with respect to the Acquired Assets, which compliance includes complying in all material respects with all Permits required by applicable Environmental Laws for the ownership and operation of the Acquired Assets as currently owned and operated, (ii) within the two (2) years preceding the date hereof, Seller and its Subsidiaries have not received any written notice, and there are no Actions pending or, to the Knowledge of Seller, threatened in writing against Seller or any Subsidiary, regarding any violation of Environmental Laws with respect to the Acquired Assets and (iii) to the Knowledge of Seller, within the past two (2) years preceding the date hereof Seller and its Subsidiaries have not released any Hazardous Material at the Acquired Real Property, in violation of Environmental Laws and in a manner that currently requires remediation by a Seller or its Subsidiaries under Environmental Laws. This Section 3.6 contains the Seller's sole representations and warranties regarding Environmental Laws, Hazardous Materials, or any other environmental, health or safety matters. For the avoidance of doubt, the acquired assets shall be sold to Purchaser free and clear from all Environmental Liabilities as set forth herein.

3.7 Brokers. Except for Ducera Partners LLC ("Seller Broker") or as set forth on Schedule 3.7, no broker, investment banker, financial advisor or other Person is entitled to any broker's, finder's, financial advisor's or other similar fee or commission, or the reimbursement of expenses in connection therewith, in connection with the Transactions based upon arrangements made by or on behalf of a Seller or any of its Subsidiaries.

3.8 No Other Representations or Warranties. Except for the representations and warranties expressly contained in this Article III (as qualified by the Schedules and in accordance with the express terms and conditions (including limitations and exclusions) of this Agreement) (the “Express Representations”) (it being understood that Purchaser has relied only on such Express Representations and warranties), Purchaser acknowledges and agrees that no Seller nor any other Person on behalf of any Seller makes, and neither Purchaser has relied on, is relying on, or will rely on the accuracy or completeness of any express or implied representation or warranty with respect to any Seller, the Acquired Assets, or the Assumed Liabilities or with respect to any information, statements, disclosures, documents, projections, forecasts or other material of any nature made available or provided by any Person (including in any presentations or other materials prepared by Seller Broker) (the “Information Presentation”) or in that certain “Project Prime” data room administered by Datasite (the “Dataroom”) or elsewhere to Purchaser or any of its Affiliates or Advisors on behalf of Sellers or any of their Affiliates or Advisors. Without limiting the foregoing, no Seller nor any of its Advisors or any other Person will have or be subject to any Liability whatsoever to Purchaser, or any other Person, resulting from the distribution to Purchaser or any of its Affiliates or Advisors, or Purchaser’s or any of its Affiliates’ or Advisors’ use of or reliance on, any such information, including the Information Presentation, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom or otherwise in expectation of the Transactions or any discussions with respect to any of the foregoing information.

3.9 No Taxable Canadian Property. None of the Acquired Assets of any Seller, other than a Seller that either (a) is not a non-resident of Canada within the meaning of section 116 of the Income Tax Act (Canada) or (b) is a “Canadian partnership” within the meaning of the Income Tax Act (Canada), are “taxable Canadian property” of that Seller for purposes of the *Income Tax Act* (Canada), or “taxable Quebec property” of that Seller for purposes of the *Taxation Act* (Quebec).

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF PURCHASER

Purchaser represents and warrants to Sellers as of the date hereof as follows.

4.1 Organization and Qualification. Purchaser is an entity duly created, formed or organized (as applicable), validly existing and in good standing under the Laws of the jurisdiction of its creation, formation or organization (as applicable) and has all requisite corporate or limited liability company power and authority necessary to conduct its business as it is now being conducted, except (other than with respect to Purchaser’s due formation and valid existence) as would not, individually or in the aggregate, reasonably be expected to have an adverse effect on Purchaser’s ability to consummate the Transactions. Purchaser is duly licensed or qualified to do business and is in good standing (where such concept is recognized under applicable Law) under the Laws of each jurisdiction in which the nature of the business conducted by it or the character or location of the properties owned or used by it makes such licensing or qualification necessary, except where the failure to be so licensed, qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have an adverse effect on Purchaser’s ability to consummate the Transactions.

4.2 Authorization of Agreement. Purchaser has all necessary power and authority to execute and deliver this Agreement and to perform its obligations hereunder and to consummate the Transactions. The execution, delivery and performance by Purchaser of this Agreement, and the consummation by Purchaser of the Transactions, subject to requisite Bankruptcy Court and Canadian Court approvals being granted, have been duly authorized by all requisite corporate or similar organizational action and no other corporate or similar organizational proceedings on its part are necessary to authorize the execution, delivery and performance by Purchaser of this Agreement and the consummation by it of the Transactions. Subject to requisite Bankruptcy Court and Canadian Court approvals being granted, this Agreement has been duly executed and delivered by Purchaser and, assuming due authorization, execution and delivery hereof by the other Parties, constitutes a legal, valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with its terms, except that such enforceability may be limited by the Enforceability Exceptions.

4.3 Conflicts; Consents.

(a) Assuming that (i) the Sale Order, the Canadian Sale Recognition Order, and all other requisite Bankruptcy Court and Canadian Court approvals are obtained, (ii) the notices, authorizations, approvals, Orders, permits or consents set forth on Schedule 4.3(a) are made, given or obtained (as applicable), and (iii) the requirements of the HSR Act, Competition Act, and CTA are complied with, neither the execution and delivery by Purchaser of this Agreement, nor the consummation by Purchaser of the Transactions or the Financing, nor performance or compliance by Purchaser with any of the terms or provisions hereof, the Debt Commitment Letter, or any definitive documents with respect to the Financing, will (A) conflict with or violate any provision of Purchaser's Organizational Documents, (B) violate any Law or Order applicable to Purchaser, (C) violate or constitute a breach of or default (with or without notice or lapse of time, or both) under or give rise to a right of termination, modification, or cancelation of any obligation or to the loss of any benefit, any of the terms or provisions of any loan or credit agreement or other material Contract to which Purchaser is a party or accelerate Purchaser's obligations under any such Contract, or (D) result in the creation of any Encumbrance (other than a Permitted Encumbrance) on any properties or assets of Purchaser or any of its Subsidiaries, except, in the case of clauses (B) through (D), as would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

(b) Except as set forth on Schedule 4.3(a), Purchaser is not required to file, seek or obtain any notice, authorization, approval, Order, permit or consent of or with any Governmental Body in connection with the execution, delivery and performance by Purchaser of this Agreement or the consummation by Purchaser of the Transactions, except (i) any filings required to be made under the HSR Act, or (ii) where failure to obtain such consent, approval, authorization or action, or to make such filing or notification, would not, individually or in the aggregate, reasonably be expected to prevent or materially impair, alter or delay the ability of Purchaser to consummate the Transactions.

4.4 Financing. Subject to the other provisions of this Section 4.4, Purchaser has as of the SH Approval Date, and will have at the Closing, sufficient funds in an aggregate amount necessary to pay the Purchase Price in full and to consummate all of the other Transactions, including the payment of the Purchase Price in full and all fees, expenses of, and other amounts

required to be paid by, Purchaser in connection with the Transactions (the “Specified Uses”) and does not know of any circumstance or condition that could reasonably be expected to prevent or substantially delay the availability of such funds or otherwise impair such capability at the Closing and such other dates that such obligations and transactions are required to be satisfied pursuant to the terms hereof. Purchaser affirms that it is not a condition to Closing or to any of its obligations under this Agreement that Purchaser obtains financing for the Transactions.

(a) Subject to Section 4.4(d), Purchaser has received and accepted a debt commitment letter dated as of September 11, 2023 (the “Debt Commitment Letter”) from Wells Fargo Bank, National Association, Bank of America, N.A., and Truist Bank (collectively, the “Lenders”) relating to the commitment of the Lenders to provide debt financing in the aggregate amount set forth therein subject solely to the conditions set forth therein (the “Financing”). A complete and correct copy of the Debt Commitment Letter (including (i) all exhibits, schedules, annexes and amendments to such debt commitment letter, (ii) any associated fee letter in redacted form (none of which redactions (which redactions relate only to fee amounts, fee percentages and certain economic terms of the market flex) would affect the amount, conditionality, enforceability or availability of the Financing) and (iii) any other side letter or agreement executed in connection thereto) has been provided to Yellow on the date hereof, and there have been no amendments or modifications to the Debt Commitment Letter (unless otherwise agreed to by Yellow).

(b) The Debt Commitment Letter contains all of the conditions precedent to the obligations of the parties thereunder to make the Financing available to Purchaser on the terms therein. There are, and as of the SH Approval Date there shall be, no side letters or other agreements, Contracts or arrangements related to the funding or investing, as applicable, of any of the Financing, other than as expressly set forth in the Debt Commitment Letter that have been provided to Yellow prior to the date hereof, and there are, and as of the SH Approval Date there shall be, no contingencies that would permit the Lenders to reduce the total amount of the Financing. Purchaser has taken all actions required to cause the Debt Commitment Letter to be effective.

(c) The Financing, when funded in accordance with the Debt Commitment Letter (including after giving effect to all flex terms in the related fee letter), shall, together with Purchaser’s cash on hand, provide Purchaser with acquisition financing at the Closing sufficient for the payment of the Closing Date Payment, the satisfaction of all of Purchaser’s obligations under this Agreement and the Transaction Agreements and the payment of all costs and fees to be borne by Purchaser and its Affiliates.

(d) Upon entry by the Bankruptcy Court of an Order (which may be the Bidding Procedures Order) (i) approving Purchaser as the Stalking Horse Bidder in accordance with the Bidding Procedures Order and (ii) approving the Breakup Fee and Expense Reimbursement as set forth herein (or with such changes as may be reasonably acceptable to Purchaser) (the “SH Approval Date”), Purchaser shall, and shall procure that the Lenders, duly execute and deliver the Debt Commitment Letter, in the form provided to Sellers on the date hereof (without further revisions unless acceptable to Sellers), and upon such execution on such date the Debt Commitment Letter shall legal, valid, binding and in full force and effect. As of the date hereof and as of the SH Approval Date, and assuming the satisfaction of the conditions set forth in Section 7.1 and Section 7.2, no event, fact or circumstance has occurred that, with or without

notice, lapse of time, or both, would reasonably be expected to constitute a default or breach or a failure to satisfy a condition precedent on the part of Purchaser under the terms and conditions of the Debt Commitment Letter. As of the SH Approval Date, Purchaser shall have paid in full any and all commitment fees or other fees required to be paid pursuant to the terms of the Debt Commitment Letter on or before the SH Approval Date. Purchaser has no reason to believe that it will be unable to satisfy on a timely basis any term or condition of closing to be satisfied by it contained in the Debt Commitment Letter or that the Financing will not be made available to Purchaser on or prior to the Closing.

(e) Notwithstanding this Section 4.4 or any other provision of this Agreement, Purchaser affirms that it is not a condition to the Closing or to any of its other obligations under this Agreement (including consummating the Transactions) that Purchaser obtain financing for or related to Transactions (including receipt of all or any portion of the proceeds of the Financing).

4.5 Brokers. There is no investment banker, broker, finder, or other intermediary which has been retained by or is authorized to act on behalf of Purchaser that might be entitled to any fee or commission in connection with the Transactions.

4.6 No Litigation. There are no Actions pending or, to Purchaser's knowledge, threatened against or affecting Purchaser that will or would be reasonably likely to adversely affect Purchaser's performance of its obligations under this Agreement or the consummation of the Transactions.

4.7 Certain Arrangements. As of the date hereof, there are no Contracts, undertakings, commitments or obligations, whether written or oral, between any member of the Purchaser Group, on the one hand, and any member of the management of Seller or its board of directors (or applicable governing body of any Affiliate of Seller), any holder of equity or debt securities of Seller, or any lender or creditor of Seller or any Affiliate of Seller, on the other hand, (a) relating in any way to the acquisition of the Acquired Assets or the Transactions or (b) that would be reasonably likely to prevent, restrict, impede or affect adversely the ability of Seller or any of its Affiliates to entertain, negotiate or participate in any such transactions.

4.8 Solvency. Purchaser is, and immediately after giving effect to the Transactions shall be, solvent and at all times shall: (a) be able to pay its debts as they become due; (b) own property that has a fair saleable value greater than the amounts required to pay its debt (including a reasonable estimate of the amount of all contingent Liabilities) and (c) have adequate capital to carry on its business. No transfer of property is being made and no obligation is being incurred in connection with the Transactions with the intent to hinder, delay or defraud either present or future creditors of Purchaser. In connection with the Transactions, Purchaser has not incurred, nor plans to incur, debts beyond its ability to pay as they become absolute and matured.

4.9 No Foreign Person. As of Closing, Purchaser will not be a "foreign person," as defined in Section 721 of the U.S. Defense Production Act of 1950, including any implementing regulations thereof.

ARTICLE V BANKRUPTCY COURT MATTERS

5.1 Bankruptcy Actions.

(a) As promptly as practicable after the date hereof, Yellow shall file with the Bankruptcy Court a motion seeking approval of (i) the Bidding Procedures Order and (ii) the form of this Agreement and Sellers' authority to enter into this Agreement.

(b) Promptly, and in any event within five (5) Business Days, following entry by the Bankruptcy Court of the Bidding Procedures Order, the Foreign Representative shall file with the Canadian Court a motion seeking approval of the Canadian Bidding Procedures Recognition Order.

(c) The bidding procedures to be employed with respect to this Agreement shall be those reflected in the Bidding Procedures Order. Purchaser agrees and acknowledges that Sellers, including through its representatives, are and may continue soliciting inquiries, proposals or offers from third parties in connection with any Alternative Transaction pursuant to the terms of the Bidding Procedures Order and the Canadian Bidding Procedures Recognition Order. In the event of a conflict between the terms of the Bidding Procedures Order or the Canadian Bidding Procedures Recognition Order and this Agreement, then the Bidding Procedures Order or Canadian Bidding Procedures Recognition Order, as applicable, shall control.

(d) Purchaser shall promptly take all actions as are reasonably requested by Sellers to assist in obtaining the Bankruptcy Court's entry of the Sale Order, the Canadian Court's entry of the Canadian Sale Recognition Order, and any other Order reasonably necessary in connection with the Transactions, including furnishing affidavits, reasonable and customary financial information demonstrating wherewithal to perform under this Agreement and any other Assigned Contracts, or other documents or information for filing with the Bankruptcy Court or the Canadian Court, and making employees and Advisors of Purchaser and its Affiliates available to testify before the Bankruptcy Court or the Canadian Court for the purposes of, among other things, providing necessary assurances of performance by Purchaser under this Agreement, and demonstrating that Purchaser is a "good faith" purchaser under section 363(m) of the Bankruptcy Code, as well as demonstrating Purchaser's ability to pay and perform or otherwise satisfy any Assumed Liabilities following the Closing.

(e) Each Party shall (i) appear formally or informally in the Bankruptcy Court and the Canadian Court if reasonably requested by the other Party or required by the Bankruptcy Court or the Canadian Court in connection with the Transactions and (ii) keep the other reasonably apprised of the status of material matters related to the Agreement, including, upon reasonable request, promptly furnishing the other with copies of notices or other communications received by a Seller from the Bankruptcy Court or the Canadian Court with respect to the Transactions.

(f) If an Auction is conducted, and Purchaser is not the prevailing party at the conclusion of such Auction (such prevailing party, the "Successful Bidder") but is the next highest bidder at the Auction, Purchaser shall be required to serve as a back-up bidder (the "Backup Bidder") and keep Purchaser's bid to consummate the Transactions on the terms and

conditions set forth in this Agreement (as the same may be revised in the Auction) open and irrevocable until the later of (i) February 6, 2024; provided, however, that such date may be extended upon the mutual agreement of Purchaser and Yellow one time for an additional thirty (30) calendar days and, if so extended, Sellers shall pay to Purchaser an extension fee in the amount of \$2,000,000, which may be applied as a credit towards the Purchase Price if Purchaser is the Successful Bidder, and (ii) such other date as this Agreement is otherwise terminated. If the Successful Bidder fails to consummate the applicable Alternative Transaction as a result of a breach or failure to perform on the part of such Successful Bidder, the Backup Bidder will be deemed to have the new prevailing bid, and Sellers may consummate the Transactions on the terms and conditions set forth in this Agreement (as the same may have been improved upon in the Auction).

(g) Within three (3) Business Days following completion of the Auction, Sellers shall file with the Bankruptcy Court a motion seeking approval of the Sale Order. Sellers shall use commercially reasonable efforts to schedule a hearing with the Bankruptcy Court to consider entry of the Sale Order. From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Sellers shall use commercially reasonable efforts to obtain entry by the Bankruptcy Court of the Sale Order.

(h) Promptly, and in any event within five (5) Business Days, following the entry by the Bankruptcy Court of the Sale Order, the Foreign Representative shall file with the Canadian Court a motion seeking approval of the Canadian Sale Recognition Order. The Foreign Representative shall use commercially reasonable efforts to schedule a hearing before the Canadian Court to consider entry of the Canadian Sale Recognition Order. From the date hereof until the earlier of (i) the termination of this Agreement in accordance with Article VIII and (ii) the Closing Date, Sellers shall use commercially reasonable efforts to obtain entry by the Canadian Court of the Canadian Sale Recognition Order.

(i) Sellers and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to higher and better bids and Bankruptcy Court and Canadian Court approval. Purchaser acknowledges that Sellers must take reasonable steps to demonstrate that they have sought to obtain the highest or otherwise best price for the Acquired Assets, including giving notice thereof to the creditors of Sellers and other interested parties, providing information about Sellers to prospective bidders, entertaining higher and better offers from such prospective bidders, and, in the event that additional qualified prospective bidders desire to bid for the Acquired Assets, conducting an Auction.

(j) Purchaser shall provide adequate assurance of future performance as required under section 365 of the Bankruptcy Code (and as may be required under the CCAA) for the Assigned Contracts. Purchaser agrees that it will take all actions reasonably required to assist in obtaining a Bankruptcy Court finding that there has been a sufficient demonstration of adequate assurance of future performance under the Assigned Contracts, such as furnishing affidavits, non-confidential financial information and other documents or information for filing with the Bankruptcy Court and the Canadian Court and making Purchaser's Advisors available to testify before the Bankruptcy Court and the Canadian Court.

(k) Nothing in this Section 5.1 shall prevent Sellers from modifying the bidding procedures as necessary or appropriate to maximize value for Sellers' estate in accordance with Sellers' fiduciary obligations.

5.2 Cure Costs. Subject to entry of the Sale Order and the Canadian Sale Recognition Order, Purchaser shall, on or prior to the Closing (or, in the case of any Contract that is to be assigned following the Closing pursuant to Section 1.5, on or prior to the date of such assignment), pay the Cure Costs and cure any and all other defaults and breaches under the Assigned Contracts so that such Contracts may be assumed by the applicable Seller and assigned to Purchaser in accordance with the provisions of section 365 of the Bankruptcy Code, the CCAA, and this Agreement.

5.3 Approval. Sellers' obligations under this Agreement and in connection with the Transactions are subject to entry of and, to the extent entered, the terms of any Orders of the Bankruptcy Court (including entry of the Sale Order) and the Canadian Court (including entry of the Canadian Sale Recognition Order). Nothing in this Agreement shall require Sellers or their respective Affiliates to give testimony to or submit a motion to the Bankruptcy Court or to the Canadian Court that is untruthful or to violate any duty of candor or other fiduciary duty to the Bankruptcy Court, the Canadian Court, or their stakeholders.

5.4 Canadian Sale Recognition Order. The Canadian Sale Recognition Order shall, with respect to Acquired Assets of the Canadian Seller, among other things, (a) recognize and give full force and effect to the Sale Order in all provinces and territories in Canada, pursuant to section 49 of the CCAA, (b) approve the sale of the Acquired Assets of the Canadian Seller contemplated hereunder, (c) vest the Acquired Assets of the Canadian Seller in the Purchaser, free and clear of all Encumbrances other than the Permitted Encumbrances, (d) assign all of the applicable Assigned Contracts of the Canadian Seller, and (e) provide that upon payment of the Cure Costs in respect of the applicable Assigned Contracts of the Canadian Seller, all past defaults under the applicable Assigned Contracts shall be deemed to be cured and each such Assigned Contract shall be in good standing and effective, according to its terms.

ARTICLE VI COVENANTS AND AGREEMENTS

6.1 Conduct of the Sellers. From the date of this Agreement until the Closing Date or the earlier termination of this Agreement in accordance with Article VIII, Sellers shall not sell, transfer, lease, mortgage, pledge, grant any Encumbrance (other than Permitted Encumbrances and Encumbrances to be removed by operation of the Sale Order) on or otherwise encumber or dispose of any of the Acquired Assets, or otherwise commit or agree to take any of the foregoing actions. For the avoidance of doubt, nothing contained in this Agreement shall be construed to give to Purchaser, directly or indirectly, rights to control or direct the operations of Sellers prior to the Closing.

6.2 Access to Information.

(a) From the date hereof until the Closing, Sellers will provide Purchaser and its authorized Advisors with reasonable access and upon reasonable advance notice and during

regular business hours (so long as consistent with applicable Law and in accordance with the reasonable procedures established by Sellers) to the facilities, books and records (excluding any personnel files) of Sellers, in order for Purchaser and its authorized Advisors to access such information regarding the Acquired Assets and Assumed Liabilities (which shall include the Acquired Real Property, for certainty) as is reasonably necessary in order to consummate the Transactions; provided that (i) such access does not unreasonably interfere with the normal operations of Sellers or any of their Subsidiaries, (ii) such access will occur in such a manner as Sellers reasonably determines to be appropriate to protect the confidentiality of the Transactions and such books and records, (iii) all requests for access will be directed Seller Broker or such other Person(s) as Sellers may designate in writing from time to time, (iv) nothing herein will require Sellers or any of their Subsidiaries to provide access to, or to disclose any information to, Purchaser or any other Person if such access or disclosure (A) would reasonably cause competitive harm to Sellers or any of their Subsidiaries if the Transactions are not consummated, (B) would waive any legal privilege or (C) would be in violation of applicable Laws (including the HSR Act and Antitrust Laws) or the provisions of any Contract to which Sellers is bound or would violate any fiduciary duty and (v) nothing herein will permit Purchaser or its authorized Advisors to conduct any sampling or testing of environmental media or any other invasive investigation or assessment at any property or facility (including the Acquired Real Property) of Sellers, including of the type commonly known as a Phase II environmental site assessment.

Purchaser will, and will cause its Advisors to, abide by the terms of the Confidentiality Agreement with respect to such access and any information furnished to Purchaser or any of its Advisors. Sellers make no representation or warranty as to the accuracy of any information, if any, provided pursuant to this Section 6.2, and none of Purchaser or its Advisors may rely on the accuracy of any such information.

(c) From and after the Closing for a period of three years following the Closing Date (or, if later, the closing of the Bankruptcy Cases), Purchaser will provide Sellers and their Advisors with reasonable access, during normal business hours, and upon reasonable advance notice, to the books and records, including work papers, schedules, memoranda, Tax Returns, Tax schedules, Tax rulings, and other documents (for the purpose of examining and copying) of the Sellers or otherwise solely and exclusively pertaining to the Sellers that are included in and relate to the Acquired Assets, the Excluded Assets (if applicable), the Assumed Liabilities or the Excluded Liabilities (if applicable) with respect to periods or occurrences prior to the Closing Date, and reasonable access, during normal business hours, and upon reasonable advance notice, to employees, officers, Advisors, accountants, offices and properties of Purchaser (including for the purpose of better understanding such books and records). Unless otherwise consented to in writing by Sellers, Purchaser will not, for a period of three years following the Closing Date, destroy, alter or otherwise dispose of any such books and records of the Sellers without first offering to surrender such books and records of the Sellers to Sellers or any portion thereof that Purchaser may intend to destroy, alter or dispose of. Purchaser shall provide Sellers with fourteen (14) days prior written notice before disposing of or otherwise destroying any of Sellers books and records and Sellers shall have fourteen (14) days after the date set forth on Purchasers

notice to remove, collect or otherwise cause to be preserved any such books and records of Sellers. From and after the Closing, Purchaser will, and will cause its employees to, provide Sellers with reasonable assistance, support and cooperation with Sellers' wind-down and related activities (*e.g.*, helping to locate such documents or information).

(d) Purchaser will not, and will not permit any member of the Purchaser Group to, contact any officer, manager, director, employee, customer, supplier, lessee, lessor, lender, licensee, licensor, distributor, noteholder or other material business relation of any Seller or any of its Affiliates prior to the Closing with respect to any Seller, any of its Subsidiaries, any of their respective businesses or the Transactions, in each case, without the prior written consent of Sellers for each such contact, other than in the ordinary course of Purchaser's business unrelated to the Transactions and without referring to the Transactions and without disclosing any information in breach of the Confidentiality Agreement, but subject in all cases to Section 10.4(c).

6.3 Regulatory Approvals.

(a) Subject to Section 6.4, each Seller will, and will cause its Subsidiaries to, (i) make or cause to be made all filings and submissions required to be made by Seller under any applicable Laws for the consummation of the Transactions, if any, (ii) cooperate with Purchaser in exchanging such information and providing such assistance as Purchaser may reasonably request in connection with any filings required to be made by the Purchaser Group pursuant to Section 6.3(b), and (iii)(A) supply promptly any additional information and documentary material that may be requested in connection with the filings made pursuant to this Section 6.3(a) or Section 6.3(b) and (B) use reasonable best efforts to take all actions necessary to obtain all required clearances in connection with such filings.

(c) Notwithstanding anything to the contrary herein, Purchaser shall, at Purchaser's sole cost and expense, prepare, submit and diligently prosecute applications, filings, submissions and other documents for the transfer, assignment or reissuance to Purchaser of any Permits required under Law (including Environmental Law), and Sellers shall reasonably cooperate with Purchaser obtain the relevant issuing agency's approval of the transfer, assignment, or revocation and reissuance of such Permits.

(d) This Section 6.3 shall not apply to efforts related to Antitrust Laws, which shall be governed by the obligations set forth in Section 6.4 below.

6.4 Antitrust Notification.

(a) To the extent required, each Seller and Purchaser (and their respective Affiliates, if applicable) will, (i) as promptly as practicable and no later than twenty-one (21) days following the date of this Agreement, file with the United States Federal Trade Commission (the “FTC”) and the United States Department of Justice (the “DOJ”), a Notification and Report Form relating to this Agreement the Transactions pursuant to the HSR Act, and (ii) as promptly as practicable and no later than thirty (30) days following the date of this Agreement, file all notifications, filings, registrations, forms and submissions, including any draft notifications in jurisdictions requiring pre-notification, as are required by the Antitrust Laws set forth on Schedule 7.1(a). With respect to Competition Act Approval, as promptly as practicable and no later than twenty-one (21) days following the date of this Agreement, unless Purchaser and Seller mutually agree that Competition Act Approval is not required, (i) Purchaser shall file with the Commissioner of Competition a submission in support of a request for an ARC or a No Action Letter in respect of the transactions contemplated by this Agreement, and (ii) unless Purchaser and Seller mutually agree that such filings should be made on a different date or should not be made, Purchaser and Seller shall each file or cause to be filed notifications pursuant to paragraph 114(1) of the Competition Act. With respect to CTA Approval, unless Purchaser and Seller mutually agree that CTA Approval is not required, Purchaser will give notice to the Minister of Transport pursuant to Section 53.1 of the CTA.

(b) Each Seller and Purchaser shall (and shall cause their respective Affiliates to) (A) cooperate and coordinate (and shall cause its respective Affiliates to cooperate and coordinate) with the other in the making of such filings; (B) supply the other (or cause the other to be supplied) with any information that may be required in order to make such filings; (C) make (or cause to be made) an appropriate response to any additional information that may be required or requested by the FTC, the DOJ or the Governmental Bodies of any other applicable jurisdiction; and (D) take (and cause their Affiliates to take) all action necessary, proper or advisable to (1) cause the expiration or termination of the applicable waiting periods pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions; and (2) obtain Competition Act Approval and CTA Approval, if required, and obtain any required Consents pursuant to the HSR Act and any other Antitrust Laws applicable to this Agreement or the Transactions, in each case as promptly as reasonably practicable and in any event prior to the Outside Date. If any Party or Affiliate thereof receives any comments or a request for additional information or documentary material from any Governmental Body with respect to the Transactions pursuant to the HSR Act or any other applicable Antitrust Law, then such Party shall make (or cause to be made), as promptly as practicable and after consultation with the other Party, an appropriate response to such request; provided that neither Party may stay, toll or extend any applicable waiting period under the HSR Act, the Competition Act, or the CTA, pull and refile under the HSR Act, the Competition Act, or the CTA, or enter into any timing agreement or other understanding with any Governmental Body with respect to the HSR Act, the Competition Act, or the CTA, or any other Antitrust Law applicable to the Transactions without the prior written consent of the other Party, which shall not be unreasonably withheld, conditioned, or delayed. Purchaser will be solely responsible for payment of all filing fees payable in connection with such filings.

(c) Subject to the immediately following sentence, each Seller and Purchaser will use their reasonable best efforts to as promptly as practicable (and in any event prior to the Outside Date) obtain any clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations required under the HSR Act or any other Antitrust Law for the consummation of this Agreement and the Transactions. In furtherance and not in limitation of the other covenants in this Section 6.4, and notwithstanding anything else in this Agreement, Purchaser will take, and will cause its Affiliates to take, any and all steps necessary to avoid or eliminate each and every impediment under any Antitrust Law that may be asserted by any Governmental Body or any other Person as may be required in order to obtain satisfaction of the closing conditions set forth in Section 7.1(a) prior to the Outside Date and allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date, including offering, negotiating, committing to and effecting, by Consent decree, hold separate order or otherwise, (i) the sale, divestiture, transfer, license, disposition, or hold separate (through the establishment of a trust or otherwise), of any and all of the capital stock or other equity or voting interest, assets (whether tangible or intangible), rights, properties, products or businesses of Purchaser, its Subsidiaries or Affiliates, or the Seller and its Subsidiaries; (ii) the termination, modification, or assignment of existing relationships, joint ventures, Contracts, or obligations of Purchaser, its Subsidiaries or Affiliates, or the Seller and its Subsidiaries; (iii) the modification of any course of conduct regarding future operations of Purchaser, its Subsidiaries or Affiliates, or the Seller and its Subsidiaries; and (iv) any other restrictions on the activities of Purchaser, its Subsidiaries or Affiliates, or the Seller and its Subsidiaries, including the freedom of action of Purchaser, its Subsidiaries or Affiliates, or the Seller and its Subsidiaries with respect to, or their ability to retain, any of their respective operations, divisions, businesses, product lines, customers, assets or rights or interests, or their freedom of action with respect to the assets, properties, or businesses to be acquired pursuant to this Agreement. Purchaser shall oppose any request for, the entry of, and seek to have vacated or terminated, any Order, judgment, decree, injunction or ruling of any Governmental Body that could restrain, prevent or delay any required Consents applicable to the Transactions, including by defending through litigation, any Action asserted by any Person in any court or before any Governmental Body and by exhausting all avenues of appeal, including appealing properly any adverse decision or Order by any Governmental Body, it being understood that the costs and expenses of all such actions shall be borne by Purchaser. Notwithstanding the foregoing, nothing in this Agreement shall require the Seller or any of its Subsidiaries or Affiliates to take or agree to take any action that is unrelated to Transactions or is not conditioned on the Closing as may be required in order to obtain satisfaction of the closing conditions set forth in Section 7.1(a) prior to the Outside Date, in each case, so as to allow the consummation of this Agreement and the Transactions as soon as practicable and, in any event, prior to the Outside Date.

(d) None of Sellers or Purchaser will participate in any meeting or discussion with any Governmental Body with respect of any filings, applications, investigation or other inquiry relating to the Transactions without giving the other Party reasonable prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Body, the opportunity to attend and participate in such meeting or discussion, unless prohibited by such Governmental Body. Sellers will have the right to review and approve the content of any draft notifications, formal notifications, filing, submission or other written communication (and any analyses, memoranda, presentations, white papers, correspondence or other written materials submitted therewith) to be submitted to any Governmental Body in advance of any such

submission. Each Party acknowledges that, with respect to any non-public information provided by a Party to the other under this Section 6.4, each Party may (1) designate such material as restricted to “outside counsel only” and any such material shall not be shared with employees, officers or directors or their equivalents of the receiving Party without approval of the disclosing Party and (2) redact such materials as necessary to satisfy contractual confidentiality obligations, preserve attorney-client privilege or protect material relating to the valuation of the Acquired Assets.

(e) Purchaser will not, and will not permit any member of the Purchaser Group or their respective Affiliates to, directly or indirectly take any action or agree to take any action (including but limited to acquiring or agreeing to acquire any assets or businesses) that would be reasonably likely to materially delay or prevent the receipt of any required clearances, Consents, approvals, waivers, actions, waiting period expirations or terminations, non-actions or other authorizations under the HSR Act or other Antitrust Law or increase the risk of any Governmental Body entering an Order preventing, delaying or prohibiting the consummation of the Transactions or delay the consummation of the Transactions.

6.5 Reasonable Efforts; Cooperation.

(a) Subject to the other terms of this Agreement, each Party shall, and shall cause its Subsidiaries to, use its and their respective reasonable best efforts to perform its and their respective obligations hereunder and to take, or cause to be taken, and do, or cause to be done, all things necessary, proper or advisable to cause the Transactions to be effected as soon as practicable, but in any event on or prior to the Outside Date, in accordance with the terms hereof and to cooperate with each other Party, its Affiliates and its and their respective Advisors in connection with any step required to be taken as a part of its obligations hereunder. Notwithstanding the foregoing or anything else herein to the contrary, the “reasonable best efforts” of Sellers will not require Sellers or any of its Affiliates or other Seller Parties to expend any money to remedy any breach of any representation or warranty, to commence any Action, to waive or surrender any right, to modify any Contract or to waive or forego any right, remedy or condition hereunder. For the avoidance of doubt, the Parties agree that the foregoing cannot be construed to create any obligation on any of the aforementioned Advisors to take or refrain from taking any action, absent an express contractual requirement to do so, nor can any of the foregoing be construed to override existing confidentiality and other obligations owed by any Party or other Person to such Advisors.

(b) The obligations of Sellers pursuant to this Agreement, including this Section 6.5, shall be subject to any Orders entered, or approvals or authorizations granted or required, by or under (i) the Bankruptcy Court or the Bankruptcy Code (including in connection with the Bankruptcy Cases) and (ii) the Canadian Court or the CCAA (including in connection with the Canadian Recognition Proceedings), Sellers’ debtor-in-possession financing, and Sellers’ obligations as debtors in possession to comply with any Order of the Bankruptcy Court (including the Bidding Procedures Order and the Sale Order), any Order of the Canadian Court (including the Canadian Bidding Procedures Recognition Order and the Canadian Sale Recognition Order), and Sellers’ duty to seek and obtain the highest or otherwise best price for the Acquired Assets as required by the Bankruptcy Code.

6.6 Financing.

(a) Purchaser shall use its reasonable best efforts to obtain the Financing on the terms and conditions (including the flex provisions) described in the Debt Commitment Letter as promptly as practicable and shall not permit any amendment or modification to be made to, or any waiver of any provision under, the Debt Commitment Letter, if such amendment, modification or waiver (i) reduces (or could have the effect of reducing) the aggregate amount of the Financing (including by increasing the amount of fees to be paid or original issue discount, unless the portion of the Specified Uses to be funded using cash on hand is increased by a corresponding amount) or (ii) imposes new or additional conditions or otherwise expands, amends or modifies any of the conditions to the Financing, or otherwise expands, amends or modifies any other provision of the Debt Commitment Letter, in a manner that would reasonably be expected to (A) delay or prevent or make less likely the funding of the Financing (or satisfaction of the conditions to the Financing) on the Closing Date or (B) adversely impact the ability of Purchaser to enforce their rights against other parties to the Debt Commitment Letter or the definitive agreements with respect thereto. Purchaser shall promptly deliver to Yellow copies of any such amendment, modification or replacement. For purposes of this Section 6.6(a), references to “Financing” shall include the financing contemplated by the Debt Commitment Letter as permitted to be amended, modified or replaced by Section 6.6(d), and references to “Debt Commitment Letter” shall include such documents as permitted to be amended, modified or replaced by this Section 6.6(d).

(b) Purchaser shall use its reasonable best efforts (i) to comply with and maintain in effect the Debt Commitment Letter, (ii) to negotiate and enter into definitive agreements with respect to the Debt Commitment Letter on the terms and conditions (including the flex provisions) contained in the Debt Commitment Letter (or on terms no less favorable to Purchaser than the terms and conditions (including flex provisions) contained in the Debt Commitment Letter), (iii) to satisfy on a timely basis all conditions to funding in the Debt Commitment Letter and such definitive agreements with respect thereto and consummate the Financing upon the satisfaction of the conditions set forth in Section 7.1 and Section 7.2, and (iv) to enforce its rights under the Debt Commitment Letter.

(c) Purchaser shall keep Yellow informed on a current basis and in reasonable detail of the status of its efforts to arrange the Financing and provide promptly to Yellow copies of the material definitive agreements for the Financing. Without limiting the generality of the foregoing, Purchaser shall give Yellow prompt notice (i) of any breach or default (or any event that, with or without notice, lapse of time or both, would reasonably be expected to give rise to any default or breach) by any party to the Debt Commitment Letter or definitive agreements related to the Financing of which Purchaser or any of its affiliates become aware, or (ii) of the receipt of written notice from any Lender with respect to any (A) actual or potential breach, default, termination or repudiation by any party to the Debt Commitment Letter or definitive agreements related to the Financing or any provisions of the Debt Commitment Letter or definitive agreements related to the Financing or (B) material dispute or disagreement between or among any parties to the Debt Commitment Letter or definitive agreements related to the Financing, in the case of each of the foregoing clauses (i) and (ii) to the extent that such breach, default, or disagreement would reasonably be expected to result in the Purchaser being unable to obtain all or any material portion of the Financing. As soon as reasonably practicable, but in any event within two Business Days of the date Sellers deliver to Purchaser a written request, Purchaser shall provide any information

reasonably requested by Sellers relating to any circumstance referred to in clauses (i) or (ii) of the immediately preceding sentence.

(d) Upon the occurrence of any circumstance referred to in clauses (i) or (ii) of Section 6.6(c), or if any portion of the Financing otherwise becomes unavailable or Purchaser becomes aware of any event or circumstance that would reasonably be expected to make any portion of the Financing becoming unavailable, Purchaser shall use its reasonable best efforts to arrange and obtain in replacement thereof alternative financing from alternative sources in an amount sufficient to consummate the Transactions with terms and conditions not materially less favorable to Purchaser or its Affiliates (taking into account the flex provisions as set forth in the Debt Commitment Letter) than the terms and conditions set forth in the Debt Commitment Letter, as applicable, as promptly as reasonably practicable following the occurrence of such event. Purchaser shall deliver to Sellers true and complete copies of any commitment letter or other Contract pursuant to which any such alternative source shall have committed to provide any portion of the Financing and such commitment letter or other Contract shall be a “Debt Commitment Letter” for all purposes hereunder. Purchaser acknowledges and agrees that the obtaining of the Financing, or any alternative financing, is not a condition to Closing.

(e) From and after the SH Approval Date and prior to the Closing, Sellers and their subsidiaries shall use their respective commercially reasonable best efforts to provide or cause to be provided, and to cause their respective Advisors to provide or cause to be provided, to Purchaser, in each case, at Purchaser’s sole expense, all customary cooperation and all customary financial information reasonably requested by Purchaser in connection with the Financing (in each case, provided that such requested cooperation does not unreasonably interfere with the ongoing operations of Sellers). All non-public information regarding Sellers provided to Purchaser, its affiliates, its potential lenders and investors or its Advisors pursuant to this Section 6.6(e) shall be kept confidential by them in accordance with the Confidentiality Agreement or confidentiality provisions comparable to those set forth in the Confidentiality Agreement. None of Sellers shall be required to disclose any information that is subject to attorney-client or similar privilege. None of Sellers shall be required to take any action pursuant to this Section 6.6(e) that would subject it to actual or potential liability for which it would not be indemnified hereunder or to bear any cost or expense or to pay any commitment or other fee or provide or agree to provide any indemnity in connection with the Financing or any of the foregoing prior to the Closing. Purchaser shall indemnify and hold harmless the Seller Parties from and against any and all liabilities, losses, damages, claims, costs, expenses, interest, awards, judgments and penalties suffered or incurred by them in connection with this Section 6.6(e) and any information utilized in connection therewith. Purchaser shall, promptly upon request by Yellow, reimburse Sellers for all reasonable out-of-pocket costs incurred by them in connection with this Section 6.6(e).

6.7 De-Branding. As soon as reasonably practicable, but in no event more than sixty (60) days after the Closing, Purchaser or Designated Purchaser, as applicable, shall take all actions necessary to remove or obscure any of Sellers’ identifiable trademarks, tradenames, trade dress, branding, signage, or other usage of any Seller’s trademarks, business names and logos located on or about the Acquired Real Property, including all uses of the name “Yellow” and Yellow’s trademarks.

6.8 Further Assurances. From time to time, as and when requested by any Party and at such requesting Party's expense, any other Party will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions as such requesting Party may reasonably deem necessary or desirable to evidence and effectuate the Transactions. In furtherance of the foregoing, in order to facilitate the timely registration of any Acquired Real Property in accordance with this Agreement and local land registry office requirements, the Parties shall agree upon the fair market value of each Acquired Real Property and each Party hereto will execute and deliver, or cause to be executed and delivered, at the requesting Party's expense, such reasonable and typical affidavits, conveyances and/or filings as the local land registry office may require and to which the requested Party has no reasonable objection. However, while each of the Parties will co-operate in connection with the foregoing, notwithstanding the foregoing co-operation, said co-operation and the resulting affidavits, conveyances and/or filings shall not in itself, in any manner: (x) increase or decrease the scope or any other aspect of any Party's representations or warranties and/or other obligations contained in this Agreement; and (y) result in a requested Party incurring any additional third party costs or expenses (other than its own legal fees which it shall continue to be solely responsible for bearing).

6.9 Insurance Matters. Purchaser acknowledges that, subject to the next sentence, upon Closing, all nontransferable insurance coverage provided in relation to any Seller and the Acquired Assets that is maintained by such Seller or its Affiliates (whether such policies are maintained with third party insurers or with Seller or its Affiliates) shall cease to provide any coverage to Purchaser and the Acquired Assets and no further coverage shall be available to Purchaser or the Acquired Assets under any such policies. From and after the Closing, Purchaser shall have the right to make claims and the right to any proceeds with respect to any matter solely to the extent related to the Acquired Assets or Assumed Liabilities under any insurance policies for occurrence-based claims insuring to the benefit of Sellers or any of their Affiliates for periods prior to the Closing, and Sellers shall use reasonable efforts to seek recovery or allow Purchaser to seek recovery under such insurance policies, and Seller shall cooperate with Purchaser's reasonable requests if it seeks recovery, with respect to such matters and shall remit (or, at Purchaser's request, direct any such insurer to pay directly to Purchaser) any insurance proceeds actually obtained therefrom (net of Sellers' reasonable and documented out-of-pocket costs and expenses of seeking such recovery, to the extent not otherwise paid or reimbursed by Purchaser) to Purchaser or its designee.

6.10 Guarantees. Purchaser acknowledges that in the course of conduct of their business, Sellers and their Affiliates may have entered into various arrangements (a) in which guarantees, letters of credit, sureties, bonds or similar arrangements were issued by Sellers or their Affiliates and (b) in which Sellers or their Affiliates are the primary obligors on other Contracts, in any such case to support or facilitate such business. The arrangements entered into by Sellers or their Affiliates referred to in the foregoing clauses (a) and (b), solely to the extent relating to any Acquired Assets or Assumed Liabilities set forth in Schedule 6.10, are referred to as the "Seller Support Obligations". It is understood that the Seller Support Obligations are not intended to continue after the Closing. Purchaser agrees that it shall use its reasonable best efforts to obtain replacements for the Seller Support Obligations (which shall include the full and unconditional release of Sellers and their Affiliates) that will be in effect at the Closing or, in the case of Seller Support Obligations described in the foregoing clause (b), will use its commercially reasonable efforts to arrange for itself or one of its Subsidiaries to be substituted as the primary obligor thereon

as of the Closing through an assumption, accession, acknowledgement or similar agreement (which shall include the full and unconditional release of Sellers and their Affiliates) with the beneficiary of the applicable Seller Support Obligation. Whether or not Purchaser is able to satisfy the terms of the immediately preceding sentence, Purchaser shall indemnify Sellers and their Affiliates and each of their respective officers, directors, employees, agents and representatives from and against any and all Liabilities incurred by any of them relating to the Seller Support Obligations. Purchaser agrees that, with respect to any Seller Support Obligation, its reasonable best efforts pursuant to this Section 6.10 shall include, if requested, the execution and delivery by Purchaser, or by an Affiliate of Purchaser acceptable to the beneficiary of such Seller Support Obligation, of a replacement guarantee that is substantially in the form of such Seller Support Obligation. All costs and expenses incurred in connection with providing the release or substitution of the Seller Support Obligations shall be borne by Purchaser.

6.11 Receipt of Misdirected Assets; Liabilities.

(a) From and after the Closing, if any Seller or any of its respective Affiliates receives any right, property or asset that is an Acquired Asset, the applicable Seller shall promptly transfer or cause such of its Affiliates to transfer such right, property or asset (and shall promptly endorse and deliver any such asset that is received in the form of cash, checks or other documents) to Purchaser, and such asset will be deemed the property of Purchaser held in trust by such Seller for Purchaser until so transferred. From and after the Closing, if Purchaser or any of its Affiliates receives any right, property or asset that is an Excluded Asset, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such asset (and shall promptly endorse and deliver any such right, property or asset that is received in the form of cash, checks, or other documents) to the applicable Seller, and such asset will be deemed the property of such Seller held in trust by Purchaser for such Seller until so transferred.

(b) From and after the Closing, if any Seller or any of its Affiliates is subject to a Liability that should belong to Purchaser or its Affiliates pursuant to the terms of this Agreement, such Seller shall promptly transfer or cause such of its Affiliates to transfer such Liability to Purchaser, and Purchaser shall assume and accept such Liability. From and after the Closing, if Purchaser or any of its Affiliates is subject to a Liability that should belong to a Seller or its Affiliates pursuant to the terms of this Agreement, Purchaser shall promptly transfer or cause such of its Affiliates to transfer such Liability to the applicable Seller or its Affiliates, and such Seller or its Affiliates shall assume and accept such Liability.

6.12 Acknowledgment by Purchaser. Notwithstanding the foregoing or anything else contained herein or elsewhere to the contrary:

(a) Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that it has conducted to its full satisfaction an independent investigation and verification of the business (including its financial condition, results of operations, assets, Liabilities, properties, Contracts, zoning, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects) of Sellers, and the Acquired Assets and the Assumed Liabilities, and, in making its determination to proceed with the Transactions, Purchaser and the Purchaser Group have relied solely, are relying, and will rely, solely, on the Express Representations and the results of the Purchaser Group's own

independent investigation and verification and have not relied on, are not relying on, and will not rely on, any information, statements, disclosures, documents, projections, forecasts or other material made available to Purchaser or any of its Affiliates or Advisors in the Dataroom, any Information Presentation, or any other information, statements, disclosures or materials, in each case, whether written or oral, made or provided by or on behalf of any Seller or any other Seller Party, or any failure of any of the foregoing to disclose or contain any information, except for the Express Representations. Purchaser acknowledges and agrees, on its own behalf and on behalf of the Purchaser Group, that (i) the Express Representations are the sole and exclusive representations, warranties and statements of any kind made to Purchaser or any member of the Purchaser Group and on which Purchaser or any member of the Purchaser Group may rely in connection with the Transactions and (ii) all other representations, warranties and statements of any kind or nature expressed or implied, statutory, whether in written, electronic or oral form, including (A) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Representations) including in the Dataroom, Information Presentation, meetings, calls or correspondence with management of any Seller, any of the Seller Parties or any other Person on behalf of any Seller or any of the Seller Parties or any of their respective Affiliates or Advisors and (B) any other statement relating to the historical, current or future business, financial condition, results of operations, assets, Liabilities, properties, Contracts, environmental, health or safety conditions and compliance, employee matters, regulatory compliance, business risks and prospects of the Sellers, or the quality, quantity or condition of any of the Acquired Assets, are, in each case, specifically disclaimed by each Seller, on its behalf and on behalf of the Seller Parties. Purchaser, on its own behalf and on behalf of the Purchaser Group: (1) disclaims reliance on the items in clause (ii) in the immediately preceding sentence; and (2) acknowledges and agrees that it has relied on, is relying on and will rely on only the items in clause (i) in the immediately preceding sentence.

(b) Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that it will not assert, institute, or maintain, and will cause each member of the Purchaser Group not to assert, institute or maintain, any Action that makes any claim contrary to the agreements and covenants set forth in this Section 6.12. Purchaser acknowledges and agrees, on its own behalf and on behalf of the members of Purchaser Group, that the covenants and agreements contained in this Section 6.12 (i) require performance after the Closing to the maximum extent permitted by applicable Law and (ii) are an integral part of the Transactions and that, without these agreements set forth in this Section 6.12, Sellers would not enter into this Agreement.

6.13 Removal of Trucks, Trailers, Other Rolling Stock, and Other Assets. On or before the Closing Date, Sellers and Purchaser shall reasonably agree on Acquired Real Property locations to which the trucks, trailers and other rolling stock of Sellers (collectively, the “Rolling Stock”) shall be consolidated to in order to permit a timely and organized disposition of such Rolling Stock. As a post-Closing covenant, and not as a Closing condition, all Rolling Stock shall have been removed from the Acquired Real Property within thirty (30) days after the Closing Date or such other period as the Parties may agree; provided that, if at the end of such period, there remains any Acquired Real Property that Sellers have not fully vacated in accordance with this Section 6.13, Sellers shall pay Purchaser a license fee per month thereafter (until so vacated) in the amount of a fair market rental rate per month equal to 0.7% of the Purchase Price of those properties occupied by Sellers (as determined by the Allocation pursuant to Section 9.2 of this

Agreement) plus all pro-rated real estate taxes with respect to such occupied properties, for up to two additional months. If Sellers have not vacated such properties in accordance with this Section 6.13 by the end of the second additional month, the fair market rental rate per month for each additional month shall be 0.8% of the Purchase Price of those properties occupied by Sellers (as determined by the Allocation pursuant to Section 9.2 of this Agreement) plus all pro-rated real estate taxes with respect to such occupied properties, for up to two additional months. If Sellers have not vacated such properties by the end of the fourth additional month, the fair market rental rate per month thereafter shall be 1.0% of the Purchase Price of those properties occupied by Sellers (as determined by the Allocation pursuant to Section 9.2 of this Agreement) plus all pro-rated real estate taxes with respect to such occupied properties. No additional extensions shall be considered unless both Parties agree to such extension in writing. Sellers shall be responsible for Purchaser's reasonable legal expenses and other costs incurred by Purchaser in order to cause the disposition and/or removal of any remaining Rolling Stock from any Acquired Real Property. During the foregoing time periods, Purchaser shall permit Sellers with reasonable access and upon reasonable advance notice and during regular business hours to the Acquired Real Property to (or to permit any third party to) remove the Rolling Stock and any other Excluded Assets located thereon. Should Sellers authorize any third party be sent to the Acquired Real Property to remove the Rolling Stock or any other Excluded Assets, prior to any third party entering the Acquired Real Property for any purpose, such party shall deliver to Purchaser evidence of the following insurance coverage: (i) workers' compensation insurance in accordance with applicable law, (ii) commercial general liability insurance with limits of at least Two Million Dollars (\$2,000,000.00) for bodily or personal injury or death, and (iii) property damage insurance in the amount of at least Two Million Dollars (\$2,000,000.00). Sellers or any third party shall deliver to Purchaser evidence of all insurance coverages required to be maintained. Each insurance policy required to be maintained shall be written by a reputable insurance company having a rating of at least "A-VII" by Best's Rating Guide (or a comparable rating by a successor rating service) and name Purchaser as an additional insured thereunder. Purchaser shall have the right, in its discretion, to accompany any third party during any entry of the Acquired Real Property or any portion thereof.

6.14 Access. Sellers shall use reasonable best efforts to collect all access keys, cards or codes, lock combinations, security codes or other entry system codes or passwords pertaining to physical access to each parcel of the Acquired Real Property and improvements thereon and to deliver the foregoing to Purchaser at the Closing, and to the extent that any of the foregoing are not located or delivered as of the Closing, Sellers shall continue to use reasonable best efforts to locate the foregoing and cooperate in all respects with Purchaser in obtaining the same or substitutes therefor.

6.15 Tax Elections. At the request of Purchaser, Purchaser (or any applicable Designated Purchaser) and applicable Seller shall, to the extent applicable, jointly make an election under subsection 20(24) of the *Income Tax Act* (Canada) and the corresponding provisions of any applicable Canadian provincial income tax statute, in respect of amounts for future obligations and shall timely file such election(s) with the appropriate Governmental Body. To the extent applicable for Canadian Tax purposes, such Seller and such Purchaser acknowledge that a portion of the Acquired Assets was transferred to such Purchaser as payment by such Seller to such Purchaser for the assumption by such Purchaser of any such future obligations of such Seller. Sellers and Purchaser (or any applicable Designated Purchaser) shall make and timely file such other elections

under the *Income Tax Act* (Canada), and any other applicable Canadian provincial Tax legislation with respect to such purchase and sale as are reasonably requested by Purchaser.

ARTICLE VII CONDITIONS TO CLOSING

7.1 Conditions Precedent to the Obligations of Purchaser and Sellers. The respective obligations of each Party to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Sellers and Purchaser) on or prior to the Closing Date, of each of the following conditions:

(a) the expiration or termination of any required waiting period under the HSR Act or any other Antitrust Law set forth in Schedule 7.1 applicable to the Transactions, Competition Act Approval and CTA Approval, if required, and the receipt of any required approval related to the Transactions under any other Antitrust Law set forth in Schedule 7.1;

(b) no Governmental Body of competent jurisdiction shall have issued, enacted, entered, promulgated or enforced any Order (including any temporary restraining Order or preliminary or permanent injunction) or Law restraining, enjoining or otherwise prohibiting the Closing that is continuing in effect;

(c) the Bankruptcy Court shall have entered the Sale Order, which shall have become final and non-appealable and shall not have been stayed, reversed, or modified in a manner not acceptable to the Parties; and

(d) the Canadian Court shall have entered the Canadian Sale Recognition Order, which shall have become final and non-appealable and shall not have been stayed, reversed, or modified in a manner not acceptable to the Parties.

7.2 Conditions Precedent to the Obligations of Purchaser. The obligations of Purchaser to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Purchaser in its sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) (i) the representations and warranties made by Sellers in Article III (in each case, other than the Fundamental Representations and other than the representations and warranties set forth in Section 3.4) shall be true and correct in all respects as of the Closing Date as though made on and as of the Closing Date, except (A) that representations and warranties that are made as of a specified date need be true and correct in all respects only as of such date and (B) to the extent the failure of such representations and warranties to be true and correct as of such dates has not had a Material Adverse Effect and (ii) the representations and warranties set forth in Section 3.1, Section 3.2 and Section 3.7 (collectively, the “Fundamental Representations”) shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except that such Fundamental Representations that are made as of a specified date need be true and correct in all material respects only as of such date;

(b) the representations and warranties set forth in Section 3.4 shall be true and correct in all respects as of the Closing Date with respect to each parcel of the Acquired Real

Property, provided that in the event the foregoing condition is not satisfied as of the Closing Date with respect to any individual parcel of Acquired Real Property, Purchaser's sole recourse shall be, at Purchaser's option, to exclude such individual parcel of Acquired Real Property from the Acquired Assets and proceed with the Closing; provided further that (Y) prior to excluding any such parcel, Purchaser shall notify Sellers of the failure of the foregoing condition to be satisfied, together with Purchaser's basis therefor and supporting evidence thereof, and provide Sellers with reasonable opportunity to cure such failure and (Z) in the event that any individual parcel or parcels of Acquired Real Property are excluded from the Acquired Assets pursuant to the immediately preceding proviso, the Purchase Price shall be reduced by an amount equal to:

(i) if any individual parcel or parcels of Acquired Real Property are subject to one or more Qualified Bids (as defined in the Bidding Procedures Order and as may be improved upon at the Auction), the greater of (A) the value of the highest Qualified Bid in the Auction pertaining to such parcel or parcels and (B) the highest value allocated to such parcel or parcels in connection with a Qualified Bid in the Auction for a package of Acquired Real Property that includes such parcel or parcels;

(ii) if (i) is not applicable, but the Sellers otherwise have a binding offer or Contract for such parcel or parcels, the value in such binding offer or Contract;

(iii) if neither (i) nor (ii) is applicable, and solely for the purposes of this proviso and the proviso to Section 8.1(e), that portion of the Purchase Price equal to the product of the percentage set forth for such parcel or parcels on Schedule 7.2(b)(iii) *multiplied* by the total Purchase Price (the "Pro Rated Amount"); or

(iv) as may otherwise be mutually agreed upon in writing between the Parties;

(c) Sellers shall not have breached in a manner that is material with respect to the Transactions, taken as a whole, the covenants required to be performed or complied with by Sellers under this Agreement on or prior to Closing; and

(d) Purchaser shall have received on and as of the Closing Date a certificate of an authorized officer of Sellers confirming that the conditions set forth Section 2.4 have been satisfied.

(e) As of the Closing Date, no right of first refusal relating to any individual parcel or parcels of Acquired Real Property shall have been exercised, and the deadline to exercise any such right of first refusal shall have expired. In the event that the foregoing condition is not satisfied as of the Closing Date, Purchaser may elect, in its sole and absolute discretion, to exclude such individual parcel or parcels of Acquired Real Property from the Acquired Assets and proceed with the Closing, with the Purchase Price to be reduced by an amount determined pursuant to the methodology set forth in Section 7.2(b) hereof.

7.3 Conditions Precedent to the Obligations of Sellers. The obligations of Sellers to consummate the Closing are subject to the satisfaction (or to the extent permitted by Law, written waiver by Sellers in their sole discretion), on or prior to the Closing Date, of each of the following conditions:

(a) the representations and warranties made by Purchaser in Article IV shall be true and correct in all material respects as of the Closing Date as though made on and as of the Closing Date, except that representations and warranties that are made as of a specified date need be true and correct in all material respects only as of such date;

(b) Purchaser shall not have breached in a manner that is material with respect to the Transactions, taken as a whole, the covenants required to be performed or complied with by it under this Agreement on or prior to the Closing Date; and

(c) Sellers shall have received on and as of the Closing Date a certificate of an authorized officer of Purchaser confirming that the conditions set forth in Section 2.5 have been satisfied.

7.4 Waiver of Conditions. Upon the occurrence of the Closing, any condition set forth in this Article VII that was not satisfied as of the Closing will be deemed to have been waived for all purposes by the Party having the benefit of such condition as of and after the Closing. None of Purchaser or Sellers may rely on the failure of any condition set forth in this Article VII, as applicable, to be satisfied if such failure was caused by such Party's failure to perform any of its obligations under this Agreement, including its obligation to use its reasonable best efforts to consummate the Transactions as required under this Agreement.

7.5 Information Officer's Certificate. When the conditions to Closing set forth in Sections 7.1, 7.2, and 7.3 have been satisfied or waived by the Sellers and the Purchaser, as applicable, the Sellers and the Purchaser will each deliver to the Information Officer the certificates referred to in Section 7.2(d) and 7.3(c) applicable (the "Conditions Certificate"). Upon receipt of each of the Conditions Certificates, the Information Officer shall: (a) issue forthwith the Information Officer's Certificate concurrently to the Sellers and the Purchasers, at which time the Closing in respect of the Acquired Assets of the Canadian Seller will be deemed to have occurred, and the Acquired Assets of the Canadian Seller shall vest in and to the Purchaser; and (b) file as soon as practicable a copy of the Information Officer's Certificate with the Canadian Court (and shall provide a true copy of such filed certificate to the Sellers and the Purchaser). The Parties hereto acknowledge and agree that the Information Officer shall be entitled to file the Information Officer's Certificate with the Canadian Court without independent investigation upon receiving the Conditions Certificates, and the Information Officer will be relying exclusively on the basis of the Conditions Certificates and without any obligation whatsoever to verify the satisfaction or waiver of the applicable conditions and shall have no liability to Sellers or the Purchasers or any other Person as a result of filing the Information Officer's Certificate upon receiving such Conditions Certificates.

ARTICLE VIII TERMINATION

8.1 Termination of Agreement. This Agreement may be terminated at any time prior to the Closing only in accordance with this Section 8.1, and in no other matter:

(a) by the mutual written consent of Sellers and Purchaser;

(b) by written notice of either Purchaser or Sellers to the other, if there is in effect any Law or Order enacted or issued by a Governmental Body of competent jurisdiction that restrains, enjoins, declares unlawful or otherwise prohibits the consummation of the Closing or declaring unlawful the Transactions, and such Law or Order has become final, binding and non-appealable; provided that no Party may terminate this Agreement under this Section 8.1(b) if the issuance of such Order was sought or requested by such Party or caused by such Party's failure to perform any of its obligations under this Agreement;

(c) by written notice of either Purchaser or Sellers, if the Closing shall not have occurred on or before February 6, 2024; provided, however, that such date may be extended one time for an additional thirty (30) calendar days upon the mutual agreement of Purchaser and Yellow, and, if so extended, Sellers shall pay to Purchaser an extension fee in the amount of \$2,000,000, which may be applied as a credit towards the Purchase Price if Purchaser is the Successful Bidder (the "Outside Date") (or such later date as provided in Section 10.12); provided that a Party shall not be permitted to terminate this Agreement pursuant to this Section 8.1(c) if the failure of the Closing to have occurred by the Outside Date was caused by such Party's failure to perform any of its obligations under this Agreement;

(d) by written notice from Sellers to Purchaser, upon a breach of any covenant or agreement on the part of Purchaser, or if any representation or warranty of Purchaser will have become untrue, in each case, such that the conditions set forth in Section 7.3(a) or 7.3(b) would not be satisfied, including a breach of Purchaser's obligation to consummate the Closing; provided that (i) if such breach is curable by Purchaser (other than a breach or failure by Purchaser to close when required pursuant to Section 2.3) then Sellers may not terminate this Agreement under this Section 8.1(d) for so long as Purchaser continues to exercise reasonable best efforts to cure such breach unless such breach has not been cured by the date which is the earlier of (A) two Business Days prior to the Outside Date and (B) 15 days after Sellers notify Purchaser of such breach and (ii) Sellers' right to terminate this Agreement pursuant to this Section 8.1(d) will not be available to Sellers at any time that Sellers are in material breach of, any covenant, representation or warranty hereunder;

(e) by written notice from Purchaser to Sellers, upon a breach of any covenant or agreement on the part of Sellers, or if any representation or warranty of the Sellers will have become untrue, in each case, such that the conditions set forth in Section 7.2(a) or 7.2(c) would not be satisfied; provided that:

(i) if such breach is curable by Sellers (other than a breach or failure by Sellers to close when required pursuant to Section 2.3) then Purchaser may not terminate this Agreement under this Section 8.1(e) for so long as Sellers continue to exercise reasonable best efforts to cure such breach unless such breach has not been cured by the date which is the earlier of (A) two Business Days prior to the Outside Date and (B) 20 days after Purchaser notifies Sellers of such breach;

(ii) with respect to any representation or warranty set forth in Section 3.4, Purchaser shall not be entitled to terminate this Agreement, but rather shall be entitled solely to exclude from the Closing any specific individual parcel of Acquired Real Property with respect to which such representations or warranties are not true at the time

of the Closing; provided further that in the event that any individual parcel or parcels of Acquired Real Property are excluded from the Acquired Assets pursuant to this clause (ii), the Purchase Price shall be reduced by an amount equal to: (A) if any individual parcel or parcels of Acquired Real Property are subject to one or more Qualified Bids (as defined in the Bidding Procedures Order and as may be improved upon at the Auction), the greater of (I) the value of the highest Qualified Bid in the Auction pertaining to such parcel or parcels and (II) the highest value allocated to such parcel or parcels in connection with a Qualified Bid in the Auction for a package of Acquired Real Property that includes such parcel or parcels; (B) if (A) is not applicable but the Sellers otherwise have a binding offer or Contract for such parcel or parcels, the value in such binding offer or Contract; (C) if neither (A) nor (B) is applicable, the Pro Rated Amount, or (D) as may otherwise be mutually agreed upon in writing between the Parties; and

(iii) the right to terminate this Agreement pursuant to this Section 8.1(e) will not be available to Purchaser at any time that Purchaser is in material breach of, any covenant, representation or warranty hereunder;

(f) by written notice from Sellers to Purchaser, if all of the conditions set forth in Sections 7.1 and 7.2 have been satisfied (other than conditions that by their nature are to be satisfied at the Closing, but which conditions are capable of being satisfied) or waived and Purchaser fails to complete the Closing at the time required by Section 2.3;

(g) by written notice from Sellers to Purchaser, if any Seller or the board of directors (or similar governing body) of any Seller determines that proceeding with the Transactions or failing to terminate this Agreement would be inconsistent with its or such Person's or body's fiduciary duties;

(h) by written notice of either Purchaser or Sellers, if, prior to termination of this Agreement pursuant to another provision of this Section 8.1, (i) any Seller enters into one or more Alternative Transactions with one or more Persons other than Purchaser or the Successful Bidder or the Backup Bidder at the Auction or (ii) the Bankruptcy Court approves an Alternative Transaction other than with the Successful Bidder or the Backup Bidder; or

(i) by written notice from either Purchaser or Sellers, if Purchaser is not the Successful Bidder or the Backup Bidder at the Auction;

(j) by written notice from Sellers to Purchaser if the Debt Commitment Letter is not duly executed and delivered by Purchaser and the Lenders in accordance with Section 4.4(d) on (or prior to) the SH Approval Date (if any); and

(k) by written notice from Purchaser to Sellers, if for any reason the SH Approval Date has not occurred on or prior to September 22, 2023. For the avoidance of doubt, the Parties agree that in the event of termination of this Agreement pursuant to this Section 8.1(k), then the Deposit shall be returned to Purchaser in accordance with Section 2.2(c) of this Agreement absent further order of court and this Agreement shall not constitute a bid in the Auction.

8.2 Effect of Termination.

(a) In the event of termination of this Agreement in accordance with Article VIII, this Agreement shall forthwith become null and void and no Party or any of its partners, officers, directors, managers or equityholders will have any Liability under this Agreement; provided that Section 2.2, Section 6.2(b), Section 6.6(e), Section 6.12, this Section 8.2 and Article X shall survive any such termination; provided further that no termination will relieve Purchaser from any Liability for damages, losses, costs or expenses (which the Parties acknowledge and agree shall not be limited to reimbursement of expenses or out-of-pocket costs, and would include the benefits of the Transactions lost by Sellers (taking into consideration all relevant matters, including other combination opportunities and the time value of money), which shall be deemed in such event to be damages of Sellers) resulting from any Willful Breach of this Agreement prior to the date of such termination (which, for the avoidance of doubt, will be deemed to include any failure by Purchaser to consummate the Closing if and when it is obligated to do so hereunder). Subject to Section 10.12, nothing in this Section 8.2 will be deemed to impair the right of any Party to be entitled to specific performance or other equitable remedies to enforce specifically the terms and provisions of this Agreement.

(b) If this Agreement is terminated other than (i) by the Sellers pursuant to Section 8.1(c), Section 8.1(f), or Section 8.1(j) or (ii) pursuant to Sections 8.1(a), 8.1(b), 8.1(d), or 8.1(k), then the Sellers will pay to Purchaser by wire transfer of immediately available funds within three (3) Business Days following such termination of this Agreement an amount equal to the reasonable and documented out-of-pocket costs and expenses (including fees and expenses of counsel) incurred by Purchaser in connection with the negotiation, diligence, execution, performance and enforcement of this Agreement, which amount will shall not exceed \$1,600,000 ("Expense Reimbursement").

(c) In consideration for Purchaser having expended considerable time and expense in connection with this Agreement and the negotiation thereof, if this Agreement is terminated pursuant to Section 8.1(e), 8.1(g), 8.1(h), or 8.1(i), Yellow shall pay to Purchaser a break-up fee in an amount equal to \$7,500,000 (the "Breakup Fee") plus, to the extent not previously paid, the Expense Reimbursement; provided that the Breakup Fee shall be payable concurrently with the consummation of, and only out of the cash proceeds of, an Alternative Transaction, to an account designated by Purchaser in writing to Yellow and, for the avoidance of doubt, each of the Breakup Fee and the Expense Reimbursement, if any, shall be payable only once. Each of the Parties acknowledges and agrees that the agreements contained in this Section 8.2 are an integral part of this Agreement and that the Expense Reimbursement and the Breakup Fee are not a penalty, but rather represent liquidated damages in a reasonable amount that will reasonably compensate Purchaser in the circumstances in which Expense Reimbursement or Breakup Fee, as applicable, is payable for the efforts and resources expended and opportunities foregone by Purchaser while negotiating and pursuing this Agreement and in reasonable reliance on this Agreement and on the reasonable expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision.

(d) Subject in all cases to Section 10.12, prior to the Closing, in the event of any breach by any Seller of this Agreement, the sole and exclusive remedy of Purchaser shall be to terminate this Agreement in accordance with Section 8.1 and, if applicable, to receive the and

Expense Reimbursement or the Breakup Fee, as applicable, in accordance with Section 8.2. Pursuant to the Bidding Procedures Order and subject to approval by the Bankruptcy Court, the claim of Purchaser in respect of the Expense Reimbursement or the Breakup Fee is and constitutes an allowed administrative expense claim against Sellers under sections 503 and 507(b) of the Bankruptcy Code in the Bankruptcy Case.

(e) For the avoidance of doubt, and notwithstanding anything to the contrary herein, the provisions of Section 8.2(b), Section 8.2(c), and Section 8.2(d) shall terminate automatically and be of no further force and effect upon any termination pursuant to Section 8.1(j) or Section 8.1(k).

ARTICLE IX TAXES

9.1 Transfer Taxes. Any U.S. federal, Canadian federal, state, provincial, local, municipal, and non-U.S. sales, consumption sales, goods and services, harmonized sales, use, excise, value added, registration, real property, deed, land transfer, retail sales, mutations, purchase, transfer, franchise, deed, fixed asset, stamp, documentary stamp, duties on the transfer of immovables or other Taxes and recording charges (including all related interest, penalties, and additions to any of the foregoing) payable by reason of the purchase or sale of the Acquired Assets or the assumption of the Assumed Liabilities under this Agreement or the Transactions (the “Transfer Taxes”) shall be borne and timely paid by Purchaser, and Purchaser shall timely file all Tax Returns related to any Transfer Taxes with the appropriate Taxing Authority. Purchaser or Designated Purchaser shall pay any Transfer Taxes to the Sellers or directly to the relevant Governmental Body as and when required under applicable Law. Notwithstanding the foregoing, and in accordance with subsections 221(2) and 228(4) of the Excise Tax Act (Canada) and sections 423 and 438 of An Act respecting the Québec sales tax (Quebec), Sellers shall not collect the GST/HST and, if applicable, QST with respect to the sale of Acquired Real Property in Canada if the Purchaser or Designated Purchaser of such Acquired Real Property is duly registered under the Excise Tax Act (Canada) and, if applicable, An Act respecting the Québec sales tax (Quebec) on the Closing Date and, in that event, such Purchaser or Designated Purchaser (as applicable) shall self-assess, file GST/HST and QST returns and remit such GST/HST and QST to the appropriate Taxing Authority when and to the extent required by such legislation. Purchaser shall indemnify Sellers and the Seller Parties and hold them harmless from any liability under the Excise Tax Act (Canada) and An Act respecting the Québec sales tax (Quebec) arising because of the breach of the obligations of the Purchaser or any Designated Purchaser in respect of the sale, assignment or transfer of and Acquired Real Property in Canada, set out in this Section 9.1 or arising under such legislation.

9.2 Allocation of Purchase Price. For U.S. federal and applicable state and local and foreign income Tax purposes, including Canadian federal and provincial Tax purposes, Purchaser, Sellers, and their respective Affiliates shall allocate the Purchase Price (and any Assumed Liabilities or other amounts treated as part of the purchase price for U.S. federal income Tax purposes) among the Acquired Assets in accordance with the fair market value of the Acquired Assets (the “Allocation Methodology”). As soon as commercially practicable, but no later than thirty (30) days following the determination of the final Purchase Price, Purchaser shall provide a proposed allocation to Sellers setting forth the allocation of the Purchase Price (and other amounts

treated as part of the purchase price for U.S. federal income Tax purposes) among the Acquired Assets in accordance with the Allocation Methodology (the “Allocation”) subject to Sellers’ review and approval (such approval not to be unreasonably delayed, conditioned or withheld). Purchaser shall either: (i) incorporate any changes reasonably requested by Sellers with respect to such Allocation; provided that Sellers’ requested Allocation is acceptable to Purchaser; or (ii) within fifteen (15) days after Purchaser’s receipt of Sellers’ requested changes to the Allocation, provide written notice to Sellers that Purchaser objects to Sellers requested Allocation changes (the “Allocation Objection Notice”). If Purchaser timely delivers an Allocation Objection Notice to Sellers or alternatively, if Sellers deliver a written objection within thirty (30) days after receipt of the draft Allocation proposed by Purchaser, then Purchaser and Sellers shall negotiate in good faith to resolve any such objection, and, if Sellers and Purchaser cannot resolve such dispute within thirty (30) days of Purchaser’s receipt of Sellers’ objection, then a recognized industrial real estate brokerage firm specializing in trucking real estate mutually acceptable to Purchaser and Sellers shall resolve such dispute, with the costs of such resolution to be evenly split by Purchaser, on the one hand, and Sellers, on the other hand, and the resolution of such dispute shall be final and binding on the Parties. The Parties and their respective Affiliates shall file all Tax Returns in accordance with such Allocation (as finally determined under this Section 9.2) and not take any Tax related action inconsistent with the Allocation, in each case, unless otherwise required by a “determination” within the meaning of section 1313(a) of the Tax Code and other applicable Law.

9.3 Cooperation. Purchaser and Sellers shall reasonably cooperate, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any Action, audit, litigation, or other proceeding with respect to Taxes.

9.4 Preparation of Tax Returns and Payment of Taxes.

(a) Except as otherwise provided by Section 9.1, Sellers shall prepare and timely file (i) all Tax Returns with respect to the Acquired Assets for any Tax period ending on or before the Closing Date and (ii) all income Tax Returns of Sellers.

(b) Purchaser shall prepare and timely file all Tax Returns with respect to the Acquired Assets for any Tax period ending after the Closing Date. With respect to any Straddle Period, Purchaser shall prepare such Tax Returns consistent with past practice, and shall provide Sellers or their successors in rights, as applicable, with a draft of such Tax Returns at least 30 days prior to the filing of any such Tax Return. Purchaser shall incorporate any changes reasonably requested by Sellers with respect to such Tax Returns. Purchaser shall be responsible for paying any Taxes reflected on any Tax Return that Purchaser is obligated to prepare and file under this Section 9.4(b).

(c) Purchaser shall not file any Tax Return, file an amendment to any previously-filed Tax Return, or otherwise take any Tax position, in each case, that has the effect of increasing any Tax that is payable or otherwise borne by Sellers.

ARTICLE X MISCELLANEOUS

10.1 Non-Survival of Representations and Warranties and Certain Covenants; Certain Waivers. Notwithstanding the foregoing or anything else contained herein or elsewhere to the contrary, each of the Sellers' representations and warranties and the covenants and agreements (to the extent such covenant or agreement contemplates or requires performance by such Party prior to the Closing) of the Parties set forth in this Agreement or in any other document contemplated hereby, or in any certificate delivered hereunder or thereunder, will terminate effective immediately as of the Closing such that no claim for breach of any such representation, warranty, covenant or agreement, detrimental reliance or other right or remedy (whether in contract, in tort or at law or in equity) may be brought with respect thereto after the Closing. Each covenant and agreement that explicitly contemplates performance after the Closing, will, in each case and to such extent, expressly survive the Closing in accordance with its terms, and if no term is specified, then for five years following the Closing Date, and nothing in this Section 10.1 will be deemed to limit any rights or remedies of any Person for breach of any such surviving covenant or agreement. Purchaser and Sellers acknowledge and agree, on their own behalf, with respect to Purchaser, and on behalf of the Purchaser Group that the agreements contained in (among others) Section 6.10, Section 6.12, and this Section 10.1 require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for five years. Purchaser on behalf of itself and the other members of the Purchaser Group hereby waives all rights and remedies with respect to any environmental, health or safety matters, including those arising under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, or any other Environmental Laws, relating to this Agreement or the Transactions.

10.2 Expenses. 10.4 Binding Effect; Assignment.

(a) This Agreement shall be binding upon Purchaser and, subject to the terms of the Bidding Procedures Order and the Canadian Bidding Procedures Recognition Order (in each case, with respect to the matters covered thereby) and the entry and terms of the Sale Order and the Canadian Sale Recognition Order, Sellers, and shall inure to the benefit of and be so binding on the Parties and their respective successors and permitted assigns, including any trustee or estate representative appointed in the Bankruptcy Cases or any successor Chapter 7 cases or any trustee, receiver, or monitor appointed in any Canadian bankruptcy, proposal, receivership or CCAA proceedings in respect of any Seller, including within the Canadian Recognition Proceedings; provided that, subject to Section 10.4(b), neither this Agreement nor any of the rights or obligations hereunder may be assigned or delegated without the prior written consent of Purchaser and Yellow, and any attempted assignment or delegation without such prior written consent shall be null and void; provided further that Purchaser (subject to Purchaser remaining liable for its obligations hereunder in the event such obligations are not performed in accordance with their terms) may assign any of its rights or obligations hereunder to any of its Affiliates without the consent of any Person.

(b) At any time following entry of the Sale Order and prior to the Closing, Purchaser shall be entitled to designate, by written notice to Sellers, one or more Affiliates to (i) purchase the Acquired Assets and pay the corresponding Purchase Price amount or (ii) assume the Assumed Liabilities (any such Affiliates that shall be designated in accordance with this clause, a “Designated Purchaser”). In addition, and for the avoidance of doubt, a Designated Purchaser shall be entitled to perform any other covenants or agreements of Purchaser under this Agreement. Further notwithstanding anything in this Agreement to the contrary, Purchaser in its sole discretion may, by written notice delivered to Sellers no later than five (5) business days prior to the Closing Date, designate a Designated Purchaser to take title to any Acquired Real Property. Subject to this paragraph, this Agreement and the provisions hereof shall be binding upon each of such parties, their successors and permitted assigns and Purchaser shall remain primarily liable until the transfer to any such Designated Purchaser and the satisfaction by such Designated Purchaser of any related obligations or other Liabilities hereunder.

(c) Purchaser acknowledges and agrees to comply with the anti-collusion requirements of the Bidding Procedures Order and the Bankruptcy Code.

10.5 Amendment and Waiver. Except as set forth in Section 11.4, any provision of this Agreement or the Schedules or exhibits hereto may be (a) amended only in a writing signed by Purchaser and Sellers or (b) waived only in a writing executed by the Party against which enforcement of such waiver is sought. No waiver of any provision hereunder or any breach or

default thereof will extend to or affect in any way any other provision or prior or subsequent breach or default.

10.6 Third Party Beneficiaries. Except as otherwise expressly provided herein, nothing expressed or referred to in this Agreement will be construed to give any Person other than (i) for purposes of Section 10.7, the Non-Recourse Parties, (ii) for purposes of Section 6.6(e) and Section 6.12, the Seller Parties, and (iii) the Parties hereto and such permitted assigns, any legal or equitable right, remedy, or claim under or with respect to this Agreement or any provision of this Agreement.

10.7 Non-Recourse. This Agreement may only be enforced against, and any Action based upon, arising out of or related to this Agreement may only be brought against, the Persons that are expressly named as parties to this Agreement. Except to the extent named as a party to this Agreement, and then only to the extent of the specific obligations of such parties set forth in this Agreement, no past, present or future shareholder, member, partner, manager, director, officer, employee, Affiliate, agent or Advisor of any Party (each, a “Non-Recourse Party”) will have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or Liabilities of any of the parties to this Agreement or for any Agreement Dispute (as defined herein), and in no event shall any Party have any shared or vicarious liability, or otherwise be the subject of legal or equitable claims, for the actions, omissions or fraud (including through equitable claims (such as unjust enrichment) not requiring proof of wrongdoing committed by the subject of such claims) of any other Person.

10.8 Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under applicable Law in any jurisdiction, such provision will be ineffective only to the extent of such prohibition or invalidity in such jurisdiction, without invalidating the remainder of such provision or the remaining provisions of this Agreement or in any other jurisdiction.

10.9 Construction. The language used in this Agreement will be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction will be applied against any Person. The headings of the sections and paragraphs of this Agreement have been inserted for convenience of reference only and will in no way restrict or otherwise modify any of the terms or provisions hereof.

10.10 Schedules. The Schedules have been arranged for purposes of convenience in separately numbered sections corresponding to the sections of this Agreement; provided that each section of the Schedules will be deemed to incorporate by reference all information disclosed in any other section of the Schedules, and any disclosure in the Schedules will be deemed a disclosure against any representation or warranty set forth in this Agreement. Capitalized terms used in the Schedules and not otherwise defined therein have the meanings given to them in this Agreement. The specification of any dollar amount or the inclusion of any item in the representations and warranties contained in this Agreement, the Schedules or the attached exhibits is not intended to imply that the amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed (including whether such amounts or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course, and no Party

will use the fact of the setting of the amounts or the fact of the inclusion of any item in this Agreement, the Schedules or exhibits in any dispute or controversy between the Parties as to whether any obligation, item or matter not set forth or included in this Agreement, the Schedules or exhibits is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or are within or outside of the Ordinary Course. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in the Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. No information set forth in the Schedules will be deemed to broaden in any way the scope of the Parties' representations and warranties. Any description of any agreement, document, instrument, plan, arrangement or other item set forth on any Schedule is qualified in its entirety by the terms of such agreement, document, instrument, plan, arrangement, or item which terms will be deemed disclosed for all purposes of this Agreement. The information contained in this Agreement, in the Schedules and exhibits hereto is disclosed solely for purposes of this Agreement, and no information contained herein or therein will be deemed to be an admission by any Party to any third party of any matter whatsoever, including any violation of Law or breach of Contract.

10.11 Complete Agreement. This Agreement, together with the Confidentiality Agreement and any other agreements expressly referred to herein or therein, contains the entire agreement of the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions and supersedes all prior agreements among the Parties respecting the sale and purchase of the Acquired Assets and the Assumed Liabilities and the Transactions. In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, the terms and provisions of the execution version of this Agreement will control and prior drafts of this Agreement and the documents referenced herein will not be considered or analyzed for any purpose (including in support of parol evidence proffered by any Person in connection with this Agreement), will be deemed not to provide any evidence as to the meaning of the provisions hereof or the intent of the Parties with respect hereto and will be deemed joint work product of the Parties.

10.12 Specific Performance. The Parties agree that irreparable damage, for which monetary relief, even if available, would not be an adequate remedy, would occur in the event that any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached, including if any of the Parties fails to take any action required of it hereunder to consummate the Transactions. It is accordingly agreed that (a) the Parties will be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 10.13 without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (b) the right of specific performance and other equitable relief is an integral part of the Transactions and without that right, neither Sellers nor Purchaser would have entered into this Agreement. The Parties acknowledge and agree that any Party pursuing an injunction or injunctions or other Order to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 10.12 will not be required to provide any bond or other security in connection with any such Order. The remedies available to Sellers pursuant to this Section 10.12 will be in addition to any other remedy to which they were entitled at law or in equity, and the election to pursue an injunction or specific performance will not restrict, impair or otherwise limit any Seller from seeking to collect or collecting damages. If, prior to the Outside Date, any Party brings any action,

in each case in accordance with Section 10.13, to enforce specifically the performance of the terms and provisions hereof by any other Party, the Outside Date will automatically be extended (i) for the period during which such action is pending, plus ten Business Days or (ii) by such other time period established by the court presiding over such action, as the case may be. In no event will this Section 10.12 be used, alone or together with any other provision of this Agreement, to require any Seller to remedy any breach of any representation or warranty made by any Seller herein.

10.13 Jurisdiction and Exclusive Venue. Each of the Parties irrevocably agrees that any Action of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal theory under which any Liability or obligation may be sought to be imposed, whether sounding in contract or in tort or under statute, or whether at law or in equity, or otherwise under any legal or equitable theory, that may be based upon, arising out of, or related to this Agreement or the negotiation, execution, or performance of this Agreement or the Transactions and any questions concerning the construction, interpretation, validity and enforceability of this Agreement (each, an “Agreement Dispute”) brought by any other Party or its successors or assigns will be brought and determined only in (a) the Bankruptcy Court and any federal court to which an appeal from the Bankruptcy Court may be validly taken or (b) if the Bankruptcy Court is unwilling or unable to hear such Action, in the Court of Chancery of the State of Delaware (or if such court lacks jurisdiction, any other state or federal court sitting in the State of Delaware) (the “Chosen Courts”), and each of the Parties hereby irrevocably submits to the exclusive jurisdiction of the Chosen Courts for itself and with respect to its property, generally and unconditionally, with regard to any Agreement Dispute. Each of the Parties agrees not to commence any Agreement Dispute except in the Chosen Courts, other than Actions in any court of competent jurisdiction to enforce any Order, decree or award rendered by any Chosen Courts, and no Party will file a motion to dismiss any Agreement Dispute filed in a Chosen Court on any jurisdictional or venue-related grounds, including the doctrine of *forum non-conveniens*. The Parties irrevocably agree that venue would be proper in any of the Chosen Court, and hereby irrevocably waive any objection that any such court is an improper or inconvenient forum for the resolution of any Agreement Dispute. Each of the Parties further irrevocably and unconditionally consents to service of process in the manner provided for notices in Section 10.3. Nothing in this Agreement will affect the right of any Party to serve process in any other manner permitted by Law.

10.14 Governing Law; Waiver of Jury Trial.

(a) Except to the extent the mandatory provisions of the Bankruptcy Code apply, this Agreement and any Agreement Dispute will be governed by and construed in accordance with the internal Laws of the State of Delaware applicable to agreements executed and performed entirely within such State without regards to conflicts of law principles of the State of Delaware or any other jurisdiction that would cause the Laws of any jurisdiction other than the State of Delaware to apply.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY AGREEMENT DISPUTE IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND THEREFORE HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY AGREEMENT DISPUTE. EACH OF THE PARTIES AGREES AND CONSENTS THAT ANY SUCH AGREEMENT DISPUTE WILL BE DECIDED BY COURT TRIAL WITHOUT A JURY

AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES TO THE IRREVOCABLE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY (I) CERTIFIES THAT NO ADVISOR OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY AGREEMENT DISPUTE, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 No Right of Set-Off. Purchaser, on its own behalf and on behalf the Purchaser Group and its and their respective successors and permitted assigns, hereby waives any rights of set-off, netting, offset, recoupment or similar rights that Purchaser, any member of the Purchaser Group or any of its or their respective successors and permitted assigns has or may have with respect to the payment of the Purchase Price or any other payments to be made by Purchaser pursuant to this Agreement or any other document or instrument delivered by Purchaser in connection herewith.

10.16 Counterparts and PDF. This Agreement and any other agreements referred to herein or therein, and any amendments hereto or thereto, may be executed in multiple counterparts, any one of which need not contain the signature of more than one party hereto or thereto, but all such counterparts taken together will constitute one and the same instrument. Any counterpart, to the extent signed and delivered by means of a .PDF or other electronic transmission, will be treated in all manner and respects as an original Contract and will be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. Minor variations in the form of the signature page to this Agreement or any agreement or instrument contemplated hereby, including footers from earlier versions of this Agreement or any such other document, will be disregarded in determining the effectiveness of such signature. At the request of any party or pursuant to any such Contract, each other party hereto or thereto will re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such Contract will raise the use of a .PDF or other electronic transmission to deliver a signature or the fact that any signature or Contract was transmitted or communicated through the use of PDF or other electronic transmission as a defense to the formation of a Contract and each such party forever waives any such defense.

10.17 Publicity. Neither Sellers nor Purchaser shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other Party, which approval will not be unreasonably conditioned, withheld or delayed, unless, in the reasonable judgment of Purchaser or Sellers, as applicable, disclosure is otherwise required of such Party by applicable Law, such disclosure is consistent with (and discloses no substantive terms of the Agreement other than those disclosed in prior permitted releases) or disclosure is required by the Bankruptcy Court or the Canadian Court with respect to filings to be made with the Bankruptcy Court or the Canadian Court in connection with this Agreement or by the applicable rules of any stock exchange on which Purchaser or Sellers (or their respective Affiliates) lists securities; provided that the Party intending to make such release shall use its reasonable efforts consistent with such applicable Law, Bankruptcy Court requirement, the Canadian Court requirement, or rule to consult with the other Party with respect to the text thereof.

10.18 Bulk Sales Laws. The Parties intend that pursuant to section 363(f) of the Bankruptcy Code and pursuant to the CCAA, the transfer of the Acquired Assets shall be free and clear of any Encumbrances in the Acquired Assets including any liens or claims arising out of the bulk transfer Laws except Permitted Encumbrances, and the Parties shall take such steps as may be necessary or appropriate to so provide in the Sale Order and the Canadian Sale Recognition Order. In furtherance of the foregoing, each Party hereby waives compliance by the Parties with the “bulk sales,” “bulk transfers” or similar Laws and all other similar Laws in all applicable jurisdictions in respect of the Transactions.

10.19 Fiduciary Obligations. Nothing in this Agreement, or any document related to the Transactions, will require any Seller or any of their respective managers, officers or members, in each case, in their capacity as such, to take any action, or to refrain from taking any action, to the extent inconsistent with their fiduciary obligations or applicable Law. For the avoidance of doubt, Sellers retain the right to pursue any transaction or restructuring strategy that, in Sellers’ business judgment, will maximize the value of their estates.

10.20 Sellers’ Representative. Each Party agrees that Yellow has the power and authority to unilaterally act on behalf of all or any of the Sellers for the purposes specified under this Agreement. Such power will include the power to make all decisions, actions, Consents and determinations on behalf of the Sellers, including to make any waiver of any Closing condition or agree to any amendment to this Agreement. No Seller shall have any right to object, dissent, protest or otherwise contest the same. Purchaser shall be entitled to rely on any action or omission taken by Yellow on behalf of the Sellers.

10.21 Condemnation and Casualty.

(a) In the event of any taking or expropriation of, or if notice is given of the intention to take, by the exercise of the power of eminent domain or expropriation, all or substantially all of any Acquired Real Property prior to the Closing Date, Purchaser shall remain obligated to purchase such Acquired Real Property with no reduction in the Purchase Price; provided that Purchaser shall have the right to participate in any Action relating thereto and the negotiation of any related award and shall have the right to challenge the award and pursue any other legal remedies as the putative acquirer of such Acquired Real Property. At the Closing, Purchaser shall be assigned all interest of Sellers in and to any condemnation or expropriation awards payable to Sellers, on account of such event, less sums that Sellers incur before the Closing Date in any condemnation proceeding.

(b) If any Acquired Real Property suffers damage as a result of any casualty prior to the Closing Date, Purchaser shall remain obligated to purchase such Acquired Real Property with no reduction in the Purchase Price. At the Closing, Purchaser shall be assigned all interest of Sellers in and to any insurance proceeds actually received by Sellers on account of such casualty (including any proceeds of business interruption insurance for the period after the date of the Closing Date), less sums that Sellers incur before the Closing Date for the cost and expense of the repair of any of the damage that Sellers may elect, in their sole discretion, to undertake or in pursuing the collection of any such insurance proceeds.

10.22 Prevailing Party. If any litigation or other court action, arbitration or similar adjudicatory proceeding is sought, taken, instituted or brought by Sellers or Purchaser to enforce its rights under this Agreement, all fees, costs and expenses, including, without limitation, reasonable attorneys' fees and court costs, of the prevailing party in such action, suit or proceeding shall be borne by the party against whose interest the judgment or decision is rendered. This Section shall survive the termination of this Agreement and the Closing. Sellers agree that any amounts awarded to Purchaser pursuant to this section shall be payable as administrative expenses pursuant to section 503(b)(1)(A) of the Bankruptcy Code.

A. The Bidding Procedures

13. The Bidding Procedures attached hereto as **Exhibit 1** are hereby approved, are incorporated herein by reference, and shall govern the Bids and proceedings related to any Sale(s) of the Assets and the Auction(s) (if any) in all respects. The procedures and requirements set forth in the Bidding Procedures, including those associated with submitting a “Qualified Bid,” are fair, reasonable and appropriate, and are designed to maximize recoveries for the benefit of the Debtors’ estates, creditors, and other parties in interests. The Debtors are authorized to take any and all actions necessary or appropriate to implement the Bidding Procedures.

14. The failure to specifically include or reference any particular provision of the Bidding Procedures in the Motion or this Order shall not diminish or otherwise impair the effectiveness of such procedures, it being the Court’s intent that the Bidding Procedures are approved in their entirety, as if fully set forth in this Order.

15. Subject to this Order, the Bidding Procedures, the DIP Orders, and the UST Cash Collateral Orders,⁴ the Debtors, in the exercise of their reasonable business judgment and in a manner consistent with their fiduciary duties and applicable law, shall have the right to, in each case with respect to any Assets being sold pursuant to the Bidding Procedures and in consultation with the Consultation Parties (as set forth in the Bidding Procedures), (a) determine which

⁴ Nothing contained in the Bidding Procedures or in this Bidding Procedures Order shall amend, waive, modify or extend the Milestones (as defined in the UST Cash Collateral Orders) and such Milestones shall remain in full force and effect.

Qualified Bid is the highest or otherwise best offer for the applicable Asset(s), (b) reject any Bid that the Debtors determine is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtors' estates and their creditors, and (c) impose such other terms and conditions upon Qualified Bidders as the Debtors determine to be in the best interests of the Debtors' estates in these chapter 11 cases.

16. Subject to this Order, the Bidding Procedures, the DIP Orders, and the UST Cash Collateral Orders, the Debtors shall have the right, in their reasonable business judgment and in consultation with the Consultation Parties (as provided under the Bidding Procedures) and in a manner consistent with their fiduciary duties and applicable law, to modify the Bidding Procedures, including to, among other things, (a) extend or waive deadlines or other terms and conditions set forth therein, (b) adopt new rules and procedures for conducting the bidding and any Auction process, (c) if applicable, provide reasonable accommodations to a Stalking Horse Bidder, or (d) otherwise modify the Bidding Procedures to further promote competitive bidding for and maximizing the value of the Assets; *provided* that such extensions, waivers, new rules and procedures, accommodations and modifications (except as are consented to or otherwise approved or permitted in accordance with the Bidding Procedures) (i) do not conflict with and are not inconsistent with this Order, the Bidding Procedures, the DIP Orders, the UST Cash Collateral Orders, the Bankruptcy Code or any order of the Court, (ii) do not impair or modify, in any material respect, the rights and obligations of the Real Estate Stalking Horse Bidder under the Real Estate Stalking Horse APA or otherwise violate the Real Estate Stalking Horse APA or affect the Real Estate Stalking Horse Bidder in a manner that would reasonably be expected to have a material and adverse effect on the Real Estate Stalking Horse Bidder that is disproportionate to the Real

Estate Stalking Horse Bidder as compared to the effect on other Qualified Bidders for the Owned Properties subject of the Real Estate Stalking Horse APA generally, and (iii) are as promptly as practicable communicated to each Qualified Bidder or at the applicable Auction (if any).

17. If the Debtors, in consultation with the Consultation Parties, determine not to conduct an Auction for Assets (as applicable), then the Debtors shall file a notice with the Court of such determination within one (1) business day of making such determination.

B. The Stalking Horse Bid and Bid Protections.

18. The Debtors shall be authorized, but not obligated, in an exercise of their reasonable business judgment and with the consent of the Consultation Parties, (a) to select one or more Qualified Bidders to act as stalking horse bidders in connection with any Sale Transaction (each, a “Stalking Horse Bidder,” and any such bid (as applicable), each a “Stalking Horse Bid”) and enter into a purchase agreement with respect to any such Sale Transaction with such Stalking Horse Bidder (each such agreement, a “Stalking Horse Agreement”); and (b) in connection with any Stalking Horse Agreement with a Stalking Horse Bidder, to agree to the Bid Protections; *provided* that the aggregate of the Breakup Fee and the total Expense Reimbursements shall in no event exceed three percent (3%) of the applicable cash Purchase Price; *provided further* that all expenses to be reimbursed to the Stalking Horse Bidder from the Debtors’ estates must be documented, with such documentation provided to the Debtors, the Consultation Parties (including each of their respective counsel and advisors (as set forth in the Bidding Procedures), and the U.S. Trustee, who will have a 10-day review period upon receipt of such expense documentation. If there is an objection to any portion of the expenses by such parties during that time, such disputed portion of the expenses shall not be paid until the objection is resolved consensually or

by the Court, with the remaining undisputed portion of the expenses paid as otherwise set forth herein.

19. Except for a Stalking Horse Bidder to the extent of the Bid Protections provided to any such Stalking Horse Bidder (including the Real Estate Stalking Horse Bidder and Bid Protections provided thereto), no person or entity participating in the Debtors' sale process under the Bidding Procedures shall be entitled to any expense reimbursement, break-up fees, "topping" fees, termination fees, or other fees, payments, or reimbursements whatsoever in connection with any Bid, preparation thereof, or participation at the Auction(s) (if any) or generally under the Bidding Procedures; and, by submitting a Bid, such person or entity shall be deemed to have forever waived its right to request or to file with the Court any request for allowance or payment of any such expense reimbursement or fee(s), whether by virtue of section 503(b) of the Bankruptcy Code or otherwise.

20. Any deposit provided by a Stalking Horse Bidder or other Qualified Bidder (as required under the Bidding Procedures and/or any Stalking Horse Agreement) shall be held in escrow by the Debtors or their agent and shall not become property of the Debtors' bankruptcy estates unless and until released from escrow to the Debtors pursuant to the terms of the Bidding Procedures, the applicable escrow agreement, or an order of the Court.

21. The Debtors, in consultation with the Consultation Parties, may select a Stalking Horse Bidder (or Stalking Horse Bidders, as applicable) as the stalking horse purchaser (a "Stalking Horse") for substantially all of the Debtors' assets or any grouping or subset of the Assets. In such instance(s), the Debtors shall file a supplement to the Motion (the "Stalking Horse Supplement") seeking approval of the same, providing no less than three (3) business days' notice of the deadline to object to the approval of the Stalking Horse Bid (including any proposed Bid

Protections) to (i) the U.S. Trustee, (ii) and the Consultation Parties and (iii) those parties who have filed the appropriate notice pursuant to Bankruptcy Rule 2002 requesting notice of all pleadings filed in the Chapter 11 Cases (the “Stalking Horse Notice Parties”) with no other or further notice regarding the Stalking Horse, the Stalking Horse Bid, or the Bid Protections being required; *provided* that any Stalking Horse Supplement will (a) set forth the identity of the Stalking Horse (and if the Stalking Horse Bidder is a newly formed entity, then the Stalking Horse’s parent company or sponsor), (b) set forth the amount of the Stalking Horse Bid, and, if the Stalking Horse is a credit bidder, what portion of its bid is a credit bid and what portion (if any) is cash; (c) state whether the Stalking Horse has any connection to the Debtors other than those that arise from the Stalking Horse bid, (d) specify any proposed Bid Protections, (e) attach the purchase agreement finalized with the Stalking Horse or otherwise summarize the material terms thereof; and (f) set forth the deadline to object to the Stalking Horse designation and any related Bid Protections. For the avoidance of doubt, this Order does not make any findings or grant approval of any Bid Protections, including the granting of any break-up fees; any such Bid Protections, including any break-up fees, sought in connection with any Stalking Horse Bid shall be included in and subject to the approval by the Court of the Stalking Horse Supplement and otherwise acceptable to the Consultation Parties. For the avoidance of doubt and notwithstanding the foregoing, Court approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA (each as defined in the Bidding Procedures) will be sought pursuant to a separate motion and order.

22. Objections to the designation of a Stalking Horse Bidder or any of the terms of a Stalking Horse bid (including any proposed Bid Protections for such Stalking Horse Bidder) (a “Stalking Horse Objection”) shall (a) be in writing, (b) comply with the Bankruptcy Code, Bankruptcy Rules, and Local Bankruptcy Rules, (c) state, with specificity, the legal and factual

bases thereof and (d) be filed with the Court and served on the Notice Parties (as defined below) within three (3) business days after the service of the Stalking Horse Supplement.

23. If a timely Stalking Horse Objection is filed, the Debtors will schedule a hearing regarding such Stalking Horse Objection as soon as reasonably practicable seeking approval of such Stalking Horse Bid and in accordance with this Order and the Bidding Procedures. If no timely Stalking Horse Objection is filed and served with respect to the Stalking Horse Bid, upon the expiration of the objection deadline, the Debtors will submit a proposed order to the Court approving the Stalking Horse Bid (including the Stalking Horse Agreement and the Bid Protections), which the Court may enter without a hearing and any further or other notice except as required herein or under the Bidding Procedures, including with respect to any Bid Protections set forth in the Stalking Horse Supplement. For the avoidance of doubt, no determination is made in this Order with regard to authorizing any Bid Protections. For the avoidance of doubt and notwithstanding the foregoing, Court approval of the Real Estate Stalking Horse Bidder and the Real Estate Stalking Horse APA will be sought pursuant to a separate motion and order.

G. Notice of Sale Transaction

34. The Auction Notice, substantially in the form attached to this Order as **Exhibit 2**, is approved with respect to any Auction which may be held under the Bidding Procedures. Within three (3) business days of the entry of this Order, the Debtors shall cause the Auction Notice, the Motion, this Order, and all of this Order's exhibits and schedules to be served upon parties in interest and posted on the Debtors' restructuring webpage at <https://dm.epiq11.com/YellowCorporation> (or such other applicable URL) (the "**Case Webpage**").

35. Within three (3) business days after entry of this Order or as soon as reasonably practicable thereafter, the Debtors shall place a publication version of the Auction Notice for one day in *The New York Times* (national edition) and *The Globe and Mail*, and post it onto the Case Webpage. Such notice shall be deemed sufficient and proper notice of the Bidding Procedures, the Sale(s) and the Auction(s) (if any) with respect to known interested parties and no other or further notice shall be required.

36. Within two (2) business days after the conclusion of the applicable Auction (if any), or as soon as reasonably practicable thereafter and in accordance with the Bidding Procedures, the Debtors will file on the docket the Notice of Winning Bidder substantially in the form attached to this Order as **Exhibit 4**.

H. Assumption and Assignment Procedures.

37. The Assumption/Assignment Procedures below are hereby approved in all respects and shall be the procedures by which the Debtors will notify any counterparties (the "**Contract Counterparties**") to executory contracts and unexpired leases with the Debtors (the "**Contracts**")

of proposed cure amounts in the event the Debtors determine to assume and assign such Contracts in connection with any Sale Transaction. Nothing in this Order shall be deemed to limit the Debtors' ability to negotiate partial assumption and/or assumption and assignment of Contracts with Contract Counterparties on a consensual basis.

- a. **Cure Notice.** No later than fourteen (14) days prior to the Cure Objection Deadline, the Debtors shall file with the Court and serve via first class mail, electronic mail, or overnight delivery, the Cure Notices, attached hereto as **Exhibit 3**, on the Contract Counterparties, and post the Cure Notice to the case website <https://dm.epiq11.com/YellowCorporation>.
- b. **Content of Cure Notice.** The Cure Notice shall notify the applicable Contract Counterparties that the Contracts may be subject to assumption and assignment in connection with the Sale, and contain the following information: (i) a list of the applicable Contracts that may be assumed or assumed and assigned in connection with the Sale (the "Assigned Contracts," and each individually, an "Assigned Contract"); (ii) the applicable Contract Counterparties; (iii) the Debtors' good faith estimates of the proposed amount necessary to cure all monetary defaults, if any, under each Assigned Contract (the "Cure Costs"); and (iv) the deadline by which any Contract Counterparty to an Assigned Contract must file an objection to the proposed assumption, assignment, cure, and/or adequate assurance and the procedures relating thereto (the "Cure Objection"); *provided* that service of a Cure Notice does not constitute an admission that such Assigned Contract is an executory contract or unexpired lease or that such Assigned Contract will be assumed at any point by the Debtors or assumed and assigned pursuant to any Winning Bid.
- c. **Cure Objections.** Cure Objections, if any, to a Cure Notice must: (i) be in writing; (ii) comply with the applicable provisions of the Bankruptcy Rules, the Bankruptcy Local Rules, and any order governing the administration of these chapter 11 cases; (iii) state with specificity the nature of the objection and, if the Cure Objection pertains to the proposed Cure Costs, state the cure amount alleged to be owed to the objecting Contract Counterparty, together with any applicable and appropriate documentation in support thereof; *provided* that the Debtors may modify the Cure Objection Deadline by filing a notice of such modification on the Court's docket.
- d. **Effects of Filing a Cure Objection.** A properly filed Cure Objection will reserve such objecting party's rights against the Debtors only with respect to the assumption and assignment of the Assigned Contract at issue, and/or objection to the accompanying Cure Costs, as set forth in the Cure Objection, but will not constitute an objection to the remaining relief requested in the Sale Order.
- e. **Dispute Resolution.** Any Cure Objection to the assumption or assumption and assignment of an Assigned Contract or Cure Costs that remains unresolved after the Sale Hearing shall be heard at such later date as may be agreed upon by the

parties or fixed by the Court. To the extent that any Cure Objection cannot be resolved by the parties, such Contract shall be assumed and assigned only upon satisfactory resolution of the Cure Objection, to be determined in the Winning Bidder's reasonable discretion. To the extent a Cure Objection remains unresolved, the Contract may be conditionally assumed and assigned, subject to the consent of the Winning Bidder, pending a resolution of the Cure Objection after notice and a hearing. If a Cure Objection is not satisfactorily resolved, the Winning Bidder may determine that such Contract should not be assumed and assigned, in which case the Winning Bidder will not be responsible for any Cure Costs in respect of such contract. Notwithstanding the foregoing, if a Cure Objection relates solely to the Cure Costs (any such objection, a "Cure Dispute"), the applicable Assigned Contract may be assumed by the Debtors and assigned to the Winning Bidder provided that the cure amount the Contract Counterparty asserts is required to be paid under section 365(b)(1)(A) and (B) of the Bankruptcy Code (or such lower amount as agreed to by the Contract Counterparty) is deposited in a segregated account by the Debtors pending the Court's adjudication of the Cure Dispute or the parties' consensual resolution of the Cure Dispute.

- f. **Supplemental Cure Notice.** If the Debtors discover Contracts inadvertently omitted from the Cure Notice or the Winning Bidder identifies other Contracts that it desires to assume or assume and assign in connection with the Sale, the Debtors may, after consultation with the Winning Bidder, at any time before the closing of the Sale supplement the Cure Notice with previously omitted Contracts or modify a previously filed Cure Notice, including by modifying the previously stated Cure Costs associated with any Contracts (the "Supplemental Cure Notice").
- g. **Objection to the Supplemental Cure Notice.** Any Contract Counterparty listed on the Supplemental Cure Notice may file an objection (a "Supplemental Cure Objection") only if such objection is to the proposed assumption or assumption and assignment of the applicable Contracts or the proposed Cure Costs, if any, modified by the Supplemental Cure Notice. All Supplemental Cure Objections must: (i) state, with specificity, the legal and factual basis for the objection as well as what Cure Costs are required, if any; (ii) include appropriate documentation in support thereof; and (iii) be filed no later than 5:00 p.m. (prevailing Eastern Time) on the date that is twenty-one (21) days following the date of service of such Supplemental Cure Notice, which date will be set forth in the Supplemental Cure Notice.
- h. **Dispute Resolution of Supplemental Cure Objection.** If a Contract Counterparty files a Supplemental Cure Objection in a manner that is consistent with the requirements set forth above, and the parties are unable to consensually resolve the dispute, the Debtors shall seek an expedited hearing before the Court to determine the Cure Costs, if any, and approve the assumption of the relevant Contracts. If there is no such objection, then the Debtors shall obtain an order of this Court fixing the Cure Costs and approving the assumption of any Contract listed on a Supplemental Cure Notice. Notwithstanding the foregoing, if a Supplemental Cure Objection relates solely to a Cure Dispute, the applicable Assigned Contract may

be assumed by the Debtors and assigned to the Winning Bidder provided that the cure amount the Contract Counterparty asserts is required to be paid under section 365(b)(1)(A) and (B) of the Bankruptcy Code (or such lower amount as agreed to by the Contract Counterparty) is deposited in a segregated account by the Debtors pending the Court's adjudication of the Cure Dispute or the parties' consensual resolution of the Cure Dispute.

I. Miscellaneous.

38. All persons and entities that participate in the applicable Auction (if any) or bidding for any Asset(s) during the sale process under the Bidding Procedures shall be deemed to have knowingly and voluntarily (i) consented to the core jurisdiction of the Court to enter any order related to the Bidding Procedures, the applicable Auction(s) (if any) or any other relief requested in the Motion or granted in this Order, (ii) waived any right to a jury trial in connection with any disputes relating to the Bidding Procedures, the Auction or any other relief requested in the Motion or granted in this Order, and (iii) consented to the entry of a final order or judgment in connection with any disputes relating to the Bidding Procedures, the Auction or any other relief requested in the Motion or granted in this Order, if it is determined that the Court would lack Article III jurisdiction to enter such a final order or judgment absent the consent of the relevant parties.

39. The Debtors are authorized to take all steps and pay all amounts necessary or appropriate to implement the relief granted in this Order.

40. This Order shall be binding on the Debtors and its successors and assigns, including any chapter 7 or chapter 11 trustee or other fiducially appointed for the estates of the Debtors.

41. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

42. To the extent any provisions of this Order are inconsistent with the Motion, the terms of this Order shall control. To the extent any provisions of this Order are inconsistent with the Bidding Procedures, the terms of this Order shall control.

43. Nothing contained in the Motion or this Order, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with this Order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount, validity or priority of, or basis for any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in the Motion or this Order; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

44. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

45. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

46. The Debtors are authorized to make non-substantive changes to the Bidding Procedures, the Assumption and Assignment Procedures, and any related documents without further order of the Court, including, without limitation, changes to correct typographical and grammatical errors.

47. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

48. This Court shall retain exclusive jurisdiction over any and all matters arising from or related to the implementation, interpretation, and/or enforcement of this Order.

NOTICE OF POTENTIAL ASSUMPTION OR
ASSUMPTION AND ASSIGNMENT OF CERTAIN CONTRACTS OR LEASES

PLEASE TAKE NOTICE OF THE FOLLOWING:

On September [●], 2023, United States Bankruptcy Court for the District of Delaware (the “Court”) entered the *Order (I)(A) Approving the Bidding Procedures For the Sale or Sales of the Debtors’ Assets, (B) Scheduling Auctions and Approving the Form and Manner of Notice Thereof; (C) Scheduling Sale Hearings and Approving the Form and Manner of Notice Thereof; (II)(A) Approving the Sale of the Debtors’ Assets Free and Clear of Liens, Claims, Interests and Encumbrances and (B) Approving the Assumption and Assignment of Executory Contracts and Unexpired Leases; and (III) Granting Related Relief* [Docket No. [●]] (the “Order”),² by which the Court approved procedures for the assumption or assumption and assignment of executory contracts and unexpired leases and granted related relief, as set forth in the Order.

Parties objecting to the proposed assumption and assignment (including a Winning Bidder’s proposed form of adequate assurance of future performance) must file and serve a written objection (each, a “Cure Objection”) so that such objection is filed with the Court and **actually received by the following**
