## 1.0 INTRODUCTION

1.1 On October 18, 2023 (the “**Receivership Date**”), pursuant to the Order (Appointing Receiver) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”), Alvarez & Marsal Canada Inc. (“**A&M**”) was appointed as receiver and manager (in such capacities, the “**Receiver**”), without security, of all of the assets, undertakings and properties (collectively, the “**Property**”) of One Bloor West Toronto Commercial (The One) LP (f/k/a Mizrahi Commercial (The One) LP) (the “**Beneficial Owner**”), One Bloor West Toronto Group (The One) Inc. (f/k/a Mizrahi Development Group (The One) Inc.) (the “**Nominee**”, and together with the Beneficial Owner, the “**Owner**”), and One Bloor West Toronto Commercial (The One) GP Inc. (f/k/a Mizrahi Commercial (The One) GP Inc.) (“**GP Inc.**” and together with the Nominee and the Beneficial Owner, the “**Companies**”) acquired for, or used in relation to, a business carried on by the Companies, including, without limitation, in connection with the development of an 85-storey condominium, hotel and retail tower (the “**Project**”) located on the southwest corner of Yonge Street and Bloor Street West in Toronto, Ontario.<sup>1</sup>

1.2 The principal purpose of the receivership proceedings (the “**Receivership Proceedings**”) was to bring stability and appropriate oversight to the Project, while preserving and protecting it to maximize recoveries for the benefit of stakeholders, including by ensuring the ongoing construction of the Project. During the Receivership Proceedings, the Receiver facilitated such construction, including by, among other things: (i) engaging SKYGRiD

<sup>1</sup> All capitalized terms used herein and not otherwise defined have the meaning given to them in the Initial Order or the Joint Report (each as defined herein). Unless otherwise stated, for convenience, “Companies” shall refer to all or any of the Beneficial Owner, the Nominee and GP Inc., as the context requires.

Construction Inc. (“**SKYGRiD**”) to take over from Mizrahi Inc. (“**MI**”) as construction manager of the Project; and (ii) seeking and obtaining several Court orders, including the Lien Regularization Order dated March 7, 2024 (the “**LRO**”), the Construction Continuance Order dated March 7, 2024, and the Holdback Release Order dated June 6, 2024 (the “**Holdback Release Order**”), all of which contributed to advancing and facilitating the ongoing construction of the Project.

1.3 In June 2024, the Court in the Receivership Proceedings approved a sale and investment solicitation process (the “**SISP**”) in respect of the Project. The SISP culminated in a transaction with Tridel Builders Inc. and certain of its affiliates (collectively, “**Tridel**”) pursuant to which Tridel would be engaged as the project manager, construction manager and sales manager to complete the construction, development and realization of value from the Project (the “**Tridel Transaction**”), subject to Court approval of the Tridel Transaction and the transition of the Receivership Proceedings to proceedings commenced under the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**” and the proceedings commenced thereunder being the “**CCAA Proceedings**”).

1.4 On April 22, 2025, at the joint hearing of an application brought by the Receiver on behalf of the Companies under the CCAA and a motion brought by the Receiver in the Receivership Proceedings, the Court granted three orders:

- (i) an Order (the “**Initial Order**”), a copy of which is attached as **Appendix “A”**, which, among other things:
  - (a) granted the Companies protection under the CCAA, including extending the benefits of the Initial Order to the Beneficial Owner;

- (b) appointed A&M as Monitor of the Companies in the CCAA Proceedings (in such capacity, the “**Monitor**”);
  - (c) continued certain super-priority charges on the Property granted in the Receivership Proceedings and granted certain additional super-priority charges on the Property;
  - (d) authorized the Companies to enter into and borrow up to \$615 million in funds under the DIP Credit Agreement;
  - (e) appointed FAAN Advisors Group Inc. as Chief Restructuring Officer of the Companies (in such capacity, the “**CRO**”);
  - (f) continued certain orders granted in the Receivership Proceedings, with such orders to continue in full force and effect in the CCAA Proceedings, *mutatis mutandis*; and
  - (g) granted a stay of proceedings up to and including August 15, 2025 (the “**Stay Period**”);
- (ii) an order which, among other things, approved the Tridel Transaction contemplated by the Omnibus Agreement among the Owner and Tridel made as of April 3, 2025, and each of the Project Management and Services Agreement (the “**PMSA**”), the Construction Management Agreement and the Residential Sales Agreement appended as schedules thereto; and

- (iii) an order (the “**Discharge Order**”) which, among other things, discharged A&M as Receiver, provided that A&M shall remain Receiver for the performance of such incidental matters as may be required to complete the administration of the Receivership Proceedings (collectively, the “**Receiver Incidental Matters**”).
- 1.5 The Tridel Transaction was successfully implemented on May 1, 2025 (the “**Effective Date**”), at which time Tridel became the project manager, construction manager and sales manager of the Project.
- 1.6 Following the transition to the CCAA Proceedings, on August 8, 2025, the Monitor, on behalf of the Companies, obtained the Order (Stay Extension and Ancillary Relief), which, among other things, extended the Stay Period to and including February 12, 2026.
- 1.7 On November 17, 2025, the Monitor, on behalf of the Companies, obtained the Order (CSA Plan, Deposit Return Protocol and CSA Plan Reconfiguration) which, among other things:
  - (i) approved a plan with respect to existing condominium sale agreements (the “**CSA Plan**”) entered into by the Companies with purchasers (each, a “**Unit Purchaser**”) before the commencement of the Receivership Proceedings (the “**Existing CSAs**”), including the disclaimer of most Existing CSAs; and
  - (ii) approved a protocol governing the procedure for the return of deposits (plus applicable interest) to purchasers under disclaimed Existing CSAs (the “**Deposit Return Protocol**”).
- 1.8 During the Receivership Proceedings, the Receiver filed eight reports and four supplemental reports with the Court (the “**Prior Reports**”), including the Joint Eighth Report of the Receiver and Pre-Filing Report of A&M as Proposed Monitor dated April 3,

2025 (the “**Joint Report**”). A copy of the Joint Report (without appendices) is attached as **Appendix “B”**.

- 1.9 Additional background information regarding the Companies and the Project, including an overview of the circumstances leading to the appointment of the Receiver and the transition of the Receivership Proceedings to the CCAA Proceedings, is contained in the Prior Reports and in the application record dated October 17, 2023 (the “**Application Record**”) of the Companies’ senior secured lenders, KEB Hana Bank as trustee of each of IGIS Global Private Placement Real Estate Fund No. 301 and IGIS Global Private Placement Real Estate Fund No. 434 (together with KEB Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 530, as applicable, the “**Senior Secured Lenders**”).<sup>2</sup>
- 1.10 The Application Record, the Prior Reports and other Court-filed documents and notices in the Receivership Proceedings and the CCAA Proceedings are available on the Monitor’s case website at: [www.alvarezandmarsal.com/theone](http://www.alvarezandmarsal.com/theone) (the “**Case Website**”).

  - (c) approving the fees and disbursements of the Monitor and its counsel for the periods of March 16, 2025, to December 31, 2025, and March 17, 2025, to January 4, 2026, respectively;
  - (d) approving the Gamma Settlement on the terms and conditions set out in the Gamma Settlement Agreement (each as defined below), and authorizing and empowering the CRO, on behalf of the Companies, to take such additional steps and execute such additional documents as may be necessary or desirable for the implementation of the Gamma Settlement; and
  - (e) ordering that Gamma Windows and Walls International Inc. ("**Gamma**") and any holdback amount owing to Gamma shall be subject to the terms of the Holdback Release Order, *nunc pro tunc*;

  - (a) authorizing the Companies to pay the SKYGRiD Holdback Amount (as defined below) to SKYGRiD, subject to the execution of such documentation by SKYGRiD as may be requested by the Monitor, including a holdback release agreement; and
  - (b) ordering that all persons shall be permanently and forever barred, estopped, stayed and enjoined from making, asserting or enforcing any claim, priority claim, lien, trust, right, demand, remedy or other entitlement to the SKYGRiD Holdback Amount, or on account of any deficiency in the Project Holdback (as defined below), if any, resulting from the payment of the SKYGRiD Holdback Amount, or otherwise in connection with the payment of the SKYGRiD Holdback Amount;
- (v) describe the Monitor’s activities since the date of the Second Report of the Monitor dated November 3, 2025 (the “**Second Report**”); and

Receiver Incidental Matters are included within the descriptions of the Monitor's activities in this Third Report.

### **3.0 TERMS OF REFERENCE AND DISCLAIMER**

3.1 In preparing this Third Report, the Monitor has obtained and relied upon unaudited financial information, books and records, and other documents of the Companies, and has held discussions with, and has been provided with, certain additional information from the CRO, the Senior Secured Lenders' cost consultant, Finnegan Marshall Inc. (the "**Cost Consultant**"), Tridel, and certain other parties as referenced herein (collectively, the "**Information**").

3.2 In preparing this Third Report, except as otherwise described herein:

- (i) the Monitor has reviewed the Information for reasonableness, internal consistency and use in the context in which it was provided. However, the Monitor has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would wholly or partially comply with Canadian Auditing Standards ("**CASs**") pursuant to the *Chartered Professional Accountants Canada Handbook* (the "**CPA Handbook**") and, accordingly, expresses no opinion or other form of assurance contemplated under CASs in respect of the Information; and
- (ii) some of the information referred to in this Third Report consists of forecasts and projections. An examination or review of the financial forecasts and projections, as outlined in the CPA Handbook, has not been performed.

3.3 Future oriented financial information referred to in this Third Report was prepared based on estimates and assumptions. Readers are cautioned that since projections are based upon assumptions about future events and conditions that are not ascertainable, the actual results may vary from the projections. Even if the assumptions materialize, the variations in such future-oriented financial information could be significant.

3.4 Unless otherwise stated, all monetary amounts are expressed in Canadian dollars.

#### **4.0 UPDATES SINCE THE SECOND REPORT**

##### Construction Update

4.1 Construction of the residential component of the Project (the “**Residential Component**”)<sup>3</sup> has continued uninterrupted since the Receivership Date, including since the commencement of the CCAA Proceedings, with funding provided by the Senior Secured Lenders.

4.2 As previously reported, as at the Receivership Date, tower slabs in the building superstructure were poured to level 42 and window curtainwall (the façade) on the building envelope was installed through level 11.

---

<sup>3</sup> The Residential Component is comprised of the residential suites occupying levels 17 through 85 of the Project (with levels 17 and 18 being the first tranche of mechanical floors and residential suites beginning on level 19). The commercial component of the Project is comprised of four underground parking levels and 16 aboveground levels, including the retail space on the ground floor (the “**Retail Component**”), the food and beverage spaces on level three, and the spaces designed for a premium hotel on levels five and seven through 16 (the “**Hotel Component**”).

- 4.3 As of the date of this Third Report, the forming of the Project's structural slabs is fully complete through level 85. Since the Receivership Date, 68 floors of curtainwall have been installed, and the curtainwall is now completed through to level 79.
- 4.4 The remaining structural elements, which include installation of the Project's tower crown, tuned mass damper, and building envelope, continue to advance on schedule, with the installation of the curtainwall and work on the Project's top-of-house steel deck expected to be substantially complete by the end of Fall 2026.
- 4.5 Interior finishing works within the Residential Component are progressing as scheduled. As of January 16, 2026, progress on the interior finish works is as follows:
- (i) demising wall framing completed through level 44;
  - (ii) HVAC rough-ins installed through level 23; and
  - (iii) plumbing rough-ins installed through level 20.
- 4.6 As of the date of this Third Report, procurement of finished carpentry, hardwood, and other interior finish scopes of work are in process and will progress over the coming months.

#### Hotel Process

- 4.7 As discussed in the Prior Reports, in February 2025, the Receiver, in consultation with Tridel and the Senior Secured Lenders, commenced a process to identify a luxury hotel operator (the "**Hotel Process**") and engaged Jones Lang LaSalle Americas, Inc., an

experienced hotel investment broker, as hotel advisor (the “**Hotel Advisor**”), to assist with the Hotel Process.<sup>4</sup>

4.8 As contemplated by the PMSA, Tridel is managing the Hotel Process, which involved a broad canvassing of hotel operators to identify a five-star luxury brand that will optimize the value of the Hotel Component and the Residential Component.

4.9 In November 2025, following a detailed review and analysis of proposals received from several interested hotel operators, Tridel made a recommendation to the Companies regarding the selection of the preferred five-star luxury brand that was considered and ultimately accepted by the CRO and the Senior Secured Lenders, with the concurrence of the Monitor. Shortly thereafter, the Companies executed a term sheet with the recommended hotel brand regarding the branding and operation of the Hotel Component and the Residential Component (the “**Hotel Term Sheet**”). The parties are currently negotiating definitive agreements that are expected to be finalized in the coming months.

#### CSA Plan and Deposit Return Protocol

4.10 As described in the Second Report, the CSA Plan was developed to determine whether the Companies should affirm or disclaim the Existing CSAs (or some combination thereof) with the view of maximizing the value of the Project. The CSA Plan contemplated two key components:

---

<sup>4</sup> As described in paragraph 14.4 of the Joint Report, on February 6, 2025, and in anticipation of the Hotel Process, the Receiver issued disclaimer notices to the counterparties to the Project’s existing hotel and food & beverage agreements, which agreements had been entered into prior to the commencement of the Receivership Proceedings.

- (i) the disclaimer of 314 Existing CSAs (collectively, the “**Disclaimed CSAs**”) in respect of condominium units that are projected to be resold at values that will generate higher revenues for each unit;<sup>5</sup> and
- (ii) the potential retention of 15 Existing CSAs (collectively, the “**Potentially Retained CSAs**”) identified as being potentially economically viable for the Project, subject to the terms set out in the CSA Plan.

4.11 Following approval by the Court of the CSA Plan and the Deposit Return Protocol on November 17, 2025, the Monitor and the CRO worked with the Project’s deposit insurer, Aviva Insurance Company of Canada (“**Aviva**”) (both directly and through its agent) to share information and coordinate communications to all Unit Purchasers under Disclaimed CSAs in order to facilitate the return of deposits (plus applicable interest) pursuant to the Deposit Return Protocol. As of the date of this Third Report, the process contemplated by the Deposit Return Protocol is well underway, with approximately 65% of Unit Purchasers under Disclaimed CSAs having submitted applications for the return of their deposits. The Monitor understands from Aviva’s agent that these applications are being reviewed, reconciled and, once complete, sent to Tarion for final approval.

4.12 With respect to the Potentially Retained CSAs, Tridel has contacted each of the 15 relevant Unit Purchasers on behalf of the Companies to advise them of: (i) the Companies’ interest in completing the transaction contemplated under their Potentially Retained CSA; (ii) certain revised terms and conditions that must be satisfied in order to complete such

---

<sup>5</sup> On October 24, 2025, the Companies issued disclaimer notices to all Unit Purchasers under Disclaimed CSAs, which became effective on November 23, 2025. Unit Purchasers under Disclaimed CSAs have paid deposits in connection with their respective Disclaimed CSAs in the total approximate amount of \$87.5 million.

transaction; and (iii) an anticipated announcement, in the coming months, of the selected five-star luxury hotel brand and re-branding of the Residential Component.

- 4.13 Following these discussions, two Unit Purchasers expressly confirmed to the Companies that they are not willing to complete the purchase of the unit purchased under their Potentially Retained CSA, or accept a substantially similar unit, as applicable. As a result, the Companies, with the prior approval of the Monitor, issued disclaimer notices to these Unit Purchasers on January 9, 2026.
- 4.14 In addition to the steps summarized above, the Companies, through the CRO and with the assistance of the Monitor, are currently negotiating a definitive term sheet with Aviva, setting out certain financial contributions required from Aviva, together with other terms and conditions, that will be required in order for the Companies to complete the transactions contemplated under the Potentially Retained CSAs.

#### Gamma Settlement

- 4.15 Gamma is a former subcontractor of MI that was engaged to provide cladding and curtain wall supply and installation services to the Project. In May 2024, Gamma delivered a Lien Notice in respect of a Lien Claim (each as defined in the LRO) in the amount of \$1,839,681.92 for the period from April 24, 2019 to May 30, 2024 (the “**First Gamma Lien Claim**”). In October 2024, Gamma delivered a second Lien Notice in respect of a Lien Claim in the amount of \$8,593,709.89 for the period from April 24, 2019 to October 16, 2024 (together with the First Gamma Lien Claim, the “**Gamma Lien Claims**”). In addition to the Gamma Lien Claims, Gamma filed a Notice of Motion dated June 17, 2024, seeking, among other things, an order directing the Receiver to pay Gamma certain

amounts on account of two specified invoices (the “**Gamma Motion**” and, together with the Gamma Lien Claims, the “**Gamma Claims**”). The Gamma Claims relate to amounts that Gamma alleged were owing to it in respect of certain unpaid invoices, holdback amounts, and amounts claimed to be owing pursuant to a settlement agreement entered into between Gamma and MI.

- 4.16 On August 9, 2024, this Court granted a Lien Claims Resolution Order in the Receivership Proceedings (the “**LCRO**”) to provide a process to resolve Lien Claims advanced by contractors, subcontractors and suppliers relating to the Project. On March 27, 2025, the Receiver referred the Gamma Lien Claims to one of the claims officers appointed pursuant to the LCRO.
- 4.17 The hearing in respect of the First Gamma Lien Claim was originally scheduled to take place in February 2026. However, following extensive negotiations, the Companies, the Receiver and Gamma executed minutes of settlement on January 22, 2026 (the “**Gamma Settlement Agreement**”), that fully and finally resolve the Gamma Claims (the “**Gamma Settlement**”), subject to Court approval. A copy of the Gamma Settlement Agreement (with the settlement amount redacted) is attached hereto as **Appendix “C”**.
- 4.18 Pursuant to the terms of the Gamma Settlement, if approved, the Companies will make a settlement payment to Gamma that includes the release of certain holdback amounts owing to Gamma. The release of holdback amounts to subcontractors is governed by the terms of the Holdback Release Order, a copy of which is attached hereto as **Appendix “D”**; however, Gamma was expressly excluded from the terms of the Holdback Release Order at its request due to the ongoing disputes regarding its services on the Project (which have

now been settled). Accordingly, in order to give effect to the Gamma Settlement and the contemplated payment of certain holdback amounts to Gamma as part of that settlement, the proposed Stay Extension Order provides that Gamma, and any holdback amount owing to Gamma, shall now be subject to the terms of the Holdback Release Order, *nunc pro tunc*. The Monitor understands that Gamma has agreed with this approach in order to implement the Gamma Settlement.

4.19 In addition to the release of certain holdback amounts to Gamma, upon implementation of the Gamma Settlement, if approved, the Monitor will release the amount held in respect of the Gamma Motion from the Monitor's segregated trust account, which is maintained as the claim reserve on account of the Unresolved Receivership Claims (as defined in the Discharge Order) pursuant to paragraph 23(j) of the Initial Order (the "**Receivership Claims Reserve**"), to fund the remaining portion of the settlement payment to Gamma, with the balance of such reserve being released to the Companies in accordance with the Initial Order.

4.20 In the Monitor's view, the Gamma Settlement should be approved. The Gamma Settlement offers significant benefits to the Companies, including:

- (i) avoiding the costs associated with a hearing of the Gamma Claims, which would have been substantial relative to the amount claimed in the First Gamma Lien Claim;
- (ii) eliminating the litigation risk that the Companies would be liable for some or all of the amount claimed in the Gamma Lien Claims beyond the amounts agreed to in the Gamma Settlement; and

- (iii) providing certainty with respect to the Companies' liability and allowing funds that had been reserved to fund potential payments to Gamma to be used for other purposes.

4.21 The Monitor understands that the CRO and the Senior Secured Lenders are also supportive of the Gamma Settlement, and respectfully requests this Court's approval of same pursuant to the proposed Stay Extension Order.

#### Holdback Update

4.22 On June 6, 2024, the Court granted the Holdback Release Order in the Receivership Proceedings to provide a mechanism to allow the Receiver to pay certain Holdback Amounts<sup>6</sup> to subcontractors for work performed during the period in which MI served as general contractor of the Project. The Holdback Release Order was continued in the CCAA Proceedings in accordance with the Initial Order and the Monitor has continued to facilitate the payment of Holdback Amounts on behalf of the Companies.

4.23 To date, a total of approximately \$4.2 million (exclusive of HST) has been paid to ten Holdback Parties. The remaining Holdback Amounts of approximately \$8.8 million (exclusive of HST) owing to 28 Holdback Parties continue to be held in a segregated holdback account.

4.24 Nine of the 28 Holdback Parties are currently in negotiations with Tridel to enter into new subcontracts with respect to work on the Project and the Monitor expects that the Holdback

---

<sup>6</sup> "Holdback Amounts" are defined in the [Second Report of the Receiver dated May 28, 2024](#), and include the approximately \$13 million in holdback amounts that were or are owing to 38 subcontractors (the "Holdback Parties") from whom statutory holdback was retained during the period in which MI was the general contractor of the Project.

Amounts owed to these nine parties, totaling approximately \$7.6 million, will be released in the near term pursuant to the terms of the Holdback Release Order.

- 4.25 The remaining 19 Holdback Parties are currently not expected to perform further work on the Project and, accordingly, the Holdback Amounts owed to these parties, totalling approximately \$1.2 million, are expected to be released pursuant to the Holdback Release Order or otherwise in accordance with the *Construction Act* (Ontario) as it existed immediately prior to July 1, 2018 (the “**Provincial Lien Legislation**”) (i.e., following substantial performance within the meaning of the Provincial Lien Legislation).
- 4.26 The holdback amounts retained during the period from March 13, 2024 to April 30, 2025, being the period SKYGRiD acted as construction manager of the Project (the “**SKYGRiD Era**”) together with holdback amounts retained in the post-Effective Date period, have been and will continue to be held in a separate holdback account. All amounts held in the holdback accounts (which include, for greater certainty, all holdback amounts from the MI era, the SKYGRiD Era and the Tridel era) (collectively, the “**Project Holdback**”) will continue to be released, as appropriate, pursuant to the Holdback Release Order or otherwise in accordance with the Provincial Lien Legislation, with the exception of the SKYGRiD Holdback Amount, which is contemplated to be released pursuant to the proposed SKYGRiD Holdback Release Order, as described below.

## **5.0 RELEASE OF SKYGRID HOLDBACK AMOUNT**

### Engagement of SKYGRiD

- 5.1 In February 2024, the Receiver, in consultation with the Senior Secured Lenders, determined that it was in the best interests of the Project and its stakeholders to disclaim

the agreements underlying MI's engagement as developer and construction manager of the Project. Accordingly, the Receiver issued a disclaimer notice to MI and its counsel on February 26, 2024, with an effective date of March 13, 2024.

5.2 Prior to issuing the disclaimer notice to MI, the Receiver undertook extensive contingency planning efforts, including by soliciting proposals from experienced construction managers regarding the opportunity to manage construction of the Project on an interim basis pending the outcome of the SIS. The Receiver ultimately selected SKYGRiD as the successful candidate and entered into an Engagement Letter with SKYGRiD dated February 26, 2024 (the "**SKYGRiD Engagement Letter**"), following which SKYGRiD took over as construction manager of the Project effective March 13, 2024. The SKYGRiD Engagement Letter was later superseded by the CCDC 5B 2010 Construction Management Contract – for Services and Construction entered into between SKYGRiD and the Receiver on June 5, 2024 (the "**SKYGRiD CMA**").

5.3 In light of the contemplated approval of the Tridel Transaction, on April 2, 2025, the Receiver provided notice to SKYGRiD of its intention to terminate the SKYGRiD CMA, with such termination to be effective upon the transition of construction management activities to Tridel. The termination of the SKYGRiD CMA became effective on the Effective Date (May 1, 2025).

#### Proposed Release of SKYGRiD Holdback Amount

5.4 During the SKYGRiD Era, a total of \$1,387,952.94 (exclusive of HST) (the "**SKYGRiD Holdback Amount**") was retained from SKYGRiD in accordance with the SKYGRiD

CMA and the Provincial Lien Legislation.<sup>7</sup> Pursuant to the proposed SKYGRiD Holdback Release Order, the Companies will be authorized to pay the SKYGRiD Holdback Amount to SKYGRiD, subject to the execution of such documentation by SKYGRiD as may be requested by the Monitor, including a holdback release agreement in form and substance satisfactory to the Monitor.

- 5.5 The Provincial Lien Legislation contemplates the release of holdback upon the expiry of lien rights against such holdback, which occurs at the conclusion of the 45-day period following, among other things, notice of publication of the certificate of substantial performance of the underlying contract (i.e., the SKYGRiD CMA) or, where no such publication has occurred, at the conclusion of the 45-day period after the contract is complete and/or abandoned.
- 5.6 Notwithstanding termination of the SKYGRiD CMA in accordance with its terms, substantial performance (within the meaning of the Provincial Lien Legislation) related to the SKYGRiD CMA will not occur until the Project is substantially complete, which is not anticipated to occur until early 2028.<sup>8</sup> Accordingly, absent the relief sought pursuant to the proposed SKYGRiD Holdback Release Order, there would be no ability for the Companies to release the SKYGRiD Holdback Amount for several years. In addition, the SKYGRiD

---

<sup>7</sup> The SKYGRiD Holdback Amount includes amounts retained from SKYGRiD in connection with the SKYGRiD CMA, and does not include any amounts that have been retained in respect of subcontractors engaged during the SKYGRiD Era. All amounts retained in respect of such subcontractors during the SKYGRiD Era will continue to form part of the Project Holdback (save for amounts released pursuant to the Holdback Release Order or otherwise in accordance with the Provincial Lien Legislation).

<sup>8</sup> The Monitor notes that the Provincial Lien Legislation has subsequently been amended to permit the interim (annual or phased) release of holdback amounts; however, such amendments are not applicable to the Project.

Holdback Amount cannot be released pursuant to the existing Holdback Release Order, which provides only for the release of holdback amounts to subcontractors.

- 5.7 In the circumstances, the Monitor believes it is fair and reasonable for the SKYGRiD Holdback Amount to be released to SKYGRiD, including because, among other reasons: (i) SKYGRiD has completed its scope of work under the SKYGRiD CMA, subject to warranty and other surviving obligations; (ii) more than 250 days have passed since the Effective Date, and no Lien Notices have been filed or received in this period; (iii) the Monitor is not aware of any subcontractor or supplier alleging that it is owed payment for work performed during the SKYGRiD Era, save for ongoing disputes with certain subcontractors and suppliers that pre-date the SKYGRiD Era, including one subcontractor who continued to supply during the SKYGRiD Era whose invoices are currently under review by the Cost Consultant and Tridel; and (iv) notice of the motion for approval of the release of the SKYGRiD Holdback Amount will be given to all subcontractors and suppliers on the Project, as well as all existing lien claimants.
- 5.8 The Monitor respectfully recommends that the Court authorize the Companies to release the SKYGRiD Holdback Amount to SKYGRiD in accordance with the proposed SKYGRiD Holdback Release Order. The Monitor is of the view that such relief provides an appropriate mechanism to release the SKYGRiD Holdback Amount rightfully earned by, and owing to, SKYGRiD, while also contributing to finalizing the transition of construction management and advancing these CCAA Proceedings.

## **6.0 EXTENSION OF THE STAY PERIOD**

6.1 The Stay Period currently expires on February 12, 2026. Pursuant to the proposed Stay Extension Order, the Monitor, on behalf of the Companies, is seeking an extension of the Stay Period to and including September 25, 2026.

6.2 The Monitor is of the view that the proposed extension of the Stay Period is appropriate for the following reasons:

- (i) the extension of the Stay Period is required to provide the stability necessary for continuing construction of the Project and for the Companies, through the CRO and with the assistance of the Monitor, to advance various other matters in connection with the development of the Project, including, without limitation, ongoing construction, the completion of the Hotel Process and, ultimately, the re-launch of sales of condominium units in the Project;
- (ii) the amount available under the DIP Credit Agreement is projected to provide the Companies with sufficient liquidity to fund the construction of the Project and these CCAA Proceedings through to the end of the proposed extended Stay Period;
- (iii) the Companies, under the oversight of the CRO and the Monitor, have acted and continue to act in good faith and with due diligence to advance the CCAA Proceedings; and
- (iv) the Monitor is of the view that no stakeholder will be materially prejudiced if the Stay Period is extended, including because such extension will allow for the continuing construction of the Project for the benefit of stakeholders.

## **7.0 FEE APPROVALS**

- 7.1 Pursuant to paragraphs 28 and 29 of the Initial Order, the Monitor and its legal counsel shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges, and the Monitor and its legal counsel shall pass their accounts from time to time before the Court.
- 7.2 Included in the Companies' Motion Record filed by the Monitor in respect of the proposed SKYGRiD Holdback Release Order and proposed Stay Extension Order is the Affidavit of Stephen Ferguson, a Senior Vice President at A&M, sworn January 22, 2026 (the "**A&M Fee Affidavit**") attesting to the fees and disbursements of the Monitor in respect of the CCAA Proceedings, for the period from March 16, 2025, to December 31, 2025, in the aggregate amount of \$3,370,035.80 comprised of fees of \$2,933,893.00, disbursements of \$48,439.57, and taxes of \$387,703.23.
- 7.3 Also included in the Companies' Motion Record is the Affidavit of Christopher Armstrong, a partner at Goodmans LLP ("**Goodmans**"), counsel to the Monitor, sworn January 22, 2026 (the "**Goodmans Fee Affidavit**") attesting to the fees and disbursements of Goodmans incurred in respect of the CCAA Proceedings, for the period from March 17, 2025, to January 4, 2026, in the aggregate amount of \$3,127,420.20, comprised of fees of \$2,746,245.50, disbursements of \$21,646.64, and taxes of \$359,528.06.<sup>9</sup>
- 7.4 The Monitor confirms that the fees and disbursements set out in Goodmans' invoices relate to advice sought by the Monitor and assistance provided in respect of the CCAA

---

<sup>9</sup> The invoices appended to the Goodmans Fee Affidavit include two dockets that pre-date March 17, 2025 (March 5, 2025, and March 7, 2025), totaling 0.9 hours.

Proceedings, and that, in the Monitor's view, Goodmans' fees and disbursements are properly chargeable, reasonable and appropriate.

- 7.5 It is the Monitor's view that the fees and disbursements of the Monitor and its legal counsel described in the A&M Fee Affidavit and the Goodmans Fee Affidavit, respectively, are reasonable and appropriate in the circumstances having regard to the scope of activity undertaken in the CCAA Proceedings, which activity and achievements have included, among other things: (i) overseeing the CCAA Proceedings and ensuring the uninterrupted construction of the Project; (ii) facilitating the successful transition of construction management from SKYGRiD to Tridel with minimal impact to trades and suppliers; (iii) diligently attending to complex litigation matters and disputes involving current and former contractors and subcontractors engaged on the Project, including a three-day hearing in June 2025 involving a complex dispute with MI; (iv) providing assistance to the CRO, the Hotel Advisor and Tridel, in advancing the Hotel Process that is expected to result in the engagement of a five-star luxury hotel operator in the coming months; (v) assisting with various development initiatives in respect of the Project, including the implementation of the CSA Plan and the CSA Plan Reconfiguration (as defined and described in the Second Report) approved by the Court in November 2025; and (vii) planning for the next phase of development of the Project, including the re-launch of sales of condominium units and the advancement of the process to identify tenant(s) for the Retail Component.

## 8.0 CASH FLOW RESULTS RELATIVE TO FORECAST

8.1 Construction of the Project remains ongoing and continues to be funded through the DIP Credit Agreement. Pursuant to paragraph 31 of the Initial Order, the Companies are authorized to borrow up to \$615 million by way of the DIP Credit Agreement.

8.2 Actual receipts and disbursements for the three-month period from October 1, 2025 to December 31, 2025 (the “**Reporting Period**”), as compared to the cash flow forecast attached as Appendix “D” to the First Report of the Monitor dated July 30, 2025 (the “**First Cash Flow Forecast**”), are summarized in the following table:

Cash Flow Variance Report Cumulative 3-Month Period Ended December 31, 2025			
<i>(CA \$000's, Unaudited)</i>	<b>Actual</b>	<b>Forecast</b>	<b>Variance</b>
<b>Total Receipts</b>	<b>\$ 8,672</b>	<b>\$ 4,579</b>	<b>\$ 4,093</b>
<u>Disbursements:</u>			
Construction Costs	(29,479)	(35,012)	5,533
Design Related Costs	(1,395)	(2,367)	972
Project & Sales Management	(1,364)	(1,430)	66
General, Administrative & Other	(384)	(472)	88
Land & Development Costs	(1)	(8,533)	8,532
Professional Fees	(3,132)	(3,725)	593
Other	(400)	-	(400)
<b>Total Disbursements</b>	<b>\$ (36,155)</b>	<b>\$ (51,539)</b>	<b>\$ 15,384</b>
<b>Net Cash Flow</b>	<b>\$ (27,483)</b>	<b>\$ (46,960)</b>	<b>\$ 19,477</b>
<u>Project Accounts:</u>			
Opening Cash	46,479	46,397	82
Net Cash Flow	(27,483)	(46,960)	19,477
DIP Facility Advances	49,000	51,000	(2,000)
<b>Ending Cash Balance (Project Accounts)</b>	<b>\$ 67,996</b>	<b>\$ 50,437</b>	<b>\$ 17,559</b>

8.3 During the Reporting Period:

- (i) the positive variance in receipts of approximately \$4.1 million primarily reflects the reversal of a negative variance from a prior period arising from a timing delay in the receipt of HST refunds, which have now been received; and
- (ii) the positive variance in disbursements of approximately \$15.4 million is primarily due to the conservative assumptions used in timing of the forecasted construction payments in the development of the First Cash Flow Forecast. Accordingly, these variances are considered to be timing variances and are expected to reverse in future periods.

8.4 As at December 31, 2025, the Companies' cash balance was approximately \$68.0 million, comprised of: (i) approximately \$54.4 million held in the Monitor's trust account for the benefit of the Companies; (ii) approximately \$400,000 held in an account in the name of the Beneficial Owner as a funding reserve for the benefit of the Project, to be used for the payment of ongoing Project costs; and (iii) approximately \$13.2 million held in the Receivership Claims Reserve (collectively, the "**Project Accounts**").

8.5 In addition to the funds held in the Project Accounts, an additional \$22.1 million is held in the holdback accounts as at December 31, 2025, representing the Project Holdback.

8.6 As at December 31, 2025, \$96.3 million (inclusive of accrued interest) has been drawn under the DIP Credit Agreement to fund ongoing costs of the Project and the costs of the CCAA Proceedings.

## 9.0 UPDATED CASH FLOW FORECAST

9.1 In connection with the proposed extension of the Stay Period, the Companies, with the assistance of the Monitor, have prepared an updated cash flow forecast (the “**Updated Cash Flow Forecast**”) for the nine-month period from January 1, 2026, to September 30, 2026 (the “**Updated Cash Flow Period**”). A copy of the Updated Cash Flow Forecast, together with a summary of assumptions, are attached hereto as **Appendix “E”**.

9.2 A summary of the Updated Cash Flow Forecast is set out in the following table:

Updated Cash Flow Forecast	\$000's
<b>Total Receipts</b>	<b>\$ 14,454</b>
<u>Disbursements:</u>	
Construction Costs	(81,618)
Design Related Costs	(6,931)
Project & Sales Management	(4,505)
General, Administrative & Other	(5,202)
Land & Development Costs	(17,876)
Professional Fees	(6,442)
LC Replacement & Other Costs	593
<b>Total Disbursements</b>	<b>\$ (121,981)</b>
<b>Net Cash Flow</b>	<b>\$ (107,527)</b>
<u>Project Accounts</u>	
Opening Cash	67,996
Net Cash Flow	(107,527)
DIP Facility Advances	75,000
<b>Ending Cash Balance (Project Accounts)</b>	<b>\$ 35,469</b>

9.3 The Monitor notes the following with respect to the Updated Cash Flow Forecast:

- (i) receipts are primarily related to HST refunds. No receipts from the sale of condominium units or related deposits are contemplated during the Updated Cash Flow Period;

- (ii) disbursements are forecast based on the anticipated costs to be incurred during the Updated Cash Flow Period as contemplated in the current cost to complete and construction schedule;
- (iii) professional fees include the fees of the Monitor, its legal counsel, the CRO, legal counsel to the Senior Secured Lenders, and other Project advisors; and
- (iv) based on the Updated Cash Flow Forecast, the Companies are forecast to have sufficient liquidity through the proposed extended Stay Period.

If a Company disclaims the lease governing such leased premises in accordance with Section 32 of the CCAA, it shall not be required to pay Rent under such lease pending resolution of any such dispute (other than Rent payable for the notice period provided for in Section 32(5) of the CCAA), and the disclaimer of the lease shall be without prejudice to such Company's claim to the fixtures in dispute.

13. **THIS COURT ORDERS** that if a notice of disclaimer is delivered pursuant to Section 32 of the CCAA, then (a) during the notice period prior to the effective time of the disclaimer, the landlord may, subject to applicable law, show the affected leased premises to prospective tenants during normal business hours, on giving the relevant Company and the Monitor 24 hours' prior written notice, and (b) at the effective time of the disclaimer, the relevant landlord shall be entitled to take possession of any such leased premises without waiver of or prejudice to any claims or rights such landlord may have against the applicable Company in respect of such lease or leased premises, provided that nothing herein shall relieve such landlord of its obligation to mitigate any damages claimed in connection therewith.

## **NO PROCEEDINGS AGAINST THE COMPANIES, THE MONITOR, THE DEVELOPERS OR THE PROPERTY**

14. **THIS COURT ORDERS** that until and including August 15, 2025, or such later date as this Court may order (the “**Stay Period**”), no proceeding or enforcement process in any court or tribunal (each, a “**Proceeding**”) shall be commenced or continued against or in respect of the Companies or the Monitor, or any Developer for matters arising after the date of the Receivership Order, or affecting the Business or the Property, except, in each case, with the written consent of the CRO, the Monitor and, in the case of any Proceeding against the Tridel Parties, the Tridel Parties also, or with leave of this Court, and any and all Proceedings currently under way against or in respect of any of the Companies, any Developer or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court or the written consent of the CRO and the Monitor; provided that nothing in this paragraph 14 shall stay the Receivership Litigation, it being understood that the recourse of the claimants in the Receivership Litigation shall be limited to the applicable specified reserve amounts in the Receivership Claims Reserve (as defined below) and all Receivership Litigation shall remain subject to the jurisdiction of the Court in the CCAA proceedings.

## 1.0 INTRODUCTION

- 1.1 On October 18, 2023 (the “**Appointment Date**”), pursuant to the Order (Appointing Receiver) (the “**Receivership Order**” and the proceedings commenced thereunder being the “**Receivership Proceedings**”) of the Ontario Superior Court of Justice (Commercial List) (the “**Court**”), Alvarez & Marsal Canada Inc. (“**A&M**”) was appointed as receiver and manager (in such capacities, the “**Receiver**”), without security, of all of the assets, undertakings and properties (collectively, the “**Property**”) of Mizrahi Commercial (The One) LP (the “**Beneficial Owner**”), Mizrahi Development Group (The One) Inc. (the “**Nominee**”), and Mizrahi Commercial (The One) GP Inc. (“**GP Inc.**” and, together with the Nominee, the “**Applicants**”, and together with the Nominee and the Beneficial Owner, the “**Debtors**” or the “**Companies**”) acquired for, or used in relation to, a business carried on by the Debtors, including, without limitation, in connection with the development of an 85-storey condominium, hotel and retail tower (the “**Project**”) located on the southwest corner of Yonge Street and Bloor Street West in Toronto, Ontario.
- 1.2 On June 6, 2024, the Court granted the Order (Approval of SISP) (the “**SISP Approval Order**”) which, among other things, approved the sale and investment solicitation process (the “**SISP**”) in respect of the Project and authorized and directed the Receiver and the Broker (as defined below) to implement the SISP. A summary of the SISP and its key terms is included in the Second Report of the Receiver dated May 28, 2024 (the “**Second Report**”), a copy of which is attached hereto (without appendices) as **Appendix “A”**.
- 1.3 The Receiver’s Sixth Report dated December 11, 2024 (the “**Sixth Report**”), a copy of which is attached hereto (without appendices) as **Appendix “B”**, provided an interim

update in respect of the SISP. As described in the Sixth Report, the SISP culminated in the Receiver and the Senior Secured Lenders (as defined below) entering into a binding term sheet with Tridel Builders Inc. (“**TBI**”) and certain of its affiliates (collectively, “**Tridel**” and, together with Tridel Corporation, the “**Tridel Parties**”) on December 6, 2024 (the “**Term Sheet**”), in respect of the comprehensive proposal submitted by Tridel pursuant to the SISP, which contemplated Tridel being engaged as the project manager, construction manager and sales manager on a fee for service basis to complete the construction, development and realization of value from the Project (the “**Transaction**”).

- 1.4 The Transaction is subject to, among other things, the Court’s approval of the Transaction, and the transition of the Receivership Proceedings to proceedings under the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**” and the proceedings contemplated to be commenced thereunder being the “**CCAA Proceedings**”).
- 1.5 Since entering into the Term Sheet, the Receiver, in consultation with the Senior Secured Lenders and the proposed CRO (as defined below), has been working with Tridel to negotiate, finalize and execute the Definitive Transaction Agreements (as defined below). Those negotiations are now complete, the Definitive Transaction Agreements have been executed, along with the DIP Credit Agreement (as defined below) which provides for necessary go-forward financing for the Project, and the Receiver is returning to Court to seek approval of the Transaction as well as the transition of the Receivership Proceedings to the CCAA Proceedings, together with certain related relief as described in greater detail below.

- 1.6 The Receiver has previously filed seven reports and four supplemental reports (collectively, the “**Prior Reports**”) with the Court. Additional background information regarding the Debtors and the Project, including an overview of the circumstances leading to the appointment of the Receiver, are contained in the Prior Reports and in the application record dated October 17, 2023 (the “**Application Record**”) of the Debtors’ senior secured lenders, KEB Hana Bank as trustee of each of IGIS Global Private Placement Real Estate Fund No. 301 and IGIS Global Private Placement Real Estate Fund No. 434 (together with KEB Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 530, the “**Senior Secured Lenders**”),<sup>1</sup> including the affidavit of Joo Sung Yoon sworn October 17, 2023 (the “**Yoon Affidavit**”).
- 1.7 The Application Record, the Prior Reports and other Court-filed documents and notices in the Receivership Proceedings can be found on the Receiver’s case website at: [www.alvarezandmarsal.com/theone](http://www.alvarezandmarsal.com/theone) (the “**Case Website**”).

#### **4.0 CONSTRUCTION UPDATE**

4.1 Since the Appointment Date, the Receiver's primary focus, in consultation with KDC and the Cost Consultant, has been on advancing and facilitating the ongoing construction of the Project, which has continued uninterrupted throughout the Receivership Proceedings. The Receiver has implemented a number of initiatives directed at cost savings and/or value maximization, as well as improving practices and procedures, including but not limited to:

- (i) overseeing the implementation of improved construction management procedures;
- (ii) successfully transitioning construction management of the Project from Mizrahi Inc. ("MI"), the former developer of the Project, to SKYGRiD, the interim construction manager of the Project, with minimal impact to trades and suppliers;
- (iii) assisting SKYGRiD in negotiating new contracts (in cases where, under the oversight of MI, the lack of fixed price contracts had resulted in certain subtrades working off of purchase orders, letters of intent or on a "time and materials" basis for extended periods of time), and to transition subcontractors and other suppliers working on the Project who had a contract with MI to a new contract with SKYGRiD, while also addressing gaps in scopes of work and negotiating improved and/or industry standard terms;
- (iv) seeking and obtaining Court approval of the Construction Continuance Order, Lien Regularization Order, Holdback Release Order and Lien Claims Resolution Order

(each as defined below), which have collectively supported the efficient and effective management and resolution of certain trade and supplier related matters with minimal disruption to the ongoing construction of the Project;

- (v) working with the Reconfiguration Advisors (as defined in the Second Report) to analyze potential reconfiguration options for certain floor plates, and ultimately implementing the Reconfiguration Plan which, based on the Receiver's analysis and input from the Reconfiguration Advisors, would generate substantial additional net realizable value to the Project in comparison to the Base Configuration (as defined below);
- (vi) successfully completing the SISP through which Tridel was selected to, among other things, take over from SKYGRiD as the construction manager of the Project to facilitate the completion of construction of the Project, and working with Tridel and SKYGRiD during the Interim Period (as defined below) to develop a construction management transition plan; and
- (vii) working with Tridel, SKYGRiD and the Reconfiguration Advisors to further review and analyze the Reconfiguration Plan, which has been updated and improved through the proposed Tridel Reconfiguration Plan, which the Receiver and Tridel believe will continue to enhance and maximize value to the Project.

4.2 As previously reported, as at the Appointment Date, tower slabs in the building superstructure were poured to level 42 and window curtainwall (the façade) on the building envelope was installed through level 11.

4.3 During the period from the Appointment Date to March 31, 2025, an additional 39 floors of tower slabs have been poured through level 81, and the installation of the building envelope has advanced by an additional 47 floors through level 58 (which is currently in progress).

4.4 Below is a visual comparison of the construction progress achieved on the Project's superstructure since the Appointment Date:

October 18, 2023  
Appointment Date

March 13, 2024  
SKYGRiD transition date

March 27, 2025  
Current

4.5 As of March 31, 2025, other key construction activities have continued to progress in line with the progress of the building enclosure, as follows:

- (i) standpipe for the fire suppression system is installed to level 80, standpipe for water service is partially installed to level 57, and main riser piping is partially installed to level 57;
- (ii) gas service to the suites is installed up to level 47;

- (iii) HVAC distribution from the mechanical rooms to the residential suites is partially complete up to level 67; and
- (iv) electrical main services are on-line up to level 38, with electrical main services installed up to level 66 (not yet on-line).

4.6 The Project's consultants are in the process of finalizing an updated set of drawings reflecting the changes contemplated by the Tridel Reconfiguration Plan, which drawings are substantially complete as of the date of this Joint Report. Subject to receiving Court approval, the drawings and other required documentation will be submitted to the City Planning Division for review. Materials in support of a revised building permit application to be submitted to the Toronto Building Department in respect of the Tridel Reconfiguration Plan are similarly in progress. Based on discussions with Tridel and the Reconfiguration Advisors, the Receiver does not anticipate any issues with the City Planning Division's review and approval process as it relates to the Tridel Reconfiguration Plan.

4.7 The concrete pouring of the penthouse levels of the Project commenced in late March 2025 (the first structural activity in the Tridel Reconfiguration Plan). The Schedule (as defined below) currently contemplates the concrete forming of the last residential floor (level 85) to be complete in September 2025, the remaining structural components of the Project to be substantially complete by November 2026, and the construction of the overall Project to be complete in early 2028.

## **5.0 RESULTS OF THE SISP**

- 5.1 A comprehensive overview of the SISP, including the activities conducted by the Broker and the Receiver in connection therewith, is set out in Section 4.0 of the Sixth Report. Capitalized terms not otherwise defined in this section have the meaning given to them in the SISP.
- 5.2 As described in the Sixth Report, following an extensive marketing process, a number of Qualified LOIs for Development Proposals (proposals for the construction, development and realization of value from the Project) were received. No Qualified LOIs for Transaction Proposals (proposals for the acquisition of, or investment in, the Project) were received.
- 5.3 In total, the Receiver and the Broker received LOIs from 11 Participating Bidders. A summary of the LOIs received is included as **Confidential Appendix “1”** (the “**LOI Summary**”). The purpose of the LOI Summary is to provide the Court with additional information regarding the LOIs received in the SISP, including the fees proposed by each of the relevant Participating Bidders.
- 5.4 Pursuant to the proposed Initial Order, a sealing order is being sought in respect of the LOI Summary on the basis that it contains commercially sensitive information that could negatively impact realization efforts in respect of the Project, including as it relates to the estimated value of the individual components of the Project, as well as the identification of certain Participating Bidders and details concerning their respective LOIs, which were submitted on a confidential basis. The Receiver is of the view that no party will suffer prejudice if the LOI Summary is filed under seal.

### Tridel Term Sheet and Interim Services

- 5.5 For the reasons set out at paragraph 4.26 of the Sixth Report, Tridel's Development Proposal was determined to be the superior proposal and was designated as the Selected Qualified Bid.
- 5.6 On December 6, 2024, the Receiver, Tridel and the Senior Secured Lenders entered into the Term Sheet, which outlined the principal terms and conditions of the Transaction, including the specific services that would be performed by Tridel on an interim basis prior to Court approval of the Transaction (the "**Interim Services**") and the fees associated with the Interim Services. Shortly thereafter, on December 11, 2024, the Receiver issued its Sixth Report wherein it provided an update with respect to the SISP, including the execution of the Term Sheet and the proposed transition to the CCAA Proceedings.
- 5.7 Pursuant to the Term Sheet, on December 12, 2024, the Receiver remitted refundable advance payments of the construction management and project management fees to Tridel in consideration for the performance of the Interim Services in the aggregate amount of approximately \$2.3 million, plus HST (collectively, the "**Tridel Advances**").
- 5.8 Since the execution of the Term Sheet (the "**Interim Period**"), Tridel has devoted significant time and effort to prepare a revised Project construction schedule (the "**Schedule**"), cost to complete (the "**Cost to Complete**"), procurement schedule, and the related budget (the "**Development Budget**"), which has been finalized in consultation with the Receiver, the Cost Consultant, KDC, and the Senior Secured Lenders.

5.9 In addition, Tridel has been performing the Interim Services including, among other things, assisting the Receiver with certain development management matters, commencing planning activities in connection with the sale and marketing plan for the Residential Component,<sup>2</sup> advancing various time sensitive Project matters including assisting with the hotel operator selection process (described below) and working with SKYGRiD on a cooperative and collaborative basis to plan and implement a construction management transition plan. Additional information regarding the transition of construction management of the Project is provided below.

## 6.0 THE PROPOSED TRANSACTION

### Definitive Transaction Agreements

6.1 Subject to Court approval of the Transaction and the granting of the CCAA relief sought in connection therewith, the Transaction contemplates that, as of the Effective Date (as defined below), Tridel will be engaged as the project manager, construction manager and sales manager of the Project. The Transaction is documented in the Omnibus Agreement and each of the other Definitive Transaction Agreements appended thereto, which together represent the agreement between the parties with respect to the Transaction. The Transaction, if approved, will become effective ten days after Court approval thereof, or such other date as the parties mutually agree (the “**Effective Date**”).

---

<sup>2</sup> The residential component of the Project (the “**Residential Component**”) is comprised of the residential condominium units (each a “**Unit**” and, collectively, the “**Units**”) occupying levels 17 through 85 of the Project, and the commercial component of the Project (the “**Commercial Component**”) is comprised of four underground parking levels and 16 aboveground levels including the retail space on the ground floor, the food and beverage spaces on level three, and the spaces designed for a premium hotel on levels five and seven through 16 (the “**Hotel Component**”).

6.2 An overview of the Omnibus Agreement and the other Definitive Transaction Agreements is set out in the table below, and summaries of the key terms of each are included in **Appendix “C”**. The Omnibus Agreement itself, including the other Definitive Transaction Agreements appended as schedules thereto, is attached as **Appendix “D”**. 6.3 The fees payable by the Owner to Tridel under each of the PMSA, CMA and RSA are summarized in the table below, with certain additional particulars also included in **Confidential Appendix “1”**, given that such particulars reflect Tridel’s commercially sensitive fee structure. As described in the Sixth Report, Tridel’s fee structure was competitive with other Development Proposals received in the SISP and was the subject of extensive negotiations between Tridel and the Receiver, in consultation with the Senior Secured Lenders.

### Project Reconfiguration

- 6.4 The configuration of the Residential Component of the Project at the Appointment Date (the “**Base Configuration**”) consisted of 415 Units (including one Unit comprised of two Units combined), of which 69 Units were located on floors above level 61 (the “**Partial Upper Floors**”) where there were only two or four Units per floor, comprised of the largest, most expensive Units in the Project, with an average saleable area of over 2,600 square feet per Unit. Floors below the Partial Upper Floors had either six or ten Units per floor. Of the 69 Units located on the Partial Upper Floors, only 19 Units were (or are) subject to a CSA (as defined below) and 50 Units remained unsold as at the Appointment Date.
- 6.5 As described in the Second Report, the Receiver’s Reconfiguration Advisors advised that there is an extremely limited market for Units of the size and sale price of those located on the Partial Upper Floors under the Base Configuration, and that the timeline required to sell the volume of such Units could be significant. Accordingly, with input from the Reconfiguration Advisors in respect of market conditions, fair market values, anticipated

velocity of sale, the limits of reconfiguration options posed by zoning requirements, site plans, permits and existing infrastructure of the Project, and after consultation with the Senior Secured Lenders and their advisors, the Receiver analyzed potential reconfiguration options for floor plates on the Partial Upper Floors and determined that it was appropriate to proceed with an alternative that would add 88 additional Units to the Partial Upper Floors (the “**Reconfiguration Plan**”), thereby increasing the total Units of the Project to 503 Units.

- 6.6 The Reconfiguration and LC Arrangement Order, among other things, approved the Reconfiguration Plan, and the Project was marketed in the SISP based on the Reconfiguration Plan.

*Tridel Reconfiguration Plan*

- 6.7 Tridel reviewed the Reconfiguration Plan during the SISP due diligence process and as part of its Development Proposal proposed a further reconfiguration (the “**Tridel Reconfiguration Plan**”) of the floor plates on all high-rise floors, which includes floors located above level 58 (together with the Partial Upper Floors, the “**High-Rise Floors**”) that would reduce the total number of Units in the Project (relative to the Reconfiguration Plan) by 27 Units, resulting in a total of 476 Units. The specific design changes associated with the reduction in Units are expected to optimize the number of larger Units in the Project while balancing the velocity of sales of such Units.

- 6.8 A comparison of the number of Units and the floor plate configurations contemplated under the Tridel Reconfiguration Plan as compared to each of the Base Configuration and the Reconfiguration Plan is as follows:

Summary of Design Reconfigurations of the Project			
Residential Floors	Base Configuration	Reconfiguration Plan	Tridel Reconfiguration Plan
Levels 19 to 48	10-units	10-units	10-units
Levels 49 to 56	6-units	6-units	6-units
Levels 59 to 61	6-units	6-units	8-units (new layout)
Levels 62 to 63	4-units	6-units	8-units (new layout)
Levels 64 to 69	4-units	10-units	8-units (new layout)
Levels 70 to 75	4-units	10-units	6-units (new layout)
Levels 76	4-units	6-units (new layout)	6-units
Levels 79 to 81	2-units	4-units	4-units
Levels 82 to 85 (penthouses)	4-units (3-storey)	4-units (3-storey)	7-units (five 2-storey, two 3-storey)
<b>TOTAL UNITS</b>	<b>415 units</b>	<b>503 units</b>	<b>476 units</b>

6.9 The Reconfiguration Advisors analyzed the Tridel Reconfiguration Plan and, with the benefit of their input, Tridel prepared a cost benefit analysis of the Tridel Reconfiguration Plan to the Reconfiguration Plan, as well as the potential impact on the Schedule. Based on the Receiver's review, this cost benefit analysis indicates that the Tridel Reconfiguration Plan is anticipated to generate meaningful additional incremental value for the Project, with minimal impact on the Schedule.

6.10 As illustrated in the table above, the Tridel Reconfiguration Plan contemplates layouts that are in most cases different than those of the Reconfiguration Plan and the Base Configuration on the High-Rise Floors.

#### *CSA Disclaimer Notices*

6.11 Within the High-Rise Floors, there were (or are) a total of 20 Units<sup>3</sup> subject to a Condominium Sale Agreement ("CSA"), comprised as follows:

---

<sup>3</sup> Representing sales totaling \$141.3 million, including HST.

- (i) four CSAs that were in default of the deposit requirements under their respective CSA (with combined deposit deficiencies totaling approximately \$4.7 million), and one CSA in respect of a penthouse Unit purchased by Sam Mizrahi, which had a deposit requirement of only \$10,000 on a sale price of \$17,427,000, including HST (collectively, the “**Unqualified Units**”); and
- (ii) 15 CSAs that are in compliance with the deposit requirements of their respective CSA (representing sales totaling \$77.1 million, including HST, in respect of which deposits totaling \$16.4 million have been received) (collectively, the “**Qualified Units**”).

6.12 Of the five Unqualified Units, three Unqualified Units are located on the penthouse levels of the Project and, under the Tridel Reconfiguration Plan, will no longer be built in accordance with the layout reflected in their respective CSA. In accordance with the Schedule, concrete pouring of the level 82 mega walls (the first penthouse level) commenced in late March 2025. Accordingly, on February 21, 2025, the Receiver determined that it was necessary and appropriate to issue disclaimer notices in respect of the CSAs for those three Unqualified Units, including Sam Mizrahi’s Unit.

6.13 Of the 15 Qualified Units: (i) the Tridel Reconfiguration Plan provides for virtually identical Units (*i.e.*, same square footage, exposure and layout) (“**Equivalent Units**”) for eight Qualified Units; and (ii) it is feasible from a design and constructability perspective to combine Units on certain of the High-Rise Floors under the Tridel Reconfiguration Plan to provide an Equivalent Unit to two additional Qualified Units (as well as one of the Unqualified Units).

- 6.14 The remaining five Qualified Units and one remaining Unqualified Unit will no longer be built in accordance with the layout reflected in their respective CSA and will not have an Equivalent Unit available under the Tridel Reconfiguration Plan. Accordingly, on April 1, 2025, the Receiver determined that it was necessary and appropriate to issue disclaimer notices in respect of the CSAs for those six Units.
- 6.15 On March 11, 2025, counsel to the Receiver received a letter from counsel to Mr. Mizrahi advising that Mr. Mizrahi intends to oppose the disclaimer of his CSA and requesting certain information from the Receiver. The Receiver's counsel responded on March 14, 2025, to provide the requested information and request that Mr. Mizrahi's counsel advise as soon as possible if Mr. Mizrahi intended to bring a motion to dispute the disclaimer. As of the date of this Joint Report, the Receiver has not been provided with any further correspondence or motion materials in this regard.
- 6.16 As of the date of this Joint Report, no objections have been received in respect of the other disclaimed CSAs and the Receiver has been in contact with certain of those purchasers to facilitate a deposit insurance claim, where applicable.

#### *CSA Plan*

- 6.17 Under the terms of the PMSA, it is a responsibility of the Project Manager to develop a plan in respect of the treatment of Units in the Project (the "**CSA Plan**"), subject to the approval of the Owner and the Court. As part of the Interim Services, the Project Manager has commenced work in respect of the development of the CSA Plan. The Monitor, if appointed, will report to the Court further in respect of the CSA Plan once it has been finalized, and will seek the Court's approval of same at that time on behalf of the

Companies. The timing of the finalization of the CSA Plan will be dependent, in part, on the timing of the engagement of the operator of the Hotel Component, which is anticipated to impact the ultimate plan for the Residential Component and the marketing and sale of the Units. The Receiver notes that in developing the CSA Plan, consideration will be given to options that may be made available to Unit purchasers whose Units were disclaimed in connection with the Tridel Reconfiguration Plan.

6.18 The Tridel Reconfiguration Plan is an integral part of the Transaction, and the Definitive Transaction Agreements have been negotiated on the basis that it will be implemented. In the Receiver's view, it is appropriate to proceed with the Tridel Reconfiguration Plan because:

- (i) with the benefit of Tridel's considerable high-rise residential development and sales management expertise, the Tridel Reconfiguration Plan contemplates optimized layouts that cater to current market demands, which will allow for the maximization of value in respect of the Residential Component;
- (ii) like the Reconfiguration Plan, it has been designed to maintain the same standard of quality construction and luxury of the Project, while providing for Units that are saleable in the current market;
- (iii) it has been extensively reviewed by the Receiver and the Reconfiguration Advisors and is supported by the Senior Secured Lenders; and
- (iv) the reconfigured layouts of the penthouse Units (five two-storey Units and two three-storey Units with an average saleable area of approximately 4,000 square

feet) provide for a further reduced timeline within which to realize maximized returns in respect of the Residential Component (given the anticipated length of time required for the market to absorb four three-storey penthouse Units with an average saleable area of approximately 6,000 square feet at the contemplated price point that remained in the Base Configuration and Reconfiguration Plan).

- 6.19 All Unit purchasers will be provided notice of the Transition Hearing and the relief sought in connection therewith, including the proposed approval of the Tridel Reconfiguration Plan.

Proposed Transaction Approval Order

- 6.20 At the Transition Hearing, the Monitor, if appointed pursuant to the proposed Initial Order, will be seeking approval of the Transaction on behalf of the Companies pursuant to the proposed Transaction Approval Order.
- 6.21 In addition to approving the Transaction and authorizing the execution of the Omnibus Agreement, the other Definitive Transaction Agreements, and any ancillary Transaction documents by the CRO on behalf of the Companies *nunc pro tunc*, the proposed Transaction Approval Order, among other things:
- (i) grants a priority charge on the Property in favour of the Tridel Parties (the “**Tridel Charge**”) as security for the Tridel Charge Obligations, being specific fee, cost and expense obligations owing to the Tridel Parties under the Definitive Transaction Agreements, with the priority set out in the proposed Initial Order;

- (ii) orders that leave of the Court shall be required for any of the Companies or the relevant Tridel Parties to terminate the Omnibus Agreement or any of the other Definitive Transaction Agreements on a motion brought on not less than 15 days' notice;
- (iii) orders that the Tridel Parties shall not be liable for any claims under or in relation to any CSAs in existence prior to the Effective Date which arise from facts or circumstances in existence prior to the Effective Date or from acts of the Companies, their agents, assigns or contractors;
- (iv) prescribes the respective responsibilities and obligations of each of SKYGRiD and the Construction Manager as it relates to the services or materials provided to the Project by any contractor, subcontractor, trade supplier, or other Person for the periods before and after the Effective Date; and
- (v) approves the Tridel Reconfiguration Plan and authorizes the Companies and the Monitor to implement same.

Recommendations of the Receiver and the Proposed Monitor

6.22 A&M, in its capacity as both Receiver and Proposed Monitor, respectfully recommends that the Court grant the Transaction Approval Order for the following reasons:

- (i) Tridel's Development Proposal represents the successful culmination of a highly competitive Court-approved SISF;

- (ii) Tridel's Development Proposal provides a value maximizing plan for the timely completion of the Project for the benefit of the Senior Secured Lenders and other stakeholders. Its Development Proposal includes various strategies for both the Residential Component and the Commercial Component to optimize utility and function, value engineering initiatives which are anticipated to save costs, and potential re-design concepts for the Project, including as contemplated by the Tridel Reconfiguration Plan;
- (iii) Tridel is an award-winning developer with an established reputation in the Canadian development industry for delivering high quality, luxury condominiums, which reputation is expected to be of significant value in the construction and marketing of the Project. Tridel's large and broad service offering, including but not limited to development management, construction management, sales management and interior design, allows it to provide in-house resources and expertise to complete the construction and development of the Project in an efficient and effective manner;
- (iv) Tridel's development and construction experience is well aligned with the size, scope and complexity of the Project. In particular, Tridel has over 90 years of home-building experience and is recognized as one of Canada's leading high-rise developers, and has completed several development projects comparable to the nature of the Project, including The Well (a mixed-use development in Toronto comprised of seven towers) and Ten York (a 65-storey condominium in Toronto);

- (v) Tridel's proposed fee structure was competitive with the other fee proposals for Development Proposals received during the SISP and was further improved through negotiating certain fees and costs and by revising certain components of Tridel's fees to be payable on a contingent basis based on revenue targets and costs savings, thereby further contributing to the objective of maximizing value;
- (vi) the Definitive Transaction Agreements are the result of extensive negotiation among the Receiver, the Senior Secured Lenders, the proposed CRO and Tridel, and reflect input from certain Project advisors and the Cost Consultant. In the Receiver's view, the provisions of the Definitive Transaction Agreements and the fees contemplated to be paid to Tridel thereunder are fair and reasonable considering the size and complexity of the Project and the circumstances under which Tridel is being retained;
- (vii) the Tridel Charge is reasonable and appropriate in the circumstances, represents a proper balancing of risk between the parties, and is necessary to facilitate the successful implementation of the Transaction;
- (viii) the other relief sought in the Transaction Approval Order is reasonable and appropriate in the circumstances; and
- (ix) the Senior Secured Lenders are supportive of the Transaction.

6.23 Notwithstanding the Receiver and the Proposed Monitor's view that the Transaction will maximize the value of the Project, the expectation remains that the Senior Secured Lenders will not recover their outstanding pre-receivership secured debt of approximately \$1.235

billion (excluding accrued interest since the Appointment Date) in full. As such, there is not expected to be any recovery for any subordinate secured lender of the Project or unsecured creditors. The Receiver and the Proposed Monitor is of the view that there was no viable proposal submitted in the SISP that would have resulted in recoveries for subordinate creditors and that the Transaction represents the best means of both maximizing value for the benefit of the Senior Secured Lenders as well as ensuring the completion of the Project for the benefit of stakeholders.

## **7.0 THE PROPOSED CCAA PROCEEDINGS**

### Transition to CCAA Proceedings

- 7.1 As previewed in the Sixth Report and outlined in the Omnibus Agreement, the transition of the Receivership Proceedings to the CCAA Proceedings is a condition precedent to the Transaction. In the view of the Receiver, Tridel and the Senior Secured Lenders, the transition to the CCAA Proceedings will best facilitate the implementation of the Transaction and the ongoing construction and completion of the Project, and will provide a better forum in which to market and sell the Units in the Residential Component and to operate, lease and ultimately sell each of the different components within the Commercial Component, all with a view to maximizing value and recoveries.
- 7.2 In the Receiver's view, the specific benefits of transitioning to the CCAA Proceedings include:
- (i) the debtor-in-possession structure of the CCAA Proceedings will permit the Units in the Residential Component to be sold in the ordinary course and directly by the Companies, rather than being marketed and sold by the Receiver on more stringent

standard receivership terms (*i.e.*, “as is, where is” with no surviving representations or warranties). Ordinary course sales by the Companies are anticipated to provide for higher Unit sale prices and are expected to better facilitate addressing certain regulatory issues relating to the sale of the Units, including with respect to working with HCRA and Tarion to ensure that all warranty and vendor licencing matters are appropriately dealt with;

- (ii) the debtor-in-possession structure of the CCAA Proceedings will provide for increased flexibility in terms of the future business operations within the Commercial Component. It is anticipated that during the CCAA Proceedings the Companies may potentially operate certain businesses prior to their respective dispositions, including in respect of the parking, retail spaces, food and beverage spaces and the hotel. The CCAA Proceedings, as compared to the Receivership Proceedings, will provide a better forum within which to: attract tenants and a hotel operator, as well as customers and employees; operate the businesses in the ordinary course; and ultimately monetize each of the components of the Commercial Component;
- (iii) the Project will remain subject to a Court-supervised process under the continued oversight of the Proposed Monitor who has developed an in-depth understanding of the Project in its capacity as Receiver, and will benefit from the assistance of Tridel and the proposed CRO who have each gained a considerable understanding of the Project over the past several months. As described in the Second Report, many of the decisions relating to the development of the Project that did not impact the Schedule were put on hold pending the outcome of the SISF. The proposed

transition to the CCAA Proceedings and the introduction of the CRO will permit the Companies to proceed with making these critical Project decisions, with input and guidance from Tridel, and in consultation with the Monitor and the Senior Secured Lenders;

- (iv) the Project will continue to benefit from continuing and/or similar relief granted in the Receivership Proceedings and there will continue to be a forum for addressing any issues that may arise on a timely basis to facilitate the ongoing and uninterrupted construction of the Project for the benefit of stakeholders; and
- (v) the Senior Secured Lenders have confirmed to the Receiver that they are committed to facilitating the continued construction of the Project to completion and realization by continuing to fund construction of the Project and the cost of the CCAA Proceedings through the proposed DIP Credit Agreement should the Transaction be approved and the CCAA relief granted by the Court.

7.3 The transition from the Receivership Proceedings to the CCAA Proceedings will not impact the ongoing construction of the Project; rather, the primary purpose of the transition is to facilitate the continued funding of such construction, the sale of Units in the Project, and the ultimate realization of value in respect of the Project. In addition, as outlined in further detail in this Joint Report, the proposed Discharge Order and the proposed Initial Order have been prepared such that the rights of various parties in interest in the Receivership Proceedings are preserved and not negatively impacted by the transition to the CCAA Proceedings.

- 7.4 In the Receiver’s and the Proposed Monitor’s view, it is appropriate to grant the Companies protection under the CCAA in the circumstances. Of note in that regard, the Applicants are Ontario-incorporated companies having assets and doing business in Canada, with their registered head office and principal place of business located in Toronto, Ontario. Further, as reported at paragraph 3.5 of the Receiver’s First Report dated February 26, 2024 (the “**First Report**”), the total secured indebtedness in respect of the Project as of October 31, 2023, was approximately \$1.9 billion, inclusive of interest, and the Companies were unable to repay the significant secured debt obligations owing to the Senior Secured Lenders and other subordinate secured lenders. Copies of the Companies’ most recent, unaudited financial statements for the year ended December 31, 2023, are attached as **Appendix “E”**.
- 7.5 The Yoon Affidavit and the First Report provide additional background information regarding the Companies and their financial position, including their indebtedness.

Proposed Initial Order

- 7.6 The Receiver is seeking the proposed Initial Order, which has been tailored to address certain matters arising as a result of the contemplated transition from the Receivership Proceedings to the CCAA Proceedings.
- 7.7 The proposed Initial Order is largely consistent with the model CCAA Initial Order, with certain exceptions to accommodate the unique circumstances of the Companies’ contemplated CCAA Proceedings, including the following:
- (i) *Protections Extended to Beneficial Owner*: The Beneficial Owner, being a limited partnership, is not a “debtor company” within the meaning of the CCAA. However,

given that the Beneficial Owner was formed to undertake the development of the Project, is the beneficial owner of the Project and is integral to the Companies' business, and owes the same indebtedness to the Senior Secured Lenders as the Applicants, the proposed Initial Order seeks to extend the benefits, protections, authorizations and obligations provided therein to the Beneficial Owner. The Receiver understands that this relief is commonly granted to a partnership where its business is integral and closely related to those of its affiliates who are applicants in CCAA proceedings and is of the view it is appropriate in the circumstances;

- (ii) *Payment for Continuing Services:* It is contemplated that payments for ongoing construction and other services in relation to the Project will continue to be made in the normal course by the Companies. Accordingly, the Initial Order contemplates that the Companies may, with the consent of the Monitor, pay amounts owing in respect of obligations incurred by the Companies or the Receiver during the Receivership Proceedings, including in respect of goods and services supplied to the Companies, the Receiver or otherwise in respect of the Project during the Receivership Proceedings, as well as payments owing by the Companies, or any of them, or owing by any Developer (as defined in the proposed Initial Order), to suppliers, contractors, subcontractors and other creditors who the Companies consider to be critical to the Project;
- (iii) *Initial Stay of Proceedings for 120 Days and Granting of "Full" CCAA Relief:* The proposed Initial Order contemplates an initial stay of proceedings of 120 days together with other customary relief under a "full" CCAA Initial Order. Although the CCAA contemplates that a stay on an initial application may only be for a 10-

day period and that relief on an initial application be limited to relief that is reasonably necessary for the continued operations of the debtor company in the ordinary course of business during that 10-day period, the rationale for this limitation (that is, avoiding procedural fairness concerns arising from the *ex parte* or limited notice nature of most initial applications under the CCAA) is not applicable in the circumstances. The Companies have been the subject of Court-supervised insolvency proceedings for more than 18 months that have included the same (or substantially similar) relief as that sought under the proposed Initial Order and all parties on the service list in the Receivership Proceedings, all known creditors, all subcontractors and trades on the Project and all Unit purchasers will have been provided with more than 10 days' notice of the Transition Hearing. In addition, the Transaction, including the contemplated transition to the CCAA Proceedings, was first reported by the Receiver in its Sixth Report dated December 11, 2024. In the circumstances, the Receiver believes an extended initial stay period and the granting of full relief is appropriate, creates further stability and certainty for the Project, and will avoid the unnecessary professional expense of a comeback hearing; and

- (iv) *Notice Requirement Exemptions:* The proposed Initial Order also contemplates that the Monitor shall be exempt from the noticing requirements under the CCAA, including the obligation to publish notice of the CCAA Proceedings in a newspaper. For the same rationale as outlined in the preceding subparagraph, it is appropriate to exempt the Monitor from these noticing requirements in the circumstances. In the context of the Receivership Proceedings, the Receiver sent notice of the

Receivership Proceedings to all known creditors, prepared and published a list showing the names of creditors and their estimated claims, and created the Case Website. The Receivership Proceedings have also been subject to extensive public media reporting. Further, as noted above, notice of the Transition Hearing will be given to all relevant stakeholders and a copy of the Initial Order (if granted) will be posted on the Case Website along with all other public filings in the CCAA Proceedings. In light of the foregoing, the Receiver is of the view that it is appropriate for the Court to dispense with the notice requirements under the CCAA.

#### Charges Proposed in the Initial Order

##### *Continuation of Receivership Charges*

7.8 The Court-ordered charges granted in the Receivership Proceedings pursuant to the Receivership Order are contemplated to be continued in the CCAA Proceedings with the priorities set out in the proposed Initial Order. Specifically, the Receiver's Charge in favour of the Receiver and its counsel as security for their fees and disbursements incurred in connection with the Receivership Proceedings, as well as the Receiver's Borrowings Charge in favour of the RFCA Lender (as defined below) as security for the amounts borrowed under the RFCA (as defined below), will survive the discharge of the Receiver pursuant to the proposed Discharge Order and will be continued in the CCAA Proceedings pursuant to the proposed Initial Order.

7.9 In addition, the following charges granted in the Receivership Proceedings are contemplated to be continued in the CCAA Proceedings, each with the priority set out in the proposed Initial Order:

- (i) the Lien Charges granted pursuant to the Lien Regularization Order prior to the date of the proposed Initial Order, but in all cases subject to the resolution of the related Lien Claims (as defined in the Lien Regularization Order) in accordance with the procedures established pursuant to the Lien Claims Resolution Order (as defined below); and
- (ii) the charge in favour of Royal Bank of Canada granted pursuant to the Reconfiguration and LC Arrangement Order (the “**RBC Charge**”), which charge shall remain in full force and effect and attached to the RBC Collateral Account and the RBC Collateral (each as defined in the Reconfiguration and LC Arrangement Order).

*Additional Charges Contemplated by the Proposed Initial Order*

7.10 In addition to providing for the continuation of the charges granted in the Receivership Proceedings as outlined above, the proposed Initial Order contemplates the following additional super-priority charges:

- (i) Administration Charge: the granting of a charge in favour of the Monitor, counsel to the Monitor, and the CRO (the “**Administration Charge**”), in an amount not to exceed \$3.5 million pending further order of the Court, as security for their professional fees and disbursements incurred in connection with the CCAA Proceedings, which Administration Charge shall rank *pari passu* with the Receiver’s Charge. The Proposed Monitor is of the view that the amount of the Administration Charge is reasonable and appropriate in the circumstances having

regard to the nature of the CCAA Proceedings and the work expected to be required by the relevant professionals on a month-to-month basis;

- (ii) DIP Lender's Charge: the granting of a charge in favour of the DIP Lender (as defined below, and such charge being the “**DIP Lender's Charge**”), in an amount not to exceed \$615 million (plus accrued and unpaid interest, fees and reimbursable expenses) pending further order of the Court, as security for the outstanding obligations of the Companies under the DIP Credit Agreement, which DIP Lender's Charge shall rank *pari passu* with the Receiver's Borrowings Charge. It is a condition of the DIP Credit Agreement that the DIP Lender's Charge be granted by the Court. The Proposed Monitor is of the view that the DIP Lender's Charge is reasonable and appropriate in the circumstances having regard to the nature of the CCAA Proceedings and the anticipated costs required to complete the construction of the Project; and
- (iii) Tridel Charge: the proposed Transaction Approval Order contemplates the granting of the Tridel Charge as security for the Tridel Charge Obligations. As set out in the proposed Initial Order, the Tridel Charge shall rank subordinate to the Administration Charge, the Receiver's Charge, the DIP Lender's Charge and the Receiver's Borrowings Charge. The Proposed Monitor is of the view that the Tridel Charge is appropriate in the circumstances and necessary to facilitate the successful completion of the Transaction.

7.11 The proposed Initial Order also contemplates the following as it relates to the priorities of the above-noted charges, which is consistent with existing relative priorities: (i) the charges

shall be subordinate to the security interest of Aviva Insurance Company of Canada in the Condo Deposits in the Condo Deposit Account (each as defined in the Yoon Affidavit); and (ii) the RBC Charge shall continue to have a first charge on the RBC Collateral Account and the RBC Collateral in accordance with the Reconfiguration and LC Arrangement Order. The foregoing is consistent with the existing relative priorities of the noted charges.

7.12 The below table provides a summary overview of the current charges existing in the Receivership Proceedings and the proposed continuing and new charges in the CCAA Proceedings:

### Transition Related Provisions in the Proposed Initial Order

- 7.13 As noted above, the proposed Initial Order has been carefully prepared by the Receiver and Proposed Monitor, in consultation with the proposed CRO and the Senior Secured Lenders, to address various matters arising from the transition of the Receivership Proceedings to the CCAA Proceedings, with a view to preserving the status quo and ensuring that construction of the Project continues uninterrupted and that the rights of stakeholders are not negatively impacted by the transition. To that end, in addition to providing for the continuation of the charges granted in the Receivership Proceedings as described above, the proposed Initial Order provides for certain additional transition-specific relief.

#### *Assumed Receivership Liabilities*

- 7.14 As part of the transition to the CCAA Proceedings, it is contemplated that the Companies shall assume, be liable for and discharge when due certain specified liabilities incurred by the Receiver on behalf of, or in the name of, the Companies (such liabilities being defined in the proposed Initial Order as the “**Assumed Receivership Liabilities**”).<sup>4</sup> Specifically, upon granting of the proposed Initial Order, the Assumed Receivership Liabilities shall constitute liabilities of the Companies, and neither the Receiver, the Monitor or the CRO shall have any liability with respect to the Assumed Receivership Liabilities.
- 7.15 The assumption of the Assumed Receivership Liabilities by the Companies will ensure that the Assumed Receivership Liabilities continue with full force and effect in the CCAA

---

<sup>4</sup> The Assumed Receivership Liabilities include, among other obligations, the RFCA, the Indemnity Agreement entered into with the City of Toronto relating to a temporary street occupation permit for the Project, and the Loan Agreement and Cash Collateral Agreement entered into with RBC relating to the Letters of Credit Arrangement approved by the Court pursuant to the Reconfiguration and LC Arrangement Order.

Proceedings such that there is no prejudice to the relevant stakeholders from the transition to the CCAA Proceedings, it being understood that: (i) the designation of any Assumed Receivership Liabilities as such is without prejudice to the right of the Companies to dispute the existence, validity or quantum of any Assumed Receivership Liabilities, and (ii) nothing in the proposed Initial Order will affect or waive any legal or equitable rights or defences of any party in respect of the Assumed Receivership Liabilities.

*Specified Receivership Orders*

7.16 During the Receivership Proceedings, the Receiver sought several Court orders, all of which contributed to ensuring the ongoing construction of the Project for the benefit of stakeholders. Given that the relief granted in these orders will continue to be necessary and appropriate in the CCAA Proceedings, the proposed Initial Order provides that each of the following orders (collectively defined in the proposed Initial Order as the “**Specified Receivership Orders**”) and the authorizations, stays, claims bars, rights, protections and other relief granted thereunder shall continue in full force and effect in the CCAA Proceedings, *mutatis mutandis*:

- (i) Lien Regularization Order: The Lien Regularization Order granted by the Court in the Receivership Proceedings on March 7, 2024 (the “**Lien Regularization Order**”), established a Court-supervised streamlined process to replace the technical requirements for preserving and perfecting a lien under the *Construction Act* (Ontario) by providing, among other things, that any person wishing to assert a Lien Claim against the Project shall do so by delivering a Lien Notice (as defined in the Lien Regularization Order) to the Receiver in accordance with the Lien

Regularization Order, following which such person would be granted a Lien Charge against the Project equivalent to, and only to the extent of, any security that would otherwise be granted in respect of the Lien Claim under the *Construction Act* (Ontario). In the context of the CCAA Proceedings, to ensure continued funding under the DIP Credit Agreement and to ensure that parties who have delivered Lien Notices are not prejudiced by the transition to the CCAA Proceedings, the Proposed Monitor is of the view that the same Court-supervised and streamlined process should continue. To that end, the proposed Initial Order contemplates that: (a) the Lien Regularization Order shall continue in the CCAA Proceedings; (b) the Lien Notices delivered or deemed to have been delivered in the Receivership Proceedings shall continue in full force and effect in the CCAA Proceedings (subject to the resolution of the underlying Lien Claims in accordance with the terms of the Lien Claims Resolution Order); and (iii) the Lien Charges granted in the Receivership Proceedings shall continue in the CCAA Proceedings in accordance with the terms of the Lien Regularization Order (provided that the Lien Charges shall be subordinate to each of the other charges described above);

- (ii) Construction Continuance Order: The Construction Continuance and Ancillary Relief Order granted by the Court in the Receivership Proceedings on March 7, 2024 (the “**Construction Continuance Order**”), was designed to promote a smooth transition of construction management from MI to SKYGRiD, in its capacity as interim construction manager of the Project, by, among other things, delineating the respective obligations and liabilities of MI and SKYGRiD towards the contractors, subcontractors and other suppliers required to continue supplying

goods and/or services to the Project pursuant to the Receivership Order. In the view of the Proposed Monitor, this delineation of responsibility as between MI and SKYGRiD, as well as the other rights and authorizations provided for in the Construction Continuance Order, should be continued in the CCAA Proceedings, with the benefit of certain interpretation rules as set out in the proposed Initial Order. Upon the Effective Date, the transition of construction management from SKYGRiD to the Construction Manager will occur and the delineation of obligations and liabilities as between SKYGRiD and the Construction Manager will be as set out in the proposed Transaction Approval Order;

- (iii) Holdback Release Order: The Order (Holdback Release) granted by the Court in the Receivership Proceedings on June 6, 2024 (the “**Holdback Release Order**”), provided a mechanism to authorize the Receiver to pay certain Holdback Amounts (as defined in the Second Report) to subcontractors relating to the period MI served as general contractor of the Project, as well as any additional holdback amounts owing to a subcontractor who fully completed its scope of work in relation to the Project as determined by the Receiver. To date, the Receiver has paid a total of approximately \$1.8 million (exclusive of HST) to six of the Holdback Parties (as defined in the Holdback Release Order) in accordance with the terms of the Holdback Release Order. In the view of the Proposed Monitor, the Holdback Release Order should be continued in the CCAA Proceedings so that the Proposed Monitor, if appointed, may be authorized to continue to pay the Holdback Amounts and any additional holdback amounts payable on behalf of the Nominee to the Holdback Parties in accordance with the Holdback Release Order. Following the

Effective Date, the holdback amounts retained during the period SKYGRiD served as construction manager, together with future holdback amounts to be retained in the post-Effective Date period, will be held together in a single holdback trust account, and are expected to be released in accordance with the *Construction Act* (Ontario), or further order of the Court;

- (iv) Reconfiguration and LC Arrangement Order: The Order (Reconfiguration and Letters of Credit Arrangement) granted by the Court in the Receivership Proceedings on June 6, 2024 (the “**Reconfiguration and LC Arrangement Order**”) approved the Reconfiguration Plan and the Letters of Credit Arrangement (each as defined and described in the Second Report). With respect to the Reconfiguration Plan, although it is contemplated to be modified in some respects by the Tridel Reconfiguration Plan, the Proposed Monitor is of the view that the approvals and authorizations related thereto should be continued into the CCAA Proceedings to facilitate the ongoing reconfiguration efforts of the Residential Component. As for the Letters of Credit Arrangement, the Companies are still required to provide letters of credit in respect of certain municipal requirements. Accordingly, the Proposed Monitor is of the view that the approvals and authorizations related to the Letters of Credit Arrangement should also be continued in the CCAA Proceedings to ensure ongoing compliance with municipal requirements and the maintenance of construction permits to facilitate the continued construction of the Project; and
- (v) Lien Claims Resolution Order: The Lien Claims Resolution Order granted by the Court in the Receivership Proceedings on August 9, 2024 (the “**Lien Claims**

**Resolution Order**”) established a procedure for resolving Lien Claims asserted in Lien Notices delivered pursuant to the Lien Regularization Order. The proposed Initial Order expressly contemplates the continuation of the Lien Regularization Order and the Lien Notices delivered thereunder,<sup>5</sup> subject to the resolution of the Lien Claims in accordance with the Lien Claims Resolution Order, which is also contemplated to be continued in the CCAA Proceedings. In addition, the proposed Initial Order expressly contemplates that the appointment of the Claims Officers (as defined in the Lien Claims Resolution Order) shall continue in accordance with the Lien Claims Resolution Order, with all of the rights and protections afforded to the Claims Officers thereby. The Proposed Monitor is of the view that the continuation of the Lien Claims Resolution Order is appropriate in the circumstances so that a mechanism continues to be in place to ensure Lien Claims are dealt with fairly, uniformly and efficiently in a manner that conserves judicial resources following the transition to the CCAA Proceedings.

7.17 The proposed Initial Order sets out certain interpretation rules to facilitate the continuation of the Specified Receivership Orders in the CCAA Proceedings, including the following:

(i) all references to the Court in the Specified Receivership Orders shall be construed so as

---

<sup>5</sup> As of the date of this Joint Report, there have been seven Lien Notices delivered (or deemed to have been delivered pursuant to the Lien Regularization Order): (i) a Lien Notice deemed to have been delivered by Cult Iron Works Limited as of December 1, 2023; (ii) a Lien Notice dated April 26, 2024, delivered by MI (which will be heard together with the MI Payment Motion); (iii) two Lien Notices dated March 30, 2024, and October 16, 2024, respectively, delivered by Gamma Windows and Walls International Inc.; (iv) a Lien Notice dated October 7, 2024, as amended on October 9, 2024, delivered by Modern Niagara Toronto Inc. (“**Modern Niagara**”); and (v) two Lien Notices each dated October 9, 2024, delivered by Onyx-Fire Protection Services Inc. (“**Onyx-Fire**”) (referred to collectively as the “**Unresolved Lien Claims**”). The Receiver, with the assistance of KDC, SKYGRiD and the Construction Manager, is in active discussions with Modern Niagara and Onyx-Fire in an attempt to resolve their respective Lien Claims. The other Unresolved Lien Claims are subject to pending resolution by the Court or a Claims Officer, or are expected to be referred for resolution in the near term.

to refer to the Court in the CCAA Proceedings; and (ii) all references to the Receiver and the Debtors in the Specified Receivership Orders shall be construed so as to refer to the Monitor and the Companies, respectively, provided that: (a) where the Specified Receivership Orders contemplate entering into any agreement by the Receiver, such references to the Receiver shall be construed so as to refer to the Companies entering into any such agreement; and (b) any rights and authorizations granted in favour of the Receiver shall be construed to have been granted in favour of both the Companies and the Monitor.

- 7.18 In the event any interpretation issues arise with respect to the Specified Receivership Orders following the transition to the CCAA Proceedings, the proposed Initial Order provides that the Monitor and the Receiver shall be at liberty to seek advice and directions in respect of the interpretation or application of any of the Specified Receivership Orders.

#### *Continuing Rights*

- 7.19 The proposed Initial Order contemplates that, in addition to all of the rights and authorizations contemplated to be granted to the Monitor thereunder, the Monitor shall have all of the rights of the Receiver as set forth in paragraphs 7 through 11 of the Receivership Order, which paragraphs relate to the duty to provide access to property and records and cooperation to the Receiver (which duty will extend to providing access and cooperation to the Monitor upon the transition to the CCAA Proceedings).

#### *Name Changes*

- 7.20 As part of the transition to the CCAA Proceedings, it is contemplated that the legal names of the Companies will be changed as follows:

Current Name	Proposed New Name
Mizrahi Commercial (The One) LP	One Bloor West Toronto Commercial (The One) LP
Mizrahi Development Group (The One) Inc.	One Bloor West Toronto Group (The One) Inc.
Mizrahi Commercial (The One) GP Inc.	One Bloor West Toronto Commercial (The One) GP Inc.

- 7.21 The Proposed Monitor is of the view that the contemplated name changes are appropriate in the circumstances, including to facilitate marketing efforts with respect to the sale of Units in the Project, which will appropriately reflect that the Mizrahi Group is no longer involved in the construction or development of the Project.
- 7.22 In terms of the process associated with the name changes, the proposed Initial Order expressly authorizes the Companies and the CRO to complete, execute and file the necessary documents to change the legal names, as well as the registered addresses, of the Companies. The proposed Initial Order contemplates that such filings shall be accepted by the Director under the *Business Corporations Act* (Ontario) and the registrar under the *Limited Partnerships Act* (Ontario) or such other relevant official without the requirement (if any) of obtaining director, shareholder or other approval.
- 7.23 Upon the official change of names of the Companies, the Monitor will serve on the service list and file with the Court a Monitor's certificate specifying the updated names, following which the names of the Companies in the style of cause of the CCAA Proceedings will be deleted and replaced with the updated names of the Companies.

## **8.0 A&M'S QUALIFICATIONS TO ACT AS MONITOR**

- 8.1 A&M has been the Receiver of the Debtors since the Appointment Date. In its capacity as Receiver, A&M has been intimately involved in all aspects of the Project and has become

familiar with the business and operations of the Debtors, as well as the key issues surrounding the Project and its many stakeholders. A&M is therefore well-equipped to act as Monitor of the Companies.

8.2 A&M is a trustee within the meaning of subsection 2(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”) and is not subject to any of the restrictions on who may be appointed as monitor set out in section 11.7(2) of the CCAA.

8.3 The senior A&M personnel with carriage of this matter include experienced insolvency and restructuring practitioners who are Chartered Professional Accountants, Chartered Insolvency and Restructuring Professionals and Licensed Insolvency Trustees, and whom have previously acted in CCAA matters of a similar nature and scale to the contemplated CCAA Proceedings.

8.4 The Proposed Monitor has retained Goodmans to act as its independent legal counsel. Goodmans has acted as counsel to A&M in its capacity as Receiver since the Appointment Date and is also very familiar with the Project and its stakeholders.

8.5 A&M has consented to act as Monitor in the CCAA Proceedings, should the Initial Order be granted. A copy of A&M’s Consent to Act as Monitor dated April 3, 2025, is attached hereto as **Appendix “F”**.

## **9.0 CHIEF RESTRUCTURING OFFICER**

9.1 The proposed Initial Order contemplates the approval of the CRO Engagement Letter (as defined below) and the appointment of FAAN as CRO pursuant to the terms thereof.

- 9.2 As described in the Second Report, many of the decisions relating to the development of the Project that did not impact the Schedule were put on hold pending the outcome of the SISP. Now that the SISP has successfully culminated in the Transaction, the CRO, with guidance from Tridel, can proceed with making these decisions on behalf of the Companies, in consultation with the Monitor and the Senior Secured Lenders, where appropriate.
- 9.3 FAAN is familiar with the Project and the business and operations of the Companies, having been engaged as a financial advisor to the Senior Secured Lenders in mid-July 2024. To date, FAAN's primary role as financial advisor to the Senior Secured Lenders has been to develop in-depth knowledge of the Project and the costs associated therewith, with the assistance of the Receiver, while actively participating in discussions with Tridel regarding the Transaction and assisting in the negotiation and review of the Definitive Transaction Agreements, the DIP Credit Agreement and certain other Transaction-related matters.
- 9.4 The Proposed Monitor understands that the senior personnel of FAAN who will have carriage of this mandate are senior restructuring professionals who are Chartered Professional Accountants, Chartered Insolvency and Restructuring Professionals and Licensed Insolvency Trustees with significant experience acting in similar roles in prior insolvency proceedings. It is the Proposed Monitor's observation that FAAN is qualified to act as the CRO given its knowledge and experience advising in other large and complex corporate restructurings, several of which were in the real estate sector, as well as its familiarity with the Project.

9.5 The engagement agreement entered into among the Companies, by the Receiver, and FAAN dated April 1, 2025, a copy of which is attached hereto as **Appendix “G”** (the “**CRO Engagement Letter**”), sets forth the terms pursuant to which the Companies have engaged FAAN to act as CRO of the Companies. Without limiting the rights and authorizations granted to the CRO and the Monitor pursuant to the proposed Initial Order, the CRO Engagement Letter contemplates that the CRO will be responsible for, among other things, the following:

- (i) assisting the Companies during the contemplated CCAA Proceedings;
- (ii) managing the CCAA Proceedings on the Companies’ behalf, including, but not limited to: (a) executing agreements for and on behalf of the Companies; and (b) working closely with Tridel and other parties involved in the Project, including making decisions on behalf of the Companies regarding the ongoing development of the Project, as contemplated by the Definitive Transaction Agreements;
- (iii) serving as the Companies’ primary contact with, and working closely with, the Proposed Monitor and other professionals involved in the CCAA Proceedings;
- (iv) dealing with key stakeholders in the CCAA Proceedings, including the Senior Secured Lenders;
- (v) provide such other services as are customarily provided by the CRO of a company, and agreed to by FAAN, that are not duplicative of work others are performing for the Companies; and
- (vi) perform all other duties and functions as set forth in the proposed Initial Order.

- 9.6 Pursuant to the proposed Initial Order, the Monitor shall be authorized to act on behalf of the Companies in connection with the rights and obligations of the Companies as set out in the CRO Engagement Letter.
- 9.7 The fees payable to the CRO pursuant to the CRO Engagement Letter shall include a fixed monthly work fee of \$80,000 (the “**Monthly Work Fee**”), plus HST and documented out-of-pocket expenses incurred in connection with, or arising out of FAAN’s activities under or contemplated by the CRO Engagement Letter or any Order made in the CCAA Proceedings. In addition to the Monthly Work Fee, FAAN shall be entitled to a discretionary incentive fee of up to \$850,000 based on FAAN’s performance during its mandate, to be evaluated by the Senior Secured Lenders in their sole discretion.
- 9.8 The Proposed Monitor is of the view that the scope of the services and the fees contemplated under the CRO Engagement Letter are appropriate in the circumstances having regard to the size and complexity of the Project, and that the terms of the CRO Engagement Letter are otherwise reasonable and consistent with comparable engagements.
- 9.9 Since the Appointment Date, the remaining director(s) and officer(s) of the Companies (who are all representatives of the Project’s equity holders) have not been involved in the management of the Companies, nor would their go-forward involvement be appropriate in the circumstances given the Receivership Proceedings and that the Project’s equity holders no longer have any economic interest in the Project. The engagement of the CRO in the context of a debtor-in-possession CCAA Proceeding is therefore necessary to ensure there is a party in place who is authorized to exercise any powers which may have otherwise been exercised by a board of directors or any officers of the Companies, including as it

relates to decisions regarding the development of the Project. FAAN has consented to act as CRO on the terms of the CRO Engagement Letter and the proposed Initial Order.

## **10.0 RFCA AND DEBTOR-IN-POSSESSION FINANCING**

- 10.1 The Receivership Order empowered the Receiver to borrow, by way of the Receivership Funding Credit Agreement dated October 18, 2023 (the “**RFCA**”), entered into with KEB Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 530, as lender (in such capacity, the “**RFCA Lender**”), up to \$315 million to fund ongoing Project costs and costs relating to the Receivership Proceedings. Advances made under the RFCA to date amount to approximately \$252.8 million (excluding accrued interest) and are secured by the Receiver’s Borrowings Charge, which, as noted above, is contemplated to be continued in the CCAA Proceedings.
- 10.2 To give continuing effect to the Receiver’s Borrowings Charge in the CCAA Proceedings and to reflect that any future advances will be provided under the DIP Credit Agreement should the Initial Order be granted by the Court and the Transaction approved, on March 31, 2025, the RFCA Lender waived the requirement of the Borrower (as defined below) under the RFCA to repay all amounts owing on March 31, 2025 and on the termination or conversion of the Receivership Proceedings, and to comply with all other obligations under the RFCA (the “**Repayment Waiver**”), provided that: (i) the Repayment Waiver shall remain in effect until April 30, 2025; and (ii) the Borrower shall remain obligated to repay all amounts owing, and to comply with all other obligations under the RFCA, upon the early termination of such agreement by the RFCA Lender upon the occurrence of an event of default thereunder.

- 10.3 In addition, should the Initial Order be granted by the Court, the Transaction be approved and the Companies be authorized to borrow under the DIP Credit Agreement, the RFCA Lender will provide the Borrower under the RFCA with a further waiver to waive compliance of the Borrower to repay all amounts owing, and to comply with all other obligations and covenants under the RFCA, until the earlier of: (i) the Maturity Date (as defined below) under the DIP Credit Agreement; and (ii) the occurrence of an event of default under the DIP Credit Agreement.
- 10.4 At the time of the Appointment Date, it was understood that funding beyond the maximum amount available under the RFCA would likely be required to complete the construction of the Project. As of the date of this Joint Report, based on the updated Cost to Complete, significant additional funding is required to bring the Project to completion in a manner that maximizes value. The Senior Secured Lenders have advised that they are prepared to provide such funding by way of the debtor-in-possession credit agreement made as of April 3, 2025 (the “**DIP Credit Agreement**”) between, among others, the Companies and KEB Hana Bank as trustee of IGIS Global Private Placement Real Estate Fund No. 530, as lender (in such capacity, the “**DIP Lender**”),<sup>6</sup> provided that the Transaction be approved and implemented and the CCAA relief be granted by the Court (among other conditions to funding).
- 10.5 The proposed Initial Order authorizes and empowers the Companies to borrow up to \$615 million by way of the DIP Credit Agreement, which amount has been determined, in consultation with the Cost Consultant, the proposed CRO, the DIP Lender, Tridel, and the

Receiver, to be sufficient at this time to finance the Cost to Complete, the costs of the CCAA Proceedings, and the costs relating to the Receiver Incidental Matters. Amounts advanced by the DIP Lender are contemplated to be secured by the DIP Lender's Charge.

10.6 A copy of the DIP Credit Agreement is attached as Schedule "G" to the Omnibus Agreement. A summary of certain key terms of the DIP Credit Agreement is set out below. Reference should be made to the DIP Credit Agreement for complete terms.

10.7 The Proposed Monitor notes the following with respect to the DIP Credit Agreement:

- (i) the credit facility contemplated by the DIP Credit Agreement is the only source of funding available to the Companies in the circumstances to continue, and ultimately complete, the construction of the Project. No viable proposals received in the SISP contemplated funding to complete construction being provided by any party other than the Senior Secured Lenders and, in the view of the Proposed Monitor: (a) no third party lender would be prepared to fund junior to the Senior Secured Lenders given the quantum of outstanding priority secured debt owing to the Senior Secured Lenders (including the RFCA Lender) in excess of \$1.5 billion (including interest); and (b) it is unlikely that any third party lender would be prepared to fund in priority

to the Senior Secured Lenders and the RFCA Lender (even assuming same was consented to) in the circumstances and at the below market rates and without financing fees as the DIP Lender has agreed to. Accordingly, in the circumstances, including that the Senior Secured Lenders are the sole economic interest holder in recoveries from the Project, the Proposed Monitor does not believe soliciting alternative DIP financing proposals was required or appropriate in the circumstances;

- (ii) the terms of the DIP Credit Agreement are the result of extensive negotiations as between the Receiver, on behalf of the Companies, and the DIP Lender and their respective advisors, and represent terms that are fair and reasonable in the circumstances;
- (iii) the Proposed Monitor is satisfied that the economic terms of the DIP Credit Agreement are fair and reasonable. A comparative pricing analysis of the DIP Credit Agreement prepared by the Proposed Monitor is included in **Appendix “H”** attached hereto. Of note, there are no fees being charged by the DIP Lender and the interest rate (4.5% per annum) is less than the RFCA and below rates charged in other recent real estate development insolvency proceedings;
- (iv) the DIP Credit Agreement is subject to the Court’s approval of each of the proposed Initial Order, Transaction Approval Order and Discharge Order;
- (v) the terms and conditions of the DIP Credit Agreement are similar to those of the RFCA and the Companies’ pre-receivership credit facility, with changes necessary to conform to the contemplated CCAA Proceedings;

- (vi) the Proposed Monitor is of the view that there is no material prejudice to other creditors as a result of the Companies' obtaining further priority funding pursuant to the DIP Credit Agreement, including because: (a) without the funding contemplated by the DIP Credit Agreement, the Companies will be unable to complete construction and monetization of the Project, which would otherwise be left as an incomplete building; and (b) the Senior Secured Lenders are the only secured lender to the Project with an economic interest given the current debt outstanding and the results of the SISP; and
- (vii) based on the Development Budget and Cost to Complete, the DIP Credit Agreement is projected to provide the Companies with sufficient liquidity during the CCAA Proceedings to complete the construction of the Project as contemplated under the Transaction, to fund the administration of the CCAA Proceedings, and to facilitate the realization of value from the Project.

10.8 For the reasons outlined above, the Proposed Monitor respectfully recommends that the Court approve the DIP Credit Agreement.

## **11.0 CASH FLOW FORECAST**

11.1 The Proposed Monitor has prepared a cash flow forecast (the "**Cash Flow Forecast**") for the 20-week period from April 12, 2025, to August 29, 2025 (the "**Cash Flow Period**"). A copy of the Cash Flow Forecast, together with a summary of assumptions (the "**Cash Flow Assumptions**") and the report on the cash-flow statement required by section 10(2)(b) of the CCAA are attached hereto as **Appendices "I" and "J"**, respectively. A summary of the Cash Flow Forecast is set out in the following table.

<b>Cash Flow Forecast</b>	<b>\$000s</b>
<b>Total Receipts</b>	<b>\$ 8,151</b>
<u>Disbursements:</u>	
Construction Costs	(72,171)
Design Related Costs	(5,262)
General, Administrative & Other	(709)
Project & Sales Management	(2,816)
Land & Development Costs	(11,615)
Restructuring Professional Fees	(8,335)
<b>Total Disbursements</b>	<b>(\$100,908)</b>
<b>Net Cash Flow</b>	<b>(\$92,757)</b>
<u>Construction Account</u>	
Opening Cash	63,708
Net Cash Flow	(92,757)
DIP Facility Advances	85,000
<b>Ending Cash Balance (Construction Account)</b>	<b>\$ 55,951</b>

11.2 The Proposed Monitor notes the following with respect to the Cash Flow Forecast:

- (i) receipts are limited to HST refunds only at this time. No receipts from the sale of Units or related deposits are contemplated during the Cash Flow Period;
- (ii) disbursements are forecast based on the anticipated costs to be incurred during the Cash Flow Period as contemplated in the current Cost to Complete and Schedule;
- (iii) restructuring professional fees include the fees of the Proposed Monitor, Goodmans, the CRO and legal counsel to the Senior Secured Lenders;
- (iv) the opening cash balance of approximately \$63.7 million is the current balance in the Receiver's trust account used to fund construction costs (the "**Construction Account**"). Upon the commencement of the proposed CCAA Proceedings, the

Monitor, if appointed, will update the trust account to be in the name of the Monitor for the benefit of the Companies in accordance with the DIP Credit Agreement; and

- (v) in accordance with the proposed Initial Order, the Monitor, if appointed, will maintain a reserve in respect of the Unresolved Receivership Claims in a total amount of approximately \$11.7 million.

11.3 Based on the Proposed Monitor's review,<sup>7</sup> nothing has come to its attention that causes it to believe, in all material respects, that:

- (i) the Cash Flow Assumptions are not consistent with the purpose of the Cash Flow Forecast;
- (ii) as at the date of this Joint Report, the Cash Flow Assumptions are not suitably supported and consistent with the plans of the Companies or do not provide a reasonable basis for the Cash Flow Forecast, given the Cash Flow Assumptions; or
- (iii) the Cash Flow Forecast does not reflect the Cash Flow Assumptions.

11.4 The Cash Flow Forecast has been prepared solely for the purpose described above, and readers are cautioned that it may not be appropriate for other purposes.

---

<sup>7</sup> The Proposed Monitor has reviewed the Cash Flow Forecast to the standard required of a Court-appointed Monitor by section 23(1)(b) of the CCAA. Section 23(1)(b) requires a Monitor to review the debtor's cash flow statement as to its reasonableness and to file a report with the court on the Monitor's findings.

## **12.0 RECEIVER DISCHARGE AND RELATED RELIEF**

12.1 As part of the relief being sought at the Transition Hearing, in light of the contemplated transition to the CCAA Proceedings, the Receiver is bringing a motion seeking approval of the proposed Discharge Order, among other things:

- (i) discharging the Receiver as Receiver of the Property, provided that the Receiver shall remain Receiver for the performance of such incidental matters as may be required to complete the administration of the receivership, including, without limitation, as it relates to the Assumed Receivership Liabilities and the Receivership Litigation;<sup>8</sup>
- (ii) ordering that notwithstanding the discharge of the Receiver, the Receiver and its counsel shall continue to have the benefit of all of the rights, approvals, protections, releases, charges and stays of proceedings in favour of the Receiver and its counsel at law or pursuant to the Receivership Order or any other order made in the Receivership Proceedings;
- (iii) approving certain reports of the Receiver issued in the Receivership Proceedings, including this Joint Report, and the actions, conduct and activities of the Receiver prior to the date of the Discharge Order in relation to the Debtors and the Receivership Proceedings, provided, however, that only the Receiver, in its

<sup>8</sup> The Assumed Receivership Liabilities are defined in the proposed Initial Order and are further described herein. The Receivership Litigation is defined in the proposed Initial Order and includes: (i) the motion of MI brought in the Receivership Proceedings dated February 27, 2024, and the related cross-motion brought by the Receiver dated October 18, 2024; and (ii) the motion of Gamma Windows and Walls International Inc. brought in the Receivership Proceedings dated June 17, 2024.

personal capacity and only with respect to its own personal liability, shall be entitled to rely upon or utilize in any way such approval;

- (iv) ordering that the Receiver's Charge, the Receiver's Borrowings Charge, the Lien Charges and the RBC Charge shall survive the discharge of the Receiver and remain in full force and effect, with the priority set out in the proposed Initial Order;
- (v) approving the fees and disbursements of the Receiver and its counsel for the period from on or about the Appointment Date to March 15, 2025, and March 16, 2025, respectively, and ordering that the fees and disbursements of the Receiver and its counsel for the period after March 15, 2025, and March 16, 2025, respectively, shall be deemed to be the fees of the Monitor and its counsel, approval of which shall be sought in accordance with the proposed Initial Order;
- (vi) releasing the Receiver and the other Released Persons from any and all liability that the Released Persons now or may have by reason of, or in any way arising out of, the acts or omissions of the Receiver while acting in its capacity as Receiver or the Receivership Proceedings, save and except for any gross negligence or wilful misconduct on a Released Person's part with respect to that Released Person alone; and
- (vii) confirming that the Unresolved Lien Claims and Unresolved Receivership Claims<sup>9</sup> shall not be released, it being understood that the Receiver and the other Released Persons shall have no personal or corporate liability for the Unresolved Lien Claims

---

<sup>9</sup> The "**Unresolved Receivership Claims**" and related reserve amounts are specified in the Discharge Order and relate to motions brought by MI and Gamma seeking orders directing the Receiver to pay specified amounts to them.

or Unresolved Receivership Claims and recourse for same shall be limited to the Lien Charges and the applicable claims reserve maintained by the Monitor in respect of the Unresolved Receivership Claims, respectively, and all Receivership Litigation shall remain subject to the jurisdiction of the Court in the CCAA Proceedings.

#### Professional Fees

- 12.2 Pursuant to paragraphs 24 and 25 of the Receivership Order, the Receiver and its legal counsel shall be paid their reasonable fees and disbursements, in each case at their standard rates and charges, and the Receiver and its legal counsel shall pass their accounts from time to time before the Court.
- 12.3 Included in the Receiver's Motion Record in respect of the Discharge Order is the Affidavit of Stephen Ferguson, a Senior Vice President at A&M, sworn April 2, 2025 (the "**A&M Fee Affidavit**") attesting to the fees and disbursements of the Receiver in respect of the Receivership Proceedings, for the period from October 18, 2023, to March 15, 2025, in the aggregate amount of \$10,907,261.64 comprised of fees of \$9,583,162.00, disbursements of \$69,464.01, and HST of \$1,254,635.57.
- 12.4 Also included in the Receiver's Motion Record in respect of the Discharge Order is the Affidavit of Brendan O'Neill, a partner at Goodmans, sworn April 2, 2025 (the "**Goodmans Fee Affidavit**") attesting to the fees and disbursements of Goodmans incurred in respect of the Receivership Proceedings, for the period from October 19, 2023, to March 16, 2025, in the aggregate amount of \$6,722,310.73, comprised of fees of \$5,917,984.50, disbursements of \$31,065.18, and taxes of \$773,261.05.

- 12.5 The Receiver confirms that the fees and disbursements set out in Goodmans' invoices relate to advice sought by the Receiver and assistance provided in respect of the Receivership Proceedings, and that, in the Receiver's view, Goodmans' fees and disbursements are properly chargeable, reasonable and appropriate.
- 12.6 It is the Receiver's view that the fees and disbursements of the Receiver and its legal counsel described in the A&M Fee Affidavit and the Goodmans Fee Affidavit, respectively, are reasonable and appropriate in the circumstances having regard to the scope of activity undertaken in the Receivership Proceedings, which activity and achievements, as described throughout this Joint Report and the Prior Reports, have included, among other things: (i) ensuring the uninterrupted construction of the Project from the Appointment Date to date; (ii) successfully transitioning construction management of the Project from MI to SKYGRiD with minimal impact to trades and suppliers; (iii) with the assistance of the Broker, completing a successful SISP in respect of the Project, which SISP has resulted in the proposed Transaction; (iv) diligently attending to complex litigation matters and disputes involving current and former contractors and subcontractors engaged on the Project, including various matters involving MI; and (v) planning for the next phase of development of the Project, which is anticipated to include the Companies transitioning to the CCAA Proceedings and Tridel taking over as construction manager, project manager and sales manager as of the Effective Date.

### **13.0 RECEIPTS AND DISBURSEMENTS**

- 13.1 Actual receipts and disbursements for the period from the Appointment Date to March 31, 2025 (the "**Reporting Period**") are summarized in the following table:

<b>Receipts and Disbursements</b>	<b>\$000s</b>
HST Refunds, Interest and Other Receipts	37,355
<b>Total Receipts</b>	<b>\$ 37,355</b>
<u>Disbursements:</u>	
Construction Costs	(202,975)
Design Related Costs	(7,695)
General, Administrative & Other	(3,874)
Project & Sales Management	(1,051)
Land & Development Costs	(6,630)
RFCA Financing Commitment Fee	(4,725)
Other One Time Costs	(4,317)
Restructuring Professional Fees	(26,341)
<b>Total Disbursements</b>	<b>(\$257,609)</b>
<b>Net Cash Flow</b>	<b>(\$220,254)</b>

Opening Cash	31,148
Net Cash Flow	(220,254)
RFCA Advances	252,814
<b>Ending Cash Balance (Construction Account)</b>	<b>\$ 63,708</b>

13.2 During the Reporting Period:

- (i) total receipts of approximately \$37.4 million consisted of approximately \$25.4 million of HST refunds, with the remainder being interest and other miscellaneous collections; and
- (ii) total disbursements of approximately \$257.6 million were incurred in the ordinary course of construction and in connection with the Receivership Proceedings, and included ongoing approved Project costs comprised of payments to contractors, subcontractors and other suppliers, construction management fees paid to MI and to SKYGRiD, payment of the Tridel Advances, transfer of holdback amounts into the segregated holdback accounts, costs for various consultants including design, engineering, and architectural consultants, and for certain non-construction costs,

including property taxes, insurance, permits, administrative costs, certain miscellaneous and non-recurring amounts, and the Receiver's fees and expenses incurred in exercising its powers and duties as Receiver, including those of the Receiver's independent legal counsel, and fees and expenses of the Senior Secured Lenders' legal counsel.

13.3 As at March 31, 2025, the Receiver had drawn \$252.8 million (exclusive of accrued interest) under the RFCA. The outside date for repayment of obligations under the RFCA is April 30, 2025. As more particularly described above, it is expected that upon approval of the proposed Initial Order, the RFCA will become an Assumed Receivership Liability, and the obligations thereunder will become liabilities of the Companies and neither the Receiver, the Monitor or the CRO shall have any liability with respect to the RFCA.

13.4 As at March 31, 2025, the Receiver was holding approximately \$63.7 million in the Construction Account.<sup>10</sup> As noted above, these funds will continue to be used to fund ongoing Project costs and the costs of the proposed CCAA Proceedings.

#### **14.0 UPDATE ON OTHER MATTERS**

##### Transition of Construction Management

14.1 The Receiver has worked with Tridel and SKYGRiD in connection with the preparation of a detailed construction management transition plan aimed at ensuring Tridel has all requisite information and systems in place to allow it to take over as construction manager

---

<sup>10</sup> In addition to these funds which are held in the Construction Account, the Receiver is also holding an additional \$19.5 million in the Receiver's holdback accounts as at March 31, 2025.

and project manager in an efficient manner as of the Effective Date. During the Interim Period, the Receiver's activities in this regard have included the following:

- (i) implementing a communication plan whereby letters were sent to trades, consultants, suppliers and other key stakeholders, including, among others, Unit purchasers, Tarion Warranty Corporation ("**Tarion**"), the Home Construction Regulatory Authority ("**HCRA**"), and the City of Toronto advising that the SISP had culminated in the Receiver entering into the Term Sheet with Tridel and providing information in respect of the proposed Transaction and the contemplated transition to the CCAA Proceedings;
- (ii) accompanying KDC, Tridel and SKYGRiD on regular site tours of the Project to, among other things, familiarize Tridel with the safety protocols in place and the overall status of construction of the Project;
- (iii) with the assistance of KDC, SKYGRiD and the Cost Consultant, providing Project-related information to Tridel to assist it with the completion of the transition-related Interim Services;
- (iv) together with KDC, attending numerous meetings with Tridel, SKYGRiD, and the Project's trades and consultants to familiarize Tridel with certain contracts, purchase orders and trade-related matters with a view to ultimately transitioning the oversight of such matters to Tridel;
- (v) attending calls with the Companies' insurance broker to address any insurance-related matters in preparation for the transition to Tridel; and

- (vi) communicating with Tarion and the HCRA to advise of Tridel’s engagement and certain Transaction-related matters.

14.2 On April 2, 2025, in light of the contemplated approval and implementation of the Transaction, in accordance with the terms of the CCDC 5B 2010 Construction Management Contract – for Services and Construction entered into between SKYGRiD and the Receiver on June 5, 2024 (the “**SKYGRiD CMA**”), the Receiver provided notice to SKYGRiD of its intention to terminate the SKYGRiD CMA, with such termination to be effective upon the transition of construction management to Tridel. SKYGRiD will continue to assist with transition-related matters during the notice period.

#### The Commercial Component and Hotel Process

14.3 At the time of the Receiver’s appointment, Hyatt Hotels of Canada Inc. and certain of its affiliates had been engaged to operate the Hotel Component of the Project under the Andaz brand, and King Street Company Inc. was contracted to lease portions of the Commercial Component for the purposes of establishing food and beverage and venue facilities. The Receiver, in consultation with the Broker, determined that there were opportunities to explore further value maximizing options in respect of the Commercial Component, and accordingly, the Commercial Component, including the individual components thereof were marketed in the SISP pursuant to the SISP Approval Order.

14.4 The Development Proposals received in the SISP included proposals on value maximizing opportunities and proposed business plans for the Commercial Component, including in respect of the Hotel Component and food and beverage components. With respect to the Hotel Component, based on the Development Proposals received, together with additional

analyses and market research prepared by the Receiver and its advisors in respect of value-maximizing alternatives for the Hotel Component, and considering that it was a condition precedent in the Term Sheet, the Receiver determined that the Existing Hotel Agreements and the Existing F&B Agreements (each as defined in the Term Sheet) should be disclaimed in order to provide the best opportunity to maximize value from the Commercial Component. Accordingly, upon obtaining the consent of the Senior Secured Lenders in accordance with the RFCA, on February 6, 2025, the Receiver issued disclaimer notices to the relevant counterparties to each of the Existing Hotel Agreements and the Existing F&B Agreements.

- 14.5 The Term Sheet contemplated that Tridel would conduct a process after the Effective Date to assist in selecting a new operator of the Hotel Component. However, given the accelerated pace at which construction of the Project is proceeding, the anticipated timing of the Effective Date and the need to select and engage a new operator of the Hotel Component before the CSA Plan can be finalized and renewed marketing of the Units can proceed, the Receiver, in consultation with Tridel and the Senior Secured Lenders, determined it was appropriate to commence the hotel operator selection process during the Interim Period. Accordingly, promptly following the disclaimer of the Existing Hotel Agreements, the Receiver engaged Jones Lang LaSalle Americas, Inc. (“**JLL Americas**”) as hotel advisor (the “**Hotel Advisor**”) to conduct a targeted hotel operator selection process. As part of the Project Management Services, the Project Manager will assist in the process for the selection of a new operator of the Hotel Component, make recommendations to the Owner with respect to same, and prepare and/or review any agreements to be entered into in connection with the Hotel Component.

14.6 The Receiver's decision to engage JLL Americas as the Hotel Advisor was based on a combination of factors, including: (i) JLL Americas is qualified, experienced and capable of acting as the Hotel Advisor; (ii) JLL Americas has substantial experience in leading requests for proposals and hotel operator selection processes in North America and abroad; (iii) JLL Americas has an extensive and relevant network across North America and internationally; and (iv) JLL Americas' proposed fee structure for the hotel selection process is reasonable and appropriate.

14.7 Pursuant to the engagement letter entered into between the Receiver and the Hotel Advisor, the Hotel Advisor will be paid a total of US\$200,000 in professional fees for its services, to be paid in accordance with the following terms:

- (i) US\$50,000 is to be paid to the Hotel Advisor at the commencement of the term of its engagement, with US\$25,000 monthly installments to be paid thereafter, with any unpaid balance due upon completion or termination of the engagement (provided that if the engagement is terminated for cause, any unpaid balance shall not be due);
- (ii) if the term of the Hotel Advisor's engagement is to extend beyond nine months from the commencement of its mandate, an additional professional fee of US\$10,000 will be charged monthly until the completion or termination of the engagement;
- (iii) to the extent a hotel operator, brand, franchisor or other partner facilitated by the Hotel Advisor contributes to the Project, a professional fee of 2.0% of any key money, equity contribution or any other financial contribution shall become due

and payable to the Hotel Operator upon execution of the agreements relating to such contribution; and

- (iv) JLL shall be reimbursed for all reasonable and documented out-of-pocket costs and expenses incurred within the scope of its engagement (with no markup).

14.8 As of the date of this Joint Report, the hotel operator selection process is underway and the Receiver anticipates that initial non-binding proposals in respect of same will be received within one to two months.

#### MI Payment Motion and Receiver's Cross Motion

14.9 As reported in certain of the Prior Reports, the Receiver is engaged in an ongoing dispute with MI regarding the payment of certain amounts MI alleges the Receiver owes to it for work MI completed as construction manager of the Project in the post-receivership period (the “**MI Payment Motion**”). The Receiver has commenced a cross-motion (the “**Receiver's Cross-Motion**”) seeking repayment of certain funds MI charged to the Debtors, which the Receiver alleges MI was not entitled to charge.

14.10 The MI Payment Motion and the Receiver's Cross-Motion are scheduled to be heard over the course of three days, from June 17 to 19, 2025. The parties have delivered their motion records and cross-examinations are scheduled to be completed on April 14 and 15, 2025. The parties will exchange factums by June 9, 2025.

14.11 MI also delivered a Lien Notice on April 26, 2024, in respect of a Lien Claim in the amount of \$11,041,387.76 (the “**MI Lien Notice**”). The Receiver does not agree that MI is entitled

to the amounts asserted in the MI Lien Notice. The Receiver has referred the MI Lien Notice for determination by the Court at the same time as the MI Payment Motion.

Mappro Lift Stay Motion

- 14.12 As reported in the Receiver’s Seventh Report dated December 20, 2024 (the “**Seventh Report**”), on September 7, 2022, Mappro Realty Inc. (“**Mappro**”) commenced an action (the “**Mappro Action**”) against Mizrahi Developments Inc. (not a debtor in the Receivership Proceedings) and the City of Toronto alleging that a concrete pump used in relation to the Project interfered with its enjoyment of a property that it owns on the southeast corner of Balmuto Street and Bloor Street, known municipally as 19 Bloor Street West. On May 13, 2023, Mappro’s Statement of Claim was amended to substitute the Nominee, in place of Mizrahi Developments Inc.
- 14.13 The Mappro Action has been stayed since the Receiver’s appointment, although the Receiver consented to a limited lifting of the stay in October 2024 so that Mappro could amend its pleadings to add the Beneficial Owner and GP Inc. as defendants in advance of a potential limitation issue.
- 14.14 On October 2, 2024, Mappro served a motion seeking, among other relief, to lift the stay of proceedings to pursue the Mappro Action against the Debtors. The Receiver opposed this request and served a cross-motion seeking, among other things, directions with respect to how the Debtors should continue construction of the Project in light of Mappro’s allegations.

14.15 Pursuant to the Receiver's standing authority under paragraph 4(j) of the Receivership Order to settle proceedings with respect to the Debtors, Mappro and the Receiver, with the consent of the Senior Secured Lenders, have agreed to a settlement in principle of the Mappro Action and are in the process of documenting that settlement.

Seele Settlement

14.16 Seele Canada Inc. ("seele") is a supplier of highly specialized glass components to the Project. The Receiver understands that seele is the sole source supplier that can supply and maintain the components of glass that it provides to the Project.

14.17 As reported in the Second Report and the Third Report of the Receiver dated June 21, 2024, at the time of the Receiver's appointment, seele was engaged in an arbitration and a court application with MI. seele claimed \$300,000 under a settlement agreement executed by MI and a further \$1.3 million for alleged delays by MI that forced seele to work out of sequence.

14.18 In September 2024, pursuant to the Receiver's standing authority under paragraph 4(j) of the Receivership Order to settle proceedings with respect to the Debtors, the Receiver, with the consent of the Senior Secured Lenders, seele and MI, executed a settlement agreement, whereby the Receiver agreed to pay \$400,000 in full satisfaction of seele's claims in the arbitration and court application, with payment to be made after seele completed its remaining scope of work on the Project. seele completed its work on the Project on November 8, 2024, and the settlement funds were transferred to seele by the Receiver shortly thereafter.

Gamma Windows

- 14.19 As reported in the Receiver's Fourth Report dated July 29, 2024, on May 30, 2024, Gamma Windows and Walls International Inc. ("**Gamma**") delivered a Lien Notice in respect of a Lien Claim in the amount of \$1,839,681.92 for the period from April 24, 2019, to May 30, 2024 (the "**First Gamma Lien Claim**"). On October 16, 2024, Gamma delivered a second Lien Notice in respect of a Lien Claim in the amount of \$8,593,709.89 for the period from April 24, 2019, to October 16, 2024 (the "**Second Gamma Lien Claim**") and together with the First Gamma Lien Claim, the "**Gamma Lien Claims**").
- 14.20 The Gamma Lien Claims relate to amounts Gamma alleges are owing to it in respect of certain unpaid invoices, holdback amounts, and certain amounts pursuant to a settlement agreement entered into between Gamma and MI on June 8, 2023 (the "**Gamma Settlement Agreement**"). The Receiver does not agree that Gamma is entitled to the amounts claimed in the Gamma Lien Claims. In addition, the Receiver understands that the amounts claimed in the Second Gamma Lien Claim were released by Gamma pursuant to the Gamma Settlement Agreement.
- 14.21 Gamma has also served a motion seeking to compel the Receiver to pay certain amounts that are the subject of the First Gamma Lien Claim and to have the balance thereof referred to an Associate Judge for resolution.
- 14.22 Pursuant to the Lien Regularization Order, the Receiver has referred the Gamma Lien Claims to a Claims Officer for determination. The Receiver intends to bring a motion to strike the Second Gamma Lien Claim as the first step in the proceedings before the Claims Officer.

14.23 Gamma has agreed not to advance its motion until after the Gamma Lien Claims are resolved.

#### CERIECO Advances

14.24 During its review of the Debtors' books and records, the Receiver identified certain discrepancies between the quantum that CERIECO Canada Corp. ("CERIECO") alleged it was owed by the Debtors and the advances from CERIECO to the Debtors as recorded in the Project's accounting records. As will be described further below, this discrepancy amounted to approximately \$18 million dollars.

#### *The Receiver's Initial Investigation*

14.25 The Receiver investigated the cause of this \$18 million discrepancy by, among other things, reviewing the Debtors' books and records and discussing the issues with senior officers and employees of MI who were also former directors and/or officers of certain of the Debtors, including Mark Kilfoyle and Remy Del Bel (the "**MI Project Staff**").

14.26 The Receiver determined that the \$18 million discrepancy stems from three advances made by CERIECO to the Project that were never recorded in the Project's internal accounting records (the "**Unrecorded CERIECO Advances**"). The Unrecorded CERIECO Advances occurred on or about November 7, 2019, December 20, 2019, and January 17, 2020.

14.27 The MI Project Staff interviewed by the Receiver indicated that the Unrecorded CERIECO Advances were part of a series of transactions referred to internally as the "Recirculation Transactions". The MI Project Staff advised that the transactions were completed at

CERIECO's request and that the relevant funds were to be paid to the Project; immediately re-paid to CERIECO; and eventually loaned to the Project.

- 14.28 In each of the Recirculation Transactions, an initial transfer of cash was made from CERIECO to MI's bank account. Through a series of subsequent transfers, either through the Project's bank account or through MI's bank account, the advances made under the Recirculation Transactions would be "recirculated" back to CERIECO, who then transferred an amount back to the Project at a later date (except for the Unrecorded CERIECO Advances, as described further below). The purpose of these transactions is unclear.

*The Unrecorded CERIECO Advances and Payments to 890*

- 14.29 As opposed to the funds circulated in the other Recirculation Transactions, the Unrecorded CERIECO Advances were not returned to MI or the Project. The Receiver's review indicates that in the Unrecorded CERIECO Advances, a transfer of cash was made to MI's bank account from CERIECO and subsequently transferred to the Project's bank account. The funds were then transferred from the Project's account to an entity named 10044890 Canada Corp. ("890").

- 14.30 The Receiver understands that 890 is a corporation controlled by Kevin Chen, an individual engaged by CERIECO to advise and assist it on certain matters relating to the Project.

- 14.31 According to the MI Project Staff, the advances to 890 occurred at the direction of Bosco Chan and Richard Yu, individuals who both frequently acted as go-betweens between the

Project and CERIECO. MI Project Staff also stated that Mr. Chan and Mr. Yu told them that CERIECO had requested the transfers.

*The Receiver's Additional Requests for Information*

14.32 As part of its investigation, the Receiver's counsel has requested additional information from counsel to CERIECO, Mr. Chen, Mr. Yu and Mr. Chan. The Receiver and its counsel also met with CERIECO representatives and counsel in-person to discuss the Unrecorded CERIECO Advances.

14.33 Mr. Chen and Mr. Yu do not deny that 890 received the \$18 million in funds from the Unrecorded CERIECO Advances. Rather, in response to inquiries made by the Receiver's counsel, Mr. Chen and Mr. Yu indicated that the Unrecorded CERIECO Advances were "Fee Payments" made pursuant to a Financing Advisory Agreement with 2649425 Ontario Inc. ("**245**") to compensate Mr. Yu for his efforts in assisting the Debtors in obtaining senior debt financing for the Project. According to the letter, Mr. Yu, who is the sole director and officer of 245, later assigned the Financing Advisory Agreement from 245 to 890. A copy of the letter sent by the Receiver's counsel to counsel for Mr. Chen and Mr. Yu (who are represented by the same law firm) is attached hereto as **Appendix "K"**. Mr. Chen and Mr. Yu's response is attached hereto as **Appendix "L"**.

14.34 CERIECO denies that it authorized or otherwise had knowledge of the payments to 890. A copy of the letter sent by the Receiver's counsel to CERIECO's counsel is attached hereto as **Appendix "M"**. A copy of CERIECO's response is attached hereto as **Appendix "N"**.<sup>11</sup>

---

<sup>11</sup> The Receiver notes that it has requested additional information from CERIECO that has not yet been provided.

14.35 The Receiver's counsel has sent several demands for information to Mr. Chan's counsel. To date, these requests have all been ignored. The Receiver's correspondence to Mr. Chan's counsel is attached as **Appendix "O"**.

14.36 The Receiver notes that there are several discrepancies in the information it has been provided by various parties. The Receiver's investigation with respect to these matters is ongoing and will be continued in its capacity as Monitor, if appointed.

## **15.0 ACTIVITIES OF THE RECEIVER**

15.1 In addition to those activities described elsewhere in this Joint Report, the Receiver's activities since the date of the Second Report have also included, among other things, the following:
