2.2.2 Payment of CCAA Charges

Notwithstanding Section 2.2.1, on Closing, the Purchaser shall pay all amounts outstanding under the CCAA Charges (up to a maximum of \$4,500,000) to the Seller (or as directed by the Monitor) for distribution to the beneficiaries thereof (the "**CCAA Charges Beneficiaries**"). Upon making such payments, the Purchaser shall be fully subrogated to the rights, claims and security of the CCAA Charges Beneficiaries, including the right to charge interest at the rate currently charged by the CCAA Charges Beneficiaries.

2.2.3 Allocation of CCAA Charges

The Parties will seek as part of the Approval and Vesting Order terms confirming the subrogation of the Purchaser in relation to the CCAA Charges and that the Monitor forthwith prepare the MacTung Allocation.

2.2.4 Adjustment to CCAA Charges

In the event that the Excluded Assets are not sold for consideration sufficient to pay the CCAA Charges allocated to them by the Court in the CCAA Proceedings (the "**Excluded Assets Allocation**"), the Purchaser agrees that it will be responsible for any portion of the Excluded Assets Allocation subsequently allocated to the Assets after Closing as a result of such shortfall (the "**Additional MacTung Allocation**"). The Additional MacTung Allocation shall form part of the Purchase Price, and in order to reflect the payment of the Additional MacTung Allocation, the offset of the GNWT Debt shall be reduced by the amount of the Additional MacTung Allocation, such that the total Purchase Price remains unchanged.

2.2.5 No Payment Beyond Purchase Price

For greater certainty, in no circumstances will the Purchaser be required to pay total consideration, including the payment of the CCAA Charges, in excess of \$4,500,000.

2.3 **Closing**

2.3.1 The completion of the purchase and sale of the Assets and the assumption of the Assumed Liabilities (the "**Closing**") shall take place at the offices of Dentons Canada LLP, 20th Floor, 250 Howe Street, Vancouver, British Columbia, commencing at 10:00 a.m. local time on November 18, 2015, or at such other place and on such other date and at such other time as shall be mutually agreed upon in writing (which date shall be no later than November 25, 2015) by the Purchaser and the Seller (the day on which the Closing takes place being the "**Closing Date**"). Accordingly, the parties agree to use commercially reasonable efforts to satisfy the conditions set forth under Article 7 (other than conditions to be satisfied at the Closing, but subject to the waiver or fulfillment of those conditions) on or before November 18, 2015. Legal title, equitable title and risk of loss with respect to the Assets will transfer to the Purchaser, and the Assumed Liabilities will be assumed by the Purchaser at the Closing.

2.3.2 At the Closing:

- (a) the Seller and the Purchaser shall deliver duly executed copies of and enter into the Ancillary Agreements to which it is contemplated that they will be parties, respectively;
- (b) the Seller shall deliver a certified copy of the Approval and Vesting Order; and
- (c) each Party shall deliver, or cause to be delivered, to the other any other documents reasonably requested by such other Party in order to effect, or evidence the consummation of, the transactions contemplated herein or otherwise provided for under this Agreement.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

3.1 **Power and Authority**

The Purchaser has the requisite power and authority to enter into, deliver and perform its obligations pursuant to each of the Transaction Documents to which it is or will become a party.

3.2 Authorization; Binding Effect

The execution, delivery and performance of each Transaction Document to which the Purchaser is a party, or is to be a party to, have been, or will be, duly authorized by the Purchaser at the time of its execution and delivery. Assuming due authorization, execution and delivery by the Seller, each Transaction Document to which the Purchaser is a party constitutes, or upon execution thereof will constitute, a valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with its respective terms, except as such enforceability is limited by general principles of public policy.

3.3 No Other Representations or Warranties

Notwithstanding anything contained in this Agreement to the contrary, the Purchaser acknowledges and agrees that none of the Seller or any other Person is making any representations or warranties whatsoever, express or implied, beyond those expressly given by the Seller in Article 4, or with respect to any other information provided to the Purchaser in connection with the transactions contemplated hereby, including as to the probable success or profitability of the ownership, use or operation of the Business and the Assets after Closing. The Purchaser further represents that none of the Seller or any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding the Seller, the Business or the transactions contemplated by this Agreement not expressly set forth in this Agreement, and none of the Seller or any other Person will have or be subject to liability to the Purchaser or any other Person resulting from the distribution to the Purchaser or its representatives or the Purchaser's use of any such information, including data room information provided to the Purchaser or its representatives, in connection with the sale of the Business. The Purchaser acknowledges that it has conducted to its satisfaction its own independent investigation of the Business and the Assets and, in making the determination to proceed with the transactions contemplated by this Agreement, the Purchaser has relied on the results of its own independent investigation.

3.4 As Is Transaction

The Purchaser hereby acknowledges and agrees that, except as otherwise expressly provided in Article 4 of this Agreement, the Seller makes no representations or warranties whatsoever, express or implied, with respect to any matter relating to the Assets, the Business and Seller's ownership and operation thereof or liabilities, including environmental liabilities, associated therewith, and the quantity, quality, suitability for mining or costs of mining of any mineral reserves and resources included in the Assets. Without in any way limiting the foregoing, the Purchaser acknowledges that the Seller has not given, will not be deemed to have given and hereby disclaims any warranty, express or implied, of merchantability or fitness for any particular purpose as to any portion of the Assets. Accordingly, the Purchaser shall accept the Assets at the Closing "as is", "where is" and "with all faults".

3.5 Brokers

No broker, finder or investment banker is entitled to any brokerage, finder's or similar fee or commission in connection with the transactions contemplated by this Agreement and the other Transaction Documents based upon arrangements made by or on behalf of the Purchaser or any of its Affiliates.

3.6 GST/HST

The Purchaser is exempt from the application of the *Excise Tax Act* (Canada) and as such the transactions contemplated under this Agreement are not subject to GST/HST.

3.7 Financing

The Purchaser has, and at all times from the date hereof through and after the Closing, will have, sufficient funds available to pay the Purchase Price and all other amounts payable under the Transaction Documents and to otherwise consummate the transactions contemplated hereby and thereby, and to pay all fees and expenses related thereto. The Purchaser acknowledges that its obligations under this Agreement and the other Transaction Documents are not subject to any conditions regarding its ability to obtain financing for any portion of the foregoing amounts.

3.8 Regulatory, Transfer and Other Approvals

The Purchaser acknowledges and agrees that time is of the essence in effecting the Closing and otherwise consummating the transactions contemplated herein, and that it will promptly and timely provide written requests, execute and deliver all required documents and materials and perform all necessary and required actions to obtain Transfer Approvals for Permits from appropriate Government Entities.

3.9 Purchaser's Qualifications to Obtain Transfer Approvals and Hold Permits

The Purchaser is aware of no facts that would prevent the issuance of Transfer Approvals from any Government Entities for the transfer of the Permits from the Seller to the Purchaser or for the obtaining of replacement Permits by the Purchaser for those Permits presently held by the Seller that are not transferable.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF THE SELLER

The Seller represents and warrants to the Purchaser as follows:

4.1 Organization and Corporate Power

The Seller exists under the Laws of Canada. Subject to the entry of the Approval and Vesting Order in the Court in connection with the transactions contemplated hereby and in the other Transaction Documents, the Seller has the requisite corporate power and authority to own or lease and to operate and use the Assets and carry on the Business as now conducted and to enter into, deliver and perform its obligations pursuant to each of the Transaction Documents to which it is or will become a party.

4.2 Authorization; Binding Effect; No Breach

4.2.1 Subject to the entry of the Approval and Vesting Order in the Court in connection with the transactions contemplated hereby and in the other Transaction Documents, the execution, delivery and performance by the Seller of each Transaction Document to which the Seller is a party, or is to be a party to, have been, or will be, duly authorized at the time of its execution and delivery. Subject to the entry of the Approval and Vesting Order in the Court in connection with the transactions contemplated hereby and in the other Transaction Documents, and assuming due authorization, execution and delivery by the

Purchaser, each Transaction Document to which the Seller is a party constitutes, or upon execution thereof will constitute, a legal, valid and binding obligation of the Seller, enforceable against it in accordance with its respective terms.

4.2.2 The execution, delivery and performance by the Seller of the Transaction Documents to which the Seller is, or on the Closing Date will be, a party do not and will not conflict with or result in a breach of the terms, conditions or provisions of, constitute a default under, result in a violation of, result in the creation or imposition of any Lien upon any of the Assets, or require any Consent (other than the Transfer Approvals and the entry of the Approval and Vesting Order) or other action by or declaration or notice to any Government Entity pursuant to (i) the articles and by-laws of the Seller; (ii) any material Contract to which the Seller is a party or to which any of its assets is subject; (iii) any Order to which the Seller or any of the Assets are subject; or (iv) any Laws to which the Seller or any of the Assets are subject.

4.3 Title to Tangible Assets

Upon delivery to the Purchaser on the Closing Date of the instruments of transfer contemplated by Section 2.3.2, and subject to the terms of the Approval and Vesting Order, the Seller will thereby transfer to the Purchaser good, legal, and valid title to, or, in the case of property leased or licensed by the Seller, a valid leasehold or licensed interest in, all of the Assets, free and clear of all Liens, Claims and Interests pursuant to the Approval and Vesting Order, except for Permitted Encumbrances.

4.4 No Other Representations and Warranties

Except for the representations and warranties of the Seller contained in this Article 4, none of the Seller or any other Person has made or makes any other express or implied representation or warranty, either written or oral, on behalf of the Seller, the Assets, the Business or otherwise, including any representation or warranty as to the accuracy or completeness of any information regarding the Seller furnished or made available to the Purchaser and its representatives or as to the future revenue, profitability or success of the Seller, the Assets, the Business, or any representation or warranty arising from statute or otherwise in Law.

4.5 Regulatory, Transfer and Other Approvals

The Seller acknowledges and agrees that time is of the essence in effecting the Closing and otherwise consummating the transactions contemplated herein, and that it will promptly and timely provide written requests, execute and deliver all required documents and materials and perform all necessary and required actions to obtain Transfer Approvals for Permits from appropriate Government Entities. Except for the Transfer Approvals and entry of the Approval and Vesting Order, to the best of the Seller's Knowledge, no notice, filing, authorization, approval, Order or Consent is required to be given, filed or obtained by the Seller to or from any Government Entity or Third Party in connection with the execution, delivery and performance by the Seller of this Agreement or the transactions contemplated hereby.

ARTICLE 5 COVENANTS AND OTHER AGREEMENTS

5.1 CCAA Proceedings

5.1.1 The Seller and the Purchaser acknowledge that this Agreement and the transactions contemplated hereby are subject to the approval of the Court in the CCAA Proceedings.

5.1.2 The Purchaser shall use its commercially reasonable efforts to have the Court enter on or before November 18, 2015, upon a hearing to be held on a date specified by the Court (the "**Sale Hearing**"), an order in form and in substance acceptable to the Purchaser approving the sale of the Assets to the Purchaser pursuant to this Agreement and vesting in and to the Purchaser the Assets free and clear of all Liens, Claims and Interests (other than Permitted Encumbrances) (the "**Approval and Vesting Order**").

5.1.3 The Seller and the Purchaser acknowledge and agree that, in the event leave to appeal is sought, the Closing Date as defined in Section 2.3.1 shall be extended until two Business Days following dismissal of (i) the application for leave to appeal, or (ii) if leave is granted, the appeal.

5.2 Cooperation

5.2.1 Prior to the Closing, upon the terms and subject to the conditions of this Agreement, each of the Parties shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and cooperate with each other in order to do, all things necessary, proper or advisable under applicable Law to consummate the transactions contemplated by this Agreement as soon as practicable, including the preparation and filing of all forms, registrations and notices required to be filed to consummate the Closing, making witnesses available in the Court or by declaration, as necessary, in obtaining the entry of the Approval and Vesting Order, and the taking of such actions as are necessary to obtain any requisite Consent; provided, however, at no time shall the Seller be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which shall be paid or reimbursed by the Purchaser unless otherwise provided herein) in order to obtain any Consent.

5.2.2 The Seller and the Purchaser shall promptly notify the other of the occurrence, to such Party's Knowledge, of any event or condition, or the existence, to such Party's Knowledge, of any fact, that would reasonably be expected to result in (i) any of the conditions set forth in Article 7 not being satisfied; or (ii) in the case of the Seller only, any of the representations and warranties in Article 4 not being true and correct.

5.3 Transfer Approvals

5.3.1 To the extent required by applicable Laws, each of the Parties agrees to prepare and file as promptly as practicable and in any event, within 10 Business Days from the execution of this Agreement, all necessary documents, registrations, statements, petitions, filings and applications for Transfer Approvals and any other Consent of any other Government Entities required to satisfy the conditions set forth in Article 7.

5.3.2 Each of the Parties shall use commercially reasonable efforts to (i) cooperate with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) keep the other Parties informed in all material respects of any material communication received by such Party from, or given by such Party to, any Government Entity and of any material communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby; and (iii) permit the other Party to review any material communication given to it by, and consult with each other in advance of any meeting or conference with any Government Entity, including in connection with any proceeding by a private party. The foregoing obligations in this Section 5.3 shall be subject to any attorney-client, work product, or other privilege, and each of the Parties hereto shall coordinate and cooperate fully with the other Parties hereto in exchanging such information and providing such assistance as such other Parties may reasonably request in connection with the foregoing. The Parties

will not take any action that will have the effect of delaying, impairing or impeding the receipt of any required authorizations, consents, Orders or approvals. Fees incurred in connection with complying with any Law pursuant to Section 5.3 shall be borne solely by the Seller.

5.3.3 If any objections are asserted with respect to the transactions contemplated hereby under any Law or if any suit is instituted by any Government Entity or any private party challenging any of the transactions contemplated hereby as in violation of any Law or if the filing pursuant to Section 5.3 is reasonably likely to be rejected or conditioned by a federal, provincial or territorial Government Entity, each of the Parties shall use commercially reasonable efforts to resolve such objections or challenge as such Government Entity or private party may have to such transactions, including to vacate, lift, reverse or overturn any Action, whether temporary, preliminary or permanent, so as to permit consummation of the transactions contemplated by this Agreement.

5.3.4 Each of the Seller and the Purchaser shall use its commercially reasonable efforts to satisfy (or cause the satisfaction of) the conditions precedent to such Party's obligations hereunder as set forth in Section 7.1(a) to the extent the same is within its control and to take, or cause to be taken, all other action and to do, or cause to be done, all other things necessary, proper or advisable under all applicable Laws to consummate the transactions contemplated by this Agreement, including using its commercially reasonable efforts with respect to any Consent of a Government Entity required to be obtained in order for the Parties to consummate the transactions contemplated by this Agreement.

5.3.5 No later than three Business Days after the date hereof, the Purchaser agrees to contact the applicable Government Entities and use its commercially reasonable efforts to understand what information those Government Entities will require in order to timely grant the transfer of the Permits from the Seller to the Purchaser or what information those Government Entities will require the Purchaser to submit in order for the Purchaser to obtain replacement Permits for those Permits presently held by the Seller that are not transferable. Prior to the Closing, the Purchaser (i) will file with the appropriate Government Entities all applications and other instruments of transfer for all of the Assets and the Permits which are subject to approval or other processing by such Government Entities, including the posting and acceptance by the appropriate Government Entity or private party of whatever financial assurance instruments are required in connection with such approval or other processing; (ii) will file with the appropriate Government Entity all required notices of transfers of Permits or any of the other Assets; and (iii) will file with the appropriate Government Entities all applications, instruments or notices for all of the Assets for approval or other processing by such Government Entities, including the posting and acceptance by the appropriate Government Entity or private party of whatever financial assurance instruments are required in connection with such approval or other processing, as necessary to obtain replacement Permits for those Permits presently held by the Seller that are not transferable (with those items referenced in sub-clauses (i), (ii), and (iii) above collectively referred to as the "**Transfer Approvals**"). The Purchaser will diligently pursue on a commercially reasonable efforts basis all Transfer Approvals necessary to complete transfer of such Assets and Permits from the Seller to the Purchaser or obtain Permits in the Purchaser's own name as of the Closing Date (provided that all such Transfer Approvals shall be contingent on the consummation of the Closing unless the terms of this Agreement provide otherwise), and will keep the Seller apprised of the status of its efforts to secure such Transfer Approvals (provided that use of "commercially reasonable efforts" shall not require the Purchaser to undertake extraordinary or unreasonable measures to obtain such Transfer Approvals as of the Closing Date, such as the payment of fees in excess of normal and usual filing and processing fees). All of the Transfer Approvals must be in place and effective as of the Closing Date, and the Purchaser shall have no right to conduct any activities under any Permit or Contract that has not been assigned, transferred or re-issued to the Purchaser; provided, however, that with respect to any Transfer Approval not obtained as

of the Closing Date through no fault of the Purchaser, the Purchaser may, at its election, waive in writing pursuant to Section 10.5 the requirement for such Transfer Approval to be in place and effective as of the Closing Date. The Seller agrees that they will cooperate in good faith with the Purchaser in its efforts to obtain the Transfer Approvals, and upon written request by the Purchaser, use their good faith efforts to make the appropriate employees available to assist the Purchaser in that process.

5.4 Pre-Closing Access to Information

Prior to the Closing, the Seller shall (a) give the Purchaser and its authorized representatives, upon advance notice and during regular business hours, access to all books, records, reports, plans, certificates, files, documents and information related to the Assets, personnel, officers and other facilities and properties of the Business; and (b) permit the Purchaser to make such copies and inspections thereof, upon advance notice and during regular business hours, as the Purchaser may reasonably request; provided, however, that any such access shall be conducted at Purchaser's expense, in accordance with Law (including any applicable Bankruptcy Law), under the supervision of the Seller's personnel and in such a manner as to maintain confidentiality and not to interfere with the normal operations of the business of the Seller; and (c) permit the Purchaser to undertake (at the Purchaser's sole cost and expense) a non-invasive environmental assessment of the Mineral Tenures.

5.5 Further Actions

From and after the Closing Date, each of the Parties shall execute and deliver such documents and other papers and take such further actions as may reasonably be required to carry out the provisions of this Agreement and give effect to the transactions contemplated herein, including the execution and delivery of such assignments, deeds and other documents as may be necessary to transfer any Assets as provided in this Agreement; provided that, the Seller shall not be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which shall be paid or reimbursed by the Purchaser unless otherwise specified herein) in order to obtain any Consent to the transfer of Assets or the assumption of Assumed Liabilities.

5.6 Transaction Expenses

Except as otherwise provided in this Agreement or the Ancillary Agreements (including Section 8.2), each of the Purchaser and the Seller shall bear its own costs and expenses (including brokerage commissions, finders' fees or similar compensation, and legal fees and expenses) incurred in connection with this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby. Without limiting the foregoing, Purchaser shall pay all recording costs associated with transferring the Mineral Tenures in accordance with applicable Laws.

5.7 Certain Payments or Instruments Received from Third Parties

To the extent that, after the Closing Date, (a) the Purchaser receives any payment or instrument that is for the account of the Seller according to the terms of this Agreement, the Purchaser shall promptly deliver such amount or instrument to the Seller; and (b) the Seller receives any payment that is for the account of the Purchaser according to the terms of this Agreement or relates to the Business, the Seller shall hold such payment in trust for the Purchaser and promptly deliver such amount or instrument to the Purchaser. All amounts due and payable under this Section 5.7 shall be due and payable by the applicable Party in immediately available funds, by wire transfer to the account designated in writing by the relevant Party. Notwithstanding the foregoing, each Party hereby undertakes to use reasonable best efforts to direct or forward all bills, invoices or like instruments to the appropriate Party.

5.8 Notification of Certain Matters

The Seller shall give written notice to the Purchaser and the Purchaser shall give written notice to the Seller, as applicable, promptly after becoming aware of (a) the occurrence of any event, which would be likely to cause any condition set forth in Article 7 to be unsatisfied in any material respect at any time from the date hereof to the Closing Date; or (b) any notice or other communication from (i) any Person alleging that the Consent of such Person is or may be required in connection with any of the transactions contemplated by this Agreement; or (ii) any Government Entity in connection with any of the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 5.8 shall not limit or otherwise affect the remedies available hereunder to the Seller or the Purchaser.

5.9 Casualty Loss

Notwithstanding any provision in this Agreement to the contrary, if, before the Closing, all or any portion of the Assets is (a) condemned or taken by eminent domain; or (b) a material portion is damaged or destroyed by fire or other casualty, the Seller shall notify the Purchaser promptly in writing of such fact, and (i) in the case of condemnation or taking, the Seller shall assign or pay, as the case may be, any proceeds thereof to the Purchaser at the Closing; and (ii) in the case of fire or other casualty, the Seller shall, at their option, either restore such damage or assign the insurance proceeds therefrom to the Purchaser at Closing. Notwithstanding the foregoing, the provisions of this Section 5.9 shall not in any way modify the Purchaser's other rights under this Agreement.

ARTICLE 6 TAX MATTERS

6.1 Transfer Taxes

6.1.1 The Parties agree that the Purchase Price is exclusive of any Transfer Taxes. Subject to Section 5.6, the Purchaser shall promptly pay directly to the appropriate Tax Authority, or promptly reimburse the Seller upon demand and delivery of proof of payment, all applicable Transfer Taxes that are properly payable by the Purchaser under applicable Law in connection with this Agreement and the transactions contemplated herein and the other Transaction Documents and the transactions contemplated therein.

6.1.2 If the Purchaser wishes to claim any exemption relating to, or a reduced rate of, Transfer Taxes, in connection with this Agreement or the transactions contemplated herein or the other Transaction Documents and the transactions contemplated therein, the Purchaser shall be solely responsible for ensuring that such exemption or election applies and, in that regard, shall provide the Seller prior to Closing with its permit number, or other similar registration numbers and/or any appropriate certificate of exemption, election and/or other document or evidence to support the claimed entitlement to such exemption or reduced rate by the Purchaser. The Seller shall make reasonable efforts to cooperate to the extent necessary to obtain any such exemption or reduced rate.

6.2 Tax Characterization of Payments Under This Agreement

The Seller and the Purchaser agree to treat all payments made either to or for the benefit of the other Party under this Agreement as adjustments to the Purchase Price for Tax purposes and that such treatment shall govern for purposes hereof to the extent permitted under applicable Tax Law.

6.3 Records

After the Closing Date, the Purchaser and the Seller will make available to the other, as reasonably requested, and to any Tax Authority, all information, records or documents relating to liability for Taxes with respect to the Assets, the Assumed Liabilities, and the Business for all periods prior to or including the Closing Date, and will preserve such information, records or documents until the expiration of any applicable statute of limitations or extensions thereof. In the event that one Party needs access to records in the possession of the other Party relating to any of the Assets, the Assumed Liabilities, the Business for purposes of preparing Tax Returns or complying with any Tax audit request, subpoena or other investigative demand by any Tax Authority, or for any other legitimate Tax-related purpose not injurious to the other Party, the other Party will allow representatives of the first Party access to such records during regular business hours at the other Party's place of business for the sole purpose of obtaining information for use as aforesaid and will permit the other Party to make extracts and copies thereof as may be necessary or convenient. The obligation to cooperate pursuant to this paragraph shall terminate at the time the relevant applicable statute of limitations expires (giving effect to any extension thereof).

ARTICLE 7 CONDITIONS TO THE CLOSING

7.1 Conditions to Each Party's Obligation

The Parties' obligation to effect the Closing is subject to the satisfaction or the express written waiver of the Parties, at or prior to the Closing, of the following conditions:

- (a) to the extent required by applicable Laws, all Transfer Approvals shall have been obtained pursuant to Section 5.3;
- (b) there shall be in effect no Law or Order prohibiting the consummation of the transactions contemplated hereby that has not been withdrawn or terminated;

- (f) the Approval and Vesting Order shall have been entered, in form and substance acceptable to the Purchaser and the Seller, and shall have become a Final Order.

7.2 Conditions to the Seller's Obligation

The Seller's obligation to effect the Closing shall be subject to the fulfillment (or express written waiver by the Seller), at or prior to the Closing, of each of the following additional conditions:

- (a) except for any inaccuracy that has not had a material adverse effect on the ability of the Purchaser or the Seller to consummate the transactions contemplated by this Agreement, each representation and warranty contained in Article 3 shall be true and correct (i) as if restated on and as of the Closing Date; or (ii) if made as of a date specified therein, as of such date;
- (b) the covenants, obligations, and agreements contained in this Agreement to be complied with by the Purchaser on or before the Closing shall have been complied with and not been breached in any material respect as determined in the sole discretion of the Seller; and

8.1 Termination

This Agreement may be terminated at any time prior to the Closing:

- (a) by mutual written consent of the Seller and the Purchaser;

- (b) by either Party, upon written notice to the other:
 - (i) in the event of a material breach by such other Party of such other Party's representations, warranties, agreements or covenants set forth in this Agreement, which breach (A) would result in a failure of the conditions to Closing set forth in Section 7.2 or Section 7.3, as applicable; and (B) is not cured within seven days from receipt of a written notice from the non-breaching Party; or
 - (ii) if a Government Entity issues an Order prohibiting the transactions contemplated hereby;

provided, however, that the right to terminate this Agreement pursuant to Section 8.1(b)(ii) shall not be available to any Party whose breach hereof has been the principal cause of, or has directly resulted in, the event or condition purportedly giving rise to a right to terminate this Agreement under such clauses.

8.2 Effects of Termination

If this Agreement is terminated pursuant to Section 8.1, all further obligations of the Parties under or pursuant to this Agreement shall terminate without further liability of any Party to the other except for the provisions of (a) Section 5.6 (Transaction Expenses); (b) Section 8.2 (Effects of Termination); (c) Section 10.7 (Successors and Assigns); (d) Section 10.8 (Governing Law; Submission to Jurisdiction); and (e) Section 10.9 (Notices).

ARTICLE 9 POST-CLOSING ACTIVITIES AND AGREEMENTS

9.1 Responsibility for Services to the MacTung Property

All charges for water, electricity, natural gas, propane, diesel, telephone, sewer, trash disposal and other recurring services provided to the MacTung Property which relate to such services provided prior to the Closing Date will be for the account of the Seller, and all charges for such services provided on and after the Closing Date will be for the account of Purchaser, regardless of the date on which the invoice or other statement for such services is rendered.

9.2 General Post-Closing Access to the Assets

In addition to the other provisions hereof granting to the Seller access to the MacTung Property after the Closing Date for certain specified purposes, the parties agree that upon reasonable prior notice to Purchaser, the Seller will be given reasonable access to the MacTung Property and to the Assets as necessary to enable the Seller to carry out or respond to day-to-day operational requirements, reporting requirements of Government Entities, removal of Excluded Assets from the MacTung Property, ongoing tax and accounting functions and obligations, and other activities of the Seller with respect to the sale of the Assets and the winding down of the Seller's responsibilities with respect thereto. All such activities of

the Seller will be conducted in a manner which complies with the Purchaser's safety and operating procedures and in a manner which will not interfere unreasonably with the activities of the Purchaser.

9.3 Post-Closing Cooperation

Notwithstanding the Purchaser's commercially reasonable efforts, in the event that the Purchaser and the Seller agree that the Transfer Approvals cannot be completed, or the issuance of new Permits cannot be achieved prior to the Closing pursuant to Section 5.3.5 above, the Parties shall cooperate after the Closing Date for the purpose of giving effect to the Transfer Approvals or achieving the issuance of new Permits and thereafter providing the complete, immediate and unrestricted release of the Seller's liabilities with respect thereto. In furtherance thereof, each Party shall prepare and submit such documents and applications as shall be necessary or appropriate, and cooperate with reasonable requests of the Government Entities to effectuate the Transfer Approvals or to achieve the issuance of new Permits.

ARTICLE 10 MISCELLANEOUS

10.1 No Survival of Representations and Warranties or Covenants

No representations or warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement shall survive beyond the Closing Date. Accordingly, no Claim of any nature whatsoever for breach of such representations, warranties, covenants or agreements may be made, or Action instituted, after the Closing Date. Notwithstanding the foregoing, the covenants and agreements that by their terms are to be satisfied after the Closing Date shall survive until satisfied in accordance with their terms.

10.2 Seller Disclosure Supplements

From time to time prior to the Closing, the Seller shall supplement or amend the Schedules hereto with respect to any matter that, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in the respective Schedules. The Schedules shall be deemed amended by all such supplements and amendments for all purposes (except for purposes of determining whether the conditions set forth in Section 7.3(b) of the Agreement have been satisfied).

10.3 Purchaser Disclosure Supplements

From time to time prior to the Closing, the Purchaser shall supplement or amend the Schedules hereto with respect to any matter that, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in the respective Schedules. The Schedules shall be deemed amended by all such supplements and amendments for all purposes.

10.4 Remedies

No failure to exercise, and no delay in exercising, any right, remedy, power or privilege under this Agreement by any Party will operate as a waiver of such right, remedy, power or privilege, nor will any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise of such right, remedy, power or privilege or the exercise of any other right, remedy, power or privilege.

10.5 No Third-Party Beneficiaries

This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

10.6 Consent to Amendments; Waivers

No Party shall be deemed to have waived any provision of this Agreement or any of the other Transaction Documents unless such waiver is in writing, and then such waiver shall be limited to the circumstances set forth in such written waiver. This Agreement and the Ancillary Documents shall not be amended, altered or qualified except by an instrument in writing signed by all the Parties hereto or thereto, as the case may be.

10.7 Successors and Assigns

Except as otherwise expressly provided in this Agreement, all representations, warranties, covenants and agreements set forth in this Agreement or any of the Ancillary Agreements by or on behalf of the Parties thereto will be binding upon and enure to the benefit of such Parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party, which consent may be withheld in such Party's sole discretion, except for assignment by the Purchaser to an Affiliate of the Purchaser (provided that the Purchaser remains liable jointly and severally with its assignee Affiliate for the assigned obligations to the Seller).

10.8 Governing Law; Submission to Jurisdiction

10.8.1 Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any Parties, shall be governed exclusively by the Laws of the Province of British Columbia and the federal laws of Canada applicable therein without regard to the rules of conflict of laws applied therein or any other jurisdiction.

10.8.2 To the fullest extent permitted by applicable Law, each Party (i) agrees that any claim, action or proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the transactions contemplated hereby shall be brought only in the Court; (ii) agrees to submit to the non-exclusive jurisdiction of the Court for purposes of all legal proceedings arising out of, or in connection with, this Agreement or the transactions contemplated hereby; (iii) waives and agrees not to assert any objection that it may now or hereafter have to the laying of the venue of any such Action brought in such a court or any Claim that any such Action brought in such a court has been brought in an inconvenient forum; (iv) agrees that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 10.9 or any other manner as may be permitted by Law shall be valid and sufficient service thereof; and (v) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

10.9 Notices

10.10 Schedules

The Schedules attached hereto constitute a part of this Agreement and are incorporated into this Agreement for all purposes as if fully set forth herein.

10.11 Counterparts

The Parties may execute and deliver this Agreement in two or more counterparts (no one of which need contain the signatures of all Parties), including facsimile or scanned PDF document, with the same effect as if all Parties had executed and delivered the same copy, each of which will be deemed an original and all of which together will constitute one and the same instrument.

10.12 No Presumption

The Parties agree that this Agreement was negotiated fairly among them at arm's length and that the final terms of this Agreement are the product of the Parties' negotiations. Each Party represents and warrants that it has sought and received experienced legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The Parties agree that this Agreement shall be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement therefore should not be construed against a Party on the grounds that such Party drafted or was more responsible for drafting the provisions.

10.13 Severability

If any provision, clause, or part of this Agreement, or the application thereof under certain circumstances, is held invalid, illegal or incapable of being enforced in any jurisdiction, (i) as to such jurisdiction, the remainder of this Agreement or the application of such provision, clause or part under other circumstances; and (ii) as for any other jurisdiction, any provision of this Agreement, shall not be affected and shall remain in full force and effect, unless, in each case, such invalidity, illegality or unenforceability in such jurisdiction materially impairs the ability of the Parties to consummate the transactions contemplated by this Agreement. Upon such determination that any clause or other provision is invalid, illegal or incapable of being enforced in such jurisdiction, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible even in such jurisdiction.

10.14 Specific Performance

10.14.1 The Seller acknowledges and agrees that any breach of the terms of this Agreement by the Seller would give rise to irreparable harm for which money damages would not be an adequate remedy, and, accordingly agrees that, in addition to any other remedies, the Purchaser shall be entitled to enforce the terms of this Agreement.

10.14.2 The Seller agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief when expressly available pursuant to the terms of this Agreement on the basis that (i) there is adequate remedy at law; or (ii) an award of specific performance is not an appropriate remedy

for any reason at law or equity. In the event the Purchaser seeks an injunction or injunctions to prevent breaches of this Agreement when expressly available pursuant to the terms of this Agreement and to enforce specifically the terms and provisions of this Agreement when expressly available pursuant to the terms of this Agreement, it shall not be required to provide any bond or other security in connection with any such order or injunction.

10.15 Entire Agreement

This Agreement and the Ancillary Agreements set forth the entire understanding of the Parties relating to the subject matter thereof, and all prior or contemporaneous understandings, agreements, representations and warranties, whether written or oral, are superseded by this Agreement and the Ancillary Agreements, and all such prior or contemporaneous understandings, agreements, representations and warranties are hereby terminated. In the event of any irreconcilable conflict between this Agreement and any of the Ancillary Agreements, the provisions of this Agreement shall prevail, regardless of the fact that certain Ancillary Agreements may be subject to different governing Laws (unless the Ancillary Agreement expressly provides otherwise).

10.16 Damages

Under no circumstances shall any Party be liable for punitive damages or indirect, special, incidental, or consequential damages arising out of or in connection with this Agreement or the transactions contemplated hereby or any breach or alleged breach of any of the terms hereof, including damages alleged as a result of tortious conduct.
