NOTICE OF MOTION  
(Motion for Stay Extension  
Returnable December 16, 2020)

Alvarez & Marsal Canada Inc. in its capacity as Court-appointed Monitor of the Applicants (the "**Monitor**") will make a motion before the Honourable Mr. Justice Kroft on December 16, 2020 at 9:00 a.m., or as soon after that time as the motion can be heard, at the Law Courts Building, 408 York Avenue, Winnipeg, Manitoba by way of teleconference. The dial-in coordinates are as follows:

Dial-In No.: 1-800-974-5902

Conference I.D. No. 7646208

**THE MOTION IS FOR:**

1. An order, substantially in the form attached hereto as Appendix "1":
  - (a) extending the Stay Period to November 15, 2021;
  - (b) approving the Thirty-Third Report of the Monitor dated December 10, 2020 (the "**Thirty-Third Report**"), and the Monitor's activities as described therein; and

- (c) granting such further and other relief as this Honourable Court deems just.

**THE GROUNDS FOR THE MOTION ARE:**

2. The provisions of the *Companies' Creditors Arrangement Act* ("CCAA").
3. The inherent and equitable jurisdiction of this Honourable Court.
4. Queen's Bench Rules 2.03, 3.02(1), 16.04, 16.08, 37.06(6) and 37.08(2).

***Background***

5. Capitalized terms not defined herein shall have the meaning ascribed to them in the Thirty-Third Report.
6. On February 22, 2012, this Honourable Court granted protection to the Arctic Glacier Parties in the Initial Order pursuant to the CCAA.
7. On June 21, 2012, this Honourable Court granted an order, among other things, approving the Sale Transaction. The Sale Transaction closed on July 27, 2012.
8. On September 5, 2012, this Honourable Court issued the Claims Procedure Order that approved a claims process.
9. All Claims have been resolved.
10. On May 21, 2014, this Honourable Court issued the Meeting Order that authorized, *inter alia*: (i) the Arctic Glacier Parties to call the Creditors' Meeting; (ii) the deemed vote of Affected Creditors in favour of a resolution to approve the amended and restated consolidated plan of compromise or arrangement dated August 26, 2014 (and as

it may be further amended, restated, modified or supplemented from time to time in accordance with its terms) (the “**Plan**”); and (iii) Arctic Glacier Income Fund to call, hold and conduct the Unitholders’ Meeting.

11. Pursuant to the Meeting Order, the Trustees were deemed to have called a special meeting of Unitholders that was held and conducted on August 11, 2014 for the purpose of considering and voting on a resolution to, *inter alia*, approve the Plan. The Plan was supported by 99.81% of the Unitholders who voted in person or by proxy at the Unitholders’ Meeting.

12. On September 5, 2014, this Honourable Court issued the Sanction Order approving and sanctioning the Plan.

13. The Applicant, with the assistance of the Monitor, implemented the Plan on January 22, 2015 (the “**Plan Implementation Date**”). Accordingly, on the Plan Implementation Date and pursuant to the Plan, the Monitor, on behalf of the Applicants, *inter alia*: (i) used the Available Funds to fund the reserves and distribution cash pools set out in the Plan; (ii) distributed the Affected Creditors’ Distribution Cash Pool to each Affected Creditor in the amount of such creditor’s claim; and (iii) transferred \$54,498,863.58 (the “**Initial Distribution**”) from the Unitholders’ Distribution Cash Pool to the Transfer Agent for distribution to Registered Unitholders as of December 18, 2014.

14. On January 26, 2015, the Monitor filed a certificate with the Canadian Court confirming that the conditions precedent set out in Section 10.3 of the Plan had been satisfied or waived in accordance with the Plan and that the Plan Implementation Date had occurred.

15. On June 2, 2015, this Honourable Court approved the Unitholder Claims Procedure Order.

16. All Unitholder Claims have been resolved.

17. On December 6, 2019, the Monitor transferred the amount of the Unitholder Interim Distribution (\$15 million) to the Transfer Agent, which distributed the Unitholder Interim Distribution on behalf and for the account of AGIF.

18. As described in the Thirty-Third Report, prior to making a Final Distribution, the Monitor must obtain the Clearance Certificates, requests for which will be filed concurrently with the companies' final tax returns.

#### ***Validating Service***

19. The service effected and notice provided has been sufficient to bring these proceedings to the attention of the recipients and it is appropriate in the circumstances for this Honourable Court to validate service and proceed with the hearing.

#### ***Extending the Stay Period***

20. As is described in the Thirty-Third Report, the Arctic Glacier Parties and the Monitor have resolved many of the items that must be resolved before the estate can be wound down and the Monitor discharged.

21. An extension of the Stay Period until November 15, 2021 is appropriate, as it will allow time for the Monitor, in consultation with the Arctic Glacier Parties, to implement the process contemplated by the Plan.

22. The Applicants have acted and continue to act in good faith and with due diligence.

23. It is just and convenient and in the interests of the Arctic Glacier Parties and their respective stakeholders that the Order sought be granted.

***Approving the Thirty-Third Report and the Monitor's Activities***

24. In accordance with the practice that has developed, the stakeholders will have had a reasonable opportunity to review and take issue with the Thirty-Third Report and the activities described therein. Absent any significant objection, the Thirty-Third Report and the activities described therein should be approved by this Honourable Court.

25. Such further and other grounds as counsel may advise and this Honourable Court may permit.

**THE FOLLOWING DOCUMENTARY EVIDENCE** will be used at the hearing of the motion:

1. The pleadings and proceedings herein;
2. The Thirty-Third Report;
3. Such further and other materials as counsel may advise and this Honourable Court may permit.
