NOW, THEREFORE BE IT RESOLVED, that the form, terms, and provisions of the DIP Credit Agreements, and the grant of security interests, the borrowings, any guaranties of indebtedness thereunder, and the transactions contemplated thereby be, and hereby are authorized, adopted, and approved, and any Authorized Officer or other officer of each Company is hereby authorized and empowered, in the name of and on behalf of each Company, to take such actions and negotiate or cause to be prepared and negotiated and to execute, deliver, perform, and cause the performance of, each of the transactions contemplated by the DIP Credit Agreements substantially in the form provided to each Governing Body and such other agreements, certificates, instruments, receipts, petitions, motions, or other papers or documents to which each Company is or will be a party or any order entered into in connection with the Chapter 11 Cases (collectively with the DIP Credit Agreements, the “Financing Documents”), incur and pay or cause to be paid all related fees and expenses, with such changes, additions, and modifications thereto as an Authorized Officer executing the same shall approve; and

RESOLVED, that each Company, as debtors and debtors in possession under the Bankruptcy Code be, and hereby are, authorized to incur any and all obligations and to undertake any and all related transactions on substantially the same terms as contemplated under the Financing Documents (collectively, the “Financing Transactions”), including granting liens on its assets to secure such obligations; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company, as debtors and debtors in possession, to take such actions as in their discretion are determined to be necessary, desirable, or appropriate to execute, deliver, and file (a) the Financing Documents and such agreements, certificates, instruments, guaranties, notices, and any and all other documents, including, without limitation, any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any Financing Documents, necessary, desirable, or appropriate to facilitate the Financing Transactions, (b) all petitions, schedules, lists, and other motions, papers, or documents, which shall in their sole judgment be necessary, proper, or advisable, which determination shall be conclusively evidenced by his or their execution thereof, (c) such other instruments, certificates, notices, assignments, and documents as may be reasonably requested by the DIP Agents, and (d) such forms of deposit account control agreements, officer’s certificates, and compliance certificates as may be required by the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to file or to authorize the DIP Agents to file any Uniform Commercial Code (“UCC”) financing statements, any other equivalent filings, any intellectual property filings and recordation, and any necessary assignments for security or other documents in the name of each Company that either DIP Agent deems necessary or convenient to perfect any lien or security interest granted under the Financing Documents, including any such UCC financing statement containing a generic description of collateral, such as “all assets,” “all property now or hereafter acquired,” and other similar descriptions of like import, and to execute and deliver, and to record or authorize the recording of, such mortgages and deeds of trust in respect of real property of each Company and such other filings in respect of intellectual and other property of each Company, in each case as the DIP Agents may reasonably request to perfect the security interests of the DIP Agents under the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed and empowered in the name of, and on behalf of, each Company to take all such further actions, including, without limitation, to pay or approve the payment of all fees and expenses payable in connection with the Financing Transactions and all fees and expenses incurred by or on behalf of each Company in connection with the foregoing resolutions, in accordance with the terms of the Financing Documents, which shall in their reasonable business

judgment be necessary, proper, or advisable to perform each Company's obligations under or in connection with the Financing Documents or any of the Financing Transactions and to fully carry out the intent of the foregoing resolutions; and

RESOLVED, that each of the Authorized Officers be, and hereby is, authorized, directed, and empowered in the name of, and on behalf of, each Company, to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any of the Financing Documents or to do such other things which shall in their sole judgment be necessary, desirable, proper, or advisable to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof.

USE OF CASH COLLATERAL

WHEREAS, in the judgment of each Governing Body, it is desirable and in the best interest of each Company, its interest holders, its creditors, and other parties in interest, to obtain the benefits from the use of cash collateral (as such term is defined in section 363(b) of the Bankruptcy Code), which is security for certain of each Company's secured lenders under that certain Prepetition Credit Agreement, dated as of October 9, 2012, by and among each Company, and the guarantors party thereto, the lenders party thereto (the "Prepetition Secured Lenders"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as administrative agent;

NOW, THEREFORE, BE IT:

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to seek approval of the use of cash collateral pursuant to a cash collateral order in interim and final form (a "Cash Collateral Order"), and any Authorized Officer be, and hereby is, authorized, empowered, and directed to negotiate, execute, and deliver any and all agreements, instruments, or documents, by or on behalf of each Company, necessary to implement the Cash Collateral Order, including providing for adequate protection to the Prepetition Secured Lenders in accordance with section 363 of the Bankruptcy Code, as well as any additional or further agreements for the use of cash collateral in connection with each Company's Chapter 11 Cases, which agreement(s) may require each Company to grant adequate protection and liens to each Company's Prepetition Secured Lenders and each other agreement, instrument, or document to be executed and delivered in connection therewith, by or on behalf of each Company pursuant thereto or in connection therewith, all with such changes therein and additions thereto as any Authorized Officer approves, such approval to be conclusively evidenced by the taking of such action or by the execution and delivery thereof; and

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of the Cash Collateral Order or to do such other things which shall in his/her judgement be necessary, desirable, proper, or advisable, to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof; and

RESOLVED, that each Company is hereby authorized to authorize, and each Company hereby authorizes, any subsidiary of such Corporation of which such Corporation or any subsidiary of such Corporation is the sole member, general partner, managing member, or equivalent manager, as applicable, to take each of the actions described in these resolutions or any of the actions authorized in this written consent.

GENERAL

RESOLVED, that in addition to the specific authorizations heretofore conferred upon the Authorized Officers, each of the Authorized Officers (and their designees and delegates) be, and hereby is, authorized and empowered, in the name of and on behalf of each Company, to take or cause to be taken any and all such other and further action, and to execute, acknowledge, deliver, and file any and all such agreements, certificates, instruments, and other documents and to pay all expenses, including but not limited to filing fees, in each case as in such Authorized Officer's or Authorized Officers' judgment, shall be necessary, appropriate, or desirable in order to fully carry out the intent and accomplish the purposes of the resolutions adopted herein;

RESOLVED, that each Governing Body has received sufficient notice of the actions and transactions relating to the matters contemplated by the foregoing resolutions, as may be required by the organizational documents of each Company, or hereby waives any right to have received such notice;

RESOLVED, that all acts, actions, and transactions relating to the matters contemplated by the foregoing resolutions done in the name of and on behalf of each Company, which acts would have been approved by the foregoing resolutions except that such acts were taken before the adoption of these resolutions, are hereby in all respects approved, confirmed and ratified as the true acts and deeds of each Company with the same force and effect as if each such act, transaction, agreement, or certificate had been specifically authorized in advance by resolution of each Governing Body; and

RESOLVED, that each of the Authorized Officers (and their designees and delegates) and each other partner, member, or managing member of each direct subsidiary of each Company, be and hereby is authorized and empowered to take all actions or to not take any action in the name of and on behalf of each

Company with respect to the transactions contemplated by these resolutions hereunder as the sole shareholder, partner, member, or managing member of each direct subsidiary of each Company, in each case, as such Authorized Officer shall deem necessary, appropriate, or desirable in such Authorized Officer's reasonable business judgment as may be necessary, appropriate, or desirable to effectuate the purposes of the transactions contemplated herein.

NOW, THEREFORE BE IT RESOLVED, that the form, terms, and provisions of the DIP Credit Agreements, and the grant of security interests, the borrowings, any guaranties of indebtedness thereunder, and the transactions contemplated thereby be, and hereby are authorized, adopted, and approved, and any Authorized Officer or other officer of each Company is hereby authorized and empowered, in the name of and on behalf of each Company, to take such actions and negotiate or cause to be prepared and negotiated and to execute, deliver, perform, and cause the performance of, each of the transactions contemplated by the DIP Credit Agreements substantially in the form provided to each Governing Body and such other agreements, certificates, instruments, receipts, petitions, motions, or other papers or documents to which each Company is or will be a party or any order entered into in connection with the Chapter 11 Cases (collectively with the DIP Credit Agreements, the “Financing Documents”), incur and pay or cause to be paid all related fees and expenses, with such changes, additions, and modifications thereto as an Authorized Officer executing the same shall approve; and

RESOLVED, that each Company, as debtors and debtors in possession under the Bankruptcy Code be, and hereby are, authorized to incur any and all obligations and to undertake any and all related transactions on substantially the same terms as contemplated under the Financing Documents (collectively, the “Financing Transactions”), including granting liens on its assets to secure such obligations; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company, as debtors and debtors in possession, to take such actions as in their discretion are determined to be necessary, desirable, or appropriate to execute, deliver, and file (a) the Financing Documents and such agreements, certificates, instruments, guaranties, notices, and any and all other documents, including, without limitation, any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any Financing Documents, necessary, desirable, or appropriate to facilitate the Financing Transactions, (b) all petitions, schedules, lists, and other motions, papers, or documents, which shall in their sole judgment be necessary, proper, or advisable, which determination shall be conclusively evidenced by his or their execution thereof, (c) such other instruments, certificates, notices, assignments, and documents as may be reasonably requested by the DIP Agents, and (d) such forms of deposit account control agreements, officer’s certificates, and compliance certificates as may be required by the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to file or to authorize the DIP Agents to file any Uniform Commercial Code (“UCC”) financing statements, any other equivalent filings, any intellectual property filings and recordation, and any necessary assignments for security or other documents in the name of each Company that either DIP Agent deems necessary or convenient to perfect any lien or security interest granted under the Financing Documents, including any such UCC financing statement containing a generic description of collateral, such as “all assets,” “all property now or hereafter acquired,” and other similar descriptions of like import, and to execute and deliver, and to record or authorize the recording of, such mortgages and deeds of trust in respect of real property of each Company and such other filings in respect of intellectual and other property of each Company, in each case as the DIP Agents may reasonably request to perfect the security interests of the DIP Agents under the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed and empowered in the name of, and on behalf of, each Company to take all such further actions, including, without limitation, to pay or approve the payment of all fees and expenses payable in connection with the Financing Transactions and all fees and expenses incurred by or on behalf of each Company in connection with the foregoing resolutions, in accordance with the terms of the Financing Documents, which shall in their reasonable business

judgment be necessary, proper, or advisable to perform each Company's obligations under or in connection with the Financing Documents or any of the Financing Transactions and to fully carry out the intent of the foregoing resolutions; and

RESOLVED, that each of the Authorized Officers be, and hereby is, authorized, directed, and empowered in the name of, and on behalf of, each Company, to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any of the Financing Documents or to do such other things which shall in their sole judgment be necessary, desirable, proper, or advisable to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof.

USE OF CASH COLLATERAL

WHEREAS, in the judgment of each Governing Body, it is desirable and in the best interest of each Company, its interest holders, its creditors, and other parties in interest, to obtain the benefits from the use of cash collateral (as such term is defined in section 363(b) of the Bankruptcy Code), which is security for certain of each Company's secured lenders under that certain Prepetition Credit Agreement, dated as of October 9, 2012, by and among each Company, and the guarantors party thereto, the lenders party thereto (the "Prepetition Secured Lenders"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as administrative agent;

NOW, THEREFORE, BE IT:

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to seek approval of the use of cash collateral pursuant to a cash collateral order in interim and final form (a "Cash Collateral Order"), and any Authorized Officer be, and hereby is, authorized, empowered, and directed to negotiate, execute, and deliver any and all agreements, instruments, or documents, by or on behalf of each Company, necessary to implement the Cash Collateral Order, including providing for adequate protection to the Prepetition Secured Lenders in accordance with section 363 of the Bankruptcy Code, as well as any additional or further agreements for the use of cash collateral in connection with each Company's Chapter 11 Cases, which agreement(s) may require each Company to grant adequate protection and liens to each Company's Prepetition Secured Lenders and each other agreement, instrument, or document to be executed and delivered in connection therewith, by or on behalf of each Company pursuant thereto or in connection therewith, all with such changes therein and additions thereto as any Authorized Officer approves, such approval to be conclusively evidenced by the taking of such action or by the execution and delivery thereof; and

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of the Cash Collateral Order or to do such other things which shall in his/her judgement be necessary, desirable, proper, or advisable, to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof; and

RESOLVED, that each Company is hereby authorized to authorize, and each Company hereby authorizes, any subsidiary of such Corporation of which such Corporation or any subsidiary of such Corporation is the sole member, general partner, managing member, or equivalent manager, as applicable, to take each of the actions described in these resolutions or any of the actions authorized in this written consent.

GENERAL

RESOLVED, that in addition to the specific authorizations heretofore conferred upon the Authorized Officers, each of the Authorized Officers (and their designees and delegates) be, and hereby is, authorized and empowered, in the name of and on behalf of each Company, to take or cause to be taken any and all such other and further action, and to execute, acknowledge, deliver, and file any and all such agreements, certificates, instruments, and other documents and to pay all expenses, including but not limited to filing fees, in each case as in such Authorized Officer's or Authorized Officers' judgment, shall be necessary, appropriate, or desirable in order to fully carry out the intent and accomplish the purposes of the resolutions adopted herein;

RESOLVED, that each Governing Body has received sufficient notice of the actions and transactions relating to the matters contemplated by the foregoing resolutions, as may be required by the organizational documents of each Company, or hereby waives any right to have received such notice;

RESOLVED, that all acts, actions, and transactions relating to the matters contemplated by the foregoing resolutions done in the name of and on behalf of each Company, which acts would have been approved by the foregoing resolutions except that such acts were taken before the adoption of these resolutions, are hereby in all respects approved, confirmed and ratified as the true acts and deeds of each Company with the same force and effect as if each such act, transaction, agreement, or certificate had been specifically authorized in advance by resolution of each Governing Body; and

RESOLVED, that each of the Authorized Officers (and their designees and delegates) and each other partner, member, or managing member of each direct subsidiary of each Company, be and hereby is authorized and empowered to take all actions or to not take any action in the name of and on behalf of each

Company with respect to the transactions contemplated by these resolutions hereunder as the sole shareholder, partner, member, or managing member of each direct subsidiary of each Company, in each case, as such Authorized Officer shall deem necessary, appropriate, or desirable in such Authorized Officer's reasonable business judgment as may be necessary, appropriate, or desirable to effectuate the purposes of the transactions contemplated herein.

RESOLVED, that each of the Authorized Officers be, and hereby is, authorized, directed, and empowered in the name of, and on behalf of, each Company, to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any of the Financing Documents or to do such other things which shall in their sole judgment be necessary, desirable, proper, or advisable to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof.

USE OF CASH COLLATERAL

WHEREAS, in the judgment of each Governing Body, it is desirable and in the best interest of each Company, its interest holders, its creditors, and other parties in interest, to obtain the benefits from the use of cash collateral (as such term is defined in section 363(b) of the Bankruptcy Code), which is security for certain of each Company's secured lenders under that certain Prepetition Credit Agreement, dated as of October 9, 2012, by and among each Company, and the guarantors party thereto, the lenders party thereto (the "Prepetition Secured Lenders"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as administrative agent;

NOW, THEREFORE, BE IT:

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to seek approval of the use of cash collateral pursuant to a cash collateral order in interim and final form (a "Cash Collateral Order"), and any Authorized Officer be, and hereby is, authorized, empowered, and directed to negotiate, execute, and deliver any and all agreements, instruments, or documents, by or on behalf of each Company, necessary to implement the Cash Collateral Order, including providing for adequate protection to the Prepetition Secured Lenders in accordance with section 363 of the Bankruptcy Code, as well as any additional or further agreements for the use of cash collateral in connection with each Company's Chapter 11 Cases, which agreement(s) may require each Company to grant adequate protection and liens to each Company's Prepetition Secured Lenders and each other agreement, instrument, or document to be executed and delivered in connection therewith, by or on behalf of each Company pursuant thereto or in connection therewith, all with such changes therein and additions thereto as any Authorized Officer approves, such approval to be conclusively evidenced by the taking of such action or by the execution and delivery thereof; and

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of the Cash Collateral Order or to do such other things which shall in his/her judgement be necessary, desirable, proper, or advisable, to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof; and

RESOLVED, that each Company is hereby authorized to authorize, and each Company hereby authorizes, any subsidiary of such Corporation of which such Corporation or any subsidiary of such Corporation is the sole member, general partner, managing member, or equivalent manager, as applicable, to take each of the actions described in these resolutions or any of the actions authorized in this written consent.

GENERAL

RESOLVED, that in addition to the specific authorizations heretofore conferred upon the Authorized Officers, each of the Authorized Officers (and their designees and delegates) be, and hereby is, authorized and empowered, in the name of and on behalf of each Company, to take or cause to be taken any and all such other and further action, and to execute, acknowledge, deliver, and file any and all such agreements, certificates, instruments, and other documents and to pay all expenses, including but not limited to filing fees, in each case as in such Authorized Officer's or Authorized Officers' judgment, shall be necessary, appropriate, or desirable in order to fully carry out the intent and accomplish the purposes of the resolutions adopted herein;

RESOLVED, that each Governing Body has received sufficient notice of the actions and transactions relating to the matters contemplated by the foregoing resolutions, as may be required by the organizational documents of each Company, or hereby waives any right to have received such notice;

RESOLVED, that all acts, actions, and transactions relating to the matters contemplated by the foregoing resolutions done in the name of and on behalf of each Company, which acts would have been approved by the foregoing resolutions except that such acts were taken before the adoption of these resolutions, are hereby in all respects approved, confirmed and ratified as the true acts and deeds of each Company with the same force and effect as if each such act, transaction, agreement, or certificate had been specifically authorized in advance by resolution of each Governing Body; and

RESOLVED, that each of the Authorized Officers (and their designees and delegates) and each other partner, member, or managing member of each direct subsidiary of each Company, be and hereby is authorized and empowered to take all actions or to not take any action in the name of and on behalf of each

Company with respect to the transactions contemplated by these resolutions hereunder as the sole shareholder, partner, member, or managing member of each direct subsidiary of each Company, in each case, as such Authorized Officer shall deem necessary, appropriate, or desirable in such Authorized Officer's reasonable business judgment as may be necessary, appropriate, or desirable to effectuate the purposes of the transactions contemplated herein.

NOW, THEREFORE BE IT RESOLVED, that the form, terms, and provisions of the DIP Credit Agreements, and the grant of security interests, the borrowings, any guaranties of indebtedness thereunder, and the transactions contemplated thereby be, and hereby are authorized, adopted, and approved, and any Authorized Officer or other officer of each Company is hereby authorized and empowered, in the name of and on behalf of each Company, to take such actions and negotiate or cause to be prepared and negotiated and to execute, deliver, perform, and cause the performance of, each of the transactions contemplated by the DIP Credit Agreements substantially in the form provided to each Governing Body and such other agreements, certificates, instruments, receipts, petitions, motions, or other papers or documents to which each Company is or will be a party or any order entered into in connection with the Chapter 11 Cases (collectively with the DIP Credit Agreements, the “Financing Documents”), incur and pay or cause to be paid all related fees and expenses, with such changes, additions, and modifications thereto as an Authorized Officer executing the same shall approve; and

RESOLVED, that each Company, as debtors and debtors in possession under the Bankruptcy Code be, and hereby are, authorized to incur any and all obligations and to undertake any and all related transactions on substantially the same terms as contemplated under the Financing Documents (collectively, the “Financing Transactions”), including granting liens on its assets to secure such obligations; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company, as debtors and debtors in possession, to take such actions as in their discretion are determined to be necessary, desirable, or appropriate to execute, deliver, and file (a) the Financing Documents and such agreements, certificates, instruments, guaranties, notices, and any and all other documents, including, without limitation, any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any Financing Documents, necessary, desirable, or appropriate to facilitate the Financing Transactions, (b) all petitions, schedules, lists, and other motions, papers, or documents, which shall in their sole judgment be necessary, proper, or advisable, which determination shall be conclusively evidenced by his or their execution thereof, (c) such other instruments, certificates, notices, assignments, and documents as may be reasonably requested by the DIP Agents, and (d) such forms of deposit account control agreements, officer’s certificates, and compliance certificates as may be required by the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to file or to authorize the DIP Agents to file any Uniform Commercial Code (“UCC”) financing statements, any other equivalent filings, any intellectual property filings and recordation, and any necessary assignments for security or other documents in the name of each Company that either DIP Agent deems necessary or convenient to perfect any lien or security interest granted under the Financing Documents, including any such UCC financing statement containing a generic description of collateral, such as “all assets,” “all property now or hereafter acquired,” and other similar descriptions of like import, and to execute and deliver, and to record or authorize the recording of, such mortgages and deeds of trust in respect of real property of each Company and such other filings in respect of intellectual and other property of each Company, in each case as the DIP Agents may reasonably request to perfect the security interests of the DIP Agents under the Financing Documents; and

RESOLVED, that the Authorized Officers be, and they hereby are, authorized, directed and empowered in the name of, and on behalf of, each Company to take all such further actions, including, without limitation, to pay or approve the payment of all fees and expenses payable in connection with the Financing Transactions and all fees and expenses incurred by or on behalf of each Company in connection with the foregoing resolutions, in accordance with the terms of the Financing Documents, which shall in their reasonable business

judgment be necessary, proper, or advisable to perform each Company's obligations under or in connection with the Financing Documents or any of the Financing Transactions and to fully carry out the intent of the foregoing resolutions; and

RESOLVED, that each of the Authorized Officers be, and hereby is, authorized, directed, and empowered in the name of, and on behalf of, each Company, to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of any of the Financing Documents or to do such other things which shall in their sole judgment be necessary, desirable, proper, or advisable to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof.

USE OF CASH COLLATERAL

WHEREAS, in the judgment of each Governing Body, it is desirable and in the best interest of each Company, its interest holders, its creditors, and other parties in interest, to obtain the benefits from the use of cash collateral (as such term is defined in section 363(b) of the Bankruptcy Code), which is security for certain of each Company's secured lenders under that certain Prepetition Credit Agreement, dated as of October 9, 2012, by and among each Company, and the guarantors party thereto, the lenders party thereto (the "Prepetition Secured Lenders"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as administrative agent;

NOW, THEREFORE, BE IT:

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to seek approval of the use of cash collateral pursuant to a cash collateral order in interim and final form (a "Cash Collateral Order"), and any Authorized Officer be, and hereby is, authorized, empowered, and directed to negotiate, execute, and deliver any and all agreements, instruments, or documents, by or on behalf of each Company, necessary to implement the Cash Collateral Order, including providing for adequate protection to the Prepetition Secured Lenders in accordance with section 363 of the Bankruptcy Code, as well as any additional or further agreements for the use of cash collateral in connection with each Company's Chapter 11 Cases, which agreement(s) may require each Company to grant adequate protection and liens to each Company's Prepetition Secured Lenders and each other agreement, instrument, or document to be executed and delivered in connection therewith, by or on behalf of each Company pursuant thereto or in connection therewith, all with such changes therein and additions thereto as any Authorized Officer approves, such approval to be conclusively evidenced by the taking of such action or by the execution and delivery thereof; and

RESOLVED, that the Authorized Officers be, and hereby are, authorized, directed, and empowered in the name of, and on behalf of, each Company to execute and deliver any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions of the Cash Collateral Order or to do such other things which shall in his/her judgement be necessary, desirable, proper, or advisable, to give effect to the foregoing resolutions, which determination shall be conclusively evidenced by his or their execution thereof; and

RESOLVED, that each Company is hereby authorized to authorize, and each Company hereby authorizes, any subsidiary of such Corporation of which such Corporation or any subsidiary of such Corporation is the sole member, general partner, managing member, or equivalent manager, as applicable, to take each of the actions described in these resolutions or any of the actions authorized in this written consent.

GENERAL

RESOLVED, that in addition to the specific authorizations heretofore conferred upon the Authorized Officers, each of the Authorized Officers (and their designees and delegates) be, and hereby is, authorized and empowered, in the name of and on behalf of each Company, to take or cause to be taken any and all such other and further action, and to execute, acknowledge, deliver, and file any and all such agreements, certificates, instruments, and other documents and to pay all expenses, including but not limited to filing fees, in each case as in such Authorized Officer's or Authorized Officers' judgment, shall be necessary, appropriate, or desirable in order to fully carry out the intent and accomplish the purposes of the resolutions adopted herein;

RESOLVED, that each Governing Body has received sufficient notice of the actions and transactions relating to the matters contemplated by the foregoing resolutions, as may be required by the organizational documents of each Company, or hereby waives any right to have received such notice;

RESOLVED, that all acts, actions, and transactions relating to the matters contemplated by the foregoing resolutions done in the name of and on behalf of each Company, which acts would have been approved by the foregoing resolutions except that such acts were taken before the adoption of these resolutions, are hereby in all respects approved, confirmed and ratified as the true acts and deeds of each Company with the same force and effect as if each such act, transaction, agreement, or certificate had been specifically authorized in advance by resolution of each Governing Body; and

RESOLVED, that each of the Authorized Officers (and their designees and delegates) and each other partner, member, or managing member of each direct subsidiary of each Company, be and hereby is authorized and empowered to take all actions or to not take any action in the name of and on behalf of each

Company with respect to the transactions contemplated by these resolutions hereunder as the sole shareholder, partner, member, or managing member of each direct subsidiary of each Company, in each case, as such Authorized Officer shall deem necessary, appropriate, or desirable in such Authorized Officer's reasonable business judgment as may be necessary, appropriate, or desirable to effectuate the purposes of the transactions contemplated herein.
