ALVAREZ & MARSAL

## INTRODUCTION

1. On February 20, 2018 (the “**Receivership Date**”), the Court of Queen’s Bench of Alberta (the “**Court**”) granted an order in these proceedings (the “**Consent Receivership Order**”) appointing Alvarez & Marsal Canada Inc. (“**A&M**”) as receiver and manager (the “**Receiver**”), without security, of all of the current and future assets, undertakings and properties of every nature and kind whatsoever, including but not limited to real property and wherever situate including all proceeds thereof (the “**Property**”) of Manito Energy Inc. (“**Manitok**”) and its wholly owned subsidiary Raimont Energy Corp. (“**Raimont**”) (together, or either of them, as the context requires, the “**Company**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended, (the “**BIA**”) and section 13(2) of the *Judicature Act*, RSA 2000, c J-2.
2. Prior to the Receivership Date, Manitok and its wholly owned subsidiaries, Raimont and Corinthian Oil Corp. (“**Corinthian**”), had each filed a Notice of Intention to File a Proposal under the BIA (“**NOI**”). The NOI proceedings were terminated by the Court on February 20, 2018 and each Company was deemed bankrupt. A&M was appointed as the Bankruptcy Trustee, replacing FTI Consulting Inc. who had been appointed as the Proposal Trustee under the NOIs.
3. Corinthian is not part of the Receivership. A&M is managing its affairs as Bankruptcy Trustee and through Manitok, who is the operator of the Corinthian properties. The Corinthian assets are not material compared to the assets of the Company.
4. Prior to this Report, it was reported that the most significant stakeholders in the Receivership Proceedings are the National Bank of Canada (“**NBC**”) and Stream Asset Financial Manitok LP (“**Stream**”). NBC is the applicant in these proceedings and holds a first charge over all of the assets of the Company, except for certain facilities either secured by or owned by Stream. Stream either financed certain facilities of Manitok and has a first charge on those facilities or acquired beneficial ownership of those facilities in a series of four (4) separate

transactions, as more fully described in the Second Report of the Receiver. Since the Receiver's Sixth Report dated January 11, 2019, and as a result of the recent decision of the Supreme Court of Canada ("SCC") in *Orphan Well Association v Grant Thornton Ltd*, 2019 SCC 5 ("**Redwater**"), the Alberta Energy Regulator (the "**AER**") is a significant stakeholder in the Receivership even though it is not a "creditor" *per se*, as discussed in further detail below.

5. The purpose of this Eighth Report of the Receiver (the "**Eighth Report**" or "**this Report**") is to provide the Court with information in respect of the following:
  - a) an update on the transaction contemplated in the Purchase and Sale Agreement between the Receiver and Tantalus Energy Corp. ("**Tantalus**") dated November 23, 2018 as amended by a Waiver and Amending Agreement dated December 14, 2018 (collectively, and as may be amended from time to time, the "**Transaction**" and the "**Manitok PSA**", respectively), as was previously approved by the Court on January 18, 2019 ("**Manitok SAVO**");
  - b) the Receiver's application for an order amending the Manitok SAVO ("**SAVO Amending Order**") to effect the approval of the Manitok PSA as amended by the Second Amending Agreement between the Receiver and Persist, dated March 29, 2019 ("**Second Amending Agreement**"); and
  - c) the Receiver's conclusions and recommendations.
6. Capitalized words or terms not defined or ascribed a meaning in this Report are as defined or ascribed a meaning in the Receivership Order or the seven previous reports of the Receiver.
7. All references to dollars are in Canadian currency unless otherwise noted.

## **TERMS OF REFERENCE**

8. In preparing this Eighth Report, the Receiver has relied upon information obtained from the representations of certain former management and employees of the Company, and financial and other information contained in the Company's books and records. The Receiver has not performed an audit, review or other verification of such information.

## **BACKGROUND AND OVERVIEW**

9. Manitek is a public oil and gas exploration and development company focusing on conventional oil and gas reservoirs in the Canadian Foothills along with crude oil in Southern Alberta. Manitek is a corporation registered to carry on business in the Province of Alberta whose shares were traded widely on the TSX Venture Exchange before trading was halted prior to the Receivership Date. Manitek is headquartered in Calgary, Alberta and has two wholly-owned subsidiaries, Raimount and Corinthian. The Transaction, once completed, will result in the sale of substantially all of the remaining marketable assets of the Company.
10. Further background on the Company and its financial circumstances is contained in the materials filed in support of and relating to the Receivership Order. These documents and other relevant information, including the Receiver's other filed reports, have been posted by the Receiver on its website at: [www.alvarezandmarsal.com/manitek](http://www.alvarezandmarsal.com/manitek) (the "Receiver's Website").

## **MANITOK PSA – TRANSACTION UPDATE**

### **Status of the Transaction**

11. On January 18, 2019, the Receiver sought and was granted by this Honourable Court several Orders, including the Manitek SAVO. The Manitek SAVO approved the sale of, among other things, certain petroleum and natural gas rights and associated tangibles and miscellaneous interests to Tantalus pursuant to the

Manitok PSA. The transaction contemplated in the Manitok PSA was scheduled to close on February 5, 2019.

12. On January 31, 2019, the SCC issued its decision in *Redwater*, reversing the lower Courts' decisions and held that the AER is not asserting a claim provable in bankruptcy by insisting on the satisfaction of abandonment and reclamation obligations, and is not itself a creditor. As it relates to this matter the AER, as a provincial regulator, can direct the Receiver to use assets in the insolvent company's estate (including any sale proceeds) estate funds to comply with provincial regulatory orders in priority to secured creditors, in this case NBC and Stream.
13. The Receiver agreed to various requests from Tantalus to extend the scheduled closing date so the parties could evaluate the impact of *Redwater* on the Transaction, and also so the Receiver and certain stakeholders could meet with the AER.
14. On February 25 and February 26, 2019, the Receiver, its counsel and counsel to NBC met with the AER to discuss the Transaction and other transactions, and the impacts of *Redwater*. The Receiver understands that Tantalus met with the AER separately.
15. On March 11, 2019, Tantalus and Persist Oil and Gas Inc. ("**Persist**") amalgamated, with the resulting corporation, Persist, becoming the Purchaser under (and as defined in) the Manitok PSA.
16. During the first two weeks of March 2019, the Receiver and Persist held various discussions and negotiations relating to the Transaction.
17. On March 14, 2019, the Receiver and Persist attempted to close the Transaction, including by executing various closing documents as required by the Manitok PSA; however, the documentation contemplated by one of the mutual closing conditions in the Manitok PSA was not delivered at closing by Freehold as a result of a disagreement between Persist and Freehold regarding the inclusion (or

non-inclusion) of certain wells and lands in the relevant schedule(s) to the PVR Conversion Agreements between Persist and Freehold.

18. Prior to Court approval of the Manitok SAVO, Freehold and Persist had placed in escrow with their respective legal counsel executed signature pages to the PVR Conversion Agreements between Persist and Freehold. At some point prior to March 14, 2019, the Receiver understands that Freehold further reviewed the schedules to the PVR Conversion Agreements between Persist and Freehold and, on or around March 14, 2019, advised the Receiver and Persist that they would not release the executed signature pages to the PVR Conversion Agreements unless the relevant schedule(s) to the PVR Conversion Agreements between Persist and Freehold were amended to include the Disputed PrairieSky Assets (which were not included). Persist would not agree to such inclusion unless significant adjustments were made to the purchase price in the Manitok PSA. The Receiver was not agreeable to any such adjustments. Freehold also requested that certain additional assets be made subject to the relevant PVR Conversion Agreements between Persist and Freehold. Persist was agreeable to the inclusion of those assets.
19. As a result of the foregoing, the Transaction did not close as planned on the revised closing date of March 14, 2019.
20. The Receiver, Persist and/or Freehold thereafter held numerous discussions in an attempt to resolve differences among them and close the Transaction. Those attempts were not successful, and on March 25, 2019, Persist delivered a notice to terminate the Manitok PSA, Raimount PSA and Corinthian PSA (**“Termination Notice”**).
21. Notwithstanding the Termination Notice, the Receiver continued to participate in and encourage various discussions and negotiations among Persist, Freehold, Stream, NBC and the AER in a final attempt to seek a resolution of the various differences, and keep dialogue open among the various parties and stakeholders, all with the hope of closing the Transaction. As a result of those discussions and

negotiations, an agreement was reached amongst the various parties and stakeholders, which led the Receiver and Persist, with support from NBC, Stream and Freehold, to amend the terms of the Manitok PSA in accordance with the Second Amending Agreement, as described below, conditional upon the granting of the SAVO Amending Order. The Receiver understands the AER is aware of the amendments to the schedules to the Manitok PSA and has no objection to the amendments.

22. On April 1, 2019, Persist retracted the Termination Notice.

### **Second Amending Agreement**

23. On March 29, 2019, the Receiver and Persist entered into the Second Amending Agreement ,a copy of which is attached as Appendix A to this Report.

24. The Second Amending Agreement reflects the following amendments to the Manitok PSA and/or steps to be taken to complete the Transaction (as applicable):<sup>1</sup>

- a) certain Nisku formation wells and associated lands in the Wayne area were deleted from Schedules “A” and “B” (Part A) to the Manitok PSA, with the effect that such wells and associated lands do not form part of the Assets;
- b) the Deleted Stolberg Lands and Leases were added to Schedule “A” to the Manitok PSA, with the effect that the Deleted Stolberg Lands and Leases form part of the Assets;
- c) certain non-producing Mannville formation wells and associated lands were added to Schedules “A” and “B” (Part A) to the Manitok PSA,

---

<sup>1</sup> Capitalized terms used herein and not otherwise defined in this Report shall have the respective meaning as set forth in the Second Amending Agreement.

with the effect that such wells and associated lands form part of the Assets;

- d) the tangibles described in Exhibit 3 to the Second Amending Agreement were added to Schedule “B” (Part B) to the Manitok PSA, with the effect that such tangibles form part of the Assets;
- e) certain payments are to be made and/or credited to each of the Receiver and Persist (as applicable); and
- f) certain conditions precedent to the completion of the Transaction were added or revised, including Freehold delivering into escrow with Persist's legal counsel Freehold's executed signature pages to the PVR Conversion Agreements (the most significant amendments to which were changes to the schedules to reflect the amendments to the Manitok PSA contemplated in paragraphs 24 a) and c) above and to amend the effective date from October 1, 2018 to March 1, 2019).

#### **SAVO Amending Order**

- 25. The proposed SAVO Amending Order provides for the amendment of the Manitok SAVO such that it will approve the Manitok PSA as amended by the Second Amending Agreement, as contemplated in paragraphs 24 a) through d) above.
- 26. The proposed SAVO Amending Order also provides that the non-producing Mannville formation wells and associated lands, referenced in paragraph 24 c) above, will not vest in Persist free and clear of any security interests or claims.

#### **RECEIVER’S CONCLUSIONS AND RECOMMENDATIONS**

- 27. The Receiver remains of the view that it has made commercially reasonable efforts to obtain the highest realization for the Property being sold to Persist pursuant to the Sale Process.

28. The Receiver is satisfied that the interests of Manitok's financial stakeholders have been considered during the course of the Sale Process and the Receivership Proceeding, as discussed in the Fourth and Sixth Reports.
29. The Receiver is satisfied that the amendments to the Manitok PSA and Manitok SAVO are necessary to close the Transaction. The Receiver's current understanding is that all stakeholders with an interest in the assets being added to the Manitok PSA, including the AER, have no objection to such amendments.
30. The Receiver recommends that this Honorable Court approve the Second Amending Agreement by granting the SAVO Amending Order substantially in the Receiver's proposed form.

All of which is respectfully submitted this 4<sup>th</sup> day of April 2019.
