AFFIDAVIT OF KATE MALCOLM

Sworn on April 11, 2017.

I, Kate Malcolm, of Toronto, Ontario SWEAR AND SAY THAT:

1. I am Portfolio Manager of Alberta Investment Management Corporation, and as such I have personal knowledge of the matters hereinafter deposed to except where stated to be based on information and belief and where so stated, I believe the same to be true.
2. I am duly authorized to swear this Affidavit on behalf of Private Equity Oak LP ("PEO").
3. This Affidavit is sworn in support of PEO's application for an order appointing Alvarez & Marsal Canada ULC ("A&M" or the "Proposed Receiver") as receiver of the assets, undertakings and properties of Oak Point Energy Ltd. (the "Borrower") and Kemex Ltd., Kemex Technologies Ltd. and InSite Technologies Ltd. (collectively

the “Guarantors” and each a “Guarantor”), pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended (the “BIA”) and section 13(2) of the *Judicature Act*, RSA 2000, c J-2, as amended.

Overview

4. On or about December 23, 2013, a *Debenture* was issued by the Borrower in favor of the Holder (the “*Debenture*”). Under the terms of the *Debenture*, the Holder agreed to provide the Borrower with a 15.0% senior secured redeemable convertible debenture in the principal amount of twenty million dollars (\$20,000,000) due December 23, 2015 (the “*Initial Maturity Date*”) all on the terms set out in the *Debenture*.
5. The *Debenture* was amended and restated from time to time in order to increase the principal amount to twenty-five million dollars (\$25,000,000) and extend the *Initial Maturity Date* to December 31, 2016.
6. As further described below, in order to secure its indebtedness under the *Debenture*, the Borrower granted to PEO a continuing first priority security interest in and to all of its present and after-acquired property, assets and undertaking, including, without limitation, all of its oil sands leases and intellectual property.
7. On or about September 28, 2015, the Guarantors executed a *Guarantee and Security Agreement* (the “*Guarantee Agreement*”) pursuant to which they agreed to irrevocably and unconditionally guarantee to the Holder the punctual, complete and irrevocable payment when due, and at all times thereafter, of all of the Borrower’s obligations under the *Debenture*. As continuing security for the payment of all of its obligations under the *Guarantee Agreement*, each Guarantor granted to the Holder a security interest over all of their assets including, without limitation, certain intellectual property rights.
8. Due to, *inter alia*, sustained low oil prices, production reductions and curtailments by oil sands producers, and the resulting inability of the Borrower to generate sufficient revenues, the Borrower eventually became insolvent, its directors will imminently or already have resigned, and the borrower ceased operations on or about March 31, 2017.
9. As of March 31, 2017, the Borrower and the Guarantors were indebted to PEO in the amount of \$32,364,420.10, inclusive of capital, interest but excluding fees. Such indebtedness has not been paid and interest and fees continue to accrue.
10. As mentioned, and further set forth in PEO’s Application, PEO seeks from this Court an order appointing A&M as receiver of all of the assets, undertakings and property of the Borrower and Guarantors.
11. It is PEO’s view that the appointment of the Proposed Receiver is just and convenient in the circumstances.
