1.0 INTRODUCTION

- 1.1 On June 11, 2019 (the “**Receivership Date**”), upon application of the Canadian Imperial Bank of Commerce (“**CIBC**”), Alvarez & Marsal Canada Inc. was appointed as Receiver (the “**Receiver**”) pursuant to an order (the “**Receivership Order**”) granted by the Honourable Justice Bundrett in respect of all the assets, undertakings and property of Vinco Holdings Ltd. (“**VHL**”) and Waterway Houseboats Ltd. (“**WHL**”) (collectively, “**Vinco**” or the “**Company**”). This matter is hereinafter referred to more generally as, the “**Receivership Proceedings**”.
- 1.2 The Company’s head office is located in Sicamous, British Columbia and prior to the Receivership Proceedings its principal line of business involved operating a houseboat rental business. VHL owns three parcels of real property in Sicamous, British Columbia which include:
- a) a 16-acre waterfront property (the “**Mervyn Road Property**”) that includes a foreshore lease, marina and movable buildings, which served as the operating site for the houseboat rental business; and
 - b) two parcels of land (collectively, the “**Monashee Property**”) that were previously the sites for the construction of houseboats up until 2008. Currently, a building on the Monashee Property is leased to 1937 Enterprises Inc. (“**1937**”), an affiliate of Vinco.
- 1.3 WHL, an affiliate of VHL, was the operator of the houseboat rental business and contracted with third party houseboat owners (the “**Boat Owners**”) to rent and maintain a fleet of 58 houseboats, which included 49 houseboats owned by the Boat Owners and 9 houseboats owned by WHL.
- 1.4 The Receivership Order authorizes the Receiver to solicit offers in respect of the Company’s property and sell any parts thereof with approval of this Honourable Court for any transaction for which the aggregate purchase price exceeds \$1,000,000.
- 1.5 The Receiver is filing an application for an order (the “**Sale Approval and Vesting Order**”) that provides for, among other things:
- a) approval of the sale of movable property including the houseboats, pleasure and service crafts, equipment, vehicles and portable buildings (collectively, the “**Chattels**”) by Able Solutions Inc. (“**Able**”); and
 - b) vesting of all of the Company’s right, title and interest in Able, free and clear from any and all security interests, hypothecs, mortgages, trusts or deemed trusts, liens, executions, levies, charges or other financial or monetary claims.

- 1.6 Further information regarding the Receivership Proceedings including a copy of the Receivership Order, is posted on the Receiver's website www.alvarezandmarsal.com/waterway (the "Receiver's Website").
- 1.7 Capitalized terms not defined in this first report (the "First Report") are as defined in the Receivership Order.
- 1.8 All references to dollars in the First Report are in Canadian currency unless otherwise noted.

2.0 TERMS OF REFERENCE

- 2.1 In preparing the First Report, the Receiver has relied primarily upon the representations of certain former management and employees of Vinco and certain third parties as well as unaudited financial information contained in the books and records of the Company. While the Receiver has undertaken preliminary reviews and investigations in respect of the assets and liabilities of Vinco, it has not performed an audit, review or otherwise substantiated the completeness or accuracy of the financial position of the Company.

3.0 PURPOSE OF REPORT

- 3.1 The purpose of this First Report is to provide this Honourable Court with information with respect to the following:
- a) background information with respect to the Company;
 - b) the sales processes undertaken to solicit bids for the Mervyn Road Property and Monashee Property (collectively, the "Real Property") and the Chattels;
 - c) an update on the activities of the Receiver since commencement of the Receivership Proceedings;
 - d) the interim statement of receipts and disbursements for the period June 11, 2019 to November 26, 2019;
 - e) the Receiver and its legal counsel's fees and disbursements; and
 - f) the Receiver's application for the Sale Approval and Vesting Order.

4.0 BACKGROUND

- 4.1 As noted in paragraphs 1.2 and 1.3 above, Vinco, a Company incorporated in the province of British Columbia, was founded in 1968 and operated a houseboat rental business on Mara Lake in Sicamous, BC.

- 4.2 As at the Receivership Date, WHL had a fleet of 58 houseboats and WHL paid rent and management fees to VHL for use of the Mervyn Road Property as the operating site. 52 full-time and part-time employees were staffed to manage the start of the 2019 sailing season with the first sailing commencing in May.
- 4.3 Nearly 100% of Vinco's revenue source was derived from its seasonal rentals of 42ft to 92ft houseboats to vacationers, primarily visiting from Alberta (44%), other parts of British Columbia (40%) and Saskatchewan (9%), during the summer months from May to August. The Company received deposits from customers as early as one year in advance of the sailing date and required full payment of the houseboat rental 90 days before sailing. Other sources of revenue were generally immaterial and included rental of small pleasure crafts and property rental income of \$2,000 per month from 1937.
- 4.4 In June 2012, the Company's operations suffered from a flood (the "**2012 Flood**") that damaged the Mervyn Road Property, houseboats, equipment and buildings. WHL was forced to shutter operations for a portion of the 2012 operating season. Subsequently, the Company and the Boat Owners pursued legal action against the Province of British Columbia, the District of Sicamous and a private property owner (together, the "**Defendants**") for damages to Vinco's property and business operations caused by the 2012 Flood. On April 16, 2019, following protracted litigation and extensive legal fees, a judgment (the "**Judgment**") was awarded to the Company and Boat Owners for damages totaling approximately \$2.3 million which was significantly less than what was claimed by the Company in the litigation proceedings and would not see the costs spent on the litigation being recovered. The Defendants have appealed the Judgment and in consultation with CIBC, the Receiver retained Rush Ihas Hardwick LLP ("**Rush**"), the Company's former litigation counsel, to appeal the Judgment. The appeals are anticipated to be heard in June 2020.
- 4.5 As at the Receivership Date the Company had a total of approximately \$13.4 million of debt comprised of approximately \$8.0 million of secured debt owing to CIBC, which holds a first ranking charge on the majority of the Company's assets, and approximately \$5.4 million of unsecured debt owing to nearly 900 unsecured creditors.
- 4.6 The large number of unsecured creditors include the following:
- a) approximately 680 customers that had fully prepaid or paid deposits to reserve houseboat vacation rentals for the 2019 season and select 2020 bookings;
 - b) approximately 50 Boat Owners that were owed houseboat rental revenues;
 - c) approximately 100 trade creditors; and

d) approximately 50 full-time and part-time staff owed severance.

4.7 Further detail of CIBC's security is described in the application materials and not repeated herein.

5.0 SALES PROCESS

Receiver's Powers

5.1 Pursuant to section 2 of the Receivership Order, the Receiver is empowered to, among other things:

2... (k) to market any or all of the Property, including advertising and soliciting offers in respect of the Property or any parts thereof and negotiating such terms and conditions of sale as the Receiver considers appropriate;

(l) to sell, convey, transfer, lease or assign the Property or any part or parts thereof out of the ordinary course of business:

i. without the approval of this Court in respect of a single transaction for consideration up to \$500,000, provided that the aggregate consideration for all such transactions does not exceed \$1,000,000; and

ii. with the approval of this Court in respect of any transaction in which the individual or aggregate purchase price or the aggregate purchase price exceeds the applicable amount set out in the preceding clause,

and in each such case notice under Section 59(10) of the Personal Property Security Act, R.S.B.C. 1996, c. 359 shall not be required;

(m) to apply for any vesting order or other orders necessary to convey the Property or any part or parts thereof to a purchaser or purchasers, free and clear of any liens or encumbrances;

Solicitation of Offers for the Real Property and Chattels

5.2 The Receiver, in consultation with CIBC, retained Colliers International ("Colliers") to market the Real Property and Chattels through the Multiple Listing Service ("MLS") and set up a data room containing a confidential information memorandum ("CIM") and due diligence materials, which were made available to potential purchasers subsequent to executing a confidentiality agreement.

5.3 The Real Property was listed as:

a) Mervyn Road Property \$4.5 million plus separate bid for the Chattels; and

- b) Monashee Property \$995,000.
- 5.4 Interest has been received from a number of parties and the Receiver has recently accepted a conditional offer for the Mervyn Road Property that, subject to lifting of conditions, will be presented to Court for approval in early 2020.
- 5.5 Mostly due to the significant costs associated with securing and maintaining the Chattels, coupled with the lack of viable offers for all assets, on October 22, 2019, the Receiver commenced a parallel process to sell the Chattels separately from the Real Property and set a deadline to submit offers by November 20, 2019 at 5pm Pacific Time (the “**Bid Deadline**”). In preparation of this process to market and sell the Chattels, the Receiver undertook the following activities:
- a) prepared detailed inventory listings and an asset information package (“**AIP**”) based on physical counts of assets located across the Mervyn Road Property and Monashee Property and well as reviewing the appraisal completed by Able Auctions Ltd. (“**Able Auctions**”) and the books and records of the Company. A copy of the AIP is attached as **Appendix “A”**;
 - b) advertised the Chattels for sale in the Globe & Mail on October 24, 2019, a copy of which is attached as **Appendix “B”**;
 - c) prepared and disseminated confidentiality agreements to 129 potentially interested parties including parties that responded to Colliers’ initial marketing of the Real Property, Boat Owners, liquidators, former management, nearby marinas and parties that expressed interest in the Chattels during the Receivership Proceedings;
 - d) distributed electronic copies of the AIP to 64 parties upon execution of a confidentiality agreement; and
 - e) coordinated multiple site visits with 17 interested parties during the period from October 22, 2019 to November 20, 2019.
- 5.6 On or before the Bid Deadline, the Receiver received 19 offers and one offer through Colliers, comprised of the following:
- a) two (2) bids for the Real Property and the Chattels;
 - b) one (1) bid for the Mervyn Road Property and the Chattels;
 - c) five (5) bids for all Chattels, four (4) of which were from liquidators and included an auction of the Chattels in January and February 2020; and

- d) twelve (12) bids for certain lots.
- 5.7 A summary of the offers received prior to the Bid Deadline with names of parties anonymized is attached as **Appendix “C”**

Receiver’s Review and Consideration

- 5.8 Able submitted the highest guaranteed offer for all Chattels with a net minimum guarantee of \$575,000 plus sharing of any additional net proceeds exceeding \$650,000 to be split between the Receiver (75%) and Able (25%) (the “**Able Offer**”). Able will assume all costs of liquidation and marketing and expects to complete the liquidation by February 28, 2020. A copy of the auction agreement is attached as **Appendix “D”**.
- 5.10 The Receiver’s review of the bids included consideration of the following:
 - a) the extent to which the highest price was achieved for the Chattels;
 - b) the appraisal of the Chattels completed by Able Auctions on June 27, 2019, which suggested values of \$961,000 and \$1.2 million under forced liquidation and orderly liquidation scenarios, respectively;
 - c) the estimated operating expenses to be incurred in the event a transaction is not concluded in a timely manner;
 - d) the overall execution risk associated with the bidders including the reputation and financial wherewithal of bidders to complete the transaction; and
 - e) the proposed timing to complete the liquidation process.
- 5.11 Based on the considerations above, the Receiver is of the view that the Able Offer is superior to other offers for the Chattels and that the Receiver’s efforts to solicit bids were conducted in a fair and reasonable manner.

9.0 RECEIVER'S CONCLUSION AND RECOMMENDATION

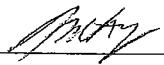

- 9.1 The Receiver is of the view that the Able Offer is fair and commercially reasonable, and the sales process was conducted over a sufficient period of time to allow adequate marketing of the assets and all bidders to perform due diligence and submit offers. In addition, the Receiver's time and effort spent securing and marketing the assets; attending to the enquiries of nearly 900 creditors and stakeholders; and dealing with 49 Boat Owners and coordinating the release of their house boats; among various other activities, were necessarily incurred. The Receiver's legal

counsel fees are reasonable given the current market conditions and are consistent with the complexity of the issues surrounding the estate. For the reasons above, the Receiver respectfully recommends that this Honourable Court:

- a) approve the Receiver's activities and the fees of the Receiver and its legal counsel; and
- b) grant the Sale Approval and Vesting Order.

All of which is respectfully submitted to this Honourable Court this 4th day of December 2019.

All offers must be received by the A&M designated representative by 5 o'clock pm Pacific Standard Time on November 20, 2019.

2. Terms capitalized but not otherwise defined in these Terms and Conditions of Sale shall have the meaning set out in the Asset Information Package sent to each applicable prospective Purchaser by A&M.
3. These Terms and Conditions of Sale are in addition to the "Sale Process" included in the Order dated June 11, 2019 issued by the Supreme Court of British Columbia which is available at <https://www.alvarezandmarsal.com/waterway>. In the event of any conflict, contradiction or inconsistency between the terms and conditions herein and the provisions of the Order, the Order shall prevail.
4. By submitting an Offer, the Purchaser acknowledges that it has inspected the parcel of assets and that the assets are sold on an "as is, where is" basis at the time of closing and that no representation, warranty or condition is expressed or implied as to title, description, fitness for purpose, merchantability, quantity, condition, cost, or quality thereof or compliance of any parcel of assets with or in respect of anything whatsoever. Without limitation, all assets of Vinco are specifically offered as they exist on closing and with no adjustments to be allowed to the Purchaser for changes in conditions, qualities or quantities of such parcels from the date hereof to the Closing Date. The Purchaser acknowledges that A&M is not required to inspect or count, or provide any inspection or counting of the applicable assets or any part thereof and the Purchaser shall be deemed to have relied entirely on its own inspection and investigation of any assets to satisfy the Purchaser as to the effects of any laws, regulations or requirements upon any assets or the transfer by A&M to the Purchaser of any assets. It shall be the Purchaser's sole responsibility to obtain, at its own expense, any consent to such transfer and any further documents or assurances which are necessary or desirable in the circumstances.
5. Listings and descriptions of the assets contained herein have been prepared solely for the convenience of prospective Purchasers and are not warranted to be complete or accurate and are not part of the Terms and Conditions of Sale or any offer. Neither A&M nor any of its respective officers, employees, or advisors, (a) accepts any responsibility for any interpretation, opinion or conclusion that a prospective Purchaser may form as a result of examining the description of the assets or (b) accepts any responsibility to inform the prospective Purchaser of any matter arising or coming to the attention of A&M which may affect or qualify any information made available to the prospective Purchaser.

6. A&M shall not be required to produce any tax certificate, clearance certificate, abstract of title or documents or copies thereof or any evidence as to title, other than those in its actual possession.
7. A&M shall remain in possession of the applicable assets until the purchase price in respect thereof has been paid in full.
8. All Offers must include a fully completed "**Form of Offer**" (enclosed). Supplemental information must be in written form, signed by a duly authorized officer(s) of the entity making the Offer. Offers received

that are not in the attached form or which amend the attached form may, at the sole discretion of A&M, be rejected.

9. All Offers must be accompanied by a bank draft or certified cheque payable to "Alvarez & Marsal Canada Inc. – in Trust" in an amount equal to not less than 10% of the gross purchase price offered for the applicable assets. If the Offer is accepted, this draft or cheque shall be deemed a non-refundable cash deposit and shall be forfeited to A&M on account of liquidated damages if the contemplated sale is not completed by the Purchaser by reason of the Purchaser's default. Acceptance of any Offer is subject to A&M and the Purchaser entering into an agreement of purchase and sale (each, and "**Agreement of Purchase and Sale**") on terms and conditions acceptable to A&M and approved by the Court.
10. In consideration of A&M making available to Purchasers these Terms and Conditions of Sale, any other information, and the opportunity of inspection, and/or in consideration of receiving and considering any Offer to be submitted hereunder, each Purchaser agrees that its Offer is irrevocable and cannot be retracted, withdrawn, varied or countermanded prior to acceptance or rejection thereof.
11. In the event that some of the Offers are substantially in the same terms and/or amounts as determined by A&M, A&M may, in its sole discretion, call upon those purchasers to re-submit an Offer to A&M for its consideration. All sales are subject to Court approval and each Purchaser acknowledges that A&M is under no obligation to promote or recommend any offer for approval by the Court. Each Purchaser is in agreement that the re-submission contemplated under this section is a fair and reasonable manner of proceeding in the case of Offers with substantially the same terms and/or amounts.
12. Offers may be made for all or any parcel of assets of Vinco. Offers submitted for more than one parcel of assets must specifically allocate a separate price for each parcel and will be considered as a separate Offer for each parcel.
13. Offers or offers to liquidate assets must contain a net minimum guaranteed return to A&M and will be subject to the liquidator and A&M entering into an auction services agreement on terms satisfactory to A&M.
14. Where a Purchaser withdraws its Offer after November 20, 2019, and before the date on which the party receives notification of the decision made regarding the Offers, the deposit shall be forfeited on account of liquidated damages by the party to A&M.
15. Cheques or drafts accompanying Offers that are not accepted by A&M shall be returned to the party by prepaid registered mail, addressed to the party at the address set forth in its Offer, without interest thereon.
16. The balance of the purchase price, subject to normal adjustments, shall be paid on or before closing which shall be no later than December 6, 2019 (the "**Closing Date**") or 10 days after an Order to approve the sale of the assets and the vesting of the title to the subject assets in favour of the Purchaser is obtained from the Court.
17. The Purchaser shall pay to A&M on closing, in addition to the balance of the purchase price, all applicable federal, provincial and states taxes, unless the applicable exemption certificates are presented to A&M on or before the Closing Date.
18. The Purchaser shall be solely responsible for costs, if any, of removing the purchased assets and returning the premises to broom swept condition after removal. These costs shall include the removal or cleanup of any hazardous substances released, on to or in the premises, as a result of the decommissioning or removal of the purchased property. All purchased property will be removed by and at the cost of the Purchaser from their location by no later than the Closing Date and the Purchaser will repair any damage caused by the removal and otherwise comply with the terms of any leases or other agreement respecting such removal, if applicable.

19. The Purchaser shall assume, at its own cost, complete and absolute responsibility for compliance with all municipal, provincial and federal laws and licenses insofar as they apply to the purchased property, including the use or transportation of the purchased property by the Purchaser.
20. The highest or any Offer shall not necessarily be accepted. Each purchaser agrees that A&M shall be entitled to accept whichever Offer, if any, A&M, in its sole unrestricted discretion, considers to be the most advantageous. Each Purchaser further agrees that A&M shall have the unfettered right to discuss and clarify any Offer with the submitting Purchaser.
21. A&M reserves the right to amend or terminate this sale solicitation process at any time, including without limitation as described in the Asset Information Package, including in respect of any auction or stalking horse sale process described therein.
22. The obligation of A&M to complete any Agreement of Purchase and Sale shall be relieved if, on or before the Closing Date, any parcel which is the subject of an Agreement of Purchase and Sale is removed from the control of A&M by any means or process. In that case, the sole obligation of A&M to the Purchaser shall be to return the deposit without interest or deduction.
23. A&M may be compelled to advocate that the Court consider other offers in order to obtain the highest price for the Company's property. A&M gives no undertaking to advocate the acceptance of any particular offer. In that regard, each purchaser must make its own arrangements to support any offer in Court.
24. The submission of an Offer to A&M shall constitute an acknowledgment and an acceptance by the prospective Purchaser of these "**Terms and Conditions of Sale**".
25. The validity and interpretation of these Terms and Conditions of Sale, and each provision and part thereof and of any Agreement of Purchase and Sale as defined herein, shall be governed by the laws of the Province of British Columbia and the Courts of the Province of British Columbia shall have exclusive jurisdiction with respect to any dispute arising out of these Terms and Conditions of Sale or any Agreement of Purchase and Sale entered into pursuant hereto.
26. All stipulations as to time are strictly of the essence.
27. A&M reserves the right to withdraw any parcel or any part thereof on or before the Closing Date if there is any actual, threatened or anticipated litigation with respect to any parcel, or if the security under which A&M was appointed is deemed invalid. Adjustments of offers received will be negotiated upon withdrawal of any such item.
28. The Purchaser agrees to indemnify and save harmless A&M in its capacity as receiver of Vinco, and each of its respective directors, officers, shareholders, employees and agents and the successors and assigns of any of the foregoing persons (each an "**Indemnified Party**") from and against, any and all liabilities, claims, losses, costs, fees (including without limitation any legal fees on a solicitor and own client basis), actions, damages and expenses incurred by any Indemnified Party in connection with any claim by a third party arising from or relating to, directly or indirectly, the assets, without limitation, defects in the assets, claims against warranties, the sale and purchase of the assets, the use of the assets and/or damage, injury or death suffered or claimed, whensoever occurring and howsoever arising.
29. A&M is acting in its capacity as Receiver of the Company, and not in its personal capacity.

Vinco Holdings Ltd. and Waterway Houseboats Ltd. - In Receivership Summary of Offers Received

[illegible]

AUCTION AGREEMENT, dated December 4, 2019

BETWEEN: Alvarez and Marsal Canada Inc. in its capacity as Receiver of Waterway Houseboats Ltd.
and Vinco Holdings Ltd.

(**"VENDOR"** or the **"RECEIVER"**)

and

Able Solutions Inc.

(**"ABLE"**)

THE PARTIES AGREE AS FOLLOWS:

1 CONSIGNMENT

Subject to the approval of the British Columbia Supreme Court (the **"Court"**) in the matter of the Receivership of Waterway Houseboats Ltd., the VENDOR shall consign to ABLE (The **"Auctioneer"**) goods consisting of: Specific contents of Waterway Houseboats Ltd. and Vinco Holdings Ltd. (collectively **"Waterway"**) located in Sicamous, B.C. as described in the VENDOR'S Offering Memorandum of October 2019 (the **"OM"**) and detailed in the individual lots (the **"Property"**) as noted below, to be sold and removed by no later than February 28th 2020 (the **"End Date"**). Sales will take the form of negotiated pre sales and public auction to be conducted by ABLE on or at the second week of February, 2020. The sale will take place on location at 1 Mervyn Road and 1272 Titus Road, the premises of Waterway in Sicamous, BC.

2 CARE AND CONDITION OF PROPERTY

ABLE shall at all times take reasonable care of the Property, whether the same is in possession of ABLE or under its control. All items will be sold on an 'as is, where is' basis without warranty or guarantee.

3 DISCRETIONARY MATTERS

ABLE shall have complete discretion as to the illustration, if any, description, or both, of the Property in its catalogues or other literature.

4 ADVERTISING

ABLE will use the name 'Waterway Houseboats' in its advertising campaign.

5 VENDORS'S REPRESENTATION AND WARRANTIES

Subject to approval of the Court, VENDOR represents and warrants that it has the right to consign the Property for sale, that the Property will be free and clear of all encumbrances of others or restrictions on ABLE's right to offer and sell the Property, and that good title and right to possession will pass to the buyer free of any such encumbrances or restrictions.

VENDOR shall not be required to produce any abstract of title, title deeds or documents or copies thereof or any evidence as to title, other than those in its possession.

VENDOR allows ABLE rent-free occupational use of the Sicamous, B.C. sites, until the End Date.

VENDOR also ensures, until the End Date, that: all existing security systems should remain in effect; telephones, internet and facsimile will remain in operating order; representatives of Waterway who are familiar with the mechanical and electrical aspects of the equipment and facilities are made available as necessary to ABLE personnel to the extent practical; all environmental issues in whole or in part are the exclusive responsibility of the VENDOR except for any environmental issues caused by ABLE or its agents.

VENDOR will retain insurance on all assets as they see fit.

This agreement has been entered into by the VENDOR in its sole capacity as Receiver and the VENDOR shall incur no personal or corporate liability as a result of its entering into any such agreement or performing or failing to perform any of its obligations thereunder.

6 ABLE'S REPRESENTATIONS AND WARRANTIES

ABLE agrees that listings and descriptions of the Property contained in the OM have been prepared solely for the convenience of ABLE and other prospective offerors and are not warranted to be complete or accurate. The descriptions of the Property contained in the annexed schedules to the OM are for the purposes of identification only and no condition, warranty or representation has been or will be given by the VENDOR concerning the accuracy, completeness or any other matter concerning those descriptions.

The RECEIVER nor any of its respective officers, employees, or advisors, (a) accepts any responsibility for any interpretation, opinion or conclusion that description of the Property or (b) accepts any responsibility to inform ABLE of any matter arising or coming to the attention of the RECEIVER that may affect or qualify any information made available to ABLE.

ABLE agrees that it has inspected the Property, that it has relied entirely on its own inspection and investigations, and that it is entering into this agreement on the basis that the assets will be sold through ABLE's auction process as set out in paragraph 1 herein on an "as is, where is" basis, and consummation of the transaction constitutes ABLE's acknowledgement that it has satisfied itself as to all matters relating to the Property. The VENDOR expressly excludes and disclaims any and all representations, warranties, conditions and undertakings as to title, encumbrances, description, quality, quantity, cost, condition, merchantability, assignability, size and fitness for a particular purpose or as to any other matter whatsoever. Without limiting the generality of the foregoing, no condition, warranty or representation provided for or implied, including without limitation those pursuant to any statute, including the *Sale of Goods Act* (British Columbia) or similar legislation, is given by the VENDOR and ABLE expressly waives such express or implied conditions, warranties and representations. Furthermore, ABLE agrees to accept the VENDOR's right, title and interest, if any, in the Property, and acknowledges that it shall be ABLE's own and sole responsibility to obtain and pay the cost of any consents, permits, licenses or other authorizations necessary or desirable for the transfer of such right, title and interest, if any, to ABLE or for the operation or use of the Property.

ABLE agrees that it shall make or has made such investigations and searches at its own expense as it and its solicitors may deem necessary with respect to the VENDOR's right, title and interest, if any, in the Property and the existence of any liens, mortgages, charges, security interests, pledges or encumbrances against the Property having priority over the VENDOR's right, title and interest, if any, therein.

ABLE agrees to indemnify and save harmless Alvarez & Marsal Canada Inc. in its capacity as Receiver of Waterway their respective directors, officers, shareholders, employees and agents and the successors and assigns of any of the foregoing persons (each an "**Indemnified Party**") from and against, any and all liabilities, claims, losses, costs, fees (including without limitation any legal fees on a solicitor and own client basis), actions, damages and expenses incurred by any Indemnified Party in connection with any claim by a third party arising from or relating to, directly or indirectly, the Property, including without limitation, defects in the Property, claims against warranties, the sale and purchase of the Property, the use of the Property and/or damage, injury or death suffered or claimed, whenever occurring and howsoever arising.

7 SETTLEMENT OF ACCOUNT

ABLE shall pay to VENDOR the net proceeds received from the sale of the Property within fifteen (15) working days of the completion of the sale.

8 COMMISSIONS, EXPENSES, NET MINIMUM GUARANTEE ("NMG")

For Parcels 1 – 17 inclusive of the VENDOR's Offering Memorandum of October, 2019, excluding Buildings 1 and 13 in Parcel 13, ABLE will pay a NMG of \$575,000.00 to the VENDOR. The next \$75,000.00 will be retained by ABLE; with sales revenue in excess of \$650,000.00 to be split 75%/25% in the favour of the VENDOR.

The VENDOR reserves the right, at any time, to withdraw from the Property listed in the OM any items where the VENDOR obtains evidence satisfactory to the Vendor in its sole discretion, or in the event of a Court order so indicating that these items may not be assets of Waterway. Adjustments of offers received will be negotiated upon withdrawal of any such item.

ABLE will provide to the VENDOR a \$57,500.00 deposit (the "Deposit").

ABLE will charge and retain a buyer's premium equal to 17% on all sales. This amount will not be used in calculating the split over the above amounts.

9 OWNERSHIP/INSURANCE

VENDOR shall remain the rightful owner of the Property and will maintain their desired level of insurance until such time the Property is sold by ABLE.

ABLE shall provide umbrella liability insurance of \$5 million to cover public liability for the duration of this Agreement.

10 TAXES

ABLE will collect and remit all applicable taxes according to government regulations and guidelines. ABLE will pay to the VENDOR all applicable taxes.

11 FORCE MAJEURE

In the event of: fire, flood, extreme snowfall, strike or natural disaster, ABLE shall be held harmless from any and all liability including but not limited to exemption from the above net minimum guarantees.

12 FAILURE TO COMPLY

If ABLE fails to comply with any of the terms or conditions hereof the Deposit and all other payments made to the VENDOR shall be forfeited on account of liquidated damages, without prejudice to any of the VENDOR's remedies and the Property may be sold or resold by the Vendor in such manner and on such terms and conditions as the VENDOR in its sole discretion determines, and the deficiency, if any, on any sale or resale, together with all charges attending the same or occasioned by ABLE shall be paid forthwith upon demand.

13 ENTIRE AGREEMENT

This Agreement constitutes the entire agreement between VENDOR and ABLE pertaining to this subject matter, and supersedes all prior agreements, understandings, negotiations, representations and discussions whether oral or written.
