Dear Developers, Lenders and Lienholders:

Re: October 3, 2018 “Owner Application”

You will have previously received the Receivers Application and tenth Receivers’ Report with respect to the October 3 Application.

As had been requested by the receiver, various lienholders or developers have provided affidavits with respect to the “Owner” issue. As at the time of this email, we have received the following lien holder or developer affidavits:

- The filed affidavit of Shawn Tailer of Davidson Enman Lumber Limited;
- The filed affidavit of Jarrett Pratt of Prattco Excavating Ltd.;
- The filed affidavit of Mike of Rob’s Drywall Services Ltd.;
- The filed affidavit of Arnie Stefaniuk of Genesis Land Development; and
- The unfiled affidavit of Susan Monson of Melcor Developments, currently being filed.

At this point, we have distributed only the text of the affidavit as each affidavit typically contains voluminous exhibits in the form of titles, invoices or other information not particularly germane to the owner application issues. If any party requests the exhibits to any affidavit, please contact my assistant, Roberta Savard at roberta.savard@nortonrosefulbright.com.

We anticipate that further affidavits may be received in the upcoming days notwithstanding the receivers request that materials be provided by today’s date and if so received, we will similarly distribute the text, but not exhibits, to any additional affidavits received.

Yours very truly,

Howard A. Gorman Q.C.
