## APPLICATION

1. On May 25, 2015, Imris, Inc. (“**IMRIS US**”), Imris Inc. (“**IMRIS Canada**”), and NeuroArm Surgical Ltd (“**NASL**”, together with IMRIS US and IMRIS Canada the “**Chapter 11 Debtors**”) commenced proceedings in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Court**”) under Chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “**Chapter 11 Proceeding**”). In the Chapter 11 Proceedings, the Chapter 11 Debtors sought various types of relief from the U.S. Court in certain first day motions (collectively, the “**First Day Motions**”).
2. On May 27, 2015, the U.S. Court made various “First Day Orders”. The First Day Orders provide for, among other things the: (a) appointment of IMRIS US as the foreign representative of the Chapter 11 Debtors for the purposes of this Application and future motions in this proceeding, and seeking recognition in Canada for any Orders that the U.S. Court grants in the Chapter 11 Proceeding, including, in respect of the First Day Motions; (b) approval of debtor-in-possession financing provided by an affiliate of the Chapter 11 Debtors’ secured lender; and (c) approval of certain bid procedures related to a sale under section 363 of the Bankruptcy Code to sell substantially all of the Chapter 11 Debtors’ assets and approve an affiliate of Deerfield as the stalking horse purchaser.
3. IMRIS US, on its own behalf and in its capacity as foreign representative of the Chapter 11 Debtors, makes this Application for relief and for orders substantially in the form attached to this Notice of Application, including orders, *inter alia*:

Initial Recognition Order, attached as Schedule "A"

- (a) Abridging the time for service and validating service of this Notice of Application and the materials filed in support of the Application and dispensing with further service thereof;
- (b) Declaring that IMRIS US is a "foreign representative" pursuant to section 45 of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as Amended (the "CCAA");
- (c) Declaring that the Chapter 11 Proceeding is recognized as a "foreign main proceeding" as such term is defined in section 45 of the CCAA;
- (d) Declaring that the notices and Orders in this proceeding may be served by forwarding a copy thereof by prepaid ordinary mail, courier, personal delivery or electronic transmission (including e-mail) to the Chapter 11 Debtors' creditors or other interested parties at their respective addresses as last shown on the records of the applicable Chapter 11 Debtor and that any such service or distribution by courier, personal delivery or electronic transmission shall be deemed to be received on the same business day as the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.
- (e) Staying, until further Court order, all proceedings against the Chapter 11 Debtors;

Supplemental Order, attached as Schedule “B”

- (f) Recognizing in Canada and enforcing the following order of the U.S. Court made in the Chapter 11 Proceeding:
- (i) Joint Administration Order;
  - (ii) Foreign Representative Order;
  - (iii) Claims Agent Order;
  - (iv) Pre-petition Wages Order;
  - (v) Prepetition Shipping Order;
  - (vi) Customer Obligation Order;
  - (vii) Post-Petition Operations Order;
  - (viii) Insurance Order;
  - (ix) Interim Prepetition Taxes Order;
  - (x) Interim Cash Management Order; and
  - (xi) Interim DIP Facility Order.
- (g) Appointing FTI Consulting Canada Inc. (“**FTI**”) as the Information Officer in respect of this proceeding (the “**Information Officer**”);
- (h) Authorizing IMRIS US and the Information Officer to apply from time to time to this Court for advice and directions;
- (i) Staying any claims, rights, liens or proceedings against or in respect of the Chapter 11 Debtors, the business and property of the Chapter 11 Debtors and the directors and officers of the Chapter 11 Debtors;

- (j) Restraining the right of any person or entity to, among other things, discontinue or terminate any supply of products or services of the Chapter 11 Debtors;
- (k) Granting a super-priority charge up to the maximum amount of \$5,363,413.00 USD in post-petition debtor-in-possession financing over the Chapter 11 Debtors' property, in favour of the Deerfield Private Design Fund II, L.P., Deerfield Private Design International II, L.P., and Deerfield Special Situations Fund, L.P. (the "**DIP Lenders**"), as security for interim financing provided by the DIP Lender (the "**DIP Lenders' Charge**"), provided that the DIP Lenders' Charge is not enforced except with leave of the Court;
- (l) Requiring the Information Officer, on behalf of IMRIS US, to publish notice of the proceeding by subsection 53(b) of the CCAA; and
- (m) Such further and other relief as counsel may advise and this Honourable Court may permit.

4. The grounds for application are:

- (a) On May 26, 2015 (the "**Petition Date**"), each of the Chapter 11 Debtors commenced the Chapter 11 Proceedings.
- (b) In order to enable the Chapter 11 Debtors to minimize the adverse effects of the commencement of the Chapter 11 Proceeding on their business operations, the Chapter 11 Debtors have requested various types of relief

from the U.S. Court in certain “First Day” motions (collectively, the “**First Day Motions**”).

- (c) The Chapter 11 Debtors and their non-debtor affiliate companies (collectively, the “**Company**”) throughout the world design, manufacture and market image-guided therapy systems that enhance the effectiveness on a cost-efficient basis of therapy delivery, which include multiple field strength Magnetic Resonance systems, X-Ray Fluoroscopy systems, and Computed Tomography (CT) systems. All of these imaging capabilities are marketed by the Chapter 11 Debtors as the VISIUS Surgical Theatre™, which combines their visualization technology products with therapy delivery products in a single integrated system that has the ability to provide timely information to clinicians to properly assess the treatment plan at the point of therapy delivery. The Company’s portfolio of products currently includes VISIUS Surgical Theatres, service and extended maintenance contracts, accessories and disposables relating to the Company’s installations.
- (d) In 2010, the Company expanded its business beyond the imaging and service business platforms when the Company acquired Debtor NASL and all of its intellectual property. Since then, the Company has been developing the SYMBIS Surgical System™, a surgeon-controlled surgical robot designed to enable minimally invasive procedures with more precise placement of instruments. This system consists of MR compatible robot arms and a surgical control console integrated together in the VISIUS

Surgical Theatre. The SYMBIS Surgical System is designed to be installed in both existing VISIUS Surgical Theatre systems, and in new installations.

- (e) The purchase and installation of a VISIUS Surgical Theatre represents a significant capital project for the Company's customers, with the cost of an integrated VISIUS Surgical Theatre ranging from approximately \$1.5 million to \$12 million depending on the product selected, the room configuration and the level of integration services requested. Owing to the costs of these projects and to the number of healthcare stakeholders involved, the Company's sales cycle is both complex and lengthy, typically lasting more than 12 months from initial customer engagement to receipt of a purchase order.
- (f) This lengthy sales cycle, along with the continued extensive capital expenditures required to enhance new product offerings and increased competition from well-capitalized market participants, has led to continued financial losses, which has significantly affected the Company's liquidity and ability to pay its debts as they become due.
- (g) IMRIS Canada is a borrower under a certain secured Credit Facility Agreement dated as of September 16, 2013 (as subsequently amended, modified and supplemented from time to time, the "**Facility Agreement**") with: (i) Deerfield Private Design Fund II, L.P.; (ii) Deerfield Private Design International II, L.P.; and (iii) Deerfield Special Situations Fund,

L.P. (collectively, “**Deerfield**”). The obligations of IMRIS Canada under the Facility Agreement are guaranteed on a secured basis by each of IMRIS US and NASL. Under the Facility Agreement, the Chapter 11 Debtors are indebted to Deerfield in the approximate amount of \$26,874,162 consisting of: (a) principal; (b) accrued, but unpaid interest to, but not including May 25, 2015; and (c) related fees and expenses incurred in connection with the Facility Agreement.

- (h) Deerfield has registered security on substantially all of the assets of the Chapter 11 Debtors located in the U.S. and in Canada.
- (i) Prior to filing the Chapter 11 Proceedings, the Company undertook a focused marketing process to explore a broad range of strategic financing and sale options for the Company and its various business units, focusing on: (a) the surgical theatre; (b) service; and (c) the robotics business platforms.
- (j) The Chapter 11 Debtors engaged Imperial Capital (“**Imperial**”) to explore a broad range of strategic financing and sale options for the Chapter 11 Debtors and their various business units. Initially, Imperial focused its efforts on raising additional equity for the Debtors. In addition, Imperial was charged with exploring the sale of the Debtors, either in its entirety as a going-concern or in parts. As this process unfolded, it became clear that, owing to liquidity constraints, the Chapter 11 Debtors could not effectuate a sale of their business, in whole or in part, outside of a Chapter 11

Proceeding. After careful evaluation and further negotiation with the Company's stakeholders, including Deerfield, it was determined that a filing under Chapter 11 by the Chapter 11 Debtors and the recognition of the Chapter 11 Cases in Canada presented the best option for the Company in order to conduct an auction and subsequently consummate a sale transaction,

- (k) An expedited sale of the Chapter 11 Debtors' businesses is essential to not only preserve the underlying value of their operations by providing customers and employees with a clear path forward, but also to maximize the value of the Chapter 11 Debtors' assets for the benefit of all of the Chapter 11 Debtors' creditors.
- (l) Both of IMRIS Canada and NASL are incorporated pursuant to the laws of Canada, with their registered offices located in Winnipeg, Manitoba (the "**Canadian Debtors**"). The shares of IMRIS Canada are traded on the Toronto Stock Exchange under the symbol "IM" and on the NASDAQ Global Select Market under the symbol "IMRS".
- (m) On May 27, 2015, the U.S. Court in the Chapter 11 Proceeding made various "First Day Orders". The First Day Orders provide for, among other things the: (a) appointment the Applicant, IMRIS US, as the foreign representative of the Chapter 11 Debtors for the purposes of this Application and future motions in this proceeding and seeking recognition in Canada for any Orders that the U.S. Court grants in the Chapter 11

Proceeding, including, in respect of the First Day Motions; (b) approval of debtor-in-possession financing provided by an affiliate of the Chapter 11 Debtors' secured lender; and (c) approval of certain bid procedures related to a sale under section 363 of the Bankruptcy Code to sell substantially all of the Chapter 11 Debtors' assets and approve an affiliate of Deerfield as the stalking horse purchaser.

- (n) As described in the Declaration attached to the Affidavit of Jay D. Miller, the Chapter 11 Debtors include two Canadian corporations: IMRIS Canada and NASL. These Canadian entities own certain assets, including all or substantially all of the Chapter 11 Debtors' intellectual property, incur certain costs related to Canadian service contracts and other corporate entity charges. In addition, the Canadian entities employ approximately 5 of the Chapter 11 Debtors' 90 employees. In order to ensure an orderly wind down of the Chapter 11 Debtors' operations in Canada as well as the efficient liquidation of the Chapter 11 Debtors' Canadian assets, the Chapter 11 Debtors have commenced these proceedings to recognize the Chapter 11 Proceeding as a "foreign main proceeding" under the applicable provisions of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (as amended, the "CCAA").
- (o) All of the Chapter 11 Debtors, including the Canadian Debtors, operate on an integrated basis, with corporate and other major decision-making occurring from the head offices located in Minnetonka, Minnesota. The

majority of the management of the Chapter 11 Debtors, including the Canadian Debtors, is shared.

- (p) Further, Deerfield and its affiliates are the main secured creditor for each of the Chapter 11 Debtors, including the Canadian Debtors, as detailed above.
- (q) The majority of employee administration, human resource functions, marketing and communications decisions are made, and related functions taken, on behalf of all of the Chapter 11 Debtors, including the Canadian Debtors, in the United States. The Chapter 11 Debtors, including the Canadian Debtors, are also primarily managed from the United States, including pricing decisions, business development, accounts payable and receivable, and the retention of books and records.
- (r) In essence, the Chapter 11 Debtors, including the Canadian Debtors, are managed in the United States as an integrated group from a corporate, strategic and management perspective.

The recognition of the Chapter 11 Proceeding is appropriate

- (s) IMRIS US is the principal operating entity of the Chapter 11 Debtors;
- (t) IMRIS US has been appointed as the foreign representative of itself and the other Chapter 11 Debtors in the Chapter 11 Proceeding and as such falls within the definition of “foreign representative” under subsection 45(1) of the CCAA;

- (u) Pursuant to subsection 46(1) of the CCAA, IMRIS US may apply to the Court a foreign representative for recognition of the Chapter 11 Proceeding;
- (v) Pursuant to subsection 47(1) of the CCAA, this Court shall make an order recognizing the Chapter 11 Proceeding if it is satisfied that the application relates to a “foreign proceeding” and that IMRIS US is a “foreign representative”;
- (w) The Chapter 11 Proceeding constitutes a “foreign proceeding” pursuant to subsection 45(1) of the CCAA;
- (x) Pursuant to subsection 47(2) of the CCAA, this Court shall specify in the order recognizing the Chapter 11 Proceeding whether it is a foreign main proceeding or foreign non-main proceeding;
- (y) Each of the Chapter 11 Debtors’ centre of main interest are in the U.S. and therefore, the Chapter 11 Proceeding constitutes a “foreign main proceeding” as defined in subsection 45(1) of the CCAA;
- (z) For the purposes of ensuring that all interested parties cooperate in the restructuring proceedings of the Chapter 11 Debtors, IMRIS US requests that the Chapter 11 Proceeding be recognized by this Court as a “foreign main proceeding” under the CCAA;

The Stay of Proceedings is Appropriate in the Circumstances

- (aa) Pursuant to subsection 48(1) of the CCAA, this Court shall, in the case of a foreign main proceeding, exercise its jurisdiction to prohibit the commencement or furtherance of any action suit or proceeding against the Foreign Debtors, subject to any terms and conditions it considers appropriate;
- (bb) The stay of proceedings in Canada is essential to the global efforts of the Chapter 11 Debtors to proceed in the Chapter 11 Proceeding with, and formulate, a restructuring plan, particularly in light of certain key assets within Canada owned by certain of the Chapter 11 Debtors;

The Appointment of the Information Officer is Appropriate

- (cc) FTI has consented to act as the Information Officer in this proceeding;
- (dd) The appointment of the Information Officer will assist both the Court and Canadian stakeholders of the Chapter 11 Debtors;
- (ee) The proposed Information Officer is required to obtain the participation of the Information Officer in these proceedings;

The Interim Financing is Appropriate

- (ff) The DIP Lenders have security on substantially all of the assets of the Chapter 11 Debtors located in Canada and the United States and the DIP Lenders were served with the First Day Motions.

- (gg) A condition of the agreement under which the debtor-in-possession financing will be secured is the creation of a super-priority charge over the assets of the Chapter 11 Debtors, including their Canadian assets in the form of the DIP Lenders' Charge.
- (hh) The debtor-in-possession financing is essential for the Chapter 11 Debtors to sustain their operations. The Chapter 11 Debtors have been unable to obtain additional liquidity, and absent the ability to obtain additional liquidity through the financing contemplated in the DIP Motion, it is unlikely that the Chapter 11 Debtors will have the liquidity to operate, likely leading to the liquidation of these businesses. Owing to the highly leveraged nature of the Chapter 11 Debtors' business operations, it would be virtually impossible to find a party other than the DIP Lenders willing to provide incremental financing to the Chapter 11 Debtors.
- (ii) The DIP Facility has been negotiated in good faith and at an arm's length by and among the Chapter 11 Debtors and the DIP Lenders. The DIP Facility will give the Chapter 11 Debtors the necessary financing to cause minimal interruption of ongoing business operations and the flexibility to implement a strategy to preserve the going-concern value of the Chapter 11 Debtors' estates.
- (jj) Pursuant to the terms of the US DIP Order, the US Court approved the Chapter 11 Debtors' request that \$925,000 (the "**Prepetition Amount**") of the aggregate principal amount of the loans outstanding under the

prepetition Facility Agreement be given the same priority and liens as the DIP Facility. The limited Prepetition Amount was advanced by the DIP Lenders, in good faith to allow the Chapter 11 Debtors a sufficient period of liquidity to prepare for the filing of the Chapter 11 Proceedings.

- (kk) The First Day Motions with respect to the DIP Order provided that the payment of the limited Prepayment Amount under the pre-petition Facility Agreement is an essential element of the overall DIP financing and should be approved because the DIP Lenders would not have agreed to provide the DIP financing. The Prepetition Amount was effectively used by the Chapter 11 Debtors for the Chapter 11 Proceeding.
- (ll) On May 28, 2015, pursuant to and in accordance with the US DIP Order and the DIP Facility, the DIP Lenders funded the Chapter 11 Debtors US\$3.5 million in order to allow the Chapter 11 Debtors to continue operating in the normal course in the Chapter 11 Proceeding and in these CCAA proceedings.

#### General

5. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

This matter coming before the Court on the *Debtors' Application for Entry of an Order Appointing Kurtzman Carson Consultants LLC as Claims and Noticing Agent Nunc Pro Tunc to the Petition Date* (the "Section 156(c) Application"),<sup>2</sup> filed by the above-captioned debtors and debtors in possession (collectively, the "Debtors"); the Court having reviewed the Section 156(c) Application, the Miller Declaration and the Gershbein Declaration and having considered the statements of counsel and the evidence adduced with respect to the Section 156(c) Application at a hearing before the Court (the "Hearing"); the Court having found that (i) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, (ii) venue is proper in this district pursuant to 28 U.S.C. § 1408 and 1409, (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b) and (iv) notice of the Section 156(c) Application and the Hearing was sufficient

<sup>1</sup> The Debtors are the following three entities: IMRIS Inc. (taxpayer identification number 98-0473230), IMRIS, Inc. (taxpayer identification number 98-0462325) and NeuroArm Surgical Ltd. (Canadian corporation number 751695-9). The mailing address of each of the Debtors, solely for purposes of notices and communications, is 5101 Shady Oak Rd., Minnetonka, MN 55343.

<sup>2</sup> Capitalized terms not otherwise defined herein shall have the meanings given to them in the Section 156(c) Application.

under the circumstances; after due deliberation, the Court having determined that the relief requested in the Section 156(c) Application is necessary and essential for the Debtors' chapter 11 cases and such relief is in the best interests of the Debtors, their estates and their creditors; and good and sufficient cause having been shown;

IT IS HEREBY ORDERED THAT:

1. Notwithstanding the terms of the Engagement Letter attached to the Section 156(c) Application, the Section 156(c) Application is approved solely as set forth in this Order.

2. The Debtors are authorized to retain KCC, effective as of the Petition Date, under the terms of the Services Agreement, and KCC is authorized and directed to perform noticing services and to receive, maintain, record and otherwise administer the proofs of claim filed in these cases, and all related tasks, all as described in the Section 156(c) Application.

3. KCC shall serve as the custodian of court records and shall be designated as the authorized repository for all proofs of claim filed in these cases and is authorized and directed to maintain official claims registers for each of the Debtors and to provide the Clerk with a certified duplicate thereof upon the request of the Clerk.

4. KCC is authorized and directed to obtain a post office box or address for the receipt of proofs of claim.

5. KCC is authorized to take such other action to comply with all duties set forth in the Section 156(c) Application.

6. The Debtors are authorized to compensate KCC in accordance with the terms of the Services Agreement upon the receipt of reasonably detailed invoices setting forth the services provided by KCC and the rates charged for each, and to reimburse KCC for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without

the need for KCC to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses.

7. KCC shall maintain records of all services showing dates, categories of services, fees charged and expenses incurred, and shall serve monthly invoices on the Debtors, the office of the United States Trustee, counsel for the Debtors, counsel for any official committee, if any, monitoring the expenses of the Debtors and any party-in-interest who specifically requests service of the monthly invoices; and it is further

8. The parties shall meet and confer in an attempt to resolve any dispute which may arise relating to the Services Agreement or monthly invoices, and that the parties may seek resolution of the matter from the Court if resolution is not achieved.

9. Pursuant to section 503(b)(1)(A) of the Bankruptcy Code, the fees and expenses of KCC under this Order shall be an administrative expense of the Debtors' estates.

10. KCC may apply its retainer to all pre-petition invoices, which retainer shall be replenished to the original retainer amount, and thereafter, KCC may hold its retainer under the Services Agreement during the chapter 11 cases as security for the payment of fees and expenses incurred under the Services Agreement.

11. The Debtors shall indemnify claims and noticing agent under the terms of the Services Agreement.

12. KCC shall not be entitled to indemnification, contribution or reimbursement pursuant to the Services Agreement for services other than the services provided under the Services Agreement, unless such services and the indemnification, contribution or reimbursement therefore are approved by the Court.

13. Notwithstanding anything to the contrary in the Services Agreement, the Debtors shall have no obligation to indemnify KCC, or provide contribution or reimbursement to KCC, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from KCC's gross negligence, willful misconduct, or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of KCC's contractual obligations if the Court determines that indemnification, contribution or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co., et al.*, 315 F.3d 217 (3d Cir. 2003), or (iii) settled prior to a judicial determination under (i) or (ii), but determined by this Court, after notice and a hearing, to be a claim or expense for which KCC should not receive indemnity, contribution or reimbursement under the terms of the Services Agreement as modified by this Order.

14. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these cases, KCC believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Services Agreement (as modified by this Order), including without limitation the advancement of defense costs, KCC must file an application therefore in this Court, and the Debtors may not pay any such amounts to KCC before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by KCC for indemnification, contribution or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify KCC. All parties in interest shall retain the right to object to any demand by KCC for indemnification, contribution or reimbursement.

15. In the event KCC is unable to provide the services set out in this order, KCC will immediately notify the Clerk and Debtors' attorney and cause to have all original proofs of claim and computer information turned over to another claims and noticing agent with the advice and consent of the Clerk and Debtors' attorney.

16. The Debtors may submit a separate retention application, pursuant to 11 U.S.C. § 327 and/or any applicable law, for work that is to be performed by KCC but is not specifically authorized by this Order.

17. The Debtors and KCC are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Section 156(c) Application.

18. Notwithstanding any term in the Services Agreement to the contrary, KCC's liability shall not be limited to the amount paid or payable under the Services Agreement during these chapter 11 cases.

19. KCC shall not cease providing claims processing services during the case(s) for any reason, including nonpayment, without an order of the Court.

20. In the event of any inconsistency between the Services Agreement, the Section 156(c) Application and the Order, the Order shall govern.

21. Notwithstanding any term in the Services Agreement to the contrary, the Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

this Motion and opportunity for a hearing on this Motion was appropriate under the particular circumstances and that no other or further notice need be given, and after due deliberation and sufficient cause appearing therefore,

**NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:**

1. The Motion is GRANTED on the terms set forth herein.
2. The Debtors are authorized, but not directed, to pay in the ordinary course of business certain pre-petition Shipping and Warehousing charges in an amount not to exceed \$125,000 in the aggregate, unless otherwise set forth in a further order, after notice and a hearing.
3. The Debtors are authorized, but not directed, to pay in the ordinary course of business, certain pre-petition Customs Duties, in an amount not to exceed \$10,000 in the aggregate, unless otherwise set forth in a further order, after notice and a hearing.
4. In return for payment of the Shipping and Warehousing charges, the Debtors shall seek agreements from the Shippers and Warehousemen to provide services to the Debtors on Customary Trade Terms, or such other terms as may be agreed upon between the Debtors and such Shippers and Warehousemen.
5. Subject to the objection rights described herein, if any Shipper or Warehouseman accepts payment on account of a pre-petition obligation of the Debtors and thereafter does not continue to provide goods or services to the Debtors on Customary Trade Terms, or other trade terms agreed upon by the Debtors, absent an objection as described below, the Debtors reserve all rights to assert that such payments made were avoidable post-petition transfers under section 549 of the Bankruptcy Code and recoverable by the Debtors. In the event that the Debtors recover any such funds pursuant to the foregoing sentence, the claim of the Shipper or Warehouseman, as the case may be, shall be reinstated as a pre-petition claim in the amount so

recovered. The Debtors are hereby authorized, but not directed, to obtain written verification before issuing payment to a Shipper or Warehouseman that such Shipper or Warehouseman will, if relevant, continue to provide services to the Debtors on Customary Trade Terms, or other agreed upon trade terms, for the remaining term of the Shippers or Warehouseman's relationship with the Debtors; provided, however, that the absence of such written verification will not limit the Debtors' rights hereunder.

6. Nothing in this Order shall prohibit the Debtors from seeking Court authority to increase the pre-petition amounts authorized to be paid to the Shippers and Warehousemen and for Customs Duties.

7. Nothing herein shall impair the Debtors' ability to contest, without prejudice, the validity and amounts owing to the Shippers and Warehousemen or the validity and amount of the Customs Duties.

8. The Debtors do not concede that any liens (contractual, common law, statutory, or otherwise), the obligations of which are paid pursuant to this Order, are valid, and the Debtors expressly reserve the right to contest the extent, validity, perfection, or possible avoidance of all such liens.

9. Nothing herein shall be deemed to constitute the post-petition assumption of any executory contracts between the Debtors and the Shippers and Warehousemen.

10. Notwithstanding the possible applicability of Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

11. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied.

12. The requirements set forth in Bankruptcy Rule 6004(a) are waived.

13. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

This matter coming before the Court on the Motion of the Debtors and Debtors in Possession for Interim and Final Orders (A) Approving the Continued Use of the Debtors' Cash Management System, (B) Approving Continued Transfers Between Debtors and Non-Debtor Subsidiaries, (C) Scheduling a Final Hearing on the Motion and (D) Granting Related Relief (the "Motion"),<sup>2</sup> filed by the above-captioned debtors and debtors in possession (collectively, the "Debtors"); the Court having reviewed the Motion and the First Day Declaration and having considered the statements of counsel and the evidence adduced with respect to the Motion at a hearing before the Court (the "Hearing"); and the Court having found that (i) the Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334, (ii) venue is proper in this

<sup>1</sup> The Debtors are the following three entities: IMRIS Inc. (taxpayer identification number 98-0473230), IMRIS, Inc. (taxpayer identification number 98-0462325) and NeuroArm Surgical Ltd. district pursuant to 28 U.S.C. §§1408 and 1409, (iii) this is a core proceeding pursuant to 28 U.S.C. § 157(b) and (iv) notice of the Motion and the Hearing was sufficient under the circumstances, and after due deliberation the Court having determined that the relief requested in the Motion is necessary and essential for the Debtors' reorganization and such relief is in the best interests of the Debtors, their estates and their creditors; and good and sufficient cause having been shown;

IT IS HEREBY ORDERED THAT:

1. The Motion is GRANTED on an interim basis, as set forth herein.
2. The Debtors are authorized to: (a) maintain the Cash Management System in substantially the same form as described in the Motion and (b) open and close bank accounts. The Debtors shall provide notice of the opening and closing of any bank accounts to (i) the United States Trustee for the District of Delaware and (ii) any official committees appointed in these cases.
3. The Debtors are authorized to continue to use the Bank Accounts under existing account numbers without interruption provided, however, that no checks issued against the Bank Accounts prior to the commencement of these chapter 11 cases shall be honored, except as otherwise authorized by an order of this Court and directed by the Debtors.
4. The Banks are authorized to charge, and the Debtors are authorized to pay or honor, the Bank Fees related to the Bank Accounts. The Banks are also authorized to charge back returned items to the Bank Accounts in the normal course of business
5. The Banks are authorized but not directed to continue to service and administer the Bank Accounts as accounts of the respective Debtor as a debtor in possession without interruption and in the usual and ordinary course, and to receive, process, honor and pay any and

all checks, drafts, wires, or automated clearing house transfers (“ACH Transfers”) drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be. Such Bank Accounts should be renamed “debtor in possession” accounts with the Petition Date included in the account title. The Banks are also authorized but not directed to waive any applicable requirement to establish separate accounts for cash collateral and/or tax payments. The Banks shall not be liable to any party on account of: (a) following the Debtors’ instructions or representations as to any order of this Court; or (b) the honoring of any prepetition check or item in a good faith belief that the Court has authorized such prepetition check or item to be honored despite implementation of reasonable item-handling procedures.

6. Except for those checks, drafts, wires, or ACH Transfers that must be honored and paid in order to comply with any order(s) of this Court authorizing payment of certain prepetition claims, no checks, drafts, wires, or ACH Transfers issued on the existing Bank Accounts prior to the Petition Date but presented for payment after the Petition Date shall be honored or paid.

7. The Debtors are authorized to continue to use their existing checks and other business forms, which checks and business forms shall not be required to include the legend “Debtor in Possession” or a debtor in possession case number; provided, however, that, with respect to checks or other business forms which the Debtors or their agents print themselves, the Debtors shall begin printing the “Debtor in Possession” legend, and include the debtor in possession lead case number, on such items within ten (10) days of the date of entry of this Order. However, if new checks and business forms are ordered, such checks and business forms shall be required to include the legend “Debtor in Possession” and a “debtor in possession case

number.” Third-party payroll and benefits administrators and providers are also authorized to prepare and issue checks on behalf of the Debtors, subject to the provisions of this paragraph.

8. Subject to the terms and conditions in this Order, the Debtors may open additional bank accounts and close certain of the Bank Account(s) as they may deem necessary and appropriate, and the Banks are authorized to honor the Debtors’ requests to open or close, as the case may be, any such Bank Accounts; provided, however, that the Debtors give notice within fifteen (15) days to the Office of the United States Trustee for the District of Delaware and any statutory committees appointed in these chapter 11 cases; provided, further, that the Debtors shall open any such new Bank Account at banks that have executed a Uniform Depository Agreement with the Office of the United States Trustee for the District of Delaware, or at such banks that are willing to immediately execute such an agreement.

9. The Debtors are granted an initial thirty (30) day extension from the Petition Date to: (a) comply with the requirements of section 345 of the Bankruptcy Code or Local Rule 4001-3; (b) file a motion seeking authority to deviate from such requirements; or (c) file a motion seeking a further extension.

10. The Debtors are authorized, from and after the Petition Date on an interim basis, to continue to utilize their Cash Management System, including the use of intercompany transactions as described in the Motion; provided, however, that unless and until the Court enters a final order on the Motion, the Debtors shall not transfer in excess of \$1,000,000 in the aggregate to non-debtor affiliates or subsidiaries. All Intercompany Claims against a Debtor held by another Debtor or a non-Debtor subsidiary arising from postpetition intercompany transfers shall be entitled to administrative expense priority pursuant to section 503(b)(1) of the Bankruptcy Code.

11. The Debtors shall maintain accurate and detailed records of all transfers, including intercompany transfers, so that all transactions may be readily ascertained, traced, recorded properly and distinguished between prepetition and post-petition transactions.

12. For Banks at which the Debtors hold Bank Accounts that are party to a Uniform Depository Agreement with the Office of the United States Trustee for the District of Delaware, within fifteen (15) days of the date of entry of this Order the Debtors shall (a) contact each Bank, (b) provide each of the Debtors' employer identification numbers and (c) identify each of their Bank Accounts held at such Banks as being held by a debtor in possession in a bankruptcy case.

13. For Banks at which the Debtors hold Bank Accounts that are not a party to a Uniform Depository Agreement with the Office of the United States Trustee for the District of Delaware, the Debtors shall use their good faith reasonable best efforts to cause the Banks to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee within thirty (30) days of the date of this Order. The U.S. Trustee's rights to seek further relief from this Court on notice in the event that the aforementioned banks are unwilling to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee are fully reserved.

14. Nothing in this Order shall be construed as approval of the Debtors to pay any prepetition claims of non-debtor affiliates.

15. The Motion is set for a final hearing (the "Final Hearing") to be held at 10:00 a.m. (Eastern Daylight Time) on June 16, 2015, with an objection deadline of 12:00 p.m. (Eastern Daylight Time) on June 11, 2015 (the "Objection Deadline"). Any objection to entry of the final order shall be filed with this Court, and served upon respective counsel to the Debtors, the Creditors' Committee, the Banks and the U.S. Trustee, on or before the Objection Deadline.

16. The requirements set forth in Bankruptcy Rules 6003(b) and 6004(a) are satisfied by the contents of the Motion.

17. Pursuant to Rule 6004(h) of the Federal Rules of Bankruptcy Procedure, this Order shall be immediately effective and enforceable upon its entry.

18. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

19. The Court shall retain jurisdiction over any and all matters arising from the interpretation or implementation of this Order.

(VI) scheduling, pursuant to Bankruptcy Rule 4001, a final hearing (the "*Final Hearing*") for this Court to consider entry of a final order (the "*Final Order*"), authorizing and approving on a final basis the relief requested in the Motion, including without limitation, the Borrowers' ability on a final basis to utilize the DIP Loan Facility and the Debtors' ability to continue to use Cash Collateral and the other Prepetition Collateral, subject to the terms of the DIP Documents and the Final Order.

The Interim Hearing having been held by this Court on May 27, 2015, and upon the record made by the Debtors at the Interim Hearing, including, without limitation, the admission into evidence of the *Declaration of Jay D. Miller in Support of First Day Pleadings* [D.1. 4], which was filed with the Court on the Petition Date, and the other evidence submitted or adduced and the arguments of counsel made at the Interim Hearing and after due deliberation and consideration and sufficient cause appearing therefor;

IT IS FOUND, DETERMINED, ORDERED AND ADJUDGED, as applicable, on an interim basis, that:

1. Grant of Motion. The Motion is hereby GRANTED on an interim basis as hereinafter set forth. Any and all objections to the relief requested in the Motion, to the extent not withdrawn with prejudice, waived or resolved by consent at or before the Interim Hearing, are hereby OVERRULED and DENIED.

2. Jurisdiction/Venue. This Court has core jurisdiction over the Cases, the Motion, and the parties and property affected hereby pursuant to 28 U.S.C. §§ 157(b) and 1334. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. Notice. The Interim Hearing is being held pursuant to the authorization of Bankruptcy Rule 2002, 4001(b), (c), and (d) and Rule 9014, and the Local Rules. Notice of the

Interim Hearing and the emergency relief requested in the Motion has been provided by the Debtors, to certain parties in interest, including: (a) United States Trustee for Region III; (b) those creditors holding the twenty largest unsecured claims against each of the Debtors' estates; (c) the Prepetition Secured Parties and their attorneys; (d) counsel for the Initial DIP Lenders; (e) all secured creditors of record; (f) the United States Internal Revenue Service; and (g) the United States Securities and Exchange Commission. Under the circumstances, such notice of the Interim Hearing and the relief requested in the Motion complies with Bankruptcy Rules 2002 and Local Rule 4001-2.

4. Debtors' Stipulations and Releases. Without prejudice to the rights of any other party (but which rights are subject to the limitations thereon contained in paragraph 24 of this Interim Order), the Debtors admit, stipulate and agree that:

(a) as of the Petition Date, the Debtors who are party to or otherwise obligated under the Prepetition Secured Agreements, without defense, counterclaim, recoupment or offset of any kind, were jointly and severally indebted and liable to the Prepetition Secured Parties in the aggregate principal amount of not less than \$26,957,468.75 of outstanding borrowings under the Prepetition Secured Agreements, plus all costs, fees, expenses (including attorneys' fees and legal expenses) and other charges accrued, accruing or chargeable with respect thereto (collectively, the "*Prepetition Secured Obligations*"), which Prepetition Secured Obligations are secured by (i) first-priority security interests in and liens on substantially all of the Debtors' assets, including accounts, inventory, capital stock of certain of the Debtors, contract rights, instruments, documents, chattel paper, drafts and acceptances, general intangibles and all other forms of obligations owing to the Debtors (and the proceeds,

product and offspring therefrom, collectively, the "*Prepetition Collateral*") all as more fully described in the Prepetition Secured Agreements;

(b) the Prepetition Secured Obligations constitute the legal, valid and binding obligations of the respective Debtors named in the Prepetition Secured Agreements, enforceable in accordance with their terms (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code);

(c) the liens granted to the Prepetition Secured Parties on the Prepetition Collateral pursuant to and in connection with the Prepetition Secured Agreements (collectively, the "*Prepetition Liens*"), including, without limitation, all security agreements, pledge agreements and other security documents executed by any of the Debtors for the benefit of the Prepetition Secured Parties, are (i) valid, binding, perfected and enforceable liens and security interests in the property described in the Existing Credit Facility Agreement, (ii) not, pursuant to the Bankruptcy Code or other applicable law, subject to avoidance, recharacterization, recovery, subordination, attack, offset, recoupment, counterclaim, defense or "claim" (as such term is defined in the Bankruptcy Code) of any kind, and (iii) subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Carve-Out (as defined below) to which the DIP Liens are subject and (C) valid, perfected and unavoidable liens and security interests permitted under the Existing Facility Agreement and existing as of the Petition Date;

(d) no portion of the Prepetition Secured Obligations or any payments made to the Prepetition Secured Parties or applied to the Prepetition Secured Obligations prior to the Petition Date is subject to avoidance, recharacterization, recovery, subordination, attack, offset, counterclaim, defense or "claim" (as such term

is defined in the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or other applicable law;

(e) subject to entry of the Final Order, each Debtor hereby forever waives and releases any and all "claims" (as such term is defined in the Bankruptcy Code), counterclaims, causes of action, defenses and setoff rights against the Prepetition Secured Parties, in their capacities as such, whether arising at law or in equity, including, without limitation, any recharacterization, subordination, avoidance or other claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state or federal law; provided, however, that nothing herein or in any of the DIP Documents shall operate as a release or waiver of any claims or causes of action held by any party (including, without limitation, any of the Debtors) against any Debtor, any "affiliate" (as such term is defined in the Bankruptcy Code) of any Debtor or any officer, director or direct or indirect equity owner (or affiliate thereof) of any Debtor; and

(f) substantially all cash, securities or other property (and the proceeds therefrom) as of the Petition Date, including without limitation, all cash, securities or other property (and the proceeds, product and offspring therefrom) and other amounts on deposit or maintained by the Debtors in accounts pursuant to the Prepetition Secured Agreements were subject to rights of setoff and valid, perfected, enforceable, first priority liens under the Existing Facility Agreement and the other Prepetition Secured Agreements, and applicable law, for the benefit of the Prepetition Secured Parties. All proceeds of the Prepetition Collateral are Cash Collateral of the

Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (collectively, the "*Cash Collateral*").

5. Need for Financing and Cash Collateral Use.

(a) The Debtors have an immediate need to obtain the DIP Loan Facility and to use the Prepetition Collateral, including any cash that constitutes Prepetition Collateral, in order to, among other things, permit the orderly continuation of the operation of their businesses, preserve the going concern value of the Debtors, pay the costs of administration of their estates and for the other purposes set forth in the DIP Documents. The Debtors' use of the Prepetition Collateral (including the Cash Collateral) and the DIP Loan Facility is necessary to prevent immediate and irreparable harm to the Debtors' estates.

(b) The Debtors are unable to obtain financing on more favorable terms from sources other than the DIP Lenders pursuant to, and for the purposes set forth in, the DIP Documents and are unable to obtain adequate unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors are also unable to obtain secured credit allowable under sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code without the Debtors granting to the DIP Agent for the benefit of itself and the DIP Lenders, subject to the Carve-Out (as defined in paragraph 17 below), (i) the DIP Liens (as defined in paragraph 12(a) below), including the priming DIP Liens and (ii) the Superpriority DIP Claims (as defined in paragraph 13(a) below), in each case on the terms and conditions set forth in this Interim Order and the DIP Documents. No party or parties other than the DIP Lenders would provide postpetition financing to the Debtors absent the Debtors

granting such parties priming liens on the Debtors' assets pursuant to section 364(d)(1) of the Bankruptcy Code or other impracticable conditions, and the Debtors were unable to satisfy the requirements of section 364(d)(1) of the Bankruptcy Code.

6. Proposed DIP Loan Facility. The Borrowers have requested the DIP Agent and DIP Lenders to establish the DIP Loan Facility pursuant to which the Borrowers may from time to time obtain loans ("*DIP Loans*") in an aggregate principal amount of up to \$5,363,413 outstanding at any time pursuant to the terms of the DIP Documents. The DIP Agent and each DIP Lender is willing to establish the DIP Loan Facility, upon the terms and conditions set forth herein and in the DIP Documents.

7. Certain Conditions to DIP Loan Facility. The DIP Agent's and DIP Lenders' willingness to establish the DIP Loan Facility is conditioned upon, among other things: (a) the Debtors obtaining Court approval of the DIP Agreement (and all extensions of credit thereunder), as well as all of the other DIP Documents; (b) the Debtors' provision of adequate protection pursuant to sections 361 and 363 of the Bankruptcy Code for the interests of Prepetition Secured Parties with respect to the Prepetition Liens; (c) the DIP Agent and each DIP Lender receiving, as security for the payment of the DIP Obligations (as defined below), security interests in and liens upon the DIP Collateral (as defined below) and the DIP Documents; and (d) the Debtors' satisfaction of all conditions precedent in the DIP Agreement and DIP Documents, unless waived in writing by the Initial DIP Lenders in their sole discretion.

8. Finding of Cause. Good cause has been shown for the entry of this Interim Order and authorization for the Debtors to use Cash Collateral and to obtain extensions of credit under the DIP Loan Facility (the "*DIP Credit Extensions*") pursuant to the terms of the DIP Documents. The Debtors' need for use of Cash Collateral and financing of the type

afforded by the DIP Agreement is ongoing, immediate and critical. Entry of this Interim Order will minimize disruption of the Debtors' businesses and operations, will preserve the assets of the Debtors' estates and their value and is in the best interests of the Debtors, their creditors and their respective estates. The terms of the proposed financing are fair and reasonable, reflect the Debtors' exercise of prudent business judgment and are supported by reasonably equivalent value and fair consideration.

9. Finding of Good Faith. Based upon the record presented at the Interim Hearing, the Court finds that the DIP Agreement and the other DIP Documents, as well as the terms of this Interim Order, have been negotiated in good faith and at arm's length between the Borrowers and the Guarantors, on the one hand, and the DIP Agent and DIP Lenders, on the other hand. Therefore, all DIP Credit Extensions heretofore and hereafter made to the Borrowers pursuant to the DIP Documents shall be deemed to have been extended and made in good faith within the meaning of section 364(e) of the Bankruptcy Code.

10. Authorization of Interim Financing; Budget.

- (a) The Court hereby authorizes (i) the execution, delivery and performance by each Debtor of and under the DIP Agreement and other DIP Documents, as applicable, in substantially the form annexed to the Motion (with such changes, if any, as were addressed to the Court at the Interim Hearing or are authorized to be made as amendments to the DIP Agreement and other DIP Documents in accordance with this Interim Order) and all other instruments, security agreements, assignments, pledges, and other documents referred to therein or required by the DIP Agreement to be executed by one or more Borrowers and/or Guarantors; (ii) the Borrowers' obtaining DIP Loans and other DIP Credit Extensions in

accordance with the DIP Documents from time to time up to an aggregate principal amount outstanding at any time of \$5,363,413, inclusive of up to \$939,413 to be used solely to refinance the "Revolving Loans" (under and as defined in the Existing Facility Agreement) (the "*Roll-Up*"), plus interest, fees and other charges payable in connection with the foregoing; and (iii) the Debtors satisfying all conditions precedent and performance of all obligations hereunder and under the DIP Documents in accordance with the terms hereof and thereof; provided, however, that the authorization to use proceeds of DIP Loans shall be limited solely to the purposes specified and authorized in this Interim Order or the DIP Documents (collectively, the "*Permitted Uses*"); and provided, further, that until the entry of the Final Order, the Borrowers may obtain DIP Credit Extensions only to the extent necessary to avoid immediate and irreparable harm to the Borrowers, which, for purposes hereof, shall include, without limitation, obligations and expenses specified in the Budget (as defined below), the funding of DIP Loans used to pay the fees and expenses due and other amounts owing by Debtors at any time to the DIP Agent and DIP Lenders under the DIP Documents, and other expenses and obligations of any Borrower to the DIP Agent and DIP Lenders that are required to be paid prior to the Final Hearing under the DIP Documents, this Interim Order or any other order of the Court. Notwithstanding the foregoing, the Debtors may request the Court, after notice and a hearing, to authorize the Debtors to use the proceeds of the DIP Loans for purposes other than those specified in the DIP Agreement, subject to the right of the DIP Lenders to cease funding from and after the entry of an order authorizing the Debtors

to use the proceeds of the DIP Loans for purposes not otherwise authorized by the DIP Lenders in the DIP Agreement.

(b) The DIP Agent and DIP Lenders shall not have any obligation or responsibility to monitor the Borrowers' use of any DIP Loans, and may rely upon any Borrower's representations that the amount of the DIP Credit Extensions requested at any time, and the use thereof, are in accordance with the requirements of this Interim Order and the DIP Documents.

(c) The Borrowers shall deliver to the DIP Agent, on a periodic basis as required by the DIP Loan Facility from and after the closing of the DIP Loan Facility, updates to the "Budget" (as defined in the DIP Agreement) to be acceptable to the DIP Agent and Initial DIP Lenders as and to the extent required by the DIP Agreement (such updated Budgets, the "*Budget*").

11. Execution, Delivery and Performance of DIP Documents. Each of the Borrowers and Guarantors are authorized to execute, deliver and perform under all the terms and conditions of each and every DIP Document. The DIP Documents may be executed and delivered on behalf of each Debtor by any officer, director or agent of such Debtor who represents himself or herself to be duly authorized and empowered to execute the DIP Documents for and on behalf of such Debtor, and the DIP Agent and DIP Lenders may rely upon any of such person's execution and delivery of any of the DIP Documents as having done so with all requisite power and authority to do so. Upon the entry of this Interim Order, the DIP Documents shall constitute valid and binding obligations of each Debtor, enforceable against such Debtor in accordance with their terms. In furtherance of the provisions of this Interim Order, each Debtor is authorized to do and perform all acts, to make, execute and deliver all

instruments and documents (including, without limitation, if applicable, the execution of the DIP Agreement, security agreements, pledge agreements, control agreements, mortgages, deeds of trust, deeds to secure debt, financing statements and intellectual property filings), and to pay all filing and recording fees as may be necessary or, in the opinion of the DIP Agent or any DIP Lender, are desirable to give effect to any of the terms and conditions of the DIP Documents or as otherwise required or contemplated by the DIP Documents.

12. DIP Collateral and DIP Liens.

(a) All "Obligations" under (and as defined in) the DIP Agreement, including, without limitation, all DIP Credit Extensions and all amounts owing (then existing, contingent or otherwise, all of the foregoing being collectively called the "*DIP Obligations*") shall be, and hereby are, secured, subject and subordinate only to the Carve-Out (as defined in paragraph 17 below), by perfected, first priority liens (collectively, the "*DIP Liens*") in favor of the DIP Agent and each DIP Lender on and in all of the Prepetition Collateral and all other assets of the Debtors in existence or created prior to, on or after the Petition Date, and subject to the entry of the Final Order, any proceeds or property recovered in connection with the successful prosecution or settlement of any claims pursuant to sections 502(d), 544, 545, 547, 548, 549, 550, 551 or 553 of the Bankruptcy Code (collectively, the "*DIP Collateral*").

(b) The DIP Liens with respect to the DIP Collateral shall have the following priorities:

- i Unencumbered Collateral. Pursuant to section 364(c)(2) of the Bankruptcy Code, a first priority lien on and security interest in all DIP Collateral (including, without limitation, all real property) that is not subject to a valid and perfected lien

existing on the Petition Date other than the DIP Collateral on which there are liens and security interests as described in clause (iii) below;

- ii Encumbered Collateral. Pursuant to section 364(c)(3) of the Bankruptcy Code, a lien on and security interests in all DIP Collateral (including, without limitation, all real property) that is subject to a valid, perfected and unavoidable lien existing on the Petition Date to the extent such lien was on the Petition Date senior to the Prepetition Liens;
- iii Extent of Priming DIP Lien. Pursuant to section 364(d)(1) of the Bankruptcy Code, a first priority, senior priming lien on and security interest in all Prepetition Collateral that is or was intended or required to be subject to valid and perfected liens existing on the Petition Date in favor of the Prepetition Secured Parties; and
- iv Carve-Out. The DIP Liens shall be subject and subordinate in all respects to the Carve-Out in accordance with paragraph 17 of this Interim Order.

13. Superiority DIP Claim; Surcharge.

(a) Scope of Superpriority DIP Claim. Subject to the Carve-Out in accordance with paragraph 17 of this Interim Order, and in addition to being secured as provided in this Interim Order and any Final Order, all DIP Obligations shall constitute an allowed administrative expense claim under section 503(b) of the Bankruptcy Code and shall constitute an allowed superpriority claim (the "*Superpriority DIP Claim*") pursuant to section 364(c)(1) of the Bankruptcy Code over all other administrative expenses in the Debtors' cases of the kind specified in, or ordered pursuant to, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (subject to the Final Order), 507(a), 507(b), 546(c), 726 or 1114 of the Bankruptcy Code. Without limiting the generality of the foregoing, the Superpriority DIP Claim shall be superior to any and all administrative priority claims arising out of transactions, if any, arising between any Debtor, on the one hand and any other

Debtor or subsidiary of a Debtor, and all such intercompany claims shall be subordinate to the Superpriority DIP Claim.

(b) No Surcharge. Subject to the Carve-Out in accordance with paragraph 17 of this Interim Order, it shall be an Event of Default under (and as defined in) the DIP Agreement for any costs or administrative expenses that have been or may be incurred in these chapter 11 cases, in any matters or proceedings related hereto or in any superseding chapter 7 case, to be prior to or on a parity with the Superpriority DIP Claim of the DIP Agent and DIP Lenders for the DIP Obligations. Subject to entry of the Final Order, in no event shall any costs or expenses of administration be imposed upon the DIP Agent, any DIP Lender or any of the DIP Collateral pursuant to sections 105, 506(c) or 552(b) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Agent and all DIP Lenders, and no such consent shall be implied from any action, inaction or acquiescence by the DIP Agent or any DIP Lender; and, subject to the entry of the Final Order, in no event shall any costs or expenses of administration be imposed upon the Prepetition Secured Parties or any Prepetition Collateral, whether pursuant to sections 105, 506(c) or 552(b) of the Bankruptcy Code, or otherwise, without the prior written consent of the Prepetition Secured Parties, and no such consent shall be implied from any action, inaction or acquiescence by the Prepetition Secured Parties.

14. Joint and Several Liability; Borrower Reimbursement Claims.

(a) The Debtors shall be jointly and severally liable to repay the DIP Obligations in accordance with the DIP Documents. The DIP Obligations shall be due and payable, and shall be paid, as and when provided in the DIP Documents and

as provided herein, without offset, counterclaim, deduction or other claim of avoidance of any nature or type. In no event shall the Debtors be authorized to offset, deduct, avoid or recoup any amounts owed, or alleged to be owed, by the DIP Agent, any DIP Lender or any Prepetition Secured Party to any Debtor against any of the DIP Obligations (including, without limitation, any such obligations owing under the Prepetition Secured Agreements), unless and to the extent expressly otherwise agreed to in writing by each of the DIP Agent, DIP Lenders and Prepetition Secured Parties, as applicable.

(b) No Debtor shall have any right of contribution, reimbursement or subrogation from any other Debtor, or any other Debtor's assets as a result of such Debtor's use of Cash Collateral or DIP Loans.

15. Cash Collateral; Other Matters. Subject to the terms of this Interim Order and the DIP Documents, the Debtors are authorized to use Cash Collateral that is secured by the DIP Liens or the Prepetition Liens in accordance with this Interim Order and the DIP Documents. Each Debtor shall cause the Cash Collateral to be promptly deposited in one or more accounts as required by the DIP Documents, which shall be subject to the DIP Liens. Prior to the deposit of such Cash Collateral, the Debtors shall be deemed to hold all such proceeds in trust for the benefit of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties, as applicable. The DIP Agent and DIP Lenders may, subject to the provisions of the DIP Documents, apply (and reapply) any or all Cash Collateral at any time or times in its possession or control to the payment of any of the DIP Obligations, in such order of application as the DIP Agent or any DIP Lender may designate or elect, and may use all or part of the Cash Collateral to collateralize any contingent DIP Obligations. If after the repayment in full in cash ("*Full*

*Payment*") of the DIP Obligations, any Challenge (as defined below), claim or cause of action is asserted against the DIP Agent or any DIP Lender or any Prepetition Secured Parties, then such parties shall be entitled to payment from Debtors to the extent of all costs, expenses, liabilities or damages incurred by it or them (including, without limitation, reasonable attorneys' fees), as secured creditors pursuant to the terms of the DIP Documents and Existing Facility Agreement, all as more fully set forth in a Final Order.

16. Adequate Protection of Prepetition Secured Parties. As adequate protection pursuant to sections 361 and 363 of the Bankruptcy Code for the Debtors' use, consumption, sale, collection or other disposition of any of the Prepetition Collateral the Prepetition Secured Parties shall receive the following as adequate protection:

(a) to the extent there is a diminution in the value of the interests of the Prepetition Secured Parties in the Prepetition Collateral (whether the reason for such diminution is as a result of or from, arises from, or is attributable to, the imposition of the automatic stay, the priming of the Prepetition Liens, the use of Cash Collateral or the physical deterioration, consumption, use, sale, lease, disposition, shrinkage or decline in market value of the Prepetition Collateral), the Prepetition Secured Parties are granted replacement liens on the Prepetition Collateral (the "*Replacement Liens*"), which liens are valid, binding, enforceable and fully perfected as of the date hereof;

(b) an allowed administrative claim (the "*Credit Facility Administrative Claim*") against the Debtors' estates under section 507(b) of the Bankruptcy Code to the extent that the Replacement Liens do not adequately protect the diminution in the value of the Prepetition Collateral, which Credit Facility Administrative Claim, if

any, shall be junior and subordinate to the Carve-Out and the Superpriority DIP Claim; and

(c) payment of fees and expenses of the Prepetition Secured Parties' to the extent incurred prior to, on or after the Petition Date.

17. Payment of Certain Fees and Expenses.

(a) Use of Professional Expenses. The Borrowers are authorized to use proceeds of DIP Loans solely for the uses permitted under the DIP Agreement, including, without limitation, (i) to pay any fees required to be paid to the Clerk of the Court; and (ii) to pay the fees of the U.S. Trustee pursuant to 28 U.S.C. § 1930 and payment of interest, if any, pursuant to 31 U.S.C. § 3717. For so long as no Event of Default under (and as defined in) the DIP Agreement shall have occurred and be continuing, Borrower is also authorized to use the proceeds of the DIP Loans, without limitation, (i) to pay the fees and disbursements incurred by a chapter 7 trustee (if any) under section 726(b) of the Bankruptcy Code in an amount not to exceed \$50,000 out of the DIP Collateral; and (ii) to pay fees, compensation, costs, expenses and disbursements (collectively, "*Professional Expenses*") of professionals (including, without limitation, attorneys, accountants, appraisers, consultants and investment bankers) retained by the Borrowers (the "*Debtor Professionals*") or an official committee, if any, appointed in these chapter 11 cases (any such official committee being referred to as a "*Committee*"), and the professionals retained by such Committee, provided, however, that no proceeds of DIP Loans or any Cash Collateral of the DIP Agent or Prepetition Secured Parties shall be used to pay Professional Expenses of any Debtor Professionals or Committees (collectively, the

*“Professional Persons”*) or any other costs incurred in connection with (i) investigating, commencing or continuing any claims, causes of actions, adversary proceedings or contested matters against any Prepetition Secured Party, the DIP Agent or any DIP Lender with respect to any loan, repayment or other transaction, act or inaction under or in connection with the Prepetition Secured Agreements or DIP Documents (as the case may be), including, without limitation, discovery proceedings subsequent to the commencement of any such claims or causes of action; (ii) except to contest whether an Event of Default has occurred and exists under the DIP Agreement, preventing, hindering or delaying performance or enforcement by any Prepetition Secured Party, the DIP Agent or any DIP Lender of its rights or remedies under this Interim Order or any of the DIP Documents; (iii) challenging any liens granted in connection with the Prepetition Secured Agreements, the DIP Liens or the Superpriority DIP Claim; (iv) challenging the DIP Obligations or the Prepetition Secured Obligations; or (v) that would otherwise be expenses not permitted pursuant to the Budget. Notwithstanding the foregoing limitations up to \$10,000 may be used by the Committee solely to investigate claims, causes of action or adversary proceedings against the Prepetition Secured Parties with respect to the Prepetition Liens granted to such persons on Prepetition Collateral.

(b) Carve-Out. For the purposes of this Interim Order, the *“Carve-Out”* shall mean: (i) Professional Expenses incurred by Professional Persons at any time, to the extent allowed at any time, whether by this Interim Order, procedural order, or otherwise, but only to the extent all such Professional Expenses set forth in this clause do not exceed the amount permitted through such time for such expenses in the

Budget as then applicable; provided, however, that upon the occurrence of an Event of Default, the Professional Expenses incurred by Professional Persons thereafter may not exceed \$50,000; (ii) U.S. Trustee fees, pursuant to 28 U.S.C. § 1930 (the "*U.S. Trustee Fees*"); and (iii) all reasonable fees and expenses incurred by a chapter 7 trustee under section 726(b) of the Bankruptcy Code in an aggregate amount not exceeding \$50,000 out of the DIP Collateral; provided, that nothing herein shall be construed to impair the ability of any interested party to object to any Professional Expenses sought by any Professional Person.

18. Preservation of Rights Granted Under this Interim Order.

(a) Protection From Subsequent Financing Order. It shall constitute an Event of Default under (and as defined in) the DIP Agreement if any Debtor seeks, or if there is entered in these chapter 11 cases, or in any successor cases, any order that authorizes the obtaining of credit or the incurrence of indebtedness by any Debtor (or any trustee or examiner) that (i) is secured by a security, mortgage, collateral interest or lien on all or any part of the DIP Collateral that is equal or senior to the DIP Liens or Credit Facility Replacement Liens, except as expressly authorized by the DIP Agreement, or (ii) has priority administrative status that is equal or senior to the Superpriority DIP Claim; provided, however, that nothing herein shall prevent the entry of an order that specifically provides that, as a condition to the granting of the benefits of clauses (i) or (ii) above, all of the DIP Obligations and Prepetition Secured Obligations must be fully paid from the proceeds of such credit or indebtedness, and all contingent obligations owed to any DIP Lender or any Prepetition Secured Party

fully cash collateralized as provided in the DIP Documents or Prepetition Secured Agreements (as applicable).

(b) Rights Upon Dismissal, Conversion or Consolidation. If any chapter 11 case is dismissed, converted or substantively consolidated with another case, then neither the entry of this Interim Order nor the dismissal, conversion or substantive consolidation of such chapter 11 case shall affect the rights or remedies of the DIP Agent and DIP Lenders under the DIP Documents or the rights or remedies of Prepetition Secured Parties or the DIP Agent or DIP Lenders under this Interim Order, and all of the respective rights and remedies hereunder and thereunder of Prepetition Secured Parties, the DIP Agent and DIP Lenders shall remain in full force and effect as if such chapter 11 case had not been dismissed, converted, or substantively consolidated. It shall constitute an Event of Default if any Debtor seeks, or if there is entered, any order dismissing any of the chapter 11 cases. Notwithstanding any order that may be entered in the future dismissing any of the chapter 11 cases (i) all of the liens and claims granted hereunder shall continue in full force and effect and shall maintain their priorities as provided in this Interim Order (and that such liens and claims shall, notwithstanding such dismissal, remain binding on all interested parties) and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purpose of enforcing all such lenders' liens and claims to the greatest extent permitted by applicable law.

(c) No Discharge; Credit Bid Rights. Unless and until Full Payment of the DIP Obligations shall occur, all such obligations shall not be discharged by the entry of any order confirming a plan of reorganization in any of the chapter 11 cases

and, pursuant to section 1141(d)(4) of the Bankruptcy Code, all of the Debtors have waived such discharge. Subject to entry of the Final Order, no plan of reorganization or liquidation, nor any order entered in connection with a sale of assets under section 363 of the Bankruptcy Code or otherwise, shall limit or otherwise restrict the right of the DIP Agent or any DIP Lender, or any Prepetition Secured Party to submit a credit bid for all or any part of the DIP Collateral.

(d) No Marshaling. The Debtors agree not to assert rights pursuant to the equitable doctrine of “marshaling” or any similar doctrine with respect to any DIP Collateral at any time securing any of the DIP Obligations, and, subject to entry of the Final Order, in no event shall any DIP Liens be subject to any pre-petition or post-petition lien or security interest that is avoided and preserved for the benefit of any Debtor’s estate pursuant to section 551 of the Bankruptcy Code.

(e) No Requirement to File Proof of Claim. Notwithstanding anything to the contrary contained in any prior or subsequent order of the Court, including, without limitation, any bar order establishing a deadline for the filing of proofs of claims entitled to administrative expense treatment under section 503(b) of the Bankruptcy Code, the DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall not be required to file any proof of claim with respect to any of the DIP Obligations or the Prepetition Secured Obligations, all of which shall be due and payable in accordance with the DIP Documents and the Prepetition Secured Agreements, as applicable, without the necessity of filing any such proof of claim, and the failure to file any such proof of claim shall not affect the validity or enforceability of any of the DIP Documents or the Existing Facility Agreement, as

applicable, or prejudice or otherwise adversely affect the DIP Agent's, any DIP Lender's or any Prepetition Secured Parties' rights, remedies, powers or privileges under the DIP Documents, the Existing Facility Agreement or this Interim Order.

(f) Reservation of Rights. The terms, conditions and provisions of this Interim Order are in addition to, and without prejudice to the rights of, the DIP Agent, the DIP Lenders and the Prepetition Secured Parties to pursue any and all rights and remedies available to them under the Bankruptcy Code, the Existing Facility Agreement and the DIP Documents, or any other applicable agreement or law including, without limitation, the right to seek adequate protection and/or additional or differing adequate protection, to seek relief from the automatic stay, to seek an injunction, to oppose any request for use of Cash Collateral or the granting of any interest in the DIP Collateral or priority in favor of any other party, to object to any sale of assets, and to object to applications for allowance and/or payment of compensation of Professional Persons, or other parties seeking compensation in the chapter 11 cases.

19. Automatic Perfection of Liens. The DIP Liens and Credit Facility Replacement Liens (collectively, the "*DIP Order Liens*") shall, as of the Petition Date, be deemed valid, binding, enforceable and perfected with respect to all of the DIP Collateral or Prepetition Collateral, as applicable, upon entry of this Interim Order. The DIP Agent, DIP Lenders, and the Prepetition Secured Parties, shall not be required to file any UCC-1 financing statements, mortgages, deeds of trust, security deeds, notices of lien or any similar document or take any other action (including, without limitation, possession of any of the DIP Collateral or any other property of any Debtor or the obtaining of any consent of any third party including,

without limitation, any third party to a control or similar agreement under the Existing Facility Agreement) in order to validate the perfection of any DIP Order Liens. If the DIP Agent, any DIP Lender, or any Prepetition Secured Party chooses to file or record any such mortgages, deeds of trust, security deeds, notices of lien or UCC-1 financing statements, or take any other action to validate the perfection of any DIP Order Liens, the Debtors and their respective officers are authorized to execute any documents or instruments as the DIP Agent, any DIP Lender or the Prepetition Secured Parties, shall reasonably request, and the Debtors shall pay or reimburse the DIP Agent, each DIP Lender, Prepetition Secured Parties (as applicable) for the payment of any cost, fees or expenses (including, without limitation, recording taxes) payable in connection with the filing or recordation of any UCC-1 financing statements, mortgages, deeds of trust, security deeds, notices of lien or other instruments or agreements. The DIP Agent, each DIP Lender and Prepetition Secured Parties, may, in its or their discretion, file a certified copy of this Interim Order in any filing office in any jurisdiction in which any Borrower or Guarantor is organized or has or maintains any DIP Collateral or an office, and each filing office is authorized to accept such certified copy of this Interim Order for filing and recording.

20. Reimbursement of Expenses. All reasonable and documented costs and expenses incurred by the DIP Agent and any DIP Lenders for which the Debtors are obligated under the DIP Documents, shall form a part of the DIP Obligations and shall be paid by the Debtors (without the necessity of filing any application with or obtaining further order from the Court) in accordance with the terms of the DIP Documents; provided that no written objection from the U.S. Trustee or the Committee is received within ten (10) days (the "*Review Period*") after receipt by the U.S. Trustee and counsel to the Committee of invoices thereof (subject in all respects to applicable privilege and work product doctrines). If an objection is received as to any

portion of such invoice, the Debtors shall promptly pay after the Review Period the portion of such invoice not subject to objection and the Bankruptcy Court shall decide any such objection unless otherwise resolved.

21. Amendments to DIP Documents. The Debtors and the DIP Agent and DIP Lenders are hereby authorized to execute, deliver and implement, in accordance with the terms of the DIP Documents and without further order of the Court, any amendments to and modifications of any of the DIP Documents on the following conditions: (a) the amendment or modification must not constitute a material change to the terms of the DIP Documents, (b) copies of the amendment or modification must be served upon counsel for the Committee, if any, the U.S. Trustee and other interested parties specifically requesting such notice, and (c) notice of the amendment is filed with the Court. Any amendment or modification that constitutes a material change, to be effective, must be approved by the Court. For purposes hereof, a "material change" shall mean a change that operates to shorten the maturity date of the DIP Loan Facility, increase the aggregate amount of the commitment for DIP Loans under the DIP Loan Facility, increase the rate of interest other than as provided in or contemplated by the DIP Documents, add additional specific events of default, or enlarge the nature and extent of default remedies available to the DIP Agent or any DIP Lender following an Event of Default under (and as defined in) the DIP Agreement. Without limiting the foregoing, any other change that does not materially and adversely affect the rights of the Debtor under the DIP Loan Facility shall not constitute a material change to the terms of the DIP Documents and may be affected by the Debtors and the DIP Lenders without the need for further approval of the Court.

22. Events of Default; Remedies.

(a) Events of Default and Remedies. An Event of Default shall be deemed to have occurred and exist for purposes of this Interim Order upon the occurrence of an "Event of Default" under (and as defined in) the DIP Agreement, including, without limitation, any breach or failure of compliance by any Debtor with respect to any of the provisions of this Interim Order.

(b) Enforcement of Remedies. Upon or after the occurrence of any Event of Default, the DIP Agent and, as applicable, each DIP Lender shall be fully authorized, in its sole discretion, to exercise all remedies available to it under the DIP Documents and applicable law, provided that the DIP Agent shall provide (i) five (5) days' notice to the Debtors (with a copy to counsel to the Committee, if any, and the U.S. Trustee) prior to the termination of the Debtors' right to use Cash Collateral, and (ii) seven (7) days' notice to the Debtors (with a copy to counsel to the Committee, if any, and the U.S. Trustee) prior to the enforcement of the DIP Liens or exercise of any other rights or remedies against the DIP Collateral. The foregoing notice provisions are without prejudice to the rights of the DIP Agent and the DIP Lenders, as applicable, to seek earlier relief from this Court upon appropriate notice and hearing pursuant to the Bankruptcy Code and Bankruptcy Rules. In any hearing regarding the exercise of remedies, unless otherwise ordered by the Court, the sole and exclusive issue shall be whether or not an Event of Default has occurred and is continuing under any of the DIP Documents. Upon or after the occurrence of an Event of Default, and notwithstanding the notice periods referred to above, none of the DIP Agent or any DIP Lender shall be obligated to make any DIP Credit

Extensions to any of the Debtors. The automatic stay provisions of section 362 of the Bankruptcy Code are modified to the extent necessary to implement the provisions of this paragraph. Additionally, injunctive or other similar provisions contained in any plan of reorganization or any order confirming any such plan or plans of reorganization, shall not preclude the Prepetition Secured Parties, the DIP Agent or any DIP Lender from exercising the rights and remedies provided to it pursuant to and in accordance with this Interim Order, the Final Order and the DIP Documents.

(c) Application of DIP Collateral Proceeds. Notwithstanding any contrary provision contained in this Interim Order, if the DIP Agent or any DIP Lender, or Prepetition Secured Parties shall proceed to enforce the DIP Liens or any other liens or claims granted to them in respect of any DIP Collateral, then the DIP Agent or any DIP Lender may or Prepetition Secured Party, in its discretion, elect to apply all proceeds of the DIP Collateral or Prepetition Collateral, as applicable, to the payment or cash collateralization of the DIP Obligations or the Prepetition Secured Obligations, as the case may be, then outstanding, if any, in such order of application as the DIP Agent or Prepetition Secured Party, as applicable, may elect in its discretion, and any application to the Prepetition Secured Obligations shall not be deemed to reduce the amount of the DIP Obligations.

(d) Rights Cumulative. The rights, remedies, powers and privileges conferred upon the Prepetition Secured Parties, the DIP Agent and the DIP Lenders pursuant to this Interim Order shall be in addition to, and cumulative with, those contained in the DIP Documents and Existing Facility Agreement, as applicable.

23. Modification of Automatic Stay. The automatic stay provisions of section 362 of the Bankruptcy Code are modified to the extent necessary to implement the provisions of this Interim Order and the DIP Documents, thereby permitting (a) the DIP Agent and the DIP Lenders, *inter alia*, to receive collections of DIP Collateral for application to the DIP Obligations as provided herein, (b) the DIP Agent to file or record any UCC-1 financing statements, mortgages, deeds of trust, security deeds and other instruments and documents evidencing or validating the perfection of the DIP Liens and (c) the DIP Agent and any DIP Lender, as applicable, to enforce the DIP Liens and exercise any of its or their rights and remedies as set forth in paragraph 22 of this Interim Order and the DIP Documents, all without further order modifying or terminating the automatic stay of section 362 of the Bankruptcy Code.

24. Deadline for Challenge to Prepetition Secured Obligations. In consideration of the DIP Agent's and the DIP Lenders' agreement to provide DIP Credit Extensions pursuant to the DIP Documents, and the Prepetition Secured Parties' consent to the use of Cash Collateral and to the DIP Liens, each Debtor has voluntarily made the stipulations and releases contained in paragraph 4 above (the "*Debtors' Stipulations*"). The Debtors' Stipulations shall be binding on the Debtors, but shall be subject only to the right of a party-in-interest, including any chapter 11 trustee or chapter 7 trustee that is appointed prior to the expiration of the Challenge Deadline (as defined below) to the extent that such party has or is otherwise granted standing to do so, to commence an appropriate adversary proceeding (a "*Challenge*") objecting to the validity, priority, amount or allowance of any Prepetition Secured Obligations, or the extent, validity, priority, perfection or avoidability of any liens granted to the Prepetition Secured Parties on the Prepetition Collateral, or seeking disgorgement of, recharacterization or subordination of, or offset or recoupment, against all or part of the payment

of Prepetition Secured Obligations by a Debtor, the Roll-Up, or asserting any claim under contract, tort or other theory (including, without limitation, lender liability), including, without limitation, theories of recovery or pursuant to section 105 or chapter 5 of the Bankruptcy Code, which adversary proceeding or contested matter must be filed no later than the earlier to occur of (a) seventy-five (75) days from the entry of this Interim Order and (b) sixty (60) days from the date of the formation of any creditors' committee (the "*Challenge Deadline*"); provided, however, that if a chapter 7 trustee or chapter 11 trustee is appointed prior to the Challenge Deadline, the Challenge Deadline applicable to such trustee shall extend until the later of (i) sixty (60) days from such appointment and (ii) the existing Challenge Deadline. If the party-in-interest has not obtained an order from the Court granting such party standing to pursue any such Challenge, then such party shall be required promptly to seek such an order as a condition to its further prosecution of such Challenge, subject to any objection by the Debtors, the Prepetition Secured Parties, or any other interested party, and a party's authority to prosecute such Challenge shall be contingent upon its obtaining such an order. In no event shall the filing of any such Challenge affect any of the rights, privileges, powers or remedies of the Debtors, the Prepetition Secured Parties, the DIP Agent or any DIP Lender under this Interim Order, the DIP Documents, or the Prepetition Secured Agreements. If such Challenge is not timely filed (or, if filed, is denied or overruled), or if standing in connection with any such Challenge is not granted, (i) with respect to any Prepetition Secured Obligations, all of such Prepetition Secured Obligations shall be deemed a legal, valid, binding and enforceable claim that is allowed in full as a secured claim, and not subject to subordination or recharacterization in these cases, in any superseding chapter 7 cases or in any other proceedings; (ii) with respect to any liens granted to secure the Prepetition Secured Obligations, such Prepetition Liens shall be deemed to be legal, valid, binding,

enforceable, perfected (having the priority set forth in this Interim Order) and unavoidable in these cases, in any superseding chapter 7 cases and in any other proceedings; and (iii) all claims and other causes of action (including, without limitation, "lender liability" theories) and causes of action or theories of recovery pursuant to section 105 or chapter 5 of the Bankruptcy Code) against Prepetition Secured Parties shall be forever waived and barred. For the avoidance of doubt, any chapter 7 trustee or chapter 11 trustee appointed or elected prior to the Challenge Deadline, or during the pendency of any adversary proceeding or contested matter commenced by the Committee or any other party in interest to this paragraph 24, shall be deemed to be a party other than the Debtors and shall not, for purposes of such adversary proceeding or contested matter, be bound by the acknowledgments, admissions, confirmations, stipulations and waivers of the Debtors in this Order. If these chapter 11 cases are converted to one or more cases under chapter 7, the trustee shall be permitted to continue prosecution of any pending adversary proceeding or contested matter theretofore commenced pursuant to this paragraph 24 on behalf of Debtors' estates.

25. Service of Order. Promptly after the entry of this Interim Order, the Borrowers shall mail, by May 29, 2015, a copy of this Interim Order, to: (a) the U.S. Trustee; (b) counsel to the DIP Agent and Prepetition Secured Parties; (c) each of the Debtors' twenty (20) largest unsecured creditors; (d) the Internal Revenue Service; (e) the Securities and Exchange Commission; (f) the United States Attorney for the District of Delaware; (g) the financial institutions where the Debtors maintain deposit and securities accounts; (h) the Debtors' landlords; (i) any known holders of prepetition liens on the Prepetition Collateral; and (j) all parties (if any) who have filed requests for notices under Rule 2002 of the Bankruptcy Rules as

26. No Deemed Control. Subject to entry of the Final Order, by consenting to this Interim Order, making DIP Credit Extensions to the Borrowers and administering the financing relationship with the Borrowers and Guarantors pursuant to the DIP Documents, neither the DIP Agent nor any DIP Lender shall, solely by reason thereof, be deemed to be in control of any Borrower or Guarantor or any Borrower's or Guarantors' operations, or to be acting as a "responsible person," "managing agent" or "owner or operator" (as such terms are defined in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar state or federal statute) with respect to the operations or management of such Borrower or Guarantor.

27. Binding Effect; Successors and Assigns. Immediately upon entry of this Interim Order by the Court (notwithstanding any applicable law or rule to the contrary), the provisions of this Interim Order shall be binding upon and inure to the benefit of all parties in interest in these chapter 11 cases, including, without limitation, the DIP Agent, each DIP Lender, the Prepetition Secured Parties, the Borrowers, the Guarantors and their respective successors and assigns (including, without limitation, any chapter 11 trustee hereafter appointed or elected for the estate of any Borrower or Guarantor, or any chapter 7 trustee appointed in any superseding chapter 7 case); provided, however that neither the DIP Agent nor any DIP Lender shall have any obligation to make DIP Credit Extensions to, or consent to the use of Cash Collateral by, any chapter 7 or chapter 11 trustee appointed or elected for the estate of any Borrower or Guarantor.

28. Order Controls. In the event of any direct inconsistency between the terms of the DIP Documents and this Interim Order, the provisions of this Interim Order shall govern and control.

29. Final Hearing. The Final Hearing on the Motion shall be held at 10:00 o'clock a.m., on June 16, 2015, Fifth Floor at Courtroom #6, before Judge Christopher S. Sontchi, at the United States Bankruptcy Court, District of Delaware. 30. Objection Deadline. If any party in interest shall have an objection to any of the provisions of this Interim Order, such party shall be authorized to assert such objection at the Final Hearing, provided that a written statement setting forth the basis for such objection is filed with the Court, and concurrently served upon: (a) the Office of the United States Trustee, 844 King Street, Suite 2207, Lockbox #35, Wilmington, Delaware, 19899-0035; (b) counsel for Debtors, DLA Piper LLP (US), 203 North LaSalle Street, Suite 1900, Chicago, IL 60601-1293, Attention: Richard A. Any objecting party should appear at the Final Hearing to assert the basis for such objection before the Court or the Court may deem such objection to have been waived and abandoned by such objecting party.

31. Effect of Appeal. Consistent with section 364(e) of the Bankruptcy Code, if any or all of the provisions of this Interim Order are hereafter modified, vacated or stayed on appeal:

(a) such stay, modification or vacation shall not affect the validity of any obligation, indebtedness, liability or DIP Liens granted, created or incurred by the Debtors to the DIP Agent and DIP Lenders prior to the effective date of such stay, modification or vacation, or the validity, enforceability or priority of any DIP Liens, priority or right authorized or created under the original provisions of this Interim Order or pursuant to the DIP Documents; and

(b) any indebtedness, obligation or liability incurred by the Debtors to the DIP Agent and the DIP Lenders under the DIP Documents prior to the effective date of such stay, modification or vacation shall be governed in all respects by the original provisions of this Interim Order, and the DIP Agent and the DIP Lenders shall be entitled to all the rights, remedies, privileges and benefits, including, without limitation, the DIP Liens and priorities granted herein and pursuant to the DIP Documents, with respect to any such indebtedness, obligation or liability. If no Default or Event of Default is continuing, to the extent such deposits are subject to a blocked account agreement in accordance with clause (ii) above, the Borrowers may use such funds in accordance with the Budget.

In such event, each applicable Borrower shall prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Lender and reasonably acceptable to such Borrower. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

(v) The Borrowers shall have the right at any time and from time to time to prepay any Loans in whole or in part, without premium or penalty (other than interest that is accrued and outstanding at the time of such prepayment).

If any Taxes are required by law to be withheld from any amounts payable under a Transaction Document, (i) the amount payable shall be increased by as much as shall be necessary so that, after making all required withholdings (including withholdings on the additional amounts), the payee shall receive an amount equal to the sum it would have received had no such withholdings been made (any and all such additional amounts payable shall hereafter be referred to as the "Additional Amounts"), (ii) the payor shall make such withholdings, and (iii) the payor shall pay the full amount withheld to the relevant taxing or other authority in accordance with applicable law. Within thirty (30) days after the date of any payment of such Taxes, the payor shall furnish to the applicable payee the original or a certified copy of a receipt evidencing payment thereof or other evidence of such payment reasonably satisfactory to such payee. Parent agrees to file, on behalf of each Lender, any necessary withholding Tax returns or statements when due, and will file any information reports with respect to its withholding and other obligations hereunder or under any other Transaction Document as may be required under Canadian law.

(b) In addition, Parent agrees to pay, and authorizes the applicable payee to pay in its name (but without duplication), all Other Taxes. Within thirty (30) days after the date of any payment of Other Taxes, Parent shall furnish to the applicable payee the original or a certified copy of a receipt evidencing payment thereof or other evidence of such payment reasonably satisfactory to such payee.

(c) Parent shall reimburse and indemnify, within ten (10) days after receipt of demand therefor, each payee for all withholding Taxes and Other Taxes to which this Section 2.5 applies, whether or not such Taxes were correctly or legally imposed or asserted. A certificate of the applicable payee(s) setting forth the amounts to be paid thereunder and delivered to Parent shall be conclusive, binding and final for all purposes, absent manifest error.

(d) If any Lender determines in good faith that it has received a refund from a Government Authority relating to Taxes in respect of which Parent paid Additional Amounts or made a payment pursuant to Section 2.5(c), such Lender shall promptly pay such refund to Parent, net of all out-of-pocket expenses (including any Taxes imposed thereon) of such Lender incurred in obtaining such refund, and without interest (other than interest paid by the relevant Governmental Authority with respect to such refund); provided that Parent, upon the request of such Lender, agrees to repay the amount paid over to Parent (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such Lender if such Lender is required to repay such refund to such Governmental Authority. Nothing in this Section shall require any Lender to disclose any information it deems confidential (including, without limitation, its tax returns) to any Person, including Parent.

**Section 2.6 Costs, Expenses and Losses.** If, as a result of any failure by any Borrower to pay any sums due under this Agreement on the due date therefor (after the expiration of any applicable grace periods), the Lenders shall incur commercially reasonable costs, expenses and/or losses, by reason of the liquidation or redeployment of deposits from third parties or in connection with obtaining funds to maintain any Disbursement, the Borrowers shall pay to the Lenders upon request by the Lenders, the amount of such costs, expenses and/or losses within five (5) Business Days after receipt by the Borrowers of a certificate from the Lenders setting forth in reasonable detail such costs, expenses and/or losses, along with supporting documentation. For the purposes of the preceding sentence, "costs, expenses and/or losses" shall include, without limitation, any interest paid or payable to carry any unpaid amount and any loss, premium, penalty or expense which may be incurred in obtaining, liquidating or employing deposits of or borrowings from third parties in order to make, maintain or fund the Loans or any portion thereof.

**Section 2.7 Interest.**

(a) The outstanding principal amount of (a) the Roll-Up Loans shall bear interest from the Disbursement Date of such Loan at the Interest Rate applicable to the Roll-Up Loans (calculated on the basis of the actual number of days elapsed) and (b) each Multiple Draw Term Loan shall bear interest from the Disbursement Date of such Loan at the Interest Rate applicable to such Multiple Draw Term Loan (calculated on the basis of the actual number of days elapsed). Accrued interest shall be paid in cash monthly in arrears on the first Business Day of each month (each, an "Interest Payment Date"). Accrued interest will be paid in Dollars.

(b) For the purposes of this Agreement, whenever interest is calculated on the basis of a period which is less than the actual number of days in a calendar year, each rate of interest determined pursuant to such calculation is, for the purposes of the Interest Act (Canada), equivalent to such rate multiplied by the actual number of days in the calendar year in which such rate is to be ascertained and divided by the number of days used as the basis of such calculation.

(c) Notwithstanding anything to the contrary contained in any Transaction Document (even if any such provision expressly declares that it controls all other provisions of the Transaction Documents), in no contingency or event whatsoever shall the aggregate "interest" (as that term is defined in Section 347 of the *Criminal Code* (Canada)) exceed the effective annual rate of interest on the "credit advanced" (as defined therein) lawfully permitted under Section 347 of the *Criminal Code* (Canada) including resulting in an amount or a rate that would result in the receipt by any Lender of interest at a criminal rate, as the terms "interest" and "criminal rate" are defined under the *Criminal Code* (Canada), and all provisions of the Transaction Documents in respect of the contracting for, charging, or receiving compensation for the use, forbearance, or detention of money shall be limited as provided by this section. In the event any such interest is paid to any Lender by any Borrower in an amount or at a rate which would exceed the foregoing maximum rate in violation of applicable law in Canada, any Lender, then, notwithstanding any entry on any Lender's books otherwise, such excess shall conclusively be deemed to be automatically applied to any unpaid amount of the Obligations other than interest, in inverse order of maturity, or if the amount of such excess exceeds said unpaid amount, such excess shall be refunded to such Borrower. The effective annual rate of interest shall be determined in accordance with generally accepted actuarial practices and principles over the term of the Roll-Up Loans and the Multiple Draw Term Loans, if applicable, and in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by any Lender will be conclusive for the purposes of such determination.

**Section 2.8 Interest on Late Payments.** Without limiting the remedies available to the Lenders under the Transaction Documents or otherwise, to the maximum extent permitted by applicable law, if an Event of Default has occurred and is continuing, the Borrowers shall pay, in respect of principal and interest on the Loans outstanding under this Agreement, at the rate per annum equal to the Interest Rate applicable thereto plus ten percent (10%) for so long as such Event of Default is continuing. Such interest shall be payable on demand. For the purposes of this Section 2.8, the Borrowers shall not be deemed to have failed to make a required payment of principal or interest with respect to the Loans when due if they have initiated such payment and receipt of such payment by the Borrowers is delayed due to circumstances beyond the control of the Borrowers and for a period of one Business Day after such circumstances are no longer continuing.

**Section 2.9 Fee and Costs.**

(a) From time to time upon demand, the Borrowers shall reimburse the Lenders for their costs and expenses, including reasonable attorneys' fees in connection with the Transaction Documents and any of the administration, enforcement, compliance or otherwise relating thereto.

(b) The Borrowers will pay to the Initial Lenders in full in cash on the Agreement Date a fee (the "Closing Fee") in an amount equal to 2.0% of the Multiple Draw Term Loan Commitments. The Closing Fee will be fully earned and due and payable on the Agreement Date and will be non-refundable once paid.

**Section 2.10 Superpriority Nature of Obligations.** Subject to the terms of the Financing Orders, as applicable, all Obligations hereunder and under the other Transaction Documents shall: (a) constitute an allowed superpriority administrative expense claim against the Borrowers with priority in the Chapter 11 Cases over any and all administrative expense claims and unsecured claims against the Borrowers and their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in, arising under, or ordered pursuant to sections 105, 326, 328, 330, 331, 503(b), 506, 507(a), 507(b), 546(c), 546(d), 726(b), 1113 or 1114 respectively, of the Bankruptcy Code, subject only to the Carve-Out and Prior Liens; and (b) constitute a superpriority debtor in possession charge in the Canadian Proceedings against the property of the Borrowers in Canada now existing or hereafter arising, of any kind or nature whatsoever subject only to the priority of the administrative charge granted in the Canadian Proceedings.

(xx) any Borrower shall not comply with any terms of the Interim Order, the Final Order or the Canadian Orders;

(xxi) any stipulation shall be entered into by any Borrower or any order shall be entered by the Bankruptcy Court with respect to the provision of adequate protection to any Person or the use of cash collateral by any Borrower, in each case that is not satisfactory in form and substance to the DIP Agent in its sole and absolute discretion;

(xxii) failure at any time to employ a chief restructuring officer for the Borrowers acceptable to the DIP Agent and the Required Lenders;

(xxiii) entry of a Bankruptcy Court or the Canadian Court, as applicable, order authorizing the sale of all or substantially all of the assets of any Borrower (or any Borrower seeking or supporting such sale) unless (A) such order contemplates repayment in full in cash of this Agreement upon consummation of the sale or (B) such sale is consummated as part of a plan of reorganization; and

**Section 7.2 Waiver of Notice.** Whenever any notice is required to be given to the Lenders or any Borrower under any Transaction Document, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

**Section 7.3 Reimbursement of Legal and Other Expenses.** If any amount owing to the Lenders under any Transaction Document shall be collected through enforcement of this Agreement, any Transaction Document or restructuring of the Loans or Commitments, in the nature of a workout, settlement, negotiation, or any process of law, or shall be placed in the hands of third Persons for collection, the Borrowers shall pay (in addition to all monies then due in respect of the Loan or otherwise payable under any Transaction Document) attorneys' and other fees and expenses incurred in respect of such collection.

**Section 7.4 Governing Law.** All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York applicable to contracts made and to be performed in such State. All legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement (whether brought against a Party or its respective affiliates, directors, officers, shareholders, employees or agents) shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each Party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each Party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such Party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. The Parties hereby waive all rights to a trial by jury.

**Section 7.5 Successors and Assigns.** This Agreement shall bind and inure to the respective successors and assigns of the Parties, except that a Borrower may not assign or otherwise transfer all or any part of its rights under the Transaction Documents without the prior written consent of the Required Lenders. Each Lender may sell or otherwise transfer the Loans and related Commitments, provided that such Lender shall have provided notice of the transfer to Parent for recordation in the Register pursuant to Section 1.4. Upon receipt of a notice of a transfer of an interest in a Loan, Parent shall record the identity of the transferee and other relevant information in the Register and the transferee shall (to the extent of the interests transferred to such transferee) have all the rights and obligations of, and shall be deemed, a Lender hereunder.

**Section 7.6 Entire Agreement.** The Transaction Documents contain the entire understanding of the Parties with respect to the matters covered thereby and supersede any and

all other written and oral communications, negotiations, commitments and writings with respect thereto. The provisions of this Agreement may be waived, modified, supplemented or amended only by an instrument in writing signed by the authorized officer of each Party.

**Section 7.7 Severability.** If any provision of this Agreement shall be invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The Parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provision.

**Section 7.8 Counterparts.** This Agreement may be executed by each Party on separate counterparts, each of which and any facsimile copies thereof shall be deemed an original, but all of which together shall constitute one and the same agreement.

**Section 7.9 Survival.**

The obligations of Parent or the other Borrowers as applicable under Section 1.4, Section 5.2(viii) and the obligations of the Borrowers and the Lenders under this Article 7 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, or the termination of the Commitments or this Agreement or any provision hereof.

**Section 7.10 Waiver.** Neither the failure of, nor any delay on the part of, any Party in exercising any right, power or privilege hereunder, or under any agreement, document or instrument mentioned herein, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder, or under any agreement, document or instrument mentioned herein, preclude other or further exercise thereof or the exercise of any other right, power or privilege; nor shall any waiver of any right, power, privilege or default hereunder, or under any agreement, document or instrument mentioned herein, constitute a waiver of any other right, power, privilege or default or constitute a waiver of any default of the same or of any other term or provision. No course of dealing and no delay in exercising, or omission to exercise, any right, power or remedy accruing to the Lenders upon any default under this Agreement or any other agreement shall impair any such right, power or remedy or be construed to be a waiver thereof or an acquiescence therein; nor shall the action of the Lenders in respect of any such default, or any acquiescence by it therein, affect or impair any right, power or remedy of the Lenders in respect of any other default. All rights and remedies herein provided are cumulative and not exclusive of any rights or remedies otherwise provided by law.

**Section 7.11 Indemnity.**

(a) The Borrowers shall, at all times, indemnify and hold harmless (the "Indemnity") each of the Lenders and each Lender's directors, partners, officers, employees, agents, counsel and advisors (each, a "Lender Indemnified Person") from any losses, claims (including the cost of defending against such claims), damages, liabilities, penalties, or other expenses (each a "Loss") which a Lender Indemnified Person may incur or to which a Lender Indemnified Person may become subject to the extent such Loss arises out of a breach of any

representation, warranty or covenant of the Borrowers in any of the Transaction Documents, or the extension of credit hereunder or the Loan or the use or intended use of the Loan. Each Lender shall, severally and not jointly, indemnify and hold harmless the Borrowers and each of its directors, partners, officers, employees, agents, counsel and advisors (each, a "Borrower Indemnified Person") from any Losses which a Borrower Indemnified Person may incur or to which a Borrower Indemnified Person may become subject to the extent such Losses arise out of a breach of any representation, warranty or covenant of such Lender in any of the Transaction Documents. In no event shall any Lender be liable under this provision (or under any other provision in this Agreement or any other Transaction Document) for any breach of any representation, warranty or covenant of any other Lender. The Indemnity shall not apply with respect to any Indemnified Person to the extent that a court or arbitral tribunal with jurisdiction over the subject matter of the Loss, such Indemnified Person and over the Lenders or the Borrowers, as applicable, determines (after such Indemnified Person that had an adequate opportunity to defend its interests), that such Loss resulted from the gross negligence or willful misconduct of such Indemnified Person, which determination results in a final, non-appealable judgment or decision of a court or tribunal of competent jurisdiction. The Indemnity is independent of and in addition to any other agreement of any Party under any Transaction Document to pay any amount to the Lenders or the Borrowers, as applicable, and any exclusion of any obligation to pay any amount under this subsection shall not affect the requirement to pay such amount under any other section hereof or under any other agreement. The indemnity obligation of each Lender pursuant to this Section 7.11 shall be several and not joint, and, notwithstanding anything herein to the contrary, the aggregate liability of any Lender under this Section 7.11 (together with any liability under any other indemnity provision in any of the other Transaction Documents) shall not exceed an amount equal to the principal amount of the Loans held by such Lender hereunder.

(b) Promptly after receipt by an Indemnified Person under this Section 7.11 of notice of the commencement of any action (including any governmental action), such Indemnified Person shall deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person.

(c) An Indemnified Person shall have the right to retain its own counsel with the reasonable fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel for the indemnifying party, the representation by such counsel of the Indemnified Person and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person and any other party represented by such counsel in such proceeding. The indemnifying party shall pay for only one separate legal counsel for the Indemnified Persons, and such legal counsel shall be approved by the indemnifying party. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such legal action shall not relieve the indemnifying party of any liability to the Indemnified Person under this Section 7.11, except to the extent that the indemnifying party is actually prejudiced in its ability to defend such action. The indemnification required by this Section 7.11 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as such expense, loss, damage or liability is incurred and is due and payable.

(d) Without prejudice to the survival of any other agreement of any of the Parties hereunder, the agreements and the obligations of the Parties contained in this Section 7.11 shall survive the termination of each other provision hereof and the payment of all amounts payable to the Lenders hereunder.

**Section 7.12 Interest Limitations.** The Transaction Documents are hereby expressly limited so that in no contingency or event whatsoever, whether by reason of acceleration or otherwise, shall the amount paid or agreed to be paid to the Lenders for the Loan exceed the maximum amount permissible under applicable law. If from any circumstance whatsoever fulfillment of any provision hereof, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity, and if from any such circumstance the Lenders shall ever receive anything which might be deemed interest under applicable law, that would exceed the highest lawful rate, such amount that would be deemed excessive interest shall be applied to the reduction of the principal amount owing on account of the Loan, or if such deemed excessive interest exceeds the unpaid balance of principal of the Loan, such deemed excess shall be refunded to the Borrowers. All sums paid or agreed to be paid to the Lenders for the Loan shall, to the extent permitted by applicable law, be deemed to be amortized, prorated, allocated and spread throughout the full term of the Loan until payment in full so that the deemed rate of interest on account of the Loan is uniform throughout the term thereof. The terms and provisions of this Section shall control and supersede every other provision of this Agreement.

**Section 7.13 Further Assurances.** From time to time, the Borrowers shall perform any and all acts and execute and deliver to the Lenders such additional documents as may be necessary or as requested by the Lenders to carry out the purposes of any Transaction Document or any or to preserve and protect the Lenders' rights as contemplated therein.

**Section 7.14 Independent Transaction Documents.** Each Transaction Document constitutes an independent agreement between the parties thereto (the "Transaction Parties") and no Transaction Document shall be construed so as to affect the rights of the Transaction Parties to their rights and remedies under another Transaction Document.

**Section 7.15 Judgment Currency.** To the extent permitted by applicable law, the obligations of the Borrowers in respect of any amount due under this Agreement shall, notwithstanding any payment in any other currency (the "Other Currency") (whether pursuant to a judgment or otherwise), be discharged only to the extent of the amount in the currency in which it is due (the "Agreed Currency") that Lenders may, in accordance with normal banking procedures, purchase with the sum paid in the Other Currency (after any premium and costs of exchange) on the Business Day immediately after the day on which Lender receives the payment. If the amount in the Agreed Currency that may be so purchased for any reason falls short of the amount originally due, the Borrowers shall pay all additional amounts, in the Agreed Currency, as may be necessary to compensate for the shortfall. Any obligation of any Borrower not discharged by that payment shall, to the extent permitted by applicable law, be due as a separate and independent obligation and, until discharged as provided in this Section 7.15, continue in full force and effect.

# Foreword by the Director of The American Law Institute

In May of 2000 The American Law Institute gave its final approval to the work of the ALI's Transnational Insolvency Project. This consisted of the four volumes eventually published, after a period of delay required by the need to take into account a newly enacted Mexican Bankruptcy Code, in 2003 under the title of *Transnational Insolvency: Cooperation Among the NAFTA Countries*. These volumes included both the first phase of the project, separate Statements of the bankruptcy laws of Canada, Mexico, and the United States, and the project's culminating phase, a volume comprising *Principles of Cooperation Among the NAFTA Countries*. All reflected the joint input of teams of Reporters and Advisers from each of the three NAFTA countries and a fully transnational perspective. Published by Juris Publishing, Inc., they can be ordered on the ALI website ([www.ali.org](http://www.ali.org)).

A byproduct of our work on the Principles volume, these *Guidelines Applicable to Court-to-Court Communications in Cross-Border Cases* appeared originally as Appendix B of that volume and were approved by the ALI in 2000 along with the rest of the volume. But the *Guidelines* have played a vital and influential role apart from the *Principles*, having been widely translated and distributed, cited and applied by courts, and independently approved by both the International Insolvency Institute and the Insolvency Institute of Canada. Although they were initially developed in the context of a project arrived at improving cooperation among bankruptcy courts within the NAFTA countries, their acceptance by the III, whose members include leaders

of the insolvency bar from more than 40 countries, suggests a pertinence and applicability that extends far beyond the ambit of NAFTA. Indeed, there appears to be no reason to restrict the *Guidelines* to insolvency cases; they should prove useful whenever sensible and coherent standards for cooperation among courts involved in overlapping litigation are called for. See, e.g., American Law Institute, International Jurisdiction and Judgments Project § 12(e) (Tentative Draft No. 2, 2004).

The American Law Institute expresses its gratitude to the International Insolvency Institute for its continuing efforts to publicize the *Guidelines* and to make them more widely known to judges and lawyers around the world; to III Chair E. Bruce Leonard of Toronto, who as Canadian Co-Reporter for the Transnational Insolvency Project was the principal drafter of the *Guidelines* in English and has been primarily responsible for arranging and overseeing their translation into the various other languages in which they now appear; and to the translators themselves, whose work will make the *Guidelines* much more universally accessible. We hope that this greater availability, in these new English and bilingual editions, will help to foster better communication, and thus better understanding, among the diverse courts and legal systems throughout our increasingly globalized world.

# Foreword by the Chair of the International Insolvency Institute

The International Insolvency Institute, a world-wide association of leading insolvency professionals, judges, academics, and regulators, is pleased to recommend the adoption and the application in cross-border and multinational cases of The American Law Institute's *Guidelines Applicable to Court-to-Court Communications in Cross-Border Cases*. The *Guidelines* were reviewed and studied by a Committee of the III and were unanimously approved by its membership at the III's Annual General Meeting and Conference in New York in June 2001.

Since their approval by the III, the *Guidelines* have been applied in several cross-border cases with considerable success in achieving the coordination that is so necessary to preserve values for all of the creditors that are involved in international cases. The III recommends without qualification that insolvency professionals and judges adopt the *Guidelines* at the earliest possible stage of a cross-border case so that they will be in place whenever there is a need for the courts involved to communicate with each other, e.g., whenever the actions of one court could impact on issues that are before the other court.

Although the *Guidelines* were developed in an insolvency context, it has been noted by litigation professionals and judges that the *Guidelines* would be equally valuable and constructive in any international case where two or more courts are involved. In fact, in multijurisdictional litigation, the positive effect of the *Guidelines* would be even greater in cases where several courts are involved. It

is important to appreciate that the *Guidelines* require that all domestic practices and procedures be complied with and that the *Guidelines* do not alter or affect the substantive rights of the parties or give any advantage to any party over any other party.

The International Insolvency Institute expresses appreciation to its members who have arranged for the translation of the *Guidelines* into French, German, Italian, Korean, Japanese, Chinese, Portuguese, Russian, and Swedish and extends its appreciation to The American Law Institute for the translation into Spanish. The III also expresses its appreciation to The American Law Institute, the American College of Bankruptcy, and the Ontario Superior Court of Justice Commercial List Committee for their kind and generous financial support in enabling the publication and dissemination of the *Guidelines* in bilingual versions in major countries around the world.

Readers who become aware of cases in which the *Guidelines* have been applied are highly encouraged to provide the details of those cases to the III (fax: 416-360-8877; e-mail: [info@iiiglobal.org](mailto:info@iiiglobal.org)) so that everyone can benefit from the experience and positive results that flow from the adoption and application of the *Guidelines*. The continuing progress of the *Guidelines* and the cases in which the *Guidelines* have been applied will be maintained on the III's website at [www.iiiglobal.org](http://www.iiiglobal.org).

The III and all of its members are very pleased to have been a part of the development and success of the *Guidelines* and commend The American Law Institute for its vision in developing the *Guidelines* and in supporting

their worldwide circulation to insolvency professionals, judges, academics, and regulators. The use of the *Guidelines* in international cases will change international insolvencies and reorganizations for the better forever, and the insolvency community owes a considerable debt to The American Law Institute for the inspiration and vision that has made this possible.

# Judicial Preface

We believe that the advantages of cooperation and coordination between courts is clearly advantageous to all of the stakeholders who are involved in insolvency and reorganization cases that extend beyond the boundaries of one country. The benefit of communications between courts in international proceedings has been recognized by the United Nations through the *Model Law on Cross-Border Insolvency* developed by the United Nations Commission on International Trade Law and approved by the General Assembly of the United Nations in 1997. The advantages of communications have also been recognized in the European Union Regulation on Insolvency Proceedings, which became effective for the Member States of the European Union in 2002.

The *Guidelines Applicable to Court-to-Court Communications in Cross-Border Cases* were developed in The American Law Institute's Transnational Insolvency Project involving the NAFTA countries of Mexico, the United States, and Canada. The *Guidelines* have been approved by the membership of the ALI and by the International Insolvency Institute, whose membership covers over 40 countries from around the world. We appreciate that every country is unique and distinctive and that every country has its own proud legal traditions and concepts. The *Guidelines* are not intended to alter or change the domestic rules or procedures that are applicable in any country and are not intended to affect or curtail the substantive rights of any party in proceedings before the courts. The *Guidelines* are intended to encourage and facilitate cooperation in international cases while observing all applicable rules and procedures of the courts that are respectively involved.

The *Guidelines* may be modified to meet either the procedural law of the jurisdiction in question or the particular circumstances in individual cases so as to achieve the greatest level of cooperation possible between the courts in dealing with a multinational insolvency or liquidation. The *Guidelines*, however, are not restricted to insolvency cases and may be of assistance in dealing with noninsolvency cases that involve more than one country. Several of us have already used the *Guidelines* in cross-border cases and would encourage stakeholders and counsel in international cases to consider the advantages that could be achieved in their cases from the application and implementation of the *Guidelines*.

## **Applicable to Court-to-Court Communications in Cross-Border Cases**

### ***Introduction:***

One of the most essential elements of cooperation in cross-border cases is communication among the administering authorities of the countries involved. Because of the importance of the courts in insolvency and reorganization proceedings, it is even more essential that the supervising courts be able to coordinate their activities to assure the maximum available benefit for the stakeholders of financially troubled enterprises.

These Guidelines are intended to enhance coordination and harmonization of insolvency proceedings that involve more than one country through communications among the jurisdictions involved. Communications by judges directly with judges or administrators in a foreign country, however, raise issues of credibility and proper procedures. The context alone is likely to create concern in litigants unless the process is transparent and clearly fair. Thus, communication among courts in cross-border cases is both more important and more sensitive than in domestic cases. These Guidelines encourage such communications while channeling them through transparent procedures. The Guidelines are meant to permit rapid cooperation in a developing insolvency case while ensuring due process to all concerned.

A Court intending to employ the Guidelines — in whole or part, with or without modifications — should adopt them formally before applying them. A Court may wish to make its adoption of the Guidelines contingent upon, or temporary until, their adoption by other courts concerned in the matter. The adopting

Court may want to make adoption or continuance conditional upon adoption of the Guidelines by the other Court in a substantially similar form, to ensure that judges, counsel, and parties are not subject to different standards of conduct.

The Guidelines should be adopted following such notice to the parties and counsel as would be given under local procedures with regard to any important procedural decision under similar circumstances. If communication with other courts is urgently needed, the local procedures, including notice requirements, that are used in urgent or emergency situations should be employed, including, if appropriate, an initial period of effectiveness, followed by further consideration of the Guidelines at a later time. Questions about the parties entitled to such notice (for example, all parties or representative parties or representative counsel) and the nature of the court's consideration of any objections (for example, with or without a hearing) are governed by the Rules of Procedure in each jurisdiction and are not addressed in the Guidelines.

The Guidelines are not meant to be static, but are meant to be adapted and modified to fit the circumstances of individual cases and to change and evolve as the international insolvency community gains experience from working with them. They are to apply only in a manner that is consistent with local procedures and local ethical requirements. They do not address the details of notice and procedure that depend upon the law and practice in each jurisdiction. However, the Guidelines represent approaches that are likely to be highly useful in achieving efficient and just resolutions of cross-border insolvency issues. Their use, with such modifications and under such circumstances as may be appropriate in a particular case, is therefore recommended.

### **Guideline 1**

Except in circumstances of urgency, prior to a communication with another Court, the Court should be satisfied that such a communication is consistent with all applicable Rules of Procedure in its country. Where a Court intends to apply these Guidelines (in whole or in part and with or without modifications), the Guidelines to be employed should, wherever possible, be formally adopted before they are applied. Coordination of Guidelines between courts is desirable and officials of both courts may communicate in accordance with Guideline 8(d) with regard to the application and implementation of the Guidelines.

### **Guideline 2**

A Court may communicate with another Court in connection with matters relating to proceedings before it for the purposes of coordinating and harmonizing proceedings before it with those in the other jurisdiction.

### **Guideline 3**

A Court may communicate with an Insolvency Administrator in another jurisdiction or an authorized Representative of the Court in that jurisdiction in connection with the coordination and harmonization of the proceedings before it with the proceedings in the other jurisdiction.

### **Guideline 4**

A Court may permit a duly authorized Insolvency Administrator to communicate with a foreign Court directly, subject to the approval of the foreign Court, or through an Insolvency Administrator in the other jurisdiction or through an autho-

alized Representative of the foreign Court on such terms as the Court considers appropriate.

#### **Guideline 5**

A Court may receive communications from a foreign Court or from an authorized Representative of the foreign Court or from a foreign Insolvency Administrator and should respond directly if the communication is from a foreign Court (subject to Guideline 7 in the case of two-way communications) and may respond directly or through an authorized Representative of the Court or through a duly authorized Insolvency Administrator if the communication is from a foreign Insolvency Administrator, subject to local rules concerning ex parte communications.

#### **Guideline 6**

Communications from a Court to another Court may take place by or through the Court:

- (a) Sending or transmitting copies of formal orders, judgments, opinions, reasons for decision, endorsements, transcripts of proceedings, or other documents directly to the other Court and providing advance notice to counsel for affected parties in such manner as the Court considers appropriate;
- (b) Directing counsel or a foreign or domestic Insolvency Administrator to transmit or deliver copies of documents, pleadings, affidavits, factums, briefs, or other documents that are filed or to be filed with the Court to the other Court in such fashion as may be appropriate and providing advance notice to counsel for affect-

ed parties in such manner as the Court considers appropriate;

- (c) Participating in two-way communications with the other Court by telephone or video conference call or other electronic means, in which case Guideline 7 should apply.

### **Guideline 7**

In the event of communications between the Courts in accordance with Guidelines 2 and 5 by means of telephone or video conference call or other electronic means, unless otherwise directed by either of the two Courts:

- (a) Counsel for all affected parties should be entitled to participate in person during the communication and advance notice of the communication should be given to all parties in accordance with the Rules of Procedure applicable in each Court;
- (b) The communication between the Courts should be recorded and may be transcribed. A written transcript may be prepared from a recording of the communication which, with the approval of both Courts, should be treated as an official transcript of the communication;
- (c) Copies of any recording of the communication, of any transcript of the communication prepared pursuant to any Direction of either Court, and of any official transcript prepared from a recording should be filed as part of the record in the proceedings and made available to counsel for all parties in both

Courts subject to such Directions as to confidentiality as the Courts may consider appropriate; and

- (d) The time and place for communications between the Courts should be to the satisfaction of both Courts. Personnel other than Judges in each Court may communicate fully with each other to establish appropriate arrangements for the communication without the necessity for participation by counsel unless otherwise ordered by either of the Courts.

### **Guideline 8**

In the event of communications between the Court and an authorized Representative of the foreign Court or a foreign Insolvency Administrator in accordance with Guidelines 3 and 5 by means of telephone or video conference call or other electronic means, unless otherwise directed by the Court:

- (a) Counsel for all affected parties should be entitled to participate in person during the communication and advance notice of the communication should be given to all parties in accordance with the Rules of Procedure applicable in each Court;
- (b) The communication should be recorded and may be transcribed. A written transcript may be prepared from a recording of the communication which, with the approval of the Court, can be treated as an official transcript of the communication;
- (c) Copies of any recording of the communication, of any transcript of the communication prepared pursuant to any Direction of the Court, and of any official tran-

script prepared from a recording should be filed as part of the record in the proceedings and made available to the other Court and to counsel for all parties in both Courts subject to such Directions as to confidentiality as the Court may consider appropriate; and

- (d) The time and place for the communication should be to the satisfaction of the Court. Personnel of the Court other than Judges may communicate fully with the authorized Representative of the foreign Court or the foreign Insolvency Administrator to establish appropriate arrangements for the communication without the necessity for participation by counsel unless otherwise ordered by the Court.

#### **Guideline 9**

A Court may conduct a joint hearing with another Court. In connection with any such joint hearing, the following should apply, unless otherwise ordered or unless otherwise provided in any previously approved Protocol applicable to such joint hearing:

- (a) Each Court should be able to simultaneously hear the proceedings in the other Court.
- (b) Evidentiary or written materials filed or to be filed in one Court should, in accordance with the Directions of that Court, be transmitted to the other Court or made available electronically in a publicly accessible system in advance of the hearing. Transmittal of such material to the other Court or its public availability in an electronic system should not subject the party filing the material in one Court to the jurisdiction of the other Court.

- (c) Submissions or applications by the representative of any party should be made only to the Court in which the representative making the submissions is appearing unless the representative is specifically given permission by the other Court to make submissions to it.
- (d) Subject to Guideline 7(b), the Court should be entitled to communicate with the other Court in advance of a joint hearing, with or without counsel being present, to establish Guidelines for the orderly making of submissions and rendering of decisions by the Courts, and to coordinate and resolve any procedural, administrative, or preliminary matters relating to the joint hearing.
- (e) Subject to Guideline 7(b), the Court, subsequent to the joint hearing, should be entitled to communicate with the other Court, with or without counsel present, for the purpose of determining whether coordinated orders could be made by both Courts and to coordinate and resolve any procedural or nonsubstantive matters relating to the joint hearing.

#### **Guideline 10**

The Court should, except upon proper objection on valid grounds and then only to the extent of such objection, recognize and accept as authentic the provisions of statutes, statutory or administrative regulations, and rules of court of general application applicable to the proceedings in the other jurisdiction without the need for further proof or exemplification thereof.

### **Guideline 11**

The Court should, except upon proper objection on valid grounds and then only to the extent of such objection, accept that Orders made in the proceedings in the other jurisdiction were duly and properly made or entered on or about their respective dates and accept that such Orders require no further proof or exemplification for purposes of the proceedings before it, subject to all such proper reservations as in the opinion of the Court are appropriate regarding proceedings by way of appeal or review that are actually pending in respect of any such Orders.

### **Guideline 12**

The Court may coordinate proceedings before it with proceedings in another jurisdiction by establishing a Service List that may include parties that are entitled to receive notice of proceedings before the Court in the other jurisdiction (“Non-Resident Parties”). All notices, applications, motions, and other materials served for purposes of the proceedings before the Court may be ordered to also be provided to or served on the Non-Resident Parties by making such materials available electronically in a publicly accessible system or by facsimile transmission, certified or registered mail or delivery by courier, or in such other manner as may be directed by the Court in accordance with the procedures applicable in the Court.

### **Guideline 13**

The Court may issue an Order or issue Directions permitting the foreign Insolvency Administrator or a representative of creditors in the proceedings in the other jurisdiction or an authorized

Representative of the Court in the other jurisdiction to appear and be heard by the Court without thereby becoming subject to the jurisdiction of the Court.

#### **Guideline 14**

The Court may direct that any stay of proceedings affecting the parties before it shall, subject to further order of the Court, not apply to applications or motions brought by such parties before the other Court or that relief be granted to permit such parties to bring such applications or motions before the other Court on such terms and conditions as it considers appropriate. Court-to-Court communications in accordance with Guidelines 6 and 7 hereof may take place if an application or motion brought before the Court affects or might affect issues or proceedings in the Court in the other jurisdiction.

#### **Guideline 15**

A Court may communicate with a Court in another jurisdiction or with an authorized Representative of such Court in the manner prescribed by these Guidelines for purposes of coordinating and harmonizing proceedings before it with proceedings in the other jurisdiction regardless of the form of the proceedings before it or before the other Court wherever there is commonality among the issues and/or the parties in the proceedings. The Court should, absent compelling reasons to the contrary, so communicate with the Court in the other jurisdiction where the interests of justice so require.

#### **Guideline 16**

Directions issued by the Court under these Guidelines are subject to such amendments, modifications, and extensions as

may be considered appropriate by the Court for the purposes described above and to reflect the changes and developments from time to time in the proceedings before it and before the other Court. Any Directions may be supplemented, modified, and restated from time to time and such modifications, amendments, and restatements should become effective upon being accepted by both Courts. If either Court intends to supplement, change, or abrogate Directions issued under these Guidelines in the absence of joint approval by both Courts, the Court should give the other Courts involved reasonable notice of its intention to do so.

#### **Guideline 17**

Arrangements contemplated under these Guidelines do not constitute a compromise or waiver by the Court of any powers, responsibilities, or authority and do not constitute a substantive determination of any matter in controversy before the Court or before the other Court nor a waiver by any of the parties of any of their substantive rights and claims or a diminution of the effect of any of the Orders made by the Court or the other Court.
