## **SERVICE LIST**

16. Prior to serving notice of the Implementation Order, the Court Officer shall designate and identify, in conjunction with service thereof, a person or persons who shall be responsible for keeping the Service List in this proceeding (the "**Service List Keeper**").
17. Following service of the Implementation Order, the Service List Keeper shall prepare the initial Service List for this proceeding, which shall include:
  - (a) counsel for the applicant in the proceeding;
  - (b) the Court Officer appointed in the matter and counsel for the Court Officer; and
  - (c) counsel for any party who appeared at the application giving rise to the Implementation Order.
18. Thereafter, the Service List Keeper shall add to the Service List in a timely manner:
  - (a) any person completing and delivering to the Service List Keeper a Request for Electronic Service (or RES) in the form contained in Appendix 1;
  - (b) any person (other than legal counsel, who are required to receive service by Email) completing and delivering to the Service List Keeper a Request for Facsimile Service (or RFS) in the form contained in Appendix 2, in which they certify that they do not have access to Email; and
  - (c) any other person as the Court may order.
19. The Service List shall list names, addresses, Email addresses, facsimile numbers (where permitted pursuant to this Protocol) and telephone numbers (if available) of the persons thereon.
20. Upon adding a person to the Service List, the Service List Keeper shall send an Email (or where permitted, facsimile) message to that person identifying themselves as the Service List Keeper and advising that:
  - (a) the person has been placed upon the Service List,
  - (b) Court Documents will be validly served upon the person by Email (or where permitted, facsimile); and
  - (c) any person on the Service List may serve Court Documents on any other person on the Service List in accordance with this Protocol.
21. Any person on the Service List may request in writing that the Service List Keeper remove that person by delivering a Request for Removal from Service List (or RFR) in the form contained in Appendix 3. Upon receipt of any such request, the Service List Keeper shall comply with the request. Subject to order of the Court, upon removal, any such person will no longer be entitled to service of documents or notice of further proceedings.
22. Those persons who are interested in monitoring a proceeding but are not required to be served with Court Documents are not to be placed on the Service List. Such persons should monitor this proceeding by accessing the Case Website.
23. In addition to the Service List, the Service List Keeper shall create and maintain a document, capable of being copied in Word Format, which contains the up to date Email addresses of all persons on the Service List (the "**Email Address List**"). The purpose of the Email Address List is to allow persons on the Service List to copy and paste the Email addresses of the persons listed on

the Service List into Emails for the purpose of serving Court Documents. This process is designed to avoid service of Court Documents using out of date or inaccurate Service Lists, and to discourage the undesirable practice of serving Court Documents by a "reply to all" on a previous Email.

24. The Service List Keeper shall, on a timely and periodic basis, provide an updated copy of the Service List and of the Email Address List to the Web Host for posting on the Case Website.
25. The Service List Keeper shall use its best efforts to maintain the Service List and Email Address List in a current and accurate state. In addition to any other protection that may be available to the Service List Keeper by reason of statute or court order, the Service List Keeper shall incur no liability in carrying out the provisions of this Protocol and, in particular, with respect to the creation or maintenance of the Service List and Email Address List, except for any gross negligence or wilful misconduct on its part.
26. During the course of this proceeding, certain applications may require service of Court Documents on respondents with an interest in that particular application only (for example, service on lien claimants with an interest only in a specific property which is the subject of a proposed sale approval and vesting order). In such circumstances:
  - (a) the party bringing the application shall prepare a service list identifying only the respondents that the applicant is required to serve or otherwise wishes to serve (a "**Supplementary Service List**");
  - (b) the party bringing the application shall prepare an Email address list corresponding to the Supplementary Service List (a "**Supplementary Email Address List**");
  - (c) the body of the original service Email shall note that the entire Service List has not been served;
  - (d) the party bringing the application shall append the Supplementary Service List and Supplementary Email Address List to the original service Email; and
  - (e) the affidavit of service with respect to that application shall include the Supplementary Service List.

#### **SERVICE OF DOCUMENTS**

27. Unless otherwise ordered by the Court, and except as provided herein, Email shall be the required mechanism to serve Court Documents on those persons referenced on the Service List.
28. All Court Documents shall be served by Email by way of a PDF Format file attached to, or by Hyperlink to such Court Document(s) embedded in, a service Email.
29. Any party wishing to serve a Court Document in this proceeding shall serve them upon the recipients listed in the current the Email Address List posted on the Case Website, as well as any recipients listed in the Service List entitled to service other than by e-mail pursuant to this Protocol. If possible, the serving party shall first make enquiries of the Service List Keeper to determine if the Service List Keeper is aware of any person who has filed a request to be added to the Service List or the Email Address List who has not yet been added.
30. Originating Applications, Notices of Application and any other document specified by court order shall be appended in PDF Format to the service Email.

31. All other documents shall, unless it is impracticable to do so by reason of time constraints or otherwise, be served by way of a Hyperlink embedded in the service Email, in accordance with the following:

- (a) Any party filing material with the Court in these proceedings may request that the Web Host post documents (including Court Documents) to the Case Website. Any such document shall be provided in PDF Format. The Web Host shall post such documents as soon as practicable. The Web Host shall retain the discretion to refuse documents which do not appear to comply with the requirements of this Protocol. The Web Host shall inform the party providing documents immediately upon posting, and provide Hyperlink information for each such document.
- (b) Where a party is serving more than one document by Email by way of Hyperlink, the service Email shall specify each document being served and shall include a separate Hyperlink for each such document being served.

32. A service Email shall:

- (a) clearly state in the subject line of the Email:
  - (i) notification that a Court Document is being served;
  - (ii) a recognizable short form name of this proceeding; and
  - (iii) the nature of this proceeding or the order being served;
- (b) identify the document(s) being served and:
  - (i) where the document(s) is/are attached, so indicate, with the identified documents attached in PDF Format with identifying filenames;
  - (ii) where the document(s) is/are being served by Hyperlink, so indicate and link the document(s) by Hyperlink to the Case Website. Where a party is serving more than one document in this manner, the service Email shall specify each document being served and shall include a separate Hyperlink for each such document being served;
- (c) identify the party serving the Court Document; and
- (d) provide the date of the proceeding and any other specific information with respect to the proceeding such as, for example, a specific commencement time or court location if known, in substantial accordance with format set forth in Appendix 4.

33. Where service by facsimile is authorized:

- (a) the transmission shall contain a copy of the service Email and of any document attached thereto;
- (b) the facsimile cover sheet shall contain the following notation:

You are being served by fax with court documents, pursuant to the Order of the Court of Queen's Bench for Saskatchewan made <insert date> and in particular, the provisions of paragraphs <insert paragraph numbers> thereof. You may view that Order at the Case Website, and this transmission and reference to that document constitutes service of that Order upon you.

Particulars of the documents to be served and other information related to the associated Court matter are contained in the message following.

Please note that documents referenced in the following message but which are not attached to this transmission may be viewed at the Case Website located at <insert a list of documents and the URL for each document>.

34. Upon serving documents not already posted on the Case Website, the serving party shall immediately send an electronic copy of each to the Web Host, with a request to post the documents.
35. If a serving party receives notification of an Email or facsimile transmission failure, they shall make reasonable efforts to ensure that successful transmission of the Court Document occurs or that the Court Documents and related information come to the attention of the intended recipient or his or her firm.
36. Even though a Court Document has been served in accordance with this Protocol, a person may show that the Court Document:
  - (a) did not come to the person's notice;
  - (b) came to the person's notice later than when it was served or effectively served; or
  - (c) was incomplete or illegible.
37. Each party serving a Court Document in accordance with this Protocol shall prepare an affidavit of service containing the particulars of the service including the Service List served, the Email addresses to which Court Documents were sent and the time of the Emailing. A copy of the affidavit of service shall be filed with the Court.
38. Where, by the nature of the matter before the Court, it is appropriate to serve persons that are not on the Service List, any Court Document may be served as follows:
  - (a) if the person is listed on the Creditor List, by prepaid ordinary mail, courier, personal delivery, facsimile or other electronic transmission to such person at their respective addresses as last shown on the Creditor List, in which case service shall be deemed to have been effected if sent by personal delivery, on the date of delivery; if sent by courier, facsimile or other electronic transmission, on the next business day following the date of forwarding thereof; or if sent by prepaid ordinary mail, on the seventh day after mailing;
  - (b) if the person is not listed on the Creditor List, by prepaid ordinary mail, courier, personal delivery, facsimile or other electronic transmission to such persons at their respective addresses as last shown on the records of the applicant or the Court Officer or as otherwise publicly available; and
  - (c) otherwise, by service effected in accordance with *The Court of Queen's Bench Rules*.
