INTRODUCTION

1. On February 20, 2018 (the “**Receivership Date**”), the Court of Queen’s Bench of Alberta (the “**Court**”) granted an order in these proceedings (the “**Consent Receivership Order**”) appointing Alvarez & Marsal Canada Inc. (“**A&M**”) as receiver and manager (the “**Receiver**”), without security, of all of the current and future assets, undertakings and properties of every nature and kind whatsoever, including but not limited to real property and wherever situate including all proceeds thereof (the “**Property**”) of Manito Energy Inc. (“**Manitok**”) and its wholly owned subsidiary Raimount Energy Corp. (“**Raimount**”) (together, or either of them, as the context requires, the “**Company**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended (the “**BIA**”) and section 13(2) of the *Judicature Act*, RSA 2000, c J-2.
2. Concurrently with the Receivership, Manitok, Raimount and Manitok’s other wholly owned subsidiary, Corinthian Oil Corp. (“**Corinthian**”), were deemed bankrupt and A&M became the Licensed Insolvency Trustee of each of them.
3. As discussed in previous Reports, the most significant stakeholders in the Receivership Proceedings are now the National Bank of Canada (“**NBC**”) and the Alberta Energy Regulator (“**AER**”). NBC continues to hold a first charge over all of the undistributed assets of the Company and the proceeds therefrom. As a result of the decision of the Supreme Court of Canada (“**SCC**”) in *Orphan Well Association v Grant Thornton Ltd*, 2019 SCC 5 (“**Redwater**”), the AER is a significant stakeholder in the Receivership even though it is not a “creditor” *per se*.
4. The Receiver recently filed its Fourteenth Report, which was a fulsome report updating the Court on the status of the Receivership and an application for a distribution of funds and other ancillary matters. A Court Order was granted on July 10, 2020 approving the distribution and other relief sought by the Receiver (the “**July Order**”).

5. As was noted in the Fourteenth Report, funds continue to be held by the Receiver pending the final determination of the priority of two builder's lien claims and a claim by Yangarra Resources Limited ("Yangarra") relating to a pre-receivership sale transaction. The builder's lien claims are discussed in the Receiver's Fifteenth Report and an application to resolve that matter is scheduled for October 16, 2020.

PURPOSE

6. The purpose of this Sixteenth Report of the Receiver (the "**Sixteenth Report**" or "**this Report**") is to provide the Court with information in respect of the Receiver's application to dismiss the claim of Yangarra arising out of a pre-receivership purchase transaction wherein Yangarra acquired certain properties from Manitoak (the "Ferrier Transaction").
7. Capitalized words or terms not defined in this Report are as defined in the Receivership Order or the previous reports of the Receiver (the "**Prior Reports**").
8. All references to dollars are in Canadian currency.

TERMS OF REFERENCE

9. In preparing this Sixteenth Report, the Receiver has relied upon financial and other information contained in the Company's books and records as well as the pleadings in the action commenced by Yangarra against Orlen Upstream Canada Ltd. ("Orlen") in the Court of Queen's Bench of Alberta as Court File No. 1801-17233 (the "Orlen Action"). The Receiver has not performed an audit, review or other verification of such information.

THE YANGARRA CLAIM

10. As noted in Prior Reports, one of the few substantive matters to finalize the Receivership is the resolution of the Yangarra Claim, as defined herein. The Receiver has noted that it was in discussions with Yangarra to attempt to settle that claim. Settlement discussions have broken off and the Receiver is now seeking to dismiss the Yangarra Claim.

11. The Receiver has set aside and continues to hold the sum of \$600,000 pending resolution of the Yangarra Claim. Although Yangarra has never specified the amount of its claim, it is seeking \$600,000 in the Orlen Action.
12. The Yangarra Claim arises from the Ferrier Transaction, which is more fully discussed below.
13. On December 4, 2018 Yangarra commenced the Orlen Action by filing a Statement of Claim seeking, among other relief, damages of \$600,000. A copy of Yangarra's Statement of Claim is attached as **Appendix A**.
14. On January 23, 2019 Orlen filed a Statement of Defence together with a Counterclaim seeking damages from Yangarra in the amount of \$94,975 plus interest and costs (the "Orlen Counterclaim"). A copy of the Orlen Counterclaim is attached as **Appendix B**.
15. On March 4, 2019 Yangarra filed a Statement of Defence to the Orlen Counterclaim. A copy of Yangarra's Statement of Defence to Counterclaim is attached as **Appendix C**.
16. On August 23, 2019 Yangarra filed a Third Party Claim against Alvarez & Marsal Canada Inc. ("A&M") and subsequently filed an application for leave to commence that Third Party Claim. A copy of Yangarra's Third Party Claim is attached as **Appendix D**.
17. A&M objected to that Third Party Claim and on October 29, 2019 a Consent Order was granted by the Court (attached as **Appendix E**), pursuant to which:
 - a) Yangarra was directed to file and serve in the Orlen Action an Amended Third Party Claim and an amended application for leave to file the Amended Third Party Claim ("Amended Leave Application") by October 30, 2019, replacing A&M with Alvarez and Marsal Canada Inc. solely in its capacity as Court Appointed Receiver and not in any personal capacity. This was done on October 29, 2019, at which time Manitok was also

added as a Third Party Defendant. A copy of Yangarra's Amended Third Party Claim (the "Yangarra Claim") is attached as **Appendix F**.

- b) Yangarra was directed to seek leave to file and serve an application in the Manitok Receivership Action, #25-2332583, for payment of the Winter Service Funds and Proceeds, as those terms are defined in its Third Party Claim (the "Receivership Application"). To the best of the Receiver's knowledge, no Receivership Application has been filed or served.
 - c) The Yangarra Claim was stayed pending the determination of the Receivership Application. Within 7 days of a final decision on the Receivership Application or such other time as agreed by the parties, the Yangarra Claim is to be discontinued without costs.
 - d) The Receiver was permitted to apply to strike out or dismiss the Yangarra Claim should it deem the circumstances to so warrant. The Receiver is now seeking to dismiss the Yangarra Claim.
18. The Yangarra Claim seeks contribution and indemnity from Manitok and the Receiver in respect of any liability for the amount being sought in the Orlen Counterclaim. The Orlen Counterclaim seeks payment from Yangarra of \$94,975 in respect of processing and related fees for the period from October 2017 to January 2018 arising out of the Ferrier Transaction. This appears to be what Yangarra is claiming to be owed by Manitok for Winter Service Fees, as defined in the Yangarra Claim.
19. In addition to contribution and indemnity with respect to the Orlen Counterclaim, Yangarra appears to be claiming a remedy against Manitok and the Receiver for Proceeds (as defined in the Yangarra Claim) as well as Winter Service Fees. As noted above, the Consent Order required Yangarra to bring the Receivership Application for payment of the Proceeds and Winter Service Fees. As noted above, that has not been done. A claim for Proceeds and Winter Service Fees would have existed at the Receivership Date, which was approximately 31 months ago.

Accordingly, the Receiver is of the view that the limitation period for these claims has lapsed and that such a claim is now statute barred.

FERRIER TRANSACTION AS IT RELATES TO THE YANGARRA CLAIM

20. Pursuant to an Asset Purchase Agreement made effective October 1, 2017, Yangarra purchased certain assets from Manitoak in the Ferrier area of Alberta (“Yangarra APA”). The Yangarra APA was purportedly based on a letter of intent presented in December of 2017 and was executed on or about January 31, 2018. A copy of the Yangarra APA, without schedules, is attached as **Appendix G**.
21. Manitoak was operating under BIA Proposal proceedings at the time the Yangarra APA was executed and it required a Sale Approval and a Vesting Order from the Court (“SAVO”). A SAVO was granted on February 13, 2018 and the Yangarra APA closed on February 16, 2018, just prior to the Receivership Date.
22. The Yangarra APA included certain Manitoak natural gas wells. Orlen processed the natural gas and related products from these wells (“Production”) through its facilities and charged Manitoak processing and related fees. Manitoak took the Production in kind and arranged for the sale of Production to various third party purchasers, who paid Manitoak directly.
23. The Yangarra APA was a standard form of agreement generally utilized for oil and gas transactions in an insolvency situation. Provisions of the Yangarra APA relevant to the Yangarra Claim include the following:
 - a) The Purchase Price to be paid at closing was the sum of \$2,082,500 plus or minus any adjustments for revenue and expenses of Manitoak made on an accrual basis in accordance with generally accepted accounting principles between the effective date of October 1, 2017 and the closing Date, which was February 16, 2018 (“Closing Date”).
 - b) An interim accounting for adjustments was to be done and an interim statement of adjustments (“ISOA”) was prepared and delivered on the

Closing Date. The ISOA indicated a Purchase Price of \$2,027,470.57 after GST of \$20,825.00 and adjustments of \$75,854.43 in favor of the Purchaser for revenue and expenses for October and November, 2017. A copy of the ISOA is attached as **Appendix H**.

- c) Within sixty days of the Closing Date, a final accounting of adjustments was to be done and a final statement of adjustment (“FSOA”) was to be agreed to by the parties. The FSOA has not been done.
- d) Manitoak as Vendor was responsible for all costs up to and including the Closing Date and Yangarra as Purchaser was responsible for all such costs thereafter.
- e) All adjustments were to be adjustments to the Purchase Price.
- f) Any Conveyance Document assigning a Title and Operating Document was to provide that notwithstanding Court Approval and such Conveyance Document, Yangarra as Purchaser was to have assumed such Title and Operating Document upon notice in writing of such assumption being given to any Third Party that was party to such Title and Operating Agreement.
- g) The Yangarra APA is the entire agreement between the parties.

24. The General Conveyance executed and delivered at closing was made as of the Closing Date and indicates that:

“This General Conveyance and the transfer of title to and possession of Vendor’s interest in and to the Assets will, subject to the terms of the Agreement, be effective as of the Closing Date.”

A copy of the General Conveyance is included within **Appendix G**.

RECEIVER'S CONCLUSIONS AND RECOMMENDATIONS

25. In view of the foregoing, the Receiver is of the conclusion that the Yangarra Claim ought to be dismissed for the following reasons:
- a) The Yangarra Claim is for contribution and indemnity for any liability that Yangarra may have to Orlen for Winter Service Fees. To the best of the Receiver's knowledge, the Orlen Counterclaim has not been determined. Nor has the Receiver been provided with proof or quantification of the amount sought in the Orlen Counterclaim.
 - b) Under the terms of the Yangarra APA, Manitok was responsible for paying the Winter Service Fees. However, the Winter Service Fees are pre-Receivership obligations and consequently are unsecured claims in the Receivership Proceedings, subordinate to both the secured claim of NBC and end of life obligations to the AER.
 - c) The Ferrier Transaction giving rise to the Yangarra Claim was a pre-Receivership transaction and the Receiver has no obligation or requirement to pay any claims relating to or arising out of that transaction.
 - d) The Orlen Counterclaim does not change the fact that the Receiver is not obligated or required to pay an unsecured claim.
 - e) The allegations in the Yangarra Claim that a trust was created and that the Receiver was acting as a trustee have no basis and the Receiver has not been provided with any evidence to support these allegations.
26. In addition to the Yangarra Claim, it appears that Yangarra is asserting a claim against the Receiver for payment of Proceeds and Winter Service Fees, as defined in the Yangarra Claim.

27. The Receiver is of the conclusion that any such claim that Yangarra has or may make in the future against the Receiver should also be dismissed, for the following reasons:
- a) The Consent Order granted on October 29, 2019 required Yangarra to file and serve an application for such claims in the Receivership. No such application has been filed or served and any such claims would now be statute barred.
 - b) The Winter Service Fees and Proceeds relate to the Yangarra APA, which is a pre-Receivership transaction. Any amounts payable by Manitoak to Yangarra for these claims would, in accordance with the Yangarra APA, be adjustments to the Purchase Price as determined by a FSOA. Although Manitoak may be liable for these claims, they would be unsecured claims in the Receivership proceedings.
 - c) The Receiver has no obligation or requirement to pay unsecured claims.
 - d) Winter Service Fees and Proceeds for October and November 2017 were adjusted on the ISOA and Yangarra received credit for those in paying a reduced Purchase Price. Winter Service Fees and Proceeds for December 2017 and January 2018 would have been adjusted on the FSOA and any payment due to Yangarra by Manitoak would be an unsecured claim. The Receiver has no obligation or requirement to pay such claim or any other pre-Receivership liabilities of Manitoak that are unsecured claims.
28. The Receivership proceedings are substantially complete, with the Yangarra Claim being one of the few remaining substantive issues requiring finalization for purposes of allowing the Receiver to obtain its discharge.
29. The Receiver therefore recommends that this Honourable Court:
- a) Dismiss the Yangarra Claim against the Receiver; and

- b) Dismiss any further claims Yangarra may be asserting against the Receiver in respect of Winter Service Fees and Proceeds.

All of which is respectfully submitted this 5th day of October, 2020.

NOTICE TO DEFENDANT(S)

You are being sued. You are a defendant.

Go to the end of this document to see what you can do and when you must do it.

Note: State below only facts and not evidence (Rule 13.6)

Statement of facts relied on:

1. Yangarra Resources Ltd. ("**Yangarra**") is an Alberta company engaged in the exploration, development, and production of petroleum and natural gas in Western Canada.
2. Orlen Upstream Canada Ltd. ("**Orlen**") is an Alberta company similarly engaged.

3. Yangarra was successor as "Producer" and Orlen successor as "Operator" under two Gas Handling Agreements, described below:

- i. Cow Lake 03-16-38-7W5 Compression Facility and Gas Gathering System Gas Handling Agreement between Provident Energy Ltd. and Tournament Exploration Ltd., Effective February 1, 2009, Contract No. SA2908
- ii. Ferrier Area Gas Handling Agreement between Angle Energy Inc. and Tournament Exploration Ltd. Effective March 1, 2012, Contract No. SV0644

(Collectively, the "**Agreements**")

4. Yangarra acquired its interests in the Agreements from Manito Energy Inc. ("**Manitok**") on January 31, 2018. Manitok made a deemed assignment in bankruptcy on February 20, 2018.

5. The Agreements governed the handling, processing, and allocation of oil and gas substances produced from several Yangarra wells, including the following:

00/03-23-038-07W5

02/03-23-038-07W5

00/08-03-038-07W5

00/08-03-038-07W5

14-19-38-6W5

(Collectively, the "**Wells**").

6. By the Agreements, the producer (i.e. Manitok until January 31, 2018 and Yangarra thereafter) was to deliver natural gas and related substances from the Wells to Orlen's facilities and pay Orlen a monthly handling charge for processing. Orlen would then allocate to the producer its proportional share of the facilities' "outlet substances" (the "**Substances**").

7. As part of the purchase price for ManitoK's assets, Yangarra paid ManitoK's net operating expenses (including the gas handling charges set out in the Agreements as described above) for the months of October 2017, November 2017, December 2017 and January 2018.
8. Insofar as is known to Yangarra, Orlen billed ManitoK for handling charges for these months, but ManitoK did not pay and Orlen took no enforcement action. At all material times, Orlen failed to inform Yangarra that it was allowing the insolvent ManitoK to operate on credit.
9. After ManitoK's bankruptcy, in or around around May 2018, Orlen began demanding payment from Yangarra of ManitoK's handling charges for the months noted above.
10. By letter of August 10, 2018, Orlen issued a Notice of Default to Yangarra, demanding immediate payment of ManitoK's handling charges on threat of it taking steps to enforce its right and remedies under the Agreements. Orlen added that it was prepared to discuss Yangarra's objections to the billings only upon full payment. In response to Orlen's ultimatum, Yangarra paid the then current Joint Interest Bills under protest as the amounts being demanded by Orlen were not due and owing. The amounts paid by Yangarra were with respect to all current processing and handling charges but did not include the charges due and owing by ManitoK.
11. As of August 14, 2018, Yangarra had paid all outstanding operating expenses for the Wells from February 2018 to July 2018. Notwithstanding this fact, Orlen failed to allocate its substance allocation from the Wells for the months of February 2018, July 2018 and August 2018. In addition, without notice, Orlen increased the processing rates at the facility from \$36 per e³m³ to \$60 per e³m³. As a result of the conduct of Orlen, Yangarra was forced to shut in the Wells on or about August 30, 2018. As of the filing of this claim, the Wells remain shut in.
12. As operator under the Agreements, Orlen is granted overall management and control of the gas handling, measurement and allocation of the Substances and has the ability to exercise discretion and power in relation to Yangarra and, in this respect, is a fiduciary and owes fiduciary duties to Yangarra.

13. Orlen has breached the Agreements, its duties as operator, its fiduciary duties, and has otherwise failed to comply with the terms of the Agreements, some particulars of which include:
- i. Failing to determine the allocation of the Substances on a monthly basis;
 - ii. Failing to provide Yangarra with a statement showing the total volume of Yangarra's inlet substances accepted at the facility on or before the 25th day of each month;
 - iii. Failing to provide proper payment to Yangarra for the Substances on a monthly basis;
 - iv. Failing to provide Yangarra with proper notice of increased handling charges to process Yangarra's production;
 - v. Such further and other particulars as shall be proven at the trial of this action.
14. Since becoming operator under the Agreements, Orlen has demonstrated a marked and flagrant departure from the standard of conduct of a reasonable operator and shown utter disregard for the harmful, foreseeable and avoidable consequences of its actions. As such, its actions as operator constitute gross negligence and have caused and continue to cause Yangarra loss and damage, including additional expenses and loss of operating revenue in an amount to be proven at trial.

Remedy sought:

- 15. Judgment in the amount of \$600,000, or such other amount as will be proven at trial;
- 16. A Declaration that the increased handling charges for the months of July 2018 and August 2018 are of no force and effect;
- 17. A Declaration that no handling charges accrued to Yangarra under the Agreements for the months of October, November, and December 2017 and January 2018.
- 18. Interest pursuant to the *Judgment Interest Act*, RSA 2000, c. J-1.
- 19. Costs of this action.
- 20. Such further and other relief as the Court considers appropriate.

File No. A159852

Attention: Warren Foley / Natasha Tames

Statement of facts relied on:

1. The Defendant by Counterclaim, Yangarra Resources Ltd. ("**Yangarra**"), pleads and relies upon the facts alleged in the Statement of Claim and adopts the definitions set forth in the Statement of Claim.
2. Except where specifically admitted herein, Yangarra denies all allegations in the Counterclaim.

Any Matters that Defeat the Claim of the Plaintiffs by Counterclaim:

3. In answer to the whole Counterclaim, Yangarra expressly denies that it became responsible for the debts of Manitok as alleged, or at all, and puts the Plaintiff by Counterclaim to the strict proof thereof.
4. Yangarra denies that the Plaintiff by Counterclaim has suffered any losses or damages alleged in the Counterclaim or at all, and puts the Plaintiff by Counterclaim to the strict proof thereof.
5. If the Plaintiff by Counterclaim has suffered damages as alleged in the Counterclaim, which is denied, then such damages were not caused or contributed to by any acts or omissions on the part of Yangarra.
6. Further and in the alternative, Yangarra states that the Plaintiff by Counterclaim has failed to properly mitigate its damages by failing to register its claim as against Manitok with the current Trustee in Bankruptcy and Receiver, Alvarez & Marsal.
7. Yangarra states, and the fact is, that Orlen's avenue for recovery by way of Counterclaim is improper. The proper course of recovery of any unpaid fees owed by Manitok to Orlen was to register a claim with the receiver and trustee in bankruptcy of Manitok in the Court of Queen's Bench of Alberta in Bankruptcy and Insolvency Estate Numbers 25-2332583, 25-2332610, and 25-2335351.
8. Yangarra states that the Counterclaim is an attempt to recover any unpaid liabilities of Manitok as against Yangarra, and is an attempt to circumvent the proper bankruptcy and insolvency procedure and is invalid and improper.

Payment of Orlen's Fees from October 2017 to January 2018

9. Yangarra has already paid for Orlen's gas handling, processing, and other fees for the period of October 2017 to January 2018, inclusively.
10. On December 22, 2017, Yangarra offered to purchase all of Manitok's interests in the land legally described as TWP 037-08W5 S/2 Sec 26 (the "**Ferrier Property**"). Manitok accepted the offer.

11. On February 20, 2018, Yangarra entered into an Asset Purchase Agreement with Manitok effective October 1, 2017 wherein Yangarra purchased the Ferrier Property (the "**Purchase Agreement**") for the sum of \$2,027,470.57 (the "**Purchase Funds**").
12. It was an express term of the Purchase Agreement with Manitok and/or Manitok's Proposal Trustee in Bankruptcy, FTI Consulting Canada Inc. ("**FTI**"), and/or Manitok's Trustee in Bankruptcy, Alvarez & Marsal Canada Inc. ("**Alvarez**"), that some of the Purchase Funds would be paid to Orlen in full and final satisfaction of outstanding processing and other fees for the period of October 2017 to January 2018, inclusively (the "**Winter Service Payment**").
13. Yangarra states, and the fact is, that it has already paid the Winter Service Payment as part of the Purchase Funds.
14. Yangarra was not responsible for remittance of the Winter Service Payment to Orlen.
15. To the best of Yangarra's knowledge, Manitok, FTI, Alvarez and/or Manitok's largest secured creditor, the National Bank of Canada ("**NBC**"), received the Purchase Funds and were responsible for remitting Orlen with the Winter Service Payment. Any failure to do so is not attributable to Yangarra and is a result of the breach of contract and negligence of Manitok, FTI, Alvarez, and/or the National Bank of Canada in failing to provide Orlen with the Winter Service Payment, in direct breach of the Purchase Agreement.

Assignment of the Agreements

16. In further answer to the whole of the Counterclaim, Yangarra denies that it has breached any of the terms of the two well operating agreements and two gas handling agreements (collectively, the "**Agreements**"), as alleged or at all.
17. Yangarra states that the Agreements were assigned to Yangarra, but were not novated to Yangarra.
18. At no time did Yangarra and Orlen enter into any express or implied agreement whereby Yangarra would become liable for any pre-existing debt of Manitok to Orlen. At no time did Yangarra, Orlen, and Manitok enter into a tripartite agreement wherein the assumption of Manitok's debt by Yangarra was expressly contemplated and agreed to by the parties.

19. In the alternative, if the Agreements were novated to Yangarra, it was an express term of the three assignment agreements which assigned the Agreements to Yangarra (the "**Assignment Agreements**") that Yangarra perform all covenants and obligations from and after October 1, 2017. At no time did Yangarra agree to pay Manitok's outstanding fees prior to October 1, 2017, nor was such payment contemplated.
20. Yangarra has paid the Winter Service Payment and accordingly, is not in breach of the Assignment Agreements.

The Vesting Order

21. In answer to the whole of the Counterclaim, Yangarra states that if it owed any obligation to cover any outstanding liabilities of Manitok from July 2017 to October 2017, which is expressly denied, then the Approval and Vesting of Sale Order of Madam Justice K.M. Horner, dated February 15, 2018 (the "**Vesting Order**"), extinguished any and all security interests, hypothecs, trusts, deemed trusts, liens, charges, or other financial or monetary claims, whether or not they have been attached or perfected, registered or filed, and whether secured, unsecured or otherwise, that may have attached to the Ferrier Property. The Vesting Order expressly expunges and discharges any interests or encumbrances that may attach to the Ferrier Property.
22. Yangarra states, and the fact is, that if Yangarra became responsible to pay any pre-existing liabilities of Manitok to Orlen, which is denied, then the Vesting Order expressly negates any liability Yangarra may have had with respect to claims against Manitok for outstanding fees and bars Orlen's claims against Yangarra.

Remedy Sought:

23. Yangarra requests that the Counterclaim be dismissed with costs payable to Yangarra.
24. In the alternative, if Yangarra is obliged to pay the damages sought by Orlen in its Counterclaim, Yangarra requests that such amount be set off as against the losses and damages claimed by Yangarra in its Statement of Claim, resulting in a net judgment due to Yangarra.

NOTICE FROM YANGARRA RESOURCES LTD., DEFENDANT, TO THE THIRD PARTY DEFENDANT, ALVAREZ & MARSAL CANADA INC.:

This third party claim is made against you. You are a third party defendant.

Go to the end of this document to see what you can do and when you must do it.

Note: State below only facts and not evidence (Rule 13.6).

Statement of facts relied on:

1. All capitalized terms in the Third Party Notice have the same meaning ascribed to such terms in the Statement of Claim except as otherwise specifically defined herein.
2. An action has been commenced by the Plaintiff by Counterclaim, Orlen Upstream Canada Ltd. ("**Orlen**"), against Yangarra Resources Ltd. ("**Yangarra**") based on allegations of breach of contract and as more particularly described in the Orlen Counterclaim, a copy of which is attached.
3. Yangarra denies any and all liability to Orlen on the grounds outlined in their Statement of Defence and Counterclaim, copies of which are attached.
4. In the event that Yangarra is held liable to Orlen, Yangarra claims contribution or indemnity from the Third Party Defendant, Alvarez & Marsal Canada Inc. ("**Alvarez**") in whole or in part, in respect of any liability for the claims being advanced by Orlen.

The Third Party

5. Alvarez, insofar as is known to Yangarra, is a corporation incorporated pursuant to the laws of Alberta that carries on business as a restructuring firm and as receiver in bankruptcy. On or around February 20, 2018, Alvarez was appointed by the Alberta Court of Queen's Bench as Receiver (the "**Receivership Order**") of the current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate, including all proceeds thereof, of Manito Energy Inc. ("**Manitok**").

Purchase Agreement and Receivership Order

6. On December 22, 2017, Yangarra offered to purchase all of Manito Energy's interests in the land legally described as TWP 037-08W5 S/2 Sec 26 (the "**Ferrier Property**"). Manito Energy accepted the offer ("**Purchase Agreement**") for the sum of \$2,027,470.57 (the "**Purchase Funds**").
7. Prior to the Purchase Agreement being finalized, Orlen was responsible for processing gas substances derived from the Ferrier Property and providing Manito Energy with the related proceeds. Orlen provided Manito Energy with the related proceeds for December 2017 and

January 2018 ("**the Proceeds**"). These amounts were forwarded to ManitoK prior to the Receivership Order.

8. In or around February 2018, but prior to the Receivership Order being issued, ManitoK assigned its agreements with Orlen to Yangarra with an effective date of assignment of October 1, 2017. Yangarra was assigned its proportional share of production from the Well (the "Well") as of October 1, 2017, including amounts for December 2017 and January 2018 (the "**Proceeds**").
9. It was an express or implied term of the Purchase Agreement and the Assignments that:
 - (a) The Purchase Funds specifically included amounts owing to Orlen (the "**Winter Service Funds**") for the processing and related fees for the period of October 2017 through January 2018 (the "**Processing and Related Fees**");
 - (b) ManitoK was required to remit the Winter Service Funds to Orlen;
 - (c) The Winter Service Funds would be used solely for the purposes of paying the Processing and Related Fees to Orlen;
 - (d) The Winter Service Funds would be paid to Orlen on demand;
 - (e) The Winter Service Funds were guaranteed by ManitoK and its successors;
 - (f) ManitoK was required to remit the Proceeds to Yangarra;
 - (g) The Proceeds would be provided to Yangarra upon receipt of the same;
 - (h) The Proceeds would be paid to Yangarra on demand; and
 - (i) The Proceeds were guaranteed by ManitoK and its successors.
10. ManitoK made a deemed assignment in bankruptcy on February 20, 2018 and the Receivership Order was issued in favour of Alvarez on the same date. As part of the Receivership Order, Alvarez was granted custodial responsibility for any and all assets of ManitoK, including the Winter Service Funds and Proceeds.

Breach of Purchase Agreement and Duty to Act in Commercially Reasonable Manner

11. Alvarez as Receiver, has adopted and/or, in the alternative, agreed to comply with the terms of the Purchase Agreement and Assignment, including remittance of the Winter Service Funds to Orlen and the Proceeds to Yangarra.

12. Further, pursuant to section 247 of the *Bankruptcy and Insolvency Act R.S.C., 1985, c B-3*, Alvarez also has a duty to act honestly, in good faith, and in a commercially reasonable manner with respect to any interested parties.
13. Alvarez has breached the Purchase Agreement and the Assignment and has acted contrary to its statutory duties by:
 - (a) Failing to remit the Winter Service Funds provided by Yangarra and owing to Orlen for the Processing and Related Fees;
 - (b) Failing to remit the Proceeds from the Well provided to Manitok and owing to Yangarra;
 - (c) Failing to act in a commercially reasonable manner in failing to pay the debt to Orlen as obliged by law and/or to preserve the goodwill of Manitok;
 - (d) Failing to act in a commercially reasonable manner in failing to pay the amounts owed to Yangarra for production as obliged by law and/or to preserve the goodwill of Manitok; and
 - (e) Further particulars as will be proven in the trial of this action.

Breach of Trust Obligations

14. In the alternative, at the time of the Purchase Agreement and thereafter, Manitok held a trust obligation to Yangarra to apply the Winter Service Funds provided in the Purchase Agreement to Orlen for payment of the Processing and Related Fees. Alvarez continue to hold this trust obligation on behalf of Yangarra to apply the Winter Service Funds for payment to Orlen of the Processing and Related Fees.
15. Manitok also held a trust obligation to Yangarra to pay them the Proceeds as provided for in the Assignments. Alvarez continues to hold this trust obligation on behalf of Yangarra to pay them the Proceeds as provided for in the Assignments.
16. The Winter Service Funds and Proceeds were provided to Manitok in trust (the "**Winter Service Trust**") with the following express or implied trust obligations:
 - (a) The Winter Service Funds were to be used specially and exclusively for the purpose of paying the Processing and Related Fees;
 - (b) The Winter Service Funds remained the property of Yangarra;

- (c) The Proceeds were to be used to pay Yangarra its proportional share for gas production for December 2017 and January 2018;
 - (d) The Proceeds remained the property of Yangarra;
 - (e) ManitoK and then Alvarez, as Receiver, was under a continuing trust obligation and had a fiduciary duty to remit the Winter Service Funds to pay Orlen the Processing and Related Fees; and
 - (f) ManitoK and then Alvarez, as Receiver, was under a continuing trust obligation and had a fiduciary duty to remit the Proceeds to Yangarra.
17. Yangarra and ManitoK intended to create the Winter Service Trust, settle the trust and impose trust obligations, either expressly or by implication, on the terms stated above. As ManitoK's Receiver, Alvarez remained subject to the trust obligations of the Winter Service Trust.
18. Yangarra never parted with beneficial title to the Winter Service Funds or the Proceeds. The Winter Service Funds and the Proceeds were conveyed to ManitoK and then to Alvarez subject to an equitable obligation to use those funds to remit to Orlen for payment of the Processing and Related Fees and for Yangarra's proportional share of gas production. The funds were not remitted to ManitoK and then Alvarez to use in whatever way they saw fit.
19. The Winter Service Funds are being held by Alvarez on a trust obligation in favour of Yangarra, with the term of the trust being that the Winter Service Funds be conveyed to Orlen for the Processing and Related Fees. The Proceeds are being held by Alvarez on a trust obligation in favour of Yangarra with the term of the trust being that the Winter Amount be conveyed to Yangarra for their proportional share of gas production for December 2017 and January 2018.
20. The Winter Service Funds and Proceeds were never the property of ManitoK and the creditors of ManitoK have no entitlement to the funds in question.
21. Alvarez, as trustee, had a fiduciary duty to abide by the trust obligations to Yangarra to remit the Winter Service Funds to Orlen for payment of the Processing and Related Fees. If, as alleged, the Winter Service Funds were never remitted by Alvarez to Orlen for payment of the Processing and Related Fees, Alvarez has breached its trust obligations to Yangarra and its fiduciary duties.

22. Alvarez, as trustee, had a fiduciary duty to abide by the trust obligations to remit the Proceeds to Yangarra for payment of the proportional share of gas production for December 2017 and January 2018. Alvarez has breached its trust obligations by not remitting these amounts to Yangarra.
23. Yangarra pleads and relies on the provisions of the *Tort-feasors Act, RSA 2000, c T-5*, and all amendments thereto.

Remedy sought:

24. Yangarra claims the following against Alvarez:
- (a) To be indemnified in whole or in part, in respect of any judgement, damages or interest in this action, given against Yangarra;
 - (b) To have the Winter Service Funds returned to them by Alvarez;
 - (c) To have the Proceeds remitted to Yangarra by Alvarez;
 - (d) Costs of this action and these proceedings;
 - (e) Judgement in these proceedings against the Third Party Defendant; and
 - (f) Such further and other relief as this Honourable Court deems just.
